**RIBBON RAMBLINGS**  
By Mildred Young

"Give me the man who drives up to his favorite garage or filling station and addresses the manager:

"Look, friend, I'm already sold on the value of lubrication and care, so you can save your breath.

"What I want you to do is this: I want you to take full charge of servicing my car so long as you keep the price anywhere within reason. Now wait a minute. Before you start wrestling with the assumption that I have lost my marbles, let me point out one slight catch in this proposition. I want that car to stay in running order.

"If one of the children should take down with the croup I want her to be hitting on all six. Or if Aunt Samantha is suddenly stricken with epizootic sixty miles away I want to be able to push the starter button and have something happen.

"I don't want to discover some cold morning that the wheels ought to have been packed some 4,000 miles back or that the radiator cap should have been jacked up at regular intervals. In other words I want to have something happen I want to hear something besides gobbledegook.

"If the worst should happen and she won't start, let's understand right now that the repairs are on the house. Check!"

We like the above quotation because we've always been of the opinion that people who render various services ought to be able to render them without interference from the sidelines. After all, if someone is paid to perform a service, they should have the knowhow. If they don't, their customer can go to someone else. Usually when a person doesn't know how to render a service, they can't be told how to do it.

**Bridal Shower Given At R-Bar**

Honoring Mrs. N. Martin and Mrs. M. Mullins, Mrs. Doris Webb entertained with a bridal shower given in the home of Mrs. R. E. Martin at R-Bar. Other hostesses were: Mrs. Earl Hull, Mrs. W. R. Grayson, Mrs. H. C. Reid, Mrs. J. L. Baugh, Mrs. W. L. Barker, Mrs. Morgan Coates, Billie Webb and Ruth Holley.

Refreshments, including a white cake topped with tiny pastel roses were served from a lace covered table centered with a bouquet of purple and white stock.

Those attending were: Mrs. S. F. Buchanan, Mrs. Johnnie Walker, Mrs. Carl Dale Reid, Mrs. Clay Reid, Mrs. M. L. Watts, Mrs. Paul Bishop, Mrs. Bert Shive, Mrs. Zack Mullins, Mrs. Jack Dulaney, Mrs. Jack Parrish, Mrs. E. C. Howard, Mrs. Charlie Webb, Mrs. W. H. Wise, Mrs. Lester Wise, Mrs. N. C. Bell, Mrs. Bessie Wise, Mrs. Jack Cathey, Mrs. Earl Hull, Mrs. W. L. Barker, Mrs. Jack Roberts, Mrs. Evaline Reid and Mrs. L. Day.

**Meeting Place Changed**

Mrs. C. Y. Clinkscales, 705 West 18th, will be hostess to the Sew and Chatter club Wednesday at 3 p.m. instead of Mrs. Ches Anderson as previously announced.

**Shower Honors Constance VanMeter And Glenn Eugene Smith Saturday**

**FORNSAN, Jan. 23. (Sp1)—**The home of Mr. and Mrs. C. W. Wash was the scene of a pre-nuptial shower Saturday evening honoring Constance VanMeter of Decatur and Glenn Eugene Smith of Big Spring. Both are students at North Texas State College, Denton. Smith formerly lived in Forsan.

Other hostesses were: Mrs. I. O. Shaw of Colorado City, Mrs. E. N. Baker, Mrs. H. E. Peacock, Mrs. O'Bar Smith, Mrs. Jessie Overton, Mrs. J. B. Hicks, Mrs. O. N. Green, Mrs. E. N. Baker, Mrs. J. E. Chanlor.

The Valentine motif was carried out in the table decorations. Covered with a white linen cloth, the table was centered with a red heart filled with red and white carnations and outlined with miniature red paper hearts on streamers which were inscribed with the names, Glenn and Connie. Mrs. Sammie Porter presided at the silver coffee service. Evva Smith poured tea. Mrs. O. N. Green and Mrs. O'Bar Smith assisted with the serving. Mrs. E. N. Baker presided at the register. Mrs. O. O. Shaw displayed the gifts.

The bride-elect wore a formal dress fashioned of gold lace and taffeta. Her corsage was a necklace arrangement of yellow rosebuds. Mrs. Olin James VanMeter, mother of the bride-elect, wore a street-length dress of navy sheer and a corsage of pink gladioli. Mrs. Glenn Smith, mother of the groom-to-be, wore a street-length dress of cocoa brown crepe. Her corsage was yellow rosebuds.

Music for the evening was provided by Deryl Miller, Sara Chanslor, Bettye Robertson, Billie Sue Sewell, Johnita Griffith, Billie Gaudy, Betty Oglesby and Patsy McNallen.

Attending were: Mr. and Mrs. Sammie Porter, Mr. and Mrs. O. N. Green, Mr. and Mrs. Bobby Crowley, Mr. and Mrs. Joe B. Hoard, Mr. and Mrs. W. B. Dunn, Mrs. Robert Kneer, Mrs. J. B. Hicks, Mrs. E. N. Baker, Mr. and Mrs. B. D. Caldwell, Mrs. J. T. Holladay, Betty Oglesby, Billie Gaudy, Johnita Griffith, Patsy McNallen, Deryl Miller, Sara Chanslor, Billie Sewell, Bettye Robertson, Gwen Oglesby, Evva Smith, Mrs. O'Bar Smith, Mr. and Mrs. C. V. Wash and Bogby Wash, Mrs. Mrs. J. E. Chanlor.

From Big Spring: Dr. and Mrs. P. D. O'Brien, the Rev. and Mrs. J. W. Arnett, Mrs. Inez Lewis, Mr. and Mrs. Gene Smith, Mr. and Mrs. Albert Roberts, Mrs. Herbert Smith, Mr. and Mrs. R. C. George, Mr. and Mrs. W. C. Blankenship, Mr. and Mrs. Wayne Williams, Mr. and Mrs. Glenn Smith and Glenn Eugene Smith.

Mr. and Mrs. I. O. Shaw, Mr. and Mrs. O. A. Ruffin and Eldon of Colorado City, Mr. and Mrs. Joe Marting of Kermitt, Mrs. Allie B.

**Over 2,500 Persons Attend Sunday School**

Over 2,600 persons attended Sunday school in Big Spring yesterday, according to figures given by 15 local churches.

Highest figure for the day went to First Baptist with 554 present and lowest to State Street Baptist with 12.

Other figures were: Park Methodist, 49; Wesley Methodist, 149; First Methodist, 400; East Fourth Baptist, 450; Airport Baptist, 113; First Presbyterian, 223; First Christian, 115; Church of Christ, Main Street, 213; Assembly of God, 149; Church of Nazarene, 39; St. Paul's Lutheran, 54; Salvation Army, 52; and Westside Church of God, 52. Total figure was 2,625.

**Named College Head**

**HARRISBURG, Pa., Jan. 23. (U)—**Mildred Stover Eisenhower, long a career government official and since 1941 president of Kansas State College, is to be the new president of Pennsylvania State College.

**Navy Jet Hangs Up Unofficial Record**

**LOS ANGELES, Jan. 23. (U)—**A Navy jet pilot has flown the 330 airline miles between San Francisco and Los Angeles in 24 minutes 54 seconds, an unofficial record.

Lt. Comdr. John L. Butts, 29, Miami, Fla., flew a Grumman F3F Panther yesterday on the flight which was timed by the CAA from a standing start.

**Forans News Notes**

**FORNSAN, Jan. 23. (Sp1)—**Faye Hill, a student at Howard Payne college, was a weekend guest in the home of Mr. and Mrs. J. D. Gilmore, Doyley, Richard and Tommy.

