## Congress Gives Okay To New SS Benefits

WASHINGTON (UPI) — Congress passed legislation Saturday to increase Social Security benefits for 30 million elderly Americans in mid 1974 and adopted several critical money bills needed before expiration of the current fiscal year at midnight.

—Congress approved a bill extending the \$465 billion national debt ceiling through Nov. 30.

—The Senate voted 73-1 to approve a \$19.2 billion appropriations bill to fund federal housing, science, veterans and space programs for the 1974 fiscal year. The House passed a different version and a conference will be required after the recess.

—The Senate passed 61-1 a bill suspending import duties on brushes, but containing an amendment by Sen. George McGovern, D-S.D., to allow the agriculture secretary to lift price freezes on agriculture commodities which otherwise would be in short supply.

The Social Security measure was a compromise quickly fashioned by congressional leaders after the House voted late Friday to defeat the increases. The White House had said that President Nixon probably would veto the original version on grounds that it was too expensive.

Meanwhile, House and Senate conferees agreed Saturday to stand by a congressionally approved ban on funding for U.S. bombing in Southeast Asia after Aug. 15, as part of a "continuing resolution" to maintain government spending at current levels during the first months of the new fiscal year starting Sunday.

Rep. Wilbur D. Mills, D-Ark., told his House colleagues about Shultz' reaction to the Social Security compromise. As far as he was concerned, Mills said, the bills will be signed by the President, at least he will recommend the President's signature.

The cost of the benefits under the compromise bill were estimated at between \$300 million and \$400 million which Shultz reportedly said the administration "could live with."

The original Social Security increase proposal had been an amendment to a bill extending the \$465 billion national debt ceiling through Nov. 30.

Once the Social Security provision was defeated, the debt ceiling bill passed the House 294-54 and the Senate approved it 63-2.

Warner is acting in the capacity of district attorney for the current investigations as provided by statute when the district attorney excuses himself. This was mandatory in this case since the allegation brought by an Amarillo television station, concerned District Attorney Guy Hardin.

Warner told The News Saturday that Austin had been contacted and all was clear for the extension.

I certainly don't think we will need 90 days, Warner said, "but we can do a thorough job without hurry."

He said the grand jury would start that job again Monday at 9 a.m.

Judge McElhenny must be on hand to receive the final report of the panel from Warner and the jury foreman. Due to current court commitments, about the district, it will be July 13 before he can receive the report and take action if needed.

Warner said the toll should be less than that recorded on previous July 4th holidays because this year's observance falls in mid week.

The official DPS count of fatalities will begin at 6 p.m. Tuesday, July 3, and run through midnight Wednesday, July 4.

Speer said all available Department of Public Safety patrolmen will be on duty during the holiday period in an effort to reduce accidents. He said they would be especially watchful for hazardous traffic violations including speeding and driving while intoxicated.

In addition to stepped up highway patrols, Speer said the DPS would conduct its special Operation Motorcade program in cooperation with local law enforcement agencies throughout the state. Fatal accident summaries will be released three times July 4th to help focus public attention on the traffic situation.

The DPS director urged motorists to make the holiday safe by obeying all traffic laws, avoiding fatigue, and by not drinking if driving.

He also noted drivers can reduce the severity of accidents and conserve gasoline supplies by reducing their speed under maximum limits.

From Lapland the group continued by bus into the fjord region of the extreme northern reaches of Norway near Hammerfest on the Arctic Ocean.

The last week was spent in Tampere, Finland's second city, where they participated in the celebration of midsummer night, Scandinavia's principal summer holiday.

In September and October a similar team from Finland will visit Rotary District 573 in West Texas, arriving in Amarillo

STUBBLE FIRE — Pampa firemen had to put out a wheat field stubble fire Friday afternoon five miles northwest of Pampa. About 35 acres of the dry stubble were burned before the firemen put out the blaze. Owner of the land was unknown to the department. The hot weather of the past few weeks, with temperatures up into the high 90s, has begun to dry out a lot of areas due to the lack of precipitation in the past month. (Photo by Terry Hanna)

## Election Returns Spur Possible Coalition Plan

BELFAST (UPI) — Mounting returns from the elections for a new Northern Ireland assembly spurred speculation Saturday of a possible coalition of Protestant and Roman Catholic parties that would share power as envisaged in the British White Paper on Ulster.

With only 46 of the 78 seats at stake in the Thursday elections still unclaimed, the major Roman Catholic opposition party, the Social Democratic and Labor Party (SDLP), was emerging as a major political force for the first time.

The SDLP had won 18 seats, the official Protestant Unionist Party 22, other Protestant parties 23 and the moderate Alliance party 5.

The SDLP has clearly established itself as a major political force in Northern Ireland, SDLP leader Gerry Fitt said. The electorate has clearly responded to our appeal for a massive vote of confidence.

The SDLP's poll successes prompted speculation among political observers of a possible coalition between the major Catholic party and one of the major Protestant groups to gain control of the assembly.

Political analysts of the British Broadcasting Corp. (BBC) and Ulster Radio said a coalition looked likely.

Radio Ulster analysts said the union would be a reluctant coalition, but said it would provide the power sharing basis sought by the British government.

As the vote counting continued, terrorists struck with bombs and bullets. Police said gunmen shot and seriously wounded a 34-year-old Protestant man in his home in Craigavon, 30 miles southwest of Belfast.

In Londonderry, two bombs damaged two shops, police said. There were no casualties.

Police Saturday described the killing Friday of newlywed non-partisan social worker Sean Armstrong, 31, as "the most senseless" in Northern Ireland's history and said it must have been the work of maniacs.

His death raised the toll among majority Protestants and minority Catholics in the province since August 1968 to 339.

Police said Armstrong had organized holidays away from Northern Ireland violence for both Catholic and Protestant children.

### GOP Publicist Claims 'Many Lied' To Nixon

WASHINGTON (UPI) — A Republican Party publicist has sworn he told the No. 2 official at the Committee to Re-Elect the President that many persons lied to President Nixon about the Watergate case and the man replied, "Well let's just say he wasn't told everything."

John D. Lofton Jr., editor of the GOP publication, "First Monday," recalling a conversation which he said he had about two months ago with Job Stuart Magruder, Nixon's deputy campaign director, says that he in turn told Magruder:

My mother used to call that living a lie and she used to whip me for it anyway.

Lofton's testimony was contained in a sometimes serious, sometimes amusing 76 page deposition which he gave in the Democratic Party's civil suit growing out of the Watergate bugging scandal.

Of the conversation with Magruder about two weeks before Magruder resigned from the Commerce Department in April, Lofton testified:

Look, Job, I said, you are not going to tell me that in all this stuff that I am reading about Watergate that it is not clear to you also, and I would like to know if you agree with this that it appears that many people in very high positions lied to the President of the United States.

He said, "Well, John, let's just say he wasn't told everything."

## Grand Jury Gets 90-Day Extension

A grand jury investigation into allegations of a payoff to drug cases in Gray County has developed into a marathon session.

Convening Thursday morning, the panel faced 44 persons, summoned by subpoena to testify. At the close of the first day of hearings, proceedings were running two hours behind time and more ground was lost Friday as the hearings resumed.

Warner is acting in the capacity of district attorney for the current investigations as provided by statute when the district attorney excuses himself. This was mandatory in this case since the allegation brought by an Amarillo television station, concerned District Attorney Guy Hardin.

