

French Assembly Approves West German Rearmament Narrow Margin Of 27 Votes Endorses Key Defense Action

PARIS (AP)—The French National Assembly reluctantly and narrowly approved tonight West German rearmament. The vote was 287-260. It ratified the treaty establishing a Western European Union as the coalition in which 12 West German divisions will join British, French, Belgian, Dutch, Luxembourg and Italian troops in defense of Europe.

Christmas against WEU, 280-259 when it was not a confidence issue. All the treaties now go to the Council of the Republic, or Senate, where debate is tentatively scheduled for February.

Today in the Assembly the Communists made a last minute attempt to drag out the issue. The voting began after a last minute Communist attempt to prolong the issue.

Release By Reds May Be Near Pvt. William A. Verdine, left, 28, of Starke, La., and William T. Marchuk, right, 38, of Brackenridge, Pa., previously reported held in forced labor camps in Russia, are now at a Soviet camp used as a discharge center, it was reported.

Ambulance Stranded 13 Hours

The Army ambulance shown being pulled from a deep snow drift three miles east of Oklahoma, Texas, on Highway 287, houses several stranded motorists and an unidentified child with a broken leg. The child's leg was broken about 7 p.m. Tuesday and stayed in the ambulance until it was pulled from the drift. (AP Wirephoto).

Texas Warms Up; Snow, Ice Melting

By The Associated Press A general warm-up over the state Thursday started taking the chill out of Texans' bones as the threat of more wintry blasts waned.

Austin and San Antonio, Dallas had 31 and Houston 33. Only along the coast have temperatures been much above freezing. Laredo had 30 and Galveston and Brownsville 42.

Upper Texas where thousands of motorists had been stranded Tuesday night. Latest forecasts had no mention of colder weather or snow.

CLEVELAND (AP)—Judge Edward Blythin today took under advisement a motion for a new trial by Dr. Samuel Sheppard, convicted of second degree murder last week in the July 4 bludgeoning of his pregnant wife, Marilyn.

Money Taken From Skyline Supper Club

An undetermined amount of money was taken in a burglary of the Skyline Supper Club Wednesday, authorities reported today.

Latest Blast Of Arctic Air Stalled In Illinois, Nebraska

By The Associated Press A blast of arctic air which had been spreading across most of the Midwest and the snow-covered areas of the Rockies stalled today in an area stretching from Lake Ontario through northern Illinois to southern Nebraska.

At least 22 deaths were attributed to the winter's worst storm. The Weather Bureau at Chicago said current cold, blustery conditions would continue moving eastward across the nation, but at a very slow pace.

Valley and the central Great Lakes region. New snow measured nearly a foot in some areas.

'Comfort Conditioning'

The Lennox Perma-flo is shown at work in the living room scene above, left. The small, slot-like air diffuser delivers a curtain of warm air which immediately contracts cold air dropping from the cool glass surface (straight arrows indicate the warm air, curved ones the cool). Illustrations at right show how Perma-flo ducts deliver

warm air to the outer edges of a house. Two types of houses are shown, the conventional floor-type, with space underneath (top), and the slab floor type (below). The Lennox equipment is distributed, installed and serviced in the Big Spring territory by the Western Service Company.

### Lennox System Provides 'Mellow Warmth' Comfort

"Enjoy spring all year around," is the advice of E. L. Gibson, owner and manager of the Western Service Company of Big Spring. The Western Service Company can make that possible, throughout a person's home, by installation of the famous Lennox "comfort conditioning" equipment.

The Lennox system works the year around—"mellow warmth" in the winter and fresh, cool air in the warm months. And whether it's distributing warm or cool air, the system works through the same duct installation and diffusers.

One of the secrets of Lennox effectiveness is the Perma-flo network which constantly circulates air of the proper temperature throughout the house.

The Perma-flo ducts deliver the air to the outer edges of a house. It enters through the small slot-like diffusers in the floor, moving up the outside walls and windows to provide a barrier against outside cold (or heat) which seeks to enter.

The system is operated by the "mellow-warmth" control, a super-sensitive thermostat device which actually anticipates the need for heat. As a result, warmth is supplied exactly when it is needed, frequently and in small amounts. Room temperature varies so slightly that you cannot detect it.

The controls also regulate the blower, so that continuous air circulation is provided. There are no "cold spots" anywhere from floor to ceiling, and no stuffiness. The same control principles apply to the Lennox summer air conditioning, for year around comfort.

Western Service Company has a variety of styles and sizes of the units, suitable for virtually any size or type of house. Personnel are qualified to determine the exact model needed for any installation.

