### Second Polio Drive Slated For Saturday

"No quota has been set for Gray County in the March of Dimes Emergency campaign, but on the basis of last Saturday's street campaign—conducted with marvelous cooperation of the Pampa civic organizations and the United Oil Workers, C.I.O.—this Saturday's prospects look encouraging," according to Mack Hiatt, treasurer of the Gray County chapter of the National Foundation for Infantile Paralysis.

Funds collected from Saturday's street campaign and mail solicitation, as of Monday, totaled \$2,024.86. The street campaign brought in \$1,625.85.

"We are hoping for a larger mail response," Hiatt said. "Tanks circulated around town in shops and cafes will not be collected until next week."

This Saturday the same corners will be manned by the civic clubs, and "We are hoping all who previously dropped their nickels, dimes and quarters in the buckets will help again, and also those people who were unable to contribute," Hiatt said.

This is the first time the March of Dimes has had two consecutive street drives during a campaign. Those wishing to contribute, can mail their donations care of the Emergency March of Dimes, Postmaster, Pampa.

### Mainly About People

Walter Roberts, driver license examiner, was back in his Court-house office this morning, following a week's vacation. United Fund directors meet at 7:30 p.m. Tuesday in the Hughes Building to consider the recommendation of their budget and admissions committee to keep the same allotments as in 1953 for the eight participating agencies. This year's drive is slated for Oct. 5 and the advance drive, for Sept. 28.

Mrs. Helen Sprinkle, 31st District clerk, was back in her office in the Courthouse this morning after a vacation.

Mrs. Christine Callison, secretary to the county judge, was in the Courthouse this morning, following a week's vacation. New residents of Pampa who are entering the 10th, 11th and 12th grades this year in public school today were enrolling in the Pampa High School. They will do so Tuesday, too. It does not apply to last year's junior high students who will register Aug. 31, like all other public school students in Pampa.

Bill Thomas Ward has returned to his home in Wichita Falls after spending three weeks with his grandparents, Mr. and Mrs. H. M. Crocker, 319 N. Purviance.

Dr. and Mrs. Nicholas G. Kadings, 414 N. Somerville, returned Saturday from a two-week vacation in Michigan.

Mr. and Mrs. C. D. Ladd, 3115 Williston, are the parents of a girl, born at 1:33 p.m. Sunday in Highland General Hospital. Weight: 6 lbs. 5 oz.

### Gang War Is Feared In Chicago

CHICAGO, Aug. 23—UP—Police feared Monday that the ambush murders of two ex-Capone hoodlums within 12 hours were the opening volleys of a new Chicago gang war.

The gang war, if that is what the killings mean, would be for control of the crime empire left by "Scarface Al" Capone, Chicago's notorious underworld lord of the roaring 20s.

Two one-time Capone henchmen, Charles (Cherry Nose) Gioe and Frank (The Immune) Maritote, were gunned down last week with in an alarmingly short span.

Maritote, 41, alias Frank Diamond, was blasted by hogsme Saturday night in his garage as he stood in the glare of his parked car's headlights. His four-year-old son, Frank, watched the lurid scene from the car's front seat.

Gioe met his death Wednesday, sitting in a borrowed car in front of a pizzeria. Police found five slugs in him, but no trace of the killers.

Gioe and Maritote were two of the seven gangsters sentenced in 1944 for a \$1 million shake-down of the movie industry.

There was speculation that someone was conducting a vendetta against the extortionists. However, police believed it far more likely that Gioe and Maritote were victims of a bloody struggle for control of Chicago's gangs.

### Scout Leaders At Ki-O-Wah

Boy Scout patrol, assistant and senior leaders today were at Camp Ki-O-Wah, the Adobe Walls Council for a week-long junior leader training program.

Under the guidance of Muri Howard, Phillips Explorer Post 28 advisor, the trainees left Sunday and are to return Friday from the annual affair.

### DePew Rites Held Today

SHAMROCK — (Special) — Funeral services for Leonard E. DePew, who died Saturday in Shamrock Hospital, were held at 3 p.m. today in the First Methodist Church.

Officiating were Rev. Frank Beachamp, pastor, and Rev. James O. Todd, pastor of the First Baptist Church.

Burial was in Shamrock Cemetery under the direction of Clay Funeral Home.

### AIRMEN

(Continued from Page 1) lived to have originated. Lt. Robert D. Whitley, chief of the juvenile division of the Los Angeles police, flew to the Air Force base and was assigned to help the provost marshal in interrogation of the airmen.

Whitley said that Pacheco members carved a sign, similar to a cross, on their bodies or hands.

The entire Chagnute personnel stood a "shakedown" inspection Saturday. The men were ordered to strip to the waist and some 175 were found with "unexplained marks or tattoos," or were carrying switch-blade knives. After questioning most were released, but 30 were placed under arrest.

Whitley said the Pacheco gang first became known in Los Angeles and resembled the "zoot suit" mobs of the 1940s. Members were originally of Mexican descent, but the organization spread rapidly and there are now many "chapters," he said.

The men seized at Chanute were "young toughs of all nationalities," he said, and did not appear to belong to any particular race or background.

Whitley said the "chapters" are frequently known by such names as Cholo, Spicks, Chanocos, Spades, Espanol, Cletis, or Chuco, but "the patterns of the outfits were the same."

He described the members of the gangs as having "duck-bill haircuts, a fondness for zoot type of clothes, an ever present knife, markings on the hand or body, and complete disregard for law and order."

Whitley said the "chapters" are frequently known by such names as Cholo, Spicks, Chanocos, Spades, Espanol, Cletis, or Chuco, but "the patterns of the outfits were the same."

### TEC Job Requests Normal

Pampa's employment situation for this time of year is just about normal.

Bill Ragdale, Pampa Texas Employment Commission manager, late this morning explained that there is generally a lull near the end of the summer after the harvest peak and it usually begins picking up about the beginning of school.

An estimated 25 jobs were processed in Ragdale's office during last week and this morning there were about 18 on tap, most of them in sales and similar lines. The week-end rains stopped short construction jobs and the like, per usual.

His office was busier than usual this morning. For two of his associates, Mrs. Bill Henderson and Vernon Roper, were out.

FUNCTIONAL MODERN — is the only way to describe this setting. A completely windowed wall — modern squatly fireplace with large over-mantel mirror and modern adjustable fixtures to match. Venetian blinds, with or without, draw draperies may be used to control both lighting and privacy.

## Modernize Laundry To Lighten Work

If you've been bitten by home modernization bug, don't stop after brightening the living room.

