

Riding The GRUB LINE With Franklin Reynolds

At the 4-H and FFA pig show Thursday a visitor was overheard asking an oldtimer:
"Do they raise many pigs around here?"
And then the answer:
"No ma'am. Mainly these West Texas farmers raise cotton and bell."
West Texas has the best climate in the world for raising hogs and it has been well proven that West Texas is quite capable of growing the feed for large-scale swine production.
County agents and vocational agriculture instructors don't find it easy to locate enough pigs suitable for club and chapter feeding without traveling many miles.
In the hard-winter states like Illinois, Indiana, Ohio, Iowa and others where expensive housing and care is required, many farmers have grown rich producing pork and breeding swine the hard way. West Texas would have every advantage over them and there's always a market for pigs and pork.
Maybe, growing out of these 4-H and FFA pig projects, there'll be a new generation of agricultural thought as well as of farmers. Hogs have long been known as the "mortgage lifters."

FFA Gets A Pickup

The members of the Big Spring High School Chapter of the Future Farmers of America are mighty happy with the new Chevrolet pickup which has been furnished the High School's agricultural department by the Tidwell Chevrolet Co. Left to right those present to receive the truck were Trustee Vines, vocational agriculture teacher; Melvin Daniels, vice president of the chapter; R. E. Baumhardt, vocational agriculture teacher, and Leroy Tidwell, Big Spring Chevrolet dealer, who presented the vehicle. Jim Damon, chapter president, is now a student at Texas A&M College.

Cotton in the Vincent Community appears to be averaging better production than in many sections. The folks up around Key are being made happy with the noise and smoke from their gin. This is the first year in several years that their prospects have been as good. The gin, which has been in operation about three weeks, has been turning out from 65 to 80 bales a day.

Up until late Wednesday afternoon Howard County gins had turned out 3,488 bales. The government estimate on Howard County production still stands at 22,000 bales but there is a chance that this estimate will shortly be raised to 25,000 bales. Many fields are producing more cotton than was first estimated.

Byron Frierson, former Sterling County agricultural agent, who is now in charge of the farms of the State Prison System, says that this year he is going to harvest 1,149 bales from each of the 9,135 acres of prison farm land planted to cotton.
Last year Frierson averaged .84 bale to the acre on this land. Incidentally, Byron has learned to wear shoes. He says he has also learned that boots aren't suitable for traveling across plowed ground.

He says that on the basis of what he hears from the "Up On The Plains" section of Borden County the farm crops seem to be pretty good. The government estimate on Borden's 1954 crop is 8,000 bales of cotton.
Visitors at Dorward's Drug Store, while we were there included Lee A. Pierce, Paul Logsdon, Earl Sealey and Sam Keen.
Mr. Jim York is still trying to put more beef on that five-year-old crossbred Brahma-Hereford steer and now has him somewhere near the 2,500-pound mark. That's a lot of potential barbecue.

TEN MONTHS OLD

Long Pittsburgh Store Strike Is Very Bitter

By WILLIAM A. SWARTHWORTH
PITTSBURGH (AP)—A 10-month strike of 12 AFL unions against Pittsburgh's five largest department stores stands as one of the most violent in this steel city's history.
Vandalism and picket line disturbances have marked the strike since it began last Nov. 27. Violence has increased in recent months and police fear new outbreaks may come anytime.
Officers patrol sidewalks in front of the stores on a 24-hour basis, seven days a week. Squad cars patrol the streets at night. There is an air of tension at the stores.
On at least three occasions quick police intervention prevented picket lines scuffling from developing into full-scale riots.
Damage includes 29 display windows shattered and many damaged by glass cutters with the loss estimated at about \$40,000. Three truckloads of furniture have been set afire. There have been numerous paint bombings of buildings and private homes.
Police have arrested 166 strikers and persons described as "sympathizers" on charges ranging from disorderly conduct and assault with intent to kill to felonious burning and inciting to riot.
Sixty-one of the 166 were fined; 31 were discharged; 1 was turned over to juvenile court and 13 were held for grand jury action. Eleven of the 13 have been indicted and await trial.
According to police, most of those arrested are members of striking AFL General Teamsters Local 249 and AFL General Warehousemen Local 636. The two unions have supplied a majority of the pickets.
Five store employees working as messengers also have been indicted on charges of riot and inciting to riot as the result of a fracas with pickets.
Stores struck are Gimbel's, Kaufmann's, Horne's, Rosenbaum's and Frank & Seder.
The teamsters local, which had about 500 members employed at the stores, touched off the strike after negotiations deadlocked on two contract issues. They are:
1. Whether the union or the stores should have the right to designate when parcel post is to be used for making deliveries in certain areas.
2. Whether the union or the stores should have the right to determine when helpers are needed on package trucks.
Shortly after the drivers walked

out, members of 11 other smaller AFL unions struck in contract stalemates on an array of issues including wages and working conditions. Neither specific demands or pay scales have been disclosed.
Altogether, nearly 5,000 store employees left their jobs. About half, the stores report, subsequently returned to work even though their unions still were striking. Some 7,000 employees, many of them members of four CIO clerical unions, never left their jobs.
Store officials have declined to reveal figures on sales volume since the strike started. Most estimates put the over-all drop in business at between 25 and 40 percent.
With regular truck deliveries shut off, the stores turned to parcel post and also are having goods shipped directly from manufacturers to customers.

Bill Tindol, member of the Coahoma FFA Chapter, has a Hereford from the Donald Lay herd that he will show in the commercial division at the Texas State Fair.
Tindol will also show two Fine Wool lambs at the Fair. Other Coahoma FFA members taking stock to the big show will be Arlon DeVaney, one Crossbred lamb, and Ted Thomas, one South-down-crossbred lamb.
The boys will be accompanied by Wayne White, their vocational agriculture instructor.
Mr. David Dorward, pioneer Borden County cowboy and Gail druggist, has been back at his store for several weeks now since recovering from the automobile accident in which he was injured

State Solon Sues El Paso Newspaper

AUSTIN (AP)—A suit by Rep. Stanley Caulfield of El Paso against the El Paso Times, various city and state officials and individuals and members of the Times staff has been filed in 126th District Court asking \$156,250 in damages.
The suit claimed the newspaper and individuals entered into an agreement to oppose and repeal an investigation ordered last year by the State House of Representatives into alleged corruption and gambling involving several El Paso officials.
The investigation came after a woman convict, Mrs. Pearl Johnston, told Caulfield she acted as a courier for gambling payoffs and was forced into prostitution by El Paso officials.