### Wholesale Meats Offered At Bugg's

Individuals who own home freezers would do well to check with Bugg Wholesale Meat Company concerning bulk purchases of beef or pork.

The firm sells the best meats available at the cheapest possible prices, asserts Finis Bugg, operator.

A large saving can be realized by buying at the wholesale prices. Bugg points out. Meat purchases for home freezers have the same price tags as meat bought by market managers here.

The greatest saving comes, of course, when a beef half or whole is purchased. Wholesale prices range from 30 to 35 cents per pound on a beef side, and one of these sides will make a lot of steak, Bugg says.

Bugg Wholesale Meat Company is in a position to supply the wholesale public with what it needs because the firm slaughters its own meats. Hams, hog halves, pork loins, etc. are available in quantity. Anything that could be desired

for the kitchen table in the way of meats can be purchased in bulk at the establishment.

Bugg explains that his employees also process meats for their freezer customers. They will cut a beef side or hog half to any specification at a cost of only four cents per pound.

The customer can bring his own beef to the firm for processing or buy the meat there at wholesale prices. After cutting the meat to specification, employees wrap it and put it in the quick-freeze cooler at the plant.

This quick-freeze operation actually saves the customer's freezing unit about 48 hours labor. It usually takes two full days and nights in a freezer to chill the meat.

Bugg Wholesale Meat Company is located on the Andrews Highway about a half mile from the junction with Lamesa road. Phone number is 4-2901.

Bugg, who has been in the meat business for a number of years, both here and in Corpus Christi, will also butcher cows and hogs for the public. Cost for butchering is the animal's hide only.

An average of three animals are butchered per day for individuals here. If these animals are processed through the Bugg plant, a charge of four cents per pound on the processing is charged.

Finis Bugg was in the meat business here before the war, but after discharge went to Corpus Christi where he operated a super market. He returned about three months ago after the plant here was remodeled. He is a local product, having graduated from Big Spring High School.

### Newly Redecorated Harris Cafe Serves Fine Foods

The Harris Cafe will be open New Year's Day, announced owner T. L. Harris, and patrons will be served deliciously piquant and tantalizing foods which are a trademark of their service. Recently redecorated, Harris Cafe has a home-like atmosphere and great care is exercised in preparing foods to suit the most discriminating taste.

The cafe opens every day at 8 a.m., Harris reported, and a king-size breakfast is always available for the early risers. Fresh eggs, prepared to suit the taste, coupled with a generous portion of ham, bacon or country sausage await hungry patrons each morning.

Plenty of toast and fragrant hot coffee round out the meal.

Breakfast steaks also are prepared to please the taste. Harris explained, and creamy cereals or piping hot hotcakes are usually ready to be served.

For lunch, Harris Cafe offers a plate lunch providing a combination of choice cuts of meats and fresh country vegetables. The patron chooses his meat portion from a selection of four; three vegetables and a specially prepared salad round out the plate.

Home-made pastries for dessert and plenty of tea or coffee are included in the lunch. And there is always plenty of oven fresh rolls on hand, Harris said.

A complete selection of "a la carte" orders are available for evening meals, Harris explained. Steaks and chops are cooked carefully to the patron's specifications. Sea foods, such as shrimp, oysters, and catfish, are also available.

The Harris Cafe is located at 208 Gregg and is open for your convenience from 8 a.m. until 8 p.m. each day except Sunday.

### Rasco Boot Shop Stocks Souvenirs

Souvenir hunters will find the J. W. Rasco Boot and Shoe repair shop, located at 208 East Third Street, a perfect place to shop. The establishment specializes not only in all types of repair work on foot-gear but stocks a complete line of Blecher gifts and souvenirs, from ash trays to miniature banks and uniquely designed salt and pepper shakers.

The Blecher line of gifts and souvenirs includes an ever expanding line of items that includes miniature buffaloes, oil wells, covered wagons, horses, suitable for display in any living room or den.

In addition, customers can place orders at Rasco's for such items as hand-tooled belts, which are becoming increasingly popular with Texans, leather purses, Indian-made purses, western bow ties, etc.

Rasco's, of course, turns out the very best in shoe and boot repair work and accepts orders for hand-made boots, the type popularized by Texans throughout the world.

Rasco prides itself in stocking something for every member of the family. For the women of the family, there are such things as necklaces and bracelets.

The Rasco shop is situated on the ground floor of the Settles Hotel and is accessible from any section of the business district. It has been in its present quarters since the middle of last July.

Its business telephone number is 4-2201.

