

Dial System Due For City; Rate Okayed

The city commission and officials of the Southwestern Bell Telephone company Tuesday agreed on a new schedule of telephone rates for Big Spring, paving the way for construction of a \$2,000,000 dial plant here in the next two years.

LEWIS DOUGLAS

The rate schedule agreed on was virtually the same as proposed by the city commission at its last meeting. However, it was also agreed that the rates requested by the telephone company would "automatically" go into effect when the company switches to dial operations.

Only change in the city's proposed schedule was a hike in the monthly PBX truck service charge — from \$12 to \$12.37. New rates, effective next billing date, will be: \$8.25 for business phone, up from \$5.50; \$4 for one-party residence phone, up from \$2.50; and 3.00 for two-party service, up from 2.25.

The agreement with the city also cleared the way for immediate expansion of telephone facilities here to relieve the current demand for more than 1,000 additional phones. John B. Moore, local manager, told the commission. Work was to be started today to fill the heavy demand for service in the Washington Place area, he stated.

Expansion will also be started on the north side, but several months will probably be required to complete lines and cables in that area, Moore indicated.

No commitment was made as to when actual construction of a new dial telephone building would be started, but Ed J. Ernest, division manager from Fort Worth, said that "engineering work will be started immediately and the building will be designed as soon as equipment needs are determined." Site for the new plant will be selected after an inspection of available lots, he said.

The 24-month expansion program, as presented to the commission, See DIAL, Page 11, Col. 2

NAMED — Thomas F. Murphy (above), assistant U. S. Attorney who prosecuted Alger Hiss successfully, has been named New York City police commissioner by Acting Mayor Vincent D. Impellitteri. He succeeds William P. O'Brien, resigned. (AP Wirephoto)

Daniels' Book Might Affect November Votes

By JACK BELL

WASHINGTON, Sept. 27.—Jonathan Daniels' biography of President Truman set political skeletons dancing today in a parade which might affect the November congressional elections.

Republicans picked up from the writings of the presidential confidante and former White House aide the statement that Mr. Truman appeared "lost in uncertainty and ineptitude" in handling one vital foreign policy decision in 1946.

Southern Democrats whom the administration has been trying to woo back into the fold bristled anew at word the President once said James F. Byrnes had "failed miserably as secretary of state." The New York Herald Tribune quoted Byrnes as replying: "If he felt that way, why should he have wanted a miserable failure around?"

Truman supporters found solace in repeated presidential statements as recorded by Daniels that Mr. Truman had opposed for years any policy of appeasement of Russia.

Daniels, who is publisher of the Raleigh, N. C. News and Observer and is democratic national committeeman for his state, titled his book "The man of independence."

A White House aide said Mr. Truman had looked over—and thus unofficially approved—the quotes in which he slapped Byrnes, his former secretary of state who now is in line to become the next Democratic governor of South Carolina.

The President may have missed, however, some of Daniels' own observations and such incidents as that in which Mr. Truman was quoted as saying that Winston Churchill tried to get him not to withdraw American troops from Prague, Czechoslovakia, but he insisted that it must be done to keep agreements with the Russians.

"But if I had known then what I know now, I would have ordered the troops to go to the western boundaries of Russia," Daniels quoted the President as saying.

Signs Aid Measure

WASHINGTON, Sept. 27.—President Truman today signed the \$17,099,288 appropriation bill to strengthen defenses of the United States and its allies.

Headquarters reported they said when the North Koreans realized Chinju, on the extreme South Korean front, was about to fall they tied the Americans together, marched them into a ravine and turned machineguns on them.

The two survivors were wounded seriously but escaped by shaming death.

Headquarters said the body of a North Korean was found among those of the murdered Americans.

The dead Red was reported to have refused to help kill the Americans.

Gen. MacArthur's headquarters release said the wounded Americans had no food or water for five days.

His summary said one survivor was able to give an eye-witness account of the mass murder even though he had been shot five times and was suffering from pneumonia.

Both wounded Americans were flown to a hospital in Japan.

Name Banker Head

NEW YORK, Sept. 27.—James E. Shelton of California today was elected to head the American Bankers Assn. as president for the year 1950-51.

Stars And Stripes Fly Above S. Korea Capitol

Cleanup Battles Are Nearly Over

By DON HUTH Associated Press Staff

TOKYO, Sept. 27.—American Marines raised the Stars and Stripes over the national capitol in Seoul today while other forces whipped out a 215-mile allied noose around many thousands of Reds in the south.

All indications, including a broad appraisal by Gen. MacArthur, were that the North Korean invaders were staggering and stumbling to final defeat in South Korea.

All indications, including a broad appraisal by Gen. MacArthur, were that the North Korean invaders were staggering and stumbling to final defeat in South Korea.

They still resisted in places with fatalistic fervor, however.

The master strategic stroke arising from the 12-year-old Inchon beachhead operation and the offensive from the south was the merging of the two allied fronts by forces meeting from north and south.

The allied lifeline for victory now runs unbroken for the 215 miles diagonally across the peninsula—from Pusan on the extreme southeast coast, through the mop-up battles in Seoul, to the Inchon second front beachhead on the Yellow Sea.

The Reds once were within 30-odd miles of Pusan port.

Red Korean rule over the ancient capital city and most of South Korea seemed all but crushed—three months and two days after the Russian-armed Reds invaded the United Nations-sponsored republic.

A U. S. First Cavalry armored task force forged a link of steel between UN forces in the south and north. It raced 106 miles in a lightning sweep to spite the last gap.

The link-up with Seventh Division patrols from Inchon-Seoul was made late Tuesday night in the walled town of Changji 25 miles south of Seoul.

It came within a mile or two of the spot where the First American soldier of the Korean war was killed July 5.

United Nations forces fanned out on both sides of the long Pusan-Inchon line, liberating big areas from Red bondage.

"While mop-up fighting is still in progress," Gen. MacArthur reported, "all effective escape routes are closed and the fate of the North Korean forces caught in this pocket is sealed."

How many were trapped was a mystery.

Two weeks ago, just before the Inchon second front landings began, 130,000 Red Korean troops were massed against the Pusan beachhead, fighting to drive the allies into the sea.

But AP Correspondent Don Whitehead reported in a dispatch from Seoul that the Red divisions in the south "seem to have evaporated—dissolved into thin air."

Whitehead said American planes had not spotted any large northward movement of troops.

Many Reds have been reported changing into white civilian clothing and scrambling cross-country toward their northern homes.

Real guard units still fought delaying actions against the on-rushing allied troops.

The battle for Seoul, where the Reds made a deliberate death stand that caused terrible destruction, was nearly over.

The Marines captured the capitol and the nearby Soviet and French Consulate buildings and the U. S. Embassy residence in street-by-street fighting.

United Nations — United States and other countries support British plan to unite all Korea as independent country with a government elected under UN supervision.

See KOREA, Page 11, Col. 5

WHERE U. S. TROOPS MADE CONTACT — The circle on this map of a portion of Korea indicates the area between Suwon and Osan where troops of the U. S. Seventh Division south of Seoul made contact with tanks of the First Cavalry speeding up from the old southeast beachhead. An Army spokesman said two tanks met units of the Seventh Division. If the linkup is solidified, thousands of North Korean soldiers will be trapped in southwest Korea. (AP Wirephoto Map)

EFFECTIVE OCT. 1

City Employees To Get Wage Increase

All city employees will receive a five per cent increase in pay on Oct. 1, the city commission decided Tuesday.

The pay hike was approved by the commission "to help cover higher living costs and increased income taxes," and came after several months of discussions built around a possible raise and participation in the Municipal Retirement System for employees.

City workers will be covered by provisions of the MRS, starting Oct. 1. The pay increase and cost of participating in the retirement plan will be met with a budget item of \$15,000 set aside to cover retirement costs during the current fiscal year.

Since half of the fiscal year is already past, half of the retirement funds can be used to pay the additional wages for the next six months, commissioners decided.

The commission also accepted and approved the 1950 tax roll and set the tax rate for the year. The tax levy will remain at \$1.70-\$5 cents to go to the general fund and \$5 to the interest and sinking fund.

Total taxable property on the city's 1950 roll is \$12,521,290, an increase of \$740,435 over 1949. Total 1950 levy will be \$212,863,63—up from \$200,276,24 last year.

Included on the tax roll is real estate valued at \$8,920,630 (\$8,494,960 in 1949) and personal property valued at \$3,600,760 (\$3,385,995 in 1949).