Warner told The News Saturday that Austin had been contacted and all was clear for the extension.

## Miss Lockhart Crowned Queen

Sharon Lockhart, daughter of Mr. and Mrs. Charles Lockhart, 2232 N. Wells, was crowned as queen of the Babe Ruth League during ceremonies last night at Optimist Park.

Representing the Ford's Body Shop team, she was escorted by John Agan and Glen Blacett. She was crowned by last year's queen, Lisa Watson.

### IRS Checks 1,800 Inquiries About Freeze

DALLAS — During the first six days of the current price freeze, the Internal Revenue Service (IRS) in Dallas answered close to 1,800 inquiries about the freeze. Among these inquiries there were 529 formal complaints.

Initially most of the calls concerned the provisions of the freeze: who was covered, what commodities and at what transaction level. Gradually the calls changed from information seeking to reporting alleged violations of the price freeze regulations.

Gasoline price increases led all other commodities with 37 per cent of all complaints. Food was a close second with 35 per cent.

The IRS reports all complaints are promptly checked out and, to date, stabilization investigators have secured rollback agreements on 91 commodities and/or services. In all cases checked so far, the rollbacks were completely voluntary once the incorrect pricing was pointed out by the IRS.

Excellent cooperation is also being found, reports the IRS, in the so-called "profit sweep" made by its investigators. About 50 large business firms have already been contacted.

The contact is primarily to offer assistance in the preparation of the new CLC 2 Form which must be completed by all TIER II (\$50 million to \$250 million volume of sales) firms.

The forms are designed to show whether the firm has increased its profit margin (by raising its prices) above the highest margin achieved in any two of the last three fiscal years ending prior to Aug. 15, 1971 and any fiscal year ending before the current year.

Most of the firms should have completed these reports by June 30, 1973. The Cost of Living Council will then assign selected reports to the IRS for verification and review.

Usually when a parent shows patience with children, their behavior improves. Children can sense when a parent is tense and irritable — then act worse than ever, says Jane Fleischer, specialist in family life education, Texas Agricultural Extension Service, Texas A&M University.

### Youth Center Wrap Up

**Memberships**  
A lot of people do not know that the Pampa Youth and Community Center is an independent non-profit organization. It does not receive any money from the City of Pampa, State of Texas or the U.S. government. It is solely sponsored by donations and the selling of memberships.

There are two types of memberships to choose from and they are divided into individual or family categories. The first type of membership is the limited membership. This is the original membership that we started selling in 1961 when the doors opened for the first time. This membership allows you use of the gym, recreation hall, swimming pool and dressing room facilities.

In the gym the more common activities are trampolines, basketball, volleyball, baton lessons, judo, tumbling and wrestling. In the recreation hall we have ping pong tables, chess, checkers, cards, pool tables and other quiet games.

In the pool room we teach swimming lessons, have general public swimming, and our Dolphin Swim Team works out there.

The limited individual membership is sold to those 8 years of age or older. Those under 8 must be accompanied by a parent and be carried on a family membership.

The individual card costs \$5 for six months or \$8 a year. The family card costs \$12 for six months or \$20 a year. This includes all of the immediate family.

The other type of membership is the unlimited one. This gives you all of the above privileges plus the use of the new health facility.

In the health facility there are barrell rollers, vibrator belts, bicycles, dorsi bars, leg and thigh machines, leg press machines, bar bells, beauty belts, dumbbells, abdominal boards, two handball and racquetball courts, dressing room facilities and a sauna. These are only a few of the pieces of equipment.

An individual card sells for \$65 for six months or \$118 a year. A husband-wife combination plan costs \$90 for six months or \$170 a year. Easy six-month payment plans are available upon request. Come

by for a free demonstration and use of the equipment.

**Summer Swim Lessons**  
Parents are reminded to double check the registration card which was given to each person signing up for swim lessons to make sure they come on the right dates. Some children have come on the wrong time session and this causes some confusion.

The swim lessons are given in the morning from 8-12 noon. Each lesson lasts for one hour with four classes being taught each morning. All classes are taught by qualified Red Cross Water Safety Instructors who have been trained for this purpose. Classes also have older children as aides to assist the instructors.

Some swim classes have just a few openings left to be enrolled. If you are an older swimmer, there is a possibility that we can get you into a class. However, there are no classes left in polywogs of beginners. Check the schedule below.

**Calico Capers**  
The Center has an adult dance time for those interested. This is in the form of square dancing. The Calico Capers Square Dance Club meets at the Center each Saturday from 8-11 p.m. to dance. They have a guest caller from out-of-town each time.

Club membership is open to all couples who are interested in square dancing and also to those who want to learn.

The club participates in several jamborees around the area and has a big dance at periodic times. They also teach lessons twice a year. For full details contact club president Billie Mac Milligan at 669-3980.

**Protected Director?**  
WASHINGTON (UPI) — Declaring that Congress must act to insulate the FBI director from possible political pressures, Sen. Robert C. Byrd, D-W.Va., has offered a bill to provide a term of up to 20 years for the post.

The measure would require Senate confirmation for a 10-year term for the FBI director with reappointment possible for another 10-year period.

The assistant Democratic leader said a 10-year term would overlap the tenure of a two-term President and would eliminate many of the pressures that could be brought to bear on the director if he were to be reappointed every four years.

Byrd said in a statement that Congress must take steps to insulate the director of the FBI from possible political pressures.

The only crime defined in the U.S. Constitution is treason.

# Texas Rangers I

# Primitive Frontier Gave Rise To Texas Rangers

The land from which the Texas Rangers arose was a primitive frontier, fraught with danger and a disquieting struggle with nature.

Far from civilization, the Anglos who settled Texas early in the 1820's found themselves in an abundant, yet inhospitable country. In certain areas the soil was rich, capable of producing bountiful crops of cotton and corn; yet fearful climatic conditions were also evident — northers, tornadoes, sleet and hail, torrential rain, and blistering heat.

Partly because of the Spanish influence many Indian tribes were relatively peaceful, but in August and September a "full Comanche moon," signifying the most propitious time for savage raids, ominously arose, terrorizing the lonely frontier settlements and outposts.

For that matter, simply to live beyond the pale of organized society, in an area far from the dictates of the government in Mexico City, was challenge enough, perhaps romantic, at times foolhardy, and definitely unhealthy.

So in this raw land the Ranger pooled past knowledge and experience. Out of necessity they used whatever means at hand to survive.

From the Mexican they learned horsemanship, the importance of a good mount on the open prairies; the spirit of the vaquero. From the Indian they acquired an understanding of plainscraft, of tracking and relentless pursuit, and of savagery in fighting.

And from their own background they inherited a rugged stubbornness for frontier living and an ability to adapt to a new environment.

In fact, through this combination of cultures, they were an awesome force of men, prompting John S. "Rip" Ford to remark admiringly: "They ride like Mexicans, trail like Indians, shoot like Tennesseans, and fight like the devil."

**Recruited From Fighters**  
In looks and manner the Rangers were quite distinguishable from such fighting units as the militia or regular army. Recruited at first from the craftiest frontier fighters, and later from leather-faced cowboys and hard-bitten lawmen, they were not

concerned with clothes and personal appearance but rather with performance.