# Evenly-Matched Field Set To Open HC Cage Tourney

## Hawks, Angelo Clash At 7:00

By TOMMY HART

West Texas' biggest basketball show, the third annual Howard College Tournament, gets under way here tonight, with eight teams competing for the generous amount of loot.

Two games are on tap at the HCJC Gym this evening, two more tomorrow morning. The tournament ends on Saturday night.

Howard County risks an unbeaten record against an in-and-out San Angelo College quintet in the 7 p.m. opener. At 9 o'clock, the defending champion, Lon Morris of Jacksonville, Texas, squares off with Sayre, Okla.

First round play will be completed Friday morning, when Decatur clashes with Amarillo at 9 a.m. and Odessa tackles Wharton at 11 a.m.

There will be sessions tomorrow night and Saturday morning. All teams are assured of playing three games, since third, fifth and seventh places have been decided.

Lon Morris beat Wharton in last year's finals, 88-79, and is bringing another fine club to town. However, the Bearcats do not appear to be in a class by themselves, as they were last year.

The East Texans have lost three games while winning eight times. HCJC will carry a string of 13 straight wins into the tournament, all against different clubs, but Wharton could take the first place trophy home without causing too much surprise. The Pioneers, runner-up in the meet two years running, beat Allen Academy recently, which earlier had upset Lon Morris.

Apparently, Coach Johnny Frankie has the height to compete with Lon Morris this time. Decatur is improving by leaps and bounds and could throw a monkey wrench into some one's plans.

San Angelo is a dark horse entry. The Rams have none too impressive a record but they're always tough against HCJC.

Odessa split a two-game series with Angelo and lost a 14-point decision to HCJC in the Temple Tournament but the Wranglers can get very warm, as they proved against such teams as Cisco and Decatur.

Sayre will probably have to settle for something less than first place but the Yellow Jackets, only out-of-state entry in the meet, made it very interesting for HCJC before yielding in the first game of the season, 102-74.

Too, the Jackets recently upped both Amarillo and Clarendon, West Zone clubs.

Amarillo's team this year apparently is not on a par with Badger clubs of the past but Coach Bob Carter has a knack for bringing his clubs along slowly. At season's end, they're usually tough as the proverbial boot.

Considered from all angles, the tournament field appears to be much better than it has been at any time in the past.

Tournament officials will be Shorty Lawson, Curly Hayes, Jerome Vannoy and Bob Groseclose, all of Abilene. All turned in stellar work in last year's meet.

## TCU Frogs Win SWC Tourney

HOUSTON (AP)—Texas Christian upset Alabama 71-63 last night. The victory gave the Frogs:

1. The championship of the Southwest Conference basketball tournament.
2. The favorite's rating in the conference race that opens next week.
3. A strong bid for a national rating.

Center Dick O'Neal, scored 24 points in the first half and 6 more in the second to lead TCU past the favored Tide, guest team in the tournament and 12th in the National Associated Press Poll.

Arkansas took third place with a 70 victory over Texas A&M, SMU beat Rice 85-63 for the consolation title and Baylor downed Texas 89-75.

O'Neal's feat, accomplished in spite of guarding by Alabama floor leader George Linn, won him a place on the all-tournament team with a three-game total of 76 points, second best in the meet.

Baylor forward Murray Bailey was first with 88 points, good for a new tournament record and the trophy for the most valuable player in the meet.

Joining Bailey and O'Neal on the all-tourney team were Ray Warren of TCU, Monte Robinson of Rice and Leon Marlarie of Alabama.

## Nebraskans Defeat Texas 11 By 6 To 0

LAKELAND, Fla. (AP)—Lincoln, Neb., a team of alert small boys who know an opportunity when they see it, is the 1954 Santa Claus Bowl Football Champion.

Lincoln won the title 6-0 here Wednesday night from a strong Houston, Tex., team that dominated the game for all but about a minute of play.

Bearcat Coach, Star Player

O. P. Adams (left) will lead his Lon Morris Bearcats out after their second straight Howard College Basketball Tournament title here this weekend. The Cats see action at 9 o'clock tonight against Sayre, Okla. One of Adams' star players is Billy Tubbs (right). Billy, who rated all-tournament honors here last year, averaged 15.4 points a game in his first ten starts this year. He scored 419 in 43 games last season. Tubbs stands 5-9, hails from Troup.

