### No Sensational Information Is Found in Lincoln Papers

WASHINGTON—(P)—A mine of background information but a blank for sensation-seekers was the appraisal yesterday of the Abraham Lincoln papers his son collected and sealed until 21 years after his own death.

Scholars and historians who began examining the Robert Todd Lincoln collection at the Library of Congress as soon as they were opened early yesterday called them as indispensable mine of information for students of Lincoln and the Civil War period.

"This," one enthusiastically reported, "is the richest collection of Lincoln material."

The papers bring out no new skeletons from the closets of Lincoln or others of his day.

Roy P. Bales, prominent Lincoln authority, said nothing was found to support suggestions that high officials in the Lincoln administration might have been implicated in the plot to assassinate him.

### 'Are We Good Neighbors?' Is Discussed Here

Most of our ills, said Fred Thompson before members of the Kiwanis Club Friday, stem from a lack of understanding of those about us. We build a better community, he said, "through cooperative understanding."

Discussing the subject, "Are We Good Neighbors?" Thompson, former mayor, and businessman and ex-serviceman, observed that the policy of good neighborliness between one local community and another is similar in motive to that advocated for the nations of the Western Hemisphere.

Citing a number of examples of what he thought was wrong motive, he said that when the Community Chest idea was dropped here, it was perhaps because this organization felt it could get more money by itself; that when it was decided the county hospital would be located at Pampa, groups began haggling among themselves as to where it would be located; that the ward system idea was probably conceived because one political sub-division or another felt it was not getting its part.

"I wonder," he observed, "if that is not the way we today operate."

For instance, he said, when he was in a uniform on the West Coast before V-J Day, he could very easily thumb a ride, and it was just as easy when he was in Boston and New York. But the day after V-J Day, he concluded, he and a buddy finally had to get a taxi (no easy job) to get a ride in Boston.

Another attitude of the pre-war days, he said, was that those in the armed services were there because they could not make a living in any other pursuit. That, too, was a wrong attitude. The serviceman had to "rectify" his thinking, he said.

### Hope Fades for Agreement on Marshall Plan

BERLIN—(P)—Virtually all hope has faded in authoritative quarters here that Germany will be united by four-power agreement this year or even next.

The economic tug-of-war between the United States and Russia over the Marshall plan clearly splits Germany down the middle, with Western Germany falling into the orbit of the Marshall plan and Eastern Germany aligned in the Soviet bloc.

Authoritative sources here do not expect to see this split healed until one of the two programs embarked upon by the two powers is proved unworkable. They do not expect this proof to be forthcoming this year, and probably not even next year, since the Marshall plan cannot even come into operation until next winter when Congress meets again.

Consequently, these sources believe the coming foreign ministers conferences on Germany in New York in September and in London in November already are doomed to failure.

They point out that the split over Germany already has widened since the foreign ministers conference in Moscow this spring as a result of Russia's refusal to join the Marshall plan, and that there is nothing in prospect to change this situation before next fall.

### Truman Signs Bill Making Bonds Cashable

WASHINGTON—(P)—President Truman signed a bill yesterday allowing the veterans holding terminal leave bonds to cash them any time after Sept. 1 but advised them not to do it.

"I wish to emphasize strongly that it is to the veterans' best interest that they keep their bonds if they do not absolutely need to cash them now," his statement said.

"Almost \$2,000,000,000 of bonds are outstanding, a sizeable proportion of these bonds should be redeemed in the near future, general inflationary pressures, which we have been endeavoring to control, would receive a substantial boost. Several hundred million dollars poured into the spending stream would exert a strong upward pressure on prices.

"If, on the other hand, veterans choose the wise course, hold their bonds and continue to draw 2 1/2 percent interest, their dollars will buy more when they cash their bonds after inflationary conditions have eased."

The administration had opposed the bill for cashing the bonds. Secretary of the Treasury Snyder testified against it. But the House and Senate passed the measure without a dissenting vote, and Mr. Truman signed it just before he left for Grandview, Mo.

Mr. Truman noted that the Treasury Department is making arrangements with banks and other financial institutions in order that bonds can be cashed in local communities without need to return to a treasury official, said Friday that banks will be instructed to require positive identification of those cashing the bonds, so as to prevent any money going to "sharks" who have purchased the bonds at a discount.

A number of complaints have been received.

### Entertainment for 'Queen of Rodeo' Is Being Planned

Arrangement for the entertainment of "Queen of a Day" to be flown here from San Antonio, August 6, are practically completed, announced J. B. Massa, chairman of the Queen's entertainment committee, Saturday morning. The Queen will be selected from the Mutual Broadcasting System's "Queen of a Day" program, August 1, which is to originate from San Antonio.

The Queen will be flown to Amarillo from San Antonio by Braniff Airways, where she will be met by a squadron of planes from Pampa, flying the colonel's "Queen of a Day" program, August 1, which is to originate from San Antonio.

These included:

- A \$50,000 housing investigation by a Senate-House committee.
- A \$15,000 Senate agricultural study to seek solution of long-range farm problems.
- A five-month extension of the Senate small business committee from Oct. 31 until next April 1 with \$50,000 more to spend.
- A \$25,000 inquiry into foreign and domestic trade by the Senate Commerce Committee which Senator Lodge (R-Mass) said should look into the "Swiss watch trust."

At the first rodeo performance, the Queen will be crowned "Queen of the Rodeo" in true western style. She will reign as Queen throughout the four-day show. Following the first night's rodeo performance, she will be guest of honor at special rodeo dance to be held in the American Legion Hall. Music for the dance will be by E. E. Smith and his orchestra.

Thursday noon, the Queen, with 35 cowgirl sponsor attendants, will be guest of the Lions Club at their weekly luncheon. She will lead the grand march at the Cowgirl Sponsor's Ball that will follow the second evening's rodeo performance.

The Queen, with her 35 attendants, will be guest of the Kiwanis Club at their noonday luncheon, Friday.

At the final rodeo performance, Saturday night, the Queen will be showered with gifts to be presented to her by local merchants.

If after the four day celebration the Queen has chosen to leave the city to Pampa, she will then be flown to Amarillo, Sunday morning, August 10, to make plane connections to her home.

Mrs. Martha E. Truman

### President's Mother Dies in Missouri

GRANDVIEW, Mo.—(P)—Mrs. Martha E. Truman, mother of the nation's President, died yesterday four hours before the Chief Executive arrived here in his private plane.

The courageous, 94-year-old woman, died at 11:30 a. m. (CST), an hour after President Truman had taken off from Washington. He was notified of his mother's death while in flight.

Miss Mary Jane Truman, the President's sister, and his brother, J. Vivian Truman, were with their mother when she died. Dr. Joseph Greene, the family physician, phoned the Associated Press this simple announcement:

"Mrs. Truman passed away at 11:30 a. m. There is nothing else that I can say."

The President's plane landed at the Grandview Airport at 3:24 p. m. (CST). The solemn-faced Chief Executive was met by his wife and daughter, Margaret. They left immediately in a secret service car for the nearby modest cottage where other members of the family waited.

Mr. Truman made no statement and no pictures were taken.

Accompanying the President in his plane, The Sacred Cow, were press secretary Charles G. Ross, Matthew Connelly, secretary; Rear Admiral James H. Fossett, Naval aide; Brig. Gen. Wallace H. Graham, the President's personal physician; Charles S. Murphy, executive assistant; and Jack Romagna, White House stenographer.

A few moments later the President and his brother and sister left the Grandview home and drove to a nearby Belmont, Mo., mortuary where his mother's body lay.

Mrs. Truman's death came after a relapse last Sunday. She had rallied miraculously several times since the fall February 13, fracturing her hip for the third time. She had been bedfast most of the time since but upon occasion had recovered sufficiently to sit in her favorite rocker several hours at a time.

She lost consciousness Friday night and the President was notified that his mother could not live through the day. Until Friday night, Mrs. Truman had been able to talk with members of the family, and her mind was bright and alert.

Once before, last May, Mrs. Truman's condition appeared desperate and the President was summoned to her bedside.

He remained 12 days, transacting some of the nation's most important business from a room adjacent to his mother's sickroom in the modest Grandview cottage.

Mrs. Truman rallied, and the day after the President's arrival was able to sit up, and surprised the President.

### Physician Faces Trial in Deaths Of Family Group

NEW BRAUNFELS—(P)—Dr. Lloyd I. Ross, 42, prominent San Antonio physician, goes on trial here Monday on charges of murder in the deaths of four members of a well-known San Antonio family, ambushed May 25 on a lonely country road while on their way to church.

Killed instantly were Willard H. York, 36, San Antonio investment company head, his wife Mrs. Gertrude O. York, 43, their son John, 9, and York's mother, Mrs. Mary York, 67.

Only member of the family to escape was 13-year-old Ann, who, although wounded in the hip, fled to notify the caretaker of the York Comal County Ranch of the shooting.

Four hours later Ross appeared at San Antonio police headquarters, 31 miles away, and told officers that a gun which had been discharged could be found in his car.

He was arrested and charged, and has been held in a third-floor cell of the county jail here since. No bond was permitted Sheriff W. A. Saylor said he had been spent prisoner, in good spirits and mental health, of his time studying medical books.

Officials freely predict difficulty in obtaining a jury here. A change of venue was sought but denied. Failure to get a jury, however, might result in moving the trial elsewhere.

During March of 1947, Ross, family physician for the Yorks and a member of the same church, filed suit against the investment broker charging that York was indebted to him in securities, stocks and bonds amounting to \$80,279.

York, charged by the Securities and Exchange Commission with violations of the securities exchange act of 1934, filed a voluntary bankruptcy petition in the federal clerk's office at San Antonio March 24, 1947.

### Dutch Advance On Indonesians

BATAVIA—(P)—Netherlands communiques indicated that Dutch troops advancing in eastern and western Java had caught the main body of the Indonesian Republican Army in a vise-like operation against the vast central section of the island.

The Dutch admitted resistance in some places, but said that for the most part Dutch troops were advancing at will under the scorching tropical sun.

Netherlands strategy, as outlined by a senior official, was to set up civil administrations in the areas already seized before deciding whether to strike hard southward from Semarang against the Indonesian capital at Jogjakarta deep in the central interior.

American-trained Dutch Marines and infantry, reported officially to be in full control of strategic centers in the eastern portion of the island, virtually completed the first phase of their operations and now were said to be mopping up pockets of resistance.

In the western section, mechanized forces lancing swiftly along the northwest coastal road have captured the port of Tegal, the Dutch said. This march took Netherlands forces 40 miles beyond Chariban and was control of a coastal stretch of 200 or more miles eastward from Batavia.

A broadcast Indonesian communique said the Indonesians still were resisting at Cheribon and that Indonesian guerrillas of the Laskar Rakyat (People's Army) had begun operations in the Batavia area.

