By RELMAN MORIN NEW YORK, Nov. 28 (AP)—A group of top-ranking officials of the CIO conferred today with President-elect Dwight D. Eisenhower on the "welfare of labor" in his forthcoming administration.

122 Persons Die On U.S. Roads On Thanksgiving

By The Associated Press One hundred twenty-two persons over the nation lost their lives in traffic and miscellaneous accidents over Thanksgiving Day.

National Safety Council records show that in the first nine months of this year 99 persons were killed in traffic every 24 hours. This total, however, is not comparable with that of the Thanksgiving Day survey because it includes deaths of injured occurring days, weeks or months after the actual date of the accident.

Texas Traffic Toll Now At 9

By The Associated Press Traffic pushed the violent death toll upward early Friday and Thursday night after the long Thanksgiving Day week end had started calmly.

DEADLOCK IS SEEN CIO Convention To Pick President

ATLANTIC CITY, N. J. (AP)—Delegates to the 14th CIO convention gathered here today for a showdown on the selection of a new president.

The task of picking a new chief to fill the post left vacant by the death of Philip Murray might lead to an open and public fight. Since early this week, top CIO leaders have been meeting in New York and Washington in an attempt to make a choice.

Six Mishaps Reported As Area Roads Are Icy

Rain In State Due To Continue But Not Heavily

By The Associated Press Sullen skies dripped light rain-freezing in some places and mixed with snow or sleet in others—from the Texas Panhandle to the Rio Grande Friday.

The U. S. Weather Bureau said the rain would continue through Friday night. But a forecaster added, "It doesn't look as if we'll get anything like those 2-to-6-inch rains we had last week end."

A 5-day forecast said temperatures over the state would average four to six degrees below normal minimums of 40 to 46 in East and Central Texas and 28 to 42 degrees in West Texas.

The forecast predicted spotty moderate to heavy rains in the eastern half of the state through Monday and rain in the south part of West Texas through Saturday. Rain or snow was expected again in West Texas on Monday.

Freezing drizzle was reported Friday at Lubbock, Midland, Big Spring, Wink and Plainview, all in or just below the South Plains. In the Panhandle, snow flurries fell at Childress and Dalhart. Sleet fell with a gray drizzle at Dallas but melted as it hit the sidewalk.

Other points reporting light rains included Brownsville, Laredo, Del Rio, Houston, Palacios, Victoria, College Station, Corpus Christi, Mineral Wells, Fort Worth, San Antonio and Cotulla.

Four inches of snow, remnants of a heavy fall early in the week, still lay on the ground at Amarillo and Dalhart.

Panhandle highways were open but coated by a treacherous film of ice.

Thursday night's low temperatures ranged from eight degrees at Dalhart to 41 at Brownsville, Corpus Christi and Galveston.

A U. S. spokesman said his delegation would favor a Danish amendment shortening the period to four months but would not press for it. Other amendments on details and mechanics were expected to get the support of many nations in the committee.

Soviet Foreign Minister Andrei Vishinsky also has introduced amendments to the Indian resolution. Western delegates charged yesterday they only transformed it into Russia's own demand that all prisoners: must be forced to go home whether they want to or not.

The debate became increasingly vitriolic yesterday when France, Australia, Canada and New Zealand accused the Russians of wishing to prolong the war in Korea and charged that Vishinsky had tried to trick the Assembly into perverting the sense of the Indian resolution.

Vishinsky ostentatiously replied that these delegates, by attacking him personally, had taken the position of "lap dogs barking at an elephant."

He and his allied delegates from the Ukraine and White Russia held out that the Russian resolution, calling for an immediate cease-fire followed by a political conference to settle the POW and all other Korean questions, was the only way to peace in that battle-scarred peninsula.

Vishinsky heaped more score on the Indian resolution, saying it was "rotten" and would not solve the Korean problem.

Winnie Ruth Judd Chase Is On Again After Her Sixth Escape

PHOENIX, Ariz. B — The out-gang-in-again trunk murderer, Winnie Ruth Judd, led searchers a baffling chase today after her sixth escape from the State Hospital for the Insane.

Red-haired Winnie squirmed out through a sawed window screen last night.

With her customary craftiness, she left nothing to show just how she circumvented the many precautions taken to keep her in.

It was her second escape this year from the hospital where she has been confined since 1951. In 1951 she killed two girl friends and shipped their dismembered bodies to Los Angeles as baggage.

Her flight last night set off a frantic search not only for 45-year-old Winnie but for an unknown accomplice or accomplices.

TWO NEW ARMY GROUPS FORMED IN GERMANY, RIDGWAY REVEALS

SUPREME HEADQUARTERS, Allied Powers in Europe, Nov. 28 (AP) — Gen. Matthew B. Ridgway announced today that two new Army group headquarters have recently been formed in Central Europe. Both are in Germany.

The group headquarters are commanded by French Marshal Alphonse Juin, who heads the Allied land forces in Central Europe. His headquarters are at Fontainebleau.

The headquarters in the northern sector of the Central European command are at Bad Oeynhausen. The commander is British Gen. Sir Richard Gale, who is also commander-in-chief of the British Army of the Rhine. He has an international staff of British, Belgian and Dutch officers.

The headquarters at the southern sector of the central command is at Heidelberg. It is commanded by Lt. Gen. Manton S. Eddy, commander-in-chief of the U. S. Army in Europe. His staff consists of French and American officers.

Both group headquarters are linked up with the headquarters of an Allied Tactical Air Force. The Second Allied Tactical Air Force is associated with the Bad Oeynhausen group and the Fourth Allied Tactical Air Force with the Heidelberg group.

36 Said Dead In Plane Crash

TACOMA, Wash., Nov. 28 (AP)—A four-engine military plane from Alaska crashed in flames in a field south of here shortly after midnight and 36 of the 39 aboard were believed dead.

While scattered fires still marked the scene of the post-holiday tragedy, Deputy Pierce County Coroner Larry Amundson said 36 were dead or missing.

The plane carried servicemen and dependents. The bodies of four babies were among those found scattered at the scene of the disaster.

At least two witnesses to the tragedy said the plane was as fire as it "whooshed" down to a tree-flanked field about a mile from its destination at McChord Air Force Base.

Capt. Jack Easley, public information officer at McChord, said the early reports to the base indicated the plane struck a tree while coming in through the heavy fog for a ground-control approach landing.