## DATA ON TOURNAMENT

Team	Coach	Record	Notes
Lon Morris	O. P. Adams	11-1	Defeated Wharton 88-79 last year.
San Angelo	Johnnie Frankie	1-1	Dark horse entry.
Odessa	Harold Riddle	1-1	Split series with Angelo.
Sayre	Johnny Frankie	1-1	Upset Lon Morris last year.
Amarillo	Bob Carter	1-1	Upset Clarendon and Wharton.
Wharton	Johnnie Frankie	1-1	Defeated Lon Morris last year.
Decatur	Johnnie Frankie	1-1	Upset Allen Academy.
San Angelo College	Johnnie Frankie	1-1	Dark horse entry.
Odessa Junior College	Harold Riddle	1-1	Split series with Angelo.
Amarillo College	Bob Carter	1-1	Upset Clarendon and Wharton.
Sayre Junior College	Johnny Frankie	1-1	Upset Lon Morris last year.

## TOURNAMENT BRIEFS

### Sayre First Team To Arrive Here

Boys competing in the third annual Howard College Basketball Tournament hail from throughout the country.

Lon Morris, the defending champion, has two freshmen from San German, Puerto Rico — Juan Aviles (No. 34) and Bayin Murati (35), as well as four lads from Oklahoma.

The Sooners on the Bearcat squad are Bobby Overton, who hails from McAlester; Henry Ward, Hartshorne; James Baker, Gaddis; and Roger Samuels, Coalgate.

The Wharton squad is made up exclusively of Texas boys but Amarillo has three from out of the state — Harold Riddle, from Seth, West Virginia; Martin Wade, McAlester, Okla.; and Jim Hensley, Chickasha, Okla.

The Decatur club is made up exclusively of Texas boys, Larry McCulloch's Odessa team and the San Angelo Rams.

Sayre, of course, gets most of its players in Oklahoma. HCJC has Ray Crooks, from Dixon, Ky.; Jim Knotts, from Doyle, La.; Charles Procter, Long Beach, Calif.; Jimmy Robinson, Lovington, N. M.; and Paschall Wickard, Clovis, N. M.

Coach Harold Davis could have fielded a fair team from the HCJC Exes who gathered at the Gym for a reunion and a practice session the day following Christmas.

Included were six former Jay-hawks who rated all-state honors at one time. Working out were Delmer Turner, Billy Fletcher, Bobby Berry, Charles Warren, Harold Berry, Ricketts Gilmore, Harold Rosson, B. B. Lee and How Madison.

Turner is in his senior year at Lamar Tech in Bessemer, Ala. Fletcher is operating a paint

store in Dallas. Mearns and Gilmore are in the Marines, stationed in California. Warren in Communications School with the Army in Georgia. Berry is attending Texas Tech. Rosson is a Baylor University student. Lees is football backfield coach at Clovis, N. M. Madison is an Odessa coach.

The first team to arrive on the scene was Sayre, Okla. Lon Morris had been expected in by early afternoon Wednesday — Coach O. P. Adams had requested that his team be allowed to work out at 4 p.m. — but bad weather and uncertain traveling conditions held up the Bearcats.

DeWilde Bell, Sayre coach, brought only eight boys with him. He told Tournament Director Harold Davis other boys did not make it back to school due to a snow storm in Oklahoma. However, he expected one or two to join the Jackets here before their first game tonight.

Bob Burrow's single game scoring record is probably safe. The big Lon Morris All-American totaled 41 points against San Angelo last year.

The race for the Most Valuable Player award appears wide open this year but leading candidates include Jim Knotts and Paschall Wickard of HCJC; James (Rooster) Emerson and Billy Tubbs of Lon Morris; Howard Maxwell, Pete Haggard and Charles Rogers, all of Wharton; Dugan Johnson of Odessa and Don McDonald of San Angelo.

The winner gets a Baylor wrist watch, donated by Zale's Jewelry Store.

## CAGE RESULTS

BY THE ASSOCIATED PRESS

HOUSTON (AP)—Texas Christian University (TCU) defeated Alabama 71-63 in the championship game of the Southwest Conference basketball tournament.

Other results:

- Arkansas 70, Texas A&M 63
- SMU 85, Rice 63
- Baylor 89, Texas 75
- Wharton 88, Lon Morris 79
- Decatur 88, Allen Academy 79
- San Angelo 88, Wharton 79
- Sayre 88, Lon Morris 79
- Amarillo 88, Clarendon 79
- Amarillo 88, Wharton 79

## Andrews Kayoes Smith In Sixth

By BEN FUNK

MIAMI, Fla. (AP)—Cold, methodical Andrews earned a light-heavyweight title fight with a spectacular sixth-round technical knockout of Boardwalk Billy Smith last night, but his new trainer Joe Louis says he isn't ready for it.

"He's got to learn up here," the former heavyweight champion said, pointing to his head. "Paul was a real smart work experience before he'll be ready for a champion like Archie Moore."