### Peoples Will Be Toastmaster

High Peoples will be toastmaster of the evening when the Pampa Toastmasters Club meets in regular weekly session at the City Hall tomorrow night at 8.

Scheduled to speak are Irvin Cole, D. H. Lhuillier, DeLea Vicars, J. L. Fischer, Ralph Thomas, and H. F. Doster.

### BETTER THAN LAST YEAR— Officer Points to Polio-Free Record, Urges Cooperation in Spraying Plans

The second spraying of DDT in the Lefors community to eradicate sources of disease will begin tomorrow morning at 8 o'clock, the county health officer, Emmett J. Howard, announced yesterday.

Howard quoted Lefors Mayor Hank Breiting as saying that the first spraying, two weeks ago, had done more to eliminate flies and other disease-carriers, than had anything in a number of years.

Both urged citizens of the city to cut weeds and carry away trash as soon as possible. In this way, Howard said, the 5 percent solution will permeate all infested areas.

In asking cooperation in this

### Forrestal Is Named Secretary of Defense

WASHINGTON—(P)—President Truman made unification of the armed forces an actuality yesterday and named James V. Forrestal to head them as Secretary of Defense.

The President signed into law the bill Congress finally gave him after two years of urging and issued an executive order assigning the functions and responsibilities of the three co-equal branches—the Departments of the Army, Navy and Air Force.

So eager was Mr. Truman to get the thing done that he delayed his departure for his dying mother's bedside for 17 minutes in order to sign the legislation aboard his plane here. Even without that delay, however, he would not have reached Grandview, Mo., before his mother's death.

One reason for the haste was so that the Senate might confirm Forrestal's nomination to the new cabinet post before its adjournment.

Chairman Gurney (R-SD) of the Senate Armed Services Committee took steps to win speedy confirmation after his committee unanimously approved Forrestal. But in any case Forrestal could serve under a recess appointment until the next session of Congress.

The pugnacious, square-jawed Forrestal, as Secretary of the Navy, was the last member of the late President Roosevelt's cabinet still in office. His selection as Secretary of Defense has been generally expected.

While the law and the executive order are effective immediately, officials said extensive conferences among the Army, Navy and Air departments will be necessary before the program can be translated into terms of offices, functions and men.

This is provided for in the President's executive order which said that in order to facilitate the accomplishment of the foregoing mission the armed forces staff formulate plans and make coordinated preparations.

Gen. Dwight D. Eisenhower, Army chief of staff, made this evident in a message to all Army commanders throughout the world. It said there will be no change in the official status of the Army and the new independent United States Air Force until "specific orders are issued."

These orders would implement the President's executive order.

Gen. A. A. Vandegrift, commander of the Marine Corps, noted in a statement that "Marines opposed the original provisions of the bill" but he called upon every Marine to cut out not only the letter but the spirit of the unification law.

The act as passed stipulates that the functions of the Marines under the Navy shall be preserved.

Aside from Forrestal's nomination, Mr. Truman made no immediate move to fill other posts set up under the law. At least for a time the acting civilian chiefs of the three departments will be: Kenneth C. Royall for Army, John L. Sullivan for Navy and J. Stuart Symington for Air. Sullivan is undersecretary of the Navy and Symington assistant secretary of war for Air.

Royall will have served as a cabinet member for one of the shortest times in the government's history. He was sworn in as secretary of war last Thursday. But under the unification law only the secretary of defense has official cabinet status.

While much work remains on detail for the headquarters in Washington.

### Western Garb Will Be Mode As of Aug. 1

Come first of August, all you guys and gals better don your western garb because at noon Friday, August 1, "Hizoner" Judge Clifford Braly, will be holding court on the north lawn of the City Hall, to punish those local citizens who do not comply with Mayor C. A. Huff's proclamation of Top O' Texas and Western Week to be held August 1-9. Court will convene at noon daily throughout the western celebration.

The Junior Chamber of Commerce, sponsors of the "long" week that will run from the first throughout the four-day Top O' Texas and Rodeo and Horse Show, has promised young and old a full week of fun and frolic.

Festivities will begin Friday night with the first performance of "Korn's-A-Krackin'", the Mutual Broadcasting System's Saturday night hill-billy show. "Korn's-A-Krackin'" will present a matinee Saturday afternoon and a performance Saturday night. Saturday night's show will be high-lighted by a broadcast over the Mutual Broadcasting System's 400 stations. The broadcast will reach the four corners of this nation and Canada.

Tickets for all performances of "Korn's-A-Krackin'" may be obtained from Radio Station KFDN, Cretney's, the Court House Cafe, and the Chamber of Commerce in the City Hall.

Immediately following each evening's performance of this great show, the Jaycees will sponsor a street dance to be held in between the Court House and City Hall, West Kingsmill Street. Music for the dance will be furnished by one of the top-notch western bands of the area.

Monday night, in the City Park, beginning at 7 o'clock, the Jaycees will offer to the public a full evening of free entertainment. Festivities will begin with a community sing, followed by various contests of individual and group skill. The evening will be climaxed by a free movie in the park.

Following the three-mile long parade that will officially open the second largest amateur rodeo in the West.

### Wheat Relief Drive Begins

As a part of Church World Service a drive is now under way by the Texas Panhandle Wheat Relief Committee to secure grain for shipment overseas.

The drive in Gray County is under the chairmanship of L. P. Fort. Others on the committee are Amos Harris, Clyde Carruth, and A. L. Patrick.

A mailing campaign, in which an appeal will be made to farmers to grain elevator men seeking their cooperation in the drive, will begin tomorrow. Residents of Pampa and Gray County will be given an opportunity to contribute through their local churches and other agencies.

Inquiries and contributions also can be made by seeing or calling L. P. Fort, Texas Employment Commission, Pampa.

### Horse Show Plans Near Completion

Numerous entries for the American and National Quarter Horse Shows to be held in connection with the Top O' Texas Rodeo and Horse Show August 6-9, are being received daily, horse show officials announced Saturday. However, officials wished to remind horsemen, that only 125 stalls are available for each show and that preference will be given to those who enter first.

Quentin Williams, chairman of the American Quarter Horse Show, announced Saturday that entries for this year's American Show are expected to exceed entries of previous American Shows held in Pampa.

Arley Ackerman, registrar for the National Quarter Horse Show, has arrived in Pampa and will be here to accept entries for the National Show. Entries will be received at the Chamber of Commerce office in the City Hall.

Dr. R. M. Brown, superintendent of the Palomino Show announced Saturday that plans are near completion for the Show to be held Tuesday afternoon, August 5. The winners of the Palomino Show will be presented at the Kid Pony Show the evening of August 5.

### Color the Thing For Car Caravan

There will be color aplenty on cars when the boosters for the rodeo and horse show take to the road on Aug. 1.

P. B. Wright, in urging as many signs as possible to be on cars for the trip Aug. 1-2, said yesterday a special painter is available.

Wright, chairman of the Booster Trip Committee, Top O' Texas Rodeo and Horse Show Association, said Maurice Bernsen, Adams Hotel, will paint signs on cars at a minimum rate. He is available, Wright said, by calling the hotel, Phone 285.

Chairman Wright said between 20 and 30 cars are expected to make the trip, as well as two buses. Six or eight good horses will also be taken along for parade purposes.

"We urge all motorists who are taking their cars on the trip, either one or two days, to have a sign painted on them," Wright said.

The booster caravan will form in front of the LaNora Theatre at 7:30 p. m., on Aug. 1 and 2. The first trip will be north—Skellytown, Borger, Stinnett, Spearman, Perryton, Canadian and Miami, he said.

### Texas Choral Groups Sing for Veterans

SALT LAKE CITY—(P)—Two Texas choral groups performed yesterday at the Veterans' hospital here during a stop over on their trip to the Lions convention in San Francisco.

The A Capella Choir from Bryan, Texas, and the Melody Males of Beaumont, Tex., appeared under the sponsorship of Veterans' Programs, a national civic organization which provides entertainment for ex-servicemen.

### Probe Promised on High Living Costs

WASHINGTON—(P)—A Congressional inquiry into the high cost of living and other rising prices during the recess was assured yesterday.

At the same time Democratic senators relaxed opposition to a flurry of Republican-sponsored investigations they previously had blocked.

These included:

- A \$50,000 housing investigation by a Senate-House committee.
- A \$15,000 Senate agricultural study to seek solution of long-range farm problems.
- A five-month extension of the Senate small business committee from Oct. 31 until next April 1 with \$50,000 more to spend.
- A \$25,000 inquiry into foreign and domestic trade by the Senate Commerce Committee which Senator Lodge (R-Mass) said should look into the "Swiss watch trust."

AS MAYOR TO MAYOR—Mayor C. A. Huff thanks Mayor J. P. Oliver of Dalhart for invitation to Dalhart celebration and extends invitation to Dalhartians to visit Pampa for the Top O' Texas Rodeo during that city's booster trip to Pampa on July 18. The ceremonies were broadcast over Radio Station KFDN.

**WALL STREET STOCKS**  
NEW YORK, July 26.—The stock market swung upward during the past week with industrial stocks at a top since last August and the overall average approaching the 1947 peak. Stocks improved selectively, with rail favored, while commodities maintained a series of advances and retreats.

Spurring short covering and investment demand in the share division was the persistence of inflationary psychology, an exceptionally large batch of boosted dividends and pleasing earnings complications, and hopes that the normal summer rally could stretch much farther.

The market slid over more than two months, with only slight interruptions, brought out considerable selling which was well absorbed in the majority of cases. The cloudy long-term export outlook, foreign affairs and belief the list was due for a sizable technical correction provided a restraining influence.

The Associated Press 60-stock composite was up 1.4 points at 68.4 on the week and was only .4 of a point under the year's high of 69 established last Feb. 8. The 5-day turnover of 1,422,950 shares compared with 6,837,074 the week before.

The market stumbled Monday as the 32-manboard economic message to Congress failed to excite Wall Street. There was a mild recovery Tuesday.

Wednesday the list neared its best return since July 1, with selected industrials in the lead and carriers close behind.

Buyers maintained control Thursday, when the industrials led by steels and oils, went through the

**CHICAGO GRAIN**  
CHICAGO, July 26.—A strong buying movement came into the grain pits shortly before the close today and prices advanced several cents in active trading.

In back of the advance were trade reports that the government had made large purchases of both wheat and corn yesterday, and that the Kansas City office of the Commodity Credit Corporation had remained open this morning to take additional wheat supplies at \$2.24 1/2 a bushel. Lifting of hedges against these sales to the CCC caused the strength in futures.

Wheat closed 1/2 cent higher, September \$2.27 1/2, corn was 1/4 cent higher, September \$1.26 1/2, and oats were 1/4 cent higher, September 34 3/4.

