Mules, Bobcats Tangle In District Game

around
Muleshoe

At Watson Junior High School, Educator of the Week was Aide Deanna Rasco.

The principal awards went to Koy Wilhite, sixth grade; Manuel Rubio, seventh grade and Joe Luis Ramirez, eighth grade.

Abel A. Leal, son of Mr. and Mrs. Jesse Leal, has been elected secretary/treasurer of the high school seniors at New Mexico Military Institute in Roswell, N.M.

NMMI is a state-supported four-year, college preparatory high school and two-year junior college.

The corps of 810 cadets is about evenly divided between the high school and junior college. The class officer elections were held after a week of vigorous campaigning.

Mr. and Mrs. J. D. Cage of Muleshoe sampled campus life during Parents' Weekend at Austin College in Sherman September 30-October 1. Their daughter, Ali, is a student at the 140-year old liberal arts college.

Activities during the weekend, which attracted approximately 600 parents, grandparents, and family members to the campus, centered around the theme, "Prime Time for Parents."

The Mighty 'M' Band Review will be held Tuesday, October 17, at 8:30 p.m. in Benny Douglass Stadium.

This is in preparation for the UIL Competition scheduled for Wednesday, October 18 at 11:15 a. m. in Jones Stadium at Texas Tech University, Lubbock.

You are encouraged to attend the preview on Tuesday night of the Disney Show, and certainly plan to go to Lubbock for the UIL competition.

All parents interested in helping decorate the buses are asked to be at the football stadium in Muleshoe at 7 p.m. Tuesday night.

R. L. Scott, who farms west of Muleshoe, produced the first bale of cotton in Bailey County for 1989.

The bale weighed 514 pounds, and was ginned at Muleshoe Co-op Gin.

Scott's cotton was planted on May 5.

TOUGH DEFENSE KEPT MULESHOE AND DIMMITT SCORELESS--John Orozco, No. 30, is surrounded by scratching, clawing Dimmitt Bobcats as he tries to advance the ball for the Mules. It was a tough defensive game all the way, and the game ended up the way it started, with a score of Muleshoe 0-Dimmitt 0. It was the first district game for each team for 1989. (Journal Photo)

It was Friday the 13th all the way for the Muleshoe Mules and Dimmitt Bobcats Friday night at Dimmitt.

It was a tough 'defensive' battle all the way, and even though both teams managed to get "near" the end zone several times, the game ended up a big, fat 0-0.

In the first possession of the game, the Bobcats ended up with a fourth and one, but couldn't make it so punted to the Mules, who promptly fumbled the ball back to the Bobcats at 9:59 of the first.

Putting the ball into play, the 'Cats failed to move the ball after the QB got a sack.

The Bobcats took the ball to the Mules' six-yard line before being stopped.

With 6:51 left in the first, the Mules took possession, but tough Bobcat defense kept them from progressing with the ball, so the Mules punted it away.

This time, the Bobcats managed to move the ball for four or five plays before handing it back to the Mules again.

After the Bobcats failed to make much yardage, the Mules again took over, and managed two plays before the end of the first quarter, with the score showing 0-0.

Coming into the second, the Mules were still in possession of the ball and made several first downs in a steady march downfield before a Bobcat intercepted a Mule pass.

With 5:57 left to play before halftime, the Bobcats managed a first and ten before having to punt the ball away at 4:15 of the second.

After making a first down, the Mules bogged down, turning the ball back over to Dimmitt with 2:41 showing on the scoreboard clock.

The Dimmitt Bobcats took possession again, and moved the ball to the Muleshoe one-yard line, but tough Mule defense kept the Bobcats out of the end zone from the one-yard line.

It was still 0-0 at halftime in the game.

In the start of the third quarter, the Mules managed seven plays, along with two first downs before having to punt the ball away at 9:20 of the third.

After six plays, and two first downs, the Bobcats returned the ball to Muleshoe via the punt and again lost out to the Bobcats on an interception.

After three incomplete passes, and a quarterback sack, the Mules took over again with 4:18 left in the third.

A quick first down fell short

when the Mules failed to gain much advantage against Dimmitt defense and were forced to punt the ball away again.

At 2:39 of the third, the Bobcats managed two very quick first downs, then started to fall back to a toughened up Mule defense.

At the end of the third, the score was the same, Muleshoe 0-Dimmitt 0.

Going into fourth action play, Dimmitt managed a couple of first downs, and then at 9:10 of the fourth, the Mules fumbled the ball away and Dimmitt took advantage by making a couple of first downs.

Seven plays after the Bobcats took over the ball with 6:45 left in the game, the Mules stopped the Bobcats again and took possession.

Cont. Page 6, Col. 1

County 4-H Participates In Area Fair

Several Bailey County 4-H'ers participated in the Lubbock South Plains Fair during the last week of September.

Placements were as follows:

STEERS

Courtney Tanksley, fifth, Crossbred; Colin Tanksley, ninth place, Crossbred; and Courtney Tanksley, 12th place, Pure Bred.

LAMBS

Shane Schuster, third place, Crossbred; Joshua Tooley, third place, Fine Wool; Holly Huckaby, eighth place, Medium Wool; Jason Harmon, eighth place, Fine Wool; Holly Huckaby, 11th place, Medium Wool; Holly Huckaby, 12th place, Fine Wool Cross and Shane Schuster, 13th place, Medium Wool.

SWINE

Russell Pollard, third place, Hampshire; Larry Robertson, fifth place, Duroc; Brittany Young, sixth place, Hampshire; Scott Pollard, ninth place, Hampshire; and Melinda Turney, ninth place, Hampshire.

The Bailey County beef group won first place in the Herdsman Division as well.

"Our congratulations to these young showmen as their begin their show season," said Bailey County Extension Agent Spencer Tanksley. "Many will be entering their animals in the Bailey County Junior Livestock Show in early January, and then many will be off to other shows...El Paso, San Angelo and Houston. Results from those shows will be made available as they are received."

Three Way Eagles, Mustangs Face Off In Homecoming Action

Despite trailing through most of three quarters of football action, and ultimately losing their first game of the year to Bovina, the Three Way Eagles never gave up, and continued to play hard and strong against a stronger football team.

Bovina took an early lead and at the end of the first quarter at Three Way's Homecoming, the score at the end of the first was 0-16.

Three Way got on the scoreboard in the second when Mario Guillen made it in from 11 yards out, and the PAT failed.

Then, the Eagles came back with Mario Guillen connecting on a 24-yarder to Efrain Guillen for six more points.

Another Mario to Efrain pass was successful for a 45 yard TD, and a safety added two more points, with the game at 22-24 at halftime.

Following a performance by the Bovina band, the homecoming royalty was introduced and the new king and queen were

crowned. Last year's homecoming royalty, Jarrod Sowder and Norma Rubalcava, crowned the new king and queen.

The homecoming royalty was another first for Three Way. They were twin brother and sister, Chris and Debbie Locke.

Coming back after halftime, the Eagles took a brief lead with 3:48 left in the third, and Mario got a couple of points for a 78 yard runback.

In the fourth, the trailing Eagles managed a one-yard TD from Mario to Jessie Haros.

Mario Guillen had 22 rushes for 149 yards and one TD; Efrain Guillen made four catches for 171 yards and three TDs; and Jessie Haros had one reception for a TD.