All but a section of the tail was destroyed in the resulting fire and explosion. Bodies were scattered over 200 feet from the wreckage.

The crash added to the toll of a disastrous three weeks for military transport aviation around the North Pacific rim.

The death toll stands at 36 in 1952's crash. It makes a total of 109 dead or presumed dead along the arc from Korea to Alaska to McChord and Montana. The total includes 91 on three big transports in Alaska, 53 in two Korea crashes, eight in Montana and eight in a Canadian crash on Vancouver Island.

First witnesses at the scene said they could hear the heart-rending cries of a baby in the burning wreckage. They were helpless to do anything about it.

Many of the passengers were returning to the states for the year-end holidays. The CSM left Fairbanks yesterday morning, stopped at Elmendorf Base at Anchorage, then flew the 1,400 miles to McChord.

Ironically, only the fog kept the plane's occupants from seeing the lights and safety of the big McChord Field before the crash.

The crash scene was strewn with personal belongings. There were many packages indicating the passengers had been shopping, possibly for Christmas before they started the ill-fated flight.

Freezing Rains Making Driving Hazardous Here

Freezing light rain with a little snow mixed in brought enough moisture to dampen the earth's surface and produced traffic hazards in the Big Spring area early today.

Half a dozen traffic mishaps had been reported by local officers. Three persons had been injured, none of them seriously.

City streets and sidewalks were crusted over with ice at day break, and highway patrolmen reported that some bridges in the area were made hazardous by coatings of ice.

The weather picture was mystifying as well as cold today.

The local weatherman reports a new precipitation record for this date—48 of an inch of moisture having been measured at the U. S. Weather Bureau at Webb Air Force Base in the last 24 hours.

Other measurements are in conflict with the official report, however. The U. S. Experiment Farm north of Big Spring gauged only .01 of an inch of rainfall. Texas Electric Service Company said its gauges hadn't caught measurable precipitation up to noon.

More light rain or snow is on tap for this afternoon and tonight, the weatherman said. Rainfall is due to warm air from the Gulf above the colder layer of surface air.

Some thawing temperatures were expected during the afternoon with the high forecast at 35 degrees. Low tonight is due to be 30, with a maximum of 45 predicted for Saturday.

Texas Electric Service Company reported icing conditions north, west and south of Big Spring, but apparently no ice was forming to the east. Neither the electric nor telephone company had experienced any line difficulties, although conditions were "right" for trouble, officials said.

A trace of snow was noticed at the weather station early this morning. Observers said the 48 of an inch of moisture eclipsed the former record for Nov. 28—44 in 1950.

In fact, icy bridges had figured in at least four traffic mishaps.

Later in the morning, officers said information they had received indicated that traffic was moving on all highways in this area. However, pavement was still slippery despite the fact that ice had thawed.

E. L. Newsom, local grocer, suffered a fractured leg in a fall on an icy sidewalk in front of his store on West Third about 9:30 a. m.

Newsom and his grandson, Keny Griffin, had been downtown and were returning to the store. The youngster almost fell and Newsom attempted to catch him, falling on a knee and fracturing the kneecap.

He was taken to Cooper Hospital in an Eberly ambulance and doctors said he probably will be laid up for about three months.

Several other falls on icy porches and walks were reported, but apparently no serious injuries resulted.

The city street department and personnel of the state highway department were out early this morning.

### Sea-Going Women Still Like Home

CHURCHILL, Man. (U) — Many women are just as eager to sell the seas as men are.

The vessel LaCordilliers, owned by Burles Marks, which docked recently at this Hudson Bay port carried 10 women cooks and stewards. The ship's owners had asked veterans of the British navy women's auxiliary after the last war for applications and were almost swamped.

The women said they like the work at sea, and the turnover in personnel is low. But they enjoy shopping at various ports, and sometimes leave to be married.

From the remarks of the visitors, it appeared that even women who like the sea still want a home and family.

### Former Star Mary McCormic To Direct Opera 'La Boheme'

Mary McCormic, who will direct the opera "La Boheme" to be presented here Tuesday evening, has the distinction of being the first American singer in 60 years to hold a contract with the Paris Opera and was for 14 years one of the most outstanding figures in the opera of pre-war France.

"La Boheme" will be presented in the City Auditorium at 8 p. m. Tuesday by the North Texas State College opera workshop under the sponsorship of the Business and Professional Women's Club. Tickets may be obtained from any member of the B&PWC Club or at Mi-Lady's Accessories shop in the Settles Hotel building. They are \$1.50 for adults or 50 cents for students.

A native of Amarillo, Miss McCormic has studied music at Northwestern University in Evanston, Ill. A few years later she joined the Chicago Opera Company and made her debut in "Carmen" as Michaels. She was a protegee of the famous Mary Garden, opera star.

During the opera seasons abroad, both with the Paris Opera Company and the Opera-Comique, Miss McCormic often gave command performances for royalty, the most memorable of these being the

times she was requested to sing for the President of France, the Sultan of Morocco and the King of Egypt.

Miss McCormic has produced 14 operas since joining the faculty of the North Texas State College School of Music in 1944: the first, "The Chocolate Soldier," 1945; "Bohemian Girl," 1946; "Stranger of Manzanar," and "There and Back," 1946; "Faust," 1947; Rigoletto, 1947; "Carmen," 1948; "Cavalleria Rusticana," and "Romeo and Juliet," 1950; and "Daughter of the Regiment," 1951.

"The Stranger of Manzanar" and "There and Back" were both premiered in Dallas and later given at the college. Most of the operas have been taken on tours of Texas cities. Miss McCormic's production of "La Boheme" will be her 14th opera production at NTSC.

### Lighted Wreath Can Be Made In Home Workshop

Here's an idea for the household handyman who enjoys making his own outdoor decorations. The large lighted wreath on the home in the photograph above is the product of a home workshop and tailored especially for this house.

As shown in the drawing below, the frame of the wreath is made of wood strapping about two and one-half inches in diameter. Although each side of this octagon is 18 inches, you may want to design your wreath to a size better suited to your own house.

Before green and lights were added to the wreath above, it was painted dark green to harmonize with the natural greens. The half-cylinder candle in the center of the wreath was covered with translucent shower curtain material in plain white. As sketch-

ed at left, the candle is fashioned over a simple frame of coat hanger wire with a wooden top and bottom. Porcelain sockets at top and bottom hold the flame-shaped bulb at the top and the regular 25-watt household bulb at the bottom which lights up the candle.

