

## Yoshida's Party Votes To Dump Him As Leader

TOKYO (AP)—Executives of Prime Minister Shigeru Yoshida's Liberal party today voted that Yoshida should resign the party presidency but "provisionally retain" the premiership, Kyodo News Agency reported.

The agency said party leaders favored going into a special Diet session to open Nov. 30, with Yoshida as Prime Minister and his deputy, Taketora Ogata, as party president.

Once Japan's supplementary budget gets Diet action, Yoshida said, it was likely that Yoshida would dissolve the dominant lower House and call for general elections.

Yoshida was not present at the executive sessions. Party leaders said their decision would be made known to him Friday. They met at Yoshida's request, who wrote that he had no desire to "cling" to office and asked them to discuss what the party and he should do in the current political crisis.

The Liberal vote boosted the chances of 71-year-old Ichiro Hatoyama to become Prime Minister as the compromise candidate of the conservative parties.

Hatoyama, founder of the Liberal party, broke with Yoshida last week and led 124 conservative lower House members into the new Japan Democratic party, which he heads.

The Democrats, organized yesterday, are pledged to oppose both Yoshida and any Liberal party successor.

This leaves Hatoyama as the only visible candidate strong enough to command the conservative two-thirds majority—Liberals, Democrats and independents—in the lower House of Representatives.

There is little difference in political outlook between the two men. Their conflict has been partly one of personalities.

Yoshida-Hatoyama is strongly pro-Western and advocates Japan's continuing alliance with the United States.

Their major policy difference is Hatoyama's desire to open trade and diplomatic relations with Soviet Russia and Red China to strengthen Japan's foreign trade.

Yoshida has been unshakably against any such move until the Red sign the San Francisco peace treaty or make some other suitable agreement.

Something To Be Thankful For

Mr. and Mrs. Ruben Vela of Lamesa lost their 1952 Buick early today, but they still had something to be thankful for. The big run-away truck that crushed the automobile also grazed the tourist cabin in which the Vela's were sleeping. The semi-trailer truck, loaded with 22,000 pounds of sacked cement, was parked at the Reed Oil Company service station about 4 a.m. Air leaked out of the brake system and the truck rolled about four blocks in reverse, crashing against the Golden West Motel and crushing the automobile. Police Sgt. Bill Cartwright said R. M. Lee, Amarillo, was driver of the truck. A parked furniture van was also damaged.

## U. S. Course Studied In Imprisonment Case

By WARREN ROGERS JR.

WASHINGTON (AP)—Measures short of war were being carefully weighed today by American officials charged with trying to win freedom for 13 Americans condemned to prison by Red China.

With military action apparently ruled out—President Eisenhower yesterday pledged every step "humanly possible within peaceful means"—these State Department officials had three principal avenues open to them:

1. To protest in "the strongest terms possible," as they already have set out to do, to Red China's representative at Geneva.

2. To bring pressure on Communist China as they have in the past, through British and other Allied representatives at Peiping, or

perhaps even through the Russians.

3. To go to the United Nations, as they did with protests against atrocities in Korea and the shooting down of an American plane, with demands for a resolution of censure.

And while they were at it, these officials could do their best toward mobilizing world opinion against Red China for what the United States has called the "amoral" and "outrageous" jailing of innocents on trumped up charges. Widespread public indignation on this score could hurt Peiping's drive

for diplomatic recognition and a seat at the U. N.

Red China announced Tuesday that 11 U. S. airmen and two U. S. civilians captured during the Korean War had been sentenced as "spies" to prison terms ranging from 4 years to life. Yesterday Peiping radio broadcast that these 13 plus five Americans who had died were among 230 saboteurs the Chinese Reds said were captured or killed inside China since 1951.

Washington has instructed U. S. Consul General Franklin Gowen at Geneva to make "the strongest possible protest" to his Red Chinese counterpart, Weng Peng-chiu.

Gowen tried to do this yesterday, but reported he expects no reply for "two or three days" on his demand for a face-to-face meeting. This direct contact, established at the Geneva Far East peace conference last summer especially for prisoner exchange discussions, is the only direct diplomatic channel open between Washington and Peiping.

Should the Geneva overtures prove fruitless it was expected that U. S. diplomats would fall back on the measures which they have used in the past. These generally are brought to bear on Peiping through the British representative there, but sometimes through other Allied representatives accredited to Red China.

As far as going to the U. N., American officials appear somewhat cool. No practical results came from U. S. Chief Delegate Henry Cabot Lodge's denunciation last September of the Red Chinese shooting down of an American plane.

In all such maneuvers in the U. N., America runs the risk of opening the door for Red Chinese membership.

## Ike Sends Wires To Relatives Of Imprisoned Men

AUGUSTA, Ga., (AP)—President Eisenhower today sent personal telegrams to close relatives of 13 Americans imprisoned by Red China, pledging a resolute and tireless effort by the government to free them.

"You may be very sure that your government is using every feasible means to bring you (husband or son) and all other Americans now in Communist hands to freedom," Eisenhower told mothers and wives of the Communist prisoners.

And he said "every feasible means" also would be used "to secure their proper treatment so long as their confinement continues."

## SANTA FE CHIEF 35 Shaken Up In Train Derailment

NEEDLES, Calif. (AP)—Thirty-five persons were injured, shaken or suffered shock in a Thanksgiving eve derailment of the Santa Fe Chief on the Mojave Desert last night.

Most of the injuries were minor, however. Only two were hospitalized and one put to bed in a motel here.

There were 85 passengers aboard the train when eight cars jolted off the tracks, remaining upright, at a remote scene near Cadis, five miles from the nearest highway and 63 miles west of here.

The first three cars and the engine brought the passengers here, arriving at 1:30 a.m. today.

These units and other available cars were made up into a new train which left at 3 a.m., five hours late. The train left Los Angeles at 4 p.m. yesterday, was due here at 10 o'clock last night and in Chicago at 9:45 a.m. tomorrow.

Besides the three injured, 13 other passengers remained here overnight because pullman space was unavailable for them.

Those hospitalized were W. J. Cusack, Los Angeles, for examination of undetermined injuries, and Charles P. Andrews, address unavailable, neck injury and back sprain, expected to be released today.

Mark V. Pacello, San Bernardino, Calif., suffered abrasions to his right leg and a shoulder sprain. He was treated at the derailment scene, examined at the hospital

## British Blast China In Imprisoning Case

LONDON (AP)—The British government today accused Communist China of violating the Geneva convention on prisoners of war in the jailing of 13 American airmen on charges of espionage.

The accusation came from a Foreign Office spokesman who denounced the Peiping regime for concealing the fact that the Reds held the Americans for more than a year. The spokesman declared:

"The arguments by which the Chinese government justifies the different treatment of Korean prisoners of war are no more than legal quibbles. Their action is contrary to the 1949 Geneva convention on the treatment of prisoners of war."

The unusually strong statement by the British Foreign Office, which has been attempting to foster better relations between Red China and the United States, was made in response to questions by newsmen.

## Missing Girl Found Injured Near Home

HIGHLANDVILLE, Mo., (AP)—A 12-year-old school girl, missing since yesterday afternoon, was found injured this morning not far from her home.

Sheriff Clay Rogers said the girl, Joan Rantz, was unable to tell officers what happened except to indicate that two men had picked her up in a car.

Sheriff Rogers said the girl was found by searchers beside the road, indicating she had been thrown or let out of a car recently.

Extent of her injuries was not immediately determined.

# Americans Take Time Off To Be Thankful

## Big Homecoming Program Being Held Here Today

Big Spring High School's first homecoming service, which got off to a running start Wednesday afternoon, will be climaxed to night with a reception and dance.

Today's activities started at 11:15 a.m. with a downtown parade, and were to have been sparked this afternoon by the annual Thanksgiving grid tilt between Big Spring and Sweetwater.

Homecoming queen, who is as yet unannounced, will be crowned during the halftime ceremony at the game. Nominees are Nancy Smith, Nita Hedleston, Lila Turner, Sue Barnes, Barbara Bowen and Marliou Stagg.

All of these lovely ladies appeared in this morning's parade, which featured approximately 20 floats and marching units.

Another feature of the half-time period at today's game will be the presentation of an award to an old graduate of Big Spring High School—Shine Phillips. Phillips finished school in the year 1908.

A big two-hour reception is slated for 5 p.m. in the high school cafeteria, and a large attendance is expected. Graduates old and young will get reacquainted. The homecoming dance is slated for 8 p.m. in the high school gymnasium.

The high school auditorium was filled when homecoming activities opened Wednesday with a 2 p.m. assembly program. Lyle Price, minister of the Church of Christ, presented the Thanksgiving message.

A colorful "style" show featuring typical student dress since the turn of the century and a presentation of Big Spring's 1921 state quarter-dollar football team were included on the program.

## MIGHT WAIT A LONG TIME

SACRAMENTO, Calif. (AP)—The California Highway Patrol bulletin reported today:

A patrolman who stopped a speeder one recent night parked his car with its red light flashing in the fog.

While he wrote out a ticket for the speeder, another motorist stopped behind the patrol car.

When the officer went to the second car to ask what's the trouble, he drew the reply: "No difficulties, officer. I'm just waiting for the green light."

## Stop To Count Their Blessings

By The Associated Press

Americans the world around took time off today from worries about the Russians, taxes and the high cost of living to give thanks for the many blessings they do have.

Although the weather over much of the nation left much to be desired, the day promised to be one of the most joyful in the annual observance of this uniquely American holiday of prayer and feasting.

With the world's shooting wars stillled by an uneasy peace, the nation could echo with deep-felt thanks President Eisenhower's Proclamation:

"We are grateful that our beloved country . . . remains free and strong, and that each of us can worship God in our own way."

Government economists did their bit to spread joy by calculating that the traditional turkey dinner would be cheaper than last year. Turkeys, the experts said, generally were 4 to 10 cents a pound under last year's levels.

Only the weatherman was a gloomy. He forecast:

Snow flurries for most of the northeast section of the country, with rain in New York, New Jersey and coastal sections of New England.

Foggy, cloudy was the word for the northern states from Minnesota to the Pacific Ocean, with the Mississippi and Ohio Valleys shivering under cold northerly winds.

The southern third of the nation, however, was expected to have generally fair weather.

President and Mrs. Eisenhower were in Augusta, Ga., for the holiday. Like thousands of other Americans, they had a guest to help them eat their turkey—Britain's Field Marshal Viscount Montgomery, the President's World War II comrade in arms and now deputy commander of Allied forces in Europe.

The presidential bird, the gift of the National Turkey Foundation, weighed 43 pounds.

The Army turned out turkey dinners to its men in foreign posts. Vice President Richard M. Nixon, vacationing in the Bahamas Islands with his wife, was host at a Thanksgiving dinner for 35 guests at the Nassau home of U. S. Consul Hartwell Johnson.

As usual in America, thousands of sports fans were rushing from the loaded dinner table to football stadiums throughout the country to watch one of the traditional Thanksgiving Day games.

For those unwilling or unable to leave home after the feast, the television networks offered Maryland vs. Missouri and a professional game between the Detroit Lions and the Green Bay Packers.

There was tragedy, too. Accident exacted their toll of travelers on the nation's highways. And in Northport, Mich., the Rev. Amos Kahage, 66, a Methodist minister assigned to Indian missions in Michigan, died of a heart attack last night after preaching the Thanksgiving sermon at a joint Protestant service.

His last words were: "We should all love each other."

## Teachers Launch State Gathering

FORT WORTH (AP)—The Texas State Teachers Assn. opened its annual convention here today with retirement plans upmost in delegates' minds.