**FORT WORTH LIVESTOCK**  
FORT WORTH, July 26.—(AP)—Receipts of cattle and calves were heavy at Fort Worth during this week. Prices on mature cattle unevenly 20 cents higher to 50 cents lower, close about steady. Fat calves fully 11 cent for week. Stockers and feeders steady. Top 40 steers drew \$25.25, fat cows sold from \$1.00 to \$18.00, canners and cutters \$8 to \$12. Fat calves \$12.50 to \$21. Steers and feeders \$15 to \$22.50.

Good butchers lower 30 cents higher; sows and pigs were strong to \$1 higher. The hog top was \$27 at close, sows \$20 to \$25, pigs \$18 to \$25.

**Reserved Seats for Top o' Texas Rodeo On Sale Tomorrow**  
Twelve hundred reserved seats for each performance of the Top o' Texas Rodeo and Horse Show, August 6-9, will go on sale tomorrow morning at 9 o'clock in the Chamber of Commerce office in the City Hall.

E. O. Wedgeworth, secretary of Top o' Texas Rodeo and Horse Show, stated that mail orders will be accepted and that tickets will be returned the same day they are received.

The reserved seat section will be the south side of the grandstand nearest the chutes, leaving approximately 3,500 general admission seats.

### Judge Goodrich Grants Four Divorces in Court

Four additional divorces were granted Friday noon and afternoon by Judge Lewis M. Goodrich in 31st District Court here. All were on charges of cruelty.

Jessie Oleta Abbott was granted a divorce from Bobbie Grant Abbott after a little over a year of married life. The couple were married in February, 1946, and separated in May, 1947.

Doris Mae Heuston Bernard was divorced from Stanley Bernard on charges of cruelty. The petition showed the couple lived together approximately two months after marriage. They were married in February, 1946, and separated in April of that year.

A divorce was won by Thelma Black from her husband Ray Black.

The couple were married in July, 1944, and separated in June, 1947. Midge Caviness was divorced from her husband, Alfred Caviness, after 19 years of married life. The plaintiff's petition alleged the couple were married in April, 1927, and separated in April, 1946.

Next Friday will be the last day for weekly divorce court until Aug. 29. Both District Judge Lewis M. Goodrich and Court Reporter Dee Dodson will take a three weeks vacation.

However, the Court will be on hand next week during deliberations of the Grand Jury from Monday morning until completion of their work. The Court will be in Lipscomb County, Thursday, for other court business and will return here Friday for the last pre vacation sessions.

### Veterans of World War II to Receive Free Dental Services

#### Vic Vet says

VA CONSIDERS MOST DENTAL TROUBLES WITHIN ONE YEAR OF DISCHARGE AS SERVICE-CONNECTED AND PROVIDES OUT-PATIENT TREATMENT FOR THEM

M-67

For correct information contact your nearest VETERANS ADMINISTRATION office.

Dental services of the Veterans Administration Regional Office at Lubbock announced today that it would immediately authorize dental treatment, at VA expense, for World War II veterans with dental deficiencies who have been out of service less than one year.

VA said that dental difficulties of veterans who were discharged less than a year ago are presumed to be service-connected, and treatment in most cases can be automatically authorized without reference to the veteran's medical record. This saves considerable time and gives the veteran the advantage of much quicker dental care.

It was emphasized, however, that he must, in all cases, secure authorization before going to a local dentist for treatment, otherwise VA cannot pay the bill.

The veteran should indicate his choice of dentist at the time he

makes application for treatment. The Veterans Administration will, in most cases, authorize treatment by a hometown dentist when the veteran does not reside conveniently to a VA dental clinic. Clinics are located in Amarillo, Lubbock and El Paso. If he has never filed a claim with the VA a certified copy of the veteran's discharge should be included with the application.

Dental care is available to all veterans whose dental deficiencies are the result of service in the armed forces. Any veteran who attributes his dental condition to his military service is privileged to make a claim for treatment.

When applications are filed later than a year after discharge, the claim must be adjudicated and rated on the basis of medical evidence as service-connected before any dental treatment can be authorized. Such claims require a longer time before authorization can be granted than those filed within one year of discharge, VA officials said.

### LEFORS NEWS

LEFORS, (Special)—Visitors at the morning services in the Methodist Church of Lefors last week were Mrs. Durwood McCool, Rachel and Anita of Webb, and Mrs. Dorsey Brandt of Oklahoma City. Mrs. Murry Warner was baptized and became a member of the church.

Mr. and Mrs. Roy Howard and Dorothy left Monday for Ogden, Utah, where they will visit with their son and daughter-in-law, Mr. and Mrs. Jack Howard.

Mrs. Arthur Hammer and Darla Jean have returned from an extended vacation in California where they visited Mrs. Hammer's sister.

Mrs. Dorsey Brandt of Oklahoma City is visiting in the home of her aunt and uncle, Mr. and Mrs. Jimmy Davis.

Anita and Rachel McCool of Webb were Lefors visitors last Sunday.

Mr. and Mrs. Jake Leggett returned home last week from their summer vacation in Creede, Colo.

Mrs. John Van Winkle left last week for Oklahoma City. She was accompanied by her daughters, Jewel and Iola.

### Rodeo Box Seats Remain for Sale

Rodeo officials announced Saturday morning that there were eight box seats left for sale for the Top of Texas Rodeo and Horse Show, August 6-9.

Those desiring the box seats may obtain them by contacting the Chamber of Commerce office in the City Hall.

SEEKS POST — J. C. Trahan, mayor of Texas City who yesterday resigned that post, has announced that he will be candidate in a special election to fill the unexpired Congressional term of the late U. ### Two Men Fined On DWI Charges

Fines of \$100 and costs were imposed yesterday morning by County Judge Sherman White on two men charged with driving while intoxicated.

Marion Lee Lykens entered a guilty plea after he had been apprehended by city police Friday night on Francis St. The court levied the fine and automatically suspended his operator's license for six months.

Truman O. Goodwin, apprehended late Friday night on W. Brown St., also entered a guilty plea. The automatic six months suspension of driver's license went with his \$100

## Texas Bee Business Picks Up During '47

AUSTIN—(AP)—The bees had a tough time in Texas during the 1946-47 season but managed to come out ahead on the number of 1947 colonies as compared to 1946. Colonies numbered 292,000 on July 1, a 7 percent increase over the 273,000 colonies of a year ago, the United States Department of Agriculture reported.  
Swarming or division of hives accounted for a major portion of the new colonies, with a very small

## HE SOLONS

Dear Sir or Madam:  
Does your Congressman have bags under his eyes? Does he have a Four Roses nose? Are his pants rumprung? Is the part in his hair more than four inches wide? Does he look like Jester Jukes?  
Well sir or madam, you're in luck today. There's a good chance the solons are going to get themselves all prettied up. Net cost to you: only \$5600 a year. Cheap enough to get a Congressman as pretty as Paul V. McNutt.  
According to Washington dispatches, Congress is about to vote itself an official photographer with a studio and all expenses paid.  
Instead of the usual pictures of Congressmen leering, effuddled wrinkled, whiskered or hung-over, you'll get touched portraits furnished the Congressman free of charge. Next step will be to bar news photographers who take those unflattering, candid shots. You'll look at the official photographs or you won't look at all.  
In the same whimsical vein, the Congressmen seem inclined to doddle away another \$9800 a year for an official recording studio.  
The proposal is to hire services of a staff to cut recordings for the Congressmen to send home to their local radio stations. The cost to the Congressmen would be \$6 for 5 minutes—but it looks very much as if the \$6 will go to the same staff which would be paid \$9800 to make the recordings—rent free, of course. In other words, public money plus the Congressmen's money would be paid to private business monopoly set up in the very halls of Congress. A noble idea.  
Maybe it's time for the solons to break camp and come home. The goofy season seems to be setting in.

## NATIONAL WHIRLIGIG

**WASHINGTON**  
By RAY TUCKER  
EISENHOWER—The mushroom growth of the Eisenhower - for- resident movement has caused concern in the camps of human Democrats and Deweyites. His silence in recent days aggravates their fears. They wish that he would utter a Shermanian statement to the effect that he would accept if nominated, or serve if elected. His friends do not expect a demurrer.  
Although the Chief of Staff has any sincere backers, including in who think he could defeat President Truman easily, the professional politicians do not want to accept if nominated, or serve if elected. His friends do not expect a demurrer.  
The same consideration applies to the candidacy of General Douglas A. MacArthur. Military men are too usque, too hard-boiled, too negligent of the political amenities to ally the Warlocks.

**CHANCE**—Both the Eisenhower and MacArthur candidacies have been promoted and publicized by a Washington newspaper, explaining anew against Governor Thomas Dewey of New York, who appears to be far in the lead at the present moment. He has more to lose from his presence in the race than any of his rivals—Senators Taft, Vandenberg, Martin, Saltonstall, Brick- or Warren.  
As long as there is a chance for the nomination of General Eisenhower, who will be more popular than the delegates than with the way, it may be difficult for Mr. Dewey to stampede the convention to an early ballot. The heavy crop of favorite sons, together with Mr. Dewey's strength in the Middle West and the South, may lead to pro- long-balling.  
Should Kansas and a few dele- gates from other states keep Gen- eral Eisenhower's name on the early ballot, there will always be a chance for a weary and worried convention to end the deadlock by choosing his standard.  
And the Democrats are so upset by the prospect of facing the popu- lar "Ike" that, despite his age, they are talking seriously of drafting George Catlett Marshall as Mr. Truman's running-mate.

## The Receding Recession

BY MELCHIOR PALY, PH.D.

(Editor's Note: This column is being re-published today, due to the fact that a portion of it was omitted from Friday's edition of The News.)

This is a receding recession, long promised yet steadily postponed to the undated future. The mid-year Bulletin of The Cleveland Trust Company, Trust Company, is in a piquant, indeed, coming from the same group of very excellent fore- casters who only six months earlier predicted for 1947 a severe "deflation" with a 10 per cent (14 points) decline in prices. What happened thus far has been something very different. In the first quarter of 1947 wholesale prices rose by 9 points, on top of last year's 30 point rise; in April they declined about 2 points; since, they have more or less sta- bilized and are rising again. You may guess what they will do when the 15 per cent and up rent increase, the some 30 per cent increase in coal mining labor costs, the all-round boost of wage rates, the 16 per cent average freight rate increase asked for, will permeate the price structure, to say nothing of the threaten- ing rise of basic farm product prices.

For a year or longer, the vast majority of business forecasters have been predicting a depression. In 1945, an economist friend of mine foretold a break-down of raw material prices by the spring of 1946. He now sets the date for the spring or summer of 1948. One day he will be right, no doubt. The only question is: next year, or six years hence?

