

2 Performances Of Horse Show On Tap Today

It's Horse Show time. The special tent at the rodeo grounds was filled with valuable mounts, ground facilities were being put in readiness, and exhibitors were thronging the Crawford hotel headquarters Saturday night in preparation for the double-barreled program today.

IN SHOW TODAY—Two five gaited stallions to be seen in the Rotary Club's Charity Horse show this afternoon and tonight are LONDON MELODY (top, with Speck Markham up), and TEXAS GENTLEMAN (below, with Chappell Davis up).

has put it in the rank of an outstanding affair. M. H. Bennett, manager, has been assisted in directing details by C. T. McLaughlin and Frank Kelley, both exhibitors.

REVIEWING THE BIG SPRING WEEK

Big Spring has had many conventions, but never one just like the joint legislative board of the transportation brotherhoods which concluded Friday. It was a most business like affair with highly substantial men and women participating.

FD Calls Upon Party To Name Liberal Men

Lashes Out At Republicans In Political Radio Address

WARM SPRINGS, Ga., April 20 (AP)—President Roosevelt urged again tonight that his own party choose a "liberal pair of candidates" and at the same time waded into the Republican opposition for "seeking to frighten the country" by declaring the present administration "is deliberately trying to put this nation into war."

It was an out-and-out political talk that Mr. Roosevelt made by radio to a series of country-wide dinners of Young Democrats' clubs. And while it carried an obvious bid for continuance of the new deal, it offered no tangible clue to the outstanding political question of the day: will the president seek a third term?

Asserting that America faces this year much the same kind of campaign as it did in 1932 and 1936, the chief executive added: "It seems to me very obvious that if the democratic party is to defeat the republican party next November we must nominate a liberal pair of candidates, running on a liberal and forward-looking platform."

"I am not speaking tonight of world affairs. Your government is keeping a cool head and a steady hand. We are keeping out of the war that is going on in Europe and in Asia, but I do not subscribe to the preaching of a republican aspirant for the presidency who tells you, in effect, that the United States and the people of the United States should do nothing to try to bring about a better order, a more secure order, of world peace when the time comes."

26 Die As Speeding Train Jumps Rails; Fear Toll May Go Higher

100 Injured As Passengers Hurtled From Beds

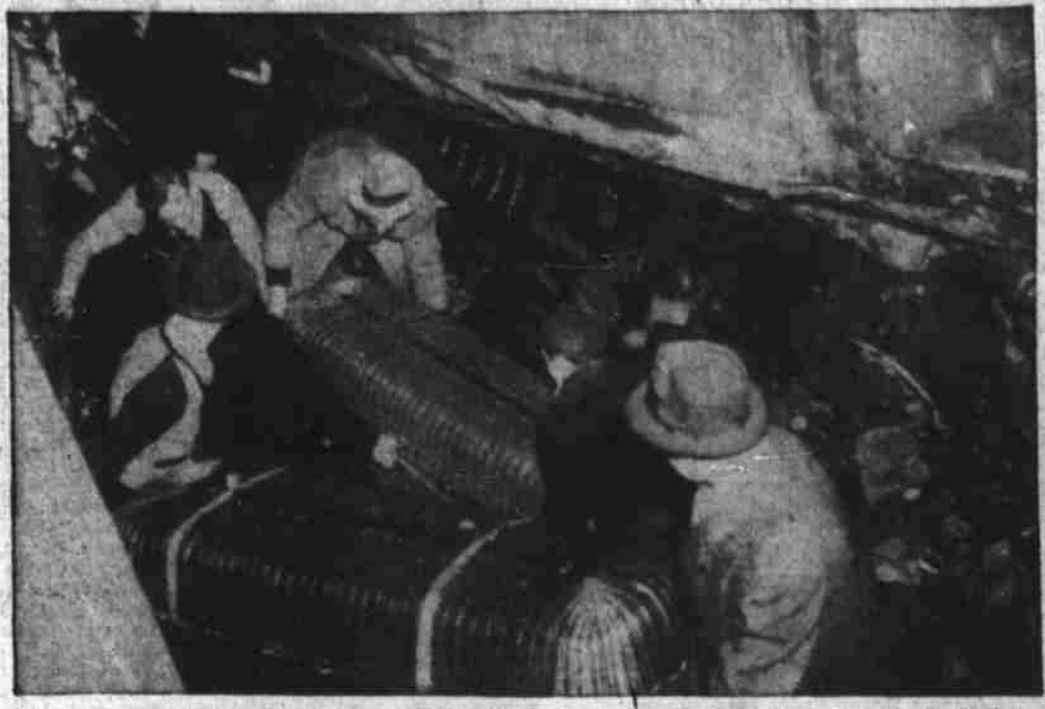

LITTLE FALLS, N. Y., April 20 (AP)—Rescue workers pried tonight into tons of twisted steel-covered steel, once the New York Central's proud Lake Shore Limited, seeking possible additions to a known wreck death toll of 26 persons.

Traveling 80 miles an hour, the New York-Chicago passenger train last night jumped the track at a 6-degree curve, the most abrupt on the system, and crashed with terrific force into a massive stone embankment.

Three hundred passengers, most of whom were asleep in Pullmans on the 16-car train, were hurled from their beds. The bodies of 24 victims, most of them badly mangled, had been identified by midnight. The identity of two others was unknown.

Approximately 100 others went to hospitals and physicians feared some of them may be added to the death toll. Examination of wreckage still is incomplete, and Coroner Fred C. Sabin said he expected discovery of "three or more bodies."

F. E. Williamson, president of the New York Central, said it was "impossible" to learn the cause of the accident immediately, but the system's New York office said the locomotive's speedometer showed it was roaring westward 14 miles an hour faster than the regulation 45-mile speed for operation around the curve.

BODIES REMOVED FROM TRAIN WRECKAGE—Rescue workers are shown removing the bodies of two victims from the wreck of the 16-car fast train, New York Chicago Lake Shore Limited, which jumped the track as it was speeding around a curve near Little Falls, N. Y., bringing death to at least 26 persons and injuring 100 (Picture of wreck on Page 6)

Britons In Norway Take Up Battle Against Invaders

Germany, Meanwhile, Claims Many Conquests For Air Force

By The Associated Press

The dogged little Norwegian army reported early today from "somewhere in Norway" that British troops had penetrated to eastern Norway and had taken up the battle against the German invaders.

The communique on Saturday's fighting also said two German tanks were destroyed in close combat about 99 miles north of German-occupied Oslo. Extent and exact location of the British operations were not disclosed.

The German report on land operations followed a stunning display of Germany's aerial power in birthday battle for Adolf Hitler Saturday. The Germans reported destruction of a British transport and a cruiser in a Norwegian fjord; and British coastal fliers and shore batteries were down Saturday night by air raiders apparently bent on laying out the loss of a single life, than Germany countered officially with an assertion of Saturday afternoon air successes against British land forces and their transport and convoy.

Lon Smith Not To Run Again

AUSTIN, April 20 (AP)—Lon A. Smith, 71, chairman of the Texas railroad commission and a member of that body longer than any other man, accepted today that he would retire at the end of his current term January 1.

LON A. SMITH

Smith probably will draw more entrants than any other 1940 contest. The list already includes Sen. Olan R. Van Zandt of Tioga, Olin Culbertson, former commission official, Pierce Brooks of Dallas, runner-up in the 1938 lieutenant governor's race, Rep. Ross Hardin of Prairie Hill, John D. Copeland, Jr., former commission official, Baker Saulsbury of Pampa, Ham E. McDonald, former land commissioner, Frank Holton of Houston, Carl Nesbit of Mineola, Howell Cobb of Brady, John Paul Jones of New London, Larry Mills of Dallas and Ray Motley of Waxahatchie.

Smith, railroad commissioner since Jan. 19, 1925, and former Rusk county clerk, state senator and state comptroller, said he would not run for a fourth term.

PAIR CHARGED WITH INTERSTATE TRAFFIC IN STOLEN GOODS

LAREDO, April 20 (AP)—Two men suspected of transporting stolen goods in interstate commerce, Harold Butler and Joseph F. Grimes, were held on \$25,000 bonds today after hearings on charges before U. S. Commissioner Frank Y. Hill.

The men were held for delivery to the marshal of Iowa's northern district at Sioux City. Engineer Jesse Earl of Albany, veteran of 41 years on the Central and visible bond month for a pension, died in the battered cab. Fireman J. Y. Smith, of Schenectady, 27 years with the system, also was killed.

9 Nazi Planes Are Shot Down

PARIS, April 20 (AP)—Allied fliers and anti-aircraft gunners gave a very twist to Adolf Hitler's birthday celebration today with a series of rousing western front combats in which nine German warplanes and five were reported brought down—six of them listed officially.

The British Royal air force, claiming four of these six, announced that another was believed destroyed. The French said they shot down two German planes on the western front in savage aerial duels while their anti-aircraft guns bagged another in central France. In addition, one German bomber crashed at the tip of Holland after being hit by a Belgian anti-aircraft gun. The dog-fights veered lands and Belgian borders.

Declines Post As H-SU Head

ABILENE, April 20 (AP)—Dr. Rupert N. Richardson tonight declined the presidency of Hardin-Simmons university, oldest educational, church related college in West Texas.

The institution's executive vice president was chosen unanimously last Wednesday to succeed the late Dr. J. D. Sandifer, Officers of the board of trustees tonight had no announcement as to when it would consider appointment of another.

Dr. Richardson, writing to C. M. Caldwell, vice president of the board acting in place of President W. J. Behrens, who is ill, said: "x x x As much as I regret to do so, I must state that after prayerful deliberation I cannot escape the conclusion that it is best for me to resign. My chief interest is still in that type of work rather than in administration, and I believe that in that field my service will in the long run be more effective. For that reason I must decline your offer of the presidency."

REPORT RUSSIA HAS ESTABLISHED BASES IN ALEUTIAN ISLES

WASHINGTON, April 20 (AP)—Reports that Russia has established naval and air bases near the Aleutian islands, congressional sources said today, are behind intensified army efforts to strengthen defenses in Alaska.

Informal legislators said they understood that the army definitely had confirmed that Russia has constructed bases on the Siberian coast less than 100 miles from American-owned islands in the Aleutian chain which extends southwestward from Alaska.

Towns Isolated, Thousands Left Homeless By Floods

MARIETTA, O., April 20 (AP)—Floods gripped the Ohio valley from Pittsburgh to Cincinnati tonight and turned southern Ohio into a maze of lakes, isolating 49 towns. Thousands were homeless.