Recommendations for the plan were to be offered to the organization's membership during the convention. The four channels through which to work out the plan, as approved by the executive committee, include:

- 1. All-out participation in Social Security.
- 2. Complete overhauling of the present retirement program.
- 3. Revision of the present retirement program with Social Security as a supplemental pay source.
- 4. Social Security with a revised retirement program as a supplement.

## Princess Has Cold

LONDON (AP)—Princess Margaret, suffering a cold, was feeling much better today, her household said. Physicians said her illness is "taking a normal course."

## Freedom To Worship Stressed At Service

The freedom to worship was placed at the top of the list of things Americans should be thankful for by Chaplain Charles J. Fix of Webb Air Base this morning.

Chaplain Fix addressed more than 500 persons at the traditional Thanksgiving Day union service at the First Methodist Church. The sanctuary was filled for the service.

Rev. Cecil Rhodes, West Side Baptist pastor, led the invocation and Rev. E. Otis Moore of the St. Paul's Presbyterian Church conducted the responsive reading. Rev. Jessie Young of the Park Methodist Church read the Scripture.

Others on the program were Chaplain C. O. Hitt of the VA Hospital, prayer; Dr. Jordan Grooms, First Methodist pastor, announcements; Dr. P. D. O'Brien, First Baptist minister, dedication of offering; and Rev. Wayne Parmenter, Wesley Memorial Methodist pastor, benediction.

Special music was provided by the First Methodist Choir under the direction of Mrs. G. H. Wood.

Chaplain Fix spoke on "The Supreme Reason For Thanksgiving." He reminded his audience that Americans have many liberties and freedoms for which we should be grateful.

The chaplain spoke against selfishness and urged greater understanding in one's relationship with others. Pointing out some of the small differences among various groups, he said all should be thankful for the great accomplishments which have been made.

Mentioning less fortunate countries where religious activities are sharply limited, he expressed thankfulness for our freedom to worship as we please. We should be thankful that we live in a country where we can worship and have faith in God, he said.

The offering taken at the service will be used to help support the high school Bible course which is financed by the Big Spring Pastors' Association, sponsor of the annual Thanksgiving service.

## Scurry Oil Deal Is Set

FORT WORTH (AP) A deal to sell oil properties in the Kelly-Snyder Pool of Scurry County for cash consideration of \$20,986,000 is scheduled to be closed in Dallas Monday.

W. A. Moncrief, Fort Worth oil producer, announced today that he will meet with Eugene McElvany, First National Bank of Dallas, on that day to consummate the sale of the properties to Ponies Oil Company, owned and operated for the benefit of Southern Methodist University.

McElvany is treasurer of SMU. The properties consist of 42 2-1/2 wells in the Kelly - Snyder area. Associated with Moncrief and his sons, W. A. Moncrief Jr., and R. D. Moncrief, who account for 52 per cent of the ownership, in the transaction are Bob Hope and Bing Crosby of Los Angeles, 16 per cent each; Paul Teas, Dallas, 21 per cent; Clark and Cowden, Dallas, 8 per cent; Westbrook Oil Corporation, Fort Worth, 5 per cent, and Fred Madera, Hobbs, N. M., 2 per cent.

## Bandits Apologetic In Robbery Of Store

DENVER (AP)—A pair of apologetic bandits robbed a Denver liquor store of \$133 Thanksgiving eve.

"Sorry to do this," one of the gunmen told owner Louis Burg. "But we're out of work and need the money. We'll pay it back when we get a job."

Austrian Chancellor Leaves Washington

WASHINGTON (AP)—Austrian Chancellor Julius Raab flies to Miami, Fla., today after pushing with American officials his campaign for ending the nearly 10-year military occupation of his country.

Raab has been urging separation of the Austrian problem from the Western dispute with Russia over the future of Germany.

## Whistles By 1,200 Men Disturb Coed In Kansas

FT. LEAVENWORTH, Kan. (AP)—Joan Gavin, shapely 5 foot 5 1/2-inch coed, hopes those wolf whistles at the University of Kansas fade away over the Thanksgiving holidays.

Joan objects to wolf calls from the boys, you ask? A few are fine, says the 19-year-old blue-eyed blonde, but when some 1,200 men students whistle at one girl it's a "shattering experience."

The whistling started several weeks ago. Every Monday, Wednesday and Friday when Joan walked across the campus at Lawrence, Kan., to her first class, hundreds of men whistled at her.

She tried going to class by car—but the car was halted by a mass of her admirers.

"This is quite serious as far as I'm concerned," said Joan. "I encouraged nothing, I did not dress differently from any other girl. The clothing I wear is completely natural and that is the way I intend to continue."

It's just that the men students consider Joan the "most attractive coed in the college in many years."

**Susan Hayes Is Due On Stand In Dr. Sheppard Case Monday**

By RICHARD H. SMITH  
CLEVELAND (AP) — The prosecution paused for the Thanksgiving holiday today in its effort to send Dr. Samuel H. Sheppard to the electric chair on a charge of murdering his wife in her bed last July 4.

For 13 full trial days the state has paraded its witnesses to the stand of the small courtroom where the handsome osteopath listens intently and sometimes takes notes while the case against him is constructed.

The trial concludes its sixth week tomorrow, but the first two and a half weeks were occupied with selection of the jury. The prosecution has been trying to do two things: (1) Discredit the invention of the defendant's story that a bushy-haired prowler invaded his Bay Village home, rained 27 savage blows on the pretty head of his pregnant wife, knocked him unconscious twice when he tried to help her, then rifled papers in desks downstairs in a search for money or narcotics and fled carrying the murder weapon with him.

(2) Build up as the motive for the crime quarrels between Dr. Sheppard, a boyish-looking 30, and his wife Marilyn, 31—quarrels occasioned by his attentions to other women, particularly to attractive,

suburban haired Susan Hayes, whose home is in Rocky River, a suburb adjacent to Bay Village.

The freckle-nosed Miss Hayes, a 24-year-old laboratory technician who got to know Dr. Sam very well during their work together in Bay View Hospital, is to be a star witness for the state.

The prosecution has promised her testimony, expected about Monday, will detail how the defendant talked with her about divorce, how they corresponded endearingly and how they shared a guest room in the home of a friend of Dr. Sam's last March in Los Angeles.

However, before the focus on the motive half of its case, the state has some unfinished business in its effort to discredit the defendant's story of a marauder and link Sheppard to the bludgeoning.

When Friday's session opens, the state is expected to pursue a trail of blood spots it began following through the Sheppard house yesterday when the trial recessed at noon.

Henry Dombrowski, a detective traced the trail of blood spots, for the jury yesterday. He enumerated a total of 50 spots on stairs from the murder bedroom to the basement—brownish spots he said looked like blood.

He and two colleagues from a scientific crime detection unit of the Cleveland Police Department detected the stains with portable spotlights in an examination of the Sheppard home July 23, he said.

Nine spots on the basement stairs were tested that day and proved to be blood—either human or animal, Dombrowski testified. And from one large splash on the tread of the third step from the bottom of the basement, Dombrowski carved a 1/4-inch-square piece of wood bearing the stain.

Laboratory analysis of a solution derived from this stained wood chip showed the spot was made by human blood, Dombrowski reported.

Testimony about some of the other spots and cross-examination is still to come, for the state has given little time thus far to this part of its evidence. Hitherto, most talk of blood spots concerned those left last April by the Sheppards' pet female dog, Koko, while the animal was in heat.

**UNCLE RAY'S CORNER**

Trained flea pulling toy cart.

British scientist says that a honeybee uses 22 muscles when it stings.

For my part, I never expect to check the number of muscles used by a bee while it is stinging. My chief interest in regard to that is to keep from getting stung.

It is interesting, nevertheless, to think of the fact that insects (including bees) have muscles. The muscles are soft and stringy; they may be pale pink or they may have a light yellow color.

The other day I told a hotel porter that he seemed to have a good deal of muscle. "I can lift my own weight," he replied with a grin. If a man can lift his own weight, he is doing a bit better than the

average. Many men are able to lift only two-thirds of their own weight. On the other hand some men have lifted more than twice their own weight.

That is excellent, but in the insect world we find many records which are much better. One test has indicated that an average honeybee has a lifting power of 24 times its own weight.

When a dragonfly was suspended in the air (attached to the ceiling by a thread) it was able to hold an object which weighed 20 times as much as itself.

Certain insects can pull little vehicles which are much larger than themselves. I have watched trained fleas while they pulled cartlike toys many times the size of the fleas.

A honeybee may pull a cart which weighs 300 times as much as itself. Perhaps the strongest insects, for its size, is the earwig. It can pull a toy carriage which weighs 530 times as much as the earwig!

An earwig is a small, slender beetle. Its name came from a tale which was started a long time ago. 'Twas said that this insect had the bad habit of crawling into the human ear!

Modern scientists declare that the earwig is innocent of hurting

people in any way. Accepting their word, we may turn our minds cheerfully to the earwigs and compliment them for their excellent muscles.

Tomorrow: Processionary Caterpillars.

**Golden Chevrolet Is Symbol Of GM's 50 Million Cars**

A momentous record in industrial production has been achieved by General Motors, with the production of its 50 millionth car.

This distinctive number—a 1955 Bel Air sport model—rolled off the assembly line at Flint, Mich., this week.

It is a production feat unequalled in manufacturing history. It took 32 years for General Motors to build 25 million cars (from 1908 to 1940) but only 14 ensuing years to bring out the next 25 million.

To signal the occasion, Chevrolet has painted its car gold for the occasion, and a golden Chevrolet is on display at Tidwell Chevrolet Co., 214 E. 3rd.

Fifty million is a lot of cars... If all the automobiles General Motors has produced since 1908 were lined up bumper to bumper, they would completely fill a six-lane highway encircling the earth at the straight line, they would reach two-thirds the entire distance to the moon.

In 1919, General Motors' one-millionth car was an Oldsmobile sedan. The five millionth GM product came in 1926, a Pontiac. It was a Buick which rated as the 10 millionth in 1929. In 1940, a Chevrolet was the 25 millionth produced.

**New Books On Library Shelves**

A number of new books will be available at the Howard County Free Library when it reopens Monday after the Thanksgiving holidays, Mrs. Opal McDaniel, librarian, has announced.

Five of the books are novels concerning the life of Robert Burns by James Barke; Crest of the Broken Wave, The Wonder of All the Gay World, The Wind That Shakes the Barley, and The Song of the Green Thorn Tree.

Other novels include Hang up the Fiddle, by Frederick Babcock; Blessed is the Land by Louis Zara; Blow the Wind Southernly by D. E. Stevenson; Benton's Row by Frank Yerby; The White and the Gold by Thomas B. Costain; My Brother's Keeper by Marcia Davenport; Walk Toward the Rainbow by John Bell Clayton.

Religious books in the shipment are The American Christmas by James H. Barnett; Speaking for the Master by Batsell Barrett Baxter, and One White Star by Gladys Hasty Carroll.

Popular arrivals include Bob Hope's Have Tux Will Travel; Great River by Paul Horgan, concerning the Rio Grande; Babies Are Human Beings by C. Anderson Aldrich; and a new Identity for Shakespeare in The Annotator by Alan Keen and Roger Lubbock.

**125 Youths Nabbed In Police Raid On Hot-Rod Race Strip**

COMPTON, Calif. (AP)—More than 125 youths from 15 to 21 years old were arrested and their "souped-up" cars impounded Wednesday as police squads sought to break up illegal and dangerous hot-rod racing on a divided highway here.

