Churchillites Win Municipal Elections

U. N. Calls for Trusteeship of Part of Africa

NEW YORK—P—The General Assembly last night again called on the government of South Africa to place the territory of South-West Africa under United Nations trusteeship. South Africa did not comply with a previous appeal from the 1946 assembly.

The vote was 41 to 10. Britain was the only big power to oppose the move, with the United States and Russia joining in support.

Australia voted against the resolution after Deputy Prime Minister Herbert V. Evatt told the delegates:

"This amounts to a censure on a member government."

The ballot came after a Danish amendment to water down the proposal was accepted. The modification struck out a one-year time limit for compliance and left the assembly merely expressing "hope" that South Africa would submit the agreement by next fall.

Delegates Francis B. Sayre, former United States high commissioner to the Philippines, insisted that South Africa was not legally bound to take such action and specifically objected to setting a one-year deadline on compliance.

He expressed hope that the union government eventually would take such steps but held that the UN had no authority under the charter to order such a course.

Debate over the trusteeship issue held up a final vote in the Soviet "warmonger" case where the 57-nation Political Committee threw out the original Russian charges and substituted a resolution condemning all propaganda "designed or likely to provoke or encourage any threat to the peace, breach of the peace, or act of aggression."

The "peace-calling" proposal was adopted 56-1 in committee and now must be approved by the full assembly. However, Soviet Deputy Foreign Minister Andrei Y. Vishinsky announced that he would speak again.

Last year the assembly invited South Africa to place the south-west territory under trusteeship after refusing to approve a plan for the union government to annex the area. No action was taken in the intervening year and the government of Prime Minister J. C. Smuts has been accused of ignoring an assembly decision.

The case was threshed out in lengthy debate in the Trusteeship Committee which finally passed, 27 to 21, the resolution setting a one-year limit on compliance. The Soviet and Arab blocs were among those attacking the plan with such countries as the U. S., Britain, France, Belgium and the Netherlands in opposition.

Late Report Shows \$4,355 Drive Total

Although Pampa civic clubs and Girl Scouts have not achieved the \$6,000 goal in the current fund drive, \$4,355.10 had been collected by last night, and drive sponsors said they believed donors who had not as yet been contacted would bring this to the goal early in the week.

Civic clubs have been engaged in a contest for collections, and fund drive leaders said the winner probably would be announced Monday.

December 4 Election Officials Are Named

Election officials for the December 4 election on Policemen and Firemen's Civil Service and Compensation Acts were announced yesterday by Clyde E. Jones, election manager.

The following clerks will be present at the polling place in the City Commission Room, City Hall on Thursday December 4:

Mrs. Curley White, Mrs. Roy Holt, Mrs. R. R. Jones, and Mrs. Joe Autry.

The poll will be opened from 8 a. m. until 7 p. m.

Judge Defers Decision on Trial Motion

Judge Lewis M. Goodrich Friday evening deferred damage suit on the motion on hearing for a new trial in the \$50,000 damage suit of R. C. Taylor versus J. D. Wright and Son, after a parade of witnesses including jurors, attorneys and the Court itself were called to the stand in connection with alleged misconduct in the jury room on July 12 when the case first went to the jury.

The hearing started at 11:14 a. m. Friday and concluded sometime after 6:30 p. m.

Several of the jurors became irate over the "misconduct" charge but were told by Col. E. A. Simpson, chief defense counsel that "misconduct" does not necessarily mean "crookedness" on the part of jurors, but means that many times, jurors take into consideration immaterial things in arriving at their verdict such as comparing one case with another case they knew of before and using that experience to guide them in the one they are deliberating on.

The misconduct charged by the defense arose out of several jurors stating that questions of insurance and attorneys fees were brought into the deliberations.

R. P. Millan, claims investigator for the Underwriters and General Insurance Company, admitted on the stand that he had called on the jurors in the case inquiring as to whether they had or had not considered, or even heard, that insurance was connected with the suit. Millan further testified he had to make several calls on some of the jurors.

Audit of City's Books Discloses \$423,000 Balance

A balance of \$423,087.50 in cash and bonds was held by the city as of September 30, the first to complete audit in 18 months of the city's books disclosed last week.

The balance was broken down into three main funds, general, debt service and construction funds.

Of the \$423,087.50 balance, \$289,000 is in bonds held by the debt service and construction funds and can be used only for the retiring of debts of water and sewer construction and the current paving program.

The total amount of cash in the general fund as of September 30 amounted to \$49,607.37, divided into eight different branches including, general, water and sewer, trust, library, meter deposits, petty cash, traffic and recreation.

A cash balance of \$57,256.25 remained in the construction fund on September 30 of which \$20,215.43 is money put up by property owners for paving. A total of \$250,000 in bonds for

Winners Named in Display Contest

Girl Scouts of Intermediate Troop 7 were awarded first place in window displays yesterday as Girl Scouts participated in display contests downtown yesterday in the final day of activity of Girl Scout Week here. The winning display at Smith Shoe Store featured a "live" demonstration of camp craft and cookery, with the Scouts using stoves and burners they had made to prepare a special type of bacon and egg sandwich which they gave away to the public. They also made colorful twig ornaments. The troop was awarded a \$15 prize. Troop leader is Mrs. Carl Stone.

Intermediate Troop 2, at Penny's won second place with a scene featuring the girls engaged in an active camping scene setting up cots, campfires and equipment. The troop is led by Mrs. Frank Carter and Mrs. Noel Dalton.

This place was won by Intermediate Troop 20, led by Mrs. R. H. Nestel and Mrs. Rena Smith. Their display at Smith Studio featured pictures of camping scenes and of girls of the troop in a variety of activities.

Other troops receiving prominent mention for their displays are Intermediate Troop 13, with a display of craft articles at Pampa Hardware; Brownie Troop 9, with a Stop! Look! and Listen! display at Wilson Drug; Brownie Troop 19, with a display of craft articles at Levine's; Brownie Troop 22, with a display at Thompson Hardware, showing ten fields in Brownie Scout work; and Brownie Troop 26 at Berry's Pharmacy, showing the Girl Scout house, the Brownie meeting place.

Physicians Blast County Court on Proposed Hospital

Physicians of Pampa in a paid advertisement in today's issue of The News, point up the urgency for the proposed county hospital, bonds for which were voted over a year and a half ago.

"The need is so urgent," the statement says, "that it should receive top priority attention of the Commissioner's Court. It is their duty."

Local Legion Post Sets Membership Drive This Week

With present American Legion membership here at 450, the Legionnaires hope to bring this to 1,000 for 1948 as special emphasis is being placed on membership drives here during the week beginning today and continuing through Nov. 9.

In calling attention of prospective members to the work of the organization, Legionnaires pointed out the long list of legislation affecting veterans and their families, which the Legion has helped sponsor and back.

A special service officer is retained here by the Legion, to help with problems of all veterans, whether they are members of the Legion or any other organization. The Legion said this officer, paid by the Legion, takes a tax burden off the people, and offers a service to any veteran or veteran's family.

The Legion reports this service offered has been of assistance many times in assisting veterans and their families in filing for claims and pensions, in securing on-the-job training and education benefits. Jack Graham, service officer, has his office in the Legion hall, which also serves as an information center.

The Legion hall, which is open for use by any veterans' group, has recently begun construction of additional club rooms, which will probably be ready for use by Christmas.

Such activities are sponsored as an honor guard and firing squad for military funerals, junior baseball teams, youth activities, Christmas trees and assistance to the needy and other community services.

Officials of the Legion pointed out, in calling attention to the membership drive, that the Legion had a long record of work toward furthering American ideals.

Resigns Position

John Cinelli, attached to the City Engineering Department, resigned from that branch and will return to his native Bound Brook, N. J., on Monday. Cinelli will enter the construction business with his brother in The Garden State.

Lawmakers' Farmers Want Price-Crops Program Continued

(EDITOR'S NOTE:—Francis M. Le May, Associated Press staff writer, accompanied the Home Agriculture Committee on a "grass roots" tour, undertaken farm program. He presents here a summary of what farmers-witnesses had to say.)

By FRANCIS M. LE MAY
WASHINGTON—(AP)—Farm price crops, production controls, soil conservation payments and encouragement of farmer co-operatives dropped into place today as the four-day farm program, refined and polished, is good enough for the Congress, group headed

back for Washington yesterday after a 5,000 mile swing through New England, through the Atlantic Seaboard states, into the Deep South, on to the North Central states and the Midwest.

It went into 23 states and heard approximately 300 farmers testify on what they have on their minds for future farm policy when much of the agriculture-supporting legislation dies at the end of next year.

A few said "let the farmer stand on his own feet," but the majority view was summed up by a grinning Negro, Joe Brooks, from Yazoo County, Miss. He stepped up before the committee and said:

"If the farmer is the backbone of the world, as some folks say, and this farm program expires next year, the world is going to have a very weak backbone."

Brewers Start Short Rations To Save Grain

WASHINGTON—(AP)—The nation's brewers began Saturday a three-month program of shorter rations of grain in the feed-Europe campaign, while the first court threat against the liquor industry shutdown was lifted.

Some 450 brewers of beer and ale launched a voluntary program designed to save 1,000,000 bushels of grain a month, under a pledge signed by the United States Brewers Foundation and the Small Brewers Committee.

Chairman Charles Luckman of the Citizens Food Committee made a formal announcement of the withdrawal of a court proceeding which would have required the Kentucky distillers to keep running during the 50-day liquor-making "holiday."

A court order had held that the committee had no authority to close the Heaven Hill Distillers, Inc., and ordered the Hardstown, Ky., firm to remain open and make whiskey deliveries under its contract with a sales company, the Heaven Hill Distributing Corporation of Los Angeles, which brought the suit.

Yesterday Luckman announced that Oliver Jacobson, president of the distributing company, telephoned the committee in Washington and authorized this statement:

"In the best interests of the President's food conservation program, we have voluntarily called

Ordinance Calling Civil Service Bill Election Passed

A short afternoon special meeting of the City Commission Friday passed the third and final reading of Ordinance 265 calling for the Policemen and Firemen's Civil Service election on December 4. The Policemen and Firemen's Compensation election will also be held on that day.

Representatives from the Top O' Texas Rodeo Association, the Hereford Breeders Association and the 4-H Club requested the city to purchase a house for use of the caretaker at the Recreation Park. The representatives stated that they were paying caretaker and the city own park. The request was taken under advisement by the commission and the rodeo association to look around for a suitable house to be moved.

No definite decision was made on the request. Those ap for the three groups Chester Thompson, Weathered, Paul Crouch, C. Overton.

The commission also talked further consideration on a request by the management of Griffith Theaters for permission to rent the sides of the trash cans for movie advertisements. The request has been the air for several weeks but was only made official Friday.

The commission entered a discussion on a zoning ordinance now in the first of construction by the city. The ordinance when passed will contain regulations trash barrels in alleys in business and residential areas as well as regulations to be followed by the city.

Additional traffic control reported as "well under way" by City Manager Steve Matth

Reveals

To stress his point, Brooks added: "Way back yonder, in my county, there was a fellow that when his crops didn't look good his wife left him. But when these parity payments came in his wife came back."

Some rural people appeared nervous at present prices, but most contended the farmer's price is not out of line with other segments of the economy.

For the future, the farmers put greatest emphasis on preservation and improvement of the soil. An Ohio farmer testified: "We farmers for generations have been mining out soil to subsidize the consumer. The consumer got lower prices while our soil deteriorated. I think it's time the consumer subsidized the farmer to help him get the fertility back in the soil."

Conservatives' Victory Termed Overwhelming

LONDON—P—Winston Churchill's Conservatives claimed an "overwhelming" victory late Saturday over Prime Minister Attlee's Labor Party on the strength of nearly complete returns from yesterday's municipal elections in England and Wales.

Both parties in heated campaigning had called the elections a test of popularity for Attlee's government, which replaced Churchill's after a landslide Parliamentary victory more than two years ago. The voting apparently was the heaviest for any local elections in upward of 10 years.

Balloting was for 3,266 council seats—one third of each borough council—in 392 cities and towns, not including London.

Returns from 365 of these localities showed: Conservatives gained 588 seats, lost 17; Labor gained 42, lost 64; Liberals gained 44, lost 46; Communists gained none, lost nine; Independents gained 170, lost 126.

Labor's setbacks were reflected in such Labor strongholds as Birmingham, where the Conservatives gained eight seats to wipe out labor's majority on the municipal council. The new strength is Labor 68, Conservatives 65, Independents three.

Labor also lost control of the Manchester City Council, although in industrial Sheffield the Government Party gained four seats from "Progressive" and strengthened its topheavy majority.

While the Conservatives failed to win control of many large industrial cities, Labor's vote was cut to such an extent that the Attlee party lost previous majorities in Rugby, Lincoln Reading, Rochester and the London suburb of Wembley.

Less than an hour after midnight, Conservative Party Headquarters issued a statement which said:

"The results so far available disclose an overwhelming Conservative victory. Although the returns from some large boroughs still are awaited, the wholesale rejection of socialist doctrine throughout the country indicates a complete swing of public opinion."

Since coming to power in Britain, Labor has nationalized a series of key industries but has been beset increasingly by economic difficulties that have forced adoption of more and more austerity measures.

Police reported that an automobile, owned by Virgil Greenhouse, 405 W. Browning was ransacked of three blue suits, two grey suits, two suits of khakis and a flowered mack in front of the football park.

A house located at 125 S. Nelson St., was marred with red paint by a group of small boys. Police said a woman reporting the incident saw the boys in question and was going to turn them in Saturday.

Near midnight residents on N. Mary Ellen reported that several "big boys" were breaking windows around houses in that area. His report was followed shortly by report from the same neighborhood of a car with a group of boys prowling around the area.

Police having nothing further to report were unable to legally place anyone under arrest or bring them in headquarters. They ordered the boys to take their car and go home.

Street blocking on Mary Ellen St. W. Foster by some vandals resulted in nearly wrecking two automobiles. On W. Foster an old car was removed twice by police from the street. It was moved out the first time and was hit by an unidentified driver. Park benches from Central Park were pulled out in the side of the street. One was hit by an automobile. The incident was reported by someone in the neighborhood. Other streets blocked were Ward, Cooke, and Houston, where police had to move cement blocks placed in the streets.

At least two pieces of farm equipment, a harrow and a plow, were reported missing. See HALLOWEEN, Page 8

MRS. EMMETT OSBORNE, who lives five miles south of Pampa, is one of the first to call a friend on the new rural phone system installed south of Pampa last week in 127 farm and ranch homes.

PAMPANS AT WORK:—

New Telephone System Brings Farm Families "City Service"

One hundred and twenty-seven farm families south of Pampa have new phones this week, following five weeks of installation work by the Southwestern Bell Telephone Co. The project had been under way for three years, and 3,000 poles had been set up by the end of last February. The new system was opened last Saturday in the Cities Service, Sinclair, Gulf and Merten Lease areas.

Mrs. Emmett Osborne, who lives about five miles south of Pampa, was one of the first to have a phone installed in the project. Her response is typical of the many rural families who have the new phone service.

Police Unable to Keep Vandalism Completely Down

Despite a full force of men patrolling streets, alleys, theaters and other public places, Halloween vandals ran amuck Friday night with one car being ransacked, a house marred with red paint, water pipes on Mary Ellen broken, fire hydrants turned on, and streets blocked that caused two crack-ups.

Police reported that an automobile, owned by Virgil Greenhouse, 405 W. Browning was ransacked of three blue suits, two grey suits, two suits of khakis and a flowered mack in front of the football park.

A house located at 125 S. Nelson St., was marred with red paint by a group of small boys. Police said a woman reporting the incident saw the boys in question and was going to turn them in Saturday.

Scouts Will Present Program for Jaycees

Members of Boy Scout Troop 80, which is sponsored by the First Methodist Church, will be guests at the Tuesday luncheon of the Jaycees, as the Scouts present a program on Scouting and good citizenship.

Bobby Epps, who attended the World Jamboree, will give an account of his experiences and of the Jamboree as a builder of international goodwill. F. Gallman is Troop 80 scoutmaster.

Other Scouts to appear on the program are Patrol Leaders Jack Inel, R. D. Talley, Jackie Cox, Paul Boswell, Robert McDonald and Senior Patrol Leader Melvin Peeples.

?? WHY ??

1. Why Hasn't Construction of a County Hospital Been Started?

It has been over 19 months since the voters of this county passed a bond issue for this purpose. The county is paying interest on the bonds—the money is idle — construction costs have gone up steadily.

2. Why Can't Gray County Build a Modern 100-Bed Hospital With the Available Funds?

Investigation has shown that it can be done. It IS being done elsewhere.

3. Why Wait For Federal Funds?

An adequate hospital can be built with the available money. Can't we build and run our own County Hospital? Do we have to call in the Washington bureaucrats?

4. Why Was An Architect Who Said He Had Never Built a Hospital Hired for the Job.

Hospital construction is a specialized type of construction and the economy and efficiency of operation of a hospital depends on how it is built. Experienced hospital architects were available for the job.

5. Why Does Gray County Have to Wait for a New County Judge and Commissioner's Court?

The need is so urgent that it should receive top priority attention of the Commissioner's Court. It is their duty.

This quartet will be the featured attraction of the Top of Texas "Parade of Quartets" to be held at the Junior High School Auditorium, Nov. 22. The parade is being sponsored by the local chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America. This quartet will be heard Tuesday night, on Bob Hope's weekly program.

Singers to Assist In Local Revival

Mr. and Mrs. Ralph Pollock, outstanding music leaders of the Christian Church Brotherhood, will arrive in Pampa, Monday,

to assist with the week long revival meeting which starts here today at the First Christian Church, the Rev. B. A. Norris announced yesterday. The Pollocks will be working with evangelist, George R. Davis of St. Joseph, Mo., who is the preacher for these special services.