Desegregation Fears Are Held Unfounded

By WILLIAM N. OATIS
UNITED NATIONS, N.Y. (AP)—Social scientists pooh-pooh the notion that mixing Negroes and whites in American schools will cause rioting and bloodshed, a UNESCO publication said today.
"Apparently many people believe that somebody else will start the rioting, even though they themselves are prepared to accept the new situation," said an article on the subject.
"There will of course be difficulties in the way of further desegregation, but previous experience indicates that they can be surmounted."
The article appears in the October issue of the UNESCO Courier, published monthly by the U.N. Educational, Scientific and Cultural Organization in Paris and distributed here.
The entire 36-page special issue was titled "The American Negro—Whittling Away the Color Bar." It was devoted largely to the U.S. Supreme Court's May 17 decision declaring race segregation in public schools contrary to the Constitution.
The article, "Social Science and Segregation," was written by Dr. Otto Klineberg, Columbia University psychology professor and member of UNESCO's social science department.
He said social scientists—psychologists, sociologists and anthropologists—and educators had helped the National Assn. for the Advancement of Colored People (NAACP) fight the school case through the courts.
In the lower courts, he said, many social scientists were pro-NAACP witnesses, and in the Supreme Court 32 American social scientists signed a statement presented as an appendix to the NAACP brief.
This appendix—based on a questionnaire on school segregation sent to "a large number" of American social scientists—marshaled "an imposing array of evidence" that desegregation usually occurs without violence, Klineberg said. It noted that such moves in some Southern universities and in the U.S. armed forces had gone through "without major incidents."
The statement reported that 90 per cent of the social scientists questioned felt that segregation was "psychologically detrimental" to the segregated Negro minority and 80 per cent felt it hurt the white majority also.
In Negro children, Klineberg reported, the experts felt it generated a "generally defeatist attitude," while white children developed an overconfidence from "the unrealistic conviction that they are superior" because of their race.
The statement by the social scientists concluded that fears based on the notion of inborn racial differences in intelligence "are not well founded."

Harriman Obtains Backing Of Liberal Party In New York

NEW YORK (AP)—Averell Harriman, the Democratic nominee for governor of New York, was endorsed last night by the Liberal party, the third largest political group in the state with a potential vote that could swing a close election.
As a Democratic-Liberal candidate, Harriman opposes U.S. Sen. Irving M. Ives, Republican gubernatorial nominee, in a campaign primarily pitting GOP strength upstate against Democratic and Liberal party vote-pulling power in New York City.
A Democratic spokesman estimated the Liberal party will give Harriman 200,000 votes, mostly in the New York City area. In 1952, Democrat Adlai Stevenson's 3,184,691 votes in New York State included 418,711 cast by the Liberals. President Eisenhower carried the state with 3,882,813.

Japan Mourns Death Of H-Bomb Victim

By JOHN RANDOLPH
TOKYO (AP)—Japan plunged into almost hysterical mourning today over the death last night of a 40-year-old fisherman who has become the nation's symbol of hatred and fear of atomic weapons.

Newspapers and radio broadcasts were virtually turned over to news of Aikichi Kuboyama's death. Much of the comment was anti-American, but not violently so.

A U.S.-educated Japanese newspaper editor said only the death of an Emperor could have commanded similar attention in the nation's press.

Kuboyama was one of 23 fishermen accidentally dusted by radioactive ash in U.S. H-bomb tests at Bikini March 1.

Japanese doctors said he died of jaundice resulting from radiation sickness and Japanese physicians who performed an autopsy fixed radiation sickness as the fundamental cause of death.

A U.S. Army doctor who watched the autopsy, Lt. Col. James L. Hansen, said he "could not disagree" with the preliminary findings.

He added, however, that he would want to await a complete pathological examination before making final judgment.

Some U.S. scientists have said Kuboyama's jaundice could have resulted from a hepatitis infection

Introduced through blood transfusions.

No U.S. doctors were allowed to examine carefully either Kuboyama or the other fishermen, all of whom are still under treatment here.

U.S. Ambassador John M. Allison sent his personal sympathy to Kuboyama's widow, along with a check for one million yen (about \$2,700).

"While no sum of money can compensate for your loss it is the desire of the government of the United States that something be done to make life easier for you and your children in the future," Allison wrote.

1953 Miss America Sets Wedding Plans

LANCASTER, Pa. (AP)—Evelyn Ay, who retired earlier this month as reigning "Miss America," will marry Ensign Carl Sempler Jr. here Nov. 13.

Miss Ay, who was crowned at the Atlantic City, N.J., beauty pageant a year ago, met Sempler while both were attending the University of Pennsylvania in Philadelphia.

Sempler, a football player at Penn., is the son of Mr. and Mrs. Carl G. Sempler, Montclair, N.J. He is presently stationed at Corpus Christi, Tex., in the Navy.

Woman Rescued From Coal Bin Entrapment

CRANSTON, R.I. (AP)—Doctors today reported Mrs. Annie M. Replus, 75, suffered no outward injuries although she spent eight hours wedged in the coal bin of her home.

Police said Mrs. Replus, who lives alone, stumbled and became lodged in the bin when she went to get some firewood from the cellar yesterday.

Her plight was discovered eight hours later by a neighbor who came to visit and heard the moans.

