Tri-Area PIK Payments To Reach \$60 Million

Mighty Mules Damper Dimmitt Bobcats 30-0

Bailey County To Surpass \$11 Million

Around Muleshoe

The Muleshoe Fine Arts Boosters will have their regular monthly meeting Mon., October 24th at 7:30 p.m. in the Muleshoe High School Band Hall. All parents of students in art, band and speech are urged to attend.

State Comptroller Bob Bullock has announced that Phillip Land from his Lubbock Field Office will be at the Bailey County Courthouse in the County Commissioner Courtroom on Wednesday, November 9, 1983 from 2:00 p.m. to 4:00 p.m.

There will be an appreciation chille supper for State Representative Pete Laney in Plainview on Thursday, October 27, at 6:30 p.m. in the Hale County Agriculture Building. Tickets for the "Come as you are" supper are available at the Muleshoe Chamber of Commerce and Agriculture for \$5 per person.

Muleshoe City Council will meet Tuesday, October 18 at 8:30 a.m. in the City Hall. Several ordinances will be considered and there will be an elected person appointed to serve on the Board of Directors of the Bailey County Appraisal District for 1984 and 1985.

Muleshoe FFA Boosters will meet Monday, Oct. 17 at 8 p.m. in the High School Ag Department. Election of officers is scheduled and all boosters and parents of FFA members are urged to be present.

GARCIA-HAMILTON CONNECT--Big Hector Garcia, Mule tight end, makes a catch from a Hamilton pass for a 13 yard pickup which led to the Mules final touchdown of first half. The Mighty Mules rolled over Dimmitt in a shut-out with a 30 to ZIP score, and are ready to take on the Littlefield Wildcats next week.

The Muleshoe Mules played to a wild, cheering crowd Friday night as they rolled over the district's second ranked Dimmitt Bobcats in a shut-out game of 35 to ZIP. The big Mules showed a lot of class and were in control of the game throughout the play, with the hapless Bobcats failing to move the ball on the Mule's defensive unit with any success.

After one possession each the Mules took a Woody Glass punt on the 30 yard line and brought it back to the 45 where they put it in play with a first and ten. This drive, lasting about four minutes, netted the Mules four first downs, with Moton, Hysinger and Jones pushing for yardage with good blocking from the Mule's forward line. With the ball resting on the goal line, big "hoss" Hysinger bulldozed his way across from the 2 yard line for the Mule's first touchdown. Vinson kicked a good PAT and the Mules drew first blood with a seven point lead nearing the end of the first quarter.

The Bobcats next possession gathered a little yardage and a couple of first downs, but the Mule defense stood strong and players such as Isaacs, Greg McCarty, Hamilton and Orozco sealed them off. The Cats had to give up the ball on the Mule 32 after a try on fourth and one that didn't wash.

The second quarter played was defensively outstanding. A few new faces appeared in the ranks for the Mules, following a shake up of Hamilton, the Mule quarterback. Moton, in as quarterback threw a couple of passes; one to Garcia which connected and one to Norman which didn't.

With 2:46 left in the first half, the Mules began a drive on the 30 yard line with Hysinger picking up three yards. On the second

down, Norman took the ball on the 33 to the 26 yard line of the 'Cats for a 26 yard scamper, following some good blocks all the way up the field. Moton took the next carry and went to work, breaking two tackles by twisting and turning. On the next play in a 2-6 situation, Hamilton left fly with a 13 yard pass to Hector Garcia for a first down for the Mules, putting them on the 21 yard line. Norman carried for two and then Hamilton connected with Mark Moton who zipped up to the three yard line, stumbled, fumbled, layed across the goal line and the ball rolled right back into his arms for the Mules second big touchdown of the night. Producers in a tri-county area stand to realize over \$60 million in total value for 1983 PIK entitlements for wheat, corn, grain sorghum and cotton. This tri county area is comprised of Bailey, Farmer and Lamb counties, and prices used to compute dollar amounts are averaged market prices at the time of the particular entitlement release.

In these three counties, wheat entitlements were released in mid-July; corn and grain sorghum during the first weeks in October and the PIK cotton release date was set at October 15. However, area ASCS officials have been notified that cotton entitlements will be delayed, and some counties have not yet completed their grain sorghum and corn en-

titlement releases. Bailey County's total worth of PIK entitlements will come to over \$11 million dollars at today's average market prices after all PIK entitlements are delivered to producers.

In a late September interview, Danny Noble Bailey County ASCS Executive Director told the Journal that \$3.5 million in PIK entitlements for corn and grain sorghum were due producers in Bailey County. The wheat PIK entitlements here totaled 366,750 bushels for the area producers. At an average price of \$3.35 per bushel, a total of \$1,228,612 in PIK wheat entitlements went out to county farmers in mid-July this year.

Cotton PIK entitlements, which have yet to be distributed, for Bailey County are based on 12,654,394 pounds of cotton. At a basic average of 50 cents per pound, those entitlements when received should have a worth of \$6,327,197. Some area producers contracted cotton earlier at prices above the 50 cents, and some contracted below. Cotton entitlements should be distributed by the last part of October.

Noble also mentioned that farmers who have not received a PIK wheat entitlement should contact the ASCS office to determine the reason.

In Parmer County, ASCS Executive Director Martin Chandler told the Journal that about \$31 million in PIK entitlements on wheat, corn, grain sorghum and cotton were earmarked for that county. At the same time, Chandler reported an "outstanding wheat crop for Parmer County and some really good yields on corn." Most eligible producers received their PIK entitlements on wheat in early July and corn and grain sorghum entitlements are being released at this time. Cotton entitlements are scheduled to be released in mid-October.

Total entitlements for wheat in Parmer County was for 1,409,862 bushels. At the time of release, the wheat prices were averaged at \$3.40 per bushel. By using the \$3.40 price, the total dollar estimate for Parmer County on wheat entitlements comes to \$4,793,530 in revenues for county producers.

