## Allegro Club Members Plan Guest Day Tea

Twentieth Century Allegro met recently in the home of Mrs. R.E. Reid. After the reading of the Club Collect, a brief business session was held. Plans were discussed for a Guest Day Tea to be held at the Pampa Country Club, March 20, at 1:30 p.m.

Entertainment for the event will be provided by the Pampa High School Drama Department who will perform Shakespeare's "Twelfth Night".

After the business meeting, the program on "Mind Control" was presented by our guest, Mrs. Eugene Leigh. Mrs. Leigh is a graduate of Jose Silva's classes on Mind Control and told of several effective ways to solve some common problems through the application of mind control.

In these classes, one is taught to get to the deeper levels of one's mind, the Alpha level. At

### A Tribute To Our Red Cross!

By BILL DOWNS

"The world's angel of mercy wears a Red Cross band on his arm." Here, all through the nation, in every quarter of the civilized globe, the Red Cross brings succor to the people in distress. We all know of the humanitarian services of this tremendous organization, yet few of us translate its ever-ready helpfulness to tragedy which MIGHT come to OUR town today! A devastating flood. A fatal fire. An explosion that could take a toll of countless lives. The American Red Cross would be here on the job with every equipment for care and comfort! So let's REALLY support these tireless "Angels of Mercy" and contribute generously when asked to do so!

this Alpha level, one can learn to control many habits such as nervousness, insomnia, and even drugs and tobacco.

At this level, one is more aware and is able to use more of the mind. In fact, a person can increase the I.Q. factor by going to the deeper levels of his mind. Also, at this Alpha level, our prior sense or E.S.P. abilities can be developed. These psychic abilities, Silva teaches, are inborn attributes, present at birth.

Mrs. Leigh told us that Silva offers several courses. She

emphasized that the student was given these techniques for mind control and could use them to control his own mind. There is no outer control involved. In fact, the techniques would not work unless they were completely self controlled.

Members present were Mmes. A.W. Bassett; Harris Brinson, Robert Darling, Kenneth Giggly, Robert Haggard, Robert N. Johnson, Hans Hansen, Dwane Luke, G.E. Lunsford, Robert Mack, Phillip McCarley, R.E. Reid, W.R. Whitsett, and Allan Wise.

## Scouting Scoops

By MRS. G.J. BOYD  
A Court of Awards was held March 3 in Pam Col Hall with Troop 9, their parents, leaders and guests Pam and Randy Phillips.

The following is a report from Diane Groeters:

"ALOHA! The Girl Scouts of Troop 9 gave a Hawaiian dinner and program along with their Court of Award Ceremonies. Mothers received leis and fathers received boutonniers of bright tissue flowers. The room was decorated with life size palm trees, monkeys, flowers and birds - all made by the troop members. The table decorations included shells, flowers, drift wood, flower shaped place mats and coasters and wooden statues. The food was delicious - most recipes from Hawaii.

All the girls were dressed Hawaiian style in grass skirts or flowered dresses. Their program included a parent-participation game and song, a Hawaiian hula and song and other songs. Pam Phillips played the guitar for their final song.

Six girls received their Girl Scout pin and repeated the Promise and Laws. It was a very moving ceremony with only candlelight.

Then the badges were presented.

And Twelve girls earned the Sign of the Star. They were unaware that they were going to receive this until their names were called.

Mrs. Barbara Carter received a certificate of appreciation for all the help she has been and Cheryl Hargrave, assistant leader, received a gift of appreciation.

We closed with taps.

We enjoyed ourselves so much - we'll have another one next year - maybe with a Dutch theme."

Members of Troop 9 are: Regina Aufleger, Sally Boyd, Casey Carter, Dawn Carter, Kayla Coffee, Audrey Dzier, Dorinda Gray, Julie Hampton,

Karen Harris, Leigh Herring, Diane Higgins, Carrie Hoover, Amy Lewis, Cay Luedecke, Cynthia Park, Tammy Richardson, Sunday Roach, Holly Triplett, Janine Van Kluyve, Christi Youngblood.

Cadette Troop 61, with Jean Jones and Barbara Shaw as leaders, represented the Philippines and did a Philippine stick dance during the Father-daughter box supper held recently for Sunset Neighborhood. Martha Hilton and Penny Miser presented their troop bank.

