

Rain Causes Rash Of Car Accidents

Heavy rains and wet streets Thursday night kept city police busy investigating accidents, two of them with injuries.

A car-motorcycle accident at 9:35 p.m. at the intersection of Wilks and Hobart streets sent Michael Eugene Roby, 16, 113 W. Thut, to Highland General Hospital where he was reported in good condition this morning.

Although police had not completed the investigation this morning, reports said a witness told officers a car driven by a 15-year-old girl went through a red light at the intersection and collided with the motorcycle.

The girl told officers she did not see the traffic signal or the motorcycle because of heavy rain and lightning flashes.

Damages were estimated at \$200 to the motorcycle and \$75 to the car.

In another accident at 10:04 p.m. in the 400 block of east Kentucky street, a car driven by Frank David McLennan, 19, 621 Deane Dr., struck a car parked at the curb.

A passenger in McLennan's vehicle, Cindy Sue Sheafin, 18, 1710 Evergreen, was taken to Highland General Hospital and admitted with minor injuries. She was reported in good condition this morning.

Police reports said McLennan traveling east on Kentucky. He told officers his window was fogged and he did not see the parked vehicle.

Damages were estimated at \$350 to McLennan's car. Damages to the parked vehicle were of an undetermined amount.

At 10:09 p.m., police received a report of an accident under the Hobart street underpass.

Reports said a car driven by Randall Paul Channy, of Canadian, had slowed for standing water under the underpass and was struck in the rear by a pickup truck driven by Rex Green, Rt. 1, Pampa.

Green was booked into city jail on charges of driving while intoxicated.

Damages were estimated \$75 to Green's truck and \$150 to Channy's car.

Northerly winds 5 to 15 mph, becoming light and variable Saturday. Probability of precipitation less than 20 per cent late Saturday. High Thursday, 79. Low this morning, 55.

Pampa Man Killed In Wreck

Accident Kills 1969 Graduate, Injures Three In First Fatality

By BEN KECK
News Staff Writer

Tragedy came before the dawn today as Pampa High School graduation activities were marred by Pampa's first traffic fatality of the year.

Pronounced dead at the scene of a one-car accident in the 600 block of north Cuyler street at 3:18 a.m. was Phillip Arnold Long, 19, 300 Canadian St.

A 1969 graduate of Pampa High School, Long was born Dec. 31, 1950, in Pampa. He was discharged from the Navy February 18 and was employed as a machinist for Crall Products, Inc.

Injured in the accident were the driver of the car, a 15-year-old juvenile, and two passengers, Michael Thomas Buck, 18, Route 2, Pampa, and Jerry Wayne Ray, 17, Route 1, Pampa.

The injured, with the exception of Ray, were taken to Highland General Hospital by Duenkel Funeral Home ambulance. Ray was taken by police officers almost two hours after the accident.

This morning, hospital officials listed Buck as being in serious condition with a possible concussion. The driver of the car was listed in fair condition.

Ray was treated for minor injuries and released.

Officers investigating the accident said the 1964 model car was traveling north at a high rate of speed in the 400 block of north Cuyler when the driver attempted to apply the brakes on the approach to a dip in the road.

Upon reaching the dip, the vehicle spun out of control, jumped a curb, and crashed broadside into a tree in Central Park. Officers said skid marks were measured 316 feet north of where the car hit the tree.

The body of the dead youth was pinned in the wreckage almost 45 minutes before officers were able to remove it.

Buck, a passenger in the right rear of the vehicle, was thrown about 15 feet from the wreckage. Ray was also riding in the back seat but was sitting in the car when police arrived.

A neighbor told officers she heard the brakes of the car squealing about two blocks north of where the fatality occurred.

Buck and Ray had received their high school diplomas Thursday night.

When the accident occurred, most of the graduating class was in a theater attending a

movie as part of Senior Night activities.

Word reached the theater, and small groups of students went to the wreckage site at in-

PHILLIP LONG
... dead

Intervals, only to be turned back by police.

The movie was over by the time the wreckage had been cleared, and students leaving the theater noticed the car being towed through town by a wrecker.

"That's Mike Buck's car," one student who knew nothing of the accident said.

Students who had been to the scene began explaining the vehicle had been involved in an accident but details were not available.

In small groups, they began congregating at police headquarters and at the hospital.

About 7:30 a.m., students were still at the hospital and some were at the scene of the accident.

Police were expected to continue the investigation of the accident today, when the injured could be questioned.

Funeral services for Long are pending with Duenkel Funeral Home.

Survivors include his parents, Mr. and Mrs. Owen W. Long, 300 Canadian; one brother, Paul, Pampa; one sister, Pamela, Pampa; his grandmother, Mrs. Verna Long, Pampa; grandfather, A.M. Cook, of Nipoma, Calif.; and a great-grandmother, Mrs. Ruth Irving, Floydada.

PHS Seniors Celebrate 'Grad Nite'

Pampa High School's graduating seniors got their diplomas Thursday night, then left "Dear Old Pampa High School" for a night of dancing, games, prizes, movies, and a breakfast of ham and eggs and toast and cereal.

An estimated 300 students attended the 10:30 p.m. dance and game room activity at the Coronado Inn. Dance music was provided by "Euphoria," a pop group from Amarillo.

Between games and dance numbers, drawings were held and prizes given away.

At 2:30 a.m., the seniors met at the Capri Theater to view the movie, "A Man Called Horse."

Following the movie, drawings were held for more prizes, including a grand prize of \$50. The grand prize winner was Randy Maness, son of Mr. and Mrs. Archie Maness, 431 N. Sumner.

The full night of activity was concluded with a breakfast at the First Baptist Church. About 250 students attended the breakfast. One parent — one of 16 parents chaperoning the night's events — said the graduates were extremely well-behaved.

John Gikas, a member of the school board and chef for the early morning feast, said the seniors ate heartily.

The activity came to a halt shortly after sunrise, as sleepy-eyed high school grads made their way home and to bed for a long summer's sleep.

349 GRADUATE Severe Weather Shares Spotlight With Seniors

By DORIS E. WILSON
News Staff Writer

The heavy overcast skies, the severe weather alert, and the intermittent showers that fell prior to 8 p.m. did not keep the 349 seniors from attending Pampa High School's graduation services for 1970 on Thursday night in the Harvester Fieldhouse.

The seniors and their parents had come along the school road, but far to be denied that moment of academic fulfillment.

Speaking to fellow classmates of Pampa High School, Valedictorian Debbie Veale, As a solution to the oft-quoted Salutatorian Gayle Ann Griffin, class president Randy Cantrell advised youths and adults must projected ideals for the seniors join hands in mutual un-

as they take adult roles in society.

Miss Griffin, in opening remarks said, "This is a beginning of new knowledge we are the present. As we sit here tonight, we are experiencing the present. Before tonight we were high school seniors. Now, we are high school graduates. It is a blending of the past and the present as we look to the future."

Cantrell, addressing his comments to the class, said, "This is the greatest class that has ever or will ever come out of Pampa High School."

As a solution to the oft-quoted "generation gap," Cantrell advised youths and adults must projected ideals for the seniors join hands in mutual un-

Leftist Youths Taunt Riot Police In Paris

PARIS (UPI) — Small groups of leftist youths taunted riot police into tear gas attacks in the Latin Quarter early today but the worst student demonstrations in two years apparently were subsiding.