Parmer County, which includes the Lazbuddie area, received 5,368,465 bushels of corn PIK entitlements. Reverting these bushels back to hundred weight, (cwt.), that county's corn entitlements come to 3,006,340 cwt. With corn averaging about \$6 per Cont. Page 6, Col. 4

School Board Completes Multi-faceted Schedule

The Muleshoe Board of Trustees met in regular session on Monday, October 10, 1983 at 8:00 p.m. in the School Administration Office.

Informational reports were heard from various departments by the Board.

Band Director, Anthony Gibson, gave a report on the progress of the 1983 Mighty "M" Band and presented information on the style of uniform that he is recommending to be ordered for the 1984-85 school year. The

life expectancy of the uniform should be 12-13 years.

A report was given by Superintendent, H. John Fuller, regarding Average Daily Attendance for the first six weeks. As earlier reported, the membership was down approximately 50 from last year, but well above the predictions made earlier. Superintendent Fuller expressed pleasure with the attendance report for the first six weeks.

A report was also given to school trustees regarding scholarships available to Muleshoe I.S.D. graduates.

Another report from Superintendent Fuller regarding plans to continue the renovation program was given to the trustees. Fuller stated that the schools reserves were not sufficient enough to continue the air conditioning and renovation program this year. However, there is a sufficient amount of reserve to consider an all-purpose structure for Dillman Ele-

mentary. Tentative plans are to bring recommendations to the School Board in November.

The TASB/TASA (Texas Association of School Boards / Texas Association of School Administrators) convention report was given. Superintendent Fuller suggested that individual trustees give oral reports at the next two meetings stating the information and new techniques that came from seminars each attended at the Convention held in San

Eagles Soar Past Loop In 6-Man Action

Coach Brent Fountain's Three Way Flying Eagles, flew just a little higher than the Loop team Friday night in the last 14 seconds of the game to put the Eagles on top with a 47-40 win over Loop in six man football. Threeway's quarterback Brett Stegall opened up with a pass to Elbert Zapata who went 40 yards for a Threeway TD. Roberts did the honors in the final PAT, making it good and sending the Eagles soaring over Loop 47-40.

Play in the first quarter saw a Stegall pass to Steve

Roberts for 16 yards and a good point after run across. Loop came back with a five yard run into the end zone to score, but failed on the PAT. Loop also had in the first quarter a 41 yard touchdown pass and an extra point run which boosted the score to 13-8 in favor of Loop at the end of the first quarter of play.

Only six points were scored in the second quarter of the game, and that six had the Three Way Eagles name on it. Brett Stegall handed off to Steve Roberts who Cont. Page 6, Col. 6

Carnival Candidates Chosen

The Muleshoe Fine Arts Boosters have scheduled their annual Halloween Carnival for 1983. The event has been set for Saturday, October 29 beginning at 6 p.m. and lasting until 10 p.m. in the Bailey County Civic Center and Coliseum.

The coronation of the Junior High and High School Halloween King and Queen will take place at 9 p.m. All proceeds from the carnival will be distributed to the Fine Arts departments of the schools.

High school candidates from the band are Karen Kelton and Allen Finney. Speech candidates include Kelly Sue Hamblen and Ronald Briggs. Candidates from art classes are Melissa Wilbanks and Hector Garcia.

Junior High School candidates are Tory Cox and Ronnie Perez from the band; Michelle Cox and Shannon Cox from Speech; and Carey Gonzales and Dusty Rhodes from art.

FmHA Emergency Loan Interest Rates Lowered

Although no designation has yet been received in Bailey County, according to ASCS officials, Secretary of Agriculture John R. Block has announced the program to reduce emergency loan interest rates by three percent, from eight to five percent, for all farmers operating in counties designated eligible in the natural disaster emergency loan program for the 1983 crop season.

The five percent rate will

Area College Students Get Scholarships

Three Muleshoe area students are among more than 150 Texas Tech students enrolled in the College of Agricultural Sciences. These students were recently awarded scholarships for the 1983-84 school year and will be recognized at the college's annual Pig Roast on November 17.

Local students awarded include Tommy Wheeler, a senior majoring in agriculture economics. He received a Houston Livestock Show and Rodeo Endowment Fund Scholarship. Wheeler is the son of Mr. and Mrs. George Wheeler of Muleshoe.

David Lust, a junior majoring in agriculture education, received a W.C. "Bright" Young Scholar-

apply to the first \$100,000 borrowed; the balance will be subject to the eight percent rate. This reduction applies to all eligible farmers who are unable to obtain credit elsewhere. The current rate of 13.75 percent applies to those able to obtain credit elsewhere.

"After reviewing the input we received from governors of the affected states earlier this month, it became apparent that additional action was necessary to assist agriculture in these areas," Block said. "Reducing these interest rates will provide an extra boost to these farmers, especially those who are not already benefiting from federal crop insurance or from participation in the payment-in-kind program."

Steps have already been taken to speed up the delivery of emergency loan checks to eligible farmers, Block said. These steps, including new equipment, extra office help and improved practices, should cut by more than one-half the time between loan approval and check delivery.

"Farmers realize there is certain risk in the business of agriculture," Block said. "They are willing to face those risks or they wouldn't be in the business. But natural disasters such as we have seen this summer require additional assistance. We are making every effort, within reasonable limits, to ease the burdens as farmers recover from this severe drought."

School Board Members Attend Convention

Six representatives from the Muleshoe Independent School District were among the more than 7,000 persons attending the annual joint convention of the Texas Association of School Boards and the Texas Association of School Administrators.

Attending the convention were Board President Ben Roming, Vice President Ronnie Holt, Secretary Royce Harris, Julie Cage, Dewey Moore, and Gordon Wilson.

The convention focused on the importance of the partnership between board members and administrators to ensure the best possible education for the state's students.

From demonstrations of promising practices, discussion topics and mini-clinics to architectural and commercial exhibits, the convention yearly offers Texas' most comprehensive programs for educational decisionmakers, according to Superintendent Fuller.

Participants at the 1983 convention heard discussions of merit pay, school finance, standards for both teacher and student performance, as well as a report by seven members of the Select Committee on Public Education on their recommendations for reform of the Texas public school system.