Mr. and Mrs. O. A. Ruffin and Eldon were recent guests in the home of Mr. and Mrs. O. N. Green.

Mr. and Mrs. J. B. Hicks were Sunday visitors in Brownwood. They were accompanied by their son, J. B. Hicks, Jr., Doyley Gilmore and Faye Hill, who were returning to school at Howard Payne College.

**VISITS and VISITORS**

G. D. Hair, LaPorte, is visiting his parents, Mr. and Mrs. J. J. Hair, 603 Runnels.

Mr. and Mrs. J. B. Pickle are due to return today from Austin where they visited Mr. and Mrs. J. J. Pickle and Mr. and Mrs. Johnny Lancaster during the weekend. Accompanying them home will be their daughter, Mrs. Lancaster, and her three children, Dede, Meredith and David.

Friends here have received word that Mr. and Mrs. Henry B. Pennington, Eastland, will observe their Golden Wedding anniversary on Jan. 29. He is known to many old timers here, having been associated for a number of years with the Matthews & Walcott general merchandising store.

Jungle Rules Aid Survival

By WILLIAM C. BARNARD Associated Press Staff Just slip this set of rules in your wallet, please. They'll come in very handy the day you find yourself lost in the jungle.

An old expert at jungle survival, Dr. R. A. Howard of Harvard University, came to Texas and addressed a class of flight surgeons at Randolph Field, San Antonio.

"Some persons stranded in the jungle have had pretty good luck by watching monkeys and eating what they eat, but it's better to dig the pig. A wild pig has a digestive system very much like ours.

"Food is to be found among both plant and animal life. Personally I like the plant food best. You don't have to run it down. As for animal food, any animal with hair is good to eat.

"Grasshoppers are good if you pull the legs off. So are butterflies with wings pulled off. Wood grubs found in rotting logs are very nutritious.

"If no water is available," said Dr. Howard, "the blood of a turtle or any animal will suffice. The juice of any vine or fruit of any tree also could answer the water need, provided it isn't bitter or soapy or is not milky or colored."

"As for hazards: 'Many plants and vines are covered with small spines. These are usually reflex at the tip and are infested with fungi and bacteria. Extreme cau-

tion must be taken to protect the body against these.' Here's how to use your undershirt to keep away mosquitoes: 'Just tie up the arm and neck

openings, slip it over your head and tuck the ends securely under other clothing," the doctor said. 'Just try it and you'll find yourself flying blind.'

Snyder Voters Okay \$600,000 School Bond Issue Saturday

Voters of the Snyder Independent School district Saturday approved a \$600,000 bond issue. The vote was 362-24. Proceeds from the issue will finance construction of a new ward school in northwest Snyder.

This was the second major issue within a month to be approved at Snyder. Previously, residents of the city had passed a million and a half in water, sewer and street improvements. The schools, flushed by population attracted by fabulous oil play, now have 2,300 enrolled.

Garcia Jailed In Shooting Affray

Mike Garcia is confined to the county jail this morning, charged with assault and attempt to commit murder in connection with the shooting of Juan Parra in a scrape which occurred in the northwest section of the city Saturday night.

Parra, hit in the shoulder with a bullet, was not believed seriously injured. Garcia said the incident climaxed some 'old trouble' between the two but did not elaborate.

The jail door was also opened for Lupe Zapata, accused of assault. Miss Zapata allegedly broke a beer bottle and showed the jagged end into a man's face following an argument.

Ex-City Resident Moves to Lubbock Felton Smith, Jr., son of Mrs. Felton Smith, Sr., of Big Spring and a former local resident, is moving from Fort Worth to Lubbock to enter business, his mother has learned.

Felton has been in the reintegration business in Fort Worth.

Local Pair Escape Injury In Mishap Mrs. Quintie Floyd and Billie Hix, both of Big Spring, escaped injury in an automobile mishap which occurred between Stanton and Midland Sunday afternoon.

The accident occurred when a vehicle Mrs. Floyd was driving to circle pulled out to pass the machine just ahead of it.

Mrs. Floyd's vehicle brushed fenders with the car just ahead and went into the ditch before coming to a stop. Damage to the Floyd machine was estimated at several hundred dollars.

Driver of the other car involved in the accident lives in Midland.

Changes Churches CORSIANA, Jan. 25. (P) - Dr. James Icaridge, for eight years pastor of the First Baptist Church, has resigned to accept a similar post with the Seventh & James St. Baptist Church in Waco. His resignation is effective next Sunday.

Tucker & Co. Acquitted Of Fraud Charges

CHICAGO, Jan. 25. (P) - The dapper former head of the bankrupt Tucker Corp. and seven associates in a \$28 million venture to mass produce a rear-engine automobile were found innocent yesterday of government charges of fraud.

A federal court jury returned the verdict for Preston T. Tucker and the other defendants on charges of mail fraud, conspiracy, and violation of federal securities regulations in planning manufacture and sale of the car.

The jury heard 73 government witnesses in the three-month trial. The case had gone to the jury at 10:55 Saturday morning without any of the defendants or witnesses in their behalf offering testimony. Defense attorneys contended simply that the government had not proved any of the charges in its 31-count indictment.

Tucker, 49, last president and board chairman of the corporation from the time he launched it in 1947 until it sank into bankruptcy last March. Other defendants acquitted were Fred Rockelman, 63, executive vice president; Robert Pierce, 50, treasurer; Mitchell W. Dulan, 35, sales manager; Otis Radford, 45, a former treasurer; Floyd D. Cerf, 60, underwriter of a \$17,500,000 stock issue; Harold A. Karrison, 53, an assistant in the early promotion; and Cliff Knoble, 53, advertising manager.

Texas Highway Map For 1950 Called Best Ever Published

AUSTIN, Jan. 25 - Want to know the best route from Boca Chica to Texline? Or any other route in Texas? Motorists may have the latest official Texas Highway map just for the asking.

D. C. Greer, state highway engineer, states that the 1950 map is the best ever published. Anyone desiring a free copy should contact the Texas Highway Department.

The new map has been brought up to date to show all of the recent changes in the principal highways of the state. Complete mileage tables are shown.

Twenty-five full color pictures show points of interest in Texas and along the Pan-American Highway in Mexico.

The highway department distributed three hundred thousand copies of the 1949 edition. An even larger demand for the new map is anticipated.

Big Spring Eagles Attend San Angelo District Meeting

Thirteen members of the Fraternal Order of Eagles lodge of Big Spring attended the district FOE meeting in San Angelo Sunday.

The group assisted in the initiation of 11 new Eagles to the San Angelo Aerie. The organization voted to hold the district meeting for February in Odessa.

The Big Spring area has four meetings scheduled for this week. Tonight, members of the organization gather at Eagle hall for a game night program. Regular business session will be held Wednesday.

Thursday night, square dance classes will be conducted for members of the organization. A membership banquet is scheduled for Friday evening with each member of the lodge to bring as a guest a prospective new member.

EGYPTIAN GIRL'S FATHER APPROVES KING AS PROSPECTIVE SON-IN-LAW

CAIRO, Egypt, Jan. 25. (D-L) - (Delayed by censor) Hussein Fahmi Sadek, father of beautiful 16-year-old Narmeen Sadek, said tonight he would be "filled with honor and joy" if his daughter married King Farouk.

(Reliable sources outside Egypt's strict censorship have reported that Narmeen's engagement to King Farouk, 27, a former United Nations economist, had been broken at the order of King Farouk, who is seeking the beauty as his own bride.)

Sadek, secretary-general of the Egyptian communications Ministry, told reporters he was making his comment only to correct errors in press reports abroad. He declined further comment on the affair except to say he had heard "rumors" of a match between Narmeen and the king. "If fate so willed," he added, his family would be filled with honor and joy.