Regina Walker read "Thank you, Dad". She is a member of Junior Troop 72. Cadette Connie Maness from Troop 136 read the "Toast to the Long Suffering Husband of the Volunteer Worker."

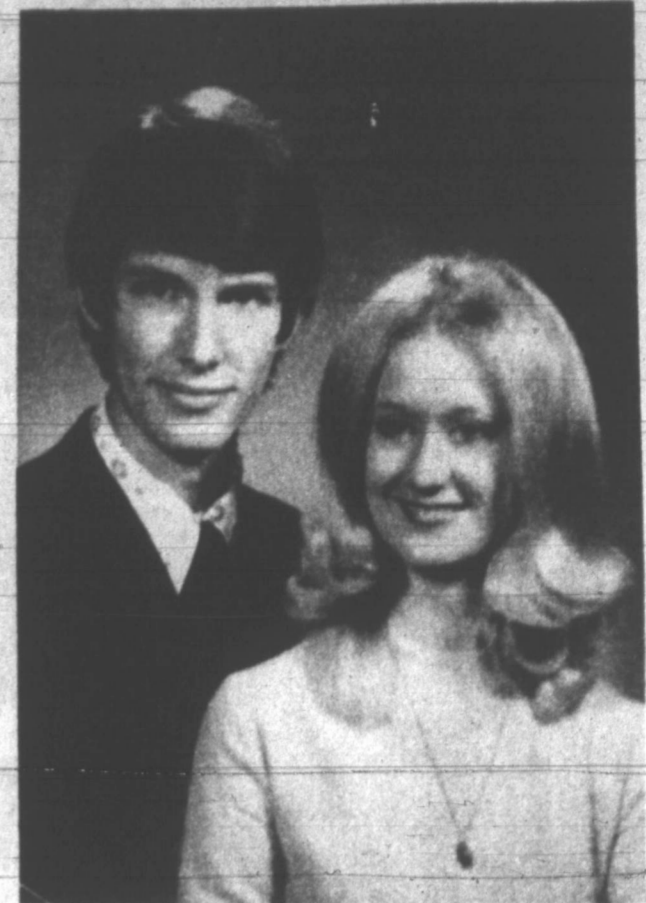

Basic Outdoor Training for the Pampa area will be offered March 19 and 20 in the basement of the First Methodist Church, 9:30 a.m. to 2:30 p.m. Leaders are requested to bring a sack lunch and materials to take notes during this session. The third day of this training will be held at a site between Pampa and Borger to enable leaders from both areas to attend. All leaders are urged to attend this training to enable themselves to offer their troops all the opportunities of Girl Scouting. Welcome to Junior Troop 190, Travis School. Mrs. Carol Stanley and assistant leader Virginia Hestand. This is a newly organized troop for Pampa.

### Slimmer Culottes

Culotte dresses are being shown as part of the spring and summer action wear collections. This year's version of the culotte is more feminine than before because of the slimmer cut.

"Scouting meets a girl where she is, encourages her to use what she has, in order to prepare herself for what she can be."

## Plans Marriage

Nuptial vows will be solemnized June 16, at 3 p.m. in St. Mark Lutheran Church, Lake Jackson, Tex., for Miss Joy Jeanette Moritz and Russell Clarke Reeve, both of Lubbock. POSTER WINNERS ANNOUNCED—Winners of the third and fourth grade division of the Pampa Garden Club conservation poster contest, "Water, Wisdom or Waste?" are shown in photo from left, Eddy Martin, first place; Todd Leith, second place; and Valerie Swindle, third place. These students along with fifth through eighth grade winners will receive cash awards Monday, at 3:45 p.m., at the annual Guest Day Tea at Lovett Memorial Library auditorium. Mrs. Dick McGuire, national judge from Amarillo, will present the program on segment table decor.

### Pampa Garden Club Plans Guest Day Tea

The Pampa Garden Club annual Guest Day Tea, Monday, March 19, 2:30 p.m., Lovett Library, will feature Mrs. Dick McGuire, national judge from Amarillo, with a segment table program. Arrangements with appointments will be displayed in a capsule setting, or cross section of a larger table. Novel groupings and new possibilities in table decor and floral designs will be displayed.

Following the program, winners of the youth communications poster contest, "Water, Wisdom or Waste?" will be awarded cash prizes. Posters will be displayed at the tea.

