

That was a swell show, Hazel. Let's park a while at Elm Lake—like we used to!

I wonder if the sitter is worried. We said we'd be home by eleven.

I hope the children are all right. Priscilla was sniffing this afternoon.

Boyl things sure are different than they used to be!

THE STORY: While Flora is suing for divorce, she secretly meets Bob on leave in Buffalo. Then Bob goes overseas and Flora goes head over heels for him.

THE next morning, as soon as Father had left the house, I telephoned Flora that I had to see her.

world, or let me tell them, that you spent three days with Bob in Buffalo. It's a good thing I knew about that trip. Otherwise every old cat in town would believe it was Sam's baby instead of Bob's.

I WAS never so surprised in my life. There was no question of Flora's sincerity.

### Gracie Reports

By GRACIE ALLEN  
Prospects for June brides seem better than they have been in years. A lot of shortages that made it so hard to set up housekeeping have disappeared and a would-be bride can go right out and buy a washing machine. Now, all she has is a pre-war problem of finding a husband to operate it.

I guess June is the favorite month for weddings because it has the longest days of the year. When a girl is newly married she naturally wants as much daylight as possible during which to admire her husband's broad shoulders.

Goodness, I can remember when I was hinting for George to propose! I coyly asked him what June was most noted for. He thought it over and said that the baseball team that was out in front at the end of June usually won the pennant.

### Mainly About Pampa and Her Neighbor Towns

### Traffic Enforcement Program Stated for July 4th Weekend

Police Chief Louie Allen announced today that the Fourth of July holiday weekend will again be the occasion for a seasonal traffic enforcement program. The program is being held, he said, in cooperation with the nationwide effort being made by the National Safety Council to reduce the high death toll which occurs each year at this time.

"The Police Department is asking each citizen to take special precautions in an effort to save lives and property over the Fourth," Chief Allen said.

He predicted that traffic will be unusually heavy during this year's celebration, for thousands are still catching up on the pleasure driving they had to forego because of restrictions on travel during the war years.

"The long weekend, the festive spirit of the holiday and more motorists on the road will make the Fourth this year a time of real

### Local Firemen Attend Meeting

Fire Chief Ben White and members of the local department returned yesterday from Amarillo where they attended the 71st annual convention of the State Firemen's and Fire Marshal's Association, June 10-12.

Chief White said the meeting was a success, in that a number of well-versed speakers were on hand. Col. H. R. Brayton, director of firemen's training school at Texas A & M College, outlined the program of the training school for firemen to be held at College Station July 20.

Jay Stevens, assistant manager, National Board of Fire Underwriters, San Francisco, discussed hotel fires. He said the Atlanta, Ga., fire was started or caused by force from an outsider.

Chief John Bailew of Childress was named head of the organization.

Pampa had posters on display from the B. M. Baker School. The posters were by Lloyd Brummett (Grade 4), teacher, Mrs. Marjorie Cable; Joyce Pixler (Grade 5), teacher, Miss McKone. Posters from other cities were also on display.

### Wichita Falls Is Steadily Growing

(Editors note: this is one of a series of articles showing the growth of Texas cities since the 1940 census. Figures were compiled by member papers, and are based on utility outlets, city directories, employment services, and chamber of commerce estimates, etc.)

By The Associated Press  
Wichita Falls has grown steadily since 1940, and today is up 44 percent for a 1947 estimated population of 65,000, the Wichita Falls Daily Times says.

The 19,888 increase from the official 1940 census figure of 45,112 is based on a joint estimate by the Texas State Employment Service and the Texas Unemployment Compensation Commission there.

W. R. Knight, manager of the Chamber of Commerce, predicts that Wichita Falls will have 70,000 population in 1950, date of the next census.

The growth is attributed to founding of many new small manufacturing concerns and enlargement of older, bigger ones such as the Wilson Manufacturing Company and the Wichita Engineering Company.

Bank deposits are up and business volume is almost the previous level. Real estate is sky high, the Times says.

Housing is critical, and the Times said that private contractors have not built an appreciable number of new homes, claiming construction costs are too high for rental values. A local civic group, the Wichita Housing Authority, succeeded in completing a deal with the federal public authority for conversion of Sheppard Field barracks into 100 apartment units for veterans. Also, 12 negro apartment units were built from surplus Camp Berkeley materials for negro veterans.

No authentic information is available on which to base the buying power, but it was estimated roughly at \$100,000,000 for a 13-county area.