Some 60 officers in 16 patrol cars converged in a mass raid on the racing strip. Roadblocks had been set up to trap hot rods and attempt to elude sheriff's deputies and State Highway Patrolmen.

Several of the hopped-up autos took off across bumpy fields, with police cars roaring in pursuit. Races up to 80 miles an hour developed.

However, officers said, few if any of the hot rodders escaped. Officers had prepared their trap very carefully.

All the youngsters, including four girls, were booked on suspicion of engaging in an illegal speed contest and abetting such a contest. Juveniles were turned over to their parents. Youths over 18 were booked as adults and transferred to the county jail in neighboring Los Angeles.

**Gunboat Fires On Jap Fishing Boat**

TOKYO (AP)—An unidentified gunboat fired upon a Japanese fishing boat early today midway between the southern tip of Korea and the Red China mainland, Japan's Maritime Safety Board reported.

The board said the boat escaped. It said the gunboat was "believed to be a Red Chinese craft."

**Formosa, U.S. Pact Is Nearer**

TAIPEH, Formosa (AP)—Negotiations for a mutual defense pact between the United States and Nationalist China are in their final stages and official quarters here appear confident it will be signed by year's end.

Nationalist China considers the projected pact to be of immense importance because, officials say: 1. It will give permanence to the U.S. commitment to defend Formosa against Communist invasion.

2. It more or less rules out any prospect the United States might recognize Red China or be a party to any big power deal affecting Formosa's future, such as the imposition of a trusteeship.

3. It will probably result in a substantial increase of U.S. military aid to strengthen Chiang Kai-shek's armed forces.

4. It will tend to bolster the Nationalist intention of regaining the lost mainland.

5. It will establish a strong "They shall not pass" line against communism, and thus greatly encourage those Asiatics outside the Bamboo Curtain.

CHICAGO (AP)—The Rev. Orion W. Carter, superintendent of the Big Spring district is attending the fifth national meeting of Methodist district superintendents here.

Purpose of the session, which opened Monday, is to review major program areas in the church and to plan further achievement.

Highlight for Monday was the reported \$1,487,000 raised from the Bishops' Appeal for Korea. About 10 per cent of the churches are yet to report. At the conclusion of his address, Bishop H. J. Lew, Korea, presented each district superintendent with a message of gratitude for the response of the churches to the appeal for help.

The Honorable You Chan Yang, Ambassador from Korea, bestowed honorary citizenship upon each of the 37 bishops.

News From Webb Air Force Base  
By JAMES F. KRUEGER

## NCO ACADEMY

After months of planning and preparation, Webb's NCO Academy is ready to begin training its first class next Monday, M-Sgt. Cecil Worley, noncommissioned officer in charge of the academy, said all Webb NCO's and airman first class will eventually receive training in the school.

The course is five and one-half days long. It covers over 20 subjects taught by airmen working in the particular field they will teach at the academy.

Sgt. Worley said the course lasts 48 hours. Classes run 50 minutes each, with ten-minute breaks between classes. Duty days start at 5:30 a.m. with the first class at 7 a.m.

## KIDS' CHRISTMAS PARTY

Military and civilian personnel at Webb began donating this week for the annual Kiddies' Christmas Party to be held Dec. 18 on the base.

Project officer Maj. Harry Long said the highlight of the party will be a visit by Santa Claus. Presents for the children of military and civilian workers at Webb, plus an ample supply of soft drinks and candy, and lots of entertainment are being planned.

## UNITED FUND

Though the actual drive has been over for a few weeks at Webb, donations to the 1954 United Fund continue to come in.

Lt. Col. Jack P. Goode, project officer, reported this week that over \$800 has been received from various organizations on Webb.

The new donations have changed the standings of Webb's contributing organizations. The Pilot Training Group, commanded by Col. William A. Jones, is now in first place with a grand total of \$1,967. Wing Headquarters Squadron has taken over first place among the squadron-level contributors with a total of \$839.

Webb's total donation to date is well over \$7,000. Col. Goode reports that this figure compares most favorably with the donations of other bases approximately the same size as Webb.

## FINISHES SERVICE COURSE

One of the advantages of a military career is the opportunity to continue an education... either through travel to various spots of the world, or through the many educational programs offered by the Air Force. Several of Webb's personnel have taken advantage of the educational program. The latest of these is A-1C Walter E. Peik who recently completed the Extension Course Institute Officer Candidate Correspondence Course. This is one of the most popular courses offered by ECI.

Although the course does not result in a commission for the graduate, it offers instruction in personnel supervision, AF organization, and squadron administration which is essential to the development of capable noncommissioned officers.

Amn. Peik was assigned to Webb from the Far East where he served in Korea and Nagoya, Japan.

## HOLIDAY MEALS

Webb personnel are enjoying an old-fashioned Thanksgiving Day meal today in three dining halls.

Special hours have been set aside for military personnel with guests in the Cadet and Airman dining halls.

The menu features roast turkey and ham, plus all the trimmings that help make a Thanksgiving at home so enjoyable.

In addition to the meals served at Webb, many of the base personnel have been invited to Thanksgiving Day meals by families from Big Spring.

## CUB SCOUT PACK

Webb's Cub Scout Pack 46, sponsored by the base, will meet Friday at 8 p.m. in the Chapel Annex.

## Four From County To Have Steers At International Show

Lorin McDowell III, Lile Lester, Sue White and Lloyd Robinson of Big Spring are among more than 400 open class exhibitors competing for honors in cattle showing at the International Livestock Exposition in Chicago.

High point of the show, selection of a grand champion, will be Nov. 30. Last year's winner, Sue White of Big Spring, received a record-breaking \$20,100 — \$20 a pound — for her Hereford steer "Lone Star." The grand champion will also receive the Lord Elgin Trophy, a huge sterling bowl, from Jess C. Andrews, president of the exposition.

The bowl is donated by an American watchmaking firm in honor of the Rt. Hon. Lord Elgin and Earl of Kincardine in Scotland. He is a famous breeder of Aberdeen-Angus cattle.

The exposition opens formally Nov. 27 when judges pick a junior champion. Closing day is Dec. 4.

## Area Farmers Expected To Approve '55 Cotton Quotas

Howard County farmers are expected to approve the cotton marketing quotas for 1955 in a national referendum set for Dec. 14, Gabe Hammack of the local ASC office said.

About 1,200 farmers in this area are eligible, Hammack explained, and he expects between 600 and 800 of them to vote.

The referendum will be held from 8 a.m. to 8 p.m. in the Agricultural Stabilization and Conservation office at the courthouse. The county committee will either appoint someone or conduct the polling itself.

Each farmer who produced cotton in 1954 is eligible to vote in the referendum, Hammack said, and a two-thirds majority is necessary for approval of the marketing quotas.

Although the secretary of Agriculture has announced the quotas, they cannot be continued for 1955 unless approved by the farmers in the referendum. If approved, quotas will apply to all cotton farmers in 1955 and eligible growers will receive a price support at a level between 82½ and 90 per cent of parity, depending upon supply.

If the quotas are not approved, 1955 cotton cannot be placed in the government loan program and growers will receive a price support at 50 per cent of parity.

The 1955 quota is 10 million bales as compared with 13 million bales produced this year.

Marketing quotas must be proclaimed when the total supply of cotton, (carryover, current crop, imports), exceeds the normal supply, (expected domestic consumption, exports, and a 30 per cent reserve). Total supply now exceeds normal supply by almost four million bales.

## Woman Injured In Cave-In Of Lawn

SHENANDOAH, Pa. (AP)—A 65-year-old woman was pulled to safety Tuesday after her front lawn collapsed and she was plunged 75 feet into a mine breach.

Mrs. Catherine Murphy of nearby Shaft, Pa., was injured critically when her front yard virtually disappeared in the cave-in. Alden Hertz, member of the William Penn Fire Co., was lowered into the yawning hole and pulled the woman to safety.

She was taken to Locust Mountain Hospital here and was reported suffering from internal injuries, a fractured nose, possible fracture of the left hip and other injuries.

An old mine barrier, beneath the surface, was blamed for the collapse.

## EMPLOYEE HONORED

Frank C. Perry was named Webb's Outstanding Civilian Employee last week by Wing Commander Col. Cleon E. Freeman. Perry is the only civilian on base to win the award this year. He was commended by the commander for always doing far more than what was normally expected.

The award was based partly upon his diligent application and use of time.

Perry works in the Maintenance and Supply Group, commanded by Col. Newton D. Hagin. Col. Hagin told the honored employee that 'you have saved the government substantial money through careful planning.'

Project officer Maj. Harry Long said the highlight of the party will be a visit by Santa Claus. Presents for the children of military and civilian workers at Webb, plus an ample supply of soft drinks and candy, and lots of entertainment are being planned.

## Nursery Rhyme Is Tied To Observance Of Thanksgiving

SPRINGFIELD, Ohio (AP)—It's generally known that Abraham Lincoln proclaimed the annual Thanksgiving Day observance back in 1863.

Likewise, the words and verses to "Mary Had a Little Lamb" are pretty familiar to most Americans.

But how many know that much of the credit for the observance of Thanksgiving is due to the same woman who wrote the famous nursery rhyme?

Well, it is, according to a Wittenberg College professor who believes Sara Josepha Hale, author of "Mary," was the one who spurred President Lincoln into making the holiday proclamation.

Dr. Paul F. Bloomhardt, head of the department of biography at Wittenberg, spoke on the history of Thanksgiving today at a school assembly.

Observance of the holiday had been sporadic and localized until Lincoln's term. It wasn't until Mrs. Hale proposed in 1861 "to have the day of our annual Thanksgiving made a national and fixed Union festival" that the event was proclaimed a national holiday, according to Dr. Bloomhardt.

## Don't Go For Fad Diets, Says Ex-Miss America

By LYDIA LANE

HOLLYWOOD — Though Rosemary La Planche is strikingly beautiful, she was smart enough to know that a girl who relies entirely on her good looks does not go too far. And this theory has worked out well because Rosemary is busy these days with lots of motion picture and TV assignments.

"An important part of dieting is your outlook," Rosemary continued. "I remember a phrase from 'NO FAD DIET' Rosemary is right when she stresses the importance of selecting a sound diet if you want to lose weight. ## Want Fruit Cake For Christmas? Do It Now!

Up to now Christmas fruit cake may have been just a figment of your imagination but it is high time for it to materialize if it is going to have time to ripen for the Yule holidays.

Although the real, old-fashioned, homemade fruit cake may be almost a lost art nowadays there are a few die-hards who stick to their mothers' way of making these holiday cakes.

One is Mrs. Ralph Baker, who treats her holiday guests to a light fruit cake. The recipe is given below. It is one that her mother handed down to her, and she has made slight changes to suit her own taste.

Fruit cake baking usually has three parts. First you select the recipe and do the shopping. Then comes the preparation of dried fruits and nuts. The last step is putting the cake together and the baking and preparing for aging.

Already-cut fruits may now be purchased, making it easier on the cook and sometimes eliminating a whole evening spent on chopping candied and dried fruits.

Very important, says Mrs. Baker, is the steaming of the cake. This prevents dryness. It's a simple process. You just put a pan of water in the oven when the cake is baking.

Greasing the pan is another point. Mrs. Baker lines her greased pans with two thicknesses of greased heavy brown paper and one layer of greased waxed paper.

As a buying guide for quantity, one pound of dates equals two cups. One pound of raisins, prunes, dried apricots, dried peaches, dried pears or dried figs measures about three and one-fourth to three and one-half cups. One pound cut-up candied fruits, peels, sliced almonds or Brazil nuts measures about four cups. One pound dried apples amounts to about five cups.