It would take a psychoanalyst rather than an economist to un- earth the intellectual and emo- tional motivations underlying the pathetically stubborn depression expectation—in the midst of full employment, rising prices, record national income, and other sym- ptoms of an unparalleled boom based on an unprecedented and expanding monetary volume, and on a world-wide shortage of such basic commodities as food and fuel, fertilizers, cotton goods, steel and other metals, dwellings, ma- chines and transport equipment. When inventories rose by some

## MACKENZIE'S Column

By DEWITT MACKENZIE

President Truman's new special envoy, Lt. Gen. Albert C. Wedemeyer, has got into action on his old stamping grounds in China to carry out a fact-finding mission which is calculated to provide Washington with material for an overhaul of its policy of assist- ing this important but war- battered member of the Big Five.

Without waiting to hear from the general, the Chinese Reds are finding this vast nation in far worse condition, economically and militarily than he has seen it before. The civil war is producing wide- spread and bloody fighting. Generalissimo Chiang Kai-shek and his government are trying to de- liver a knock-out blow to the Red armies, but the Communists are not only holding their own but on the initiative generally, with Manchu- ria and great reaches of Northern China largely in their hands. And the Chinese Reds are receiving aid from the Russians.

As one surveys this case, and the elements which are contributing to it, there would seem to be only one way out for Chiang Kai-shek and his government and it is this:  
1. To fling enough military force against the Communist armies to cripple them and hold them down, and then  
2. To do a thorough job of house- cleaning in the Nanking govern- ment, and inaugurate sweeping re- forms attractive enough to win back that portion of the Chinese popu- lation which forsaken Nanking to chase Communist rainbows.  
Such an operation might easily last for years and the outcome would be problematical, for there are intangibles involved. The most important of these is whether Nanking has the right information in saying that Moscow is backing the Chinese Reds. If Russia is giving such assistance, the situation looks grim indeed.  
There is a school which holds that

## Gracie Reports

By GRACIE ALLEN

Well, I see that a director of the National Institute of Human Relations says that the kiss of the average American husband is lacking in warmth. That's about as start- ling as saying that a girl pickle is lacking in sugar or that a three-legged tur- cle is lacking in speed.

The kisses we wives get are about as exciting as bumping your nose against a window. Years ago when I got a headache I'd put an icebag on my forehead. Now I just coax George to plant one of his business kisses there and the effect is just the same.  
My sister, Hazel, however, still gets a terrific kiss from her husband now and then. His proudest possession is a golf cup he won for taking fifth place in the 300 consolation round at his club, and every night he kisses it. By suddenly sticking her face in front of the cup, she has got some excellent results.

\$7 billions in the second half of last year, there was a general outcry by the experts that an inventory crisis was in the making. What came was more inventory buying, if at a somewhat reduced monthly rate, and commodity stocks in the hands of manufactur- ers and merchants still are low in proportion to sales, compared with the pre-war ratio. You will hear little talk anymore about the danger of an inventory "bust," except for a few over-extended lines, usually commodities either of a sub-standard character or specific luxury goods (champagne) of a type that can be produced almost anywhere with a small capital investment. As a matter of fact, after a few months of reluctance on the part of purchasing agents for soft goods, apparel, etc., inventory buying by distribu- tors again is getting under way com- monly.

Presently, the piece de resis- tance of the pessimists is the fear that the huge export surplus of \$8-10 billions will collapse. If so, a number of commodity prices which now are kept high by the export demand will be carried into the depression abyss, for the date of the collapse is set for next summer at the latest.  
But why should we not con- tinue exporting on the present level? The needs of the outer world will remain enormous for years to come. They are growing more acute, as a matter of fact. The question is merely how to finance those exports, or rather their surplus over the imports. It is the widely heralded dollar shortage that is supposed to bring them down.

In reality, no dollar shortage is imminent. Our commitments abroad which have not yet been drawn down, including the lend- ing capacity of the International Fund, total almost \$10 billion. In addition, the International Bank can raise another \$3 billions or so, by issuing its debentures in this country and using the proceeds for lending abroad. Nor is that investment flowing out of this country add well over \$1 billion annually to the outer world's purchasing power. Also, we absorb the fresh gold output of the world, amounting now to about \$700 million a year. Moreover, foreign countries know that \$20 billions in gold and dollar holdings, some of which they un- doubtedly would mobilize. With- out expending another cent in fresh loans or donations, and not taking into account tourist spend- ing abroad, our export boom is likely to last for at least another two and a half years.

But does any one seriously be- lieve that we will not contribute another penny toward so-called rehabilitation, relief, and recon- struction abroad, notwithstanding the Hoover Program, the Truman Doctrine, and the Marshall Plan? That we would permit millions to starve and let scores of millions turn over to bolshevism? Like it or not, we are committed to giving substantial aid abroad over and above our official commitments. The question is not whether we will give away more billions. The question is: what will we ac- complish by doing so, and how much longer will we continue that kind of financing without accomplishing anything much ex- cept to aggravate our shortages at home.

the Chinese Communists aren't the same brand as the Russians—that the Celestials are just restated agrarians. As a matter of fact General Chow-En-Lai, one of the top Chinese Communists, told me in 1943 at Chungking that there was no connection between Moscow and Chinese Communism. However, there are many observers who think otherwise, and they don't overlook the fact that the late Dr. Sun Lat- Sen, father of the Chinese Repub- lic, called in several Russian Com- munist as advisors and that the formation of a Communist party resulted. It doesn't take much imagi- nation to believe that Chinese Com- munist and Russian Communism aren't far apart.

If the real issue in Europe is be- tween socialism and communism and a free society, then it is hope- less, and we had better conserve our resources for the inevitable conflict.—Sen. Joseph H. Ball (R.) of Minnesota.

## Abilene's Blue Sox Finish Series With Decisive 8-3 Win Over Oilers

ABILENE—The Oilers failed to take advantage of the wildness of Picher Rudy Lora here Friday night and the 19-year-old rookie tanned Grover Seitz crew for the Abilene Blue Sox 8-3 to take the rubber game of the three game set.

Lorona issued 11 free passes and hit one batter but he was double tough with Pampans on the base paths. The Oilers left 13 men stranded and in two innings they were retired with the bases loaded. Al Johnston, who started on the mound for the visitors, also found difficulty in getting the ball over the plate, issuing eight bases on balls in the five innings he worked. Eight Sox, however, went down swinging during Johnston's tenure on the hill.

Ken Queveaux broke the scoring ice in the second when he powered a 2-2 pitch over the left field wall with two team mates aboard. The Sox were never threatened thereafter. Pampans first score came in the fifth when O'Connell walked, stole second, took third on a wild pitch, and came in on Ray Bauer's long fly to center.

The Oilers' final two runs were un-earned. Tony Range's fly to right was dropped by Beran, allowing the Oiler third sacker to pull up at second. Range then took third when Chambers ground out and after T. Johnston walked. Al Johnston strugled to score Range and sent T. Johnston to third. Johnston scored when an attempted Sox double play failed on Otey's groundout.

Shamrock Athletic Coach Has Resigned  
SHAMROCK—(Special)—Jack (Spider) Dillon, assistant athletic coach of Shamrock High School during the past term, has tendered his resignation from that position, effective August 1, to become assistant football coach of San Angelo High School.

Coach and Mrs. Dillon and baby will leave here August 1. He will attend a coaching school in El Paso from August 4-9, and assume his duties in San Angelo on August 15.

His successor has not been named. Supt. Elmer J. Moore said, but contact is being made with all available men through the Texas Coaches Association.

## Boat Club Will Sponsor Picnic After Races

Twelve to fifteen entries are expected in each of the three motor boat races that are being sponsored by the McClellan Lake Boat Club which are to get under way at the lake at 2:30 this afternoon. No entrance fee will be charged for the races.

Three races have been scheduled. They are for 16-horsepower motors, 22-horsepower motors and a free for all. All will be ten mile races that will consist of two five-mile laps.

The races are not restricted to club competition. Any one having a boat is invited to enter. To date, there have been entries from Borger, Amarillo, Paducah and Pampa.

In addition to the races other entertainment will consist of surf board riding, water skiing and swimming.

Immediately following the races all contestants and spectators are invited to go to the picnic grounds to attend a free picnic which is also being sponsored by the Lake Boat Club.

## Shamrock High School Grid Schedule Is Set

SHAMROCK—(Special)—The Irishmen's 1947 grid schedule is complete with the exception of October 24, and Coach Scott McCall is making an attempt to match a 14 for that date.

The Shamrock lads will open their schedule on Friday, September 12, and play three non-conference games before they face district competition. The season opener will be with Estelline, the game to be played here. Perryton will be here on September 19, and the green and white clad lads will journey to Canadian for their third consecutive non-conference contest on September 26.

Wheeler will be Shamrock's first conference competition, the game to be played in the county seat town on October 3. Two other conference games follow. Memphis to be here on October 10, and the Irishmen to travel to Lefors on October 17.

Following the open date, October 24, which officials hope to fill, the local crew will breeze into a series of three more conference games. Chardron will play here on October 21; McLean will be host to the Irish on November 7, and the Wellington Skyrockets and the locals will tangle in their annual classic on November 14.

The local team, which is comprised of the all-stars of the Senior Girls Division of the Kiwanis Sunday School Softball League, will be out for revenge after narrowly escaping a loss to the Borgerans recently when a game was called due to darkness, with the locals trailing by six runs.

Immediately following the game the teams will go to Oiler Park to see the Kiwanis Baseball game.

## Chicubs Beat League Leading Yankees 2-1

NEW YORK—(AP)—Lefty Ed Lopat brought the New York Yankees' slugging carnival to an abrupt halt yesterday with a neatly-pitched three-hit victory over the American League leaders to give Chicago a 2-1 victory.

Halting Joe DiMaggio's hitting streak after 13 straight games, Lopat lost his shutout on Tommy Henrich's 13th homer in the fourth. The only other Yank hits were singled by Pichler Bill Bevens in the third and George Stinweis in the sixth.

Stinweis lost the game in the eighth with his error on Taft Wright's grounder that enabled Mike Tresh to score from third. Chicago..... 000 001 010-2 New York..... 000 100 000-1

PHILADELPHIA—(AP)—Virgil Trucks hurled a four hit shutout as the Detroit Tigers pounded three Philadelphia pitchers for 15 hits and a 13-0 victory yesterday. George Kell slammed his fourth homer and Eddie Laks his tenth, each to left with no one on base.

PHILADELPHIA..... 000 434 011-13 Detroit..... 000 000 000-0

BOSTON—(AP)—The Boston Red Sox exploded 16 hits, including Ted Williams' 21st and 22nd homers, each with one on base, and another homer by Jake Jones, to another St. Louis Browns, 12 to 1 yesterday and give Joe Dobson his 12th victory.

BOSTON..... 000 000 000-1 St. Louis..... 023 140 000-12

WASHINGTON—(AP)—Washington overcame a 4-run deficit here yesterday to defeat Cleveland, 8-4 and capture its fifth straight game. The victory moved the Senators into fifth place as the Indians dropped to sixth.