Narmeen, an only child, is living quietly at home these days, he said. The foreign office press department on Dec. 29 said: "All news concerning his majesty's engagement is premature. All information published in this respect is completely without foundation."

The above dispatch was the first hinting at the royal romance permitted to pass through Egyptian censorship. Friends of Sadek, however, have said he first opposed a royal marriage at the expense of her "love match" with Hashem. Recently, they said, the father has been won over—although he had no alternative since he could not say no to a royal command.

General opinion in Arabic circles outside Egypt is that the royal engagement would have been announced by now except for the stories appearing in the world press. Friends of Narmeen say she was broken-hearted when her wedding to Hashem, scheduled for Dec. 8, was called off. She is still reluctant to wed the king, they say, but point out her ultimate agreement would not be unexpected.

Mantz Claims Speed Record

NEW YORK, Jan. 25. (P) - Paul Mantz, 47-year-old speed pilot and movie stunt flier, today claimed a new west-east coast record for planes with gasoline-fueled engines. He spanned the continent yesterday in four hours, 52 minutes, 58 seconds, in a converted P-51 fighter plane. The plane had a 2,000-horsepower Rolls Royce Packard engine.

The time was about seven minutes better than the record set last March by former Army Maj. Joe De Bona, flying Actor Jimmy Stewart's souped-up P-51.

It will be up to the National Aeronautics Assn. at Washington to determine whether a new transcontinental record has been set officially. Fred H. Wilkinson, official timer for the association, clocked the La Guardia field arrival time.

Mantz said he averaged more than 500 miles an hour, with a top speed of 590 m.p.h. By designation of the National Aeronautics Assn., the trip for the west-east record is 2,433,805 miles in a straight line, beginning from a standing start at Burbank and an aerial finish over La Guardia field.

Corporation Court Levies Total Of \$255 In Fines Today Sixteen persons were fined a total of \$255 in Corporation court this morning as the result of weekend offenses.

Drunkness continued to be the leading offense as 10 persons were assessed fines amounting to \$170. Nine pleaded guilty to the charge; one entered a plea of not guilty, but was found guilty and fined \$25.

Driving without license resulted in a \$15 fine, and reckless driving caused a \$50 levy. Five dollar fines were assessed for speeding, making a prohibited left turn, running a stop sign, and operating a motor vehicle with illegal exhaust. A charge of driving without license was dismissed when the driver produced an application for operator's license.

Another person was released "on recognition" pending an investigation of causes of injuries sustained by Frank Cathey, 909 Gregg street, Saturday night. Cathey is in a local hospital with fractured nose and facial cuts and bruises.

Man Critically Hurt By Flash Explosion

EL PASO, Jan. 25. (P) - One man was critically burned and the downtown area blacked out late yesterday in a flash explosion at the Santa Fe St. power plant of the El Paso Electric Co.

Burned seriously about the neck and hands was William E. Thompson, 41. More Pressure Placed On TSCW President Move FORT WORTH, Jan. 25. (P) - The Texas Federation of Business and Professional Women has joined with the Texas Federation of Women's Clubs in a move to have a woman appointed next president of Texas State College for Women, Denton.

The group's state board endorsed the proposal here yesterday. Dr. L. H. Hubbard, TSCW president, is retiring soon.

Auto Servicing Lecture Series To Begin Here Today

First of a series of lectures on automotive servicing, given by the extension division of the University of Texas for mechanics in the Big Spring area, is set for 7:30 p.m. today.

C. L. Stephens, TU extension instructor, is to present the training talk in room No. 3 on the Settle's mezzanine. The lectures are sponsored by the chamber of commerce.

The six lectures, to be given during the next two weeks, will cover principles of engine tune-up and automotive electricity. One specific item of repair and maintenance will be taken up in each talk.

Automotive engine principles, electrical and the use of meters, analyzers and testing devices, spark plugs and coils, distributor, generator and storage battery, generator regulator, starter motor circuits, engine tune-up, and carburetion are the principal topics to be discussed. Each lecture lasts two hours.

All mechanics in the Big Spring area have been invited to enroll for the short course. A \$2 fee covers registration for lectures to be given Jan. 25-29-30 and Feb. 1-3.

Certificates of attendance will be given those who hear at least four of the talks, Stephens said.

# Grapette Meets Jayhawk B String In Y Booking

Grapette's Bottlers, unbeaten in YMCA basketball league competition to date, runs into a very dangerous opponent in activity at the Howard County Junior college gymnasium this evening.

The Bottlers tangle with the HCJC reserves in a 7 o'clock engagement. Despite their false start against Texas and Pacific last Monday, the Hawks will provide a major test for any contingent in the circuit.

The bout looms as a tossup. A win by Grapette would bring the Bottlers down to their crucial test with American Legion with a perfect mark and a chance to sew up title laurels.

Other games tonight will pit Center Point, one of the surprise clubs of the league, against a hard-luck Ackerly outfit at 8 p.m., and Coca-Cola against Texas Electric Service company at 9 o'clock.

Center Point is now playing .500 ball having won two games in four starts. Ackerly has come close to victory on occasion but has never quite made the win circle in four tries.

Coca-Cola was rudely upset by T & P last Friday night but should hurdle TES, which has yet to taste victory.

# Texan Captures Tampa Crown

TAMPA, Fla., Jan. 23. (AP)—Polly Riley is the titleholder in the Tampa Women's Open Golf Tournament.

Miss Riley, Fort Worth amateur, ran away from the highly touted pros and the rest of a fine field of amateurs. Her steady 72-74-73-76-295 was five strokes better than Louise Suggs.

Tied at 302 were Marlene Bauer, the young amateur star from Midland, Tex., and Pro Betty Jameson of San Antonio, who won here in 1948.

Babe Zaharias, the 1947 winner, was fifth with 304. Best performance of yesterday's final round was the 71 chalked up by Alice Bauer, sister of Marlene. That gave her 308 and a tie with Peggy Kirk of Findlay, Ohio, for sixth.

# Changes Slated In 6-Man Grid Loops This Fall

AUSTIN, Jan. 23.—Changes are tentatively planned for school assignments to 10 of the 24 districts of the Interscholastic League's Six-Man Football Conference, it was revealed Saturday by Dr. Rhea H. Williams, League athletic director.

With the release of a tentative list, Dr. Williams announced that 169 teams are expected to compete in the small high schools' (less than 100 enrollment) football campaign. This is the same number of teams which will no longer play in the Six-Man Conference.

Major changes will be made in Districts 3, 4, 13, 14, and 15. Reassignment of six teams from Districts 3 and 4 reduced their cumbersome size and formed the new District 13 line-up. Old District 13 was renumbered District 14, and old District 14 became District 15. The three schools which formerly composed District 15 are dropping out of competition.

Changes in Districts 6, 10, 17, 21 and 22 involve only the addition or loss of one or two teams at most. New teams planning to play Six-Man Football for the first time next year include Jayton, Presidio, Comyn, Coolidge, Mt. Calm, Bedias, and Leakey. Alba Campbell, Highland at Roscoe, Rickton, and Natalia are dropping out; Cedar Hill is moving up to Class B, and consolidation of Five-in-One School at Vernon with South Lockett at Vernon produced the other change.

### REGION I

- 1. Booker, Darrouzett, Follett, Gruver, Kelton Miami, Mobeette Morse, Sunray, Texline.
- 2. Bovina, Bula (Enochs), Laxbuddie, Pettit, Three Way (Maple).
- 3. Dickens, Flomol, Lorenzo, MacAdoo, Patton Springs (Afton), Roaring Springs, Southland, Wilson.
- 4. Jayton, Peacock, Mattson (Haskell), Palm Creek (Haskell), O'Brien, Wehnert.