The couple assisted Rev. Norris with a three weeks revival here in 1941 with 72 new members being added to the local church at that time. They are known throughout the United States for their ministry of evangelism and music with the Christian Churches for the past twenty years, Rev. Norris stated.

District Governor Of Rotary Speaks Shamrock Meet

SHAMROCK—(Special)—“We are living in the greatest nation in all the world, a world looking to us to help feed hungry people, and hungry people are dangerous people,” declared Jim McCulloch, of Stamford, district governor of the 127th district of Rotary, when he addressed the large crowd gathered at the home of Mr. and Mrs. Stuart Tisdal Thursday evening for the ladies night meeting.

A barbecue dinner was served on the spacious lawn at the Tisdal home. Mayor Bill Walker, John Gilliam, Eli Smith and Stuart Tisdal prepared the barbecue.

An outstanding program of tumbling and various stunts was presented by members of the Maverick Club of Amarillo. Tisdal introduced Perry Bear, local Rotary president, who introduced the speaker of the evening.

Governor McCulloch stressed fellowship and peace as the greatest needs of America today. “Few qualities are needed to formulate peace,” he said. “First

of all we need faith in ourselves. We must learn to understand each other. We need great faith in our country and above all faith in a Supreme Being.” The Amarillo Maverick Club, which is made up of boys from all walks of life, included two boys, Edsel Buchanan and Eddie Tilly, who are national champions and placed in national competition last year at Dallas in the National AAU meet, where several countries were represented.

Other mavericks in the group included: Freddie Bryant, Don Hicks, J. H. Leubetter, Jodie McCarthy, Bobby Neal Jones, Kenneth Hutton, Roger Holman, Jackie Muri Lee, Bobby Slaton, Billy Marsh, Don Hall and Billy Jack McLaughlin.

They were in the charge of Ralph Dyceman and Nard Sazell of Amarillo is an instructor for the group.

About 125 Rotarians, Rotary Anns and their guests attended the meeting.

Nineteen Girl Scout Troop Leaders Take Leadership Course

Nineteen Girl Scout troop leaders and Troop Committee members have attended the Girl Scout Group Leadership Course which has been in progress for the past two weeks.

This Girl Scout leadership training has been under the instruction of Miss Marie Stejcek, executive director of the Pampa Girl Scout Association. She was assisted by Mrs. W. A. Claunch, Brownie leader, in one session. The outline shows that the following is included in the course: Session 1, orientation in Girl Scout work—general set-up, and history, what a Girl Scout is like, her needs and interest. Session 2, leadership responsibility—troop program, individual development, troop records, troop activities, Brownie practices, intermediate activities and badge work.

Session 3, planning and carrying out out-door activities—types of hikes, outdoor games, free play, nature quests, fire building, cooking, trail laying, and Girl Scout standards in carrying them out, along with crafts to carry out in connection with the out-door sessions.

Session 4, which will be held on Tuesday morning Nov. 4, at the Girl Scout House on East Kingsmill will include planning with the troop and troop committee, where to secure further help and training, additional dramatics, crafts, songs, and an investiture ceremony and presentation of certificates to those who completed the eight hours of training.

Those who have taken part in some or all of these sessions of training are Mrs. Carl Stone, Mrs. Bob Bowerman, Mrs. B. A. Derry, Mrs. John Kirtzweh, Mrs. Frank Haggsett, Mrs. W. B. Herr, Mrs. J. E. Ayres, Mrs. R. C. Rowden, Mrs. Earl Murphy, Mrs. Clifford Lewis, Mrs. C. L. Statton, and Mrs. Paul Pittenhouse of Pampa, and the following ladies from White Deer: Mrs. B. O. Bentley, Mrs. Bagley, Mrs. Conner O'Neal, Mrs. Williams, Mrs. W. W. Simmons, Jr., Mrs. Dalton Ford, and Mrs. Mitchell Powers.

This Kitchen Proves To Be Dangerous Place

ALTON, ILL.—(AP)—Three calamities occurring on successive days were enough to send Mrs. Ella Rice, 74, to a hospital. On Monday a heating stove exploded, Tuesday a leg broke off a kitchen table and spilled her dishes on the floor. Wednesday when the stove exploded again Mrs. Rice went to the hospital for treatment for minor burns.

Tired, "All-In"—Listless Feeling Brought To Halt

As Vibrant Energy is Released To Every Muscle, Fibre, Cell

Do you get up in the mornings still tired, feel down-and-out all day? Have you checked up on your blood strength lately? Overwork, undue worry, cold, flu or other illness often wears down the red-blood-cells.

Every day—every hour—millions of tiny red-blood-cells pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get bulky with gas, bloated and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

Scout Leaders Saluted at End of Special Week

To the many women of Pampa who are giving much of their thought, time and effort to the leadership of Girl Scout troops Scouts and Scout leaders give their salute and hearty thanks at the close of Girl Scout week.

The Brownie Leaders who have recently registered as troop leaders in Pampa are Mesdames F. C. Rowden and Clifford Lewis, leaders of Troop 1 at Woodrow Wilson School; Mesdames Earl Murphy and Archie Bullard of Troop 9 at Baker School; Mesdames J. B. Ayres and C. B. Ausman of Troop 26 at Woodrow Wilson School.

The Intermediate leaders who have recently become affiliated as troop leaders here are Mrs. R. P. Bowerman, assistant leader of Troop 7 at Junior High; Mrs. O. L. Statton leader of Troop 25, Woodrow Wilson school; Mesdames B. A. Derryberry and J. P. Kurfawell leaders of Troop 29, Baker School.

Mesdames W. A. Claunch, I. T. Goodnight, and W. L. Kretzmeier are the leaders of fourth grade Brownie Troop 19 from Woodrow Wilson School. These ladies have been associated with troops as Troop Committee members and leaders for the past two and three years.

Ladies who have started their second year as Brownie Leaders are Mesdames Harold Osborne, W. E. Moore, and J. A. Grundy. They are leaders of third grade Brownies from Sam Houston School.

Mrs. Emmett Osborne is beginning her third year as leader of Troop 15 a fifth grade Intermediate troop at Sam Houston School. She is being assisted by various troop mothers and troop committee members.

Mrs. Carl Stone as leader of Sixth Grade Troop 7, is beginning her third year as troop leader while Mrs. Noel Dalton and Mrs. Frank Carter, leaders of Sixth Grade Troop 2, are completing their fourth and fifth years in Girl Scouting.

For our Seventh Grade troops we have Mesdames J. L. M. Fitzgerald and J. V. Young as leaders of Troop 16 and Mesdames R. H. Nienstiel and Rena Welch as leaders of Troop 20. They have been troop leaders several years, ranging two to five years, and most of the girls in these troops have been Scouts since their second grade in school.

Mrs. W. B. Herr, leader of Troop 3 at Holy Souls School, is also a veteran in Girl Scout work, having had experience in leadership before coming to Pampa.

Eighth Grade Troop 8 is under the leadership of Mrs. D. C. Culwell and Mrs. R. L. Ewing who have been in Girl Scouting one and three years respectively.

With the eighth grade Troop 13, which is made up of Girl Scouts most of whom have been active troop members since 1942, Mesdames W. O. Prewitt and Irvin Pursley are the leaders who have completed their fifth year as leaders of this group. They are assisted by Mrs. R. W. Foward who has also been with the troop for several years.

One leader, in answer to the question "Why are you a leader?" replied, "Once involved, it is not easy to pull out. Soon you are so wrapped up in progress, individuality and collectively it holds you like a mystery story and you want to see it through. Some programs don't turn out in the blaze of glory you had visualized, some girls don't take to Scouting as you had hoped, but I finally learned that even one "real Scout" a year is a year well spent.

"All this, besides what Scouting does for you personally. Can it be there is a leader who doesn't feel younger after dancing "Tancuj", or feel that she has her finger on the pulse of the times more for the association with individuals who will help shape the policies of our nation in the critical days ahead—perhaps colored not a little by the principles of honest and useful living that we as leaders have the opportunity to teach. Scouting is challenging, the field limitless. How can people resist?"

Harvesters Wallop Cubs 41-12 for 1st Conference Win

PAGE 6 Pampa News, Sunday, November 2, 1947

Americans Score Grand Slam Over Britishers in Cup Play

Texas Gets 1st Big-Time Auto Racing Today

ARLINGTON, Texas.—(AP)—Texas gets its first big-time auto race today—a 100-mile event in which Ted Horn of Paterson, N. J., and Bill Holland of Bridgeport, Conn., will settle the American Automobile Association championship.

Postponed from last Sunday because of rain, the race definitely will go on today with an overflow crowd of 30,000 expected to jam Arlington Downs to watch 16 of the fastest cars in the nation plug for \$10,000 in prize money.

Only one of the 37 cars entered was a doubtful starter. George Conner of Los Angeles, driving the Palmer Special from Indianapolis, crashed just Saturday through the west turn during a practice run. He was unhurt but there is some doubt the automobile can be repaired and made ready in time for the race. He may be able to get another car if the original is not in shape to start.

The battle for the AAA championship is a two-man affair. Horn and Holland are so far ahead in points from eight previous races that no other driver has a chance. Horn, the defending champion, needs only to finish as high as fifth even if Holland wins the race to clinch the title.

Qualifying trials will run Sunday from 10 a. m. until 2 p. m. The big race will start at 3 p. m. (CST), with Seth Klein, veteran Indianapolis Speedway starter, waving the green flag.

The race is being held under auspices of Racing International of Texas, an organization that leased Arlington Downs, where horse racing flourished before pari-mutuel betting was outlawed in the state.

Entries besides Horn, Holland and Conner include Rex Mays, Glendale, Calif., twice national champion; Tony Bettenhausen, Chicago, winner of the September 100-mile race in Illinois and Elton Green, San Angelo, Texas.

Arkansas and Aggies Duel to 21 to 21 Draw

FAVETTEVILLE, Ark.—(AP)—Texas A&M and the Arkansas Razorbacks teeter-tottered to a 21-21 draw and Clyde (Smack-over) Scott, slippy-hipped Arkansas spark, staged a sensational offensive show in a Southwest Conference football game here Saturday.

Scott ran 55 yards for one touchdown, passed for another and, netting 215 of Arkansas' 124 yards rushing, dealt the Aggies misery all afternoon. But A. & M. cashing in on two breaks and passing with deadly accuracy, wouldn't be beaten.

Nelson, who came out of retirement for the renewal of the trans-Atlantic competition, and his partner, Barron, also had to come from behind before scoring a hard fought win.

Their opponents, Rees and King, led the match until the 25th hole where Nelson dropped a 15-foot putt to even the count. The Americans grabbed the next two and held the advantage to the last.

Westerners Fall To Sandies 27 to 0

AMARILLO.—(Special)—Coach Goobert Keyes' Lubbock Westerners fought off two Sandies early in the first quarter; played the clutch consecutive time even terms through most of the second quarter and then collapsed, when the locals turned loose a vicious passing and running attack to overpower the boys from the Flus City and defeat them for the ninth consecutive time here yesterday afternoon, by a score of 27 to 0.

The Westerners stopped a Sandie drive that carried the ball to the 15-yard line when the game was less than five minutes old. The Sandies struck deeper a few seconds later, when Garner intercepted a pass and returned it to the seven yard line. Once again Lubbock rose to the occasion and stopped the march — this time with an interception of their own.

From the second play of the second quarter, Lubbock crossed the mid-field stripe for the first time, but after a punting drive that consumed most of the balance of the quarter, Amarillo started their first touchdown drive when they returned a punt to the enemy 42.

Lubbock's only scoring threat was stopped, when Ashley recovered a Westerner fumble on the Sandie 12. From there the locals started an 88-yard drive that was climaxed by Brown going over from the one-foot line. Farmer kicked his third conversion of the afternoon — end the scoring at 27 to 0.

Charlie Laffoon

Green and Gold Scoring Attack Sparked by Wilson and Laffoon

Capitalizing on two blocked punts, a fourth down fumble, the pitching arm of Charlie Laffoon, and the running of Jimmy Wilson, the Pampa Harvesters walloped the Brownfield Cubs at Harvester Park, Friday night 41 to 12. This was the Harvesters' first conference win against one conference loss.

Wilson scored three of the Harvesters' four last half touchdowns. Laffoon via the airways passed to Boyles for 55 yards for a touchdown, passed to Davis for 25 yards for a touchdown, and set up a third score on a 42-yard pass to Davis.

Leading by the score of 14 to 6 at the end of the first, the Harvesters came back on the field after they received to start the second half and begin their 20-point third period purge.

The fireworks started from the Pampa 35, where the locals received the second half kickoff. A 19-yard run by Laffoon, a pass from Laffoon to Williams and a 16-yard run by Williams carried the ball to the 21 where Mayes ran around the Brownfield left end for the score, only to have it called back, and the Harvesters were penalized 15 yards for holding, back to the Cub 35. A 32-yard touchdown pass from Laffoon to Davis was called back, and the Harvesters were penalized 15 yards from Cub three for holding. With two touchdowns called back, it was Pampa's ball, first down on the Cub 18. A ten-yard pass from Laffoon to Davis brought the ball to the five and then Wilson scored, this time for the record. Anderson kicked the point after touchdown.

After receiving the ball on their own 42, the Cubs scored their first touchdown on a 55-yard run by Martin, who scampered through the Pampa line to cross the goal line standing up.

Not to be outdone, the Harvesters received the Cub kickoff on their own 44-yard line, and on the first play Laffoon passed to Boyles which was good for the necessary 56 yards for the touchdown. Boyles was ably assisted by beautiful downfield blocking by Mayes and Davis.

Four plays later an unidentified Pampa lineman blocked a Cub punt and the Harvesters took over on the Cub 28. Mayes ran the ball to the visitors' 19, from where Wilson scored his second touchdown of the evening. Anderson converted.

On the first play of the fourth quarter, the Harvesters again blocked an attempted Brownfield punt, again taking over on the visitors' 28. On the first play, Wilson scored the remaining 20 yards to the Cub goal line for the final score of the evening. Anderson converted.

The educated toe of Kelly Anderson made five out of six points after touchdown during the game.

The winners' first score came after a sustained march following the opening kickoff from their own 25-yard line. The drive was climaxed by Mayes scoring from the four.

A fourth down fumble set up the second Pampa score, when the Harvesters recovered on the Brownfield 25. Laffoon pitching to Davis was good, on the first play, for the score. Anderson converted.

The Cubs' initial score came in the second quarter on a downfield march from their own 34. Parrish scored from the Pampa one.

Defensively, the Thornborough, Carl Mayes, and Kelly Anderson, led the Harvesters, while Jerrell Price, a 195-pound tackle from Brownfield seemed to be the outstanding lineman of the evening. Price, who made the District IAA team last year, again led the Harvesters in the district tackles in the district, playing almost the entire game Friday night with a shoulder injury.

Much to the pleasure of the local fans, Jimmy Wilson made his first decisive showing of the 1947 season. Wilson, who broke his ankle in a previous scrimmage, has been out of the first Harvester games. Last night, the local fans saw the Wilson who was acclaimed last year as one of the leading ground gainers in the district.

For the first time this season, the Harvesters showed power via the airways, completing five out of seven passes. Charlie Laffoon passed for two scores and set up another. By scoring one touchdown, and such distance runs of 46 and 21 yards and two nine-yard jaunts, Carl Mayes again proved a stalwart of the Pampa offense.

For the Cubs, it was Martin who picked up most of their yardage via the ground.

At the end of the first half Brownfield led in first downs, 8 to 1, and in rushing 139 yards to 68 yards.

GAME AT A GLANCE

PAMPA — First Down 3
141 Yards Gained Rushing 75
175 Yards Gained Passing 66
5 of 7 Passes Completed by 2
4 for 31 Punt No. Yds. 5 for 42
6 for 50 Penalties No. Yds. 5 for 45

MICHIGAN U. ILLINOIS — (AP)—Michigan's fiery blend of passing and running cut through dogged Illinois 14-7 yesterday as the undefeated Wolverines gained their sixth football triumph in a charge to the Big Nine title and the accompanying Rose Bowl trip.

Green and Gold Scoring Attack Sparked by Wilson and Laffoon

Capitalizing on two blocked punts, a fourth down fumble, the pitching arm of Charlie Laffoon, and the running of Jimmy Wilson, the Pampa Harvesters walloped the Brownfield Cubs at Harvester Park, Friday night 41 to 12. This was the Harvesters' first conference win against one conference loss.

Wilson scored three of the Harvesters' four last half touchdowns. Laffoon via the airways passed to Boyles for 55 yards for a touchdown, passed to Davis for 25 yards for a touchdown, and set up a third score on a 42-yard pass to Davis.

Leading by the score of 14 to 6 at the end of the first, the Harvesters came back on the field after they received to start the second half and begin their 20-point third period purge.

The fireworks started from the Pampa 35, where the locals received the second half kickoff. A 19-yard run by Laffoon, a pass from Laffoon to Williams and a 16-yard run by Williams carried the ball to the 21 where Mayes ran around the Brownfield left end for the score, only to have it called back, and the Harvesters were penalized 15 yards for holding, back to the Cub 35. A 32-yard touchdown pass from Laffoon to Davis was called back, and the Harvesters were penalized 15 yards from Cub three for holding. With two touchdowns called back, it was Pampa's ball, first down on the Cub 18. A ten-yard pass from Laffoon to Davis brought the ball to the five and then Wilson scored, this time for the record. Anderson kicked the point after touchdown.

After receiving the ball on their own 42, the Cubs scored their first touchdown on a 55-yard run by Martin, who scampered through the Pampa line to cross the goal line standing up.

Not to be outdone, the Harvesters received the Cub kickoff on their own 44-yard line, and on the first play Laffoon passed to Boyles which was good for the necessary 56 yards for the touchdown. Boyles was ably assisted by beautiful downfield blocking by Mayes and Davis.

Four plays later an unidentified Pampa lineman blocked a Cub punt and the Harvesters took over on the Cub 28. Mayes ran the ball to the visitors' 19, from where Wilson scored his second touchdown of the evening. Anderson converted.