It was a new Andrews who broke Smith's eight-fight winning streak with a smashing victory in 2:49 of the sixth round. The 24-year-old Buffalo, N. Y., fighter flattened Smith three times before Referee Eddie Coachman halted the slaughter.

Andrews gave full credit to Louis. "He taught me how to deliver my punches," Andrews said. "He told me I was too timid and I had to get more vicious if I was going to get some place in the fight game."

Andrews, fifth-ranking contender in the division, fought much like the old Louis, shuffling and deadpanned, driving home punches so devastating that once Smith, dazed by a left to the jaw, turned and fled. He was given an eight count as he covered against the ropes.

The International Boxing Club had promised the winner a Feb. 4 title fight with Moore in New York.

Smith, the No. 1 title contender, said he had Andrews "analyzed wrong. I thought he was a meek and timid man and he turned out to be a tiger. I was mighty surprised."

## Lamar Tech Loses In McNeese Meet

LAKE CHARLES, La. (AP)—McNeese State and Southeastern Oklahoma clash tonight for the championship of the McNeese Christmas Basketball Tournament.

Southeastern smashed Lamar Tech 84-73 in the opening round fought Sam Houston State 53-49 to advance to the title game.

Guard Jerry Hall led Southeastern's onslaught against Lamar, taking 23 points. Forward Norman Miksch got 19 points for Lamar and forward Leon Kennedy 17 for Southeastern.

McNeese had a hard time with its Texas foe, never leading by more than eight points. The host team was ahead 23-29 at halftime.

Forward Roy Moore got 17 points for McNeese, but gave up scoring honors to Sam Houston center Walter Lee, who had 22.

# Both Cotton Bowl Teams Reach Game Scene Today

By HAROLD V. RATLIFF

DALLAS (AP)—The Cotton Bowl teams arrive Thursday with the odds due to narrow on Georgia Tech's flu and injury-racked Yellow Jackets.

Coming from Fayetteville, Ark., by train were 34 Arkansas Razorbacks, in the peak of condition and with every incentive to beat bowl-veteran Tech in a test of strength between the Southwest and Southeastern Conferences.

Flying in several hours later from Atlanta will be 29 Georgia Tech gridders with Coach Bobby Dodd center Jimmy Morris and tackle Frank Christy may not be able to play. Brigan has an ankle injury, Morris a knee hurt and Christy is recovering from glandular fever.

The two teams practice Thursday afternoon here and a better view of the Georgia Tech situation can be obtained at that time.

Meanwhile the experts were trying to establish a favorite in Saturday's game and having a tough time doing it. With similar records, both light and fast and quick-striding and tough as nails on defense, the teams are considered as evenly matched as any in the history of the bowl. Thus the one with the greatest incentive should win — but even there the experts are divided.

Arkansas would appear to have the most incentive — down so long but now with the opportunity to wipe out past poor records with a good showing in the Cotton Bowl against a school that hasn't been accustomed to losing post-season affairs. For that matter, Arkansas has never lost one but appeared in only two and they were years ago.

Georgia Tech never has lost a bowl game under Coach Dodd, winning the Oil Bowl, two Orange Bowls and two Sugar Bowls. But Bowden Wyatt, Arkansas coach, never has lost one either. However, he has had a team in only one. That was in 1951 at Wyoming where he piloted his Cowboys to a 20-7 victory over Washington & Lee in the Gator Bowl.

The odds for those who may risk some cash on the outcome have favored Tech slightly although narrowing each day, but apparently the only basis for the margin has been the fact that Tech beat the two teams that defeated Arkansas Georgia Tech downed Louisiana State 30-20 and Southern Methodist 10-7. LSU used Arkansas 7-6 and SMU beat Arkansas 21-14.

Another Big Spring High School ex, Jackie Barron, is backfield coach of the Artesia, N.M., team which stormed all the way to the finals in the state playoffs before losing to Highlands.

## WEEK'S SPORTS MENU IN BS

THURSDAY  
 Third annual HC Cage Tournament, HC Gym, Games at 7 and 9 p.m.

FRIDAY  
 Third annual HC Cage Tournament, HC Gym, Games throughout day.

SATURDAY  
 Third annual HC Cage Tournament, HC Gym, Finals at night.

 Men's Classic Bowling League, Pepper Martin's Bowling Center, 1:30 p.m.

TUESDAY  
 1953 Andrews vs Big Spring basketball, Hoop Gym, 8 p.m.

WEDNESDAY  
 Midland San Jacinto vs Big Spring Junior High, Hoop Gym, 8 p.m.

THURSDAY  
 San Angelo vs HCJC basketball, HCJC Gym, 8 p.m.