Mrs. Baker advises not to use the dark raisins. They have a tendency to brown too early. She uses white raisins.

When you have removed the

finished cake (and have sighed with relief) from the oven, Mrs. Baker suggests soaking it in brandy, then wrapping it in a cloth and placing it in a box with a slice of apple — and don't open it Christmas. In pouring the brandy, don't try to pour it all on at once. Let a little soak in at a time. It takes about one-half quart of brandy for a 12-pound cake, according to Mrs. Baker.

There'll be an element of surprise in your first fruit cake. There's no way to sample it. It's a sort of a trust to luck affair. But if you follow Mrs. Baker's recipe we can guarantee success.

If you wind up with more fruit cake than you need, don't worry. It'll keep for a year in the deep freeze and taste just as good. Just wrap it in aluminum foil. After a year, Mrs. Baker's cake took on a glaze although she didn't add one after baking.

Now try her recipe and good luck!

### LIGHT FRUIT CAKE

- Ingredients:
- 2 pounds white raisins
  - 1 pound chopped dates
  - 1 pound citron, cut fine
  - 1 1/2 pounds candied pineapple
  - 1 1/2 pounds candied cherries
  - 1-3 pound mixed orange and lemon rind
  - 2 pounds nut meats
  - 5 cups sifted flour (reserve one cup to dredge fruits and nuts in)
  - 2 cups shortening
  - 2 cups white sugar
  - 12 eggs, separated
  - 1/4 teaspoon salt
  - 4 teaspoons baking powder
  - 1 cup strawberry preserves
  - 3 tablespoons vanilla

Method: Cut up fruit and nuts and coat well with one cup of flour. Mix as you would any other cake. Line greased pans with two thicknesses of greased heavy brown paper. Steam three hours in your oven then remove water and bake about one hour at 250 degrees. Do not use any of the one cup of flour left after the fruit has been coated as it will make cake too dry. This will make 12 pounds of cake, or about two or three regular sized cakes.

### Nothing To It!

Mrs. Ralph Baker now buys all her ingredients for fruit cake chopped and ready for dredging with flour. She says that at one time, the preparation of the fruit and nuts took several hours. With the packaged mixes, she simply crumbles them into flour and they are ready to add to the batter.

## Altrusans Hear Talk On 'Law Of Corners'

"We need to apply 'The Law of the Corners' to our own lives," the Rev. Gage Lloyd told members of the Altrusa Club at their meeting Wednesday at noon.

The law he spoke of is the law described in the book of Ruth. It required land owners to leave grain in the fields to be gleaned by the poor. Dr. Lloyd stressed the connection between the harvest season and Thanksgiving.

The speaker's table was decorated with an arrangement of white chrysanthemums flanked by figures of a Pilgrim man and woman. Arrangements of orchid and white chrysanthemums were placed on the tables.

A report was given by the members of the Altrusa convention held in Dallas. These were Mrs. Ova Mae Edwards, Mrs. M. T. Kuykendall and Mrs. Ruby Billings. An announcement was read of the coming visit of the Altrusa district governor to the club in Midland on Friday evening. Members were urged to attend this meeting.

Food was brought for a box to be given to the needy. Members also brought supplies for the Mount Bethel Baptist Church. A report was given of the meeting of the Board of Directors. A recommendation was made by that group that the club buy games and records for the patients at the State Hospital. The club accepted the decision.

Members heard a letter concerning Jal-Hoon, the son of the first Korean girl given assistance by the local district. Contributions were asked for his college fund. About 33 attended the luncheon.

Other members expected are Mr. and Mrs. Charlie Lichey, Curtis and Mary Love of Wilson, Mr. and Mrs. R. W. McCrary, Jo Ann, Neland and Iris Lee, Mr. and Mrs. J. F. McCrary of Lubbock, Mr. and Mrs. Roy Higgs of Midland, Mr. and Mrs. W. M. Irwin and Peggy Ann of Lake Arthur, N. M., Mrs. Mary Dog and Francis and Mrs. Daisie Irwin, all of Abilene, Mr. and Mrs. J. W. Holden and Mr. and Mrs. Paul Holden all of Big Spring.

### Family Has Reunion In Holden Home

For the first time in nine years, the family of Mrs. G. W. Holden is all together. The group, headed by Mr. and Mrs. E. M. McCrary of Fort Worth, is holding a family reunion in the home of Mr. and Mrs. Holden, 403 Dallas.

Members expected are Mr. and Mrs. Charlie Lichey, Curtis and Mary Love of Wilson, Mr. and Mrs. R. W. McCrary, Jo Ann, Neland and Iris Lee, Mr. and Mrs. J. F. McCrary of Lubbock, Mr. and Mrs. Roy Higgs of Midland, Mr. and Mrs. W. M. Irwin and Peggy Ann of Lake Arthur, N. M., Mrs. Mary Dog and Francis and Mrs. Daisie Irwin, all of Abilene, Mr. and Mrs. J. W. Holden and Mr. and Mrs. Paul Holden all of Big Spring.

MRS. ROY D. WORLEY  
...enjoying her holiday cake

## Holiday Magic Done With Nut-Filled Cake

Coming up with holiday goodies poses no problem for Mrs. Roy D. Worley. She just whips up one of her magic holiday cakes and the three Worley boys and Mr. Worley are immediately satisfied.

The recipe, which we give below, has been through about 15 years of holiday seasons at the Worleys and they still love it. It is welcome as a Christmas present to working wives because it is quick, requiring only about five minutes to mix.

Mrs. Worley apparently has the working and keeping house routine down pat. Her job is keeping study hall at Senior High School. Her husband is principal of the school, making him literally her boss.

The Worleys are active in the First Baptist Church and belong to a bridge club. The three young Worleys, age 6, 8 and 11, are active in Cub Scouts, football and Boy Scouts.

Mrs. Worley loves cooking and filling up the boys but the one thing she doesn't like is preparing

three lunch boxes every morning. She's open for suggestions on short cuts.

Holiday plans of the family include Thanksgiving spent with relatives in Sinton and Christmas at Mrs. Worley's home in Ballinger. Try her recipe for a holiday treat.

**MAGIC HOLIDAY CAKE**

Ingredients:  
1 cup sugar  
4 eggs  
1 cup flour  
1 teaspoon vanilla  
2 teaspoons baking powder  
2 pounds dates  
4 cups pecans  
1 small bottle cherries and juice

Method:  
Beat eggs well, add sugar gradually. Sift flour and baking powder and sift over mixture of dates, cherries and juice. Add cherry juice, vanilla and egg mixture and stir until flour disappears. Bake in tube cake pan, lined with waxed paper, in slow oven, 325 degrees for one hour and 45 minutes or in two loaf pans for one hour and 30 minutes.

## Top Off Italian-Style Supper With Cream Cake

American cooks who like to serve Italian-style suppers will be interested in this quickly made cream-cake dessert. Ever taste Zuppa Inglese—that Italian sweet with its layers of rum-soaked sponge cake, custard filling and topping of whipped cream and candied fruit? This cream cake is a relative of Zuppa Inglese; in typical American fashion it substitutes a special lemon syrup for the rum flavoring and uses an instant pudding mix for the custard filling.

Italian-style coffee, for demi-tasse, is fine to serve with this cream cake. Italian coffee-makers—macchinetti—are widely available; but if you haven't one, use the Italian double-roast type of coffee in an ordinary coffeemaker.

**ITALIAN CREAM CAKE**

Ingredients:  
1 1/4 cups sugar  
3/4 cup boiling water  
1 teaspoon grated lemon rind  
1 1/4 teaspoons aromatic bitters  
1/2 package vanilla instant pudding mix  
1 cup milk  
Two 8 or 9-inch sponge-cake layers

1 cup heavy cream (whipped)  
Sliced citron  
Candied cherries  
Mix sugar and boiling water; stir over low heat until sugar is dissolved. Cover and boil 1 minute. Uncover and boil 5 minutes without stirring. Add lemon rind, lemon juice and bitters; cool. Add instant pudding to milk; mix according to package directions; chill. When ready to serve, place a sponge-cake layer on serving dish. Drench with lemon syrup. Spread with vanilla pudding mixture. Cover with second sponge-cake layer. Sprinkle lightly with lemon syrup and top with whipped cream. (Any remaining syrup may be passed with the dessert or stored in the refrigerator for later use.) Garnish with slices of citron and candied cherries. Makes 8 servings.

wrote her "World Wide Cookbook" have Americans had, under one cover, a collection of dishes from so many countries.

The recipes in Miss Waldo's book were gathered by Pan American World Airways from 84 countries—a compilation that must have taken herculean effort. The dishes appear under the following headings: Europe; the Balkans, the Near and Middle East; Africa; Asia; the Pacific; North America; the Atlantic and the Caribbean; South America. On the whole the recipes are carefully written, appealing and practical.

A page or two of "travel comment," useful for reference, prefaces each country's group of recipes. Unfortunately, however, the comments contain more dull generalization than delight of discovery.

## Try These Two Uses For Leftover Turkey

By CECILY BROWNSTONE  
Associated Press Food Editor

Turkey, left over from Thanksgiving, will make a couple of delightful meals if you use it artfully. Serve it sliced with fresh green broccoli and a Fluffy Egg Sauce. Or team it with mushrooms and a cheese sauce and use as a filling for rolled pancakes for lunch or supper. Here are the recipes:

**TURKEY AND BROCCOLI WITH FLUFFY EGG SAUCE**

Ingredients:  
3 egg yolks  
1/4 cup milk  
1/4 cup margarine  
2 teaspoons lemon juice  
1-16 teaspoon pepper  
Dash of nutmeg  
1 egg white  
1/2 cup sliced cold turkey  
Broccoli (cooked)

Method:  
Place egg yolks, milk, margarine, lemon juice, pepper and nutmeg in the top of a double boiler. Mix well. Cook over hot water (not boiling) until sauce thickens, stirring constantly. Fold egg white, beaten to stand in soft peaks, into cooked mixture. Makes 1 cup. Serve over sliced cold turkey and cooked broccoli.

Note:  
To cook the broccoli, cut off the tough leaves and tough portions of the stalks. Wash and split each large stalk lengthwise into halves

or quarters. Then gash stalks so they cook as quickly as the buds. Use a large skillet with a small amount of lightly salted boiling water; cook rapidly, covered, just until stalks are tender-crisp.

**TURKEY FILLED PANCAKES**

Ingredients:  
1 cup finely chopped onion  
One 3-ounce can sliced mushrooms (drained)

Method:  
Cook onion, mushrooms and turkey in butter until onions are wilted. Remove from heat. Pour liquefied nonfat dry milk into top of double boiler. Sprinkle flour, salt and pepper over surface; beat with rotary beater until just blend-

## Refrigerator Cookies Good Holiday Fare

Ice box cookie dough, made now and wrapped carefully in cellophane, can be brought out and sliced on a "moments" notice for holiday eating. Home economists say this particular cookie dough actually improves with age, remaining moist, fresh and tasty for months when stored carefully. It has three variations.

**THREE-IN-ONE REFRIGERATOR COOKIES**

1 cup shortening  
2-3 cup granulated sugar  
1 cup brown sugar  
2 eggs  
3 cups flour (measured after sifting, and sifted again)  
1 teaspoon baking powder  
1 teaspoon salt

Divide dough into three equal parts.

For plain cookies, simply leave one portion plain and add a nutmeat when you bake.

