

# RUSSIA LAUNCHES NEW BROADSIDE AGAINST U.S. LIE APPEALS FOR END TO QUARRRELING

## Lie Appeals for End to Quarreling

NEW YORK—AP—Russia launched a new broadside against the United States today after Secretary-General Trygve Lie in an extraordinary appeal called on the bitterly quarreling big powers to bury their differences in the interest of peace among the United Nations.

Andrei Y. Vishinsky, Soviet deputy foreign minister, opened his "incorrect" explanation of the big power deadlock of Korean independence.

He then assailed Marshall—who was sitting before him—for supporting U.N. consideration of recommendations for revision of the Italian peace treaty, Vishinsky charged that any action on this question was a violation of the U.N. Charter.

## Russia Stands Virtually Alone On U.N. Issue

**By DEWITT MACKENZIE**  
**AP Foreign Affairs Analyst**

One tumultuous week has passed since the Western democracies, paced by America, opened their major offensive in the United Nations to focus world attention on the threat to peace produced by Russia's tactics for aggressive expansion of communism—and already global opinion as represented in the U.N. has rendered a vehement verdict condemning Red methods.

Barring the support of her satellites, the Soviet Union stands virtually alone in this great issue among nations who would like to be its friends. Of course the ultimate objective of the American offensive is to force Russia through public opinion to abandon the methods she has been pursuing, but it remains to be demonstrated whether she will bow to the verdict. There are doubts on that score.

Yesterday Britain, the last of the Big Five to mount the Assembly rostrum, declared her position through Minister of State Hector McNeill and ranged herself solidly with the United States, who previously had been joined by France and China. So the Big Five lineup on this issue is America, Britain, France and China versus Russia. The other nations—barring the Soviet-dominated countries—also have been flocking about the banner of democracy.

McNeill, 37-year-old Scotsman who is a protégé of British Foreign Minister Bevin, lined up his country with America in a dramatic address which was directed mainly to Russia. This quick-minded, tough-talking young statesman—whose two-fisted methods are rather reminiscent of Bevin's—first hammered the Russians and then appealed to them to drop what he described as their unyielding attitude toward world problems.

Meantime the Marshall plan, which Russia claims is designed to give America a foothold in Western Europe, was being earnestly studied in both Washington and Paris with regard to Soviet opposition. The program developed by the 16 nations in the French capital is divided into two parts. One is a long-term proposition under which America would provide \$19,330,000,000 through the years 1948-51 for general rehabilitation. The other is an emergency program for food and some other pressing necessities.

**KNOW YOUR NEW UNIFORM HIGHWAY TRAFFIC CODE**

Sec. 78. Pedestrians shall be subject to traffic-controlled signals. . . Sec. 77. (a) When traffic control signals are not in place or not in operation, the driver of a vehicle shall yield the right-of-way, slowing down or stopping if need be to so yield, to a pedestrian crossing the roadway within a crosswalk when the pedestrian is upon the half of the roadway upon which the vehicle is traveling or when the pedestrian is approaching so closely from the opposite half of the roadway as to be in danger, but no pedestrian shall suddenly leave a curb or other place of safety and walk or run into the path of a vehicle which is so close that it is impossible for the driver to yield.

(b) Whenever any vehicle is stopped at a marked crosswalk or at any unmarked crosswalk at an intersection to permit a pedestrian to cross the roadway, the driver of any other vehicle approaching from the rear shall not overtake and pass such stopped vehicle.

**Readers Invited To Meet the Finns**

Meet the Finns . . . Detective Mickey Finn, Kitty Kelly, his fiancée—she hopes to be married in the future. . . Sheriff Philip Finn, Mickey's uncle, talented for trouble. . . Ma Finn, Mickey's mother. . . Detective Tom Collins and his wife, Flossie living with the Finns during the housing shortage. . . The small fry—Sunny, Ma Finn's ward, and Tommy, Tom and Flossie's son. . . And then, there's Detective Italian, Clancy, proprietor of "Clancy's" restaurant; wealthy Mortimer; Claribel Mintmore; Contractor Larry King, Kitty's uncle . . . and others.

**We Heard . . .**

Patsy Miller has been selected by a committee from the Chamber of Commerce to be Pampa's entry at the first annual West Texas Cotton, Chemurgic and Ceramics Carnival to be held at Memphis, Texas, early in October.

## The Star Gazers

## Right Wing Coalition Sweeps Italy Election

ROME—AP—In the first test of public opinion since Premier Alcide De Gasperi dropped Leftists from his cabinet last June, a Right Wing coalition called "The List of the Rooster" swept a local election Sunday at Caserta, the interior ministry announced today.

Nearly complete returns showed that the Rightist coalition—comprising Christian Democrats and Liberals—polled 7,433 votes to 3,187 for De Gasperi's Christian Democrat Party and 3,150 for the People's block—Communists and minor Leftist groups.

The Rightist total was swelled even more by another group of Liberals and Monarchists which got 1,909 votes on a separate ticket.

These election results were announced after the Communist and Socialist prepared to ask the constituent assembly for a vote of no confidence in the De Gasperi cabinet. Debate originally had been scheduled to start on the motion today, but was postponed until Friday at the request of the Quilinquists, who are holding a national convention.

There was no visible break in the ranks of the center and right of which De Gasperi maintains his grip on the government, but responsible political quarters expressed belief the debate would last perhaps a month, during which the extreme and moderate Left would explore every phase of the government's domestic and foreign policies while maintaining heavy pressure outside the assembly.

Most of these observers predicted a government victory, since De Gasperi still can count in the support of the Right and Center deputies who backed him when he dropped the Communists and Socialists from his government last June.

## Mexico May Cut Contribution for Study of Disease

MEXICO CITY—AP—Whether Mexico could continue its 50-50 share of the cost of the fight with the United States against the foot and mouth disease in Mexico was a question discussed here today.

A high-ranking Mexican official who declined use of his name said last night that Mexico would be unable to continue her 50 percent share of the cost because the country was "hard pressed for money."

He said Mexico would be unable to contribute more than 3,000,000 pesos (\$600,000) a month to the campaign.

The two countries agreed to share the expense with Mexico assuming payment for small animals slaughtered and the cost of maintaining the infected areas.

Mexico's shortage of money was attributed to the economic loss caused through the closure of the U. S. border to Mexican cattle exports and the shortage of foreign exchange.

The U. S. cost of the campaign was estimated between four and five million pesos (\$800,000 to \$1,000,000) a month in indemnities for slaughtered cattle.

In addition, the United States is supplying nearly all heavy equipment and the cost of the campaign plus paying the salaries of U. S. Agricultural Department workers who were assigned to Mexico.

The official said he understood the government was discussing Mexico's economic plight in the foot and mouth disease campaign with the U. S. Department of Agriculture. He said he understood the U. S. immediately had not accepted Mexico's suggestion that she reduce her contribution.

The U. S., he said, apparently had taken the position that Mexico made a bargain to share equally in the cost and expected her live up to the commitment. Further, he said the U. S. Department of Agriculture apparently was dissatisfied with the fact Mexico is behind on her payments for some of the small animals slaughtered.

The agreement between the two nations provided that all animals slaughtered be paid for in cash on the spot when they were killed by sanitary brigades.

The Mexican official said some of the farmers whose small animals had been slaughtered were dissatisfied because the government had not paid them. The dissatisfaction, he said, might have been one of the causes which aroused villagers in the State of Michoacan two weeks ago to rise up against six soldiers and a Mexican veterinarian, who had planned to kill more infected animals in the area.

## McMurtry Reports Net Loss of About \$1,000 In Recent Robbery

ABELINE—AP—The net loss of McMurtry College in last Wednesday's \$35,000 to \$40,000 robbery will be the amount of cash taken, about \$1,000, vice president O. P. Thrane says.

Total of \$18,800 in checks was taken, of which \$11,000 to \$12,000 were recovered. Payment was stopped on the others.

Athletic Director Vernon Hilliard lost from \$14,000 to \$15,300 in U. S. bonds. He had a list of serial numbers of all the bonds.

The college's business office safe was robbed.

## Students Stage 2nd Strike in One Week

PORT ARTHUR—AP—For the second time in a week students at Stephen F. Austin High School in suburban Port Arches walked out today in a strike, protesting the school's water supply.

Parents said most of the 300 students were refusing to attend classes. Pupils staged a day-and-a-half strike last week but went back to classes after the school board agreed to study the water situation. School Superintendent Z. Fortescue warned that pupils were subject to expulsion and parents liable to fine for violation of the compulsory attendance law.

## Man Held in Default Of Bond Connection With Affray in Flats

Pat Fisher of The Flats, charged with assault with malice aforethought with intent to murder, yesterday afternoon waived his examining trial before Justice of the Peace D. R. Henry and had his bond set at \$2,500.

Fisher was remanded to the county jail in default of bond. He is charged by the district attorney's office with the hammer beating and knifing of Henry "Curly" Ross Sunday afternoon in allegedly caused by the hammer blows.

Ross suffered knife wounds of the arm, hand and leg, also several bruises and cuts on the head, all of which he is recovering from. Half or whole beef at wholesale. Pampa Frozen Foods, Ph. 1212.

## Pampan Killed In Auto Wreck Near Borger

One Pampan was dead today, another in critical condition, and a third in the Borger jail, charged with driving while intoxicated after the car they were riding in plummeted over a 50-foot embankment on Electric City Hill about three miles north of Borger at 11:15 last night.

Eldridge C. Davis, 37, of 709 S. Barnes St., died of his injuries at 3:25 a. m. today in North Plains Hospital. Wren, also of Pampa, was in critical condition from severe lacerations on the back of her head. Her condition this morning was reported as "fair" by attending physicians at the hospital.