Notice how a little door is provided at the bottom of the candle to allow convenient access to the lower bulb.

### The Chase Must Go On In Merry Old England

CHURSTON FERRERS, Eng. (U) — A passenger train pulled up for an unscheduled stop near here yesterday to let a hare — that oversized European rabbit — cross the tracks.

Right behind came the hounds, and then 12 riders from this neck of South Devon.

Once the chase had passed, the train went on its way. The hare got away.

A glass should be added to a ham about an hour before the total baking time for the ham is over; be sure to remove the rind and score the fat before you spread the glass over the meat.

**'It's No Use, Boy'**

Back Angel Olvera of Sweetwater tried desperately for a tackle on J. C. Armistead (30) of Big Spring but J. C. eluded him to score a first-quarter touchdown in Thursday's Big Spring-Sweetwater game here. The play covered 21 yards. Raymond Gilstrap (81) is shown blocking John Morris (66). Jimmy Ellison of Big Spring, having thrown his block, is watching the play from the ground. Big Spring won, 42-33.

**FIRST WIN SINCE '40**

# Steers Upset Pony Eleven, 42 To 33

The greatest AAA team in the state, perhaps—that would be the Big Spring Steers—ambushed the team that was supposed to have been—that would be the Sweetwater Mustangs—on a cold but bright Thanksgiving Day here.

On Thursday, at least, the Longhorns were not to be denied. Taking the field against a club they hadn't beaten since 1940, the provincials fell two touchdowns behind early in the game and then stoked the furnace to dominate play and claim a 42-33 triumph.

Carl Coleman's boys, from wing to wing and from center to safety man, looked every inch the champions. It would be difficult to point out any hero, for they played as a dedicated unit in achieving one of the great football successes in the history of the school.

The Steers rolled up 439 yards rushing and passing against the Mustangs, compared to 373 for the visitors. Of the 220 paces the Steers gained on the ground, swivel-kicked J. C. Armistead—having one of his greatest days—accounted for 162 of them.

Big Spring showed its true mettle in the fourth period when the resurgent Ponies pulled within one point of a tie and appeared to be on their way.

The Big Spring signalmen flagged them onto detour, however, and took the glory road themselves. They did it by clicking off two quick TDs and putting victory out of sight.

The boy who really put the pressure on the invaders was Donald Mac Richardson, the lad with the golden toe. Six times Richardson aimed at the enemy goal on conversion tries and he hit 1,000. As a result, Sweetwater invariably found itself needing two to three touchdowns to take the lead.

Sweetwater drove 72 yards on nine plays for the first score of the ball game, with James Butler doing the honors from six yards

Richardson's boot elevated the tally to 21-13.

A short Sweetwater punt set another Big Spring drive in motion from its own 38 later in the second quarter. A pass from Hayworth to Martin moved the ball 33 paces down to the enemy five, from which point Armistead sprinted over on an end sweep. Richardson's kick pumped the score to 28-13.

Sweetwater came back fighting mad in the third. Eugene Kouril split the line for 37 yards and a tally, and Byrd went ten yards on an end-around play for another six points. After each thrust, Reagan kicked the point and the count stood at 28-27.

It proved to be a dying gasp on Sweetwater's part, however. Four minutes deep in the fourth, Big Spring had another TD. Gilstrap sprinted behind the Pony defenders, took Hayworth's toss over his shoulder and pounded on down to the double stripes. Richardson bisected the uprights on his kick try and it was 35-27.

Porter recovered a Sweetwater bobble shortly thereafter and Big Spring roared to another TD. Hayworth, behind a wall of blockers, galloped the last 11 yards to a score. Richardson's try for point was perfect and the Steers led, 42-27.

A minute before the game ended, Butler scored the last Sweetwater TD on a six-yard pass from Feagan but Gilstrap blocked the try for point.

Think of any Big Spring player and you can name a standout. Brick Johnson played a great defensive game, as did James Hollis, Junior Suter, Porter, Gilstrap, Swinney, Carlisle Robison, Don Reynolds, Charley Rose, Cosby, Charley Fox, Wayne Medlin and many others. Jimmy Ellison turned in, far and away, his best game of the year. Bill Dorsey was outstanding. Score by quarters:

**BIG SPRING** 7 21 0 14—42  
**SWEETWATER** 13 0 14 6—33

## A HAPPY BUNCH

# Wait 'Til Next Year, Grid Chant

A victory-happy Big Spring High School football team lifted Coach Carl Coleman on its shoulders and carried him off the field following the Steers' thrill-packed 42-33 victory over Sweetwater Thursday afternoon.

Coleman could hardly talk after reaching the dressing room but he must have been the happiest person in Big Spring.

"They really played out there today, didn't they?" the mentor did manage to state, however. Most of the time, he walked the floor, receiving the congratulations of the fans who swarmed into the dressing room.

The supporters, many of them proud fathers of the athletes, were packed so thick in the cramped quarters the boys had difficulty getting out of their togs before their dash into the showers.

Charley Fox suffered a bloody mouth and nose when he clung to the ball following a Sweetwater kickoff seconds before the game ended, when aroused Ponies tried to capture the ball. He didn't seem to notice the wound, however. The boy, in his last high school game, has proved a fierce performer on the field.

Bobby Hayworth looked very calm and collected about the whole thing, although he had just experienced his finest hour.

Every one seemed to regret that the 1952 season had just ended.

"Had we played like that all

year, no one would ever have beaten us," some one said.

"Just wait 'til next year," some one added.

The weather, cold but clear, might have helped Big Spring more than it did the Ponies. The Steers did throw 14 passes and completed eight of them but stuck to the ground in the main, with startling results.

J. C. Armistead, who scored his 13th and 14th touchdowns of the year in the game, shed would-be tacklers like a duck sheds water. Raymond Gilstrap probably could blame the weather for injuring his leg on the touchdown he scored in the fourth period. Gilstrap took that last desperate step to get the ball and seemed to pull a muscle in his leg. He refused to quit, however, and shortly thereafter knifed through the Sweetwater line to

Big Spring (Texas) Herald, Fri., Nov. 26, 1952

block a Mustang try for point with all things, his hip. He was that close to the kicker.

