

County In Dilemma

By DEL CONNER
NEWS STAFF WRITER

County deficit spending for late this year and next, along with a school surplus came up in a long and lengthy Gray County Commissioners' meeting Monday and Wednesday. There are indications there will be more before a solution to county financial problems are solved.

On January 27, the commissioners court, agreed to contract with the Southwestern Appraisals Co. of Dallas to have all Gray County properties re-appraised. This effort was spear-headed by county Judge S.R. Lenning Jr. It was the consensus of the four county commissioners a program was needed to wipeout apparent existing inequities in the county property tax system when necessary tax increases become mandatory in the near future.

In the proposed reappraisal, all county properties were to be re-evaluated.

By "all" is meant all property in the county including real estate, machinery, factories, livestock and every building worth \$500 or more. The contract with Southwestern was to be signed by the commissioners Monday.

However, on Monday it was discovered a property re-appraisal would, according to Pampa Independent School District Business Manager Homer Craig, cost the Pampa Independent School District \$100,000.

The issue boiled in the county courthouse Monday and Wednesday.

John Gikas, local businessman and Pampa School District Board member appeared at the Monday session to question the approximate \$90,000 cost of the program and urged the use of local people for re-appraisal purposes.

Craig was asked to appear before the commissioners' court to explain why a special grant of \$100,000 would be lost to the Pampa school district if property appraisals were re-evaluated this year.

Craig said for some time the Pampa School District has been receiving state aid to education under a special foundation grant designed to help repressed areas. "This is in addition to the regular state subsidy," he said.

Eligibility requirements are based on property evaluations, scholastic population, county income from capital production, payroll, etc., according to Craig.

Craig pointed out if property values are increased, beyond present values, the special grant from the state will be automatically cut off.

Craig said the state legislature has indicated it will cut off the special fund next year and the district may have only one more year to benefit from the grant.

Craig admits the school district has in the not too distant past, operated on deficit spending beyond the legal limits. He said, "The special foundation fund is an unfair law which in effect, constitutes subsidies to the rural areas by the large metropolitan school districts who actually need the money more and are leading the fight to have the grants stopped."

School administrators have indicated the district is considering closing Pampa Jr High School within two years and making personnel cuts to help counteract the loss of the special state aid fund.

On the other side of the issue, the county commissioners are faced with rising costs only tax increases can finance.

Judge Lenning pointed out all counties have recently been slapped in the face with a state law which threw out county immunity from personal injury liability suits.

"This meant Gray County had to buy liability insurance for county vehicles and buildings and the tab came to \$38,000. The state law was passed after last year's county budget was calculated and came unexpectedly," he said.

Commissioners make no apologies for recent increases in pay and retirement benefits for county employees. One of the many justifications commissioners made for these items was the discovery some time ago, highway patrol rookies were making more money than county law officers with thirteen

or fourteen years experience.

The foregoing, coupled with normal increases, constitute reasons for needing more money, according to Judge Lenning. Thus the dilemma develops — how to pay the county bills, still keep the special state aid fund; and how to come up with new tax reappraisals that are fair and equitable for all.

As for paying county bills for 1970, commissioners have decided to borrow the money. It has been projected the county will need \$100,000 to \$140,000 for the 1970 fiscal year.

A. A. Schuneman, First National Bank board chairman, remarked during the Wednesday session he saw very little difference in costs whether the county lost the special education grant or operated on borrowed money.

"The money is there," he said.

Gikas pointed out all commissioners should have the interests of the total county at heart and not be selfish about the particular interests of their precinct constituents. County taxpayers other than those of the Pampa School District should not mind helping pay off interest on loans which the county made in order to save money for only one (Pampa) school district. Other county school districts, (Lefors and McLean) don't share in or receive the special grants.

Judge Lenning pointed out the borrowing would have a snowballing effect. He said next year's revenues would run the normal operations and pay off the loan. The county will still have to borrow until revenues exceeded expenditures.

Pampa Independent school district, which according to Dr. James F. Malone had a \$100,000 surplus last year and expects to have a \$40,000 surplus this year, will be able to keep the special \$100,000 and not raise taxes—"this year."

As to the eventual tax reform, commissioners approved hiring a local person to make surveys of rural areas.

Commissioners plan for existing city and school tax rolls to be used for the urban areas.

In the matter of existing tax rolls, Precinct Four Commissioner Truitt Johnson said Wednesday a new survey could possibly turn up enough property to pay the cost of a new survey.

In the same vein, Mrs. A.D. Hite, 520 Doyle said, "Sometime ago my husband and I tried to buy some lots in southeast Pampa. We could not even locate the owners and that property is just sitting there doing nothing, not being taxed, and there is a lot of that going on in Pampa."

The county is paying the city \$4300 per year for the use of city property tax rolls.

Continuing on the subject of inequity, former city mayor E. C. Sidwell appeared at the Wednesday meeting. Said Sidwell, "I have sat on many tax equalization boards and it seems to me that it was more of a fixin' deal than an appraisal deal."

Before leaving at mid-session, Sidwell added, "There have been too many cold-patch jobs done already. If you gentlemen are going to spend \$60,000 I would like to see all local taxing agencies participate in the cost. Sidwell continued, "I pay taxes on my business car and office furniture but I don't pay a cent on my private car or home furniture. So if you are going to spend the money, please make an effort to get everything fair and equitable."

In the matter of appraising county properties in the past the commissioners' court spent much time in seeking local help. But in the interests of impartiality they decided on the Dallas re-appraising firm because they could not locate local people who met their qualifications and were available. Although they have, by motion, agreed to use a local person, no one knows who that person will be. The only candidate thus far is one Claude Robertson.

The re-appraising must be accomplished by April 30, 1971.

Craig and Gikas have recommended Robertson who is director of special services for the Pampa school district. Robertson has done such work for the schools in the past and would be available on a part time basis for \$5 an hour plus See COUNTY, Page 2)

Congress, Nixon Head Off Railroad Walkout

Come Down To Wire Before Compromise

WASHINGTON (UPI)—Congress headed off a nationwide railroad strike three and one-half hours before it was to have started, putting a new law on the books forbidding any such walkout for another 37 days.

The action Wednesday night failed to stop walkouts at more than a dozen places throughout the country. But it appeared the four maintenance and repair unions involved in the dispute were largely honoring the emergency measure.

W. D. Quarles Jr., vice chairman of the National Railway Labor Conference, the Association of Railroaders, said no single system was shut down by the walkouts.

"The walkouts and pickets are still a fraction of the industry, but we should get a better reading by the time the morning shift begins at 8 or 9 o'clock," he said.

Quarles said he had been working closely with national headquarters of the unions throughout the night to get men back on the job.

The legislation, third time in seven years Congress has stepped in to a rail labor dispute, was in the form of a 37-day no-strike order added onto the National Railway Labor Act. It passes both houses of Congress late Wednesday and Nixon put his signature on it at 8:30 p.m. EST to beat a midnight strike deadline.

But Nixon made it known he was not entirely satisfied with the way the matter was handled. He has submitted legislation that would have forced the unions to accept a contract settlement rejected by one of them Dec. 4. That proposal could still be taken up later.

William W. Wimpfinger said the strike delay law was a "catastrophe." He and other union leaders went to work immediately to notify the union locals of the development, but warned that there might be wildcat strikes or walkouts by locals which did not get the word in time.

Several hundred diesel shop workers walked off the job at Penn Central's yards in New Haven, Conn. Wednesday and pickets appeared briefly today at the Pennsylvania Station in Philadelphia. Pickets also showed up for a time today along the Union Pacific route in Omaha, Neb.

The legislation, passed 83 to 0 by the Senate and 343 to 15 by the House, forbids a strike before 12:01 a.m. April 11.

Wimpfinger told one congressional hearing as the legislation was being rushed through that Nixon's plan to force a settlement appeared to "make

New Acting Postmaster Appointed

Announcement that Carl V. English, assistant postmaster in Pampa since 1966, will become acting postmaster next Monday was made today in Dallas by J.L. Pierce, acting regional director of the U.S. Post Office Department.

English will succeed Raymond W. McPhillips who has been acting postmaster since his appointment in December of 1967.

Pierce said McPhillips will remain in the Pampa Post Office as a parcel post deliveryman.

"The change," Pierce said, "is no reflection on Mr. McPhillips and his experience entitles him to top consideration for future promotion."

English has been an employee of the Pampa Post Office since 1940 as a carrier, mail foreman, mail superintendent and assistant postmaster.

The Dallas regional office said the change-over in Pampa will take place at the close of business next Monday.

To Let Bids For New Furr's Center

Plans and specifications for the new proposed Furr Family Center have been completed and distributed to bidding contractors, according to John Lee Bell, owner of the local property.