Go a few steps further and streamline the laundry. It pays. In too many millions of homes the laundry consists mainly of an automatic washing machine. True, some housewives have taken the back-break out of washday by lining up a gas clothes dryer next to the washer.

But the Gas Appliance Manufacturers Association says that the proper layout of the laundry — even in a minimum space — has a great deal to do with getting the most out of modern equipment.

So when looking over the space at hand for remodeling purposes, it is best to bear in mind that the ideal home laundry should be divided into four work centers:

1. Preparation center: Basic equipment here should include a sorting table, mending basket, soaking sink and bleaches.
2. Washing center: Be sure that this is near a source of plenty of hot water. Wash tubs, washing machine, soaps, bluing and starch are essential.
3. Drying centers: The automatic gas clothes dryer eliminates the need for outdoor and indoor drying space, damp-dries clothes in 15 minutes and takes only a half hour to fluff-dry towels.
4. Ironing center: Plan this area so that you can be seated while ironing and eliminate much fatigue. Iron, ironing board and sprinker are basic needs while an automatic ironer saves time and labor.

## Smart Slipcovers

Makes plans now to rejuvenate your rooms this Fall easily and inexpensively with this pattern. Step by step tricks make easy work, even for a novice. The result will be well worth the effort.

Pattern No. 5956 contains measurements for making slipcovers; and material requirements. Send 25 cents in COINS, your name, address and the PATTERN NUMBER to ANNE CABOT, Pampa Daily News, 312 W. Quincy St., Chicago 6, Illinois.

The colorful 1954 NEEDLEWORK ALBUM contains 58 pages of lovely designs, "how-to" sections in needlework, helpful room illustrations and directions for a gift patterns. 25 cents.

A new mineral, named ordonsite, probably one of the rarest in the earth's crust, has been discovered. It is a combination of the elements zinc, antimony, and oxygen, in the form of tiny, glassy-brown crystals.

## New York Decorator Declares No Room For Fads In Home Furnishings

By GAY PAULEY  
NEW YORK — UP — Let fashion have its Christian Diora and the other designers who constantly must create something new. There is no room for fads in home furnishings.

So says Melanie Kahane, a young and pretty New York decorator, who decries the way "fadism" is foisted on the housewife.

"Such fads," she said, "as black wrought iron all over the place, venetian blinds, glass brick, mobiles."

"Leave the vogue-isms to fashion. They're too expensive for furniture. They're too expensive for furniture."

Not that home-decorating should get in a rut. But the changes, Miss Kahane said, should come about logically, as industry makes technological advances, as our economy changes, as our way of living alters.

Not whimsical "Such changes are healthy," she said, in an interview. "They are not whimsical as fashion can be. The designer, a vice president of the American Institute of Decorators, applauded such trends as those which have done away with the front parlor for show and have made every room in the house one for living; the elimination of the dining room, which she said cost too much to furnish for what use the family made of it; and the elimination of inside barriers.

## GRACE FRIEND

Dear Grace Friend:  
I have a problem that needs your advice. I was so foolish, yet I did follow my conscience.

I was engaged to a man and we had a quarrel. I gave him back his ring and was so glad that we had not given any public announcement of the engagement yet.

That was three months ago. He called me a couple of times, but I refused to talk to him. I hear that he has not had a date since. His mother and my mother are close friends and she told me that. Now I am ashamed of the quarrel and yet I am so embarrassed that I cannot call him. I would like him to know that I love him and I am sorry and that I would like to become engaged again, and this time set the date.

But how shall I do it? I've tried to write and torn all the notes up before mailing them. I've sat down at the telephone a dozen times and never dialed his number. I guess I am full of foolish pride, but can you tell me how I can undo my foolishness without looking cheap?

Sincerely yours,  
Carole.

Dear Carole  
If you love each other no more that you might make to end your quarrel could be cheap.

Why not skip over the trouble, just call him and invite him to dinner, or ask him if he would like to go to the theater with you. Don't even mention the argument until later.

Once you have re-established the friendship, you will be more at ease in bringing the subject up. When people love each other and belong together, they are foolish indeed to waste their time in anger. Life is short enough at best and there is little enough time to spend together so make up your differences as soon as you can. Don't waste the precious hours you could be happy together.

## Jane Talk

By JANE KADINGO  
Pampa News Women's Editor

(Editor's note: While Women's Page Editor Jane Kadingo is on vacation, this column will be written by guests authors. Today's column is by Marlene Kolb, Pampa News staff writer.)

The Bob Andis home, 1710 Mary Ellen, is the perfect example of one of the newest trends in modern home designing — window walls.

Window walls are an extension of the popular picture window idea, according to a home planning ideas news release. They extend from floor line to ceiling. In some designs, the glass areas practically span an entire facade. They really bring the outdoors inside.

The BOB CLEMENTS home, 818 N. Somerville, is so arranged that the backyard can be seen from the living room, looking on through the dining area and breakfast area out the angled window wall.

Just while driving around the residential sections Sunday, saw several more homes with window walls. They "do something" for a home, don't they?

The news release I mentioned above has some good tips for those who are planning to build new homes with these window walls. I'll pass it on to you.

Those of you who are planning to build new homes undoubtedly have been impressed by the changing trends in house designs. I think you will agree that great strides have been made, both in practicality and appearance, in just the last few years.

## How To Pack Lunch Shown At HD Meet

The Worthwhile Home Demonstration Club met Friday in the home of Mrs. O. G. Smith, 1004 Oklahoma. Roll call was answered with "My Favorite Sandwich."

Mrs. R. E. Engle, Jr., gave a report about the district convention which she attended last week. A talk and demonstration on packing a lunch was given by Mrs. W. R. Kinser. Some tips to remember which she gave are to wrap fruit or raw vegetables in waxed paper; wrap lettuce alone to be added to the sandwiches at the time of eating.

Mrs. Kinser suggested that surprises such as candy, gum, lunch or dates be included in the lunch pack. Cake is a favorite with men, she pointed out, and cookies are usually a favorite of women.

Present were Meses, Ray Robertson, W. G. Kinser, Robinson, John King, O. A. Wagner, R. E. Engle, Jr., Nat Lunsford, D. L. Lunsford and R. F. McCallip.