Brick Johnson came onto his own in the game. He's a great backfield prospect but may be even better on defense. He caught a pass receiver from behind one time and on another occasion slithered through a screen of blockers to bring down a Mustang back for no gain at a time it appeared the Mustangs were going all the way.

Fox Byrd was far and away the best Pony player on defense.—T.H.

## Buffaloes Lose To Miners, 31-7

EL PASO, Nov. 28 (AP)—Dick Shinnaut passed for three touchdowns yesterday as Texas Western beat West Texas State, 31-7, in the final Border Conference game of the season.

The versatile Miner quarterback also kicked four extra points and a field goal.

His scoring passes were to Bill Medart, Jesse Whittenton and Clovis Riley. Jack Burris plunged over from the one for the fourth Western TD.

## North Texas Sacks Up League Crown

WICHITA FALLS, Nov. 28 (AP)—North Texas State had the Gulf Coast Conference football championship racked up and a season record of seven victories against three defeats today.

The Eagles whipped Midwestern, 23-7, yesterday to win the Gulf Coast title, smashing to three touchdowns in the final period.

Ralph Reynolds romped to 119 yards and Ken Bahnsen to 117 with Reynolds making two touchdowns.

## Hawks Resume Drills Saturday

On a short Thanksgiving vacation, the Howard County Junior College Jayhawks will resume basketball workouts Saturday night.

The Hawks open their 1952-53 season Tuesday night, at which time they play Decatur Baptist College here.

Rodney Cramer of Coahoma got his eye cut in a recent scrimmage against Decatur. Bobby Malnes only recently got out of bed following a siege of illness. He may see action but he won't be in top shape.

Casey Jones has been released from the hospital but still isn't feeling up to par.

Amarillo JC has been invited to the HCJC Tournament, which will be held Jan. 1-2-3, but word of their acceptance had not arrived this morning. Seven other teams, including Wharton JC, the National JC champion, have already entered.

## Bulldogs Gain 28-20 Verdict Over Snyder

**SNYDER** — Plainview won its first victory of the 1952 football season here Thursday afternoon when it upset the Snyder Bulldogs, 28-20.

The loss shoved Snyder into the District 1-AAA cellar.

Halfback Claude Burton put Plainview out in front early in the game on a 37-yard sprint.

Dan Burns took the ensuing kickoff and galloped 90 yards to pay dirt to tie the score.

Snyder moved out in front late in the initial round when Alan Sneed, freshman quarterback, boomed over for 14 yards out. Steve Blair booted the point after touchdown.

Late in the second round, Lonnie Holland scored from the one-yard line to make it 13-12. Lester Ramsey kicked the point to tie it up again.

Plainview went into the lead later in the second when Holland passed to Ramsey for a score. Ramsey's kick for point was good.

Sneed intercepted a Plainview pass in the third and went 22 yards for a TD. Blair booted the point to make it 20-20.

Plainview recovered a Snyder fumble on the Tiger 26 as the third period ended and a 21-yard pass from Holland to Ramsey hit the jackpot.

The Bulldogs later scored a safety when Burney Hagin, the Snyder quarterback, was tackled in the end zone by Ramsey.

### Almost, But Not Quite

Billy Martin, nearest the camera, almost legged it to the end zones after taking this second quarter pass from Bobby Hayworth in Thursday's Big Spring-Sweetwater game. However, the unidentified Sweetwater player pushed him out of bounds on the five. The play set up the fourth Big Spring touchdown. The Steers won, 42-33.

### VERNON LOSES, 13-6

## Lamesa Gains 1-AAA Crown

**By The Associated Press**

The fight for state championships of Texas schoolboy football starts next week with Lubbock and Breckenridge, defending titlists in Classes AAAA and AAA, again in the field.

Breckenridge clinched a return to the playoffs yesterday by hammering previously unbeaten Brownwood, 34-8, and the awesome power of the Buckaroos showed them back as favorites to repeat with the crown.

Lubbock, already in the state playoffs, closed the district campaign with a smashing 40-13 triumph over Arch for Amarillo.

These eight teams are in the Class AAAA playoff:

District 1—Lubbock.  
District 2—Austin (El Paso).  
District 3—North Side (Fort Worth).  
District 4—North Dallas.  
District 5—Wichita Falls.  
District 6—Ray (Corpus Christi).  
District 7—John Reagan (Houston).  
District 8—Baytown.

The playoff bracket was filled out yesterday as North Side took the District 3 title by tying Paschal (Port Worth), 13-13, and North Dallas slid into the District 4 throneroom when Woodrow Wilson (Dallas) wound up in a tie for first place but North Dallas got the playoff spot because it beat Adamson in regular season competition.

Lubbock and Austin haven't yet set their bi-district date but North Side and North Dallas play at Dallas, Dec. 5. Wichita Falls and Ray clash at Corpus Christi, Dec. 6, and Reagan and Baytown meet at Houston, Dec. 5.

Two Records Spotted

Only Lubbock and Wichita Falls survived the campaign undefeated and untied. Ray was nosed out by Miller of Corpus Christi, 14-13, yesterday in a major upset and was removed from the unbeaten ranks. Ray had been tied.

In Class AAA the state playoff bracket will be:

District 1—Lamesa.  
District 2—Breckenridge.  
District 3—Denison.  
District 4—Texarkana.  
District 5—Temple.  
District 6—Port Neches.  
District 7—Edison (San Antonio).  
District 8—McAllen.

Lamesa won the District 1 championship yesterday by defeating Vernon, 13-6. Breckenridge took the District 2 crown with its strapping victory over Brownwood. Texarkana wound up in a tie with

Marshall and Gladewater for the District 4 title then won the flip of a coin to be designated as the District representatives in the state playoff.

Temple and Port Neches play at Temple, Dec. 6. Edison and McAllen are the only undefeated, untied teams left in Class AAA.

Thirteen bi-district champions were determined in Classes AA and A yesterday and last night and 18 more will be decided today and tonight.

Childress, Stamford, Seminole, Center, Ennis and Killean won first round games in the Class AA state playoff. Childress beat Seymour, 20-8; Stamford downed Tahoka, 34-0; Seminole defeated Brownfield, 12-0; Center strangled Clarksville, 41-7; Ennis beat Jasper, 51-34, and Killean edged La Vega, last year's state runner-up, 6-0.