The commission took no action on a request from the Buchanan estate for a tax adjustment on lot No. 3, block 40, original. Second request of closing an alley in the

North, South Troops Link Up In Tiny Chanji

Seventh Division Doughboys Join Up With 1st Cavalry

CHANJI, Korea, Sept. 26.—Delayed — (P)—Northern and Southern United Nations forces in Korea linked up today at this tiny walled town.

A powerful tank-paced First Cavalry Division task force made the junction with units of the Seventh Infantry Division.

The American outfits were joined after a lightning dash by the First Cavalry spearhead through Communist-held territory.

The junction was made at 10:25 p.m. (8:25 a.m. EST) after the task force beat back a last ditch Red attack to block the join-up with a savage attack about three miles north of Osan.

The last leg of the linkup power drive jumped off from Pusan at 11:15 a.m. Tuesday, (9:15 p.m. EST Monday). The task force barreled through Red-held territory all day but had little opposition until just before it joined the Seventh Division driving southward from Suwon.

The junction was made about half way between Suwon and Osan at this village known as Chanji. A tank commanded by Lt. Robert Baker, Spokane, Wash., blasted through fierce Communist anti-tank fire to lead the American spearhead to positions held by the 31st Regiment of the Seventh Division.

Tanks and bazooka teams of the 31st Infantry, hearing the North Korean attack on the advancing U. S. Cavalry column, were confused momentarily by the sharp action. For a time the infantrymen believed the American force was the enemy and prepared to open fire on it.

Lt. Frederick Prociak of Detroit moved through the ink darkness to investigate before ordering his men to open up. He recognized the silhouette of the American tank.

"What the hell are you doing out here?" he yelled to those inside, thinking they were Seventh Division tanks. "You're not supposed to be here. You're supposed to be back at the airstrip."

Baker's voice cut through the dining fire, still echoing down the road where the Reds were hitting the rest of the First Cavalry column.

See NORTH, Page 11, Col. 3

Gifford Is Named Envoy To England

WASHINGTON, Sept. 27.—The White House announced today President Truman's selection of Walter S. Gifford as ambassador to London.

Gifford, former chairman of the board of the American Telephone and Telegraph Co. and a Republican, will succeed Lewis W. Douglas in the post.

The formal announcement was made immediately after receipt of British approval of the appointment, a step required by diplomatic custom.

Douglas resigned yesterday for "personal considerations, including those of health."

The change will be made effective Nov. 1 after Douglas returns to London to conclude his work there.

Douglas plans to stay in London a month, then go to his home in Arizona to rest.

Gifford, who did government and war production work in both world wars, is 65, almost 10 years older than Douglas. An active Republican, he may add strength to bipartisan co-operation on foreign policy.

The post is of first rate importance both because of the vital nature of American-British relations and because the London Embassy serves as a kind of central point for co-ordinating much diplomatic work in the European area.

Douglas resigned in the course of a conference with the President. The White House announced the action by making public an exchange of letters between Douglas and Mr. Truman.

The 56-year-old diplomat who has held the London post since March 1947, said he was giving it up because of "personal considerations, including those of health." He will leave office about Nov. 1.

Mr. Truman accepted the resignation with "most genuine regret" and praised Douglas for "the loyal service you have rendered your country during these difficult and critical years in such a vital spot."

Douglas suffered an eye injury more than a year ago when a fishhook became lodged in his eye. He still wears a black patch over the injured eye. Besides, his health never has been robust since he was gassed in the first world war.

Headquarters reported they said when the North Koreans realized Chinju, on the extreme South Korean front, was about to fall they tied the Americans together, marched them into a ravine and turned machineguns on them.

The two survivors were wounded seriously but escaped by shaming death.

Headquarters said the body of a North Korean was found among those of the murdered Americans.

The dead Red was reported to have refused to help kill the Americans.

Gen. MacArthur's headquarters release said the wounded Americans had no food or water for five days.

His summary said one survivor was able to give an eye-witness account of the mass murder even though he had been shot five times and was suffering from pneumonia.

Both wounded Americans were flown to a hospital in Japan.

Name Banker Head

NEW YORK, Sept. 27.—James E. Shelton of California today was elected to head the American Bankers Assn. as president for the year 1950-51.

UN Must Do Fighting In North Korea

By EDWARD E. BOMAR Associated Press Staff

LONDON, Sept. 27.—A strange blue sun followed a freak blue moon in the skies over the North Sea area today.

While baffled British star gazers traded notes on the phenomenon, first seen in the United Kingdom last night, colleagues in Denmark watched the sun come up as an azure ball.

Jittery old folks queued up at some Danish provincial banks, demanding their money for a hurried flight from doomsday.

Thousands of other Europeans—some fearful, some merely interested—strained for a glimpse of the heavens through clouds which covered much of the continent.

It was the queerest sky display since the hazy envelope of Halley's Comet turned the sun and moon odd colors in 1910.

A superstitious few feared the end of the world. Others guessed there had been a terrific atom blast somewhere on the globe. Astronomers were divided into three main schools of thought on the cause:

1. The filtering effect of a far flung smoke from vast forest fires raging in Canada which spread a pall over northeastern United States earlier in the week.

2. A peculiar high cloud formation.

3. Dust blown high into the air in a storm or volcanic eruption far to the west.

HERE'S STYLE NOT FOR MEN

LOS ANGELES, Sept. 27.—Get this, men: Beach styles for next summer will include sheer lace nylon swim suits for the girls.

Officials of California Apparel Creators hastened to add, at a press conference yesterday, that such suits will have "strategic panels."

There'll be other suits without panels—lace over flexible-colored fabric.

See you on the beach, Ley Mac?

THE WEATHER

BIG SPRING AND VICINITY: Fair and warmer this afternoon and tonight; not much change in temperature.

High today 88, low tonight 62, high tomorrow 90.

Wheat: Harvest commencing; this date 1950 is 1949 maximum report; this date 9.49 in 1937.

CLOUDY

American Flag Flies Over Soviet Embassy

SEoul, Sept. 27.—The American flag flew briefly over the Russian consulate here today.

A U. S. Marine company hoisted the Stars and Stripes over the empty, shell-damaged building. But they lowered it because it was their only big flag and they wanted it for "another building—the U. S. ambassador's residence."

At the ambassador's residence, the leathernecks hoisted down a Korean Red flag and raised the Stars and Stripes on a long bamboo pole. A nearby sniper opened fire from Duk Soo palace but was silenced quickly.

America's Weapons

THE PHANTOM, one of the Navy's leading fighter aircraft, has a service ceiling of over 33,000 feet, speed of over 400 knots, gross weight of 11,000 pounds, 41 foot wing span.

Community Chest Directors Get Preview Of Basic Plans

Directors of the Community Chest and of the participating agencies got a preview of basic plans at a dinner meeting Tuesday in the Settles.

Wallace Andrews, assigned here by the Wells organization in preparing for and in planning the actual campaign, explained that the immediate problem was to broad-

en the base of giving. More people should be given an opportunity to share in this community responsibility, he said.

While this looks like a big job, he said, "it's not so big when it is broken into a lot of little ones. We plan to give people jobs they can do, and urge them to do them at a certain time."

The Chest would not only need the help of those on the various boards, he said but it will need your moral support in encouraging others to join in doing their part.

R. L. Tollett, president of the Community Chest board, announced an executive committee to be composed of R. W. Whipkey, K. H. McGibbon, and Lewis H. Price. This group will select a general chairman and will be represented at all the sub-group meetings of the Chest.

Headquarters are being established in the space on the east end of the First National bank building, said Tollett. Telephone number of the Chest will be 2345.

Among those attending the meeting Tuesday, and their agencies, were:

R. L. Tollett (CC), R. T. Piner (CC), Y.M.C.A.; Joe Burrell (CC); Dr. G. H. Wood (Y); Mrs. H. W. Smith (Girl Scouts); Mrs. H. H. Rutherford (G.S.); Jack Y. Smith (Y); Sherman Smith (Boy Scouts); Y. James Hale (BS); Dr. P. W. Malone (BS); (Y-CC); J. D. Jones (Y); R. W. Whipkey (CC); K. H. McGibbon (Y-CC); J. D. Jones (Y); R. W. Currie (CC); J. H. Greene (Salvation Army); (CC); Robert Stripling (BA); Lewis Price (CC); H. W. Smith (Y); Arnold Marshall (Y); Wayne Williams (SA); Roy Cornelison (Y); John Johnson (Y); Rev. R. Gage Lloyd (Y); Capt. James Harrison (SA); Lee Mulling (Y); Joe Pickle (BS-Y-SA).