CLEVELAND..... 102 100 000-8 Washington..... 000 230 308-8

PITTSBURGH—(AP)—Pee Wee Reese's ninth inning double kept the Dodgers seven-game winning streak alive yesterday as the Brooklyn Club banged out a 6-4 decision over Pittsburgh for their fifth straight success of their Western trip.

Reese's blow broke a 4-4 deadlock that came when the Pirates spurred for four runs in the seventh on two walks, Wally Westlake's single and Jimmy Bloodworth's big three-run homer.

PITTSBURGH..... 012 000 102-6 Brooklyn..... 000 000 400-4

CHICAGO—(AP)—Hooks Iott, whose only previous victory was a three-hitter against Chicago's Cubs, hurled the New York Giants to a 7-3 victory over the Cubs today, backed up by a 12-hit attack including Johnny Mize's 30th homer with one on in the third inning.

CHICAGO..... 022 010 010-7 New York..... 000 020 001-3

CINCINNATI—(AP)—Bucky Walters held Philadelphia to two hits yesterday to give Cincinnati a 1 to 0 victory over the National League cellar dwellers.

It was the veterans fourth victory against five losses, and the first time the Reds were able to defeat Emil Leonard in four attempts this year.

## Five Hundred US Athletes to Invade Europe

NEW YORK—(AP)—A decision to invade Europe in 1948 with 500 athletes backed by \$475,000 will be made formally tomorrow when the United States Olympic Committee meets here.

This country has not as yet accepted the invitation to compete in the renewal of Olympic games but that is only a technicality. The real problems before the committee concern transportation and financing.

The composition of the powerful American team is also no great worry. Spring and summer performances all down the line, with the possible exception of women's track and field, show that the United States will have at London next year another of its great Olympic teams.

The last games were in 1936 in Berlin. The 1940 games were originally set for Tokyo and later shifted to Helsinki. World war enforced a long postponement and resulted in awarding the 1948 games to London.

The delicate question of carrying over food for American athletes must also be considered. Europe is still on short rations, and lavish feeding of the American team could cause resentment. Ordinary American meals would be lavish by present British standards.

From 75 to 100 athletes will be sent to the winter games in St. Moritz, Switzerland, Jan. 30-Feb. 8, 1948. The Olympic games in London, July 29-Aug. 14 will draw a team of 400 to 450 men and women.

A tentative budget of \$475,000 has been worked out, which is 50 percent above that required in 1936.

## World's Greatest Swim Stars Will Be at Tyler Meet

TYLER—(AP)—The greatest collection of swimming stars in more than a decade is expected here next weekend for the National AAU men's outdoor championships with at least 100 of the Industrial League.

It will require four nights to complete the meet although the first night, Thursday, will be given over only to the 1500-meter free style preliminaries. However, these trials will receive considerable attention because it is the 1500 meters that is expected to produce a world's mark on the sixteen-year-old Jimmy McLane of the New Haven, Conn. swim club. The record is 18:58.8, made by T. Amano of Japan in 1938 and McLane, who did 19:23.1 last year to set the National AAU record, has been consistently beating Amano's mark this season.

Preliminaries are scheduled Friday afternoon in the 200-meter free style and 300-meter medley relay along with trials in the springboard diving contest with finals that night in these events plus the 1500-meter free style.

Saturday and Sunday afternoon there will be more preliminaries with finals those nights.

Every 1948 outdoor winner will be here to defend his championship along with most of this year's indoor titlists.

Defending champions are: Bill Smith, Jr., Ohio State, 100 and 200-meter free style; McLane, 400, 800 and 1500-meter free style; Harry Holiday, Michigan, 100-meter backstroke and 300-meter individual medley; Joseph Verdeur, Philadelphia Turners, 200-meter breaststroke; Bruce Harlin, Ohio State, three-meter springboard dive; Lt. Sammy Lee, Pasadena A. C., 13-meter platform dive; Hawaii University, 800-meter free style relay team; and Ohio State, 300-meter medley relay team.

Governor Benford Jester of Texas will officially open the meet Friday, holding the position of honorary referee. Miss Lynn McClain of Lufkin, "Miss Texas of 1947," will serve as official hostess.

## First Baptist Senior Boys Lose To Strong Central Baptists 18-11

The Central Baptist Senior Boys were on the rampage Friday night and soon let the fans know that they were not to be stopped as they trounced the First Baptist Senior 18-11. Ronnie Maxwell was on the mound for the winners while Emmett Riggs hurled for the First Baptist. The losers threatened a rally in the fifth inning when they scored 5 runs and had the bases loaded with only one out. This uprising was quickly quenched, however, when the Central Baptist infielders pulled a double play.

In another Senior Boys game, the Presbyterians and the Calvary Baptists fought it out neck and neck until the fifth inning where the Presbyterians began a barrage of hits and finally ended up with a top heavy victory of 21-8. The Presbyterians led by a one point margin going into the fourth. The Baptist Boys did all their scoring, with the exception of one lone tally, in the first 3 frames. Presbyterians' James Weatherall and the Calvary Baptists' Jimmy Cox both collected four-baggers. Don That hurried for the winners until the sixth inning when he rendered his duties to Weatherall. Jimmy King was on the mound for the Baptists until the fifth when Jim Cox took over.

The McCullough Methodist Jr. Boys continued true to form last night when they blasted the Central Baptists, 30-7. Doug Randolph did the mound duties for the Methodists and did an excellent job, blanking the Baptists for 3 innings.

Trailing 8-2 going into the fifth inning in the First Methodist Jr. Boys game to life and eked out a hard-earned 9-8 victory over a fighting Nazarene bunch. The Nazarenes scored all of their runs in the third, fourth and fifth innings while the Calvary Baptists were being blanked until the fifth where they began their scoring.

The Central Baptist Senior Girls had to come from behind and tally 6 times in the sixth inning to overtake and eke out a 19-18 victory over the Calvary Baptist Girls. It was a nip and tuck contest all the way with the Calvary Baptists leading most of the way. Patty Williams hurled for the winners and

Edelyne Proyor did the serving for the Calvary Baptists. Behind the flawless pitching of Patsy Pierson, the First Methodist Senior Girls crushed the hapless McCullough Methodist Girls 14-5. The First Methodists led throughout the contest and Pierson was never in really serious trouble due to excellent fielding by her teammates.

### Miss Cotton of West Texas Will Reign at Memphis

MEMPHIS, Texas—A contest has been announced in connection with the first annual West Texas Cotton, Chemurgic and Ceramic Carnival here, Oct. 3-4, for a beauty queen to be known as "Miss Cotton of West Texas, 1947."

The winner (she can't be a Memphis contestant) must come from West Texas. The winner will be awarded the title and a handsome trophy, as well as receive an all-expense-paid vacation to a city where she will be feted with all homage due such regal recognition. It was stated:

The instructions are as follows: Send name, address, age, measurements, brief historical sketch, glossy picture, and name of sponsor to Queen Chairman, P. O. Box 1980, Memphis, Texas. The more complete details provided, the better publicity for each entry. Also state whether Queen will ride on a community float or whether transportation in parade is to be provided by Memphis Western. Contestant must be 16 or older, never married.

Disinterested judges of newspaper, radio and photographer representatives will judge the winner. Sponsors should be cities of West Texas, chambers of commerce, recognized clubs or reputable firms. Sponsors should sign applications for each candidate's name submitted and the candidate should wear an insignia of her sponsor.

No sponsor should have an agent seeking promotion of her future contracts. Such agent will not be recognized by Memphis officials and where agents are in evidence, that candidate will automatically be disqualified as a candidate.

Queen candidates may submit pictures in either bathing suits, sports attire or in regal costumes to be determined by her sponsor. All pictures will be returned in time, after publicity cuts have been made. All pictures must bear the name of the Queen, her sponsor and address, written in pencil on the reverse side of the picture. Pictures of 8 by 10, black and white glossy are desired.

There will be a broadcast and introduction of queen candidates at midnight, Oct. 2, from a Memphis theater stage. There will be the Mardi Gras Ball the night of Oct. 3, when all candidates will be presented, photographed and otherwise paid homage. The Convention will be the night of Oct. 4.

### Rooms Needed for '47 Rodeo Visitors

Members of the Business and Professional Women's Club will be in charge of the housing of this year's rodeo visitors, announced Maggie Hollis, chairman of the committee, Saturday.

Residents of Pampa, who have a spare bedroom that will be available from Wednesday through Saturday, August 6-9, are requested to call the Chamber of Commerce offices, telephone 383, to list their rooms.

Miss Hollis stated that local citizens are not expected to donate rooms, but may charge a fair rental price for them.

It is necessary for the use of private homes in the housing of rodeo guests as hotel and tourist court facilities are inadequate to meet the expected crowd for this year's Top of Texas Rodeo and Horse Show, Miss Hollis concluded.

Natural gas has a high heating value per cubic foot.

Florida has about twice as much average rainfall as California.

### Deadline for Student Transfers Is August 1

Deadline for the transferring of school students has been set for August 1, announced Huey Laycock, superintendent of county schools, Saturday morning. This involves transfer of students from one adjoining school district to another district and not from one school to another in the same district—stated Laycock.

Application for transfer may be made in the office of the County Superintendent of Schools, in the Court House.

All this, Thompson said, is the result of a lack of "good neighbor policy."

To correct this attitude, Thompson said we must not sacrifice "the principles that made our country great" in making money; nor our health; nor the confidence of our friends; nor the interest of our community.

"Working and thinking together," he concluded, "make a community." Dee C. Dodson and Arthur Aftergood, both of this city, were installed as members of the club during the session.

There was another chapter written in the so-called feud between the native Texans and Puritans. The Puritans came to luncheon dressed in Indian garb and in full war paint. The war paint represented the contest between the groups in the sale of tickets for the Pampa-Albuquerque baseball game.

The money received will go to the Kiwanis Church-Softball project. Tickets are on sale by all members of the Club, and they can also be purchased at the gate prior to the game. The Club will furnish ushers.

A group of businessmen purchased tickets a few days ago, to be given to members of the softball leagues—about 400 in total. In the list published by The News a few days ago the name of one firm was omitted. Tickets for the Central Baptist Senior Girls were purchased by General Supply Company; white tickets for the Catholic Baptist Senior Girls were purchased by Hall & Pinson Tire Co.

(Continued From Page 1) On the other hand, these sources say everything indicates the differences will widen.

The more gloomy of these sources even believe that the four-power machinery in Berlin may collapse, and that the Russians may request the Western Powers to withdraw from this shattered capital.

The Russians could make western occupation of Berlin untenable at any time by simply cutting off the traffic arteries leading to this city through their zone.

Veteran diplomats here feel, however, that such a breakdown will not actually occur. They base this feeling on the belief that both the Russians and the western nations will shrink from closing the last door to an eventual settlement.