For spicy cookies, add the following to the second portion: 1/2 teaspoon cinnamon, 1/4 teaspoon nutmeg, pinch of ground cloves, 1/2 cup chopped nuts.

For marble swirl cookies, divide the third portion in half. Leave half plain, and roll it into a layer 1/4-inch thick. Add one square of melted bitter chocolate to the other half, roll it into a layer 1/4-inch thick, and put it on top of the plain layer.

Chill all three cookie mixtures thoroughly before molding into rolls. Wrap each roll of cookie dough in moisture proof cellophane, sealing the ends with cellophane tape, and store them until needed in your refrigerator.

When you are ready to bake, slice the rolls with a sharp knife and bake the cookies at 375 degrees F. for about 10 to 12 minutes. Rewrap the unused dough and return it to the refrigerator. Makes about 10 dozen cookies.

## Hotter Hot Dogs

Mix chili powder with the margarine or butter you spread on hot dog rolls. Add the wieners and you have a snappy hot dog with a different flavor.

1/2 cup diced cooked turkey  
2 tablespoons butter or margarine  
1 1/2 cups liquefied nonfat dry milk  
3 tablespoons flour  
1 teaspoon salt  
1/4 teaspoon pepper  
1 teaspoon Worcestershire sauce  
1/4 pound sharp cheese (grated)  
Six 6-inch pancakes

Method:  
Cook onion, mushrooms and turkey in butter until onions are wilted. Remove from heat. Pour liquefied nonfat dry milk into top of double boiler. Sprinkle flour, salt and pepper over surface; beat with rotary beater until just blend-

ed. Cook, over hot water, stirring constantly, until thickened. Add Worcestershire and cheese; stir until cheese is melted. Remove from heat. Stir in 4 tablespoons of cheese sauce to moisten turkey mixture. Reserve remaining sauce. Prepare pancakes from package mix or your favorite pancake recipe using liquefied instant nonfat dry milk as the liquid. Place a spoonful of turkey filling in the center of each pancake. Roll up and place in shallow baking dish. Pour reserved cheese sauce over pancakes. Bake in hot (400 degrees) oven about 15 minutes or until cheese sauce begins to bubble. Makes 6 servings.

Where Fine Calves Get Together

The Freebary of Chicago casts her "straw vote" for this Hereford steer, owned by Lile Lewter of Big Spring. Lile's calf is one of six Howard County animals entered in the International Livestock Exposition which opens tomorrow at Chicago. The Big Spring steers will be shooting for the grand championship next Tuesday.

### \$1,053 Collected In Seal Campaign

Christmas Seal collections during the first three days of this year's campaign totaled \$1,053.25, said Mrs. Alton Underwood, seal sale chairman. This is more than a third of last year's entire collections, she said, and indicates that people will be generous with their contributions, this year. However, it probably places Big Spring out of the running for the world premiere of "Silver Chalice."

### Mother Dies But Children Saved In Fire At Residence

PASADENA, Calif. (AP)—A housewife perished early today in a fire at her home but her two young children, asleep at the time, were rescued by a passerby. Police said Mrs. Patricia Daggett McWayne, 34, probably was asphyxiated, then burned, as the fire destroyed the living room and roof of her house. Police credited Stanley E. Osborn, 19, Pasadena, with saving the children, Wendy, 12, and Patricia, 8. Osborn was driving by when he saw the fire. He said he could not arouse anyone in the house so he broke in a rear window. It was the bedroom where the children were sleeping. He helped them out.

### Tin Can Club Early School Club, 1908 Herald Reports

Some of the BSHS execs here for the homecoming today will remember the Tin Can Club. That organization, according to the Big Spring Herald of March 27, 1908, was "a bevy of carefree girls organized only for fun." The Tin Can Club flourished during the 1907 Term at Big Spring High School, according to the old Herald which devoted two full pages to the school and its activities. Reminiscing of her schoolgirl days on the occasion of the first Big Spring High School homecoming this week, Mrs. Della Herring, 1409 E. 2nd, dug the old paper out of her collection of souvenirs. Pictures on the two school pages showed the faculty for the 1907 Term (1907-08), the board of trustees, several students, the basketball team, and the Tin Can Club. The 1907-08 basketball team, made up of C. E. Thomas, Charley McPherson, Earle Connor, and Harvey and Andrew Williamson, won five of its seven games that year, a story said. Teachers pictured included Ada Hogue, C. E. Thomas (principal), Linnie Babeck, S. E. Thompson (superintendent), Ledline Cochran, Nora Lackey, Lois Allen, Virginia Wills and Fannie Miller. Trustees were A. G. Hall, S. A. Hathcock, W. H. Homan, S. H. Morrison, D. H. Duncan and L. T. Deats. Student pictures in the 1908 Herald were those of Bonnie Leatherwood, Estelle Glascock, Phyllis Peake, Helen Sawyer and Annie Schroek. "More than any other feature of which Big Spring is deservedly proud is her public school system, handsome high school building and the excellence of work accomplished by the corps of specially trained teachers who give instruction to the 786 pupils enrolled," said the March 27, 1908, Herald.

### Officials Move Meeting Site

PHOENIX, Ariz. (AP)—The National Association of Attorneys General has again moved the site of its annual convention because of a dispute over discrimination. The convention, originally scheduled in Biloxi, Miss., then moved to Phoenix, now is scheduled at White Sulphur Springs, W. Va. The dates remain Dec. 8-10. Jack McGowan, chief deputy Arizona attorney general, announced the switch yesterday. He said the decision was made by the association's Executive Board in a telephone conference. The current dispute revolved around the policy of Camelback Inn, where the convention was to have been held, of admitting only a few "carefully selected" members of the Jewish religion. The management of the resort hotel refused to change the policy. New site of the meeting is the Greenbriar Hotel at White Sulphur Springs. Atty. Gen. Nathaniel Goldstein of New York touched off the dispute when he announced through the Anti-Defamation League of B'nai B'rith that he would not stay at Camelback because of the policy. Atty. Gen. George Fingold of Massachusetts and Edmund G. Brown of California also said they would not stay at the inn.

### BET HE GOT CAKE SLICE

OKLAHOMA CITY (AP)—A defendant in traffic court said she grabbed for a freshly baked cake as it started to fall from the seat and lost control of her car. The vehicle crashed into a parked automobile. Judge James Demopolos suspended her fine.

### Actress Pier Angeli Weds Vic Damone In Church Ceremony

HOLLYWOOD (AP)—Actress Pier Angeli and singer Vic Damone, married in the presence of 600 guests, including many film luminaries, at Las Vegas, Nev., for a Thanksgiving Day honeymoon. The 26-year-old bridegroom has a two weeks singing engagement beginning Dec. 1 in Las Vegas. Damone and Miss Angeli, 22, were married yesterday by the Rev. William O'Shea in a double ring ceremony at St. Timothy's Catholic Church. The radiant bride, wearing white silk chiffon over white crepe, was attended by her twin sister, Marissa Pavan, as maid of honor. Bo Rocco, Jr., a film star's business manager, was best man. Ushers included Tony Martin, Robert Sterling, Dean Martin and producer Joe Pasternak. After the low nuptial mass, Miss Angeli walked to a statue of the Blessed Virgin and placed a small sprig of lilies of the valley before it, then knelt in prayer, following an Italian bridal custom. Her mother, Mrs. Enrica Pierangeli, wept some during the mass and so did Damone's parents, Mr. and Mrs. Rocco Farinola of New York City.

### Mildred Collins Dies In Coahoma

Mildred Frances Collins, 35, passed away about 2 a. m. today at her home in Coahoma. Funeral arrangements are pending with Nalley Funeral Home, and burial is expected to be in Tennessee. Mrs. Collins is survived by her husband, Doyle Collins and a son, Lloyd Collins, both of Coahoma; and a daughter, Mary Ann Walker of Chicago. Other survivors are four brothers, Lonnie Matheny, in the service; Billy Matheny, in the service; Fred Matheny, Tennessee; and Sam Matheny, Threeaway, Tennessee; and four sisters, Lois Jasper, Chicago; Bertha Hopper, Trenton, Tenn.; Nell Collins, Reeves, Tenn.; and Pearl Hill, Sharon, Tenn.

### Nabors Continues In Satisfactory Condition

Cecil (Cy) Nabors, former Justice of the Peace who was wounded in the leg during a Tuesday evening gun fight, was reported in satisfactory condition at Malone and Hogan Hospital today. He was taken to the hospital after receiving the wound, which was described as not being serious. Apparently no complications have developed, and Nabors is recovering nicely. B. M. Franks, a local resident, has been charged with assault with intent to murder in connection with Nabors' injury. Franks has been released from custody on a \$1,000 bond.

### Patient Gallows To Be Torn Down

FT. HUACHUCA, Ariz. (AP)—A gallows which has been waiting 11 years—in vain—to claim its victim was ordered torn down by the Army yesterday. In 1943, Oscar B. Dudley and two other soldiers here were convicted of murder and sentenced to hang. The other two were executed, but Dudley escaped to Mexico. Last September Dudley was picked up by the Memphis, Tenn., police. Fingerprints identified him as the condemned man. A review board commuted his sentence to life imprisonment. Dudley is now confined to the Army disciplinary barracks at Ft. Leavenworth, Kan.

### Population Growth Forecast In World

CHICAGO (AP)—The world's population, now somewhat in excess of 2 1/2 billion persons, might reach four billion by 1980, says John D. Durand, acting director of the Population Division of the United Nations. However, Durand last night spoke of the difficulties of making world population estimates, and said the 1980 total might be as small as 3.5 billion persons. He said sudden changes in birth rate, improved medical care, wars, famines, and pestilence can bring drastic shifts in population trends. Durand estimated the United States will have a population of about 200 million in 1980. He spoke at the University of Chicago.

### Verdict Of Innocence

CORSICANA (AP)—A district court jury yesterday found Gus Appelt, a local merchant, innocent of arson charges filed after an apparent building owned by Appelt burned last Aug. 16.

### TV Actress Marries

BEVERLY HILLS, Calif. (AP)—Actress Gloria McMillan, 20, who plays the role of Harriet Conklin on the "Our Miss Brooks" television show, was married last night to Gilbert W. Allen, a senior at the University of Southern California.

### Confession On Record In Case

INDIANAPOLIS (AP)—One of Over Lively's repudiated confessions was in the record today as his trial for first degree murder in the dresser drawer killing of Dorothy Moore recessed for the Thanksgiving holiday. The trial will be resumed tomorrow. The state, seeking the death penalty, is expected to move then for admittance of a second statement admitting the killing of the 28-year-old Clinton, Ind., high school graduate. The stocky, 25-year-old Texan was on the stand yesterday during a three-hour fight by his counsel to block admittance of a statement he gave to officers at the time of his arrest. The jury was excused during this argument. Lively's attorney, Ferdinand Semper, contended that Lively was under "mental duress" at the time he gave the statement in Missouri. Lively admitted that no physical force was used. However, he said Capt. Robert Newbold of the sheriff's office at Clayton, Mo., slapped a blackjack against his own hand and said, "I never whipped anybody, but I could get rough if I had to." Lively also said he had not been returned that he could remain silent if he wished. He said he had read the confession but "didn't understand it." He added, "I was scared."

### Police Investigate Hit-And-Run Crash

A hit-and-run accident was reported to police during pre-dawn hours today. L. D. Adams, 1107 E. 15th, told officers his parked car was hit by a moving vehicle which was not stopped. The accident occurred about 1 a. m., and officers had issued a ticket by dawn to a man believed to have been involved. He was traced through a license number submitted by Adams, whose car was parked at an Ellis Homes apartment when hit. Another automobile collision occurred at 9:10 p. m. Wednesday at 25th and Gregg. The drivers were Arthur J. Bettleton, Webb APB, and Claud L. Patterson, 1908 Lancaster.