Other topics covered at the convention included mastery learning, evaluation of instruction, computer technology, public relations and communications and possible changes in curriculum for Texas public schools as well as legal and legislative issues.

At the meeting of the Delegate Assembly September 17, TASB elected new

officers and passed resolutions which will affect their programs for the coming year.

Harris Hill of Garland, was elected president, succeeding Julianan Cowden of Alvarado. Others elected to

'84 Chamber Officers Named

The election for new officers and directors for the Muleshoe Chamber of Commerce and Agriculture was recently held. New officers for the Chamber, effective at the first regular board meeting of the Chamber in January, 1984 are: President, Lonnie Adrian; Vice President, Doran Reynolds; and Secretary, Diane Nieman. Retiring officers in January will be President Robert Montgomery, Vice President Tuffy Dent, and Secretary, Bill Liles.

Four vacancies for the Board of Directors of the Chamber will be filled by Charles Moraw of Muleshoe, individual member Chuck Smith, Sharon Hamilton of Lookin' Good, and Gerald Reid of KMUL. Currently Charles Moraw has been filling the unexpired term of Bruce Woods, and has been re-elected for a full term of three years. Those retiring from the board in January are Herman Morrison, Kerry Moore, and Robert Hooten.

"Both the Chamber and the Community can be very proud of the dedication and hard work of the retiring officers and directors," according to Chamber Manager John Gulley. All officers are elected for a one year

Law Enforcement Quieter In Past Two Weeks

Law enforcement officials in Bailey County and in the City of Muleshoe, as well as the DPS have been having a pretty quiet time of it over the past couple of weeks, as evidenced by the lack of reports on the police blotter and in the jail roster.

However, a few incidents and accidents have been reported. On September 25, a vehicle driven by Terri Hahn struck an unoccupied vehicle belonging to Glen Stroud, as Mrs. Hahn reached into the floor to pick up something, she struck the Stroud vehicle. No damage estimate was given.

On September 29, Tamatha Kay Graham and James Edward Pearson collided on South First Street. The Graham vehicle allegedly backed onto South 1st, as

Festival Set

At Littlefield

The Littlefield Arts and Crafts Festival is scheduled Saturday, Oct. 22 from 9:30 a.m. until 8 p.m. in the Lamb County Ag. and Community Center on Highway 385 and 17th Street.

It will host an exciting array of talented artists and craftsmen from Littlefield and the immediate surrounding areas. There are also people from Lubbock and its surrounding area, Plainview and as far away as Odessa who are also planning to attend.

Almost every medium of painting will be represented: acrylic, watercolor, oil, tole, china and glass. There will be calligraphy, stained glass, metal crafts and frames. Gift items can be found in jewelry, brass, wooden items, clocks, baskets, pillows and both childrens and adults clothing.

Christmas ornaments and decorations will be available along with toys, dolls and bread dough items. Cross stitch pieces, afghans and other hand sewn items will be shown. Many other crafts, too numerous to list, will be available. There will also be a book sale hosted by the Friends of the Library to help raise funds for library improvements.

The Littlefield Young Homemakers are sponsoring this special event. The one dollar admission, which is tax deductible, will be used for charity in the Littlefield community through Young Homemaker projects. The admission fee also entitles you to a chance for door prizes from each of the 45 booths, drawn periodically throughout the day. You need not be present to win.

Homemade snacks will be provided at the concession area with stuffed potatoes as the main course item.

The Festival will be an opportunity for people to complete their Christmas shopping early and all in one place. Plus, getting unique, handmade items makes the gift seem even more special.

the Pearson vehicle approached, it attempted to pass on the right hand side, resulting in the collision.

Marilyn Harris, on September 24, reported a dog attack to city officers, in which two other dogs had attacked her dog.

Rene Ray Henry was arrested on September 30 in the 1400 block of American Boulevard for alleged DWI after he was observed by officers. He failed to perform basic coordination tests and was taken to the county jail where he was given a breath test. He was placed in the custody of the Sheriff's office, pending bond.

Also on September 30 an 82 model auto belonging to Clint David McLaughlin was hit on the parking lot of Damron Drug by a hit and run driver. Over \$250 damages were estimated. A fenderbender occurred on September 30 on the high school parking lot between two juveniles. Some damage was estimated to both vehicles. On September 22, Lester Wayne Gore was involved in an accident with Mario Pruna, Jr. when he pulled out from a side street. No damage estimates were available in this incident.

Activity at the Bailey County Law Enforcement Center was a little heavier over the past couple of weeks, but still was not as

West Texas Opry Scheduled

Bridal Shower Fetes Miss Dolores Flores

Miss Dolores Flores, bride elect of Bobby Perez, was feted with a bridal shower Sunday, Oct. 9 at 3 p.m. at the Catholic Center. Guests were greeted by Martha Flores and Florinda Mendoza.

Mary Frances Perez, Norma Prather and Clara Flores served cake (in the bride's colors of pink and burgundy), rose punch, mint candy and sugar cookies from crystal and silver appointments.

The serving table was covered with a white lace over pink table cloth and adorned with an arrangement of mauve pink poppies with white orchid vine accented with brass butterflies. The bride's corsage consisted of burgundy and pink roses and baby's breath.

Special guests included: Mrs. Robert (Francis) Perez, mother of the prospective groom; Adelina Trujillo and Gerowima Perez, grandmothers of the prospective groom.

The hostesses gifts were a toaster, pans, iron, electric can opener, perculator, slow cooker and mixer.

Muleshoe Nursing Home Welcomes Two Residents

A welcoming coffee honored two new residents, Clarence E. Briscoe and Ernest Englant, to the Muleshoe Nursing Home Wednesday morning. Carolyn Wiseman provided special music and Mrs. Kenneth Johnson helped with organizing the coffee and refreshments.

Briscoe was born in Indian Territory on March 11, 1894. He and Hallie Schrimmsler were married at Hess on June 22, 1914, and moved to Lazbuddie to farm in 1929. In 1943, they moved north of Muleshoe.