## Pirates Are Resting Peacefully In Basement; Bow to Chicago 7-3

By The Associated Press  
Billy Herman couldn't be blamed if he made the entire Pittsburgh Pirate pitching staff walk the plank into the Monongahela mud. In the last 15 games since memorial day, not one bucco starter has gone the route. As a result the team is trying to knock a hole in the National League cellar floor.

Although the Pirates have failed to live up to their fine spring promise because of their pitching failures, the Forbes Field customers remain as loyal as ever. A crowd of 32,132 turned out last night to see the Pirates give a good illustration of the form they showed back East, bowing 7-3 to Chicago.

Chicago advanced into a second place tie with the idle Brooklyn Dodgers as a result of the win and the Pirates were rescued from a lonely berth in the basement by Cincinnati's 1-0 win over St. Louis. As a result the luckless Cardinals remained in a seventh-place tie with Pittsburgh.

Rookie Kent Peterson, a highly publicized rookie who had pitched only one inning of major league baseball before this spring, turned back the Birds with five hits to the delight of 27,075 customers. The victory boosted the Reds into fifth place, a half game ahead of Philadelphia.

The two night games were the

**Central Baptists Bow To First Methodists 7-6**

Disregarding football weather, eight church teams of the Kiwanis softball league turned in a real softball last night to account for the closest scored games so far this season.

The First Methodist senior boys came from behind twice and finally broke a 6-6 deadlock to edge the Central Baptists, 7-6. James Galimore pitched the winners to their first victory over the Central Baptists in two years, while Ronnie Maxwell did the hurling for the luckless Baptists, who died twice with the bases loaded. The see-saw contest was saved from going overtime when Lamar Lively singled for the Methodists, scoring Bobby Jack Davis in the last half of the seventh.

In the boys junior league the First Baptists swamped the Church of the Nazarene 15-4, while the First Methodists pinned the First Christians 15-10.

The First Methodist Junior girls made it three in a row when they socked by the Presbyterian girls 18-17.

Several games were canceled due

## Dallas Rebels Wallop First Place Houston

By The Associated Press  
Houston's thundering Buffs have been more like lambs for Dallas, the Rebels shearing the herd's Texas League lead against last night, 11-4. That made it two straight, with the final game of the series on tap tonight.

Quentin Altizer proved the most effective barber the Buffs have run up against this year, the Southpaw Dallas pitcher scattering ten hits and collecting two doubles and two singles in five times at bat.

While Dallas was scoring the lofty position of Houston, Shreveport crept within two and one-half games of the lead on a 5-3 decision over Tulsa. In other games, Fort Worth defeated San Antonio twice, 5-4, 2-1, and Beaumont thumped Oklahoma City, 10-1.

Dallas started with a four-run splurge in the first inning and ended with two runs in the ninth. Between the Rebels were far from idle, Hal Hirschon topping things off with a seventh inning home run.

Shreveport unleashed a five-hit attack that paid off with five runs in the sixth inning to come from behind a three-run Tulsa lead. Joe Berry, the Sports' effective fireman, held the Oilers at bay the remainder of the game.

The San Antonio twin bill was a riot but an escort for umpire Ulenberg at the close of the affair kept it peaceable.

Ferrell Anderson's home run in the fifth inning elicited a four-run rally that won the opener for the Cats, then in the nightcap doubles by Danny Ozark and Anderson and Les Burge's triple gave them the decision.

The largest crowd of San Antonio's season—5,155 fans—started throwing pop bottles at Ulenberg after the umpire had called Andy Anderson out at second base in the ninth inning.

Beaumont gave Jack McKinney a six-run lead in the first two innings and he protected it well the remainder of the game to take his ninth victory of the year.

Joe Frazier's home run over the right field fence gave Oklahoma City its only run.

Only two games are scheduled tonight, Fort Worth playing at Dallas and Tulsa and Shreveport get Friday the 13th off, while Oklahoma City and Beaumont will make up their scheduled tilt at a later date. This will enable Beaumont to reach Tulsa in time for a Saturday date.

## Three Entrants Lead NOGC 4 Under Par

ST. LOUIS—(AP)—Three players shared the leadership with four-under-par 67's in yesterday's opening 18-hole thrust of the 72-hole National Open Golf championship at the St. Louis Country Club.

Tommy Bolt, 18-hole test will turn an original field of more than 160 professionals and amateurs to 60 odd batters for tomorrow's concluding 36-hole scramble.

Two Texas prospects, Harry Todd of Dallas and Henry Ransom, Houston's gift to Chicago's Northmoor Club, and long-driving Chick Harbert of Northville, Mich., were the pace-setting trio.