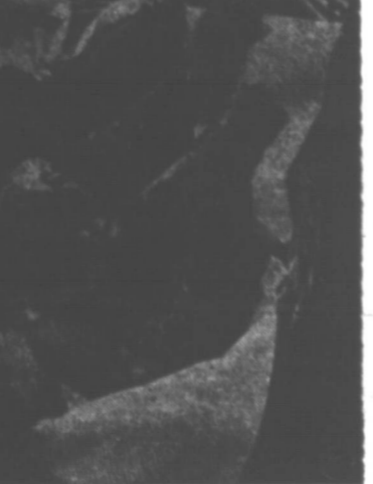

Guests were Mrs. Bush, Mrs. Doyle Williams, and Mrs. Ray Thomas of Houston.

## Mission Book Taught Alma Jackson Circle

The Alma Jackson Circle of the Hobart Street Baptist Church met in the home of Mrs. Harold Beckham, 928 S. Nelson.

Opening prayer was led by Mrs. Jack Alexander. Mrs. Jack Gist conducted the business meeting after which a mission book, "Backside of Nowhere," was taught by Mrs. Lum Pitcock.

Mrs. Beckham closed the meeting in prayer. Prayer Pal gifts were exchanged and refreshments were served to Meses, Carl Ammons, Jasper Tackett, Jack Alexander, Lum Pitcock, Jack Gist, and Harold Beckham.

FRENCH FRIED CHICKEN served with spiced peaches and corn on the cob makes a good dinner the way it's served down South.

### Spiced Peaches Spark Chicken

By GAYNOR MADDOX  
NEA Food and Markets Editor

Fried chicken with spiced Elberta peaches — there's a wonderful combination. Had it recently in the green dining room of the cool Cleveland Hotel in Spartanburg, S. C., center of the fresh-peach country.

Here's our own French fried chicken recipe. The pickled peach recipe comes from Bessie Grier, one of that gracious little city's better cooks.

French Fried Chicken  
Six slices enriched yeast-raised bread, 6 chicken parts (legs and breasts), salt and pepper, 1/4 cup flour, 1 egg, 1 tablespoon salad oil. Let bread dry out until hard. Cut off crusts and grate. Sift crumbs through strainer to remove any coarse pieces. Remove skin from chicken parts. Sprinkle parts with salt and pepper. Roll in flour. Mix together egg, salad oil and milk. Dip floured chicken in egg mixture. Finally roll chicken in the fine dry bread crumbs. Fry in deep hot fat (365 deg. F.), turning once, until golden brown.

For one thing, houses have a bigger look. And they just don't look bigger — they are bigger. The new houses are lower, with clean roof lines and uncluttered open planning (with partitions that stop short of the ceiling) give an illusion of even greater area.

One of the new notes particularly popular is the trend to window walls, an extension of the popular picture-window idea.

These window walls, as do picture windows, make it imperative that the homemaker give extra attention to her interior planning. The interiors, in effect, are a part of the home's external appearance, because they are easily visible from the outside.

On the West Coast, where window walls are perhaps most prevalent, home designers have given particular attention to this situation. They have come up with two principles: first, the wall area opposite a large glass expanse should have a "feature" treatment, such as a fireplace setting or grouping of built-ins, to give it special interest. Second, the wall coverings should be planned for a minimum of light reflectivity.

A popular solution to both problems, seen in many West Coast homes, is the paneling of walls in naturally finished woods. Those paneled walls provide a "luxury look" which is another distinguishing mark of the contemporary home.

## RUTH MILLET

Study the most popular woman you know, the one best-liked by both men and women, and you may find out some surprising things about her.

You may discover that she couldn't by any stretch of the imagination be called beautiful. The popular woman is often a woman of average looks, who is attractive because she takes the trouble to play up her femininity.

You may also discover that she isn't the most brilliant woman you know. She is undoubtedly smart — for it takes brains to know how to get along with people — but the most intellectual woman in any group is rarely the most popular.

There's too great a temptation for the brilliant woman to want to have her brilliance recognized and for her to be impatient with other people's ideas.

You will find that though she has a reputation for a sense of humor it is probably not based on her own quotable remarks, but on her ability to see the funny side of little everyday happenings and her readiness to laugh at herself and with others.

You will undoubtedly have to admit that she is always willing to do her part and perhaps a little more. The sponger, the loafer, the irresponsible are rarely popular with anyone who knows them well.

The woman that everyone likes usually isn't prettier, more intelligent or wittier than others.

So there is no reason why anyone who really wants popularity can't have it.

Pampa News Sports Editor

IT LOOKS LIKE AMARILLO IS TRYING its best to get Pampa out of the West Texas-New Mexico League.

For about the "umpteenth" time our neighbor city has come out with the rumor that Pampa won't be around the WT-NM come next season.

The latest rumor came by way of KFDD-TV sports announcer Murray Warner on his daily broadcast last night.

Warner had Ted Claitwiter, who was recently bounced as the Amarillo Gold Sox manager, as his special guest on last night's broadcast.

Warner said he had heard rumors that Clovis and Pampa would drop out of the WT-NM after this season to which Claitwiter replied: "Yes, that's right. In fact I've attended a couple of meetings on it."

Well, this stirred us up somewhat and sent us checking on the rumor this morning.

However, Mr. and Mrs. Doug Mills, owners of the Sox, were out of town and couldn't be reached for comment.

We did contact Oiler business manager, Jimmy Hamilton, on the matter and Hamilton said as far as he knew there was nothing to the rumor.

It seems rather odd that Amarillo is the only city in the WT-NM who gets the "Pampa on way out" rumor started. We have been following the other newspapers of the league and none of 'em have counted Pampa out as far as the 1955 season is concerned.

It looks like the West Texas-New Mexico League will up its classification to Class B next year. This fact will be known Wednesday when the league executives convene in Plainview.

The admission of El Paso will be brought up at the meeting. El Paso, who has been wanting in the WT-NM for several years, recently got permission to withdraw from the Arizona-Texas League with an eye trained toward gaining admission to the WT-NM.

Obviously the admission of El Paso will add a tremendous amount of traveling expense to the WT-NM League although Claitwiter said over last night's interview with Warner that it wouldn't.

Then there's a possibility that Wichita Falls will be admitted to league. However, we don't think WF will be brought in, especially if EP is admitted. The WT-NM teams would spend more time on the road than anywhere else if both cities are admitted to the WT-NM.

Wichita Falls, for a city of its size, is a poor baseball town. It went deep in the hole last year with a winner in the Big State League.

And this year the city tried to make a go of it in the Longhorn League but lasted only a few weeks before folding up.

Why then would the WT-NM want Wichita Falls to join the league?