The children of Clarence and Hallie Briscoe are: Jay Freeman of Payson, Ariz., Eva Marrs of Amarillo, Kenneth Briscoe of Muleshoe, Billie Hardy of Muleshoe and Rex Briscoe of Lovington, N.M. They have 17 grandchildren, 27 great grandchildren and one great grandchild.

Mr. and Mrs. Briscoe had an unusual wedding. They were married in a buggy just as church was over. They drove the buggy up in the church yard. The church members and preacher came out and they said their vows before the preacher and the church members while setting in their buggy.

Ernest Englant was born in Oklahoma on Oct. 11, 1900, and came to Texas

riding on a horse behind a covered wagon, with his family. He homesteaded in the Pleasant Hill area and then sold out and moved to Bovina. There he opened an auto repair and welding shop. He had the shop for approximately 25 years. He had the first portable welder in that part of the country. He farmed and ran cattle later in life.

He was married to Cloy Glover and they have one son, Bobby Englant of Bovina. Also three grandchildren and two great grandchildren.

Sudan Booster Club Meeting Held

Thirty six Sudan boosters gathered Monday, October 3, in the school cafeteria. Coach Sexton showed the game film between Valley and Sudan and made comments.

The cafe where the boys ate following the Valley game sent complements on their behavior how good it was and that they were welcome to come back anytime.

The scouting report was given on Amherst team.

Jerry Damron, President, opening business meeting, Hoyt Roberson gave the financial report.

**4-H Club
Installs
New Officers**

The Muleshoe 4-H club held their first meeting of the year, Monday, September 12 in the Bailey County Civic Center.

Past president, Zanna Huckaby called the meeting to order. Becky Boor led the group in the pledge to the American flag...Brandi Estep led the 4-H pledge and motto.

The group then elected a new secretary to replace Cooper Black, who moved away during the summer. Amy Montgomery was elected. The new officers were installed by Zanna Huckaby. The new officers are: President - Britta O'Tay; Vice President - Doug Chitwood; Secretary - Amy Montgomery; Treasurer - Wendy Green; Reporter - Amber Green; County Council girl - Zanna Huckaby; County Council Boy - A.J. Liles; Parliamentarian - Shelley Sain and Song leader - Brett Pylant.

After conducting routine business project leader Linda Tanksley gave a report on the up coming projects such as: Food and Nutrition, Hunter's Safety, Health, Dog Care leathercraft, Bicycle Safety and Clothing. County Extension Agent Spencer Tanksley gave a brief film on the Bailey County Fair and urged all 4-H members to participate by entering something they had done.

New president, Britta O'Tay announced the 4-H skating fund raiser to be held October 7 and explained what the money is used for. After reminding the club that the next meeting will be Tuesday October 4, at 7 p.m. the meeting adjourned. Shelley Sain and Zanna Huckaby then gave a program on the Virginia Exchange Trip.

The Muleshoe 4-H club

met Tuesday, October 4 at 7 p.m. at the Bailey County Civic Center. President, Britta O'Tay called the meeting to order.

The pledge to the American Flag was led by Roberta Boor and Holly Huckaby led the 4-H motto and pledge.

Amy Montgomery called the roll and read the minutes of the last meeting. Wendy Green gave the treasurer's report.

Brenda Mudford gave a committee report on National 4-H week. Britta O'Tay made an announcement about the Swine project and reminded everyone about the 4-H skating. The meeting was adjourned by the president and then Doug Chitwood, Vice President introduced the program which was a program on cooking and using appliances presented by Christy Waters, Home Service Adviser from Southwestern Public Service in Lubbock.

Next meeting time for the Muleshoe 4-H club is Monday November 7 at 7 p.m. at the Bailey County Civic Center.

Mules vs. Dimmitt

a play that you wished for an instant replay on, because it was just almost beyond belief. Vinson's PAT was good, in fact, it went out of the stadium, and the Mules led 14-0 with 1:08 left in the first half.

That 1:08, however, allowed Dimmitt to rally just a little and following a short possession, after a Hamilton punt, they intercepted a pass intended for Norman. However, the Cats failed to make any good of this and the half ended with Thurman Coleman stopping the Dimmitt quarterback in his tracks.

term of office, and must already be members of the Board of Directors. The Directors are chosen to serve for terms of three years. The Chamber has fourteen directors, with thirteen being elected by the general membership for staggered three year terms, and one being the current President of Jennyslippers, the Women's Division of the Chamber. Currently Margie Merritt serves on the Chamber Board as Jennyslipper President, and will be succeeded in 1984 by Kathryn Taylor.

A more fired-up Mule team (if that's possible), came back on the field for the second half and started off with a bang. Moton picked up a lot of good yardage in this series and blocking by the Mules once again was super. However, it was about this point that penalties on both sides began to trickle in. The Mules first drive ended on the Cats 28 yard line, but the Cats didn't have it long. On their first play, Glass's pass was intercepted by Mule Todd

Jones and marked at the 32 yard line, giving the Mules possession once again.

The ensuing drive netted the Mules three first downs with 7:46 left in the quarter. Hysinger, Moton and Gleason along with Hamilton pushed the ball up to the one yard line in this drive and Hamilton took his due, and went over the goal line for the third Mule TD. Vinson kicked a good PAT and the Mules extended their lead 21-0 as the third quarter ended.

The Cats just couldn't get by the Mule defensive unit and Orozco, Isaac, Coleman, Flores, Williams and

Jeff McCarty played a big part in these maneuvers.

Just as the fourth quarter began, the Mules had a drive going that failed to materialize and were forced to kick on a 4-13 situation. A Dimmitt Bobcat picked up the kick on the 17 yard line, but had it literally torn from his hands by the Mules and the Mules regained possession.

From that point, with 10:50 left in the game, the Mules went right into the drive that gave Mark Moton his second touchdown of the night. Moton took the ball from Hamilton and went three yards into the end zone for the counter. Vinson's PAT which was against the wind, went wide to the left, but the Mules stood 27-0 on the scoreboard against the Dimmitt Bobcats. This is one of the first PAT's Vinson has missed in quite some time and he has done a super job for the Mules.