Pat Dillon Elected President Of MYF

Pat Dillon was elected president of the First Methodist MYF at their meeting Sunday. Vice-president will be Bill Moren. Secretary, Jo Ann Gay; publicity, Elbert Long; worship, Barbara Hill; community service, Sally Lee Haber; recreation, Lillian Rowe; attendance, Wanda Woods; assistant, Franklin Hinkley; pianist, Kitty Roberts; assistant, Althea Jacobson; and song leader, Joan Miller.

Maritime Union Asks Unspecified Bqosts

NEW YORK, Sept. 27. (AP)—The CIO National Maritime Union, pointing to the rising cost of living, has asked an unspecified wage boost for its 40,000 sailor members on the Atlantic and Gulf coasts. The contract between union and shipping firms, good until next June 15, has a wage-reopening clause.

Texas Restaurant Group Is Honored

BOSTON, Mass., Sept. 27. (AP)—A distinguished service award for its 1950 restaurant sanitation program was presented to the Texas Restaurant Assn. today.

The honor was accorded by the American Trade Assn. executives, and the presentation was made by William C. Babbitt of New York, chairman of the ATAE's awards committee. Patrick D. Moreland, Texas Restaurant Assn. executive secretary, accepted the award.

Recognition was paid the TRA because of its program requiring restaurants to meet the rigid sanitation standards of the U. S. Public Health Service code in order to become members of the association.

Moreland also received a telegram from Gov. Allan Shivers of Texas congratulating TRA for winning national recognition on your forthright program of restaurant sanitation.

Wife Of Ex-HSU Head To Be Buried

ABILENE, Sept. 27. (AP)—Funeral services will be held tomorrow for Mrs. Jefferson Davis Sandefer, 81, widow of a former president of Hardin-Simmons University. She died last night.

Mrs. Sandefer had been a member of the Texas State Federation of Women's Clubs for 50 years and at the time of her death was a district chairman in the organization. Her husband was president of Hardin-Simmons from 1909 to 1940.

Two Accused Bandits Held In Gun Death

MEMPHIS, Tenn., Sept. 27. (AP)—Two accused bandits, captured after a running gun battle last Friday, have been charged with murdering a Negro bystander killed by a police bullet.

Police Chief Claude Armour said the man attempted to commit robbery and "set in motion a chain of events which was the direct and proximate cause of the woman's death."

The prisoners — A. R. Meek, 25, and James Eugene Wright, 18, both of Nashville — were jailed after a desperate two-hour 15-mile fight with a covey of police cars through a crowded cross-town district.

At first it was not known whether Evelyn Williams, 31, was killed by a police bullet or by a bullet fired by one of the accused bandits. Armour said a study of the lead pellet removed from the body showed, however, that it came from a police shotgun.

In addition to first degree murder charges, the men were each held on two counts of armed robbery, carrying a pistol, two counts of burglary, and larceny of an automobile.

The wild chase started when the men slugged a housewife while trying to force their way into her home. Toward the end of the gunfight the men separated. Wright was found hiding in a Jewish synagogue. Meek was captured after he was wounded by a shotgun blast.

Taft Says Administration Promoted "Mild Inflation"

By MARVIN L. ARROWSMITH Associated Press Staff

WASHINGTON, Sept. 27. — Sen. Taft (R-Ohio) declared today that the Truman administration deliberately promoted "a mild inflation" and so is to blame for higher prices.

Sen. McFarland (D-Ariz) disagreed. He said President Truman asked for anti-inflation powers as far back as the GOP-controlled 80th Congress in 1947-48 — and that Republican members blocked that request.

Taft, chairman of the Senate Republican Policy Committee, expressed his views in the column he writes weekly for Ohio voters. Taft is a candidate for re-election.

"What the people should realize," he said, "is that the increase in prices is directly due to the inflationary policies of the administration."

He added that unless there is a third world war serious inflation can be prevented by:

- 1. Levying taxes "sufficient to pay our way as we go." and —
- 2. "Courageously using the government's power to prevent expansion of credit."

On the tax question, Taft was in agreement with Roy Blough, one

of the President's three economic advisers. Blough said in a speech at Placid, N. Y., last night there is no reason why this country can't pay for its defense effort — if there is no general war — out of current taxes.

Blough said heavy taxation is the best way to prevent inflationary price rises and expressed the opinion that taxes "should have been much higher" during the second world war.

Taft called the \$4,700,000,000 tax increase which Congress enacted last week a step in the right direction. He said, however, that a complete restudy of the situation must be made in January "when we can better judge the actual expenses of the government necessary to meet the Communist threat."

Nisei Air Race Sponsor Unhurt In Mexico Crash

EL PASO, Sept. 27. (AP)—A Japanese-American flyer who crash-landed his plane on a Mexican mountain hopes to reach the U. S. today.

Henry Ohye of Los Angeles told the El Paso Times by telephone from Chihuahua City, Mexico, last

night that "I received a slight leg injury, but my wife wasn't hurt."

He left Tucson, Ariz., on his way to El Paso Monday morning but had been unreported until last night.

He said he developed mechanical trouble and ran off course Monday afternoon.

"We struggled for five hours through rugged mountain country and reached Coyame, where the people there gave us food and shelter for the night."

Coyame is a small town in the state of Chihuahua, Mex., about 50 miles west of Presidio, Tex.

He and his wife were taken to Chihuahua City by truck yesterday. The American consulate there is helping him clear the necessary papers to leave today for Chicago.

Ohye was flying with four Japanese-American pilots, racing from Los Angeles to Chicago. He took off from Tucson, Ariz., at 10:45 o'clock Monday morning with a four hour supply of gasoline. Yesterday 25 Air Force and rescue service men and a number of private flyers searched southern Arizona and southwestern New Mexico for trace of the missing plane.

Ohye sponsored the race to call attention to the abilities of Japanese-American pilots and get the government to allow them in the Air Force.

The other four pilots landed safely yesterday at Tulsa, Okla.

Beta Sigma Phi Studies Germany

A program on "Germany" was presented at the meeting of the Exemplar Chapter of Beta Sigma Phi Tuesday. Kathleen Freeman discussed German philosophers.

Ann Darrow spoke on cities of culture, and Gloria Fletcher discussed the subject of German writers.

Following a close of the regular meeting, the group honored John Lou Knappe with a miscellaneous shower. Hostess for the occasion was Marguerite Wooten.

Those attending were Mattie Bell Tompkins, Jonanna Underwood, Dorothy Hall, Pat Dobbin, Frances Hendricks, Gloria Fletcher, Elizabeth Murdock, Freda Hoover, Ann Lou Knappe, Clarinda Harris, John Darrow, Kathleen Freeman, Edna Womack, Emma Mae Carlson, and the hostess, Marguerite Wooten.

Park Methodist WSCS Has Birthday

Mrs. G. C. Graves was in charge of the program at the meeting of the Park Methodist WSCS Tuesday. The subject was "Near East Panorama."

Guests for the occasion were the ladies of the Dunn WSCS, who were present for the tenth birthday celebration. The birthday cake had a candle for each goal accomplished.

Mrs. Cloy Lyles read the scripture from Psalm 24 and Mrs. Gould Winn gave the opening prayer.

Those attending were Mrs. Weldon McCormick, Mrs. Ashley, Mrs. Richardson, Mrs. Qulett, Mrs. Graves, Mrs. Lyles, Mrs. Dora Moore, Mrs. Joe Martin, Mrs. Winn, Mrs. Louise Booth, Mrs. Fannie Franklin, Mrs. W. A. Laxwell, Mrs. Joe Dorton, Mrs. Abble Anderson, and Mrs. J. W. Bryant.

Non-Farm Jobs Breaks All Records

AUSTIN, Sept. 27. (AP)—Non-farm employment in Texas broke all records in August, hiring of 30,000 more workers sending the total to 2,405,900.

It was the second consecutive month a new employment record had been set, the Texas Employment Commission reported yesterday.

A new high mark was anticipated in October as a result of the annual autumn upswing, plus further expansion of defense installations, TEC said.

Elks To Support Amateur Contest

An amateur contest, to be sponsored by the Big Spring Elks club, has been scheduled for Municipal auditorium on Oct. 19.

Amateur performers from neighboring towns are invited to join Big Spring talent in contesting for merchandise and cash prizes. Specialty acts, dance routines, and musical and vocal selections may be entered.

