

Moore... ABOUT Eastland

By VIRGIL E. MOORE

The other night out at Charles Freyschlag's house the telephone rang and Charles got up out of bed to answer it. When he said hello a woman's voice at the other end of the line said, "Mr. Freyschlag, are we going to have a storm tonight?"

Confused, Charles said, "Well I don't really know. I've been asleep and besides I don't know much about the weather."

"Well aren't you the weatherman?" the voice asked.

"No I'm not," said Freyschlag. "Well why do they put your name above the weather report in the paper every day then?" the voice asked.

Explanation: Freyschlag Insurance Co. each day as a public service (and to get a little publicity) presents the "Freyschlag Weather Forecast" on page one of the Telegram.

They are telling this one on Van Allen over at Perry Bros. Of course, we don't claim it's the truth, it's just what we heard.

A lady ran into the store, the tale goes, and, almost out of breath, said, "Quick, let me have a mouse trap. I've got to catch a bus to Abilene."

Without blinking an eye Van said, "I'm sorry madam, but we don't have a trap that big."

That's about all they don't have over there, though.

Let's see—Paul Pullman is going to be a year older today and Monday Mrs. T. C. Bennett, Knicky Arthur and Jim Boggs will all be celebrating.

Maybe we better correct ourselves there a bit, however. Boggs actually will celebrate his birthday today, for Monday he is due to report to the hospital for a little check up.

We liked the tale Lee Harr, editor of the Ranger Times, told about the imbibed character from Corsicana (that being our home town) that was arrested by Ranger police after putting on quite a show at a filling station there.

The gentleman was on his way to Old Glory from Rising Star. He told the station owner that, and the owner informed him that he should have continued west through Cisco. The drunk replied that he knew his directions, but that the sun "was just too bad at that time of day."

A few minutes later he attempted to place a call to his wife, Harr relates. When the operator asked him for his "number please," the man simply said, "I want to talk to my wife in Corsicana." The operator then asked, "What is your name, sir." At this the man said, "Oh, it's all right, I'm her husband."

Our mail bag brought us a letter from an ex-Eastland County man this week.

Ken Webb, who now runs a newspaper syndicate in Odessa, forwarded us four of his cartoons to publish as a trial run to test our readers' reaction in an effort to determine if they would be worth the money they would cost us.

"We would be particularly happy to see our feature in the Telegram in that Eastland is our old 'stomping grounds.' I attended Morton Valley and Carbon High School and my wife attended Eastland High. Her name was Dorothy Marie Sims. You may know my stepbrother there in Eastland, Truett Gregory."

Sure enjoyed the letter and the cartoons. One, "The Last Straw," appears inside today's Telegram. Look for it.

Christmas tree lights were really pretty. Looks like we could afford to keep them on until 10 anyway, though, doesn't it?

That's about it for now.

GOVERNOR TALKS TB—Governor Allan Shivers and Mrs. Joella Terrill Butler discuss the tuberculosis toll in Texas as the governor prepares to sign an official memorandum calling on Texans to buy and use Christmas Seals. His signature designates November 22 through December 25 as Christmas Seal Month in Texas. The traditional Seal Sale provides the sole support for the work of the Texas Tuberculosis Association and its affiliated organizations throughout the state. Mrs. Butler, of Wichita Falls, is president of the state association.

Policemen Set Ticket Sale Record

Eastland policemen are setting a record this week writing tickets. No, the local cops haven't brought in a radar unit, it's just that everybody wants a ticket to the Seventh Annual Policemen's Ball Dec. 7.

Ray Judia and his Dixieland Band will be featured at the annual benefit dance, which will be held at the American Legion Hall. Tickets can be purchased from any policeman.

HOSPITALIZATION PLAN TO BE STUDIED BY FARM BUREAU

Plans for protecting farm and ranch families against financial hardship in case of illness, including cancer, will be discussed at a meeting on Tuesday, Nov. 30, at the Recreational Hall on the rodeo grounds at Coleman, is the announcement this week by A. Z. Myrick, president of the Eastland County Farm Bureau.

Farm Bureau leaders from Eastland and six other counties in this area will meet with Blue-Cross, Blue-Shield and Texas Farm Bureau staff members to plan increased participation of farm families in the group hospitalization and surgical benefits program.

