

Two Die In Accident On Snyder Road

Two men died Wednesday afternoon in the crushing, head-on collision of two heavy automobiles on the Snyder highway.

Mrs. Scott, 78, Dies; Last Rites Set For Friday

Mrs. Mary Ellen Scott, 78, died in a hospital here Thursday morning following an extended illness.

Three Die In Odessa Crash

ODDESSA, Tex. (AP)—A violent automobile collision late last night killed three teen-agers and injured four.

County's 14th Polio Victim In Hospital

The county's 14th polio victim of the year was admitted to a local hospital yesterday. He is Jimmy Adkins, 10-year-old son of W. W. White of 108 N. Benton.

To Double Facilities

DALLAS (AP)—The oil well supply division of U. S. Steel Corp. announced plans today for doubling the size of its present facilities at Garland, Tex.

Restrictions On U.S. Trade With Soviet Block Are Eased

WASHINGTON (AP)—Secretary of Commerce W. W. Clegg today eased restrictions on U. S. trade with the Soviet Union and other Communist countries of Europe.

the ambulance, this morning was charged with driving while intoxicated, second offense. He waived examining trial and bail was set at \$2,000.

Doctors at Cowper Hospital said extent of injuries suffered by Francis Gene Hawk had not been fully determined at noon today.

Oliver received a compound fracture of his left leg and fractures of his right shoulder blade and five ribs.

The initial wreck occurred about 2:10 p.m. Wednesday as the Hawks were driving from Big Spring toward Snyder, Highway Patrol officers said.

Hawk's Packard and Hartsook's Buick collided head-on in the south traffic lane, the officers said.

Authorities and Eberley-River ambulances were called and while the ambulance was parked beside the wreckage Tyson's car, also moving toward Big Spring, crashed into the rear of the vehicle.

Oliver, a passer-by who had been assisting with the work of clearing the wreckage, was crushed between the car and the ambulance.

The senior Hawk was believed to be driving the Packard, with his son as a passenger.

Mrs. Scott was born Oct. 17, 1875, in Limestone County. She and her late husband settled in the Hartwells Community upon coming to Howard County and there reared a family of nine children.

Drivers Killed

Francis Lester Hawk, Midland, and Warren Dent Hartsook, Commerce, died when their automobiles rammed together on the Snyder highway northeast of Big Spring Wednesday.

The three bodies were so torn they were not completely identified until about 10 a.m. today.

The wreck occurred at a residential street crossing about 11:25 p.m.

The dead, all riding in the same car, were Bobby Sherrard, 16, son of Mrs. W. E. Sherrard; James Monk, 17, son of C. R. Monk; and Gleason Kirkin, 17, son of D. S. Kirkin.

Officers said they believed Sherrard was the driver of the car. A fourth occupant, Charles Hart, 17, was injured.

Also injured were Don Lawson, 18, driver of the other car; Carol Jones, 15, and her brother Thomas Jones, 19. Lawson's injuries were described as critical, the others as serious.

The cars hit with such force that Sherrard's car flipped onto its back and all the boys in it were thrown to the pavement. The other car was knocked into a rock fence.

Burglars Prefer Whisky To Cash

Burglars loaded up with liquor at Pug's Liquor Store on West Highway 80 last night, the sheriff's department reported.

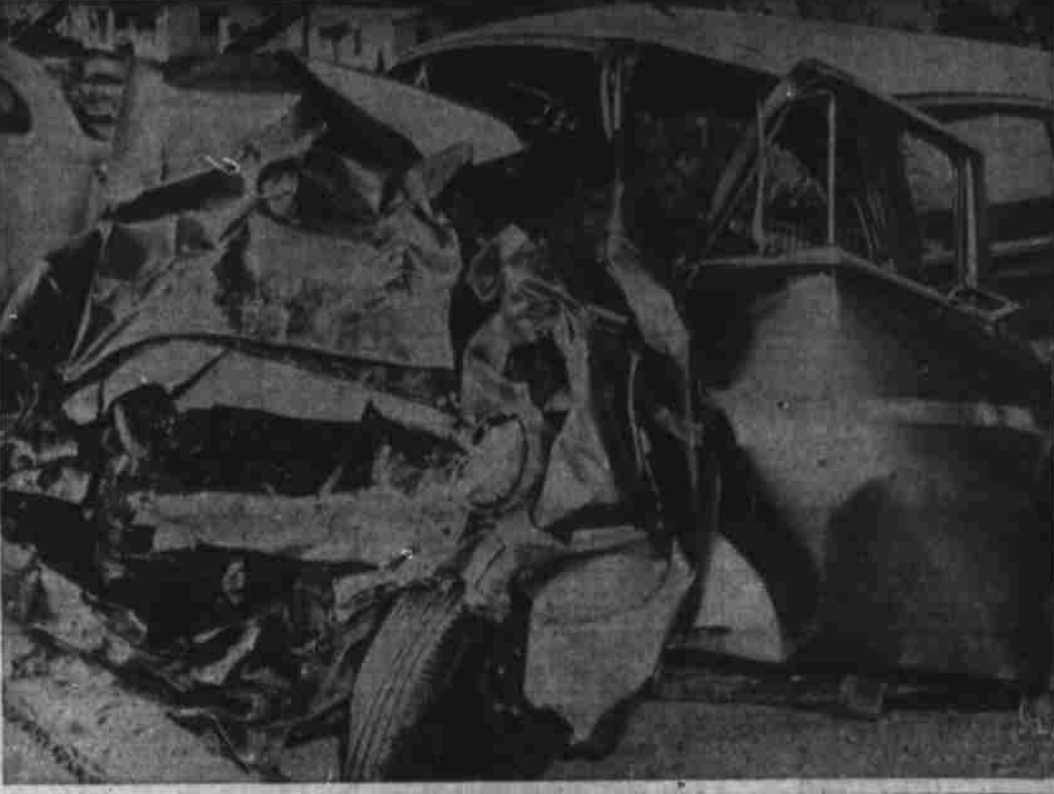

Nine cases of whisky were stolen from the establishment. Burglars entered through the front door after drilling a hole through a panel and prying the lock apart.

Deputy C. H. Forgas said four cases of pint bottles, four of half-pint bottles and one case of "fifths" were taken.

Other whisky may have been taken, he said. An inventory was being taken this morning. No money was taken and a cash register was not molested.

Some 2,100 persons were at those gatherings. They cheered, hollered and clapped. Six cars of youngsters calling themselves Waco Red Shivers held a parade in the lobby of the hotel where Shivers was staying.

Two girls about nine years old carried signs they had made themselves, saying, "We're Bubbling Over For Shivers." They blew bubbles over the hotel lobby.

Both Shivers, Yarborough Stress Port Arthur Issue

Red Issue Seen In Long Strike

By MARTHA COLE WACO (AP)—Heading into East Texas and on to Houston for the last two days of campaigning, Gov. Allan Shivers today returned to the Port Arthur strike.

In an early-morning statewide broadcast from Waco, the governor said, "Port Arthur was the testing ground selected by a Communist-dominated union to try out a Communist-inspired plot to paralyze Texas business and industry."

"Yet my opponent says that communism is not an issue in Texas," Shivers said.

Shivers said again that he was sure that his opponent, as well as the lawyers who represented three unions found Communist-dominated, were not Communists.

"But I think the people of Texas desire to know what crowd they are running with," he said.

Shivers did not mention his opponent in Saturday's run-off, Ralph Yarborough, by name.

The governor, at Waco last night, went to four lawn gatherings to which his supporters had invited their neighbors in four different sections of the city.

Some 2,100 persons were at those gatherings. They cheered, hollered and clapped. Six cars of youngsters calling themselves Waco Red Shivers held a parade in the lobby of the hotel where Shivers was staying.

Two girls about nine years old carried signs they had made themselves, saying, "We're Bubbling Over For Shivers." They blew bubbles over the hotel lobby.

Shivers told the neighborhood crowds, "It takes good people like you to build a great Texas, people who will get out and fight."

He added, "We can win this election big if we get out and fight."

The governor had on today's schedule an early morning breakfast with the children at the Mexico State School and a downtown street corner address in Mexico at 9 a.m.

Candidates Report Their Expenditures

AUSTIN (AP)—Gov. Allan Shivers has spent \$209,066.51 and Ralph Yarborough, his opponent, has paid out \$214,056.08 in their campaigns for the Democratic nomination for governor.

Those were the totals reported by the candidates in sworn financial statements filed with the secretary of state.

Shivers estimated he would spend an additional \$22,000 before the campaign ends. Yarborough calculated he will spend \$26,452.51. The run-off election is Saturday.