GIEN ADAMS, WHO... mentioned in this space recently of turning professional, is back home and will await spring training of 1955 before giving pro ball an "official" try.

Adams, the Harvester's center fielder last spring, was signed to an Oiler contract and optioned to Paula Valley of the Sooner State League.

Del Ennis sparks Phil wins over Bums

Adams was too far behind the others as he had played only once a week this summer while the pitchers he was facing at PV had been playing daily.

Well, Adams will be around next spring when the Oilers conduct spring training.

Adams reported that Jake Henson, recently released by the Oilers following an appendectomy, is trying a comeback at PV. In his first start, Henson allowed eight hits to Lawton but was beaten, 2-0.

Well, this stirred us up somewhat and sent us checking on the rumor this morning.

However, Mr. and Mrs. Doug Mills, owners of the Sox, were out of town and couldn't be reached for comment.

# Oilers Drop Opener At Clovis; Twinbill Tonight

## Games To End Play Between Top Runners

CLOVIS, Aug. 23 — League leading Clovis and second place Pampa will clash in a crucial West Texas-New Mexico League doubleheader here Monday night as the two teams will be meeting each other for the last time over the regular season route.

Clovis took the series opener Sunday with a 7-1 victory behind Jack Venable.

Venable, however, was hit hard during the afternoon but managed to get out of several jams with clutch pitching.

In tonight's twinbill, Oiler manager Hershel Martin is expected to go with Vibert Clarke (13-6) and Jonas Gaines (13-7) in an attempt to revive the Oiler hopes of a first place finish.

The Oilers, going into tonight's twinbill, trail the Pioneers by 2 1/2 games. A twin victory for the Oilers tonight would pull the Pampans within 1/2 game of the leading Pioneers.

Clovis manager Grover Seitz will likely send Rueben Phillips and Red Dial at the Oilers tonight, both of whom recorded wins over the Oilers in a recent series at Pampa.

Oilers Return Home Tomorrow After meeting the Pioneers in the doubleheader tonight, the Oilers will return to Pampa Tuesday night to open a two-game series with the Lubbock Hubbers.

Inability to hit with "the ducks on the pond" hindered the Oiler victory chances here Sunday. The Oilers had 17 base runners during the afternoon with only one working his way around to score.

The lone Oiler run came in the fourth inning and it tied the score at the moment. The Pampa run came when J. B. Palmer led with a double, moved to third on Doug Lewis' single and then scored when Dick Hairston flew out to center.

Leave 18 Stranded The Oilers collected 10 hits off Venable but left 13 men stranded on the base paths. Twelve of the Pioneer putouts were handled by the outfielders with centerfielder Pete Trabucco accounting for nine putouts.

Clovis went ahead on John Warren's single in the fifth and the Pioneers were never headed.

Jose Valdesquez suffered his seventh loss of the season against 12 wins.

In the only other game the weatherman permitted Lubbock nipped Albuquerque 2 to 1. Plainview and Amarillo were rained out.

Lubbock scored two runs in the first inning then held tight for the skin-of-the-teeth victory. Albuquerque, held to three hits by Leon Isenhart, managed its run in the seventh inning. Lubbock collected eight hits off two Duke hurlers.

# Indians, Giants Hike Loop Leads

By FRED DOWN United Press Sports Writer

Twenty shaped up Monday as the "magic number" which will put the Cleveland Indians and New York Giants in the richest World Series of all time.

It's not a mathematical certainty, of course, but that's the handwriting on the wall with the Indians rolling 2 1/2 games ahead of the collapsing New York Yankees and the Giants leading the reeling Brooklyn Dodgers by four lengths.

A Cleveland-New York series would be worth a record \$10,000 for each winning player because each team has the largest seating capacity in its league.

The Indians signalled the end of the Yankees' five-year reign when they routed the Baltimore Orioles 12 to 1 Sunday while the "old champs" blew a third straight defeat to the Boston Red Sox 8 to 2.

The Giants, meanwhile, took a stanglehold on the National League lead by beating the Pittsburgh Pirates 5 to 4, and 5 to 3 while the Philadelphia Phillies scored 6 to 2 and 6 to 0 triumphs over the Dodgers.

Bright for Leaders As a result, the red-hot front-runners found themselves in this position:

Twenty victories in their remaining 32 games, a mere .635 pace, would give the Indians a season's total of 108 wins. To beat that total, the Yankees would have to win 28 of their 31 games—a fantastic 89 pace.

By winning only 20 of their remaining 34 contests, a .588 pace, the Giants would wind up with 94 triumphs—a total which the Dodgers could exceed only by traveling at a .750 clip with 24 wins in their last 32 games.

Larry Doby collected three hits and seven other players had two each as the Indians unleashed a 20-hit attack to beat the Orioles for the 19th consecutive time.

Terrible Ted Williams drove in four runs with his 23rd homer, a double and a single and also chok-

ed off a seventh-inning threat with a back-handed catch to lead the Red Sox to their third straight over the Yankees.

Help from Pirates Pinch-hitter Bill Taylor's bases-filled, ninth-inning single provided the Giants with their winning run in the opener and knuckleballer Hoyt Wilhelm won the nightcap with 4 2/3 innings of hitless relief pitching. The Pirates made things easy for the Giants with sloppy defense behind Paul LaPalme's fine pitching in the first game and committed four errors in the second game.

Stan Musial hit two doubles to pull within one percentage point of Duke Snider's league-leading .349 average and lead the St. Louis Cardinals to a 9 to 7 decision over the Cincinnati Redlegs and Bobby Thomson celebrated his return to the regular lineup with a two-run homer as the Milwaukee Braves beat the Chicago Cubs 12 to 6 in the Other National League game.

In the American League, the Chicago White Sox dropped 9 1/2 games off the pace when Frank Bolling drove in three runs to lead the Detroit Tigers to a 7 to 4 triumph. Joe DeMaestri's 12th inning single gave the Philadelphia A's a 3 to 2 win over Washington and then the teams played a 4-4 tie in the other American League game.

# At Shamrock Play Resumes In Tournament

SHAMROCK, Aug. 23 — (Special) — Play will resume in the Texas Amateur Softball Tournament here Monday with three games on tap.

Tonight's games will be the first action in the tourney since Friday as Saturday's card was wiped off the books due to rain. Saturday's schedule will prevail tonight. The card is as follows:

Phillips vs. Southwestern Bell of Pampa, 7:30. Rushing Service of Shamrock vs. Skelly of Pampa, 9:00. Gould, Okla., vs. Canadian, 10:30. Phillips and Southwestern Bell are meeting in the winner's bracket of the double-elimination tourney while the other four teams on tonight's card are clashing in the loser's bracket.