### REGION II

- 5. Balmorhea, Barslow, Buena Vets (Imperial), Grandfalls, Pyote, Toyah.
- 6. Fort Davis, Marathon, Presidio, Sierra Blanca, Tornillo, Van Horn.
- 7. Ackerly, Dawson (Welch), Flower Grove, Klondike (Lamesa), Knott, Loop, Union (Lamesa).
- 8. Christoval, Courtney, (Stanton), Forsann, Garden City, Mertzon, Palm Rock, Rankin, Sterling City, Water Valley.

### REGION III

- 9. Brooksmith, Eola, Lawn, Millersview, Mozelle (Fisk), Norton, Novice, Sidley, Star, Talpa.
- 10. Carleton, Comyn, Copperas Cove, Fairly, Flat, Jarrell, Jonesboro, Olesby, Pearl, Pottsville, Turneraville.
- 11. Blanco, Bids, Dowdy (Kingsbury), Dripping Springs, Kyle, Manor, Pflegerville, Prairie Lea.
- 12. Center Point, Comfort, Harper, London, Medina, Rocksprings.

### REGION IV

# BOSTON BRAVES' 1914 DASH TO FLAG TOP SPORTS UPSET

By GAYLE TALBOT AP STAFF

NEW YORK, Jan. 23.—On July 11 of 1914 the Boston Braves were running dead last in the National League — 11½ games behind the pace-setting New York Giants.

Three months later the team directed by "Miracle Man" George Stallings won the National League flag by 16½ games and plastered the famed Philadelphia Athletics four straight in a sensational World Series.

That, say the nation's sportswriters and sportscasters, was the greatest sports upset of the first 50 years of the century.

By a margin of 128 to 53 the amazing feat of the Hub City immortals has been adjudged a greater shocker than Gene Tunney's victory over Jack Dempsey in their first fight for the heavyweight title at Philadelphia in 1926.

Only one other upset in the 50 years got really serious support among the 361 experts. That was little Centre College's dramatic 6-0 triumph over Harvard back in 1921, when the Crimson was a football power to be reckoned with. Forty cast their ballots for Bo McMillin and the storied Praying Colonels.

Following was the result of the Associated Press poll for greatest upset of the past 50 years:

- 128—Boston Braves' victory over Athletics in 1914 World Series.
- 53—Tunney's defeat of Dempsey in first title fight in 1926.
- 40—Centre College's football vic-

tory over Harvard in 1921.

24—Braddock's defeat of Baer for heavyweight title in 1935.

21—Upset's win over Man O'War in 1919.

12 — Schmeling's knockout of Louis in 1936.

10—Notre Dame's football win over Army in 1913.

7—Dempsey's knockout of Willard in 1919.

7—Holy Cross football win over Boston College in 1942.

7—Navy's football 21-21 tie with Army in 1948.

4—New York Yankees World Series win in 1949.

4—Cincinnati's win over Chicago White Sox in 1919 World Series.

3—Columbia's win over Stanford in '34 Rose Bowl.

3—Auburn's '49 win over Alabama in football.

3—Chicago Bears' 73-0 massacre of Washington in 1940.

3—Carnegie Tech's football defeat of Notre Dame in 1929.

### ONE STROKE

**Haas Leading Links Field**

LONG BEACH, Calif., Jan. 23. (AP)—Twenty professionals bunched in a spread of five strokes and headed by young Freddie Haas, Jr., of New Orleans head into the final round of the \$10,000 Long Beach Open Golf Tournament today.

Prospects for a deadlock between two or more of the challengers for the top \$2,000 purse seemed promising as the field stroked into the final 18 holes over the Lakewood Country Club's par 35-36-71 course.

Long Beach's inaugural spurge into major league tournament golf a year ago ended in a tie between Ben Hogan and Jimmy Demaret, and Hogan won the playoff.

Today 34-year-old Haas, who beat Hogan and Johnny Palmer in a playoff for the 1948 Portland, Ore., Open, held a slim one stroke lead over four worthy challengers, and he was only five shots ahead of some others.

Haas, crack amateur in the south in the 1930's, moved into the lead at the end of 54 holes yesterday with rounds of 70-66-67 for 203. Pressing one stroke behind today at 204 were National Open Champion Cary Middlecott, Former National PGA Champion Jim Ferrier, Western Canadian Champion Stan Leonard and Ex-U. S. Public Links titleholder Smiley Quick.

**NAMED BAYOR COACH**—George Sauer (above), former coach at Kansas and Navy, has been named head football coach and athletic director at Baylor University. (AP Photo).

# LOOKING 'EM OVER

With Tommy Hart

The capacity crowds which showed up for the last two Big Spring high school basketball games here should provide real argument for those campaigning for a new fieldhouse.

Officials were forced to turn away fans who turned up late for the Abilene-Steer fracas Friday night and several of those who appeared for the Lamesa joust earlier in the week had to stand because there were no seats.

Regrettably, the local gym will seat only about 400 fans. If Odessa can build a high school fieldhouse seating 5,000, there ought to be some way Our Town could finance one housing at least 1,500.

More than a few familiar with the situation insist this would be one of the best basketball cities in West Texas, if the fans can be assured they would be seated upon their arrival at the gym and look at the action without getting cricks in their necks.

Giving the coaching staff more gym space with which to work might open the way to building a few championship teams here, too. As it is, the mentors do very well with what they have.

### HCJC HAWKS WILL GET FORSAN INVITE

Forsan officials will shortly extend Howard County Junior college's Jayhawks an invitation to play one of its home games in their new gymnasium.

Since the Buffs moved from their old arena into the new, their gate receipts have just about doubled. The Hawks could probably fill the place.

HCJC has home games booked with McMurry, Frank Phillips of Berger and Wayland college's frosh remaining on its schedule.

Isn't Hazel Walker, that sensational girl basketball player who performed with the All-American Redheads here a year ago, now with a professional team called the Arkansas Travelers?

Marge Arends, another member of Ole Olson's All-American when they played the ABC here in 1949, has quit the game and is now employed by Westinghouse Electric in New Orleans.

### SCRIBES ALL BUT IGNORING JACKIE BURKE

Sports scribes, who have hammed up the Hogan golf story ever since Ben's near-fatal auto crash near Van Horn last year, are managing to ignore the feats of another Texan who is doing quite well on the links.

That would be Jackie Burke, Jr., who muffed an easy putt on the 17th hole in the Bing Crosby tournament that would have given him sole claim on first place money. As it was, Jackie, now playing out of White Plains, N. Y., finished in a four-way tie for first.

Matty Bell's appearance as guest at J. Y. Robb's football party here will probably be delayed until April, according to J. Y.

Thinking about sponsoring a race horse? Statistics show it costs an average of \$4,500 per annum to maintain a racing gee-gee. Very few thoroughbreds win that a year.

Head football coaching jobs are now open at Electra and Graham, in case you're interested. Ray Flusche's contract wasn't renewed at Electra while John Little was told he was through at Graham.

The East-West football game at San Francisco this year netted \$130,328.22, a new all-time high. The Shrine Hospital for Crippled Children profits.

# Steers To Play Marfa In First Round Game Of Odessa Tourney

Big Spring's first round opponent in the Odessa high school basketball tournament this weekend will be Marfa. The two teams clash at 9:20 a.m. Friday for the right to meet the winner of the Crane-Wink setto at 6 p.m. the same day.

The Steers are defending champions of the meet, having beaten Andrews, 32-31, in the finals in 1949.

