By MIKE CASEY

Should Voting Age Be Lowered?

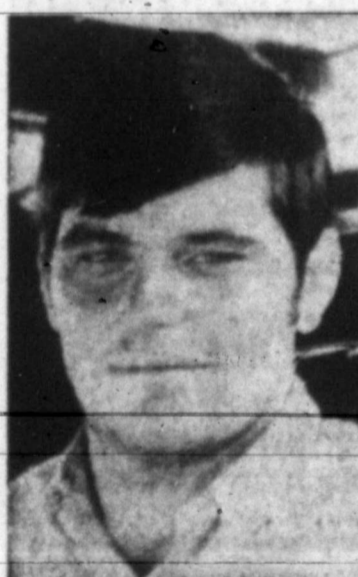

PHIL JOHNSON, 19, 1421 Williston: "Yes, because youth has many good ideas they want to express."

LARRY YOUNG, 20, 721 N. Somerville: "Yes, if a man has to defend his country, he should have some say as to how it is run."

VICKI KENER, 18, 1406 W. 19th: "Yes, they are as concerned and capable of voting as older people."

TIM NEW, 20, 2400 Navajo: "Yes, if a man has to go to the service, he should be able to vote."

BILLY ORR, 18, 906 E. Fisher: "Yes, if 18-year-olds pay taxes, they should be able to decide how the money is spent."

Nine Die On GG Bridge

SAN FRANCISCO (UPI)—Nine young rock fans crammed into a red Mustang early Saturday morning and headed north across the Golden Gate Bridge for a pop music festival in San Rafael.

In the opposite direction, Robert A. Symons, 26, paid his 50 cents at the bridge's toll plaza and jammed his accelerator to the floor. He apparently was trying to show two medical secretaries how fast his 1970 blue Porsche would go. The sports car was so new, the temporary plates still were on. Seconds later his car, traveling an estimated 100 miles per hour, hurtled head-on into the Mustang on the approach to the bridge. The Porsche's transmission was hurled 200 feet. Nine persons were killed—six of the young rock fans, Symons and the two secretaries. It was San Francisco's worst traffic accident.

"I heard a noise like a jet," a witness told a California Highway Patrol officer. "This blue Porsche came by at a speed I estimated at 120 miles an hour. It went into the turn, out of control, and hit this other car. It exploded. Not in flames, but just flew apart."

The Mustang was so mangled the bodies had to be cut out with torches.

In the Mustang, which carried a "for sale—\$925 offer" sign, were five young men and four teen-age girls. Patrolmen said Albert Urrea, 19, of San Francisco, was driving below the speed limit.

OC Radio Station Pirated

OKLAHOMA CITY (UPI)—Three hundred blacks took control of radio station KBYE during the weekend in what the station's management called the first case of radio piracy in U.S. history.

The radio station resumed broadcasting Sunday but without \$25,000 in records and tapes allegedly stolen during the takeover.

Local civil rights leader Clara Luper said the blacks were angered because the station was run by whites for a Negro audience and the management did not know what the blacks wanted.

"Most of the alleged grievances are of such a nature as to not warrant comment," station attorney John A. Claro said.

The first incident came at 2:30 p.m. Saturday when the entire staff of black announcers at the station resigned. The station then went off the air until 3:30 p.m., at which time black program director Ben Tipton took the microphone and ran a normal program until 4:15 p.m. During this time, 300 blacks congregated and held a sit-in in (See OC RADIO, Page 2)

66 Entrants For Miss Texas Pageant

FORT WORTH (UPI)—The last of 66 pretty entrants in the 1970 Miss Texas Pageant checked in today for a briefing on rules and rehearsals for preliminary competition that will run Wednesday through Friday.

The girls will visit the Six Flags Over Texas amusement park tonight. Most of the entrants checked in Sunday but a few waited until today, including those from the Dallas and Fort Worth area.

