### Reds Try to Buy U.S. Oil Co. in Hungary

BUDAPEST—(AP)—The Communists have offered to buy out the Hungarian-American Oil Company, an American informant said today, and have threatened to banish from Hungary the concern's American executives.

The informant said the Communists were considering nationalization of the country's oil fields—as they contemplate nationalization of banks and industry—but were faced with the fact that Russia gets half the Hungarian royalties of Maort. Russia obtained half of the Hungarian royalties last year in negotiations which set up a Russian-Hungarian oil company called Maszovol.

### Texas' Weekend Violent Death Toll Reaches 12

(By The Associated Press) Texas' weekend violent death toll rose to 12 today with traffic accidents leading the list of causes. Six persons were killed on state highways, four drowned, one died in an airplane crash and another died of undetermined cause.

### Stopping Basis For Communistic Growth Important

(By JAMES D. WHITE, AP Foreign Affairs Analyst) Secretary of State Marshall has given us a second and timely look at the other side of the coin.

It is upon this chaos that Communism feeds, and it is probably unfortunate that the "stop Communism" part of the Truman Doctrine is the one which apparently had to be played out first.

### Officials Report Red Cross Relief Work at Higgins

The closing of the Red Cross Disaster Relief Office, last Wednesday, marked the completion of casework in the Higgins area, following the tornado which swept that small community last April 9.

It has been reported that the people of this area have donated \$906.25 in cash to the Red Cross for the disaster at Higgins and Glazier. The Red Cross has spent \$40,000 on rehabilitation work in Higgins since it was chartered.

The report states that the Red Cross has spent for food, clothing and shelter for the homeless and displaced persons in the area.

Truman chooses Norman Armour as his assistant secretary for American Republic Affairs.

### Railroad Commission Reports 112 New Wells

### Nearly 10,000 Diggers Quit Work in Mines

UNIONTOWN, Pa.—(AP)—Protests over a labor-curb bill passed by Congress today were blamed for a spreading walkout of bituminous coal miners which already had idled nearly 10,000 diggers in Southwestern Pennsylvania.

Some 6,000 miners quit work or voted to quit work over the weekend and today they were joined by an additional 3,600 miners in the rich coal producing fields of Fayette, Greene and Washington Counties.

The government must return the mines to private operation July 1 but the unions, they said, would delay any strike until July 7.

TEETH PROTECT HIS SLUMBERS—When trainmen attempted to waken this unidentified passenger on his arrival in Chicago, they were confronted by a belligerent canine. The dog, whose mission seemed to be the protection of his master's snooze, kept conductors away until a bucket of water awakened the passenger.

### Railroad and Utility Workers Call Strike

PARIS—(AP)—Plagued by a nationwide railroad strike, France was threatened today by another serious labor situation as public utility workers walked off the job in several plants near the capital.