Cincinnati's flood stage is 52 feet and the anticipated crest would be far below the record of 79.98-foot stage established in the disastrous 1927 inundation. Severe damage is not caused unless the crest exceeds flood stage by 10 or 15 feet.

Thousands of residents in Ohio river valley lowlands fled their homes or moved to second floors. Marietta merchants moved out stock. At Pomeroy, O., a general exodus began in expectation of five feet of water in the main street by morning.

Marietta Mayor Earl D. Schob proclaimed a "state of emergency" as water reached 263 feet, nearly four feet above flood stage, at 7:35 p. m. and continued to rise three tenths of a foot an hour. Highway department workers assisted in the evacuation of 95 families in the city's flooded area.

Water rose menacingly around Pittsburgh's "golden triangle," downtown business area, poured past merchants' doors in Marietta, and climbed three-tenths of a foot an hour toward a tentative crest of 54 or 55 feet at Cincinnati.

New Building To Be Erected At Refinery

Move Means More Residents, Larger Payroll For Big Spring

Major news development of the year for Big Spring came Saturday from one of the city's major industries, with announcement by the Cosden Petroleum corporation that it will move its general offices here from Fort Worth.

The decision, approved at a recent meeting of the Cosden board of directors and announced by Henry Zweifel, president of the concern, means the removal from Fort Worth here of about 30 employees, most of them with families, and a subsequent appreciable boost in the Cosden Big Spring payroll.

It also means the erection of a new building, which has been approved by the Cosden board. Plans are nearing completion for a two-story office structure to be built at the refining plant, two miles east of town, a unit representing an outlay of some \$35,000. The removal of the Fort Worth offices, which include the executive, accounting, production and credit departments, will be made as soon as the building here is completed, set tentatively for about August 1.

The move was tentatively discussed some months ago, with H. L. Tollett, who recently has been made executive vice president and treasurer of the corporation, conferring with chamber of commerce officials and other civic leaders; and with E. W. Potter, refinery superintendent who has assisted in preliminary details.

One of the problems connected with the move will be that of housing for the new families. It has been pledged their cooperation was agreed, and civic leaders in seeing that proper accommodations are made available.

Cosden already has more than 200 persons on its refinery payroll here, the monthly pay check aggregating some \$45,000. Many of those to locate here are in executive and major departmental positions. Preliminary work on the new building is to get underway immediately, it was said, the structure to be so located that the present refinery offices will become a unit.

At the board meeting, it was also made known by Mr. Zweifel that he intends to step out of the Cosden presidency at the stockholders' meeting in July, although he will continue to serve as a director and as corporation counsel. Mr. Zweifel announced that he accepted the presidency temporarily, with the understanding he would return to the practice of law at the time he stepped out of the corporation. That post had been vacated by the promotion of Tollett to the executive vice presidency.

Simon Freese, Fort Worth, member of Freese and Nichols engineering firm which made the survey, will report on his findings and suggest remedies against recurrence of sharp flood damage. The city, county and railroad each contributed \$500 toward the survey.

YOUNG DEMOCRATS RE-ELECT DANIEL

BEAUMONT, April 20 (AP)—Price Daniel of Liberty was re-elected president of the Texas Young Democrats by acclamation early tonight in an anticlimactic final business session of the eighth annual convention here.

He was named without opposition after Jimmie McKinley, Dallas county club president, withdrew. Daniel is the second to hold the president's post two terms. Fred Hedges of Houston served as president during 1937-38.

BURNED TO DEATH

GEORGETOWN, April 20 (AP)—Aston Parker, 38-year-old invalid, burned to death at his home today when fire, apparently started by a wood heater, raged the residence.

Discontinued Floor Sample

SALE!

of QUALITY FURNITURE

We are listing below just a few of the many items which we are closing out at reduced prices. Most of this is merchandise which has been discontinued by the factories which manufacture it. Some of it is just odd pieces of which we have only one of a kind and do not wish to give it floor space, so if you want a real bargain you have a chance to get it from this selection.

BIG SPRING, TEXAS

Your Attendance Will Be Appreciated At The Rotary Club's First Annual Charity Show Show Today.

New Church Is Being Built At Stanton

STANTON, April 20 (Sp)—Under construction in Stanton is a new Catholic church building which when finished, will be an attractive addition to the east section of the town, and swell the local construction for the year considerably.

Located just one block from the former convent site, the structure is to face east, and will be of white stone veneer construction, with cut stone trim. The building, which now has the foundation laid, and a portion of the framework up, will be 23 feet wide, by 70 feet long. It will be of Gothic architecture, and though modern in every respect, the inside will achieve an effect of medieval architecture, with great ornamental wooden and brackets stained dark, near the ceiling. Floors will be of oak, and walls are to be of fibre board, with a plywood wainscoting, which will also be stained. The building will include only an auditorium, one small room at the rear of the building, a choir loft, and the Confessional, which will be at the front of the building. Horn Construction Company of Abilene has the contract, which calls for 130 working days for completion. It will run about \$6,000.

The new building will replace a very old and historic church, which was condemned shortly after the cyclone struck Stanton two years ago. Built over fifty years ago, it is located on the site of the former Our Lady of Mercy Academy, which was moved to Stanton following the cyclone. The church and the convent were built back in the 1880's, and are on the site of what was once a Carmelite Monastery. The west building of the convent, which still stands, is probably the oldest part of the group, having been built by the monks themselves. The old church was built sometime later, having celebrated its fiftieth anniversary two years ago.

Mad Hat Party Is Given By Mr. and Mrs. R. L. Collins

Mr. and Mrs. R. L. Collins entertained the Friday Night Bridge club and guests at their home on the Tribal lease Friday evening with a Mad Hat party. High score for bridge went to Mrs. A. E. McDougal and Walter Smith. Floating prize went to A. E. McDougal, consolation to Russell Hobbs, and the Mad Hat prize to Hart Phillips. Following a buffet supper, those attending joined in dancing. Attending were Mrs. A. E. McDougal, Mr. and Mrs. Walter Smith, Mrs. Jim Neal, Mr. and Mrs. Hart Phillips, Mr. and Mrs. R. H. Foard, Mr. and Mrs. T. E. Thompson, Russell Hobbs and Mrs. Thora Elam and the hosts.

SAME OLD HAMMER

McALEEN, Texas, April 20. (Sp) Camilo Perea and his brother have finally decided to throw that old hammer away. Three years ago a steel splinter flew off and pierced the brother's arm. It's still there. Last week, Camilo, a mechanic, had a doctor remove a steel splinter from his eye—hammer again.

Transportation Parley Is First On Convention Slate

Jerry Sadler To Be Principal Speaker At WTCC Conference

A transportation group conference with Jerry Sadler, railroad commissioner, the main speaker, will be the first business of the whole convalesce of West Texans attending the West Texas Chamber of Commerce 22nd annual convention in Big Spring, May 16, 17, 18. Lined with it will be the first annual meeting of the Freight Rate Equality Federation, an affiliate of the WTCC. Both meetings—really they will form a continuous session—will be open to the public. In fact, says J. M. Willson of Floydada, FREEP president, "West Texans from everywhere are urged to attend this history-making meeting and join us in commemorating the progress made in our campaign for freight rate equality."

The West Texas chamber's directorate, 200 strong, will hold the first of its series of luncheons at noon Thursday, May 16th, at the

JERRY SADLER

Settles hotel. The ballroom will then be cleared and at 2:30 P. M. Reagan of Big Spring, chairman of the WTCC traffic committee, will open the transportation conference.

The West Texas Chamber of Commerce has waged a two-year attack on differential freight rates in far West and Southwest Texas, and on the zone system of rate making under which, the WTCC claims, Texas producers, shippers and consumers of goods moving over rates pay a terrible penalty.

DR. HAYMES GOES TO CONFERENCE AT ATLANTIC CITY

Dr. J. O. Haymes, pastor of the First Methodist church, left for Atlantic City, New Jersey, Saturday night to attend the session of the General Conference of the Methodist church. This conference is composed of 700 delegates elected by Methodist bodies over the world, and meets every four years to determine the policy of the Methodist church. The conference will last approximately two weeks.

Besides Dr. Haymes, the other delegates from the Northwest Texas Conference are W. M. Pearce, Pampa; E. E. White, Plainview; and O. P. Clark, Lubbock. The lay delegates for the Conference from this Conference are Ray H. Nichols, Vernon; J. M. Willson, Floydada; R. B. Bryant, Stamford; and D. P. Yoder, Snyder.

FAT RATTLERS

SPUR, Texas, April 20. (Sp)—Cecil Fox, Spur barber, and his partner, V. C. Smart, are interested in locating all the fat rattlers they can find.

A commercial snake farm in California pays them, not by the foot, but by the pound for all the rattlers they catch. The price is 25 cents a pound, with no bonus for the rattle.

Others Add To Church Fund

Addition of many more names to the West Side Baptist church "honor roll," to bring the total of donors to 102, is announced by the pastor, Rev. E. E. Mason, who renewed appeals for help to complete construction of a house of worship.

Rev. Mason said \$250 had been contributed to date. The 40x50 foot building is up to the auditorium floor, with all bills paid, the pastor said, and work will proceed as material and money are placed in the fund.

Expressing thanks for donations, Rev. Mason listed the following as among latest contributors:

Mrs. H. E. McAdams, H. S. Stephens, A. L. Wasson, J. B. Pickle, Leonard Hull, G. T. Palmer, O. O. Murray, M. Weaver, W. R. Crigh-ton, Grover Cunningham, Mrs. Stella of Knott, Mrs. Stella Sturman, Abilene; Mrs. Flen Anderson, Mrs. Bruce Frazier, Mrs. R. A. Joyce, Mrs. M. H. O'Daniel, Miss Joyce Mason, Roy Cornelison, M. H. Morrison, Curtis Fredeck, Abilene; Chester Cathey, Rev. Chas. A. Lamb, Rev. Jno. P. Hardesty, McCaulley; Rev. W. C. Williamson, Stanton; W. T. Sargent, W. H. Caldwell, Mrs. A. L. Hull, Mr. and Mrs. Stanley Williams, Ackerly; Floyd Lackey, I. E. Gordon, Mrs. Mary Zinn, Mr. and Mrs. Jos Mc-Ivlin, Mr. and Mrs. K. S. Eckert, Mr. and Mrs. Wren Greenwood, Mrs. Billie Fountain, Mrs. T. C. Patterson, Mrs. G. N. Rose and the late J. R. Creath.