Cheyenne, Okla., along with Phillips and Southwestern Bell, are the only teams unbeaten in the tourney. Play will continue through this week with final set for Saturday night. Winner of the tourney will gain a berth in the World's Tourney at Phoenix, Ariz.

# Giants, Colts, Browns Win

By UNITED PRESS

The New York Giants, the Cleveland Browns and the Baltimore Colts scored weekend victories as the National Football League exhibition program began to shift into high gear.

The Giants' big new line pushed the Chicago Cardinals around in convincing style Saturday night at Spokane, Wash., but end Bill Strubling, who failed to impress last year, provided the scoring punch by snaring three touchdown passes in a 36 to 0 decision.

At Green Bay, Wis., the Cleveland Browns scored twice in the opening period and then staved off late Green Bay Packer assaults to grind out a narrow 14 to 13 victory.

In Sunday's only action, the revived Baltimore Colts, behind the "pitching" of quarterback Gary Kerbsorian and the running of fleet George Taliaferro hung out a 27 to 21 triumph over the Pittsburgh Steelers.

NOT READY YET—Danny Davis, 8, is a touch too small for Joe Stydahar's Chicago Cardinals, but the youngster is willing to learn. He soaks up grid advice the coach gives him at the Lake Forest, Ill., training base. (NEA)

# Playoffs Tonight In Kid Softball

By RAUL (Rabbit) RAMIREZ

The 1954 Kiwanis softball league playoffs will start tonight with four games on tap.

The First Christian managers Pinky Shultz and Bunny Shultz protested early Sunday morning that their team was also in the playoff schedule. They protested that the second half standings were wrong. A check was made and it was discovered that they were right. Therefore there were three teams tied for fourth place.

Over in the Junior boys, Progressive Baptist Negro team, 13-5, will face the Calvary Baptists, 14-4. Game time will be at 8:15.

In the junior girls league First Baptist 13-1 will battle First Christian 7-5.

# Baxter Underdog In Today's U.S. Amateur Tourney Opener

GROSSE-POINTE, Mich., Aug. 23 — (UP) — Harvie Ward Jr. and Billy Joe Patton, both products of North Carolina, ruled as co-favorites Monday as the shooting started in the 1954 U. S. Amateur golf tournament at the Country Club of Detroit.

Ward, who now makes his home in San Francisco where he sells suits when he isn't on the fairways, showed he was ready for the rugged six-day match play test by stroking to victory in the Canadian Amateur at London, Ont., last week.

The 29-year-old Ward claimed the dominion crown Saturday with a 5 to 4 triumph over Bill Campbell of Huntington, W. Va., his first major golf win since the 1952 British Amateur.

Patton, a long-driving 32-year-old lumberman from Morgantown, N. C., passed up the Canadian tournament but his record speaks for itself — second place in the Masters and a tie for sixth in the U. S. Open this year.

Ward and Patton were bunched in a field of 144 who lead off Monday in first round man-to-man encounter scheduled for 10 a.m. Fifteen-six others drew opening byes and will join the action Tuesday.

Hord Hardin of Normandy, Mo., was pitted against Ward while Patton faced 18-year-old Rex Baxter of Amarillo, last year's national junior champion and low qualifier for the amateur with a blistering 133 total for 36 holes.

Four former U. S. Amateur champions — Charley Cox of Oklahoma City, Sam Urzetta of Rochester, N. Y., Ted Bishop of Weston, Mass., and Chick Evans of Chicago — all drew first round opponents.

Cox met Richard Coliard Jr. of New Orleans, La., Urzetta tackled Tim Holland of Rockville Centre, N. Y., Bishop opposed Lincoln Roden of Abington, Pa., and Evans faced Richard Foutche of Charleston, W. Va.

Other "name" players on the links Monday included crooner Don Cherry of Wichita Falls, Tex.

Fans holding season tickets last season are being given a chance this week to purchase tickets for the same seats they held in 1953.

Admission price for the six home games is \$9. The Harvester home hits will be against Austin (EP), Paschal (FW), San Angelo, Midland, Lubbock and Borger.

# Little LEAGUERS

## It's World Series Time In Little League; Tourney Starts Tomorrow In Williamsport

By JIMMY BRESLIN NEA Staff Correspondent WILLIAMSPORT, Pa. — (NEA) — The Little League World Series, which annually sends this quiet Pennsylvania city of 60,000 onto a baseball binge, holds a four-day spotlight here, Aug. 24 to 27.

Normally youngsters in the 8 to 13-year-old bracket cause a commotion any place, but the 130 Little Leaguers who move in for the World Series of small-fry baseball figure to completely disrupt Williamsport.

The eight regional winners, encompassing every section of the United States and part of Canada, will generate all-time high interest in this seventh World Series held by the Little League.

With a record 3500 teams and over 500,000 youngsters engaged in the Little League program this year, the World Series has become a bigger item than ever before.

The three playing dates this time should draw over 40,000 spectators and will reach far more than that via network radio and television. Mel Allen will handle the announcing.

"This is our idea of a bona-fide answer to juvenile delinquency," says Pete McGovern, Little League president.

What he also could point out is the success of a crapping ex-Little Leaguer from Connecticut, 18-year-old Joe Jay, now a bonus hurler for the Milwaukee Braves.

Baseball people are taking it as a matter of course that the professional ranks will be filled, in the future, almost entirely by graduates of the Little League program. Jay is only the first one to reach the majors. And each of this year's contestants know that.

The eight teams, comprised of 15 youngsters each, made Williamsport after regional playoffs. The personnel for each regional team is an All-Star aggregation picked from the individual league in which the youngsters played throughout the season.

Once chosen, they were sent against similar teams in their own region for the right to make the trip to Williamsport.

The eight regions which will be represented in the Series are: New England; New York and Canada; Pennsylvania; the Midwest; the Pacific Coast; the Southwest; the Southeast, and the Atlantic Seaboard.

The regional winners are flown to Williamsport and housed at Locomotive College during the series. The boys all are under the supervision of Mickey McConnell, Little League field director and former Brooklyn Dodgers chief scout, and Ed Stetz, physical education director of Springfield College.

The Little Leaguers aren't the only baseball people who turn up for the Series. The Locomotive Hotel lobby each year looks like a baseball convention headquarters.