Beef Cattle Clinic Slated October 24

A South Plains Beef Cattle Clinic will be held in Muleshoe on Tuesday, October 24, starting at 9:30 a.m. at the Bailey County Civic Center, located on the west edge of Muleshoe on Highway 84.

Bailey County Agent Spencer Tanksley said this event is being sponsored for area beef producers in the six-county area of Bailey, Parmer, Castro, Lamb, Cochran and Hockley Counties.

The county agent said the program is free and open to the public for all area beef producers from the Texas and New Mexico areas.

Topics to be discussed in the morning session will be: Cow Body Condition and Re-Breeding Efficiency; Calf Scours--Cause and Preventions; and a report on Texas A&M Veterinary Medical Lab Services available to beef producers.

A barbecue luncheon will be provided and producers will have an opportunity to visit the commercial booths during the lunch hour.

The afternoon topics to be discussed will be: Profitable Management of Stocker Cattle and Supplemental Feeding to Optimize Gain.

Defensively, Mario Guillen had 27 tackles; Larry Robertson had 13 tackles; Efrain Guillen had 17 tackles and Jessie Haros had 14 tackles.

Despite it being the first loss of the year for the Three Way Eagles, Coach Greg Jeffcoat said he was very proud of all his players. "Despite being behind, and despite playing a much larger team, they never gave up, and continued to play their heart out," he commented.

The Eagles, under the leadership of Coach Jeffcoat, fielded a team after just five players initially came out at the beginning of the football season. They have had some injuries, and have won every game until Friday night.

It was 'near perfect' football weather, and a very large crowd watched the game.

SPS To Honor Local Employees For Service Years

Eight residents of Muleshoe who work for Southwestern Public Service Company (SPS) will be recognized at the SPS Southern Division and Production Department service awards dinner Wednesday, October 18, in Lubbock for their years of service to customers.

They are among 405 employees of the company being recognized through a series of award dinners for a collective 5,920 years of service.

Employees in Muleshoe being honored are:

James Webb Foster, 25 years of service; Dolores Claire Garrett, 20 years of service; Wayne T. Ferris and Jim Thomas, 15 years of service; Martin Lee Davison, Tony Hunnicutt, Jackie Vurr Robinson and Keith W. Turner, 10 years of service; and David Barker, five years of service.

NEW DEPUTY SWORN IN FRIDAY--Friday afternoon, Bailey County Judge Jim Watson administered the oath of office to newly appointed Bailey County Deputy Sheriff Don Carter. Deputy Carter officially started his duties immediately. He replaced Chief Deputy Steven Bearden, who resigned to go to work for the Levelland Police Department. (Journal Photo)

THREE WAY ROYALTY--It was a first for Three Way Friday night, when twin brother and sister, Chris and Debbie Locke, were named Homecoming King and Queen. They are the children of JoAnn Tyler and Ferris Locke. Unfortunately, the Three Way Eagles did not come away with a homecoming victory, losing their first game of the year to the Bovina Mustangs, 38-52. (Journal Photo)

Creative Living

by: Sheryl Borden

Information on developing your child's esteem, the working triangle, and ideas for a romantic dinner for two using canned foods will be featured topics on "Creative Living" on Tuesday, October 17 at 12 noon and on Saturday, October 21 at 2 p.m. (All times are Mountain.)

Judith Olney represents the Canned Food Information Council from Chicago, IL. Judith will share several ideas for a romantic, sophisticated and elegant dinner for two using canned foods. She will discuss how canned foods maintain quality as well as provide nutrition and a cost-effective way to prepare meals.

Dr. Jane Bluestein, an author and founder of Instructional Support Services, Inc. in Albuquerque, N.M., will discuss ways to help your child develop self esteem.

The working triangle in the kitchen is the space between the refrigerator, the sink and the cooktop. It not only plays a very important role in the efficient

operation of the kitchen, but also in directing traffic in this area. Jill Absler with Creative Kitchen Designs in Birmingham, AL, will discuss the ideal size of this triangle as well as talk about the four basic kitchen types.

On Tuesday, October 17 at 9:30 p.m. and repeated on Thursday, October 19 at 12 noon, "Creative Living" will present information on turning bathing into a simple luxury, recipes for children, and planning kitchen appliance purchases.

Catherinc Kanner, author of the unusual book called *The Book of the Bath*, will share some of the recipes in her book on how to turn bathing into a simple luxury. Catherine serves as a spokesperson for Zest and lives in Santa Monica, CA.

Dian Thomas, author and home economist, has some delightful creative ideas to share that pertain to food for children.

Ellen Cheever is a kitchen designer for the Maytag Co. and is from Sacramento, CA. Ellen will discuss some important

considerations when planning kitchen appliance purchases as well as arrangement.

ASPARAGUS A LA NEWBURG
 2 tablespoons butter or margarine
 1 cup milk
 1 pkg. (3 oz.) cream cheese, cut into 1" cubes
 1 can (4 1/2 oz.) med. shrimp, drained
 1 can (15 oz.) extra long green asparagus spears
 2 tablespoons flour
 1/4 teaspoon dill weed
 2 tablespoons dry sherry
 1 can (2 1/2 oz.) mushrooms, stems and pieces
 4 diagonally cut slices French bread, toasted

Melt butter in medium saucepan. Stir in flour; cook until bubbly. Add milk. Cook until mixture boils and thickens, stirring constantly. Stir in cream cheese until melted. Stir in dill weed, sherry, shrimp and mushrooms. Cook over low heat until thoroughly heated. In large skillet, simmer asparagus over low heat just until thoroughly heated. Place toasted French bread on 4 individual serving plates. Remove asparagus from skillet with spatula; arrange on toast. Pour shrimp sauce over asparagus. 4 servings.

ROAST BEEF ENCHILADAS

12 medium-sized tortillas
 1 tablespoon butter or margarine
 1 can (6 oz.) tomato paste
 1 tablespoon chopped parsley
 Salt and pepper to taste
 1/2 cup shredded Monterey Jack cheese
 1 cup chopped celery
 1 can (12 oz.) roast beef hash, flaked
 1/2 teaspoon cumin
 1 can (8 oz.) tomato sauce
 1/2 cup shredded cheddar cheese

Preheat oven to 350F. Wrap tortillas in foil and heat about 10 minutes in preheated oven to soften. In saucepan, cook celery in butter until tender. Add roast beef hash, tomato paste, parsley, cumin, salt and pepper. Place a large spoonful of filling along middle of each tortilla, slightly off-center. Roll up filled tortillas and place in shallow casserole (oblong works best). Top with tomato sauce and the mixed shredded cheeses. Bake 15 minutes. Sprinkle sauce and cheese topped tortillas with chopped green onion and/or chopped black olives if desired. 6 servings.