Today Phillips and Floydada play at Amarillo. Tonight Winters and Stephenville clash at Brownwood; Mineral Wells plays at Graham; Terrell and Sulphur Springs meet at Commerce; Lockhart plays at Belton; Bellville and Bay City tangle at Wharton; French (Beaumont) plays at Lamarque; Del Rio and Yoakum battle at Uvalde, and Aransas Pass and Weslaco clash at Alice. Huntsville has a bye this week.

Olton, Denver City, Wink, Haskell, Honey Grove, Cedar Bayou and Crowell won their way into the second round in Class A. Olton beat LeFors, 13-7; Denver City swamped Abernathy, 40-14; Wink blasted Junction, 46-6; Haskell slammed Dublin, 33-7; Honey Grove edged Tuleo, 25-20; Cedar Bayou beat Groveton, 25-6; and Crowell whitewashed Grapevine, 25-0.

Tonight Clifton and Lancaster play at Cleburne; Van at White Oak, Newton at Gaston; Mart and Hearne clash at Mexia; Smithville plays at Burnet; Deer Park at Spring Branch; Vanderbilt at Floresville, Hondo at Tatt, and Benavides and Lyford battle at Falfurrias.

There's a little cleaning up to do in Classes AAAA and AAA tonight. In Class AAAA, Poly and Arlington Heights play at Fort Worth, and in Class AAA Temple engages Bryan at Temple. Neither game means anything in the championship race although Temple will be working to keep its unblemished record.

The commissioner's share of the World Series' receipts amounts to 15 per cent of all the games played.

## LOOKING 'EM OVER

With Tommy Hart

If you're interested in track and field, you might like to put the dates of these meets down in your future book: Southwestern Exposition Meet at Fort Worth, March 13-14; West Texas Relays at Odessa, March 20-21; and the Sandie Relays, Amarillo, April 17-18.

Date for the Big Spring Relays hasn't been set but Carl Coleman hopes to get together with the sponsoring organization, the ABC Club, soon to discuss the matter.

**MIDLAND DIDN'T FULFILL EXPECTATIONS**

Probably the most disappointed person in the decline of Midland High School's football fortunes this year is Coach Tugboat Jones himself.

Jones led the drive to get Midland admitted to District 1-AAAA a year early because he felt like he'd have a better team this year than next.

However, those who have seen the Bulldogs play say they're not on a par with last year's team.

Local high school coaches shudder when they think what might have happened had Big Spring fumbled the ball on their second touchdown drive against Snyder here last Friday night.

The fired-up Tigers, who were ahead at the time, might never have yielded, after that.

The local gridders and their coaches realize all too well they had taken Snyder too much for granted, were thinking, instead, about the upcoming game with Sweetwater.

To the boys' credit, however, they came out after the half, ready to play football.

**HCJC TOURNAMENT MAY BE BETTER IN 1953**

Good as the Howard County Junior College Basketball Tournament field is this year, it may even be better next season.

Several of the out-of-state teams which cannot come this time due to previous commitments have indicated they would like to be extended invitations for the 1954 show. Two schools in Oklahoma, Hutchinson, Kansas; Weber, Utah; and Pueblo, Colo., had been contacted by Coach Harold Davis of HCJC. Tyler JC may make it, too.

When Santa Clara played Utah (and lost) recently, the University of Texas had scouts in the stands.

Reason: UT's gridders play the Bronco's in 1953. Santa Clara loses 18 men via graduation but Coach Ed Price of Texas wanted to get a look-see at the Bronco formation.

Coach Dick Gallagher will exchange the compliment by looking on as Texas plays Tennessee in the Cotton Bowl.

**ANY TEAM WOULD HAVE TROUBLE IN SWC**

Coach Bob Neyland of the Cotton-Bowl bound Tennessee team said it and it's been proved time and again:

"A team can really get 'up' only once or twice a year and no team can defeat tough opposition every Saturday.

That's why Notre Dame, Oklahoma or any other school in the country would have their troubles dominating play in the Southwest Conference year in and year out.

Orange Bowl officials have been roasted in Miami papers for letting other major bowls grab off the top teams in the country.

The Orange Bowl, incidentally, was reluctant to invite Tennessee because of a sordid game the Vols played there in 1947, when they lost to Rice, 8-0.

**Notre Dame Wrecking Crew May Spoil Troy's Plans**

SOUTH BEND, Ind., Nov. 28 (AP)—Notre Dame's fearless wrecking crew will try to slay Southern California's defensive football giant tomorrow and end the season as the nation's No. 1 spoiler.

Upset fever is climbing in this gridiron empire like it did three weeks ago when the Fighting Irish toppled Oklahoma, 21-21, in a nationally televised game that still has the country talking.

Tomorrow's contest, starting at 2 p. m. EST, will be viewed by a national TV audience following the Army-Navy game in Philadelphia that begins one half hour earlier.

Officials of NBC, the outlet, estimate that about 35 minutes of the game will be shown in the bottled double-feature.

## ON TO COTTON BOWL

# Texas Vanquishes Aggies, 32 To 12

AUSTIN, Nov. 28 (AP)—Texas posted its second clean sweep of Southwest Conference football in three years today and looked toward Tennessee in the Cotton Bowl.

The Longhorns rampaged to a 32-12 victory over their arch rivals, Texas A&M, yesterday to make it six victories in six conference outings—a repeat of 1950.

The fearsome foursome of Gib Dawson, T. Jones, Billy Quinn and Dick Ochoa massacred the Aggie line for 464 yards and the Cadets couldn't stand up to it for three quarters. Then Don Ellis went in and piloted the Aggies to two touchdowns.

Dawson dashed 124 yards, scored one touchdown, kicked a 13-yard field goal and planted three points after touchdown between the up-rights while Glamor Boy Quinn romped for 127 yards and tallied two touchdowns to become the all-time sophomore scorer of conference history. He ran his total to 13 touchdowns, one more than Bobb Hilliard of Texas made 20 years ago.

The Texas football squad takes out from practice until Dec. 3 but the coaches will be mighty busy. Assistants Eck Curtis, Bill Dubose and J. T. King will fly to Nashville to watch Tennessee play Vanderbilt Saturday.

Tennessee scouts already have gotten a good view of Texas, watching the Longhorns against both Texas Christian and A&M.

Scout Ike Peel said here yesterday that Texas had one of the best Split T teams in the country.