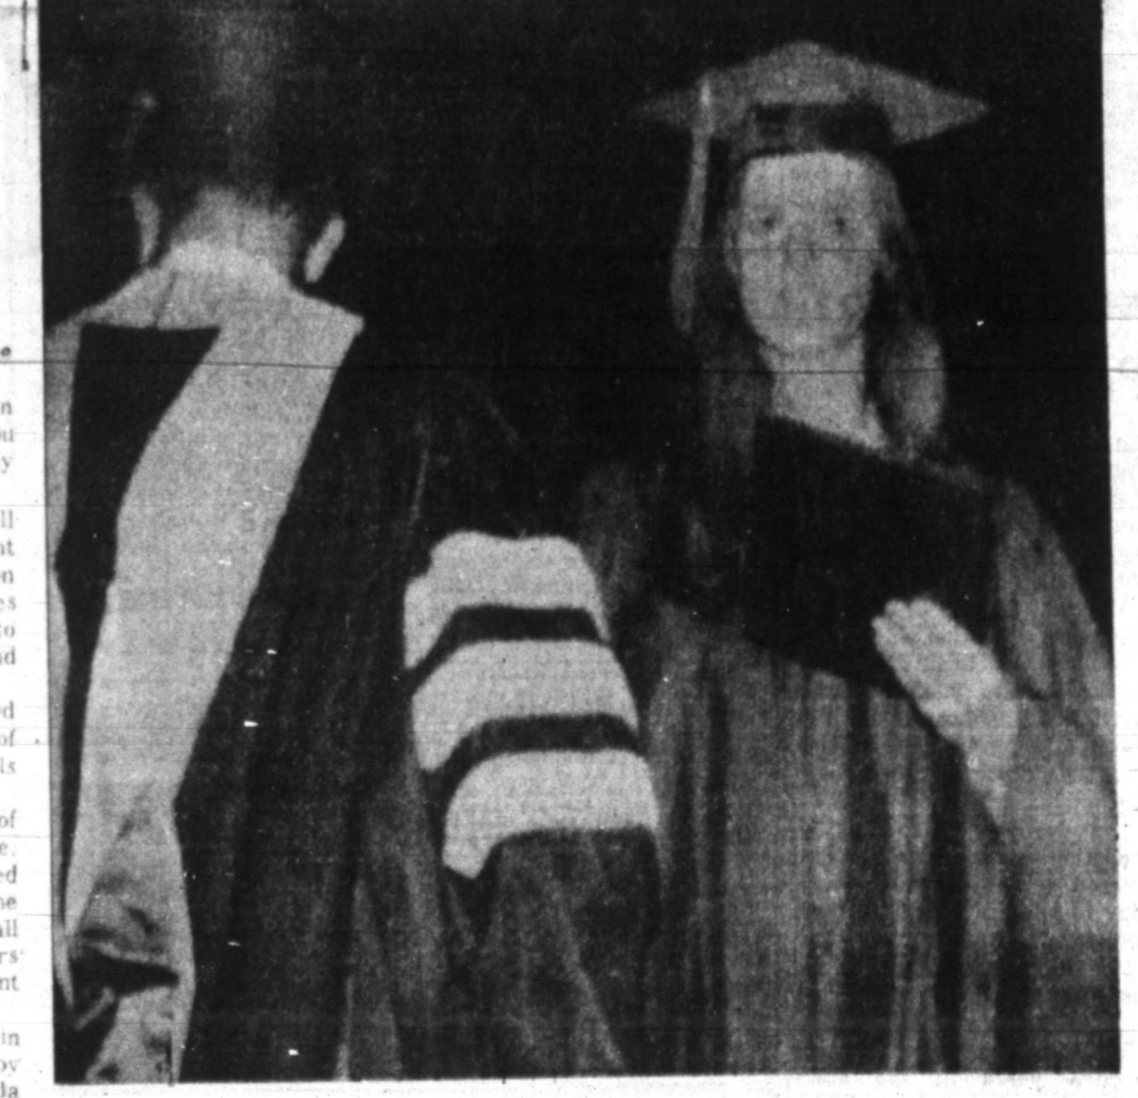

Several policemen and civilians suffered minor injuries in the clashes that began Wednesday. Police did not release a figure on number arrested but said about 500 were questioned.

Riot police were kept busy until dawn this morning chasing small groups of young people in the University of Paris area on the Left Bank with tear gas and clubs, but there was no repetition of the damage of Wednesday and Thursday.

The students were protesting a government ban on the Maoist-Communist organization Proletarian Left and the prosecution of two of the group's leaders, Jean-Pierre Le-

Le Tantez was sentenced to one year in jail and Le Bris to eight months Thursday for advocating violent revolution in the Proletarian Left magazine "The People's Cause."

Interior Minister Raymond Marcellin said the Proletarian Left group "militants who have got it into their heads to install a Chinese regime in France."

SMILING as she was the last to enter the Harvester Fieldhouse in the procession for graduating seniors Thursday night, Susan Veiton, was still smiling as she was the last to receive a diploma from school superintendent, Dr. James F. Malone. (Staff Photo)

Tired President Settles Down To Holiday On West Coast

SAN CLEMENTE, Calif. (UPI) — Looking tired, President Nixon settled down today at his ocean-side, Spanish-style villa, hoping to relax and work at a leisurely pace this holiday weekend.

The President brought along with him a covey of foreign policy and domestic advisers with whom he planned to confer before returning to Washington Monday.

The 57-year-old Chief Executive has been riding out the storm on Cambodia, the economic market slump, the economic

daughter, Tricia, 24, had other change what he doesn't like about America and that is why it is a great country."

Nixon spoke emotionally and off the cuff. He spoke above the crowd of dissenters.

When they passed the collection plate, Nixon, who never carries any money had to borrow \$5.

"I know there are things

Seniors Cheated Out Of Singing Alma Mater Song

For the first time, perhaps, in the history of graduating classes from Pampa High School, the 1970 class did not get to sing the school song, "Dear Old Pampa High School."

Threatening clouds hanging over the city at the beginning of the ceremony, began to make good their threat about 9:15 p.m., necessitating an abrupt adjournment.

The ceremony progressed at the traditional "Pomp and Circumstance" pace throughout the alphabet, until class sponsor Mrs. W.A. Morgan reached the names beginning with the letter "S."

The pace quickened at this point as graduates from S through Y received diplomas in a hurry. Exercises came to an abrupt halt when school principal Cameron Marsh stepped to the microphone with the announcement he had been advised "by the police department to cancel the remaining part of the ceremonies."

Later in the evening, Marsh told The News, "I want to apologize to the last 15 seniors, in particular, and to the class in general for having to terminate the service. I felt we had no choice but to heed the warning we had."

Investigation proved the warning of "two tornadoes over White Deer and heading for Pampa" did not come from the Pampa Police Department, but from a member of the Citizens Band Radio, who relayed the unconfirmed "information" to a band student who, in turn, told band director Harris Brinson, who checked with the feminine

The message seemed of significant importance to pass along to the school officials engaged in distributing diplomas.

Following the announcement of dismissal, the standing room only crowd quickly filed out of the fieldhouse in an orderly, but frenzied fashion.

Seniors were denied the singing of their alma mater song, as well as the final moment of filing out of the fieldhouse in ceremonial splendor.