FRIDAY  
 Wrestling, HC Rec Bldg., 8:15 p.m.

## Graham And Perry Top Men On 1954 All-Pro Platoons

By FRANK ECK

NEW YORK (AP)—Otto Graham, whose brilliancy paced the Cleveland Browns to the National Football League championship and Joe Perry, ace fullback of the San Francisco 49ers, are the top men on The Associated Press 1954 All-Pro football team announced Thursday.

Graham was chosen as quarterback for the mythical 22-man two-plateau team for the sixth season while Perry, an All-Pro in 1953 as well, was the top vote getter in the poll of AP member paper football experts and AP staff men.

The Detroit Lions, trampled 56-10 by the Browns in last Sunday's playoff, placed six men on the squad. The Browns gained three positions as did the Philadelphia Eagles and 49ers. The Pittsburgh Steelers had two men voted to the squad while the Los Angeles Rams, New York Giants, Chicago Cardinals, Green Bay Packers and Baltimore Colts each placed one player.

Lions named were halfback Doak Walker, tackle Lou Creekmur and guard Dick Stanfel on the offensive unit and safety Jack

Christianen, linebacker Joe Schmidt and guard Les Bingaman on the defensive setup.

Browns beside Graham who were chosen as Lou (The Toe) Groza, a fine tackle and an expert on placements, and Len Ford, great defensive end.

Bruce Banducci, a veteran of 11 years as a guard, and tackle Leo Nomellini were the others named besides Perry from San Francisco. The three Eagles chosen were end Pete Pihos, an eight-year veteran, Charley (Chuck) Bednarik and Norm Wiley. Bednarik, a former All-America at Penn, made the team for the fifth straight year. A center in one-plateau football he now is a linebacker. Wiley is a defensive end.

Pittsburgh's two players on the squad are former Notre Dame center Bill Walsh and Dale Dodrill, a defensive guard.

Others selected were halfback Ollie Matson of the Cardinals, end Roy Boyd of the Rams, tackle Art Donovan of the Colts, Tom Landry of the Giants as a defensive halfback along with Bob Dillon of the Packers.

## Only One 4A Five Still In Tourney

DALLAS (AP)—Dallas Woodrow Wilson, lone survivor of the rout of Class AAAA schools in yesterday's action, joins three small squads from North and East Texas tonight in the semifinals of the Cotton Bowl Basketball Tournament.

Quarterfinal play yesterday dropped four other AAAA schools from competition. Wilson defeated Dallas Forest 61-53, pre-tournament favorite Dallas Tech lost to Mount Vernon 56-31, Atlanta whipped Waco 67-53 and Sildell beat Dallas Sunset 57-53.

## Englert Signed To Colt Pact

SAN ANGELO (SC) — Ralph Englert, former San Angelo High School mound star, has signed a baseball contract with the San Angelo Colts of the Longhorn League.

Englert spent a brief period with Jacksonville Beach, Fla., in the Florida State League (Class D) last season before returning home to play sandlot ball with the Magnolia entry in the Comcho Basin League.

PASADENA, Calif. (AP)—Ohio State and Southern California started the easy, downhill glide Thursday toward Saturday's 41st Rose Bowl game.

**Woman Victim Of \$22,500 Swindle Game**  
HOUSTON 18 — Mrs. Ethel Turner, 54, was admitted to a hospital here last night, after a \$200,000 bubble burst to leave her virtually broke, Houston police reported.  
Detective L. E. B. Short said Mrs. Turner, of Los Angeles, reported she had lost her savings of \$22,500 to two men in Acapulco, Mexico, in what he said appeared to be a variation of an age-old swindle routine.  
Short said Mrs. Turner told him she met the men while on a vacation trip to Acapulco several days ago.  
One of the men, seated at a restaurant table with Mrs. Turner, "found" a billfold containing \$900 which belonged to the second man, Short related.  
When the billfold was returned to the apparent owner, the latter proposed a scheme by which the three of them could clean up on betting.  
Later, the profits were reported to be \$203,600, but it was necessary for Mrs. Turner to put up the \$22,500 "to show good faith" the officer said. Mrs. Turner told the officer she returned to her Los Angeles home, drew out the savings, and went back to Acapulco.  
Mrs. Turner said she was given a draft for \$203,600 and told to come to Houston, where the three would meet and divide the money.  
The two men did not appear and the draft proved to be worthless.

**Cold Enough But Snow Is Lacking**  
SALT LAKE CITY 17 — The Utah mountain village of Mammoth, population 150, is in trouble because it hasn't had enough snow. State Sanitary Engineer L. M. Thatcher said that due to lack of snow coverage the ground has frozen down past the 17-mile pipeline that supplies the village with water, also freezing the line.