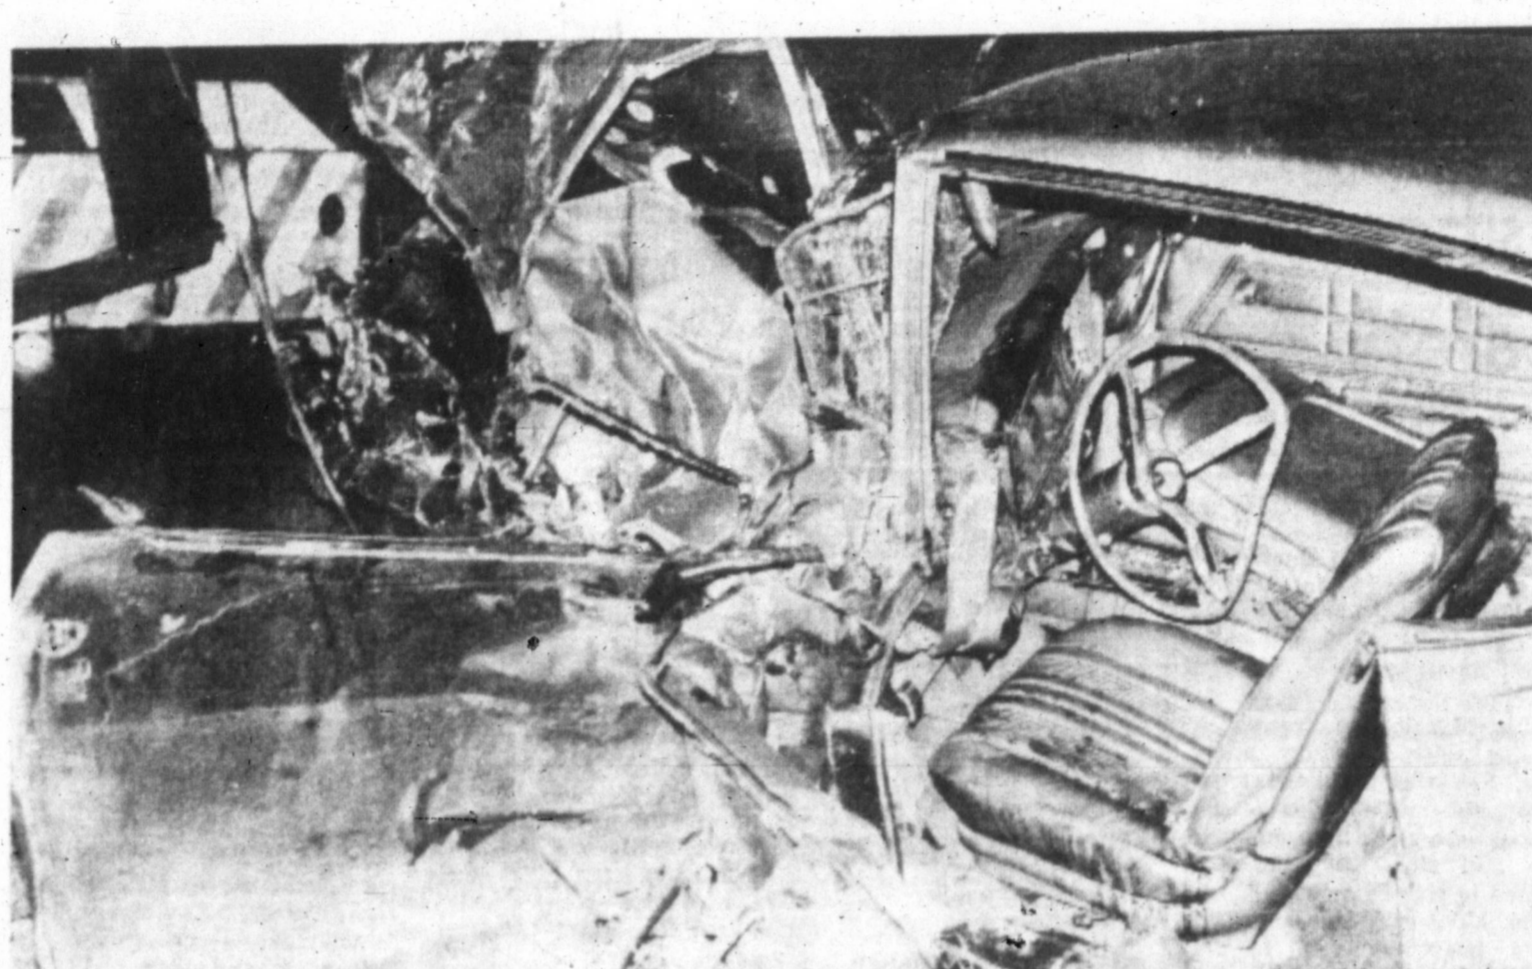

Helen Richardson, Miss Iowa Park, was the first to register. The new Miss Texas, who will represent the state in the Miss America Pageant in September will be crowned Saturday night.