During the Mexican War — and for that matter during most of the nineteenth century — they had a "ferocious and outlaw look" about them, usually "dressed in every variety of garment" and armed to the teeth with knives, rifles, and a brace of pistols. In fact, the only well-groomed "critters" were their horses, magnificent animals which the Rangers meticulously cared for.

Nowhere was there evidence of the military — no flags or pennants, no insignias or evidences of rank, no furnishing of equipment, no medical supplies, no formality between officers and enlisted men.

Yet no one would mistake a Ranger captain. He had a charismatic quality that set him apart from his men. Although not necessarily large or powerful physically, he exuded a quiet confidence.

Almost instinctively in a time of crisis he knew what to do, possessing that rare combination of boldness and judgment which allowed him, as Walter Prescott Webb observed, "to lead rather than direct his men." For him retreat was unpardonable, defeat unbearable; his reputation and prestige demanded success, for in any given situation he still had to prove himself capable of leadership before his men.

**Protected Settlers**  
So for a century, beginning as early as 1823 and officially in 1835, the Rangers protected Anglo settlers in a personalized manner. Along the Rio Grande or the northern and western frontiers they conducted investigations in man-to-man confrontations, relentless in their performance of duty and oftentimes pitiless in their administration of the law.

After all, there was nothing complex about frontier justice, the only training centering around such important questions as: Could they ride? Could they shoot? Did they have the guts and skills to enforce Anglo-Saxon law?

Of all these rugged frontiersmen and Indian fighters none was more respected and feared than John Coffee "Jack" Hays.

Born at Little Cedar Lick, Tennessee, on Jan. 28, 1817, he became the embodiment of Ranger tradition, "not afraid," as Flacco of the Lipans put it, "to go to Hell by himself."

Arriving in Texas soon after the Battle of San Jacinto, he enlisted as a "spy" in the army, then as a Ranger under captains Erastus "Deaf" Smith and Henry Karnes at San Antonio. By 1842 he had more than proven himself in battle, having risen from private to major in only five years.

**Outwitted Mexicans**  
Although only 5'9" tall and weighing 150 pounds, a quiet man with reddish brown hair and hazel eyes, Hays was a ferocious opponent. Along the Rio Grande in the desolate Laredo area he outwitted and outmaneuvered Mexican forces during the late 1830's, ruthlessly asking for no quarter and giving none.

At Plum Creek (near present-day Lockhart) in 1840 he was one of the stalwarts who stood in the path of a thousand Comanches and who insisted on fighting them although outnumbered five to one. After several hours of bloody combat, they routed the Indians, killing eighty-six while losing only one man.

Then in 1842, when a large Mexican army captured San Antonio in March and again in September, it was he who hounded the invaders with a company of 150 Rangers, harassing and nipping at their heels while driving them southward to Mexico. In fact, it was rumored that Gen. Adrian Woll, the commander of the Mexican expedition, offered a \$500 reward for his head.

COL. JOHN HAYS

What a tough bunch of men Hays gathered around him. From Gonzales came Ben McCulloch, a native of Tennessee and the same age as Hays. About half Indian in his movements and knowledge of plainscraft, he quickly rose to second-in-command.

Having participated in the Battle of San Jacinto as well as the defense of San Antonio in 1842, he had an unabiding hatred for Mexicans — and even more so in 1843 after learning that many of his friends in the ill-fated Mier Expedition were brutalized and then shot.

Together with brother Henry, he was dedicated to punishing severely all enemies of the Republic.

Cut from the same mold was Samuel H. Walker. Born in Maryland, he arrived at San Antonio early in 1842 whereupon he joined Hays' Ranger company.

**Improved Revolver**  
Although acknowledged by both McCulloch and Hays as "one of the best spies or rangers on this continent," he would be better remembered for helping Samuel Colt improve the revolver. In fact, he was responsible for arming the Rangers during the Mexican War with 1,000 Walker Colts, thereby making them the most feared fighting unit in the American army.

Equally respected was Richard Addison "Ad" Gillespie of Kentucky. Arriving in Texas a year after San Jacinto, he was at first a merchant, that is, until Indian raids interrupted his business. He therefore became a veteran scout, especially against the Comanches, participating in the

battles at Plum Creek and later at Walker's Creek in June, 1844.

And lastly to round out this fearsome group was W.A.A. "Big Foot" Wallace, a 240-pound giant of a man with a "prankish," "childlike heart." After learning that the Mexicans had murdered his brother and cousin at Goliad in

1836, he set out for Texas to avenge their deaths.

But after participating the Mier Expedition and being forced to draw "the black bean of death," whereby the Mexicans executed every one out of ten Texas prisoners, he needed no excuses. Thereafter with Hays at San Antonio and in

the Mexican War he "took revenge by proxy."

So under Hays the Rangers established much of their tradition. Around a captain they focused their loyalty, relying upon him for direction in battle. Otherwise they were impatient of discipline, of rules and regulations, of anything

smacking of the military.

Because Indians and Mexicans had butchered their friends and loved ones, they developed an extreme hatred for these enemies, determined to punish, indeed to crush them savagely for their inhumanity. And on horses, with revolvers, they did.

Lefors Resident

## Mrs. Jan Trusty Named Chairman

Mrs. Jan Trusty of Lefors has been named chairman of the Breath of Life Campaign to fight children's lung diseases, according to Frank Scott, president of the North Texas Chapter, National Cystic Fibrosis Research Foundation.

Mrs. Trusty will lead Lefors volunteers in raising funds to support research and care programs for children affected by lung-damaging diseases like cystic fibrosis, severe asthma, chronic bronchitis, bronchiectasis, and a condition called childhood emphysema.

Cystic fibrosis, an incurable genetic disease, is inherited when both parents carry the recessive gene for C-F. It is believed that one in 20 persons or 10 million Americans may

carry the C-F gene, usually without knowing it.

Current research funded by the National Cystic Fibrosis Research Foundation is seeking practical test to identify the carriers.

Because of improved therapy and constant research, many C-F patients are living beyond infancy to their teens and into young-adulthood. The same kind of therapy is relieving and often curing children suffering from other respiratory afflictions whose symptoms resemble those of C-F.

"Most people don't realize that there are six million children in the U.S. affected by pulmonary illness," Mrs. Trusty said. "For some of these children, breathing is not the natural function we, who are lucky, take for granted."

The Breath of Life Campaign supports not only research but over 100 C-F Centers for diagnosis and treatment across the country.

## The Almanac

By United Press International  
Today is Sunday, July 1, the 182nd day of 1973 with 183 to follow.

The moon is between its new phase and first quarter.  
The morning stars are Mars, Jupiter and Saturn.

The evening stars are Mercury and Venus.

Those born on this date are under the sign of Cancer.  
English astronomer Sir Robert Ball was born July 1, 1840.

On this day in history?  
In 1859, the first intercollegiate baseball game was played in Pittsfield, Mass. Amherst beat Williams, 66-32.

In 1898, Teddy Roosevelt and his "Rough Riders" took San Juan Hill in the Spanish-American War.

In 1932, Franklin D. Roosevelt was nominated by the Democrats for president. FDR eventually won four consecutive terms and died April 12, 1945 at the age of 63.

In 1946, the first postwar test of the atom bomb occurred at Bikini Atoll in the Pacific.