The governor reported contributions to his race have totaled more than his expenditures, \$219,407.12. Yarborough reported receipt of \$176,325.39 in gifts and said he has borrowed \$10,000.

Pacheco Searches Spread To Two Additional Bases

SAN ANTONIO, Tex. (AP)—Officers of at least two Air Force bases in the Southwest acted today to prevent any possible outbreak of hoodlumism among Air Force personnel.

Such an outbreak occurred at Chanute Air Force Base, Rantoul, Ill., this week and 106 members of the tattooed tough gang—"Pacheco"—have been rounded up there.

At San Antonio Wednesday, Maj. Gen. John H. McCormick ordered a screening of some 25,000 basic trainees at Lackland Air Force Base after it was discovered that one airman bore the "Pacheco" identifying brand, a tattooed cross and halo.

The Lackland gang member was in the base stockade on an AWOL charge when discovered.

Gen. McCormick, the Lackland commander, said the one man was the only evidence uncovered so far to indicate the hoodlum band was in existence at the base.

At Wichita, Kan., officials at McConnell Air Force Base said three airmen who have markings of the gang on their bodies are being held in the base stockade.

Settling Strike Again Pledged

By LEDGERWOOD SLOAN TYLER (AP)—Ralph Yarborough says that if he is elected governor he will go to Port Arthur and stay as long as it takes to settle the 10-month-old strike in the Gulf city.

The Austin attorney said in a speech last night that his opponent in the governor's race, Allan Shivers, "has failed to act because this is election time."

"He has let Port Arthur languish while he used it as a political pawn," Yarborough continued.

"I pledge you that Ralph Yarborough will settle the Port Arthur situation in 30 days after he takes the oath of office. I will get personally to Port Arthur. I will stay as long as it takes to get the job done. I will render a just and firm and fair verdict at Port Arthur. There will be no playing of politics with a whole Texas city when Ralph Yarborough is your governor," the candidate said.

Yarborough spoke at the Tyler baseball park before a crowd that newsmen estimated at about 1,500 persons. It was a friendly affair.

Part of Yarborough's speech consisted of replies to shouted requests from the members of the audience regarding specific campaign charges he had made previously.

Yarborough was introduced by Angus Wynne of Dallas, a former East Texas attorney who now is engaged in oil and ranching.

Wynne said that he is "too proud of my vote for Ike that I don't know what to do." He also said he had voted for Shivers two years ago because he thought Shivers was entitled to a second term.

But now, Wynne said, he is for Yarborough and "proud to be a CIO-PAC left winger."

Yarborough charged that "slander teams" were circulating "fake photographs" in the "so-called Port Arthur story" all over Texas.

"Every time he puts that slander team on television, he's telling you he's incompetent to be governor," Yarborough said of Shivers.

Commies Linked To Brazil's Riots

Carl Nixon, 29, Is Found Dead Along Roadside

Carl A. Nixon, 29, was found shot to death beside the Andrews Highway just outside the northeast Big Spring city limits early today.

A .45-calibre automatic pistol lay beside the body at the side of an automobile which had been parked on the shoulder of the roadway.

Nixon apparently died sometime prior to 10 p.m. Wednesday.

Justice of the Peace Cecil Nabors said he is to return a verdict of death by gunshot wounds, self-inflicted.

M. H. Fox, of 1411 Runnels, reported the body beside the highway about 6:30 a.m. today. Orville G. Bryant, a truck driver living at 213 Andree, reported seeing the body about 10 p.m. Wednesday as he drove into Big Spring.

He said he presumed someone was sleeping beside the roadway and made no report until this morning when he again passed the parked car.

Sheriff Jess Slaughter said that a note found in Nixon's shirt pocket requested that the pistol be returned to its owner, who was named in the note.

Slaughter said Nixon had a room at 411 Runnels. He worked as a railway brakeman.

He was born Feb. 8, 1925. Survivors include his wife, who was in Philadelphia, Pa.; a son, his mother, Mrs. Mollie Nixon of Coleman, and a brother, Joe B. Nixon of Big Spring, who was reported on vacation.

The body was taken to the Nalley Funeral Home where funeral arrangements were pending arrival of relatives.

Reds Plan Court Test Of New Law Outlawing Party

NEW YORK (AP)—A spokesman for the Communist party says it will not bow to the new law outlawing it. He says there will be a court test of the law, signed this week by President Eisenhower, if and when the government moves to curtail any Communist party activities.

The spokesman, an official of the party who asked not to be identified by name, said last night that Communist candidates for public office will continue to campaign, publication of the Daily Worker will continue and Communist leaders will make public speeches.

Three top members of the party issued a separate statement calling the new law "the most extreme step ever taken against political and democratic liberties in the history of our country."

IKE THANKS CARRIER BOY

DENVER (AP)—"Dear Eddie," began the note handed 14-year-old Eddie Eldredge yesterday morning when he delivered the daily paper at the big two-story home at 750 Lafayette St.

"I'm delighted to give you my signature and to thank you for the faithful service that brings the newspapers to our home so regularly."

It was signed, "Sincerely, Dwight D. Eisenhower." President and Mrs. Eisenhower are vacationing here.

Mitchell Starts Its Right-Of-Way Deals

COLORADO CITY — County Judge Seat Bullock said that deeds for about three miles of right-of-way for the U. S. 50 freeway have been secured and that nine other deeds are being studied by land owners.

Bullock says that the Commissioner's Court is attempting to complete right-of-way from Westbrook to the west county line before proceeding with the project for the rest of the county.

"W. N. Bacon, Westbrook commissioner, is doing the major share of the work so far," said Bullock, "since most of the landowners to be contacted live in his precinct."

BREAK OCCURS IN GAS PRICES

First break in the gasoline price front here developed Thursday with two companies quoting three-cent reductions.

However, at noon other distributors were holding the line.

Only Gulf and Shell had quoted the new schedules which pegged retail prices at 22.9 cents for regular and 24.9 for premium grade gasoline.

On the premium grade for Shell the cut was actually a half cent more for the new schedule absorbed the half-cent differential for TCP fuel. Gulf posted the new level, followed by Shell.

Other concerns Thursday morning had a watch and wait pattern to see if the picture would stabilize or slide into a price war such as Midland has experienced.

New German Deserter Attacks U.S.

BERLIN (AP)—A West German Parliament deputy from Chancellor Konrad Adenauer's Christian Democratic party, who defected to the Communists a week ago, told an East Berlin news conference today he fears the Adenauer government "with American prodding" is driving Germany toward war and ruin.

The Communist Eastern government triumphantly presented former Parliament Deputy Karl Schmidt-Wittmack to an international press conference in the Soviet sector today, just as they did former West German security chief Otto John on Aug. 11.

The 40-year-old Schmidt-Wittmack, who was deputy chairman of Adenauer's CDU party in Hamburg, crossed into the East just a week ago with his wife and daughter.

West German authorities have ruefully admitted that, as a member of key parliamentary committees on German rearmament and Western anti-Communist work in the East, he could betray many secrets to the Reds. Before he fled, he emptied his office files.

Speaking today to several hundred foreign and German correspondents in the Soviet sector press headquarters, Schmidt-Wittmack echoed many of the anti-Adenauer and anti-American sentiments voiced two weeks ago by John in his public unveiling.

However, he lacked the savvy and command with which John spoke. Schmidt-Wittmack raved through passages of his prepared speech as though in a hurry to get through, stumbling inaudibly at times and mumbling his words.

ON SEATO PACT Three Key Issues Face Manila Meet

By SPENCER DAVIS WASHINGTON (AP)—Foreign secretaries of eight nations meeting in Manila Sept. 6 to form a Southeast Asian defense organization will have three key problems to work out.

Diplomatic sources said they were:

1. How far will the countries go in binding themselves to a common defense of the area.

2. What sort of pledge will they make to combat Communist subversion.

3. What sort of continuing machinery will be set up to keep the countries advised and prepared to meet emergencies.

The United States and the other countries pioneering the Southeast Asia Treaty Organization (SEATO)—Britain, France, Australia, New Zealand, the Philippines, Thailand and Pakistan—have made no advance commitments, but have exchanged views on all these points.

Opinions presently range widely, with the Philippines and Thailand understood to be urging strong military commitments and Britain counseling more emphasis on an economic rather than a military approach.

The Philippines was said to be seeking a North Atlantic Treaty Organization type agreement in which an attack on one of the countries would be regarded as an attack upon all of them.

Police Begin Crackdown On Outlaw Reds

By ROMAN JIMENEZ RIO DE JANEIRO, Brazil (AP)—Police cracked down on the outlawed Communist party today after 48 hours of riots and demonstrations touched off by the suicide of President Getulio Vargas.