Jack Seawright, alias of Pampa (who, according to the 1946 City Directory listing, lives at 608 Denver St.) was held in the Borger jail charged with driving while intoxicated.

Borger newsmen said that Seawright told officers he was attempting to pass a car when another vehicle met them from the other direction. He added that he whipped his car over onto the precipice after the car, found lying at the bottom of the precipice was described as demolished. Personal belongings of the occupants were strewn around the wreckage including a fully loaded .32 calibre rifle and an empty .38 calibre automatic pistol, Borger sources said.

Constable Fred Compton, investigating the crash, said the car had attempted to pass a truck on a double curve at the top of the hill and plunged over the precipice after it went out of control.

Borger sources said the party had been in Borger drinking and en route to Sunnset. The girl, Ruby Wren, was seen dancing at a Pampa night spot earlier in the evening by Deputy Sheriff O. M. Tucker.

Davis, the son of Mr. and Mrs. O. A. Davis, 709 S. Barnes St., had been a truck driver for the Phillips Petroleum Company for 15 years before entering the armed services on October 6, 1940. He was seriously wounded in New Guinea in February 1943 and discharged on April 3, 1944. Davis has been under medical treatment at the Anarillo Veterans Hospital for war injuries and has been unable to work since his discharge.

Davis suffered a fracture of the left arm, internal injuries and head injuries in the crash.

Surviving besides his parents are his sister, Mrs. T. R. Vaden, Phillips; and a son, Jimmie Joe Davis, of California.

Funeral arrangements are pending at the Duengel-Carmichael Funeral Home.

## Red Foe Hanged in Bulgaria

WASHINGTON—AP—The United States today denounced Bulgaria's execution of Nikola Petkov, leader of the opposition to the Communist-dominated Bulgarian government.

The State Department in a formal statement said that "in the court of world opinion" Bulgaria's Communist-dominated government "has shown itself wanting with respect to elementary principles of justice and the rights of man."

Petkov's trial, the State Department said, "constituted but one of a series of measures undertaken by the Communist-dominated fatherland front government to remove a purely nominal opposition and to consolidate, despite its professions to the contrary, a totalitarian form of government."

Both the United States and Britain, denouncing his conviction as a miscarriage of justice, had urged the Soviet Union to participate in a big power review of Petkov's case, but the Russians declined on grounds that this would be interference in Bulgaria's internal affairs.

Bulgaria likewise rejected a series of British and American protests. The United States suggested that the Bulgarians, by trying Petkov, had placed themselves on trial before the bar of world opinion.

Petkov's appeal to the Supreme Court from the death penalty, imposed Aug. 16, was rejected Thursday. The 54-year-old leader of the opposition Agrarian Party denied the government's charge that he plotted a coup d'état by armed force.

Previously, the United States had sought a review of the Petkov case by the Allied Control Commission in Bulgaria, composed of representatives of the U. S., Russia and Britain. Russia contended, however, that such action would constitute intervention in Bulgaria's internal affairs.

The United States subsequently, with British backing, appealed directly to Moscow to take a hand in reviewing the case, but without results.

Petkov had been under arrest since June 6, when he was formally charged with plotting to overthrow the government and establish a new regime with himself at its head. He finally denies the charges at his trial, which began Aug. 5.

**WON'T PLAY**—Dr. Wang Shih-chen has announced that China will line up with Russia in refusing a United States invitation to an 11-nation Japanese peace conference. Reason for the rejection is the failure to include Big Four veto power in the conference plans.

## U. S. Demands Return of Men Held by Slavs

TRIESTE—AP—United States Army headquarters in Trieste today demanded the return of an American officer and two enlisted men who, it said, were taken captive by Yugoslavs while on mounted patrol duty on the Trieste free territory frontier yesterday and "forced across the border at gunpoint."

An official report issued by headquarters of U. S. troops in Trieste said the missing men were patrolling near the sector where Yugoslavs last week tried to force their way into the free territory.

The Army announcement identified the trio as First Lt. William Van Atten, East Orange, N. J.; Pfc. Earl G. Hendrick Jr., Arlington, Va.; and Pfc. Glen A. Myers, Edgeley, N. D.

Van Atten was caught in a Yugoslav ambush in July, 1946, on the road between Gorizia and Trieste, the Army report said. His driver was killed and he and an enlisted man were wounded.

"The official Army account of yesterday's occurrence is as follows: 'While leading his patrol along the frontier, Van Atten sighted a Yugoslav patrol with whom he said his men had talked before and appeared to be on good terms. Van Atten and two enlisted men dismounted and approached the boundary on foot. 'They were seen talking with the Yugoslavs. Then they were seen to go forward, while the Yugoslavs pointed rifles at them. 'The Americans were 'forced across the frontier at gunpoint' and continued: 'Shortly after, one of the three men was reported to have been sent back for the three horses. The three captives subsequently were seen from an observation point entering the Yugoslav village of Goriano under armed guard.'

## J. Frank Dobie Is Released by Texas University

AUSTIN—AP—Noted folklorist and Professor J. Frank Dobie's connection with the University of Texas has terminated as of Sept. 15, University President T. S. Painter declared today in a prepared statement.

The administration's statement followed within a few hours a prepared statement issued by Dobie in which the folklorist-professor declared that he had explained in his request for a leave during the fall semester was based on the "unusual reason" that he suffers severely from hay fever during winter months.

He said he did not wish to be fired and that he would not resign but that he would not teach this fall.

Dobie declined to comment "for a while" when informed of Dr. Painter's action.

"I am informed officially that Mr. J. Frank Dobie, professor of English, has refused to report for duty this current semester," Painter declared in his statement. "By this action, his connection with the University of Texas has terminated as of September 15, 1947, and I am accordingly, notifying the auditor to drop his name from the payroll of this institution."

Dobie, who has been with the university off and on since 1914, has been on leave the past four years. If he had retained his status one more year with the university, the 59-year-old professor would have been entitled to modified service, permitting him to teach one semester and to lay off one semester.

With the firing of Dobie, the university had severed connections with the second outspoken campus critic of its administration.

Dobie had frequently sniped at Painter and regrets in the administration of university affairs ever since the firing of Dr. Homer F. Rainey from the institution's presidency in 1944.

"Mr. Dobie cannot contend that the university has failed to accord him somewhat more than his fair share of special consideration," Painter declared.

"Since his first appointment to the staff as an instructor in English in 1914, he has been accorded

## Patsy Miller to Represent City

Miss Patsy Miller has been selected by the Pampa Chamber of Commerce to represent the city in the beauty contest to be held at the first annual West Texas Cotton, Chemurgic and Ceramics Carnival to be held in Memphis, October 2-4.

Miss Miller will compete for the title of "Maid of West Texas." She will have a gown designed especially for her by the head designer of the Arts and Fashion Guild of the Americas.

Each candidate, as presented to the visitors in Memphis, will have her own gown designed upon her, individually designed to suit her type and personality. The gown will be awarded her for participation in the contest. The "Maid of West Texas" will receive an all-expense paid vacation.

Candidates will be presented the evening of October 2 on a radio broadcast and stage show presentation. She will be an honored guest at the Queen Presentation Ball the evening of Oct. 3. The coronation will be staged the night of Oct. 4 as a fitting climax to the "Madri Gras" of West Texas.

## Texas Production Of Oil Unchanged

TULSA, Okla.—AP—The nation's crude oil production averaged 5,200,025 barrels daily during the week ended Sept. 20, a decline of 17,000 barrels from the previous week's output, the Oil and Gas Journal reported today.

Contributing materially to the decline were the following states: California, down 3,200 barrels to 921,700; Illinois, 4,600 barrels lower to 171,200; Michigan, 7,780 to 45,300; Mississippi, 3,000 to 100,405; and Kansas, 850 to 298,050.

Production totals in Arkansas, New Mexico and Texas remained unchanged.

## Vandenberg Is Seen As GOP Dark Horse

WASHINGTON—AP—Senator Gurney (R-S.D.) predicted today that Vandenberg (R-Mich.) will emerge as the dark horse Republican presidential nominee for 1948.

"I think he will find that the Republican nominating convention will face a deadlock among the several candidates," Gurney told a reporter. "Then I believe the convention will get around to nominating Senator Vandenberg."

The South Dakota Republican has spent much of the time since the July Congressional recess talking with party leaders and voters in the Middle West.

## Electrical Service To Farm Areas Set

WASHINGTON—AP—Announcement of loans totalling \$1,733,000 to four borrowers for extension of electrical service to farming areas was made yesterday by the Rural Electrification Administration. They included Hamilton County Electric Cooperative Association, Hamilton, Texas, \$390,000; and Swisher County Electric Cooperative, Tulsa, Texas, \$430,000.

## New Storm Hits Florida With High Wind and Heavy Rain, Tame Compared With Predecessor

MIAMI, Fla.—AP—The Florida West Coast from Tampa, northward today was warned against dangerous gales as the state's second tropical storm in a week hovered at a virtual standstill over Tampa Bay.

The storm, nothing yet to compare with the dangerous first, was showing signs of increasing intensity, the weather bureau said in a 10 a. m. advisory.

Highest winds recorded so far in the storm which swept up out of the Caribbean Sea, have been from 50 to 60 miles an hour in gusts.

Northeast storm warnings were ordered up west of Cedar Key to Apalachicola, and continued storm warnings from Palm Beach to Charleston, S. C. and on the Florida West Coast north of the Keys.