A stroke behind the pacesetter three-some was Bobby Locke, whose South African National flag was run up on the club-house pole yesterday as he tacked together 33-35.

This 6,532-yard course, with its narrow fairways and unresponsive greens, was regarded just up the alley for Locke—who has won four of seven U. S. starts within two months.

A stroke behind Locke were four challengers, topped by the front-running amateur Marvin (Bud) Ward of Spokane, Wash.

Other 69 shooters were Leland Gibson of Kansas City, Dick Metz, pro from Ark-Kansas City, Kansas, and unknown Otto Greiner of Baltimore, who topped the National Open qualifiers and turned pro just recently.

Three strokes from the top were a contingent of five 70 shooters, including Ben Hogan, who learned that putting will be a big problem in this classic which he had never won.

Leading U. S. money-winner Jimmy Demaret had a 35-41-76 and defending champion Lloyd Mangrum shot a 77, 10 strokes off the pace.

Very romped over Sweetwater, 20-7, in a free-hitting contest that saw the loser outthit the victor, 18-13.

A big sixth inning, in which eight runs crossed the plate on six hits, gave Vernon a commanding margin.

Odesa's tilt with Ballinger was called at the end of the third inning because of a sudden dust storm, followed by heavy rain.

Buddy Hacken, former Texas and Major League catcher, took over management of the Ballinger team last night, replacing Stu Williams, Williams will remain as the club's first baseman.

## Big Spring Leads Longhorn League

(By The Associated Press)  
A 9-0 shutout over Midland last night gave Big Spring a two game lead in the Longhorn League today. In the only other game, Verna romped over Sweetwater, 20-7, in a free-hitting contest that saw the loser outthit the victor, 18-13.

A big sixth inning, in which eight runs crossed the plate on six hits, gave Vernon a commanding margin.

Odesa's tilt with Ballinger was called at the end of the third inning because of a sudden dust storm, followed by heavy rain.

Buddy Hacken, former Texas and Major League catcher, took over management of the Ballinger team last night, replacing Stu Williams, Williams will remain as the club's first baseman.

## Pampa Golfers Headed For National Tourney

Grover Austin and Dave Lhuillier left yesterday evening for Springfield, New Jersey, where they are to compete in the National Cities Service Golf Tournament on the Baltusrol Course, June 15-18.

Austin and Lhuillier, playing for the Cities Service Gas Company here, won the right to go to the National Tourney by winning area competition. They will represent 1,200 employes in this area.

Approximately 400 golfers from all over the United States and Canada will compete at the National Tournament. Each subsidiary of the Cities Service will send two players to the tourney.

to cold winds and will be made up later in the season. Tonight's games have the Central Baptist senior boys pitted against the Presbyterian and the first Baptists against the Methodists in the senior boys division, while in the junior boys league the McCullough Methodists meet the Church of the Nazarene and the Harry Methodists vie with the First Methodists. In the girls leagues, the First Baptist Junior girls play the First Methodists, while the McCullough Methodist senior girls meet the First Presbyterian girls.

All games are played on the Kiwanis softball diamonds, West of Harvester Park and begin at 7 p. m.

## Three Entrants Lead NOGC 4 Under Par

ST. LOUIS—(AP)—Three players shared the leadership with four-under-par 67's in yesterday's opening 18-hole thrust of the 72-hole National Open Golf championship at the St. Louis Country Club.

## SPORTS LINEUP

By Bob Bray

Pampa's unfortunate Oilers are slumped worse than a twenty-year-old mule after plovin' and to add to an already gruesome situation, the locals are having injury troubles, the more prominent of which is the severe fracture to Joe Fortin's ankle, but there is more.

There is so much more, in fact that we can without undue difficulty, visualize Skipper Grover Seitz wandering around the countryside bellowing his ill fortunes louder than a walrus with the tank-and-well he might, for his unhappiness is understandable.

To begin with, Seitz' disciples have been without a really competent catcher the whole season and in spite of all efforts by the pilot remained without one until the last Lubbock stand here, at which time one Bill Chambers, allegedly from El Paso, Tex., donned the mask and guards.

During his brief tenure Chambers proved quite satisfactory, but he received an injury to his thumb while trying to head off a determined Hubber and got rolled over in the crash. Anyhow, he will be in the hospital out for ten days or two weeks.

After a not too successful visit home in which he lost two of three games, he was called back to a good game, the Oilers started an even more lamentable road trip.

Possibly deciphering the writing on the wall, Seitz headed the managerial duties to Bob Bailey, who went in search of talent. How he progressed in his search is not yet known, but the ill fate that befell him is not since his departure is recognizable.