School Board Faces Dilemma Of Big Budget, Little Funds

By WANDA MAE HUFF
News Staff Writer

Faced with a proposed \$3,000,000 budget, \$300,000 more than last year, and a promise to not raise taxes this year, school trustees considered but voted three to two against cutting teachers' salaries and eliminating extra teachers to meet the budget.

In Thursday's called school trustee meeting, the first motion to cut the local increment for Pampa teachers from \$700 to \$400 failed with three of the five trustees voting against it. The second motion to lower the \$700 to \$500 died for lack of a second.

"The \$300,000 increase is mostly to raise teachers' salaries, which a state law required all school districts to do. Because of this, and because we have promised not to raise tax assessments or the tax rate this year, we have to find ways to meet this proposed budget," Supt. Dr. James F. Malone said.

"Because we expect 400 fewer pupils this year than last year, we need fewer teachers. To pay each teacher the \$700 local increment above the state minimum, we have to eliminate 18 classroom teacher units, which we won't need anyway," Dr. Malone said.

The superintendent called the Thursday session because the district's budget has to be approved by August, and because the administration has to know how much local in-

crement to include in teacher contracts, which have to be drafted before school starts, he said.

When Jimmy Thompson, board resident, asked representatives of several of Pampa's tax supporting corporations what they thought of the budget question, the consensus was "We just don't want to pay more taxes, but do the teachers expect this \$700 increment, and would the district lose any teachers or have difficulty employing teachers?"

Dr. Malone said he had talked with Pampa Classroom Teachers Association which said they did expect it, and added, "we would probably go through a period of low teacher morale and it would cause a stir. We might make some teachers unwilling to go along with changes we suggested, but I don't think we would lose too many teachers."

Dr. R.M. Hampton commented, "I feel like the reduction is too much. We need to take a longer range outlook and reconsider this at our regular June 15 meeting."

After John Gikas made his second motion to go to \$500 above the state minimum, Dr. Hampton said, "I hope that motion dies for lack of a second."

The question of teachers' salaries and the proposed budget is expected to be an agenda item on the regular

meeting at 7:30 p.m. June 15 at Carver Educational Services Center.

Griffith, who has 12 years in the teaching profession. (Staff Photo)

Agnew Predicts Good Business, Vietnam 'Turnaround' This Year

HUNTINGTON, N.Y. (UPI) — Vice President Spiro T. Agnew predicted Thursday that 1970 will prove to be a good year for business, a "turnaround" year in Vietnam and "a time when everybody learned that it never pays to sell America short."

In an economy-slanted speech prepared for Suffolk County Republicans, Agnew took a few swipes at Democratic critics of the administration and even chided Wall Street for predicting "eleven out of the last four recessions."

His remarks apparently were part of a continuing administration effort to reassure the business community.

Before ticking off gains he said the administration had made in cooling the economy, Agnew told his Long Island audience that fears of businessmen about the Cambodian situation "are totally unfounded."

"The war has not been widened," he said. "We are not about to get into any war in Cambodia, nor are we about to assume the responsibility for training the Cambodian army. . . The courageous decision by the President to clean out the Cambodian sanctuaries will be seen by historians and even by some instant historians as the action that turned the corner toward peace in Southeast Asia."

the President to clean out the Cambodian sanctuaries will be seen by historians and even by some instant historians as the action that turned the corner toward peace in Southeast Asia.

Obituaries

WALTER REEK

Funeral services for Walter W. Reek, 61, will be held at 3 p.m. Saturday in Habes-Cook Street and Draper Chapel in Oklahoma City, with burial in an Oklahoma City cemetery.

Mr. Reek died Thursday at Mercy Hospital in Oklahoma City. He had been hospitalized about a month.

He was employed with Gulf Oil Company 39 years and lived in Pampa from 1947 until 1962 when he was transferred to Oklahoma City. He was married to the former Florence Fowler, and was a member of the Baptist church.

Survivors are his widow of

MRS. JEAN SLATON

Funeral services for Mrs. Jean Slaton, 66, of Stinnett, will be held at 2 p.m. Saturday in Minton Memorial Chapel in Borger with burial in Sunset Memorial Park Cemetery in Stinnett.

Mrs. Slaton died Thursday in North Plains Hospital in Borger.

She was survived by her husband, Brittan; two sons, George of Austin, and Thad of Pampa; a daughter, Mrs. R.M. Wingo, Kennewick, Wash.; five grandchildren and three great-grandchildren.

Two Brothers Sentenced To Terms In State Penitentiary

Two Pampa brothers were sentenced to a total of 12 years each in the state penitentiary Thursday after entering pleas of guilty to two separate charges of burglary before 31st District Court Judge Grainger McIlhany.

Bobby Lon and Jesse D. Stover, 636 S. Barnes, were indicted by a district grand jury May 14 for the April 24 burglaries of Mitchell's Grocery, 636 S. Cuyler, and Rodger's Finis Service, 415 E. Frederic.

The two were charged separately in the grocery store burglary and were sentenced to serve three years each in the penitentiary.

They were charged with acting together in the service station break-in, and were sentenced to three years each on that charge. McIlhany ordered the sentences to run concurrently.

Also sentenced on charges of burglary was Robert D. Robin-

son, 21, 718 W. Francis. Robinson was indicted with Tommy J. Sherwood, 17, of the same address, for the May 7 burglary of Ted Simmons Chevrolet in McLean.

McIlhany placed Robinson on five years probation. In another trial, McIlhany revoked a two year probation given Jim Solo Bozarth, 20, last known address 815 E. Campbell, 1st December for theft over \$50.

The decision to revoke the probation came after Bozarth entered a plea of guilty Thursday to another charge of theft over \$50.

He was indicted March 14 for the theft of a motorcycle from an east Pampa resident.

McIlhany sentenced Bozarth to five years in the state penitentiary on the latest charge, and ordered the probation converted to a two year sentence.

The sentences are to run concurrently.

Your Horoscope
JEANE DIXON

FOR SATURDAY, MAY 30 YOUR BIRTHDAY SATURDAY
— This is the year in which your involvement toward spiritual unity is emphasized. The initiative for all areas of your life passes more into your own control, and thus more responsibility for what happens. Saturday's natives are thrifty, and thrive in marriage and partnerships.
ARIES (March 21-Apr. 19): — Make journeys, visit people who can tell you what you need to know. Attend to details in your projects.
TAURUS (Apr. 20-May 20): — Shopping promises some surprising bargains. Attend to long-standing problems. Intellectual curiosity must be aroused to provide the materials for mental refreshments. Up-to-date correspondence brings satisfying results.
GEMINI (May 21-June 20): — Now your chance to compare notes and exchange information opens up, and much can be accomplished. Keep a list of reminders. Household routines and shopping prosper.
CANCER (June 21-July 21): — This is the day you get to the bottom of some old puzzle. Check your facts, attend to