A thought for the day: Horace, the Roman poet, said, "He has half the deed done, who has made the beginning."

# Summertime Is Camp Time

The second annual Adobe Walls Council Cub-O-Ree started on a Saturday morning at 10. Three hundred scouts and parents were present to participate in the day of activities which included riflery, archery, rowing, swimming, knot tying and a nature hike.

The Cub-O-Ree was held at Camp M.K. Brown, which is located five miles west of Wheeler and three miles north of Highway 152 on Farm to Market Road No. 3182.

The day was divided up into six time periods of 45 minutes each. The scouts present were also divided into six groups in which they participated in the

individual events on a rotating basis.

The Cub-O-Ree is the first step in a program of summer activities for the area Cub Scouts.

The camp was held to familiarize Cub Scouts with the experience of summer camping activities. The scouts, ranging in age from 8 to 10 years old, were carefully supervised throughout the day.

The 480 acres of Camp M.K. Brown and the eight acres of lakes provided the scouts with six hours of summer fun which culminated in a campfire presentation of merit badges earned during the day of activity.

Dear Abby

### Carrying 'sharing' a bit too far

By Abigail Van Buren

DEAR ABBY: My husband told me he had met a girl he wanted to share with. I was shocked when he suggested I meet the girl. The three of us met. She is quite pretty, my age (30), and seems intelligent and serious. She said: "I have a great capacity to love and so has John, and we feel that the more people we can touch with love during our lives, the better." Then she said: "I don't want marriage or a family because nothing in this world is permanent, and people change as they grow. I don't believe in deception, and unless I have your permission to love John, I will never see him again."

Meanwhile, John just sat there.

I was amazed at my self-control. I told her I wouldn't consent to such an arrangement, but if John wanted her, I would give him a divorce.

John said he wanted six months to think it over. But while thinking it over he wanted to see her. I said I wouldn't live with him while he was seeing her, so he said he wouldn't see her. Somehow I believe this girl, but I'm not so sure about John. Help me.

JOHN'S WIFE

DEAR WIFE: You say you believe the girl, so if she said she wouldn't see John without your permission, and you said: "No dice," you don't have to worry about John's seeing her. But you do have to worry about being married to a man who wants swinging privileges.

DEAR ABBY: A married man chased me until he finally wore me down. He said he couldn't live without me—his wife hadn't made one affectionate gesture toward him for more than 10 years, and if I didn't live with him he would kill himself. (I'm a divorcee and live alone.)

I finally agreed. I rented an unfurnished apartment and had my mother take my six rooms of furniture out of storage and ship it to me. It was a 1,500-mile haul. Well, the day I moved into that apartment he called me and said his wife broke down and wanted to try to make a go of their marriage and he couldn't leave her!

Abby, I signed a one-year's lease for this apartment and I can't afford to live here without his help. (And to think I gave up a really eligible man for this spineless jellyfish!)

Should I sue him? He has plenty. Don't tell me to see a lawyer. This man IS a lawyer.

STUCK

DEAR STUCK: You need another lawyer, this time for professional advice only. [P. S. There's a moral here: Don't throw away the old pot until you're sure the new one will hold water.]

DEAR ABBY: I have been married for six years to a man who is a good father and an excellent provider. However, he is a very jealous man. Why he is jealous is beyond me because I have never given him any reason to be.

He doesn't allow me to go anywhere alone. When there is shopping to be done, we do it on Saturday—TOGETHER. If I want to buy lingerie or try on something, he goes with me and "waits" for me. I am not alone for a minute.

It's not like I have something "wrong" to do; I would just like a little privacy and I'd like to feel trusted. He is always questioning me. "What did you do today? Did you talk to anybody? Did you see anybody?" Every evening I get the third degree.

Abby, he's not sick. He is just possessive and needlessly jealous. I care for this man, but he is making me very nervous. If you have a clue to his behavior, please tell me. And don't send me any letters. All the mail is saved—to be opened TOGETHER when HE gets home.

PRISONER

DEAR PRISONER: If you meekly accept his word as law you will be a "prisoner" forever. And as for the slightly "third degree," there is an old French saying: "A man is not likely to look behind a door unless he has stood there himself."

CONFIDENTIAL TO "YOUNG PHILOSOPHER": No one said it better than Horace Greeley when he said, "Fame is a vapor, popularity an accident, riches take wings. Only one thing endures, and that is character."

Problems? You'll feel better if you get it off your chest. For a personal reply, write to ABBY: Box No. 68790, L. A., Calif. 90068. Enclose stamped, self-addressed envelope, please.

## Laurie Dingman Becomes Bride Of James Burnham

Nuptial vows were exchanged by Laurie Jeanne Dingman and James Joel Burnham, both of Lubbock, Saturday, June 30, at 7 p.m. in the First Presbyterian Church of Pampa.

Parents of the bride are Mr. and Mrs. Joe B. Pafford, 1913 Lynn, Pampa, and Mr. and Mrs. Robert W. Dingman of Dallas, Penn. Parents of the bridegroom are Mr. and Mrs. Stanley E. Burnham of Hanover, Mass.

**THE CEREMONY**

The Rev. Martin Hager, pastor, and Father Francis J. Hynes, C.M. pastor of St. Vincent's Catholic Church, officiated for the double-ring ceremony. Organist, Jerry P. Whitten, played pre-nuptial music including "Choral," by Jongen; "Jesus, Joy of Man's Desiring" by Bach, and contemporary selections including "Imagine," "Let It Be," and "Wedding Song." The professional "Psalm 19" by B. Marcello, and the recessional, "Trumpet Tune in C" by H. Purcell, were also played. Included during the ceremony was "The Lord's Prayer" by Malette. Appropriate wedding selections and guests' requests were provided by the organist at the reception following the ceremony.

The wedding was performed amid a setting of spiral candelabra, holding white tapers entwined with garland with salal foliage, and white Grecian urns on pedestals, held arrangements of orchid gladioli and white chrysanthemums. The bridal aisle was decorated with clusters of white daisies and greenery.

**THE BRIDE**

The bride was given in marriage by her father, Robert W. Dingman, with the "her mother and I," avowal. She was attired in a formal length gown of white dotted Swiss, featuring a soft V-neckline, accented by silk flowers and short puff sleeves. White satin ribbon encircled the empire bodice, ending in a bow and streamers at the back of the waistline. The gown was fashioned with a full skirt enhanced by a deep flare ruffle encircling the hemline.

Her veiling of French illusion draped softly from white satin ribbon ending in a flat bow at the back of the wide brim garden hat of bridal meline, accented with rows of organza ruching. She carried a colonial bouquet of daisies, sweetheart roses and baby's breath.

The bride carried out the traditional "something old," "new," "borrowed," and "blue," and a birth date penny in her shoe.

**ATTENDANTS**

Miss Meredith Anne Dingman, sister of the bride, Pampa, was maid of honor, and bridesmaid was Miss Janice

**WAIST AWAY**

Start bending into some waist-whittling exercises if you're planning on following this season's fashions. The waist gets lots of exposure via halters, bikinis and rib tops.