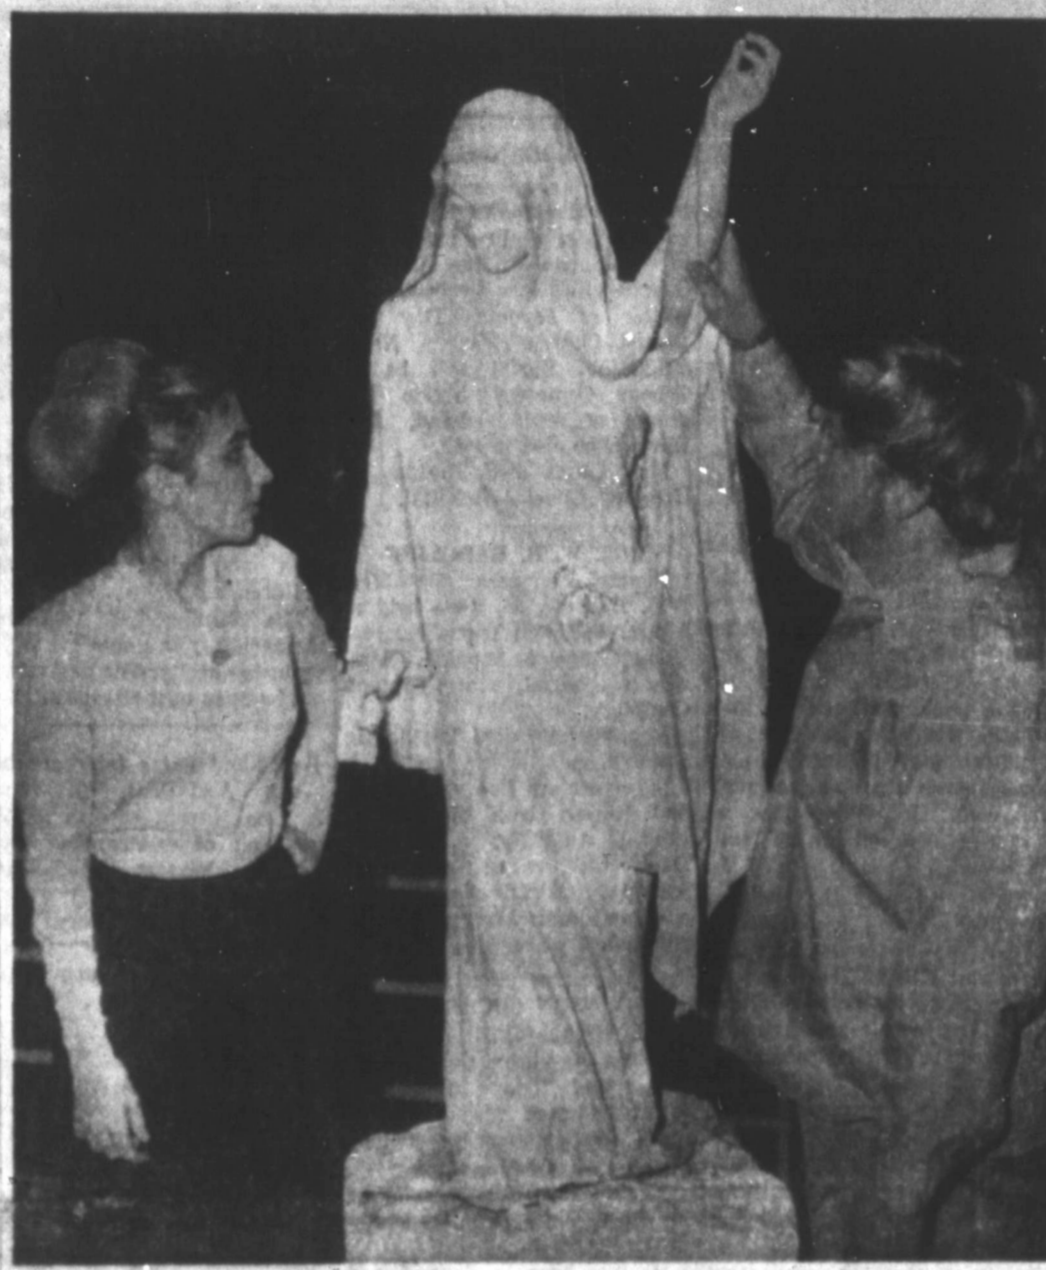

Bell said bids will be opened March 17 in the Coronado Inn in Pampa.

The enlarged store will cover approximately 27,000 square feet as compared to 18,000 sq. feet in the former store, which was burned last Sept. 5.

The new Family Center will be in the same location, North Hobart at Decatur.

WEATHER

PAMPA AND VICINITY—Increasing cloudiness today and tonight with chance of rain Friday. High today-upper 50s, low tonight-middle 40s. Winds southerly 10-20 mph, occasionally gusty. Probability of rain tonight — 30 percent and 70 percent probability for Friday. Sunset: 6:42, Sunrise, 7:04.

POLISHING TOUCHES are being applied in final rehearsals today of "Look Homeward, Angel" to be presented as an All-School play Friday and Saturday evenings in Pampa High School directed by Ron Gabriel. Pictured here in a dramatic moment in the play are two of the lead roles, Sallie Charlton as Eliza Gant and Richard Foran as her husband, W. O. (Staff Photo)

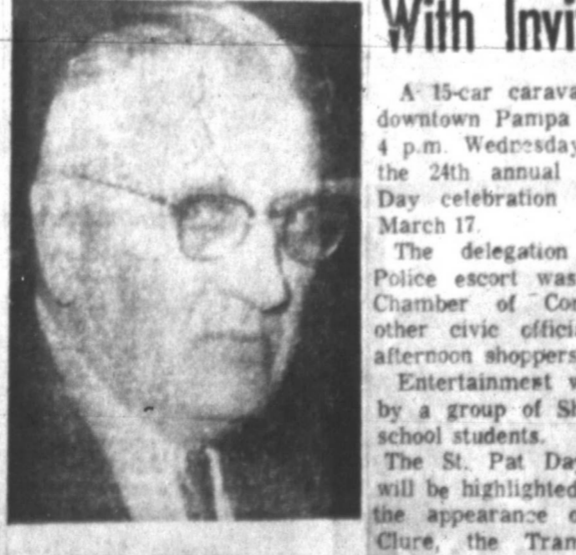

Fourth Candidate Enters School Trustee Election

E. W. (Bud) Hogan, the fourth candidate in the April 5 school trustee election filed for the board at 9 a.m. today, 15 hours before the midnight, March 5 deadline.

A Pampa resident 51 years, Hogan, a native Pampian, is competing against the two incumbents, John Spearman, board president, John Gikas, who has served three, three-year terms, and Bob Wilhelm, a newcomer to the trustee election race.

A resident of 2007 Williston, Hogan and his wife, Ruth, have two children, Carmelita, 27, of Tulsa Okla., and Jeff, 16, a student of Pampa High School. Hogan has lived in Pampa almost all his life, and is a PHS graduate. He filed as a school trustee candidate in the 1968 board election.

He is president of Pampa Optimist Club, member of Pampa Masonic Lodge 966, VFW Post 1637, First Baptist Church and the Chamber of Commerce. He also served as

E. W. (BUD) HOGAN ... fourth candidate

Yarborough Advocates Free Education

SAN ANTONIO (UPI)—U.S. Sen. Ralph Yarborough, D-Tex., who Wednesday called for 14 years free public education for all-Americans, today endorsed "with reservations" the appropriation bill for the Department of Health, Education and Welfare.

"Although this bill does not appropriate enough funds for our vital health and education programs for people, I support it with reservations," Yarborough said.

He said his most serious reservation concerns the cotton amendment in the bill which he called "another bad step down the road of congressional surrender of powers to the executive."

"Every time we give to the president the power to withhold money Congress appropriates, we weaken both our statutory position, our prestige and our constitutional duties," Yarborough said.

Shamrock Gremlins Invade Pampa With Invitation To Celebration

A 15-car caravan stopped in downtown Pampa shortly after 4 p.m. Wednesday to publicize the 24th annual St. Patrick's Day celebration in Shamrock March 17.

The delegation headed by Police escort was greeted by Chamber of Commerce and other civic officials and late afternoon shoppers.

Entertainment was furnished by a group of Shamrock high school students.

The St. Pat Day observance will be highlighted this year by the appearance of Doug McClure, the Trampas of the television serial, "The Virginian."

McClure will head a show at the annual St. Patrick's banquet Monday night, March 16, and will appear along with Hi Bussie and Joannie in the St. Patrick's Day parade on Tuesday, March 17.

This year's observance at Shamrock is titled "Under 7 Flags."

Other features will include the coronation of Miss Irish Rose, an old fiddlers' contest, music by Lou Hurt and the Westerners and an old settlers' reunion.

As usual the Pampa Chamber of Commerce plans to send a delegation to attend the Shamrock observance.

SHURE 'N BEGORRA — Pampa Chamber of Commerce Manager E. O. Wedgeworth, left, gives a welcome handshake to Shamrock chamber president Jerry Berten who headed a motor caravan that stopped in downtown Pampa yesterday afternoon to plug Shamrock's annual St. Patrick's Day celebration March 17.

Mob Taken In For Attack On Negro Bus

LAMAR, S.C. (UPI)—State and local authorities, under the prodding of Gov. Robert E. McNair and White House publicity, today rounded up suspected members of a white mob that attacked school buses carrying Negro students.

Warrants were issued for 20 men on riot charges in Tuesday's violence and by early today 15 have been booked in the Darlington County Jail. One was hauled in still wearing pajamas.

Arraignment was scheduled later today.

