JEWETT SCARBOROUGH has a whole, new, broader outlook on life these days since he has a twice-as-large picture window in his new offices across the hall in an exchange of offices with Art Holland and we hear the Modern Beauty Shop is moving to a new salon after years and years of being located across the street from City Hall, it's moving to the Hughes Bldg. that certainly is an impressive display of trophies the Leather 'N Lace Club has in the lobby of the courthouse along with a picture of club members in their attractive blue and white costumes and we must remember sometime to stop in to inquire how Greeley Warner gets his geraniums to grow he has several i his store window that have been blooming all winter ,.... and they are so-o tall! -dew-

THOSE TRAVELING Pampans: The L.B. Penicks have returned from a winter cruise They flew to Miami then took a Norwegian Cruiser to Haiti, San Juan Puerto Rico, and St. Thomas in the Virgin Islands ..., .. they cruised by night and visited the various islands by day They had a wonderful trip nice weather fine sailing and so many fascinating places to see ... it was the Penicks' first boat trip ..., and to become acclimated to water, while visiting with a cousin in Miami and before embarking on the cruise, they went for a boat ride around the Nixons' Florida estate but, alas, they (the Nixons) weren't home! -dew-

WE HEAR so much shout inflation these days ... but there is one spot in Pampa, where the opposite is true ... and that's at the Pampa Youth and Community Center ... those guys and gals, who regularly visit the new Health Spa, are deflating their usual girth with all of those inch-whit-tling machines ... and the sauna bath doesn't affect hairdos, we are told ... have to watch that cold shower afterward, though!

-dew-WANT TO put a little fun in your life?..., well, an Easter Egg Coloring Cartoon Contest is the way One's been in progress here at The News for a couple of weeks as of a 5 p.m. deadline tally Friday, there were over 950 contestants, which means there are 3,300 colored cartoons for the judges ... (mail-ins were accepted until noon Saturday) It has been estimated if Van Vanderberg, Ted Gikas, and Rev. J.B. Waller begin their chore at 5 p.m. Tuesday, they should have the job completed next Friday, when winners are announced the judges are a conscientious lot and each cartoon will be rated for meatness, technique and imagination ... It has been such fun to greet contestants as they brought entries in shy ones, bold ones, small ones, tall ones even twins one little girl, about five, who was only four minutes away from the deadline, literally aprinted to the deposit box MEMO TO two-year-old David Carter: Sweetie, next year we're lowering the age limit MEMO to JWG: 38-year-old "kids" will never be eligible .. when the Small Fry didn't hand deliver cartoons themselves, mothers, fathers, grandmothers, grandfathers, nextdoor neighbors, big brothers and sisters did! wish there could be prizes for everyone entering but since t is an idea of competition, we hope everyone had fun coloring and competing by this time next week, we'll know the winners the suspense

In the first game of the double-header Pampa scored two runs on five hits while holding the Oklahoma team to one run on three hits.

Doug Thompson, was the winning pitcher as he faced 29 batters and allowed only three hits. Thompson allowed five men to walk and struck out seven.

Anadarko went scoreless until the sixth inning while Pampa scored one in both the third and fourth innings.

Pampa's first run came when Ross Holman singled with two out and Steve Scott came to bat and hit a triple, scoring Holman. Jerry Lindsey flyed out to cenier field to relire the side.

In the third inning Hawkins walked to put a man on first. Wyatt Earp struck out and Vernon Johnston got on base due to an error. Dan Hood doubled scoring Hawkins and Thompson struck out to retire the side.

Anadarko's score came in the sixth inning when Sparkman came in from third on a high hit ball to center field that was caught.

SECOND SATURDAY GAME The second game of the day was given to the sophomore team. Only one senior, the pitcher, and the center fielder, who is a junior, were not sophomores. But it made little difference as the B-team defeated the same Anadarko group that the warsity had just played by the same score.

The second game only went five innings as Anadarko had to leave early, but it didn't appear to make much difference as Pampa held them to just two hits in five innings and one run.

Pampa was only up to bat four times but they managed to get five hits and score two runs.