MRS. JAMES JOEL BURNHAM nee Miss Laurie Jeanne Dingman

Beth Murray of Pampa. Both wore identical floor-length gowns of orchid dotted Swiss fashioned with short sheer puff sleeves, scoop neckline, and full skirt. The empire bodice was encircled with orchid satin ribbon ending in a bow and streamers at the back of the waistline. They wore wide brim garden hats of orchid meline accented by matching satin ribbon. William D. Campbell of Lubbock was best man, and groomsmen was Thomas Lee Watson of Pampa, David Grant Gikas of Lubbock and John D. Davis of Pampa were ushers.

**MOTHERS**

The bride's mother wore a floor length gown of chiffon in a muted floral design in shades of soft lavender and pink, accented with a cascading ruffle neckline, long sleeves, and a full skirt, ending in a deep flounce. The bridegroom's mother chose a floor length gown of aqua blue polyester crepe with full sheer chiffon sleeves, fashioned with a mandarin collar and an A-line skirt. She wore aqua blue accessories. Both wore pink cymbidium orchids.

**RECEPTION**

Following the wedding, a reception was held in the Crown and Schild Room, Coronado Inn. Champagne punch was served

from a crystal punch bowl, centered on the white satin cloth covering the serving table. The table held a tall silver epergne and candelabra holding orchid tapers and a mixed summer arrangement of daisies, elegance carnations, pink sweetheart roses, orchid-statis and baby's breath.

The three-tiered white wedding cake was decorated with lavender and orchid scrolled roses topped with two silk doves nestled in a cluster of sweetpeas and roses. Miss Nancy Burnham, sister of the bridegroom, Hanover, and Mrs. Gary Richardson of Pampa, served the cake, and Mrs. William Card of Lubbock and Mrs. Allen Rowan of Canyon, assisted at the punch bowl. Registering guests was Miss Susan Burnham, sister of the bridegroom, Hanover.

For the wedding trip to New Mexico, the bride wore a long dress or red and white gingham accented by a white collar edged in lace, and carried an old-fashioned nosegay of summer flowers.

The couple plans to reside at Apt. D-22, 2902 3rd Place, Lubbock.

**AFFILIATIONS**

The bride is a junior at Texas Tech majoring in Social Welfare and is presently

employed at Clark Equipment Co. in Lubbock.

The bridegroom is also a junior at Texas Tech majoring in Psychology. He is currently employed at Plains Mill Co-Op, Lubbock.

**PRE-NUPTIAL EVENTS**

The bride was honored with a miscellaneous shower held May 6 in the Hospitality Room of Citizens Bank, preceded by an informal party, May 5 in the home of Mrs. Deon Edwards. Hostesses were Mrs. D. Edwards, Bill Harwood, L.L. Riddle, R.H. Sanford, and John Young.

College friends of the bride honored her with a dorm party and gifts at the close of the semester.

A rehearsal dinner was hosted by the parents of the bridegroom, June 29 at the Pampa Country Club.

**OUT-OF-TOWN GUESTS**

Out-of-town guests other than the wedding party, were Mr. and Mrs. R.W. Dingman, Jonathan, Christopher, and Scott, of Dallas, Penn; Mr. and Mrs. Frederick E. Dingman, of Westbrook, Conn. Mr. and Mrs. Stanley E. Burnham, Sarah, and John, of Hanover, Mass.; Mrs. Jennifer Bray, of Denver,

Color: Mr. and Mrs. Patrick H. Mapes of San Angelo; Mrs. Irene Ward of Dallas; Mr. and Mrs. Billy C. Wilkerson of Moore, Okla.; Mrs. Pat S. of San Angelo; Mr. and Mrs. Marvin Tibbets, of Lefors; Mr. and Mrs. John Charles Pafford, of Canyon; Mrs. Marilyn Ray, Rhona, and Kellye, of Canyon; Mr. and Mrs. George Friauf, of Ft. ### Buying A Sewing Machine

If you are thinking of buying a new sewing machine, comparison-shop just as you would for a car, advises Miss Jimmie Lou Waincoat, county Extension agent.

Before shopping for a sewing machine, decide whether you want a cabinet or portable model. Then buy the type that fits your needs and pocketbook. "You're wasting money if you buy a machine that has features you'll never use."

A sewing machine may have straight-stitch, zigzag stitch, or a combination of zigzag and utility or decorative stitches. Shop around and try several before deciding which is needed.

When checking a machine, notice if it runs smoothly and

quietly and is free from vibrations at all speeds. Does it have a choice of speeds? Does it operate as well at a slow speed as fast? Will it stop and start quickly?

Take several samples of fabric with you to check stitching. Two strips of fabric, cut equal lengths and seamed, should be the same length after stitching.

Also, stitches should be balanced and not drawn primarily to one side.

Try threading the machine and winding a bobbin. It should be easy to do with accessible threading guides. The bobbin case should be easily removed and replaced.

Where is the light? Does it throw light on the work

surface? Is it where it won't burn you? Does the light make threading easy?

Ask how to clean and care for the machine. Are all parts easy to get to for cleaning and oiling?

Look at the instruction book. It should be easy to read and also contain illustrations.

Does the book seem to have enough instructions? Will the store give you free personal instructions?

Purchase your machine from a reputable dealer who will give reliable service. Also be sure you understand the guarantees offered by the manufacturer.

After comparing machines and making your choice, read the file print of your contract.

Your sewing machine is a longtime investment—make a wise choice.

## State Convention Discussed At Pampa BPW Dinner Meeting

The Pampa Business and Professional Women's Club hosted a covered dish dinner at their regular meeting Tuesday evening in the Flame Room of the Pioneer-Natural Gas Company. Ten guests from the Panhandle and Borger B&PW Clubs heard the program on the 53rd Annual State Convention of the Texas Federation of

Business and Professional Women's Clubs, Inc. held in El Paso Civic Center, May 25-27. Representing Pampa, Mmes. Virginia McDonald, Lois Teel and Faye Eaton were among the 47 members from District 9 who attended.

Mrs. Eaton reported that 752 members registered for the convention which had as its

theme, "Star - Ways to Action." Miss Jo Ann Clements, Plainview, presided at the opening session Friday night, at which the featured speaker was Mrs. Sara Bruce, Franklin, Tenn., treasurer of the National Federation of B&PW Clubs, who followed the 1973-74 program outline, "Challenge to Commitment" by stressing ESP: economic concern, social concern, and political concern. "A challenge is a dare. Work toward this challenge, know yourself and let go; walk out in front and lead. Be a dreamer and a doer. If you do not stand for anything, you will be a stumbling block," she stated.

The colors were presented at opening and closing sessions by units from the U.S. Air Defense school, Fort Bliss. Following the opening session, an International Reception honored National Representative Sara Bruce; Texas Federation president, Jo Ann Clements; Gloria Ramirez, past president, Mexico Federation, and the Texas Federation officers and nominees. A mariachi band added the international atmosphere.

Mrs. Virginia McDonald, District 9 Director, was one of

the State Board members feted in Juarez on Friday evening and was presented a card making her an honorary citizen of Juarez by the mayor.

Daytime workshops were held and Mrs. Teel reported on those on Leadership, Membership and Personal Development, stating that four out of five women now work. "The leader uses her heart as well as her head. She is a woman builder. A self-starter. The leader can be led. She who cannot lead or follow falls behind. The higher a person climbs, the more consideration of others is a must," she concluded.

