Soviet Disarm Plan Sought

West Wants To Know How Far Reds Willing To Go

LONDON (UP)—The Western powers pressed Russia today for further details on the latest Soviet plan for suspension of atomic and hydrogen bomb tests.

Western representatives attending the disarmament talks wanted in particular to know just how much latitude the Russians would grant to the Western monitors who, under Russia's plan, would pass through the Iron Curtain to keep tabs on Soviet observance of nuclear test restrictions.

Over the weekend, such prominent Laborites as Hugh Gaitskell and Aneurin Bevan urged the West to accept the plan—if only for the purpose of calling the Kremlin's bluff.

At the same time, it was announced that U. S. State Department adviser Julius C. Holmes and a general whose name has not yet been announced will come here this week to allay Allied fears of an American deal with Russia.

The officials apparently are being assigned as a check on "disarmament secretary" Harold E. Stassen, who has aroused Allied criticism by private talks with Soviet Deputy Foreign Minister V. A. Zorin.

The new plan, unveiled Thursday by Zorin, proposes a two to three-year suspension of tests by the United States, Britain and Russia—the three nations now producing nuclear weapons.

It would permit the stationing of Western observers on Soviet soil to insure Russian observance of the suspension.

The United States was believed willing at least to consider the Soviet terms, but it was not certain that Britain and France would agree to abandon their demand for a simultaneous halt in production of bomb ingredients.

"Some may say that the Russians are not to be trusted, and don't really mean it," Gaitskell said, "surely the right course is to test the Russians and not the bombs."

The battle in Zogharta began when members of the rival Fragiyyeh and Darweish families, or clans, engaged in a heated debate in the street and decided to shoot it out. The two families, the largest in the town, have been feuding for generations.

Grand Jury In Session

A case of rape and another of aggravated assault resulting from the same incident last night were to have been presented to the Grand Jury today, according to District Attorney Bill Waters.

No charges have been filed in either of the cases, Waters reported, and it will be up to the Grand Jury whether or not either of the 21-year-old men included will be brought to trial.

According to Waters, the two men are supposed to have picked up a 15-year-old married girl last night and the incidents apparently took place between 9 and 12 p.m. on country roads.

A new Grand Jury was impaneled by Judge Lewis M. Goodrich this morning and will serve until the second Monday in September. Members of the Grand Jury are: Ed Anderson, Bob Andis, Ray Duncan, John Pitts, Claude Nichols, Henry Maple, V. L. Hobbs, R. K. Kuhn, J. Wade Duncan, A. J. Beagle, Gene Inel and Melvin D. McCabe. Hobbs was appointed foreman of the group. All of the men are from Pampa, except Nichols, who is from Lefors.

Waters reported that the Grand Jury would probably be presented two cases, one of breaking and entering at night and one driving while intoxicated, at today's session.

Following the impaneling of the Grand Jury, the court started setting the docket for the June term of the court. Late this morning, the work of setting the dates of trial on July, non-jury appearance and criminal cases were in progress and the first trial date was set for July 29.

No report was made as to what cases would be tried on the various dates set by the court.

Most of the casualties of the week-end outbreak were supporters of Fignole, but a radio report said the prisoners included at least one leading partisan of Sen. Louis Dejeu, another candidate for president in the deferred elections.

Not Necessarily Light
Bushell said it was not necessarily true Girard would receive a light sentence "unless you want to consider 20 years a light sentence."

A group of American lawyers, headed by Earl J. Carroll of New York, is fighting to keep Girard under U.S. military jurisdiction. They have filed a petition for a writ of habeas corpus in Washington District Court seeking his return to the United States.

The attorneys contend that a constitutional issue is at stake and that Girard would be deprived of his constitutional rights as an American if he were handed over to a Japanese court.

LETTER TO IKE

Haru "Candy" Sueyama, devoted Japanese sweetheart of William S. Girard, writes a letter to President Eisenhower telling him that the young Army specialist accused of slaying a woman scrap scavenger "is not a bad person." She wrote the letter in Japanese and mailed it with 70-yen air mail postage at the post office in the little farming community of Kagohara, Japan, near Camp Whittington where Girard is stationed. Lawyer Says Girard Can't Get Fair Trial

By DICK HORNING
United Press Staff Correspondent
TOKYO (UP)—Raymond N. Bushell, first American lawyer ever admitted to the Japan Bar Assn., believes that U.S. Army specialist William S. Girard "can not possibly get a fair trial in a Japanese court."