### HOME COMING

(Continued From Page 1) have lived on Grumble Street too long and I think we should move over to Thanksgiving Avenue." said Minister Price. "No matter how roughly you think you have been treated in life there is always a lot to be thankful for." Price expressed an optimistic outlook concerning the future of this generation of high schoolers. He stated that the boys and girls of today are just as fine as they were when he was a youth. He charged the boys and girls — both old and young — to get on the bright side of life and to stay there and smile in the face of adversity. "What you get depends on what you're after," he said. "It depends on how you look at life." Those appearing on the style show included Mrs. Clyde Thomas Sr., 1909; Mrs. George White, 1919; Mrs. Ruth Rutherford, 1923; Mrs. Lee Rogers, 1925; Mrs. Zolie Boykin, 1928; and Steve Baker, 1938. Modern day school styles were shown by Mary Sue Hale, Jackie Touchstone, Frances Reagan, and Glen Hancock. A. A. Porter, captain of the famous 1921 team, introduced his teammates to the assembly crowd. Those present included Dr. Lee Rogers, center; W. A. (Bill) Bonner, guard; Dr. W. B. Hardy, halfback; Omar Pittman, fullback; Hayden Griffith, guard; Charles Stovall, guard; and Lee Porter, end. Porter pointed out to the present gridsters that his team beat Sweetwater back in 1921. Robert Morehead gave a reading of the poem, "The Boys," which was written by Oliver Wendell Holmes for a class reunion, and the Triple Trio presented two musical numbers. Superintendent W. C. Blankenship and Principal Roy Worley gave a few words of welcome to old graduates, and Glen Rogers, president of the student council, acted as master of ceremonies. A pep rally followed the formal program.

### Sweetwater Youths To Get Opportunity To Remove Paint

Four Sweetwater students who painted "SHS" and "Mustangs" on Big Spring school buildings Tuesday night will be given an opportunity to repair the damage, local school officials said today. At least one of the quartet has been identified by Sweetwater school authorities, who promised that they would make every effort to see that the paint is removed. The writing was placed on the high school building in red enamel, presumably by the same group that burned the Big Spring High School homecoming bonfire prematurely Tuesday night. The paint probably can be sandblasted off the building, and no permanent damage is expected to result.

### BROWNELL

(Continued From Page 1) terminated to circumvent the decision at all hazards." Brownell said school authorities and lower courts are in the best position to carry out integration because "it is clear that no single formula or blueprint is readily susceptible of application to all localities." He emphasized however that he believes the Supreme Court should keep jurisdiction in the matter "for the purpose of making such further orders, if any, as may become necessary." The attorney general proposed these steps among others: A Supreme Court decree declaring racial segregation in public schools is unconstitutional and that all laws requiring or permitting such segregation are invalid. A return of the cases involving the four states and the District of Columbia to the lower courts whence they came, for further action in line with the Supreme Court's decision. Entry of orders in the lower courts directing the defendant school boards to submit, within 90 days, plans for ending segregation in their districts "as soon as feasible."

### Services Pending For O. D. Steen

Funeral arrangements were pending at Nalley Funeral Home this morning for O. D. Steen, but services are to be held Saturday at 10 a. m. Steen, 19, died Wednesday morning in a hospital at Albuquerque, N. M., where he had been for the past two months. He had been ill for 15 months. Born Feb. 27, 1935, young Steen entered the U. S. Navy on April 6, 1953. He was discharged Sept. 1, 1954, because of his illness. He was a member of the East Fourth Street Baptist Church in Big Spring. He is survived by his mother, Mrs. Ola Steen of Big Spring, his father, C. L. (Charlie) Steen of Roswell, N. M.; two sisters, Mrs. Barge Morrow Rhone of Big Spring and Mrs. Maudie McDonald of California; three brothers, Earnest Steen of the Navy, San Diego, Calif., and Kenneth Ray Steen of Big Spring; and his paternal grandfather, V. Steen of Greenville. The family will be at 825 W. 7th St. in Big Spring.

### Market For Cattle Holds Steady Here

The market remained steady "across the board," with cattle bringing slightly higher prices than they were around the state, at the Big Spring Livestock Auction Company's sale Wednesday. Bulls sold for 12.00, fat cows from 9.00 to 12.00, cutters and canners for 5.00 to 8.00 and fat butcher calves and yearlings for 14.00 to 19.00. Stocker steer calves went for 16.00 to 18.50, heavy feeder steers up to 17.00, with a few good ones bringing even better prices. Cows beside calves inspired bids from 70.00 to 110.00 while butcher hogs went for 18.00 to 19.50. An estimated 600 cattle and 75 hogs went through the ring.

MISTER BREGER

In Farewell Appearance Today

The Big Spring Steers pictured above make their farewell appearance in a regular season football game against Sweetwater here today. Numbering 22 in all, they are, left to right, top row, Frosty Robinson, Don Reynolds, Joe Liberty, Glenn Hancock, Bob Newsum, Glenn Jenkins, Wayne Tollett, Brick Johnson, Teddy-Bear Slate and Bob Jones.

# Steers Seek Share Of 3 A-1 Crown In 2 O'clock Battle

## Ponies Jinx Team For BS

With at least a District 1 AAA co-championship riding on the outcome, Big Spring and Sweetwater come to grips at 2 p. m. in Steer Stadium.

Big Spring can assure itself of a first place in the standings by beating the Ponies. It could win it all should Vernon bowl Breckenridge. Sweetwater can finish in a tie for first place, should it beat Big Spring and Vernon topple Breck.

Big Spring will be fighting tradition and a club that has suddenly come of age in the past two weeks. The Mustangs had their troubles in the early stages of the race but they've beaten Levelland and Breckenridge, in that order, in their last two starts.

A record crowd is in prospect for the battle here. Reserve seats were sold out long ago and there could be a run on general admission and standing room space today.

History goes against the Steers in the battle. Down through the years, the Ponies have been a jinx team for the locals. Only once in the past 14 years have the Big Springers managed a victory. That was in 1952, when they rallied to gain a 42-33 victory over a heavily favored Sweetwater club. The win knocked the Cayuses out of a share for the championship.

Sweetwater has lost games to Abilene, San Angelo, Vernon and Plainview this season but may have realized its great potential in the past two weeks. The Mustangs were picked to win the conference championship before the campaign got under way.

Big Spring shared the district title last year, despite a 14-13 loss to Sweetwater in the final game. They need a win today to claim half the crown.

Today's game is the final one for 22 local players, including the fabulous Frosty Robinson, Brick Johnson, Tommy McAdams, Dickie Milam, Lefty Don Reynolds, Teddy-Bear Slate and others.

This year's Steer team has the best club of any Big Spring team in recent years, even better than last year's great club. It will set about to improve upon that record today.

## LOOKING 'EM OVER

With Tommy Hart

Let's get this straight.

A victory by Breckenridge over Vernon today will not necessarily mean a district championship for the Bucs, any more than Big Spring being as titlist last year simply because it competed in the playoffs. Big Spring was CO-CHAMPION in 1953.

The Steers can tie for the top spot by beating Sweetwater, and would earn a trophy equally as large as the one Breckenridge would get.

Regardless of how Breckenridge fares with Vernon, the Steers can crown their season with glory by defeating the Ponies.

Never before in the school's history has Big Spring won or shared two conference championships in succession.

In a football way, Sweetwater and Southern Methodist University have much in common.

Last year, Sweetwater knocked over Big Spring, which went on to represent the district in the playoffs. SMU upset the Rice Owls, the Cotton Bowl team from the Southwest Conference.

This year, Sweetwater defeated Breckenridge, which could enter the playoffs with a win over Vernon today.

Southern Methodist again beat the Cotton Bowl team this year, in this instance Arkansas.

Incidentally, the nicknames of both clubs are the Mustangs.

Odessa voters recently approved bonds for a third junior high school.

The building will be so constructed that it could be used for a combined junior and senior high school, if the population of the city continues to grow.

That would mean another football team for the city, probably entered in AAA ball.

What a shame Sweetwater's Harold Hobbs won't be playing today. The lad is one of the finest all-around ball players in Texas.

If Big Spring wins, it wants to beat the best Sweetwater has. The young halfback will get to strut his stuff again next year, however, since he is only a junior.

What a fitting occasion and way for Frosty Robinson to end his high school football career.

The boy who many insist is the greatest player in the history of Big Spring High School comes to the end of the line today with at least a district co-championship hanging in the balance.

Much depends on him but being under pressure is nothing new to Frosty. He's been 'under the gun' all year and it never seems to worry him.

Big Spring's greatest football era has blossomed around Frosty. You might call him the "Doak Walker of Big Spring football" since his name has largely been responsible for luring the record crowds which have attended local games all season.

He will long be remembered here and throughout District 1-AAAA.

When Lubbock played in Pampa last weekend, only 2,000 paid to see the game.

The Pampans may have to prepare a good argument to stay in District 1-AAAA.

**STEERS TIED FOR 7TH IN NEWSPAPER POLL**  
DALLAS (AP)—Lufkin's Panthers had little trouble staying atop the Dallas Morning News rankings of the state's top 10 Class AAA schoolboy football teams in spite of an open date last week. The state's sportswriters, polled by the News, voted Lufkin into first place again by a wide margin when last week's runner-up Breckenridge — lost an 18-14 decision to Sweetwater. Port Neches took over second place with a 48-24 victory over Texas City. Sherman was the lone newcomer to the top 10 which follows (won and lost records in parentheses):  
1. Lufkin (9-0)  
2. Port Neches (8-1)  
3. Breckenridge (7-1-1)  
4. Garland (6-0)

## Five Players Get Backing

DALLAS (AP)—Dickie Moele of Rice, Bud Brooks of Arkansas, Hugh Pitts of Texas Christian, James Ray Smith of Baylor and Frank Eldom of Southern Methodist head the nominations of the Associated Press regional board in selecting the All-America football team.

The board made its preliminary nominations today and agreed that those five men were the top contenders for places on the mythical team.

Moele is a halfback, Brooks a guard, Pitts a center, Smith a tackle and Eldom a halfback. They have consistently starred during the campaign that reaches its end in the Southwest Conference this week.

The board also liked Henry Griminger, Baylor end; Henry Moore, Arkansas fullback; Eddie Rayburn, Rice tackle, and Del Shotner, Baylor's great sophomore halfback.

Dick Freeman of the Houston Chronicle, one of the board members, cited Shotner for his great game last week against Southern Methodist when he made seven tackles on defense, ran back a pass interception 87 yards for a touchdown, and another one back for 16, scored two touchdowns and made 90 yards rushing. "Eddie Rayburn, Rice tackle, sticks in my mind," Freeman added. "He is far ahead of other Rice defensive players I believe. And the Rice defense has been very effective."

Louis Cox of the Dallas Times Herald also praised Shotner, citing his two "key" defensive plays that turned the tide in favor of Baylor. One of those was tossing John Marshall of SMU for a loss when it was third down and one. "Instead of being able to continue their drive, the Mustangs had to punt," Cox pointed out. "Baylor took the punt and scored again to go ahead to stay."

## Sabbato Tied For Top Spot

Frank Sabbato Insurance grabbed a tie for first place in Men's Classic Bowling League Monday night as they trounced Big Spring Herald 3-0, while the league leading Lee Hanson's humbled The Men's Store, 2-1.