Cadet Drum And Bugle Corps

Stepping off with a lively beat are these members of the aviation cadet drum and bugle corps at Webb Air Force Base, who will appear during ceremonies between football games at Senior High School stadium next Saturday night. The games and ceremonies will climax the National Kids' Day activities being sponsored by the Kiwanis in conjunction with the U. S. Air Force. Highlights of the big day will be movies for the youngsters in the morning, a visit to Webb in the afternoon, and the evening activities at the stadium. The drum and bugle corps was organized by the cadets only recently, and they practice entirely on their own time, when schedules permit.

Eisenhower Comes Out Slugging To Delight Of Partisan Crowd

By The Associated Press
 President Eisenhower came out slugging last night for the first time in the young political campaign — and his partisan California audience loved it.

An estimated 18,000 persons gathered at the Hollywood Bowl cheered wildly as Eisenhower told them a Democratic victory in the congressional elections Nov. 2 would lead to "endless political maneuverings, stagnation and inaction."

In his speech to the Hollywood Bowl rally, Eisenhower dropped the reference which up to then had marked his campaigning.

He declared Republican defeat

Dramatic Struggle In Air Occurs As Pilot Badly Dazed

SAN BERNARDINO, Calif. (AP)—A youthful Air Force flier and a civilian yesterday engaged in a dramatic struggle in the air to wrest control of a jet bomber from the dazed and badly injured pilot.

The plane finally was landed safely.

The four-jet B45 Tornado bomber had taken off from Norton Air Force Base on a test flight. At 15,000 feet the cockpit canopy blew off, striking the pilot on the head.

The base spokesman said this followed:

The canopy cut a deep gash and left the pilot, Capt. Gerald E. Mann, 33, stunned and irrational. The co-pilot—Lt. Donald J. Rowley, 22, a recent Air Force flying school graduate making his third flight in this type of plane—tried to take over the bomber with his controls.

The pilot, with blood blinding him, fought to retain control. The bomber flew in great wavering circles as the two struggled for control.

Arden L. Hellwig, aircraft overhaul inspector also aboard, worked his way along a catwalk to the pilot's cockpit. He finally managed to tear Capt. Mann from the controls and hold him.

Rowley, a boyish lieutenant who never had landed such a heavy plane, set it down on the base field.

Mann, chief of the Norton AFB flight test inspection division, is reported in critical condition.

Fleming's Home Town Plans Support Drive

RACINE, Wis. (AP)—A movement is under way here in Lt. Col. Harry Fleming's home town to support appeal of the Army officer's conviction of collaborating with his Communist captors in Korea.

The Reserve Officers Assn., of which Fleming is a member, met last night to organize a fund campaign. Kenneth Greenquist, a past Wisconsin state commander of the American Legion, pledged full support of Legion Post 310.

Highway 81 To Be Four-Lane Artery

AUSTIN (AP)—Motorists on heavily traveled Highway 81 will soon have a four-lane road from Hillsboro, where Dallas and Fort Worth traffic converge, to a point south of San Antonio.

State Highway Engineer D. C. Greer said yesterday construction has either been finished or funds allocated for the four-lane facility from Hillsboro to Waco, to Temple and Belton, and thence to Williamson County.

Two Men Held In Repair Loan Case; Another Hunted

REFUGIO (AP)—Two men were in jail and another was sought today after the trio was charged in what was described as a home-repair swindle.

Small home owners usually were the victims, police said.

Charged with forgery and held was James McDonald, alias James Bennett. He faces six charges filed by Sheriff R. M. Harndorf.

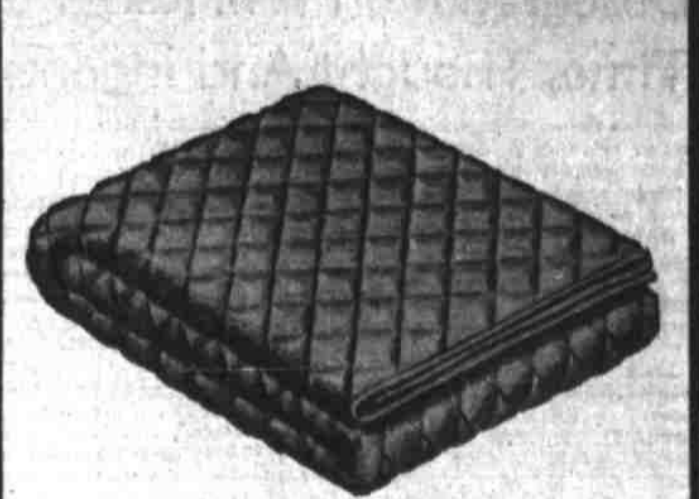

Also charged with forgery were Arthur Brox, 19, of Corpus Christi and a man identified only as D.M. Boyd. Brox was arrested in Corpus Christi, Boyd was still sought last night. He has been reported in Shreveport, officers said.

Harndorf called the operations "a wholesale swindle of small homeowners in the Refugio-Woodboro area of South Texas." Officers said homeowners were solicited to apply for FHA home repair loans and that the loan applications would be fraudulently raised to a higher amount.

Some business firms handling building materials also have fallen victim to the trio's operations, officers said. Operations were reported at Cuero, Refugio, Corpus Christi, Alice, Woodboro, Robstown, Bishop, George West, San Diego, Harlingen, McAllen, Mission, Weslaco, Edinburg, Raymondville, Lyford, Yorktown, Mathis, Sinton, Kingsville and Hebbronville.

STANTON — Mrs. Stanley Reid recently was hostess to a meeting of registered nurses of District 21. The group met in her backyard for an outdoor supper. Mrs. Bill Lively was co-hostess. Mrs. Hilsa Weathers gave several readings. Thirty nurses representing Midland, Odessa, Big Spring, Monahans and Stanton attended.