Delegates to the National Convention to be held in Miami Beach, Fla. July 13-18, were elected, and the state voted to present Mrs. Geraldine Eidsen, as nominee for National Secretary. The 1973-74 chairman of the Young Career Women, Jean Moffatt, Seminole, introduced the 13 District participants.

Mrs. Hermine Tobolowsky, Dallas, installed the new State Officers, who are: Maude Arnold, president, 1973-74; Chloe Monroe, president-elect (will be president in 1974-75); Darlene Bonner, 1st vice

president; Charlene Berry, 2nd vice-president; Kandy Reeder, 3rd vice-president; Hazel Crawley, Amarillo, recording secretary; and Dolores Lawless, Jewett, District 9 Director for 1973-74 will be Shirley Dobbs.

MRS. BILLY WAYNE SCRIBNER  
nee Miss Cathy Lynn Daugherty

## Daugherty-Scribner Vows Are Solemnized

Miss Cathy Lynn Daugherty became the bride of Billy Wayne Scribner, Saturday, June 23, at 8 p.m. in the First Christian Church of Pampa. The bride is the daughter of Mr. and Mrs. Frank M. Daugherty of Pampa and parents of the bridegroom are Mr. and Mrs. L.M. Scribner, also of Pampa.

**THE CEREMONY**  
The Rev. Ralph Palmer officiated for the double-ring ceremony before a rainbow candelabra and a double spiral candelabra entwined with greenery, hot pink, light pink, and white feathered carnations. The aisle lights were entwined with hot pink, light pink and white feathered carnations with ivy and hot pink streamers.

Mrs. Donald Walberg, organist, presented selections of "Romeo and Juliet," "Lara's Theme," "More" and the theme from "Love Story." Mrs. Charles McDonald, soloist, sang "Twelfth of Never," "My Own True Love" and "Wedding Prayer."

**THE BRIDE**  
The bride, given in marriage by her father, with the "her mother and I" avowal, wore a formal gown of satin organza over bridal taffeta, designed with a Victorian neckline and yoke bodice of Chantilly lace enhanced by a satin organza ruffle. Her long sheer sleeves tapered to flares at the wrists. The bouffant skirt and chapel-length train featured an apron effect of deeply bordered Chantilly lace. Her chapel-length veil of illusion was edged with lace and fell from a coil of leaves and petals trimmed and accented with seed pearls. Her bouquet was a nosegay of pink roses, hot pink feathered carnations, and lily of the valley with streamers of pearls and pink ribbon.

**MOTHERS**  
The mother of the bride wore a floor-length pink long-sleeved gown of organza net over satin. The mother of the bridegroom wore a floor-length long-sleeved gown of soft pink knit.

**ATTENDANTS**  
Matron of honor was Mrs. Cecil Newman of Pampa. Bridesmaids were Mrs. Jeff Mayfield and Mrs. Phil Savage, both of Pampa. Mrs. Myron Scribner registered the guests. They wore floor-length gowns of hot pink, styled with empire waistline and bouffant sleeves, trimmed with lace appliques of multi-colored pink flowers. They wore wide brimmed net hats trimmed in matching appliques.

Their nosegay bouquets were of hot pink, light pink and white feathered carnations. Best man was Phil Savage of Pampa. Groomsman were Gene Ferguson and Ronnie Milton, both of Pampa and Myron Scribner, brother of the bridegroom of Amarillo. Candelighters were Danny Daugherty, brother of the bride, and Jeff Mayfield, both of Pampa. Ushers were Myron Scribner and Jeff Mayfield. They wore black tuxedos with hot pink ruffled shirts.

Ringbearer was Rusty Ferguson, son of Mr. and Mrs. Gene Ferguson, and flowergirl was Michelle Whitney, daughter of Mr. and Mrs. Don Whitney, cousin of the bride.

**RECEPTION**  
Following the ceremony, a reception was held in the church parlor. The serving table was covered with a white net over light pink. The centerpiece was an arrangement of hot pink candles surrounded with hot pink, light pink and white

feathered carnations, baby's breath and fern. A miniature bride and bridegroom in a garden house, topped the eight-tiered Lady Weidemer cake. Five small cakes made the arrangement for the bottom tier. Each tier was decorated with hot pink roses and rose buds and scrolls of icing, feathered filligree and swans, decorated the other tiers.

For the wedding trip to Carlsbad Caverns, Ruidosa and Six Flags, the bride wore a green and white layered-look knit dress with a corsage of daisies. They will make their home at 1728 N. Coffee, Pampa.

**AFFILIATIONS**  
The bride attended West Texas State University, majored in secretarial studies and is presently employed by a local attorney. The bridegroom attended E.T.S. and W.T.S.U. and is a self-employed pipeline welder.

**PRE-NUPTIAL EVENTS**  
The bride was honored with two showers in the Flame Room. May 26 hostesses were Mmes. Phil Savage, Cecil Newman, W.M. Burns, Bill Baten, Phil Altman, Luke Garvin, Gene Ferguson and Miss Kathy Ward. June 3 hostesses were Mmes. John Chesher, J.T. Rogers, Jack Benton, Donald Walberg, Bill

Forman, Boyd Brown and Joe Massingale. A rehearsal dinner was hosted by the parents of the bridegroom at Dyer's Bar-B-Que.

**OUT-OF-TOWN GUESTS**  
Out-of-town guests were Mr. and Mrs. Lee Butler Jr., grandparents of the bride of Amarillo; Mr. and Mrs. Earl Alexander and family of White Deer; Carolyn Brown and Gary Hyatt, both of Canyon; Mr. and Mrs. Archie Scribner and family, Eules; Mr. and Mrs. Gerald Scribner and family, Spearman; Mrs. Gene Purvis, Midland; and Mr. and Mrs. Myron Scribner and family, Amarillo.

## Your Horoscope

By Jeane Dixon

**SUNDAY, JULY 1**  
Your birthday today: Half-year resolutions are as much in order as New Year's, perhaps more so, because it's your birthday. Tentative beginnings finally take effect late in the year, resulting in rises in earning power, morale, and the will to attempt something new. Today's natives tend to have long, clear memories.

**Aries [March 21-April 19]:** Be on hand and in style for your share in a most interesting Sunday ceremony. Once that's done, the day takes care of itself.

**Taurus [April 20-May 20]:** You find you're putting together the program for everybody. In the course of every decision, you build toward a definite decision.

**Gemini [May 21-June 20]:** It may take extraordinary salesmanship to get your pet ideas adopted. It's great if you make it; if not, enjoy what you do get.

**Cancer [June 21-July 22]:** Seek solitary meditation, prayer, adopt as your own the true spirit of Sunday. Evening should see you back in a social whirl.

**Leo [July 23-Aug. 22]:** A sentimental atmosphere pervades the entire day. Be active, make the rounds, seek changes in the local scene.

**Virgo [Aug. 23-Sept. 22]:** Getting neglected accounts and the fine bits of figures cleared off is very helpful to your week coming up.

**Libra [Sept. 23-Oct. 22]:** You owe it to yourself to make an elegant presentation of yourself and your achievements.

**Scorpio [Oct. 23-Nov. 21]:** Your senses are alert for a clue all day, then abruptly, late in the evening, comes inspiration and decision.

**Sagittarius [Nov. 22-Dec. 21]:** Work is cut out for you in putting order in your own affairs and those of loved ones.

**Capricorn [Dec. 22-Jan. 19]:** Make amends or apologies wherever they seem expected of you, even tho you may not be at fault.