The Cat's next possession led them exactly nowhere and a tough, hard hitting Mule defense kept them from moving the ball. They gave it up on the 41 yard line by a punt.

With 7:50 left, Hamilton hit Hector Garcia for an 18 yard gainer, Hysinger picked up 15 yards on the ground and Moton caught another pass. However a 10 yard penalty on the Mules after Cat Bobby Nino sacked Hamilton put the Mules in field goal position. On a 4-21 situation, Vinson put a foot into the piggskin for a 37 yard field goal and three points. The Mules upped their score at this point 30-0, against a tired Bobcat team.

On the next Dimmitt possession after two plays and

some hard hitting by the Mule line, Mark Moton intercepted a Glass pass on the 30 yard line of the Mules. The Mule possession which followed gathered little yardage and Hamilton punted the ball away with a 47 yard punt.

The Cats had the ball for three plays and tried to break one loose on the Mules with a 31 yard run by David Barton. Barton was taken out by the Mules and in the next play a Barton fumble was recovered by Orozco.

From then on, the rest is like the first; the Mules maintained the ball for most of the remaining time, only giving it to the Cats with :39 left in the game. The Mule defense and offense both had a super night and were in fine form. Shaw, who was injured in the Abernathy game was out of play, but is expected back in possibly against the Wildcats next week.

The Mules only allowed the Cats five first downs, to their own 20. Dimmitt had 108 total yardage for the game, while the Mules had 325, (76 passing, 249 rushing). Mark Moton was the leading rusher of the night with 20 carries for 130 yards, Hysinger followed with 24/90.

Next week in Muleshoe is "BEAT THE WILDCATS WEEK," and all local businesses, fans, etc. are urged to get in the spirit of things. If you have a marquee sign, use it; if you have a Mule flag, fly it and show these boys that the town is behind them. They have their sights set on District playoffs, and with a little help from their friends - they can make it. "TOGETHER WE CAN."

PIK Dollars

hundred, Parmer County producers received \$18,038,040 worth of PIK corn entitlements. Chandler explained the large amount by referring to the large corn acreage in that county.

In grain sorghum, PIK entitlements for Parmer County equaled 464,440 cwt. Figuring on an average price of \$5.40 cwt., the PIK grain sorghum entitlements would be worth \$2,507,976 on the markets at the time of release.

Parmer County has 11,939,346 pounds of cotton earmarked under PIK entitlements, Chandler says. At an average of 50 cents to 55 cents per pound, producers will receive about \$5,969,673 in PIK cotton entitlements when the October release date rolls around. ASCS officials have been told to expect a delay on the cotton entitlements by the USDA, but have no indication of how long a delay.

Jim McGeehee, ASCS Director in Lamb County was contacted Friday for that county's total PIK entitlements. According to McGeehee, Lamb County PIK entitlements including all commodities, when completed will total \$17,939,577 with average market prices applied to commodities.

In July, wheat PIK entitlements were issued to Lamb County producers for 122,787 bushels of wheat. At an average price of \$3.40 per bushel, this would come to \$417,475 at the market level.

Corn entitlements for Lamb County came to 1,182,515 bushels. After converting to hundred weight and using a \$6 average market price, that same corn would have a value of \$3,973,250 for county producers.

Grain sorghum entitlements for Lamb County producers totaled 90,762 (cwt) and at a \$5.40 per cwt.

Both Local Courts Get A Breathing Spell

Filings in both Municipal and Justice courts this past week have come to a total of 78 for offenses committed. Disposals or paid cases for this period of time came to a total of 57 in both courts.

In Justice Court, Justice of the Peace Jack Bates filed a total of 20 speeding cases, four for expired MVI, and two each for expired license plates, failure to display red flag and defective mud

flaps. One case each was filed on the following violations: no drivers license, no registration in truck, no brakes on trailer, illegal load extending to rear, over width, defective stop lamps, operating unregistered vehicle and failure to yield right of way. Total cases filed in Justice Court equaled 38.

Disposals made and fines paid in Justice Court totaled

seven for speeding, four for overallowed gross weight, three for hunting from roadway, two for expired MVI and one each for no drivers license and defective stop lamps. This total came to 18 paid for the period from October 3, to October 10.

In Municipal Court, Judge Linda Huckaby filed a total of 40 cases over the past week, with twelve being for speeding violations. Four were filed for public intoxication and three each were filed for assault and no liability insurance. Two cases each were filed on the following: no Drivers license, city ordinance - leash law, no MVI sticker, contest of speed, and violation of city ordinance-open container. One case each was filed on the cases listed herewith: back check, running stop sign, running red light, driving without headlights as required, minor in possession of alcohol, expired plates, possession of narcotic paraphernalia, and permitting an unlicensed driver to operate a motor vehicle.

Cases disposed of in Municipal Courts totaled 39, with seven of them being for speeding violations. Five were for public intoxication, and there were three each for no drivers license, violation of city ordinance-open container, and running stop signs.

Two cases each was disposed of on expired MVI's, no liability insurance, minor in possession, violation of leash law (C) and theft. One case each was disposed of on expired plates, illegal turn, failure to appear, expired drivers license, running red light, bad check, exhibition of acceleration and permitting an unlicensed driver to operate a motor vehicle.

galloped 55 yards into the end zone for an Eagle TD. The try for extra points failed, but the Eagles were playing catch-up with the score standing at 14-13.

In the third quarter, Three Way picked up 12 points. Brett Stegall hit Zapata for a 50 yard touchdown pass in this quarter. The PAT failed. Then, Zapata came back again for a one yard plunge across the goal line and another Eagle TD, but again with no extra point gained. Loop scored

one touchdown in this quarter on a one yard run by Scotty Scott, the workhorse for Loop. The extra point for Loop was not good and the score stood at 26-19 at the end of the third, with Three-way in the lead.

Fourth quarter action saw Roberts get a 10 yard TD run, plus two extra points via Stegall to Rubalcava. Roberts also made a 15 yard TD run, but did not get the extra point.