Amid increasing evidence the Reds played a strong hand in sparking the riots, aimed in part against the United States, more than 100 Communists were under arrest. One was accused specifically of burning a police car.

Copies of Imprensa Popular, the Communist newspaper which publishes openly despite the ban on the party, were seized by police in Rio de Janeiro. The newspaper headlined its account of yesterday's demonstrations: "Down with Americans." Rio residents shout indignantly in streets.

A dispatch from Porto Alegre said police raided an allegedly Communist paper there and arrested the editor.

This capital city's commercial life gradually returned to normalcy today. Public offices, banks and shops reopened. A few troops still were to be seen on the streets, but the heavily reinforced patrols of the past two days were called in.

Joao Cafe Filho, the new President, cast about for someone to fill the ticklish job of finance minister in the inflation-plagued government he inherited. He conferred with individual ministers and scheduled a cabinet meeting.

After 71-year-old Vargas ended his life with a bullet Tuesday, his old friend Oswaldo Aranha, former U.N. Assembly president, resigned as finance minister along with the rest of the Cabinet.

Aranha, who has often been mentioned as a candidate in the 1955 presidential elections, had been seeking in the past few months to steer Brazil through a dire foreign exchange shortage caused mainly by declining coffee exports.

The economic straits Brazil has been going through had much to do with the explosive political-military crisis that shook the country for the past 20 days and culminated in Vargas' suicide following his military dictated agreement to take a permanent leave of absence.

The rioting crowds that took to the streets to boot against Vargas, then began demonstrating for the old man when they found he had shot himself, cooled down today after two bloody days that left four dead and scores of wounded throughout Brazil.

Campbell Gives New Look To Old Buildings

Charles Campbell, local contractor, has helped make a number of homes here look like brand new structures with his "building magic."

A house takes on a completely different appearance when he gets through with a remodeling job. Reason is that he actually gives that house a new face—a stone face.

Campbell is the local contractor handling brick and mural stone. This stone can be applied directly over the frame or stucco sides to give the appearance of a brick or an Austin stone building. Installation takes a minimum of time.

A number of people here are remodeling their homes with the new stone facings, which are permanent. Free estimates are given to all interested. Campbell's office is located at 400 Abrams, and his phone number is 4-2407.

People with stucco homes should investigate the possibilities of a stone facing. The new front can be added to stucco buildings easily, Campbell points out.

In fact, it is more economical to install the stone facings to stucco homes because an installation "stop" is left out. "All we do is apply the stone to stucco homes," the contractor said. "At other places we must first stucco and then apply the stone."

A number of business concerns are obtaining "face liftings" too. Campbell points out that business establishments usually get new stone fronts of the brick stone rather than mural stone. A close inspection does not even reveal that the brick stone is not regular brick.

Most home owners who remodel ask for the mural stone, he explained. "The dirtier it gets the more beautiful it is."

Campbell, a contractor for 17 years, also does regular stucco work and concrete work. Most of his concrete jobs are "finish" projects—such as pouring slab floors.

Workers Take Armor Off Air Carrier FDR

BREMERTON, Wash. (U.S.)—Workers were stripping seven million pounds of armor from the 45,000-ton aircraft carrier Franklin D. Roosevelt today, preparing to give the FDR a new suit of armor.

The Navy said, without giving details, that a new type anti-aircraft blaster to be installed around the FDR's hull possibly will make less armor necessary.

Paint-On Wallpaper Designs

Window display at Nabors Paint Store, 1701 Gregg, is shown above. The display has some of the designs which can be painted on walls with a new design roller sold by the firm. A. A. Cooper, manager, who is standing on the left, says that patrons can either buy or rent the rollers. Some 18 design patterns are in stock. The walls are painted the desired color with a regular roller and then the design is put on top with another color. Such designs can be painted on any wall board or paper. The other man in the picture is Arnold L. Tonn, salesman who has just become associated with Nabors.

Fiveash Plumbing Gives Fast Service

"I-need-a-plumber" time is time to call Fiveash Plumbing Company, 821 E. 3rd. Telephone number is 4-6111. Immediate repair service—no necessary when the faucet leaks, a pipe bursts or the hot water isn't hot—is assured by Fiveash.

E. A. Fiveash, plumbing contractor and operator and owner of Fiveash Plumbing Co. is a man who stands behind every job he performs.

Well-known as a result of extensive residential and commercial plumbing work in Big Spring and Howard County, Fiveash is prepared to handle any plumbing job. The skilled manpower and the necessary materials are available for any job. No delay service is guaranteed.

The plumbing firm will handle installation in new construction or

FIA repair loans are available to those who desire. Users of these plans have up to 36 months to pay with no down payment.

Turboprop Plane Due To Be Tested

BURBANK, Calif. (U.S.)—The Lockheed YC-130, first turbo-prop power cargo plane built for the Air Force, is at Edwards Air Force Base for extensive flight tests.

The four-engine ship was test flown there yesterday, a distance of 80 air miles.

The craft has a wingspread of 132 feet, double wheels on the nose gear and double landing gear wheels in tandem which retract into the fuselage. It can be loaded from the rear of the fuselage.

Designed for logistics support, assault missions and air evacuation duties, it has 756 Allison engines capable of lifting it quickly.

The plane was airborne yesterday after traveling one-third of the runway, engineers said.

Free estimates on cost of any plumbing job are always provided by Fiveash. Two types of

Nabors Shows Rollers For Applying Designs In Paint

Motif design rollers are the new specialty at Nabors' Paint Store, 1701 Gregg Street.

These rollers can be used to paint the complicated designs heretofore found only on wallpaper. A. Cooper, store manager, announced that 18 designs are now being sold, and that other designs are available.

Anyone can paint with the roller, and the result will be a professional looking product with uniform design. Any color design can be applied.

The first step is to paint the wall the color desired. Then the design, another color, can be rolled on. The paint can be rolled on plaster, texture, any type wall board or wall paper.

The roller machine can be purchased at the store for \$9.98, and design rollers sell from \$2.49 to \$3.99. Rental fee for the machines is \$1.50 per day.

Demonstrations of the new roller will be made on request by Cooper or the new store salesman, Arnold Tonn.

Tonn, who has been in the painting business here for the past seven years, has just started his association with Nabors. He and his family, a wife and child, live at 1900 Mittel Avenue.

Nabors Paint Store is known here as the "color center," and it is estimated that over 1,000 color selections are available there in stock, then a blend can be made.

Paints can be purchased at Nabors either wholesale or retail. On stock at the store are industrial paints, floor coverings, venetian blinds, wall paper, and numerous accessory items. Glidden "Spred Satin" industrial house paint, and jet black enamel are outstanding values.

NEW LIQUID KILLS ROACHES AND ANTS

Scientists recommend that you control roaches and ants the modern way—with Johnston's N O - R O A G M. Brushed just where you want it (not a messy spray) the colorless, odorless coating kills these pests. It's effective for months, sanitary, and so easy to use. 8 oz. pink quart. Available at Safeway, Furr Food Stores, Piggly Wiggly, Red & White, Cunningham & Phillips, Collins Bros., & your local drug store.

Midland Summer Painters To Have Art Show, Film

The Summer Painters of Midland, a department of the Midland Palette Club Art Center, will sponsor a combined art exhibition and film program Sunday, at the Federated Women's Club Building in Hogan Park.

While the art exhibition is free, there will be a charge made for the film program. This program includes the famous film of the life of Michelangelo, "The Titan," nar-

rated by Frederic March. This film is highly recommended by both art critics and religious directors. The second film, a short in color, is called "The Loon's Necklace" and retells an Indian legend through the use of wood-carved masks.

The art exhibition is the culmination of summer courses in painting, drawing and sculpture. Arnold Jerome Leonard of Roswell, N. M., has been conducting daily classes as well as an art instruction clinic. Mr. Leonard was head of the Roswell Museum School of Fine Art in 1953, assistant director of the Studio Leonard School of Art in Roswell, N. M.

Three local artists, Mrs. Terry Patterson, Mrs. Aubrey Hethcoat and Mrs. Martha Conroy have studied with him in Midland during the summer and will have displays in the exhibition. The public is invited to attend the showing which will open at 10 a.m. Sunday.

Pardon Our French, S'il Vous Plait

By SANDRA NEMSER
AP Features Writer

Why do American students have such a hard time learning a foreign language? This question plagues many a mother who sees her offspring go through four years of high school, or college French, still unable to carry on a simple conversation in the language.