**Aquarius [Jan. 20-Feb. 18]:** Attend to your home base first. Affirm your faith in the infinite resources available to all.

**Pisces [Feb. 19-March 20]:** Be on your way early in search of a fresh viewpoint, some idea for reorganizing toward higher efficiency.

**MONDAY, JULY 2**  
Your birthday today: Enterprize is your slogan this coming year. What you seek in sincerity comes readily; those things of which you are not sure may pose problems. Material well-being, earnings take priority. Today's natives are creative, impulsive, never forget an emotional situation.

**Aries [March 21-April 19]:** Postpone major outlays—you'll get a better deal later. Home and family arrangements take much discussion to settle.

**Taurus [April 20-May 20]:** Impulse leads to an increase of expenditures and probable returns. Take advantage of fairly smooth working conditions.

**Gemini [May 21-June 20]:** Stretch your routines to include an extra tour, even detour. Getting involved with neighbors can be very constructive.

**Cancer [June 21-July 22]:** Social issues come to the surface. Your sphere of activity enlarges, should bring pleasure and achievements.

**Leo [July 23-Aug. 22]:** Your powers are at peak; so think big, but waste no time on superficial things or people who get in the way.

**Virgo [Aug. 23-Sept. 22]:** Pause in your busy rounds, let intuition come in. Strong self-sustaining forces are working in your favor.

**Libra [Sept. 23-Oct. 22]:** Provocative experience comes from the activities of your friends. You may change your mind as you see life in a different light.

**Scorpio [Oct. 23-Nov. 21]:** Begin your week with zest, assuming this is a kick-off for a success campaign. Add new tools or adopt new methods.

**Sagittarius [Nov. 22-Dec. 21]:** Current conditions permit promising expectations. Move toward long-term goals resisting temptation toward laziness.

**Capricorn [Dec. 22-Jan. 19]:** Consolidate the day's progress as social activity builds to greater importance. Keep moving!

**Aquarius [Jan. 20-Feb. 18]:** Check out your plans with all concerned, be willing to revise them. There's somebody who may need your help and advice.

**Pisces [Feb. 19-March 20]:** Be energetic, enthusiastic but not in a rush. Associates tend to indulge in distracting behavior.

Polish floors after waxing them—they'll be safer to walk on. The more you polish, the harder and drier the wax becomes. Between waxings, dust floor with a dry mop, advises Patricia A. ## Ten Kitchen Safety Tips For Busy Mothers

The kitchen is a warm and friendly area of the home-filled with the good smell of freshly baked cake, the aroma of hot coffee and exotic spices, the sound of sizzling steaks and French fries. It's a happy gathering place for family and friends. And, for a small child, the sights and sounds and smells of food preparation make the kitchen the most fascinating room in the entire house.

But the kitchen also can be the most dangerous room in the house for a curious toddler—especially if there are electric cords that can be put into the mouth, open outlets within reach, or appliances that can be pulled down from cabinet counter or table tops. The child who can reach the top of a range also may be able to spill a pan of boiling water or scalding-hot grease over his body. Below counter-top level, there could be such hazards as toxic household chemicals and hot water pipes under the sink, cabinet drawers filled with sharp knives, or an oven hot enough to broil meat. In fact, most kitchens simply are not designed with small children in mind.

But for the busy homemaker who can't keep her eye on a curious child every second, here are some safety suggestions from the Coffee Information Institute:

1. Be sure that any electric outlets below counter-top level are covered or concealed. And don't allow electric cords to hang below the counter or table top.
2. Do not store sharp instruments, such as knives or

3. Never allow the handles of pots or pans to extend over the edge of a kitchen range; keep them turned toward the rear or side of the stove. And when buying a kitchen range, make sure the heating units and controls are beyond the reach of small children.
4. Keep children away from kitchen areas that may be especially hazardous during meal preparation; a child playing on the floor beside a kitchen range is much more likely to be burned by any hot liquids that may be spilled.
5. When pouring hot liquids, always pour away from yourself; and pour very slowly. Instant coffees and soup mixes tend to effervesce when boiling water is poured too quickly.
6. Choose coffee cups or mugs that are designed so they will not tip easily. Some of the modern stemmed cups are attractive but tend to be "top heavy" so they are more likely to tip over and spill the contents.
7. When placing containers of hot foods or liquids on a table, put them as close to the center of the table as possible—or well away from the edge of the table. Also, when small children are likely to be around, use place mats rather than a table cloth that can be pulled off the table along with containers of hot foods. And don't use lighted candles on the table when children are present.
8. Help make your kitchen accident-proof by adopting the perspective of a small child. Remember that a child may not be tall enough to see that a pot on the stove or a bowl on the table contains hot food. Also, if the child is allowed to play with pots and pans, he may think of the food containers on the kitchen range as his toys. If he sips fluids occasionally from an adult's cup, he may assume that the cup on the table is for his use.
9. Resist the temptation to hold a child in your arms while enjoying a cup of any hot beverage. A frisky child can knock the cup out of your hand in a fraction of a second. Put the youngster in his playpen, high-chair, or some other safe place during your coffee break.
10. Finally, be sure you know what to do if an accident occurs in the kitchen despite your precautions. In case of burns, for example, the proper emergency treatment is to apply ice or cold water to the burn area. And keep your doctor's telephone number posted nearby so you can contact him quickly about any serious accident.

Most accidents are predictable and preventable. So make yourself a committee of one to keep the kitchen a happy room rather than a hazardous room.

## Installation Highlights Top O' Texas OES Meeting

Open installation of officers was held at Top O' Texas No. 1064, Order of the Eastern Star recently. Mrs. J.L. Dusanin was installed as worthy Matron and Hugh Shotwell as worthy patron. Mrs. Earl Casey presided at the guest register with approximately 70 guests attending.

Background music was provided by Mrs. Floyd Hood, as Lynne and Steve Holcomb, grandchildren of the worthy matron-elect, in the candles. The Bible was presented by Marcie Holcomb, also a grandchild of the worthy matron, and the Square and Compasses by Lynne Holcomb.

Mrs. G.K. Reading, installing officer, introduced those assisting her. Mrs. David Rife, installing marshal; Mrs. Howard Price, installing chaplain; Mrs. Floyd, installing organist; and Mrs. C.J. McNaughton, installing secretary.

The following officers were installed in addition to the worthy matron and worthy

patron: Mrs. Paul Dalton, associate matron; Paul Dalton, associate patron; Mrs. A.P. Coombes, secretary; Mrs. Bill Willis; treasurer; Mrs. Austin Ruddick, conductress; Mrs. N.B. Ellis, associate conductress; Mrs. Wilfred Stubbfield, chaplain; Mrs. Hugh Shotwell, marshal; Mrs. Truman Attaway, organist; Mrs. F.T. Coffee, Adah; Mrs. Alice Palmer, Ruth; Mrs. Robert Dittmeyer, Esther; Mrs. James Winkleblack, Martha; Mrs. L.T. Goodnight, Jr., Electa; Mrs. Lester Cain, Warder; and Mrs. James Washington, Sentinel.

Following installation, Marcie Holcomb sang, "I Believe." Greetings were given by worthy matron and patron, and jewels were presented to junior past matron, Mrs. David Rife, and junior past patron, David Rife.