A concerted campaign will be conducted over the state in December and January to enroll more Farm Bureau families in the Blue Cross-Blue Shield program. The Texas Farm Bureau, with over 14,000 farm families enrolled, is the largest Blue Cross group in Texas.

The drive has been set up in conjunction with the offering of the Blue Cross-Blue Shield Catastrophic Illness Endorsement to Farm Bureau members. The endorsement, which includes coverage for 11 dreaded diseases, including cancer, has not been available to Farm Bureau groups in the past, and will be offered only during the months of December and January, president Myrick said.

B. J. Gist of Abilene, state director for district 7, will preside at the meeting. The Texas Farm Bureau will be represented by field representative Leon M. Lane, Lubbock, Texas.

The Blue Cross-Blue Shield representatives will be Philip C. Hubert of Abilene and George M. Merrill of Fort Worth.

Quite Quiet Over Holiday

It was quite quiet in Eastland over the holiday. No disturbances were reported.

No drunks, no wrecks, no nothing, was the unofficial report.

Cinemascope Screen Due For Dixie Drive-In

"The Dixie Drive-In Theater will be closed from December 1 through January 1 for the purpose of widening the screen and installing equipment which will enable the showing of pictures filmed in cinemascope," I. B. Walker, theater manager announced today.

Located on the Eastland-Ranger highway, the new screen will be presented in the correct ratio as recommended by the leading engineers in the motion picture industry.

The picture presentations will be in the true dimension and ratio specified by the engineers who have worked so diligently to perfect this new method which guarantees the tops in motion picture entertainment.

After the renovation is completed, the theater will be re-opened January 2 with the film "Seven Brides for Seven Brothers."

Truck Driver Passes Out In Ranger

Luther L. Harrison, of Henderson, was carried to the Ranger General Hospital Thursday night after falling into unconsciousness as he stepped from his large trailer truck near the Porky Pig on Highway 80.

A 26-year-old Navy veteran, Harrison was enroute to New Mexico along with two other trucks belonging to the J. H. Rose Co., whose home office is in Dallas.

The other vehicles did not arrive at the scene, however, until an hour later.

Rev. Jack Randle, of Abilene, one of the first persons to reach Harrison, reported that he saw the truck driver depart from the cab of his vehicle. Moments later, Rev. Randle said, that he saw Harrison lying beside his truck.

Harrison was immediately placed under oxygen on his arrival at the hospital, where Friday morning doctors said that he was still under observation.

Dr. C. W. Harris, said that Harrison was taken from the oxygen tent Friday morning, and was gradually regaining strength.

Harrison, after recuperating enough to talk, could offer no explanation for the sudden attack.

Tommy Mitchell, of Strawn, reported the incident to the police department who dispatched a patrol car and ambulance to the scene.

COLLEGE STATION (Spl.)—Texas will make history during the annual International Livestock Exposition in Chicago November 27-December 5.

For the first time since the Exposition's beginning in 1901, a state has been asked to provide an exhibit showing research and its findings as part of the program. Texas is that state.

The Texas Agricultural Experiment Station and PanTech Farm, a cooperative division between TAES and Texas Tech, College at Lubbock, have prepared a 78x12 foot exhibit showing Texas' beef cattle improvement research program.

This program is a cooperative project between the TAES, Texas Tech, Texas Beef Cattle Breeders and the U.S. Department of Agriculture.

Fifty of the exhibit's 87-foot frontage will be taken up by pens holding tested beef sires and their off-spring. The other 28 feet will be filled by large poster signs graphically showing the results of the program from its inception at the TAES sub-station at Balmorhea in 1941 through the present. Actual photographs of the cattle and statistics showing weight-gaining ability and management practices form a part of this poster display.

As part of the exhibit, printed, pocket-size booklets answering almost every possible question about the research project will be distributed to those who desire them.

BETTER SHOW ON THE SIDELINES—Some of the diaper set apparently didn't care for the proceedings nor their companions at the recent baby show in London, England. In top photo, one-year-old Valerie Torrell shows her disinterest in the show. And 18-month-old Janice Wheeler, in typical Eve fashion, insists that her Adam, 13-month-old Nigel Kitching, taste the tempting offering, despite the "Laughton-esque" disgust exhibited by Nigel.