"They are not really poor linguists," says Germaine Bree, newly appointed chairman of the French Department, New York University. "What they lack is a chance to practice the language."

Miss Bree, who has taught French since 1936, also says Americans learn their languages when they are too old and too self-conscious about foreign accents and grammar.

She says a language should be started when a child is in grade school, because the youngster has an ease of imitation lost in an older person, is not self-conscious, and can be trained more easily to pronounce words a certain way, because:

"Learning a language can be a game to children."

Prof. Bree (pronounced Bray) gives some academic and practical reasons for learning another language.

It's a liberalizing process for the mind and makes a person more conscious of the language he uses daily. If you want a government grant, you need a second language. The same is true of strategic government positions and jobs in certain fields such as chemistry.

It helps you understand and be comfortable with the culture of your own and other countries.

The best way to study a language, she says, is to speak and hear it continuously. She also claims: "If you learn a language by mechanical means without learning the culture all you have is superficial chatter."

Prof. Bree points out that a foreign language program was started four or five years ago to foster second languages in elementary schools. This would compare with the program in many European schools where youngsters learn a second language as part of their curriculum.

Miss Bree says the American diphthong and the various sectional accents get in the way of pure French pronunciation. But she adds:

"You know a Southern drawl in French is really rather charming."

Forsan Bible School Has Graduation

FORSAN — The vacation Bible school which has been in progress at Forsan Baptist Church closed Wednesday night with commencement exercises.

It is believed that the school had a record attendance with an average of about 100 attending daily out of a total enrollment of 122 for the 10 days of the school.

At the commencement exercises the intermediate department presented a playlet, "What Our Missionaries Do." Other departments were presented in features related to what they learned in the Bible school.

The Rev. J. M. Stagner who was principal of the school presented the diplomas to the department superintendents, who in turn gave them to the pupils. Mrs. J. M. Stagner acted as general secretary of the school with Mary Ann Fairchild assisting.

The intermediate department of the school was entertained with a social by their superintendent, Mrs. C. V. Wash, on Tuesday evening. Games were played and Bible quizzes were held. Twenty attended.

Theta Rho Girls Of Stanton Hold Regular Meeting

STANTON — The members of the Blue Moon Theta Rho Girls' Club met Tuesday evening at 7:30 in their regular business meeting. Seven attended.

The Rev. Elmore Johnson has just returned home after summer of holding meetings. He has just completed a meeting in Pearl. On his way home, he went by Kerrville where he picked up his wife and children, who had been visiting with her mother. Mrs. Johnson's sister, Mrs. Leroy Nelson and her children of Clovis N. M., are now visiting in the Johnson home.

The kindergarten class of the First Methodist Church will be entertained with a swim party and play period at the Big Spring City Park Thursday afternoon. Mrs. Clement Stander and Mrs. Morgan Hall, the kindergarten teachers, and Mrs. O. B. Bryan, the superintendent of the children's division, will have charge of the group.

Methodist Youth Have Wiener Roast

FORSAN — Mr. and Mrs. Hamlin Elrod, H. K. and Susan entertained the Methodist Youth Fellowship of the Forsan Methodist Church with a wiener roast Tuesday evening on their ranch south of Forsan. Out-door games were played by the 27 attending.

Mr. and Mrs. W. M. Romans, faculty members, have returned from Denton, where he attended North Texas State Teachers College.

Recent guests of Mrs. George Overton have been Mrs. Ruth Smith of Abilene and Hart Phillips of Big Spring. Mrs. Overton with her grandson, Jesse Lewis, is now visiting in Chillicothe, Mo.

Mr. and Mrs. F. P. Honeycutt of Big Sandy are visiting their son and daughter-in-law, Mr. and Mrs. Bob Honeycutt.

Mrs. Earl Beeson, Vicki and Wanda are visiting her parents in Crown.

Guests in the home of Mr. and Mrs. E. J. Maxwell are her nephew and wife, Mr. and Mrs. C. E. Davis and family of Waxahatchie.

Rebekah Lodge 284 Plans For Social

At a meeting Tuesday, members of Big Spring Rebekah Lodge 284 planned a social for next Tuesday at IOOF Hall to follow a short business session.

Members will sell homemade ice cream and cakes at that time in order to raise money for the treasury. The public is invited to attend.

Mrs. Judy Kehr, who attended secretary's school at Tyler, made a report on proceedings there and Mrs. Irene Gross, lodge deputy, held a school of instruction. Twenty members were present and a guest was Mrs. Celia Rowland of Monahans Lodge 27.

Watch That Color!

Busy actress Andrea King, seen regularly in pictures and on TV, speaks with the voice of experience when she cautions against changing the color of your hair without a solid reason.

HOLLYWOOD BEAUTY Change Color Of Hair Only For Good Reason

By LYDIA LANE

HOLLYWOOD — Andrea King is one of the busiest girls on TV and in pictures these days. "In eighteen months I've had fifty parts," she told me yesterday afternoon at tea in Beverly Hills. "And it is so much fun because I've played so many different types. When my agent calls to say we're going on an interview he always tries to find out what the role is like so I can dress for that part."

"Most men," Andrea confided, don't have much imagination about casting. If they see you with a well cut suit, hat, earrings and all the sophisticated accessories, they can't picture you in an ingenuous part with loose hair and a peasant skirt.

"I know you hear a lot about being one type but I think it's fun to change around and with me the keynote to change," Andrea suggested "is hair. This is not only when I am working, but also the case in private life."

"I've had my hair every color you can think of. It's been all shades of blond, red, jet black, but now I'm insisting on my own color for a while until my hair gets back into a healthy state again. I have to have a scalp treatment three times a week because my hair has be-

come so damaged from all the dyes and bleaches."

"Would you advise any girl to change the color of her hair?" I asked.

"If you have drab hair, or if it is grey and this affects your personality, then dye it. But don't try to do it yourself. It's hard enough for a professional to keep your hair an even tone and it's impossible for an amateur. The first time it's fine and the second may not be so bad but you are headed for a terrible mess before you have gone very long."

I certainly would not suggest making a drastic change in the color of your hair if you don't have a very good reason," she added seriously.

"Have you ever cut your hair?" I asked, seeing Andrea's hair was very long.

"Once, a long time ago, Andrea explained. "But I discovered that with my bone structure a lot of curls around my face was bad. I can wear it fluffy on one side but I have to have the other plain in order to look my best. These things you can only find out by trial and error. Now I know I'm the long-hair type. But I can do many things with it. I can wear a braid, a chignon, a pony tail or high and fancy for evening."

THIS IS GOOD EATING

SPECIAL BUTTERNUT SQUASH PAPRIKA ROQUEFORT DRESSING

Ingredients: 1/4 cup olive or other salad oil, 1 tablespoon white vinegar, 1/4 cup firmly-packed Roquefort cheese, 1/2 teaspoon salt, freshly ground pepper, 1/2 teaspoon paprika.

Method: Put oil, vinegar, Roquefort, salt, pepper to taste and paprika in small bowl. Beat with a fork, crushing cheese, until dressing is thick. Makes about 1/2 cup. To serve with Watercress and Cucumber Salad, arrange watercress sprigs in circle on plate; fill center with thinly sliced fluted cucumber; pour dressing over cucumber. Use the menu below for a hearty dinner.

Broiled Scallops and Mushrooms
New Potatoes
Sweet Corn
Watercress and Cucumber Salad
Paprika Roquefort Dressing
Bread and Butter
Sliced Peaches
Beverage

(Clip this for future use. It may conveniently be pasted on a recipe file card.)

Cheese Sandwich

For each sandwich, spread two slices of bread with butter and then prepared mustard. Top one of the bread slices with a slice of American cheese. Spread a tablespoon of drained crushed pineapple on cheese slice. Cover pineapple with another slice of cheese and the second slice of bread. Spread outside of sandwich with butter. Brown in a skillet or on a sandwich grill. Garnish with broiled pineapple slices and bacon curls.

For A Pretty Garnish

Want a pretty garnish for a molded salad? Soften a three-ounce package of cream cheese and beat it with a quarter cup of mayonnaise until smooth. Spoon the cream-cheese mixture into a decorating tube and use for outlining any desired design. The garnish will taste good with either a fruit or vegetable gelatin salad.

Hot Rodders' Clubs Can Teach Safety

AP Wirephotos

If your teen-ager takes out his youthful exuberance on the family car, here are some tested methods to get him and his friends to take it easy and slow down, as tried out in various sections of the country.

Hot rodders show off safely in a teen-age rodeo, sponsored in many communities by the Junior Chamber of Commerce. This is a series of tests in driver skills.