The present membership consists of 19 active members and one associate member. Anyone interested in joining the group as a hobbyist, an artist, or an associate member, is asked to contact Mrs. Patterson at 4-8356; Mrs. Franz at 4-5568, or Mrs. Conway at 4-4837. Members at the first meeting were Mrs. Don Burk, Mrs. E. L. Cochrans, Mrs. D. W. Conway, Mrs. D. L. Bohannon, Mrs. E. W. Dennis Jr., Mrs. R. E. Dollever, Mrs. Franz, Mrs. Juan Foster, Mrs. J. B. Hedleston, Mrs. C. L. Hethcoat, Mrs. Bunt Jones, Mrs. R. H. Kalsched, Mrs. R. V. Lipscomb, Mrs. D. E. McClendon, Mrs. Miller, Mrs. F. D. O'Brien, Mrs. Patterson, Mrs. W. E. Rowe, Mrs. I. C. Raley, Mrs. Ed Simpson, Associate member: Mrs. R. E. Lee.

Francis Reasonover, food specialist with the Extension Service Texas A&M College, spent a day in Stanton working with Mrs. Mildred Elland, home demonstration agent. They made plans for next year's food program in Martin County. Mrs. Clayton Burnam was hostess recently to a meeting of registered nurses of District 21. Her talk on "Peace that Comes Through the Gospel" was illustrated by Bible readings given by some of the members. Elizabeth Herring closed the devotional period with a prayer. Miss Herring then directed a chorus entitled "God Can Do Anything But Fail."

Beginning at 10 a.m. a devotion was given by Mrs. J. D. Jenkins. Her talk on "Peace that Comes Through the Gospel" was illustrated by Bible readings given by some of the members. Elizabeth Herring closed the devotional period with a prayer. Miss Herring then directed a chorus entitled "God Can Do Anything But Fail."

Following a covered-dish luncheon a consecration service was held by Mrs. John E. Kolar. Mrs. Thomas conducted a business session during which plans were made for the district missionary rally to be held here Oct. 5. Mrs. P. F. Hickson closed the day's meeting with prayer. Eleven attended.

The table was laid with a brown linen cloth. A large cake, with the class' name in pink and green was used as part of the decoration. Twelve members attended the affair, with three guests, Mrs. J. H. Johnson, and Mrs. S. L. Nedrig and Ann, both of Wichita Falls.

Friendship Class Fetes New Members

Class colors of pink and green were used in the flower arrangement at the coffee given recently by Mrs. Bob Dean and Mrs. Lester Buford for the Friendship Class of the First Baptist Church. The coffee was held in the home of Mrs. Dean, and it was in honor of the new members of the class.

The table was laid with a brown linen cloth. A large cake, with the class' name in pink and green was used as part of the decoration. Twelve members attended the affair, with three guests, Mrs. J. H. Johnson, and Mrs. S. L. Nedrig and Ann, both of Wichita Falls. Mrs. Odie Wise has been admitted to John Sealey Hospital in Galveston for an indefinite period of time. Her mailing address is 229 Ward 4-B, John Sealey Hospital, Galveston.

'Peace' Is Theme Of LMS Retreat

"Peace" was the underlying basis of the special all-day prayer retreat held Thursday by women of the LMS of First Church of God in the home of Mrs. Lee Castele.

Beginning at 10 a.m. a devotion was given by Mrs. J. D. Jenkins. Her talk on "Peace that Comes Through the Gospel" was illustrated by Bible readings given by some of the members. Elizabeth Herring closed the devotional period with a prayer. Miss Herring then directed a chorus entitled "God Can Do Anything But Fail."

Following a covered-dish luncheon a consecration service was held by Mrs. John E. Kolar. Mrs. Thomas conducted a business session during which plans were made for the district missionary rally to be held here Oct. 5. Mrs. P. F. Hickson closed the day's meeting with prayer. Eleven attended.

Mr. Tucker Mrs. Watson Are Wed

Mr. and Mrs. Kenneth Tucker are making their home in Sterling City following their marriage on Sept. 19 in the home of the Rev. Ed Welch, pastor of Phillips Memorial Baptist Church, who read the ceremony. The bride is the former Mrs. Loretta Watson. Attending the couple were Mr. and Mrs. Lewis Roesser. For the informal, single ring ceremony the bride wore a brown and white dress with brown and dusty pink accessories. Her corsage was of white carnations. Her something new was her dress and something old was a rosebud pin. For something blue and borrowed she wore a blue garter belonging to her cousin, Mrs. J. P. Ormsby. She wore the traditional penny in her shoe.

ESA Makes Rush Plans

Tentative rush plans were made by members of Alpha Chi chapter of Epsilon Sigma Alpha sorority at a meeting Thursday in the home of Mrs. Joe Williamson. Mrs. Darrell Webb was co-hostess. Rushing will take place in October and will be climaxed with a dance in November. The chapter will have a party Oct. 1 at 7:30 p.m. in the home of Mrs. A. K. Turner Jr. when the losers of the recent attendance contest will entertain the winners. It was announced that a six-weeks' supply of vitamins and a baby bed had been purchased for the group's Latin-American foster baby. Kay King, president, appointed Mrs. Charles K. Vaughn as ways and means chairman to replace Mrs. Lynn Thomas who has moved to Alabama. It was voted to move the meeting time up to 7:30 p.m. beginning with the next meeting.

SO MUCH material is assigned to this lesson, the last of this series, that we must condense it a good deal.
The first verses of the lesson, taken from Matthew, tell us of Jesus after He had delivered the Sermon on the Mount, probably in Galilee. Here He is talking to His own followers and disciples. He tells them that they are the salt of the earth, but, He says, "if the salt have lost its savor, where-with shall it be salted? It is thenceforth good for nothing but to be cast out."

LETTER TO EDITOR: Suggests A Swim Pool, Dormitory
To The Editor:
There are two projects that I would like to see Howard County enthused about.
I understand the YMCA needs a swimming pool. Wouldn't it be swell if a few thousand people would start a "kitty" and contribute \$1, \$5, \$10 and \$100 to this center where so many of our boys and girls spend many hours? The gifts would be tax deductible, too.
We would really be proud of a new dormitory for the Junior College, too, if folks wanted to start a similar campaign.
I'm proud of our fine town with its recent additions of the courthouse, Permian building and others, but we can't rest on our laurels now.
A. D. WEBB JR.