While he was trying to secure a few apt hands that we believe, he fell into a top-of-flight ball club. Fortin broke his ankle. Bill Hewitt has reportedly turned up with a sore arm and Tom O'Connell has injured a couple of his fingers.

The only halfway cheery note that we can hope to dwell on, out of all the favorable ones, have their limitations and we local fans of course hope that the storm is over.

## Sports Round-Up

BY HUGH FULLERTON, JR.  
NEW YORK — (AP) — While the "name" golfers of the present are scrapping for the open championship at St. Louis, the "name" golfers of the Frye are turning up [their] shots for the National Intercollegiate Tournament at Ann Arbor, Mich., ten days from now.

The intercollegiate tourney has helped to produce four national amateur champions, "one open champ and two British amateur winners, one of which came out on top of the college heat this year, but you can tab such players as Charles "Babe" Lind of Denver, runner-up to Walker Cupper George Hauer last spring; Charley Cox of Oklahoma, Bill Campbell of Princeton, Ed Hopkins and Hugh Dahlberg of Texas, Ed Schaub of Michigan, Bob Rosburg of Stanford, Lou Stafford of Oregon and Joe Moore and Jimmie Wittenberg of Louisiana State are golfers who'll be heard from in the not-too-distant future.

## POP VS POPOFF

An spoof by Harry Walker was traded from the Cards to the Phillies he began hitting like a house afire and the next time they met Card manager Eddie Dyer asked how come... "Why didn't you hit that way for me?" demanded Eddie. "Didn't I always treat you like a son?" Walker replied: "Maybe that was the trouble. You treat all players like sons while Ben Chapman is always hauling us over the coals."

## OPEN AND SHUT

Word trickling back from St. Louis is that the current open golf championship likely will be the closest on record, the course has eight blind holes and most of the players have to walk ahead and look over the situation on each one.

Ralph Guldbahl, whose game went sour after he won the 1937 and 1938 titles, thinks he may come back this year... If he's in the groove, do you suppose U. S. G. A. officials will put him in a machine and measure him for width?

Farmers of the United States use less than two-thirds as much labor per unit of product as they did in 1920.

A judge may not hold in contempt one who ventures to publish anything that tends to make him unpopular or to belittle him.—Supreme Court Justice William O. Douglas.

## Twenty-Four Southwest Conference-Big Six Track Champions to Run in Dallas Tonight

DALLAS—(AP)—Thirteen champions of the Southwest and eleven from the Big Six head the field here tonight in the first annual track meet between the two conferences.

Each circuit boasts superiority in seven events, thus leaving the final —the mile relay—as the probable decisive contest. In this event there will be all-star teams, the Southwest using three members of the champion Texas A. and M. quartet —Art Harnden, Roy Holbrook and Bill Neiper—plus Monroe Northcutt, Texas quarter-miler, and the Big Six depending upon Richard Ault and Elmer Klein of Missouri, Phil Wright of Iowa State and Landon Westbrook of Oklahoma.

The meet, starting at 7:30 p. m. (CST) at Dal-Hi Stadium, is expected to show the Southwest in command of the dashes, hurdles, mile and two-mile, with the Big Six tops in the half-mile and the field events.

The Big Six does not have the sprint relay as an official event so there will be only Southwest Conference participation in this race, with Texas and Baylor running an exhibition. Making up the Texas team are Perry Samuels, Charles Tatom, Allen Lavley and Charley Parker. For Baylor the team will be Frank Patterson, Stonie Cotten, Joe D'Ambrasio and Bill Martinson. Texas recently did the sprint relay in 49.6—only a tenth of a second over the world's record.

All Southwest Conference champions except Jerry Thompson of Texas in the half-mile will compete. Thompson, distance triple-winner in the conference meet, is passing up the 880 here. He will run the mile and two-mile. Missing from the Big Six roster will be Bobby Ginn of Nebraska, king of the miles, and Harry Guth of Missouri, 220 and 100-yard dash champion. Loss of Ginn gives the Southwest unquestioned superiority in the mile. Guth would not be expected to win the dashes even if he were here but probably would have picked up some needed points for the Big Six.