**\$3 Billion Foreign Aid Request Is Probable**

By JOHN SCALI  
WASHINGTON 17 — The Eisenhower administration was said today to be nearly ready with a request to Congress for at least three billion dollars to continue economic and military aid to friendly nations abroad.  
Such an amount would be slightly more than the \$2,780,000,000 Congress provided this year for grants, loans and arms shipments to more than 40 friendly governments.  
President Eisenhower probably will unveil the new program in his budget message Jan. 17.  
Any request for three billion dollars or more would certainly face critical scrutiny in Congress. Foreign aid programs have been trimmed considerably in recent years, and several key Congress members have said they will oppose any new funds for strictly economic aid.  
Officials helping to draft the new program said it would seek to channel most of the U.S. dollars to the Far East but that it does not contemplate any massive assistance similar to the postwar Marshall Plan for Western Europe.  
A modest increase in Asian economic aid, however, will be sought, officials said, on the theory that it is urgent to improve living standards if the peoples there are to resist communism.  
Some \$1,478,000,000 worth of foreign aid was allocated to the Far East and Pacific nations last year but less than one third of this went for economic and technical aid. The rest was spent for military assistance to Formosa, Indochina, Korea and other nations.  
Foreign aid to Western Europe, which dropped to about 25 per cent of all funds in the last program approved by Congress, is expected to remain at about the same level under present planning. Authorities said most of this money goes for special programs in Spain, Turkey, Greece and Yugoslavia. The rest of Western Europe, while scheduled to get virtually none of the new money to be sought, will continue to receive military shipments and some economic help from money previously appropriated by Congress, officials said.

**MEN IN SERVICE**

**WELDON TIBBS**  
Weldon Tibbs, 19, and Jimmy D. Chatwell, 20, both former employees of The Herald, have enlisted in the Air Force and will leave Thursday for Lackland Air Force Base for basic training.  
Chatwell is the son of Mrs. J. E. Fortenberry, 1310 E. 6th. He graduated from Big Spring High School last spring and worked for Safeway prior to taking a position with the stereotyping department of The Herald about three months ago.  
His wife is the former Jessie Carol Luce of Big Spring.  
Tibbs, the son of Mr. and Mrs. F. C. Tibbs, 611 Bell, graduated from Big Spring High School in 1953. He has worked in the stereotyping department of The Herald for two and a half years. His wife is the former Jenelle Young of Big Spring.  
Tibbs and Chatwell enlisted at the Big Spring Recruiting Station Dec. 21 and received a nine-day leave during the Christmas holidays.  
Pfc. John L. Berry, son of Mr. and Mrs. W. D. Berry, 106 Canyon, is to end his Christmas furlough Friday when he reports back to Camp Pendleton, Calif.  
Berry, 20, started his leave Dec. 19. He has been in the Marine Corps since last May. He graduated from Big Spring High School and attended the University of Texas prior to entering the armed forces.

**Pair Confess Robbing Bank**

JACKSON, Miss. (AP)—State patrolmen said two men who admitted yesterday's \$32,000 bank robbery at nearby Flowood will be charged with robbery with firearms.  
The men were identified as Robert Ford Westbrook, about 30 of Forest, Miss., and Welborn Dent, 22, of Evergreen, Ala.  
Victims identified them as the men who robbed the Pearl branch of the Rankin County Bank, about five miles east of Jackson. They were caught at a roadblock less than three hours after the robbery.  
Patrolmen said one man walked into the bank and asked change for \$1, then returned a few minutes later with a companion. One of the men announced, "This is a holdup," and teller J. C. Flowers and assistant cashier Rufus Broome were put in a vault. The holdups raked the money into a paper sack.  
They left the steel vault door open after Broome pleaded that closing it would mean suffocation. They locked an outer wooden door before fleeing in a car.

**Delay Continues In Texoma Bridge Construction Plan**

AUSTIN 17 — Texas still has a written agreement with Oklahoma for joint construction of a bridge across Lake Texoma and would like to do something about it, Highway Engineer D. C. Greer said today.  
Greer referred to a long-deferred project to link the states north of Whitesboro. He said he had received no recent notice that Oklahoma was planning to send its highway engineer for conferences on the project, but that he would be glad to talk it over again at any time.  
Gov. select Raymond Gary of Oklahoma was quoted recently as saying he planned to send Oklahoma's chief engineer to Austin to renew planning on the project. Gary said he had talked with Shivers recently about it, and that the Texas governor favored the project.  
Work has been blocked, Greer said, because efforts to obtain a more equitable grant from the federal government to help on the project have failed.