Bushell, who has had a highly successful law practice in Tokyo for the past eight years, Sunday called Japanese justice "a joke" and said "they're back in the 19th Century when Charles Dickens castigated the English judicial system for their inhuman methods."

Girard, 21, of Ottawa, Ill., is accused of killing a Japanese woman on the Camp Weir firing range while she was picking up scrap metal. Girard was on guard duty at the time.

Follow The Leader
Bushell said he had not been "legally briefed" on the Girard case but as a "practical matter" it is basic in Japanese law that if the prosecuting attorney tells the court the defendant is guilty then the Japanese judge is convinced he's guilty.

"They don't even comprehend the reasoning of American law which, as a matter of public policy, would suffer to see 10 guilty persons go free rather than to risk the conviction of one innocent man," he said.

Bushell said he has "amazed Japanese lawyers by telling them that no American would freely admit his guilt to a charge unless

he was, in fact, guilty."

"But Japanese lawyers continually advise their clients to plead guilty, regardless of guilt or innocence," he said. "The idea is that if a man pleads guilty, tells a 'sob sister story' to the Japanese judge, he'll probably get a suspended sentence."

Bushell said it was not necessarily true Girard would receive a light sentence "unless you want to consider 20 years a light sentence."

Haiti Is Quiet Under Muzzles Of Tommyguns

By JAMES F. CUNNINGHAM
United Press Staff Correspondent
PORT-AU-PRINCE (UP)—Haiti was precariously quiet early today under the muzzles of the army Tommyguns that killed at least 50 persons and wounded 200 in a savage outbreak of week-end violence.

The number of political prisoners clapped into Port-au-Prince's jails during the clash was estimated between 500 and 1,000. Brig. Gen. Antonio Kebrue, who ousted provisional President Daniel Fignole Friday, appeared to be intent on stamping out opposition to his military junta regime quickly and at any cost. Fignole fled into exile.

Most of the casualties of the week-end outbreak were supporters of Fignole, but a radio report said the prisoners included at least one leading partisan of Sen. Louis Dejeu, another candidate for president in the deferred elections.

Floodwaters Inundate Community In Kansas

By UNITED PRESS
Floodwaters four to six feet deep inundated Ellis, Kan., today and surged toward Hays, where national guardsmen and volunteers battled to reinforce the dikes along Big Creek.

Ellis, hit by a 4.5 inch rain, was entirely isolated, except for police department radio, which broadcast an appeal for help. At mid-morning, residents still were being taken from their homes, the Hays police department said. It was acting as a relay point for emergency messages from the stricken town.

Highways into Ellis were blocked, it was reported, but police said it appeared enough boats already were available to handle the situation. Many were brought in from Cedar Bluff dam.

Water Inches Up
Water averaging four feet in depth covered the business district officers said, and many residential areas were under water.

Most utility services, including telephones, electricity, and the town's water supply, failed.

At Hays, where six persons died in a flash flood in 1951, sandbagging operations begun Sunday night continued early today and police said it was hoped that Big Creek would be contained as its crest swept through here.

Liberal Battered
At Liberal, in extreme southwest Kansas, a twister damaged equipment at a playground and tornadoes were sighted in the Downs area of north central Kansas.

The highway patrol said high water disrupted traffic on U.S. 183 near Phillipsburg for a brief interval, and the Rock Island cancelled service on a branch line in northwest Kansas when its tracks went out.

Richard Garrett, chief forecaster at the Topeka weather bureau, said the heavy rains ranging up to five inches in the north-central area of Kansas fell in the same area where heavy showers hit the night before.

Bids on construction work on a possible paving projects will be opened at 10 a.m. tomorrow by the City Commission.

Bids had previously been advertised to be opened on May 28 but no bids were submitted because of the contractors not wanting to carry the notes of the individual property owners. Upon learning this the commission decided to advertise for bids to be opened tomorrow on a cash only basis.

Property owners were urged to arrange for their own financing so that they could pay cash for the paving of dirt streets adjacent to their property.