"The baseball people who come in for the Series jam the town," Bob Stritt, LL promotion director points out. "We expect almost 1000 of them and they come from every part of the country. You see former stars like Lefty Gomez or Ty Cobb or Rogers Hornsby walking around. Then you have people like Walter O'Malley, the Brooklyn president, and Connie Mack of the Athletics."

The games themselves, if past records hold form, will be tightly contested affairs, Birmingham, Ala., last year's champs, won the final, 1-0, with Joey Sims' pitching the crown, the same for Hammon-town, Pa., the 1949 winner.

To win the title, a team must get through three contests. The games are played in the picturesque Little League stadium in Williamsport and a touch of old-line sandlot play enters the Series when finances are mentioned. There is no admission to the Series, but the boys pass the hat to ggin revenue.

# Ex-Kentucky Derby Champ, Native Dancer, To Retire

SARATOGA SPRINGS, N. Y., Aug. 23 — UP — Native Dancer, the great "gray ghost of Sagamore" who captivated millions of racing fans and television viewers as he won all his races except the Kentucky Derby, will race no more.

Owner Alfred G. Vanderbilt, admitting sadly that he had "no other choice," Monday announced the retirement of his famous four-year-old colt because of a recurrence of a bruise on his right front leg.

"There appears to be no choice but to retire him from racing," said Vanderbilt. "He will not race again and will enter the stud at Sagamore farm in Maryland next spring."

Vanderbilt disclosed that the leg injury, which was first noticed after the Metropolitan Handicap at Belmont Park on May 15, had showed up again Sunday morning after the fourth highest money winner in turf history had gone through his usual morning workout at the Saratoga track.

Bernie Everson, Native Dancer's regular exercise rider, had sent the gray through a mile-and-three-eighths run. When the workout had finished, Vanderbilt and trainer Bill Winfrey went into a hurried conference at which the retirement decision was reached.

Winfrey said that "the Dancer" had run well in the workout, which had been intended to prepare him to shoot for his 22nd victory in the Saratoga Cup at Saratoga this Friday.

"When he walked off the track he looked fine," said Winfrey. "But while he was walking to cool, he suddenly began favoring his right front foot. We stopped walking him immediately and put him in his stall."

Everson confirmed that Native Dancer had shown no soreness during the workout and only began to limp while walking.

The official diagnosis of the injury by Dr. William Wright was "a bruised digital cushion with a secondary inflammation of the bursae between the navicular and coffin bone."

Native Dancer, whose mottled gray face made him easy to spot both from the track grandstand and on a television screen, won 21 of his 22 races.

# Bauman Hits 3 HRs; His Total Now 60

By UNITED PRESS Slugging Joe Bauman equaled Babe Ruth's "unouchable" home-run record Sunday night, but it is doubtful if the feat will grab many headlines.

Bauman hit three homers for Roswell of the Longhorn League to boost his season mark to the magic 60 figure. More than two weeks remain in season play and it is likely that the slugging outfielder will go over the 70 mark if he continues to belt the ball at his present rate.

# BUSINESS REVIEW PAGE

ALL SCHOOL NEEDS — Pampa Office Supply, 211 N. Cuyler, has stocked study aids for all students, and has arranged this display of part of the school materials. Students entering school for the first time and students returning for college graduate work find all the materials they need here.

## Pampa Office Supply Has Study Aids For All Students

Students of all ages — from 6-year-old first graders to 20-year-old college and graduate students — are finding the study aids they need at Pampa Office Supply Co., 211 N. Cuyler (phone 4-3353).

They find the paper they need to write their early sentences and compositions, and to write their college and graduate school theses; crayons and all art supplies; wooden pen holders and dependable fountain pens and ball point pens; canvas and leather bound loose leaf note books; index tabs; desk lamps and desk blotter sets.

Students in every grade of all schools know the hours and needless work they save by having their notes at their finger tips. They know the value of loose leaf note books, especially if those notes are indexed. Instead of spending precious time leafing through pages of notes that can turn at once to their history, psychology or zoology notes. That quick reference at a last minute can mean an "A".

ant it is to be sure of a sharp pencil to take a quick note, or to jot answers in those "ten minute quizzes."

Every student appreciates those Parker, Esterbrook, Sheaffer pens and pencils at Pampa Office Supply.

Esterbrook features the pen point of your choice. "Choose the right point for the way you write." This pen features points for fine work, points for regular writing, shaded writing and broad points. Sheaffer features the famous "Snorkel" pen with the visible ink supply. It's a smoo-ooth writer.

Parker points to the well known Parker "21" and "31" pens. Pampa Office, of course, has the complete pen and pencil sets in all these brands, and the pens and pencils separately.

Typewriters  
College students, particularly,

and all students find the fastest writing and the most legible, writing is done on a typewriter. For notes to be used months later, for correspondence, for day to day assignments, a typewriter is the greatest time saver — for both the writer and reader.

Pampa Office features the famed Royal portable, particularly for students.

The Royal Portable has "Magic" margin — Royal's exclusive which sets the left and right margins automatically. Full size, "Office" typewriter keyboard. Completes "Office" typewriter controls.

Push button up permits easy access for ribbon changing and type cleaning. Improved touch control. Fiberglass carrying case. The quiet deluxe Royal portable has these additional features:

Speed selector which adjusts the speed of the typewriter carriage to typing habits; the meter showing the number of typewritten lines remaining on the paper; visible tabular setting for fool-proof work; an automatic paper lock; and adjustable paper support.

## GLANCING BACKWARD

(From the Files of The Pampa Daily News)

### ONE YEAR AGO TODAY

More than 1,700 people were on hand for the annual Cabot Companies barbecue.

Mr. and Mrs. Joe Lewis vacationed in Denver, Colo., Salt Lake City, and San Jose, Calif., where their daughter and son-in-law, Mr. and Mrs. John H. Lawler, make their home.

### FIVE YEARS AGO TODAY

"Prelude to War" one of the Army's series of war training films was shown at the National Guard Armory at Recreation Park. Capt. William J. Ragsdale, commander of the local Guard unit, presided. The combined Senate Committees on foreign relations and armed services approved \$239,101,000 of arms, to Greece, Turkey, Iran, Korea, and the Philippines.

### TEN YEARS AGO TODAY

Armed patriots of the French Forces of the interior and hundreds of thousands of citizens liberated Paris today after more than four years under the Nazi yoke.

Sunday school teachers and officers of the First Baptist Church had dinner at the Church. Captain Herschel Murphy of the Salvation Army sang several numbers.