First round games and their starting times include: ... Thursday—Seminoles vs Kermit, 7 p.m. Odessa vs Grandfalls, 8:20 p.m. Friday—Wink vs Crane, 8 p.m. Big Spring vs Marfa, 9:20 a.m.; Denver City vs Levelland, 10:40 a.m. Midland vs Andrews, 12:30 p.m.; Monahans vs Fort Stockton, 1:50 p.m.; Brownfield vs Pecos, 5:20 p.m.

Immediately after the final game on Saturday night, the all-tournament team will be selected and the trophies awarded the winner, runner-up and consolation titlist. Individual medals will be given the first and second place teams as well as the all-tournament squad.

Two members of the 1949 all-tournament team are back this year. They are Juandel Glass, Denver City, and Mike Rameris, Fort Stockton.

Officials for the games will be Arnold Card and Glenn Redfield of San Angelo and M. D. Souter, Denver City.

Kermit remains one of the strong favorites in the meet. The Kermit club recently defeated Andrews in the finals of the Midland tournament.

Wayne Bonner's Big Spring sophomores engage San Angelo in a double header basketball attraction here this evening.

Reserve squads of the second-year teams will tangle at 8:30 p. m. while the regulars square away at 8 p.m.

The sophomore reserves are also booked to meet Colorado City at 6:30 p.m. here Wednesday while the regulars will go to Sterling City Thursday for that city's invitational tournament. First round opponent of the Dogies will be Forsan. The two teams take the court at 7 p.m. Friday.

# LEAD AT STAKE

# Coahoma Invades Stanton Tuesday

Perhaps the most important game of the District 23B basketball season will be played in Stanton Tuesday night, when Ed Robertson's Coahoma Bulldogs clash with the Stanton Buffaloes.

The Buffs, coached by capable Leo Fields, are leading the 23B standings with a perfect record of eight wins and no losses. The Canines have coasted to starts in seven as quarter.

In their previous meeting at Coahoma, the Stanton troupe turned back Coahoma, 31-23. However, the Bulldogs played without the services of Jackie Wolf and Wendell Shive in that one. Both youngsters should be ready tomorrow night. Shive has been playing regularly for the past several games, while Wolf returned to action last week.

Both boys had been out with injuries suffered during football season.

Wolf stands 6-foot-4 and his size could make a big difference in the engagement. The Buffs, however, will have a distinct advantage in playing on their home court and with such stalwarts as Gibson, Henson, McClain and Tunnell ready to go will pose quite a problem for the visitors.

Other 23B games Tuesday will pit Forsan against Courtney in Courtney and Garden City against Knott in Knott.

**Jack Kramer Again Gonzales Measures**  
SANTA BARBARA, Calif., Jan. 23. (AP)—Richard (Pancho) Gonzales has notched victory No. 14 from his professional tennis rival Jack Kramer.

Gonzales bested Kramer 6-1, 4-6 and 6-4 yesterday. Kramer has won 41 matches in the troupe's current national tour.

# House Sidetracks FEPC Legislation

WASHINGTON, Jan. 23. (AP)—The House turned to a relatively minor foreign affairs measure today, leaving the controversial FEPC bill sidetracked.

Speaker Sam Rayburn of Texas ruled on Saturday that the foreign bill had priority as unfinished business before the House.

Under the House 21-day rule this

# Florida Prison Break Attempt Is Unsuccessful

MIAMI, Fla., Jan. 23. (AP)—Four prisoners turned Dade County's skyscraper jail into bedlam last night in an escape try which came within a key of success.

The prisoners, led by convicted forger George Bertrand, obtained every key but the one leading to freedom by slugging a guard and a trusty into unconsciousness.

As they went along, the four blithely opened cell doors and invited some 150 or more other prisoners to join them, but only three responded.

The seven worked their way through doors from the 21st to the 19th floor and, upon reaching the one door barring the elevator to freedom, found they didn't have that last key.

Sheriff Jimmy Sullivan said the escape attempt occurred around 8 o'clock at night and that the prisoners used "weapons" left behind by painters to slug the guards.

It was not until 1 o'clock this morning that Sullivan got around to making an announcement of the insurrection and then he refused to make any comment beyond what he had written.

Dade County's jail was touted for years as "escape proof" until a bank robber, Clyde Milton Johnson, walked out March 1, 1949. He later was recaptured.

# Chancellorship Ordered As IIT Growth Produces New Problems

AUSTIN, Jan. 23. (AP)—A chancellorship system of administration for the University of Texas and its branches was ordered Saturday by the board of regents.

"The growth of the University of Texas and its various branches has produced administrative problems which cannot be handled effectively under the existing arrangement," the board said in a prepared statement.

"To meet this situation the board of regents has decided to install a chancellorship system as soon as the details of administration have been worked out.

"The changes relate wholly to administrative matters."

A committee of officials of the University and some of its branches, headed by President T. S. Painter, was named to help make plans. It will report at the board's Feb. 24 meeting.

Installation of a chancellor as chief of the university and its numerous branches will lift many responsibilities from the university president.

Under this set up, usually, heads of the university and each branch report to the chancellor, who in turn reports to the board of regents.

This leaves the chancellor free to do long range planning and to act as a contact man between the school system and the public, the legislature, and other groups.

Dudley K. Woodward, Jr., of Dallas, chairman of the board of regents, has been mentioned frequently as a prospective candidate for the chancellorship.

Appointed to the board by former Gov. Coke R. Stevenson and later reappointed by the late Gov. Beauford H. Jester, Woodward has been

a dominant figure on the board. He is in his late sixties. He is a graduate of the University of Texas Law School. He received his doctor of juridical science degree from the University of Chicago.

Members of the committee appointed to work out details of the new administrative plan are Dr. Painter, Vice President C. D. Leske of the medical branch at Galveston; Dr. Frederick C. Elliott, vice president and dean of the dental school at Houston; President Wilson H. Elkins, Texas Western College at El Paso; Vice President and Comptroller of the University C. D. Simmler, and C. R. Granberry, assistant to the university president.

# Winnie Warns Against More Regimentation

LONDON, Jan. 23. (AP)—Winston Churchill stirred up Britain's election campaign over the week end with a warning against "another plunge into socialist regimentation."

Sir Hartley Shawcross, Laborite attorney general, last night retorted: "I would have thought that if ever men's souls were regimented it was under the old (Conservative Party) regime with education for the masses cut short almost as soon as it began; with the drab lives in long rows of monotonous back-to-back houses; with men becoming more and more mere cogs in the mechanized industrial machine."

Churchill, in a radio address Saturday night, called for a return to free enterprise to "win us back the glorious ascendancy" which marked the rise of the British Empire. It was his first major speech since the general elections were set for Feb. 23.

He declared that Socialism was "the weakest defense against Communism" and was being discarded in the rest of the commonwealth and most of western Europe.

Shawcross in his reply to Churchill declared the Conservative leader was simply chanting: "Everything that labor can do, I can do better."

# Dam-Pipeline For Northwest Texas Is Asked

WASHINGTON, Jan. 23. (AP)—An \$84,656,000 dam-and-pipeline project could provide 11 thirsty cities in northwest Texas with an adequate water supply from the Canadian River, the reclamation bureau said Saturday.

Investigations by another Interior Department agency, the Geological Survey, show that the 11 cities now are pumping their water supplies from wells 20 times as fast as the wells are being replenished.

Reclamation Commissioner Michael W. Strauss recommended construction of a dam 7,200 feet long, 40 feet wide and 186 feet high, across the Canadian River 45 miles northeast of Amarillo and a mile upstream from Sanford, in northwestern Hutchinson County.

The dam would create a reservoir of 1,958,000 acre feet, extending for 20 miles upstream.