Methodists' First General Conference Set This Week

ATLANTIC CITY, April 20. (Sp) Representing the largest Protestant church organization in the United States, the Methodist church will open Wednesday its first general conference since the uniting of its 7,506,000 members at Kansas City a year ago.

For three weeks, the 782 delegates from the United States, Europe, Asia, Africa and Latin America, representing 124 conferences, will legislate for the new denominations, review articles of doctrine, coordinate women's work and strengthen machinery for administration of a far-flung spiritual empire.

Unification of the Methodist Episcopal church, the Methodist Episcopal church, South, and the Methodist Protestant church gave the Methodists 38,000 preachers in 46,255 congregations scattered through 42,700 American communities. The church has 5,526,000 pupils in 46,000 Sunday schools.

AT PICNIC

Mr. and Mrs. J. M. Mobley and family and Mr. and Mrs. M. O. Dingley and family are attending a picnic at Lake Sweetwater today honoring the staff leadership of the district for the National Life and Accident Insurance Co.

CAA Ground Training Is Completed

The initial ground training Civil Aeronautics Authority school in Big Spring was officially ended Saturday with the grading of examination papers from 82 non-college students completing the course.

Dr. P. W. Malone, co-chairman of the chamber of commerce aviation committee and in charge of the CAA class, said that the 10 posting the highest grades on the examination would be awarded flight training scholarships. Their names, however, may not be announced pending confirmation from Washington.

Meanwhile, those who posted the high grades on the examinations will be given examinations early this week, said Dr. Malone. He anticipated word from Washington concerning the scholarships during the week. The training, offering 35 to 60 hours solo and dual flight training at the hands of Art Winthener, municipal airport manager, will bring \$250 per student from the CAA.

While the initial ground course was completed, Dr. Malone expressed confidence that the CAA would designate Big Spring for a second one, probably to start in September. Big Spring and Austin are the only cities in Texas offering the CAA non-college student training.

Market Ends Week With Brisk Rally

NEW YORK, April 20 (Sp)—After seven sessions in which no progress was registered, the stock market today ended a rather gloomy week with a brisk rally that put favorites up fractions to more than 2 points.

Specialties, including shipbuilding, woolen, sugar, paper, and packing issues touched off the revival in the first hour. Steels and aviation then joined the procession in active recoveries. New highs for the year or longer were well distributed, although top marks in many cases were cut down by profit taking at the close.

The Associated Press average of 60 stocks was up 3 of a point at 49.9, after being unchanged or lower in the preceding seven sessions. On the week the composite barometer stood at 49.5 and a year ago at 44.2. Volume expanded on the day's upswing to 720,660 shares compared with 495,370 a week ago. It was the best Saturday's turnover since Nov. 4.

Form And Ranch Talk AROUND THE COFFEE POT

By Newton Robinson

If you are looking for a thrill and a chance to see some of the finest horses in the Southwest perform, be on hand at the opening performance of Big Spring's first annual Horse Show this afternoon at the rodeo park.

Robert Anglin of Stanton was on hand at the rodeo park Saturday with "Brown Bomber," the horse that took second place in the Pony Express race last year.

Palominos, that horse of phenomenal popularity, will be featured at the evening performance of the Horse Show Sunday. "El Lemon" belonging to Roy C. Davis of Sterling City will be among the golden colored horses shown.

Mrs. Herbert Pelton of Fort Worth, outstanding horsewoman and the only woman judge in the state will show for the Rockwood Stables of Fort Worth.

Mrs. Pelton is very competent both in the saddle and as a driver, and has judged several notable horse shows.

Bob Powell has completed work on a tank one mile east of his ranch house in the southeastern part of the county. Powell received quite a surprise when water began rising through the gravel basin of the tank before work was completed.

Jim Minnick of Crowell unloaded one of his favorite 3 year old palominos at the show ground Saturday afternoon. Minnick is known as one of the best palomino horse judges in the southwest.

MRS. HERBERT PELTON

Ed. V. Lancaster, formerly of Sweetwater purchased 60 head of registered Hereford yearlings this week from the herd of J. D. Dulane.

J. E. Jones of Eldorado will exhibit four palominos at the charity show Sunday.

Darrel Garrett will show "Rio Rita," a palomino trick horse at the show. "Rio Rita" performed here at the Big Spring Rodeo during the 1938 show.

Chappell Davis of Midland will show three horses in the five gaited open and amateur classes. He has also entered a filly in the park class.

Virgil Keel of Denton will serve as judge for the gaited classes of the benefit horse show. Mr. Keel is a well known exhibitor and a fine judge of horses.

NEWS NOTES FROM THE OIL FIELD COMMUNITIES

Clayton Stewart of Big Spring visited friends in Forsan Wednesday.

Eyco Hale has returned from Glendale, Calif., where he has been employed the past two months.

Leslie Griffith of San Angelo is visiting his parents this week.

Mrs. Celia Whitley of Lubbock was a business visitor in Forsan Friday.

Mrs. John Scuday and Mrs. Woodrow Scuday were weekend visitors in Denver City.

Mrs. Don Chaney of Crane visited Mr. and Mrs. M. J. Bransfield Friday.

Mrs. Lewis Heuval entertained the Sew and Chat club Friday afternoon.

The group made handwork during the afternoon and refreshments were served to Mrs. J. T. McCaslin, Mrs. D. P. Yarbro, Mrs. T. E. Yarbro, Mrs. C. M. Adams, Mrs. E. K. Sawdy, Mrs. J. E. Thompson, Mrs. U. I. Drake, Mrs. O. S. Butler.

Mr. and Mrs. H. H. Hillyard will go to Ralls Monday to visit Mr. Hillyard's parents.

Mrs. Vera Harris and daughter, Myra Nell, visited in Goldsmith and Meadow Saturday and Sunday.

Mrs. Cecil Hamilton spent Saturday night and Sunday in Odessa.

J. B. White of Abilene visited friends in Forsan this weekend.

Bill Rucker of Abilene is the guest of his parents, Mr. and Mrs. W. E. Rucker, this weekend.

Mrs. Herman Williams was called to Baird because of a death of a relative Friday.

Mr. and Mrs. Cleo W. Tarter of Dunn were guests of Mr. and Mrs. C. E. Connally Friday night.

Mr. and Mrs. Brady Nix and daughter, Gwendolyn, left Saturday morning for Stephenville to visit their parents, Mr. and Mrs. L. C. Nix and Mr. and Mrs. John Barham.

Mrs. S. C. Cowley and sons, Kenneth and Bobby are visiting Mr. and Mrs. Jim Hagar of Pecos this weekend.

Basketball girls and boys received their sweaters this week. Those who lettered are: Virginia Gregory, Mary Gregory, Eva Lou Low, Lenadine Pike, Estelle Moody, Vera Mae Wimberly, Hazel Gladden, Lynn Fae Dunlap, Tommy McDonald, Warren G. Qualls, Vard Cowley, Floyd Griffith, James Gardner, J. R. Smith, Kenneth Cowley.

Mr. and Mrs. Dick Bryan and family of Andrews visited Mr. and Mrs. A. A. Spivey this week.

LUBBOCK NAMED BY SCIENTISTS GROUP

SAN ANGELO, April 28. (AP) — Lubbock was chosen as the site for their 1941 meeting by Texas Academy of Science members who concluded a two-day regional convention here today.

Dr. Arlo Smith of McMurry college, Abilene, succeeds retiring President Dr. O. E. Sperry of Sul Ross State Teachers college at Alpine, who held the office five terms.

Charges of driving while intoxicated were filed Saturday afternoon against Doris Ross.

AN ANALYSIS OF THE WAR DEVELOPMENTS

By KIRKE L. SIMPSON

What actually prompted Germany's invasion of Norway and Denmark remains as debatable two weeks after the fact as its effect on the trend of the allied-German war.

Yet not only Franco-British war plans, but the policy making of these two major unknown quantities of the European equation, Italy and Russia, necessarily hinge as much or more on the way of that invasion as upon its immediate military, economic and political consequences.

Germany voluntarily stepped out from behind her westward defenses, exposing herself to possible economic and military disaster in Scandinavia. Why?

From this distance, it seems explainable only by unknown factors within Germany.

With his forces marshalled compactly behind all but impregnable defenses in the west, Hitler had a chance to force a stalemate peace.

That fact had worried the allies. An offensive role, economic and military, was forced upon him.

economic encirclement forced Hitler's hand within eight months. Future if not present shortages in Germany of such war essentials as food and oil, the allies believe, compelled Hitler to strike for a short and bloody end of the war.

All told, potential debits for Germany still seem to offset the visible assets of the stroke. Its cost to Germany already is heavy.

Why did Hitler take the risk; and what do his cautious and highly trained military captains think of it? That is the greatest riddle this war of riddles has yet produced.

The River Nile irrigates 2,000,000 acres of land.

BY HANK HART

Barons And Lobos Stronger, Lubbock Weaker Than In '39

A glance at the WT-NM baseball league teams: **HIGH SPRING**—Skipper Tony Rego is shooting for a one-two finish this year. Chances are he'll land that high although his lineup isn't as strong as it will be. His pitching is going to be better, his infield stronger, his outfield still a question mark. If Ernie Pelligrini and Johnny McPartland pitch as expected, then Tony will have a lot less to worry about. He's going to miss Billy Capps and Pat Stacey.

MIDLAND—Not as strong as in the final six weeks of last season. Bill Sammy Hale can do wonders with material. The Waddies look like a first division club. Tex Nugent, Joe Piet, Jimmy Kerr and Bill Brown are missing from that great 1939 club but strength has been added in Sam Sealing. Too, Stud Raines will be playing his first full season with Hale.

BORGER—With the addition of Gordon Nell, cannot be counted out as a title contender. Still possesses Johnny Tyko, Howard Parks and Ben Franklin, three of the league's better hurlers last year. Ernie Potocar is still one of the two best catchers in the league. Will have outfield weaknesses, though.

PAMPA—Weaker than in 1939. Gone are Nell and Lefty Bailey, ace first sacker. A hefty slugger has been added in a role by the name of Adams. Ben Parisis is the most promising new pitcher. Sammy Malica and Jerry Jordan are hold over infielders. Hal Summers takes care of the catching.

CLOVIS—Under Howard Taylor, a new manager. No too impressive in spring training. Has most of the lineup that played through the 1939 season when the club finished a bad seventh. Hack Harrison, a reformed third sacker now on second, is back but will not hit as much as he did last year. The hurling corps is built around Jake Christie. Foscoe Hunt will help Dick Rathiff, the Pioneer's most feared slugger, is gone.