The "take it easy" race teaches drivers economy as the youngsters try to see how many miles they can get on a gallon.

Racing against par features an obstacle course. First a police officer rides over the course obeying all traffic rules. Then contestants do the same. Object of this race is to get youngsters to obey the rules instinctively.

The "drag strip," which started in California, is straight line track devised with the hot rodder in mind. If the teen-agers want to see how fast they can go—this is the place to do it, where it is super-

vised and free from pedestrians and other cars.

Hot rod clubs have sprung up all over the country to teach members to abide by safety rules.

Another way to cut down on the 2,350,000 yearly accidents in which persons under 20 are involved is to teach them the right way to drive while they are still in high school. The American Automobile Assn. reports that more than 200,000 high school students took behind-the-wheel training courses last year and an additional 200,000 had only classroom instruction. One-fourth of the nation's secondary schools participated.

Cost per student for the full course is only \$20—less than the cost of repairing one crumpled fender.

Mrs. Lee To Open Art Studio Soon

Mrs. Myrtle Lee, local artist and instructor, will begin classes in oil, water color and pastel painting on Sept. 7 at 303 Park Street.

Adult students will receive instruction in the use of copal concentrate and cobalt seccative linoleums, which are techniques used by the old masters. These give glossy finishes and preserve the canvasses for longer periods of time. Younger pupils will be given training in sketching, composition and painting.

Classes will be held in three periods, morning, afternoon and early evening, with former pupils given preference in making their schedules.

Mrs. Wilson Wins At Canasta Club Meet

Mrs. Vinna Lee Wilson was high score winner at the meeting of the 1954 Canasta Club Wednesday in the home of Mrs. Mossie Herring. Second high was won by Mrs. Evelyn Roger. Mrs. Della Herring was honored with gifts for her birthday.

Hostess for the next meeting, Sept. 8, will be Mrs. Della Herring.

Mrs. Milton Walker and children of San Antonio are visiting her parents, Mr. and Mrs. J. H. Gray, 512 Aylford.

Procedure Course Held For P-TA

Teaching a P-TA procedure course Tuesday in the home of Mrs. Alton Underwood, city P-TA Council president, was Mrs. W. N. Norrad, district president.

It was announced that Mrs. DeGraese, state parliamentarian, would be here all day Sept. 28 to hold a parliamentary procedure course. All women are invited to take part.

Attending the procedure course Tuesday were Mrs. O. B. Beeson of Coshoma; Mrs. W. S. Goodlett and Mrs. B. S. Hubbard Jr. of College Heights; Mrs. A. McVary, Mrs. Evelyn Biggs, Mrs. Gladys Clinton, Mrs. Dorothy Karp and Mrs. L. A. Newman, Airport.

Mrs. D. R. Gartman, Mrs. E. W. Stroup, Mrs. E. D. Campbell and Mrs. Edwood Carline, East Ward; Mrs. Bill Dawes and Mrs. P. W. Malone, Park Hill; Mrs. Ray C. Sloan, Mrs. Andy Jones and Mrs. W. H. Bain, Central Ward; Mrs. Rino Phillips and Mrs. Woodrow Dowling, Washington Place.

Autumn Stole

By CAROL CURTIS
High in fashion rating is this stunning velvet chenille and silk ribbon stole in cocoa and black, or in red and navy; in powder blue and navy; in ocre and brown. Easy to crochet, too!

Send 25 cents for PATTERN No. 328, YOUR NAME, ADDRESS, PATTERN NUMBER to CAROL CURTIS, Big Spring Herald, Box 220, Madison Square Station, New York 10, N. Y.
The NEEDLEWORK GUIDE, 28 pages, 120 designs for knitting, crochet, embroidery, hairpin lace, dozens of beautiful color transfers. Order as you do needlework patterns. Only 25 cents.

American Legion Has Bingo Party

COAHOMA — The American Legion sponsored a bingo party here Monday evening in the local hall and proceeds of the affair will be donated to the polo fund.

Mr. and Mrs. John Flache and daughters of Lamasa visited in the home of Mrs. and Mrs. Smith Cochran Monday evening.

Mr. and Mrs. F. L. Able and family are moving to Seminole to make their home.

Mr. and Mrs. Shelby Peltan and Jeanne Smith have returned home after spending the last several days visiting in Oklahoma City, Okla., with their aunt Mrs. Roy Driskell. Chester Colman is confined to the hospital after undergoing major surgery this week.

Newcomers Bridge

Mrs. E. G. Faust was high scorer when the Newcomers Bridge Club met Wednesday at Smith's Tea Room. Second went to Mrs. R. V. Lipscomb and the traveling prize was given to Mrs. John Coffey. Hostesses were Mrs. Max E. Lewis and Mrs. Faust.

Tito Registers 13th Win As Broncs Fell Odessa

Zapp Collects 27th Home Run

Pepper Martin's Big Spring Broncs won their eighth decision in nine home starts against Odessa by getting the Oilers, 13-3, here Wednesday night.

The Steeds put the decision out of reach early. They banked nine runs in the first three innings.

The Arenchiba, who still has a penchant to throw the home run ball, achieved his 13th home run of the campaign despite the fact that he had a cut finger. Arenchiba went through the seventh inning, then checked the duties to Jeff Davis.

Davis had some trouble finding the plate and was in jams both the frames he worked but came through with flying colors.

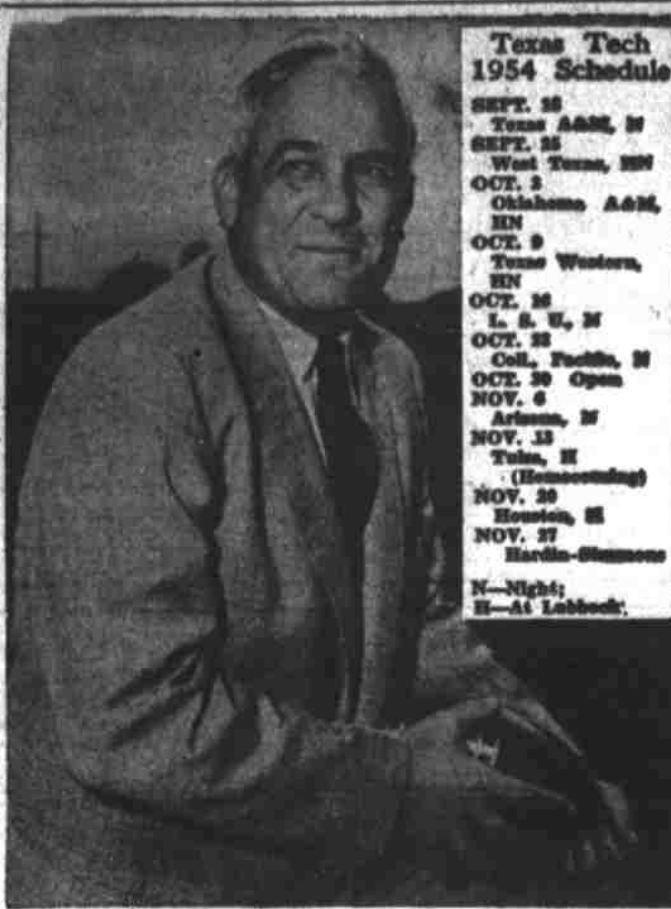

Bob Bauer twice rapped Arenchiba's offerings for home runs but each came with the sacks empty.

Jim Zapp clubbed his 27th round tripper of the year for Big Spring, the drive occurring in the third with Bob Martin aboard. Zapp has hit nine home runs in his last nine home games.

Odessa's defenses cracked up, the visitors having committed eight errors. Half of the bobbles were charged to Ray Mink, a pitcher-outfielder by trade but who played shortstop last night. Mink could never seem to find the handle on the ball.

In all, the Cayuses boxed Mike Sotelo and Wayne Batson around for 13 hits, including three by Zapp and two doubles by Huck Doe.

Sotelo has been very effective against all clubs save Big Spring. Three of his eight losses have occurred in the local park. Mike departed in the fifth inning and Manager Batson, electing to save his hurling corps, took the rubber himself.

Ready For New Campaign

Coach DeWitt Weaver sends his Texas Tech Red Raiders against a rugged schedule that will make it difficult for them to repeat last season's accomplishments. Tech loses seven starters from the team that won the Border Conference title, led the nation in scoring, and beat Auburn, 25-13, in the Gator Bowl.

Bob Lemon Near 20-Game Circle

By BEN PHLEGAR

Bob Lemon, who moved from obscurity in the outfield to stardom on the mound, needs only one more victory to complete his sixth season of 20 or more triumphs.