Champions who will compete are: Southwest—Thompson, mile and two-mile; Harnden, 440-yard dash; Samuels, 100-yard dash; Clyde Scott, Arkansas, high and low hurdles; Parker, 220-yard dash; George Kadera, Texas A. and M., discus, javelin and shot put; Jack Quirey and L. B. Tate, Texas A. and M., who tied for the pole vault title; Henry Coffman, Mice, high jump; James Hill, Texas A. and M., broad jump. Big Six—Ault, 440-yard dash and low hurdles; Floyd Gaultney, Missouri, high hurdles; Richard Killough, Missouri, 800 yard run; Bob Karas, Kansas, two-mile; Rolin Prather, Kansas State, shot put; Don Cooper, Nebraska, pole vault; Tom Scofield, Kansas, high jump; Mel Sheehan, Missouri, discus; Herb Grote, Nebraska, javelin; Harry McGinnis, Nebraska, broad jump.

P. C. Cobb, referee of the meet and head of the ticket sales, forecast a crowd of at least 5,000.

## Longview Back on Top Of Lone Star League

(By The Associated Press)  
Longview was back on top of the Lone Star League today, a slender six percentage points ahead of Jacksonville.

The Texans jumped on Lufkin, 10-7, last night while Jacksonville was bowing to Henderson, 6-5.

In other games, Bryan outlasted Marshall, 10-9, to snap the Comets' winning streak at eight games. Tyler edged Kilgore by a 10-9 score.

NATIONAL OPINION

WASHINGTON By RAY TUCKER... TAFT—Why did President Truman single out Senator Taft of Ohio for recent attack?

QUESTIONS FOR MR. TRUMAN American businessmen want sincerely to help in dispelling the "inflationary cloud now hanging over us."

How can businessmen "help by careful planning" when no prudent businessman can plan safely without any knowledge of what his wage, material and other costs may be 24 hours ahead?

Assuming that successful and prudent businessmen can tolerate "wasteful methods and practices," would it not be a salutary example if government "eliminated" such methods and practices in the federal establishments...

Where is the finance for "expanding facilities" coming from when potential investment funds are siphoned at the source by excessive federal tax levies?

How can business increase productivity when control of its basic material and processes is at the mercy of labor bosses armed with industry-wide bargaining powers and closed-shop monopolies?

In Hollywood BY ERSKINE JOHNSON... HOLLYWOOD — At a Variety Club luncheon Bob Hope was asked to introduce a group of Paramount stars.

When you want to go home at 10 o'clocks, Zet is why I no go to parties... If you call Bob Cummings on the phone these days, you get Chinese dialog.

QUICKIES By Ken Reynolds... "What makes you think Junior is getting careless with the archery set we got for him with a News Want Ad?"

Teen-Age Children Need Summer Jobs AUSTIN—A suitable employment for large numbers of teen-age school children is needed during the summer months, the state child labor division has announced.

MARSHALL POLICY By Upton Close... The Truman administration may be yielding to conservative pressure, or is it the influence of George C. Marshall?

himself unpopular with a good many young intellectuals and some professors, as well as with certain fabulously wealthy Harvard endowers, by declaring that "governments, groups and individuals which seem to perpetrate human misery in order to profit therefrom, politically or otherwise, will encounter the opposition of the United States."

Party committed the once-unparallelable sin of shunning the Roosevelts. Jimmy Roosevelt, chairman of the important California Democratic Committee, had joined Wallace in criticizing anti-Communism.

FAN—Yes, I believe that columns and editorials to affect the Chief Executive's judgment and decisions especially Mr. Truman's who does not regard himself as omniscient or omnipotent.

Common Ground By R. C. HOLES... Income Tax Reductions Political Not Economical or Moral

The Associated Press reports that the Senate and House conferees have agreed on certain income tax reductions.

They would reduce the income tax by 20 per cent for persons whose incomes after exemptions and deductions are \$1000 a year or less; 30 to 20 per cent on net incomes between \$1000 and approximately \$1400; 20 per cent between \$1400 and \$27,700; 15 per cent reduction on all incomes between \$27,750 and \$302,000; and 10 1/2 per cent on all above \$302,000.

They did not give the reductions where they are most needed, if we are to have a continuously increasing standard of living we must take off the discriminatory taxes of those with high incomes.

Beliefs that are the results of education: It is a departure from the moral laws set down in the Ten Commandments, the Sermon on the Mount and the Declaration of Independence.