Lights Go On Again Here

The lights are on again!

Yes, Eastland is once again daily decorated for the Christmas season. The traditional downtown lights went on Thursday night. A little wiring trouble caused some of the lights to go off early, but Texas Electric workmen repaired the lights Friday.

The next big step in Eastland's Christmas activities will be a visit by Santa Dec. 11. He will return on the 18th and make a final pre-Christmas visit here Dec. 24. He will give out candy to all the kids on each visit.

But Admits Striking Police Chief

Drivers Denies He 'Broke Any Law'

Free on \$1,000 bond, Jesse Coy Kimbrough of Eastland, Friday denied that he had violated any laws following a scuffle with two Ranger policemen Wednesday, but admitted that he did hit Ranger Police Chief W. G. (Pop) Pounds in the face with his fist. Kimbrough is charged with aggravated assault on a police officer.

In an interview with a Telegram reporter, Kimbrough, who was in the process of moving a house through Ranger when the episode occurred, said, "We were not violating any laws. We had a state highway permit to move the house through Ranger." He also denied that the house movers had damaged any utility wires. He said, "We didn't tear down or damage any wires in the city of Ranger."

It was a call from a telephone linesman to Ranger police that began the investigation. The linesman told police the house moving operation was destroying telephone lines stretched across the highway.

Eastland And Ranger Families Injured In Wreck

Mrs. Novie Pafford of Eastland, Mr. and Mrs. F. C. Tye and son, Ronnie, of Ranger and L. P. Quarrels, also of Eastland, were injured in a car accident Thursday morning near the Texas-Louisiana line.

Mrs. Pafford suffered the most serious injury of the group, although all of the others are injured and hospitalized in Shreveport, with the exception of Quarrels.

The car was a total loss. The group were enroute to Cullen, La., where Mrs. Pafford was to visit with a son.

Mrs. Sam Buttler Is Local Woman Named

Two Eastland County women have been named on the 91st District Court jury commission for the December term by Judge Turner M. Collic. The women will be the first in the history of the county and probably in the state to serve in such a capacity.

Judge Collic announced several days ago that at least one woman would be on the commission. This week he named one from Eastland and one from Ranger. To serve from Eastland will be Mrs. Samuel Butler. The Ranger member of the commission will be Mrs. Alla Ray Morris.

Other members of the commission will be Eugene Baker, Gorman; George Boyd, Cisco; and George L. Davenport, Eastland. Following is a complete copy of the historical court order:

On this the 22nd day of November, A.D. 1954, it appearing to the Court that the services of Grand Jurors will be required for the December, 1954 Term of the 91st District Court, and it will be necessary to impanel a petit jury in the 91st District Court for said term; and

It further appearing to the Court that it will be necessary and proper to select a jury commission to draw names for Grand Jury and Petit Jury service for said term; and

It further appearing to the Court that Eugene Baker of Gorman, Texas, George Boyd of Cisco, Texas, George L. Davenport of Eastland, Texas, Mrs. Samuel Butler of Eastland, Texas, Mrs. Alla Ray Morris of Ranger, Texas are qualified to act as such jury commissioners;

IT IS, THEREFORE, ORDERED, ADJUDGED AND DECREED by the Court that the persons above named be, and they are hereby appointed jury commissioners for the said term of said Court, and they, and each of them, are hereby ordered and directed to appear before this Court on Monday, November 22nd 1954, at 9:30 o'clock a.m., in the 91st District Courtroom and then and there to take the oath prescribed by law and to be impaneled and instructed as to their duties as such jury commissioners, and that they select in the manner prescribed by law, names for Grand Jury service and Petit Jury service in the numbers and for the lists as hereinafter provided.

Said commissioners shall select sixteen names from which the Court may select Grand Jurors and three lists of fifty names each for Petit Jury service, being lists numbers One, Two and Three for the said term of said Court. Witness my hand at Eastland, Texas, on this the 22nd day of November, 1954.