OCTOBER SUPER KIDS--Each month, the teachers at Dillman Elementary nominate a boy and girl from their classroom to be entered into a drawing for the Super Kids. These students are chosen academically. (Back Row from left) Jessica Pina, first grade; Karen Wimberly, second grade; Jose Alarca, third grade; and Gerardo Reyes. (Front row from left) Cassie Wilcox and Adam Ramirez, kindergarten; and Ruben Ovalle, pre-kindergarten. Not pictured, Cassandra Gonzales, pre-kindergarten. (Journal Photo)

VISITING ART LOFT--Shown with their Rudolph the Red Nose Reindeer noses are some out of town guests visiting the Art Loft for the "Think Christmas Week" (L-R) Penny Chase, Ann Campbell, Penny Anysworth, Waco; Arlene Phelps, Muleshoe; Eve Riley, Waco; and Sydna Flowers, Muleshoe. (Guest Photo)

We Salute Our Brave Firefighters

Fireman's Prayer

"When I Am Called To Duty"

*When I am called to duty, God
 Wherever be its age,
 Help me embrace a little child
 Before it's too late,
 Or save an older person from
 The horror of that fate.
 Enable me to be alert and bear
 the weakest shout,
 And quickly and effectively
 To put the fire out.
 To guard my every neighbor and
 Protect his property,
 And if according to your will
 I have to lose my life,
 Please bless with your protecting hand
 My children and my wife.*

Amarillo Little Theatre Presents Play, Dracula

"Theatre-goers who enjoy a quick-fire procession of super-quality thrills, surprises, shudders and sensations cannot afford to miss seeing the mystery vampire play *Dracula*, opening Friday, October 27 at the Amarillo Little Theatre. Other thrillers are said to be bedtime stories compared to this narrative of the supernatural. Audiences will find the two hours of horror, surprises and thrills, not only to be blood-curdling but most entertaining as well-it will be the jolliest kind of blood-curdler imaginable" said Glenna Doose, Executive Director.

"Make your reservations early by calling 355-9991 between 9 a.m. and 4 p.m. Production dates will be October 27 (7:30 p.m.), 28, 31 and November 3 and 4. A special midnight show will be held on Saturday the 28th, and other times will be 8 p.m. Tickets are \$10 for adults and \$6 for students and senior citizens.

"A gala, appropriately called a "dancquerade" will take place Friday evening immediately after the *Dracula* performance. KLS radio station will provide the music and light show, there will be lots of food, witches brew, a cash bar and good time for all! Price for the gala will be \$15 a person. Those coming in costume for the midnight show will be eligible for lots of prizes.

DO YOU RECOGNIZE THESE STUDENTS?--Jo Beth Vigil painted this mural on the north wall of Dillman Elementary School cafeteria. The children, in the mural, are actually portraits of students at Dillman Elementary, and according to Frankie Lunsford, secretary, you would recognize the students if

you knew them. The Muleshoe PTA made it possible for the students to enjoy this mural, through their donation. Ms. Vigil is a professional artist who was originally from Clayton, N.M. who is currently attending ENMU (graduate studies). (Journal Photo)

Shea Wilbanks Named All-American Scholar

The United States Achievement Academy has announced that Shea Wilbanks has been named an All-American Scholar. The USAA established the All-American Scholar Award Program in order to offer deserved recognition to superior students who excel in the Academic disciplines. The All-American Scholars must earn a 3.3 or better grade point average. Only Scholars selected by a secondary school instructor, counselor or other qualified sponsor are accepted. These scholars are also eligible for other awards given by the USAA.

Shea, a student at Muleshoe High School, was nominated for this National Award by Linda Marr. Her name will appear in the All-American Scholar Directory, which is published nationally. "Recognizing and supporting our youth is more important than ever before in American history. Certainly, winners of the All-American Scholar Awards should be congratulated and appreciated for their dedication to excellence and achievement," said Dr.

George Stevens, Executive Director of the United States Achievement Academy. The Academy selects All-American Scholars upon the exclusive recommendations of teachers, coaches, counselors, and other qualified sponsors. Once awarded, the students may be recognized by the USAA for other honors. She is the daughter of Paul and Judy Wilbanks. Her grandparents are Helen and Earl Schmitz of Muleshoe and the late Fred and Vigil Wilbanks. Shea has also been named to Who's Who Among American High School students for 1989.

Friendship Club

The Friendship Club met Thursday afternoon, Oct. 12 in the home of Olene Watts. The meeting was called to order by Pauline Guinn, president.

Roll call was answered by five members. Minutes of the previous meeting were read and a treasurer's report given by Gladys Darsey, secretary/treasurer.

Following a short business session, Gladys Darsey presented a program by reading an article written by Roy Harris on "Is a Small Town Worth Saving".

Refreshments were served to the following members: Pauline Guinn, Gladys Darsey, Adeline Swafford, Maud Young, and Olene Watts, hostess.

Maud Young said "We were delighted to have Louise Allen as a visitor."

The meeting was closed with a prayer by Maud Young.

Rebekah Lodge News

After a short talk given by Bettina Schuster, Vice President of the Texas Theta Rho Girls Club and comments by Juanita Haynes, Advisor of the Texas Theta Rho Girls Club, the Muleshoe Rebekah Lodge #114 was called to order by Noble Grand Linda Tosh.

The American Flag was presented by Thursie Reid and the opening prayer was given by Sandi Robinson.

Louise Allen, Velma Howell, and Sandi Robinson extended the charter in memory of Sister Margaret Salsgiver Compton Past President of the Texas Rebekah Assembly.

Refreshments were served to 10 members and two visitors by Velma Howell and Adele Tompkins.

Local Chapter American Heart Association Meets

The Bailey County division of the American Heart Association board members met for a regular monthly meeting on Friday, October 6, at the Old Corral Restaurant. Eight members were present.

The new Board President, Linda Turner, welcomed the members and the invocation was given.

Dorothy Turner, secretary/treasurer read the minutes of the previous meeting and gave a treasurer's report.

Annie Floyd gave a report on the Food Festival held in September.

Wanda Wiley, communications chairman, reported that

pictures of the officers would be taken during the next regular meeting held on November 3. Linda Turner, president, talked about Board Solicitation and volunteerism.

The meeting was adjourned.

IN FASHION

A lightweight wool jersey with modified dolman sleeves and full skirt featuring a leather trim at the waist is simple and chic.

Knit fabrics will be seen in jersey, double knit and boucle. Other popular fabrics include wovens in different weights. These include chalis, crepe, garbardine, corduroy, brocade and tapestry.

**HOME IS WHERE
YOUR BANK IS.**

You can't really keep your money at home - it should be in a checking or savings account to be safe. But you *can* have your account with a bank that keeps your money in your community.

First Bank of Muleshoe does just that. Our customers like knowing that their deposits are invested here at home - not sent out of town or out of state to the headquarters of some megabank.

It makes sense to us to invest local money in local projects like home mortgages. Maybe that's because First Bank of Muleshoe's decisions--on investments and everything else--are made by people who live here, too.

You don't have to install a vault in your living room to make sure your money is close by. All you have to do is open an account at First Bank of Muleshoe.

Miss Gayle Buchenau, Beauchamp United In Marriage

MR. AND MRS. RAY BEAUCHAMP
nee Gayle Camille Buchenau

Miss Gayle Camille Buchenau became the bride of Ray Gordon Beauchamp in a candlelight ceremony Saturday, July 1 at 2 p.m. in St. Luke's Methodist Church of Lubbock. Doctor R.L. Kirk read the double ring vows.

Parents of the couple are Sylvia Buchenau of Happy, formerly of Muleshoe, Rande Buchanan of Alvord, TX, and Cecil and Janet Beauchamp of Anson.