AMARILLO—Definitely better. Emmett Fullenwider and Rathiff have been added to the roster. Bones Sanders, a .300 hitter, is back. Bus Dorman is ready to enjoy a great year in the box and earn his promotion to higher company. Chief weakness—the infield.

LAMESA—Better than in 1939. Manager Jodie Tate cannot be expected to make the same mistakes as last season when, leading the

league, he sold some of his stars up the river. Hafstra, new backstop, cannot fit in Ossie Bates' class but may hit better. Harry Riorden is better than anything Eddie had on first base last year. Eddie Guymes plugs a weak spot thru the middle and, of course, capable Happy Spangler is back at third. Most important acquisition is Red Hood, outfielder, who will be a threat for the league but title. Pitching remains a question mark.

LUBBOCK—Definite weaker. Only Andy Sandretta and Charley Eagle of the present club have seen previous professional experience. Gone are such outstanding ones as Leo Harris, Hack Miller, Al Carr and Johnny Taylor. The rookies are not going to spread-eagle the field like they did last year. The Hubber pitching looks good.

Tex Stuart, former Clovis catcher who was field captain of the Pioneer in 1938 and '39, is managing Welch of the Mountain State League this year. . . . He took Buck Huckaby of Lubbock, a hurler, Fred Starr of Whitehall, an outfielder, and Frank Weirich of San Antonio, an infielder, to West Virginia with him. . . . Stuart tried to catch on here when Charlie Barnes was at the helm but failed. . . . He's a catcher and will probably work regularly behind the plate for the Miners. . . . Jerry Ward, who tried out under Rego as a pitcher last week, once was offered a contract with the Saint Louis Browns but had to give it up when he lost an eye in a locker room accident. . . . He was an outfielder at that time. . . . Eddie Laurel, Borger second sacker, used to be a copy boy in the newsroom of the San Francisco Times. . . . Another former newspaper man is Ernie Pelligrini, once a star reporter for his college paper. . . . Jackie Jordan, the flashy infielder who moved from here to Midland recently, has been offered a job playing semi-pro ball in Fort Davis. . . . He'll take it if he doesn't stick with the Cardinals. . . . Expected to visit here when Ernie is in DeWine. Yankee scout. . . . Joe may be on hand for the league's opening game with Midland. . . .

Mal Stevens Farmed Out By Spokane To The Lamesa Club

Jodie Tate and several members of the Lamesa baseball club were here Friday to watch the Lubbock Hubbers and the Barons in their debate. . . . Jodie recently acquired the services of Malcolm Stevens, former Lubbock great, who has been spring training at Spokane in the Western International league. . . . Stevens could not make the grade with the Class B club. . . . Another

visitor was Joe Brown, business manager of the Hubbers. . . . Only Texan on the league champions' roster besides Manager Charles Engle is Ed Allman, a pitcher of Littlefield. The Barons' test was the Hubbers' first of the season. . . . They've been spring training in Missouri and came to Lubbock only last week. . . .

Herman Stewart, one of Big Spring's newer citizens, is one of amateur golfers' longest hitters, needs but to improve his short game to be up there with the top rankers. . . . He's from Albany. . . . Seeking the ring services of Ray McKinnon, Big Spring lightweight, for his first amateur fight night in Odessa is Bob Royall, who recently moved to the Ector county capital from Midland where he has promoted fights in the past. . . . Hack Wright has ordered new uniforms for his Standard Oil company softball team. . . . Jay Francis, Midland high school's great grid ace who closed out his high school eligibility last fall, suffered a bad arm injury in a recent game between the Midland hopefuls of the 1940 season and Bulldog exes, which ended, 16-18. . . . Jay scored one of the touchdowns for the exes. . . . He's still counting on attending Texas Christian university next fall. . . . H. P. Malone, city recreation director, and Harold Akey, manager of the municipal swimming natorium, are planning toward a series of weekly aquatic activities at the pool during the summer. . . . According to Gene Spence, city manager, there's going to be an archery range installed at the city park. . . . The park officially opens Sunday, April 28. . . .

Bobby Riggs Moves Into Net Finals

HOUSTON, April 20 (AP)—Irrepressible Bobby Riggs brought out his greatest shots today to conquer poker faced Frank Guernsey in the semi-finals of the River Oaks tennis tournament here. The national champion needed every expert maneuver to get past one of the finest retrievers in tennis, 8-6, 8-6, 4-6, 6-4.

The grueling battle consumed 3 hours and 15 minutes in mid-summer heat.

Bobby left Riggs the clown, Riggs the indifferent, in the locker room. Dead serious from start to finish, he pounded balls at Guernsey until he finally broke through to enter the finals against Blay Grant tomorrow.

Guernsey beat Riggs the last time they met—in the Seagriff tournament last year—and Riggs knew he had a tough job on hand to beat the mido champion of intercollegiate tennis.

The match started in favor of the 24-year-old Rice Institute player. It took nine games for Riggs to assume the lead, 5-4, and in the tenth game he had set point and lost four straight to the unsmiling collegian. Riggs finally won in 14 games.

He ran out the second set convincingly but again had to play several extra games after being within shouting distance of set point.

Guernsey, defending champion, took the third set quickly. Riggs experimented with a forcing game in the third set and adopted the same strategy to run out the match in the fourth.

As he lay puffing on the rubbering table, Riggs told Guernsey "I was lucky to win. You played a great game."

BARONS PLAY FINAL EXHIBITION GAME HERE TODAY; OPEN LEAGUE SEASON WITH MIDLAND COWBOYS TUESDAY NIGHT

KAYSER LUMBY Expected to Head

North Texas In Upset Victory At Houston

HOUSTON, Texas, April 20 (AP)—North Texas breezed today.

Turning back L. S. U.'s previously unbeaten mile relay team in the five time of 3:17.4, and sweeping all four places in the javelin as a parting gesture, the Lone Star conference Eagles won the triangular track and field meet at Rice field with 70 points. Rice, featuring Captain Fred Wolcott, who scored 14-4 points, was second with 51-1-3 and LSU's Tigers, falling down often, wound up third with 48-1-2.

Besides meet victory, Choc Sportman's Teachers sent out Welby Williams to win the 100 yard dash over Wolcott and Harvey Bryant to step off the leading performance of the day. Bryant beat Frank Church of LSU in the 880 in the time of 1:58.3, three tenths of a second under Calvin Bell's Southwest conference record.

If the Rideout twins of North Texas, running at the Kansas relays today, had been here, the rout would have been worse.

Earl Wylie of Rice, broad jumping for the first time this season, turned in a big upset by beating Billy Brown of LSU in the broad jump. Wylie jumped 22 feet, 2 inches to nip Brown by an inch. The LSU star fouled on all four of his closing tries.

Lanky J. C. Duvall of LSU high jumped 6 feet, 4 inches, and Harold Hall of Rice won the 440 in 1:05.2 seconds after feature performances. Hall injured his knee slightly in the race and couldn't run the anchor lap on the mile relay, thereby robbing Rice of a much better chance in a race that was a thriller all the way as it was.

Wolcott, victim of a bad start in the 100, won both of the hurdles in time just good enough to win, and ran a blazing anchor lap to give Rice the sprint relay in 4:2.4, slow time. Coupled with his second to Williams in the 100, this day's work gave him his total of 14-1-4 points.

Mustangs Bop Bruins, 3-2

DALLAS, April 20 (AP)—Brooks Atchison scattered five hits and struck out twelve Baylor Beanes today to give the Southern Methodist Mustangs a clean sweep in the two-game Southwest conference series. The score was 3 to 2. Sherman Barnes, also a tall right hander, went the route for Baylor and allowed only eight hits. Eight Mustangs fell victim to his fast breaking curve.

Joe Terry's knee was hurt in the sixth when Bianchi slid into third base and went out of the game. The injury wasn't believed to be serious.

Gramley Subdues Trolley Trojans

TYLER, April 20 (AP)—Marvin Gramley, small right hander, allowed six hits to Ray as Longview downed Tyler 4 to 2.

Gramley, off to a rough start when Leo Shoals, Tyler first baseman homered with a mate aboard in the first, settled down and struck out 12 batters in the first six innings.

Ty Cobb worked for Tyler until Longview jumped on him for two runs in the sixth and Jack Atkinson went into pitch faultily for the balance of the game, holding Longview hitless.

Defeat Texon Oilers, 2-1 Saturday

By HANK HART

Tony Rego's Big Spring Barons, with new blood in the lineup, accomplished something the Saint Louis Browns were not able to do against the Texon Oilers—blank the powerful semi-pro for nine innings—and turned a trick the Oilers couldn't do with the American Leaguers—beat them—in Saturdays' first of two games here.

Sparked by heady if not expert pitching on the part of three rookies, the Big Springers swept from behind in the tenth round to win the ball game, 2-1, after Curtis Barbee had put the invaders out in front in the front half of the same heat.

Ferry Oakes, who hurled the last four innings, was his own ball game with two out in the fatal tenth, toppling Key Hays with a drive down the third base line to score Ben Bernardi, from the far corner after Joe Kasser's misplay of Bernardi's hard line smash earlier had enabled Billy Freitas to trot home from the middle sack.

Go Out In Front

The invaders had gone out in front in their part of the tenth when Hays stroled, went all the way to third as Oakes was mousing up the ball game, 2-1, after Curtis Barbee had put the invaders out in front in the front half of the same heat.

Ferry Oakes, who hurled the last four innings, was his own ball game with two out in the fatal tenth, toppling Key Hays with a drive down the third base line to score Ben Bernardi, from the far corner after Joe Kasser's misplay of Bernardi's hard line smash earlier had enabled Billy Freitas to trot home from the middle sack.

Two former conference shotputters, Jim Thomason '39 winner from A. and M., and Bob Cooke, '38 titlist of TCU were beaten in this event by the Baylor sophomore footballer, Jack Wilson.

The hawker-muscled Baylor boy heaved the 16-pound shot 48 feet 5 1/2 inches.

Gaunt Fletcher Gibson of SMU, a transfer from Michigan State, scored triumphs in the one mile and two mile events.

Shirley Robbins, manager of the Country club, said five teams would definitely enter play and a sixth was practically assured.

Teams which have already started practice are Phillips Tire company, Anderson Music company, Nalley Funeral Home, Cook's Real Estate and Post Office. A team of Foran has notified Robbins of intention to enter into competition. The teams will play one match weekly.

A schedule will be drawn up later in the week.