Only one other active pitcher—Lemon's Cleveland teammate Bobby Feller — has enjoyed such success.

It took the 32-year-old right-hander eight seasons of professional ball to decide to concentrate on pitching. But once he put his mind to it in 1946, he became a 20-game winner immediately.

Only a slump in 1951, when he posted a 17-14 record, mars his record.

Percentage-wise, 1954 could be Lemon's best year. He won his 19th game last night, 4-3, over Philadelphia in 10 innings, and he has lost only five. The last 10 triumphs have come in succession.

Always a workhorse, Lemon has lost at least 10 every year. Last season he finished with a 21-15 mark. He's the first hurler in either league to reach 19 this year.

The Indians had to struggle for their success last night, coming from two runs behind to tie the score at 3-3 in the eighth, then winning on a walk and Hal Naragon's triple in the 10th.

Third-place New York and second-place Chicago also won, leaving Cleveland 4½ in front of the Yankees and 8½ ahead of the White Sox.

The Yankees defeated Baltimore, 5-1, and Chicago beat Washington, 7-2. Brooklyn whipped Detroit, 5-3. Brooklyn and Milwaukee gained half a game each in the National League when rain washed out New York's scheduled game in Chicago.

The Dodgers thumped Cincinnati, 13-2. Milwaukee shaded Philadelphia, 4-3. St. Louis took over fourth place with a 13-0 runaway over Pittsburgh.

Eddie Lopat checked the Orioles on three hits, including a home run by Bobby Young for his 11th victory. His Yankee support included homers by Yogi Berra, Hank Bauer and Irv Noren.

The White Sox jumped on the Senators for seven runs in the first two innings. Lefty Billy Pierce struck out 10 in one of his best performances of an injury-riddled season.

Boston put together three doubles, including one by Ted Williams, a walk, an infield single and a sacrifice fly for five runs in the fifth inning in shaving the Tigers' fourth-place margin to one percentage point.

The Dodgers, who hit four home runs Tuesday night in Cincinnati, smashed five in last night's rout of the Redlegs. Al Walker, the Dodgers' second-string catcher, hit a pair. Gil Hodges hit two and Carl Furillo one in support of Billy Loes' three-hitter.

The Dodgers now trail New York by 3½ games with an off day today while the Giants play a doubleheader in Chicago.

Milwaukee, seven games behind, used five hits and two Philadelphia errors to shade Curt Simmons and the Phillies. Lew Burdette gave up 10 hits in eight innings but registered his 12th victory.

Stan Musial replaced Duke Snider as the National League batting leader with an average of .347. He collected a double and two singles in five times at bat against the last-place Pirates while Snider went hitless in six times up at Cincinnati.

The Cardinals got 16 hits all told and rookie Gordon Jones won his second major league game with a five-hitter. It was his first shutout.

4A And 3A Clubs To Open Fall Workouts On Friday

By The Associated Press

Texas schoolboy football opens fall Friday as the two remaining classes—AAAA and AAA—start fall training.

The other four classes—AA, A, B and six-man—began the campaign Monday. There are 719 of those schools.

Class AAAA, the top division, has 53 teams this year but two of them—Laredo and San Antonio Tech—do not compete for championships. Class AAA has 58 schools with Henderson and Lander (San Antonio) not competing for titles.

Ahlens and Port Neches are on the spot as the two classes start practice. Ahlens has been rated No. 1 in Class AAA and Port Neches, defending champion of Class AAA, is a heavy favorite to repeat.

But it's a long and lusty fight and there are plenty of powerhouse outfits in the two divisions.

Ahlens, Bowie (El Paso), North Side (Fort Worth), North Dallas, Waco, Ray (Corpus Christi), Stephenville, Austin (Houston) and Baytown are considered the leading contenders for district championships.

In Class AAA, district favorites

Yankees Near Title Clinch

The Yankees neared another City Little League baseball championship by belting the Couden Owls, 5-4, in a playoff game here Wednesday night.

Buddy Newell, a surprise mound choice, went all the way on the hill for the Yanks.

D. R. Gartinman's National League title can wrap up the 1954 title by defeating the American Legion in an 8 o'clock engagement at Little League Park this evening.

A win by the Legion, however, would force the two clubs into a third game, which would be played Friday night.

Jay LeFevre will probably hurl for the pennant. The evening will be the Legion's only contest with Ronnie Carlson or Mike Zubiate.

In the previous meeting, the Yanks nipped out the Legionnaires, 13-12.

Players Selected

FORT WORTH (6)—Frank Kellert, key man in San Antonio's fight for the pennant, and John Andre, ace pitcher of the Shreveport Sports, who's major league bound, are the Texas League's outstanding performers of the year.

Oilers In Debut

WICHITA, Kan. (AP)—The Sinton, Tex., Oilers, winners of the 1951 national non-pro baseball tournament, make their opening bid for this year's title tonight.

Wally Moon, Aggie Ex, Is Hopeful Of Fast Finish

By JIM VAN VALKENBURG

ST. LOUIS (AP)—Wally Moon, the rookie from Texas picked to replace popular St. Louis Cardinal outfielder Enos Slaughter, stands a chance to lead the major leagues this year in total hits.

Moon set a pre-season goal of 200 hits—and he said today he thinks he'll make it.

Not many rookies do that. And Moon had the extra pressure of pleasing the fans, many of them lured at Slaughter's trade to the New York Yankees on the eve of opening day.

Moon got two hits last night to bring his total to 170 in the race with Cardinal Red Schoendienst and Nelson Fox of the Chicago White Sox, each with 168.

"The base-hit lead would be great, but my main concern is just getting those 200 hits," he said.

The 24-year-old Texas A&M graduate admits the goal is a lofty one—something like a rookie pitcher setting a standard of 20 victories.

Only seven players in major league history reached the 200-hit mark in their first trip to the majors.

"But what use is a goal if it isn't high?" asked the wiry, strong-armed rookie whose speed, base stealing and fielding also has impressed the experts.

Moon hasn't given up hope for the National League batting title, but admits it would take "quite a hot streak" to get him on top.

Wrong Way Turn Is Corrected By Judges

By MILT MARMOR

BERN, Switzerland (AP)—Five judges pondered, debated, and then came up early today with a solution for the European Games' "wrong way" marathon that even Solomon might have envied.

So the track and field games entered their second day with an unprecedented squabble and a decision that will take its place in athletic annals.

Last night Ivan Filin, a Russian coal miner, came into the Newfield Stadium with a comfortable lead in the marathon. But he turned left when he should have gone right.

The Russians protested bitterly that he had been misdirected and that the officials' error had cost the 28-year-old runner victory in his first international marathon.

During utter confusion and in semidarkness, Veikko Karovonen of Finland rushed into the stadium circled one lap of the 400-meter track and finished first. Another Russian, Boris Grischaez, also slipped home for second place. Meantime, Filin had been told of the error of his ways, and returned and made the right turn and finished third.

For more than four hours, the jury of these fifth European Track and Field Championships — two Frenchmen, a Swede, a Briton and a Russian—argued the matter.

The judges finally conceded Filin would have triumphed had he not made the wrong turn. Then they unanimously decided that the order of finish would remain the same but that Filin would receive a gold medal identical with that of the winner. The inscription of Filin's medal would not mention his third place, only his time of 2 hours 25 minutes 26.6 seconds. Karovonen was timed in 2:24:51.6 and Grischaez in 2:24:55.6.

The marathon fiasco stole the glory from the extraordinary Zatopek family. Emil, the incredible Czech, who he pleased in the 10,000-meter race. His time of 28:58 was second only to his world record of 28:54.2.

At the same time his wife Dana beat out a trio of favored Russians in the javelin with a heave of 52.91 meters (173 feet 7.11 inches).

Moses Ward Seeks Willie Troy Bout

NEW YORK (AP)—Back in the limelight again with three straight victories, hard-hitting Moses Ward of Detroit is after a return bout with Willie Troy now.

Ward, 22-year-old auto worker, handed Tuzo (Kid) Portuguese of Costa Rica a sound drubbing last night in a television 10-rounder in Madison Square Garden. He won on a technical knockout in 1:23 of the fifth round.

In the process, however, he suffered a cut over his right eye that required three stitches and just about canceled out a proposed match with Joey Giardello, top-ranking middleweight contender, in Philadelphia Sept. 24.

AT DETROIT

Don Cherry Still In Amateur Meet

By HUGH FULLERTON JR.

DETROIT (AP)—The field in the 54th National Amateur Golf Championship was divided between a few "haves" and a lot of "have nots" — speaking in terms of national reputations — as the last 16 survivors set out on another double round of 18-hole matches.