The riot charges grew out

Holt Withdraws in State Race

David Holt withdrew his candidacy for the state legislature this morning. Holt said he has an opportunity to become associated with a Pampa law firm of Smith, Ed, Wade and Waters. "My candidacy for the legislature would make that association impossible, and I cannot afford to pass the opportunity," said Holt.

ling Deadline ears For ity Elections

Tomorrow is the deadline for candidacies for the two commission posts to be held in Pampa's April 7 municipal election. The vacancies to be filled are wards 2 and 4.

Only one candidate for each ward has filed so far. Hugh Burdette, current Ward commissioner, will seek reelection.

Arthur J. Rohde, Sr., 912 S. 5th, a retired post office employee, is the lone candidate for ward 2. He filed a candidacy for the vacant ward 4 seat vacated by Commissioner Clyde Carruth who is a candidate for Gray County commissioner.

Absentee balloting in the city election will start March 18 and run through April 1. The terms of Mayor Milo Carlson and Commissioners George B. Cree, Ward 1, and Leo Braswell, Ward 3, do not expire until April, 1971.

Commissioner Candidate Tips County Saving

George W. Thompson, candidate for Commissioner of Precinct 2 in the forthcoming election appeared at the Wednesday commissioners' court meeting to offer a proposal which Thompson claims could save the county \$100,000. Thompson proposed unification of the four separate county construction and maintenance units under one foreman. He said he had recently had conversations with Judge Carroll E. Brown of Randall County and that Brown said that this new system was expected to save his county a great deal of money.

The commissioners told Thompson although they had considered such proposals in the past, they would review the matter in the near future. **MISSILES SENT ALOFT** VANDENBERG AFB, Calif. (UPI)—A secret satellite and a Minuteman I intercontinental ballistic missile were sent aloft Wednesday in separate launches at this aerospace base. An Air Force-industry team launched the satellite atop a Thor-Agena combination rocket at 2:15 p.m. PST. No further details were released. At 7:05 p.m. PST, the Minuteman was launched down the western test range by a combat crew from the 44th Strategic Missile Wing, Ellsworth AFB, S.D.

County

(Continued From Page 1) expenses and would be able to put in a maximum of 20 hours a week.

He is also a part-time grocery clerk according to Gilles. According to a ratio study made in 1969 based on 185 property sales transactions, urban property with a market value of \$2,181,363, was appraised and assessed on a value of \$232,416; (approximately 11 per cent) rural properties were bought and sold for \$738,171 and were appraised and taxed on a value of \$40,000, (approximately 5 1/2 percent).

The new appraiser has only thirteen months to get the job done. Whomever he is.

LBJ'S Spirits Reported To Be 'Good'

SAN ANTONIO, Tex. (UPI)—The first word on the condition of former President Lyndon Baines Johnson from a member of his immediate family came Wednesday when Luci Johnson Nugent painted a rosy picture to other patients at Brooke General Hospital.

The 36th president's seventh-floor suite was overflowing with flowers, so he dispatched his youngest daughter to the burn ward at the hospital. She carried 10 pots of flowers into the ward and distributed them to the patients. She chatted with each one.

"His spirits are very good," she said. "What we hope now is for several weeks of uneventfulness."

Johnson flew to the hospital by helicopter from his LBJ Ranch Monday, suffering chest pains. He entered the hospital on the advice of his heart specialists who examined him at the ranch over the weekend.

Doctors said the former president did not suffer a heart attack.

Tom Johnson, LBJ's executive assistant, said the former president "was aware of chest discomfort" at 1:30 a.m. Wednesday. But doctors have made no mention of "chest pains" in over a day and a half.

Doctors said earlier in the day Johnson had a runny nose and other "symptoms of a common cold." But no mention was made of the cold in the day's final medical bulletin.

"Mother and I are quite proud of him," Luci said. "I think he is anxious to do exactly what his doctors say to do."

Joe Minos, an elderly veteran from San Antonio, took one of the flower pots Luci offered and told her: "You can tell Mr. Johnson that everybody's pulling for him."

Luci distributed the flowers among patients on two different floors of the burn ward. When she got to the section reserved for veterans of Vietnam, she told each one Johnson wanted to give them the flowers because "he wanted to bring some joy to you who have done so much for him."

President Johnson's general physical condition continues to be stable with a lessening of discomfort throughout the day, Tom Johnson said. "All lab studies are normal and his vital signs are good."

Boys Warned About Fires

James F. Killbrew, 1130 Christine, called police Wednesday at 4:30 p.m. and reported two nine-year-old boys who had been observed setting fires in neighborhood trash cans.

Police notified parents of the children who assured officers the misbehavior would cease.

Police were summoned to the Rustic Inn, 200 E. Brown, when a fight broke out at 12:30 a.m. Floyd Strickland, operator of the Inn, had stopped the fight by the time police arrived, but police said they immediately recognized the participants because of the salad dressing all over them.

Strickland filed disorderly conduct charges against David Alden Culbertson, James Michael Culbertson and Helen Morris Berner Culbertson. City firemen reported no fires for Wednesday.

FIRST TO SIGN up for the "Plan For Growth" course being offered by the Pampa Chamber of Commerce is James Wilkerson pictured here with Mrs. Dona Cornutt, who heads the Pampa High School Distributive Education Department, co-sponsors of the course. (Staff Photo)

Chamber To Offer Course For Small Businesses

The Chamber of Commerce is sponsoring a course for all the businessmen in town. The course will be presented in Pampa High School for four nights from Monday, March 16 through Thursday, March 19 from 7:30 until 10 nightly. Registration fee for the course is \$12.50 per participant. "Planning for Growth" will be taught by James J. Kelly, planning specialist with the Distributive Education Department of The University of Texas.

Reservations for the course are now being accepted by the Chamber of Commerce. Write or phone the chamber office for details, (Box 1942, 669-3241).

In ten hours, the course will stress the preparation of a "planning package." Each member of the class will take a hard look at his business with a future viewpoint and will develop a package—one which contains written market, financial, and personnel plans and check-points to show him how well he is accomplishing his objectives.

The largest block of time will be spent on the area most critical to business growth—markets. Writing a plan for market development, the businessman-student will work with a planning checklist and go through a practical planning routine which will help to increase the sales made by his business.

If gross sales income of the business can be improved, most other business problems will be relatively easy to solve. After setting sales objectives and studying the sources of money, the course participant will be in a position to decide how he will finance his planned future expansion at the most economical cost. He'll also look at requirements for future staff personnel.

Prior to joining the University, Kelly was the Assistant Executive Director of the Texas Industrial Commission for four years. There his responsibilities were in economic research and publications. He worked with many industrial firms in Texas — both new firms looking for plant sites and existing firms looking for expansion opportunities.

Before that, he was managing editor of the Texas Business Review, a monthly publication of business conditions in the state published by the Bureau of Business Research at the University of Texas. Kelly also has seven years of promotional experience with a state-wide association of brick and tile manufacturers. He has a degree in psychology from The University of Texas and makes his home in Austin.

US Jets Cross Border To Bomb Guerilla Gun Posts

SAIGON (UPI) — American jets crossed the border into Cambodia to bomb guerrilla gun firing on a South Vietnamese district capital in an incident reported today. The U.S. Command said the Communist troops bombarded Ha Tien, 155 miles west-southwest of Saigon, with 30 rounds of 82 mm mortar fire that injured one civilian Tuesday afternoon. U.S. jet fighter-bombers flew a series of strikes to "suppress" the mortars, military spokesmen said. Ha Tien is on the Cambodian border in the far corner of the Mekong Delta.

"The U.S. Command has previously stated that if fired upon from enemy positions outside the Republic of Vietnam, U.S. forces are authorized to return fire," said a spokesman for Gen. Creighton W. Abrams, the U.S. commander in Vietnam.

Farther up the border, Communist troops attacked an outpost of the 11th Armored Cavalry Division 80 miles north of Saigon before dawn today. Field reports said the Americans drove off the attack in an hour of fighting that cost one GI killed and two wounded.

Two of the attackers died. U.S. B-52s flew four missions Wednesday night and today, striking twice within three miles of the Laotian border about 45 miles south of the Demilitarized Zone (DMZ) and at two points southwest of An Hoa on the northern coast.

A U.S. Army forward observer spotted a group of 46 guerrillas near Quang Nhai City 318 miles north-northeast of Saigon Wednesday night and called in artillery fire that was said to have killed 22 of them. The U.S. Command reported eight overnight shelling of Allied installations but said there were no casualties in barrages against U.S. units in an unusual daylight attack. Guerrilla gunners fired five 107mm rockets into the airbase at Phan Rang Wednesday afternoon. Military spokesmen said damage was light.

NOT JUST LOAFING WHEELING, W.Va. (UPI)—Kenneth Haney couldn't understand why he was arrested for vagrancy. He admitted loafing around the City-County Building but said he saw no harm in it.

Pampa Approved For HUD Grant

Pampa's application for a \$625,000 federal aid grant to supplement bond funds for construction of a \$1,400,000 water treatment plant was approved yesterday by the Panhandle Regional Planning Commission in Amarillo.

City Manager Charles Hill attended the meeting and said a recommendation of the commission's subcommittee on water was adopted unanimously by the PRPC. Notification of the approval will be forwarded to the regional office of the U.S. Department of Housing and Urban Development in Fort Worth. The Pampa application already is on file with the regional HUD office and has been studied by regional representatives who were in Pampa about two weeks ago. From Fort Worth the application will go to Washington for the final HUD okay.