FERRY OAKES Wins Own Game

Aggies First In Meet At Fort Worth

FORT WORTH, April 20 (AP)—The Texas Aggies, scoring heavily in the short races and the hurdles, captured a quadrangular track meet here today.

The Aggies scored 84 points. The SMU Mustangs were second with 43 points, while Baylor scored 27 and TCU 17.

The Cadets dominated the meet from the start when blond Alabama Smith won the century until near dusk when the Aggies Red Cecil took the broad jump.

Two former conference shotputters, Jim Thomason '39 winner from A. and M., and Bob Cooke, '38 titlist of TCU were beaten in this event by the Baylor sophomore footballer, Jack Wilson.

The hawker-muscled Baylor boy heaved the 16-pound shot 48 feet 5 1/2 inches.

Gaunt Fletcher Gibson of SMU, a transfer from Michigan State, scored triumphs in the one mile and two mile events.

Golf League To Open Schedule Next Week

First round play in the city golf league will get underway around May 1.

Shirley Robbins, manager of the Country club, said five teams would definitely enter play and a sixth was practically assured.

Teams which have already started practice are Phillips Tire company, Anderson Music company, Nalley Funeral Home, Cook's Real Estate and Post Office. A team of Foran has notified Robbins of intention to enter into competition. The teams will play one match weekly.

A schedule will be drawn up later in the week.

Record Crowd Is Expected To Attend

Winding up their exhibition program with a 4 o'clock bout this afternoon, the Big Spring Barons plunge into the WT-NM league schedule here Tuesday evening, 8:15 o'clock with the Midland Waddies as their guests for the occasion.

The local tangle with Texon this afternoon in a bout originally scheduled for 8:30 o'clock but moved back due to Rotarian's horse show.

Kayser Lumby is due to toe the slab along with Bob Larsen, the newcomer from California, and Clarence Trantham, familiar figure here.

Working for the Oilers will be the popular Frank "Hitch-hiker" Jacet, former Barons hurler. Jacet recently worked a four-losing streak against the St. Louis Browns.

Record Crowd Due

Tuesday evening's argument is expected to draw a record crowd. Manager Rego had at first planned to open with a day game but changed his mind. He's gunning for the league attendance trophy and has an excellent chance to realize his hopes if the weather is right.

Virgil Smith has been helping Mr. and Mrs. Rego with plans toward the festivities for the grand opening and said that Dan Conley's high school band would participate in a down-town parade prior to the battle.

Electricians were busy putting up the lights during the Saturday game with Texon. The playing field is scheduled to be rolled and tempered again before the game.

Rego has made plans to handle up to 2,000 or more fans and can accommodate about 2,500. The last of the screen in front of the bleachers was being put up Saturday.

Willard Ramsdell, veteran right-hander who won six of seven starts for the Big Springers last season, was scheduled to open against the Cowhans. The Kansas has been brilliant in his two assignments thus far and is prepared to go the route.

Sammy Hale, Midland skipper, will probably rely on Stud Raines, who won 21 games in WT-NM league play in 1939.

Rego will probably bound back with a leftie, either Johnny McPartland or Ernie Pelligrini, Wednesday night.

Thursday the locals advance on the Waddies' corral, playing there three days before coming back with Amarillo Saturday night.

Tuesday's probable starters: MIDLAND—J. Jordan, ss; Narvaez, cf; Hale, 3b; Sealing, rf; K. Jordan, 1b; Holland, lb; Fraher, 2b; A. Berndt, c; Raines, p. BIG SPRING—Laurel, 2b; Freitas, 3b; Correll, lb; Carroll, cf; Bendt, ss; Jones, ss; R. Berndt, rf; Muratore, c; Ramsdell, p.

J. T. Hammett Duels Red Bost In Finals Of S'water Meet

Jones, Robbins Lose Out In Quarterfinals

SWEETWATER, April 20 (AP)—J. T. Hammett of Breckenridge, 1938 champion, defeated R. R. Lacy, Sweetwater, to advance into the finals of the Sweetwater Invitational golf tournament here Saturday afternoon. Lacy fell, 5 and 3. Hammett will face Red Bost, Abilene, in the 36-hole finals today.

Bost earned the right to oppose the Breckenridge star by defeating Clyde Southworth, Sweetwater, 2 and 1, in the semifinals after beating Shirley Robbins, Big Spring, in his morning match, 2 and 1.

Doug Jones, Big Spring, medalist, fell before Southworth in a morning duel, 3 and 1.

Jones won out over Paul Comell, Sweetwater, in his first go Friday 2 and 1, then coasted to a 6 and 5 triumph over W. A. Rogers, Fort Worth, Friday afternoon.

Robbins ousted Lee Henry, Abilene, and Jim Chasing, San Antonio, before meeting up with Bost.

Lionie Wendland, the defending champion, was ousted by Hammett Saturday morning, 5 and 4.

H. Pennock's Feat Recalled

NEW YORK, April 20 (AP)—The added fame that has come to Bob Feller for pitching the first no-hit no-run opening game in major league history nearly was Herb Pennock's back in 1915. . . . people quickly forgot the "almighty," but Pennock, then a 19-year-old youngster still to become one of the great southpaws of his time, went until two were out in the ninth inning of the inaugural between the Philadelphia Athletics and the Boston Red Sox before yielding a scratch single.

In the first inning Tris Speaker of the Red Sox walloped out a base on balls. After that nobody reached first until Harry Hooper came to bat with two gone in the ninth. . . . He popped a looper just out of Pennock's reach. . . . Larry Lajoie fielded the ball cleanly, but his throw to first was just too late to catch the runner and Pennock's chance at fame went fluttering.

Bucky Harris of the Washington Senators is telling folks here he thinks Al Hollingsworth will do his club some good. . . . The last time the Senators picked up a Dodger castoff he turned into a 26-game winner: Dutch Leonard. Jim Fohsh, the Senators' freshman shortstop, is a flash at fielding but he was out of position often in Washington's test against the Yankees.

The New York Giants as a club have a .195 batting average. . . . Frank Frisch wanted new faces in the Pittsburgh Pirates' outfield, so he made Paul Waner don spectacles on the playing field. . . . Is this another case of American league superiority? Umpire Red Ormsby has 12 children and Umpire Bill Summers has eight. . . . The interferences had weather has given the major leagues in their first week for the last couple of years has made some of the club owners give serious attention to the complaints of Walter O. Briggs, moneybags of the Detroit Tigers, who wants the schedule shaved a week on each end.

Joe Moore Is Hi Champion

DALLAS, April 20 (AP)—Joe Moore, Jr., of the Texas Military Institute, San Antonio, trimmed Jack Selman of Houston, 7 and 6, to win the Texas high school golf championship tournament here today.

Moore, who is state junior champion, shot a par 36 on the outgoing nine in the morning round to gain a four-hole lead. His 37 on the incoming nine gave him a six-hole lead.

Selman reduced this one hole by shooting a 38 to Moore's 39 on the first nine in the afternoon. They halved the 28 with bogeys but Moore took the next two with par figures as Selman three putted both holes.

HOW DO YOU KNOW

YOU'RE GETTING THE MOST FOR YOUR MONEY

... if you keep buying the same car without looking at Chrysler?

How ARE YOU to know, without investigating, that you can buy that handsome Chrysler Royal for only \$995, delivered in Detroit?

How will you know there is a low-priced Chrysler that big, that roomy, that powerful?

You've got to drive that 108-horsepower High-Torque engine to know what you're now missing in high-gear, get-up-and-go performance...and in gas-saving economy, too.

You've got to sit in those broad divans of seats to enjoy Chry-

Blaine Rideout Sets Mile Record At Lawrence, Cunningham Last

ACC WILDCAT RELAY TEAM IMPRESSIVE

By HAZOLD CLAASSEN
LAWRENCE, Kan., April 20. (AP)—The heart was there but youth with its famous "kick" had fled, so Glenn Cunningham won only the sympathy of 12,000 spectators at the University of Kansas relays today.

He finished a stubborn last in a special mile run, feature event of the carnival which saw four new records etched during a long afternoon of competition by athletes from 48 colleges and universities.

By leading at the half, Cunningham quickened the pulse of those who were here to bid him farewell, but Blaine Rideout came from nowhere in the final 220 yards to win in 4:10.1 and erase the name of Kansas' favorite athlete from the records of the 18-year-old mid-west classic. The Kansas mark of 4:12.7 had stood since 1934.

Other record-bettering performances were turned in by the University of Oklahoma's sprint medley quartet, Baker university's sprint relay team and four Abilene Christian college athletes who ambled two miles in seven minutes, 48 and 4-10 seconds.

HEALTH PICTURES TO BE SHOWN—Motion pictures made and endorsed by the American Red Cross, the National Tuberculosis Association, and by the teaching films division of the Eastman Kodak Company are to be shown free as a part of the public health program sponsored by Big Spring Safety Council and the Big Spring Police Department. These films are to be brought here by the Public Health Pro-Motor, (shown above) frequently spoken of as a world's fair on wheels, when it arrives on April 29 for an exhibition lasting two days. The sponsoring groups emphasize the complete absence of any charges or obligations connected with the Public Health Pro-Motor exhibit. Its sole purpose, it is declared, is to make available many new scientific discoveries that are being shown this year at the New York world's fair. Among the films to be shown here are "Behind the Shadows," "Diphtheria and Anti-Toxin," "Fight Cancer with Knowledge," and the ever-popular movie on accident prevention entitled "Why Not Live."

BRADY WINS IN HI REGIONAL MEET

By the Associated Press
A mighty heave by J. B. Montgomery, Moran's giant shotputter, that surpassed the state record by more than two feet featured regional schoolboy track and field meets held on eight fronts Saturday.

The blond Montgomery pitched the shot 56 feet 1 inch, compared to the state mark of 53 feet 1-2 inches set by Earwood of Rock-springs in 1936. The shot was later measured, however, and found to be seven ounces light and the record was not allowed.

Several other stars neared records as some 400 youngsters qualified for the state meet at Austin May 3 and 4.

Two weight men tossed the javelin dangerously near the state mark set by O'Neil of Yoakum in 1934. The record is 196 feet 8 inches.

Bill Barry of Yales got 194 feet 8 inches in the meet at Marfa. Bats of San Antonio Tech came within two inches of Barry. He participated in the meet at San Marcos.

The mile relay team of Highland Park (Dallas) came within less than three seconds of the state record with a time of 3 minutes 28.2 seconds. Abilene holds the present mark of 3:25.6.

Ralph Schrimpf, Highland Park star, ran the half-mile in 1:09.7, which is 4.3 seconds over the state mark.