Blaine Buchenau, brother of the bride, sang "This Is The Day" and "Time For Joy", accompanied by Noreen Carson of Sweetwater on the piano.

The altar was decorated with candelabras accented with green-

ery and white bows. White satin bows decorated the pews.

Given in marriage by her father, the bride wore a gown covered in imported Alencon lace. The Queen Victoria neckline and long sleeves were adorned with bead work of crystals, pearls, and sequins. The basque waistline cascaded into the many tiered skirt of Alencon lace which flowed into a Cathedral train.

To complete her attire, the bride wore a bridal head band with braided beads and pearls accented with silk stephanotis which held a one tier veil that fell from a puff gathered at the back.

The bride carried an arrangement of silk pink and turquoise roses, baby's breath, stephanotis and white camellias. Her maternal grandmother's wedding band was tied into one of the silk white ribbons.

For something old, the bride wore a pearl Cameo pin belonging to her paternal great-grandmother. Something new was her veil, something borrowed was diamond ear studs, from her namesake aunt Gayle Nicholas and something blue was the traditional blue garter. She had pennies minted in the year of her birth in each shoe also had sixpence in the right heel of her shoe for good luck and a penny of the year they married in the left heel of her shoe.

Suzanne Hardage of Hereford served as maid of honor. She was dressed in bright lilac, turquoise pink and black floral tea length shirtwaist dress with black patent accents. She carried a large silk fan accented with baby pearls and pink, lilac, and turquoise iridescent ribbons.

Neil Harvey of Houston served as best man. The groom was dressed in short black tux with white shirt, white cummerbund. The best man wore a short black tux with lilac cummerbund. Each had turquoise boutonniere.

Blake Buchenau, brother of the bride of Clovis, N.M. was candlelighter.

Following the ceremony, a reception was held in the fellowship hall of the church. Tammy Jones and Lisa Beauchamp, sisters of the groom, served the guests.

The reception table was

Enochs News by: Mrs. J.D. Bayless

Mrs. Nettie Quesenberry and Jana Bennett from Muleshoe visited the Jack Lanes Friday.

Mr. and Mrs. Scott Austin from Lubbock spent the weekend with her parents, the Bill Dolles.

The community received a half inch of rain or more early Friday morning.

Crops in the community are beginning to mature but need a lot more sunshine.

Robin Kindle, a senior at Angelo State University, spent the weekend at home with her parents, the Bobby Kindles.

Mr. and Mrs. George Tyson visited their daughter, Mrs. D.A. Williams Sunday afternoon.

There are several cases of flu and colds in the community.

Tops Club

TOPS chapter No. 34 met Thursday, Oct 12 at the Heritage Thrift Shop. The meeting was called to order with Laverne James, leader, leading the group in the TOPS Pledge, fellowship song and a prayer.

Orvdie Burris called the roll with 17 members and two visitors Aurora Mata, daughter of Mrs. Aurora Mata; and Charlotte Campbell, daughter of Mollie Davis present.

Minutes of the previous meeting were read and approved. A thank you card was read from Ernestine Steinbock. Lucille Harp received a gift for being best loser last week and losing again this week.

Best loser for the week was a tie between Aurora Mata and Lucille Harp. First runner-up was a tie between Laverne James and Ernestine Steinbock. Second runner-up was also a tie between Clea Robertson, Mary Edmiston and Alene Bryant.

After the business meeting, the club held open house.

Laverne James gave a short history on TOPS stating that in 1948, it was founded by Esther S. Manz, a homemaker who saw the group grow from four overweight individuals seated around a kitchen table, to the international organization it is today.

With over 320,000 members in the United States, Canada and many other countries. Its international headquarters today is in Milwaukee, Wisconsin where it started in 1948. Jewel Peeler gave the history of the local chapter.

Ruth Clements spoke of the meetings and conventions at area, state and national levels. Evelene Harris told how a member becomes eligible for awards and recognition.

The meeting was closed with the singing of the goodnight song.

of Muleshoe; and Community Participation was given by Ruth Gooch of Plainview. The district chairman of the Pre-Retirement Education Committee, Alma Cox of Plainview, gave a report. Also the Health Care report was given by Bernice Wright of Plainview.

The highlight of the meeting was the keynote address by E.L. Galyean, Executive Director of the Texas Retired Teachers Association, Austin, Texas. He encouraged the group to "Recruit, Retain, and Regain" membership. He stressed volunteerism as the key to a successful retirement. "Continue to be of service to your community. I have been in the profession for 60 years, and plan to give services for a few more years. I will never retire!" Galyean has given years of volunteer services to the retired teachers.

The meeting was adjourned at noon.

It's Expected

Clerk (to manager of store): "Why did you want me to bill him extra for the shade, electric cord, and a bulb when I sold that lamp?"

Manager: "Oh, he's our local automobile dealer."

Retired Teachers, Employees Hold District Meeting

District 17 of the Texas Retired Teachers and School Employees Association met in the fellowship hall of the First United Methodist Church in Levelland on October 10. The Hockley County Unit hosted the meeting and served refreshments to representatives from Lubbock, Plainview Slaton, Morton, Muleshoe, and Levelland. Approximately fifty people attended the Fall Workshop.