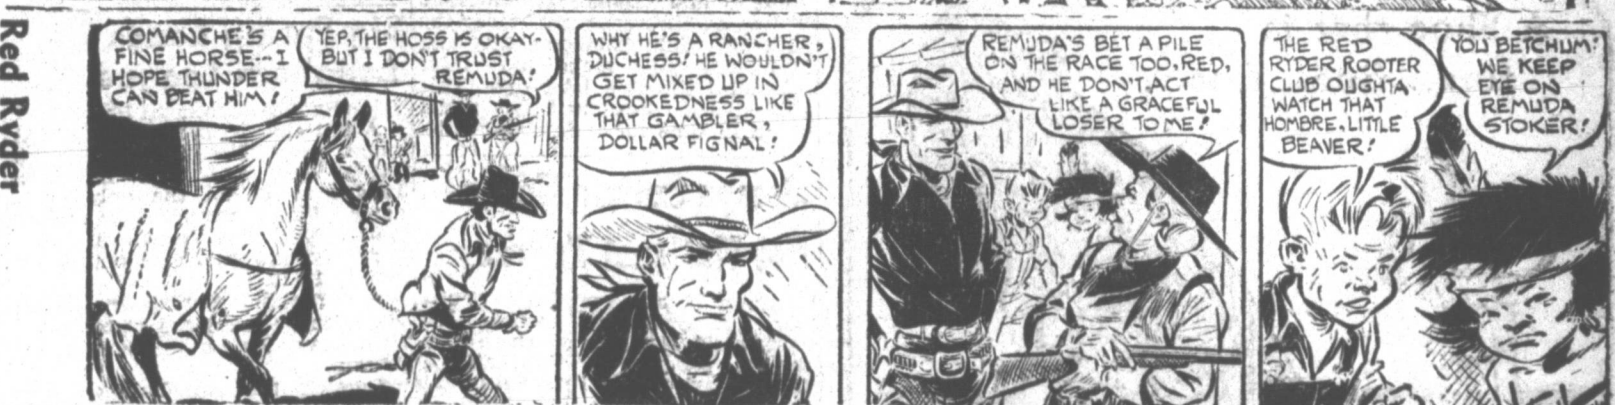

Why Non-Union Workers Produce More Than Union Workers There is a very definite reason why workers who do not believe in labor unions produce more wealth, everything else being equal, than workers who do believe in labor unions.

TRUMAN—As to the Democrats, President Truman is a certain nominee. Talk has not yet crystallized on a running-mate for him, although many prominent Democrats think their greatest asset for second place is Secretary-General George Catlett Marshall.

COLUMNISTS—Question from R. L. M. of Johnstown, Pa.: "I am interested in knowing what columnist President Truman really believes in and if, in your opinion, his judgment and decisions are influenced by any of their opinions and ideas?"

Non-union workers produce more than union workers as evidenced by the fact that unions cannot compete with non-union workers.

Frozen Food Clinic Held in Shamrock SHAMROCK, (Special)—A frozen food clinic to be held at the High School Home Economics Co., large today, under the auspices of the State Extension Service, College Station.

**HE'LL TELL YOU HOW TO 'DRESS UP' YOUR HOME WITH BETTER Lighting**

Good lighting means more than protecting the eyesight of your family. With electric service so inexpensive, and such attractive lighting fixtures available, better lighting will help "dress up" your home at a low cost. Just fill in and mail the coupon, or call your nearest Public Service office for a visit by a Public Service Company lighting specialist to tell you how to improve your lighting. He'll measure the light in every room of your home and provide you with valuable suggestions for better lighting... and remember... this service is absolutely without charge to you.

We are acting only in an advisory capacity. We have nothing to sell but good electric service.

Where Visitors Are Never Strangers

Friday evening, June 13th, at 7:30 the Vacation Bible School Commencement Program.

Sunday, June 15th, Is Father's Day

**Guest Preacher at  
Christian Church**

Paul Campbell, (above), special assistant to the president of T. C. U. Fort Worth, will preach for both services at the First Christian Church next Sunday. For his morning sermon Mr. Campbell will use the subject "Partnership with God" and in the evening he will preach on "Divinely United". For over 14 years Mr. Campbell was pastor of the First Christian Church at Weatherford, where his work met with unusual success. He was called to the staff of T. C. U. Jan. 1, 1945 as director of the "Living Endowment Program".

**Christian Science Services Sunday**

"God the Preserver of Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 15.

The Golden Text is: "The Lord is my strength and my shield; my heart trusted in him, and I am helped" (Psalm 28:7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Thou hast granted me life and favor, and thy visitation hath preserved my spirit" (Job 10:12).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures":

What is more to the point, the down in weakness and sin, only real home of Israel's safety and contribution to the nations lay in the honor and honesty avoidance of intrigues and entanglements, and wise diplomacy would have been her proper course. Isn't that the course our country should be following today?

ures" by Mary Baker Eddy: "The divine Mind that made man maintains His own image and likeness" (page 151).