In addition to scouting each other, Coaches Ed Price of Texas and Gen. Bob Neyland of Tennessee will exchange films.

# Hot Bread Important Item On Every Menu

Thanksgiving dinner without hot bread is like a home-run without touching second base.

It just isn't fair to have piping hot turkey and dressing and not have oven-hot and even-fresh bread to go with it.

Mead's Fine Bread has a ready-made and delicious answer to its problems, either in its famous French Twins or Clover Leaf rolls, both as handy as your grocery store.

## Variety Club Has New Founding And Additional \$52,000

PITTSBURGH (U) — The Variety Club, an organization of showmen which has 10,000 members in 40 "cities" in all parts of the world, has a new founding today and \$52,000 to help care for many other homeless children.

The \$52,000 was raised in an all-night "teletoon" over Dumont television station WDTV in Pittsburgh yesterday.

Last night the club held its silver anniversary banquet. The center of attention was a 10-month-old boy from the Rosella Foundling Home here. The club formally "adopted" him as it has several other children since its organization. And like the others, the youngster will have his expenses and education paid for by the club.

The \$52,000 collected in the "teletoon" will be added to another \$90,000 to help build a new wing at the Rosella Foundling Home. The wing, a project of Tent No. 1 here, will cost \$400,000.

## 211 People Dead Over Texas Roads During October

AUSTIN, Nov. 22 (U)—Texas traffic accidents killed 211 people last month, 26 less than for the same month a year ago, the Department of Public Safety reported recently. Fatalities for the year totaled 1,943 compared with 1,994 for the first 10 months of 1951.

Chief N. K. Woerner of the Statistical Division figured the 1952 death figure for this period will be five-tenths of one per cent below the 1951 figure when final reports for October are received.

## Here's The Perfect Place To Be Living

CHICAGO (U)—Charles and Helen Lawson threw a Thanksgiving party last night for the 46 tenants of their two apartment buildings.

Lawson, who operated three restaurants in La Jolla, Calif., until three years ago when his wife inherited the apartment buildings, cooked the turkeys, hams, yams and asparagus.

The tenants expressed thanks not only for the dinner, but because Chuck and Helen often babysit for them, wake them up for work, take them golfing and fishing and, occasionally, to Florida on vacations. The Lawsons have no vacancies.

leaves are as tasty as ever. You can spot them by the two little Frenchmen in blue, with Red Tans and yellow pom-pom. The Mead's signature is on a dash of yellow background and French Twin is in blue letters on yellow background. All these are on clear cellophane.

These delicious loaves are easy to prepare for serving. Just pre-heat your oven to 375 or 425 degrees. Place the loaves on an un-greased baking sheet. Either brush the loaves before or after putting in the oven. After 7 to 10 minutes (allow enough to cook to taste), remove the bread. The sesame seeds will be done to a crisp brown, giving that inimitable nutty flavor.

For an extra dash of taste, you may want to add garlic butter. This is simple, too. Take six tablespoons of butter and one clove of garlic (crushed) and mix well. Then cut the loaf diagonally almost, but not entirely through. Apply the garlic butter. This may be done before the baking or after. In any event, you have a super-delicious treat.

Mead's Clover Rolls, which come in an even dozen to the package, are equally easy to prepare. These are another Brown 'n Serve product and the same process of slipping into the pre-heated oven applies.

At Thanksgiving, this is simple, for the turkey will have been baked anyhow and the oven already is hot. But on any cool fall or winter day, you can't beat piping hot bread or rolls.

## KOREAN NEWS 'UNIMPORTANT' TO THE READER

VANCOUVER, B. C., Nov. 24 (U) — The Vancouver Sun wanted to find out whether anyone is reading stories on the Korean War.

So it ran the same dispatch three days in a row. What happened? Nothing.

In a newspaper story today, the Sun says not one of its 500,000 readers phoned to check the "error."

The editors pointed out that whenever a comic strip or feature column is dropped or repeated the switchboard is deluged with calls from irate readers.

"Defeating silence" was the only reaction to the repetition of the Korean story, the Sun story was printed on the front page each day.

## Mead's Has Plenty Of Cakes, Cookies

Here's a holiday tip for you. Don't fret about that special cake or cookies for your party or dinner. Just call at Mead's Cake Shop, 6th and Main, and give your order. It makes no difference what sort of decorative scheme or color you have in mind, Mead's can turn it out for you. You may want to have some fruit cakes, special cup cakes, or a specially decorated sheet cake. Whatever it is, Mead's can fill the bill at the cake shop.

Mr. Piano In This Area

Jack Adair, who directs the affairs of Adair Music Company at 1708 Gregg, is Mr. Piano for this area. He has assisted scores upon scores of individuals and institutions in the selection of pianos to fit their needs. Adair's long experience in the field has convinced him there is nothing like a satisfied customer—and customers invariably are satisfied with Baldwins and the Hamiltons he distributes.

## Christmas Storage Plan Starts At Barrow-Phillips

A Christmas storage plan has been started by the Barrow-Phillips Furniture Company, 401 Gregg Street.

W. L. Thompson, manager, stated that customers could make a small deposit on an article and that it would be held until Christmas week before delivery.

"People can buy large items for presents without the knowledge of the other members in their families," he said. "And the items will be carried on regular credit terms."

All types of furniture and articles for the home are available at the store. Pieces may be purchased individually or collectively.

Various types include bedroom furniture, living room furniture, and dining room pieces. Modern and period pieces may be obtained.

Suggested gift selections include wall-to-wall carpeting, cedar chests, picture prints, lamps of all types, desks, reclining chairs, platform rockers, occasional tables, television sets, gas and electric ranges, cabinets and buffets, and hassocks.

Bedroom suites can be obtained in knotty pine, limed oak, cherry, bleached mahogany, and ranch oak. Brands include Unique, Drexel, Pullman, Brandt, Kroehler, Wolverine, and Sam Belts.

Two and three piece section living room furniture is available at Barrow-Phillips. Small love seats

can be purchased at make into beds.

Lamps come in several varieties—the pin-up, floor, table and torchere. Desks are in all the desired wood types—bleached, knotty pine, mahogany, and walnut. The Lane cedar-chests are a top notch Christmas gift, Thompson said.

All types of occasional tables are in stock. They include the cocktail table, step table, picture window lamp table, and smoking stand. Ultra modern plastic types are available.