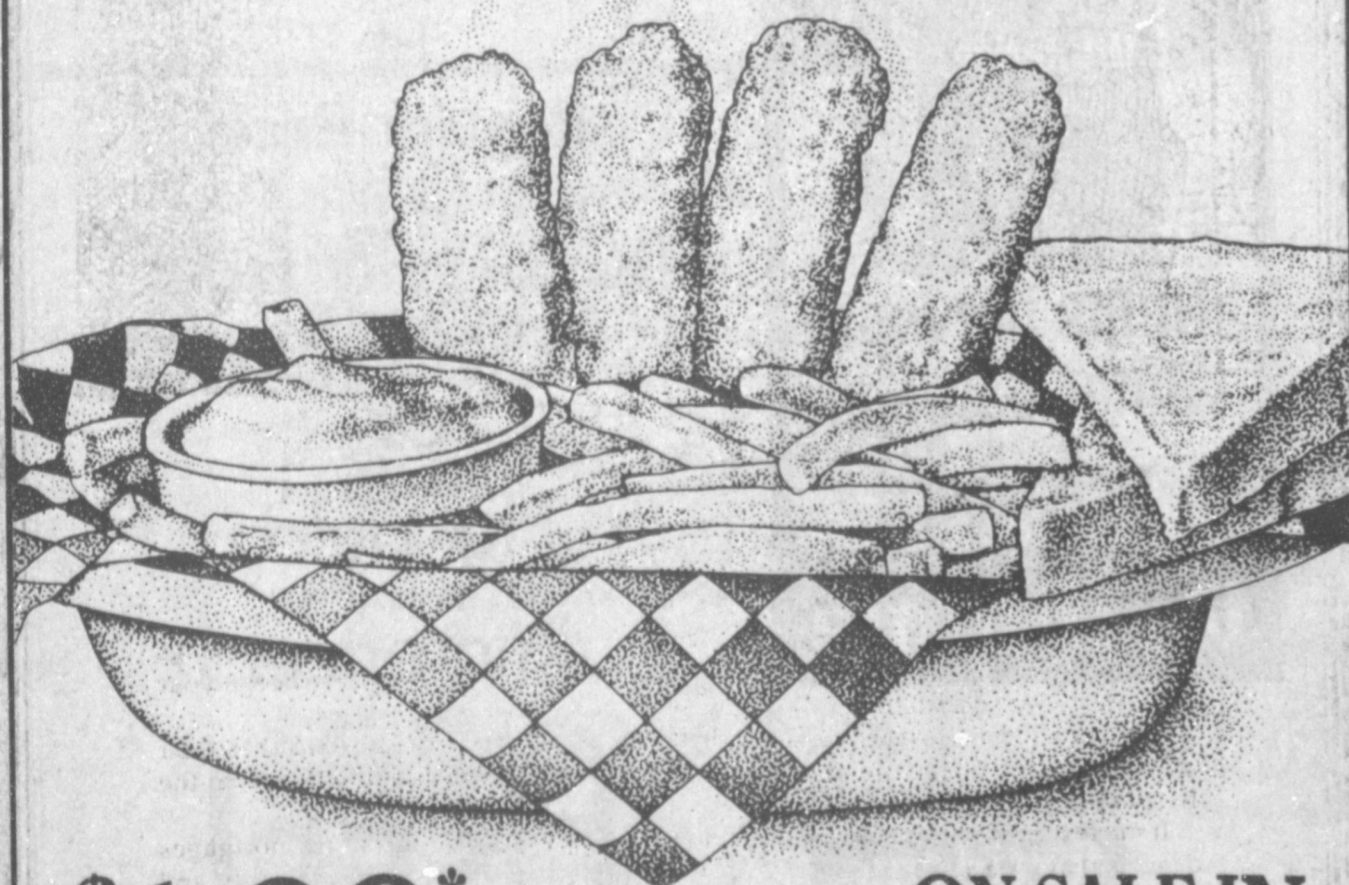

An honored guest, Marguerite Taille, from France was introduced by Dr. O.W. Marcom. Ms. Taille taught in France for 45 years and is visiting her niece, Denise Rogers, in Whittharrel.

Harvey Owen from Lubbock gave the invocation. The District President, Dr. O.W. Marcom from Levelland, gave a report of the State Meeting of all the District Presidents and emphasized the theme "Challenge for Change".

A member of the State Pre-Retirement Education Committee, Jewel Foster, of Lubbock spoke as did the chairman of the various committees of District XVII.

The membership report was given by Denver Samples of Lubbock; Public Relations was presented by N.L. Welch of Plainview; Informative and Protective Services, by Mabel Wolfe

Lubbock Sports

Names Leal

Player OF Week

Abel Leal, son of Mr. and Mrs. Jesse Leal was named New Mexico's Player of the Week by *The Lubbock Avalanche Journal*.

According to Don Williams, *Avalanche Journal* sportswriter:

"Wherever Roswell New Mexico Military deploys Abel Leal - whether it be at noseguard or at middle linebacker - the results speak volumes.

"In the case of the Eunice Cardinals Friday night, volumes of yards in losses.

"Leal made four tackles behind the line of scrimmage, was in on eight other stops and forced a fumble as the Colts surprised previously unbeaten Eunice 22-21.

"The 5-foot-8, 180-pound senior is *The Avalanche-Journal's* New Mexico Player of the Week.

"Leal plays about half the time in the middle of NMMI's five-man defensive front. When the Colts go to a split-six look, he drops back to a linebacker spot.

"We move him around quite a bit and try to create some havoc," said Colts head coach Dwight Burns. "Most people have to double-team him at nose guard. When we stand him up at linebacker, it creates more of a problem. We'll hide him behind another defensive lineman, and it's harder for blockers to get to him."

"Leal, in his third year as a starter, possesses the strength and quickness that can give offensive linemen fits.

"He can come off quickly and separate (from blockers) and get to the football," Burns said. "The one thing that probably allows him to do that is he has great determination. He wants to do it correctly and wants to do it with a lot of intensity."

Mules...

Cont. From Page 1

tion with 3:17 left to play. The Mules moved the ball downfield and made three first downs before trying a field goal with :21 left in the game. The field goal attempt failed, and with just :09 left, the Bobcats didn't have time to try anything else against the Mules.

To open conference play, it was a hard-played, hard-fought defensive game for both teams all the way.

And, the final tally was 0 --and that was for both teams.

ONE MINUTE SPORTS QUIZ

By Christian Thorlund

1. What team was chosen No. 1 in college football by A.P. writers?
2. What team was ranked 2nd?
3. When do they play this year?

Answers:

1. Michigan.
2. Notre Dame.
3. Sept. 16th.

COFC PRESIDENT AND DIRECTOR AT WORK--Thursday at noon, just before the crowd hit the Five Area Telephone Cooperative warehouse, Muleshoe Chamber of Commerce and Agriculture President Robert Montgomery, left, and CofC Director Ray Day, took a last opportunity to stir large pots of pinto beans to make sure they were ready. (Journal Photo)

Kiwanis Club Visited By Live Rattlesnake

By: R. A. Bradley

Friday, 13th!! Goblins on the move and pumpkins coming off the vine, but still 12 Kiwanians, four honorary Kiwanians, Lacy Morris, Robby Clapp, Jon Keith Turner and Chad Johnson, and one guest, Larry Parker met at the Old Corral.

President Jim Lutz called the meeting to order; Secretary Reggie Johnson led the club in the pledge to the flag and the invocation was given by Scott Churchman.

Reggie Johnson found the friendship coin and he also found a friend. Reggie was the flag chairman last year and Scott Churchman is the new flag chairman, then Scott is Reggie's friend, also, Scott will need lots of friends.

If any business has received your statement for the flags and have not sent back your \$27, please do so as the Kiwanis Club would love to put a flag out at every business. We think this looks real good for Muleshoe to see all of the flags flying. If anyone would like to have a flag at your home, please call R. A. Bradley, 272-4511, and we will see that you also fly a flag.

Thanks in advance for your support of the Kiwanis Club. Jim Lutz passed out 'thank you' letters from the Cub Scouts from Magann Renne's den. We sure appreciate these young men taking time to all write us thank you letters. We THANK you.

Lonnie Merriott introduced Larry Parker, who brought the rattlesnake in a glass cage for everyone to see and to explain about the mistaken things told and believed about the rattlesnake. Snakes are really a

necessity to help keep down the rodent population.

Their main diet is mice and rats. Larry stated that the rattlesnake he has, hasn't been fed in about three weeks.

A small snake needs to be fed a mouse about every two weeks. He can grow and get fat on one mouse every two or three weeks.

A full grown snake could live maybe two years without eating. Larry stated that everytime they shed their skin, they put on a new rattle. They shed their skins more than once in some years, or maybe not at all in some years.

Larry stated that the snake normally would run and try to get away from man, but if he was surprised or cornered, he would strike.

Larry also stated that if a rattlesnake lost his fangs, he could grow a new set in about three days. Some may have two sets of spares in their mouth at one time.

The snakes mate mostly in the fall and it takes about nine months before the young snakes are born.

Snakes have no ears. They feel by vibration. When a rattlesnake sees a man, it is most likely to be the first man he has seen and most likely to be his last as he is most of the time killed.