serious studies and correspondence. Collectors can make interesting discoveries.
LEO (July 23-Aug. 22): — Saturday is an excellent time to begin new studies, start a health-care program, or lay out details of future ventures. Outside assistance is at hand.
VIRGO (Aug. 23-Sept. 22): — Make agreements with those you are to work with soon. Form partnerships. Consultation with experts promises good results.
LIBRA (Sept. 23-Oct. 22): — Travel, self-improvement programs and correspondence bring new resources to your attention. In-laws and relatives turn out to be surprisingly helpful.
SCORPIO (Oct. 23-Nov. 21): — Dedicate yourself to progress in the things that really matter. Review your situation. The answer lies in thinking through the questions, reflection will bring a program to pursue.
SAGITTARIUS (Nov. 22-Dec. 21): — Saturday you are at your happiest in action. Follow your usual weekend routines, but freshen them up with whatever ideas pop up for testing.
CAPRICORN (Dec. 22-Jan. 19): — Continue your campaign to get things into more coherent order. Survey your home and equipment; plan to replace anything that has failed. Moon headway can be made.
AQUARIUS (Jan. 20-Feb. 18): — You've the chance to see many people who are usually beyond easy reach. Lay in supplies, buy small items of equipment, tools.
PISCES (Feb. 19-Mar. 20): — Now comes the opportunity to face things that have been neglected around the home. Bring in all the people who will help out, and catch up for lost time.
Everyone needs milk. Grow-ups should drink two or more glasses every day.
Iron is needed by the body in the formation of hemoglobin, the red substance of the blood. Anemia can result when two little hemoglobin is present. Liver, red meat, egg yolks, whole grain and enriched breads and cereals, dried fruits, dried beans and peas, and dark vegetables (like kale and spinach) are good food sources of iron.

Jaycee-Ettes Attend Meeting To Hear Reports
Pampa Jaycee-Ettes met recently in the Reddi Room for their regular monthly meeting with Mrs. Buz Shelton, president, presiding. Guests were Kathy Rhoden, Patsy Thompson, and Edith Stanley, area vice president from Borger.
Reports were made on Easter candy for Panhandle orphanage, Girls' own, and Happy Haven Children's Home.
Members and their reports were: appreciation party for outgoing president and cook book sales, Glenda Green; Pampa installation banquet, Jeanie Sutton; Dumas installation, Judy Warner; Amarillo installation, Carol Williamson; Regional installation at Panhandle, Patsy Strawn; Borger Jaycee-Ette installation banquet, Carol Turner; Shamrock installation banquet, Nelda Lancaster and Jaycee R&R's, Nancy Vaughn.
Hostesses were Trecia Saltzman, Rhona Saltzman and Glenda Green. Members present were Mmes. Larry Barton, Gary Carter, Woody Crawshaw, Bob Green, Gene Hinds, J.T. Jolly, Nathan Lancaster, Emmett Saltzman, Milton Saltzman, Buz Shelton, Danny Strawn, Joe Suttton, Dwight Turner, Bronnie Baughn, John Warner, Morris Wilson and Stan Young.

Scouting Council Sets Camp Dates

Final arrangements for the two sessions of Girl Scout Day Camps, which will take place during the first two weeks of June, have been completed with 230 girl scouts registered in the sessions.
Parents are asked to note that buses will leave promptly at 8:30 a.m. from the north end of the Coronado Center. They will return at 4 p.m. daily, except on the Thursday of each week, which is designated as parent visitation.
"On those days buses will leave at 2 p.m., and return at 8 p.m. Parents and friends of Girl Scouts may visit the camp on Thursday, June 4 or June 11, from 5 p.m. to 7:30 p.m. Visitors are invited to bring a picnic meal with them. While at camp they may visit with the girls in their units, to learn what campers are accomplishing," Celia Fowler, executive director, said.
"Girls will partake in outdoor activities, and parents should refer to the camp booklet for advice on suitable clothing. A sack lunch should be taken along each day, except Wednesday, which is cookout day. On that day, each unit will plan its own menu, and cook its own lunch outside," she said.
The theme for the first session, June 1-5, will be "The Stars Through Difficulties." In keeping with this theme, different units participating in this session will choose names after Zodiac signs. Junior Girl Scouts may try to earn any of the following badges: Observer, Dabbler, Gypsy, and Foot Traveler. Badges on the Cadette level will include Textile Arts and Games Leader.
Others attending included Mr. and Mrs. Bob Pool and sons, Bobby, Gary and Larry, and Debbie Atkins. Mr. and Mrs. Jimmy Pool and Darrel. In the afternoon the group was entertained in the home of Mr. and Mrs. Ronnie Mashburn.

DEAR ABBY: You stated, "If there is an International Brotherhood of Mountain Goats, I hereby offer my most humble apologies for saying they smell bad."
You were probably joking, but there is an "International Order of Rocky Mountain Goats," and no apologies are in order for your remarks concerning the odor of goats, domestic or mountain. (Neither variety smells like Chanel No. 5).
Unfortunately women cannot join this organization or I would submit your name for honorary membership, but at our next meeting I shall propose a toast to you.
STEVE FRAZEE
Salida, Colo.

DEAR STEVE: I don't know that many women would care to butt into the "International Order of Rocky Mountain Goats," but those who do shouldn't be denied membership because of their sex. Perhaps you'll be hearing from the Women's Liberation Movement about this.
They will be assisted by Mmes. Jack Scott, Earl Crouch, Lacy Lee, Virgil Beard, John Brogdon, Linda Wagner, Cecil Martin, John Smith, W.W. Hampton, and Huey Prater.
"Do Your Own Thing" the theme for this session, is designed to encourage the girls initiative and teach them to be creative with what they can find in nature. Girl Scouts participating in this session may earn some of the same badges as those in the first group.
During both sessions adult leaders will be assisted by Senior Aides, as well as by Cadettes functioning as P.A.T.S. (Program - Aide - in-Training.) Miss Fowler said.
The saying that a pregnant woman must "eat for two" is not exactly true with respect to amounts. But it does serve to remind the mother of her responsibility to meet her own nutritional needs as well as those of the baby-to-be.
Goats are much maligned

DEAR ABBY: One of the best reasons for reading "advice columns" is that they whittle down our own problems to their proper dimensions. When we are in the throes of despair because of a serious illness, a marriage on the rocks, or a cherished relationship smashed forever — let us be reminded of what I mean to be really "suffer."
That was my reaction when I read the heartbreaking story of that poor woman who watches TV from 7 in the morning until midnight, daily. Mer problem? The increasing number of actors who are letting their hair grow longer and longer. "I have watched some formerly good-looking actors transformed into something rather sickening," she said.
Could anyone read that and fail to respond with deepest compassion? And shouldn't that make us ashamed to complain about our petty troubles? My heart aches for that poor woman who spends 17 hours a day sadly and helplessly watching hair grow longer on TV!
REV. C.W. KIRKPATRICK
Housatonic, Mass.

They are intelligent and clean, and they have "kids" as humans do. So if you want to brag about your kids—try goats. They are something to brag about.
KNOWS MY GOATS
They are intelligent and clean, and they have "kids" as humans do. So if you want to brag about your kids—try goats. They are something to brag about.
KNOWS MY GOATS

DEAR ABBY: "Knows His Goats" does not know his goats! It's true, the Barnyard Billy goat may not smell very good to humans, but he smells fine to the Nanny goat who is just about as particular an animal as you can find anywhere.
You hear a lot of stupid jokes about goats, but they are not true. They say goats eat tin cans, rags, garbage — anything and nibble, but they are very particular about what they eat. How else could goat's milk be considered therapeutic?
Goats are much maligned

Camping Group Plans June Trip

A Pampa camping club, the Texas Panhandlers, attended a monthly camp-out at Boiling Springs near Woodward, Okla. recently and planned another camping trip for June.
The next trip is scheduled June 5, 6 and 7 at Fort Cobb Lake, in Oklahoma, according to Mrs. Charles Rithaler, club secretary, of Pampa.
Members attending the Boiling Springs camp-out to ride motorcycles, play volleyball, horseshoes, card games and cook out were Messrs. and Mmes. Robert Henderson and son, Don Riddle and daughter; Don Wilson and children; Buddy Epperson and children; Walter Hyatt and daughter, Arnold Bryan and children, Charles Rithaler and sons, J.B. Cox, Carol Pettit and daughter, Marvin Gray and sons; Gynnda Allen and sons, all of Pampa; Herman Edwards and children, Amarillo, and visitors: Mr. and Mrs. Rex Sheets, Woodward, Okla. Sheets is district manager for the club campers in that area.