Members of the Pampa Garden Club will be sponsoring a drive entitled, "Take a Ladybug Out to Eat," to coincide with the city clean-up month in May and as an ecological service to Pampa. Orders for these predators may be placed with Mrs. Marion Brown, 9-9788. They will be airmailed to Pampa for distribution at the May 7 meeting, 9:30-11 a.m., in the Flame Room. Suggested amount for small gardens and yards is one-half pint, which sells for \$3.

The ladybug is far cheaper than poisonous sprays. It is not unusual for them to eat 40 to 50 aphids in a day as well as a variety of other insects, eggs, and larvae that are harmful to the garden.

The ladybug will destroy fruit scales, mealybugs, bollworm, leaf worm, leathoppers, flea-hoppers, and corn ear worms, or the larvae if the insect is too large. As they are carnivorous, they will not harm vegetation. They leave when there is no more food, but they deposit their eggs, and the larvae is just as hungry as the adult.

The ladybug campaign is an outgrowth of a recent program on biological control of harmful insects presented by Mrs. A. B. Cross and Mrs. J. A. Knox. They listed other garden friends to include the praying mantis, garter snake, frog, etc.

Foster Whaley, County Agricultural Agent, discussed the hazards and benefits of spraying at a previous meeting. He noted to follow directions carefully when using spray containers, and to separate well-marked spray cans for vegetable garden spraying and the use of malathion, an all-around garden spray of short duration. He warned that spray materials should never be deposited down the sink and that the discarded bottles be broken to allow rapid evaporation of the residue.

Mrs. Thelma Bray reviewed the history of the beautification projects of the Pampa Garden Club, including the club assistance with plantings in the parks and at some school grounds.

Perennial plants are being

collected for the outdoor lab at Lee School, and white elephants are being collected for sale at the district convention for the student scholarship fund.

The club-sponsored three-day tour to Dallas and Fort Worth, April 30-May 2, is planned to coincide with the state

convention of the Texas Garden Clubs, Inc. Individual reservations must be made for convention events and hotel room. Tour reservations can be made with Mrs. W. R. Campbell.

## Genesis House Is Varietas Topic

Joe Pafford was guest speaker for the Varietas Study Club recently, in the home of Miss Anna Pierce. Mrs. N.B. Ellis, club president, presided. She urged club members to attend the district convention in Canyon on April 6-7 — and to enter the various district contests. Mrs. Clyde Ellis, president-elect, will be the club delegate to the convention.

Mrs. W.H. Burden introduced the speaker, whose topic was "Genesis House". Pafford is chairman of the board of directors for this project and discussed its organization, its management, its problems, and its plans.

The speaker told his audience that Genesis House was set up initially by the Pampa Presbyterian Church and later became a community project, for the purpose of offering personal assistance to girls who were in need of emotional help that could not be secured in their homes or by other means.

He explained that this Home is managed by Mrs. Lois Still, who has taken special work in this field, and by one assistant.

Five girls can live in Genesis House at one time, and in

emergencies, one or two more can be added. He said, "Since June of 1971, 22 girls have lived in the Home, staying an average of three to six months each."

The Home is costing \$15,000 annually in entirety; when you contrast this amount with the cost per girl of \$11,000 per year in a reform school, you realize how carefully the finances of Genesis House are planned. In many cases, genuine rehabilitation has been accomplished by our solution of special problems."

He said that parents may ask for admission of their daughters to the Home, girls themselves may apply, or psychiatrists may recommend certain cases. There is a 12-member Board, all of whom give generously of their time and effort to Genesis House.

Emotional problems of all types are dealt with, including drinking, drugs, racial difficulties, the need for love, and others.

He told, "Genesis House is a Home, not an institution, and it was the first Home of its kind in Texas. Girls thirteen years old and older are considered; when

the Texas Rehabilitation Center gives assistance, the age range is 16-20. We hope that all groups, and many individuals, in Pampa will consider giving whatever help they can to this worthy cause. Gifts of money or supplies, large or small, will be sincerely appreciated."

He said that the girls attend school in Pampa — and are encouraged to attend church. Their parents are urged to assist in the solutions of their problems when needed. If girls can be helped better by being transferred to other Homes, this is done.

The Varietas Study Club decided that each club member would bring a present for Genesis House to each meeting, if she wished to participate in the project — and that each participant would bring a can of fruit to the next meeting.