Stolen Vehicle Is Recovered In Park

An automobile belonging to Joe Arnold, reported stolen last week, was recovered in the Big Spring state park last night, the sheriff's department reported.

Deputy Sheriff Hoyt Hallford found the machine in a small canyon south of Scenic Drive. The vehicle had been covered with brush, he said.

Early Building On Highway 117 To Get Underway

AUSTIN, Sept. 27. (AP)—Early construction on State Highway 117 between Borger and Stinnett was urged before the highway commission here yesterday.

A delegation headed by Hutchinson County Judge Norman Coffee detailed need for the construction to serve the West Texas area. A traffic distribution circle north of Borger was also requested in the construction.

The highway commission promised it would consider the project in setting up the next state program.

Anderson Clayton Shows Upped Profit

HOUSTON, Sept. 27. (AP)—Anderson Clayton and Co., Texas cotton firm that operates on a global scale, has reported its consolidated net income for the year ending July 31 at \$14,905,625.

Net sales and operating revenue the past year were placed at \$598,889,120 compared to \$513,816,751 the previous year.

The reported net income for the past year is equal to \$8.83 per share of common stock, compared to the previous year's \$7.62 per share from \$11,433.87.

Unemployment Funds Exceed Pay-Outs

WASHINGTON, Sept. 27. (AP)—Unemployment insurance collections during July and August exceeded the amount paid out by \$137 million the Labor Department says.

"Reports from the states show that benefits paid... aggregated \$189 million while collections amounted to \$326 million," the department's employment security bureau reported yesterday.

It was the first time in 18 months that the bureau had reported the account running in the black.

Crockett Parade Of Bands Rained Out

CROCKETT, Sept. 27. (AP)—Rain washed out the opening parade at the Houston County annual American Legion Fair yesterday, so members of school bands from Huntsville, Lovelady, Grapeland, Elkhart and Crockett were given free passes at a special movie showing. Judging in the fair started yesterday afternoon.

TWO INVESTIGATORS KILLED Gang-Style Slayings Pushes Probe Of Chi Underworld

CHICAGO, Sept. 27. (AP) — The gang-style slaying of two investigators in crime has spurred the probe of Chicago underworld activities. Federal deputy marshals hunted today for some former members of the old Capone gang to have them testify before a U. S. Senate committee investigating crime. The committee plans a hearing in Chicago next week.

More than a dozen summonses were turned over to the U. S. Marshal yesterday by a committee investigator, less than 24 hours after the two killings.

TO CONDUCT CLASS HERE Peters Has Vast Aid Experience

George S. Robinson, a committee attorney, said he expects the investigation in Chicago to be stepped up in view of the outbreak of gang guns Monday night.

Committee Chairman Estes Kefauver (D-Tenn.) said in Washington on the committee's hearing in Chicago will start "fairly soon."

British Trawler To Russian Port

OSLO, Norway, Sept. 27. (AP) — A Russian coastal vessel was reported today to have seized the 68-ton British trawler Swannella yesterday in the White Sea and escorted it to a Russian harbor.

The White Sea, which straddles the Arctic circle, is surrounded on three sides by Russian territory.

Rowdiness Out For Legion's Meeting In LA Next Month

LOS ANGELES, Sept. 27. (AP) — Rowdiness is out for the American Legion national convention here Oct. 8-12, its officials promise.

Staff members arriving to prepare for the invasion of perhaps 150,000 Legionnaires, families and guests said Los Angeles residents who recall the rough-and-tumble antics of the last national convention here in 1938 won't recognize the boys this time.

A Bible Thought For Today—

Watch therefore; for ye know neither the day nor the hour wherein the Son of man cometh.—Matt. 25:13.

The Ending Notwithstanding, Our Broncs Are Still Fine Fellows

Things didn't turn out exactly to the liking of local fans Monday night over in Odessa when our Broncs dropped the seventh and deciding game of the championship series of the Longhorn league.

We've been a little spoiled on winning in the Longhorn league. Twice we led the chase and once we've won the playoff, and this year we went to the very last game before being counted out. It's a pretty remarkable record when you stop to think about it.

Sitting Down With Joe Is Proven To Be Pretty Illusory Business

A Missouri schoolmarm's plea to President Truman and Prime Minister Stalin to "sit down together" and work out a plan for world peace is said to have attracted hundreds of commendatory letters from all parts of the country.

It so happened that the best answer to the Missouri schoolmarm's beautiful but illusory dream was almost simultaneous with its proffer, in a dispatch from Berlin. It told how Russian-occupied East Germany was "welcomed" into the family of Soviet satellite states.

The Nation Today—James Marlow

Here's Why It May Take Years To Make Communists Register

WASHINGTON.—HERE IS A STEP-BY-STEP explanation of why—under the new anti-Communist law—it may take the government years to make Communists register, if it ever can do so.

can, for instance, ask the board to declare the American Communist Party an action organization and to order it to register.

Merry-Go-Round - Drew Pearson

Agriculture Department Hoarding While Food Costs Go Shooting Up

WASHINGTON — It's a paradoxical fact that, while the government has been cracking down on war hoarders, the Agriculture Department has been breaking all records for hoarding.

Since the children's aid measure was not on the Senate schedule, the rules provided that it could not pass without unanimous consent. This was requested by Tennessee's junior Sen. Estes Kefauver and was just about to be granted.

(Recipe for Starred Dish Follows)
CANDIED ORANGE SWEET POTATOES
Ingredients: 2 teaspoons dark corn syrup, 1-4 cup brown sugar, 1 teaspoon grated orange rind, 3 tablespoons (scant) orange juice, 2 sweet potatoes (cooked, peeled and halved lengthwise).

Method: Mix corn syrup, brown sugar, orange rind and orange juice in skillet, bring to a boil and add sweet potatoes. Cook over low heat, turning potatoes occasionally, for about 30 minutes. Makes 2 servings.

ESA Gives First Party For Patients

Alpha Chi Chapter of Epsilon Sigma Alpha was hostess to the first party to be held for patients in the new Veteran's Hospital. The game party was held in the recreation room and approximately forty patients attended and played games of bingo and canasta.

Decorations included streamers of blue and gold crepe paper and various arrangements of flowers. Refreshments were served and prizes were awarded to game winners.

Sorority members acting as hostesses were Gloria Bryant, Betty Franklin, Penny Ruhnmann, F. I. Patridge, Maxine White, Mary Ann Goodson, Ruth Webb, Jamie Bilbo, Billie Smith, Jean Phillips, Stella Wheat, Minnie Earle Johnson and Sally Moore.

Alma McLaurin Is Married Saturday To John Bradford

Mrs. Alma McLaurin and John R. Bradford of Sweetwater exchanged wedding vows in the home of the Rev. Vernon Shaw in San Angelo on Saturday. Rev. Shaw, pastor of the Park Heights Baptist church officiated at the single ring ceremony.

The bride wore a navy blue fur-trimmed suit with pink and navy blue accessories. She wore an orchid corsage.

Nuptial music was by June Carter, organist and Kenneth Shaw, soloist.

A reception was held following the ceremony. The serving table was decorated with white palm fronds flanked by lighted tapers in crystal candelabras. Mrs. Ione G. Smith served the cake which was made like an open Bible and Mrs. Vernon Shaw served the coffee.

Following a wedding trip to Houston, Galveston and Louisiana, Mr. and Mrs. Bradford will be at home in Sweetwater where he is in the oil business.

Mrs. McLaurin is the former owner and operator of the Crawford Beauty Shop.

Attending the wedding from Big Spring were Mrs. Amos R. Wood and Mrs. Denver Dunn, sisters of the bride and Mr. and Mrs. Robert Smith of Big Spring. Other out-of-town guests for the wedding were Mrs. Bill Cannon of Dublin, Billie Cannon of Ballinger, Mr. and Mrs. Charlie Craven of Stanton, Galia Browning of Brownwood and Don Phillips of Ballinger.

SMOKE FILLED CITY OF HORROR

Seoul Is Not Being Spared As Marines, Reds Fight To Death

By DON WHITEHEAD Associated Press Staff SEUL, Sept. 27. — This is a flaming, smoke-filled city of horror today. Great fires are raging and a black dome of smoke hangs in the sky as a fearsome signal of destruction.

they had captured the Seoul railway station and yards. On their right flank Seventh Infantry Division units were cleaning up Namsan Hill, the big South Mountain park heights that dominate all of Seoul.

American guns. . . This was a brief and wild slaughter of the Communists. . . And such as the Red attack before dawn which came just as the Marines were preparing to attack.