City officials have reported that the plan has been successful and that over 20 blocks of dirt streets will be paved.

Bids will also be opened at 10 a.m. tomorrow on six test holes to be drilled on land which the city recently obtained for water rights. If the test holes show favorable signs of good water the city will purchase the water rights.

Other action includes the accepting or rejecting of bids opened last Tuesday for the purchase of a new street sweeper. The city has ten days after opening bids to either accept or reject the bids and the commissioners decided last week to take the extra time so that they might study the specifications of the sweepers which the bids stipulated would be supplied.

The commission will give instructions to the engineering department and to the police as to the new traffic ordinance.

The city must take down signs allowing right turns on red lights and make other changes in signs throughout the city. As soon as these changes are made, the police officers will start enforcing the new traffic ordinance which goes into effect this week.

Also scheduled for tomorrow will be the opening of bids on the old Herford building at Recreation Park. The city has decided to dispose of the building and the high bidder tomorrow will be sold the building.

The board of directors of the Pampa Chamber of Commerce and the Board of City Development were to be guests of the Southwestern Public Service Company for their business meeting at noon today.

The meeting was originally scheduled for a week ago but, due to a death in the family of E. O. Wedgeworth, chamber manager, it was postponed until today.

Shamrock Negro Is Shot 3 Times

(Special to The News)
SHAMROCK—The old adage, "a cornered man is dangerous," was proven again late Saturday night in Shamrock when a cornered Negro shot his pursuer three times with a .25 caliber automatic.

According to Deputy Sheriff John Copper, Hiawatha Railroad Sullivan, Shamrock Negro, was hit in the neck, leg and chest when he stepped out of a cafe in the colored section of Shamrock, and started after John L. Fuller, also a Negro.

Fuller had been evading Sullivan for some time, but when Sullivan finally cornered him the shooting occurred. They had had previous trouble, the sheriff reported.

Sullivan was rushed to Shamrock General Hospital for treatment and was in "fair" condition this morning.

Fuller was lodged in the Wheeler County Jail pending further investigation.

GREENSBORO, N.C. (UP)—Six moonshiners began serving federal prison terms today with a useful thought about their business acumen. They tried to pay protection money to a deputy sheriff and had hired a federal revenue agent as a "still hand."

The hostesses, Miss Fitzgerald and her mother, Mrs. J. M. Fitzgerald, were in the receiving line. Mrs. Keller was guest registrar.

Miss Fitzgerald was presented with a pink and white carnation and rosebud corsage. Mrs. Fitzgerald's corsage was of white carnations.

A pink cloth covered the serving table, where the hostess' gift of a four-piece white and chrome canister set was used in the table decorations. The large part of the set held a bouquet of pink-tinted daisies and sweetheart roses; the lids of the set were placed on their containers and held pink lighted tapers. Crystal and silver were used in the other appointments.

Cookies, punch and pastel-tinted mints were served. Mrs. W. R. Campbell, aunt of Miss Fitzgerald, presided at the punch service.

Approximately fifty guests attended or sent gifts.

Scientist Takes Life Rather Than Testify

PACIFIC GROVE, Calif. (UP)—A brilliant scientist under subpoena to appear before a House American Activities Subcommittee took his own life rather than testify. Deputy Coroner Christopher Hill Jr. said after performing an autopsy that the scientist, William K. Sherwood, 41, died from taking poison early Sunday. Sherwood was found lying in the Hopkins Marine Laboratory by his wife, Barbara, just after midnight. He succumbed an hour later at Monterey Hospital. Sherwood, a Stanford University research scientist, was scheduled to appear before the subcommittee in San Francisco Tuesday. The subcommittee has been investigating Communist "intellectual infiltration." Frank Tavener, counsel for the committee, said he could not discuss details of the case, but he confirmed that Sherwood had been subpoenaed. He said any disclosure of the reasons for the subpoena would have to come after the committee members arrive later today.

OUT OF THE PAST—'Louis I,' a Forest horse foaled on May 25, looks as though it may have been carved from the stone in background as it follows its mother on the grounds at Chicago's Brookfield Zoo. Louis I is the second such horse ever born in the U.S. Forest horses once roamed Europe but became extinct centuries ago. Dr. Heinz Beck, director of the zoo in Munich, Germany, developed duplication of the species after 30 years of careful breeding. Both parents of Louis I were brought to Chicago from Munich.