#### Hooked

Women who can't get used to the new clutch bags carried under the arm, might like the latest addition. Manufacturers are making those soft and practical clutches with wrist hooks that can be tucked inside.

Present at the meeting were Pafford, Miss Pierce, and Mmes. W.E. Abernathy, W.A. Bohot, W.H. Burden, Clyde Ellis, N.B. Ellis, J.E. Gibson, Lee Harrah, J.E. Kirchner, R.W. Lane, Otis Nace, Ralph Thomas, and Sherman White.

#### LAMAR PTA

Lamar PTA observed "Father's Night," recently at the school with the program being introduced by Larry Ray, husband of Lamar PTA vice-president, Mrs. Larry Ray.

Entertainment was provided by Lamar's Red Blazers, directed by Mrs. Buster W. Higdon. Special songs were sung by members of the group and extra special songs were sung by three first grade boys.

Refreshments were served in the cafeteria following the program.

Quotable Quotes

By THE ASSOCIATED PRESS  
Here are some quotable quotes from women during the week:

"I started talking to children at the age of 9. Most of them had been told stories about storks and the like and had later picked up garbled versions about birth from older children." Jill Kenner, author of "Goodbye to the Stork"

"I can only think that this is a temporary madness. Every message of sympathy I have received from Bermudians has expressed the shame they feel that such a thing could have happened here." Lady Pamela Sharples, widow of the slain British governor of Bermuda.

"I really did expect their names to be on the list. I don't understand why the VC didn't even mention them. They're not military; they weren't taken in a battle, it was different." Betty Mitchell, speaking about her husband and two other missionaries who were captured by Viet Cong guerrillas in 1962.

"I've been accused of being a Southern belle. This I'm not ashamed of. I'm proud of being a woman." State Rep. Louise Johnson of Louisiana on the Equal Rights Amendment to the U.S. Constitution.

"We had offered to give to the campaign before, but asked that we be allowed to give it after the first of the year, because we were not liquid at the

time. We had to sell some stocks." Dr. Ruth Lewis Farakas, wife of the founder of Alexander's department stores in New York, speaking about her \$300,000 contribution to the Nixon campaign after the election was over.

**HOME MAKERS CLUB**  
**SKELLYTOWN** — Home Makers Club met recently in the home of Mrs. Earl Lane, hostess. Vice-president, Mrs. Looper, presided, with the meeting opened with the Lord's Prayer in unison.

The hostess gift was won by Mrs. Bob Heaton and the game gift presented to Mrs. Juanita Porter. Members worked on crocheted and knitted shawls and handwork.

The next meeting will be March 20, in the home of Mrs. Eula Berry.

Refreshments of sandwiches, jello salad, coffee and tea were served to the following Mmes. Gertrude Huckins, John Simmons, Floyd McCoy, Ethel Hunt, Eula Berry, Juanita Porter, Ina Horst, Bob Heaton and Earl Looper.

Engagement Told

The engagement of Miss Phyllis Ann Nabors and Michael Roy Hunter is being announced by her parents Mr. and Mrs. Wilber Nabors, 2205 N. Zimmers. Parents of the prospective bridegroom are Mr. and Mrs. Roy D. Hunter, 400 Lowry. The wedding will be solemnized in Fellowship Baptist Church Saturday, May 26. Both the bride-elect and her fiancé will graduate from Pampa High School in the spring. Miss Nabors works part-time at Citizens Bank and Trust Company and the bridegroom-to-be works part-time at Montgomery Ward.

"Friends Of The Library" Being Organized Locally

Friends of the Pampa Library, a group encouraging an increased awareness of the facilities of the local library and their resulting use, is in its first stages of organization.

Spearheaded by a committee chaired by Mr. and Mrs. A.S. Bonner, Jr., the Friends of the Pampa Library hope also to stimulate public and private financial support of the library and to co-ordinate the efforts of all other groups and individuals interested in the library's activities.

Another important purpose of the newly-formed Friends organization is to sponsor special community cultural programs utilizing the library's facilities.

"The only requirement for membership is that the prospective member have a real interest in the library and a concern for its welfare," Mrs. Bonner told a group of Pampa civic leaders recently.

"We hope every citizen interested in making our excellent library even better by extending its resources and services to our community will join the Friends of the Pampa Library."