When the national office gives the green light city officials stated work can start on the local plant to treat water from Lake Meredith and on mains to tie it in with Pampa's current water distribution system. The water already is piped to Pampa's west city limits as part of the Canadian River Municipal Water Authority's program of delivering water to participating cities through the Texas Panhandle and South Plains.

Obituaries

MRS. FLORENCE DAVIS Funeral services for Mrs. Florence Montgomery Davis, 75, will be held at 10 a.m. Friday in Carmichael-Whistey Colonial Chapel with Elder Herbert Low, pastor of Seventh Day Adventist Church, Kearney, Neb., officiating. Burial will be in Groom Cemetery beside the grave of her husband, Roe Davis, who died in 1959.

Mrs. Davis died Tuesday in Highland General Hospital.

MRS. W. B. RADCLIFF Funeral services for Mrs. W. B. Radcliff, 85, were held at 2 p.m. today in Owen Funeral Home Chapel at Sapulpa, Okla., with burial in Sapulpa Cemetery. Mrs. Radcliff died Tuesday in Sapulpa.

Survivors are five sons, Glenn and Elmer, both of Pampa; Fred, Amarillo; Raymond, Dade City, Fla.; and Ben, Sapulpa, Okla.; nine grandchildren, and 15 great-grandchildren.

VINSON COCHRAN CANADIAN (Staff) — Funeral services for Vinson Cochran, 76, were held today in Central Baptist Church with burial in Canadian Cemetery directed by Stickleby Funeral Home.

Mr. Cochran died Tuesday at his farm home 14 miles southwest of Canadian. He was born in Georgia and moved to Hemphill County about 35 years ago.

Survivors are two brothers, Arthur, Pampa, and Rufus, Fairmont, Ga.; a niece, Mrs. Pauline Rivers, Canadian, and several other nieces and nephews.

REV. ROBERT GIROUARD Funeral services for the Rev. Robert Clinton Girouard, 2206 Chestnut, are pending with Duenkel Funeral Home Chapel.

Rev. Girouard was dead on arrival at Highland General Hospital at 11:45 a.m. Wednesday after suffering a heart attack.

He was born Nov. 3, 1896, at Raywood and moved here from Baxter Springs, Kans. He was pastor of the Apostolic Faith Church from 1964 to 1966, when he entered the evangelistic field.

Survivors are his widow, Joe, of the home; two daughters, Mrs. Donna Joe Berry, Pampa, Mrs. Patricia Angelyn Boren, Albuquerque, N.M.; one son, Robert Wayne, Anglesscamp, Calif.; six grandchildren; three sisters, Mrs. Nettie Duvall, Amarillo, Mrs. Edna Graves, Hardesty, Okla.; and Mrs. Beulah Johnson, Hammond, Ind.

MRS. SILAR FAULKNER Funeral services for Mrs. Silar Faulkner, 86, will be held at 10 a.m. Saturday at Duenkel Funeral Home Chapel with the Rev. H. DeWitt Seago, officiating. Burial will be in Fairview Cemetery.

Mrs. Faulkner, a Gray County pioneer died Wednesday at Highland General Hospital. She was born April 5, 1884.

Mainly About People

The News invites readers to phone in or mail items about the comings and goings of themselves or friends for inclusion in this column. A indicates paid advertising.

Las Pampas Chapter, Daughters of the American Revolution, will meet at noon Saturday in Furr's Cafeteria. Mrs. Eugene Franklin, whose father was a full-blooded Seminole Indian, will speak on Indian customs.

The Swinging Squares square dance club will have their regular Friday night meeting at the Knights of Pythias hall at Alcock and Nelson. Thursday night lessons will be at the recreational hall east of town as scheduled.

Pampa High School Rodeo Club has scheduled several Spring activities, including attending the Shamrock St. Patrick's Day Parade March 17, appearing a television show March 30, to be shown April 5; and participating in the Spring Rodeo April 10-11. Mrs. Billy Joe McFall is chairman of the rodeo concession stand with members' mothers assisting. Five new club members are Caroline Conway, Shiela McCarroll, Glenda Holloway, Steve Anderson and Billy Coutts. Miss Holloway was elected Student Council representative.

SAIGON—A U.S. military spokesman, explaining why American warplanes crossed the Cambodia border to bomb guns firing into Vietnam.

"If fired upon from enemy positions outside the Republic of (South) Vietnam, U.S. forces are authorized to return fire. This is an inherent right of self-defense."

Tim O'Leary Faces 10 Years For Smuggling Marijuana

HOUSTON (UPI) — Judge Ben Connally wasted little time. Seconds after the court convened Monday, he sentenced Dr. Timothy Leary to 10 years in prison for smuggling three ounces of marijuana into the United States.

Leary clutched his corn-cob pipe and smiled. He turned to his wife Rosemary, dressed in a brown miniskirt and matching knee boots, and kissed her for 10 seconds.

"Love cannot be a prisoner," Leary shouted. And two burly U. S. marshals, one dressed in black the other in white, hustled the 50-year-old silver haired Harvard lecturer out of the courtroom to an awaiting airplane.

"He poses a threat to the community," Judge Connally said. "His conduct has been such that he openly advocates violation of the law. He poses a danger to other persons."

As he was forced into the limousine which would take him to the airport, Leary dropped his pipe and a paper sack. Once inside the car, he tried to give the peace symbol to his

horde of followers who watched him leave. But the handcuffs prevented him from getting his hands to window level.

Mrs. Leary read a statement, prepared by her husband, to the crowd.

"These are the times which test the depth of our faith and patience," she read. "But love is free."

"Judge Connally is right. My husband is a menace to society. We are a menace to the community which makes a mockery of the constitution. If he were a thief, he would be out on bail."

Leary's attorney Mitchell Standard of New York City said the 10-year sentence and denial of bond came "as a shock, although I see it happening all around the country... a stifling of free speech."

"I don't think the young people of society are going to tol-

erate this much longer," Standard said. "It is alien to our system, alien to our Anglo-American beliefs. This country is in a state where one of the difficulties is the penalties are more horrible than the crime."

Leary was convicted of smuggling three ounces of marijuana concealed in a snuffbox hidden in his 18-year-old daughter's underwear.

U. S. Attorney Anthony Ferris ordered Leary flown back to California where he, his wife and 20-year-old son were convicted Feb. 19 in Santa Ana of possession of marijuana and LSD. Leary will be sentenced in California March 11.

"UNDER REVIEW"
 WASHINGTON (UPI) — Israel's request for more U.S. aircraft is "still under review," according to the State Department.

Department spokesman Robert J. McCloskey made the statement to newsmen Tuesday after they noted the 30-day period within which President Nixon had said he would make a decision on when the request had elapsed.

RACIAL COVENANTS

WASHINGTON (UPI) — Rep. H.R. Gross, R-Iowa, said Tuesday former Vice President Hubert H. Humphrey and Sen. George S. McGovern, D-S.D., had purchased properties in 1948 and 1957 respectively with racial covenants prohibiting their sale to blacks.

In a House speech, Gross noted both Humphrey and McGovern have criticized the Supreme Court nomination of G. Harrold Carswell because Carswell had signed property purchases with similar covenants.

NEW WAY TO BE SUDDENLY SLIM

Are you a woman whose figure is on the good side but might look perfect? You'll be thrilled by the new easy way science has discovered for you to become Suddenly Slim and yet completely comfortable. If you're more than 15 pounds overweight, or your waistline is larger than 32 inches, then this idea is not for you. If your weight problem falls within this range, then you can realize a new, smoother figure today, without diet or exercise.

Suddenly Slim is an all-new kind of 4-oz. girde constructed of science fibers. One startling innovation is the sheer nylon front panel. This is permanently stiffened by a science process and cannot give or sag. It's surrounded by a slimming action border. A feather-stitched panel down each side of this girde will contour your hips if they are a problem.

The girde itself is of a "wonder" Lycra spandex blend. It's a new power net consisting of nylon, acetate and spandex. It is so comfortable, but has such slimming strength, it gives your figure everything that's possible with a foundation.

"Suddenly Slim," in both girde and panty versions, is the peak achievement of the California designer-genius, Olga. They are available at

Your Horoscope

JEANE DIXON

FRIDAY, MARCH 6
YOUR BIRTHDAY FRIDAY: A mentally stimulating year opens in which your challenge is to sort out your own values, decide what you want to do in the future, while finding new and better means of earning your way.

ARIES (March 21-Apr. 19): — Morning confusion must be waited out. After breakfast or early lunch, take the initiative and work out the sort of day you'd like. Tidy up projects so you can relax over the weekend.

TAURUS (Apr. 20-May 20): — Stay away from garrulous types Friday. Your own serenity should set an example for less secure associates through current pressures and rumors.

GEMINI (May 21-June 20): — Attend to regular routines and get all the loose ends cleared off. You have a great weekend coming up according to your own approach to people.

CANCER (June 21-July 22): — A routine check through your papers, insurance, licenses, and the like may show you a chance to improve matters quite a bit. Consultation with experts and technicians also produce usable advice.

LEO (July 23-Aug. 22): — Show confidence in your associates. Friendly words open many doors. An early tangle presents a bit of difficulty, then the day goes without serious event.