And standing out head and shoulders above the rest was Frank Stranahan, who must be numbered among the "haves" in any way of reckoning. The muscular 32-year-old Toledo sparkplug has won national championships in three countries, including the coveted British Amateur twice. And he's dead set on winning the American title — the only important one that has escaped him.

The 16 players left of an original field included, along with Stranahan, Dale Morey, Don Cherry, Bill Campbell, Bob Sweeney, Ed Master and Arnold Palmer, all players with more than a little fame in amateur circles.

There was no assurance at all that these seven would survive today's fifth and sixth rounds. The lineup was such that almost any one could go the way of Billy Joe Patton, the fast-talking, wild-shooting North Carolina gallery idol; internationalist Harvie Ward and

Ace Dies In Jet's Crash

EDWARDS AIR FORCE BASE, Calif. (AP)—Death on a routine test flight of Capt. Joseph McConnell Jr., the nation's leading jet ace, was reported today by the 23-year-old pilot, credited with downing 18 MiGs in Korea, was killed yesterday when his F-100 Sabre jet crashed on the Mojave Desert, 13 miles northeast of Rogers Lake.

His body was found beside his ejection seat, half a mile from the shattered plane. Nearby was his unopened parachute. An Air Force spokesman said apparently he had ejected himself from the plane at low altitude.

During the flight McConnell had radioed that he had lost control of the plane partially, but thought he could make a landing on the dry lake bed. Soon thereafter he reported he had lost the cockpit canopy. He was advised to bail out. Edwards base officers said he probably stayed with the plane too long.

McConnell, who said his premonition of a crash came from being the father of three young children and not from his flying, served as a bomber navigator during World War II and later took flight training.

After the fighting broke out in Korea he repeatedly requested combat duty despite being told he was too old. His request finally was granted and he became an ace in just 30 days last year.

After downing his eighth MiG, his Sabre was hit by cannon fire at 40,000 feet near the Manchurian border. He bailed out over the Yellow Sea and a rescue helicopter pulled him from the frigid water.

After his 16th kill, the Air Force grounded him and ordered him home with the comment that he was "much more valuable alive than dead."

The plane he flew yesterday was a modified version of the Sabre jet he used in Korea.

Shows Reported In Moore Area Extender; Luther Venture Finals

Shows were reported in another Moore pool extender, and at the same time a test in the Luther Southeast field had a strong flow as another completed.

Callahan No. 1 Gutter Trust Estate, a mile west of the recently completed outpost, Callahan No. 1 Creighton, had set casing and apparently was planning to test. There were unofficial reports that the venture had shown bleeding oil on core.

There were some sources which also thought that the same might be the Grayburg rather than the San Andres.

In the Luther Southeast area Texas & Pacific Coal and Oil No. 1 Simpson tested 52 barrels of oil per hour on flow but developed some salt water, possibly from above.

Meanwhile, Goldstein completed No. 1-A Lawrence for 242 barrels.

Phillips No. 1 Quartz, 1,975 from the south and 1,081 from the east lines of section 15-33-4n, T&P, was at plugged-back total depth of 7,650, preparing to sanfrac.

Hanley No. 1 J. L. Higginbotham, 600 from the north and 388 from the east lines of section 9-31-1n, T&P, drilled below 2,878 in lime. This test is 13 miles southeast of Gail.

Hanley No. 1 J. P. Russell, 1,580 from the north and 680 from the west lines of section 7-27-N&T, 14 miles southeast of Gail, penetrated to 7,604.

Phillips No. 3-A Reef completed as another producer in the Oceanic field of northern Howard. Location is 653 from the south and 680 from the west lines of the northwest quarter of section 25-33-3n, T&P.

Howard Phillips No. 3-A Reef completed as another producer in the Oceanic field of northern Howard. Location is 653 from the south and 680 from the west lines of the northwest quarter of section 25-33-3n, T&P.

was set at 3,053 and operator was drilling plug. No test had been taken. There were unofficial reports that the venture had cored and the last 30 feet of the core showed lime with bleeding oil. Some sources speculated that this was a lower formation than the San Andres, which produces in the nearby Moore pool, possibly the Grayburg. The test is a mile west of the recently completed Callahan No. 1 Creighton, which was a major extender for the Moore pool and which rated 164 barrels.

Texas & Pacific Coal and Oil No. 1 Edward Simpson, 600 from the north and 800 from the southeast quarter of section 3-33-2n, T&P, took a drillstem test in the Siluro-Devonian (Fusselman) from 9,250-60 with the tool open one and a half hours. Gas showed in five minutes and oil surfaced in 20 minutes and flowed for the remainder of the test at the estimated rate of 52 barrels per hour. Gravity of oil was 44.8, the gas-oil ratio 1,311-1. Final recovery was 8,000 feet of oil and 270 feet of salt water. Operator thinks the water may be coming from above the pay section.

Flowing pressure ranged from 7,000 to 8,000 pounds and the 30-minute shutin pressure was at 4,050. Operator was deepening.

Goldston No. 1-A C. B. Lawrence, 842 from the north and 860 from the west lines of the southwest quarter of section 14-32-2n, T&P, was completed for 241.64 barrels of oil in 24 hours of flowing through 3-16 chokes. The oil was 54.2 gravity and there was no water from the zone, the Siluro-Devonian. Total depth is 9,995, the 54-inch casing set at this depth. Top of pay is 9,890 and the casing was perforated from 9,876-88. Gas-oil ratio was 1,150-1, tubing pressure 1,110 pounds. The section was acidized with 1,000 gallons.

Texas & Pacific No. 1 Ruby Graham, CSE SE, 15-32-2n, T&P, drilled past 2,581 in anhydrite. This venture is also in the Luther Southeast field.

Warren No. 2 Eden, 1,320 from the south and 330 from the east lines of the northeast quarter of section 28-33-3n, T&P, drilled to 4,546 in shale.

Two accidents, apparently without injury, were investigated by city police Wednesday.

A collision at 4 p.m. involved George Marvin Becker of Big Spring, who was driving an automobile, and William Riley Witt, 507 Lancaster, driver of a truck. The accident occurred at Tenth and Gregg.

A collision at Third and Gregg involved vehicles being operated by Billie Sneed, 703 Golland, and Drenon Anderson of Big Spring, police said. The accident was reported at 11:13 p.m.

The theft or loss of a red fender skirt from a 1950 Oldsmobile owned by Roy Tidwell, 1510 Main, was reported to city police at 5:50 p.m. yesterday. A short man wearing grey pants is reported to have stolen clothing from a variety store yesterday afternoon. Report was filed at 5:07 p.m.

Yarborough, who was born at nearby Chandler in Henderson County, said he was "proud to come back."

NO FREE VODKA FOR JOHN BULL

LONDON (AP)—The British government has thwarted a Russian plan to hand out free vodka to friendly Britons.

A Russian trade delegation brought the vodka here to help put a kick into next month's British Food Fair. Recently keen to win friends and influence the British, the Soviets have rented the biggest stand at the show.

The British Board of Trade, however, has granted only a temporary import license for the vodka. That means it can enter Britain but can't enter Britons.

"Unless your officials change their minds, the vodka will have to be shipped back once the fair is over," a spokesman of the delegation said.

650 Pre-Register At Jr. High School

More than 650 junior high pupils had been pre-registered at noon Thursday.

Principal Truett Johnson said that there had been 240 ninth graders and 238 eighth graders who had picked up schedules. During Thursday morning 177 seventh graders registered, and about that many more were anticipated during the afternoon.

So far there have been 23 new pupils in the ninth grade, 21 in the eighth and 23 in the seventh. Johnson said that 77 ninth graders and 52 eighth graders so far had not been by to pick up schedules. He urged them and all other pupils and parents to enter junior high here this year to call his office Friday or Monday.

Two Crashes Are Reported In City

Two accidents, apparently without injury, were investigated by city police Wednesday.

A collision at 4 p.m. involved George Marvin Becker of Big Spring, who was driving an automobile, and William Riley Witt, 507 Lancaster, driver of a truck. The accident occurred at Tenth and Gregg.

A collision at Third and Gregg involved vehicles being operated by Billie Sneed, 703 Golland, and Drenon Anderson of Big Spring, police said. The accident was reported at 11:13 p.m.

Fire Does Damage To Trailer House

A trailer house fire at 307 W. 3rd resulted in approximately 25 per cent damage to the trailer and its contents. The fire, which occurred at 12:30 p.m. Wednesday, is believed to have been started while welding was being done on the exterior of the trailer. It is owned by Mrs. Martha Stovber.