To yours truly, every snake, when first seen, is a rattlesnake to me.

Larry, thanks for a very good program.

Bad Throat
Doctor--You have a rather bad throat. Have you ever tried gargling with salt water?
Seaman--Well, I've been torpedoed four times.

JV Mules Exhibited Defence Improvement

On the evening of October 5, the JV Mules, reloaded with a great attitude and effort did battle with the JV team up in River Road.

Rebounding after a lopsided game with the Littlefield JV 0-49, the Mules were ready.

The Mules scratched and clawed to play a pretty good game on defense despite yielding 22 points to the 4-0 squad of RR Wildcats.

Junior Sergio Garcia was the main bulwark of the Mule ground game behind the strong side of the Mule line, Guard Damon Parker, Tackle Manuel Elizarraraz and Double Tough Tight End Josh Alanis, gained a total of 103 yards on 22 carries.

After a torrential rain left the ballfield a virtual quagmire, the Mules stubbornly fought the Wildcats to a standstill for the first quarter, 0-0.

The stingy Mule forward wall of Jason Box, Steven Noble, Manuel Lopez, J. P. Rogers, Steve Garcia and numerous other stubborn Mules, hacked, slashed and fought toe to toe with the Wildcats.

At 9:47 in the second, the Wildcats broke the ice with a 12-yard TD pass and the try for two was no good and the score stood that way at intermission.

The *Never Say Die* Wild Bunch from Muleshoe kept themselves in the game throughout the contest by exhibiting countless times they were playing as a team and the phrase "All For One, One For All" was never more true on this wet evening.

After a series of back and forth possessions, the host Wildcats mounted a 13-play, 55-yard drive for their second score at 5:45 left in the third quarter, capped by a 25-yard TD pass. The QB run for two was good and the score was 14-0.

Then after taking advantage of the field position on the plus-side the Wildcats scored with a short drive and the score from 12 yards out came at 1:40 left in the third quarter with the run for two good (22-0 lead for the 'Cats).

The Mules refused to falter in their determination at the start and through the fourth quarter,

the Mules mounted at least two drives keynoted by the running of Garcia and catches by sophomore Dustin Elliott, but were stopped on the RR eight-yard line. The game ended 22-0 in favor of the RR Wildcats, who finished non-district at 5-0. The loss left the Mules 1-4 in non-district.

Coach Tom Duncan, who wrote the above story, commented, "Both Coach Albertson and I are very proud of our kids because they play so hard and have a great attitude about the season."

"Defensively, we came a million positive steps in the last two weeks and with Defensive End Jason Box and Rover Kip McCall and Safety Galin Latham, all having good games, we are assured of having a lot more improvement.

"One thing is very imminent in these kids' future -- they will get better.

"Starting this week, our second season begins (the real one) -- when we do battle with Dimmitt's JV.

"We are having great workouts and fixing to mount a charge of hardnosed football and rock'um, sock'um effort in the direction of the Dimmitt JV.

"Could of' Would of' Should of" doesn't apply to our team members. Because our kids play hard every down. Our actions speak louder than words.

"By the way, special thanks go out to the faithful fans who braved the drive and rains to cheer on the Mules at River Road."

ANSWERS YOUR QUESTIONS ABOUT THE PAT WALKER METHOD:

- Q. Can I really lose weight and shape my figure?
A. Yes, and we guarantee it.
- Q. Do I have to diet stringently?
A. Your program at Pat Walker's calls for sensible eating habits. You'll eat your favorite foods at any meal, but within reason.
- Q. Will my weight loss cause me to look old, drawn or haggard?
A. No, our method firms and tones your body tissues. You will look younger and feel younger.
- Q. Do I have to participate in exhausting exercises, like sit-ups, jogging or aerobics?
A. Never. You simply recline on our unit... It gently provides all the exercise you need. You don't get hot or tired.
- Q. Do I have to sign a contract or take out a membership?
A. Neither. We don't believe in them.
- Q. Must I be on the program always?
A. Once your program is completed all you have to do to retain your new figure is to eat sensibly and we'll tell you how to do that.
- Q. Do I have to wear special clothes, leotards, gym shoes or the like?
A. Street clothes are fine. You needn't disrobe at all and your hair isn't even mussed.
- Q. Am I to be involved with strange treatments such as hypnosis, shock, shots or diet suppression drugs?
A. None of that. You will receive professional counseling, a sensible food program and exercise so passive it can lull you to sleep.
- Q. Is this group participation?
A. Absolutely not. Your entire program is in strict confidence and our units are fully enclosed for your complete privacy.

NOTICE TO TAXPAYERS

Tax statements were mailed September 29, 1989. Pursuant to Section 31.01 of the Texas Property Tax Code, failure to receive a tax bill does not affect the validity of the tax, penalty, or interest, the due date, the existence of a tax lien, or any procedure instituted to collect the tax. If you did not receive a statement and should have, please contact the Bailey County Appraisal District.

ENJOYING THE FAJITA LUNCHEON--A good crowd showed up Thursday for the Muleshoe Chamber of Commerce and Agriculture Fajita luncheon, prepared and served by the officers and directors of the CofC. This group was caught unaware as they enjoyed the fajitas, beans and condiments, along with flour tortillas, tea and coffee. (Journal Photo)

Futures Make Farmers Plan For Marketing

Financial and marketing risks in farming operations are much greater than a few years ago, says an agricultural economist with the Texas Agricultural Extension Service. This has farmers and lenders paying more attention to carefully planned marketing of crops.

Narrow margins of earnings and wide swings in prices and income are causing farmers and lenders to take a new look at the payoff for developing marketing plans and implementing well managed marketing strategies, said Dr. Jackie Smith, Extension Service economist and marketing specialist.

To help cotton farmers be able to evaluate alternative pricing strategies for use in their marketing plans, the Extension Service will hold a one-day, in-depth workshop in Lubbock on Oct. 27. It will be from 9 a.m. to 4 p.m. at the Texas A&M Agricultural Research and Extension Center, FM 1294 just east of I-27 at the Shallowater exit.

The workshop is designed for

those with some experience with futures and options, Smith said.

"Although producers don't individually control price, they do control when and how to price," Smith said. "Fundamental and technical signals help in timing pricing decisions. Cotton futures and options markets offer a wide selection of pricing opportunities. A well thought out marketing plan is a blueprint for making these marketing decisions."

Topics at the workshop will include the cotton market outlook, an update on the cotton farm program, the 1990 farm bill, hedging deficiency payments and pricing the 1990 crop. Charting prices and computer aids for this will be discussed. Specific pricing strategies will be the topic of a panel discussion.

Speakers will be Dr. Carl Anderson, Extension Service cotton marketing specialist, College Station; O.A. Cleveland, cotton marketing analyst with Merrill Lynch, New York City; Lee Holzwarth, commodity market

analyst and founder of D.L. Holzwarth and Co., Salina, Kans., and Smith.

The workshop will cost \$20. Lunch will be provided. More information may be obtained from county agents of the Extension Service or by telephoning Smith at the A&M center in Lubbock, (806) 746-6101.

Call of the Wild

"Don't you enjoy listening to the honk of a wild goose?"
"Not when he's driving an automobile."

Lazbuddie Boy Scouts Begin New Year

The Boy Scouts at Lazbuddie began the year with a tour of Bovina Feeders and a hot dog cook-out.