Pentagon Worries Over Public Okay

By ELON C. FAY AP Military Affairs Reporter WASHINGTON, Sept. 27. — A gnawing Pentagon worry over a possible ebbing of popular support for the nation's defense program was aggravated today by Russia's latest peace propaganda play and the prospect of an early end to the Korean war.

newsmen, summed it up this way: Go all out for mobilization now and you don't know what may happen in six months. The people may swing the other way, as they did after the world wars, and leave us in an even worse situation than we are now.

Along with us came a sergeant with a gray beard heavy on his face. He is Mugurney Sgt. William George Ferrino, 43, of West Quincy, Mass. And behind the sergeant was a South Korean carrying an American flag to be hoisted above the United States embassy building when it is captured.

Wet Sectors Over Nation

CHICAGO, Sept. 27. (AP) — There were several wet spots over the mid-continent area today but fair weather was in prospect for the eastern, southwest and far west regions.

Light rain continued throughout the Lower and Middle Mississippi Valleys and southern Great Lakes region. There were showers and thunderstorms in the northern Great Plains.

The Marines moved between the burning buildings in a wraith-like way. They were gray and tired. This was their twelfth straight day of combat with little rest.

Using Truman's Marine Letter For Insurance

FROSTBURG, Md., Sept. 27. (AP) — For insurance purposes, President Truman's explosive letter about the Marines is "fine art." And for other purposes, says Rep. Beall (R-Md.), it will be auctioned off.

Beall said last night he has sold a \$10,000 fine arts insurance policy on the letter, in which the President said the Marines "have a propaganda machine. . . almost equal to Stalin's."

Further up the street—at a railroad overpass near the French consulate—the commanders of two Marine companies planned their next attack. They are Capt. Stanton of "E" Company and Capt. Goodwin Gross of Concord, Calif. "E" Company had made a wrong turn in the smoke-filled streets and wound up at the same place alongside "F" Company. But that was lucky because "F" Company had hit a tough defense position.

TV Effect Will Be Watched In Tonight's Bout

By J.A. Livingston NEW YORK, Sept. 27. — A convention of the American Bankers Association is pretty much like any other convention—American Legion, American Federation of Labor, Kiwanis, etc. A bunch of middle-aged guys and over, some with their wives, are out for a good time.

Being bankers, they have this distinction. They stay at the classier hotels—the Waldorf Astoria, The Barclay, etc. And they show the marks of upper-bracket wealth in the cut of their clothes, the abundance of corsages, the lavishness of cocktail parties, and the type of entertainment selected for them: A symphony concert, and a fashion show, motor tours, horse racing at Belmont Park, and big league baseball games. That takes plenty of the stuff they deal in—greenbacks.

But it can't all be gaiety. For bankers, some serious thinking (composer, please get that right, thinking—th, not dr) is necessary. Every convention has to have a facade of accomplishment—the speeches that get into headlines, the resolutions that go to members, the reports that sum up the year's work. And, of course, there are the honored guests on display so that the bankers can return to their home ports and announce casually:

Yanks, Phils Could Clinch Flags Today

By WILL GRIMSLEY Associated Press Staff This could be "flag day" for the New York Yankees and Philadelphia Phillies.

of those numbers — in victories for the Yanks or Phils and defeats for the Phillies. The Yankees moved today into Philadelphia for two games with the last-place Athletics before finishing off against Boston at Fenway Park.

The Tigers' pennant hopes, already ebbing, all but disappeared yesterday when they could get no better than a split with the Browns. The Browns won the opener, 3-1, behind Don Johnston after the Tigers left a dozen men on bases. They were ahead, 3-1, in the aftermath until George Kell unloaded the bases in the eighth to help the Tigers a 5-3 triumph.

CLASS 'A' BATTLES FEATURE PERFECT RECORD GRID TEAMS

By WILBUR MARTIN Associated Press Staff Class 'A' high school football teams are reaching that part of the season where the opposition gets tough.

Six of the 115 games this week match undefeated, untied teams and the winners of some of these games will be on the spot to win their district championships.

Four Big Spring Football Teams To Play This Week

Four Big Spring football teams will see action again this week, with two games set on the home gridiron and a like number on the road, all scheduled to take place with 24 hours.

The varsity Steers will be challenged by the Bowie High school Bears of El Paso at 8 p.m. Friday at Steer stadium. The Longhorns will be seeking their third victory of the season against no defeats, while the Bears will be going for their second triumph in three starts.

At the same time, the Junior High Yearlings will be trying for their third win in a row at Lubbock. Their engagement will also start at 8 p.m.

The Steer B team Shortborns and the eighth graders both will see action on Saturday. The eighth grade outfit, which won its only previous start, will be host to a Midland eighth grade contingent at Steer Stadium Saturday morning.

Paced by the varsity Steers who have won both their starts, local teams have tapped the victory going five times this season, while dropping only two games. All four Big Spring aggregations are expecting their toughest assignments of the season to date this weekend, however.

The season's records: Steers 13, Quanh 7, Steers 18, Victoria 7, Shortborns 12, Stanton 44, Shortborns 7, Odessa B 35, Yearlings 32, Lakeview 0, Yearlings 31, Lamesa Jr. Hl 12, Eighth Grade 21, Colo. City Eighth, 7.

48 Class AA Games Booked For This Week

Important games for the Class AA schoolboy football schedule from the tip of Texas to the Gulf this week-end but the spotlight will be on North and West Texas where undefeated, untied teams collide.

Highland Park of Dallas, rated No. 1 in the state in many bookings, tackles ambitious Sherman at Sherman Friday night in the top feature.

Of almost equal note will be the battle of Lubbock and Sweetwater at Sweetwater. The latter it was that shot down top-flight Odessa last week while Lubbock was showing unheralded power in smashing North Side of Fort Worth.

The Highland Park-Sherman game is a sort of grudge tilt. And this time it appears Sherman has a most excellent chance of kicking over its big city neighbor.

There are 48 games over the state with Vernon at Pampa, Abilene at Wichita Falls, Kerrville at Bryan and Thomas Jefferson (San Antonio) at Austin in the category of important tests—the Jefferson-Austin contest bringing powers of the City Conference and Class AA together.

Port Arthur, another of the top-ranking teams, plays Nicholls of New Orleans in a feature inter-sectional game.

The schedule by districts: 1—Friday: Fort Worth Tech at Plainview, Amarillo at Pampa, Fort Worth at Vernon at Pampa, Quanh at Borger.

2—Friday: North Side (Fort Worth) at Childress, Abilene at Wichita Falls.

3—Friday: Bowie (El Paso) at Big Spring, Midland at Forrest (Dallas), Jefferson (El Paso) at Lamesa.

LOOKING 'EM OVER

With Tommy Hart

(Today's column is conducted by Wacll McNair in the absence of Tommy Hart, who is vacationing! In case you hadn't realized it, a Big Spring football team had not won the first two games of the season since 1943, until the 1950 Steers came along.

John Dibrell's 1943 team clipped Colorado City, 25-2, and then followed up by thumping Cisco, 20-0. The following year, Colorado City turned the tables and copped a 7-0 decision.

The Longhorns made a promising start in 1945, turning back Taboka, 37-0, but Cisco came along to knock them down, 13-0 in the second game of the season. In 1946 the Steers wangled Cisco in the opener, but bowed to Lubbock the following weekend, and in 1947 they decimated Cisco again but lost to Childress in the second game. Brownwood won the opener in 1948, 32-0, and Plainview spoiled the season inaugural last year, 7-0.

They say Alfonso Burciaga, the first string quarterback for Bowie of El Paso, is some shakes as a ball handler and passer. He completed four of nine against Douglas, Ariz., last week, and El Paso sportswriters say his incomplete forwards were on the mark but jittery receivers let them slip through their fingers.

That probably means that the Bears will display a well-balanced attack when they meet the Steers here Friday night. The El Paso crew gained 337 yards on the ground and made 18 first downs while holding the Douglas team to 109 yards from scrimmage and five first downs. Other backs who will bear watching in the Bowie lineup are Fernando Gonzales, Eduardo Macias and Jesus Maynes.

Leo Wolf, the sports statistician who rates football teams for the Sporting News, strings along with the majority by picking Texas as the strongest team in the Southwest conference. However, he rates TCU, Rice, SMU, Arkansas, A&M, and Baylor, in that order, to follow the Longhorns. In nationwide ratings, Wolf puts Texas fourth, TCU 19th, Rice 25th, SMU 29th, A&M 44th and Baylor 53rd.