The girl who wins the crown, in addition to a trip to the national pageant, will receive a \$2,500 scholarship to Texas Christian University, and a \$3,500 wardrobe.

The current Miss Texas is Dana Dowell. She advised the girl who will be the new Miss Texas to "stay just like she is" even though she has to adjust to many new pressures. "She's a winner and you shouldn't change a winner," Miss Dowell said.

Panther Leader Heads Delegation To N. Korea

ACCIDENT SCENE west of Skellytown on Highway 132 Saturday night. The head-on collision in which three persons were injured, including two Pampans, occurred shortly before 11 p.m. when one of the vehicles involved swerved to the wrong side of the highway, meeting the other car head-on. FOR LOOP 17'

Commissioners Discuss Right-Of-Way Values

By BEN KECK, Courthouse Reporter
Gray County Commissioners were in unofficial session late this morning, discussing land values of 15 parcels of land to be used as right-of-way for a continuation of Loop 171 that will extend from where the Loop intersects with U. S. Highway 60 east of the city to the Pampa Country Club.

The meeting was officially adjourned about ten minutes before 11 a.m., but commissioners were continuing the discussions at 11:15 a.m.

The land, almost 103 acres, is mostly farming and grazing land and commissioners agreed that before values were set, they should impress upon the owners the increase in land values after the completion of the Loop extension.

The county has \$100,000 set aside to purchase the land. When values are set and owners are notified, the owner may accept the price offered or refuse it. If the county's price on the land is refused, condemnation suits are filed.

To Start New Target For Anti-War Riots

MOSCOW (UPI)—Eldridge Cleaver and a candidate for the U. S. Senate from California, Robert Scheer, led an 11-man delegation to North Korea today to try to make the American military presence in South Korea a new target of the antiwar movement.

"By going to Korea, we want to take on the brainwashing and propagandizing that has gone on about Korea in the United States since the time of the Korean War," said Scheer, former editor of Ramparts magazine.

Their delegation included Americans representing a cross-section of the antiwar movement—students, new left underground journalists, Black Panthers, a Woman's Liberation organization campaigner and a representative of GI dissidents.

They were leaving for Pyongyang, the North Korean capital, on the weekly Moscow-Pyongyang flight and planned to stay about a month at the invitation of the Committee for Reunification of Korea.

Headon Crash Injures Three

Two Pampans and a Borger man remained hospitalized today, one in critical condition, with injuries sustained in a two-car collision about a mile west of Skellytown on Highway 132 shortly before 11 p.m. Saturday.

Wayne Elliott, 33, 610 N. Gray, was reported in critical condition in Northwest Texas Hospital in Amarillo. George Robert Jones, 26, 722 W. Kingsmill, was reported in good condition at North Plains Hospital in Borger.

The Borger man, Ed Badgett, 26, 1205 Madison, was in serious condition at Northwest Texas Hospital.

According to Highway Patrolmen investigating the accident, the head-on collision occurred when a car driven by Badgett, traveling east, swerved into the west bound lane and collided with a car occupied by the Pampa men.

A witness said Badgett's car had passed several cars before the collision occurred.

Both cars were heavily damaged in the accident. Traffic was backed up for about a mile west of the accident scene for about twenty minutes while wrecker crews cleared the vehicles from the highway.

All three men were taken to the Borger hospital and Elliott and Badgett were transferred to Amarillo early Sunday morning.

Infectious Syphilis Poses Threat To Nation's Health

NEW YORK (UPI)—The rate of infectious syphilis increased 8.5 per cent in the last year throughout the United States in a rise "so dramatic that national emergency action is needed," a health society reported Sunday.

New Jersey led the increase among the states and New York City topped the country's urban areas.

The American Social Health Association, a voluntary agency championing the fight against venereal disease, said 20,531 cases of infectious syphilis were reported in the nation during the fiscal year 1970, up from 18,769 reported during the previous 12-month period.

"This increase is so dramatic that national emergency action is needed," said Dr. James S. McKenzie-Pollock, the association's medical director.

"There's not only more sex, especially among the young people, but more indiscriminate sex," McKenzie-Pollock said. "He also said some 750,000 other Americans were plagued with noninfectious syphilis."