Prospective members may choose from three classes of

membership ranging from one dollar (or more) per person annually, to ten dollars (or more) annually for businesses and industries, to one hundred dollars (or more) for life memberships, Mrs. Bonner explained.

Friends of libraries groups composed of interested lay people were first established in the early part of the twentieth century, first in France in 1913, and then in the United States in 1922.

In 1934, the American Library Association launched a program of actions to encourage the formation of additional groups of Friends by helping to make their work more widely known.

Membership applications for the Friends of the Pampa Library may be obtained by contacting Mrs. Bonner, 665-2166, or by enquiring at the Lovett Memorial Library.

Your Horoscope

By Jeane Dixon

**SUNDAY, MARCH 18**  
Your birthday today: It's hard to know what you want among all the fresh possibilities this year. By the end of the year, you should have a great deal of useful experience. Today's natives often have active early years which prepare them for ambitious career efforts in maturity.

**Aries [March 21-April 19]:** Yesterday's tendencies carry over into today, and it's just as well you leave everyone to their own devices.

**Taurus [April 20-May 20]:** A door opens, and you go thru by your own efforts. Even normal cooperation dwindles.

**Gemini [May 21-June 20]:** Family ties attract tensions, you need all your talents to smooth things over. Simple procedures are superior to sophisticated methods.

**Cancer [June 21-July 22]:** With everybody holding firm opinions and few listening, you save time and aggravation by staying out of the middle.

**Leo [July 23-Aug. 22]:** You are susceptible to embarrassment if you let pride govern your response to provocative or vexing circumstances.

**Virgo [Aug. 23-Sept. 22]:** Your hidden reserves are mobilized and you have inspiration, finally, on a long-puzzling question.

**Libra [Sept. 23-Oct. 22]:** You are in your element; enough controversy abounds to satisfy any appetite for excitement.

**Scorpio [Oct. 23-Nov. 21]:** Your friends have drifted to places you cannot readily follow. Assume nothing, check their actions.

**Sagittarius [Nov. 22-Dec. 21]:** Altho it is Sunday, there are intangibles concerning career. This may be your best time for coming to grips with an unwelcome fact.

**Capricorn [Dec. 22-Jan. 19]:** Self-restraint is still very important to your immediate welfare as well as long-range security.

**Aquarius [Jan. 20-Feb. 18]:** You will be talked about, as usual, but so will everybody else. There's no point in assuming you have it all, or that nobody else is involved.

**Pisces [Feb. 19-March 20]:** Your mate leads off and you may as well watch what happens before starting any dissent. Squabbling doesn't bring results.

**MONDAY, MARCH 19**  
Your birthday today: Today's natives are often rather reluctant about expressing themselves, but generally have a very good grasp of a broad range of subjects.

**Aries [March 21-April 19]:** Seek cooperation in coping with the most difficult task at hand, see it continue to cover other troubles as well.

**Taurus [April 20-May 20]:** Long-delayed ventures can be brought to some peak of achievement, cleared up for smoother progress.

**Gemini [May 21-June 20]:** Branch out into something new. Make a sale or persuade someone to see things your way with a smooth, softly worded approach.

**Cancer [June 21-July 22]:** Exert yourself toward constructive goals. Almost any creative endeavor stirs extra repercussions, attracts praise.

**Leo [July 23-Aug. 22]:** Communication is wide open, people listen who ordinarily don't. All depends on your care and selection of word and deed.

**Virgo [Aug. 23-Sept. 22]:** Bright and early and in a high good humor, push thru all the projects you've thought out over the weekend.

**Libra [Sept. 23-Oct. 22]:** Your persuasive and intuitive talents run high, and the situation should be ready for making permanent settlements.

**Scorpio [Oct. 23-Nov. 21]:** Select your companions carefully for close cooperation in a very busy day. You can profit from your friends' progress.

**Sagittarius [Nov. 22-Dec. 21]:** Being intent on your goal pays off, and the more quietly you go about it, the more certain your success.

**Capricorn [Dec. 22-Jan. 19]:** Information comes your way with two challenges: Do you recognize it for what it is? and: Do you know what to do with it?

**Aquarius [Jan. 20-Feb. 18]:** Career matters come to turning points. What you do now is noted and will influence future decisions strongly.