Barrett of Yoakum turned in one of the best pole vaulting exhibitions of the year when he went over the bar at 11 feet 10 5/8 inches.

Denzil Kennemer, Iran's one-man gang, competing in the regional meet at Marfa, won the 120-yard high hurdles in 15.5 seconds, the 100-yard dash in 10 seconds, the 220-yard dash in 21.7 and was fourth in the javelin throw.

Kennemer looms as probably the best in the javelin division.

Beefus Bryan, who on each of two previous visits established new vault marks, was forced to share his honors this season with Dick Higgins of Missouri. They cleared but 15 feet, 3 inches in contrast to the 14 feet, 2 inches Bryan did 13 months ago.

Results included:

Half mile university relay won by Oklahoma (Mathews, Coogan, Lyda, Koettel); second, Texas. Time 1:26.7.

Javelin throw: won by Waldram, Missouri, 206 feet 5 inches. Fourth, Adair, Texas, 192 feet 6 inches.

Discus: won by Hughes, Texas, 153 feet 3 1/2 inches.

University quarter mile relay: first heat, won by Texas, 41.3; second, Oklahoma 41.3; third, Minnesota, 41.5; fourth, Kansas 42.4.

Second heat: won by Kansas State, 43.1; second, Iowa State, 43.8; third, Arkansas, 44.4.

Winner on basis of comparative time: Texas (Seay, Gatewood, Roberts, Ramsdell); second, Oklahoma; third, Minnesota; fourth, Kansas.

PADRES TRIPPED BY TRIBE, 6 TO 1

SAN ANTONIO, April 20. (AP)—Bill Prince became the first Oklahoma City pitcher to go the full nine innings this season as he pitched the Indians to a 6 to 1 victory over the San Antonio Missions here tonight, dumping the Padres from first place for the first time this year. Prince gave up but eight hits and did not walk a man. Oklahoma City 020 001 030—4 10 0. San Antonio .000 001 000—1 8 3. Prince and McDougal; Burk and Huffman.

STEERS REGAIN WINNING FORM

COLLEGE STATION, April 20. (AP)—The University of Texas regained its winning ways today, downing its arch rivals, Texas A. & M., 9 to 3, after suffering defeat for the first time of the season at the hands of Rice Institute yesterday at Houston.

Johnny Hill, Steer first baseman, celebrated his return to regular duty by slapping a homer off Lindsey in the second.

Auker Handcuffs Chisox, 11 To 1

ST. LOUIS, April 20. (AP)—Getting tight pitching from Eldon Auker, the St. Louis Browns walked up the Chicago White Sox, 11 to 1, today in their delayed opening home game of the season before 4,775 fans. Joe Kubel's homer saved the Sox from a shutout. Rip Radcliff drove in five runs for the Browns with a homer and two singles.

Score by innings:
Chicago . . . 000 100 000—1 8 4
St. Louis . . . 031 002 412—11 13 0
Batteries—Rigney, Knott and Tresh; Auker and Susce.

DOWN AND MAYBE OUT—Painful spills often mar the difficult training routine at Tor di Quinto, Italy's crack cavalry school on the Tiber. Italy's king and II Duce usually watch the school's "graduation" review.

Bowling Leaders Are Decided

Schlitz took two of three games from Budweiser in the feature match of the Class B bowling league schedule last week. Bud managed to retain the lead, however, by two full games over second place Burr's.

In other duels, Standard Oil turned back Cosen in two of three tilts while Burr's was edging McCullough, 2-1.

In the women's league, Texas Electric stopped Toby's, 2-1.

STEER NETTERS DEFEAT PONIES

DALLAS, April 20. (AP)—Fred Higginbotham and Billy Wilkins, Southern Methodist university tennis players, won three matches between them from the best talent the University of Texas had to offer, but the Mustangs lost Saturday's meet on the home day courts, 4 to 3.

Higginbotham scored an upset over Reuben Rialnd, star of Texas' tennis team, 6-2, 3-0, 6-4.

Wilkins won a straight set victory over Maurice Fincher, 6-3, 6-4.

Higginbotham and Wilkins teamed to beat Rialnd and Fincher in the doubles, 2-0, 6-4, 6-3.

BAYLOR NETTERS TAME FARMERS

COLLEGE STATION, April 20. (AP)—The Baylor tennis team won all singles and one doubles event to beat the Texas Aggies, 5 matches to one, today.

Hilley downed Mitchell, 6-1, 11-9; Cornelison beat Given, 6-3, 6-2, 6-1; Harris defeated Adams, 6-1, 6-2, and Haynes won from Kreadon, 6-3, 6-3.

Mitchell and Given won a doubles from Cornelison and Haynes of Baylor, 1-0, 6-3, 6-3. Hilley and Harris defeated Adams and Kreadon, 6-4, 6-0.

ARSON INDICTMENT

Caplan on an arson indictment against C. E. Miller was returned to the district clerk Saturday. The bill was among the 15 returned by the grand jury earlier in the week.

CHICAGO CUBS STOP REDBIRDS

CHICAGO, April 20. (AP)—The Chicago Cubs won their second game of the season when they defeated the St. Louis Cards 4 to 3 today. Bill Lee and K. Raffensberger divided the pitching duties for the Cubs, allowing twelve hits.

Score by innings:
St. Louis 001 000 011-3
Chicago 101 000 022-4
Batteries—Warneke, Shoun and Owen; Lee, Raffensberger and Todd.

REBELS BEATEN BY EXPORTERS

BEAUMONT, April 20. (AP)—Les Mueller scattered nine hits up and down the Dallas batting order today and the Exporters defeated the Rebels handily in the series opener 10 to 1.

The same clubs play a double-header tomorrow afternoon.

Score by innings:
Dallas 010 000 000—1 9 2
Beaumont 421 300 000—10 12 0
Batteries: Touchstone (loser), Pitar, Humphrey and Cronin; Mueller and Hinkle.

GREER WINS 3RD GAME IN ROW

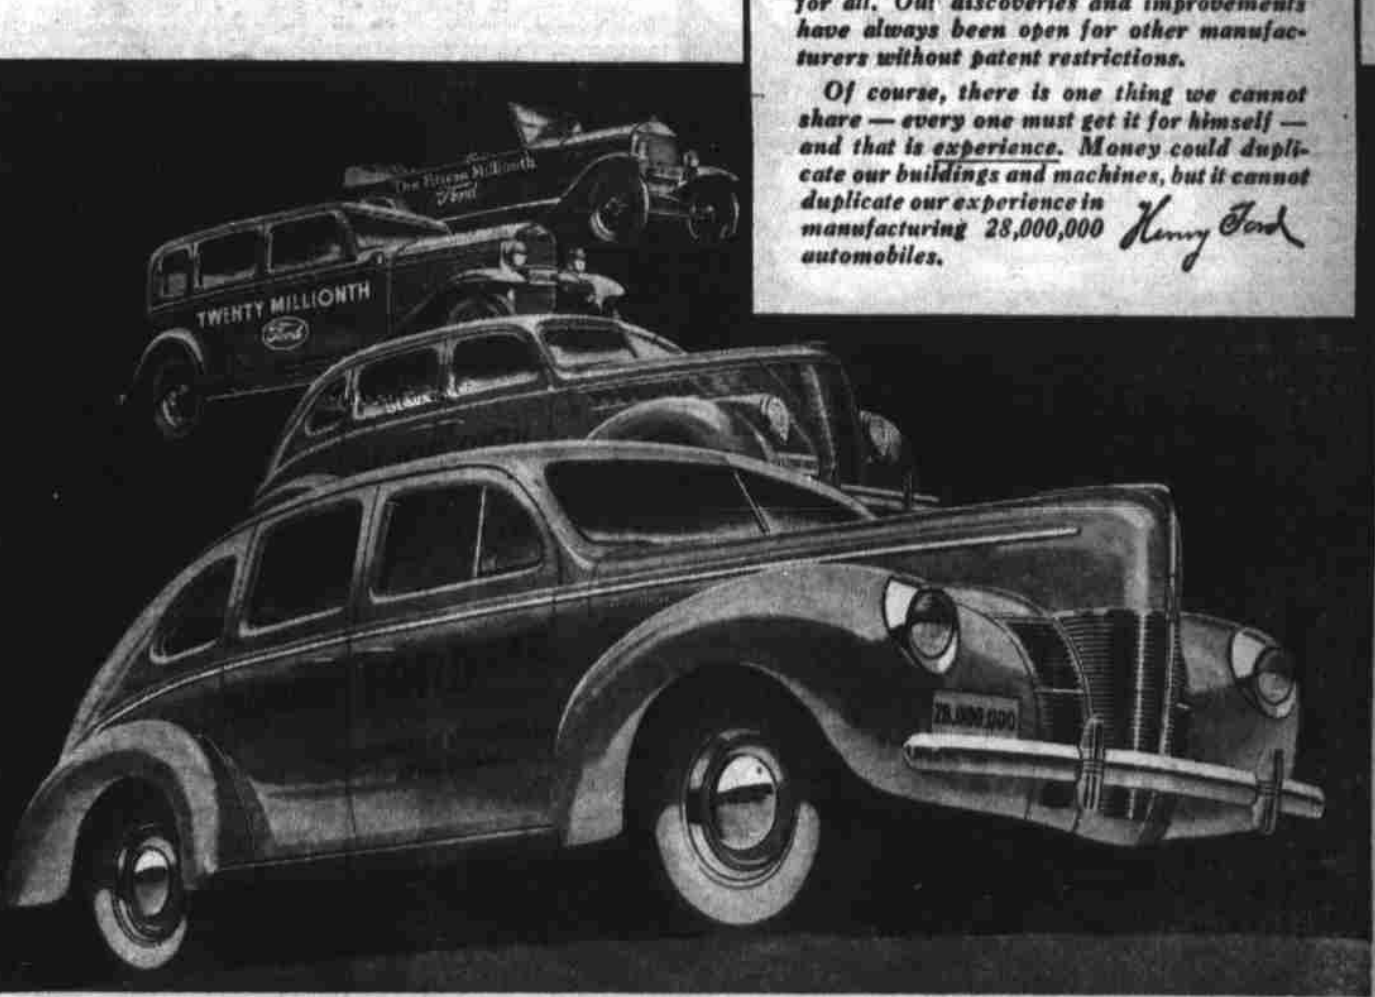

HOUSTON, April 20. (AP)—Old Beartracks Greer turned in his third straight victory of the Texas league season this afternoon, scattering 13 hits to pitch the Fort Worth Cats to a 5-3 victory over the Buffs.