Hollywood In Review

HOLLYWOOD (UPI)—Astoria.

Take a freaked-out rock group, a pot-oriented love-in or a musical rabble, photograph their activities and you've got a money-making movie.

"Woodstock" and the Beatles' "Let It Be" set the pace.

Now in its final stages is "Joe Cocker, Mad Dogs and Englishmen," a musical documentary of singer Cocker and 53 other individuals variously described as musicians, stagehands, cooks, concubines and dogs.

Producer Bob Abel spent two months (off and on) photographing the Cocker troupe as it criss-crossed the country in a leased and ancient four-motor airplane.

"The marijuana fumes were so strong the pilot was afraid they'd seep through the door," Abel said.

"Pot was a way of life on that tour. Everybody went on stage stoned out of their minds except the children and the dogs. It was weird."

Abel characterized the huge rock group as a traveling commune, "a noble experiment of people trying to live, work and create music together."

Abel said only two or three couples were married legally and another half-dozen claimed to be common-law spouses. Swapping of partners was not uncommon, he added.

He guessed there were 11 children and three dogs in the group.

"The number would change in various concerts," Abel explained. "Sometimes there'd be 54 individuals on stage. But in Santa Monica there were 223 performers. Some of them just pounding beer bottles together. Others danced around wildly and sang."

"How bizarre can you get?" Abel, 32, has 62 hours of film which he will cut down to a 90-minute motion picture for theaters. There is some nudity in the picture, no plot, plenty of pot and casual sex.

His film is aimed at late teen-agers and persons in their 20s who enjoy the music and seeing their peers stoned out of their minds.

Pollution May Make Weeks More Moist

WASHINGTON (UPI)—Wouldn't you know it! Fine weather all week long and then, on the weekend, when you have things planned, it rains or does something else disgusting.

You may believe this and think your own experience proves it. Actually, say the weather experts, it isn't so. It rains (or snows or whatever) more often and heavier Tuesday through Friday than at other times.

This fact, if you'll credit it, has been attributed to another fact—that man's air polluting activities are briskest on weekdays. Recently reported studies have shown that precipitation is increased downwind of city-industrial complexes in New York state, St. Louis, and Chicago.

Effect Subsides
On weekends this effect subsides. The inference is that manmade pollution, heaviest during the week, is responsible.

Ralph H. Frederick of the Environmental Science Services Administration examined records kept from 1912 through 1961 at 22 weather bureau stations in the heavily populated and industrialized region bound by Chicago, Portland, Me.; Shreveport, La., and Jacksonville, Fla.

He discovered that the weekends were dryer in this

area than the weekdays. He said his findings strongly suggest that man's activities are responsible for such "non-random distribution of precipitation."

Make Weeks Wetter

Similar studies elsewhere seem to support the idea that industrial operations are making the weeks wetter than the weekends. The theory is that particles spewed into the air on workdays provide condensation nuclei which in turn increase rainfall.

So go ahead and plan your weekend outings. If they are rained out, you can blame it on unusual weather, if you prefer that explanation. You may even take some comfort from a recent statement by J. Murray Mitchell Jr., a climatologist of the Environmental Science Services Administration in Washington.

"It should be realized," says Mitchell, "that if there is anything unusual about the weather, it is that somewhere and in some respect it is always unusual."

UT Chairman Says Times Call For New Type Administrators

AUSTIN (UPI) — Frank C. Erwin Jr., chairman of the board of regents of the 64,572-student University of Texas System, thinks these times of campus protest call for "a new kind of college administrator."

During the wave of violent student protest this month that closed hundreds of colleges across the nation, Erwin and other regents defied strike demands from students and professors on Texas campuses and ordered classes as usual.

Dissidents at the Austin campus held around-the-clock rallies, clashed with police at one time and mustered the largest antimarch ever staged in Texas. But the school remained open and two-thirds of the 36,000 students at the Austin university attended classes.

"In the management on a campus you don't gain anything by making concessions to these people," Erwin said in an interview.

"If we don't find a new kind of college administrator —

university presidents, deans, chairmen of departments, people at all levels of higher education—that have more courage, more backbone than they've demonstrated in the past two or three years then we may really lose colleges and universities as we understand them," Erwin said.

"Across this country I am constantly disappointed and frequently dismayed at the lack of moral and physical fiber that we find in the academicians at many of these institutions."

"They've demonstrated pretty conclusively in the past 36 months that the average professor has got no ability as a college president when he gets in real trouble."

"In my judgment their performance has been totally unsatisfactory. What I think they're about to do is to lose the confidence of the people of this country in supporting higher education."

"The man on the bulldozer who's making quite a bit of

Oregon Voters Reject Proposal On Voting Age

PORTLAND, Ore. (UPI)—Oregon voters, reacting to recent campus unrest, soundly rejected Tuesday a proposal to lower the voting age to 19.

The vote 19 proposal went down by a 63 to 37 per cent margin. With returns in from 1,508 of the state's 2,484 precincts it was behind 218,889 to 130,986.

Gov. Tom McCall, who easily won nomination to a second term in the Republican balloting, and nearly all other candidates backed the lowered voting age proposition. But McCall said earlier a "backlash" could defeat it.

McCall's opponent for the governorship in November will be Democratic state Treasurer Robert Straub, who got more votes than seven opponents combined. McCall beat Straub in 1966.

All four incumbent congressional members won re-nomination. Only two had opposition. Rep. Al Ullman, D-Ore., who was unopposed, will face Republican Everett Thoren of Elgin in November. Rep. Wendell Wyatt, R-Ore., also unopposed, will be challenged by state Sen. Vernon Cook of Gresham.

Rep. Edith Green, D-Ore., defeated three challengers to win re-nomination. Former state Rep. Robert Dugdale of Portland won the GOP nomination to oppose her.

Rep. John Dellenback, R-Ore., easily won re-nomination while William Grannell of North Bend held a slim lead over James Weaver of Eugene for the Democratic nomination.

Manager Of Grauman's Theater Dies

HOLLYWOOD (UPI)—Al Bogatch, manager of the famed Grauman's Chinese Theater, collapsed and died Wednesday of an apparent heart attack.

Bogatch, recipient of several awards for distinguished service to the movie industry, was 55.

Bogatch managed the Chinese Theater since October, 1964, and had been associated with National General Corp., owners of the theater, since 1954. He had been in charge of the ceremonies where famous entertainers impressed their footprints in wet cement in the theater courtyard.

"One of my friends has characterized taking on a presidency these days as being no different from buying a ticket on the Titanic," he explained.