On the first play of the fourth quarter, the Harvesters again blocked an attempted Brownfield punt, again taking over on the visitors' 28. On the first play, Wilson scored the remaining 20 yards to the Cub goal line for the final score of the evening. Anderson converted.

The educated toe of Kelly Anderson made five out of six points after touchdown during the game.

The winners' first score came after a sustained march following the opening kickoff from their own 25-yard line. The drive was climaxed by Mayes scoring from the four.

A fourth down fumble set up the second Pampa score, when the Harvesters recovered on the Brownfield 25. Laffoon pitching to Davis was good, on the first play, for the score. Anderson converted.

The Cubs' initial score came in the second quarter on a downfield march from their own 34. Parrish scored from the Pampa one.

Defensively, the Thornborough, Carl Mayes, and Kelly Anderson, led the Harvesters, while Jerrell Price, a 195-pound tackle from Brownfield seemed to be the outstanding lineman of the evening. Price, who made the District IAA team last year, again led the Harvesters in the district tackles in the district, playing almost the entire game Friday night with a shoulder injury.

Much to the pleasure of the local fans, Jimmy Wilson made his first decisive showing of the 1947 season. Wilson, who broke his ankle in a previous scrimmage, has been out of the first Harvester games. Last night, the local fans saw the Wilson who was acclaimed last year as one of the leading ground gainers in the district.

For the first time this season, the Harvesters showed power via the airways, completing five out of seven passes. Charlie Laffoon passed for two scores and set up another. By scoring one touchdown, and such distance runs of 46 and 21 yards and two nine-yard jaunts, Carl Mayes again proved a stalwart of the Pampa offense.

For the Cubs, it was Martin who picked up most of their yardage via the ground.

At the end of the first half Brownfield led in first downs, 8 to 1, and in rushing 139 yards to 68 yards.

Wheeler Downs Gorillas 26-13

A power-laden Wheeler Mustang eleven pushed aside the Pampa Gorillas Friday night in Wheeler, 26-13. This was the fourth loss of the season for the Gorillas. They have won one game.

The Wheeler club scored early in the first period when Bob Lovrie, versatile half back, galloped 40 yards around end after the Gorillas had been penalized 15 yards for holding and 5 yards for being off side. The remainder of the period saw the visitors fight gamely to hold off a heavier Wheeler team, but to no avail.

As the first quarter closed Lovrie again circled end and went to the Pampa 17 where he scored. Later in the second quarter, Wheeler in the conversion was good and the Mustangs led 33-0. The Gorillas seemed as if they might come to life, driving to the Wheeler 10 yard line, but the half ended before they could muster enough strength to score.

As the second half opened, Lovrie, who had a sustained drive which carried them to the Wheeler 10 yard line, but there they fumbled and the ball was recovered by the Mustangs. The home-owners then became over-anxious and fumbled with Leon English recovering on the 12 yard line. For Pampa, Earl Smith sped around end, for the score and the Gorillas seemed to be back in the ball game. The Gorilla attempt for conversion was so good. As the Wheeler boys received, they never lost the ball. Lovrie had raked up their third tally of the contest with Happy Martin, carrying the mail this time. The extra punt was so good as the third period ended.

The Gorillas received to start the final period and after failing to score.

Arkansas and Aggies Duel to 21 to 21 Draw

FAVETTEVILLE, Ark.—(AP)—Texas A&M and the Arkansas Razorbacks teeter-tottered to a 21-21 draw and Clyde (Smack-over) Scott, slippy-hipped Arkansas spark, staged a sensational offensive show in a Southwest Conference football game here Saturday.

Scott ran 55 yards for one touchdown, passed for another and, netting 215 of Arkansas' 124 yards rushing, dealt the Aggies misery all afternoon. But A. & M. cashing in on two breaks and passing with deadly accuracy, wouldn't be beaten.

Nelson, who came out of retirement for the renewal of the trans-Atlantic competition, and his partner, Barron, also had to come from behind before scoring a hard fought win.

Their opponents, Rees and King, led the match until the 25th hole where Nelson dropped a 15-foot putt to even the count. The Americans grabbed the next two and held the advantage to the last.

Westerners Fall To Sandies 27 to 0

AMARILLO.—(Special)—Coach Goobert Keyes' Lubbock Westerners fought off two Sandies early in the first quarter; played the clutch consecutive time even terms through most of the second quarter and then collapsed, when the locals turned loose a vicious passing and running attack to overpower the boys from the Flus City and defeat them for the ninth consecutive time here yesterday afternoon, by a score of 27 to 0.

The Westerners stopped a Sandie drive that carried the ball to the 15-yard line when the game was less than five minutes old. The Sandies struck deeper a few seconds later, when Garner intercepted a pass and returned it to the seven yard line. Once again Lubbock rose to the occasion and stopped the march — this time with an interception of their own.

From the second play of the second quarter, Lubbock crossed the mid-field stripe for the first time, but after a punting drive that consumed most of the balance of the quarter, Amarillo started their first touchdown drive when they returned a punt to the enemy 42.

Lubbock's only scoring threat was stopped, when Ashley recovered a Westerner fumble on the Sandie 12. From there the locals started an 88-yard drive that was climaxed by Brown going over from the one-foot line. Farmer kicked his third conversion of the afternoon — end the scoring at 27 to 0.

Watermelons, blueberries, cranberries, and the freshest grasses thrive best on acid soils.

Rice Trims Tech Red Raiders 40-7

HOUSTON.—(AP)—Rice-Owls waited an entire quarter yesterday before rolling out a powerful ground and air attack that enabled them to completely overwhelm the Texas Tech Red Raiders, 40 to 7.

The Border Conference eleven, hoping to gain its first victory in four starts this season against Southwest Conference teams, took to the air in the opening minutes of play to take a 7 to 0 lead and give indications they could keep their reputation of the rout handed them on the same field just a year ago.

Rice did not move into Tech territory the first period and the tight Red Raider defense was not broken until Halback Huey Keeney booted a punt that was good for a net 48 yards. Tech kicked out on the Rice 44 and from that point on the Houston eleven dominated the game.

The Owls drove 55 yards for the first score and followed up with another 58 yard march, mostly through the air, to lead 12 to 7 at the half.

A blocked punt by Guard S. J. Roberts led to third period score, while in the final stanza, with third and fourth stringers dominating the play, the Owls drove 29 and 34 yards and cashed in on an intercepted pass.

The Light Owl defense held the position to the one-sided victory.

The Red Raiders were permitted only a net of 7 yards gained rushing, as compared with 116 in the air.

Rice, however, moved 257 yards on the ground and added another 67 on passes.

In the symbolism of heraldry, murrey-red-purple is the color of patience and sacrifice.

Horned Frogs Whip Baylor 14-7 At Homecoming

WACO.—(AP)—Texas Christian's Horned Frogs stayed in the Southwest Conference flag game Saturday by whipping a fumbling Baylor team 14 to 7 before a Baylor homecoming crowd of 16,000 at Municipal Stadium.

Baylor's always-a-ferocious ground game kept the final outcome of the contest highly in doubt until past midway of the fourth quarter, when a pass from Berry to Bill Moorman clinched the game for Texas Christian.

Both teams fumbled frequently, and at crucial points with Baylor losing the ball several times after drives that were near paydirt dangerous offensives.

A stiff 25-mile an hour wind or threatening to develop into swept the field as the game started, with Baylor winning the toss and the wind advantage. On the first play after the kickoff, George Sims lost the ball on the Baylor 25, with Left Guard Shankle Elomox recovering for Texas Christians.

Berry's touchdown, Texas Christian's first and the first of the game, came in the second period on a sweep to the left following a Baylor punt that went for only 9 yards.

Berry apparently was trapped for a loss on the Baylor 34, but he broke away behind a mass of blockers and dashed the distance to the goal without a hand being laid on him. Wayne Pitcock's placement was good.

Baylor tied the score in the third on a march that started deep in its own territory. Line plunges and end sweeps carried to the TCU 22, with Lyle Blackwood doing most of the work. Then Jack Price faded to pass, stumbled, whirled and threw to George Sims. Sims kicked up dust at the flag as he went over to score. Henry Dickerson place-kicked the extra point.

Shamrock's Irish Trim Broncos 33-6

SHAMROCK.—(Special)—Shamrock's Irish defeated the Clarendon Broncos Friday night in a district 3-A game by a score of 33-6. In this rough-and-tumble game Shamrock was assessed a total of 135 yards in penalties.

Bob Lile led the scoring for the Irish, plunging over from the one-foot line in the second quarter, and returning a punt for 32 yards and pay dirt.

Longest run of the game came in the third period when Ramsey rambled around his right end for 82 yards to score. Bobby Close passed to Martin for a score in the opening quarter and returned a quick-kick 80 yards for a score in the second period to round out the scoring for the Irish.

The Broncos score came in the final stanza against the second string after penalties had placed them on the Irish one.

PENN. 26, PRINCETON 7
PRINCETON, N. J.—(AP)—Pennsylvania, led by Tony Minisi, ground down Princeton ruthlessly yesterday, winning 26 to 7 and avenging last year's humiliation and scoring its fifth consecutive victory.

Grudge Battle to Pit Mayne Against Parker On Wrestling Card

Promoter Vic Burnett of the Sportatorium announced yesterday that the featured event of Thursday night's wrestling card will pit Sailor Parker, of Jackson, Mississippi, against Ken Mayne, of Salt Lake City.

This match was made, stated Burnett, at the request of Mayne, who had four of his teeth loosened, when he awarded Jack Pappenheim the deciding fall during the second bout on last week's card by disqualifying Parker due to unnecessary roughness.

The bout will be what might be called a continuation of last week's affair when Parker and Mayne mixed it up in the ring after close of matches only to have it broken up by tow other wrestlers. It was reported that the same two game to blows in the office of the Sportatorium after they had dressed and were ready to leave the building.

The other bout on this week's card will feature Ace Abbott, winner of the first event last week against Henry Hamel, of New Orleans. The referee will be Billy McEwin, of Gainesville, Texas.

early in the third period when Ramsey rambled around his right end for 82 yards to score. Bobby Close passed to Martin for a score in the opening quarter and returned a quick-kick 80 yards for a score in the second period to round out the scoring for the Irish.

The Broncos score came in the final stanza against the second string after penalties had placed them on the Irish one.

Southern Methodist Upsets Texas Longhorns 14-13

Walker Leads Ponies to Upset Texas in Tight Gridiron Duel

DALLAS—A magnificent Doak Walker passed, ran and kicked Southern Methodist to a 14-13 victory over Texas yesterday in a thrilling offensive duel that left the Methodists, the only undefeated, untied team in the great Southwest.

Cheering Students Carry Walker Off Field to Busses

DALLAS—An avalanche of cheers rolled down the Cotton Bowl as they carried Doak Walker off the field Saturday.

Walker, who sparked the Southern Methodist 14-13 victory over the University of Texas, rode triumphantly on the shoulders of two grinning SMU students and he smiled wearily up into the deafening thunder of the stands.

The tremendous cheer began two minutes before the game was over—it mounted as Texas' Bobby Layne strove desperately for a touchdown pass—it soared to a climax as the time and the luck of the Longhorns ran out and it continued minutes after the clock stopped at zero.

It was that kind of a game. "It was such a wonderful game," SMU Coach Matty Bell said later, "that it's a shame any team had to lose it. We started winning it on the opening kickoff (an 81-yard run by Paul Page) and from there on we never let it go. I wouldn't single out any player—everyone of them played a magnificent game. And Texas really had a great team out there."

A few feet away, Albert "Smoky" Johnson, Negro equipment handler for the Mustangs for the past seven years, was whistling his arms wildly and shouting with excitement: "We win it, I tell you we did, we win it!"

It was the first time he had ever seen SMU beat Texas.

"Every one of our men played a swell game," Texas Mentor Blair Cherry said. He stood soberly in the corner of the dressing room. The glum players dressed silently. Outside the Longhorn Band bravely struck into "Texas Fight."

"It was a tough game to lose," Cherry said. "If I had to pick any man as SMU's standout player I think it would be Gilbert Johnson—his passing was the turning point."

"What about Walker?" someone asked.

"He was fine, too," Cherry stated. "He's a fine player."

The two students carried Walker to the waiting SMU buses. They put him down and patted him affectionately. People came up and grabbed his hand. They pulled at his jersey.

"Don't worry son," an elderly rooster kept saying. "Don't worry—you're going to be All-American. You hear what I say—I say don't worry."

The cool-eyed, husky little player gazed at him and managed a grin.

"I'm not worried," he told the man. "Not at all. I'm not worried about anything."

The stadium was draining very slowly—the cheers continued. A light rain misted down on the fans from the heavy grey clouds that had threatened all afternoon—but still they stood there yelling, not wanting to leave.

It was that kind of a game.

Mgrs. of Basketball Loop to Meet Tuesday

Managers and sponsors of basketball teams, who wish to enter the City Industrial Basketball League, which begins play in the near future are asked to meet Tuesday night at 7:30 in the Junior High School Gymnasium.

The meeting will be for the purpose of forming the league and working out a schedule.

English, and Tommie Allison were outstanding. It was Roche and English that were responsible for 3 of the Wheeler fumble recoveries.

The Gorillas will engage the Berger Bullpups in Berger next Friday night and then travel to Amarillo to meet the Yammigans and end their season. They have

West Texas Downs Arizona State 25-0

FLAGSTAFF, Ariz.—(AP)—The Buffaloes of West Texas State College stamped the Lumberjacks of Arizona State already beaten Berger 23-0 earlier in this year.

College here Saturday 25-0. Charles Kitchens gave the visitors their initial tally when he intercepted one of H. H. Muse's aerials at midfield and galloped the distance to the goal to give the Buffs a 6-0 first quarter advantage.

In the following cantor Berl Pruitt climaxed a 72-yard West

Texas drive when he went over from the five-yard line. Melton added the point from placement. Jimmy Draper gave West Texas its final first half score when he tallied from six yards out after catching a pass from Ray Moore to set up the score.

HOSPITAL

(Continued From Page 1)
Most of the rooms are for two beds, but many are private, one-bed rooms.
Both physicians were impressed with the job being turned out at the price, but they also noted that the Negro man and his wife have unusual ability. For instance, the wife reads blueprints. The hospital is being built outside the city limits and could hire non-union, experienced labor at less cost. They are overseeing the project. Skilled labor is used. One of the doctors said the Negro was asked why he didn't get federal aid. The answer was

that he didn't want it because under such contract the hospital must cost at least \$10,000 per bed. The Negro was reported to have said that under such arrangement "you got to hire a bunch of educated fellers," and a "whole bunch of bosses."
The builder said he could get all the steel he wanted. He said with \$500,000 he could build a hospital "and make room for everybody."
Physicians signing the statement in today's issue of The News are:
Drs. Charles H. Ashby, Jr., M. Bellamy, R. Malcolm Brown, Paul C. Christian, Richard D. Falkenstein, C. E. High, Oscar Huff, J. W. Howze, Calvin W. Jones,

The county commissioners have decided that the hospital could not be built for the amount of money available.
At the time the board of managers was appointed (Sept. 30), it was noted in a letter from the commissioners to the members:

"We realize the construction of the hospital has been delayed. During 1946, after the hospital bonds were voted, we were advised by local material men that in their opinion construction costs, labor and material, would level off or decrease in 1947, just as they did after the last war. To the embarrassment of all of us, the exact opposite occurred.
"All surveys which have been made of our hospital requirements show that Gray County needs a 100-bed hospital. We have been doggedly determined to satisfy this need.
"At no time could we have built and equipped a hospital of 100-bed capacity with the funds originally available to us." (\$500,000)

The Gray County Hospital Board of Managers is composed of Reno Stinson, Arthur Teed, J. W. Arman, of Pampa, O. C. Stokely, McLean, J. L. Sparkman, Lefors and Edwin Nelson, Grandview.

HALLOWEEN

(Continued From Page 1)
had to be removed three times by police.
Near midnight Fire Chief Ben White brought wrenches to the police station for officers to use in snuffing off fire hydrants that were opened by vandals.

From dusk to early morning police reported they had received a steady flow of calls, ranging between 40 and 60. Many of them were complaints on minor pranks.

The smaller pranks were satisfied with "trick or treat," soaping windows, and ringing doorbells. Saturday police were still receiving calls from residents whose property had suffered Halloween damage.

Only one drunk was picked up by police. He was observed by foot patrolmen causing a disturbance on the street. No lights at any local night spots were reported to city police. The Sheriff's Department reported yesterday morning, they too, were not called on to break up any drunken brawls. Only one drunk made the county jail for the night.

Worker Retires After 20 Years

A farewell party honoring Mr. and Mrs. E. C. Bonner in special recognition of Mr. Bonner's retirement after 20 years' service with the Shell Gasoline Department, was held Thursday night in the Shell Club house at Plant 17, north of Skellytown.

The Bonners, including two sons, Marvin and John, are moving to a farm near Farmersville, Texas.

Those present at the farewell party, during which gifts were presented to the Bonners, were: Messrs. and Mesdames Earl Thoes and daughter Carolyn, J. C. Nichols, Allen Say, H. L. Dulaney and daughter Betty, Arthur Hendy and family, Bill Adams and family, Burt Schaeff and family, John Roe and family, Paul Mercer and family, Lonnie Feigenbaum, Ben Armer, S. L. Young and family, Harry Francis and daughter Harriet, W. H. Harris, O. E. Carlson and son Don, J. N. Forbes and son Danny, G. M. Walker, C. C. Staats and son Walter, Dalton Green, George Cooper and family, Clyde Carlock and family, and A. E. Givens.

Also present were Mrs. Roy Johnston, Mrs. R. H. Miller, Reul Casey and R. P. Bergeron.

DECISION

(Continued From Page 1)
jurors to get statements or written affidavits.