About 275 miles of aqueducts and pipelines and 15 pumping plants would be required to serve the cities of Amarillo, Pampa, Borger, Plainview, Lubbock, Tahoka, O'Donnell, Lamesa, Slaton, Levelland and Littlefield.

Secretary of the Interior Chapman sent copies of the bureau's report on the project to officials of Texas, Oklahoma and New Mexico and to other federal agencies for comment.

# Miss Weeg Will Represent City At Stock Show

Frances Weeg, Big Spring cowgirl and horse raiser, will leave Friday for Fort Worth and the Southwestern Exposition and Fair Stock show where she will represent Big Spring.

Miss Weeg is to be leading lady Saturday on Big Spring Day at the show. She will be mounted on her cow horse, Sobre's Diane.

Approximately 20 Big Springers have secured tickets for events to be held on Big Spring Day chamber of commerce officials said. The chamber is handling requests for tickets to all major phases of the Southwestern Exposition.

# BIDDY OUTDOES HERSELF, DIES

LONG BEACH, Calif., Jan. 23. (AP)—Biddy, a New Hampshire red hen, was a specialist. She didn't lay often, but when she did the eggs were whoppers.

Owner Ralph E. Martin said Saturday Biddy outdid herself. She laid an egg that measured 3 1/2 by 3 1/2 inches around and weighed nearly seven ounces.

Then Biddy gave a feeble cluck, rolled over and died.

# FALSIES GIFT COSTS HIS JOB

NEWARK, N. J., Jan. 23. (AP)—If a man gives a pair of falsies to a girl employe in his office as a prank, does it warrant his being fired?

G. Hoyle Wright, Metropolitan Life Insurance Co. superintendent of agencies, a few days ago discharged George J. Moskowitz for his gift of a pair of falsies to a girl in the office as a prank on her birthday.

Moskowitz, 41, married a girl the father of two boys, said he received a note from the girl thanking him for the gift.

# New Pact Between Russia, China Reds Nearing Completion

MOSCOW, Jan. 23. (AP)—A new treaty between Soviet Russia and the Chinese Communists appeared to be near completion today.

Local observers believed the negotiations required before signing of the pact and its announcement were drawing rapidly to a close.

The latest development was the visit last night of the Chinese premier and foreign minister, Chou En-lai, to Generalissimo Stalin in the Kremlin.

It was Chou's formal call on the head of the Soviet state after his arrival here Friday. Soviet Foreign Minister Andrei Y. Vishinsky and Communist China's Ambassador to Moscow, Wang Chia-hsiang, accompanied him.

Chinese Red Leader Mao Tse-tung, who has been in Moscow since Dec. 16, did not accompany his foreign minister. For such a protocol visit, his presence was not considered necessary.

# STOLEN INDUSTRIAL GEMS VALUED AT \$75,000 ARE WORTHLESS TO THIEVES

GREENVILLE, Jan. 23. (AP)—Someone stole between \$50,000 and \$75,000 worth of diamonds from the Core Laboratories Saturday night, but to the thief they're practically worthless.

Plant officials said it would be almost impossible to peddle the 12,000 carats in industrial diamonds because of the close relationship between dealers and manufacturers.

They think the burglars who cracked the plant's safe grabbed the small fortune in industrial diamonds in ignorance. Each lot of diamonds has a key stone, easily recognizable by any jeweler who has been warned to look for it.

W. H. Davison, president of the firm, said descriptions would be sent immediately to all jewelry associations.

The theft was discovered yesterday by the plant manager, Ed Williams, Jr.

Davison estimated the loot contained 12,000 carats, which would

retail at between \$30,000 and \$75,000.

The haul would have filled about eight tea-cups. Industrial diamonds are second rate stones, have little luster, and are harder than most gems.

The burglars pried open a door to the plant office and worked the combination on the safe. The plant has no night watchman.

# How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel green lumpy phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

# CELEBRATING THE 64 MILLION DOLLAR EXPANSION OF THE HOME OF BUDWEISER

# World Champion Clydesdale Horses on the streets or at . . .

**WHERE** TRUMAN JONES MOTOR COMPANY, 403 RUNNELS STREET (Big Spring, Texas)  
**WHEN** JANUARY 24, 25

When you see the world's largest draft horses stepping proudly along your streets—well, you'll know just how proud the makers of Budweiser feel about completion of their \$64,000,000 brewery expansion program. It has nearly doubled the pre-war production of the world's most famous beer.

Not only have the brewing facilities for Budweiser been greatly expanded, but the largest ageing cellar on earth, surrounded by other immense ageing cellars, is now completed and in operation. These cellars, with hundreds of thousands of barrels of capacity, are necessary because Budweiser is aged much, much longer than the 30 days or less allotted to ordinary beers. There's more Budweiser now . . . so call for it every time. Every sip tells you that there's nothing like it—absolutely nothing.

A few facts about the famous Clydesdale Champions: The largest draft horses on earth . . . weigh on the average 2000 pounds each and wear shoes twice the size and nearly four times the weight of those of ordinary horses . . . have won a great collection of medals, cups and ribbons. Budweiser's famous horses are the most traveled horses in the United States. They're a sight that all your family will much enjoy and long remember. Don't miss them.

AWAITS SELECTION OF JURORS—Former Jim Wells County Deputy Sheriff Sam Smithwick (left) hung his cowboy hat on a chair and listened nervously as jurors were selected in his murder trial at Belton, Tex. Smithwick is charged with the pistol slaying of W. H. (Bill) Mason, a crusading radio commentator, in Alice, Tex., last July 29. Guarding Smithwick is Sheriff E. T. Ray of Bell county (right). Standing is Robert, 15, Smithwick's youngest son. (AP Photo).

MASON SLAYING DESCRIBED

Smithwick Pulled Gun, Says Witness

BELTON, Jan. 22. (AP)—The gunshot slaying of Radio Commentator W. H. (Bill) Mason on an Alice street was recounted today as the Sam Smithwick trial reached the testimony stage. Avelino Saenz, who was with Mason in the latter's car shortly before the veteran news and radio man was killed last July 29, testified Smithwick "pulled out a gun" and the shooting followed. Under questioning from District Attorney James K. Everts, Saenz told how he met Mason at a railroad depot in Alice that morning and how they drove out on San Felipe St. He told of seeing Smithwick approach from the opposite direction in a red pickup truck. "What did Smithwick do?" Everts asked. "He stuck his hand out, and we both stopped."

Howard Wildcat Has Free Oil

BULLETIN Unofficial sources reported encountering of free oil in the Stanland No. 1, Louis Hutto, eastern Howard county deep wildcat. These reports could not be verified immediately, but from two sources the Herald learned that there had been a considerable amount of free oil returned. The exploration, three miles southwest of Coahoma, was reportedly bottomed at 6,372 feet. One source said circulation had been lost at that point but that operators planned to drill 30 feet deeper and test. This important wildcat is located on an 18,000-acre block and is four miles west of Iatan-East Howard production in the Permian zone. It is about three miles due south of the Southern Minerals No. 1 R. V. Guthrie, recently abandoned in the Ellenburger (topped at 9,340) at 6,378. On a high shot, it had missed the Pennsylvania.

Stanland No. 1 Hutto is located 860 feet from the south and east lines of section 31-15, T&P.

Officers Seeking Trio In \$5,000 Robbery

JEFFERSON, Jan. 23. (AP)—Officers in four states today hunted three armed, masked men who earlier yesterday robbed a Jefferson service station owner of \$5,000. Sheriff Joe Riggs said A. B. Miller, about 45, telephoned him from Maud and reported that he had been robbed and forced to accompany the men on a 40-mile ride. He told Riggs he was shoved out of the bandits' car in the Sulphur River bottoms four miles south of Maud.