While the storm was halted for the time by high pressure prevalent over the Atlantic States, the weather bureau said it was moving northward very slowly, six to eight miles an hour.

The advisory stated that the highest winds reported since the storm was first felt yesterday were 60 miles an hour at Edmont Key in the mouth of Tampa Bay. The lowest pressure was 29.26 inches which the weather bureau said indicated a slow increase in intensity.

The storm's most acute menace apparently hung over the rich Okeechobee mucklands where the inhabitants already struggled wearily with relentless water from earlier downpours. Farmers, business men, Jamaican laborers and convicts worked side by side to patch canal dikes and stay the rising water from four towns and 30,000 vegetable acres.

The towns in danger were Belle Glade, Pahokee, Canal Point and South Bay—centers of the money-

**STORM REFUGEES SEEK SAFETY**—These New Orleans families, seeking safety from the tropical hurricane which swept in from the Gulf of Mexico after it roared across Florida, took shelter in the Post Office to escape the high winds and rain.

# Brooklyn Clinches Pennant By Cardinals' Loss to Chicago 4-2

## Dallas Evens Series By Downing Bulls 6-3

By The Associated Press  
Dallas Rebels bounced back for the second time in their championship playoff with Houston, deadlocking the series last night with a 6-3 decision.

The two teams tussled the field here again tonight with the best of seven series tied at two games each.

Hal Hirschorn's three-run homer in the third inning paced a four-run Dallas outbreak that frame.

The Rebels had come ahead with one run in the first, then Houston went in front on three hits and an error that was good for a pair of scores in the top of the third.

Both Houston and Dallas pushed over single runs in the eighth inning.

## Bill Wilson Decisions Derrado in 10 Rounds

CORPUS CHRISTI — Bill Wilson, 142-pounder of Corpus Christi won a unanimous decision last night over Cor Barrado, 140 pounds, of Nuevo Laredo, Mex. in a 10-round encounter.

Other fight results:

Pete Salzar, 124, Corpus Christi, scored a decision over Jimmy Curl, 123, San Antonio, in the fourth round.

George Barris, 128, Houston, won a technical knockout over Chuey Rodriguez, 130, Piedras Negras, Mex. in 2:31 of the third.

Deputy Boxing and Wrestling Commissioner Dick O'Conner announced that Frankie Wallace of Houston, who failed to appear for his bout with Rio Rico of Havana, Cuba, in a semi-final event, would be suspended for six months.

## Matched Race Pitting 'Armed' Against 'Assault' Doubtful

**Sport Shots**  
By HAROLD V. RATLIFF  
AP Sports Editor

DA LUS — Professional baseball's loudest in Texas in 1947, the Texas League, which has clubs drew 4,016,631 paid admissions. If somebody didn't make a lot of money it was his own fault.

The Texas League almost hit the 2,000,000 mark with 1,969,294 for its five clubs in this state, Oklahoma City, Tulsa and Shreveport, the out-of-state clubs, contributed 636,887 to the league total.

The Big State League, organized only this year, packed in 800,863. The Lone Star League chipped in with 458,449. The West Texas League had 619,901 with 287,887 of its clubs in Texas.

Albuquerque had a good year but Clovis, the other New Mexico member, finished on the bottom and didn't do so well. Lubbock led the league with 117,621. Amarillo and Albuquerque went over the 100,000 mark.

The Longhorn League, a new circuit, had a total of 220,632 for its six clubs. Big Spring, leader, had 43,153. Balinger, which finished third and won the play-offs, had the second highest total with 42,662.

Of the 38 clubs in the five leagues, Texas had 33 of them. The Texas teams drew a total of 3,232,930.

The 1947 copy of the constitution and rules for the Texas Intercollegiate League lists a number of changes, the most important setting up a state meet in two divisions—one for Class AA and Class A schools and the other for the state meet.

This has been needed for a number of years. Obviously, the smaller schools can't compete on an equal plane with the larger schools in the state track and field meet. At least they can't hope to win team championships.

In the past three places in each track and field event qualified from the regional meet to the state meet. This being cut to two. Also, now only winning relay team may qualify for the state meet. And the relay team is placed on the same basis as the individual events.

The team qualifies and not individuals. Individual qualifying only as members of the relay team can't enter any other event. Also, those qualifying in individual events must combine to form a relay team in the state meet unless that school qualified a relay team from the regionals. In the event a member of the relay team is unable to compete because of injury or illness, a substitution may be made.

There may be some objections to this but if a Class B meet was to be held, regional meets would be held, regional meets would be held, regional meets would be held, regional meets would be held.

**Wichita Falls Leads Big State Series 3-1**  
By The Associated Press  
Manager Harry Davis and Pitcher Jodie Phipps kept the Greenlee Majors in the Big State League playoff last night, combining for 4-2 wins for a 2-0 win over Wichita Falls.

The two teams played the fifth game of the seven-game series at Wichita Falls tonight. Wichita Falls leads the series, 3-1.

Davis hit a home run, double and single to account for half of the Majors' six hits. Phipps pitched fourth ball to blank the Spudders.

The Majors scored all of their runs in the fourth inning when Davis homered and Palmer singled Milan Vucelich home.

Wichita Falls picked up two of its four hits in the ninth inning—Milton Schreppel and Matthews both hitting singles.

The winner of the Greenville-Wichita Falls series will meet Texarkana in the championship round of the playoff.

## Crisp Fall Weather Adds Zip to Texas College Grid Drills

By The Associated Press  
Crisp fall weather added a zip to football practice today as Texas college gridiron teams went through their paces in preparation for weekend tussles.

The University of Texas Longhorns got stiff workouts at Austin following an easy 33-0 win last Saturday over the Texas Tech Red Raiders.

But Coach Blair Cherry indicated the Longhorns' T offensive still needed lots of polishing.

He'll probably start the same team against Oregon in Saturday's game in Portland as he opened against Texas Tech.

At Fort Worth, TCU opened drills for the Oklahoma A. and M. game Saturday.

North Texas State sharpened its lightning weapons for Saturday's game with the University of Arkansas Razorbacks at Little Rock.

The Rice Owls at Houston smoothed their gridiron offensive as final preparations went on for their opening game Saturday night against Louisiana State's powerful Tigris.

The Aggies of Texas A. and M. College at College Station were eyeing next Saturday's tussle with Texas Technological College at Lubbock. The game will be played in San Antonio.

Coach Homer Norton warned his Aggie squad that the Tech Red Raiders were stronger than their 33-0 defeat last Saturday at the hands of the strong University of Texas eleven at Austin would indicate.

He put the Aggies through a heavy scrimmage yesterday.

Missing from Saturday's lineup will be Left Halfback Preston (Pee-wee) Smith, who is nursing a leg injury.

At Waco, the Baylor Bears were looking forward to an airplane trip to Miami, where they will meet the Miami Hurricanes Friday. The air trip will mark the first for any Baylor football team.

Coach Bob Woodruff held a scrimmage two hours yesterday for the Bears. The workout produced several bruises, but none were termed serious.

## Philadelphia to Be Host to 'Mr. World' Contest This Weekend

PHILADELPHIA — (AP) — Strong men from almost every section of the globe will compete at Convention Hall this weekend for the world's weight lifting championship "Mr. World."

Official entries have been received from 13 nations for the event in which the United States defends the title won last year at Paris when the first postwar revival of world competition was held. Prior to that the last world meet was held in Vienna in 1938.

Leading opposition to the champion Americans is expected to come from Russia—if the Soviet enters a team. The Soviet Union—ever the silent enigma—hasn't said officially whether it plans to compete.

Already entered in competition are the United States, England, France, Czechoslovakia, Sweden, Egypt, Panama, Iran, Holland, Finland, Korea, Argentina and British Guiana.

Stanley Brake, of the Brake and Cook Service Station, is expected to be the kind of race he can run—and we don't want to run him unless he is in top form.

## Harvesters Prepare For Clash Against Riverside Broncos

Fresh from a 27 to 6 victory over the Sweetwater Mustangs of District 3-AA, the Pampa Harvesters began workouts yesterday afternoon in preparation for meeting what should prove to be a much rougher foe, when they meet the Riverside Broncos from Fort Worth Friday night at Harvester Park.

The main problem facing Coach Tom Tipps during this week's practice sessions will be to find a capable replacement to fill the shoes of Derrell Conklin, Green and Gold fullback, who suffered a broken leg during the Sweetwater game Friday night.

Seen running from the fullback position during practice sessions were Wesley Keith, 140 pounds; Harold Cox and Paul Simpson, both 155 pounds. However, Carl "Red" Mayes, 175-pound Harvester left halfback and captain, may be shifted to this position and one of the lighter men to the halfback position.

# Frankie Studer Will Represent Sophomore Class

Miss Frankie Ann Studer of Pampa has been selected to represent the Sophomore Class at Stephens College for Women at Columbia, Mo. Miss Studer is one of five representatives of the Sophomore Class who will administer the activities of her class until the class officers are elected later this fall.

Miss Studer was introduced to the student body of 2,243 students at an all-school convocation which was held at the college on Tuesday, Sept. 22. She was selected to serve in this capacity at Stephens on the basis of her leadership, citizenship and scholarship abilities.

Her parents are Mr. and Mrs. J. P. Studer, 1229 Christine St., Pampa.

# Weldon Leroy Mote Feted on Birthday

To celebrate his first birthday, Master Weldon Leroy Mote was honored jointly with his great grandfather, Mr. H. Frank of Lubbock, at a birthday dinner Sunday given in the Harold Radcliff home, 1420 N. M. Mr. Frank was observing his 76th birthday anniversary.