VIRGO (Aug. 23-Sept. 22): — Favorable news comes in from all around during the day.

LIBRA (Sept. 23-Oct. 22): — Friday you need to have your homework done and your information all in order well ahead of time. Papers, files, budgets, etc., must be up to

date. Prefer simple arrangements both at work and at home.

SCORPIO (Oct. 23-Nov. 21): — You hear half a story in the morning and do not realize there is much more to it until later in the day. Money matters are best left alone for the time being, despite suggestions for changes.

SAGITTARIUS (Nov. 22-Dec. 21): — Friends and brethren can be extremely helpful. Balance out your day; stick exclusively to the job during work hours, then shut up shop and go on to a party and lively social contacts.

CAPRICORN (Dec. 22-Jan. 19): — Let intuition be your guide despite apparent facts to the contrary. When the whole story is in and contradictions all explored, it will be found that your first impression was correct, essentially. Meddlers need not succeed in creating confusion.

AQUARIUS (Jan. 20-Feb. 18): — If you will postpone making promises Friday, a reasonable amount of effort will bring you out well ahead.

PISCES (Feb. 19-Mar. 20): — Wait for the entire picture before you decide on anything important. Complete routine work and projects already started. Pressure on career matters defeats its own purposes at the moment.

Says one designer, "Vinyls may make possible the thermoelectric coat, giving the wearer environmental control in a light-weight garment. Perhaps the heating cooling wires could be coated with polymers and then embedded in clear vinyl. Same principle as the heated windshields."

As to apparel, the word is "free". More than ever before, fashion will be fun, more natural.

Dear Abby

By Abigail Van Buren

DEAR ABBY: I am 51 years old but nobody believes it. Everyone says I could pass for 30. I guess I'm one of the lucky ones because I don't exercise or do anything special to keep in shape, and I still have the figure of a high school girl. Also I don't touch up my hair and it's flaming red without any grey.

Last winter my husband and I were at a resort hotel, and a perfect stranger came up and asked if he could take my picture. I posed for him in my bikini, and his hand shook so bad he could hardly hold the camera. (I'm not telling you this to brag on myself, I just want you to know I am no slouch.)

My problem is my husband. He likes to get drunk every evening, he's likely an alcoholic or a likely candidate. And the only "help" I can suggest for him is Alcoholics Anonymous. But he has to want to help himself.

DEAR ABBY: We have a problem which I am sure has caused friction in many other families.

When my mother passed away recently, there were four potted plants sent by friends, as well as a lot of cut flowers. One of the sisters-in-law claimed three plants because they were sent by friends of hers.

There are four of us children, so that would have given each family a pretty plant to take home.

I think that the distribution of those plants should have been made by our father, and he wanted each of us to have one.

This may seem like such a petty thing to complain about, but it has upset me so much I just had to get your opinion.

ONE DAUGHTER: DEAR ABBY: All plants were indeed the property of your father. And if he wanted each of your children to have a plant, that's the way they should have been distributed.

no matter whose friends sent them.

Hostesses Fete Mrs. J. Stephens

Mrs. Jerry Stephens was honored recently with a Pink and Blue Baby Shower in the home of Mrs. Jerry Guyton, 225 N. Zimmer St. Pampa. Hostesses were Mmes. Jerry Guyton, Roy Don Stephens and Charley Coleman.

The honoree received a corsage fashioned from pastel colored baby socks with white lace tops. Mrs. Ebbie Gray of Wellington assisted her sister in recording gifts in the guest book.

The serving table was covered with a white lace cloth over pink and centered with blue paper umbrella and baby.

Mrs. Charley Coleman presided at the serving table for guests Mmes. Tony Stephens, B. Tarver, Bobbie Gray, Ronnie Loter, Lonnie Loter, Lee Meadows, Bud Watson, Jeanne Sutton, Judy Hall, and Bill Almings.

Jaycee-Ettes Sponsor Heart Fund Drive

Pampa Jaycee-Ettes, meeting recently in Southwestern Public Service Reddy Room, with 12 members and five guests attending, heard committee reports and a progress report on the annual Heart Fund Drive.

Guests attending were Mmes. Gary Carter, Don Swanson, Roger Green, Bronnie Vaughn, and Denny Strawn. Hostesses were Mrs. Gene Hinds and Mrs. Buz Shelton. Mrs. Stan Young was named as a new member.

Club members reporting were Mrs. Morris Wilson, on the DSA banquet; Mrs. Bob Green, Jaycee-Ette cookbook; and Mrs. Buz Shelton, Jaycee voter registration.

Mrs. Nathan Lancaster reported six girls attended the "Sit-Hen" meeting at Perryton; Several Jaycee-Ettes also plan to attend the district convention in San Angelo.

Members will sponsor their traveling dinner March 16, with

an orientation at the Pioneer Natural Gas Flame Room. An awards banquet is planned for March 21 at Furr's Cafeteria.

Mrs. Don Williamson reported \$1,000 has been collected in the Heart Fund Drive, and extended the club's appreciation to the Desk and Derrick, Phi Epsilon Beta, Key Club and others who had volunteered time to help conduct the drive.

Other members attending the meeting were Mmes. John Warner, Dwight Turner, Dwayne Nokes, Joe Sutton and Dick Klein.

Italian roast leg of lamb.

Welcome Appetites With Roast Lamb

A roast leg of lamb is a welcome item to most good eaters. But give it a slightly different accent — Italian in this case — and it becomes a delightful treat.

Many young cooks today are discovering how good lamb is when cooked to the medium-done stage, or to 175 degrees on the meat thermometer. At this temperature, the lamb is juicier and just slightly pink.

Cook in an open roasting pan without any water. A roasting pan makes clean-up easy and one fitted with a V-shape rack allows full circulation of heat and therefore creates a better climate for roasting.

Chiffon Pies Add Springtime Touch

Soon springtime will be here. Why not look ahead and serve the family a dessert with the touch of Spring just for the novelty of it?

ITALIAN ROAST LEG OF LAMB
6- to 8-pound leg of lamb
Salt and pepper
Grated rind of lemon
1 egg
1 whole garlic clove
1/2 teaspoon dried rosemary
1 tablespoon melted butter
1/4 cup olive oil
1 cup dry white wine (or water or lemon juice)

Wipe lamb with a damp paper towel. Rub surface with salt and pepper and grated lemon rind. Cut the garlic clove into six thin lengthwise slivers. Make six scattered small horizontal slits in the leg of lamb and insert into each slit a slice of garlic and two or three dried rosemary leaves.

Place the meat fat side up on a rack in a shallow roasting pan with a V-shaped rack. Insert a meat thermometer into the thickest part of the lamb, being careful not to let the bulb rest on bone. Place lamb in a 325-degree oven and roast 3 to 4 hours or until the meat thermometer registers 175 degrees for medium-done or 180 degrees for well-done. Mix together melted butter, olive oil and white wine (or water) and brush lamb frequently with the mixture during roasting.

When lamb is cooked, place it on a hot platter and remove rack from pan. Pour off fat in pan. Add the left-over wine-olive oil mixture to pan and heat, stirring in the browned particles in the roasting pan. Season with salt and pepper and serve with lamb without thickening.

TROPICAL CHIFFON PIE
1 envelope unflavored gelatin
1/4 cup cold water
3 eggs, separated
1 cup mashed bananas (fully ripe)
1 tablespoon fresh lemon juice
1/4 teaspoon grated lemon rind
1/3 cup sugar
1/4 teaspoon salt
1/2 cup heavy cream
1/3 cup finely grated coconut
9-inch baked pie shell

Soften gelatin in cold water. Slightly beat egg yolks in top of double boiler; stir in bananas, lemon juice and rind, sugar and salt. Cook over boiling water, stirring constantly, until slightly thickened. Remove from heat. Stir softened gelatin into banana mixture until dissolved. Chill until mixture is slightly thickened. Beat egg whites until stiff but not dry.

All-In-One-Stew Takes Away Chill

The winds of March stir up thoughts of great stews in big pots. But let's settle for a modern, all-in-one stew that has a lively topping made of corn meal flecked with green pepper. It will take the chill from your bones.

ALL-IN-ONE STEW

1-3 cup all-purpose flour
1/2 teaspoon salt
1/4 teaspoon pepper
1 1/2 lbs. beef stew meat
2 tablespoons bacon drippings
1 1/2 cups boiling water
1 8-oz. can tomato sauce
1 bay leaf
1/2 teaspoon seasoned salt
4 carrots, 1-inch pieces
4 stalks celery, 1-inch pieces
2 onions, quartered

Topping:
1 cup corn meal
1/2 cup sifted all-purpose flour
2 teaspoons baking powder
1 teaspoon salt
1 cup milk
2 tablespoons liquid shortening
1-3 cup green pepper...

Heat oven to 350 degrees. For stew, combine flour, salt and pepper. Dredge meat in flour mixture. Brown in hot drippings in skillet. Transfer meat to 2 1/2-quart casserole. Add water, tomato sauce, bay leaf and seasoned salt. Bake covered in 350-degree oven 45 minutes. Remove bay leaf. Add carrots, celery and onions. Bake covered in 350-degree oven 25 minutes.

For topping, sift together corn meal, flour, baking powder, salt and sugar. Add egg, milk and shortening. Beat until smooth. Stir in green pepper.