Two of the jurors, according to testimony, Alvin Hiltbrunner and George Haus, made signed affidavits for the insurance company's representative, C. B. Lee. Another juror in the case had one typed for him by Millan, but refused to sign it later. Over objections of Saunders and Gano, attorneys for Taylor, Judge Goodrich's statement was admitted into evidence. Earlier Judge Goodrich had sustained objections by plaintiff's attorneys to the admitting of a signed affidavit as evidence.

One juror, George Colebanks testified that Millan had called on him to ask questions of what went on in the jury room during the deliberations. Colebanks would not give any statement to the insurance company, but testified in court that he heard no mention of attorneys' fees or insurance during the deliberations.

H. A. Bullock, foreman of the jury, told the Court that he had heard the barest mention of the subject by some juror, or jurors, and immediately told them they were not to consider insurance in any way as it had nothing to do with the case.

Attorney Walter Rodgers, on the stand, told the Court that he had spoken to Hiltbrunner several times and had asked him whether he had been approached by insurance investigators seeking information on the trial. He testified the juror told him that he understood an investigator had been hunting him and wished they would leave him alone. Judge Goodrich, also called to the stand, denied that he had told any jurors they did not have to answer questions put to them by insurance investigators.

Most jurors called to the stand testified they had very little knowledge or had not heard of insurance being mentioned during the deliberations.

Shortly after 6:30 p.m. testimony was brought to a close on the hearing. The motion for new trial came as a result of a jury award of \$50,000 in favor of R. C. Taylor on July 12 against the J. D. Wright and Son Trucking Company for injuries suffered by the plaintiff in 1945.

BREWERS

(Continued From Page 1)
you and have offered to withdraw legal action and to close the distillery immediately.
Luckman previously announced that the liquor shutdown, which began a week ago, had met 99 per cent compliance from the whisky and industrial alcohol tilling industry.

Starting at midnight, the brewers plan to cut the use of corn by 25 per cent and will use no wheat or wheat products, no table quality rice or rice products, and no feeding barley for 90 days. The industry already has reported halting all purchases of sorghum grains.
Spokesmen for the brewers groups said they expected little change in taste or quality of beer, unless difficulty arises in finding starch substitutes for the curtailed grains.

The Agriculture and State Departments meanwhile hailed as "internationally noteworthy" tests which they said showed that a corn-substitute cattle feed for milk production has been developed from the waste pulp of the coffee bean. The tests were conducted jointly by technicians of the United States and El Salvador. Coffee pulp is the fleshy covering of the coffee bean and has been largely a waste product.

Also yesterday, Luckman started a drive to provide grocers with merchandising suggestions helping them to feature foods in plentiful supply as substitutes for grain-consuming foods. Several thousand leaflets will be sent to food stores this week, he said. Each week new foods will be promoted, depending on local supplies.

Conservatives

(Continued From Page 1)
Britons were deprived of gasoline for pleasure driving.
Of the 1,476 stake, 1,476 have been held by Laborites, 1,532 by Independents, 618 by Conservatives, 131 by Liberals and 10 by Communists. Practically all the "Independents" were conceded to have Conservative sympathies.
Some 12,000,000 voters—about half the number eligible for national general elections—had the right to ballot yesterday.

AGRICULTURE

(Continued From Page 1)
At Kansas City, a Missouri farmer, George H. Christopher, told the committee members of Congress "ought to be ashamed of yourselves" for cutting next year's soil conservation payments from \$300,000,000 to \$150,000,000.

However, opinion was not unanimous on this point. Some farmers said the government should furnish engineering and other advice on soil improvement, but that no direct payments should be made to farmers in reward for soil conservation practices.

There appeared to be wide agreement on government price supports. One farmer smiled and said: "I guess we want to individualize our profits and socialize our losses."

The farmers were not quite sure as a group whether they prefer a government guaranteed price at 10 percent of parity, with acreage allotments, or a flexible price guarantee whereby the supports would be lowered on a particular crop as surpluses threatened. The latter, if adopted, would be used to discourage over production and would embody less likelihood of acreage production controls.

Parity now is a price formula for a farm's products calculated to give the farmer a purchasing power equal to some past favorable period for agriculture. Farmers differed on the question of revising or "modernizing" the formula.

CITY AUDIT

(Continued From Page 1)
water and sewer and storm sewers also appeared.

To retire present indebtedness of the city a cash balance of \$27,223.98 was recorded plus a balance of \$39,000 in bonds.

All above figures were reconciled with the costs of the sewer extension lines and curb and gutter costs incurred since that date by the city.

City officials said that a rough 16,000 feet of sewer lines have already been laid and connected. An equal footage of curb and gutter have been poured with heavy machinery at work making excavations for laying of soil cement bases prior to asphalt shooting on the streets being worked.

At one mine in Alaska 800,000 pounds of sand and gravel are worked to obtain one pound of gold.

CIVIL SERVICE

(Continued From Page 1)
The city manager reported that a total of 70 new large "STOP" signs are replacing the little "pimples" at intersections over the city. He added that he and City Engineer Dick Pepin had all but completed lining off intersections with yellow and white stripes. He explained that where ever a yellow line is painted at an intersection, it means "stop" and the white lines are crossways for pedestrians. Some of the "STOP" signs are in place, others are here and to be placed, and the remainder are on the way.

City Engineer Dick Pepin will act as City Manager during Mathews' absence the early part of this week.

Brazil Is Planning An Army of 162,000

RIO DE JANEIRO (AP)—The Brazilian Chamber of Deputies is studying a bill which will fix the military forces of the Brazilian army for 1948 at a total of 162,000 men, which does not include the unspecified number of officers of the land, air and naval armed forces.

The army will have 77,900 privates, 20,000 sergeants and 21,000 corporals. The Navy will have 21,000 privates and the Airforce will have 12,000 privates, 7,000 sergeants and 2,000 corporals.

Palaver de Pampa

A Chinese author says that the people of his homeland love the Americans. Oh, well, China always has been sort of out of step with the rest of the world—but the Chinese have a saying that is food for thought: "Enjoy Yourself—It is Later Than You Think." A book, "The Bond Between Us," unique in its human understanding, by Dr. Frederic Loomis, says: "The most valuable people around us have lived largely for others. This seems the time to remind them that they will have more years, and happier ones, to go places and to do things which they have looked forward to for years; to give those who love them the happiness of seeing them enjoy some of the rewards which they have earned; to replace competition with a bit of contemplation." The 35th anniversary week of the Girl Scouts has passed, but this quotation reminds us that we could keep young, enjoy ourselves, and do good at the same time. If you are over 21 and can spare a few hours a week—offer your services to the Girl Scouts. They are in great need of leaders, helpers, and sponsors.

All the handsome lads and pretty lassies had fun at the Halloween dance at the Country Club. Good crowd, good music—some said they were in such a holiday mood after the dance they celebrated until the wee hours. The most amusing thing at the dance was seeing tall, lanky Walter Rogers amble up to Vela Buckingham and ask for an appointment at her reducing salon to remove some of the wrinkles from around his hips.

At the Bull Breeders banquet of the Top o' Texas Hereford Breeders Association last Tuesday night in the Palm Room, Emcee Frank Carter made the announcement:

"In keeping with President Truman's meatless Tuesday program, you will observe that we are not serving meat tonight. That's ham on your plate—and ham it was! Bull breeders and their wives enjoyed Ken Bennett's 'Tute Wrestlers' and 'The Squaky Door Four.' The room was decorated in Western regalia with hobby horses with saddles, and a spotlight brilliantly illuminated a huge picture of a Hereford bull. A good time was had by all.

GRAPEVINE EAVESDROPPINGS: Interesting new couple in town . . . Janice and Bill McCoy from Memphis, Texas . . . Mildred Tolbert Crews, who was recently married in Taos, and who successfully did free-lance photography in New York City, took the pictures illustrating 'Mable Dodie Lujan's' new book 'Arts and Taos.' There was an old lady who lived in a shoe, so this shortage of houses is nothing new . . . At Ann High's dinner last week for the doctors and dentists' wives, the main topic of conversation was, of course, where to live . . . Betty Juillard, who is noted for her witty repartee, has returned from visiting her folks in Canton, Ohio . . . Gone over a month, the dogs were overjoyed to see her, and, needless to say, so was her husband . . . That dignitary in the medical profession, Dr. Howze, is expected to resign. He has been taking special studies at Polytechnic in New York City . . . Sophia visited a brother in Philadelphia . . . Lena Willis left last Wednesday night to visit sweet little Lonna in St. Paul . . . Plans to stay until after the holidays, unless it gets too cold for her . . . Wonder why Tex and Mrs. Evans are building such a big house . . . for all the grandchildren? . . . Ann, three-year-old of Jackie and James Evans, when asked if she wants a baby brother, replies in the negative, and insists she wants a little sister named 'Brother.' Jimmie Ward, small son of the W. V. Wards, who also have the charming piano-playing twin daughters, said his cat, Clarence, had eleven kittens . . . Another cat story . . . (It's been Halloween, hasn't it?) . . . A girl entered the house of a friend whom she hadn't seen for some time, and a big cat met her at the door, and she asked what its name was. The friend said, 'Ben Hur.' She thought that was a heck of a name for a cat, so she asked why the name. 'Oh, we just called it Ben until it had kittens, was her answer. Jay Flanagan won't be too hard . . . She's on the job morning, noon, night, Sundays and holidays . . . On possessing qualities of impressive allurement . . . Jerry Adams . . . Shave, man-about-town Kimball Neel has been dating a lass from Ireland, no less . . . Nora Brennan, sister of Mickey Johnson of Amarillo . . . Friends of Ruth and Chinch Barrett will be glad to hear they are happily situated in Dallas, and that Chinch is recuperating slowly, but surely . . . The Schneider Hotel changed hands yesterday and Alex and Lottie plan to visit Switzerland for a year. Margaret will stay in charge of the dining-room, thank goodness!

SENSE AND NONSENSE: That goopy rainbow-hued plastic bubble stuff . . . The surprising travel census . . . More people will have crossed the Atlantic by year's end than in 1931, the record-breaking year . . . The good sense of responsibility shown by a broadcasting company in banning crime shows until 9:30 at night in order to cut down on juvenile audiences . . . The new recording of Bach's Concerto for Two Violins . . . Heffetz plays both parts, recorded them separately, had the supporting orchestra travel 3,000 miles . . . The future chances of cooking by electronics . . . It is now possible to cook a steak in forty seconds . . . the playtapsy at the Bronx Zoo is open only from three to four; the reason for such short visiting hours, 'playtapses are shy and don't like to be stared at' . . . The U. S. had set a goal of half a billion bushels of export wheat for starving Europe and Asia in the next two years; and in one year the Dust Bowl (of which Pampa was a part) alone produced the amount . . . Wisconsin would import some of the best popcorn bags . . . Accidentally discovered in California . . . they were originally made for frozen orange juice, that didn't sell . . . Then maybe I could enjoy Cary Grant in peace . . . Overheard in a hotel lobby: First gent: 'Yes sir, I manufacture girdles for men.' Second gent: 'Oh, I see, 'pot holders' . . . Ever taste black olives soaked in half lemon juice and half olive oil containing a cut clove of garlic? . . . ummmm!

The M. K. Browns reluctantly left for St. Antonio last week, after overstaying their intended visit by at least three weeks. M. K. bought over a creek in his neck from trying it out. Janie said she was taking him home to straighten him out.

KEYHOLE EVIDENCE: Mary and Stu Stoddard's baby girl, Janis Elaine, arrived last Monday . . . Wonder what kind of accent she will have with a true Texan for a mother and a Bostonian for a father? . . . Larry McMurry is a good dancer, and why not? . . . You should see his mother lead her pupils in a tap dance . . . Nominated for a gold medal; Mrs. Mary Adams—for cheerful, behind-the-counter services during the war when younger ones were indifferent . . . Catherine Jones has the prettiest feet and ankles . . . Claudine and Johnny Bradley came back from Lake City with a 300 (?) lb. deer . . . Virginia Body is recovering from a throat operation . . . Murray's mother has been visiting here from Dallas . . . Who's this "Connie" Inez Carter speaks of

The Rotary Ann's Banquet last Thursday night in the Palm Room was like a midway lavishly decorated for Halloween. Don Foster, Ray Lewis, Tom Rose, Jr., and Ben Guill worked long and hard on the program, putting up black and orange crepe paper, an immense Halloween drawing for a backdrop, witches' cauldron with lighting effects, etc. The audience was enchanted with fortune-telling, mind-reading, and a House of Horrors, and especially with Steve Matthews' doing a bubble dance as a stunt. Mickey Ledrick was the hit of the show, giving Edgar Allen Poe's "Tell-tale Heart" with sound effects. He had the audience in chill bumps before the end. There were squeaks and screams from the ladies as they went through the House of Horrors containing bodiless heads, skeletons, clanking chains, and all with blood-curling screams, groans, and other eerie sounds. To go through this they had to climb over haystacks and pass an air jet that ballooned their skirts. Heard flattering comments on the program, and also on Ray Evans as being one of the finest presidents the Rotarians have ever had.

AIN'T IT THE TRUTH?
They were single and went walking,
And her heart did skip a beat,
As she stumbled on the sidewalk,
And he murmured, "Careful, Sweet."

Now the wedding bells have rung,
And they walk the selfsame street,
She stumbles on the sidewalk,
And he yells, "Pick up your feet."

Yep, I'm married.
PEG O' PAMPA.

Committees Named for Council of Clubs Tea

The Council of Clubs has announced the committees which will be in charge of the Silver Tea at their come-and-go affair this afternoon from 3 to 5.

Mrs. Ralph Thomas in charge of general arrangements will be assisted by Mesdames L. H. Pierson, Gene Fatheree, John Keogh, Irvin Cole, Bill Bridges, Rob Brown, and R. W. Hamilton.

Mrs. H. A. Yoder will present the program with the assistance of her own music pupils and those of Mrs. May Foreman Carr, Miss Elise Donaldson, Mrs. L. D. Fagan, Mrs. Lily Hartsfield, Miss Ernestine Holmes, Mrs. El-

bert Labenake and Miss Eloise Lane.

At the tea service will be Mesdames Walter Purviance, C. F. Buckler, John Andrews and W. R. Ewing.

The tea service committee will be assisted by a kitchen committee composed of Mesdames Robert Sanford, M. K. Griffith, Fred Thompson, O. A. Wagner, Ralph Irwin, John Brandon, Roy Tinsley, and Miss Maurine Jones.

The welcoming committee will be headed by Mrs. Evelyn Laycock who will be assisted by Mesdames C. E. High, Roy Chisum, Oran J. Payne, Rufe Jordan, Herman Foster, John Nutting and William J. Ragsdale, and R. E. McKernan.

Mrs. E. F. McWilliams will preside over the silver tray.

Mr. and Mrs. M. P. Crawford

Anna Lois Heard, Melvin Crawford Married in Double-Ring Ceremony

Miss Anna Lois Heard, daughter of Mr. and Mrs. G. C. Heard, south of Pampa, was married Oct. 26 to Melvin Perry Crawford, son of Mr. and Mrs. W. R. Crawford of Spearman.

The wedding took place in the First Christian Church, with J. P. Crenshaw, minister of Francis Avenue Church of Christ, performing the double-ring ceremony.

Miss Marjorie Gaylor sang "Aloes" and "Because." She was accompanied by Mrs. Mae Foreman Carr at the organ who also played "Clair de Lune" by Debussy, "Annie Laurie," "I Love You Truly," "Oh Promise Me," and Mendelssohn's Wedding March.

The altar was decorated with candelabra; baskets of white mums and large palm-leaves.

Mrs. Canara G. Carruth was bridesmaid. She wore a gray dress with black accessories and a pink carnation corsage.

Mr. Canara G. Carruth was best man.

The ushers were Charles Brockus, Canyon, Texas, and Chuck Hamilton, Amarillo. The bride was given in marriage by her father.

She wore a white wool dress suit, with white silk blouse trimmed in silver, and brown accessories. She carried a white Bible topped with a brown orchid and matching ribbon streamers.

The bride's mother wore a gray suit, with a lime green blouse and a corsage of pink carnations.

The bridegroom's mother wore a navy blue crepe dress, with black accessories and a white rose corsage.

After the ceremony a reception was held in the home of Mr. and Mrs. O. K. Gaylor.

The bride and groom received congratulations as the guests entered the reception room. The refreshment table was decorated with pink and white chrysanthemums and white tapers and a pink and white wedding cake which was topped with a miniature bride and groom. Pink punch was served by Mrs. Eugenia Bray and cake was served by the bride's sister, Louise Heard.

Mrs. Walton Heard presided at the bride's book.

The bride's going away dress was a brown suit. After November 1 the young couple will be at home at 629 N. Frost.

The bride was graduated from See ANNA LOIS, Page 10

After a short trip, Mr. and Mrs. Vincent plan to make their home near Lefors.

Miss Anita Andrews

The engagement and approaching marriage of Miss Anita Andrews, daughter of Mr. and Mrs. John V. Andrews, 701 E. Browning, to Harry L. Hight, son of Mr. and Mrs. A. R. Hight of Brighton, Colo., was revealed at a tea Thursday evening at the home of her parents. The wedding will take place Nov. 26, in the First Presbyterian Church.

Betty Rathjen, Frank Mathers Take Marriage Vows in Baptist Church

CANADIAN—(Special)—One of the loveliest weddings of the autumn season was that of Miss Betty Rathjen and Frank Mathers which was solemnized at ten a. m. Friday, Oct. 24 in the home of Mr. and Mrs. Harry Rathjen. Rev. Fern Miller, pastor of the First Baptist Church, read the nuptial vows.

The bride is the daughter of Mr. and Mrs. Harry Rathjen, and the groom is the son of Mr. and Mrs. G. E. Mathers. Both are grandchildren of early Wheeler County pioneers, Betty being a granddaughter of Mrs. F. H. Rathjen and the late Mr. Rathjen, and Frank a grandson of W. L. Mathers, now of Amarillo. Both pioneer families arrived in Wheeler County in the 1880's.