Troops Stand Guard As Irish Protestants Stage Big Parade

BELFAST, Northern Ireland (UPI)—In one of the biggest parades in Irish history, about 150,000 Protestants marched through Belfast today, watched by grim Roman Catholics and guarded by 18,000 troops and policemen armed with rifles and water cannon.

At 10 a.m. (5 a.m. EDT) columns of the Protestant Orange Order—males from 6 to 80 in orange sashes, black bowler hats, white kid gloves and carrying umbrellas under rainy skies—flooded out of Charles Circus into streets where the cream of the British army stood shoulder to shoulder to prevent fighting between the marchers and Catholics.

Police estimated the number of marchers at 150,000. Earlier they had predicted 50,000 would turn out.

Durante Improving From Ear Infection

SANTA MONICA, Calif. (UPI)—Jimmy Durante, hospitalized Friday after suffering dizzy spells, probably will be released later this week, a spokesman at St. John's Hospital said Sunday.

The spokesman said tests indicated the 77-year-old comedian may be suffering from labyrinthitis, an infection of the middle ear.

Defecting Marine Released Today

SAIGON (UPI)—The Viet Cong announced today the release in Hanoi of a U.S. Marine said to have defected to the Communist side early in 1969.

A Liberation Radio broadcast said Pfc. Jon Sweeney would go to Sweden to seek political asylum. U.S. military sources said Sweeney has been listed as missing in action since Feb. 19, 1969. His birthplace was given as New York City.

Hanoi broadcast Saturday what it described as Sweeney's remarks in a news conference in the North Vietnamese capital. He was quoted as having decided to leave his Marine unit after his company commander tried to kill him.

Dear Abby 3 Pampanas Attend Tri-Delta Meeting

By Abigail Van Buren

DEAR ABBY: Apropos of Helen who is 23, single, Roman Catholic and "hopelessly in love" with a Lutheran, 35, who is divorced with two children: Helen says she will not give up her religion to marry him. She's broken up with him a dozen times but they always get back together again. She's begged him to leave her alone, but instead the 'Foxy Romeo' moved into her apartment building, so now they are seeing more of each other than ever!

I suspect it's Helen who doesn't want to get married. Many girls "fall in love" only with men they can't marry (Either the man is married, or divorced, or he is a priest.) My sympathies are with Foxy Romeo. If he's looking for a wife and a mother for his two kids, he'd better forget Helen. She wants a boyfriend — not a husband. No girl "breaks up" and makes up a dozen times unless she enjoys having the man around.

If you want to call Helen's bluff, advise her to take her Romeo to a priest (or contact me). Due to legal technicalities, some divorced persons can remarry. It's a longshot, but it's worth a try. If it turns out that Helen can marry her Romeo, I will wager that instead of rushing into his arms, she will move to another apartment building to avoid him.

Very truly yours,
Rev. Anthony P. Vaz
St. Luke's Rectory,
Westport, Conn.

DEAR REVEREND VAZ: I appreciate your offer to help Helen. And heaven help you

with the mail you are likely to receive after this.

DEAR ABBY: I was once in Helen's shoes. A more devout Roman Catholic would have been hard to find. Then I fell in love with a Protestant, the son of a minister, yet I was torn between him and my church.

Then it occurred to me that my church is changing so rapidly. What happened to the "No-Meat-On-Friday" church? How about St. Christopher who is no longer a saint? And nuns who, with the blessings of the church, wear mini skirts and boots? And the pressure to permit priests to marry could conceivably win out in time. Now I'm wondering what will Helen think if she gives up the man she loves to some other woman, and the church decides a month (or a year) later that Roman Catholics may marry divorced non-Catholics?

Because I married a non-Catholic and practice birth control, I cannot go to confession or receive communion. I have not been back to the Catholic church because according to them I am living mortal sin and shall surely go to hell. If I sound bitter, maybe it's because I am. But I am not the only good Catholic they have lost.

I gave up my church for this wonderful man, but I did not give up my God.

Mrs. George Cree, Mrs. Myron Marx, Jr. and Miss Harriett Henderson of Pampa were delegates to the 34th biennial convention of Delta Delta Delta, national women's fraternity, which was held at Mountain Shadows, Scottsdale, Ariz.