Fort Worth 002 300 000—5 6 0
Houston 011 000 100—3 13 1
Greer and Linton; Nowak, Wilks, Wachol and Narron.

PICTOR FIRST

HAVRE DE GRACE RACE TRACK, Md., April 20. (AP)—W. L. Brann's Pictor sprang the racing surprise of the season today by whipping five other Kentucky Derby eligibles including Andy K. in the mile and sixteenth Chesapeake Stakes on a muddy track.

THE TWENTY-EIGHT MILLIONTH FORD CAR

Behind the 28 millionth Ford car, which came off the line April 8, 1940, are other famous Ford "millionth cars": the 25 millionth, produced Jan. 18, 1937; the 20 millionth, April 14, 1931; and the 15 millionth Model T, May 6, 1927. THIRTEEN MILLION CARS IN THIRTEEN YEARS!

Under one management, the Ford Motor Company has built and sold 28,000,000 Ford cars.

No other maker even approaches this total. No other has so many cars on the road today.

Not by monopolistic methods. Henry Ford has always encouraged competition. He has made his company's inventions and technical advances available without charge to any one who wanted to adopt them.

Free competition in the industry has presented a constant challenge to find ways of offering better and better value to the public.

The Ford Motor Company holds the lead in total number of cars built and sold because it has met this challenge with more than ordinary vision and skill—backed by a set of business principles which the American people respect and approve.

As these 28,000,000 cars have been produced, the company's experience has continued to accumulate. Its facilities have continued to increase. Profits have been consistently turned back into the business to provide the means for offering still greater value.

The Ford Motor Company today knows how to build a better car than it has ever built—it has the resources to build it—and it is building it.

In the few moments it takes you to read this, half a dozen of the finest Ford cars that have yet been built—part of the twenty-ninth million—will come off the assembly lines.

Court Enters Second Week

The 70th district court swings into its second week here Monday with criminal and civil matters both docketed for trial.
On Monday the cases of N. C. Brigrance alias Leroy Lancaster, charged with passing a forged instrument, and of Harold Gage, billed for driving while intoxicated, will be called for a hearing. New criminal matters also may be heard.
The damage suits of Sam R. Greer and one of Mrs. Eoline Grables, a feme sole, by Greer as next friend against Lorin McDowell; growing out of fatal injuries sustained by Mrs. Greer in an automobile crash west of here last year, will be called for trial.
On Friday Judge Cecil Collins will hear a plea for a permanent injunction by Mark Harwell to enjoin officers from enforcing a writ of judgment by Alexander Film company.
The court Saturday had under advisement the damage case of C. Lloyd versus M. O. Hamby in connection with a car mishap on the Gall road Christmas. Divorces were granted to Gussie Coleman Briggs from Pearl Louise Briggs and to Ollie Mae Walker from Allen Walker.
Made final were suspended sentences assessed against James Anderson and M. N. "Fats" Nunn. Anderson must now serve a five-year sentence suspended on his conviction for theft here last year. He was recently convicted again in Dallas. Nunn, who was convicted for attempted jailbreak, must serve a five-year term for felony theft, suspended here last September.

CANDIDATES' RALLY IS STAGED AT KNOTT

The first of the "official" candidate rallies drew 32 officeholders and a large number of people in the Knott community to the Garner gymnasium Friday evening.
Madison Smith, who presides over the rallies, the candidates recognize as official, said that the next one would be held in June. Thereafter, they will be staged regularly until primary time in July.
The box supper netted little more than \$54 which will be used to finance the junior-senior class trip and to supplement the athletic fund. Alvin Allison, Levelland candidate for state senator, served as auctioneer for the boxes.

H. L. BOHANNON IS NEW COMMANDER OF VFW POST

H. L. Bohannon will succeed T. C. Thomas as commander of the Ray E. Fuller post 2013, Veterans of Foreign Wars, it was announced Saturday.
Other officers elected for the ensuing year include J. Allen Hull, senior vice-commander; Raymer Brown, junior vice-commander; Dr. C. W. Deats, quartermaster and adjutant; and Ulmer Powell, chaplain.
Bohannon appointed Jessie A. Thurman as service officer and Morgan Stulting as officer of the day.

IS IMPROVED

R. L. Hammack, in the Malone & Hogan Hospital Clinic for treatment, was reported much improved Saturday.

Rail Groups Back New Deal, Strongly Oppose Sales Tax

Joint Legislative Board Meeting Concluded; Wichita Chosen For '42

Legislative committees of the transportation brotherhoods concluded their biennial parley here Friday evening by selecting Wichita Falls as the 1942 meeting place for men and auxiliary members alike, and by adopting resolutions which called for strong support of the New Deal and unalterable opposition to a sales tax.
The three-day meeting, one of the largest in years, was declared by committee leaders and delegates to have been singularly successful.
In supporting the New Deal, the brotherhoods called on "all loyal friends of the New Deal to attend their precinct conventions and support the election of officers who are favorable to the New Deal."
Going on record against SJR-12, the defeated sales tax amendment, the joint committees embodied virtually the same resolution as produced earlier by the firemen. A natural resource levy or other taxes were favored to finance the social security obligation.
Re-enactment of the sugar tariff act to protect American workers in the sugar refining business was endorsed as was the extension of the fair labor practice act to cover state employees and any others not now affected.
Brotherhoods got behind a resolution for a nine-member jury verdict in all civil cases.
Interstate Commerce Commission control of all forms of transportation, whether by rail, water or air, was urged.
Other resolutions included the continuance of efforts to pass a child labor amendment and to continue support of the central committee behind this move; commend officers of free employment agencies for services to transient unemployed; to regulate the number of people who may be handled in trucks and that they be provided with seats and sanitary facilities (obviously aimed at the practice of hauling farm labor); and endorsement of federal HB-8015 which calls for a federal water conservation and flood control project, introduced by Rep. Milton West, Brownville, and which would sharply reduce irrigation costs in the lower Rio Grande valley.
James A. Shields, conductors chairman, presided over the joint session.
Thanks For Cooperation
Included in the resolutions was an expression of thanks from visiting delegates for "the splendid and sincere manifestation of hospitality on the part of Big Spring and host organizations in so graciously entertaining the transportation brotherhoods."
To this local committees added read or write.

DOUGLAS, AYL FORD NEXT FOR PAVING

Paving crews have moved in on Douglas and Aylford streets, it was reported Saturday.
This moved city officials to request property owners along these streets who have not signed to call at the city hall and complete details for the work. It was announced that "arrangements could be made" for those unable to meet the demand immediately. Property owners on other streets covered by the 33-block paving order, were asked to speed up the program by signing for the paving.

SICK BOYS WELL. BINGHAMPTON, N. Y., April 20.

(AP)—The two sick brothers are very well.
Physicians have approved Leonard and James Sick for army service.

UNDER MEDICAL CARE

Roy Townsend was under medical treatment at the Malone & Hogan Hospital Clinic Saturday.
About 271,000,000 of India's 350,000,000 population are unable to read or write.

CC DIRECTORS TO CONVENE MONDAY

Chamber of commerce directors will convene in regular session Monday noon when several important matters will be considered.
One is a recommendation from the tourist development committee, which R. R. McEwen heads, that a "school" be organized to foster a friendly atmosphere for tourists. Matters pertaining to the impending West Texas Chamber of Commerce convention also will be discussed.

PIGEON ARRIVES

TORRINGTON, Conn., April 20 (AP)—A racing pigeon owned by Charles Albrecht and John Fox of Torrington was liberated in Port Huron, Mich., on June 4, 1937, for a 500-mile race to this city. It arrived here Friday, still wearing its racing tag—number 3,366.

Summerlin Given A Two-Year Contract

Herschel Summerlin, for six years superintendent of the Midway school, has been extended a two year contract, it was announced Saturday.
G. Hannaford, teacher and coach, who has been at Midway for two years, and Mary Miller and Louise Holden, finishing out their first year in the system, likewise were given two year contracts by the board of trustees.
During the administration of Summerlin many improvements have been effected, including a new teaching to serve all teachers, installation of a lighting system and of natural gas for fuel, a new and adequate water system, a new completed gymnasium, introduction of audio and visual instruction and attainment of permanent standardization. Under Hannaford the junior boys basketball team finished second in the Howard County Elementary Basketball league.
A resolution calling for small-pox vaccination as an entrance requirement for the Midway school in 1940-41 was adopted by the board. W. L. Sandridge was named president of the trustees and Leo Floyd secretary.

OVERLOOKED

HICKORY, N. C., April 20. (AP) One hundred persons reported to the chamber of commerce here they have been overlooked by the census takers.
Among them was City Manager Ralph Smyre.

BEE BLITZKRIEG

BROWNWOOD, Texas, April 20. (AP)—A bee blitzkrieg threw Brownwood traffic into a snarl today.

The buzzed everywhere. Police refused to act, holding they had no jurisdiction.

But up rode Ira Duke, Indian Creek farm youth, with a tin pan and fork.

Ira started buzzing on the pan. Doves came from everywhere, obediently settled on an awning. Ira, the bee expert, scowled cautiously to the awning, scooped up his captives and took them home.

CHICKEN-MOVES
FARES TODAY, April 25. (AP)—John Ward of the High community near here came to town to report there had been a hard rain in his neighborhood.

It was a chicken-mover, John said.

Band Contests To Open Thursday In Abilene

ABILENE, April 20.—Preparations for the Region 2, Texas Music Educators' association band and orchestra competition, in which the Big Spring high school band is expected to compete April 25-27, entered the final stages this week as entries were received from 35 bands, judges for the various events were announced, and arrangements were made to have both the West Texas Fair grounds and the marching field at Hardin-Simmons university in first class shape for the competition.

The competition will open Thursday, April 25, with judging of solo events and classed twirling. Friday, bands and classes A, C, E, and D will compete, and Saturday will be devoted to the competition of Class B bands.

The spectators will be the band marching, playing and solo twirling contests beginning at 5 o'clock p. m. at the Hardin-Simmons university stadium.

The new airline will establish main offices and operations base at Love Field and be the only scheduled, exclusive cargo service in the United States," Trapp said. "A survey was made of the entire United States before this territory was selected as being the most promising for business."

Officials of the air line said this was the beginning of a new and important phase of air transportation, the carrying of freight by airplane. Checking and survey flights are being carried on now with test beds and route familiarizing trips for the pilots.

Here's What "Habit Buyers" Miss That HUDSON Buyers Get

GREATER LENGTH (182 1/4 inches from front of grille to rear of body) ... more seat room all around, and biggest space for baggage!