The complications cleared up and General Graham hoped to have Mrs. Truman walking within a few days, the fracture having knit satisfactorily. She suffered two sinking spells, however, result of a weakening heart, Graham said.

Her son's arrival brought an immediate improvement, which doctors said was due entirely to her son's presence.

The hip fracture last February was the third serious injury of Mrs. Truman in recent years. In 1940 she fractured a hip, and four years later she again fractured her hip and shoulder. Despite her advanced age, she recovered each time and was able to fly to the White House in Washington on Mother's Day, 1945, after her son became President.

### Arlington Classic Is Won by 'Bul Why Not'

CHICAGO—(P)—But Why Not won the \$93,800 Arlington classic before a sweltering crowd of 27,000 yesterday, defeating the 4-5 favorite Pervent by three-quarters of a length.

The winner, owned by the King Ranch and ridden by Jockey Warren McIntire, went to the post at odds of five to one and paid \$12.20, \$4.00 and \$3.00. The place price on Pervent was \$2.80 and \$2.20 to show. Cosmic Bomb which finished third returned \$4.20.

But Why Not became the second filly in the 19 year history of the race to triumph. She led almost from the start, overwhelming Pervent a few seconds after the get away.

She ran the mile and a quarter in 2:01 4/5, within four fifths of a second of the track record.

The winner earned \$71,500 by her victory.

### 5,000 Persons View XIT Reunion Rodeo

DALHART—(P)—The first performance of the 11th Annual XIT Reunion Rodeo Friday night set a new attendance record of almost 5,000 persons, Chairman Allyn Finch of the general XIT committee said Saturday.

The reunion slipped into history last night following a second rodeo and dance.

Friday night's rodeo winners were: Bulldogging—Jiggs Beutler, Elk City, Okla., 12.2 seconds; Curly Cameron, Pampa, 14.7; Buddy Reger, Woodward, 18.6; Arthur Turpin, Denver City, Tex., 23. Saddle bronc riding—Clinton Hill, Canadian; Clayton Hill, Canadian; Bernie Barnett, Pampa; and Jim Cobb, Pratt, Kans. Bareback bronc riding—Ernie Barnett, Clinton Hill; Hoyt Hefner, and Curly Cameron.

Winners in calf roping and bull riding were not determined because of unfinished competition. They were to be elected last night.

### Prize 1902 Model Auto Is Wrecked

FAVETTEVILLE, N. Y. — (P)—William A. Worth, 78, of Petersburg, Va., driving a 1902 Oldsmobile to the factory at Lansing, Mich., where the company planned to exchange the "museum piece" for a new car, had a wreck on his hands yesterday.

The front end of the 1902 model was torn off when it was struck yesterday by a car driven by a Colgate University student. Both drivers escaped injury.

Worth, original owner of the 45-year-old model, said the Oldsmobile Company had offered him a new car in exchange for his on arrival in Lansing.

## Faye Flynn Weds Truman Cooper in Recent Ceremony

The marriage of Faye Flynn, daughter of Mr. and Mrs. E. F. Williams, to Truman Cooper, was solemnized Tuesday evening, July 15 at 8 o'clock in the First Methodist Church, Pampa.

The single ring ceremony was read by the Reverend H. Clyde Smith before a beautifully decorated altar of candelabra and tall baskets of carnations and fernery. Music was furnished by Mrs. Bob Andrews who played the traditional wedding marches for the procession. She also played "Ah, Sweet Mystery of Life" and "Always."

Following the ceremony candles were lighted by Nella Flynn and Ella Gayle Braly who were dressed in identical floor length dresses of Alice blue taffeta and net. They wore circlets of split carnations in their hair.

Mr. Keith Howell of Dumas attended her sister as matron-of-honor. She wore a black suit with white accessories. Her corsage was pink carnations.

Ray Redman was best man. The bride was dressed in a pastel blue suit with white accessories. She carried a small white Bible to which was attached a shower of white gardenias.

Mrs. Cooper is a graduate of Lefors High School and West Texas State College in Canyon. She also attended Texas State College for Women in Denton. For the past four years she has taught in the Hopkins School. She is now affiliated with the Pampa School system.

Mr. Cooper is a veteran of World War II having served two and one-half years overseas as a paratrooper in the U. S. Army. He is now employed with the Phillips Petroleum Company.

Following the ceremony the couple left for a wedding trip to points of interest in New Mexico and Colorado.

## Miss Corene Clemmons Engagement To Arnold T. Johnston Is Announced

Mr. and Mrs. Joe W. Clemmons, 409 North Zimmer, announce the engagement and approaching marriage of their daughter, Corene, to Arnold T. Johnston, son of Mr. and Mrs. T. E. Johnston, 1412 Sunset Boulevard, Los Angeles.

Date for the wedding has been set for September 1. Rev. R. R. Robinson, pastor of the Church of God, Los Angeles, will officiate.

The bridegroom is a former resident of Pampa.

## Miss Marguerite Chapman Becomes Bride of Private Repert F. Milner

LEFORS.—(Special)—Miss Marguerite Crawford, daughter of Mr. and Mrs. George Crawford, Lefors, and Private Repert F. Milner, son of Mr. J. B. Milner, Allen, Okla., were married with a double ring ceremony in the study of Reverend Repert Naney at the Olivet Baptist Church, Oklahoma City, on the evening of June 29, 1947.

The bride wore a white gabardine suit with brown suede accessories. A corsage of baby pink split carnations and baby's breath completed her ensemble.

Mrs. John A. Newby, matron-of-honor, wore a navy blue dress suit trimmed with white, and a corsage of pink carnations.

Mrs. Milner is a 1947 graduate of Lefors High School where she was a member of the Pepper Club, Pirate Staff, F. H. A. Club, and chorists.

Milner, a graduate of Allen High School in 1945, attended East Central State Teachers College at Ada before entering the Air Corps.

The couple's plans for the future are uncertain.

## Viernes Club Meets In L. R. Floyd Home

The Viernes Club met Friday afternoon in the home of Mrs. L. R. Floyd.

A business meeting was conducted by the president, Mrs. Homer Doggett. Following the business session the women spent the afternoon sewing.

The next meeting will be held August 8, in the home of Mrs. Homer Doggett, 402 N. Crest.

A sandwich plate and a dessert course were served to Mesdames Emmett Forrester, Harold Payne, E. F. McWilliams, T. W. Stinson, J. S. McBride, Homer Doggett, and Lee Roy McBride.

## Katheryne Williams Has Birthday Party

Little Miss Katheryne Williams was complimented with a "Dress Up" birthday party by her mother, Mrs. Arvil Williams, at her home, 804 N. West, Tuesday afternoon.

The guests came dressed in their mother's long dresses, high heels, hats, purses and gloves, and enjoyed an afternoon of games.

After the gifts were opened refreshments were served to Misses Margaret West, Meredith Brooks, Melva and Terral Turner, Iola Turner, Sue Cobb, Dorothy Green, Phyllis Burns, Carol Paxton, Darlene Adams, Jane Shevemaker, and Linda Weir.

Sending gifts were Mrs. Clara Lemm, Gene West, Mr. and Mrs. Melvin Turner and Cora Sue, and Denny and Sharon Adams from Lyman, Okla.

## Miss Helton and Mr. Zyback Are Married July 15

SHAMROCK.—(Special)—In a pretty morning wedding, Miss Rozena Helton, daughter of Mr. and Mrs. Virgil Helton, Briscoe, became the bride of R. L. Zyback, son of Mr. and Mrs. Clarence Zyback, Briscoe, July 15, at the home of the bride's parents.

Rev. O. C. Evans, pastor of the Lakeview Methodist Church, read the impressive single-ring service. Vows were exchanged before an improvised altar with a vine-covered background and an arrangement of white gladioli in white floor baskets.

Miss Roberta Zyback played "The Rosary" (Nevin) preceding the processional, and accompanied Miss Patty Porter, of Shamrock, who sang "For Sentimental Reasons," and "Because." Traditional wedding marches were used.

Little Miss Jean Zyback, sister of the bridegroom, was lower girl and wore a dress of white dotted swiss over pale blue satin.

Mrs. R. J. Holt, Jr., Wheeler, attended the bride as matron of honor. She was attired in a street-length dress of teal blue and wore a corsage of pink carnations.

Miss Maudie Sorenson, Briscoe, was bridesmaid. She wore a street-length dress of pale blue, and her corsage was of pink carnations.

Jimmy Venable served the bridegroom as best man, and Eddie George was groomsman.

The bride, entered on the arm of her father, who gave her in marriage. She wore a street-length dress of white pique with insets of lace insertion. She carried a white Bible topped with white carnations and showered with white streamers.

Following, she chose an aqua suit, with which she wore white accessories and a corsage of white carnations.

For her daughter's wedding, Mrs. Helton wore a gray dress with black accessories, and a corsage of pink gladioli. Mrs. Zyback, mother of the bridegroom, wore a teal blue dress with black accessories, and a corsage of pink gladioli.

Mrs. Zyback is a graduate of the Shamrock High School with the class of 1947.

The bridegroom is a graduate of Briscoe High School and attended Texas A. and M. College.

Following the reception, the couple left for a trip to points in Colorado.

They will make their home on a ranch near Briscoe.

## Royal Service Program Held by Baptist WMU

The Central Baptist WMU met at the church Wednesday for their monthly business meeting and Royal Service program which was presented this month by the Lydia Circle.

The meeting was opened with group singing and a prayer led by Mrs. L. G. Lunsford, who also presided over the business meeting.

Standing committee reports were given and the group decided to start a visitation program on the fifth Wednesday in place of their regular meetings.

"China" was the topic of the month and the program directed by Mrs. E. P. Sheriff consisted of a devotional by Rev. Edwin Spears, prayer by Mrs. L. O. Rosenfeld, a piano selection, "In a Chinese Garden," by Miss Jo Ann Cox, and discussions of China led by Mesdames J. R. Baggett, Eddie Cox, L. G. Lunsford, G. C. Stark, and C. Redd.

A letter from a teacher in China was read by Mrs. E. P. Sheriff, who also gave the closing prayer.

Others attending were Mesdames E. R. Gower, Hugh Peoples, Edwin Spears, C. E. McMinn, W. P. Byrd, and D. L. Lunsford.

## Mrs. Scott Hostess For Bridge-Luncheon

SHAMROCK.—Mrs. S. Q. Scott was hostess to members of the Tuesday Club with a luncheon at one o'clock.

Attractive decorations were arranged with colorful dahlias, cream myrtle and Shasta daisies. Games of bridge provided entertainment during the afternoon with high score prize being awarded to Mrs. E. K. Caperton, and low award went to Mrs. Shirley Draper.

Those present were Meses. J. H. Caperton, Shirley Draper, Jack Montgomery, Royce Lewis, Bill Walker, Carl Linkey, E. K. Caperton, and Hubert Tindall.