Barrow-Phillips is the dealer for Admiral television, radio, phonograph and refrigerators in Big Spring. The store also stocks Fluorescence gas and electric ranges.

Dining room tables include plastic selections with or without the drop leaf. Also the limed oak types are in stock. China cabinets and buffets are sold to match.

A large selection of book case headboard beds and panels are available for customers, and the stock is open. The customer can buy several items or one piece.

The stow-away hassocks for storage of papers, magazines, toys, shoes or other items are also being heavily stocked for the Christmas season. They come in four sizes and are plastic, easily washed with soap and water.

Hong Kong has been the West's trade gateway to South China for about a century.

## New Royal Is Popular Gift

It's that time of year when everyone thinks in terms of things they want to give for Christmas gifts.

A gift that meets with universal approval, no matter who the receiver might be, is a Royal portable typewriter. The model is popular with students, as well as traveling men.

For individuals in business, the Royal Standard might be just the thing for the Christmas gift.

Local agent for the Royal make of typewriters is the Thomas Typewriters and Office Supply, located at 107 Main Street.

The concern, which has been a Big Spring institution for many years, not only sells new and used typewriters but services them, as well.

Don Anderson, long-time associate of the firm, is in charge of the service department at the Thomas Typewriter and Office Supply.

The establishment stocks not only typewriters but all other types of office machinery and supplies, as well. Such items as adding machines, cash registers, safes, strong boxes, desks, chairs and filing cabinets can be inspected and purchased at the Thomas store.

Thomas also maintains a complete supply of ledgers, papers, ink, ruber and allied items, so necessary around the modern office.

If the type of equipment you need is not stocked, the management will be pleased to order it for you.

Business telephone number of the concern is 98.

## Runyan Service Adds Much To Modern Homes

For a more attractive, more comfortable and more functional home, consult Runyan Plumbing Company, 595 E. 6th, Big Spring's longest established plumbing concern.

Runyan's has everything—materials, planning know-how, and skilled workmen—to transform your kitchen and bathroom into the most convenient and attractive sections of your home.

To go with its technical ability, the firm offers an advisory service, including tips from leading decorators, in planning the remodeling or alteration of either the kitchen or bath. Edith Trapnell, points out that any kitchen remodeling project should include conversion of the room from single to dual or triple-purpose functionalism.

For instance, with Runyan planning and remodeling, the dull sink-and-stove kitchen can be turned into a combination kitchen-laundry with modern fixtures to ease and speed the performance of all the housewife's chores.

Runyan's stocks a full line of several famous and established brands of fixtures for both kitchen and bathroom. These are available in a variety of styles and colors, with matching pieces.

Runyan Plumbing Company also has a large stock of accessories and fittings, pipe and other plumbing materials, including gas fixtures. Free estimates will be made on the cost of any home improvement project in this area, and the firm also will advise and assist homeowners in every way possible in the securing of FHA and other loans to finance the work.

Plumbing repair and service of all types, including water heater repair and installation, is afforded by the efficient Runyan Plumbing Company. For service, information or estimates on the cost of any project, residents of the Big Spring area are invited to telephone No. 558.

### Jesus, the Great Teacher

HIS WISDOM AND WORKS CAUSED AMAZEMENT

Scripture—Matthew 13.

By NEWSEAN CAMPBELL.  
ALL THROUGH the years parents and teachers have tried, by telling stories, to show children what is right and what is wrong. Most youngsters are bright enough to understand the moral without having it pointed out to them.

Even crime stories in motion pictures, over radio and television (which we deplore because they are often brutalizing and frightening) always end with the good overcoming the bad—the worthy winning over the evil.

Jesus, the Great Teacher, strove to teach His listeners by stories which are called parables. They were simple stories about happenings in the everyday life of that period, but they conveyed His message if the hearers did not always "get the point," or, if they did, refused to take it to heart.

In our lesson Jesus went out of a house near Capernaum, and sat by the sea side. Probably someone saw Him sitting there and passed the word along, and multitudes went to Him. So great was the crowd that Jesus stepped into a boat moored nearby and talked from it.

He told them the story of a man who went forth to sow seeds. Now some of the seed fell by the

wayside where fowls came and ate them up; some fell on stony places where there was little earth to nourish them; they sprang up, indeed but, not having roots reaching down into good earth, they withered and died when the sun came up. Others fell among thorns, which sprang up quickly and choked them.

Some, however, fell into good ground, where they grew and flourished and yielded a good harvest.

Jesus' disciples came to Him and asked why He spoke to the people in parables, and He answered them that to them was given the understanding to know the mysteries, but to the majority of His hearers "seeing they see not; and hearing they heed not, neither do they understand."

In other words, some people were like the seeds that were sown by fowls; some were like seeds that fell on poor soil, because their hearts would not give the proper nourishment to what they heard. And there were they who listened without understanding or interest in what the speaker had to say.

Those, like the disciples, who looked at Christ and saw Him for what He was; who heard His words and meditated upon them so that they understood Him, were the good seeds that brought

#### MEMORY VERSE

"Whence hath this man this wisdom, and these mighty works?"—Matthew 13:54.

meant to the disciples. He told them further that the kingdom of heaven is like a merchant, seeking pearls. When he found one of great price, he would sell all that he had and buy the one perfect one.

Or, it was like a net that was cast into the sea, gathering into it every kind of fish. Men would drag it to shore, gather the good fish and throw the bad away.

"So shall it be at the end of the world: the angels shall come forth, and sever the wicked from among the just, and shall cast them into the furnace of fire." "Have ye understood all these things?" asked the Lord, and "they said unto Him, yes, Lord."

When Jesus had finished His discourse, He went into the synagogue in Nazareth and taught there. The people present, who had known Him from infancy, were astonished, and said, "Whence hath this man all these things?"

And they were annoyed, for they said is He not the son of Joseph and his wife, Mary? Are not His brothers named James and Joseph, Simon and Judas, and His sisters are here among us? "Whence then hath this man all these things?"

All we can do in conclusion is to repeat Christ's words: "Who hath ears to hear, let him hear."

### AT BIG SPRING CHURCHES

## Variety Of Sermon Topics To Greet Churchgoers At Sunday's Services

Citizens attending the churches of their choice Sunday will be greeted with a wide variety of sermon topics from their pastors. Communion services will be held at one church while at another the study on stewardship will continue.

