Il Bass, District Manager

#### NEW TELEPHONE MANAGER

Archer H. Marx, Jr. of Fort Worth has been named manager for Southwestern Bell Telephone Company in this area. He will supervise operations at Albany, Breckenridge, Cisco, Dublin, Eastland, Gordon, Ranger and

Strawn. He will live and headquarter in Cisco. Mr. Marx received his bachelor's degree from Texas Christian University in Fort Worth.

He was captain of the Horned Frog freshman golf team in 1950-51 and lettered on the varsity golf team in 1953. He still maintains his golf game as a hobby. He is also interested in other sports.

Marx served in the Army from 1954 to 1956.

#### IDEA FOR THANKSGIVING

In most homes, the highlight of Thanksgiving Day is a family get-together and, of course, a big meal that Mom spent half the day cooking.

Juicy turkey, tasty dressing, and all the trimmings. Yes, a happy occasion for the whole family, and Mom deserves a pat on the back for making it that way.

But is that all? A friend of mine has come up with an idea that really makes a hit at his house.

'Last Thanksgiving," he told me, "as I watched my wife fixing dinner, I felt she deserved a reward. I was wondering what I might give her and then I decided— a Long Distance call. She can talk with her folks.'

'Great idea," I said. "How'd she like it?"

He smiled. "That Long Distance call was sort of like our pumpkin pie.

How's that?" I asked.

sooner you can start enjoying it.

'The whole family enjoyed it."

#### IT'S SMART TO HAVE A BEDROOM PHONE

I've been noticing that quite a few people in Eastland have decided that it's a good idea to have an extension phone in color in their bedroom, and reports I get indicate that lots of our customers in towns throughout Texas feel the same way.

I can understand how they feel, because bedroom phones really are wonderful.

They add beauty to the room, and they give you convenience and privacy during the day and a real sense of

security at night. Why don't you call the telephone company business office and order one now? Because the sooner you do, the

Call by number. It's twice as fast.

> During the month the troop spent time registering and getting acquainted with the new members and sponsors. On Oct. 22 the troop followed trail signs to the City Park where Treva Wilson served cold drinks to the group.

Later in the afternoon the story of the "Hidden Treasure" was told. After the story was told the troop began a search for a goldglittered chest hidden one foot under ground filled with golden nuggets which were distributed among the Scouts after the dis-

Prior to the business meeting on Oct. 29, the Scouts presented a gift to Mary George Perkins, who was recuperating from surgery. Nanette De Ford, hostess for the meeting, served Eskimo pies cookies and bubble gum.

Patricia Sullivent, hostess for the Nov. 5 meeting, served chocolate cake squares to each mem-ber. During the business session the troop was divided into Patrols, each having a president, secretary

## Cisco Gym Is Scene of 4-H Banquet Sat.

The Achievement Banquet for 4-Hers in Eastland County will be held Saturday night, November 14, 7:00 p.m., in the Cisco Junior High School Gym. This s an important night for 4-H lub members, and approximately 135 have promised to be on hand for the event.

County Judge Hart will present the awards to the deserving 4-H members in the country, and there will be a full program planned for the evening. County 4-Hers will take part in the activities, and it is entirely planned for the members and their fam

EASTLAND, TEXAS November 11, 1959 ARMISTICE DAY

#### TO WHOM IT MAY CONCERN:

As you know, for the past few weeks I have vigorously opposed the granting of a 50 year franchise to the Texas Electric Service Company. It has been my thought that they should have asked for a lesser number of years.

I have come to the point where it looks as if it would be useless to pursue the matter further, in view of the fact that it would require 500 qualified voters' signatures to bring the matter to a vote of the people. In this small town it is very doubtful that this many signatures could be obtained.

NOW, if I can get the Mayor to stop fussing about his name appearing in what he considered a bad light, and Tom Wilson to reinstate my \$10,000 note that I paid off when this matter came up, and Robert Perkins to move back on my lot that he has been using for free all these years, and Virgil Seaberry to forgive me for whatever it was he said about me in his big ad, we will start all over, and Coffee will be free all day Saturday morning at the White Elephant Restaurant -We especially invite those fine Texas Electric employees to enjoy that good White Elephant Coffee that is "brewed" with genuine TESCO'S Reddy Kilowatt.

## WHAT DOES THE LARK HAVE THAT THE OTHERS DO NOT?

IT HAS SIX BODY STYLES: New convertible, new 4-door and 2-door station wagon, hardtop, 4door and 2-door sedan! Seven sophisticated colors. Handsome interiors appointed in distinctive pleated vinyls or cloths. Nobody else has them. Why settle for less?

IT HAS A POWERFUL, THRIFTY V-8 OR SUPER ECONOMICAL "6": The Lark V-8 topped all other eights in last year's Mobilgas Economy Run. Have your cake and eat it, too. The V-8 Lark (costs just a little more than the "6") offers all the advantages of new dimension cars plus potent performance matched to economy. The "six" offers spirited performance with greater fuel economy. Why be limited? Choose with The Lark! (Important! The Lark couples safety with power...V-8 brakes are biggest in field.)

IT HAS CHOICE OF THREE TERRIFIC TRANSMISSIONS: Automatic, three-speed stick shift, three-speed stick with overdrive. Lark automatic transmission has a full range of speeds. Lark three-speed synchromesh is smooth, and, with overdrive, the engine loafs at cruising speed, cuts your gas bills even more. Which one suits you best? The Lark offers this choice-plus a selection of 7 axle ratios-the others do not!

IT HAS MANY UNUSUAL FEATURES: Reclining seats that make into beds, front seat headrests, hillholder, Twin Traction (for driving through snow, sand, ice or mud), air conditioning, 1-barrel carburetor and dual exhausts...many, many more. None of the others have this wide variety of options from which to choose.

IT HAS PROVEN PERFORMANCE WITH-OUT RECOURSE TO EXPERIMENTAL RUNS: 130,000 Lark owners have driven a total of over 750 million miles under every conceivable road and weather condition. Result is: no "bugs" to iron out, no "hidden" mechanical faults...no problems for new owners. Dealers and service men everywhere know The Lark, Studebaker-Packard corporate records clearly show that Lark service and maintenance costs are one third of the automobile industry average. How can you go wrong on that?

YOU'LL LOVE THAT

COMPARE LARK PRICES...INCLUDING THE LOWEST-PRICED U.S. MADE CONVERTIBLES, HARDTOPS AND 4-DOOR V-8 WAGONS

See and drive The LARK at YOUR STUDEBAKER DEALER'S today!