**Pisces [Feb. 19-March 20]:** An expansive mood attracts cooperation, greater enjoyment of life for all concerned. The extra outlay is well invested.

### Altrusans Name New Slate Of Officers

Pampa Altrusa Club met for a noon meeting March 12, with 29 members and three guests. Mrs. Madeline Jeffress, Southwestern Public Service Co., and Carol Duval and Kathy Gallman, Pampa High School, present.

The meeting was opened with President, Miss Evelyn Mason, presiding, and the group gave invocation and Pledge of Allegiance to the flag in unison. Miss Vermell Meador

presented. Delegate to National Convention Quiz, to members and guided them in correct answers.

Libby Shotwell gave a report of Council of Clubs and stated, "March is Red Cross month and urged members to watch for TV and radio publicity." She told the group there are three main programs of Red Cross—Funds, Service to Military and Veterans and Disaster Service.

Mrs. Geneva Tidwell, acting secretary, cast the ballot for slate of new officers for the coming year who were elected by acclamation and listed: President, Kathryn Sullins; Vice-President, Geneva Tidwell; Recording Secretary, Mary McDaniels; Corresponding Secretary, Jean Scott; Treasurer, Georgia Johnson; and Director, Miss Jimmie Lou Wainwright.

The program, "Altrusa Information," was presented by Mrs. D.B. Jamison.

Mrs. Jamison called to the groups attention of proper ways to address the chair, standing committees and use of gavel. She urged members to be good listeners, never to interrupt the speaker, always be prompt in bringing a motion to the floor. All members are to cooperate with officers and to remember to use Roberts Rules of Order in conducting a meeting.

### Cadette Dip 'N Trip

One hundred girls and adults attended the Girl Scout Cadette "Dip and Trip" event recently in the Optimist Club Building in Pampa, according to Mrs. Wayne Jones, director of the event.

Following a get-acquainted game planned by Cadette Troop 61, they viewed a film on gymnastics and "Drugs, The First Decision." Arrangements for the films were made by Mrs. Jack Duke, Borger.

The Scouts were then bused to the Pampa Youth and Community Center for a two-hour swim under the direction of Mrs. Jerry Carter, Water Safety Instructor. Snacks and a slumber party followed back at the Optimist Club Building.

After breakfast and an impromptu song session led by Mrs. Jim Davis, Pampa, Father Tash, Chairman of the Coordinating Council for Drug Abuse in the Panhandle, was guest speaker. He explained the dangers of marijuana and other drugs and how brain damage can occur for the regular user of marijuana.

Following Father Tash's talk, a tour of Celanese Chemical Company, arranged by Eugene Turner, Pampa, completed the morning's activities. The event concluded after lunch.

Mrs. Jones was assisted by Mrs. Jerry Carter and Mrs. Jack Duke was the special events advisor. Miss Celia Fowler, Mrs. T.M. Whiteley and Mrs. E.R. Phillips were in charge of registrations. Driving buses were Wayne Jones and Eugene Turner. Wayne Jones, assisted by Bob Keagy, cooked lunch. Troops attending were from Pampa, Borger and Memphis and included Troops 1, 4, 61, 87, 90, 103, 114, 124, 136 and 151.

### Theta Delta Club Members View Conservation Slides

Mickey Black, representing the Gray County Soil and Water Conservation District, was guest speaker at a meeting of the Theta Delta chapter of Delta Kappa Gamma, recently, in the Hospitality Room of the Citizens Bank and Trust Company.

Beginning with slides of the unutilized land, followed by erosion, the dustbowl, and abandonment, he gave a slide presentation of the progress of the Conservation Education or Outdoor Classroom program now underway.

With the outdoor classroom at Robert E. Lee Junior High

School as an example, he explained how the students, under the supervision of Mrs. Otto Mangold, science teacher, had developed a 74 by 80 foot plot of ground on their campus. First they planted and cultivated 20 types of grass seed; later they planted vegetables, constructed a pool for aquatic life, and cared for several different kinds of animals. They now plan to landscape the area, set out trees, and add benches and walkways.

Smaller projects underway at other schools in the district

were also discussed, as well as cooperative projects with the Scouts, the Garden Clubs and other groups.

The speaker also mentioned that Carson County has the first Junior Board, made up of students interested in conservation, and expressed his thanks to Theta Delta's president, Mrs. John Vantine, for her work with the outdoor classroom at her school.