Crockett Hale lead the Sabbath team, posting a 235, and a series total of 590. Roy Osborne followed with a 542 series. Pepper Martin and Jim Egstrom lead the Hanson leggers, Pepper posting a 204 single game and a 515 series with Egstrom posting a 517. E. B. Doster Jr. lead The Men's Store with a 520 series. The loss dropped the Men's Store to fifth place in the standings.

Cosden and Conoco remained in a tie for third place, taking their opponents, Pearl Beer and Westex Oil 2-1. Milas Woods and A. A. Marchant posted 500 for Cosden. R. C. McDaniel lead Conoco with a 200 and series total of 528.

Cosden scored the highest single game with an 871 while Sabbath Ins. lead in totals with a 2505.

Big Spring Junior High School will host a basketball tournament Feb. 11-12, it has been announced here.

The Yearlings will also attend tournaments at Odessa and Midland.

## Meet in Houston

HOUSTON (AP)—Houston's Stephen F. Austin and Galveston Ball's high school football teams will meet here Dec. 3 at 7:45 p. m. to decide the district championship of Dist. 7-AAAA and 8-AAAA.

Officials of the two schools set the date by flipping a coin.

## Chubby Joey Maxim Grabs Win Over Paul Andrews

By CHARLES CHAMBERLAIN  
CHICAGO (AP)—Joey Maxim looked as fat as your Thanksgiving Day turkey and appeared doomed to be carved up by young Paul Andrews, a 4-1 choice, at Chicago Stadium last night.

But Joey, his right eye nearly closed by a glancing left blow from the first round through the last, called forth all his experience in 106 bouts to take a 10-round unanimous decision from the Buffalo blaster in the nationally televised fight.

Maxim, former lightweight champion, weighed a blubbery 189½ pounds. Andrews, who at 24 is eight years younger, trimly carried 160 on his 5 foot 3 inch frame.

There were no knockdowns, or anything that came close to one. Maxim, feinting, weaving and piling up points with stinging combination punches at close range.

## Flyweight Fight Delayed 24 Hours

TOKYO (AP)—A cold drizzling all-day rain Thursday took the gloves off world flyweight champion Yoshio Shirai of Japan and Argentina's Pascual Perez for at least 24 hours.

Promoter Ken Shimbo postponed Thursday night's scheduled 15-round outdoor championship bout and reset it for 8 p. m. (5 a. m. EST) Friday in Korakuen Baseball Stadium.

# Ed Price Under Pressure In Game At Austin Today

AUSTIN, Tex. (AP)—Texas and Texas A&M meet for the 61st time in the most storied football rivalry at the Southwest today but the game means nothing except that it might get Coach Ed Price's job at Texas.

If the Longhorns fail to beat a Texas A&M team that has won only one game all season "the pressure will be terrific," said Col. D. Harold Byrd of Dallas, president of the powerful Longhorn club and one of the most ardent backers of the university.

This club, which has no official standing but wields influence with the Board of Regents of the university, meets today and Byrd admitted that the football coaching situation "probably will be discussed."

Price has been under fire of the alumni since his team, heavily favored to win the Southwest conference championship and rank high nationally, went through one of the worst seasons in Longhorn history. It lost to Oklahoma and Notre Dame and won only one game in conference play—from Texas Christian. The team was raked by disciplinary troubles, however, as Price penalized a number of the players for violating training regulations.

Some 50,000 will turn out today as A&M tries to break the jinx of Memorial Stadium—no Aggie team ever has won there in the 28 years of the stadium's existence.

J. Neils Thompson, chairman of the Texas Athletic Council, which takes its orders from the administration and the Board of Regents, said his group plans no meeting to consider the coaching situation and that "Coach Price has a contract and that's that, so far as we're now concerned. We are, however, subject to higher authority—the school administration and regents."

Price has a contract running through 1957. It calls for \$12,000 a year and cannot be voided without his consent.

Byrd said he had "an open mind" on the coaching situation but indicated that he would oppose any attempt to secure club action relative to firing or keeping Price. Weldon Hart of Austin, chairman of the club's board of directors, took the same attitude.

## Easy, If You Know How

Count Yogi, who gave a demonstration of various golf shots before staging a clinic at the Big Spring Country Club Wednesday, here uses his teeth to grip a club in putting. The Count's claims to golf invincibility were shattered by Club Pro G. A. DeWees, however, who beat him, two up, in a nine-hole match. DeWees had pars on the 8th and 9th to win. He finished with a 35, compared to Yogi's 38.

## Thanksgiving 'Cap Lures 21 At New Orleans Track

By ED TUNSTALL  
NEW ORLEANS (AP)—The \$7,500 Thanksgiving Handicap attracted 21 starters today as the Fair Grounds opened its 52nd racing meeting and took aim on attendance and wagering records set last season.

The traditional six furlong dash was split into two divisions to accommodate the huge field. About 15,000 racing fans are expected to be on hand at the historic track when expected favorite King from the Clover Leaf Farms leads the ten starters out for the handicap's first division.

King won the Illinois Owners' Handicap at Hawthorne in Chicago and won two other races, one by five lengths.

King faces stout opposition from Marlon Von Berg's Cajac and W. C. Martin's Phil D, winner of more than \$200,000 and holder of the mile and one-sixteenth record at Santa Anita Park.

Millionaire oilman Joe W. Brown's Bobby Brocato, runnerup to stablemate Gigante in the \$40,000 Louisiana Derby last spring, and Rebel Stable's Super Devil head the entries in the second division of the inaugural.

Bobby Brocato spent the summer racing at New York tracks and raced well, winning a \$4,500 allowance purse over some highly-regarded three-year-olds last August.

Super Devil was one of the leading three-year-olds on Chicago tracks during the summer and won the \$15,000 Spy Song Handicap in September. Super Devil beat M. E. Affeld's two listed whom he will face again today.

Referee Frank Sikora scored it 96-96 for Maxim. Judge John Bray favored him 90-83 and Judge James McManus had it 90-95. The Associated Press card was 96-97 for Maxim.

The Century, Super and Roadmaster have that amazing new 236 H.P. V8 motor—a motor with a 9 to 1 compression ratio—A motor that's even beyond the dreams of motor engineers a few years ago. A past Square Motor with a 4 inch bore and a miraculous 3.2 inch stroke. The only V8 motor with vertical valves to insure even oiling and smoother operation.

The Super and Roadmaster Buicks are the only medium priced cars on the road that carry Fisher's best body; the same body used on all series of Cadillac. The only car with Fisher body that gives you a 127 inch wheelbase; utilizing that wheelbase inside the car itself instead of unnecessary trunk space. Try the back seat of this car for size in comparison with any other. You'll see the difference. Note—The vertical windshield posts are found only on Buick in the Medium class field.

The Dynamic Buick Special with a cost of just slightly more than the lowest priced cars is equipped with a Big 188 H.P. 8.5 to 1 motor that has the feel of being jet propelled. Words will no where near tell the story. The new Special's trim compares smartly with last year's Super and Roadmasters.

The greatest feature of all the new Buick line, is greatest of all automatic transmissions; the all new Variable Pitch Dynaflo—a feature taken from our great Aircraft industry—Come in and let us explain, show, and demonstrate this miracle of the age.

Add to these features Buick's more-than-beautiful styling. Buick's all new Tri-tone paint, Buick's new high-ratio steering, Buick's exclusive grill and tail light assembly, and Buick's low, low price tag.

We invite you, we urge you, WE DARE YOU to see and drive the new 1955 Buick Today. You'll make your next car BUICK.

**Birth Of Baby Elephant Event Steeped In Animal World Ritual**

COLOMBO, Ceylon (U)—A Ceylon forest guard has witnessed what few humans have seen in this island's jungles — the ritualistic birth of a baby elephant.

Guard W. L. A. Andiris watched from a vantage point within a cluster of high rocks in the Yala game sanctuary. Writing in the official records of the Ceylon Department of Wild Life, Andiris says the mother elephant was attended by

eight "midwives."

The mother elephant lay on her side in a well-hidden jungle clearing. The eight attendants surrounded her, caressing her gently with their trunks.

As time for the birth approached, the mother became more and more nervous, shifting her position in the clearing by taking a few steps this way and that, lying down after each movement. Seven of the attendant elephants withdrew into the jungles, leaving one with the expectant mother. From time to time as the mother rested or moved around, members of the "midwife" group came from the jungle in pairs to check her with their trunks.

Actual birth of the baby was accomplished without any appar-

ent strain or sound from the mother. The mother left the baby and walked about 10 paces away. She then trumpeted and the other elephants emerged from the jungle, also trumpeting, and seemed to caress the mother again with their trunks.

"Then all eight turned in unison to the child," Andiris reported. "One raised it about four feet from the ground, then gently lowered it on its feet. Then in turn each one of the eight moved past the newborn baby and blew sand on it with their trunks, drying its hide."

Fifteen minutes later the mother, ending its postnatal rest on the ground, stood up, trumpeted loudly, lifted the calf with her trunk and took it aside.

"Then as the calf attempted to suckle the mother the big female elephant gently lowered herself to her knees and permitted her child to have its first meal."

"This important event finished, the mother again trumpeted, picked up her calf in her trunk, raised it high over her head, and disappeared into the jungles, escorted on either side by her 'maternity' staff."

"This was exclusively a female affair. The male elephants gave this spot a wide berth."

**Postal Employees To Observe 'S-D Day'**

Post office employees here are preparing to cooperate in the national "S-D Day," proclaimed by President Eisenhower, by setting an example of good driving habits, said E. C. Boatler, postmaster.

Safe Driving Day has a goal of an accident-free 24-hour period, Dec. 15. Boatler predicts that there will be no accidents here involving post office people or vehicles.

The post office is urging its employees to observe the law, employ courtesy, and give fulltime attention to driving and walking.

In announcing "S-D Day," the president pointed out that in 1953, there were over 16 million accidents involving some 20 million drivers. These accidents caused 40,000 deaths, 1 1/2 million injuries, and over \$4,000,000 in property damage.