### Other Aids

Other aids older students will appreciate include desk blotter sets which help to keep desks neater, books, papers cleaner.

Other aids all students find at Pampa Office Supply include erasers of all types, the multiplier pencil box which will help young students learn the multiplication table; crayons, rulers, school wallets, which will help keep assignments and reminders straight; dictionaries, including Webster's Collegiate and Webster's Unabridged; mechanical drawing tools; ball point pens.

All students can find the materials, study aids they need in one store, Pampa Office Supply, 211 N. Cuyler.

### Courthouse Work Slowed

Work on the courthouse came to a halt recently, because of the equalization board hearings.

"Rather than inconvenience anyone, since in order to complete our work, we'd have to turn off the electricity, it was decided to wait until the hearings were over," T. M. Brooks, Pampa electrical contractor said. Brooks Electric Co. was awarded the contract in June.

"I do expect to complete installation of the main distribution panel by next Sunday," he said.

Jerry Keith, Berger plumbing contractor has to install a new boiler. It hasn't arrived from the manufacturer as yet.

### Multiple Birth Amazes Meds

DEROIT, Mich., Aug. 23 — UP — A young mother gave birth to a healthy six pound boy Friday night just three weeks after having twin girls.

Physicians proclaimed the case a medical wonder. They said the newborn boy was probably conceived about two weeks after the twin girls.

The mother, Mrs. Boyd Braxton, 28, a Negro, has a double womb. She has six children besides the three born during the last three weeks.

Dr. Thomas Y. Hum, Mrs. Braxton's physician, said the three children would be considered triplets despite the time lapse between births.

The twin girls were delivered at Kiefer Hospital on July 31. Then Mrs. Braxton was told to go home to await the birth of another child. She returned to the hospital Friday for delivery of the boy.

The father is a production line worker for the Packard Motor Car Co.

### Leonard's Conoco Service Features Quality Work

Bob Leonard's Conoco Service, 500 W. Foster, is a station that really features the service.

That includes a parking lot for about 30 cars. Free of course. A time saver, of course. Come down town, park at Leonard's, do your shopping. While you are busy Bob will wash and grease your car, check the tires.

Parking — Minor Repairs

And you can have Bob's skilled mechanic, Frank Hinds, do a little trouble shooting — finding the reason your engine put-puts instead of purrs.

Frank doesn't do any overhauling — ham! the time. He does do trouble shooting, tune-ups, quick repair work. His quick adjustments and attention here and there will save you many major overhaul bills. For it is very true in auto work: a minor adjustment saves a major repair. (Or a stitch in time saves nine.)

Bob features the famous Conoco regular gasoline and new, sensational TCP gas, Conoco oils and greases. B. F. Goodrich tires and batteries, radiator and motor tonics.

### Conoco Gas, Oil

Conoco has added the TCP gasoline to boost your car's power, give you more miles to the gallon. TCP gasoline makes many cars take off with new pep.

Conoco 10-W-30 oil is a double duty lubricant that cleans as it lubricates and doesn't thicken in the winter. Motorists use the same weight of 10-W-30 all year long.

### Try Leonard's

Leonard's Conoco Service washes and greases all cars, cleans motors (the cleaning helps them to run cooler), waxes auto.

Leonard's has the equipment to recharge your car battery on the quick charge, if you are in a hurry, and on the slow charge. Leonard's Conoco Service believes the best way to operate is to satisfy customers. Their great objective is to do that. Come in, won't you, and try Leonard's — 500 W. Foster.

### 'Hottest Yet,' Says AEC Of New Reactor

IDAHO FALLS, Idaho, Aug. 23 — UP — The U. S. Atomic Energy Commission Saturday gave new men their first look at the "hottest" atomic reactor in existence.

The unit is the materials testing reactor, whose fissioning uranium fuel produces enough heat to warm nearly 1,000 average size homes on the coldest winter day.

In operation of the reactor at the Snake River plains 40 miles west of Idaho Falls, the heat currently is wasted — carried off by a water flow of 300 gallons per second.

However, intense radiation produced under carefully controlled conditions in the 32 foot cube of metal and concrete is utilized for a myriad of laboratory experiments ranging from irradiation of food to testing the durability of pipes.

The \$15 million reactor has been in use by the AEC since March, 1952, primarily to observe the behavior of materials used in the government's atomic energy program as they are exposed to a maximum density of both fast and thermal neutrons. The reactor has a rated power of 30,000 kilowatts. Within the last few months, it also has been made available for private experiments that are carried out under commercial contracts by the Phillips Petroleum Co. which has operated the "MTR" since its start for the AEC.

In basic operation, the materials testing reactor is similar to the war-born plutonium producing atomic piles at Hanford, Wash., and the submarine-propelling atomic piles first tested on an offshore site of the Idaho testing grounds.

## Death Spurs Women Cons To Stage Riot

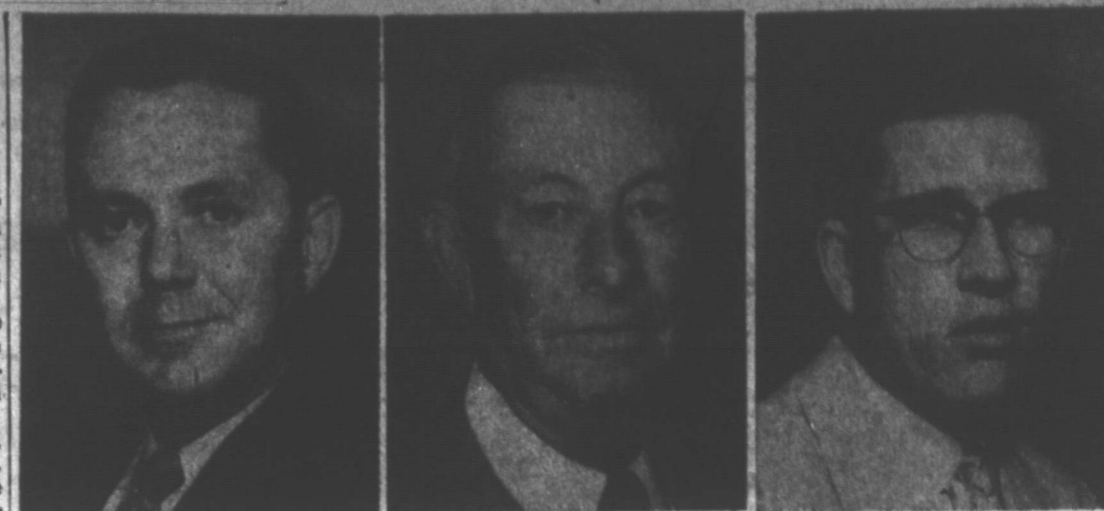

RALEIGH, N. C., Aug. 23 — UP — About 350 white and Negro inmates staged a demonstration at the State Prison for Women and some threw mirrors and other personal objects at guards Saturday after a Negro prisoner was found dead of a broken neck in an isolation cell.