Loop countered in the fourth with a 47 yard pass play and ran the extra point, a 9 yard run for a TD and an extra point and a 4 yard run for a TD by Scott, plus an extra point. Their last score was made with :30 remaining in the game.

The Eagles took the ball with 26 seconds left on the clock and Brett Stegall hit Elbert Zapata with the 40 yard TD pass and the Roberts PAT which won the game for the Eagles 47-40.

The Eagles had a total of 311 yards rushing, with 266 of them being Roberts. They had 121 yards passing with Stegall hitting 6 of 17 and 432 total yards. Loop had 276 rushing and 176 passing for 452. Loop came into the game 1-1 in conference, while the Eagles were 0-2. Threeway will play Southland, there, at 7 p.m. next Friday night.

You fans, who have not seen six man football, are missing a treat, so get out and support these Three Way Eagles - according to their coach: "The team that just doesn't quit."

Make And Take

Workshop Set

Parents who currently have children enrolled in Kindergarten and parents of 4-year olds who will start Kindergarten next year are urged to a MAKE AND TAKE WORKSHOP on Tuesday, October 18, 1983 from 7:00 until 9:00 p.m. at Dillman Elementary School Cafeteria. This workshop is hosted by the Muleshoe Independent School District.

Parents will be actively involved in making instructional materials to help reinforce at home what their children are learning at school. All materials and instruction will be furnished by the teachers and aides who teach in the kindergarten at Muleshoe I.S.D. There will be baby sitters (courtesy of the Muleshoe C.H.A. Girls) at the school for parents with small children, and refreshments will be served.

Around The Halls At M.H.S.

Nest Thursday, October 20 is "Hat Day". All students and faculty are to wear hats and Top a Wildcat for the game with Littlefield. Hats off to the Mules!

There will be a Band Clinic on Wednesday morning, October 19 from 8 a.m. to 10:30 a.m. Mr. Keith Bearden, director of the marching band at Texas Tech, will be helping the Mighty "M" with their contest show.

The Fine Arts Boosters Halloween Carnival will be held Saturday October 29th, at the Civic Center. Booths will cost \$25.00. The deadline for reserving a booth is October 22. If interested contact Renda Logsdon at 272-3845.

The PSAT Test will be given next Tuesday October 18th, to those Juniors who have signed up for the test. The cost is \$4.50 and needs to be paid when the student signs up. Eight places are available. See Mrs. Marr in the counselors office if interested.

The MHS National Honor Society met Wednesday, October 13. All of the ten members were present and also the sponsor, Mrs. Lucy Faye Smith.

NHS has been selling notepads with the MHS seal for \$1.00. These are still available and can be purchased from any NHS member.

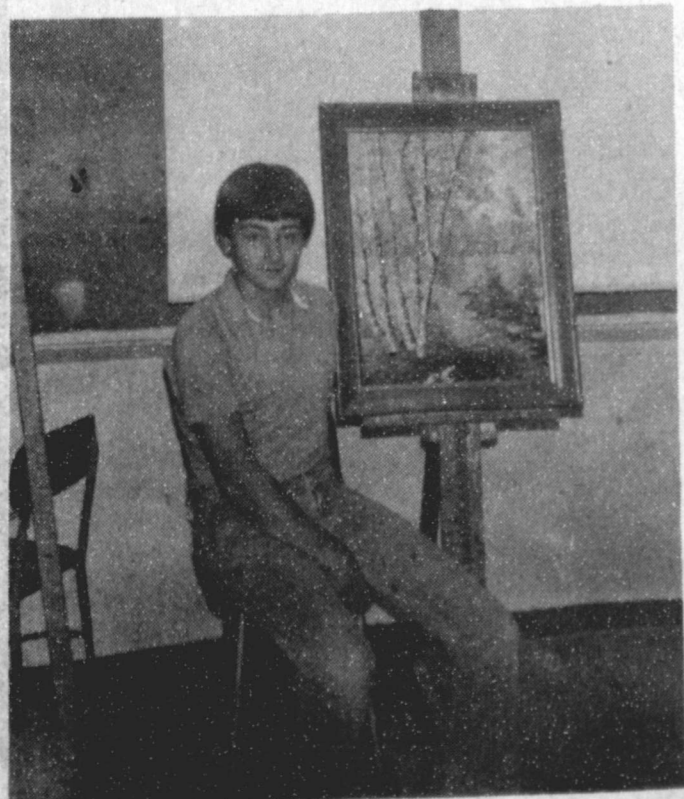

The Senior class will host an all-you-can-eat spaghetti supper from 6:00-7:30 in the high school cafeteria on October 21st. Tickets are \$4.00 for adults and \$2.50 for children under 12, and tickets are available from any senior or at the door.

FHA will be selling homemade donuts every Wednesday at two for 25 cents.

SCAC Exec.

Meeting Held

The officers of SCAC (Student Community Action Club) met Tuesday, October 11 at Leal's. The by laws on membership, dues, and projects were established. The present officers appointed Candy Long as Historian. The officers felt like this office would be beneficial to the club for the scrapbook project. This club is beginning to get off the ground and the officers and members are really excited to be associated with the newly formed club. SCAC should certainly benefit the school as well as the community.

Tennis Team Goes To Fall Meet

The Muleshoe High School Varsity tennis team traveled to Lubbock Friday and Saturday, Oct. 7-8 to attend the Lubbock Fall Open. Among these members were: Laurey Grant, Stacy Smith, Preston Scoggin, Ronald Briggs, Terry Graves, and Johnny Bevers. Each player participated in singles and doubles. Results of the tournament were as follows: Both Stacy Smith and Laurey Grant were defeated in the third round in singles. As a team in doubles they made it to the semi-finals. Ronald Briggs went all the way to the semi-finals in singles, while

Preston Scoggin was beaten in the first round in singles competition. Terry Graves made it to the quarter finals in singles competition. Also, Johnny Bevers was beaten in quarterfinals in the singles. In doubles competition Ronald Briggs and Preston Scoggin were de-

feated in the quarterfinals, while Terry Graves and Johnny Bevers were beaten in the first round. This was the first Fall meet for the tennis team which is coached this year by Mr. Bob Graves. He commented that it is difficult to find tennis tournaments in the Fall but the team plans to get in as much tournament play as they can before the UIL competition starts next Spring.