Dinner guests were Mrs. Claude Norris, Bakersfield, Calif.; Alfred Franke, Mr. and Mrs. Murray Joffe and Clois Dean, Mr. and Mrs. Ewell Mote and Marilyn Kay, Wanda LeDean Radcliff, and the honor guests.

# Sunday School Class Has Officer Election

Mrs. Bob Montgomery was hostess Friday for the regular meeting of the Mary Sunday School Class of the First Baptist Church.

The meeting was called to order by Mrs. Ernest Arcy, and the opening prayer was given by Mrs. Bill Greene. Mrs. Elmer Wilson gave the devotional on "Duties."

The report of the nominating committee was given and the following officers were elected: Mrs. Elmer Wilson, president; Mrs. Gerold Mole, enlargement; Mrs. Earnest Arcy, class ministries; Mrs. Bill Greene, Mrs. A. C. Crawford, and Mrs. Morris Goldfine, stewardship; Mrs. H. H. Threalt, fellowship; Mrs. W. G. Saulsbury and Mrs. L. B. Eudeotaker, secretaries; Mesdames Bob Montgomery, Joe Keel, Jack Sullivan, Mark Vantine, Paul Crouch, R. M. Chisholm, Q. B. Beavers, and Lee Garrison, class captains; Mrs. Don Pumphrey, group reporter.

Plans were made for a covered dish luncheon to be held at 1 o'clock on October 2 in the home of Mrs. Bill Greene. The new officers will be installed at that time.

Refreshments were served to 14 women and four children.

# Buffet Supper Fetes Panhandle Visitors

PANHANDLE (Special) — Miss Patricia Walters of St. Louis, Mo., and Robert Walters, student at Purdue University, LaFayette, Ind., were honored Friday evening at a buffet supper in the Ralph Radcliff home, where they were house guests.

Miss Peggy Pemberton was assistant hostess.

Supper was served from the large dining table centered with an arrangement of asters and white candles in crystal holders.

Those attending were Misses Joyce Simms and Joan Champan of Midland; Messrs. Gene Skaggs, Joe Herndon, Richard Earl Nunn and Mr. and Mrs. J. R. Sterling, Jr.

When traveling became uncertain by train, securing reservations and making connections, Miss Paulee and Mr. Holt decided to travel by plane. So the people of Pampa will see the "MonaDean" over Pampa on November 24th; "Abbey Simon," on January 15th; "The St. Louis Silhouette," February 20th; and "The Columbia Opera Quartet," March 4th. The membership cards for all concerts are to be mailed on October 22nd.

This past week Mrs. Carl J. Wright, secretary, and Mrs. John B. McCrery, assistant secretary of the association, has been busy getting the membership cards in the letters ready to be sent to the 1045 members next month. Receipts given last spring during the membership drive do not admit one to the concert but the cards to be mailed later will do so and it is important that members see that the secretary has any change of mailing address that has occurred in the past six months.

The officers and directors for this season are Mrs. Roy E. McKernan, president; Mrs. Raymond Farrar, Mrs. J. W. Garrison, Jr., vice-presidents; Mrs. Carl J. Wright, secretary; Mrs. John B. McCrery, assistant secretary; Floyd E. Imel, treasurer; G. P. Brunson, Mrs. C. F. Buckler, Mrs. Mel B. Davis, Mrs. George Friauf, Joe P. Key, Knox Kinard, McHenry Lane, Dr. Douglas E. Nelson, Mrs. A. A. Schuneman, Aubrey Steele, Mrs. Harey C. Weldler and E. O. Wedgeworth of Pampa and Ray Robbins of Phillips, Texas.

# Metropolitan Opera Mezzo-Soprano Will Open 1947-48 Concert Season

Mona Paulee, mezzo-soprano of the Metropolitan Opera, will open 1947-48 season of the Pampa Community Concert Association on Wednesday evening, Nov. 5, in the Junior High School Auditorium. Miss Paulee's accompanist is Dean Holt, her husband and pilot.

When traveling became uncertain by train, securing reservations and making connections, Miss Paulee and Mr. Holt decided to travel by plane. So the people of Pampa will see the "MonaDean" over Pampa on November 24th; "Abbey Simon," on January 15th; "The St. Louis Silhouette," February 20th; and "The Columbia Opera Quartet," March 4th. The membership cards for all concerts are to be mailed on October 22nd.

This past week Mrs. Carl J. Wright, secretary, and Mrs. John B. McCrery, assistant secretary of the association, has been busy getting the membership cards in the letters ready to be sent to the 1045 members next month. Receipts given last spring during the membership drive do not admit one to the concert but the cards to be mailed later will do so and it is important that members see that the secretary has any change of mailing address that has occurred in the past six months.

**Announcement**

A state-wide program on "Youth on the March" will be sponsored by the First Baptist Church of Pampa Saturday evening at 8. All boys and girls ranging in age from 13-16 are invited to attend this program.

Nothing can stop the new fashions. If anything, skirts are going to drop to the ankles.

# Baptist Ladies Luncheon-Social Will Be Thursday

The Adult Women of the First Baptist Sunday School will hold their annual departmental Sunday School social in the form of a luncheon Thursday at 1 o'clock in the basement of the church.

Theme for the day will be "Know Thy Neighbor" and the table decorations will be in keeping with our nearest neighbor, Mexico. Hostesses will be attired in Mexican costumes.

Following the luncheon a program on the order of Dr. IQ will be held and a queen will be chosen. Mrs. Louis Tarpley will be in charge of the program.

All women of the church are asked to bring a covered dish and attend the social whether they received an invitation or not. The tables will be set for 250 women.

# Mrs. R. Randel Names Officers and Chairmen For Panhandle School

PANHANDLE (Special) — Mrs. Ralph Randel, president of the Panhandle Parent-Teacher Association, has announced her officers and teachers for the year as follows:

Mrs. R. Surratt, program and yearbook chairman; Mrs. George Crossman, finance; Mrs. Ernest Rosellus, membership; Mrs. Merle Wellen, secretary; Mrs. Leslie Denry, treasurer; Mrs. L. N. Taylor, parliamentary chairman; Mrs. A. M. Pemberton, standards; Mrs. Wade Johnson, pre-school; Mrs. J. Floyd Howe, hospitality; Miss Norma Ewing, recreation; Mrs. C. F. Hood, publicity; Mrs. Paul Russ, publicity record book; Mrs. J. P. Smith, procedure; Mrs. Dor Price, health and summer round-up; Mrs. Paul Obrecht, publications; Mrs. Minor Simms, Sunday School; Mrs. Charles Franke, student aid fund; Miss Mary Ewing, historian; Mrs. J. B. Howe, goals; Mrs. D. M. Smith, adult study course; Mrs. Wade Johnson, room manager's chairman.

Plans for the year's work were partly worked out at an executive board meeting on September 4.

For this pattern, send 25 cents, in COINS, your name, address, size desired, and the PATTERN NUMBER to Sue Burnett (Pampa News), 1150 Ave. America, New York 19, N. Y.

Send 25 cents today for your copy of the new Fall and Winter FASHION. Brimful of sewing information for home sewers. Free pattern printed in book.

# Mrs. Newman Feted At Bridal Shower

SHAMROCK (Special)—Mrs. J. E. Newman, who was Miss Avalon Smith before her recent marriage, was named honoree at a tea and miscellaneous shower Thursday evening at the home of Mrs. Earl Hamill.

Assisting hostesses were Mesdames Bill Chandler, Thurman Rives, Curtis Hamill, Lester Hartsfield, E. E. Henderson, and Miss Doris Bell.

Cut flowers in autumn shades were used to decorate for the occasion. In the dining room the lace covered table was centered with an arrangement of white carnations and fern flanked with lighted tapers, carrying out the chosen colors of the bride.

Guests were greeted by Mrs. Rives, Mrs. Earl Hamill headed the receiving line and introduced the honor guest, her mother, Mrs. E. E. Smith. Mrs. Les Newman, mother of the bridegroom, and his grandmother, Mrs. Edna Newman.

Miss Katherine Smith, sister of the honoree, presided at the guest register. Miss Doris Bell and Miss Betty Jo Hamill poured. Mrs. Chandler, Mrs. Curtis Hamill, Mrs. Hartsfield and Mrs. Henderson assisted with the serving and presided in the gift room, where many attractive gifts were on display.

Recorded music was played during the receiving hours. About forty guests called.

# Treasurer of Group Of Concerns Is Dead

Mrs. Kathryn B. Houston, treasurer of a group of lumber concerns in seven states died yesterday in Wichita, Kans., yesterday afternoon.

Jack Sullivan, manager of the Panhandle Lumber Co., 420 W. Foster, was informed today.

Manager Sullivan said the local company would be closed tomorrow in respect to Mrs. Houston. Burial will be tomorrow.

The Houston family is quite prominent in the state of Kansas.

## Investers Get Revenge 27-6 th Victory Over Sweetwater

irited group of Pampa Harvesters "hit the tuch-  
r" the last three quarters Friday night to over-  
six point first period deficit and defeat the Sweet-  
Mustangs 27-6 on Harvester Field.

### Sight Saving Is Assembly Theme

Emphasizing the importance of  
sight conservation, James Camp-  
bell, 28, of Lawton, Okla., spoke be-  
fore the student body of Pampa  
High Monday morning.

Mr. Campbell was blind until the  
last year when he was operated on  
and received his sight. He is an  
International Lions club member  
and has devoted his life to travel-  
ing the world in an effort to save  
the eyes of America's future gener-  
ation.