Barbara Hollars, daughter of Mr. and Mrs. Homer Hollars, 800 N. Somerville, and vice president of the student council at Draughton School of Business in Oklahoma City, Okla., has been named to the arrangements committee for an all-school picnic to be held June 26 at Blackhawk Park. Elmer Radcliff, chapter dad, requests that the advisory board of downtown Jacksonville. A. C. Marshall, an Athens, Ga., radio newsman who was standing behind Bennett in line, said the Negro suddenly grabbed the girl and had "almost a death hold" around her waist. "He did not try to fight us off or anything. He just held onto the girl and wouldn't let go," Marshall said. He said the girl was screaming, "Daddy, Daddy, help me!" during the few seconds she was in Bennett's grasp. The father and "six or seven others" freed the girl and beat Bennett to the floor and held him until police arrived. The girl was not injured. Officers said Bennett's only explanation of the incident was that "something just came over me."

Special Tax Advantage Cut For Couples In Eight States

By VINCENT J. BURKE United Press Staff Correspondent WASHINGTON (UP)—Congressional tax writers have secretly voted to reduce a special tax advantage available to retired couples living in the eight community property states, it was learned today. The special benefit has been under attack from Florida lawmakers on grounds that it allows many retired couples in California to pay lower federal income taxes than they would have to pay if they lived in Florida. The difference—in rare instances—could amount to as much as \$240 a year. California is a community property state; Florida isn't. Other community property states are Louisiana, Arizona, Idaho, Nevada, New Mexico, Texas and Washington. The House Ways and Means Committee agreed last week to reduce the special tax benefit. Awaiting final approval. Official announcement of the action was withheld pending final committee approval of the bill.

Graham Says Life Has Only 2 Roads

NEW YORK (UP)—Evangelist Billy Graham said Sunday night that life has only two roads and they lead to heaven or hell. "The narrow road ends in eternal life," Graham said, "and the broad road leads to hell and destruction. There is no third road. It is either one or the other." The North Carolina preacher, basing his sermon on Job 14, said that even "the American Indian talked about his happy hunting ground." The whole world is out of balance, Graham said, and "experience teaches us that there must be something after life." He quoted Robert Ingersoll as saying, "why do we fear that which we do not know?" "Supposing there is no heaven and no hell. I would still follow Jesus Christ. . . . But what a terrible thing to find there is a hell and that you've missed heaven. . . . Christ taught there was life after death," he said. Graham said one of the strongest arguments for believing in a heaven and a hell is that "it is instinctive to believe in the after life." He said his view of heaven is one of joyful reunions with loved ones but he added that it would not be all milk and honey. "It will be a time of reunion of loved ones. Families will reunite in heaven. Your father and mother prayed you'd meet them in heaven. "I think you are going to work up there. You are not going to sit around under a palm branch." He said his interpretation of heaven was his own idea and could not be found in the Bible. Graham announced there will be no service tonight because the Institute for Retarded Children is holding its "cavalcade of stars." The number of persons who have made "decisions for Christ" rose to 19,142 Sunday night when 450 persons came forward at the conclusion of the service. The total of those who have heard Graham during the 33 nights of his crusade is now 585,500.

HAITI

(Continued From Page One) ing it impossible to obtain first-hand reports on conditions outside the capital. No large-scale violence was reported. Unconfirmed reports that Dominican troops are massing along the border that bisects this tropical island in preparation for an invasion of Haiti were denied by Dominican Ambassador Portirio Basora. The junta officially acknowledged only that 12 persons were killed and 20 arrested in the week-end disorders, but the actual casualty figures were known to be much higher. The trouble started at midnight Saturday, a few hours after word of Fignole's safe arrival in New York was received here. Roving bands of Fignolists, defying curfew regulations, surged out of the slums to set fire to buildings and heave huge rocks into the streets. No Americans hurt. At least one tourist hotel was stoned by the mobs, but none of the handful of Americans visiting Port-au-Prince was injured. The army was quick to retaliate. Before dawn, to my young squads marched into the districts of La Saline, Belair and Port-au-Prince, raking filthy shacks with indiscriminate gunfire. The tempo of violence increased at dawn, even as church bells rang to summon to the Roman Catholic faithful to early Mass. Trucks carrying prisoners by the dozen to Port-au-Prince's jails rumbled through the streets all morning. By Sunday noon, the city was nervously quiet.