McCloy Back In U. S. For Huddle

WASHINGTON, Jan. 23. (AP)—John McCloy, U. S. high commissioner for Germany, is here to report to President Truman amid signs that the Franco-German struggle over possession of the Saar may grow more critical. The future of this industrial region seems certain to figure largely in McCloy's talk with the President as well as his more detailed discussions with Secretary Acheson and other state department officials. He will leave for Germany on Saturday, one week after arriving for this visit. He reached Washington late yesterday.

CHURCH VERSUS LADY IN BLACK

Vicar To Exorcise Ghost

BRISTOL, Eng., Jan. 23. (AP)—The Rev. Francis J. Maddock went into brick training today for a bout with a ghost. Tomorrow night he will try to exorcise the frightening apparition of a little old lady from the William Baber home at No. 13 Highworth Road. If the Church of England prevails over the lost spirit, the Babers will continue to live there. But Baber has filed an application with the city housing department—just in case. "I desire fresh accommodation on the ground of ghostly disturbances in present home." The ghost, say the Babers, usually walks at 6 o'clock in the morn-

Republican Split May Hamstring House Coalition

64 GOP Solons Join In Defeating Rules Change Proposal

WASHINGTON, Jan. 23. (AP)—A split in the ranks of House Republicans may render considerably less effective the Republican-Southern Democrat coalition that frequently has ruled the House. The breach, which broke into the open at a party caucus last Wednesday, became apparent to all Friday when 64 Republicans voted against a proposed change in House rules.

The breach, which broke into the open at a party caucus last Wednesday, became apparent to all Friday when 64 Republicans voted against a proposed change in House rules. Had the 64 stayed "hitched" as they formally do, the rules would have been changed and the coalition-dominated rules committee would have regained a stranglehold on legislation.

Republican leaders publicly scoff at suggestions that the party's lines in the House are badly split. "We had a little trouble" at the caucus, one of them admitted. Republicans who attended the caucus call that an understatement. They said Rep. Frank Keele of Wisconsin "read the riot act" and said in a few choice words that he was tired of following the recognized GOP leadership in the House.

The departure of 64 Republicans was the largest defection in years. Normally the GOP lines in the House hold fairly fast. Many Republicans feel that leadership in the House has been "taken in" by the Southern Democrats, and has gained nothing from the coalition. This does not mean the coalition has been broken up, but it obviously has lost some of its potency and the Truman administration forces don't fear it as much as in the past.

TEMPERATURE RECORDS FALL HERE SUNDAY

Unseasonably warm weather for mid-winter broke temperature records here Sunday. The U. S. weather bureau reported a maximum of 81 degrees, two degrees higher than the previous record of 79 on Jan. 22 set in 1909. Prospects were for even warmer weather today—a high of 82 degrees. Big Springers popped out in shirt-sleeves to welcome the spring-like sunshine.

J. A. Youngblood, 95, Dies Today

Death Monday claimed James Andrew Youngblood, who would have been 96 years old next June 23. Mr. Youngblood succumbed at 1:35 a.m. at the home of a daughter, Mrs. J. O. Blackberry, in Stanton, which whom he had been making his home. He had been retired for several years. Funeral services were to be held at 3 o'clock this afternoon at the Church of Christ in Stanton, with George Shellbourne and Elmore Johnson officiating. Burial was to be in the Evergreen cemetery at Stanton under direction of Nalley Funeral home. Pallbearers are H. O. Allen, John Avery, Jr., Claude Kelly, Howard Avery, Oscar Lawson and Billy Avery. Mr. Youngblood is survived by five children and 13 grandchildren. His wife died in 1913, and one daughter also preceded him in death. The children are, besides Mrs. Blackberry, J. H. Youngblood, Reno, Nevada; and A. D. Youngblood, J. L. Youngblood and Mrs. W. A. Duley, all of California. Among the grandchildren are Mrs. Erdine Morgan of Colorado City, and Mrs. J. J. Bentley of Stanton.

Chrysler, CIO-UAW Race Strike Deadline

DETROIT, Jan. 23. (AP)—Chrysler Corp. and the CIO United Auto Workers raced a Wednesday strike deadline today as their pension talks went into the 15th straight day. Management reportedly was holding firm to its rejected offer of \$100 a month pensions, including social security, for its 69,000 hourly-rated workers.

HST Asks Cut In Excise Taxes, Boost In Others

Big Spring Youth Drowned In Tank

Funeral for Ben Gayin Flynt, 15, who drowned Sunday morning in an earthen tank near Tuscola, will be held here Tuesday at 2 p. m.

Ben, who had gone with his mother, Mrs. C. A. Flynt, and a brother, Darwin Flynt, 25, to visit a brother, Darrell Flynt, Tuscola Church of Christ minister, for the weekend, fell into a hole in the tank at 8:30 a. m. and disappeared. He and his brother were hunting. When a bird was felled in the tank, Ben waded after it and stepped into the hole. Neither he nor his brother could swim. Darwin rushed for aid, but it was an hour and a half before the body was recovered. Efforts to resuscitate him were futile. Dr. A. P. Head, Tuscola, pronounced him dead, and Justice J. L. Beard entered a verdict of accidental drowning.

Ben was a junior in the Big Spring high school and was a member of the band. He spent last summer with his brother at Tuscola and attended art classes at Abilene Christian College. He was born in Dawson, Texas, Feb. 15, 1934. The body will lie in state at the McDaniel-Boullion chapel until time for services at 2 p. m. Tuesday at the Church of Christ with the minister, Lloyd Connell, officiating. Burial will be in the city cemetery. Survivors include his parents, Mr. and Mrs. C. A. Flynt, 2104 Runnels; two brothers, Darrell Flynt, Tuscola, and Darwin Flynt, Big Spring; two sisters, Mrs. Arthur B. Jopson, Philadelphia, Pa., and Mrs. Garland G. Conway, Big Spring. Pallbearers will be J. W. King, Jr., director of the high school band, and nine other members, Johnny Jordan, Gary Nichols, Bill Damon, Tommy Thippen, George Hill, Jimmie Conley, Buddy Spies, Glenn Dale Brown, and James Nuckles.

YOUNG REPUBLIC THREATENED Guerrillas Attack West Java Capital

JAKARTA, Batavia, U. S. I., Jan. 23. (AP)—Indonesian rebel guerrillas, led by a former Dutch captain, today attacked the West Java capital, Bandung, and seized key points in the mountain city of 170,000 population. About 600 guerrillas—including deserters from the Dutch Army's Indonesian corps—seized the Indonesian army headquarters, the telephone exchange and other important centers. The federal army of the month-old United States of Indonesia was reported holding out in the northern part of the city. Dutch and Indonesian troops were marshaled for "co-ordinated" action against the first serious armed threat to the young U.S.I. The federal government rushed 250 troops of its mobile police brigade by air from Jakarta, 120 miles northwest, to Bandung. The guerrillas reportedly were part of a "private army" commanded by former Dutch Army Capt. R.P.P. (Turk) Westerling. His followers, in addition to Indonesian deserters from the Dutch army, were said to include members of an Indonesian Communist faction and a fanatic Moslem group. Westerling, discharged from the Dutch army in 1948, early this month threatened to lead a rebellion unless the U.S.I. recognized his army as the official law enforcement agency in West Java. He contended U.S.I. forces, the former army of the Indonesian Republic, were too weak to keep the country peaceful. Bandung's streets were reportedly almost deserted when the rebels entered today by foot and truck. Only a few machine gun bursts and sporadic rifle fire broke the silence of their surprise entry. They took the headquarters of the federal army, in the center of the city, after a ten-minute battle. The city remained almost deserted during the day. The attack took government officials here by surprise.