Don Faurot's Missouri Tigers are expected to be one of the most Alr-minded college teams in the country this year. They had the lowest rushing total, 2401 yards, last year since 1946, but passing yardage hit an all-time high of 1,459. Phil Klein, John Glorioso and Dick Brannell threw 204 aerials last year, and Klein and Glorioso will be around this year to continue the pitching.

Frank Long, the quarter back and passer for the Big Spring Junior High Yearlings, is one of those lads who live football 24 hours a day. Associates say it is hard to direct conversation away from the gridiron sport when Frank is around. He has already gained a reputation for his passing and nifty ball handling.

Joe Louis Tries To Regain Title From Charles Tonight

heavyweight champion when he defeated Jersey Joe Walcott in Chicago June 22, 1949. That fight was staged after Louis officially announced his retirement on March 1

A fresh flood of Charles money has dropped the price on the title fight to 5 to 8 in favor of the Brown Bomber.

If the odds hold up until the 9 p.m. (CST) fight time, Louis may enter the ring at the shortest odds since he first won the heavyweight crown from Jimmy Braddock in Chicago on June 22, 1937.

Not since his second scrap with Max Schmeling 12 years ago has Louis been held in such low esteem by the bookmakers. That night he was the 5 to 9 choice.

A crowd of around 30,000, paying from \$3 to \$50, is expected. Millions more will hear it over CBS.

The promoting International Boxing Club is hoping for a gross gate of at least \$250,000.

Increasing cloudiness with a low of 55 to 60 was the weather bureau forecast. In the event of rain the fight would be scheduled for the following night.

As for the fight itself, it boils down to this: Can Louis catch Charles? If he does almost everyone concedes that the Louis' devastating punch will blast Charles out quicker than you can snuff out a match.

Twenty College Games Carded For This Week

By The Associated Press Twenty games this week-end likely will cut the list of undefeated college teams in Texas to a half-dozen.

Thirteen of the 30 schools are unbeaten as the field moves into the third week of the season. One of them—Rice—hasn't played a game but will do so Saturday. Rice does not appear to be in danger of losing, however. The Owls meet a below-par Santa Clara team at Houston Saturday night.

The undefeated, untied list includes Daniel Baker, Abilene Christian, Stephen F. Austin, West Texas State, Austin College, Texas A&M, Southern Methodist, Texas Christian, Texas, Texas Lutheran and Rice. Undefeated but tied are Trinity and Lamar (Beaumont).

Southern Methodist appears to have the toughest test. The Methodist play Ohio State, the Rose Bowl champions, at Columbus, O., Saturday.

Abilene Christian goes to Chattanooga, Texas Christian meets Oklahoma A&M, Austin College tackles McMurry and Daniel Baker plays Sul Ross in other games in which unbeaten teams could take the tumble.

This week's Texas college schedule: Friday—Abilene Christian at Chattanooga (night), Howard Payne vs. New Mexico AM at Las Cruces, N. M. (night).

Saturday—Texas A&M vs. Texas Tech at San Antonio (night), Baylor vs. University of Houston at Waco, Rice vs. Santa Clara at Houston (night), Southern Methodist vs. Ohio State at Columbus, O., Oklahoma A&M vs. Texas Christian at Stillwater, Texas vs. Purdue at Austin, Sam Houston State vs. East Texas Baptist at Marshall (night), Midwestern vs. Austin College at Sherman (night), McMurry vs. West Texas State at Canyon (night), Southwestern vs. Stephen F. Austin at Nacogdoches (night), Southwest Texas State vs. Texas A&I at Kingsville (night), Texas Lutheran vs. Randolph Field, Seguin, Texas Western vs. Loyola (Los Angeles) at El Paso (night), East Texas State vs. Louisiana Tech at Commerce (night), Hardin-Simmons vs. Trinity at Abilene (night), Daniel Baker vs. Sul

LITTLE SPORT

Shelton's Nine Will Play Broncs Tonight

The Big Spring Broncs, who finished up their Longhorn league activity Monday, have accepted a challenge to meet a strong semi-pro contingent tonight in Steer park.

The challengers, headed by Lefty R. L. Shelton, the Foran pitcher who previously performed in the Longhorn league himself, further advised the Bronc management that their part of the gate receipts would go to the Bronc Booster's fund.

Such an agreement was enough to send Ted Groehl and Floyd Kimzey, Bronc Booster organization leaders, into action, and they have come up with plans for a special program to precede the game. The Broncs themselves will put on the program, starting around 8 p.m. and the baseball game probably will begin around 8:15 p.m. or shortly thereafter.

As for the baseball game, Shelton reportedly has recruited a strong aggregation which he says will be playing for the 1950 championship of Howard County. All local fans are being urged to turnout for the event. It definitely will be last appearance of the season here for the 1950 Broncs, who amazed their followers by keeping themselves in the Longhorn league playoff fight until the last game.

Ponies Display Potent Attack Via Air Lanes

DALLAS, Sept. 27. (AP)—There's an aerial attack at Southern Methodist whose potency is exceeded only by its accuracy.

Also there's the maddening question in the opposition's mind: Who's going to throw the pass?

First statistics of the Southwest Conference campaign show the Methodists to have an average of 652.

In opening the season against Georgia Tech last week, H. N. Russell, Jr., Kyle Rote, Johnny Champion and Fred Benner tried 23 passes and completed 15 for 228 yards.

Southern Methodist, however, is not the leader in passing yardage in the conference. Texas completed 13 out of 22 against Texas Tech but gained 240 yards on those that were caught.

le Aggie back who was pretty well pro peddled, 'tween 1941 papapap against Nevada for 138 yards and the ball-carrying leadership. He beat out Rote by eight yards.

Ben Tompkins, Texas quarterback, leads in passing with eight completions in 11 attempts for 14 yards. Rote is second with 120 yards.

STANDING

Table showing standings for the American League and National League, listing teams like New York, Cleveland, Boston, Chicago, Philadelphia, etc.

Bob Hodges Wins Putting Tourney

Bob Hodges won first place Tuesday in the final putting tournament of the season at the Big Spring Country Club. He came through with a 65 to nudge Speedy Nugent by one stroke.

Edna Mae Morgan topped the women entries, but only after a playoff with Edith Lyle. Both finished their regular rounds with 81's.

The putting tournaments probably will not be resumed until next spring, said Shirley Robbins, the Country Club golf professional.

Vols Seek Second In Dixie Series

NASHVILLE, Tenn., Sept. 27. (AP)—Nashville tries for two in a row over San Antonio tonight in the second game of the Dixie Series.

The Southern Association champion Vols last night slugged the Texas League winner, 11-5.

The teams switch to Texas for the third, fourth and—if needed, fifth—games Thursday.

Nashville slugged San Antonio for six runs in the second inning, while San Antonio staged a five run outburst in the fifth.

Joe Damato drove in five runs for the winners with a home run, double and a single.

Bert Flammint (16-11) is due to pitch for Nashville tonight, while Hal Hudson (9-9) will probably start for San Antonio.

SA (TL) 000 050 000—5 10 5 Nash. (SA) 060 020 21x—11 14 3 Sleeter, Biscan, Taylor and Baich; Schulz, Modica and Dant.

Helium Production

AMARILLO, Sept. 27. (AP)—A second helium plant has been in production in this area since Aug. 22. It has been revealed by Paul V. Mullins of the bureau of mines. It had not been operated for helium extraction since 1948.

Charles, embittered by Louis' return and still peeved at the Louis shadow hanging over him, says "I'm going to stop him no later than the 12th round. Joe can be chopped up like any other old guy."

Ezzard will give away about 24 pounds—he is expected to scale around 183 to Louis' 217. Charles won NBA recognition as

135 Expected For TSTA Workshop

Approximately 135 delegates are expected here Friday when district No. 4 of the Texas State Teachers association tackles an intensive one-day workshop program.

DIAL

Continued from page 1

will include the installation of a dial system and the extension of pole lines, cables and wires to serve those in Big Spring who are waiting for telephone service. Additional switchboards will be set up temporarily in the present manual system for use until the dial system is installed.

The telephone rate agreement culminated several weeks of discussions between city and telephone company officials. It came after the commission had met the company's rate increase request with a lower compromise schedule of charges.

The proposal was accepted with the understanding that the requested rates are to go into effect when dial service becomes an actuality for Big Spring. Commissioners approved the first reading of the ordinance granting the rate hike. Two additional readings will be required before the rates are effective.

NORTH

Continued from page 1

um. He yelled to the Seventh Division man.