Attending the bride as maid-of-honor was Miss Vinita Horton, and as bridesmaid, Miss Barbara Hamlin.

Bill Mathers, brother of the groom, was best man and James Cross served as groomsman for Mr. Mathers.

Proceeding the ceremony, Miss Natalie Hutton sang "Because," "Aloes," and "The Lord's Prayer," accompanied by Mrs. Millard Word of Clarendon at the piano. Mrs. Word played the traditional wedding marches.

The double-ring ceremony was read in front of a half-length mirror on either side of which were bouquets of bronze and yellow chrysanthemums flanked by woodwardia fern and seven-branched candelabra. Candles were lighted by Miss Anne Rathjen, sister of the bride, and Ben Mathers, brother of the groom.

The bride, given in marriage by her father, wore a dress of slipper satin fashioned with a sweetheart neckline and a bouffant skirt which extended into a cathedral train.

Her double veil of illusion fell from a seed pearl tiara, which she wore on her head at her wedding. She carried a fan-shaped bouquet of white gardenias centered by an orchid.

Her only jewelry was a single strand of heirloom pearls, borrowed from Miss Catherine Whittenberg, Amarillo. The bride's attendants wore attired in identically styled dresses of white. They carried fan shaped bouquets of bronze chrysanthemums showered with yellow tube roses and tied with bronze satin ribbons and bronze net.

Mrs. Rathjen, mother of the bride, wore a dress of crepe de chine with long sleeves and beaded in brown. Her corsage was of gardenias.

Mrs. Mathers, mother of the groom, wore a wine crepe dress and a corsage of gardenias.

The bride's attendants were Mrs. Tom Garrett of Oklahoma City; Mr. and Mrs. Frank George and Edwina, Shamrock; Miss Catherine Whittenberg, a student at the University of Texas, Austin; Mr. and Mrs. Clark Mathers, Miami; Mrs. Roy Mathers; Mrs. Dan Rees of Miami; Mrs. Millard Word, Clarendon; Mrs. Belle Nolen, Oklahoma City; Mr. and Mrs. J. F. Rathjen, Wheeler; Mrs. D. G. Sims, Mobeetie; and Mrs. Clarence Locke, Miami.

The bride is a 1947 graduate of Lefors High School. The groom graduated from Lefors High School in 1941 and attended Texas Tech, one year.

After a short trip, Mr. and Mrs. Vincent plan to make their home near Lefors.

After the reception the couple left on a wedding trip to Chicago.

Out-of-town guests attending the wedding were Mr. and Mrs. Tom Garrett of Oklahoma City; Mr. and Mrs. Frank George and Edwina, Shamrock; Miss Catherine Whittenberg, a student at the University of Texas, Austin; Mr. and Mrs. Clark Mathers, Miami; Mrs. Roy Mathers; Mrs. Dan Rees of Miami; Mrs. Millard Word, Clarendon; Mrs. Belle Nolen, Oklahoma City; Mr. and Mrs. J. F. Rathjen, Wheeler; Mrs. D. G. Sims, Mobeetie; and Mrs. Clarence Locke, Miami.

Mr. and Mrs. Ammons Compliment Daughter

Mr. and Mrs. Earl Ammons honored their daughter, Earlene, with a party on her sixteenth birthday last Tuesday evening.

Book and picture taking provided the entertainment for the evening. Earlene received many nice and useful gifts.

Cake and ice cream were served to Mr. and Mrs. Earl Ammons, Mr. and Mrs. Carl Ammons and Dianne and Darryl, Mr. and Mrs. Thilo Boddy and Dan, Mr. and Mrs. Alvin Brewer and Beverly Ann, Mr. and Mrs. Elmer Ammons, Bill Ammons, Betty Sue Pate and Miss Jewell Van Winkle of Lefors.

2:00 Entre Nous Club with Mrs. O. H. Ingram, 303 N. Starkweather.
8:30 World Community Day Service at First Methodist Church.

Betty McAfee Is Wed to Bob Ward In Amarillo

CANADIAN—(Special)—In a singling ceremony on Wednesday, October 15, Betty McAfee, daughter of Mrs. Violet McAfee, 1123 Mary Ellen, Pampa, became the bride of Bob Ward, son of Mr. and Mrs. L. P. Ward of Canadian.

Rev. J. L. Seismore, pastor of the Line Avenue Baptist Church in Amarillo, read the service in his study.

Mrs. Bill Ward of Pampa attended the bride as matron-of-honor. She was attired in a melon-colored suit with black accessories. Her corsage was of white gardenias.

Bill Ward of Pampa, brother of the groom, was best man. The bride wore a blue gabardine suit with black accessories. Her corsage was a white orchid.

After the ceremony the couple left on a wedding trip to Dallas.

Mrs. Ward was graduated from Pampa High School where she was a member of the Sub-Deb Club and E. G. K. sorority.

Mr. Ward attended Pampa High School and was graduated from the New Mexico Military Institute at Roswell.

Good Citizenship Is Discussed at Club

The Civic Culture Club met last Tuesday in the home of Mrs. E. A. Shackleton. Roll call was answered with current events and Mrs. H. W. Waters presided over the business session.

The club voted to send a letter to Eric Johnston in Hollywood protesting the filming of the life of Al Capone.

Mrs. Erwin Thompson presented the program. Her subject was "Every Home a Basic Center for Good Citizenship." In the discussion she stressed the fact that the safety of our country depends on our children becoming good citizens and that the basic training for this must come mainly from the home, which is the "Practice Ground" for good citizenship and that is where discipline is learned.

Those present included also Mesdames D. W. Coffman, John Brandon, Lloyd Rinehart, H. H. Stull, A. D. Hillis, J. B. Townsend, Willis White, Katie Vincent, Emmet Coe, W. C. Wilson, F. W. Shotwell, Emmet Osborne, Irvin Cole, and Kenneth Meyers.

The Leonard Duncans Visit Relatives Here

Mr. and Mrs. Leonard L. Duncan, formerly of Pampa, have been visiting Mr. Duncan's sister, Mrs. Arthur Gillis and her family, 417 N. Dwight, and his brother, E. J. Duncan and family, R.R. 2, Pampa.

Mr. and Mrs. Duncan and Mr. and Mrs. Gillis visited Mr. and Mrs. Cecil Fitzgerald and their family at Higgins last Thursday. Mrs. Fitzgerald was a sister of Mr. Duncan and Mrs. Gillis.

The Leonard Duncans are returning from a trip in their personal plane from Mexico City. They left Pampa Friday for their home in New Ross, Indiana. On their return they will stop in Oklahoma City to visit with E. E. Duncan another brother.

Crusaders Class Has Masquerade Party

The Crusaders Class of the First Methodist Church enjoyed a masquerade party Wednesday in the home of Mrs. V. C. Colburn, 1303 Williston. Mrs. Dorothy Cox and Mrs. A. D. Pruett were co-hostesses.

Mrs. High Stratton, dressed as a scrub woman, won first prize. Second prize went to Mrs. Clyde McNaughton and third to Mrs. Dick Kuehl.

The evening was spent in fortune telling, with Mrs. H. H. Boyton as fortune teller.

Refreshments of pumpkin pie, with whipped cream and coffee were served to Mesdames Veri Hagaman, D. L. Thuillier, A. L. Smiley, Ray Shepherd, Glenn Woods, Cleo Hoyer, Tom Wieser, Leon Cook, Miller Hawpe, J. D. Wright, Jr., and S. A. Evans.

The society editor will not be able to take long lists of names of other information sources, telephone, such information should be mailed or brought to the office, and it must be a report of recent activity.

In any event the society editor will be the judge of what is used in the columns.

In view of the fact that a club meets is not news. If there is not something of news value in the club reports, cannot the space be utilized for stories of wider and more interesting interest. Election of officers and the appearance of out-of-town speakers are examples of newsworthy material.

—Managing Editor.

Briefer Stories Are to Be Carried

Due to the heavy social activity of clubs and other organizations here and in the West, circulation area, stories of such activities hereafter will be printed in briefer form.

The society editor will not be able to take long lists of names of other information sources, telephone, such information should be mailed or brought to the office, and it must be a report of recent activity.

In any event the society editor will be the judge of what is used in the columns.

Miss Mary Jo Gallemore and Richard E. DeVold

The engagement and approaching marriage of Miss Mary Jo Gallemore to Richard DeVold was revealed at a breakfast given Sunday, Oct. 26, in the home of her parents, Mr. and Mrs. E. L. Gallemore, 108 W. Browning. The wedding will take place November 15 in the Presbyterian Church.

Two Sisters Are Married in Church Ceremony on Parents' Anniversary

PANHANDLE—(Special)—On October 29 at 9 a. m. St. Francis Church was the scene of the double wedding ceremony of the daughters of Mr. and Mrs. Leo Detten, who were also celebrating their 25th wedding anniversary on that date.

Blanche became the bride of Bernard Koetting, son of Mr. and Mrs. Goswin Koetting of Groom and Gladys became the bride of Archie Looten, son of Mr. and Mrs. Leo Looten, also of Groom.

The double-ring ceremony was read by Father Joseph Walters. The nuptial mass was sung by the St. Francis choir accompanied by Mrs. John Detten at the organ. Charles Detten played the organ while the guests assembled. He also played the processional and recessional.

The main altar was decorated with white chrysanthemums and palms and the side altars with roses and asters. The pews were marked with blue and white ribbons.

Miss Alice Detten was bridesmaid for her sister, Blanche, and Miss Ann Looten, sister of the groom, served as bridesmaid for Gladys. The bridesmaid's dresses were identical, of white tulle, and they carried colonial bouquets.

Donald Detten, brother of the brides, was Mr. Koetting's best man and Cyril Neusch, cousin of the brides, served in the same capacity for Mr. Looten. Bobby Detten and Art Britten served as ushers.

The brides were attired in ivory slipper satin, with long fitted sleeves tapering to a point over the wrists, lace yoke and high round neckline with a satin ruffle around the yoke. The full See TWO SISTERS, Page 10

The meetings will be held in the Panhandle High School Auditorium and all members of the Parent-Teacher Association are invited to attend.

Gwen Weston Is Married to Lt. Sturm, Will Join Husband in Germany Soon

The groom is leaving almost immediately for Germany, where the bride will join him later. The bride is a graduate of Pampa High School and has been taking a course at the Oklahoma School of Nursing at Oklahoma City.

The groom is the son of Mr. and Mrs. E. J. Sellers of Staunton, Virginia. He was graduated at the Pampa Army Air Field in 1944.

Mrs. William G. Sturm

Miss Gwen Weston of Oklahoma City and Lt. William G. Sturm of Ft. Sill, Okla., were married September 27 in Geronomo, Okla. They were attended by Captain and Mrs. Joe Hill.

The bride's wedding dress was a gray suit with green accessories.

A reception is being held this weekend at the home of the bride's parents, Mr. and Mrs. M. Weston, 1128 Terrace, for close friends and relatives.

Two Boys Are Given Birthday Parties

Mrs. Dorothy Stanley entertained her young son, Curtis Wayne, on his second birthday with a party in her home. Co-hostesses for the occasion were Miss Pauline Colner and Mrs. L. E. Cox. The children spent the afternoon playing games. Refreshments were served and balloons were given as favors. Pictures were made of the group.

Attending the party were Mike Stone, Billy and Mikey Cox, Gail Cole, Ann Hollingshead, Kaylyn Layne, Tony Maples, Neldia Swain, Buddy, Pajay and Myrna Payne Putty, Mrs. Hugh Layne, Mrs. G. E. Stone, Mr. and Mrs. C. R. Stanley, grandparents of the honoree, Mr. and Mrs. Preston Bowman, Mr. and Mrs. G. T. Hewes and Curtis.

Ronnie Cisneros was entertained on his fifth birthday with a party given by his parents, Mr. and Mrs. Lee Cisneros, 428 N. Dwight, on Saturday, Oct. 18.

The guests were presented with Halloween hats and baskets of candy. Pictures of the group were made and then the gifts were opened.

Refreshments of ice cream and cake were served. The guests were Daine Kiff, Scott Hahn, Mike Smith, C. D. Watson, Edna and Teddy Tyler, Albert and David Jordan, Leon Collins, Barbara Langrum.

Mona Paulee, Soloist, Will Open Fourth Season of Concert Association

Mona Paulee is a girl who made her way up through vaudeville and the five-a-week and is still doing the unconventional—this season by concertizing via plane.

Mona who will appear here on Wednesday at the Junior High School auditorium, was not a child prodigy. Her father managed a theater in Portland, Oregon, which featured community singing from the pit in the darkness. Finally she won \$10 at an amateur contest in a rival theater with a song titled "Reaching for the Moon." And she's been reaching ever since.

Liberty Community Club Elects Officers

PANHANDLE—(Special)—Mrs. R. A. Robinson was elected president of the Liberty Community Club when they met in the home of Mrs. Maria J. Metcalf and Miss Martha Metcalf on Thursday. Other officers elected were Mrs. W. H. Lusk, vice-president; Mrs. Paul Obrecht, secretary; Martha Metcalf, treasurer; Mrs. E. K. Bentley, reporter, and Mrs. E. M. Vincent, council representative.

Mrs. W. K. Lusk, president, was in charge of the business meeting.

Mrs. Paul Obrecht gave a council report and a report of her recent trip to the state meeting of the Texas Home Demonstration Association at Galveston.

TWO SISTERS

(Continued from Page 9)

skirt was gathered to a fitted bodice and was topped with a ruffle. They carried bouquets of white chrysanthemums tied with pink satin ribbons.

Mrs. Detten, mother of the brides, wore a navy blue dress with matching accessories. Mrs. Looten wore a Kelly green dress with grey accessories, while Mrs. Koetting's dress and accessories were black.

After the ceremony the bridal party was honored with a breakfast in the home of Mr. and Mrs. John Hoover, 1311 Madison, Amarillo.

Dinner was served at the brides' home after which a reception was held with Miss Ann Looten at the punch bowl and Miss Alice Detten at the brides' books.

In the evening a dance was held at Panhandle Hall honoring the bride and Mr. and Mrs. Leo Detten.

Mrs. Koetting graduated from Panhandle High School and St. Anthony's School of Nursing, Amarillo, and has been employed by Dr. R. D. Gist, Amarillo. Mr. Koetting graduated from Groom High School served in the Navy and is now engaged in the trucking business in Groom, where the couple will make their home.

Mrs. Looten graduated from Panhandle High School and attended Amarillo College. Mr. Looten graduated from Groom High School and served in the Army. He is engaged in farming in the Tony Ridge Community, where they will make their home.

ANNA LOIS

(Continued from Page 9)
Pampa High School and attended AGC one year and was graduated from Northwest Texas Hospital School of Nursing in Amarillo.

The groom is a graduate of the Spearman Texas High School and received his Bachelor of Science Degree from West Texas State Teachers College. He served three years in the Navy as a lieutenant, junior grade.

For her wedding the bride conformed to tradition by wearing something old—a necklace belonging to Mrs. O. K. Gaylor, something new—rhinestone ear rings, a gift from the groom, something borrowed—a silk handkerchief, and something blue—garters made by a very dear friend. And she had a coin in her shoe.

Guests at the reception were: Dr. and Mrs. Frank W. Kelly, Mr. and Mrs. H. W. Waters, D. W. Coffman, C. G. Carruth, A. C. Cox, Sandie Rogers, Leslie H. Hart, R. N. (Bud) Tucker, Luther Pierson, Richard Bray, W. R. Crawford, W. E. Heard and Linda, Royal Crawford, W. G. and Oesela.

Mesdames Ross Cornelius, Joe Bennett, Chet Bennett, C. O. Miller, J. M. Turner and Chuck Hamilton, Joe Anne Covey, Roland Crawford, Loreeta Payne Crawford, George Long, La Verne Brazell, Max Fryer, Bobbie Robinson, Lorena Turner, Edith Neff, Robert Cornelius, Lynn Cornelius.

A lovely pre-nuptial courtesy to the bride was a shower given Oct. 20, by Mrs. Canara G. Carruth at the home of Mrs. J. M. Turner.

In a setting of pink and white flowers and white tapers the honoree was presented with a white carnation corsage.

The table was covered with a lace cloth and decorated with pink bells draped with white satin from corner to corner.

Pink napkins bearing names of "Anna Lois" and "Melvin" in white and the pink refreshments added a colorful note. Punch was served by Mrs. William L. Apple.

The shower was given in tea form and the gifts were put on display.

The Trowers Are Shower Honorees

PANHANDLE—(Special)—Mr. and Mrs. C. O. Trower, who were married recently in Pampa were honorees at a shower Oct. 29, with Mr. and Mrs. L. H. Roe as hosts.

The evening opened at the honorees' place, the business, the Texas Grill, with Johnny Brothers as master of ceremonies.

The main entertainment of the evening was a bowling match at the Panhandle Alleys with Tom Haley as host.

Announcement

The Police Auxiliary Chili supper, originally scheduled for Nov. 3 has been called off temporarily. The next meeting will be with Mrs. P. C. Wynne, S. Hobart.

Ten Ladies Attend McLean Baptist WMU

McLEAN—(Special)—The following attended the Baptist

WMU Nina Hankins Circle, held Tuesday in the home of Mrs. Guy Beasley: Mesdames Wayne Brister, Boyd Smith, Cohen Galiegly Jasper Graham, Joe Graham, Jordan Billingslea, J. C. Claborn, C. B. Lee, Jr., and Misses Margaret Glass and Marjie Fowler.

Boost in Retail Gasoline Prices Facing Motorists

By MAX B. SKELTON HOUSTON (AP)—Texas motorists, with sufficient living cost worries already, this week are facing another boost in retail gasoline prices.

While only three Texas operators, Texas, Gulf, and Magnolia, had announced the boost, resulting from the 25 cent October 15 jump in crude oil prices, through Friday night, it is known that practically all others have the step under consideration and that announcements can be expected momentarily.