Miss Henderson serves the fraternity as president at Baker University, Baldwin, Kansas. Mrs. Marx serves as treasurer of the Pampa Alumnae Chapter. Delta Delta Delta was founded in Boston, Mass. in 1883, and is one of the largest national women's fraternities. Delegates and visitors from 113 collegiate chapters and 329 alumnae chapters in the United States and Canada attended the convention.

Tri Delta's major philanthropy is a scholarship program in which more than 3,850 young women have received scholarships totaling more than \$650,000. In 1964, the Delta Century Fund was established and is supported by gifts from alumnae and collegiate members.

In 1968, Tri Delta's 100th anniversary, the fund will be used to support educational scientific projects of both individuals and institutions doing research in the field of humanities with special emphasis on projects involving student life. Currently the fund is used to provide grants to libraries at various universities where Tri Delta has or has had chapters.

Mrs. J. Allen Nye, Jr., Severna Park, Md., is national president and Mrs. J. Searls of Cumberland, Md., was the convention chairman.

Your Horoscope

JEANE DIXON

TUESDAY, JULY 14
Your birthday Tuesday. Readjustment is the keyword for year ahead. Your resources can increase readily with normal consistent application. Family experience is filled with meaningful, poignant events. The more specialized skills you develop, the better. Your diversity of interest and intuition will point the way. Tuesday's natives possess poetic talents, idealism.

ARIES (March 21-April 19): You and your family and friends must stand together against confusion. Personal and group resources are likely to improve by prudent investment.

TAURUS (April 20-May 20): If you can say clearly what you want, you have a better chance of getting cooperation. Start right in. Rest early in the evening; Wednesday will be different in spirit.

GEMINI (May 21-June 20): Your work goes well although distractions and confusion exist. Just verify your facts. Some previous self-improvement projects are rewarding now.

CANCER (June 21-July 22): Personal progress is noted Tuesday despite mixed conditions. Rely on your intuition. Romantic ventures are filled with poignant incidents.

LEO (July 23-Aug. 22): Keeping matters simple is important Tuesday. You can do something to make living conditions more to your liking. Consensus of opinion is fairly easy to achieve.

VIRGO (Aug. 23-Sept. 22): Make peace and apologies wherever you need to; try to meet others halfway. Community affairs promise new places to show your work.

LIBRA (Sept. 23-Oct. 22): Decisions are not for the moment, but fairly soon. Cooperation from business people is more readily attained. News from distant places is unusually interesting.

SCORPIO (Oct. 23-Nov. 21): You still need some extra reality-checks to keep a good perspective. Fanciful projects are shown up now. Take the evening for self-examination.

SAGITTARIUS (Nov. 22-Dec. 21): Things are not quite as they seem. Keep information to yourself. Some people you work with wish to stay out of public view, others have goals quite different from yours.

CAPRICORN (Dec. 22-Jan. 19): Now is your test of whether you can be clear and direct without projecting resentment. Many pending matters, open disagreements can be settled. Friends are on your side.

AQUARIUS (Jan. 20-Feb. 18): Working relations come back to normal — just don't be domineering. Your own careful decisions are important; later on, large issues resolve about Tuesday's seemingly trivial details.

PISCES (Feb. 19-March 20): Your creative drives now find fresh outlets. Some ideas turn out to be less than practical later, so make allowances and prepare alternative courses.

POLLY'S POINTERS

Makes Pretty Flowers From Colored Burlap

By POLLY CRAMER

DEAR POLLY — I am answering Mrs. J. J., who wanted to know how to make hand-crafted flowers of burlap. Cut colored burlap into seven- or eight-inch squares. Leave three-fourths-inch along opposite sides and pull out all threads between. Save those pulled-out threads and cut in half to use for the center of the flowers. I use several colors for my flowers and have the centers of a contrasting color. Fold the edges on the squares together. Loop a piece of florists' wire around the center of the threads that have been cut in half and fasten tightly with pliers. Start at one end of the folded burlap, wrap tightly around this center with florists' tape and tightly to the end of the wire. My wires are usually about nine inches long. Spread the loops apart enough to see the centers and you have a pretty flower.

—MRS. E.Y.

DEAR GIRLS — When the burlap pieces are folded over it is a help to use a bit of that all-purpose white glue to hold the edges together. After the technique is mastered the original pieces can be cut in any desired shape and size for different-looking flowers — POLLY

DEAR POLLY — I enjoyed your Pointers on the care and cleaning of (so-called antique) satin draperies and agree with everything you wrote — almost.