A short in air conditioning wiring is believed to have been the cause of a fire at 1:15 p.m. Thursday. Slight ceiling damage was the only damage. The house is owned by Bob Chambers of 309 Owens.

BRAZIL

(Continued From Page 1) town hall of his native Sao Paulo in southern Brazil prior to burial today. The Roman Catholic Church banned religious funeral rites because he took his own life but thousands of devoted Brazilians said prayers for the veteran leader's soul.

Vargas' Labor party, announced in the Senate last night that it was throwing its support behind Cafe. The new President made a personal visit to the Senate chamber, where he told Sen. Costa Paranhos planned to attack the new government for jailing 31 union leaders. The group was arrested Tuesday as a security measure.

Cafe asked Paranhos not to make the speech and said he was ordering the immediate release of the unionists.

Cafe was exiled to Argentina for opposing Vargas' 1937 coup in which the President assumed dictatorial powers. He returned to Brazil in 1938 and after being reconciled with Vargas was elected vice president on the same ticket in 1951.

Twelve Teen-Agers Held In Melon Raid

Twelve Big Spring teen-agers probably have no appetite for watermelon today.

They were apprehended in a watermelon patch last night and were to appear in Juvenile Court at 2:30 p.m. today.

John Sherrod, who resides about four miles northeast of Big Spring, reported to sheriff's officers that he caught the boys in his watermelon field last night. He held them at the Watson Service Station on the Snyder Highway until officers were summoned.

Juvenile Officer A. E. Long said no watermelons were stolen but considerable damage had been caused to the field. Sherrod told officers he will file complaints against the youths unless he is paid for the damage.

ABC Stag Party Set

Speaking In Behalf Of

Allan SHIVERS FRIDAY August 27 6:15 A.M.

KBST 1490 Kc STATEWIDE BROADCAST (Paid Pub. Adv.)

Bail Set At \$1,000 On Forgery Charge

Bail was set at \$1,000 in Justice Court this morning for Mrs. Katherine Nelson, who waived examining trial on charges of forgery.

Complaint against Mrs. Nelson was signed by A. W. Cato in connection with a check for \$17.96. No money was named on the check and the instrument was not endorsed. In the place for the signature, the check bore the name of Mrs. Jack Wilson.

\$75 Fine Assessed On DWI Charges

Fine of \$75 and costs of court were assessed against George Stallings, of Breckenridge, in County Court Wednesday. He pleaded guilty to charges of driving while intoxicated.

Charges of theft were filed in County Court against Mrs. James Bailey. Charged in Justice Court with child desertion was J. B. Steadman.

Man Fined In Theft Of Drive-In Car Tray

A 21-year-old Big Spring man was fined \$50 in Corporation Court Thursday on charges of theft.

He was arrested at a local tavern early Thursday morning after a waitress at Donald's Drive In Cafe, 2406 Gregg, had reported the theft of a car tray.

A \$15 bond was forfeited by a man arrested Wednesday night and charged with drunkenness. He failed to appear for a hearing Thursday morning.

Twenty-One Taken Off Airplane Sick

ANCHORAGE, Alaska (AP)—Twenty-one persons, including 19 exchange students from the Orient, were taken suddenly ill on a flight from Manila and were removed from a Northwest Orient Airlines plane here last night.

The airline said the plane departed for Seattle with remaining passengers but returned here because some crewmen became ill.

A Providence Hospital attendant said preliminary diagnosis indicated food poisoning.

Doctors said the most seriously ill were the plane's captain, Bill Richmond; the pilot, Bill Ashland, Seattle; and one of the students, but their condition was not critical.

C. A. Schule, Northwest station manager, said the plane's 50 passengers were mostly exchange students who had Fulbright scholarships for study and research in the United States. They included Japanese and Filipinos.

Female Bandit Is Object Of Search

ARLINGTON, Tex. (AP)—Police searched today for a fat brunette bandit, described as "rough and dirty," who last night shot an Arlington woman and robbed her of about \$50.

Mrs. Roland A. Turck, 59, was sitting in her bedroom watching a television program, she said, when the lone woman entered her home and started shooting.

Mrs. Turck, wife of a retired Arlington businessman and civic leader, was struck four times by a hail of bullets fired by the jea-jealed woman. She was described as a serious but not critical condition late last night.

Livestock Market Continues Steady

The market remained steady at the Big Spring Livestock Auction Company's sale Wednesday, at which time an estimated 600 cattle and 25 hogs went through the ring.

Bulls sold up to 12.50, fat cows from 10.00 to 12.00, butcher cows from 7.50 to 9.00, fat butcher calves and yearlings from 18.50 to 20.00 and hogs up to 23.50.

Not enough stocker steer heifers were on hand to test the market.

SHIVERS

(Continued From Page 1) short non-political address at the fair grounds.

Tonight it was another campaign speech at the ball park at Henderson, where free barbecue was to be served.

The governor will be in Houston all day tomorrow before going to his farm home at Woodville in Southeast Texas to stay during Saturday's voting.

A caravan of 40 cars met Shivers yesterday on the outskirts of Temple to escort him to the municipal building where a Jeffers estimated by Sheriff Ralph Crawford at 800 persons gathered.

Yarborough Says Dallas News Has Distorted Facts

DALLAS (AP)—A full-page "open letter" advertisement signed by Ralph W. Yarborough appeared in this morning's Dallas Morning News, charging that the News has "misrepresented and concealed numerous facts" of the campaign for the Democratic nomination for governor.

Addressed to E. M. Dealey, president of the News, the advertisement said the News had "editorialized against me with ridicule, distortion of utterances, twisting of motive and with viciousness that could possibly flow from your pen and with methods that are unfair, un-American and violate every rule of fair play among Texans."

Therefore, it continued, the advertisement was being purchased at a cost of \$1,128.00, "to acquaint the readers of the Dallas News with some of the pertinent facts they ought to know."

The newspaper countered with a half-page display appearing opposite the advertisement, showing headlines and portions of news stories it had published on Yarborough's campaign.

Editorial comment elsewhere in the paper quoted the head of its Austin Bureau as saying Yarborough told him he could ask no fairer treatment in the news columns than he had received from the Dallas News.

Dukes Don't Like It In Cellar

By The Associated Press

The Albuquerque Dukes don't like it down there on the bottom of the West Texas-New Mexico League. Last night the defending champs racked up their third consecutive win, the second in two nights over the League-leading Clovis Pioneers. It was a narrow, squeak, though, the Dukes just edging by, 6-5.

Second-place Pampa claimed another victory, meanwhile, 4-3 over Lubbock, and in the other tilt last night, Plainview beat Abilene, 5-6.

Yarborough

(Continued From Page 1) "He has destroyed the integrity of the job for which he was elected."

Yarborough, who was born at nearby Chandler in Henderson County, said he was "proud to come back."

"This is sacred soil to me," he said.

He said that Governor Shivers had refused to debate with him at Tyler because his opponents "don't want the failure of the Republican drought relief to be debated in public."

A passing train interrupted Yarborough's address and he remarked that "I learned as a boy at Chandler you can't compete with the Cotton Belt railroad." He added: "The voters are going to roll over Allan Shivers like that Cotton Belt train."

Yarborough said, "I'm for separate schools for white and colored children. But colored children should have just as good facilities as the whites." Yarborough called the governor's statements regarding segregation in the schools as the "most inflammatory and most discrediting to a state governor that Texas has ever seen." He also said that "never before has race been arrayed against race" as in the present campaign.

The candidate also reiterated that as governor he would "veto any general sales tax or any general income tax" bill.

Here are some of the other statements Yarborough made: "Of course, I'm against socialized medicine. . . Goelbers could have written what some of these papers are writing about me. They say everyone voting for me is a Communist, pink or a fellow traveler. . . Allan Shivers changed his birthplace from Lufkin to Fort Arthur between the First and Second Primary. . . Unless we keep our farm economy strong we've cut the ground out from under all our economy. . . I'm just an old East Texas farm boy who is not afraid of hard work. . . You ought to have a governor who knows how to earn his living by the sweat of his brow. . . The racketeers in Galveston County are voting for Shivers 100 per cent. . . Every county that borders on the Rio Grande west for my opponent. . . The boomism is on the other side. . . Shivers has appointed one third of the members of state boards and by September of next year he will have appointed every member of every board in the state if he is elected. . . At the conclusion of the address, campaign workers who called themselves the "bucket brigade" passed out tin buckets through the audience for contributions to Yarborough's campaign.

THE WEATHER

Table with weather forecasts for various locations including Big Spring, Texas, and surrounding areas.