Gulf Oil Corporation and Magnolia Friday night met Texas Company's Wednesday announcement of a 5 cent per gallon boost in tank wagon prices of gasoline, effective yesterday morning. Texas boost was effective Wednesday.

Gulf also jumped kerosene tank wagon quotations by 6-cent per gallon.

Prior to the Texas Company announcement, premium grade gasoline over the state sold generally at 23 1-2 cents a gallon, including 5 1-2 cents state and federal taxes.

Spokesmen for Attorney General Price Daniel at Austin termed the Supreme Court's striking the word "proprietaryship" from the California tidelands judgment as "the first real victory for the states in the tidelands case."

The Supreme Court took the action Monday while striking out two stipulations, previously entered into among Atty.-Gen. Tom Clark, Secretary of the Interior, J. A. Krug, and Atty. Gen. Fred N. Howser of California as "irrelevant."

The Austin statement said the Monday decree "shows that the question of ownership was definitely not decided by the California case and the whole matter is now up to Congress."

Daniel, meanwhile, was in Boston where he urged the National Association of Attorneys General to seek Congressional legislation to establish state dominion over tidelands waters.

Back in Austin from the Southern Governors Conference, Governor Beauford Jester said at least 28 other governors have contacted members of Congress from their respective states urging such legislation as advocated by Daniel at Boston.

Texas' 106,000 oil wells are at maximum production at present and probably will be unable to increase output to meet an anticipated additional demand during 1948, William Murry, member of the State Railroad Commission, said in Austin.

Pointing out that the East Texas allowable will drop 18,000 barrels daily in November, the commissioner said "if we are producing all we can now and with this unavoidable reduction next month in mind it does not appear Texas can increase its production rate during 1948, at least for the first quarter."

Crude oil production has been confirmed in the West Mercy Field, San Jacinto County, with the completion of Stanolind Oil and Gas Company's No. 1 Central Coal and Coke Company, the well flowing 111 barrels of gravity oil daily. The Scurlock Oil Company has posted increases ranging from 15 to 25 cents per barrel for crude purchased in the Pridham Lake, Pridham Lake West and Bloomington Fields.

American Petroleum Institute placed daily average gross crude production for the week ending Oct. 25 at 5,295,350, a gain of 26,950 for another all-time high. A year ago daily production was 4,729,800.

The Railroad Commission has issued an order reducing the gas-oil ratio in the Wasson Field, Gaines and Yorkum Counties, from 5,000 to 2,000 cubic feet of gas per barrel of oil produced, thus allowing the reworking of wells without any loss of allowable.

Applications Wanted For Officer School

Applications are still being accepted for attendance at officer candidate schools in both the Army Ground Forces and Air Forces, T-Sgt. Edward L. Miller of the Pampa Recruiting Station said yesterday.

Men between the ages of 20 years six months and 28 years, who have graduated from high school or the equivalent level in preparatory school, who are citizens of the United States, and are of high moral character and eligible to apply. Previous service in the Army or Air Force is not necessary, it was stated.

Men who have not had previous military service will be given basic training before attending school. Ex-servicemen, Enlisted Reserves, and National Guardsmen may take the basic training course before they attend school if they so desire.

Applicants are required to enlist for three years in the regular Army in order to attend Officer Candidate School. However, men without prior service, Enlisted Reserves and National Guardsmen who fail to complete course or are relieved from Officer Candidate School, will not be required to serve the complete enlistment period, but will be discharged thereon. The course of instruction at the Officer Candidate School is of six months duration, upon completion of which the candidate is commissioned a second lieutenant in the Army. The Army CCS school is located at Fort Riley, Kans., while the Air Force school is held at Lackland Air Field, San Antonio.

The smallest of stars is practically as big as the earth.

Moore, Rilla Enoch, J. W. Wells, M. E. Wells, Grace Earp, J. D. Edgar, M. J. Osborne, Alma Thornburg, G. W. Culbertson, O. C. Williams, Floyd Harrison, Cynthia Harrison, and H. G. Hynds; Miss Claudia Evely; J. W. Evely, Rev. M. G. Upton,

Two Ladies Honored In Shower Held in Highland Park School

PANHANDLE (Special)—Miss Blanche Detten, bride-elect of Bernard Koetting, and Miss Gladys Detten, bride-elect of Archie Looten, were honored recently at a miscellaneous shower in the Highland Park school.

Hostesses for the occasion were Mesdames Henry Neusch, Frank Grabber, J. J. Berg, Robert Detten and John Detten. Gifts were presented the honorees in wagons drawn by Edward Detten and Joseph Grabber.

Pink and Blue Shower Honors Mrs. Hoyler

A pink and blue shower honoring Mrs. Harry Hoyler, Jr., was given last Monday evening in the home of Mrs. Cleo Hoyler, 141 N. Wells. Assisting hostesses were Mrs. Ray Kilgore, and Mrs. M. L. Shuler.

Guessing games were enjoyed throughout the evening.

Angel food cake, topped with whipped cream and a marshmallow cherry, coffee, and tiny pink and white mints were served to the following guests: Mesdames Roy Rogers, W. W. Comer, M. A. Patterson, D. Russell, Jack Russell, Howard Moore, W. H. Shiver, Tom Wiese, John Michel, Harry Hoyler, Sr., H. H. Boynton, Marguerite Black, S. A. Evans, Dick Kuehl, J. D. Wright, Jr., M. F. Ludeman, Gene Langston, George Ambrose, H. W. Goodner, Dorothy Cox, Theo Cook, Leon Cook, Horace McBoe, M. E. Cox, Carlton Nance, Margaret Wilson, Roy Pearce, Hazel Smiley, V. Colium, R. B. Shepherd, E. H. Hoyler, Clay Crossland, R. C. Grider, Frances Appleby, C. J. McNaughton, Vera Hagaman, Judd Jones and Misses Madge Rusk and Neva Burgan.

PCCW Will Observe World Community Day In Methodist Church

Friday Nov. 7 has been proclaimed World Community Day in Pampa by Mayor Huff. "The World is My Community" will be the theme when the Pampa Council of Church Women meet to observe the day at 2:30 in the First Methodist Church.

Mr. A. L. Patrick and Dr. Douglas Nelson, pastor of the Presbyterian Church, will bring the information on needs abroad as seen in their travels. Women in the First Christian Church, led by Mrs. Beauford Norris, will present a panel discussion on UNESCO, the United Nations Educational Scientific and Cultural Organization.

The Rev. Clyde Smith will give the devotional and Mrs. Loyd Wilson will sing. A free will offering will be taken to help buy food and milk for school lunches in devastated areas. Boxes and bundles which have been prepared by women of the Pampa community for these areas must be at the First Methodist Church by two o'clock on World Community Day. There will be a nursery for the children.

Hopkins P-TA Plans Fun, Feed and Frolic

The Hopkins P-TA is sponsoring a Fun, Feed and Frolic Night to be held Nov. 7 in the Community Hall, which will be open at 6 p. m. Chili, hot dogs, pie and cake will be served. There will be a movie and a bingo game and a horror room. Appropriate entertainment will be provided for young and old.

The "canals" of Mars don't show up on photographs.

FHA Announces Plans For Observance Week

LEFORS (Special)—The LeFors Chapter of the Future Homemakers of America announced plans for the celebrating of National FHA Week to be held Nov. 2 through Nov. 8.

Plans include: members seated together in their individual churches, the gift of a bouquet to each church of the town, the wearing of FHA pins or badges, and the presenting of a special school assembly program on Friday. At this program, the FHA king, chosen by members of the local chapter, and his attendants will be presented to the school.

To give special emphasis to the week, a tea will be held Thursday afternoon in the high school library. The purpose and meaning of the FHA will be explained, and the third year home making girls of the school will model dresses made this semester. Mrs. L. E. Fenick is sponsor of the local chapter.

Miss Rita Lane Is Shower Honoree

Miss Rita Lane was the honoree at a pre-nuptial shower given in the home of Mrs. W. H. Geiger, with Mrs. Jack Prather and Mrs. Lee Inman as co-hostesses.

The evening was spent in playing games and enjoying music furnished by Wesley Geiger and his orchestra.

A mock wedding was presented after which gifts were opened and refreshments served.

Those present were Glenda Hogsett, Jo Ann and Julia Inman, Sonora and Gerald Mayo Bill and Pete Richardson, Hershel Hardy, David Plank, Bobbie Burns, Ray Wells, Lee Blankenburg, Alton Flinchum, Ellen and Jack Prather, Della Daniels, Corrine Lane, Della Benner and Wallace Ehlman and Johnny Cox from Miami and Mrs. Howard Speagle of Borger.

Miss Lane is the bride-elect of Wesley Geiger.

Bald eagles mate in the fall.

Announcement

Due to conflicting dates Circle 4 of First Presbyterian Church will meet at the church Thursday at 8 p.m.

THE DRILLER'S LOG

By KEN BENNETT

This has been a hard week on Ye Editor. With rumors running a dime a dozen, (or even free of charge) on the Phillips' deep test well, it's been a real job trying to chase them all down. Let's hope something really happens one way or the other soon to relieve some of the suspense. Naturally we are all pulling for the best news possible.

Ole Tack, by the way, refers to the Jenkie well as T H E MIAMI WELL. Of course the well is visible any time of the day or night from Pampa. We have no complaint against it being called the Miami Well merely of course, for Miami people are very good friends of ours. We merely wonder where Ole Tack gets his information.

My sincere apologies to all those people from Humble camp that I listed under the Stanolind banner last week. Especially to Mrs. Moore who submitted the information. J. W. Swygart, Shell Production Department, has been confined to his home be-

cause of illness. Chief Clerk J. L. Anderson, of Magnolia returned from a two weeks vacation this past Thursday. Magnolia plants were sited this past week by E. T. German, division superintendent from Midland. Addie Mae Bryant returned to work at Cabot this week after a trip to the East. She reports a fine visit with the Tex DeWeese family and says Tex is doing an excellent job at WLW. News from Citrus Service this week: Mrs. L. E. Cool has been in Tulsa visiting her daughter, Mary Pauline who is in nurses training there. Mr. and Mrs. W. L. Boosa went to Oklahoma City to witness the Iowa State-O. U. Football game. Mr. Russell Pugh was also a visitor to Oklahoma City over the week end. Recent visitors to the W. C. Hutchinson home were Mr. and Mrs. George W. Corey, of Borger. Mrs. E. H. Eaton spent the weekend with her mother in Carnegie, Oklahoma.

Those of you who follow Max Skelton's report of the oil news will find that article on page 11 in this issue.

Imports of natural rubber to the United States dropped from more than one million long tons in 1941 to about 65,000 in 1942. It is expected to climb to about 400,000 in 1947.

In 20 minutes, paper mills in this country use 600 cords of wood and nearly 100 tons of chemicals to produce paper.

Oil News

Pampa News, Sunday, November 2, 1947 PAGE 13

Eleven Notices of Intent to Drill Filed With Commission

Eleven notices of intention to drill were filed at the local Oil and Gas Office of the State Railroad Commission during the past week according to a report from officials yesterday. At the same time it was reported that one well was to be plugged and application made for the deepening of fourteen wells. Eight gas wells were completed.

Notices of Intention to Drill
Gray County—Cabot-Anderson, R. H. Husted, 1/2 Section 1, I&GN Survey, 1320' from S and E lines of Sec. 116, Blk. B-2, 8 1/2 miles S of Pampa. Core Production Company, C. W. Saunders, "H" No. 2, I&GN Survey, 320' from S and 255' from E lines of S 20 Acres W 1/2 of Sec. 21, Blk. 2, 6 miles SE of Pampa.

Notices of Intention to Deepen:
Gray County—Kewanee Oil Company, Rest No. 1, Sec. 149, Blk. 3, I&GN Survey, 7 miles NW of Pampa. Kewanee Oil Company, Rest No. 2, Sec. 149, Blk. 3, I&GN Survey, 7 miles NW of Pampa. Kewanee Oil Company, Rest No. 3, Sec. 149, Blk. 3, I&GN Survey, 7 miles NW of Pampa. Kewanee Oil Company, Rest No. 4, Sec. 149, Blk. 3, I&GN Survey, 7 miles NW of Pampa. Kewanee Oil Company, Rest No. 5, Sec. 149, Blk. 3, I&GN Survey, 7 miles NW of Pampa. Kewanee Oil Company, Rest No. 6, Sec. 149, Blk. 3, I&GN Survey, 7 miles NW of Pampa. Kewanee Oil Company, Rest No. 7, Sec. 149, Blk. 3, I&GN Survey, 7 miles NW of Pampa. Kewanee Oil Company, Rest No. 8, Sec. 149, Blk. 3, I&GN Survey, 7 miles NW of Pampa. Kewanee Oil Company, Rest No. 9, Sec. 149, Blk. 3, I&GN Survey, 7 miles NW of Pampa. Kewanee Oil Company, Rest No. 10, Sec. 149, Blk. 3, I&GN Survey, 7 miles NW of Pampa. Kewanee Oil Company, Rest No. 11, Sec. 149, Blk. 3, I&GN Survey, 7 miles NW of Pampa. Kewanee Oil Company, Rest No. 12, Sec. 149, Blk. 3, I&GN Survey, 7 miles NW of Pampa. Kewanee Oil Company, Rest No. 13, Sec. 149, Blk. 3, I&GN Survey, 7 miles NW of Pampa. Kewanee Oil Company, Rest No. 14, Sec. 149, Blk. 3, I&GN Survey, 7 miles NW of Pampa. Kewanee Oil Company, Rest No. 15, Sec. 149, Blk. 3, I&GN Survey, 7 miles NW of Pampa.

Lusatian Sorb Head Dies in Prague
PRAGUE—Jurij Cyz, 43, one of the foremost Lusatian Sorb leaders, died recently in Prague. The Lusatian Sorbs are the last remnant of a Slav population of Germany which in the Middle Ages reached as far west as the Elbe.

API Holds First Fall Meeting

The first fall meeting of the Panhandle Chapter of the American Petroleum Institute was held in the Pampa Room of the City Hall of Pampa, Texas, on Wednesday evening, October 29, at 8 p. m.

Chapter Chairman D. J. Gribbon gave a brief resume of the chapter activities for the year. Mr. Gribbon also told of the National Committee's Public Relations Program and its importance to the petroleum industry. F. F. Kennedy was program chairman. Leo M. Fry, field engineer for the Stanolind Oil and Gas Company, told of his company's McGee-Cramin gas injection project. Charts were introduced to show that nearly all wells had been helped by the project but the wells that had been cleaned out and prepared for repressuring had been helped more and sooner than that had not been prepared.

T. J. Hollingsworth of the Gulf Oil Corporation Borger, told of his company's Dial Water Flooding Project, but said no known results had been obtained. Joe Cramin of the Phillips Petroleum Company, P. H. 1119's, Texas, told of his company's Joe Dan Gas Injection Project. He said the project covered such a small area it could hardly be classed as a project but that they had obtained some very valuable information for future projects.

Four Completions Reported in Area

Four new wells were completed in this area during the past week according to a report from the Oil and Gas Division of the Railroad Commission.

Hutchinson County reported three of these completions. The fourth completion was in King County.

One well was retested and acidized in Hutchinson County.

Hutchinson County.
Allen and Adams, No. 5, Jasper, located 1307 feet from N and 350 feet from E. Lines of Section 23, Block M-23, TC RP Survey, tested 48 barrels of oil in a 24 hour test. Top of pay 3023 feet. Total depth 3131 feet.
Greeston Oil Company, No. 12, J. A. Whittenburg, located 990 feet from E and 350 feet from N. Lines of Section 11, Block X02, L. Patillo Survey, tested 166 barrels of oil in a 24 hour test. Top of pay 337 feet. Total depth 3100 feet.

Retest-Acidized
Hutchinson County, Sinclair Prairie No. 1, Henry Harrison located 320 feet from S and 350 feet from E lines of lease Section 14, Block M-16, AB and M Survey tested 69 barrels of oil in a 24 hour test. Top of pay 3157 feet. Total depth 3196 feet.

New Business Established Here

Another new business opened in Pampa Saturday. It is the Corner Drug, located at the corner where West Francis and North Hobart meet Alcock.

Open house was held, with the traditional treats—coffee, doughnuts and ice cream.

The concern is located in a new large brick building recently completed. Other business concerns are also located in it.

The Corner Drug is owned and operated by D. A. Hunt.

Local Woman Wins In Grocer Contest

Mrs. C. W. Stowell, 815 N. Russell, is the winner of a silex coffee maker and a pound of coffee in a contest on the subject "my favorite grocer."

The contest is conducted weekly by the Admiration coffee makers.

Four kinds of palm trees supply oil used for margarine.

Services Set Monday For Andrews Infant

Gravestone services will be held Monday at 2 p. m. at Fairview Cemetery for the infant son of Mr. and Mrs. J. W. Andrews of Lefors. The infant was born and died yesterday at a local hospital. Mr. Andrews is minister of the Church of Christ in Lefors.

Besides the parents, also surviving are the grandparents, Mrs. and Mrs. J. B. Rose of Vega and Mrs. P. N. Andrews of Lefors, and brother, Jimmie, of Lefors.

Burial will be under the direction of Clegg Funeral Home.

Poland Mixes Barter With Rationing

WARSAW (AP)—The Polish government is distributing coal and building materials to peasants to encourage them to sell grain supplies to government agencies.

The plan for distributing goods in the next several months includes 100,000 tons of coal, 40 tons of leather, 200,000 tons of cement and \$30,000,000 worth of manufactured textiles monthly.

The coal premium has been set at 200 pounds of coal for the sale of each 200 pounds of grain to the state.

SLOW! 15 M. P. H.—SCHOOL ZONE

These Signs Placed In The middle of the streets near our schools are one of the most commendable regulations our city has passed. Every mother and father in our city has a dreadful fear of their child being stricken down by a speeding car. These signs have reduced speeding in our school zones to a minimum.