Your statement about gas heat probably causing "an oily-looking yellow film across the top" of your draperies is a common misconception. Studies show that warm air — heated by gas or electricity — usually gathers dust, cooking vapors and tobacco smoke in any household. Since warm air is lighter than cold, it rises and deposits soil and moisture on cooler surfaces — walls, ceilings and draperies. This is the cause of discoloration.

The blue gas flame is really clean, Polly. Ever notice how your dentist uses it to sterilize surgical instruments; or the overwhelming number of professional laundries that use gas for clothes drying? Gas heating and cooling is used to maintain a clean, even temperature in some of the nation's finest art museums where priceless paintings and art objects are housed.

Polly, thanks for listening! Your column provides answers to many homemaking problems and makes our work easier.

New Corn Popper Shows Its Stuff

Summertime to some means sitting on the back porch with a bowl of popcorn and a glass of lemonade. And popping the corn is half the fun, particularly for the younger set.

A corn popper recently introduced brings a new dimension to corn popping—it lets you look in on the action while the corn explodes inside a transparent dome.

Unpopped kernels are reduced by a quick-heating, 525-watt element in the base that holds the precise temperature. Inside metal surface is coated for no-stick performance and easy cleaning.

Wall Street Chatter

NEW YORK (UPI) — "A good

deal of backing and filling could lie ahead as the process of consolidation churns on," Standard and Poor's Corp. believes. With this in mind, the company warns "against haste in re-entering the market in an aggressive fashion." Instead, the company urges "upgrading of existing positions until the market outlook is clarified."

The shock waves touched off by "the liquidity scare" will have a "far-reaching impact on the economy," Argus Research Corp. says. On the positive side, the company says it "has helped to restore prudent consideration of risk factors in lending and spending." The firm also feels it provides assurance that the coming upturn "will be soundly based on a growing economy moving toward disinflation."

"The overexpansion and speculation of the late 1960's have not been fully corrected," the Indicator Digest warns. The digest notes that "major bear

NL To Seek 8th Straight Victory In Tuesday Night's All-Star Tilt

CINCINNATI (UPI)—Just two years ago, Jim Palmer was a sore armed pitcher struggling in the minor leagues.

On Tuesday night, he'll climax a brilliant comeback from an ailing shoulder when he makes his first appearance on the American League All-Star team as the starting pitcher.

Palmer will get the starting assignment against the National League in the 41st classic at Cincinnati's Riverfront Stadium. The American League will be a 7-to-5 underdog after losing seven consecutive games and winning only one of the last 13.

The National League will counter with either Tom Seaver of the New York Mets or Bob Gibson of the St. Louis Cardinals.

Weaver named three Oriole pitchers—Palmer, Mike Cuellar and Dave McNally—along with Mel Stottlemyre and Fritz Peterson of New York, Sam McDowell of Cleveland, Jim Hunter of Oakland, Clyde Wright of California and Jim Perry of Minnesota. Weaver named all starting pitchers because he said he didn't want to pick and choose among the standout relievers in the league.

Gil Hodgers of the New York Mets, who beat Weaver's Orioles in last year's World Series, picked only eight pitchers for his staff. Besides Seaver and Gibson, he took Jim Merritt and Wayne Simpson of Cincinnati, Claude Osteen of Los Angeles, Gaylord Perry of San Francisco and two relief specialists—Joe Hoerner of Philadelphia and Hoyt Wilhelm of Atlanta.

While the managers pick the pitchers and the remainder of the 28-man squads, the selection of the starting lineups was returned to the fans and over two million cast computerized ballots.

There will be only one change in the lineups the fans picked. Rod Carew of the Minnesota Twins was selected at second but he's injured and Weaver picked his own second baseman, Dave Johnson, to replace him.

Amarillo Pounds Shreveport, 13-2; HR Lifts Blues

By United Press International

Dallas-Fort Worth Spurs starting pitcher Wayne Garland waited until the ninth inning to throw his only bad pitch of the night. It came with two men on base and Billy Carthel of Memphis slammed it 375 feet over the left field fence Sunday to give the hometown Blues a 3-2 win.

The win gave the Blues a 3-1 series edge over the Spurs. Dallas-Fort Worth travels to Little Rock to take on the Texas League's Eastern Division leading Arkansas Travelers tonight. The Blues meanwhile entertain El Paso.