Eight guards from the men's prison and a half a dozen city police were rushed to quell the disturbance which state prisons director William Bailey said "was not a riot."

Prison Superintendent I. B. Hinton said one prison employe was scratched by a piece of flying glass which some of the women grabbed up and tossed at guards as they returned to their cells from the prison yard.

But Bailey said "nobody was hurt or scratched or anything else."

The dead woman, Eleanore Rush, had been lodged in an isolation cell for the past four or five days after she threatened a matron with a rock, Bailey said. Previously, she had attacked a matron at a prison farm, then was sent to the state mental hospital at Goldsboro where authorities decided she was simply a disciplinary problem and sent her here.

## Republic Supply Promotes

A new vice-president and two other important promotions were announced this week by James E. Webb, president of Republic Supply, Oklahoma City, in organizational changes to improve management functions in the face of expanding business volume.

Arthur McLawhon, formerly Assistant to the President, was elected a Vice President and assigned the newly established responsibility of Comptroller of the company.

He will supervise analysis and improvement of general procedures and management functions. He will also direct those accounting, auditing and coordinating functions which provide essential information to the Operating Managers of the company.

R. E. McCullough, formerly Purchasing Agent, was promoted to Assistant to President, where his years of experience in Purchasing will provide top management assistance on high-level negotiations and purchasing contracts.

Replacing McCullough as Purchasing Agent is R. J. Hood, formerly associated with Brown & Root, Inc., Houston, Texas. With Hood's appointment as Purchasing Agent, several additional responsibilities were assigned to the position.

These include the purchasing functions of Sales, Quotation and Expediting Division and the Mail and Stationery Section. Hood will also supervise Inventory Control and Price and Discount.

### Five Killed In Texas City Wreck

TEXAS CITY, Tex., Aug. 23 — UP — Five persons died in two separate accidents near Texas City Saturday.

A pickup truck occupied by three youths apparently crashed into the side of a moving southbound Southern Pacific train about 4 a. m. near the Texas City "Y." All three were killed.

In a second accident, a man and his wife were killed when they stopped their automobile on the Gulf Freeway near the La Marque cut-off to change a tire. Another car crashed into the parked automobile.

Victims of the truck-train accident were identified as Pete P. Maldonado, 18, of Baytown; Rhomas O. Capetillo, 26, of Texas City, and Alfred B. Garcia, 22, of Baytown.

### Phillips To Pay With \$2 Bills

The last of three Phillips Petroleum Company departments Tuesday gave paid in two-dollar bills in preparation for Greater Pampa 25 Days, Aug. 26-31.

25 Days is a promotion sponsored by Phillips employes in cooperation with Panhandle merchants to show the employes' purchasing power.

## Wheeler Personals

By CLARA MARSHALL.  
Pampa News Correspondent  
Miss Celeste Wiley left Wednesday to return to Wenatchee, Wash., where she will teach this year. Her father, H. M. Wiley, drove through with her and will do some sight seeing on his return home.

Palmer Sivage, county treasurer, is on vacation. Miss Rena Johnson of Kelton is working in his office during his absence.

Mr. and Mrs. Jess Moore and family have left on vacation to New York City.

Mr. Roy Ford is a new employe in the C. J. Meek title abstract office. Mrs. Ford replaces Miss Maureta Horn who resigned Aug. 17.

Albert Marshall made a business trip to Canadian Tuesday afternoon.

Mrs. Harold Lloyd Lee of Mobeetie is staying in Wheeler the next two weeks while her husband is attending National Guard camp at Fort Sill, Okla.

Mrs. Basil Jeter and children, Randy Ken and D'Juana Lynn, of Berger, are visiting her family. Mr. and Mrs. Charles Slemmer while Jeter is attending National Guard camp at Fort Sill, Okla.

Mr. and Mrs. Fort Clark and daughter, Beverly, are visiting this week in South Dakota with their daughter and family. Mr. and Mrs. Vernon Sivage.

J. C. Howell has accepted a position as advertising manager of the Levelland Daily Star News and the Hackley County Herald. He will assume duties Aug. 24.

Mr. and Mrs. Devard Wofford and son, Dale enjoyed a trip to Ruidoso, N. M., the first of the week.

Mrs. C. D. Mitchell and daughter, Barbara, accompanied by Janice Jago, have returned from vacationing in Colorado Springs and Denver. On their return trip they visited her son, C. G. Mitchell, of Springer, N. M.

Miss Bonnie Ray Tilley of Sublet, Kans., was house guest of Miss Bill Hooker the past week.

A daughter, Debby Ann, was born Aug. 15 to Mr. and Mrs. Ralph Wilson, Jr., of Amarillo. She weighed 5 lbs. 15 oz. The maternal grandparents are Mr. and Mrs. Robert Holt.

Mr. and Mrs. Thurman Horn, Mrs. Oren Horn, Maureta and Mrs. Carroll Killingsworth went shopping in Amarillo Wednesday. Mrs. Killingsworth met her husband in Canyon and accompanied him to a reception in the home of Dr. and Mrs. James Cornette, given in honor of students graduating Friday evening from WTCC. Killingsworth will be a member of that group.

Mr. and Mrs. D. J. Johnson and children, Harry and Ann, spent the past week vacationing in Colorado.

Mr. and Mrs. Roy Jones and sons, Richard and Ronnie, of Berkeley, Calif., visited a short time Tuesday with her sister, Mrs. Happy Martin. Mrs. Jones' mother, Mrs. Alpha Henderson of Pampa, accompanied them to Wheeler.

Mrs. Douglas Course of Mobeetie has spent past week visiting her aunt, Mrs. Happy Martin.

Mr. and Mrs. Billy Cantrell of Tiddy announces the birth of a son, born Aug. 18 in Wellington Hospital. He weighed 10 lbs. 14 oz. The Cantrells have three other sons, Ronnie Paul, Phil and Wendell. The maternal parents are Mr. and Mrs. George Hefley of Wheeler and the paternal parents are Mr. and Mrs. C. G. Cantrell, Sr., of Shamrock.