**Navy Recruiting Office To Open**

A permanent U. S. Navy Recruiting office will be opened in Big Spring as soon as office space can be obtained, according to Chief R. E. LaFon, recruiter from Lubbock.  
LaFon will be the recruiter in charge of the new office and he will make the post office lobby his headquarters until the new office is opened.  
Chief LaFon has 14 years naval service behind him and is anxious to answer any questions of young men who might be planning to enter some branch of the service. His Navy experience has included service on the USS Saratoga, USS Pitt, USS Saint Paul, and the recruiting office at Waco. LaFon has just returned from a five-month cruise in the European area and the Mediterranean Sea.  
The recruiter plans to move his wife and three children to Big Spring as soon as he can find a home for them.  
Chief LaFon has all the facts concerning the "West Texas" company which is now being organized. Men in this company, which will be completed during January, will be enlisted as a group and they will serve together throughout their basic training in San Diego.  
The West Texas company will compete with other state companies for honors in marksmanship, swimming, basketball and other sports, LaFon said, and interested in joining this company should contact him at once.

**Anti-Weapon Ordinance Is Under Study**

City commissioners are expected to consider at their next meeting the passing of an ordinance which would prohibit the sale of "brass knucks" in Big Spring.  
District Attorney Guilford Jones has requested that such an ordinance be passed, but the request was tabled until the next meeting so that further study can be made.  
Jones, in a letter to the commission, stated that a soldier who was recently arrested with a set of "knucks" in his possession stated that quite a few of the "boys" were carrying them.  
"One local merchant stocks the 'knucks,' the letter stated, and there is no ordinance to keep him from selling them."  
It was also suggested that the sale of knives, guns and other weapons used in fighting be prohibited.  
City Attorney Walton Morrison advised commissioners that it is against the state law to carry weapons, but not against the law to sell them. "Apparently the field is left open to municipal control," he said.  
Commissioners requested that Morrison, Jones and Chief of Police E. W. York confer with one another concerning the proposed ordinance and make a report at the next session.

**Ladejinsky Writings Were Feared 'Front'**

DES MOINES 17 — The Des Moines Register said today that a former Army intelligence officer, who believes a long record of anti-Communist writings might be a front for a Red agent, made the official recommendation to label Wolf Ladejinsky a "security risk."  
John G. Cassidy, Department of Agriculture security chief, made the recommendation to Secretary of Agriculture Benson, the newspaper said in a story from its Washington correspondent Clark Mollenhoff.  
Benson recently refused to let Ladejinsky, a Russian-born land reform specialist, continue as an agricultural attaché in Japan.  
The Register said Cassidy stated there was no evidence that Ladejinsky is disloyal or that he has violated security.  
"We've just taken the position that with his background he might be a security risk," Cassidy was quoted as saying.  
"I feel that we've made a right decision," he added.  
In Washington, Cassidy could not be reached immediately for comment.  
Benson on Dec. 16 fired Ladejinsky from the agricultural attaché job he had held for four years. Last spring, the State Department cleared Ladejinsky in a security check of its own.  
The Agriculture Department last week put out a statement listing various grounds for its action in the Ladejinsky case. It mentioned, among other things, that Ladejinsky visited Russia in 1939 despite his having previously written a strong anti-Communist article. The statement also referred to Ladejinsky's three sisters it said still are in Russia and it spoke of his having worked in 1930-31 for Amtorg, a Soviet trading company. Furthermore, it alleged that Ladejinsky had belonged to two Communist-front groups.  
Outside of the security realm, the department said Ladejinsky does not meet its technical standards for agricultural attaché.

**Man Slays Two In-Laws, Takes Own Life Also**

SACRAMENTO, Calif. (AP)—Mrs. Richard Mulloy said her husband threatened death for her family if he went to jail on a battery charge. He was released on bail and last night killed Mrs. Mulloy's mother and sister and then himself, officers said.  
Sheriff's Capt. Tom Howard reported:  
Mulloy, 52, shot his mother-in-law Mrs. Nora Wyatt through a window. His wife Betty, sleeping on a couch, was not shot.  
Mulloy then drove 3½ miles and fatally wounded Mrs. Mabel Neighbors, 21, Mrs. Wyatt's daughter, in her home. He drove a block further, got out of his car and turned his 12-gauge double-barreled shotgun on himself.  
Mulloy had been arrested earlier yesterday on a wife-beating charge but was released on \$250 bond. He accused Mrs. Neighbors of attempting to break up his marriage, Mrs. Mulloy said.