Erwin Calls For Tougher Stand

Erwin

(Continued From Page 6)
The members of the board of regents and within three hours six of them were here. And they stayed here all that day and that night. They were prepared to make that decision as the board of regents and not just Frank Erwin to avoid the situation where some people suggest that Frank Erwin is the issue." Controversy over regents chairman Erwin's response to protesters frequently has gotten as much attention as the protests, and for some Texas students Erwin himself has become a cause for protest.

"Dirty nothing" buttons sprouted overnight when Erwin used those words to describe antiwar protesters who picked a campus appearance by the then-President Lyndon B. Johnson at a 1968 birthday party for former Gov. John Connally. Erwin, partly because he liv-

es in Austin where the main campus is located, but perhaps more importantly because of his intense desire to make the University of Texas "No. 1" in everything from classics to football, has been most active regents chairman in the school's 87-year history.

A 1948 graduate of the Texas law school — who won scholastic honors and the gold Phi Beta Kappa key — Erwin probably qualifies as the Longhorns' most loyal rooter. He wears an orange blazer to football games and even drives an orange and white Cadillac.

A former national Democratic committeeman from Texas and one-time chairman of the State Democratic Executive Committee, Erwin has achieved unmatched success in lobbying with legislators for more money for the university. Since he became regents chairman in 1966 funds have more than doubled.

A senior partner in a highly successful law firm and a widower, Erwin has made his regents chairmanship a fulltime job. No aspect of campus life or activity is beyond his concern, from arranging halls for band concerts to confronting protesting students.

"I suppose that if I didn't take any action in times of tension and crisis that I would be less in the newspapers and people would have less to talk about Frank Erwin," he said.

But he has no intention of changing his methods.

"I'm not sure at all that we haven't gotten to the point where this business is so big and so complex and so difficult," he said, "that we aren't going to have to get a professional bunch of people who are trained as college presidents and not just go out and get some professor who happens to be available and make him president."

"This is heresy to the academics but I'm really concern-

ed for the future of higher education because of the way they've performed in the face of these stresses and strains and tensions and riots and disturbances.

"What we're fixing to do in my judgment is lose the confidence of the public in higher education."

"Higher education in Texas needs about \$125 million in new taxes next year. At this moment the chances of getting that are almost nil. And these kids are responsible for it—these trouble-makers and the people who join them."

"Now if that's the sentiment across the country, and if these riots and disturbances continue and that sentiment (against student protesters) becomes broader, we're going to come to the point where the universities may be shut down — but it won't be for two or three days, it'll be permanent because there won't be any money."

DANNY THOMAS MEMPHIS CLASSIC

63 Puts Hill In Top Spot

MEMPHIS, Tenn. (UPI)—Dave Hill lived up to his brag Thursday, carding a seven-under-par 63 to claim the first round lead in the \$150,000 Danny Thomas Memphis Classic golf tournament.

Hill, the defending champion in the quest for the \$20,000 top prize, boasted before the match that he could put the greens at Colonial Country Club as well as anyone.

"If they'd let me carry these greens around with me on the tour," he said later in the clubhouse. "everybody else would be playing for second place every week."

The greens also drew praise from Dick Crawford, the young pro from Bella Vista Village, Ark., who wound up with a 64 to hold second place, a stroke behind.

Crawford said as long as the greens retain their present condition, "a lot of golfers are going to make good shots."

Three players — Floridian Jack McGowan, Randy Wolff of Beaumont, Tex., and Hale Irwin of Boulder, Colo. — were knotted at 65, five under par, and tied for third place.

Bunched at 66—three strokes behind Hill—were Dean Beman, Grier Jones, Homero Blancas, Billy Maxwell, rookie Mike Morley, Jim Jamieson and Jerry Heard.

Par took a beating overall during the tourney's first round on the short (6,466 yard) course with 77 golfers shooting par golf (70) or better.

Seventy-one carded over-par rounds with favored Lee Trevino, who complained of back trouble Wednesday, skying to a 73 after a 67 in the pro-am preliminary.

3 Former Champions In 33-Car Indy Field

INDIANAPOLIS, Ind. (UPI)—The fastest field ever will be off and running at noon Saturday in the 54th Indianapolis 500-mile auto race with nearly a dozen drivers rated as capable of winding up in the winner's circle.

The field includes three former "500" kings, 26 other veterans and four rookies.

A. J. Foyt, whose team will be after a record fourth victory, while Mario Andretti hopes to make it two in a row and Bobby Unser will try to repeat his 1968 triumph.

Foyt will start on the outside of the front row. Unser and Andretti line up in the third row.

The three former winners race among the favorites, as do pole winner Al Unser and the second fastest qualifier, Johnny Rutherford, who join Foyt in the front row.

Other veterans given a good shot at winning the bundle include Roger M. Penske, Mark Donohue and Art Pollard, who

comprise the second row, and Lloyd Ruby, who wound up in the ninth row because he qualified on the second weekend of time trials. Ruby's qualifying speed, however, was the sixth fastest.

Rick Muther has the highest starting berth of any of the four rookies who made the lineup. Muther will start on the outside of the fifth row. Donnie Allison will be in the eighth row. Greg Weld in the 10th and Dick Simon in the 11th, or last row.

The average qualifying speed of the 33 starters is 167.139 miles per hour, topping last year's previous record of 166.295.

The track opens to the public at 7 a.m. EDT. The pre-race program featuring bands and rate among the favorites, as do pole winner Al Unser and the

Speedway President Tony Hulman will give the traditional "Gentlemen, start your engines" command at 11:53 a.m.

Other veterans given a good shot at winning the bundle include Roger M. Penske, Mark Donohue and Art Pollard, who

53 Distaff Golfers Will Tee Off In O'Sullivan Tournament Today

WINCHESTER, Pa. (UPI)—Fifty-three of the world's top women golfers, led by 1969 U.S. Women's Open champion Donna Caponi, tee off today in the first round of the \$15,000 O'Sullivan Ladies Open golf tournament.

Miss Caponi, who also won last week's Bluegrass Classic, was the early favorite to take home the \$2,250 winner's purse in the 54-hole classic over the picturesque Winchester Country Club course in the heart of Virginia's Shenandoah Valley.

Other early favorites in the Marjorie Masters and Germaine's Gerda Whalen.

were St. Louis Open champion Shirley Englehorn, who lost the 1969 O'Sullivan by three strokes to Muriel Lindstrom; all-time leading money winner Kathy Whitworth; Carol Mann, top 1970 winner with \$12,655; runnerup Sandra Haynie with 1970 earnings of \$11,150; and 1968 O'Sullivan champion Marlynn Smith.

Giving the tournament a foreign flavor were Japan's highly regarded Hisako Higuchi and Masako Susaki, Australia's Margie Masters and Germaine's Gerda Whalen.

Track Meet Of Champs Slated Today

PASADENA, Tex. (UPI)—Sprinter Robert Taylor of Texas Southern, who ran a world record equalling 9.1 in the 100-yard dash earlier this month, has a chance to break two of eight records which are in danger in the annual Meet of Champions today.

Taylor, who ran 9.1 with an aiding wind May 9, has a shot at the 100 record of 9.2 set last year by Andy Hopkins of the Houston Striders, who is back to defend his title, and at the 200 mark of 20.6. Taylor, whose best is 20.8, will have to fight with Kentucky's Jim Green (20.6), Texas A&M's Marvin Mills (20.7) and teammate Willie Polk (20.8).