Mr. Campbell was brought here  
through the local chapter of the  
Lions club. He also spoke at the  
elementary school and several in-  
dustrial groups. He told his life  
story and also mentioned some of  
the sight saving devices now in use.

### First NHS Meeting Will Be Wednesday

The Pampa High School Chapter  
of the National Honor Society will  
hold its first meeting of the year  
next Wednesday morning during  
the second hour, according to a  
statement by Miss Margaret Jones,  
sponsor of the organization.

Miss Jones also stated that the  
meeting would be held in room 102  
to plan the activities for the year  
1947-48. The society will elect its  
officers, discuss the presentation of  
the scholarship banner, and make  
plans to fulfill interest in all  
scholarship activities.

Members of the Honor Society  
are selected by the faculty every  
spring on the basis of scholarship,  
leadership, service, and character.  
The members of the organization  
now are Adell Roberts, Margery  
Dixon, Richard Hughes, Don Lane,  
Ann McNamara, Bobby McPherson,  
Richard Scheig, and Aitha Belle  
Stewart. Donna Holden and Betty  
Barrett are members in absentia  
since they transferred to Briscoe,  
Oklahoma, and Dallas during the  
summer.

### Seniors Foiled Again; Move to New Location

The local version of the Klu Klux  
Klan has invaded P.H.S. for a new  
cause.

Lockers, particularly those located  
on top, have been the prime ob-  
ject of the P.H.S.I. U.L.G.S. in-  
vaders. These first few weeks of school,  
you don't know what P.H.S.I. U.L.G.S.  
is? Shame, and you a high schooler.

Some bright boy just out of Los  
Loces Asylum who is teaching  
"Ways and Means to Out Wit Wit-  
ty Doctors" class in Pampa High  
thought up the title when ap-  
proached by a senior in the same  
category who asked--

"The fish have the upper lockers,  
where do I come in, a senior of  
high dist-in-tion and enca-pa-sul-  
ations????"

So the seniors moved in books,  
boxes, shelves, mirrors, lunches,  
pistols, knives, stink bombs, bubble  
gun, Gio-Bo's, and a few minor  
items such as footballs, shoes, hats,  
and shot-up freshmen who  
formally occupied the locker.

Possession is nine-tenths of the  
law but the one-tenth, the school  
officials, proved this old adage to  
be wrong.

### Timely Tidbits

Yes, that's what the title says,  
"Timely Tidbits," but (you're truly  
and my mother) it wasn't very  
timely last week. Our delayed pub-  
licity date prompted us to use  
"Yearly Yearnings..."

This weather is a Rip Van  
Winkle's paradise. Have you ever  
seen such laziness? Even teachers  
are going to sleep in class, not to  
mention the numberless number of  
students.

This new constitution (yes, we  
do have one) has got the Student  
Council rather mixed up. They  
don't know who votes or who should  
hold office. Copies of the constitu-  
tion will be printed as soon as pos-  
sible and given to the home room  
representatives. A hint: Read them  
to your home room and let them  
know what's what.

The chemistry class hasn't ac-  
cepted gentle hints from everyone  
to MOVE. Those odors are back!  
Every year this happens. Every  
year they are asked "to scam."  
Every year they return. If they  
don't take heed something drastic  
must be done--say, make them  
take off those gas masks and smell  
their own concoctions.

Derrell Davis has completed the  
most difficult mathematical prob-  
lem that has puzzled students  
for six years--how many holes are  
in the insulation material in the  
music room? It would take more  
space than we have here to give  
the answer, so we hint.

### Council Finishes Officer Elections

The Student Council met last  
Tuesday morning in their first  
meeting of the regular '47-48 school  
year and elected the Lion's Club  
Sweetheart and the Jr. Rotarian for  
the year. Carol Culbertson, Margie Dixon  
and Richard Scheig were the  
two elected by the council for these  
respective offices.

Richard Hughes, student body  
president, was in charge of the  
meeting in which they also elected  
several officers for the council. The  
election was in doubt, however,  
and the results will not be final un-  
til a check can be accomplished by  
the new constitution on whether  
class presidents are eligible to hold  
offices in the Council. Officers elec-  
ted were: Treasurer-Don Lane;  
Parliamentarian-Don That; and  
Secretary-Carl Culbertson. Margie Dixon  
and Richard Scheig were the  
senior and junior classes, respectively.

The organization also discussed  
the constitution and President  
Hughes appointed a committee of  
four to study the constitution. Bob  
McPherson, and Richard Scheig to  
investigate the constitution and  
the point system.

Miss Thelma Henslie, speech in-  
structor, appeared before the council  
and announced a contest to se-  
lect the proper name for the PHS  
radio broadcast. Home room pres-  
idents were to have told their home-  
rooms of the contest and all en-  
trants in the contest are to be turn-  
ed in to Mr. Edmondson's office  
not later than next Wednesday.

### Now It's Been Done; Noiseless Corn Bag

Another "now they've done it."  
Yes, some bright person in Cali-  
fornia, they do have them in spite  
of the weather! has invented a  
noiseless pop corn bag.

This is being acclaimed as the  
biggest event since Charlie Mc-  
Carthy hired Edger Bergen.

The members will be at least able  
to hear the dialogue--you know  
that stuff they say. Instead of  
walking into the theater and listen-  
ing to a corn grower's theme song  
and be able to listen to Boyer  
make violent love to his pretty lead-  
ing lady. (Maybe we should listen  
to the pop corn.)

When several well known movie-  
men were questioned on this in-  
vention they replied: "It's super-  
colossal. (No two-bit words for  
them.) The only difficulty is that  
Jolly Time will have to change the  
name of their corn."

### Girls Play Thursday Bullpups First Tee

Coach John Bond, the new Gor-  
rilla, who put his Pampa High  
Gorillas in the field next Thursday  
afternoon in their first contest of  
the season. Their opponents will  
be the strong Plainview "Bullpups"  
and the site of the clash will be  
Bullpups in Plainview.

Coach Bond has yet to release a  
starting line-up and the team elec-  
tions for captains are to be in the  
very near future. Approximately 50  
girls have reported out for the ev-  
ening practices and they have al-  
ready staged two scrimmages, one  
with the third string Harvesters  
and the other being against the  
Reapers.

The Gorilla schedule is very tenta-  
tive as they have several open-  
dates. Besides the first games of  
the "Bullpups" they will also meet  
teams from Borger, Wheeler, and  
Amarillo within most of the games  
being played.

### Molecules Crushed By Physics Students

Weid cries floated from the  
chemistry room during the first  
period as physics students discover-  
ed that 25 billion billion molecules  
occupy one square inch and im-  
mediately proceeded to crush a  
hundred or two billion billion.

Such questions makes a physics  
water rise above the height of a  
tube which the tube is cut off below  
the water surface? and "does mo-  
lecular bombardment keep a tire  
inflated?" kept the seniors puzzled.  
(If this is in the realm of possi-  
bility.)

Such questions makes a physics  
student wonder. Mental institutions  
have plenty of room for people who  
attempt to answer such questions.

### Ida Tri-Hi-Y Prexy For Tri-Hi-Y Club

Ida Ruth Taylor, senior, is pres-  
ident of the Pampa division of Tri-  
Hi-Y for the coming year. Other  
officers are Margery Dixon, vice-  
president; Carol Culbertson, sec-  
retary; and Margaret Price, treasurer.

The club is planning to have the  
Amateur conference Sept. 28.  
Total member club quota is forty,  
of which there are now 25. The  
other members will be chosen in  
the next two weeks.

Co-sponsors of Tri-Hi-Y are Miss  
Mary Winston, history teacher, and  
foreign language teacher, Miss  
Virginia Vaughan.

Barbara Stephens

### Barbara Stephens Crowned Queen at Mustang Game

Band sweetheart Barbara Step-  
hens was presented by Emmett  
Forrester, band president, in an im-  
pressive ceremony at the half of  
the Sweetwater-Pampa game last  
Friday night.

The band members formed a  
heart in front of the home stands,  
and stood at attention while Emmett  
escorted Barbara into the center.  
The field lights were extinguished  
and band members held alternate  
green and gold flashlights, while  
playing "Dear Old Pampa High  
School." A single spotlight was  
placed on Barbara as Emmett pre-  
sented her with a mum bouquet in the  
form of a music lyre.

Barbara was fitted in a white  
sweater and white pleated skirt,  
white socks and moccasins.

Born in Pampa seventeen years  
ago on April 27, Barbara became  
interested in music at an early age.  
She began marimba lessons while  
still in Junior High and has ap-  
plied this knowledge, receiving  
first division in regional contests  
and a second division in the Na-  
tional contest at Enid. This is her  
fourth year in the Pampa High  
Band. She served as business man-  
ager and reporter of this organiza-  
tion last year.

"Outdoor sports, books, and play-  
ing the marimba are my favorite  
hobbies," states senior Barbara. Her  
ambition is to become a concert  
Marimbist.

Barbara has served as Latin club  
vice president for two consecutive  
years. This is also her second year  
as a Little Harvester reporter. One  
year as freshman layout-editor is  
also to her credit.

For the last three years Barbara  
has worked in Mrs. Robert's office.  
James Moore, social events and  
attend Stephens at Columbia, Mo.  
sports.

This program is as yet nameless,  
but not for long as a student con-  
test in the field next Thursday  
afternoon. Students wishing to enter the  
contest are to write their ideas on a  
blank piece of paper with their  
name, classification and homeroom  
number on it. The contestant whose  
originality wins will be interviewed  
on the next program. Entries must  
be turned in not later than next  
Wednesday.

### Riverside to Meet Harvesters Friday

The Pampa Harvesters will con-  
clude their homelife stand next  
Friday night when they meet  
Riverside of Fort Worth for the  
first time in their history.