Increase oven temperature to 400 degrees. Remove casserole from oven. Pour topping over hot stew. Bake uncovered in 400-degree oven until golden brown.

Canned Pears In Flaming Dessert

A fruit flambe is an impressive way to end a special dinner. Try this refreshing version using canned pears and orange slices. Requiring no preparation ahead, the dessert is made right at the table in a chafing dish.

Golden Pear Flambe also can be prepared in an electric skillet or brought to the table already heated. For perfect flaming results, the fruit should be very hot before adding the warm brandy. Served plain or over ice cream, flaming canned pears show off their delicate flavor and juiciness.

Golden Pear Flambe
1 (1 lb. 13 oz.) can pear halves
2 tablespoons butter
1/4 cup brown sugar
1 large orange, sliced thin
3 tablespoons orange-flavored liqueur or orange juice
1/4 cup brandy

Drain pear halves, reserving 1/4 cup syrup. Melt butter in chafing dish or skillet. Stir in brown sugar and 1/4 cup pear syrup. Add pear halves and orange slices. Cook until heated, about 5 minutes. Add orange liqueur or juice. Pour in warmed brandy. Flame. Spoon into 4 glasses or over 1/2 cup cream. Makes 4 to 6 servings.

Television In Review

By RICK DU BROW

HOLLYWOOD (UPI)—Notes to watch television by:

Coming Attractions: "The Opening of Japan's Expo 70," an hour prime-time look at the first day of the world's fair in Osaka, will be broadcast on CBS-TV via satellite March 13. . . Bill Cosby's third annual comedy special, a one-hour outing which again will be virtually a one-man show, is set for NBC-TV April 1. . . CBS-TV's Feb. 22 airing of the movie hit "Born Free," about a Kenya game warden and his wife who reared a young lioness, was such a ratings smash that the network will present a documentary sequel March 31, called "The Lions are Free," first seen on NBC-TV Nov. 23, 1968. . . Ted Yates was a superb producer-director-reporter-narrator for NBC-TV, and was only in his 30s when fatally wounded while covering developments in embattled Jerusalem in 1967. . . His programs had a distinctive, personal, gaddy approach that exploded the pompous. . . now, on March 13, Yates' three young sons and their mother are the subject of an hour NBC-TV documentary about an East African safari they took. . .

Title: "Three Boys on Safari." Television coverage of the scheduled 10-day Apollo 13 moon mission, set for an April 11 launching, is expected to include two moonwalks and more than 10 hours of live, color video pictures direct from the lunar surface. . . The moonwalks are scheduled to be seen April 15, 16 and 17, with the dates varying because of time differences throughout the nation. . . Sample of network plans for reporting Saturday's historic solar eclipse: "CBS news will cover the eclipse. . . from an airplane flying over 40,000 feet above the Southeastern United States. . . NBC-TV's eclipse coverage starts at noon EST, with ABC-TV and CBS-TV beginning at 1 p.m. EST. . . NBC-TV's broadcasts of the NCAA basketball championships, which determine the season's college kingpin, begin Saturday at 2 p.m. EST with a doubleheader—Notre Dame vs Ohio University and Jacksonville vs Western Kentucky. . . Lee J. Cobb has been confirmed by ABC-TV as the star of next season's new one-hour series, "The Young Lawyers."

Foreign News Commentary

By PHIL NEWSOM

UPI Foreign News Analyst

On July 25, 1964, the then 20 members of the Organization of American States (OAS) signed a resolution in Washington binding them to impose economic sanctions on Communist Cuba and to break all diplomatic relations with her. Four of these nations signed reluctantly. They were Bolivia, Chile, Uruguay and Mexico. Mexico promptly forgot all about it, regarding the action as interference with Cuba's internal affairs. Of the others, Chile has now become the first to break it. Under an agreement signed Feb. 20, Chile will sell to Cuba \$11 million in agricultural products in 1970 and 1971. There are indications it may become a trend. Ecuador, Bolivia and Peru have suggested they might be willing to take similar steps. The nationalistic, anti-U.S. regime of Peru has been praised by Cuban Prime Minister Fidel Castro as "without any doubt revolutionary." A like description can be applied to Bolivia. Both are attempting to establish ties with Communist East Europe. A further indication of feelings south of the border came last month in a speech by Trinidad and Tobago Prime Minister Eric Williams before the Inter-American Economic and Social Council session in Caracas, Venezuela. In a reference to a resumption of economic relations with Cuba he declared that as American states enter the 1970's: "We should have learned the lesson that economic boycott is not the most realistic nor indeed the most productive attitude to be adopted with a country whose economic and social system we do not share." Something of the same view is being expressed in Venezuela. As vice president of the United States in 1960, Richard M. Nixon declared that the United States must "quarantine the Castro regime in the Americas."

The Lighter Side

By DICK WEST
WASHINGTON (UPI) — After writing the other day about the profusion of new political labels in America, I got to wondering where our statesmen acquire the epithets that they apply to various groups.
So I sent my fingers tippy-toeing through the yellow pages and pretty soon they stumbled upon an entry which read:
The Tiffany Epithet Co.
Fine Political Label. Since 1805
Stanley Y. Clept, Prop.
Largest Supplier of Label
"We are indeed the nation's largest supplier of political label," Clept confirmed when I called at his place of business. "While our client list is confidential, I can assure you that it includes many of the most important figures in Washington. Here, let me show you around."
He directed me to a stately, paneled chamber lined with glass cases.
"This is our showroom," he said. "As you can see, we have on exhibit a number of the more interesting labels that have been fabricated in our plant over the years."
In the cases were displayed such labels as "locofocos," "bucktails," "barnburners," "hunkers," "know-nothings," "greenbackers" and "mugwumps."

"We here at Tiffany Epithet like to think that our labeling machines have played an indispensable role in American political history," Clept said.
I said, "What have been your most popular labels?"
"Our all-time best sellers were the 'hawk' and 'dove' labels that were first ordered during the Kennedy administration. They were in big demand all during the Johnson administration."
Orders for "Kook" Labels
"Pseudo-intellectual" labels sold well in 1968 and this year we have had a few calls for 'effete snob' labels have come in."
The next room I inspected was cluttered with yardsticks, pulse-taking instruments and other measuring devices. The floor was littered with snippets of old Gallup Polls.
"This is our fitting room," Clept explained. "Since all of our labels are custom-made, fitting is a vital part of the process."
"What is the biggest job you ever handled?" I asked.
"We recently made a label for the great majority that silently supports Nixon's Vietnam policy," he replied.
I said, "What materials do you use in political labels?"
"We make most of them out of whole cloth."

BERRY'S WORLD

"Who was Spira scheduled to go after today?"

Hollywood In Review

By VERNON SCOTT
UPI Hollywood Correspondent
HOLLYWOOD (UPI) — Homosexuality, largely avoided as a serious subject for movies, will come lipslapping and limpwristed to the screen in "The Boys in the Band."
Unlike the farcical Richard Burton-Rex Harrison disaster, "The Staircase," this new film crackles with the black humor and tragedy of men caught up in a web of guilt, shame and defiance.
Like sporadic gunfire, the dialogue is peppered with four-letter Anglo-Saxonisms never heard in a major motion picture.
Curiously, despite the subject matter and the language, "The Boys in the Band" was given an "R" rating—restricted to adults—rather than the expected "X."

film. It draws a response from the audience and involves them. We also hope it will be profitable.
The film version will include the original Broadway cast. "The Boys in the Band" was staged principally in large cities—New York, Los Angeles, San Francisco, Detroit and London—for sophisticated audiences.
Stulberg thinks it will be a successful movie in smaller cities.
The Motion Picture Association of America saw the film twice for rating purposes. They didn't like the repetition of one of the four-letter words.
"But they agreed the picture is a profound and moving story and told us it should have an R rating."

The Almanac

By United Press International
Today is Thursday, March 8, the 64th day of 1979 with 301 to follow.
The moon is approaching its new phase.
The morning stars are Mercury and Jupiter.
The evening stars are Venus, Mars and Saturn.
On this day in history:
In 1770 British troops killed five civilians in the Boston Massacre.
In 1953 the Soviet Union announced Premier Josef Stalin had died at the age of 73 from what was described as a cerebral hemorrhage.
In 1966 a British airliner crashed into Japan's Mt. Fuji, killing 124 persons.
In 1968 an Air France jetliner hit a mountaintop in Gaudebuipe, killing 82 persons.
A thought for the day: Josef Stalin said, "In the U.S.S.R. work is the duty of every able-bodied citizen, according to the principle: he who does not work, neither shall he eat."

Three Ex-Harvesters To Play For LCC In Amarillo Tournament

Three members of the 1968-69 Pampa Harvester Basketball team will be playing in the Top Of Texas Western Junior College Athletic Conference regional tournament in Amarillo this afternoon.

Johnny Epperson, Jim Hollis and Edward Moultrie will all be playing for the Lubbock Christian College Chaparrals (LCC) in the first game of the three-day tournament. Game time is 2 p.m.

All three boys started on last year's Harvester team and went to LCC on scholarships. Epperson is the playmaker for the Chaparrals and plays guard. Hollis is the team's leading scorer with an average of 19.7 points per game and was chosen as a member of the district V all conference first team and Moultrie is on the first team, but is not a starter.