**Grand Jury Indicts 22 Convicts In Riot**

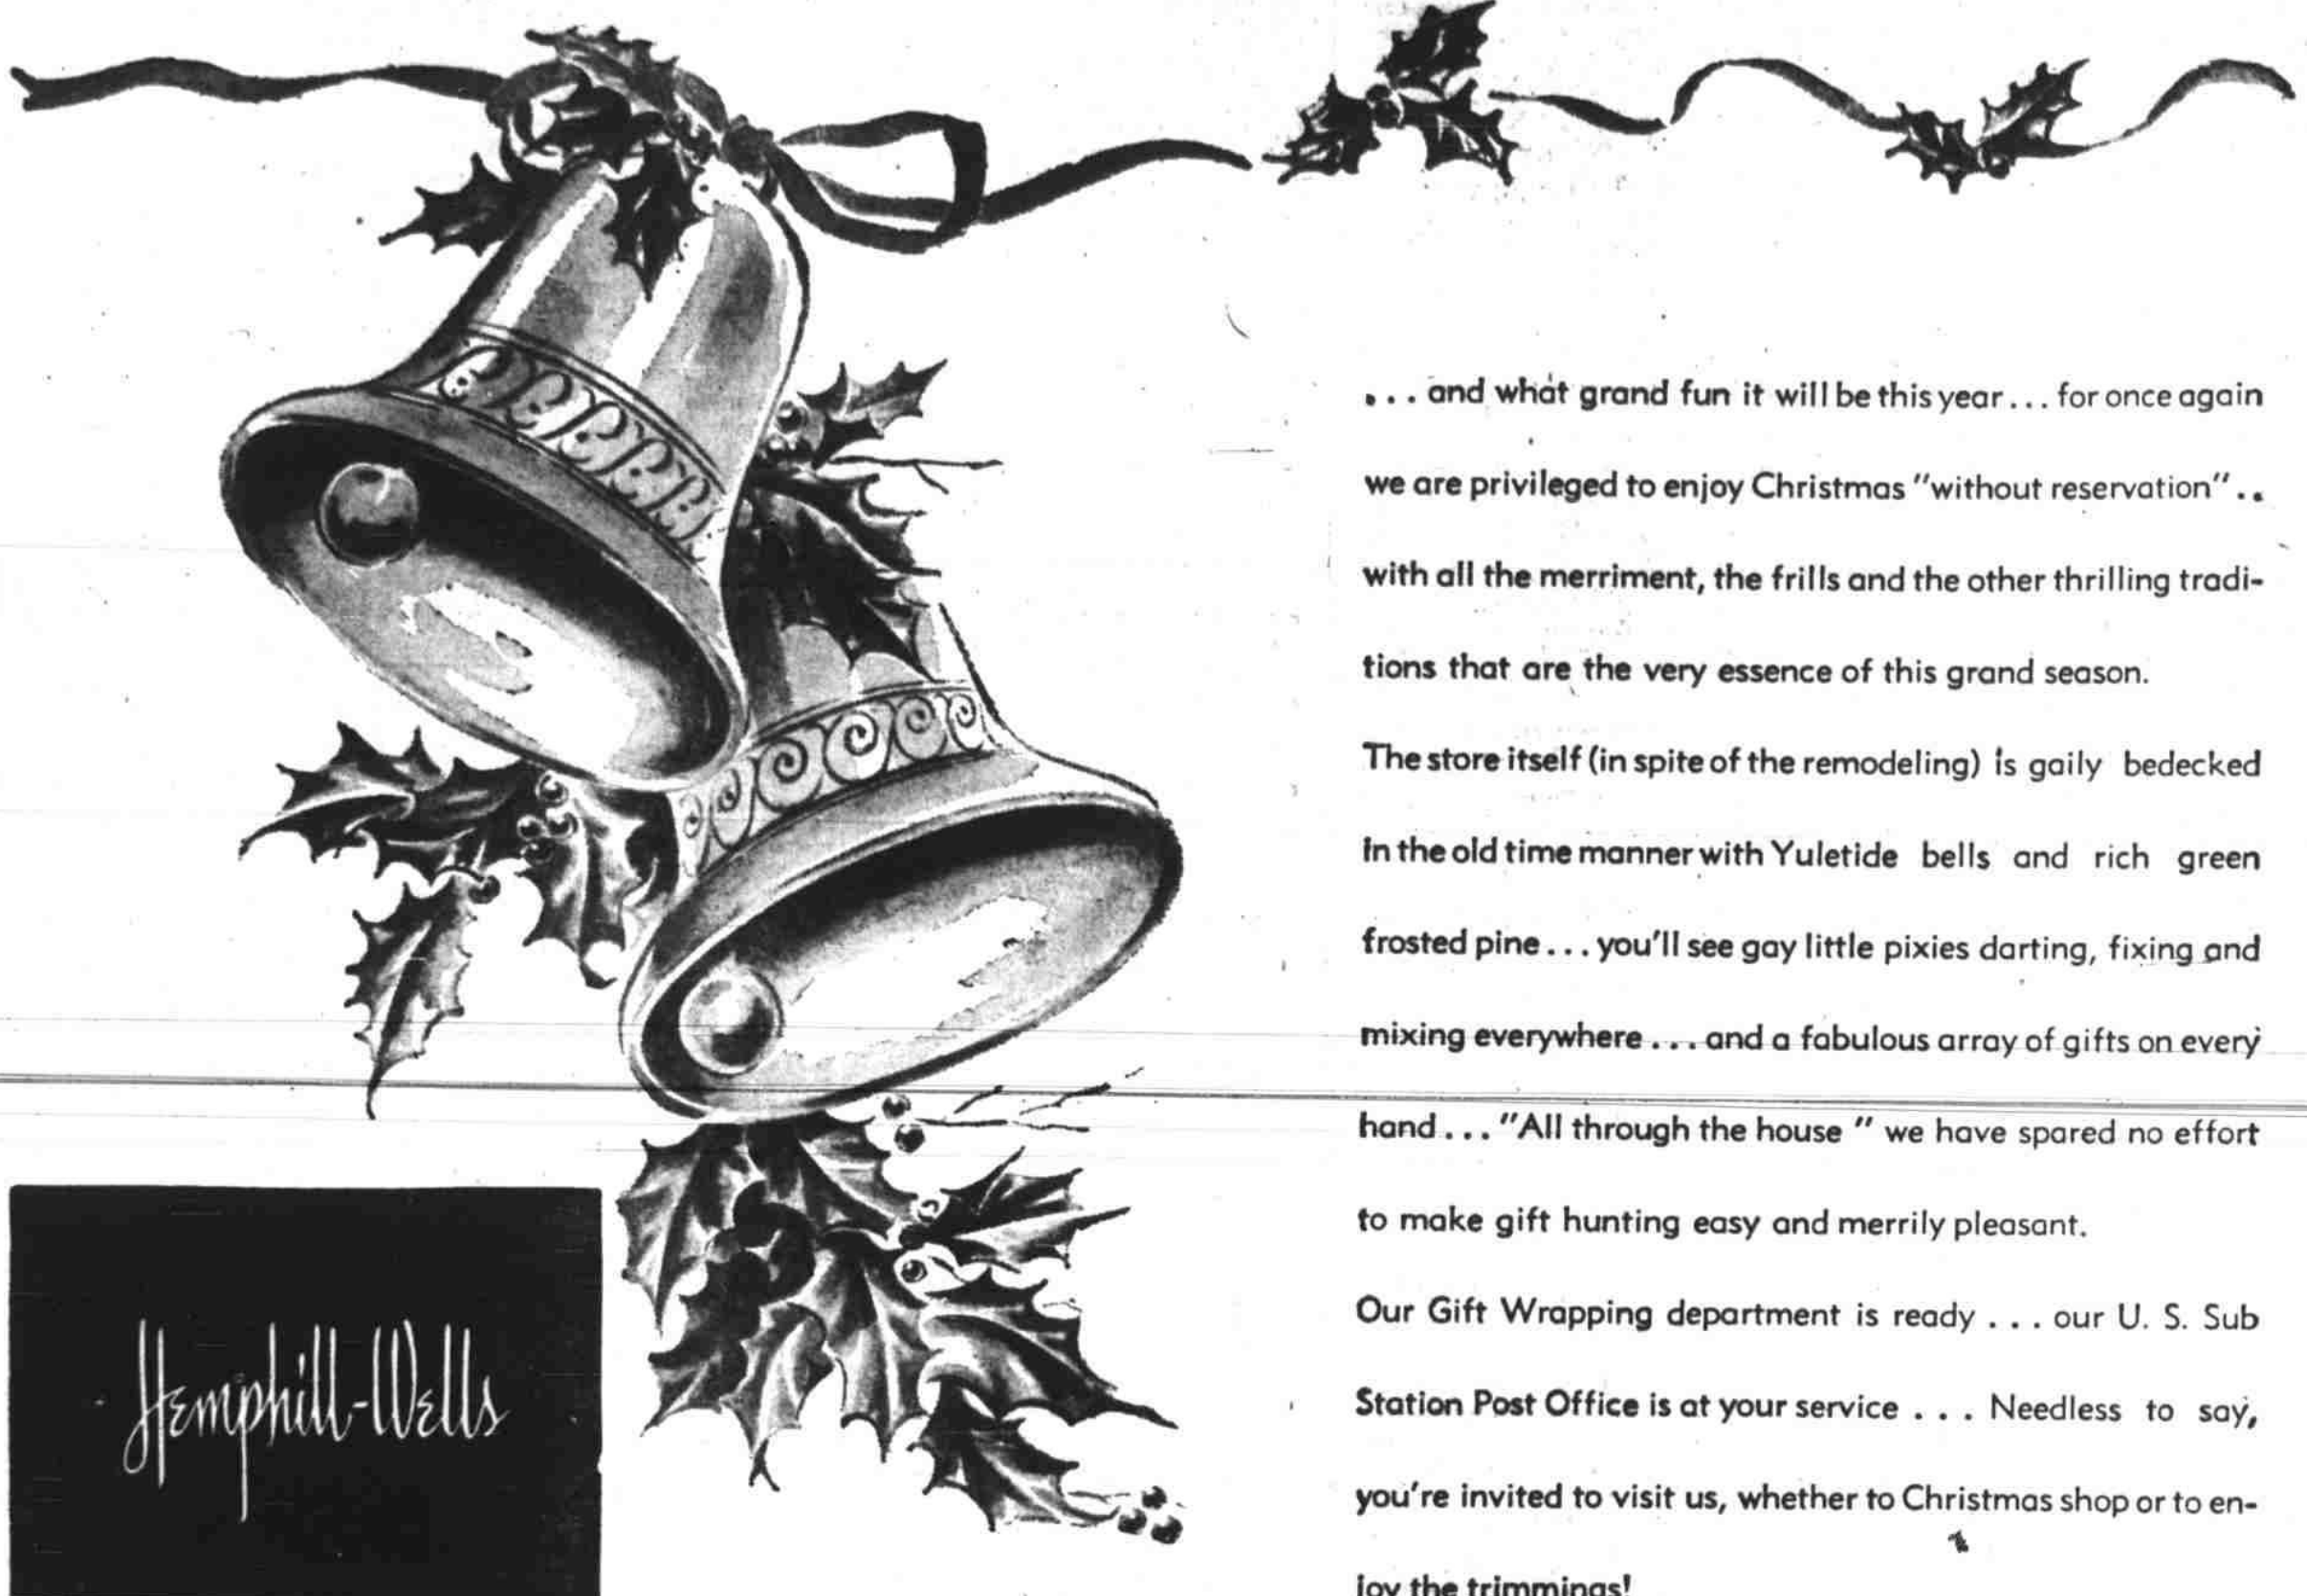

JEFFERSON CITY, Mo. (U)—A grand jury indicted 22 convicts Tuesday for crimes they allegedly committed during the bloody riot at the Missouri Penitentiary Sept. 22.

Seven were charged with murder of convict Walter Lee Donnell, 22, who was dragged from his cell at the height of the riot and slain brutally. Donnell was accused by some convicts of being an inform-

**Ring the Bells for Christmas**

(the remodeling has stopped (temporarily) too!)

... and what grand fun it will be this year... for once again we are privileged to enjoy Christmas "without reservation"... with all the merriment, the frills and the other thrilling traditions that are the very essence of this grand season.

The store itself (in spite of the remodeling) is gaily bedecked in the old time manner with Yuletide bells and rich green frosted pine... you'll see gay little pixies darting, fixing and mixing everywhere... and a fabulous array of gifts on every hand... "All through the house" we have spared no effort to make gift hunting easy and merrily pleasant.

Our Gift Wrapping department is ready... our U. S. Sub Station Post Office is at your service... Needless to say, you're invited to visit us, whether to Christmas shop or to enjoy the trimmings!

**The Pilgrims gave thanks for so little . . .**

And, we today have so much to be thankful for . . . so, in the words of the shortest prayer, we say—

"Thou has given so much to us — give one more thing — a grateful heart.

Amen."