The U. S. Department of Agriculture has developed a vaccine for the prevention of bovine Babs disease. It is not a cure.

## Lincoln

BEFORE AND AFTER

It may be a wreck before we start but after we finish it will be like new.

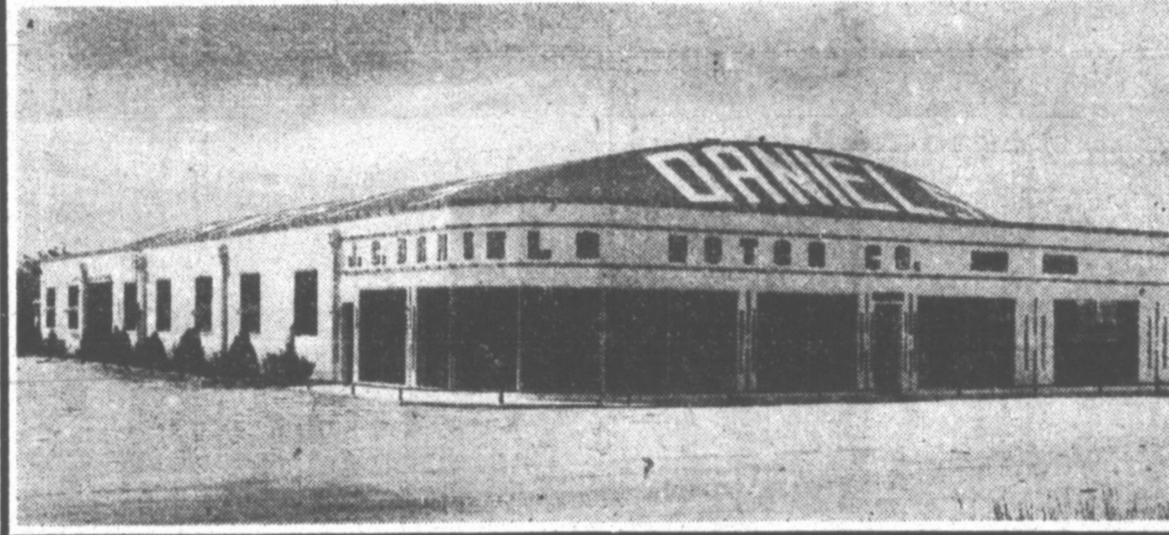

SPECIALIST at work

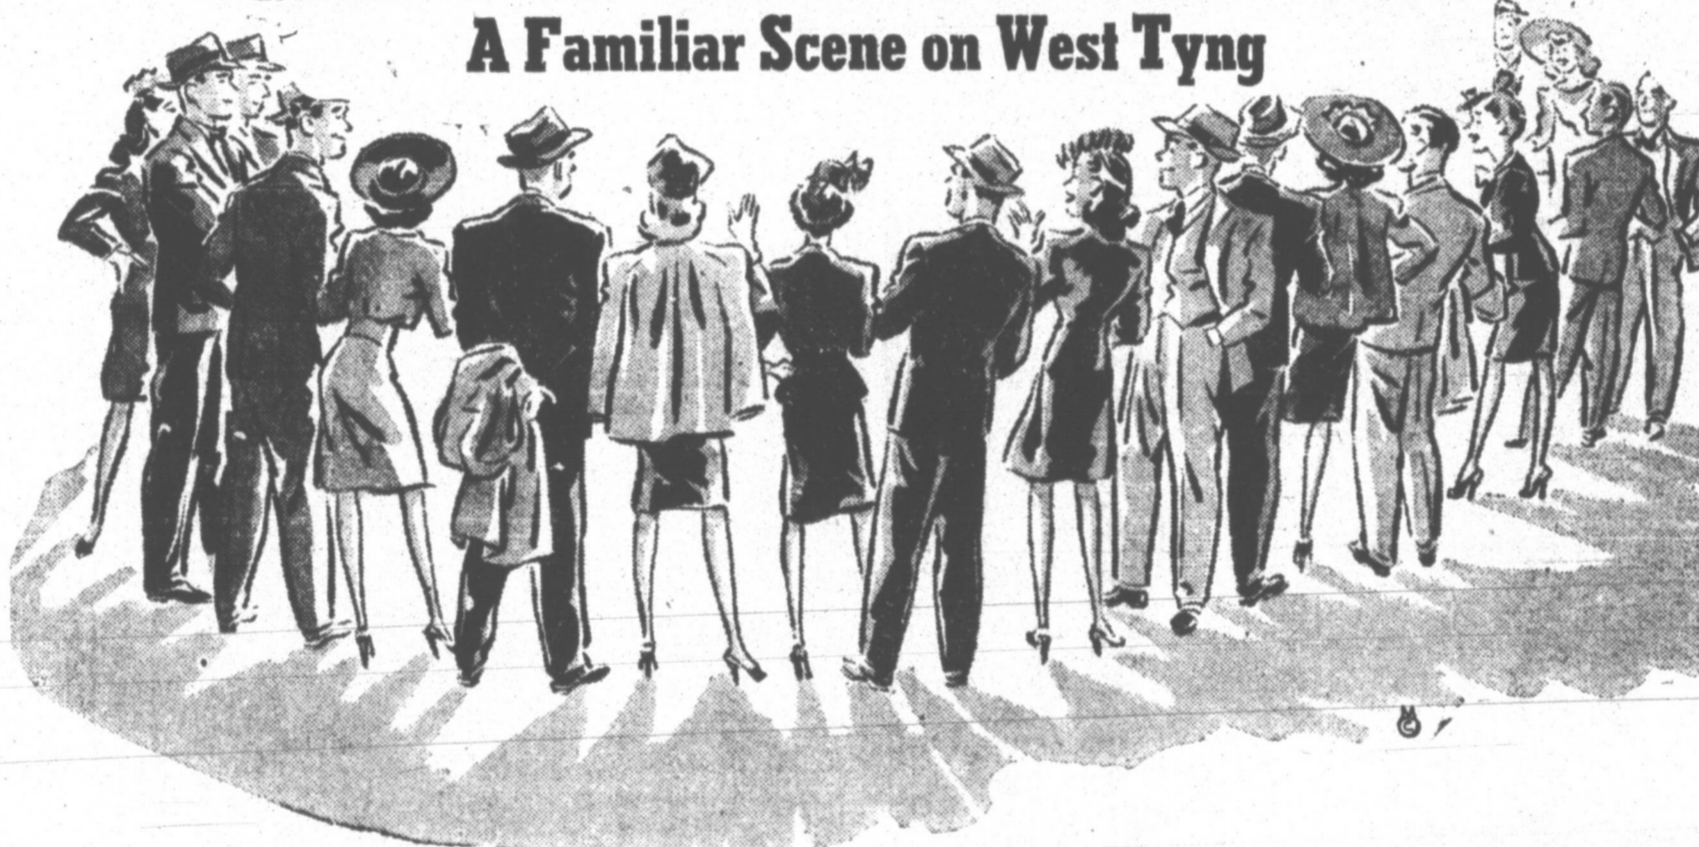

Safer! Cleaner!  
Quickly Replaced

A shattered—or even cracked—window is a driving hazard to yourself, the other occupants of your car, and everyone on the road! Let us replace dangerous windows with the newest science has to offer.

YOUR CAR

is worth it