They met after school Sept. 19 and were accompanied by Troop Leader Gay Williams and assisted by Marca Morris and Barbara Willingham. Bill Morris, man-

ager of Bovina Feeders, led the boys on a tour of the cattle feeding facility. The boys were very excited to see first hand what the cowboys do and how the cattle were handled. They finished off the tour and were presented with caps and pens with the feedlot logo on them and a sample of the feed that the cattle were fed.

The boys then traveled to the home of Bill and Marca Morris where they enjoyed hot dogs and roasted marshmallows. Several of the parents assisted with the cook-out.

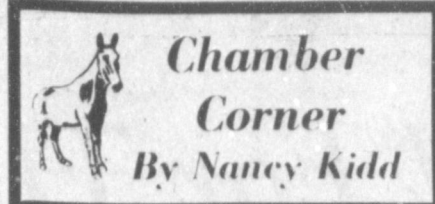

The Cub Scouts will meet every Tuesday at the Methodist Church and will be led by Gay Williams and she will be assisted by Pat Randolph and Doug Chapman. A special thanks goes to Doug Chapman, pastor of the Methodist Church for allowing the troop to meet at the church. The Tiger Cubs will meet once

a month and will be led by Roy Willingham. This will be boys kindergarten and first grade to prepare them for entering Cub Scouts.

The Cub Scouts have met twice, on Sept. 26 and Oct. 3. The Wolf Cubs have been working on earning their first badge. Both troops, Wolf and Bear Cubs, have been preparing to learn the flag ceremony. The Bears presented the flag at the football game on Sept. 29 and those boys were John Willingham, Cadé Morris, Joshau McDonald and Justin Puckett. Oct. 6, Cadé Morris, John Willingham, Jacoby Jennings and Jeremy Smith presented the flag.

"Boy Scouts is a wonderful organization to bring boys up in. It teaches them pride in themselves and their country and confidence to go on and achieve great things in life" said the scout leader.

Douglas Aircraft to modify DC-10's to avoid fatal flaw.

Interesting things happen in Muleshoe. In October was the Chamber of Commerce Membership appreciation luncheon, which was a success. Later in the month the Chamber of Commerce will be judging and giving awards to the best decorated business and employees. So, get into the community spirit of the season and do some decorating.

Trick or Treat will happen on the 31st. Have lots of safe goodies, and please watch for all those little goblins, ghost, or batmen, or whatever.

On the 1st Monday: AAU, 4-H.

On the 3rd Monday: PTA.

Every Tuesday: Rebekah Lodge, Rotary, Booster.

On the 1st Tuesday: Eastern Star.

On the 2nd Tuesday: Young Homemakers, Jenny Slippers.

1st & 3rd Tuesday: Beta Sigma PHI, Alpha Zeta PHI, Beta Sigma PHI, XI Omicron XI, Beta Sigma PHI, Zeat RHO.

On the 3rd Thursday: Masonic Lodge, Triangle C B Club.

Every Wednesday: Lions.

On the 1st Thursday: Muleshoe Mule Skinners, Muleshoe Area Industrial Foundation.

On the 3rd Thursday: Muleshoe Chamber of Commerce.

Every Friday: Kiwanis.

On the 4th Friday: AARP

The Scouts meet every day after school.

There is always something at the Nursing Home.

There are 30 churches in our area.

If you aren't involved and life is passing you by, get involved! You get out of life what you put into it.

Muleshoe, a boring town? NONSENSE!

FILLING THEIR PLATES--Thursday at noon, the Muleshoe Chamber of Commerce and Agriculture prepared and served a fajita luncheon to their members and employees. Shown in the foreground filling their plates are Sandy and Bailey County Judge Jim Watson. Waiting their turn are Gayle and Tommy Sisemore. (Journal Photo)

MHS Administrative Staff Introduced To The Public

The administrators, faculty, and other personnel at Muleshoe High School form a cohesive group with one primary goal—to assist the approximately four hundred high school students as they study and prepare for their future. In order to acquaint the community with the high school staff, the media will spotlight a specific department every three weeks; the articles will focus on teachers or staff members, curriculum, goals and personal comments from each department.

The staff members who, at some time, work directly with each student in high school include the administrator, the office secretaries, and the counselor. Dr. David Wyer, principal, and Gene McCain, assistant principal, are ably assisted by Rhonda Hugg, secretary, and Rea Morris, secretary for records. Linda Marr, counselor, is responsible for counseling and scheduling students.

Dr. Wyer, a native of Muleshoe, has returned to his hometown after an absence of several years. He received an associate degree in science from South Plains College, a Bachelor of Science from Texas A&M, a Master of Education degree from East Texas State University, and a Doctorate in Education from ETSU. He worked for the Lubbock ISD for nine and one-half years before moving to Waxahachie, where he served as vocational supervisor at the high school and as principal of Turner Middle school for the eleven and one-half years he lived in that city. Dr. Wyer stated that his goal for the coming year is to provide the leadership and management to see that MHS students and faculty can achieve excellence in education and open doors of opportunity for all.

Wyer and his wife, Dorothy Jean, have three daughters: Brenda Evins, Kathy Taylor, and Timmye Posey. In addition to enjoying his family, which now

includes four granddaughters and one grandson, he also finds relaxation in his hobbies of hunting, marksmanship, and flying. His caring attitude toward students and faculty, as well as his concern about education, is revealed in his comments about education: "Working with students and educators is a great challenge and satisfaction. There is a constant challenge to achieve and strive to excel, always learning and improving personal skills and knowledge while helping those in education to excel themselves. There has always been great satisfaction in seeing students learn and accomplish their goals and make a contribution to society because of their endeavors."

Gene McCain, assistant principal, is rapidly becoming a familiar sight in the halls of MHS. He views two of his major goals for this year to be the elimination of tardiness and an increase in class attendance; in addition, he hopes to help students realize their potential and to assist teachers in doing their job. McCain feels that teaching is the most rewarding profession and cites the joy of seeing the "products" of teaching as they develop into mature men and women. He stated, "I feel that all young people want to learn and be successful and they need leadership and guidance. I have always enjoyed being around students, watching them grow and mature, and it's a great feeling to think that I may have had an impact on their lives." He revealed his understanding of teachers by adding that he does not believe there is one exact way to teach, but that each teacher must put his or her own personality and beliefs into the art of teaching.

McCain and his wife, Karen, moved to Muleshoe in the summer of 1989. He earned his B.S. degree at North Texas State University and his M.Ed. at Sul Ross State University. He comes

to Muleshoe with a background of three years teaching experience at Paducah, Texas; ten years at Crane, Texas; three years at Wall, Texas; five years at Odeesa, Texas; and one year at Roswell, N.M. His son Michael, 20, attends college at Cisco Jr. College; another son, Matt, who is 22, lives in Albuquerque. McCain has a variety of hobbies including fishing, camping, hunting, and photography.