In the business meeting following the program, Mrs. Vantine read a letter from Mrs. Edith Hughes, former Carson County Extension agent, who

has retired and moved to Roscoe, Tex.; and Miss Evelyn Chamberlain reported that the chapter's contribution to the World Fellowship Fund was \$27.50.

Gifts for the nursing homes in this area were brought to the meeting for distribution by the Personal Growth and Services Committee, with Mrs. Frank Hawkins, chairman.

Hostesses for the meeting were Misses Claudia Everly, Ila Pool, Mary Dean Dozier and Lelia Clifford.

Twenty-six members were present.

## A bassa nova with an old twist

By Abigail Van Buren

DEAR ABBY: A very beautiful Brazilian visitor to New York wanted to have her stay extended; so she sought the advice of a Wall Street attorney. She gave him \$500 in advance and he made an appointment with her to discuss the problem on a Saturday afternoon at a friend's borrowed apartment.

Shocked when she realized what was expected of her, the lady departed at once. She phoned the lawyer on Monday at his office and asked him to either make a serious effort to help her or to return her money.

The lawyer promised to arrange an interview for her with an immigration official who would help her. Then he bluntly told her that her chances for extending her stay would be small unless she spent at least one night with this man.

What recourse does this beautiful Brazilian woman have in such a predicament?  
**HER FRIEND**

DEAR FRIEND: Your friend is a beautiful Brazilian just as she doesn't tell that attorney that the Ethics Committee of the New York Bar Association would appreciate knowing how he practices law.

DEAR ABBY: I went out with a very attractive 23-year-old man. (I am 21.) On our first date he tried to make love to me but he didn't get very far. Then he told me he was sorry, but he just wanted to find out what kind of girl I was.

He asked if I was a virgin, and I told him that was a personal question which was none of his business. But what bothers me the most is that I am, and I was ashamed to admit it. Is it so terrible to be 21 and still a virgin? **ASHAMED**

DEAR ASHAMED: Good grief, no! What bothers me the most is that today so many people are ashamed of what they used to be proud of.

DEAR ABBY: My husband and I were married for four years and had one child. Then we separated and I met "Mr. X." Abby, I never knew love-making could be so beautiful and fulfilling.

Because of the child we decided to give our marriage another chance, but I can't forget "Mr. X."

My husband's desires are much greater now than before, but he still leaves me unfulfilled and with a sick headache. I just can't tell him that as a lover, he is a failure. He just wouldn't understand. Now, I have a second lover who is very much like "Mr. X."

I want my marriage to succeed, Abby, but I am only 25 years old, and I don't want to seek out lovers and sneak around corners. I know that my own mother was never satisfied with one man. She had six children, and we all have different fathers, and it frightens me to think I may be following in my mother's footsteps.

I really want to have a good sex life with my husband, but he just isn't satisfying me. How can I get this across to him?  
**FRUSTRATED**

DEAR FRUSTRATED: Tell him! Tell him! A marriage counselor (or your own doctor) can help you by plain talk and recommended reading material. You, along with many others, may find that your happiness lies right under your eyes—back in your own backyard.

CONFIDENTIAL TO "F" IN ANSONIA, CONN.: Don't believe that your fortune-teller can foresee the future. Even a clock that isn't working is right twice a day.

It isn't supposed to be good policy to swap horses in mid-stream. At least, the action usually has a decided dampening effect.

At the bridge table it is a different proposition. You can do so and come up dry as a bone and with a fish in your mouth.

East started to think over North's three-club bid. South had every intention of passing if East elected to pass and to try four clubs over a major suit call, but East came out with a three-diamond bid.

Now South decided that he might well bring home a no-trump game against a diamond lead so he tried three no-trump.

East won the first trick with his ace of diamonds, and although the game was match point duplicate, South didn't bother to try for an

overtrick. He dropped his queen of diamonds.

The false card was a typical rubber bridge play. In rubber bridge South would be most anxious for a diamond continuation so he could go about the business of collecting nine tricks. He wouldn't care a bit about a 10th.

It was also a correct play at match points. South did not think that many other North-South pairs would be playing three no-trump.

His analysis turned out to be correct. East fell for the false card and led back his jack of diamonds. South made his game and what turned out to be a top score.