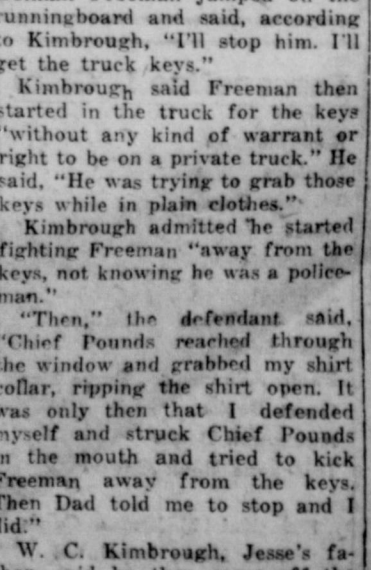

Albany Lions Take Dublin In Playoffs

DUBLIN (TNS)—Dublin's Lions scored 26 more points than they were expected to here Friday night, but still fell before the powerful Albany Lions 53-26 in first round play of the state playoffs.

Dublin, District 7-A champions, found it easier to move against Albany than they did against Eastland last week, but could not stop the offensive minded visitors.

The win gave Albany the right to meet Sonora in bi-district play.

The choir is putting on their operetta Dec. 14 in the High School auditorium.

The operetta is supposed to have boys in it, but we have an all girl choir. Girls will take the places of the boys. Those taking part are as follows: Ellen Whitley, Betty Nell Jones, Linda Linkenhager, Matty Jo Beatty, Barbara Hightower, Goldia Spiles, Ruban Owens, Betty Jo Westfall, Barbara Dalton, Donna Scott, Mildred Day, Yvonna Davis, Jean Whitten, Madeline Lacy, Jane Jordan, Margie Franklin, Carol Novie, Barbara Cary and Dixie Day.

The stage hands are Pat MacMoy, Ellen Whitley, Betty Jo Westfall, Dorothy McKinney, Kedron Williams, Bobbie Love, and Ella Joy Walker.

R. W. Scott is director. Well, the athletes at E.H.S. are having an interval. It sure feels good to know that you can go to a show and don't have to worry about being out after nine o'clock.

The last time we will wear the football suits for a whole year was Monday when we suited out to take our pictures for the annual.

The school party was a success. This party was the biggest the school has ever had. Approximately 98 per cent of the student body attended. The party started out with games. Each of the four classes took part in the games and afterward a program was held.

The Seniors were the host and the Freshmen got things started. Then the Sophomores had Gismo, the educated horse. After the horse show a sextet made up of Dixie Day, Ruan Owens, Goldie Skiles, Betty Jones, Ellen Whitley and Barbara Dalton. Then the Sophomore boys gave two songs. After that the Sophomore Class gave a skit called "Poetry On The Plains." Then another group of Juniors put on an act called "Faculty Meeting." The students imitated the teachers. The Seniors had Gary Downard play "Deep Fur-

THIS IS TO CERTIFY that Durham Peanut Company will guarantee Southwest Spanish Peanut Seed of good germination and at a reasonable price to producers for 1955 planting season as follows:

1. To the producer who sells his peanut crop to this company, we positively guarantee as stated above, sufficient seed to plant his 1955 quota acres. This guarantee is to expire May 1, 1955.

2. To the producer who, due to crop failure, has no peanuts to market or the producer who has peanuts to market but does not sell his crop, we guarantee, as stated above, sufficient seed to plant his 1955 quota acres. PROVIDED he comes to our office by December 15, 1954, and makes special arrangements necessary for us to offer him this protection. This guarantee will hold good only until our supply is exhausted.

As you know, Durham Peanut Company has specialized in TOPPER BRAND PEANUT SEED for many years and we are very grateful for the splendid public acceptance of this fine product. We are again making every effort to accumulate sufficient high quality, high germination peanut seed to assure all of our customers throughout our entire trade territory of adequate good quality seed to plant their 1955 quota acreage. Churchmen Told Nation Must Be Brought 'More Fully Under God'

(N.Y. BOSTON (Spl.) — "If this nation is not brought more fully under God, its own future will be in peril and the peace of the world will be jeopardized."

This sober warning was voiced by Bishop William C. Martin, president of the National Council of Churches, in a message addressed to more than 2,000 church leaders who will convene here Sunday for the Council's Third General Assembly.

"According to the world's meas-

ure of power," the Protestant church statesman declared, "Our country has only recently emerged as the most powerful nation in history. . . . Real power must be morally responsible. . . . So our responsibility — the responsibility of our churches — is great."