Since this is the third showing  
of both teams there is no data  
showing comparison, but you can  
expect Coach E.M. Love to bring  
anything but a pushover to Har-  
vester field.

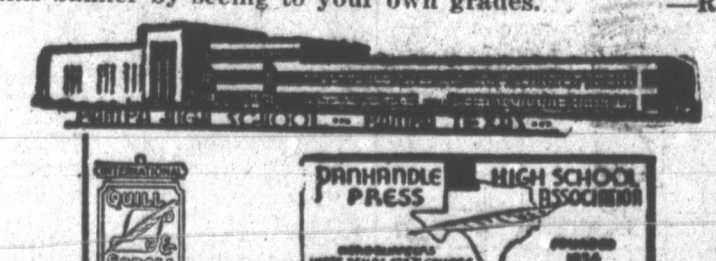

This game will end the three  
game home stand by the locals. The  
Harvesters will then travel to Ver-  
non in the first of a three game  
road trip.

### Try for the banner . . .

As you may remember in the past it was the custom  
of the National Honor Society to present each six weeks  
to the class with the highest scholastic average a bar-  
ner. This banner is gold with the name of the class in  
green.

The percentage of the number of persons making the  
honor roll is taken and the class having the highest per-  
centage is presented this banner in an assembly by the  
National Honor Society president.

So it is time to look forward to helping your class win  
this banner by seeing to your own grades.

### LITTLE HARVESTER STAFF

The LITTLE HARVESTER is published weekly by the students of  
Pampa High School. The LITTLE HARVESTER is a member of the  
Panhandle High School Press Association, Quill and Scroll and the  
Texas High School Press Association.

Co-Editors: Don Lane, Naneen Campbell, Richard Hughes, June Saunders, Wilma Tubbs

Sports Editor: Exchange Editor: Reporters: Barbara Stephens, Patty Bolin, Delores Davis, Grace Davis, Jean Cornelius, Jimmy Cox, Gene Garrison, and Roberta Smith.

## Sanders Elected President Of Quill and Scroll Society

### Paper Gets Second From Quill-Scroll

The Quill and Scroll critical ser-  
vice of the Little Harvester was  
received and "there's good news to-  
night."

The Little Harvester will receive  
in October an International Second  
place award certificate. This was  
for scoring 842 points out of a possi-  
ble 1000.

The critician judge commented, "The  
Little Harvester is superior in its  
news coverage, news writing and  
editing. It discloses a vigorous edi-  
torial policy and some good news  
writing talent."

The paper was over all types  
of writing and the most favorable  
was the news stories. The paper  
received a "good news coverage"  
note from the judge.

The paper was weakest on its  
feature stories. Also, Sagebrush,  
the gossip column is a questionable  
column to have in the paper and  
"it tosses a monkey-wrench into  
desirable school journalism."

### Martin Is Delegate For FHA Organization

The Pampa Chapter of the Fu-  
ture Homemakers of America met  
Thursday to elect a delegate to the  
Area I executive council meeting  
to be held in Lefors, September 27.  
Lillith Martin was unanimously  
elected.

The executive Council meeting  
will consist of the installation of  
officers elected last spring at  
the Tentative plan are to  
have Naneen Campbell, local pres-  
ident and state reporter, install the  
officers.

Other business during the meet-  
ing concerned the State Fair at  
Dallas, Oct. 4. The constitution  
committee also made their report.  
Those present were: Joan Clay,  
Mary Jo Stewart, Naneen Camp-  
bell, Aitha Belle Stewart, Lillith  
Martin, Mrs. Leslie Hart, sponsor  
and Mrs. J. C. Stewart, Mother  
adviser.

### Shutters Purchased For Choir-Band Room

Much to the joy of all the band  
and choir members, new outside  
venetian blinds have been instal-  
led outside the music room windows.  
These new blinds, which were  
bought from the Clearview Out-  
side Venetian Blind Company, are  
all metal and have a baked enamel  
finish which will withstand all  
types of weather.

They were furnished and install-  
ed by the Thompson Glass and  
Paint Company who installed them  
in order to introduce them to  
the public.

These blinds, which all together  
cost \$504, are really nice and add  
considerably to the appearance of  
the building.

### Fish Admit Confusion At Beginning of Term

Seniors and juniors grasped and  
stared as an avalanche of fresh-  
men blinds have been installed  
the first few days of school.

Everywhere the remark "Just  
how many freshmen are there?"  
could be heard. There seemed to be  
no end to the streams of boys and  
girls who for the first time were  
entering Pampa High to attend  
school.

All joking aside though, the  
little nervous and many were just  
plain scared. After the first day of  
school many firmly believed that  
they would never walk again.  
"Stairs," they would groan. "Miles  
and miles of stairs."

Also, the fish had a hard time  
finding their way around for several  
days. That's not unusual, however.  
Even seniors get lost occasionally.  
All joking aside though, the  
freshmen are really thrilled to  
think that at last they are in high  
school. So all you upper classmen  
don't be too mean to them. They  
are a pretty good bunch of kids--  
I guess!

### Annual Editors May Attend Stock Clinic

If transportation can be pro-  
vided, June Myatt and Patty Wil-  
liams, co-editors of the 1948 Har-  
vester, will attend the Stock annual  
clinic held in Austin this week-end.

The clinic, sponsored by the  
Stock company for its customers,  
will treat all phases of annual  
production, including photography,  
writing, layout, design, and all  
phases of printing and  
copywriting.

One of the speakers at the clinic  
will be Mrs. Dick Crosby, sponsor  
of the Lubbock high school year-  
book, and other addresses will be  
made by persons who have had  
bread experience in each of the  
above fields.

The three day clinic will begin on  
Thursday and continue through  
Saturday.

### Pep Rally Held For Mustang Tilt

A "Beat Sweetwater" spell opened  
the pep-rally preceding the Har-  
vester and Sweetwater game held in  
the Harvester stadium. Assistant-  
coach Aubra Noncaster spoke to  
the students on the behalf of the  
team.

Head cheer leader Ida Ruth  
Taylor complimented the student  
body on their appearance at the  
last game. After the school song  
the students returned to their  
classes.

Blitskoff is the word  
LENGTHER RACES  
The Blackfoot Indians of a few  
generations ago ran foot races sev-  
eral hundred miles in length, with-  
out stopping. A favorite run-  
ner was from what is now Gleichen, Alberta,  
to Medicine Hat and back, a dis-  
tance of about 250 miles.

### Miss Glick Reports About German Trip

"The Germany of today is just  
like you read about it" commented  
Miss Chris Glick, who recently  
spent in Germany.

Miss Glick, taught in the De-  
pendent's School Service in Er-  
langen, Germany where a high  
school has been established for the  
children of the American occupa-  
tion forces. There were five high  
schools and 30 elementary schools  
in the American zone with a total  
of 130 American teachers.

"Become a teacher and see the  
world" must have been Miss Glick's  
motto. She visited Paris, France,  
Thanksgiving and made the Swiss-  
Rome tour Christmas. She saw the  
picturesque city of Prague, Czech-  
oslovakia during her Easter holi-  
days.

England, Scotland, Denmark,  
Sweden, Belgium and Holland were  
visited by Miss Glick during the  
summer months.

"There doesn't seem to be any  
Nazism left in the German youth,"  
stated Miss Glick.

German boys visited the high  
school on several occasions and  
were amazed to see him talking to  
the students in the halls. Their  
superintendents were regarded as  
masters and superior to everyone.

Sports in their high school was  
very slight. Basketball was the  
principal school participation and  
because of transportation difficul-  
ties, very few outside games were  
played.

### Radio Changes Time; What Time Is It?

Another confusing time change  
is in the making. Radio has found  
out that Democrats won't change  
back once again.

The programs you now hear an  
hour earlier you have to hear an  
hour later, the programs you didn't  
hear something else, and those you  
didn't care about listening to will  
fill the short time you have to hear  
the programs you got use to hear-  
ing during the summer. Catch?

One consolation (that one is  
straight from the dictionary) is  
that all the top (?) performers will  
be back--same laughs from their  
relatives.

We have hope back and Skele-  
ton is still rattling the bones. Jack  
Farr, who replaced an unknown  
called Benny for the summer, will  
keep his program but move to a  
another network. (We work for NBC  
and its vice-president, so we can't  
say which one.) Fred Allen is back  
and his highest ambition is to com-  
plete one program without being  
cut off.

### Cartoon Characters Come to Pampa High

It looks like pudgy Lord Smith  
has been to Pampa. Yes, the "Glo-  
Bo" and Dear Old PHS.

Not to be outdone by mere comic  
strip character, some boys have de-  
signed their own bow ties with  
brilliantly lighted bulbs attached.  
In true "Freelikes" fashion the  
bulbs, controlled by wires in the  
boy's pockets, beam in ap-  
proval of an approaching girl.

Emmett Forrester, Bob Houchin,  
and Don Byars are currently lead-  
ing in this new fad. Students are  
wondering if their fathers borrow  
the ties. Information has it that  
the well dressed father of today  
will sport a "Glo-Bo" at lodge meet-  
ings.

The boys are convinced that the  
old-fashioned method of winking  
will soon become obsolete, and  
that the "Glo-Bo" will serve as  
man's medium for attracting the  
opposite sex.

### Scheig Gives Report Of Hi-Y Convention

The highlight of the first regular  
business meeting held by the Hi-Y  
last Thursday in room 100 was a  
report given by Richard Scheig on  
his trip last summer to Iowa to at-  
tend a National Hi-Y Convention.  
It was the first time a representa-  
tive from Pampa High had attend-  
ed, but they plan to send the pres-  
ident of the club in the coming  
year.