Phillies, Braves Split Double; Giants Edge Cincinnati, 4-3

By MILTON RICHMAN, United Press Sports Writer

An old pro and a kid just three weeks out of high school are panning out to be a bullpen bonanza for the pennant-minded St. Louis Cardinals.

The old pro is 33-year-old Hoyt Wilhelm and the youngster, fresh out of the classroom is 18-year-old bonus beauty Von McDaniel, who between them, pitched the Cardinals within 1 1/2 games of the National League lead by beating Brooklyn twice Sunday, 7-6 and 8-4.

McDaniel, appearing in only his second major league game, checked the Dodgers on one hit and struck out five batters in four innings to gain his first major league victory in the opener, Wilhelm hurled four hitless innings in the nightcap to save Willard Schmidt's triumph and give the Cards their 11th victory in the last 13 games.

The Cards overcame a 6-1 deficit to win the opener on Ken Boyer's seventh-inning homer after Roy Campanella and Stan Musial each had hit three-run homers. St. Louis shelled Johnny Podres from the mound in the nightcap with a four-run outburst in the sixth.

Wilson Wins Seventh

Jim Rivera and Minnie Minoso each hit two-run homers for the White Sox to help Jim Wilson notch his seventh triumph in the first game. Relief pitcher Dixie Howell then hit two homers in the nightcap as the White Sox battled back from a 6-0 deficit to win with a four-run rally in the eighth. Roy Sievers also homered.

Yankee reliever Bob Grim was credited with his seventh victory when the Bronx Bombers rallied for three runs in the 10th. Homers by Gil McDougald and Yogi Berra gave the Yanks an early lead, but Billy Martin, playing his first game for the A's, put them ahead, 4-3, in the eighth. The Yanks went ahead again in the ninth and Hal Smith sent the game into extra innings with a homer in the bottom of the ninth.

Roger Maris' single with the bases full off Connie Johnson in the eighth inning gave the Indians their opening game victory, while homers by Al Smith and Dick Williams beat the Orioles in the nightcap.

Harvey Kuenn's 10th inning homer and Jim Bunning's three-hit pitching carried Detroit to its victory over Boston.

Braves Split Twin Bill

League-leading Milwaukee split a double-header with Philadelphia, winning the opener, 3-2, but dropping the nightcap, 1-0, despite Lew Burdette's one-hit pitching. The Giants edged the Redlegs, 4-3, and the Cubs defeated the Pirates, 4-1, with the nightcap being called at 4-4 in the seventh inning because of Pennsylvania's Sunday curfew.

The Chicago White Sox stretched their American League lead to 3 1/2 games by beating Washington twice, 4-2 and 5-0; the Yankees defeated the Athletics, 8-5, in 10 innings; Cleveland swept two games from Baltimore, 4-3 and 5-1, and Detroit beat Boston, 2-1, in 10 innings.

Frank Torre's eighth-inning dou-

ble drove in the winning run for the Braves in the opener. Juan Pizarro went the route for Milwaukee even though he was nicked for homers by Willie Jones and Granny Hamner. Southpaw Curt Simmons was the winner in the finale.

Don Mueller's pinch three-run homer in the eighth off Tom Ackerman helped Mary Grissom of the Giants to victory in a relief role against the Redlegs, who frittered away a 3-0 lead.

Jim Hoiger, Ernie Banks and Walt Moryn each hit homers in the Cubs' triumph over the Pirates and Banks also homered in the second game which was not completed. Don Kaiser was the winner and Luis Arroyo the loser. The second game will be completed July 16 at the point it was suspended.

Carlsbad Downs Ballinger 8-7 Takes First In SW League

By UNITED PRESS

Carlsbad, propelled into first place when the Southwestern League dwindled to six teams, came through like a leader Sunday night.

Hobbs carried on in the manner of Clovis, which led the circuit until its financial legs crumbled and it dropped from sight with Plainview after Saturday's game. Carlsbad protected its slim lead over Ballinger with an 8-7 victory although it mustered only two home runs, buried San Angelo with 19 hits, 24-4.