The Chaparrals will meet Odessa in the first game of the tournament after defeating them 55-57 Wednesday night. In Wednesday's game the Chaparrals were behind 54-57 with 14 seconds to go when Epperson was fouled while making a shot. The foul cost Odessa three points and the game.

LCC coach Larry Hayes, who played for Eastern New Mexico University and is only 25 years old, hopes this victory will give his team the edge in the game with Odessa this afternoon.

The winner of the tournament will travel to Hutchinson, Kan., for the National Championship tournament.

The teams competing in the tournament along with LCC and Odessa are the Christian College of the Southwest of Dallas (CCS), Amarillo College,

Cisco Junior College, South Plains Junior College, Howard County Junior College and McClendon Junior College.

The winners of the first round will play again Friday night and if they win again they will play Saturday night for the championship.

The losers of the first round are out of the tournament and the losers of the second round will play in a consolation game. The heavy favorite for the tournament goes to Christian College of the Southwest. Odessa is seated third and LCC is seated sixth.

The Chaparrals have a season record of 26 wins and 11 losses while Odessa has a 19-6 record. CCS has a 26-4 record and Howard County finished with a 20-7 record.

All the games will be played in the Amarillo Civic Center Coliseum with tickets available at the center's ticket office. In tonight's action Howard

meets Odessa and Cisco will play South Plains.

Friday night the winner of the Howard County and McClendon will play the winner of the Amarillo and CCS game at 9 p.m. At 7 p.m. the winner of the LCC and Odessa game will play the winner of the Cisco and South Plains game.

Saturday night the two Friday night winners will play at 9 p.m. for the championship and Friday night's two losers will play at 7 p.m. in the consolation game.

The Pampa Daily News
PAMPA, TEXAS 62nd Year
Thursday, March 2, 1970
PAMPA DAILY NEWS

Harvester Golfers Travel To Vernon

The Pampa High School Golf team will travel to Vernon Friday for its second tournament of the season.

Since the list of teams competing in the tourney has not been announced, Coach Deck Woldt and his team do not know who they will play other than Vernon.

This will be the last tournament competition for the Harvester team before district play begins March 13 at Lubbock.

The Vernon Tourney will be a two-day affair with each team playing 36 holes.

Last week, the Harvester team placed tenth among 38 teams at the Andrew tournament. The team came in with a score of 316-301 for a 611 total. There are five members of

each team but only the four low players scores are counted for the team score.

The Harvesters have now played 13 and a half rounds, each round is 19 holes. Their total and average score is: Greg White 1068-79.1, Jackie Gendort 1079-79.9, Sherwin Cox, 1082-80.1, Joe Foster, 1110-82.2, and Leslie Harris, 1115-82.4.

White's 79.9 is only about 7.9 above the average of the courses the teams have played. They have been practicing on both 70 and 72-par courses.

Trophies will be given for the first and second place teams and for the first and second place medalist, or individual low scorer. A shotgun start will open play at 1 p.m. Friday and 7:30 a.m. Saturday.

Pampa Baseball Team Opens Season At San Angelo Tourney

The Pampa High School Baseball team will open its 1970 season at the San Angelo Baseball Tournament this weekend.

The tournament will be double elimination with each team playing once Friday and twice on Saturday. The winners of Friday's games will go into one bracket and play for the championship Saturday afternoon. The losers of the first game will go into a second bracket and play for the consolation title also Saturday afternoon.

The teams entered in the tourney along with Pampa and San Angelo Central are Temple, Andrews, Snyder, Lamesa, Killeen and Odessa Permian.

Pampa will play Central first at 6 p.m. Friday and the Saturday times and opponents will depend on who wins and who loses.

Head baseball coach Buddy Williams has 28 boys on the varsity team this year.

Many of the players will play several positions, but the following is a listing of the season's lineup:

home games will be played at Optimist Park.

Coach Williams' tentative starters will be Earp at catcher, Jenkins at first, Johnston at second, Holman at short stop, Hawkins at third, and Schultz, Scott, and Lindsey in the outfield.

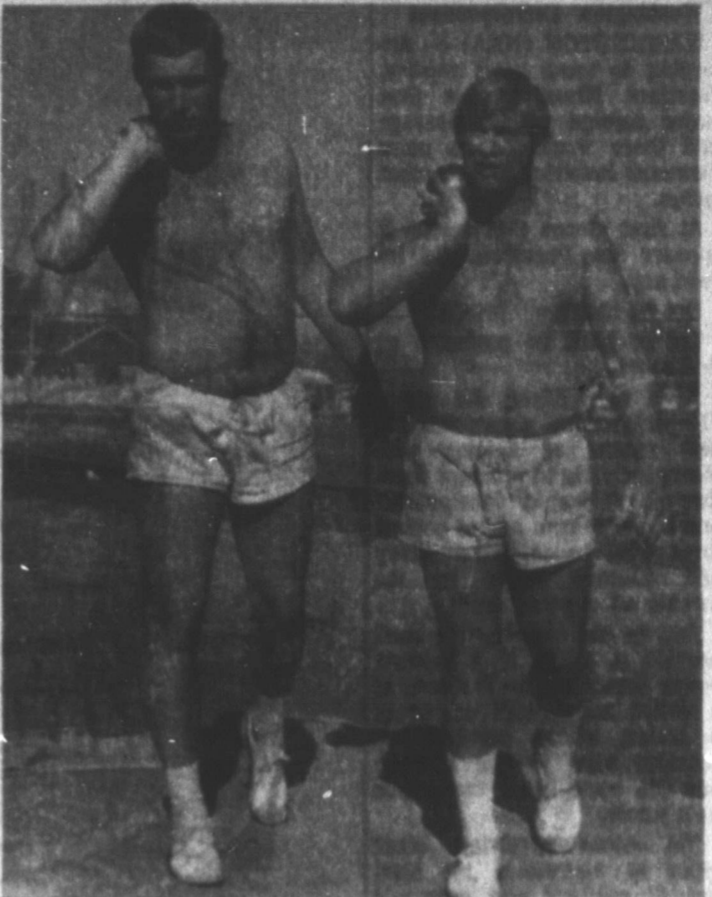

Harris, Thompson and Heasley are the probable pitchers for the three games, however Williams made it clear all positions are still open and any of these are subject to change.

Lennie Ward, Steve Scott, Dennis Taylor, Jerry Lindsey and Al Ferguson.

PITCHERS—Cliff Gage, Sammy Heasley, Keith Russell, Ricky Harris, Jeff Hogan, and Doug Thompson.

Texas high school baseball games have a 10-run rule and an 1:45-minute rule to limit the length of the seven innings games.

The baseball team will play a 26-game schedule with the first home game set for March 20 against Anadarko, Okla. All

PAMPA'S TWO TOP shotput and discus throwers, Lewis Davis, left, and Scotty King are shown getting ready for a meet with Sunray. Davis set two records last week at Garland in the shotput and discus. They will be two of the top hopes for first place points in this week's meet. (Staff Photo)

Seaver Still Sharp After Banquet Tour

By United Press International

Two innings don't make a successful season but they did establish Wednesday two points the world champion New York Mets wanted to know about 25-game winner Tom Seaver.

1. Seaver seems to have lost none of his competitive sharpness on the winter banquet circuit.

2. He is very close to being in shape for the new season's opener.

The National League's Cy Young Award winner in 1969, Seaver pitched two hitless innings Wednesday when the Yogi Berras beat the Joe Pignatano, 3-2, in an extra-inning game. Seaver gave up one walk, erased in a double play, and left the mound bubbling with enthusiasm.

"I felt good and was getting the ball where I wanted to," he said. "I'm in good physical and mental shape because I attended only five banquets during the winter. Everything looks good for another good year."

On other fronts: Hank Aaron hit two run-producing singles as the Atlanta Braves' regulars beat the reserves, 3-0.

Steve Garvey drove in two runs with three hits and Bob Valentine went 2-for-4 as the Roy Hallfields downed the Danny Ozarks, 9-1, in the Los Angeles Dodgers' intrasquad game. Tom Haller's signing for an estimated \$50,000 left Jeff Torborg only unsigned Dodger.

Don Lock hit two homers and

George Thomas and Russ Gibson one each in the Boston Red Sox' intra-squad game.

Ed Kirkpatrick and Dennis Paepke drove in two runs each to lead the Dunlops to a 5-2 victory over the Schultzes in the Kansas City Royals' intrasquad game.

The New York Yankees arrived at full roster strength when they signed infielders Jerry Kenney and Ron Hansen.

First baseman Boog Powell and 20-game winner Dave McNally remained the Baltimore Orioles' holdouts.

Rookie pitcher Dick Such and veteran catcher John Roseboro will form the starting battery for the Washington Senators in their exhibition opener.

Manager Leo Durocher of the Chicago Cubs said that he will not alter the top four spots in his batting order regardless of newcomers. Nos. 1-4 will be Don Kessinger, Glenn Beckert, Billy Williams and Ron Santo.

Don Bosch, a 179 hitter in 1969, signed with the Montreal Expos.

Holdout Tommie Helms went home to Charlotte, N.C. Wednesday after failing to reach a salary agreement with Sheldon Bender, the Cincinnati Reds' director of player personnel.

Mike Shannon singled in the game's only run in the fourth inning of the St. Louis Cardinals' intra-squad game.