Alert 3-Year-Old Gives Fire Warning
LOS ANGELES (AP)—A 3-year-old was acclaimed as a heroine yesterday for alertness that saved a neighbor's house.
As smoke poured from the adjoining home, Sharon Speer shouted to her mother: "There's a fire! Turn it off!"
Her mother did the next best thing—called the fire department. Firemen put out the blaze, which did minor damage.

Meat Firm Heir Freed On Bond
LOS ANGELES (AP)—George (Geordie) Hormel II, 28-year-old nightclub piano player and meat packing heir, faces a preliminary hearing on marijuana possession charges Oct. 11.
He was released on bail of \$1,500 after arraignment in Municipal Court yesterday.
Hormel was arrested last Sunday. Police said they found 13 marijuana cigarettes in his car.
The young heir, former husband of actress Leslie Caron, told reporters: "I want it to be known that the allegations made against me shall be proven untrue. I feel a great injustice has been done to the family name and I intend to see the honor and integrity of my family vindicated."

Pilot Jumps But Is Up In Air Soon
VICTORVILLE, Calif. (AP)—An Air Force pilot who parachuted from his disabled fighter plane yesterday had barely touched the ground before he was up in the air again.
Lt. Gilbert McAdams bailed out of his plane shortly before it crashed in the desert and burned. A passing Air Force helicopter saw him floating to earth and followed him to the ground. The helicopter picked up McAdams within 90 seconds after he had landed and returned him to George Air Force Base.
McAdams is from Grose Pointe Farms, Mich. The helicopter rescuers were Capt. Chester E. Zickerman of San Angelo, Tex.; pilot, and Lt. Lamar G. Tullos of Livingston, Tex., co-pilot.

VA Hospital Visitor
Albert D. Brown, immediate past commander of the Department of Texas for the American Legion, paid a visit to the Big Spring Veterans Administration Hospital this week. Brown is a member of various American Legion committees.

The United Pentecostal Church, 278 Wright, will deliver sermons at 11 a.m. and 7:30 p.m. Sunday and young people's services will be held at 7:30 p.m. Friday. WEBB AIR FORCE BASE
General Protestant Worship will be conducted at 11 a.m. at the chapel by Chaplain Charles J. Fix who will speak on "Ashes in the Night." Lutheran services are scheduled for 10 a.m. at the chapel annex when Chaplain Francis E. Jeffery will discuss "What Have You Chosen?" Sunday School will be at 11 a.m. at the chapel annex. Catholic Mass will be held at 9 a.m. at the chapel. Protestant choir rehearsal is held each Thursday night at 7:30 at the chapel.

Will you help Johnny with his homework? Of course! You are willing and eager to help. If Johnny is to be happy and make a real contribution in life, he must have every educational advantage possible. You want to prepare him.

But what about Johnny's church school homework? To prepare Johnny for life, he must have more than a head full of history and geography and multiplication tables. Johnny must have a heart full of love and a soul dedicated to God. To find purpose and meaning in life, Johnny must have faith, not just fact and figures. Bring Johnny to Church School and Church every Sunday.

Afterwards, help with his papers and talk over the lessons. Make his church school homework as much your responsibility as his public school homework. Help Johnny prepare for victorious, Christian living!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

**Termed Sane Now,
Keith Petersen
Faces Murder Trial**

DALLAS (AP)—Handsome Keith Petersen, 28, faced possible death in the electric chair today for the 1949 slaying of his former sweetheart, a Dallas stenographer. But the father of the former SMU student, a Dallas power firm official, indicated he would fight to the finish for his son's life. Petersen, adjudged insane five

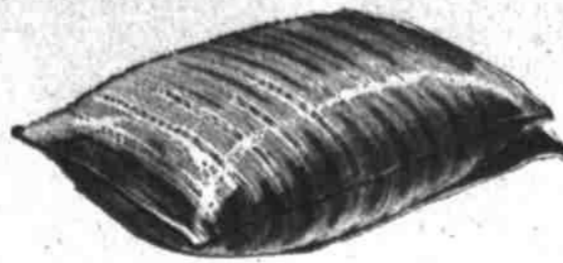

years ago, has spent most of the time since the murder of pretty Carolyn Schofield, 20, in mental hospitals at Terrell and Rusk. The superintendent at the latter institution said yesterday Petersen was sane now. Dist. Atty. Henry Wade said he would ask the death penalty and press for immediate trial. Petersen's father said his son was insane at the time of the slaying in a downtown office building here. Petersen was charged with murder after Miss Schofield's slaying. A jury found him insane at the

time of the hearing although it adjudged him sane when he emptied a gun's bullets into Miss Schofield's prone body. This court action blocked Petersen's trial on the murder charge but left open a way for the state to try him if he were ever adjudged sane.

**Ike Tells World Bank
He Supports Efforts**

By FRANK O'BRIEN
WASHINGTON (AP)—President Eisenhower told the International Bank and International Monetary Fund today the twin institutions have "the assurance of our support" in efforts to strike restrictions from free world trade. Eisenhower, who is on a western tour, chose Secretary of the Treasury Humphrey to read his message to the opening session of a joint six-day meeting of the bank and fund governors.

Humphrey is attending also in his capacity as U.S. governor on the two 51-nation institutions. And since the governors are all financial leaders from their countries, the annual parley amounts virtually to a free world finance and trade conference.

Humphrey and the other listed speakers today—Fund Manager Ivar Rooth of Sweden and Dutch Finance Minister Johan Van de Kieft—all stressed in their prepared remarks the strengthening of national economies for conver-

tility, or free exchange, of their currencies. But none set a hard-and-fast schedule for a return to free convertibility and trade.

The fund's report was made public last night a few hours before today's first session of the annual meeting of governors of the fund, and its twin institution, the World Bank.

Czechoslovakia, the only Iron Curtain member, has been suspended from the bank and may be ousted from the fund. Fund officials said the Czechs have not supplied the trade and payments information required of all members.