The delegates, including top ranking dignitaries of 30 Protestant, Anglican and Eastern Orthodox communions with more than 35,000,000 members, will sit in solemn conclave the better part of the week.

They will look back over the past two years to weigh the whole broad scope of the work of the Council — the nation's largest religious organization. And as representatives of the 30 churches which have pooled their resources in the Council, they will chart new courses for cooperative action in the future.

During the biennial sessions of America's most representative church gathering, delegates will also be mindful of these words from Bishop Martin: "God gave the spirit of unity in Christ that brought the National Council of Churches into being four years ago. God is the judge before whom we bring the reports of our labors of the biennium. God will give us guidance for making decisions and for planning for the future."

The reports the Council leader referred to will embrace a roster of church-supported activities that no single communion or denomination could carry on by itself.

Since 29 (now 30) church bodies established the Council at its first Assembly in Cleveland four years ago, the cooperative enterprise has become a team of 687 operating personnel, backed by 4,000 and more volunteers, and carrying on over 75 different programs under a yearly budget of more than \$10,000,000.

... as a "bargain" in insurance. Along with every other commodity you get what you pay for and no more. John Ruskin once said "there is hardly anything in the world that some man cannot make a little worse and sell a little cheaper and the people who consider price only are this man's lawful prey." Ruskin was right. Whatever you buy, buy the best. If it's insurance you can't go wrong by buying from a local agent who is as near to you as your telephone when you need him.

On Monday Nov. 1st, Class 6B held first place in the campaign for magazine subscriptions. Yvonne Green led the class with Linda Sue Dalton in second place. Other leaders in the campaign are: Kathie Jones, Willie Pearl O'Steen and Margaret Berry.

Instead of the regular program of the citizenship club, the 6B class decided to have a Halloween party in the study hall last Oct. 29th. We played several games. One of special interest was bobbing for apples. The club members also enjoyed a bubble gum contest, and there was a peanut race. Caramels were served to approx-

mately 60 pupils and 2 sponsors. Class 6B originally had 35 members. We were sorry to lose Linda Marie Watson who moved to Jacksboro.

The pupils of the 7th have organized a Citizenship Club in which we are all trying to be really good citizens. We are electing the best citizen of our class each month. So far Jim Stambough and Daphne Lackey have been the best citizens of our class.

We had a Halloween party on Oct. 29th in the gym. Everybody had an unusually good time. We played games and were served refreshments.

7B has lost only one pupil since school started. He is Larry Beggs who moved last week.

Mr. and Mrs. Rex Gray and children of Waco spent Thanksgiving Day with Mrs. Walter Gray of 1017 South Seaman.

How We Figured Advantages of **Purina Range Breeder Checkers** Over **Cottonseed Cake.**

(Based on the Caruthers-Campbell Test at Barnhart, Texas)

Cottonseed Cake Figured at \$75.00 per ton

Purina Range Breeder Checkers Figured at \$90.00 per ton

3 Lb. Range Breeder Checkers per day for 90 days at \$90.00 equals \$12.15
(Cost to winter one cow on Range Breeder Checkers for 90 days)

3 Lb. cottonseed cake per day for 90 days at \$75.00 equals \$101.2
(Cost to winter one cow on cottonseed cake for 90 days)

\$12.15 minus \$10.12 equals \$2.70

(Difference in cost to winter 1 cow on Purina Range Breeder Checkers for 90 days)
Note: For less than 3 cents more per head per day a rancher can feed Range Breeder Checkers.

Results of Feeding Purina Range Breeder Checkers:

In the Caruthers - Campbell test, cows came through the winter carrying 47 pounds heavier than cows on cottonseed cake; and these cows weaned a 48-pound heavier calf than those fed cottonseed cake.

47 Lb. Extra Cow Condition at \$75.00 equals \$10.12
48 Lb. Heavier Calf at 18 cents equals \$8.64

\$ 5.64
\$ 8.64

\$14.28 Extra value from feeding Purina Range Breeder Checkers

\$14.28 minus 2.43 (difference in feeding cost for 90 days equals \$12.15
(extra value from results of feeding Range Breeder Checkers over cottonseed cake)

NOTE: Checkers are worth 14 cents per head per day more than cottonseed cake, or worth about 4 times the value of cottonseed cake in results.