Dennis Saunders, a 21-year-old rookie right-hander, starred on the mound in the Detroit Tigers' workout. Manager Mayo Smith, it may be recalled, is on the lookout for a replacement for 24-game winner Denny McLain.

Flood Will Continue Court Test

NEW YORK (UPI)—Curt Flood has lost his initial skirmish with organized baseball but will continue to fight the reserve clause in the courts.

Declaring that he was out of baseball for 1970 after U.S. District Court Judge Irving Ben Cooper denied a request that the \$90,000 outfielder be declared a free agent, Flood added:

"The basic issue of the legality of the reserve clause remains to be decided and I shall continue my test of the reserve clause in the courts."

Flood asked the court on Feb. 3 to be declared a free agent after the St. Louis Cardinals traded him to the Philadelphia Phillies. In his petition, Flood said that the reserve clause which binds him to play for the club which owns his contract or reassigns it makes him a "slave."

Flood, attorney Arthur Goldberg, Marvin Miller of the Major League Players Association, Commissioner Bowie Kuhn and other baseball executives reacted cautiously to the decision.

Goldberg, the former Supreme Court justice, issued no statement but Miller, the executive director of the Players Association, said he was not surprised. The Players Association has retained Goldberg, who has said the group speaks for him on the Flood case.

Kuhn said he plans to study the judge's 55-page ruling thoroughly with his attorneys and will comment on it then.

"Since I have been named as a defendant in the case, I can say that I am not displeased with the fact that Judge Cooper has denied the motion," said Kuhn.

Judge Cooper's ruling stressed the far-reaching effects of a decision at this time rather than the precise legal aspects of the suit.

"If we prohibited baseball from imposing its reserve clause by allowing an injunction against its use, as Flood requested, it would work the type of unfair surprise and carry the same sort of sudden effects that the U.S. Supreme Court took great pains to prevent in its earlier decisions," said Cooper.

"Accordingly," Cooper concluded, "we are constrained to deny plaintiff's motion for the extraordinary remedy for a preliminary injunction. As a matter of law we are powerless to hold otherwise."

It's Curt Flood's time at bat again.

Nicklaus Favored At Citrus

ORLANDO, Fla. (UPI)—Jack Nicklaus, 20 pounds lighter than the former "Ohio Fat" and well-rested after a month layoff from the pro golf tour, was the odds-on favorite today at the start of the \$150,000 Florida Citrus Invitational, although he says he's still upset over the recent death of his father.

Defending champion Ken Still, whose win here last year was the only one he's posted in nine years on the tour, wasn't given much chance to repeat. Still broke a couple of ribs when he slipped in the bath tub at San Diego and he's just getting back in shape.

Still shot a 3-over-par 75 in Wednesday's pro-am, an event won by Candian George Knudson with a 5-under-par 67 and in which former U.S. Open champion Lee Trevino had a 68.

Arnold Palmer a 69 and Nicklaus a 73—but don't let Jack's score fool you.

The Citrus, a four-day grind over the par-72, 6.84 yard Rio Pinar Country Club course 12 miles east of downtown Orlando, changed its format this year.

An open its first four years with 144 entries, it is strictly an invitational this time and limited to 100 of the nation's top golfers. Only one amateur was invited—U.S. champion Steve Melnyk.

However, the sponsors also are running the \$35,000 Florida Citrus Open 66 miles away at Lakeland, Fla. That "satellite" tournament, which began Tuesday and runs through Friday, had 144 entries.

Casper is the only absentee among those golfers who have already won a tournament this year. That includes Dal Douglas who won at Phoenix, Bert Yancey at Los Angeles, Pete Brown at San Diego, Bruce Devlin at Palm Springs,

Maki To Learn If Hitting Other Players Is Assault

OTTAWA (UPI)— Hockey player Wayne Maki is to learn today whether hitting another player over the head with a hockey stick during a game is "assault causing bodily harm" or just a part of the sport.

Maki, who belongs to the St. Louis Blues of the National Hockey League and is now with the Buffalo Bisons in the American League, was charged following a stick-swinging fight with Ted Green of the Boston Bruins in Ottawa Civic Center last Sept. 21.

Green, whose trial on the same charge is to begin next Monday, suffered a serious head injury in the duel, and had surgery in February to put a plate in his head to replace the part of his skull broken by Maki's blow.

Both pleaded innocent to charges of assault causing bodily harm. Maki's trial was completed, except for the verdict of Judge Edward C. Carter, Feb. 17. Verdict is to be

Pampa Track Team Heads To Sunray

The Pampa Track team will set its sights on the Sunray Track Meet this weekend after having a successful time at the Vernon meet last weekend.

The Harvester's will travel to Sunray Friday and the meet will get underway Saturday morning at 9 a.m. with the finals set for Saturday afternoon.

Last week the track team set two records and placed in the broad jump, high jump, shot put, discus, 440 yard relay, 880 yard dash, intermediate hurdles, 440 yard dash, high hurdles, 220 yard dash and the one mile relay.

Lewis Davis set a record in the shotput with a throw of 52 feet and a record in the discus with a toss of 155 feet, six inches.

The Harvesters that will compete in the Sunray meet and their events include:

Mike Brister, mile relay and 440 yard dash.

Steve Scarbrough 440 yard dash, sprint relay and mile relay.

Lawrence Richards, sprint relay, mile relay, and 220 yard dash.

Garvin McCarrel, sprint relay, 100 yard dash and 220 yard dash.

Mike Smith, 440 yard dash and mile relay.

Dennis Stowers, sprint relay and 100 yard dash.

Randy Stephens, high hurdles and intermediate hurdles.

Johnny Roth, 220 and 100 yard dash.

John McCarroll intermediate hurdles.

Keith Coyle, high and intermediate hurdles.

Mike Redell, 880 yard dash.

Neil Brooks, 880 yard dash.

Mike DeWitt, mile run.

Billy Keel, mile run.

Pat Terry, P-tie vault.

Jimmy Clark pole vault.

Lewis Davis, shot put and discus.

Scotty King, shot put and discus.

Kennie Nachlinger, shot put.

Kevin Wallis, high jump.

Greg Dornis, discus and high jump.

Indiana Runs Over Nets, ABA Action

By United Press International

The contrast of the two American Basketball Association division races was well illustrated by the league's only two games Wednesday night.

Indiana, leading the Eastern Division by a comfortable 13 games, erupted in the final period and coasted to a 105-97 victory over the New York Nets.

Cheyney State, the nation's No. 2 small college, was upset by California of Pennsylvania, 110-91, and Guilford defeated North Carolina A&T, 80-72, in an NAIA district title game.

New Mexico Upsets UTEP, Jacksonville Tops Miami

By United Press International

Victory did not come easily for two ranked teams headed for the NCAA Regionals, and for a third—No. 14 Texas of El Paso—it did not come at all.

Sixth-ranked Jacksonville struggled for a 106-97 decision over Miami and No. 11 Houston had to come from behind to beat Creighton, 62-58, Wednesday night while Texas of El Paso's Mirfers were upset, 78-70, by New Mexico.

Guard Vaughn Wedeking scored 26 points to pace the Jacksonville Dolphins, who are headed for a NCAA Midwest Regional showdown against Western Kentucky.

The Dolphins were rebounded, 48-43, by the smaller Miami Hurricanes, and Artis Gilmore, Jacksonville's 7-2 center who leads the nation in rebounding, was limited to 10.

Houston's Cougars, who will play Dayton in the first round of the Midwest Regional, trailed all the way until gaining a 58-58 tie with 1:23 remaining.

Jeff Hickman got the tying bucket and Poo Welch finally put Houston ahead with a field goal with 48 seconds left. Ollie Taylor scored 20 points to pace the Cougars—who hit only five of 34 field goal attempts in the first half for a 14.7 percentage.

Ron Decker scored 25 points to enable New Mexico to finish the season with a 500 record (13-13) as the Lobos handed Texas of El Paso, paired against Utah State in the NCAA Western Regionals, its seventh loss against 17 wins.

Utah State warmed up for that meeting by defeating Brigham Young, 86-73, as Marv Roberts scored 21 points. The

Aggies didn't take the lead for good until Tim Tollestrup and Paul Jeppesen scored with 4:45 remaining.

NIT-bound Miami of Ohio defeated Xavier, 68-64, and Louisville, with hopes of receiving an NIT berth, battled from behind to defeat Memphis State, 83-82.

Cheyney State, the nation's No. 2 small college, was upset by California of Pennsylvania, 110-91, and Guilford defeated North Carolina A&T, 80-72, in an NAIA district title game.

Los Angeles Lakers Tip Baltimore 94-91

By United Press International

Jerry West, often called pro basketball's greatest clutch player, again saved his best for when it was needed Wednesday night.

West scored 13 of his 32 points in the final period to lift the Los Angeles Lakers past Baltimore, 94-91, as the Lakers remained in the thick of the heated National Basketball Association Western Division race.

A West free throw and two Mel Counts' jumps shots pushed Los Angeles ahead to stay, 89-86, with 1:30 remaining after Baltimore had earned an 84-84 tie. West scored nine points in the last five minutes and helped the Lakers move within one game of division leader Atlanta, which was idle.

In other NBA games, Boston defeated San Francisco, 115-110, and Cincinnati slipped past San Diego, 127-125.