Linda Marr, counselor at MHS, sums up her concerns for students by stating, "Each student at MHS is a unique and important individual and our future rests with them. We, as adults, must believe in them and assist them in becoming the best they can be." She seeks to help each student to attain individual goals by providing a program that will assist each student in developing the skills that are necessary to become a well adjusted and successful human being. Mrs. Marr has earned both her B.S. and her M. Ed. from the University of North Texas. In addition, she attained her counseling certification from UNT and will receive mid-management certification from Texas Tech in the fall of 1989. Prior to coming to Muleshoe, she taught at an air force base in Tacoma, Washington, for one year and in Dallas ISD from 1970-75. She and her husband, Dave Marr, Jr., are the parents of Cyle, age 11, and Courtnee, age 6. She enjoys reading and summer sports, especially Little League baseball.

Rhonda Hugg, secretary to Dr. Wyer, is a young lady who is "constantly on the run." Her duties include all secretarial work plus everything else that comes along. She is a graduate of Claude High School and received vocational college credit through Amarillo College; her primary areas of study were shorthand, automobile insurance rating, fire and homeowner insurance rating, and estate planning. She has lived in Muleshoe for eight years; her husband, Gary is an engineer for SPS, and they have two children. April is a ninth grader and Aimee is in the fifth grade. Reflecting on her view of education, Mrs. Hugg stated, "I believe the values, responsibilities, and standards we teach the young people of today, not only in the school but also at home, will determine the state of our future." Rhonda's pleasant smile and words of encouragement help to create an atmosphere of caring in the office area.

In addition to a full-time secretary, Arelia (Rea) Morris works at MHS one-half of each day. She is in charge of the records at the school and works closely with the students who work in the office. Rea graduated from Lazbuddie High School and has lived in Muleshoe for fifteen years. She and her husband, Glen, have two daughters: Lacy, ten years old, and Laticia, eight years old. She enjoys crafts and sewing in her spare time, and one goal of Rea's for the coming year is to meet all of the new teachers. She believes that students are our

future, and that the way we treat them today will determine how they will treat us tomorrow.

The administrators and office personnel at Muleshoe High School provide assistance and offer a caring attitude to the students, the teachers, and the parents. Although there are rarely enough hours in the day to complete all of the required work, each member of the staff has time for the individual; that is what helps to create an atmosphere of learning at Muleshoe High School.

ROTARY SPEAKER--Dr. Gary Condra, left, was introduced as Rotary guest speaker Tuesday at noon by Rotarian Vic Coker, right. Dr. Condra spoke on the ag loan mediation program administered through Texas Tech University. (Journal Photo)

Rotary Hears Ag Loan Mediator Explain Texas Tech Program

"It's going to be a hard act to follow," said Dr. Gary Condra, assistant professor from Texas Tech University, Lubbock.

Dr. Condra was guest speaker for the Muleshoe Rotary Club Tuesday at noon, and was referring to the Jim Crawford program from the week before, when the 'feature attraction' was a live wild turkey...which Crawford turned loose in the Rotary meeting room at the Bailey County Civic Center.

However, after being introduced by Vic Coker, who was in charge of the program for the day, Dr. Condra spoke on "Ag Loan Mediation."

Dr. Condra explained that he is involved with the Texas Tech Ag Loan Mediation Program, and acts as a mediator between creditor and borrower.

"Everyone, at one time or another, serves as a mediator," said the speaker, and used a number of humorous examples from his home life -- especially involving his wife and his son.

As he related incidents from his home, several Rotarians indicated that they had, indeed, acted as mediators at some time.

Moving to a more serious tone, Dr. Condra said he believed mediation was the better alternative, when possible, to going to court.

"Lots of loans are classified as 'distress' loans," he said, "and lots of loans are made to borrowers who can't pay them back, and it's particularly bad when a person who owes the loan does not have enough collateral."

Bill Price

Graveside Services Held Saturday

Graveside services for Bill D. Price, 53, of Lubbock were conducted at 10 a.m. Saturday, Oct. 14 in Resthaven Memorial Park with the Rev. Dave Treat, pastor of Heathe United Methodist Church of Lubbock, officiating.

Burial was under the direction of Resthaven Funeral Home. Price died at 1:30 a.m. Thursday at his residence.

Born Dec. 12, 1935, in Afton, TX, he was a lifetime resident of Lubbock. He was a retired retail salesman and a veteran of W.W. II, serving in the Marine Corps. He married Venita Hobbs on June 5, 1960, in Lubbock.

Survivors include his wife, Venita; three daughters, Kelly Rogers of Louisville, TX, Shawone Schmidt of Lubbock, and Crystal Price of Lubbock; his grandmother, Eula Arthur of Lubbock; and a grandson.

The family suggests memorials to the Hospice of Lubbock or the Heathe United Methodist Church.

He added that bad loans are a problem, but what the real problem is would be to try to solve the problem. "The money's gone, the collateral's gone, and the loss is there," he commented.

Then comes the argument -- who's going to accept the loss?

According to the speaker, there are five answers to the problem: Re-structured loans, voluntary liquidation; debt settlement, involuntary liquidation and bankruptcy.

He classes a mediator somewhere between negotiations and litigation. "A mediator is an impartial third party who inter-

venes," he added. "The mediator tries to find a way for creditors and borrowers to be better off. It's a case of wanting both sides to leave the mediation table feeling like winners."

He also said mediation is quicker and cheaper than going to court. "Generally, we can fix it so you and your borrowers can continue to do business," he concluded.

Rotary President Terry Hutto told the group that the next four programs will be the responsibility of Ray Day, Randy Field, Clifton Finley and Bob Finney.

He also discussed a drop in attendance, citing a 72 percent

attendance Tuesday.

Brad Poynor was winner of the weekly Polio Plus Drawing.

Guests at the meeting on Tuesday included Steven Bearden, Jan Crawford, Cindy Purdy, Lisa McElroy, Hugh Moseley, Wayne Jackson, Bill Campbell, Bill Grisham, Herb Parks and the speaker Dr. Gary Condra.

Who Knows?

1. In what other office did William Howard Taft serve other than president?
2. When did "The Lone Ranger" make its television debut?
3. What is the present name of the Department of Foreign Affairs?
4. Name the capital of New Hampshire.

- Answers:**
1. Chief Justice.
 2. In 1949, on ABC.
 3. The Department of State.
 4. Concord.

READY FOR New CARGO

This ship has been emptied of its cargo, and now stands ready to take on fuel and more cargo for further service. If this ship were to remain empty, it would be of no value and would be failing in the one thing that it was built for.

Man was created to be a companion to God, and when he does not join in worship with God, he is failing in the reason for his creation. Make your life mean something for God...

EVANGELISM IN THE CHURCH
THE CHURCH IN EVANGELISM

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Nursing Home News

by: Joy Stancell

Our Healthcare Center's Fair was a great success Friday. We just don't think it could have been better. Our residents had some beautiful things to display and what a wealth of produce, cotton and corn, that was displayed, grown in this area. We owe a big thank you to many who participated and helped with our Fair. Among those are Mike Doyle, Calvin and Lona Embry, Nancy Kidd, and special entertainment by Harold and Avis Carpenter, Casa Azlan Produce, Clara L. Jones, Dustie Moyinhan and Five Area Telephone.

Sunday afternoon the Muleshoe Singers came to visit and sing and play gospel music.

Saturday afternoon Laverne James and Ruth Clements came to play Bingo and Skip-Bo with the residents. They served bananas donated by Pay and Save.

Hungary says reform more vital than East Bloc unity.