Garland pitched nearly flawless ball through most of the game. Chico Diaz opened the bottom of the ninth with a single but was forced at second on Curt Brown's grounder to third.

Garland pitched carefully to Ted Bashore, the league's leading hitter, and walked him. Carthel then slammed his ninth homer of the year.

In other games, the San Antonio Missions blanked the Albuquerque Dodgers 3-0. The Amarillo Giants routed the Shreveport Braves 13-2, and the Travelers eased by the El Paso Sun Kings 2-1.

Jim Todd of San Antonio threw a four-hit shutout against the Western Division leading Dodgers and received all the padding he needed when outfielder Tom Binkowski hit a solo home-run in the third.

The Travelers scored their winning run in the bottom of the eighth to give starter Steve Evans his eighth victory in 14 decisions.

FAMILIAR DELIVERIES, familiar faces—they belong to Mel Stottlemyre, left, of the New York Yankees and Bob Gibson, right, of the St. Louis Cardinals. Stottlemyre has been on All-Star pitching in four times already, Gibson six times.

Nicklaus Cops British Title

ST. ANDREWS, Scotland (UPI)—A couple of delicately played and magnificently judged chip shots were the difference between winning and losing the 1970 British Open golf championship at the historic St. Andrews old course Sunday.

Jack Nicklaus was the man who executed the strokes, and he was the one to carry off the title by beating gallant Doug Sanders in an 18-hole playoff which turned out to be much more dramatic than anticipated.

Nicklaus edged out Sanders by only one stroke with a par 72, garnered with a birdie on the 18th green, against a one-

most important shot. Nicklaus only play once in a lifetime," he said.

Nicklaus had to scramble all the way on the 567-yard hole after finding sand with his drive at the fifth hole and almost landing in another trap after blasting out. His third shot was a wild hook into clinging rough below the green, whereas Sanders was on in three and putting for a birdie.

But Nicklaus' chip was beautifully played and a heart-breaker for Sanders. It floated down and rolled on to finish three feet from the flag for an easy par. Sanders missed with his long one.

The other chip came at the 18th when Sanders, who had fought back from a four-shot deficit with five to play, had lagged up for a certain birdie which looked good enough to send them into a sudden death playoff.

Nicklaus had belted a huge drive which went through the green, at the 358-yard 18th and finished up part way up a grass bank at the back, some 40 feet from the flag.

It was an extremely difficult shot to play, and even more troublesome to judge, since the very fast green ran away downhill. "He could easily have left it a mile short or sent it way off down the hill into the 'valley of sin,'" Sanders said.

Instead Nicklaus popped it out and stopped the ball some five feet from the pin, then rapped in the pressure putt.

The title was his.

EXPOS DOWN METS, 5-3 Pirates Increase Eastern Lead With 7-6 Victory Over Cardinals

By NEIL HERSHBERG, UPI Sports Writer

At the halfway mark in the major league schedule—the All-Star game—the Pittsburgh Pirates find themselves occupying first place in the National League's Eastern Division. They increased their lead to 1½ games Sunday as they defeated the St. Louis Cardinals, 7-6, in 10 innings to complete a four-game weekend sweep.

All-Star outfielder Roberto Clemente said "the club is in the thick of the pennant race because of positive thinking and the fact that we are finally able to put everything together."

In other NL action, Montreal downed New York, 5-3, Chicago ripped Philadelphia, 10-2, Cincinnati edged Atlanta, 6-5, Houston nipped San Francisco, 8-7, and San Diego defeated Los Angeles, 4-1.

Al Oliver's homer off Alan Hrabosky's first pitch in the 10th triggered a three-run rally that sent the Pirates to their 10th victory in their last 12 games. The Pirates added two runs following Oliver's homer on a triple by Manny Sanguillen, an intentional walk to Gene Alley and singles by John Jeter and Matty Alou.

Gary Sutherland gave the Expos their victory as he scored the tie-breaking run in the ninth on Ray Sadecki's second wild pitch of the inning. Bob Bailey had tied the score when he hit his 11th homer in the eighth inning.

Lee May hit a two-run homer in the eighth to give Cincinnati its win. Tony Perez led off with a single and, one out later, May hit his 20th homer of the year. Ken Holtzman won his first

game since June 17 as he pitched the Cubs to victory. Johnny Callison led the Cubs' attack with four hits, while Jim Hickman drove in four runs with a sacrifice fly and two singles.