Reds Hold Up Berlin Traffic

BERLIN, Jan. 23. (AP)—Soviet technicians crippled Berlin truck traffic to West Germany today and delayed three American military trains during the night. The three U. S. military trains were stalled with delays up to six hours at Helmstedt, on the Soviet zone frontier, by Russian investigation of gravel papers of three non-American passengers. After a telephone call to U. S. army headquarters at Heidelberg, Soviet officials dropped their inquiry and the trains proceeded. Passengers riding in the American military coaches were identified as a German, a Brazilian and an Italian. They were not removed. The squeeze on trucks carrying cargo between West Germany and Berlin, started yesterday by high Soviet officers, piled up a line of more than 100 vehicles at the Helmstedt checkpoint by noon today. This class of traffic also was disrupted by Leubeck, on the second most important route to Berlin.

RECUPERATES—President Elpidio Quirino of the Philippines, who underwent a kidney stone operation, works on a speech in the John Hopkins hospital in Baltimore. A spokesman for the hospital said that Quirino was "coming along very well" and that he is back on a normal diet. He was permitted to receive some visitors and to remain out of bed for a short period of time. (AP Wirephoto).

Coal Injunction Hearing Put Off Another Week

WASHINGTON, Jan. 23. (AP)—A federal district court here today granted a six-day delay in the hearing of a government plea for an injunction to end the three-day work week in soft coal mines. The hearing, originally set for Thursday, was postponed to Wednesday, Feb. 1. The postponement was granted on the joint request of John L. Lewis' United Mine Workers and Robert N. Denham, general counsel of the National Labor Relations Board. The injunction suit was brought last week by the NLRB counsel. Aides said Denham feels that, since it took him about three weeks to prepare his case, the union is entitled to more time to prepare for the hearing. Denham asked for an injunction on the basis of unfair labor practice charges brought against Lewis by mine operators. The operators accused Lewis and his UMW of demanding new contract terms from the operators which violate the Taft-Hartley Law, and with using the "three-day work week" and work stoppages to back up their demands. The operators charged Lewis with insisting on a union shop—requiring all miners to retain a union membership—without having had an NLRB election—among the miners. Lewis is barred from obtaining such an election until he files a non-Communist affidavit with the NLRB, a move he has declined to make. A suggestion that Congress ought to consider giving the President power to seize the coal mines was made by Sen. Aiken (R-Vt) in an interview today.

Loophole Plugging Also Demanded

WASHINGTON, Jan. 23. (AP)—President Truman sent Congress a tax program today calling for a cut in excise or "sales" levies, plugging of loopholes and a billion-dollar boost in taxes on corporations, estates and big gifts.

In a special message, Mr. Truman did not say specifically how much reduction he thought should be made in excise taxes on freight, railroad and bus tickets, long distance tele-phones on freight, railroad and bus tickets, long distance telephone and telegraph bills and "the entire group of retail excises, including such items as toilet preparations, luggage and handbags."

While the President used no figure, some Congress members said they understood the Treasury—which will give detailed recommendations to congressional committees later—would suggest a cut from 30 to 10 per cent in the retail tax on such things as cosmetics, luggage and handbags. Mr. Truman did specify that these taxes should be cut "only to the extent that the loss in revenue can be recouped by eliminating the tax loopholes which now permit some groups to escape their fair share of taxation."

He said the biggest "loopholes" are "the excessive depletion exemptions now enjoyed by oil and mining interests," adding: "Under these exemptions, large percentages of the income from oil and mining properties escape taxation, year after year. Owners of mines and oil wells are permitted, after deducting all costs of doing business, to exclude from taxation on account of depletion as much as half of their net income."

As to business, the President recommended: A "moderate increase" in the tax rate applicable "to that part of a corporation's income which is in excess of \$50,000."

At the same time he recommended that the tax rate on corporate income between \$25,000 and \$50,000 which is now taxed "at the excessively high 'notch' rate of 53 per cent, be reduced to the same rate as applies above \$50,000."

He proposed that estate and gift tax laws be revised to provide uniform treatment and reduce present exemptions so as to "not only bring in more revenue," but to "improve the fairness of the estate and gift tax laws."

As an example of what he had in mind there, Mr. Truman said that if a man leaves an estate of \$300,000 to a wife and three children, the estate must pay a tax of \$17,500. But a man of the same wealth, he said, could give \$180,000 to his family over a five-year period, leave an estate of \$120,000 and there would be no taxes. Spread out that way, the gifts would be tax exempt. The remaining \$120,000 would be under the \$60,000 estate exemption (\$60,000 to the widow and \$60,000 to the three children.)

The message avoided many details in the proposed tax legislation, leaving this to be filled in later by the Treasury Department. However, the President made it plain that he would veto any tax cut that does not at the same time bring in new revenues to make up for the loss. In his 4,500-word message, the President discussed at considerable length "shocking" loopholes which he said allow some persons and interests to escape millions in taxes. As one example, he said that "under present law producers of motion pictures and their star players have attempted to avoid taxes by creating temporary corporations which are dissolved after making one film."

He said one oil operator, because of the depletion allowance, was able to develop properties yielding \$5 million a year, but paid only \$100,000 taxes over a five-year period although his income from non-oil sources alone averaged almost \$1 million a year. Mr. Truman did not identify the oil man.

Present taxes are expected to bring in about \$37,500,000,000 this year. This will be about \$5,500,000,000 short of anticipated expenditures. In asking an over-all increase of \$1 billion in taxes, Mr. Truman retreated from the \$4 billion boost he recommended last year and which Congress ignored.

Board Seeks New Tax To Raise Hospital Funds

AUSTIN, Jan. 23. (AP)—The State Hospital Board today voted to ask the Legislature to levy a specific tax designed to guarantee a \$50-million program for eleemosynary institutions. The board set \$5 million as the absolute minimum the tax will need to yield annually to meet building needs. No recommendation was made as to what the tax should be levied on. The request does not include funds for biennial operational needs, which the board estimated will require another \$22 million for the remainder of this fiscal biennium and will increase as the system is expanded. Such operational money generally comes from the state's general revenue fund.

Board Chairman Claude Gilmer of Rock Springs described the board's call for a "specific tax" as a "guarantee" of the long-range building program. "I don't know how else the Legislature can assure us a continuing building program," he said. "If we have to come back to the Legislature every two years and fight for money to carry on this building program, I personally would just as soon let the whole thing go until the state is ready to undertake the program on the long-range basis," he said. Gilmer told the board that the program should be undertaken as quickly as possible but added: "There are some things that require time. We can't possibly spend all the money at once."

January District Court Term Opens

The January term of 118th district court, which is expected to be a long and busy session, opened this morning. Grand jurors reported this morning, and Judge Charles Sullivan prepared to open the civil docket. The first petit jury panel was due to report this afternoon. Judge Sullivan said the court would continue on the next civil docket this week and then take up criminal cases next Monday. The court will be in session here continuously except for two brief interruptions. Two weeks of court have been scheduled in Glascock county for February, and Judge Sullivan will go to Midland on March 13 to preside during the trial of Herbert Frizzell, Sullivan, who transferred the case to Midland on his own motion, will preside at the request of Judge Paul Moss of the 70th district.

THEIR OUSTER RESCINDED—West Berlin police, who took over the building, stand by in background as the last of East Berlin employees of Russian-controlled Reichsbahn (railway) headquarters quit the building with their personal belongings. Maj. Gen. Maxwell D. Taylor, U. S. commander in Berlin, ordered the West Berlin police to vacate the building rather than give the Russians an excuse to threaten a new blockade of the city.