Coaches Comments

This weeks comments are from Coach Kevin Wiseman. He commented, "This game was different from the previous games because it was the beginning of District Play. This is what we have talked about, winning the district championship that is, so it was very important for us to win. We started off a little rough, falling behind on an interception, but I thought we kept our poise and played well the rest of the night. One of our goals was to develop the passing game more effectively and we felt like we were successful in that area. The defense played much better and our kicking game looked solid. We just want to continue to play well week by week."

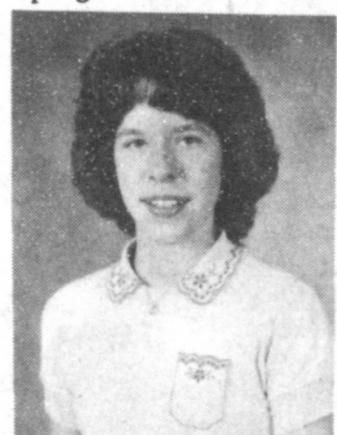

Graves Chosen

As Feature

Artist

Mrs. Chitwood has chosen Terry Graves as the feature artist for October. Terry is a junior at MHS and is in Mrs. Chitwood's Art IV class. He is also the historian for the Art Club. When asked about his favorite part of Art class, Terry said, "I enjoy art very much, especially oil painting and water color." Terry's oil painting of fall aspens is on display this month in the front hall trophy case. He used the Gesso build-up technique in this painting.

In addition to art, Terry also enjoys playing tennis. He thinks Mrs. Chitwood is "a great art teacher" and he plans to further his art career in college following graduation.

CHANTEL ROBISON

Pep Club's Member Of Week

This week's member of the week for the Pep Club is Chantel Robison. Chantel is the 14 year old daughter of Wendell and Brenda Robison. She has one brother, Collin. Chantel has lived in Muleshoe all her life and was born on August 29, 1969. She is active in school and also a member of the Joy Makers Youth Choir and a member of the Richland Hills Baptist Church. Her hobbies include swimming, horseback riding, art, playing the piano, and listening to rock music. Chantel contributes greatly to the spirit of M.H.S.!

Twirp Week Produces Biggest Flirt

Last week, October 3 through the 7 was Twirp week at Muleshoe High School. During this week each teacher was given five ribbons and was to watch every guy in the halls. When a teacher spotted a guy in the company of several girls they stopped him and asked to see his Twirp pass. Later that teacher would give him a red ribbon. By Friday all the guys got to find out what the ribbons were for - "THE BIGGEST FLIRT"! The first place winner was Darin Shaw with a total of three ribbons, second was Jeff Hamilton with two ribbons and several third place winners with one ribbon included: Jarrod Embry, Joe Ambriz, Hector Flores, Hector Garcia, and Mike Holt. Twirp week is sponsored by the Future Teachers of America chapter at MHS, and is an annual event.

Scout-O-Rama In Lubbock, November 19

Ticket sales kicked off on Oct. 3 for the South Plains Council Scout-O-Rama to be held Nov. 19 in the Lubbock Memorial Civic Center. The Scout Show is a booth event where area Scouts annually display Scouting skills and projects plus participatory programs for the whole family. Tickets will be available from area Scouts for \$1 and included with each ticket is at least \$10 in coupons.

David Seim, president of Southwest Lubbock National Bank, has been named chairman of the 1983 Scout-O-Rama. In 1982 Seim served as the ticket sales chairman for the Scout Show which resulted in the largest ticket sales in the Show's history. As chairman he is responsible for coordinating the efforts of the Show's steering committee.

The Scout Show will be manned by Cub Scouts, Boy Scouts and Explorers representing most of the units in the Council. Each booth is designed around a theme of the units choosing, and plans are developed by the youth members. The Show's overall theme for 1983 is "Catch the Scouting Spirit". The Scout Show gives the youth members an opportunity to meet the public, both in ticket sales and at the Show, working closely with other units and boys, building exhibits and decorating booths. This training most boys would never receive in normal unit operations.

The public viewing of the best Scouting creates a greater awareness of the Scouting program and hopefully will attract new boys, additional leaders and community support for all phases of Scouting. The Scout-O-Rama is one of the largest youth shows staged on the South Plains.

Agriculture Policy Changes Predicted By Economist

The agricultural economy of the nation is in a stage of transition along with agriculture itself and policies affecting agriculture, says a leading economist in policy and marketing with the Texas Agricultural Extension Service, Texas A&M University System.

Dr. Ronald D. Knutson says "we simply cannot continue to go down the same commodity program path of the past 50 years."

A substantial base of support is developing for change, yet major changes in policy seldom occur, Knutson adds. "Instead, changes are generally incremental and deal with particular problems at a moment in time."

Knutson says there are several critical issues that are likely to be the focal point of debate for change on agricultural and food policy in the next several years.

"Goals of agricultural and food policy from the 1940s through much of the 1960s were to raise farm income to the level of non-farm income. A shift in goals occurred in the early 1970s simultaneous with the adoption of more export-oriented farm policies," Knutson says.

This change was partially a political necessity and partially a desire to take advantage of agriculture's productive capacity by competing in the export market, he believes.

"Farms and food pro-

grams thus took on multiple objectives—raising farm income, supplementing the income of the poor, expanding exports and using food as a tool of diplomacy," Knutson says. "When surplus built up in the early 1980s, we went back to the production control policies of the 1960s. While the goals had changed, the policies had not."

"Since these multiple objectives were neither adequately specified nor organized in priority sequence, the result was inconsistency. Policy has been made in a patch work fashion—frequently on a crisis basis. That is how the present PIK (payment-in-kind) program originated," Knutson says.

Establishment of a consistent food and agricultural policy requires the development of a set of overall goals as well as a consistent set of policies and programs to achieve them, says Knutson.