Ballerger traded victories with El Paso, winning the first game 11-2 and dropping the second 12-6.

Patterson Homers

With two out in the 10th and trailing one run, Carlsbad's Bob Boyd singled and Roy Patterson hit the first pitch to him out of the park for two runs and the game. Midland had gone ahead in the 10th when Carlos Pascual singled home Buddy Grimes, on with a double.

Horatio Valdestino homered with a man on in the eighth to give Midland a two run lead, but Carlsbad wiped it away in the ninth.

Hobbs used a combination of 19 hits, including a grand slam home run by John Spicuzza and a two-run blast by Dick Hogan, and 12 walks to blast San Angelo.

Four Doubles

The Sports also picked up four doubles.

Ballerger used the big inning to stop El Paso in the first game. Ron Kiser's grand slam helped the Westerners to six runs in the fourth and Walt O'Neil poled a three run homer to spark a five-run burst in the ninth.

Kiser and Bill Stenger picked up solo homers in the nightcap for Ballinger, but they couldn't overcome 20 El Paso hits.

Mayer Takes US Open By 7 Strokes Over Middlecoff

By LEO H. PETERSEN, United Press Sports Editor

TOLEDO, Ohio (UP) — Hand some Dick Mayer finally made it — winning the U.S. Open golf championship to end what has been for the most part seven years of fairway frustration.

He beat Cary Middlecoff, the defending champion, on the tight, rolling Inverness course Sunday for the title and the \$7,200 that goes with it by a whopping seven strokes—one of the most decisive playoff triumphs in golf history.

Playing conservatively, but chipping and putting with accuracy, he shot a two-over-par 35-37—72 against Middlecoff's nine-over-par, 38-41—79. It was one of the worst rounds Middlecoff, who was shooting for his third Open title, ever played.

On Saturday, Middlecoff sank a

10-foot birdie putt on the 18th green to tie Mayer at 282. Mayer dropped the same length putt on the same green to come in a stroke ahead of 47-year-old Jimmy Demaret, who thought he had won it all when he finished with 283.

So Sunday, the 34-year-old Mayer and the 36-year-old Middlecoff, went at it head and head for 18 holes for the greatest title in golf.

It was obvious on the first hole that Middlecoff didn't have it. He sliced his drive into the rough, put his second on the back of the apron, chipped to within three feet and then missed the putt for a bogey five.

Mayer put his seven iron second to the apron, chipped to within two feet and sank it for his par. Mayer bogeyed the second hole when he drove in the rough

Trials Begin In Trans-Miss. Golf Tourney

By ED FITE, United Press Sports Writer

DALLAS (UP) — More than 200 ambitious amateurs begin qualifying today for the 44th annual Trans-Mississippi golf tournament and only 43 will survive.

Heading the field of hopefuls shooting qualifying rounds today and Tuesday is Harvie Ward Jr., National Amateur champion who is under probation by the U. S. Golf Association.

Awaiting the 83 golfers that will emerge from qualifying rounds is defending champion Charlie Coe, who doesn't have to qualify.

Ward, a San Francisco, with two straight national titles, is under a year's probation for accepting expenses at tournaments in violation of amateur rules.

However, the Trans-Miss. one of amateur goldfom's four biggest tournaments, is not sponsored by the USGA and its directors voted to allow Ward to compete as a "non-amateur," the same status under which he competed in the National Open last week.

The 18-hole qualifying test is spread over today and Tuesday to accommodate the heavy field. Match play starts Wednesday, with the 36-hole finals Sunday.

Coe, seeking his fifth Trans-Miss. title, and several others will be shooting for a berth on the Walker Cup team. Coe and Ward are past members, but Ward is ineligible while on probation.

Rex Baxter Jr. of Amarillo, Tex., and the University of Houston heads a large field of college stars in the meet.

Other highly regarded collegians include Southwest Conference champion Jerry Pittman of Tulsa, and Southern Methodist's Dick Whetzel of Dallas and North Texas State, Southern Intercollegiate winner and Houston's Jim Hiskey.

Several former champions, including Don Schumaker of Dallas, who won 20 years ago, will be shooting for a repeat.