Curtis Mills, Marvin's older brother and the Southwest Conference 220 champion, will not run because of a sore leg he suffered in California last week. Coach Charlie Thomas said he was holding Curtis out as a precautionary measure.

Before Mills scratched, the Aggies' and TSU had a chance at the meet's 440 relay mark of 39.7 set by the Striders last year. TSU had a 39.7 last week and the Aggies won the SWC in 30.8.

Rodney Milburn of Southern University, another defending champion and record holder in the 120-yard high hurdles, will be back. His best time this year is 13.5 compared to his record of 13.7.

Dennis Cotner of Oklahoma, another defending champion, has a chance to break the 440-yard intermediate hurdles mark of 31.2 set by Houston's Tony Pickett in 1967. Cotner has run a 31-flat.

IT PROBABLY WON'T CATCH ON among tennis players who don't move on administration courts, but Peace Corps Director Joseph Blatchford had good reason for the unorthodox headgear recently. He donned the crash helmet after being zonked by a celebrated but erratic vice-presidential serve.

MINNESOTA BEATS MILWAUKEE

Hickman Homers Lead Chicago Over Pirates

By FRED McMANE, UPI Sports Writer

Jim Hickman is destroying all proof that the original Mets ever existed.

Hickman, one of the two original New York Mets still in baseball, appears intent on burying the fact that he ever played for those beloved outcasts. The 33-year-old Chicago Cubs outfielder, who never batted higher than .257 in five seasons with the Mets, has been tearing up the National League lately.

Hickman, who sports a lifetime batting average of only .236, raised his season's average to .318 Thursday with three hits, including a pair of two-run homers, as the Cubs edged the Pittsburgh Pirates, 8-7.

In the only other NL action, San Francisco ripped Los Angeles, 4-3. St. Louis downed New York, 9-2; and Philadelphia beat Montreal 5-3, in 11 innings.

Minnesota whipped Milwaukee 11-2, and Oakland blanked California 2-0 in the only American League games.

Hickman tied the game 6-6 in the seventh inning with his first two-run shot of the game then won it in the ninth with another two-run blast off reliever Gene Garber. The two homers gave Hickman five in the past week and 10 for the season.

"I really don't know what I am doing differently," said Hickman. "In both situations I was not consciously trying for a home run. I was just trying to get on base."

Cleo James also homered for the Cubs while Bob Robertson slammed his ninth of the season for the Pirates.

Dick Dietz' 10th homer of the season as leadoff batter in the bottom of the ninth enabled the Giants to defeat the Dodgers. Dietz' blast came on relief pitcher Jim Brewer's second pitch. Bobby Bonds and Ken Henderson also homered for the Giants.

Joe Hague drove in five runs with a pair of two-run singles and a homer as the Cardinals salvaged the final game of their three-game set with the Mets. Bob Gibson went the distance for the Cardinals, allowing nine hits but striking out 11.

Tony Taylor, another hot hitter the past week, belted a pair of homers for the Phillies in their extra-inning triumph. Taylor's first homer of the game tied the score at 3-3 in the seventh and his second capped a two-run uprising in the 11th. Taylor has hit only three homers this season and all have come at Montreal in the last three days.

Lois Tiant gained his sixth victory without a loss and helped his own cause with three hits and three runs batted in as the Twins routed the Brewers. Tiant also scored two runs but was forced to leave the game in the eighth inning when his arm tightened up.

Longhorns Will Seek Berth In World Series Against Pan Am Today

AUSTIN, Tex. (UPI)—Texas pitcher Burt Hooten (8-1) goes against Pan American's Tony Barbosa (7-2) today in the first game of a series between the two teams to decide the District 6 NCAA baseball championship.

Texas was expected to go with James Street in the second game of today's double header. If a third game is required it will be played Saturday.

Pan American's Tommy Sandoval tossed a four-hitter to beat Arkansas State 5-0 in the first game of the double-elimination tournament Thursday. Mike Beard of Texas followed with another 5-0 shutout to eliminate the Arkansas team.

Texas put it away in the fourth inning with a three-run rally. John Langerhans led off with a homer. Mike Merkl made it to first on a fielder's choice and was driven home by Lou Bagwell's triple. Then Bagwell scored off Jimmy Crouch's single.

Tom Harmon and Pat Amos drove in two more superfluous runs with singles.

But the Longhorns suffered a severe setback in the bottom of the sixth when Langerhans, who went three-for-four with a homer and a double, injured his right knee while chasing a foul ball. He probably will not play today.

Beard struck out 14 in pitching his four-hitter, running his record to 7-0 for the year. Charles Blackburn was the loser.

The winner of the Texas-Pan American series goes to Omaha June 12 for the College World Series.

In the Pan American-Arkansas State game, Sandoval stayed out of trouble except for the seventh, when Arkansas State loaded the bases with one out.

But Sandoval escaped by getting shortstop Larry Moffett to hit into a doubleplay. Sandoval's win gave him an 8-0 record this year. Rusty Bourg was the loser for the Indians.

Pan American scored three runs in the third inning when Ray Hill got to first on a bunt, stole second and scored off Arnie Alvarez's double. Mike Duggey took first base on an error and stole second, giving Pan American runners on second and third. Al Pierce singled both men home.

In the sixth the Broncs loaded the bases with two walks and a single and brought in a run on Tim Tully's sacrifice fly.

The fifth Pan American run came in the seventh on singles by Mike Duffey and James Tyrone. Duffey scored on an error by Arkansas State shortstop Moffett.

California Netter Inks Pact With West Texas

CANYON — Dave Footitt, one of the better tennis players in southern California, has signed an athletic scholarship agreement with West Texas State University.

Footitt will transfer to West Texas State in the fall from El Camo Junior College in Torrance.

"Dave is one of the better players to be recruited to play at West Texas," said WTSU coach David Kent. "He is a standout athlete and stand-out player. He's capable of playing number one for us."

Footitt didn't pick up a tennis racket until he was a sophomore in high school. He played number one on the junior varsity team at Hawthorne, Calif., High School that spring.

He was the number one player on the Hawthorne varsity tennis team and senior season, compiling a 19-4 singles record as a senior. His team captured a state title.

Footitt also competed in football and basketball in high school.

At El Camo his freshman year he had a 21-3 singles

record and was 20-3 in doubles. He qualified for the state junior college tennis tournament this spring.

In two matches with Jerry Van Ling of Santa Monica Junior College, the top junior college player in southern California, Footitt lost twice by narrow margins in three set matches.

Footitt, who plans to major in data processing, is the son of Mr. and Mrs. Leslie Footitt.

Wisconsin College Has Unusual Answer To Student Voice

By FREDERICK H. TREESH
United Press International

Beloit College in Wisconsin has created a three-house system of governance that involves students as well as administrators and faculty in decision-making on "matters of consequence."

"The background out of which this comes is the displeasure of students about what had been called student government," said Hugh Allen, Beloit's vice president for college relations. "What they said was that it was 'Mickey Mouse'—in effect, go take your marbles and play in the corner."

Bentsen, a Democrat, will oppose U.S. Rep. George Bush, R-Tex., for the Senate seat being vacated by Sen. Ralph W. Yarborough, D-Tex.