#### BAPTIST

Dr. P. D. O'Brien, pastor of the First Baptist Church, has chosen as his morning sermon topic Sunday, "Pentecost and Peter," Acts 2:14. "The Danger of Fighting God," Acts 5:29 will be his evening topic.

#### CATHOLIC

Masses will be conducted by the Rev. William J. Moore, OMI, at 7 and 9:30 a.m. at St. Thomas Catholic Church. Rosary will be recited at 5 p.m.

The Rev. Paul Hally, OMI, will say masses at 8 and 9:30 a.m. at the Sacred Heart (Latin-American) Catholic Church.

**FIRST CHRISTIAN**  
"Do You Despise the Church of God?" will be asked by the Rev. Clyde Nichols, pastor of the First Christian Church, at the morning service. Mrs. Lois Reed will sing "Sweet Little Jesus Boy." The evening topic will be "Stewards of the Kingdom."

**CHRISTIAN SCIENCE**  
Evil of any nature cannot withstand the power of God, a point brought out in the Christian Science Lesson-Sermon to be read Sunday. Selections from Proverbs and Galatians in the Bible and from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will also be read.

**CHURCHES OF CHRIST**  
Lloyd Connel, minister of the Church of Christ, 14th and Main, will speak Sunday morning on "Why Stand Ye Here All the Day Idle" from Matthew 20:6. His evening topic will be "The Conversion of a Righteous Man," Acts 26:27-28. James Record, minister of the Ellis Homes Church of Christ, will speak at the Wednesday evening prayer service.

"Acceptance to God" will be the morning topic of James Record, minister of the Ellis Homes Church of Christ. In the evening he will tell of "Angels, the Messengers of God."

**CHURCH OF JESUS CHRIST OF LATTER DAY SAINTS**  
Everyone is welcome to attend the Sunday School services of the Church of Jesus Christ of Latter Day Saints which are held at 10 a.m. each Sunday at the G'ri Scout Little House, 15th and Lancaster.

**FIRST CHURCH OF GOD**  
The Rev. John E. Kolar, pastor of the First Church of God, will speak Sunday morning on "Scriptural Unity of the Spirit," Ephesians 4:1-3. "Crossing the Deadline," 1 John 5:16-20, will be the evening topic.

**ST. MARY'S EPISCOPAL**  
Services at St. Mary's Episcopal Church will be a celebration of the Holy Communion at 8 a.m., the church school at 9:45 a.m. and the morning worship and sermon by the Rector, the Rev. William Boyd at 11 o'clock. The YFP will meet at 6 p.m. in the Rector's office and the instruction class will meet at 7 p.m.

**ST. PAUL'S LUTHERAN**  
The Rev. Ad H. Hoyer, pastor of St. Paul's Lutheran Church, will tell the congregation at the morning service of the church that "Behold Thy King Cometh." A communion service will be held.

**METHODIST**  
At 9 a.m. Sunday at the Wesley Memorial Methodist Church, a continuation of the study on stewardship will be held. At 10:55 a.m., Dr. P. W. Malone, a Gideon, will speak on "Stewardship of Life." At

the evening service, the pastor, the Rev. Marvin Fisher, will discuss "The Removing of Obstacles." Monday at 7:30 p.m., the Rev. Cecil Tune of Ackerly will speak on "Stewardship of Time." Tuesday at 7:30, Jack Goddard of Midland will discuss "Stewardship of Possessions" and on Wednesday at the same hour, the Rev. Weldon McCormick of Midland will tell of "Stewardship of Talents."

Dr. Alsie H. Carleton, First Methodist minister, will speak Sunday morning on "Christ Is The Answer." The evening topic will be "Stewardship of Life." There will be special Thanksgiving music by the choir.

**FIRST PRESBYTERIAN**  
Dr. R. Gage Lloyd, pastor of the First Presbyterian Church, will preach on "The Secret Center of Our Lives," Colossians 3:4 at the morning service of the church. Mrs. Noble Kennemur will sing "Thanks Be to God." That evening Dr. Lloyd will ask "What Dost Thou Hear?" 1 Kings 19:9.

Sunday School services will be held Sunday at 9:45 a.m. at St. Paul's Presbyterian Church.

## "CHARITY" ON CANVAS

A widow and her three hungry children huddling forlornly against the marble column of a church! That's the way one artist portrayed "Charity."

How shall we interpret this tragic scene? Is it symbolic of the downtrodden's faith in the generosity of Christians everywhere? Or is it a bitter study of men's failure to express their religion in acts of love.

The ragged children, asleep after a long and fruitless wait, seem to imply the latter!

Nevertheless, this painting is a bold challenge to Christian stewardship. For the blessed work of the Church, in charity and in the spread of its Gospel, is either limited or expanded by our own outreach of love.

Next Sunday will be Stewardship Sunday in many churches. The physical and spiritual welfare of millions will be at stake when you set your personal goal in weekly giving to the Church.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

**Just As Simple As That To Get Escaped Felons**

VANCOUVER, B. C. (AP)—George Churton had to stop his car yesterday because of a minor accident up ahead.

While waiting, he switched on his car radio and caught the stolen-car numbers broadcast every half hour by radio station CKNW in New Westminster.

The announcer said one of the cars was believed stolen by convicts who escaped from Okalla Prison Farm during a heavy fog.

Churton glanced at the car stopped ahead of him. Same license number as the one recited off by the announcer.

So he climbed out of his car, walked past the other vehicle and held a hushed conversation with officers investigating the accident. With no fans at all, they walked back and captured Okalla escapees Carl L. Stromsen, 19, and Harold Henry, 18.

**Fair Sex Is Seeking Advanced Education**

WASHINGTON (AP)—The fair sex is showing a greater thirst today for advanced education, according to the U. S. commissioner of education.

Earl McGrath reported total enrollment in the nation's colleges and universities at 2,148,294 this fall, up 1.5 per cent from last year and the first increase since 1949.

The boost came in the number of coed students, up 6 per cent from last year. The male total dropped 1 per cent.

**Anti-Cancer Bomb Is Valued At \$86,000**

NEW YORK (AP)—The Montefiore Hospital has obtained an \$86,000 anti-cancer bomb reportedly capable of producing the same "kick" as 30 million dollars worth of radium.

The bomb, properly known as a cobalt teletherapy unit, was brought by truck yesterday to the Bronx institution from the Canadian atomic energy plant at Chalk River, Ont.