"I am from the First Cavalry," Baker jumped from the tank turret and shook hands with Prociak.

"I never was so glad to see any one in all my days," Prociak said, "but you don't know how close you came to catching everything we had. We thought you were Red tanks roving around."

As Baker's spearhead of three tanks and three heavily armed jeeps completed the junction the remainder of the First Cavalry task force dug in to clean out their Communist attackers at dawn. The hard driving troopers who had pushed northward from Teagu were confident they would have the troublesome Reds cleaned out by noon.

Wiping out of the Red force will virtually clear the way for free movement of men and supplies overland between the Inchon beachhead and Teagu on the southern front where the First Cavalry started moving less than a week ago.

The First Cavalry wedge pushed ahead 100 miles in slightly less than 12 hours. It sped through the night at a 20-mile-an-hour clip during the last 90 minutes of the drive.

Small groups of confused and stunned North Korean troops watched the American advance from Poun.

"We stopped at Chonan and our interpreter asked a Communist soldier the road to Okan," explained Corp. John Rhodes of McKeesport, Pa.

"He showed us the way," Corp. Rhodes added. "Then he apparently recognized us as Americans and took off like a jet plane, rooming the rice paddy. He got about 50 yards and we opened up on him from two tanks."

Li Baker said 79 Communists were killed and five trucks, three jeeps, four motorcycles and about 25 bicycles were destroyed.

One American was killed by a direct hit on an anti-tank gun. He was the only American casualty of the long dash.

Sgt. Harold G. Riffle of Akron, Ohio, was the driver of the lead assault tank.

"Today I am 76 but yesterday I was 26," he said. "Brother I aged 50 years during this little trip."

Twenty-year-old Stanley E. Davis of Wheeling, W. Va., said:

All the troopers were glad the successful jaunt was over.

"We did a lot of praying and we were all plenty scared at times, especially just before we ran into the Seventh Division. Wouldn't you feel awfully funny 50 or 60 miles from the nearest help? But we wouldn't have missed it for anything."

Sgt. Arthur Lorelli of Indiana, Pa., said he "got a big kick out of it but I was nervous at times."

The linkup between the north and south UN forces was a measure of sweet revenge for Baker. He hitchhiked from a Pusan hospital to join his outfit and make the dash through enemy territory.

"I had two tanks shot out from under me on the Nakdong River front," he said. "I wanted to be on the giving end for a change."

The tank man's hands and arms still showed burn scars from injuries received earlier in combat.

Mr. Gen. David G. Barr, commander of the Seventh Division, personally congratulated Baker and his men. Barr, a tank specialist in the second world war, was elated at the junction.

"This will contribute greatly to bottling up enormous numbers of enemy troops in the south," the general said. "You have performed a miracle and measurably helped to shorten the war."

Pvt. Harry E. Roland of Upper Darby, Pa., shook hands with the general.

"What were you doing while you moved up here, son?" the general asked.

"I was just sitting there praying and wondering when they would start shooting," Roland answered.

Then Baker and his men climbed back into their tanks. The motors roared and they started down the road to help wipe out the Red anti-tank guns that earlier attacked them.

STREET FIGHTING IN SEOUL — Marines standing and kneeling as they fire from the shelter of buildings and sand bag barricades left behind by North Koreans in the South Korean capital city where the Marines are meeting stiff resistance from diehard Reds. AT VA HOSPITAL Cancer Refresher Meetings Are Set

The attack on cancer, both medical and educational, will press on a district basis here Thursday evening and Friday.

Dr. H. B. G. Cowper, Medical advisor for the 21-county district No. 2, said that around 50 physicians were expected here for the Thursday evening cancer refresher at the Veterans Administration Hospital.

Friday, there will be a day long meeting at the Settles hotel of district No. 2 lay and professional volunteers of the Texas division of the American Cancer Society.

Mrs. Paxton Howard, Midland women's leader of the Midland county unit of ACS, will preside at the morning session. Mrs. H. W. Smith, Big Spring, will extend the welcome. Mrs. Joseph M. Perkins, Eastland, state commissioner for the ACS Texas division, is to explain the functions of the American Cancer Society. J. Louis Neff, Houston, executive director of the ACS Texas Division will explain why the cancer control program must be supported.

County medical advisors will be present at the morning session to discuss the necessity of education as a part of the cancer control effort. Dr. Cowper will lead this discussion.

In the afternoon, H. Winston Hall, Midland, district director presides over sessions dealing with campaigns for funds, education, service. Neff will explain the reasons for the ACS program of district meetings at the concluding business session, when plans will be evaluated.

At the Thursday evening meeting for physicians, a dinner will be held at 6:45 p.m. at the VA hospital. Dr. Dudley Jackson, San Antonio, and two colleagues will present case studies.

Neff is to address a joint meeting of the services clubs in Big Spring. The Rotary, Lions, Kiwanis and American Business clubs are all going together to hear the plea for added cancer control support.

Jury Selection On In Trial Of Frank Cathey

A jury was being selected in 118th District Court this morning for the trial of Frank Cathey, who faces a charge of assault with intent to murder.

Another jury Tuesday found Cathey to be of sound mind, following a sanity hearing.

Cathey was charged after his wife, Mollie Cathey, suffered a gunshot wound last July 10. At that time she had filed suit for a divorce, and the divorce has since been granted.

Counsel for the defense filed an affidavit and a motion for the early hearing after a previous motion for continuance had been denied. Testimony in the trial was expected to continue through the afternoon.

Workers Haul Up 47 Bodies From Mine Pit

CRESWELL, Eng., Sept. 27 (AP) — Grimy rescue workers hauled up the bodies of 47 miners today from the fire-wrecked pit of Creswell colliery. Eighty men died there yesterday in smoke and flame 1,000 feet underground.

The bodies of three other victims were taken from the pit last night. A mine official said five other bodies had been seen in one shaft but could not be reached at present.

The other 25 bodies had not been located.

The 50 men whose bodies lay in improvised mortuaries in this little mining town had suffocated, their lives snuffed out by smoke and poisonous fumes.

They were hauled out by volunteer rescuers who braved the heat, smoke and fumes of the pit to seal off the burning seams.

Although 10 miners escaped from the main shaft when the fire flashed along the black alleysways of coal, it was Britain's worst mining disaster since 1947. That year 104 died in undersea workings at Whitehaven.

Midland To Raise Second Statue Of Liberty Replica

A second replica of the Statue of Liberty is to be raised soon in the Buffalo Trail council area.

Nat Shiek, chairman of the council's public relations branch, said last night.

County commissioners there approved Monday location of the memorial on the courthouse square. Charles L. Klaproth, former 70th district judge, has underwritten the undertaking.

On the committee with him are C. C. Boles, P. V. Thorsen and J. M. McDonald.

First of the replicas of the famous statue in New York harbor was erected here on the city hall lawn in May as the gift of Mr. and Mrs. Tom J. Good, in memory of a son, Jake. The Midland group has the statue on order and delivery is anticipated by Oct. 10. Dedication ceremonies likely will be held late in the month.

Sgt. Charles Moody Back In Korea Fight, According To Letter

Sgt. Charles Vernon Moody, son of C. R. and Mrs. Alfred Moody, 1005 Sycamore, undoubtedly has returned to action after being reported missing in Korea.

Mr. and Mrs. Moody were notified on Sept. 13 that Sgt. Moody, who was assigned to a unit in the 24th Division, was missing in action on July 31. His mother received a letter dated after the reported missing date. Tuesday she received another letter written about the middle of September, which clearly indicated that if he had been missing, he had been back in action.

North Atlantic Nations Approve Combined Force

By FRANCIS W. CARPENTER
Associated Press Staff
NEW YORK, Sept. 27. — By unanimous and unprecedented decisions, the North Atlantic Council last night approved the creation of a combined force to preserve the Atlantic community—and western Europe especially—from Soviet aggression.

The council called for the organization of this force as speedily as possible and decided that all available manpower and productive resources of the 12 pact countries should be used fully.

President Truman already has pledged the United States to send more divisions to the defense of western Europe if other countries interested will make comparable contributions. The council decisions carried the President's idea a step further and pledged the other members of the North Atlantic Pact to share in the organization of the first such combination of forces in peacetime.

Argo Leases Land In Sterling Co.

Argo Oil Corp. is taking a 10-year commercial oil and gas lease on a spread of 2,800 acres in West Central Sterling county. The lease covers the Hildebrand acreage in that region.