Even on Frederick and S. Barnes where many motorists seem to think they are out in the country, the traffic slows down immediately, and gives the youngsters a chance to cross.

So to those concerned in this regulation I am saying for I know dozens and dozens of mothers and dads.

THANKSGIVING

(T) is for our THANK YOU for your patronage the past year.
(H) is for HERE where your De Soto and Plymouth are sold.
(A) is for AUTO MECHANICS who sees that every job we deliver to our customers is the very best in workmanship and quality of materials.
(N) is for NOW—the time to see that your car is really "winterized" and ready for the zero and sub-zero driving weather soon to come.
(K) is for the KNOW HOW which costs none of our patrons an extra penny, but means much in extra satisfaction and service.
(S) is for SERVICE—something you always get at our garage and from De Soto and Plymouth cars.
(G) is for GUARANTEE, back of every sale of new or used cars.
(I) is for INTEREST, taken in every customer's satisfaction.
(V) is for VALUE, outstanding in De Soto and Plymouth cars.
(I) is also for IDEAL, which Webster says is a Standard for perfection.
(N) is for NEW De Soto and Plymouth cars, America's greatest values in postwar automobiles.
(G) is for GAIN, and also for gamble, but your GAIN is no gamble when you bring your cars to us for an overhaul or adjustment job.

This Is Happy

By PEGGY DERN
© by Peggy Dern, distributed by NEA SERVICE, INC.

XXIX
HAPPY and Madeline had breakfast together the next morning, both already dressed for traveling.

"The plane is to take us to New York," said Madeline as they breakfasted. "I'm stopping off there for a week or two, and then I'll go out to the coast by train."

The departure from Sundown was strangely silent. Remembering her arrival a scant month ago, Happy looked back as the station wagon rolled down the drive, and the lovely old place seemed to lay in the morning sunlight like something seen in a dream that could never become a reality. She had arrived in such excited happiness; she was going away with a depth of relief, a feeling of escape, that almost startled her. And as the station wagon rolled through the gate and into the highway, she drew a deep breath and lifted her chin, as though actually sniffing the wind of freedom.

Late that afternoon, she said goodby to Madeline at the door of Madeline's hotel, a quiet place in the East Fifties, and the taxi whirled her away toward the beloved little apartment. There, with the door open before her, she stood for a long moment looking about the familiar place that seemed to fold its arms about her and to say, "Welcome home." Timmy, relieved from the hated confinement of his traveling case, sniffed a little, and then, deciding that he was home, became almost kittenish in his desire to explore everything at once. And Happy put down his milk bottle for him, the milk dowed, and at times her loveliness of Sundown faded into nothing.

There was a knock on the door when thrust her head in and "Hi—whoopee! You're back! Come home, pal. Boy, have we missed you."

thoughts unbidden, in spite of all she could do. Curled up in the big chair that Steve had pre-empted, a neglected book on her knee, she seemed to see him there; nervous, strained, pacing up and down while he sought for exactly the right word to phrase some thought. In spite of herself, there were times when she missed him terribly, and the pain of missing him was an ache in her heart that would not be appeased.

She heard occasionally from Joyce; eager, ecstatic letters that told the girl's radiant happiness and described the new job and the new home—a white frame cottage smothered in lilacs and apple trees. Madeline wrote her from California, and Happy greeted the letters of both with warm delight, for she was very fond of Madeline and Joyce. It was Madeline who wrote, in midsummer, to tell her of George's marriage to Drusilla, and Happy nodded knowingly at that. Drusilla and George—that was, of course, logical. She had felt sure that Drusilla would win him, and she believed it was a marriage that would work out. She hoped so.

And so life rolled along for Happy; she was happy; she was happy! She worked and played with her friends and knew that while life for her could never be complete without Steve, she must give up any hope that she would ever mean anything to him except a friend with whom he had once worked contentedly.

ONE day late in August she came back to the apartment from work, and climbed the steps, weary from the heat and the activities of the day. As she mounted the last flight, a man who had been sitting on the top step rose and stood aside politely for her. The hall was dark and for a moment she could only stare at him incredulously, quite sure her heart and her eyes were deceiving her. "Hello, Happy," said Steve huskily.

She clung to the old banister, with a feeling that the stairs were swaying dangerously beneath her. She was so shocked, that for a moment she could not speak.

A GOOD DAIRY FARM
I have for sale one of the best improved 640 acres of land in Wheeler County. This is an ideal stock farm or dairy set-up. Has a beautiful 6 room modern home. Complete grade A dairy barn. 100 acres in cultivation. Has four good water wells. Lays just about a mile off the paved highway. I can sell you this for 27.50 per acre, and will give all of the mineral rights. Might even consider some Pampa property on a trade.
Thank you Mrs. E. T. Bow of McLean. You dont know it, but you've practically saved my life. I took off both my socks and put them in the pups bed and he didn't make a sound. That's the first nights sleep I've had since he came. Thanks again for your kind letter. If you are ever in Pampa drop by and see me.
I've just had listed with me one of the finest three bedroom homes that money can buy. This house will sell furnished, and the furniture, is what I would call the best. It is complete in every detail. All you'd have to do would be move in. This beautiful home shown by appointment only.
I need a lot of good two bedroom houses to sell. Would even consider buying several myself. In fact I would buy anything that I think I can make an honest dollar on.
Have a good 2 bedroom home that I can sell worth the money. This house is located on the back of a well located lot. I can also sell you two fine lots with double garages on the back. Can give good terms on any of this property.

Bonfire Insures
1948 Hat Sales
FORT MORGAN, Colo. (AP)—
Five hundred businessmen and other residents of this city heralded the advent of the fall season with a bonfire of their summer straw hats.
After a breakfast of scrambled eggs in the high school auditorium, store owners, employees and others marched to the town's public square where they tossed their straw headgear into the flames.

Mrs. Nance Will Represent Council At 29th Convention

Mrs. Carlton Nance, president of the Pampa Girl Scout Association, has been named a delegate to the 29th Convention of the Girl Scout National Council, to be held in Long Beach, Calif., November 4-7.

The convention, first to be held on the West Coast since 1937, will be attended by delegates from all over the United States. Mrs. Nance, the local delegate, representing Pampa, has been in Girl Scouting for four years. She was an active leader and Troop Committee member before she was elected as president of the board in January, 1947. Theme of the Convention is "Girl Scouts United by Ideals." This year for the first time in history of a youth-serving organization, Mrs. Nance and her fellow delegates will discuss and vote on vital issues with teenage members of the organization, as Senior Scouts are having their first opportunity to attend a convention as full fledged delegates. At a youth panel, boys and girls from sixteen to eighteen representing varied backgrounds, will discuss "Youth Looks at the World of Today," and the results of the discussion will keynote evening sessions. Members of the YWCA, the YMCA, and Catholic and Jewish groups will take part.

BRAZIL HAS LOCUSTS. RIO DE JANEIRO (AP)—Reports from the town of Cangucu say it was invaded by a swarm of locusts which are appearing again in the interior of the State of Rio Grande do Sul, in southern Brazil, with great loss to farming.

Except for accidents, rheumatic fever is the most common cause of death among children.

Doctors report that more than a million people suffer from rheumatic heart disease.

Pampan Composer for Variety Show Music

John Robert Lane, Pampa High graduate of 1945 and son of Mr. and Mrs. R. W. Lane, 1214 N. Russell, is the composer of a feature composition presented at the University of Oklahoma Homecoming Variety Show, Friday. Lane composed both words and music for the song, "I'm Bashful."

A Junior in the School of Journalism of O. U. at Norman, he was winner of the Sigma Delta Chi award for the outstanding journalist.

He is also pianist and vocalist for the Sooner orchestra, and has played dinner music during the past two years at the Copper Kettle, popular campus eating place.

Rheumatic fever usually strikes a victim between the ages of five and ten.

TAKE A DARE?

Forty Students On Honor Roll

SHAMROCK --(Special)-- Forty students of Shamrock High School have been listed on the first and second honor rolls for the first six weeks period of the current term. Twenty-six of the students rated the first honor roll and 14 were placed on the second list.

Students making 15 points for the first honor roll:

Nelly Jo Bearden, Joan Bell, Patsy Blovin, Jackie Briggs, Margaret D'Spain, Mary D'Spain, Robbie M. Gipson, Barbara Goff, Jeanne Isaacs, Kenneth Kidwell, Joe Landrum, Shirley Lee, Martha Montgomery, Patsy Porter, Patricia Price, Harvey Reeves, Clois Smith, Katherine Smith, Betty Sue Snell, Glen Terry, Patsy Tindall, Peggy N. Tindall, Joyce Tipps, Carl Wall, Virgil Snell, and Ray Lacy Zeigler.

Students with 16 points to make the second honor roll:

Keith Bennett, Doris Betenbough, Mary A. Close, Leo N. Eaves, Jo Nell Gambell, Louan Howard, Orval Johnson, Joan Parrish, Martha Setzler, Billie Ruth Shafer, Jane Skidmore, Peggy Tinsley, Mary Wilson and Ray York.

The weight of coal and oil produced in the United States is about 1,000 times the weight of copper produced in this country.

Leaves From a Correspondent's Life Note Book

NEW YORK --(AP)-- War is something you learn as you go along.

Even an old campaigner like Gen. George S. Patton, Jr., found that to be true. He says as much in his own life story, excerpts of which are published this week in the Saturday Evening Post.

Recalling how the Germans threw back one of his armored columns several miles and cost him a number of tanks, Patton acknowledged it was probably his fault for driving his men day and night to a point where they were too tired to resist the Nazi counterthrust.

"I remember being surprised at the time at how long it took me to learn war," he wrote. "I should have known this before."

A few generals are courageous enough to admit they were guilty of mistakes that cost men's lives. It is characteristic of Patton's brutal honesty and superb egotism that he could do so—and still boast that he only made one error in the European campaign.

His story of his own part in the war is a legacy of controversy, bristling with the prejudices of a strong-willed impatient leader who hated the reins he felt held him from the greatness and glory he was born to.

But from it emerges the clearest picture yet given of the most powerful personality of the war—a man who believed in fighting and loved it. Nobody really knew Patton better than himself.

Here are some of his own pithy comments on his trade: "A pint of sweat saves a gallon of blood."

"We never had to regroup, which seemed to be the chief form of amusement in the British armies."

"Do not take counsel of your fears."

"If I had worried about flanks I could never have fought the war."

"One does not plan and then try to make the circumstances fit those plans. One tries to make plans fit the circumstances."

No one who knew the impetuous Patton could quarrel with his own summary of his life—"at least, I have done my best as God gave me the chance."

Nor should his countrymen forget this classic warning that gives his military creed:

"Pacifists would do well to study the Siegfried and Maginot Lines, remembering that these defenses were forced, that Troy fell, that the walls of Hadrian succumbed, that the great wall of China was futile, and that, by the same token, the mighty seas which are alleged to defend us can also be circumvented by a resolute and ingenious opponent. In war, the only sure defense is offense, and the efficiency of offense depends on the warlike souls of those conducting it."

Concern Moves To New Building

The Brooks Electric concern, located at 920 Alcock, has moved into its new building at 1101 Alcock. T. M. Brooks, who has been a resident of Pampa for 15 years, said the new structure, made of brick, is 25 feet by 80.

A formal opening will be held tomorrow and Tuesday.

The business was established at the old location in May of 1945.

Mayor Huff Issues Nov. 7 Proclamation

The following has been issued by Mayor C. A. Huff in the interest of the Pampa Council of Church Women.

PROCLAMATION

WHEREAS, the needs of the world are so complex and critical at this time and since we believe in the words of the Preamble of the United Nations Educational, Scientific and Cultural Organization that "since wars begin in the minds of men, it is in the minds of men that the defense of peace must be constructed" and,

WHEREAS, "the great and terrible war which has now ended was a war made possible by the denial, equality and mutual respect of men, and by the propagation, in their place, through ignorance and prejudice, of the doctrine of the inequality of men and races; that the wide diffusion of culture and the education of humanity for justice and peace are indispensable to the dignity of man and constitute a sacred duty which all the nations must fulfill in a spirit of mutual assistance and concern," and

WHEREAS, it is the mission of our churches to proclaim the significant role of the Church in the cause of a just and enduring peace. NOW THEREFORE, I do hereby proclaim, Friday, November 7, as THE WORLD IS MY COMMUNITY DAY in the city of Pampa, and do call on all citizens to give their thoughtful attention and participation in services of this day that the people of Pampa may be aware of the issues of World Community and dedicate themselves to the achievement of its important objectives.

Closed Board Meeting Start Talk Of Law Banning Secret Sessions

By DAVE CHEAVENS
Associated Press Staff

AUSTIN—(AP)—When three separate state boards recently selected the same day to close their doors to the press and public for policy discussions and action, it started new talk of a law to ban such secret sessions.

Reporters assigned to cover the Capitol have two outstanding beefs about the officials and bodies with whom they deal. First is the off-the-record statement—frequently delivered gratuitously but for some definite if concealed reason—that hamstringing their efforts to inform the public of what's going on.

Second is the executive session of some committee, commission, or board making decisions of public interest and spending public money.

The matter of most immediate and urgent concern is that of secret sessions because there is a definite trend of increase. It was merely brought into sharp focus on Oct. 12, when the Game, Fish and Oyster Commission, the State Board of Education, and the Board of Plumbing Examiners all excluded the press from portions of their meetings at which presumably touchy questions were discussed.

The State Board of Health is the only such agency of the state required by law to hold open meetings. On the other hand, there is nothing in the law permitting or even encouraging iron curtains.

In fact, the libel laws require that published reports of proceedings before such boards be correct, adequate, and impartial. It would seem that this at least carries an implied obligation on the part of public agencies to make all that happens before them available to the reporters who shoulder this responsibility.

The state constitution requires that legislative proceedings be open "except the senate when in executive session." The senate also empowered by the constitution to make its own rules—has for many years held such closed sessions when considering nominations by the governor.

Another senate rule provides that a committee hearing a bill may act upon it in executive session, but only after a public hearing has been concluded. A further limitation is that a record of such session be kept, and left open for public inspection.

This latter rule is seldom invoked even in the most delicate legislative matters. The cloture rule on nominations is followed strictly, and efforts during the past two sessions to abolish it have been defeated. Almost any senator, however, will admit privately that when the upper house gets in a snarl that it feels it can not untangle publicly, it goes into executive session presumably to talk about some appointee, but actually to speak out frankly on some bill without the inhibi-

radly to mind. Many commissions meet and the members scatter for home before the capitol press room hears about it. When such agencies do not have stated times to meet, they often neglect to notify the press in advance although most of them have been asked to at some time or another, or repeatedly.

The closed door policy has been excused by members of commissions on several grounds. Sometimes they say the matters discussed are routine and trivial and not of public interest. Sometimes they say personalities of employes are discussed, or other

personnel matters gone into which otherwise are not of public concern. Most capitol correspondents reply they feel they are better qualified than board members to judge the question of privilege or public interest and concern. The things a reporter writes are governed by laws he has learned to respect, often by sad experience. These laws are designed to protect the individual and they do not extend to state governing boards any responsibility in the matter. The reporter's responsibility is to give an adequate correct and impartial account of

what happened or what was said. His further responsibility is to inform the public of what its agencies are doing. The argument has also been advanced that if a law were passed requiring commissions to meet openly, there would be nothing to prevent private pre-meeting sessions to decide in advance of an open meeting what to do about a delicate matter. There is no doubt such subterfuge would defeat the purpose of an open meeting law. Neither is there any doubt that this practice is already being followed by some boards that ostensibly meet

in public. A statute requiring state boards to hold public hearings on controversial questions would benefit the public. Synthetic rubber is the result of chemical work conducted for more than 100 years by chemists of Great Britain, France, Germany, Russia and the United States. Botanists estimate that about one-fourth of all known species of plants in the world grow wild in Brazil.

MEMBER OF THE ASSOCIATED PRESS (Full Leased Wire). The Associated Press is entitled exclusively to the use for republication of all the local news printed in this newspaper, as well as all AP news dispatches.

Congratulations on Service to Pampa

Alex Schneider came to Pampa about forty years ago, and became the operator of a hotel; and, like the inn-keepers of old England, was known as the traveling man's friend.

For thirty-six years he has operated a hotel in Pampa, and for as many years he has met more and more people, who in one way or another are always interesting. As a result, 'Alex' is a familiar name to people all over this nation.

The traveling people will miss Alex, for he has sold his hotel, and, to use his words, is going "to take it easy for a while."

He and Mrs. Schneider are going to visit Switzerland, a land where he learned his trade as a young man. We wish them a happy visit.

As for the new owners of the hotel, we hope they can maintain the high quality of service; we hope they can improve the business in some ways, as all businesses can be improved; and we hope they can increase the size of the hotel, for more commodious quarters are needed here.

Strong on 'Weeks'

For some time we had decided to let the subject of special "weeks" just ride on and on. We weren't going to say anything about it. We were adamant in our decision until yesterday. It was at that eventful time it was brought to our attention that Nov. 2 to Nov. 8 is "National Cat Week."

"No, we're not kidding. That's the truth, and an agency is advertising the great occasion. We have seen so many "days" and "weeks" dedicated to this and that, aided and abetted by "proclamations" on the subject, that we hated to bring up our own "Newspaper Week" a few weeks ago. We didn't say much about it, did we? No, because we were already tired and weary.

Well, after this cat deal, which like many other "weeks" and "days" may be all right for all we know—after this cat week business we just jotted down a few of the "weeks"—not to mention "days"—that are observed. The press, you know, remembers these things, for we are asked to "take part" (with good newsprint).