The fund and the bank were created 10 years ago to help nations work their way out of the ravages of war and depression.

**Royal Tour Results
In Wedding Plans**

ROME (AP)—The recent royal tour of the Greek Isles had an engagement to its credit today—Princess Maria Pia, 20-year-old daughter of Italy's ex-king Umberto, and Prince Alexander of the exiled Yugoslav royal family.

Announcing their betrothal last night, the administrator of affairs of the deposed Italian royal family said the young couple would be married in Portugal, probably in January.

Maria Pia and Alexander were among the 100 or so royal guests who cruised through the Greek Islands recently with Greece's King Paul and Queen Frederika.

DATE DATA

**There's A Limit To The
Tune, 'Billfold Blues'**

There's a lot of virtue in being the ideal girl who can understand how a boy's billfold occasionally suffers from malnutrition, and can let him off the hook when he's financially embarrassed. Boys love the girl who is not above cooperating and making an inexpensive date fun because of her cheerful attitude.

The hitch is that this Polyanna disposition can lead a girl down a dead-end street after a while. A boy is always glad to save the price of a date, regardless of how affluent he is. He'll genuinely appreciate a home date when the chips are really down, but if the girl is too willing to help his ailing billfold, he may gradually come to depend on her to entertain him

or, at least let him off with only a walk through the park.

Beware! The best intentions sometimes boomerang in the strangest ways. It's perfectly alright to entertain a boy you've dated before, at home. It's in good taste to serve refreshments, too. A regular or steady girl friend should assume her share of the dating responsibility in this way. She should also not be above inexpensive things like walks, rides, tours through art museums, newspaper plants, bread companies, and the like. Evenings like this are different, educational and more fun than you may think.

However, when Mr. Boy Friend gets in a rut and forgets that you like to "do the town" occasionally, set him back on his heels by making yourself scarce. Here's the mental therapy he needs. Be busy when he asks for a date, or accept like this:

"Oh Harry, I'm so glad you asked me for a date. I've felt so cooped up lately. I'm just dying to get out of the house. The new picture at the Bijou looks good—or did you have something else in mind?"

That should do it. If it doesn't, give him the busy treatment for awhile until he develops a taste for movies.

For further dating advice, write Beverly Brandow for her free booklet, "Prescription for Popularity" in care of The Herald.

**Mexico City To Get
New Traffic Signals**

MEXICO CITY (AP)—The city fathers are adding more stop-and-go lights at street intersections throughout the Mexican capital because visiting motorists find the old system of swinging red lanterns at night too confusing. Between 750 and 1,000 traffic lights will go up at busy intersections.

At present, such lights are used only on major streets, and on comparatively few corners on those.

Storm Batters Isles

MANILA (AP)—A tropical storm battered the rocky Batanes Islands in the northern Philippines with 65-mile-an-hour winds today.

UNCLE RAY'S CORNER

Every modern liner carries lifeboats.

mile. It amounts to almost one and one sixth land miles.

The word "knot" grew out of an old custom of sailors. To learn how fast they were traveling, the sailors used to let out a log line—that is, a rope with a piece of wood at the end. Knots on the rope were spaced at equal distance, and the unwinding of the rope gave a close idea of the speed.

Some modern liners have made speeds of from 28 to 35 knots, but it would be a mistake to suppose that such speeds are common. Many liners can make only 15 or 20 knots. Even the champions seldom cut the water at their top speeds.

The J.V.O. will fail to make any record! Using electric motors, it runs smoothly but rather slowly. On my return journey across the Atlantic, I hope to ride in a faster boat, perhaps the "Queen Mary" or the "United States."

Whenever the captain gives the order, sea water is drawn into tanks of this vessel. Later the water is heated until it produces steam. The steam is condensed, and becomes fresh water—very pure drinking water.

Twice during this voyage we have had life drills. When the signal sounded, each passenger put on a life jacket and walked to a part of the boat with a certain number. Numbers are posted in the cabins so that passengers will know just where to go.

On the deck above each station is a lifeboat. If danger really came, the lifeboat would be lowered and the passengers at that station would step inside, each keeping on his life jacket.

Jaywalkers' Dream

DALLAS (AP)—Dallas' busy Akard and Commerce intersection will become a jaywalkers' dream next month when installation of a new-type traffic signal is completed by city street crews. The signal will have cycles which halt all vehicular traffic and allow pedestrians to cut through the intersection any way they wish.

Steers Slight Favorites In Stephenville Battle

Unbeaten at home since Oct. 24, 1952—when Lamesa took their measure by a 26-14 tab—the Big Spring Steers host the Stephenville Yellow Jackets at 8 o'clock this evening in their first home engagement of the 1954 season.

The Steers will be slight favorites but the Jackets may be primed mentally and physically to 'do the Longhorns in.'

Coached by Mike Murphy, the District 9-AA team already has games with Brownwood and Dublin behind 'em. The Jackets lost to Brownwood but came back to rout Dublin.

Equipment Handlers

Football teams would bog down in a hurry were it not for the fact that managers are always handy to look after equipment, issue gear and take some of the chores from the coaches' hands.

The best in the business are LeRoy LeFevre (left) and Tommy (Squeaky) Roberts (right), who work on behalf of the Big Spring Steers.

FIELD SCORES

Yearlings Defeat Lamesa, 9 To 0

The Ninth Grade Yearlings made a touchdown, an extra point and a safety they got in the first half of play stand up as they beat the Lamesa Breezes in a fine exhibition of football here Thursday night, 9-0.

Two Elevens Are Removed From Undefeated List

Texas schoolboy football's 178 undefeated, untied teams face a sharp reduction tonight as more than 300 games are played, 27 of them matching teams with perfect records.

STANDINGS

Tables showing National League and American League standings with columns for team, wins, losses, and percentages.

Time was when Stephenville competed in the same classification with Big Spring and more than held its own against all competition.

Local school officials reason the Jackets are due a hero's welcome here. They agreed to come to Big Spring last year at a time the Steers found it hard to get games, and they did it without sticking a gun in the ribs of the locals.