The business of the meeting  
consisted of planning a trip to  
Amarillo Sept. 27 and discussing  
new members.

Members present were: James  
Gallemore, Leon Taylor, Jimmy  
Howard, John High, Zeki Griffin,  
Bill Amory, Dan Stallings, Jim  
Moore, Bobby Houchin, Dick Oden,  
Don That, Joe Glasner, F. Kilpa-  
trick, Pat Boswell, Bob Epps,  
Richard Scheig, and the sponsor  
C. T. Hightower.

### Coronet, Digest Sold By Eng. Department

In their drive for subscriptions  
to the Coronet and Reader's Digest  
magazines, the English department  
sold 109 Coronets and 25 Rea-  
der's Digest.

The department gets special rates  
on these magazines for the stu-  
dents. Mrs. Mable Torvie headed  
the sales.

### Poor Richard's Almanac

Football players like to study (it  
says here), but they will lay down  
the physics and English books if  
some interesting sports literature is  
available. Especially if that litera-  
ture expresses an opinion, con-  
tains facts and chances in the district  
football race.--And such a book is  
available.

The current chronicle of distraction  
is the District One Football  
Annual published in Lubbock by  
the help of sports writers around  
the district. The booklet contains  
action photos from last year, 1947  
schedules, 1946 results, last year's  
All District team, comments on this  
district in the past and comments  
on the strength of this year's teams.  
Adorning the pages of the annual  
are such battle scarred vets as  
Kelly Anderson, Hansel Kennedy,  
Bob Boyles, Mayes, Scheig,  
Bill Bond, Charles Laffoon, Zeki  
Griffin, R. Russell, and Jim Wison.

The title of the opening story in  
the Annual reads "Amarillo Looks  
Like the Team to Beat." From all  
indications the Sandies will be  
tough but they aren't. Billy Jack  
Glasgow, and Sam Atterley lead-  
ing the way. One is committing  
gridiron suicide to underdate the  
Amarillo Sandies any year. Let's  
not kid ourselves--the Sandies will  
be tough!

Then we come to the article  
"Don't Disregard the Pampa Har-  
vesters." That might prove to be  
good philosophy. The ability of the  
Harvesters is unknown, but any-  
time the meet a team they will be  
a threat. And we don't exclude  
Wichita Falls, Amarillo or anyone  
else.

If pre-season publicity is any in-  
dication, a man to watch is Borger's  
Jim Scott. An all district center  
last year, this two hundred pounder  
is going to rip the opposing line to  
shreds from the fullback position  
this fall--or so a number of Borger-  
ans told us this summer.

Chrichis to:  
Willie Ray Tucker who is late  
starting football practice this year,  
because of an appendectomy late  
last summer. This senior is ready  
to step into a football suit and  
make those first string guards  
hustle.

Onions to:  
Those students who skip pep  
rallies and those students who  
make no effort to be at the foot-  
ball games.

Pampa can be proud that it has  
three football coaches who really  
look like football players. The  
newest addition to the coaching  
staff is tall, broad haired John  
Bond, the T.C.U. grad who is tu-  
toring the Gorillas. All three coach-  
es--Tipp Noncaster, and Bond--  
are the type to demonstrate proper  
football rather than depending on  
explanations.

This writer is one who likes to  
see more foot in football. In the  
Electra game, Kelly Anderson and  
Darrell Davis were reasonably im-  
pressive kicking extra points. Jim  
Wilson has had experience at place  
kicking and may be used later in  
the season. Many a game has been  
won by an extra point or a field  
goal.

In their first game the Harvesters  
had trouble leading the ball. A  
common fault of " formations  
teams is the abundance of fumbles  
near the line of scrimmage. How-  
ever, the fumbles were occurring  
in the opposition's secondary. To  
curtail these fumbles will be  
a major goal of the Harvesters.

### Students Will Have Photography Class

Due to the rising interest of two  
students, John Allen and Jack  
Davis, Miss Mary New, PHS chem-  
istry teacher will conduct a photo-  
graphy class in the afternoon,  
after school.

The two students have brought  
their own equipment and supplies.  
Miss New will teach them the art  
of developing and enlarging. The  
chemistry store room which can be  
equipped for a dark room will be  
used. At first they will use only  
film of not much importance and  
later they will try on more im-  
portant things.

Jack brought anABC Photo Lab  
outfit and John has an enlarger  
and other supplies. They will be-  
gin sometime next week.

## Pick The Winners & Win Cash

Your Name .....

Address .....

### RULES

All you do to be eligible for the big prizes is to read over carefully the ads on this page, check the winners of the games shown in each ad, write your name plainly in the space provided . . . and bring or mail it to (FOOTBALL CONTEST) Pampa News, before Friday, Sept. 26, 2 p. m. All the games on this page are scheduled to be played on the weekend of Sept. 26 and 27. Awards will be announced the following week. The decision of the judges will be final. In the event of ties the prizes will be divided!

ENTER NOW! You are eligible to enter this contest unless you or a member of your immediate family is employed by The Pampa News or Radio Station KPDN. Remember . . . indicate in each ad the team you think will win, marking same with an X in the square provided. Write plainly; you may indicate the games if you wish by marking both teams; do not cut the ads apart, do not indicate scores!

**A COMPLETE SERVICE**  
Gas, Oils and Repairs

Whatever your car needs we have it.  
Motor Tune-up, Wheels Aligned, Wash & Lube, Hood Tires and Mopar Parts.

Common Ground

By R. C. HOILES

Label Laws and Good Morals

The label law is a great protection to the American people. Libel suits should be instituted often.

If a publisher prints a damaging statement against any individual and it is not the truth, the publisher should be held liable.

When a man is branded as un-social and he does not sue a responsible person making such a statement, it is the strongest kind of evidence that the man is guilty of being un-social.

How will the public know whether or not a statement is fact or fiction? People holding responsible positions do not regard it necessary to defend their character in open court.

There had been 100,000 enlistments by July 1 of this year. The goal of this two-month drive is 250,000 men for the present fiscal year.

The National Guard is a direct descendant of the pre-Revolutionary militia or home guards. The present Guard, though modernized and mechanized serves essentially the same purpose.

Even if universal training should be established, the need of a National Guard would not be removed. Nor, we believe, would many of its members wish to see it discontinued.

"National Guardsmen are citizens most of the time, soldiers some of the time, patriots all the time!"

The secretary of the treasury of the United States never bought a single war bond; he is prohibited by law from buying government securities.

The British writer Kenneth de Courcy suggests that the United States and Britain "open up" Interior Africa.

Germany, France, Belgium, Holland and Italy also could benefit from a program of this kind, especially if work could be started in the near future.

ALASKA TOO De Courcy's suggestion reminds us of the many vast rich areas in both hemispheres untouched.

NATIONAL WHIRLIGIG

news behind the news

WASHINGTON By Ray Tucker STALIN is not so much behind the move to lead the whole world on the backs of the working people of the United States?

WAR—Why is the American Government letting Russia seize all of Eastern Europe? Perhaps it is not so much an "unloading" of the world's problems on the United States.

RUSSIA—Had Russia joined with good will to arrange a just peace and its preservation under the aegis of the United Nations, Europe today might be on the road to recovery.

COOPERATIVES—"Is it true," asks B. J. T. of Scotia, Cal., "that the House investigation of the 'coop' was a mere smear campaign?"

WITHDRAW—Stalin's game is plain. He aims to create an economic crisis in the U. S.—perhaps means makes a statement that is damaging and he is not sued for libel.

EISENHOWER—"I note," writes M. C. of Waterbury, Conn., "that your Editor Roy Roberts of the Kansas City Star and Alf Landon wrote, almost simultaneously, the same article in regard to Eisenhower's attitude toward a presidential nomination."

AND I SAID "THANK YOU, BUT WE WERE SOLVED WE WERE SNOOPING AT THE HOLE-IN-ONE!"

WELL, AFTER I GOT MY HAIR CUT AND I SAID "THANK YOU, BUT WE WERE SOLVED WE WERE SNOOPING AT THE HOLE-IN-ONE!"

STAND BACK! YOU WANT TO MUSS MY HAIR!

LISTEN AT JANUS'S WINDOW, LUCRETTIA, AND LET ME KNOW WHAT YOU HEAR. I'M BE WAITING AT MY OFFICE.

I'D, DON'T THINK YOU'D BE INTERESTED IN WHAT THEY'RE SAYIN', MISS PEANE.

YOU'RE LOOKING SOME CHARMING, THAR, EVER, MISS GALLAGHER!

WELL, IF HE CANE, YOU KNOW YOUR TOBORROW MONEY, SHIRT ON, MAMIE DON'T YOU LEARN A CENT!

Gracie Reports

Well, it's nice to see how much easier things are being made for animals. I told you that considerable farmers were now knocking on the doors of chicken houses.

Just the same, I'm glad we don't own a cow. George already gets hot under the collar when I keep him standing around for his turn in the shower and if he had to wait for a cow too, his shirts would burst into flame.

At first I wondered if cows would know how to operate the hot and cold water faucets, but I suppose that would be quite simple for a creature who has gone through life with four faucets of its own.

YOUNG 'OLD MAIDS' The average age for marrying on the island of Madura, Dutch West Indies, is 100 years. It is said that the girls are considered "old maids."

By Upton Close

startling beauty of the Alaskan landscape is hidden much treasure in soil and minerals.

So They Say Unless America shows it is not miserly and follows through in saying to Europe, "you help yourselves," communism will prevail.

