Rescue Crews Labor To Recover Bodies Submerged With Wreckage At Frisco: Cause Of Crash Is Unexplained

SAN FRANCISCO, Feb. 19 (P)—Rescue crews labored today to re-ter the bodies of eleven persons killed in the mysterious crash of a airliner into San Francisco Bay.

Reports from the scene of the inexplicable tragedy near Mills Field, nicipal airport south of here, said attempts were made to right the ne, which overturned as it struck the water last night. A derrick was brought to the wreck to lift the 12-ion craft, which sirport officials said weighed many more tons because it was filled

Conference Recessed, To Be Resumed Later This Afternoon

LABOR'S 'BOARD OF STRATEGY' CONVENES

Extent Of Recognition Of UAWA Considered The Last Obstacle

DETROIT, Feb. 10 (A9-Representatives of General Motors Corp. and labor considered a definite plan of strike settlement for two and three quarters hours today, then receased for two hours.

Governor Frank Murphy said
"the situation was unchanged from
last night," and announced anoth-

er conference would begin at 3:30 or 4 o'clock this afternoon.

John L. Lewis, aggressive chieftain of the Committee for Industrial Organization, who has suffered from a cold for several days, did not attend the negotiations session, although he and other members of

labor's "board of strategy" had con-ferred during the morning. The board of strategy, once empowered to call a general strike of all union members employed by General Motors, has the authority to approve a proposal for settle-ment of the bitter dispute that has halted the corporation's passenger

car production. Negotiators working in constant communication with Washington cought in today's conference to se the last gap separating positions of the union and General Mo-tors representatives who have explored a number of settlement pos-

### THE PUBLIC AND HER AUTO STRIKE

Settlement of the automobile strike, on some terms, may be immediate, or the dispute may turn into an endurance dicial candidate was invited contest; but as the conflict goes on, the general public has withdraw while the senator took up some difficulty in understanding the cause of all the trou- another matter with the president.

The automobile industry for some time has been regard- is pictured as turning to the sena ed as a place of good wages; and according to the January tor and asking, in substance issue of the Labor Information bulletin issued by the Bureau "Say, how is your candidate? of Labor Statistics, its weekly wages again topped all manufacturing industries.

With weekly wages averaging \$32.25, auto workers motion, analyzing all the decisions carned \$8.35 a week more than the average of all factory they ever made in their lives on workers; 15 cents a week more than the second highest the basis of whether they are "libclassification. In terms of purchasing power, according to eral on things." the bulletin, these wages were equal to almost \$40 in 1929. Distrust The cost of living in Detroit was listed as 18.7 per cent less than in 1929. Another source—the National Industrial Conference board-reports the average 1929 automotive wage Norris, La Follette et al, are growlwas \$32.48. On the basis of these figures, the average auto-ing about the president's liberal mobile factory worker was never better off than the months packing proposal, may seem to outbefore the strikes were called.

The Labor Bulletin further reports that in November, The fact is he took them by sur-1936, auto factory hours per week averaged 41.5, less than several weeks to take over his jufor most other industries. It can be seen that higher buy- dicial show and drive for a differfor most other industries. It can be seen that nigher buying power of the automobile workers came through higher hourly rates of pay and not through lower hours.

HOLLYWOOD — Emily Post constitutional amendment. A nawould have a terrible time in Hollytional rally had been called for next wood, where etiquette is mainly model.

The news dispatches from Detroit advise, of course, that month. the issue in the current dispute in recognition of the United Automobile Workers of America as the sole bargaining agency. This is tremendously important to organized labor and to the motor manufacturers; but it is not an issue in selves "liberals." Experience has might term "rudeness." Hollywood which the general public takes such interest as in an issue that of wages and working conditions.

The public, on the other hand, does see the appalling cost formerly expressed political view-makes "dressing" for a party a rather haphazard procedure. If of the dispute, witnessing the hardships on local dealers points. and reading of the millions lost daily in payrolls, not to mention the loss to the companies involved.