## Dr. and Mrs. W. M. Pearce to Get Keys To Methodist Superannuate Home

In a simple service to be held at this morning's service of the First Methodist Church, Dr. and Mrs. W. M. Pearce will be given the keys as the first occupants of the Superannuate Home at 111 Starkweather, which has just recently been completed. Dr. and Mrs. Pearce served the First Church here from 1937 to 1941.

Roy Bourland, chairman of the building committee, will deliver the address of welcome and appreciation before he presents the keys to Dr. and Mrs. Pearce. "The Steps of a Good Man Are Ordered by the Lord" will be the text for the sermon by Rev. H. Clyde Smith.

Dr. Pearce had been a leader in the Northwest Texas Conference for a number of years prior to his retirement on June 1 of this year. He served three terms as District Superintendent, as well as such leading churches as First Church Abilene, First Church Vernon and First Church Pampa. He has represented the Northwest Texas Conference as a delegate to the General Conference on several occasions and has served many important boards of the church.

The modern six-room house is the property of the First Methodist Church and the Official Board will occupy the home. Their first invitation will always be to a minister who has served the First Church Pampa and in the event no such minister is available, a minister who has served some other church in the Clarendon District will be invited. A third choice will be a minister who has served in the Northwest Texas Conference.

## WE, THE WOMEN College Graduate Can't Live on Shoestring

BY RUTH MILLETT  
NEA Staff Writer

"The trouble with this year's college graduate is that he expects to start out on his first job with a good salary. He isn't willing to take a job for what he's worth while he is getting experience—the way we did when I started out," says an employer.

That may be the way the picture looks from an employer's point of view. But in fairness to today's graduate, let's look at what he is up against when he goes to a new town to take a job.

He has a wife—and perhaps a child—as do so many of today's graduates, finishing their education after the war interruption. He can't go into a town and rent a house for \$35 a month—the way the employer mentioned above admittedly started out. Probably he will have to buy one at an inflated price.

SHOESTRING IS PASTE  
Nor can he feed and clothe his family on a shoestring today. No matter how ambitious he is or how willing to start at the bottom, he has to consider the price of pork chops, hair cuts, clothing, and furniture.

The big salary the employer is kicking about isn't a wage he has arrived at because he thinks he's good. He has arrived at that figure with pencil, paper and budget.

When the employer talks about his starting salary in the pre-inflation days, he is overlooking the housing shortage and the high prices which have completely changed the picture for today's graduate.

## Compliments Guests With Coffee Tuesday

SHAMROCK.—(Special)—Mrs. O. B. Muffelman, Dayton, Ohio and Mrs. C. C. Carroll, Monroe, La., house guests in the home of Mr. and Mrs. I. C. Mundy, were complimented with a coffee by their hostess Tuesday morning.

Those attending were Meses. Joe Nalle, Howard Bramley, Sol Blockstein, Lyle Holmes, Royce Lewis, William F. Holmes, Wilbur Jordan, Mrs. Coyle Ford and children, J. B. Christner, Winfred Lewis, Carolyn and Jerry, Mr. and Mrs. Jack Martin, Louis Hill, Walter Jim Franklin and daughter, Teah, Pendleton, Jr., Russell Hill, Joel and Rev. and Mrs. C. T. Jackson, Gooch-Harry Mundy, and Miss and children, Beth, Lynn, and Jan, Elizabeth Pendleton.

## Family of Ten Children Hold Reunion at Old Homeplace

FAMILY REUNION—Pictured from left to right are Mrs. Myria Hodges, Bruce Cobb, Mrs. Melton Brewster, Ellis Cobb, Mrs. Claude L. Martin, Orvis Cobb, Mrs. John Robinson, Ervin Cobb, Mrs. Howard Van Bibber and Harrison Cobb.

On Saturday and Sunday, July 12 and 13, the children of the late Mr. and Mrs. W. E. (Ed) Cobb met for a family reunion at their homeplace, eight miles west of Pampa, now the residence of Mr. and Mrs. H. C. Van Bibber.

This is one of the pioneer families of the Texas Panhandle, having come to this community in 1908. All are well known to the early settlers of this area, and six are graduates of Pampa High School.

Of the ten children, eight still reside in Texas, one in New York City and one in Los Angeles. Hosts of friends and relatives called during the weekend to greet the children and their families.

Those present were Mr. and Mrs. Ervin Cobb, Tulla, and their daughter, Mrs. Glen Rendor, Mobeetie; Mr. and Mrs. Harrison Cobb, Austin; Mr. and Mrs. Ellis Cobb, their son and daughter, Curtis and Carol; Mrs. Myria Hodges, Bruce Cobb, Mrs. Melton Brewster, Ellis Cobb, Mrs. Claude L. Martin, Orvis Cobb, Mrs. John Robinson, Ervin Cobb, Mrs. Howard Van Bibber and Harrison Cobb.

### Banks Family Hold Reunion in Shamrock

SHAMROCK, (Special) Nineteen  
years elapsed since all the members  
of the D. E. Banks family have  
been together, but last week-end the  
entire family met here for a re-  
union.

Mr. Banks locked the doors of his  
Saddle and Shoe Shop and remained  
at home with his children and  
grandchildren for three days while  
28 members of the family were to-  
gether.

A sister and brother, Miss Letha  
Mae Banks, Houston, and Clarence  
Banks, Superior, Ariz., had not seen  
each other during the 19-year  
period.

Attending the family reunion  
were Mrs. Sibel Bills, Mr. and Mrs.  
J. B. Bills and children, Johnnie,  
Joe and Judy, and Mrs. Patsy  
Morris, all of Ada, Okla.; Mr. and  
Mrs. Clarence Banks and children,  
Billy and Dorothy, Superior, Ariz.;  
Mr. and Mrs. Charles Banks Cortez,  
Colo.; Miss Letha Mae Banks, Hous-  
ton.

Mr. and Mrs. Bert Banks and  
children, Bert, J. R. and Neal, Tulsa,  
Okla.; Mr. and Mrs. Roland Bills,  
Amarillo; and Mr. and Mrs. Roy  
Sims and children—Royene, Junelle  
and Mable, who reside northeast of  
Shamrock.

Retail trades accounts for nearly  
one-third of the total cost of dis-  
tributing goods.

### Captain Beulah Carroll Is Moved From Local Salvation Army Post

Farewell services will be held to-  
night at 8 o'clock at the local Sal-  
vation Army Post for Captain Beu-  
lah Carroll, who has been trans-  
ferred to McAllen, Texas.

She has been the commanding  
officer in Pampa for the past two  
and a half years, coming from Cor-  
pus Christi. She has been an officer  
of the Salvation Army for five  
years, and is a graduate of the  
Booth Memorial College in Atlanta,  
Ga.

Major Bernice Lyons will assume  
the command here. She comes from  
Paris, Texas.

Captain Carroll leaves the local  
post free of debt after completing  
such tasks as purchasing a new  
church building and a suburban  
carrivan; adding many activi-  
ties to both the senior and young  
people's departments of the church;  
developing a young people's pro-  
gram as well as a relief plan; and  
holding a two week Vacation Bible  
school which had 89 students en-  
rolled.

"I want to thank the citizens of  
Pampa and the local advisory board  
for the way they have stood by  
the organization 100 percent since  
I have been the representative here,"  
Captain Carroll said.

### Jimmy Stewart Named Derby Grand Marshal

James Stewart, celebrated motion  
picture and stage star, will be grand  
marshal at the 10th Anniversary  
running of the All-American Soap  
Box Derby in Akron, Ohio, August  
18 and 19. Stewart's acceptance of  
the invitation to the post of honor  
was announced by Robert Riskin  
Productions.

Stewart became interested in the  
Soap Box Derby during the filming  
of his latest picture, "Magie Town,"  
a Robert Riskin Production, which  
features the 1946 Soap Box Derby  
Champion, Gilbert Klecan, of San  
Diego, Calif.

In accepting the invitation to partici-  
pate in the Soap Box Derby ac-  
tivities, Stewart said that he con-  
sidered it a high honor to be pre-  
sent and to take part in what he  
considers one of the nation's out-  
standing sports events for young  
Americans.

Stewart will fly from New York  
on the morning of August 16, ar-  
riving in Akron in time to attend

### the Champions' Day Party at Sandy Beach

On Sunday, August 17, Stewart  
will lead the parade of champions  
and then will sit on the finish line  
with the judges to witness the run-  
ning of the race.

Pampa's champion, determined  
July 17, is Lee McKinney. Lee will be  
taken to Akron by a representative  
of The Pampa News, his sponsor.

### FORCED PEANUT FARMING

Depredations of the boll weevil,  
tiny insect scourge of cotton grow-  
ers, caused peanuts to become a  
major crop of the south. Grow-  
ers turned from hazardous cotton  
crops to lucrative peanuts. Enter-  
prise, Ala., has a monument to  
this insect, erected in honor of the  
bug that forced the south to grow  
peanuts.

**College Girls Given Advice**

By JAMES MARLOW  
 WASHINGTON—(AP)—So you're a girl going to college and you're trying to decide what kind of work or life you want when you get out.  
 For puzzled girl collegians, the women's bureau of the Labor Department has cooked up some answers. They don't pretend to be all the answers.  
 But in the department's monthly bulletin, the bureau says:  
 "Don't try to choose between marriage and a career. But prepare for both home and job."  
 The bureau warns the going will be tough for the girl who wants to go into one of the so-called men's professions, like medicine, law, engineering.  
 Such a girl, the bureau says, will need courage, initiative, patience and more-than-average ability.  
 Women are less than 5 percent of all doctors, lawyers, engineers, dentists, architects, draftsmen, pharmacists and certified public accountants.  
 The bureau suggests one of the well-established occupations for women, such as home economics, teaching, library work and nursing. In each of which women make up more than 75 percent of all employed persons.  
 "Slightly newer are the occupations of medical laboratory technician, dental hygienist, physical and occupational therapy, doctors' and dentists' assistants."  
 "In these also women account for more than three-fourths of the employed."  
 "The demand for stewardesses, designers, interior decorators, or radio continuity writers, for example, is less predictable than that for teachers, nurses, social service or office workers."  
 Suppose a girl can't afford a full college education. Of her, the bureau says:  
 "Lay a foundation that will enable you to branch off earlier, if you must. For example:  
 "If a girl takes science courses, she ultimately can become a physician, a nurse, a pharmacist.  
 "However, she can stop earlier and become a medical laboratory technician or a chemical analyst."