Doug Rader singled to center field with the bases loaded in the ninth inning to climax a three-run rally and give Houston its second straight come-from-behind win over the Giants.

Ollie Brown collected four straight hits for San Diego to give Clay Kirby the offensive support he needed as Kirby hurled a three-hitter. Brown's homer followed a walk to Clarence Gaston in the seventh inning.

McCluskey's Plymouth Wins Stock Car Race

WEST ALLIS, Wis. (UPI)—Roger McCluskey, Tucson, Ariz., and his boss, Norm Nelson, Racine, Wis., finished first and second in Sunday's Miller 200 mile stock car race at State Fair Park.

The win netted McCluskey \$10,390 from the record prize pot of \$57,475.

In third place was Sal Tovella, Addison, Ill., in a 1970 Plymouth Superbird, followed by Larry "Butch" Hartman, South Zanesville, Ohio, in a 1969 Dodge Charger. Bob Wawak, Villa Park, Ill., came in fifth another 1969 Charger.

McCluskey led the 200-lap race from the start until Don White, Keokuk, Iowa, took over on the 43rd lap. White was forced to leave the race in lap 52 because of a dropped valve.

The lead went back to McCluskey until the 72nd lap when A. J. Foyt, Houston, Tex., got it for a lap after McCluskey pitted. Then Don Trickle, Wisconsin Rapids, Wis., took over until the 78th when McCluskey moved ahead for good.

The \$57,475 pot was the highest posted in a USAC stock event.

Beman Claims Milwaukee

MILWAUKEE, Wis. (UPI)—he passed up, the prestigious British Open.

For the 32-year-old Bethesda, Md., pro the decision couldn't have been a better one.

Sunday, as Jack Nicklaus beat Doug Sanders for the British title, Beman made a shambles of par at the North Shore Country Club, coming home with a 3-under 69, a 72-hole score of 276 and a three-stroke win in the Greater Milwaukee Open golf tournament.

Some had tabbed the \$110,000 meet "the world's richest satellite tournament" because of its conflict with the British meet, but Beman said it was hard to tell what would have happened had the two meets not clashed.

Baltimore Rips McLain, Tigers

By FRED DOWN, UPI Sports Writer

The Detroit Tigers' pennant condition is still a question mark because Denny McLain is still pitching himself into shape.

That was the feeling in both clubhouses Sunday after the Baltimore Orioles routed McLain and the Tigers, 13-3, after the Tigers won the first game, 7-3. A sweep would have moved the Tigers to within four games of the first-place Orioles in the American League's Eastern Division.

"He (McLain) didn't have a thing," said catcher Jim Price after Sunday's game. "I think the lack of spring training has hurt him. He was pitching with two days of rest and he's not ready in shape."

Doog Powell hit a two-run homer and singled home two runs to lead a 15-hit Baltimore attack which routed McLain in 5 1-3 innings Sunday. Denny was hammered for eight hits and yielded seven earned runs. Reliever Dick Hall marked up his seventh win.

Homers by Bill Frehan, Al Kaline and Mickey Stanley led a nine-hit Detroit attack in the opener, which dealt 12-game winner Dave McNally his sixth setback. Mickey Lolich went 7 2-3 innings for his eighth victory with Tom Timmerman getting credit for his 12th save.

The California Angels beat the Minnesota Twins, 6-2, the Oakland A's 2-1, in the

Pittsburgh Hurler Is Out Of Action

PITTSBURGH (UPI)—Right-handed pitcher Steve Blass of the Pittsburgh Pirates, injured Sunday when struck by a line drive off the bat of Joe Torre in a game at St. Louis, will be out of action for about a month, a club spokesman said today.

second game of a doubleheader after losing the opener, 4-3, the Boston Red Sox swept the Cleveland Indians, 6-2 and 8-2, the Washington Senators downed the New York Yankees, 2-3, and the Chicago White Sox defeated the Kansas City Royals, 10-5, in other AL games.

The Angels moved to within five games of the Western Division-leading Twins with the help of Ken McMullen's two-run double, which highlighted a four-run fourth inning. Reliever Dave Laroche won his second game, while 13-game winner Jim Perry suffered his seventh setback.

Pinch-hitter John Donaldson singled in the winning run in the ninth inning of the Athletics' first game after Don Mincher tied the score with his second homer of the game. Jim Grant, who worked 2-3 of an inning, won his fourth game