If it's worth driving at all, your car deserves the kind of checkup and repair service we are equipped and staffed to give. Whether you've driven it a hundred miles or five thousand, a pre-hot weather examination is a necessity. Prompt service and moderate prices have built our good reputation.

WE'RE SCIENTIFIC

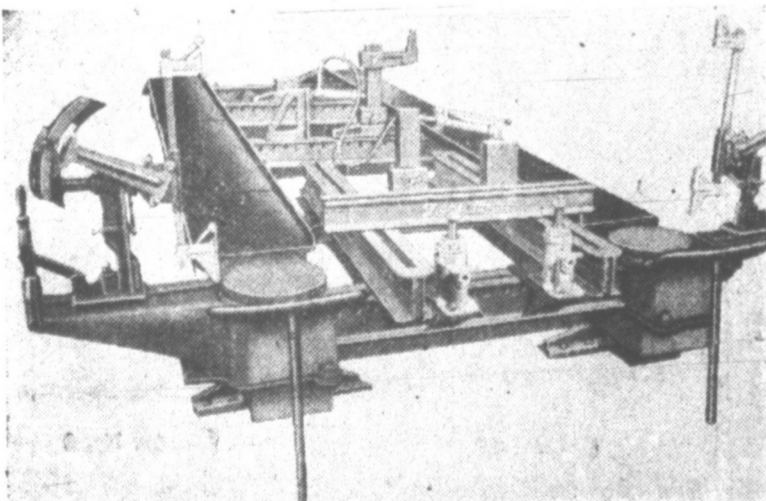

The auto mechanics we employ are the best in their line. That is why it pays to give your car our better service. There's not a job we can't do, from complete motor overhauling to tracking down the source of a squeak or rattle! Drive in . . . drive easier, safer, longer.