Not in questioning labor's use of the strike as a means of 25 or 30, in case his newly proposed tie and 'tails, anyway, can he, when promoting ts cause, but in viewing the peculiar circumstances surrounding the Detroit dispute, there may be significance in the result of last week's poll of the Nationa! Wanderlust Institute of Public opinion, which showed a majority of citizens was not favorable to the UAWA procedure.

## Man About Manhattan

Chapter Five "IT'S A DATE, THEN"

ous simest-cousin arrived?"

As she advanced, Bigelow turned and their eyes met. It was the girl he had seen in the hotel corridor the night before. She was go there, certainly, and the hotel wearing a gray tweed coat with a employes had evidently misunder tray for coller, and the had a color contrasted charmingly w.t. cleck had been unable to discrim her fresh fair complexion and lnate. That must be the explana bright hair.

"Yes," said Bigelow pleasantly, He wondered how long she had

anywhere," she replied with a mis anyone besides himself chevious smile.

ing of that. "I'm afraid he has forgotten to judge.
you, darling," she said hestily, with Her attitude at the tea tible had

misming in front."

throwing open her cont. "You were a little nuisance," he with anything, assured her frankly. "Still—that Suppose she was having an afwas a long time ago and your step fair with Vron ki? No, the idea mother declares that you have improved."

"What do you think?" asked it—not about Anne, nne, looking up at him impu (Copyright, 1987, Frederick Anne, looking up at him impu-"You seem to have all you teeth," he observed. "Yes, fortunately the second

ones lasted better than the first "Your nose turns up just a bit I see, but it isn't a bad nose as noses go. At least it's small,"

"Thank you." "Your hair is certainly a better Baptist church, at services conduct-shade, now. As for-er-?" ed by a special presbytery appoint-"My legs?" she asked, with a tilt ed for the purpose. With the paster,

"No-I was going to say-your the presbytery: Rev. Ben Ferguson character and disposition! I'll have Rev. E. E. Mason, Rev. J. J. Strick to see something of you before I and, and Dencons W. C. Westfall, hall feel competent to judge." W. C. Rogers, J. M. Wilcox, D. J. "Well, perhaps even that can be Couch, Ralph White, W. P. Puckett shall feel competent to judge."

e somewhere and dance?"

A Dinner Party Is Arranged She considered the matter, as she bit into a frosted cake. "I'm willow gave the dedicatory prayer, afraid I can't tonight, unless we include Count Vronski. I'd promised to dine and dance with him."

"Then we must include him by all means and I'll bring Madame Karsanakoff." "The dancer? Do you really know her? Will she come?" Anne was looking rather excited about No. 12 .... 7:40 a. m.

"You've seen her?" asked Bige No. 6 ......11:10 p. m. T&P Trains—We "No. Only photographs. She's had endless publicity over here No. 11.... 9:00 p. m. She looks marvelous." No. 7 7:10 a.m. "She is rather stunning," he No. 3 ..... 4:10 p. m. agreed.

"I like meeting people like that Arrive people who have made something of their lives," she said. "Do go and call her. There's a telephone in the hall. Then we can make the arrangements."

11:34 p. m. Bigelow put down his cup and

to instruct him about the tele- 4:20 a.m. phone, but he finally reached Kar- 10:54 a.m. sanakoff. She accepted with en- 4:20 p. m. thusiasm, suggesting that he bring 7:09 p. m. his friends for a drink in her rooms Anne was delighted. "Til get hold 11:00 a. m.

"Oh-I thought you knew. The 5:15 p. m. have an apartment, too, if you are planning to stay." "I suppose it would be quieter,"

"Much quieter. Fspecially if you can get one like Anton's. It's a remodelled brownstone fronter, you know. Only three apartments in the whole bouse and, of course, no hall attendants or elevator boys to spy on your comings and goings,"
"It sounds convenient," agreed Bigclow.