"When the President and vice president campaign in Texas this year, I hope they'll explain to the people their plans for stabilizing the cost of living and ending the recession," Bentsen said.

"Their lack of action this far gives us little hope that they intend to shake their lethargy where the economy is concerned."

Bentsen said the Nixon administration has done "virtually nothing to turn the tide" of unemployment.

Bentsen said the stock market has tumbled to its lowest point in seven years and investors have lost more than \$300 billion since Nixon took office.

In 1969, the Student Senate dissolved itself and asked the college administration to establish a commission to study the feasibility of a new system that would involve students in consequential decisions.

The new plan was devised, overwhelmingly approved by students in a referendum, narrow margin and approved by the college trustees at their spring meeting this year.

The three governing bodies are:
—Academic Senate: Consisting of faculty and 12 students, it has legislative authority over academic affairs.
Community Senate: 16 students, 5 faculty members and the dean of students sit in the community Senate, which legislates on non-academic aspects of campus life, including the judicial system, dormitory rules, extracurricular activities, and publications.

College council: This body, which is advisory rather than authoritative, consists of 5 members of the university president's staff, 5 students, 5 faculty members, 3 trustees and 2 alumni. It is empowered to analyze, discuss and make recommendations on any aspect of college operation, including fiscal management.

"It has carte blanche on institutional policy," Allen said, indicating that it could be the most influential body of the three, even without authority to legislate.

Why involve students so fully in operating the college?
In answer to that question, Brown recalled what his former teacher, S. I. Hayakawa, described as "sapiential authority."

"This has to do with the inherent authority that a group has because it is the primary participant in an event or phenomena," the Beloit vice president said. "Our philosophy is that because the student is in this role, he has some inherent authority."

"If we don't hear him, if we don't involve him, we'll be missing the ball," Alein said.

The Lighter Side

By DICK WEST
WASHINGTON (UPI) —

A U.S. senator from one of the smaller states recently lamented that his campaign for reelection this year will cost about \$600,000.

Well, senators only run for office every six years and in that length of time they can lose touch with reality. Actually, compared to some campaign expenditures, this senator is practically getting in free.

Inflation probably has hit politicians as hard as or harder than any other occupational group. In some races, \$600,000 wouldn't even pay for the bumper stickers.

The ever-increasing expense of running for Congress is a source of great concern to political reformers who see it as a threat to the democratic process.

They said that if the trend continues, only the wealthy can afford to campaign and Congress will become an exclusive rich men's club.

Promotes Political Honesty
That is one way of looking at it, all right, but I am convinced that the high cost of campaigning helps promote political honesty.

At today's rates, hardly anyone can afford to buy a politician.

Should the inflationary trend continue, it appears likely that politicians, as a group, will price themselves right out of the market.

At the first glance, the prospect of having nothing but honest politicians seems inviting. But that is a shortsighted view.

The danger is that we will move from an era of honest politicians into an era of no politicians at all. Campaign expenses could very well keep climbing to the point where even rich men couldn't afford to become candidates.

100 Per Cent Vacant
Which would leave us with 100 vacant Senate seats and 435 empty seats in the House.

In an emergency, I suppose we could pool our campaign contributions and elect a single senator and a single House member to hold the legislative branch franchise until inflation is curbed. That doesn't sound very constitutional, however.

Several other solutions have been proposed, including legislation that would cut campaign costs by letting candidates buy television time at reduced rates. In my judgment, this is the wrong approach.

A better way would be to pass a law that would prohibit candidates from appearing on television at all.

Another School Year Comes To An End

P.H.S.

Pampa Independent School Board

VALEDICTORIAN

VALEDICTORIAN of the 1970 Pampa High School graduating class is Debbie Veale, daughter of Dr. and Mrs. J. B. Veale, north of the city.

SALUTATORIAN

SALUTATORIAN of the class of '70 is Gayle Griffin, daughter of Mr. and Mrs. Joe Griffin, west of city.

BEST CITIZENS

JOHN DUGGAN, son of Mr. and Mrs. Don C. Duggan, 1601 Hamilton.

BETH WATSON, daughter of Mr. and Mrs. Floyd Watson, 2329 Aspen.

SCHOOL FAVORITES

JACKIE GINDORF, son of Mrs. Henry Gindorf, 2530 Aspen.

ANGELA CUNNINGHAM, daughter of Mr. and Mrs. James W. Cunningham, south of city.

CLOSING OUT their high school careers with honors are the following high seniors, who were recipients of special awards:

Sue Shirley, English; Sue Shirley, Lynn Lunsford, Ready Writers; Randy Marsh, history; Debbie Veale, math; Jeanne Fisher, biology; Debbie Veale, Bausch and Lomb Award; Randy Marsh, physics; Todd Lemmons, electronics; Dudley Warner, chemistry; Debbie Veale, Texas Chemical Award; Felinda Cates, Business and Professional Women's Club scholarship; Peggy Nabors, Business; Cassie Mitten, Job application; Cheri Heckman, typing.

ALSO, Mary Ratliff, Who's Who in Home Ec; Rose Nichols, Outstanding Student in Home Ec; Vickie Fry, most improved Home Ec student; John P. Couls, and Roger Gibson, vocational agriculture; Billy Roy, drafting; Gary Potter, woodworking; Jean Ann Hawkins, crafts; Jimmy Wevandt and Robert Gage, art; Vickie Kenner, speaker of the year; Liz Silcott, best thespian; Candy Cole, Little Harvester editor-in-chief; Debbie Veale, Harvester Yearbook editor-in-chief; David Irwin, journalism; Debbie Veale, Quill and Scroll Yearbook; Candy Cole, creative writing; Randy Maness, photography and publications; Chuck Lamhart, cartoonist.

ALSO, Connie Sitterly and Robert Gage, Prairie Gold; Susan Zlompeke, DAR Award; Pam Martin, Cindy Cambren, Kay White, Cheryl Dollar, Beth Watson, Brenda Duncan, cheer leader awards; Curt Morrison, French.

EXAMINING PAMPA HIGH SCHOOL building plans, the five Pampa School District trustees check the architect's specifications on new PHS projects under construction this Summer. Trustees are Jimmy Thompson,

board president, seated right, Warren Hesse, vice president, left, and standing from left, Dr. R. M. Hampton, John Gikas, and Bob Carmichael, board secretary.

P.H.S.

Dear Old Pampa High School

Let me call you Sweetheart,
Dear Old Pampa High School,
We're in love with you,
Dear Old Pampa High School,
We will be true blue.

P.H.S.
Keep your colors flying
we stand by you,
Dear Old Pampa High School,
we're in love with you.

P.H.S.

SEATED, Pampa High School principal Cameron Marsh and, standing, assistant principal Sterling Gibson.

SUPERINTENDENT of Schools, Dr. James L. Malone.

Best Wishes "70!"

Promise of a Greater America...

The Seniors . . . young people on their way to ever-higher goals; young people dreaming bigger dreams and working hard to make dreams come true. This is what gives promise to making America's future ever greater.

The diploma, like the flag is simply a symbol. The real test of greatness for people or for nations is in honorable and continuing achievement.

The new Seniors, by their past achievements, given every indication that they are willing and able to meet that test . . . to help make tomorrow's America greater than ever.

Our prayers and best wishes go with this outstanding Senior Class.

Congratulations