The reception, under the direction of Mrs. M.Q. Wilson, carried out the worthy matron's colors — pink, white and gold. The table was covered with pink

net over pink satin and a silver candelabra with pink tapers and pink satin roses centered the table. Mrs. Paul Dalton and Mrs. Hugh Shotwell attended the punch and coffee services.

Tops of young green onions and dark green, outer leaves of lettuce and cabbage add color to salads and contribute considerable nutrients — particularly vitamin A, according to Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, Texas A&M University.

## Seitz-Chapmon Vows Exchanged In Mobeetie

The First Baptist Church of Mobeetie was the setting Friday, June 29, at 8:30 p.m. for the exchange of nuptial vows by Miss Betty Ruth Seitz and John Wiley Chapmon.

The bride is the daughter of Mrs. Loy D. Seitz, and the late Mr. Loy D. Seitz of Mobeetie. The bridegroom is the son of Mr. and Mrs. Bill Chapmon of Wheeler.

The Rev. Aaron Laverty officiated for the double-ring ceremony. Pianist, Kay Ridgway, accompanied, Glenda Dickey, as she sang, "Walk Hand In Hand."

The church was decorated with two candelabra entwined with greenery and two tall basket arrangements of white gladioli with pink carnations.

The bride, given in marriage by her brother, Duncan Seitz, wore a formal gown of Chantilly lace over bridal taffeta. The fitted bodice was styled with a Sabrina neckline, natural waistline and long fitted sleeves that ended in points over the hands. The bouffant, floor length skirt featured tiers of ruffles in waterfall fashion, styled with a wide bow and streamers at center back which swept into a chapel train. Her two-tiered veil of imported bridal illusion, fell from a looped bow coil of tiny rose buds and she carried a bouquet of white and pink pom poms.

The couple will make their home at 712 W. Oklahoma in Wheeler.

The bride was honored with a miscellaneous shower in fellowship hall of Mobeetie First Baptist Church. Hostesses were Mmes. Helen May, Maurita Stribling, Bulah Grimes, Fannie Whitten, Maida Allen, Gazelle Patterson, Clara Ridgway, Claudetta Clara, Louise Hogan, and Goldie Gordon.

The bridegroom was honored with a shower in the home of Curtis Moore of Wheeler, hosted by Mmes. Katie Finsterwald, Ida Mac Goad, Estelle Burgess, Odessa Whitner, Peggy Ford, Ruby Jones, Opal Heley, Anna Green, and Floyd Davidson.

The couple will make their home at 712 W. Oklahoma in Wheeler.

The bride is a 1973 graduate of Mobeetie High School, and the bridegroom graduated from Wheeler High School in 1967 and attended Oklahoma State Tech and Lubbock Christian College. He is presently self-employed at J&J Shamrock Station in Wheeler.

For the reception held in fellowship hall of the church, the three-tiered wedding cake was topped with wedding bells and decorated with pink rosebuds. Glenda Dickey served the cake and Jo Martin assisted at the punch bowl. Registering guests was Charlotte Seitz.

For the wedding trip to parts of Colorado, the bride wore a pink double knit dress with a darker pink design and lifted the corsage from her bridal bouquet.

## Window Shades Conserve Energy

COLLEGE STATION — Window shades cut down on energy required to cool a room since tremendous amounts of cold are lost through windows.

Drawn shades reduce what architects call cold-or-heat bounce, which causes drafts. Patricia A. Bradshaw, housing and home furnishings specialist, Texas Agricultural Extension Service, Texas A&M University System, explained.

Drafts make a room seem hotter or colder than it actually is — so residents often turn up air conditioners or change thermostat settings for comfort. As a result, additional energy or electricity is required.

When energy savings — from drawn shades — are established over an entire

house, homemakers actually conserve considerable amounts — and cut down on electric bills at the same time.

Miss Bradshaw noted that the window shade industry piloted a special "June is Window Shade Month" program last year — and are repeating it this year.

Its purpose is to show homemakers how to reduce fuel used while creating attractive window treatments. June was chosen since it's the time when air conditioners "eat up" electricity.

However, energy conservation isn't limited to summer months, the specialist pointed out.

Window shades also reduce heating losses during winter and fall.

## Altrusa Club Slates Officers Installation

"Changing of the Guards" was the program topic for Altrusa's meeting recently, when officers for the coming year were installed by Vernell Meador.

Miss Meador stated that a leader is a great servant, has high goals, is an implement of civilization and leaves behind a will to carry on.

Officers installed were Katherine Sullins, president; Geneva Tidwell, vice-president; Georgia Johnson, treasurer; Mary McDaniel, recording secretary; Jean Scott, corresponding secretary;

and Jimmie Lou Wainscott, Marian Stroup and Irene Cox, directors.

Following the pinning of the president and vice-president, Katherine Sullins, told that the goals for the coming year were to strengthen club service, to vitalize club membership, to expand Altrusa's activity and to expand Altrusa's influence.

The Altrusa International 1973-75 Biennial program is "A Channel for Change."

TX Tops Club No. 255 Skellytown met recently in the Library with the members being weighed in by Mrs. Saidie Lane, weight recorder.

The meeting opened with leader, Odell Hassler, in charge with members giving the club pledge in unison and Tops songs were led by Margaret Simmons. Odell Hassler was crowned weekly queen for a loss of 3 1/2 lbs. She also received the fruit basket, the club members lost 1 1/2 lbs. with a gain of 1 1/4 lbs.

A two weeks contest began and will end July 10, each member is to bring a wrapped gift next week and the winner of the two weeks contest will receive all the gifts.

The members drew for buddy pals. Saidie Lane gave the program. The last word by Fottie Fields.

Those attending were Mmes. Naomi Fox, Saidie Lane, Gladys Simmons, Odell Hassler, Fannie Coleman, Juanita McCarthy, Margaret Fox, Barbara Easley, Margaret Simmons and Laura Jo Skaggs.

Tangerine — the "hottest" color in electric housewares. According to a recent survey of popular appliance colors, tangerine ranked first, followed by lemon yellow and light magenta, notes Lillian Cochran, home management specialist with the Texas Agricultural Extension Service, Texas A&M University System.

Miss Fulcher is a 1969 graduate of Pampa High School and a 1971 honor graduate of Clarendon Junior College, where she was a member of Phi Theta Kappa national junior college honor fraternity. She was listed in Who's Who among students in American Junior Colleges. She will be a December graduate at West Texas State University where she is a history and government major, and is a member of Kappa Delta Pi, honor education fraternity. Her fiance, a 1970 graduate of Stinnett High School, is a 1972 graduate of Frank Phillips Junior College. He is also a senior student at WTSU where he was listed on the dean's honor roll for the 1973 spring semester. He is a math and physical education major and is employed for the summer by Panhandle Eastern.

*Demonstration-Freezing Fruits And Vegetables*

Gardens are growing and looking pretty, so it is time to begin thinking about food preservation. Jimmie Lou Wainscott, Gray County Extension Agent will give a demonstration on "Freezing Fruits and Vegetables."

Her demonstration will include the five points to success in freezing foods. These steps are: good quality, careful preparation, proper packaging, loading the freezer, and length of storage.

The demonstration will be held at the Courthouse Annex.