## Betrothed

Mr. and Mrs. Carl Baumgardner, 1304 Mary Ellen, announce the approaching marriage of their daughter, Miss Joan Darlynn to Raymond Lee Miller. A mid-April wedding is being planned in the First Baptist Church of Pampa. The bridegroom-to-be is the son of Mr. and Mrs. Gordon Miller, 405 N. Roberta. The couple will graduate from Pampa High School in the spring and the prospective bridegroom is currently employed by Culbertson-Stowers, Inc.

## Embroideries For Spring

COLLEGE STATION — Embroidery and lace promise to soften spring fashions — for women and men.

Fashions going dressy will rely on embroidery, very much a part of the spring scene. Marilyn Brown maintained.

The consumer education-clothing specialist with the Texas Agricultural Extension Service, Texas A & M University, said several reasons account for its revival.

Increased popularity of at-home clothes for lounging and entertaining caused a demand for special trims to add elegance and dressy appearances. Embroideries and lace answered this need.

"Increased home sewing is another reason.

"People are always on the lookout for something different. Embroidery is just that — exciting and colorful, with dimension and surface appeal."

Miss Brown noted that "big embroidery comebacks" include eyelets, lace, embroidered emblems and appliques.

"Embroidery will appear on checks, plaids, solids and patterned fabrics. Colors will be clean, clear and crisp.

"Sportswear, including men's sports shirts, and women's dressier garments will feature it," she added.

## ABWA Spring Tea Held In Pampa Today

Pampa Charter Chapter of the American Business Women's Association will hold its Hand of Friendship Enrollment Event today at 2:30 p.m. in the Hospitality Room of the Citizens Bank and Trust Company according to Mrs. Ellen Malone, chapter president.

This event is held semi-annually to introduce the organization and the local chapter to business women in this area. At the same time similar events will be held across the country by more than 1,000 other ABWA chapters.

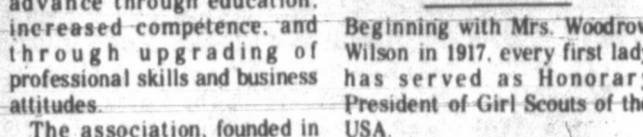

The chief function of ABWA is to help women in business advance through education, increased competence, and through upgrading of professional skills and business attitudes.

The association, founded in Kansas City, Missouri, in 1949, now has over 65,000 members. One of its worthy projects is giving scholarships to women students. Area chapters awarded over \$375,000 in scholarships from Oct. 1, 1971 to Sept. 30, 1972. During this period an additional \$85,000 in scholarships was awarded from the National Scholarship Fund.

Pampa Charter Chapter has awarded local scholarships to eleven worthy recipients and has assisted six students in securing interest free educational loans from ABWA National Scholarship Fund.

The Spring Fling Enrollment Event will feature a panel discussion on ABWA.

Beginning with Mrs. Woodrow Wilson in 1917, every first lady has served as Honorary President of Girl Scouts of the USA.

### PTA City Council Tell Officers, View Films

Presenting the nominating committee report at the recently held meeting of Pampa PTA City Council, was Dr. James Malone. Names submitted for officers for the new year are: president, Mrs. Tommy Hill; vice-president, Mrs. Robert Walker; secretary, Mrs. Rowdy Bowers; treasurer, Mrs. Tom Dunn;

parliamentarian, Mrs. C.L. Farmer; and historian, Mrs. Floyd Baxter.

Mrs. C.L. Farmer, president, presided at the Carver Center meeting, with Mrs. Lacy Lee presenting the devotional, "I the Young Man Safe?"

The program "Planned Parenthood" was presented by Jane Kadingo and Shirley

Boddy, who are outreach workers for Pampa.

Mrs. Kadingo introduced the educational director, Mrs. Iris Boibin, and Dave Brummett, area counselor for the Panhandle. Both are Amarillo residents.

While explaining the functions of Planned Parenthood, Mrs. Boibin stated

"We want to make sure that every child is wanted and loved."

Two films were shown. First, "And They Lived Happily Ever After?" was about a teenage couple expressing their true feelings on having to get married and the bitterness and resentment that builds between the couple and the child.

The second film, "Venereal Disease A Present Danger." This film was very informative on the dangers of VD, stating that venereal disease is the number one communicable disease today, replacing the common cold, and that it affects over 1 1/2 million people a year.