 Someone said that what this country needs is a good five cent nickel, but we're here to tell you the lowly Buffalo is coming back into its own.  
 A nickel is important these days. If coin machines continue to enter new fields at the current rate, you just won't be able to get along without a pocket full of coins.  
 Back in the pre-atomic era when life was simple and business was done over the counter, such machines were confined to uncomplicated gadgets in which you dropped a penny and got a handful of peanuts or maybe a stick of chewing gum.  
 The picture has changed drastically. Coin machines now dispense cigarettes, music, razor blades, sandwiches, cold drinks, pie and countless other articles.  
 You even have to drop a nickel in the slot to park your car. Or you can get your correct weight, play games with flashing lights and ringing bells, make telephone calls, get your fortune told, or hit the jackpot.  
 Future machines may make these

**Joe E. Brown Looks For Oldtime Comedies**

By BOB THOMAS  
 HOLLYWOOD—(AP)—Where are the belly-laughs of yesteryear? Joe E. Brown, as well as millions of laugh-hungry movie patrons would like to know.  
 Joe E., one of America's great comedians, is now playing a movie without comedy. His first picture since "Pin-Up Girl" in 1944 is called "The Tender Years," a father and son picture. I found him made up as a 19th century minister.  
 "Don't get me wrong," he cautioned. "I'm not the kind of comedian that years to play serious roles. It's just that good comedians aren't being made. I've had dozens of chances to appear in cheap ones, but I gave that up five years ago."  
 Big-hearted Joe, said he believes the theater should be for entertainment.  
 "I would much rather make people laugh than cry. Laughter is the greatest tonic I know. I like to go to theaters where my old pictures are showing, just to hear the audience laugh."  
 The comic said there are chuckles in today's pictures, but no belly-laughs, and deep, hearty guffaws that drown out the dialogue.

"The trouble with Hollywood is artiness," he explained. "People think if they make an arty picture it gives them prestige. As a result, comedy is overlooked and the screen is crowded with problem dramas."

**Amarillo Hospital Is Approved for Training**

AMARILLO—The Amarillo Osteopathic Hospital has been approved by trustees of the American Society of Osteopathic Hospitals for the training of internes, according to announcement made at the fifty-first annual convention of the American Osteopathic Physicians and Surgeons.  
 Many Pampa-hand physicians have taken their internship at the Amarillo Hospital. Dr. W. R. Ballard of Pampa took his interne training at the Amarillo Hospital.

seem as simple as the peanut gadget. A hint to what you may expect was given by Telecoin Corporation of New York, which put on a demonstration in Dallas.  
 They've got machines now that even do the weekly wash! Dump the dirty clothes in the machine, slip in a quarter, wait 30 minutes, and the clothes are clean. Another machine dies them. A third irons them. Work that used to take one or more full days is now completed in about 90 minutes. Do housewives like the idea? Well, these laundrettes are spreading like wildfire. Another device displayed by telecoin is a dispenser of gold-canned fruit juice. Another is a coin-operated radio. Another is a machine that sells soap.  
 Most amazing to us was a telecoin quizer, a sort of jukebox information please, that answers 8,000 questions on a wide variety of sub-

jects. For your nicker you can answer five questions. The machine tells you if you're right or wrong. It is thought that the over-crowded horde is seeking food, and dive into the sea in the belief they are fording another stream such as the many they have already crossed in their overland trip.

MAKING A MISTAKE  
 Millions of lemming migrate to the Norwegian coast every few years, swim out to sea, and drown. It is thought that the over-crowded horde is seeking food, and dive into the sea in the belief they are fording another stream such as the many they have already crossed in their overland trip.

# Cities Service Oil Co. Announces Well Completions

The completion of six oil wells for a total initial potential of 3,579 barrels daily from two gas wells for an open flow of 13,850,000 cubic feet daily was reported by Cities Service Oil Co. recently.

At Higgins No. 2, Rocks County, Kansas, Cities Service Oil completed its fourth 3,000 barrel well in the Paradise Creek pool. Two other Kansas wells, Kooler No. 105 in Butler County and Schroeder C No. 6 in Ellsworth County, were completed for a total initial of 202 barrels daily. Among the remaining three completions was Bagley B No. 8, Ector County, Texas, finished for a 262 barrel daily rate.

The two gas completions included Klekamp No. 1, Sherman County, for an open flow of 12,400 cubic feet daily, and Round Bay Osceola County, Mich., for 1,250,000 cubic feet daily.

Two wildcats were included in the eight new starts started by Cities Service Oil during the week. They were Weaver No. 1 in Haskell County, Tex., and W. E. Jones Estate No. 1, Humphreys County, Mich. Other locations included the Walsten B No. 1 in Rice County, Baldwin No. 1 in Rocks County, Kansas, and Stratford County and Kooler No. 106 in Butler County, all in Kansas, and Dupree No. 6 in Dawson County, Tex.

## Fourteen Notices of Intent To Drill Filed Here Recently

Fourteen notices of intent to drill, six notices of intent to deepen oil wells and the notification of three new proven gas wells were filed with the local office of the Texas Railroad Commission last week.

Six of the wells to be drilled are located in Hutchinson County, four are in Gray, two are in Sherman and one is in each Lamb and Moore Counties.

Of the wells filed on to be deepened, three are in Hutchinson County, two in Gray and one is located in Carson County.

## New Pipeline Firm Head - Election of William O. Kinsolving

William O. Kinsolving, president of the Sun Pipeline Company, was elected president of the parent Sun Oil Company, Kinsolving, a native of Corsicana, Texas, joined Sun Oil Company as an oil field hand after receiving a degree in electrical engineering from Cornell University in 1923. (AP Photo.)

## Heavy Profit Is Shown by Phillips First Half-Year

Net profit of the Phillips Petroleum Company for the first six months of 1947, after provision for all charges, reserves and taxes was \$15,459,698.97, or \$3.14 a share, as compared with \$1.63 a share for the same period a year ago, company officials announced recently.

The increase in earnings, "the officials report, resulted from an unprecedented demand and somewhat higher prices for crude petroleum and refined products."

## Mines Bureau Reports Crude Oil Decrease

WASHINGTON—(AP)—The Bureau of Mines reported yesterday that production of domestic and foreign crude petroleum totaled 231,852,000 barrels for July 19, a net decrease of 509,000 barrels for the week. Domestic crude decreased 452,800 barrels; foreign crude decreased 57,000.

Daily average production was 5,650,000 barrels, an increase of 5,000 barrels to still a record 5,126,000, a decrease of 103,000.

## Restrictions Blamed For Petroleum Crisis

NEW YORK—Though there is plenty of crude oil and plenty of equipment to process it, scarcity of petroleum products during the coming winter seems inevitable, says CHEMICAL ENGINEERING.

"Washington interference with construction programs has prevented the expansion of refinery facilities at the necessary rate," the magazine states. "As a result engineers in the process industries must get ready to do without petroleum products in the quantities wanted."

## DEATH OF A DOLL

By Hilda Lawrence  
© by Hilda Lawrence; Distributed by NEA SERVICE, INC.

"The story: Roberta Sutton tells her friend, private detective Mark East, about Ruth Miller's death. Mark looks up the newspaper stories and makes a note of names and addresses.

XV  
DR. KLOPPPEL had washed only half the leaves of his rubber plant and wanted to finish the job. He clung to his white enamel basin and patiently soaked and squeezed his sponge.

"If you want to know the kind of doctor I am," he said, "stop any woman, or child on this street."

"I'm afraid you misunderstand," Mark said. "I'm perfectly content."

"I'm an old man and I have all the money I need. I don't need Hope House. I go there once a week because those women neglect themselves and I believe in charity. I charge 50 cents a call and sometimes give the medicine away. I live alone except for a housekeeper who's gone around the corner to find me a chop of lunch. Now if you still question my integrity or diagnosis."

"But I don't," Mark insisted. "I'm simply trying to trace the girl's origin. I thought you could help me."

"I can't. I never saw her before that night. I never saw her alive. She was dead on arrival."

"So I understand. Was there a post-mortem?"

"There was a broken neck. It seemed sufficient." Dr. Klopppel put his basin on the mantel and reached for his coat and hat. "I've never seen her since."

"Nobody. I read about the case in the papers and got the idea she'd be the friend of a friend of mine."

Dr. Klopppel raised one bushy white eyebrow. "I haven't got the time or inclination to argue that, but you needn't think I believe it. If you still want to play, go to the rooming house next door and ask for Mrs. Cashman. She found the body, or her dog did. But keep away from Hope House. I want to play poker tonight."

MARK found himself on the sidewalk, grinning at the doctor's neat brass plate. Martin Luther Kloppel, M.D. Roberta would like the doctor.

He looked at the house next door. "I've just come from Dr. Kloppel's. He thinks you and I might have a little talk." He wondered why Mrs. Cashman braced herself before she spoke, but he didn't wonder long. No one, not even Mrs. Cashman herself, could hear her voice without an involuntary cringe.

"Sure we'll talk," Mrs. Cashman said. "If Kloppel says so, we will. I own my house and he owns his, and all his friends are mine. What do you want to know?"

He told her in a whisper, hoping to coax her voice to the level of his, but the poor woman had been born that way.

"This is the very dog," Mrs. Cashman caterwaulled, inching the animal-forward with a tiny, immaculate shoe. "It was raining pitchforks but Brother and I take our walk regardless. We wanted a bottle of ale before the delicatessen closed. Well, around the corner by Hope House, Brother got away and I thought he was after grapes. Big garbage at Hope House on account of so many eating, and he sometimes finds a bone. Well, anyway, you never take my name and that's not fair."

"Mark East: And I only want to see you," Mrs. Miller who died in the same Miss Miller a friend of mine used to know."

Mrs. Cashman was not confused. "For your friend's sake I hope not," she said. "I didn't see her face because she had that mask on but I'm told it was pulp. Mr. East, I like to die. There was this bundle of rags I thought it was, lying in a pile, and there was Brother sitting up. I might have known he didn't have no bone. So I got down to look. You should have heard me scream."

"You're a very brave woman, Mrs. Cashman," Mark whispered.

"Thank you, Mrs. Cashman howled. "You'd be too, there's really nothing to it. Do you think it was your friend's friend?"

"I don't know. I haven't much to go on, but when I heard that a girl named—"

"Ruth Miller. She wasn't very popular; you'll have to excuse that, but truth's truth. While I was waiting for the police—I had to wait, I know the law—I was talking to one of the Hope House girls. She was the first to reach the scene after me. And we kept each other company. Well, she didn't know who it was on account of the mask and she kept saying to herself 'It's nobody I know, it's nobody I know, like that. Then everybody else came and they had a terrible time deciding who it was. awful, huh?' And Kloppel cut the mask off and still they didn't know. But they found out somehow when the police got there, they've got ways of telling, and that's when I heard the talk. No, she wasn't popular. She was mental, poor soul, and didn't care to live. I'm sorry for you and your friend."

"I wonder if you could tell me the name of the girl you talked to?"

"Jewel. Jewel Schwab. She works there. I'd take you around myself, but Brother won't go near the place. We have to get the blocks out of our way to get the place now. Tell Jewel I said it was all right to talk to you. Any friend of Kloppel's—"