Quite by accident, the general accounting office has discovered that certain War and Navy officers engaged in territorial settlements, went to work immediately thereafter with the very contractors on whose termination plans they had worked.

Recovery (in China) awaits inspirational leadership and moral and spiritual program which can only come from within China.

ALASKA TOO De Courcy's suggestion reminds us of the many vast rich areas in both hemispheres untouched.

New Storm

(Continued From Page 1) out the night. West Coast cities also experienced heavy winds and rains, but some points had barely enough wind to stay the palm trees. The apparent mildness of the newest blow from the Caribbean was a relief to South Floridians who with Gulf Coast residents to the north suffered at least 44 deaths and \$75,000,000 property damage in last week's visitation. The Mississippi coast where the hurricane struck Friday after roaring out of Florida at Port Meyers at midnight Wednesday alone had 20 dead and millions upon millions of property loss. Hardly a beach dwelling was left intact. Poisonous snakes washed up from outlying islands put added burden on rehabilitation workers. Malodorous gases from dead fish and other marine life were another handicap. New Orleans had a flood scare from the swollen and storm-tossed waters of huge Lake Pontchartrain. But the water level began to drop sharply yesterday and federal engineers stood by to open inlets into the lake and drain off surrounding areas. The Red Cross estimates that all told 1,300 homes were destroyed in Florida, Alabama, Mississippi and Louisiana and ten times as many damaged. It set aside \$1,000,000 for relief swelling the total available to \$7,000,000.

DAV Sweetheart

Yes, times have changed. After the last war, long-tressed, long-dressed Mary Pickford was "America's Sweetheart." Now the Disabled American Veterans have bestowed that title on lightly clad Marjorie Lane at a convention in Las Vegas.

(Continued From Page 1) leaves of absence amounting to not less than 26 full semesters, of which the eighth consecutive semester has just ended. In view of this record, it would not seem unreasonable to require that Mr. Doble return to active duty to assist his colleagues in carrying the heavy burden of upper division and graduate instruction. In Doble's earlier prepared statement to the press, he declared that he always has hayerover from cedar pollen in Austin. "If I stay here I am simply devastated," he said. "All the membranes in my head become raw or irritated that I cannot sleep or think or do any sort of work; then for weeks after the cedar pollen has ceased to fly from the trees, I still suffer. "Severe hay fever, like habitual drunkenness, is funny only to people not connected with the curse," he said.

NEW YORK, Sept. 22 (AP)—The stock market moved irregularly today and many leading shares retreated to previous levels. Several railroad issues retreated fractions to around a point. Modest activity was centered among the industrials where there was a scattering of declines. Activity had to a slow pace early in the session as around 650,000 shares. The list was well mixed at the close. Declines were registered by Union Pacific, Southern Pacific, Santa Fe, Northern Pacific, Standard Oil (N.J.), Phillips Petroleum, American Oil, Kennecott, Douglas Aircraft, Woolworth, Youngstown Sheet and Air Reduction, Shively Oil, American Wire and Pennsylvania Coal & Coke and Union Carbide. Others in higher ground included Bethlehem, American Smelting, Owens-Illinois, Pullman, Phillips, and Cerro de Pasco. Bonds were narrow.

CHICAGO, Sept. 22 (AP)—Wheat scored a sharp advance on the Board of Trade today, aided by reports of a good domestic flour business and indications the Commodity Credit Corporation was buying cash wheat for export. Corn and oats were firm. The Minneapolis office of the CCC announced it bought 1,500,000 bushels of wheat, late last week, and the agency was in the market again today. The Chicago office was believed to have bought around 500,000 bushels at Ohio points today. The September corn and oats contracts were erratic. Dealers in these deliveries ends today and some liquidation developed. Deferred months of both grain advanced. Corn was aided by a forecast for scattered light frost in parts of the mid-west tonight. Wheat close 7 1/2 to 9 cents higher, September \$2.64 1/2-2.66, corn was 1 to 4 1/2 higher, September 29-31 1/2, and oats were 1 to 3 1/2 higher, September \$1.09-1.09 1/2.

Table with columns for Chicago-Wheat, Fort Worth Grain, and Kansas City Livestock. Includes data for various commodities.

KANSAS CITY LIVESTOCK (USDA)—Cattle 29,000; not enough done on slaughter cattle and calves to furnish trend in prices. Moderate run medium to average good grain fed steers offered; very few better kind available; run grass killing steers lightest for Monday steers late August; light supply fed yearlings but good quality; medium to heavy grass heifers; normal run cows and most buyers talking lower on beef kind; calves steady; feeders and cutters about steady; very slow on killing calves, around 300 lb and heavier; generally market steady on stockers and feeders; also slow in developing fully, although many buying interests trying for lower levels; steady good and choice stock steers largely 1,000 lb and lighter 20.00-25.00; rather small number good choice feeders moved at 22.00-25.00; scattered light good and choice light calves 11.00-22.50; stock cows 13.25-14.25. Hogs 29,000; slow, steady to 25 lower than Friday's average; top 29.00; good and choice 26.00-28.00; heavier weights scarce; 170-190 lb 25.50-28.50; sows steady to 25 higher.

FORT WORTH LIVESTOCK (USDA)—Cattle 5,700; calves 3,100; steers and yearlings steady to weak; fat cows weak to the lower; canner and cutter cows steady; fat calves dull and weak; stockers slow, tending lower; common to medium steers and yearlings 13.00-21.00; medium and good fat cows 13.50-15.50; cutters and common cows 11.00-13.50; canners 8.00-13.00; bulls 12.00-16.50; good and choice fat calves mostly 15.00-20.00; common to medium calves 13.00-17.00; stocker calves, yearlings and steers 15.00-20.00; stocker cows 12.00-25.00; sows 21.00-25.00; stocker pigs 20.00-25.00. Hogs 1,200; mostly steady; top 28.75 paid for good and choice 180-270 lb; good and choice 180-270 lb 26-28.25; sows 21.00-25.00; stocker pigs 20.00-25.00.

CHICAGO PRODUCE (USDA)—Potatoes: Idaho-Oregon: Russets: Burbank \$1.10 western section, \$2.65 eastern; North Dakota-Minnesota Red River Valley Bliss: Triumphant \$2.50; Red Warba \$3.38; South Dakota Bliss: Triumphant \$3.50-3.15; Washington long whites \$2.65; Russet: Burbank \$4.00-4.15; Wisconsin Cobblers \$2.50; Bliss: Triumphant \$2.60-2.15; Chippewas \$2.60.

OUT OUR WAY BY J. R. WILLIAMS

Texas Today

By JACK BUTLEDGE Associated Press Staff Texas merry-go-round: Despite the fact Texas women originated the revolt against long dresses, a junket over the state reveals—tsk! tsk!—that they are wearing those new long Yankee styles. A few are sticking to the little-below-the-knee length advocated by the now well-known LBK Club. Others, however, are either wearing longer dresses, or their knee caps have dropped. It's probably too late in the year for vacationers to benefit by this newest trend. But almost everywhere tourist courts have big "vacancy" signs displayed. In three towns between Dallas and San Antonio, apartments were advertised. Many homes were offered for sale. In the Dr. Ross murder trial, many noticed the look-alike qualities of Dr. Lloyd L. Ross, the defendant, and one of his defense attorneys. Highway construction continues, and detours are a dime a dozen these days. Unlike detours of the past, the ones today are often as good as the finished product. Trees that shed their leaves in the fall are beginning to shed them now. After all it's that time of the year. Today is the first official day of fall. And speaking of autumn, The season's most common sound effect is the thud, bump and grunt of football. Everywhere you turn, from city side streets to country lane—football. Tea one set for \$190 a pound.

It's being done at Willow Run! KAISER-FRAZER NOW WORLD'S FORTH LARGEST PRODUCER of AUTOMOBILES! More Than 87,000 Kaiser and Frazer Owners—as Production Records Soar at Willow Run! MORE THAN A CAR A MINUTE

UNITED PRESS NEWS STORY KAISER-FRAZER RANKS FOURTH IN PRODUCTION Detroit, Aug. 16 (AP)—The Kaiser-Frazer Corp., banking on a war-time boom in new cars, has announced that it is now the fourth largest automobile producer in the world. A little more than a year ago Kaiser and Frazer cars did not exist except on paper. A little more than six months ago the company borrowed \$12,000,000 to keep its head above financial waters. Today production figures show K-F is grinding out some 2,500 passenger cars a week, better than any of the independents and runner-up to the "Big Three"—General Motors, Ford and Chrysler. And the company is making money. Viewed as Miraculous Some observers call it a "miracle" that Kaiser-Frazer has been able to do what few fledgling manufacturers could accomplish—crash into the highly-competitive automobile business and stay there. Admittedly the company cashed in on an opportune moment—time which public clamor for new cars was at its highest. In part it was due to the fact that the company had built cars that would compete in the low-priced market and is offering now three models that have sold at the factory at \$1,915, \$2,122 and \$2,550.

and production is still being increased as rapidly as highest quality standards will permit! How Kaiser-Frazer Maintains the Quality of its Products and Services \* K-F has substantial investments in sources supplying many raw materials. \* K-F operates its own high-production engine plant. \* K-F makes its own bodies complete at Willow Run. \* K-F has one of the four largest factory-trained dealer service organizations in the world. Wherever you drive, wherever you go, 'round the corner, down the street, there is a Kaiser-Frazer dealer ready to serve you with genuine factory parts. YOUR KAISER-FRAZER DEALER IS DELIVERING\* NOW \*Act quickly! See your nearest dealer now for an early delivery date.