There is no drilling obligation included in the deal for Sec. 24, block 21, H&TC, and Sec. 18&20, block 31, 5e-T&P.

Prosecution Planned For Bra Brigade

MIAMI, Fla., Sept. 27 (AP) — Officials said today they will prosecute members of the "braassiere brigade" who allegedly smuggled thousands of dollars in coins from a telephone company counting room.

Dade County Solicitor Robert R. Taylor and J. M. Phillips, district manager of the Southern Bell Telephone and Telegraph Co., said the case against 13 persons questioned in the long-term thefts was not closed.

Police estimated that more than \$100,000 was stolen from the telephone company's counting room over a period of years by girl employees who sneaked rolls of quarters out in their brassieres.

Phillips said the company intends to prosecute "to the fullest extent of the law those persons involved directly or indirectly in the theft of company pay station receipts."

Because the telephone company had not signed a complaint, all 13 persons held in the case were released yesterday after a habeas corpus hearing before Circuit Judge George E. Holt. They included six telephone employees, their boy friends and members of their families.

Atty. James S. Rainwater, representing the 13, said he would personally escort the girls back to their jobs today and if the company refused to take them back he'd sue.

Church Group Picks City For District Meet

Big Spring was chosen as the host convention for the annual district meeting of the Disciples of Christ at the closing sessions of the parley in Midland Tuesday.

The district accepted the invitation to meet in the new church plant here, now in the process of completion.

During the morning session Tuesday, the Rev. Lloyd Thompson, First Christian pastor in Big Spring, addressed the convention. Mrs. Lloyd Brooks, district children's leader, was in charge of the children's work panel Tuesday afternoon.

With her at the meeting were Mrs. Jeff Hanna, Mrs. George Hall and Mrs. Omar Elliott.

Tuesday evening upwards of 300 were on hand for the district meeting of the Laymen's League of the Christian church. Tom Allison, Colorado City, was re-elected district governor; and Ed Hall, Snyder, and Leonard Shafer, McCamey, lieutenant governors. Bill German, Midland, was named finance chairman. Speaker for the evening affair was R. G. LeTorneau, noted industrialist and layman.

Among those attending the dinner were James Wilcox, Harvey Clay, H. L. Bohannon, Wendell Parks, Mr. and Mrs. A. V. Karcher, Mr. and Mrs. H. W. Smith, John O. Brown, W. B. Martin, Roy Milner, Rev. Lloyd Thompson, Mrs. C. D. Wiley, Mrs. Rosa Robinson.

Tennessee Will Admit Negroes To University

NASHVILLE, Sept. 27 (AP) — An opinion by Atty. Gen. Roy H. Beeler opened the way today for admission of Negroes to the University of Tennessee for graduate, dental and law studies.

"Since Tennessee has not provided a law school for Negroes separate from the university law school, and has not provided a dental school, I am definitely of the opinion that Negro applicants to these two schools cannot be discriminated against solely because of race," his opinion said.

"I am likewise of the opinion that Negro applicants to these two schools cannot be discriminated against solely because of race," his opinion said.

"I am likewise of the opinion that the same rule will apply to graduate schools, and in this connection I note that you have an application from a student who desires to take a course leading to the degree of master of science in bio-chemistry," he wrote U-T President C. E. Brehm.

Break-in Reported

Burglars took approximately \$5 after breaking into the Martin Linen Supply company office at 704 E. 2nd Monday night, police reported. The building was entered through a front window.

Mr. David Brunk, Route 1, Box 35, Loveland, Ohio, says that just about everything these days on the farm has changed to the modern way of doing things—a man practically has to be a mechanic to be the farmer, but says the only thing about farming that hasn't changed from the old days is a farmer himself—he just has to be in good condition. That's one worry Mr. Brunk says he doesn't have—because now he has HADACOL. By taking HADACOL he has overcome his deficiencies of Vitamins B1, B2, Iron, and Nicotin.

Here is Mr. Brunk's own statement: "My main trouble before I started taking HADACOL was a lack of sleep and nervousness. Seems like everything I did I felt bad. Food I ate—didn't taste good—I had no appetite. And energy—why, I didn't have enough energy to hardly pick up my feet. I tried dozens of different things—nothing did me any good. Then I heard about HADACOL and started taking it immediately—I guess it was the second bottle of HADACOL when I started feeling good. Now I feel fine. Get plenty of sleep, have a good appetite—enjoy my food, and best of all, I'm not a bit nervous. So far I've taken 11 bottles of HADACOL. I think HADACOL is wonderful—just look what it did for me."

Yes, HADACOL is Doing Good All Over The Country

by helping thousands of distressed folks get the necessary elements they need when they lack Vitamins B1, B2, Iron, and Nicotin. Yes, HADACOL helps to build up the hemoglobin content of your blood (when iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, kidneys and lungs, even to the eyes, hair and nails. Thousands whose systems were deficient in Vitamins B1, B2, Iron, and Nicotin are benefiting from HADACOL. . . . even hundreds of doctors have recommended HADACOL to their patients.

Give HADACOL a chance to help you. Don't let anyone tell you something else is "just as good." Insist on genuine HADACOL. You risk nothing because HADACOL is sold only on a strict money-back guarantee. You'll feel better with the first few bottles you take or your money will be refunded. Trial Size only \$1.25. Large Family or Hospital Size \$3.50. Copyright 1950, The LeBlanc Corporation.—Adv.

Delays In Answering Calls Not Approved For All In Schools
AUSTIN, Sept. 27. — Delays in responding to calls to active duty of Army reservists are not authorized for all reservists enrolled in educational institutions. Col. O. B. Abbott, Texas Military district chief, has pointed out.
Students who are pursuing full-time courses in fields in which the Army has a primary interest, and teachers who instruct students in the development of skills listed as critical by the Department of Defense will be considered for delay if application is submitted when orders are received, he said.
Students whose academic course requires five years or more for completion will be subject to call unless the course of study will qualify them for one of the critical skills. The Army lists 31 fields in which it has primary interest. Full information may be secured by writing Col. O. B. Abbott, Texas Military district, Austin, Texas.

News Editors Meet With Foreign Men
HOUSTON, Sept. 27. (AP) — News paper editors from Texas, Oklahoma, Louisiana and Arkansas met today with editors from 16 foreign countries.
It is one of seven regional meetings in the U. S. sponsored jointly by the American Society of Newspaper Editors and the American Press Institute.
The ultimate aim of the meetings is an international press institute.

Munsingwear rayon tricot slips . . . in tailored and lace trim styles . . . sizes 32 to 44 . . . in white of teatose. **2.98 to 4.95**

West German Communists Challenge Eviction Order

DUESSELDORF, Germany, Sept. 27. (AP) — West German Communists clung irritably to their de luxe five-story headquarters today and challenged the British to enforce their eviction order.
A "scandalous, arbitrary measure," the Reds called the British decision to requisition the \$480,000 building, described as the fanciest Communist Party headquarters in Europe. The Communist Central Committee declared "will will never voluntarily obey" the order.
Maj. Gen. W.H.A. Bishop, British commissioner in North Rhine-Westphalia State, yesterday gave the Communists 48 hours to move from the requisitioned building. He said it was needed to house British re-enforcements to the occupation troops.
There was no explanation why, among numerous possible choices, this particular site was chosen. As the Communists "dug in" — at least verbally — German police guarded the building to enforce a British order against removal of a costly printing press and certain other Communist Party equipment.
WINCHELSEA, Eng. Sept. 27. (AP) — Winchelsea's 13th century stand gate, built by Edward I, cannot be a nuisance — it's an ancient monument, a judge has ruled.
A furniture company sued the town for damages to one of its trucks which hit a hook sticking out from the gate.
"A most ungracious action," snorted Judge K. F. Archibald as he told the truck driver to drive more carefully the next time. He gave a judgement for "the mayor, freemen and burgesses of Winchelsea."

13th Century Gate Not Nuisance But Ancient Monument

75¢ WEEKLY

REVERE UTENSIL RACK

The Secret of
REVERE WARE

Unlike many utensils which heat in one place, producing "hot spots" that burn and scorch food, Revere's Copper Clad Stainless Steel distributes heat evenly, holds heat longer . . . prevents burning and scorching, saves fuel.

Built for a Lifetime

All parts welded. No rivets to loosen or leak. To trap food particles. Smooth inside surfaces.

Heavy 188 stainless steel. Always bright. Thick copper-clad bottom can't burn through.

NO MONEY DOWN
Pay Only **50¢ WEEKLY**

NO INTEREST OR CARRYING CHARGE
