Cooking COOL! An All New Era in Meal Preparation TODAYI

in 37 Minutes... Hamburger (on the Bun) in 1! No Stifling Heat, No Pots or Pans to Clean... Portable! And Completely Automatic!

SAVES TIME by cooking foods inside and out at the same time - FOODS TASTE BETTER because there's less drying and less loss of natural juices than you get with conventional dry heat methods of cooking. COOKS COOL with micro (radiolike) waves that create heat in the food - doesn't waste heat on space in or out of the range or on utensils. EASY TO CLEAN because splatters and spills can't bake on - oven surface never gets' 'baking" hot. EASY TO USE set the dial, touch the start switch and cooking begins immediately.