Here are a few of them: National Brotherhood Week, Camp Fire Girls—Birthday Week, National Duke Ellington Week, National 4-H Club Week, National Newspaper Week, National Boy's Club Week, Know Your Public Health Nurse Week, National Family Week, World Fellowship Week, National Foot Health Week, National Farm Safety Week, Welcome UN Week, United Nations Week, National Split Tea Week, National Pray for the Press Week, National Doughnut Week, National Laugh Week.

There are many others and we would be weak before we got them all listed. As we said, they may all be good, but the number is getting so large that soon two organizations will have to double up on one week; and then there will be trouble.

Ireland is about the size of West Virginia, but has about a million more people.

PROPAGANDA IN PICTURES by Upton Close

I have heard a number of people ask why the Thomas committee, exposing Reds in the film capital, has not given examples of what constitutes propaganda in pictures.

The impression seems to be getting around that maybe the Reds have been able to get much of their ideology onto the screen. The impression is erroneous. I think it probable that only a small percent of the movie goers see the propaganda because it often is subtle. But it is the unseeing majority on whom the devices have their effects.

I have a list of approximately 100 films which contain plugs for the party line, and more are coming out of the production line everyday.

It is not necessary to name any single carrier of the virus, but I want to take a current and I believe effective example, The Farmers Daughter which I previously mentioned in this newspaper. The whole plot of this picture is political. The propagandists who influenced this film took a lovely girl and made her into a political crusader for their "liberal" cause. Specifically, she campaigned for "free milk," a so-called fair employment prac-

NATIONAL WHIRLIGIG news behind the news

By RAY TUCKER

MINNEAPOLIS — The big grain men in this wheat center think that President Truman is trying to put the slug on them with his charge that their market operations are the main factor in the unprecedented rise in the cost of this basic product.

They hold that Secretary Anderson, a wheat grower himself, is more correct in his various statements that deals on the exchanges play only a negligible role in the present price inflation.

What's more, their reports from the winter wheat belt suggest that conditions will become even worse in 1948. A prolonged drought has prevented the seeding of next year's crop. In Kansas, which produced one-fifth of the nation's total crop last year, there are hardly any cattle on the pastures, which means a decline in the production of both meat and wheat.

Contrary to Mr. Truman's indictment, the grain dealers attribute present prices to heavy government buying for foreign accounts and an unequalled domestic demand based on a record purchasing power.

Farmers and workers, who have profited heavily from the present prosperity, are heavy eaters of bread and cereals at such times. Dietary studies by Secretary Anderson's own Department of Agriculture show that these foods are in heavy demand in good times.

QUESTION — Recent studies at Washington show that, in addition to the fact that there are now more workers than ever before—60,000,000—more of them are in the higher brackets. And it is estimated that they spend approximately 35 per cent of their budget on food.

The grain dealers also question the wisdom of meatless and poultry-free days, in so far as the saving of wheat and other cereals is concerned. If the days of abstinence do have any appreciable effect, they say, it will mean that so many more cattle and poultry will have to be fed so much longer, thus cutting down the supply.

The rain experts here and elsewhere shake their heads dubiously when they think of the future. In view of the prolonged period of fine growing weather which the U. S. enjoyed during the war years, they fear the prospect of a cycle of dry weather that will scorch the ranges and kill the wheat.

SOIL — Wartime over production has thinned the soil. Already, high winds are flecking the air with dust haze, an ominous sign, through large sections of Kansas, the nation's bread basket, four to eight inches of dry top soil blanket the earth.

Old-timers report that if the rains do not come soon, both wheat and meat prices will soar, and that there will be only a scant supply for feeding Europe under the Marshall Plan.

PSYCHOLOGICAL — That program, too, even though it has not yet been implemented by Congress, has had a psychological effect on the price level. Many growers expect that even more intensive government buying will boost prices even higher, and they are withholding their wheat from the market.

Another factor making for a shortage is the current high taxes. With the present prices, farmers will be thrown into higher brackets, if they move their whole crop to market in a single taxable year. Many are also holding back in the expectation that the next session of Congress will enact another tax reduction bill, and also override a third presidential veto.

Despite the present agricultural boom—income rose from \$4,306-cent of copper.

000,000 in 1939 to \$15,213,000,000 in 1946—the farmers are, as usual worried. They realize that their present good luck cannot last; and that the Marshall Plan itself will tend to cut down their market, by bringing other countries back into production. Moreover, prospective shortages materialize they will offset their present rich receipts at the very time that costs of labor and materials remain high. Food prices usually tumble more quickly and sharply than the costs of manufactured articles they must buy.

APATHETIC — Politically, the farmers are somewhat apathetic these days, as they usually are in lush times. They have a mild liking for President Truman, but they are not excited over him. They liked his adoption of a firmer attitude toward Stalin and John L. Lewis, but they think that he should have signed the Taft-Hartley Act. Except for well-to-do ranchers and corporate farmers, who fear inflation, they also wish that he had seen fit to approve the tax reduction measure.

CANDIDATES — As for the Republican candidates, none seems to have struck their fancy. Harold E. Stassen, naturally, is strong here and has built up secondary strength across the northern tier. Senator Taft won their admiration on his recent tour, but few delegates, Governor Dewey has lost ground, and there seems little interest in him.

General Eisenhower arouses their curiosity, but politically, he is as yet only a vague figure on the horizon. They warmed to Speaker Martin's directness, plainness and friendliness, but they don't seem to regard him as a candidate—yet.

Gracie Reports

By GRACIE ALLEN

Gosh, I see where the retiring president of the osteopaths told the Los Angeles Breakfast Club that kissing is unhealthy. He was quoted as saying that he never heard of anyone kissing for his health.

If he wants to be open minded on this, let him drop over some time and I will show him George who will be glad to testify that it is mighty unhealthy for him when he tries to leave the house without kissing me good-bye.

The health rate of kissing, as I see it, depends a lot on whom you kiss. For instance, if a man kisses his wife at a New Year's party he'll start out the new year in good physical condition. If he kisses some other woman he'll be a very poor insurance risk.

And don't forget, the whole world would be much healthier if nations did more kissing and less backbiting.

Eiterton Declines To Make Comment

LONDON —(AP)—George Eiterton declined to comment today on testimony before the House un-American Activities Subcommittee in Washington purporting to link him with an attempt to obtain United States atomic secrets for the Soviet Union.

Eiterton, reached by telephone at Thornton, England, where he is employed in the Shell refining and marketing laboratories, said: "I have no comment to make on such testimony."

However, concerning the committee work in general, he continued, "it doesn't seem to be sticking very closely to facts."

The average copper ore in the United States in 1944 contained about 96 hundredths of one per cent of copper.

LOOKING AHEAD

By GEORGE S. BENSON

President Harding College, Searcy, Arkansas

Voters the Cause of High Cost of Living

When everything is analyzed the real cause of the high cost of living is the majority voters themselves. And the high cost of living is measured more by the hours a man has to spend to satisfy human wants than the number of dollars required to satisfy those wants.

As a whole America has been the lowest cost of living country in the world. The reason it has been the lowest cost of living country in the world is because in America the government more nearly had a "decent respect for the opinions of mankind" than any other country in the world. In other words, men were freer to use their human initiatives than in any other place in the world. But during the last quarter of a century we have rapidly departed from respecting the opinions of the majority. We have given the government by our majority votes the authority to do things that no individual ever had a moral right to do and thus the government has no right to do. For this reason it is retarding our development.

One of the cartoonists sent out a cartoon showing how people try to pass on the blame for the high cost of living. The cartoon starts with a picture of a farmer holding up his hand and saying "High price? He made 'em", pointing to the processor. The processor says "No, he did it", pointing to the transporter. The transporter says "Not me, he did it" referring to the manufacturer. The manufacturer says the wholesaler did it; the wholesaler says the retailer did it; the retailer says the miner did it; the miner says the factory worker did it; the factory worker says the cattleman did it; the cattleman says the butcher did it; the butcher says the baker did it; the baker says the candlestick maker did it; the candlestick maker looks at the consumer blankly and the consumer says "I think it is all of you together."

If the majority of the voters together, and the primary reason the majority of the voters have got themselves into this mess is that they have been more interested in trying to educate somebody else than they have been in trying to educate themselves as to the true meaning of God's or nature's laws; and when people collectively go together by way of the state to try to educate themselves, we are bound to get a high cost of living.

This high cost of living is due to such laws as tariff laws, immigration restrictions, progressive taxation minimum wage laws, so-called "social security" laws, discriminatory labor laws which make it illegal for the employer to show preference for men who will make a binding contract that binds them to a labor union. It is due to such laws as the Federal Reserve law which permits banks to pyramid credit and promise the depositor to give him his money on demand. It permits the bank to loan it for a given length of time when it has already promised to return the money on demand.

If people were educated in morals, if people weren't taught by the public schools that might and right were the same thing they would not have voted for men who have passed these discriminatory laws. Yes, the high cost of living is due to one cause and one cause only—the majority of voters who have voted into office in the school districts, in the city, the county, the state and federal government men who passed laws attempting to establish a paternalistic government and take, by the tax route, from one to give to another. That's the cause of the high cost of living. It won't be solved until these discriminatory laws are repealed.

So They Say

American farmers will grow every pound of food and fiber for us here, but they can't produce a reasonable demand. The world need have no fear of their willingness to produce to capacity. —Rep. Clifford R. Hope (R) of Kansas.

There must be a general downward adjustment in prices before a sustained period of prosperity is possible. —Jack J. Straus, president, R. H. Macy and Co.

Personally, I don't think we are going to have an recession in the next three years. —Alfred P. Sloan, chairman, General Motors Corp.

Today's events indicate the need for a nation-wide emergency medical plan, since in the next conflict all most of the nation may be vulnerable. —Dr. Edward L. Bortz, president, American Medical Association.

The United States is a counterweight to the world ambitions of the Soviet Union. There is not a free man in the world who does not consider this as salutary. —Gen. Charles de Gaulle.

Liming materials were used on the soil long before the beginning of the Christian era.

FAIR ENOUGH . .

By WESTBROOK PEGLER
(Copyright, 1947).
WASHINGTON — Some of our courts have built up a rule which protects in their treachery those actual enemies of the United States who are Communists but deny that they are. It is ironic that patriotic judges should shield men whom they surely regard as anti-American conspirators when they could rule the other way. Nevertheless, some of them do.

The theory is roughly this: Communists and fellow travelers are objects of loathing, and actual Communists may be excluded from some public positions. Therefore, any person who calls another a Communist, a fellow traveler or even, in some jurisdictions, a Red, may be called

upon to prove it and to pay damages if he can't. There is a thin theory here that the government might refuse to employ some innocent individual merely because someone else said he was a Communist. Actually anyone so excluded would be rejected not because of anything that anyone else had said but because the government had its own reliable information.

So far, the question has not reached the Supreme Court. If the court were consistent, the patriotic American citizen might feel confident that, in due time, the justices would stick to reasoning already expressed and throw the Muscovites downstairs.

There are previous decisions which seem to promise that the patriot will be made free to call a man a Communist who plainly is and deliberately taunts good citizens to say that he is.

In one case, Justice Frankfurter wrote that it was harmless to refer to say that a man was a Fascist, with malicious intent to damage his reputation and destroy his business when there was absolutely no ground for the charge.

Here, a racket union had tried to compel a pair of industrious Graeco-Americans, who had a little restaurant, to hire union members to do work which they did themselves. The union picketed the place with false statements that any customer who patronized it was guilty of promoting fascism. That does seem so silly that you might justify the court's decision that the remarks were just juvenile bickering. But when you reflect that a teamster or a tailor might be blackballed from coast to coast for crossing a picket line and patronizing Fascists, you think again. This union intended these slogans to hurt. It did not follow that they were harmless just because nobody really believed them.

In many other cases, the boss vermin of the union racket have placarded premises with lies which the public knew to be lies. And when 400,000 customers quit in fear of punishment as scabs, the preposterous hurts as much as the truth. Still the Supreme Court called these little white lies.

Recently the Thomas committee on un-American activities took testimony on communism in Hollywood, the general public heard for the first time who the traitors were who have been needling propaganda into the films and blacklisting from the business many a good American. Incidentally, I hope some way may be found to make some amend to Patterson McNutt, a first-class movie writer who fought in France in the first war and was driven out of Hollywood two years ago, lone siege and beaten after a long, lone siege. Like the stiletto this treacherous European weapon strikes unseen and makes no sound, McNutt had fought the reptilian sneaks of the guilds and he was whispered out at the top of his ability while the other ingrate refugees rode in chaises.

This hearing of the Thomas committee gave the papers and the radio, their first free opportunity to print names. It was the first time they had been mentioned in sworn testimony. Even when a citizen in formal public debate unguardedly calls his opponent a Red, he may be financially crippled or destroyed by the American courts. The lawyers for the Communists are well paid. The money comes from

rich contributors in Hollywood and New York and from arbitrary assessments for "defense funds" levied by Communist unions. Invariably, the Communists demand enormous judgments. And, almost invariably, they are mischief-makers who would not lose face in the circle of their friends because their friends are all the same. Their risk of financial loss and their professional handicap in private employ or government service is theoretical and a verdict of six cents would be fair in any case. In McNutt's case, the damage was not imaginary. They ruined him.

The U. S. federal park system includes 26 parks, four historical parks, 82 battlefields, 11 military parks, eight battlefield sites, six historic sites, one recreation area, nine miscellaneous memorials, 12 cemeteries and three parkways.

Range Improvement Field Day Planned

SHAMROCK (Special) — All farmers and ranchers of this area who are interested in controlling brush and weeds and greatly improving their range, are invited and urged to attend a brush spraying inspection field day at the Oasis Ranch, 16 miles south of Higgins on Saturday, November 15.

The inspection, conducted by the Southern Great Plains Field Station of Woodward, Okla., will begin at 2 p. m.

What Convict Rodeo Performers Lack in Skills Made Up in Breakneck Thrills

HUNTSVILLE—(AP)—Down in the piney woods of Southeast Texas thousands of Texans gather outside the towering red brick walls of the Texas Prison System's main unit every fall for the wildest rodeo in the Lone Star State.

The men are tough and the critters they ride and rope are tougher than in any other show.

That's the Texas Prison Rodeo. The performers are convicted murderers, robbers, burglars, forgers inside the walls, for anywhere from three to 101 years. A dozen of the 81 contestants this year are life-terms.

The stock with the Lone Star brand of the prison system on their haunches are sleek, healthy—and mean.

In one section of the grandstand, behind strong wire screens, sit some 1,000 convicts in the white prison garb of trusties. Above their heads sit two guards in wired cages, rifles in their hands, pistols in their hip pockets. Beneath the bleachers are more guards, and in the rodeo arena, and among them are still more.

The ushers and the pillow and bottled drink vendors are trusties. The nice-looking young man who said, "Sorry, sir, I'm not allowed to handle a bill that size" to a spectator who offered a \$10 bill for four drinks is serving 20 years for murder.

The grinning, toothless Negro selling snow-white pillows is serving life for hitting his wife.

Folks from hundreds of miles away start arriving in Huntsville on rodeo days at dawn. They come in their cars, in school buses and chartered commercial buses. By noon the lawns outside the walls are thick with picnickers. Bleachers and standing room in the rodeo arena, which has 23,000 reserved seats, are filled.

An hour before the rodeo begins some 50 members of the band, clad in coarse white cotton suits march single file behind a guard up to a wired cage at the back of the grandstand. The door is locked behind them while they pick up their instruments and swing into as good music as most college bands offer.

Behind the grandstand two cattle trucks, washed clean, arrive with women inmates from the Goree prison farm a few miles away. The "Goree Girls" are in clean starched white dresses, with brightly colored belts and flowers and ribbons in their hair. They march quietly to seats in front of the bleachers.

Quickly, but with no commotion, trusties allowed to watch the performance fill up their wired section, coming up from a special entrance underneath the grandstand.

On the dot with a dramatic flourish from the band, Maj. D. W. Starke, manager of the Texas prison system, and Albert Lee, member of the Texas prison board, lead off the grand entry parade that circles the arena.

"We're off, folks—let 'em roll," the announcer yells as the prison band finishes the last bars of the Star Spangled Banner.

From 10 chutes 50 wild and bucking Brahms bulls with dave-devil convicts on their backs break out simultaneously.

It's the beginning of the wildest and fastest rodeo seen in these parts. For two hours 81 convicts risk their lives on 40 wild horses and 50 bulls and steers. The average is a ride a minute.

Broken bones are a small matter. A stay in the hospital is a welcome diversion to a man sentenced to prison life for 101 years.

The calf ropers and those in the specialty acts between events are the only "outsiders" in the show. Convicts don't have time for the practice necessary in the art of calf roping.

"They're strictly amateur but it's a good show," one prison official said. "What the contestants lack in skill they make up in giving the crowd a thrill."

Inmate volunteers for rodeo performances are screened carefully, not only for ability but for honorable intentions.

Prison officials say one of their worst problems is the danger of some spectator, friend or relative of an inmate, slipping a weapon to a convict during the hullabaloo. That's why the guards stationed around the grandstand keep wary eyes on the spectators.

Chief trouble so far has been escapes while prisoners from South Texas farms were being transported to the rodeo through Houston's city limits.

This year performances were given on two Wednesdays in October, in addition to every Sunday. The show starts an hour earlier so the dangerous route through Houston can be made before dark.

"We get 'em here, give 'em a good show, then get 'em home as quick as we can," one official said.

The convict performers wear the black and white striped suits of troublesome prisoners, but that's mainly for color in the show. The worst convicts are locked securely in their cells on a rodeo Sunday.

All trusties participating in the show get \$2. In addition, prize money is given, but the amount is unannounced, nor are the proceeds disclosed.

The prison system uses the proceeds for recreational and educational projects. Some of it goes for library books, some to pay teachers. If a prisoner needs an artificial leg the money comes from the rodeo fund.

Some of it is being used to replace the wooden stands with a brick and concrete stadium.

The show started off with a bang in 1931 and it's been growing with whoops and hollers.

America's soil was protected from soil erosion before the white man came by a cover of grass and forest.