GREATER ECONOMY than ever proved by any other full-sized car—a certified 1940 record. No need to sacrifice room for economy.

AMERICA'S SAFEST CAR, with Patented Double-Safe Brakes—"double-safe" because, should hydraulics fail (as they can in any car), you just push farther on the same foot pedal and stop. A third braking system is provided by the easy-action parking brake, up under the dash.

MORE POWER ... 7 more horsepower than the nearest of the "other three," and the smoothest of them all.

EASIER DRIVE, with finest type Independent Front Wheel Coil Springing and true Center-Point Steering. Plus the steadiness and added safety of Patented Auto-Poise Front Wheel Control.

GREATER ENDURANCE ... 20,000 miles in 12 days, under official supervision! A torturer test no other stock car at any price ever survived!

Come in today ... drive a Hudson fit ... meet another lowest priced car ever built!

Warfare

(Continued from Page 1)

announced whether the transports had sunk.

British communiques said also the allied forces in Norway "occupied certain positions of vantage" on April 19, and operations there are "proceeding according to plan." Three German mines were reported shot down and others damaged in unsuccessful raids on British naval units and transports.

The British announced two merchant casualties of their own on the seas, the cargo ships, Mercedes and Hawmby going down at explosions on the southeast coast of Britain. Thirteen men were dead or missing.

The ships were the first lost in that coastal area this month. Some sources attributed the losses to new mines laid by German warplanes. Mysterious planes were off the southeast coast again last night, for the second time this week, and heavy gunfire was heard offshore.

Although it was conceded in Berlin that formidable British forces have been landed far to the north, in the Lofoten Island region opposite Narvik, and at points farther south, German military leaders expressed confidence that German shock troops could prevent effective cooperation between British and Norwegian soldiers.

Lon Smith

(Continued from Page 1)

asked only "that I be remembered as a servant worthy of his hire." "I deserve no greater reward," he continued, "and deserve no greater boon."

Smith's retirement means that the railroad commission, which supervises the state's vast oil production, may have entirely new personnel by 1941. Commissioner Jerry Sadler is running for governor and Commissioner Ernest O. Thompson has announced for congress from the Amarillo district. The commission selects its own chairman.

BILL DISCH IS GRANTED LEAVE

AUSTIN, April 20 (AP)—University of Texas regents today granted a leave of absence to W. J. "Uncle Billy" Disch, acting baseball manager, and placed B. A. "Bibb" Falk, former Chicago White Sox outfielder, in charge of the team for the remainder of the season.

Falk has been acting coach of the Longhorns since Disch became ill two weeks ago.

PAGE FOR GOLF ALBUM—Feminine frills had no place in North-South invitation golf journey at Pinehurst, N. C., won by Mrs. Estelle Page (left) of Chapel Hill, N. C., who defeated Dorothy Kirby (right) of Atlanta, 4 and 3

The Week

(Continued From Page 1)

Master said "Ye are the salt of the earth." He had men like Mr. Creath in mind.

Another increase in the school census (it looks like 3,425) should prove once more that the community is more than holding its own with a steady, substantial growth.

Highly important is the announcement that Cosden Oil Corp. will move its general offices to Big Spring. Aside from the immediate benefits, it indi-

cates a faith on the part of company officials in the Big Spring plant and might well mean that the industry will become increasingly important to Big Spring.

No blue grass grows in this section of the country, but fine horses—one of three things that made the blue grass region of Kentucky famous—will abound here today at the Charity Horse Show. Anyone who remotely admires spirit and beauty in a horse will get a thrill out of the show.

Many constructive suggestions came out of the chamber of commerce smoker on tourist development last week. One of the sharpest indictments against the city was that "you have to live in Big Spring a year to like it." If that is any part of true, something ought to be done about it—but definitely.

Building activity is showing strength here. Although the total for the year is yet about \$12,000 under the first four months of last year, the trend is much sounder. There are sound reports that a national drug concern is to remodel a business location in the heart of the downtown section. Several residential permits are in the making. All in all the picture is encouraging.

In announcing commencement dates and activities, the school board named the amphitheatre as the site for the senior sermon and graduation. There's only one thing wrong with this, for judging from what happened to the Easter sunrise services, we are now sure to have an icy norther in May.

Special Session Is Urged By Thompson

AUSTIN, April 20 (AP)—A special session of the legislature for the purpose of raising the oil tax 5 cents a barrel was urged again by Railroad Commissioner Ernest O. Thompson in a letter today to Governor W. Lee O'Daniel.

Jap Firm Buys Mexico's Oil

MEXICO CITY, April 20 (AP)—It was learned authoritatively today that the Laguna Petroleum company, a Japanese firm, has signed a \$30,000,000 contract to purchase Mexican oil, gasoline and kerosene, an action which the Mexican government was awaiting before replying to a United States suggestion to arbitrate the petroleum controversy.

It is understood the government would consider its economic position greatly strengthened by a signed and sealed contract with the Japanese and would make much of this point in replying to the suggestion of Secretary of State Cordell Hull for settlement of Mexico's seizure of the vast foreign-owned oil industry.

An official source said the reply likely would be a firm rejection of the arbitration proposal.

The Laguna contract will involve 2,000,000 barrels of crude oil, 200,000 barrels of gasoline and 197,000 barrels of kerosene.

Prices in all categories were reported to be 30 cents below California prices in order to compensate Japan from Panama Canal tolls and haulage charges.

NEW AIR SPEED MARK IS SET BY WOMAN

ALBUQUERQUE, N. M., April 20 (AP)—Jacqueline Cochran tonight claimed a new national speed record for 100 kilometers with an official mark of 232.6 miles an hour.

The old record was 229.5, set in 1937 by Roscoe Turner.

Miss Cochran was clearly disappointed, however, when timers for the National Aeronautical association brought in her flying time. When she landed, she had announced that she felt sure she had passed the 300-mile-an-hour mark.

"Well, anyway, I broke it," she added. "The engine heated up and I had to throttle back about half way down the course."

WEST TEXAS CHAMBER MANAGERS END MEET

COLORADO CITY, April 20 (AP)—Chamber of commerce managers of West Texas ended their two day convention here today after choosing Stamford for their next annual meeting.

Officers elected for the ensuing year were Jim Netta, Del Rio, president; Jerry Debenport, Odessa, vice president; Jack Helton, Colorado City, secretary; Bill Collyns, Midland, past president, automatically becomes a director and Merle Gruver, Abilene, is the hold-over director.

Four other directors elected were C. C. Williams, Olney; Paul Ord, Mineral Wells; Clyde Jones Childress; Bill Cooper, Sengraves.

LABOR COOPERATION TO WAR IS VOICED

DALLAS, April 20 (AP)—President William Green, the voice of five million members of the American Federation of Labor, tonight said the A. F. of L. "is unalterably opposed to any move which might involve the United States in the European war."

Green, speaking on a nation-wide radio broadcast in an address before the Southwest Labor Conference, condemned "the hateful teachings and practices of communism and nazism," and added the "A. F. of L. takes pride in the fact that we are hated by the enemies of our country."

Marine fossils have been found in the Grand Canyon and Painted Desert regions of northern Arizona.

The United States paid Russia about 2 cents an acre for Alaska.

GROUP HOSPITAL SERVICE TO BE OUTLINED IN TALKS HERE

BRUCE TWITTY

DR. J. H. GROSECLOSE

Bryce Twitty and Dr. J. H. Groseclose, ranking hospital administrators of the southwest and outstanding national authorities on hospitalization, will address the Lions clubs and any other interested persons Wednesday on group hospital service.

SOIL CONSERVATION DEMONSTRATIONS ARE FORESEEN

A soil conservation demonstration on a major scale may be arranged for Howard county in cooperation with the soil conservation service.

County Agent O. P. Griffin said Saturday that the soil conservation service at San Angelo had tendered its facilities in developing a model project in this area.

The demonstration would cover from 1,500 to 3,000 acres of farm land. This area would have to be in one vicinity where farmers would agree to cooperate in the program. It would combine all the features for soil and water conservation, the agent explained.

extends hospital and medical service to people of small income.

Dr. J. E. Hogan, president of the club, said Saturday that the meeting will be open to the public and urged a large attendance.

Twitty is one of the leading hospital administrators of America. He is president of the American and Canadian Protestant Hospital association and handles legislative work for the Texas State Hospital association, of which he is head, and the national association.

Equally recognized is Dr. Groseclose, who is a Fellow of the American College of Hospital Administrators and organizer of the National Hospitalization System, Inc., which offered contracts to groups, families and individuals in the Methodist hospital at Dallas. Later he aided in the creation of the Texas Group Hospital Service, Inc., and is president of the institution. Like Twitty, he is recognized as a leading authority on hospital administration.

Of 378,165,000 acres of land in Alaska, only 2,109,000 have been surveyed.

King Henry III decreed the precise weight of the English ounce as 640 dry grains of wheat.

CHEVROLET'S Exclusive VACUUM-POWER SHIFT

easiest of all gearshifts to operate...

80% Automatic... Only 20% Driver Effort!

Lone Star Chevrolet, Inc.

311 East Third

"When You're Pleased, We're Happy"

Big Spring, Texas

Because

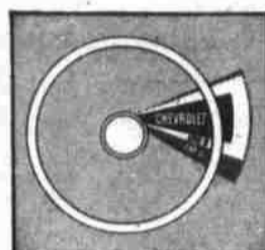

ITS ACTION IS EASIEST!

Tests prove Chevrolet's to be the easiest steering column gearshift to operate. Compared with the two cars next in sales, Chevrolet requires only 2.8 ft.-lb. of effort for a cycle of shifts, against 8.5 for Car B and 14.8 for Car C.

Because

ITS LEVER AND ITS "THROW" ARE SHORTER

Because Chevrolet's gearshift is operated by vacuum, it requires less leverage. The lever and its travel or "throw" are the shortest, and that means the quickest shift. Length of Throw: Chevrolet, 4 1/4"; Car B, 7 1/2"; Car C, 10 3/4".

Because

IT'S EFFORTLESS IN TRAFFIC

Stop and Go—Red and Green—Halt! Start! That's traffic. And that's where Chevrolet's easy shifting is appreciated. Vacuum does 80% of the work; only 20% is done by the driver. No tugging, no shoving!

"CHEVROLET'S FIRST AGAIN!"

Eye It..

Try It..

Buy It

The 1940 Chevrolet gives higher quality at low cost!... Low Prices... Low Operating Costs... Low Upkeep.

No other motor car can match its all-round dollar value