Coach Carl Coleman of the Big Springers was still having backfield troubles yesterday.

It was doubted that Halfback Brick Johnson would even suit out for the contest, Johnson has a gimpy leg that hasn't responded to treatment.

Lefty Don Reynolds, only recently moved into the fullback slot from the line, is favoring a Charley horse in one leg. He'll start but it's doubtful he'll play long.

That means Ronnie Wooten is going to put in a full evening at Johnson's halfback spot and the fullbacking chores are going to have to be divided between Ed Faulbon and Stormy Edwards.

Snyder Teams Lick Locals In 2 Games

SNYDER (SC) — Seventh and Eighth Grade football games representing Snyder won games from teams representing the same age groups of Big Spring here Thursday night.

The resident Seventh Graders prevailed, 14-0, after which the Eighth Grade achieved a very decisive 35-0 victory.

Most of the Seventh Grade contest was played in the middle of the field but a fumble and an intercepted pass cost the Big Spring team dearly.

Class AAAA—Fort Worth Poly at San Angelo. Class AAA—South Oak Cliff at Texarkana, Freepart at Lubbock, El Paso Bowie at Snyder, Beeville at Edinburg, Alice at Austin Travis.

Tech Standout

When Texas Tech romped on Texas A&M last weekend, Jerry Johnson (above), a quarterback from Hale Center, had a big hand in the win.

Crackers Win Over Bisons

HOUSTON (SC) — Righthander Hugh Sooter, back in the Houston lineup after five weeks of injured inactivity, will pitch for the Buffs tonight as they seek to regain their two-game lead over Atlanta in the Dixie Series.

Sooter, a 14-13 pitcher before he was sidelined by a knee injury, will face southpaw Dick Kelly, 6-4 for the season for Atlanta.

Medlin And Dudley To Make Trip With Tech Picadors

LUBBOCK (SC) — Thirty-six Texas Tech freshmen will go to Wichita Falls for the Picadors' game with Sheppard Air Force Base tonight.

Sheppard, a 19-6 victor, was the only team to beat the Tech freshmen last year.

The contest opens an eight-game schedule for Tech. Coach DeWitt Weaver announced today the signing of two additional contests — with West Texas State's freshmen there Oct. 7 and in Lubbock Nov. 18.

Other Tech freshmen games are with Tyler Junior College, Fort Hood, Paris Junior College, New Mexico Military Institute, and the Hardin-Simmons freshmen.

MEETS FORT STOCKTON

Stanton Seeking Additional Prestige In Game Tonight

STANTON (SC) — The Stanton Buffaloes, fast becoming a favorite to win District 4-A football honors, take on a rugged Fort Stockton team here tonight at 8 o'clock.

The contest winds up pre-conference activity for the talented heavy Buffaloes, who take next week off, then tangle with O'Donnell Oct. 8.

Coach Melvin Robertson has warned his club it will have to go all-out against the Panthers from Fort Stockton, who boast one of West Texas' finest backfields.

Stanton runs off the Hardin-Simmons' type of Winged T. Doug Huckaby, Panther quarterback, is capable of throwing a lot of passes. He usually slips the ball to his halfbacks, Sutton Allison and Bob Diebitsch but his ends, Wes Whitman and Bob Williams, are also good receivers.

Biggest man in the Stockton forward wall is Manny Benavides, a 205-pounder, who plays tackle. The Buffaloes are in fine shape for the tussle. Conrad McCaskie, who has been suffering from a cold, is ready to go. Jimmy Henson will be the trigger man in the Stanton secondary and will have lots of help from such individuals as McCaskie, Reggie Myrick and Jimmy Butcher.

In Bobby Carlisle and Jimmy Wheeler, the Buffs have two of the better ends in Class A circles. Coach Melvin Robertson has never had any worries about the center of his line, where Captains Burley Polk and Mike Bauch and Harold Smith, Gordon Stone and David Johnson hold forth.

Coach Robertson booked the tough non-conference schedule for his Buffs purposely to get them ready for the rugged 4-A race and the boys have met the challenge well. All who saw the game agree that McCamey was lucky to beat the Buffs one point.

Coahoma Eleven Takes A Rest; Coaches Scout

COAHOME, (SC)—The Coahoma Bulldogs, winners of one game in their first two starts, will be idle until Oct. 1, at which time they open their District 4-A campaigning in a game here with Sundown.

The Bulldogs were originally booked to meet Grandfalls here tonight but that engagement has been moved back to Oct. 15.

Coaches Pott Brandon and Grady Tindol will use the free time to scout Sundown, which is playing in Abernathy. Tindol last night watched the Whiteface team, another future Bulldog foe in action.

Grady Hornett, star Coahoma back, has been undergoing treatment in the whirlpool bath at Big Spring for a leg injury.

The muscles in one of his thighs has tightened on him but he is due to be ready for the Sundown game, barring further complications.

Brandon has been running Bob and Jack Shedy at guards, Billy Paul Thomas and Dudley Arnett at tackles and a combination of Grady Barr, Billy Dickson and Joe Hill at ends in practice this week.

Sabias Torres will probably start at quarterback against Sundown, with Hodnett and Richie Phinney at halfbacks and Don Kennemer at fullback.

On defense, Gene Burris, Bill Tindol and Jim Burkholder will fit into the pattern.

The Bulldogs scrimmaged the Big Spring reserves Wednesday, with good results.

Coahoma defeated Station, 14-13, in its opener, then yielded to a strong Ozona team, 21-7.

Hodnett has scored two of the Bulldogs' touchdowns, Kennemer one. Garrett has kicked all three extra points.

JOHN DAVENPORT. John, a 170-pound tackle, is growing like a weed. Was a B teamer in 1953. Begins in playing at top shape so that he can go full speed. He'll stand out anywhere along the line.

JIMMY CROSS. This 165-pound tackle is handicapped by the fact that he has to wear glasses on the field but he's a scrapper and gains the plaudits of the coaches for that reason. He's up from the B team.