"Farmers increasingly talk of the need for a long-range agricultural and food policy—an eight- to 10-year farm bill that would avoid the post-election year rush to prevent reversion to antiquated permanent legislation as well as the almost yearly farm bill revisions," he adds.

Goals of such a policy have yet to be specified and would undoubtedly be open to considerable debate. They would likely be even less producer-oriented than

in the past and would require a ranking of the relative importance of raising farm income, expanding exports, feeding people, conserving soil and water resources, obtaining equity for hired farm labor, maintaining producer independence and stabilizing food prices, Knutson predicts.

Domestic farm and food policy goals would need to be related to general economic policy, foreign policy and economic development. While developing such overall priorities may be too much to wish for, the fact that people are talking about such a possibility creates the potential, he adds.

"Current price and supply conditions are as much a result of government policy decisions as of overall trends in forces affecting supply and demand for farm products," Knutson says.

Results of the most recent study of the global demand for food and fiber through the year 2000 concludes that the global balance between cereal production and population will remain quite close, indicating vulnerability to annual shortfalls due to weather, wars or policy mistakes. During the next 20 years, the world will become even more dependent on trade, according to the study.

The study, Knutson explains, also predicts increasing competition for U.S. farmers in international mar-

kets from developing countries selling farm commodities as a source of foreign exchange to pay for imports, such as oil.

"Despite this increased competition, exports of grain from North America are projected to nearly double by the year 2000. While trade in meat is expected to increase by about 284 percent from the 1978-80 base, most of the exports are expected to come from Oceania, Eastern Europe and the European Economic Community countries—not the U.S.," he says.

Water is a major concern to Texas producers as well as those in all other semi-arid states. The water problem will be solved, not by finding more of it, but by developing a pricing system consistent with its internal and external costs, or by rationing the quantity that can be used, he emphasizes.

With major technology breakthroughs, the U.S. could easily be faced with chronic surpluses, but with a technology lag, deficits, and rapidly rising food prices could be the results, he says.

Mrs. Sue Hruska, Jed and

Sam of Paint Rock visited during the weekend with her parents, Mr. and Mrs. Kenneth Noles and were here to attend the bridal shower held Saturday for her new sister-in-law, Mrs. Don Noles.

Lynn Williams and Mrs. Charlie Lowe visited in Quanah and Medicine Mound several days this past week.

Mr. and Mrs. John Williams were in San Angelo Sunday to visit their daughter Jon Ann, who is a student at Angelo State.

Lynn Williams left Saturday for Seattle, Washington where he will visit his brother, Ken who is stationed with the U.S. Air Force at Eielson Air Force Base, Alaska.

Robin Gore has been a patient in the Muleshoe Hospital.

Mr. and Mrs. Noel Lumpkin of Alvin, Texas have been here visiting his sister, Mrs. Virginia Rone and have purchased a home in Littlefield where they hope to be moving in the very near future.

Mr. and Mrs. Joe Wood and children have moved to Littlefield where they will be making their home.

Mr. and Mrs. Bob Nelson were at their cabin at the lake near Seymour during the weekend when they met other family members.

Gaylene Rogers of Lubbock was home during the weekend to visit her parents, Mr. and Mrs. Wayne Rogers. Phil Kent of Muleshoe and others who went on the European trip, Lucy Kent and Mr. and Mrs. F.M. Smith, joined them for looking at pictures and reliving their trip.

R.H. Gunn has been a patient in the Methodist Hospital for the past several days.

Among those from Sudan who have been or are pat-

ients in the Amherst Hospital include Veda Terrell, Elizabeth Walden, Curtis Savage, Hurshel Gunn, Myrtle Martin, Mary Lance, and Ray May.

Visiting during the weekend with Mr. and Mrs. Van Seymour were her brother, Mr. and Mrs. Loyd Strickland, Stacy, John, Gary, Amanda and Jamie all of Matador. They all attended worship services Sunday morning at the FBC.

Mr. and Mrs. Herman Synatschck of Anton visited one day this week with her parents Mr. and Mrs. Glen Cardwell as did their other daughter, Susan Nettles, Christa and Danielle.

Daniel Doty visited last week with his grandparents, Mr. and Mrs. Wayne Doty.

Mickey Montgomery has been in Japan to visit her relatives and friends there.

Fred Collins of Levelland visited during the weekend with his parents, Mr. and Mrs. George Collins. Also visiting were their great grandchildren, Danny, Susie and Christine Collins of Earth.

Visiting with Rhoda Minyard this week has been her sister, Mr. and Mrs. J.R. Anslow of Houston.

Mr. and Mrs. Kim Enggram, Max, Cherry, Brad and Ginger of Amarillo visited during the weekend with his parents, Mr. and Mrs. Jack Enggram.

Mr. and Mrs. Danny Rhoades of San Antonio were here during the weekend to visit his parents Mr. and Mrs. Dewey Coldiron and to pick up their children, Candance and Courtney who have been here for the past several months. They will be making their home at San Antonio where Danny is stationed with the Air Force at Lackland AFB.

Mr. and Mrs. Curtis Chester and boys have re-

turned home from Lamar, Colo. where they spent sometime recently.

The U.M.W. of the Methodist Church held their regular meeting Monday in the home of Mrs. Frank Lane. They continued their Bible studies in "Numbers".

Attending were Mrs. Richard Black, Mrs. Tray Gaston, Mrs. Edwin Harper, Mrs. E.C. Minyard, Mrs. Bruce Newman, Mrs. Bill Nix, Mrs. J.W. Olds, Mrs. Wayne Rogers, Mrs. F.M. Smith, Mrs. Bertha Vereen and the hostess.

"We must all remember that what is at stake in Lebanon is a vital principle of law and international relations."

BIBLE VERSE

"Be ye steadfast and unmovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord."

1. Who wrote the above words?
2. To whom was he writing?

Answers to Bible Verse

1. Paul, the Apostle.
2. The members of the church at Corinth.

The Same?
"Why do you weep over the sorrows of people in whom you have no interest, when you go to the theatre?" asked the man.

"I don't know," replied the woman. "Why do you cheer wildly when a man with whom you are not acquainted slides into second base?"