PRESTON BRIDGES. This youth's growth has surprised the coaches. Up to 170 now. A guard, Preston is a fine blocker. He's up from the B team, will be back in 1955.

DEAN LOWKE. Dean, a 165-pounder, is new to the team. He's trying for a backfield position, could see action as a defensive player.

Last year, Glenn Hancock served as team manager of the Steers. He elected to try for a spot on the club this season and reported for duty in spring training as an end. He's due to see a lot of action as a first line reserve.

BILLY LOVELACE. Another 170-pound tackle, up from the B team. Played outstanding ball for the Dogies all year. Will make some one hustle for their jobs.

MARION CRUMP
NINTH GRADE COACH

BOBBY McNALLEN. This boy is trying out for the club without benefit of previous experience. However, he has desire and natural ability in his favor. He weighs 180.

DICKIE MILAM. One of the veterans in the Steer forward wall, Milam is a younger brother to a former Steer, Jackie. Won his first varsity letter in 1953. Weighs 185 and plays guard.

War Of Nerves Already Begun

CLEVELAND (AP)—The World Series "War of Nerves" already has begun between Al Lopez and Leo Durocher, the rival managers, as the Indians and the Giants gear themselves for the big fall classic opening in New York next Wednesday.

Neither manager would say today who will be his opening-day pitcher. The guessing is that Sal Maglie (14-6) will open for New York and Bob Lemon (23-6) for Cleveland, but nobody knows for sure.

Some observers seemed to think Early Wynn (22-11) would get the Indians' starting assignment over Lemon because Lopez designated Early to pitch today's game against Detroit and work Lemon tomorrow. The Indians' pitcher denied such intention.

"No," he said, "Wynn isn't a certainty to open the series because he's to pitch today. It definitely will be either Lemon or Wynn, but I'm going to wait for Durocher to make his move first. He's the home manager and must speak first."

Word came from New York that Durocher won't decide between Maglie and Johnny Antonelli, (21-7) the young southpaw ace, until the Giants work out Tuesday.

"If Maglie starts for them," Lopez said, "I'll probably pitch Lemon because he's a lefthanded hitter. I'd like to get as much lefthanded strength as I can against their righthanders. If Antonelli opens, I'll go with Wynn, who bats from either side."

Anyhow, it will be Lemon and Wynn, or Wynn and Lemon with big Mike Garcia (19-8) pitching the third game.

Shorthorns Invade Odessa Saturday

The Big Spring High School B football team, an impressive winner over Snyder last week, heads for Odessa Saturday for one of its most important tests of the 1954 campaign.

Odessa is considered to have one of the best reserve teams in West Texas.

The Dogies pummeled Snyder, 22-0, and showed fine all-around ability in doing it. Lee Underwood was an offensive standout for the locals in that one.

Game time is 2:30 p.m.

Forsan Turns Back Klondike, 45 To 19

FORSAN, (SC) — Forsan's Buffaloes made it two wins in three 1954 six-man football starts by turning back the Klondike Cougars, 45-19, here Thursday night.

The Buffaloes poured on the coal in the final two periods to finish in front after trailing at halftime, 13-6.

Forsan ramed three touchdowns across in the third round and then closed out with a 20-point fourth quarter.

Albert Oglesby scored two touchdowns and Harold Hicks, Pat Brunton, James Skeen, Johnny Baum and J. C. Draper one each for the home club.

Buffs Ring Up TD

Forsan started slowly in its six-man football game with Klondike at Forsan Thursday night but was rolling when the above picture was snapped. Johnny Skeen is plunging over for one of the seven touchdowns Forsan made. The Buffs wound up on the long end of a 45-19 tally.

'Half-Time' Entertainment Plentiful Saturday Night

There'll be plenty of "half-time" entertainment at the Kiwanis Club Kids' Day football program at Steer Stadium Saturday night.

After the first two of the four scheduled Elementary School League games have been played, action will be stopped for the crowning of the Kids' Day Queen.

In addition, the Webb Air Base Cadet drum and bugle corps will offer several numbers. Players on all nine teams will be suited out and will parade before the crowd, along with their coaches, who will be introduced.

No admission will be charged at the gate.

The program begins at 5:30 p.m., with a contest between Airport and East Ward. Washington Place and West Ward tangle at 6:30, after which action will be stopped for the crowning of the queen.

At 8:30, College Heights clashes with North Ward while at 9:30 p.m., Central Ward squares away with Park Hill.

Ordinarily, Ward School League games are played on Saturday morning.

Oilers Champions Of WT-NM Loop

Pampa, the regular season champions of the West Texas-New Mexico League, made it official last night, whipping Clovis four games to two in the final round of the playoff series.

Lefthander Jonas Gaines spaced seven hits in hurling the Oilers to the 3-2 victory in the deciding game. Pampa got only six hits, bunched them during the early innings to beat the team that finished second in the regular season.

Pampa gained the finals with a first round playoff win over Abilene, Tex. Clovis, which finished just one game back of Pampa in the regular season, had moved past Amarillo in first round play.

Harris Resigns Post As Pilot

By The Associated Press

The arrival of autumn apparently means open season on major league managers, with Bucky Harris resigning his job as pilot of the Washington Senators today hard on the heels of changes at Baltimore and Chicago.

Harris confirmed recent reports he was on his way out and 84-year-old owner Clark Griffith said a successor probably would be named by next Monday.

Griffith told a news conference that Harris requested that his resignation be announced today instead of on Monday after the major league season has ended.

The Senators' owner said he planned to contact Chuck Dressen and Phil Rizzuto on Monday in New York to talk about the Washington vacancy. Dressen, who managed Oakland in the Pacific Coast League this year, is a onetime pilot of the Cincinnati Reds and Brooklyn Dodgers. Rizzuto is near the end of his playing days as the New York Yankees shortstop.

If Dressen, who led Brooklyn to

two pennants in three seasons then quit last year in a battle over a long term contract, doesn't catch on at Washington the next best bet appears to be the Philadelphia Phillies.
