US Ambassador, De Gaulle Confer

By JOSEPH W. GRIGG
United Press International
PARIS (UPI)—Gen Charles de Gaulle conferred for 20 minutes today with U.S. Ambassador Amory Houghton amid reports that preliminary arrangements already are being made for a possible top level meeting between President Eisenhower and the French premier.

Houghton will fly to Washington Tuesday for a week of consultations with high officials. His trip coincides with the Eisenhower-De Gaulle summit meeting reports.

An embassy spokesman termed today's visit by Houghton to De Gaulle a "courtesy visit," but its length and timing suggested much greater significance.

Houghton will be in Washington right after Eisenhower's session

with British Prime Minister Harold Macmillan, who already has suggested Anglo-French summit talks between himself and De Gaulle.

Heavy Work Schedule
The new premier also summoned Foreign Minister Maurice Couve de Murville back from a farewell visit to Bonn, where he has been French ambassador, to give him advice on what steps to take in connection with a possible meeting with Macmillan.

Informants said De Gaulle is anxious to meet the British prime minister soon for a sweeping review of world affairs, but that his working schedule is overwhelmingly burdened by problems connected with Algeria and reform of the French constitution.

De Gaulle also was reported planning to seek advice of his other cabinet ministers before a firm decision is made on top level bilateral talks.

Officials said one of De Gaulle's primary concerns is re-establishment of close relations with France's Allies.

"Toe The Line" Order
But De Gaulle is confronted with a number of major problems at home that demand immediate attention. He called in his cabinet ministers today for a discussion of these which include new violence in Algeria, the continued near-mutiny in Corsica and the threat of renewed right wing opposition to his regime.

Informants said De Gaulle would issue a polite but very firm "toe the line" order to the control right-wingers who still control Corsica after seizing it in a bloodless revolution on May 24.

He also was expected to give personal attention to firebrand Leon Delbecq, one of the chief political intriguers who helped stage the Algiers coup of May 13. Delbecq flew to Paris from Algiers Sunday night.

Reports said Delbecq came here to contact safety committee members on the mainland to step up his campaign to overthrow the remnants of the Fourth Republic.

Delbecq said there were 330 such committees in France, ready to come out into the open.

Delbecq told reporters he had come to Paris "to see my daughter who is sick and also some of my friends who are pretty excited."

Showdowns Could Come
Reliable reports in Paris said De Gaulle had ordered Delbecq and Gaullist Deputy Jacques Soustelle, the brains behind the Algiers movement, to report to him in person for a showdown. A showdown with Delbecq could come today.

The whereabouts of Soustelle was something of a mystery. Authorities in Algiers clamped a security blackout on his movements, apparently to forestall any possible demonstrations. He received as many cheers as De Gaulle during the premier's tour of Algeria last week.

Some reports said Soustelle was about to be named minister of state for North African and Middle Eastern affairs—a move that would strengthen De Gaulle's standing with the rightwing dissidents in Algeria.

Other Topics
Today's cabinet session also was to include discussion of these other points:

—A new flareup of fighting in the Algerian civil war. The rebel independence movement in Algeria has spurned De Gaulle's peace offers, replying with savage attacks in areas where De Gaulle visited last week.

—The growing differences with Tunisia, a former French protectorate. The two countries broke diplomatic relations last February following the French bombing of worker grievances.

Chrysler Strike Averted

DETROIT (UPI)—Agreement was reached today averting a threatened strike at the vital Chrysler missile plant by United Auto Workers Union members. The plant is at Center Line, north of here.

The 500 UAW members were angered because Chrysler granted 8,000 salaried workers a 9 cent cost of living and improvement factor pay boost June 1, while the union employees got nothing because the auto workers refused to extend present contracts.

A company spokesman said "strike action scheduled for today at the missile plant has been called off as the result of a memo of understanding reached this morning between Chrysler and UAW Local 1245."

Angry workers at other Chrysler plants were ordered back to their jobs because the union has no contract and is without a strike weapon because of the business slump.

Whether workers at some Chrysler plants would obey the orders and stay on the job was doubtful.

UAW national bargaining councils for General Motors, Ford and Chrysler adopted the work-without-a-contract, no-strike policy before contracts with the three companies expired over Memorial Day weekend.

The bargaining councils agreed with UAW President Walter P. Reuther that the big three auto companies, with a 60-day supply of new cars on hand, would welcome a strike. Reuther said if the workers went on strike, the companies would not have to pay unemployment compensation and benefits.

So Reuther and the bargaining councils told auto workers to take the four-to-eight weeks work available between now and September, and remain eligible for jobless pay when laid off.

Negotiations between the UAW and General Motors, Ford and Chrysler on new contracts continued today. Union and company sources agreed it will be next month — at the earliest — before new contracts will be signed, although they expect progress to start this week.

When the companies agreed to keep their plants operating without contracts, they made three major moves against the union: (1) They abolished payroll check-off of union dues; (2) They abolished the union shop, and (3) They cut down the amount of time union stewards could spend off their plant jobs negotiating worker grievances.

American Businessman Is Indicted In Tokyo Death

TOKYO (UPI)—Joseph Crowley, 48, American businessman and former Yale football star, was indicted today on charges he fatally beat his brother-in-law, E.A.D. (Ted) Jones in a Tokyo hotel.

Japanese procurator (prosecutor) Kenjiro Furukawa filed the indictment with the Tokyo District Court after holding Crowley without bail since May while he investigated Jones' death.

Furukawa then went to Crowley's jail cell to inform him of the action. Crowley's lawyers were expected to ask for bail tonight or Tuesday before he goes on trial before a Japanese court.

Crowley, a 48-year-old former Yale football star, has been held without charges for 19 days on suspicion of fatally injuring Jones, 45, in their Imperial Hotel suite.

Jones was the son of the late Yale football coach Tad Jones. Jones died May 8 in the hotel suite he shared with Crowley and Maryland accountant Frederick Kinsinger. His body was bruised, his lip was split and one eye was blackened. An autopsy showed he died of a cerebral hemorrhage caused by an outside force.

The procurator's office ordered Crowley held on May 21 on suspicion of inflicting the fatal injuries. Only Saturday the procurator asked that he be held two more days, so they could complete their investigation.

Kinsinger himself was under suspicion briefly but Furukawa said he had been cleared of all suspicions and was free to leave Japan at any time he wanted.

One of Crowley's attorneys retained in London, England.

Reds Using Sputnik To Spy On US?

WASHINGTON (UPI)—The Pentagon's chief space scientist has conceded that the Russians may be using their giant Sputnik III to spy on the United States. But he added "My guess is they aren't."

Dr. Herbert York, science chief of the Defense Department's Advanced Research Projects Agency, said Sunday he knows of "no reason to believe" the Russians are using their 1½-ton satellite for reconnaissance.

Interviewed on a television program (CBS' "Face the Nation"), York said it would take from 12 to 18 months for the United States to get that big a satellite into orbit.

He said American experts "out-smarted" themselves when they stressed atomic weapons and strategic airpower after World War II while the Russians concentrated on rockets.

But he said "we have caught up... and at the present time we are moving somewhat faster" if all parts of the space and missile program are considered.

York emphasized, however, that the Soviets still have a lead on "booster" rockets capable of orbiting a satellite as big as Sputnik III.

Pope Pius Calls First Consistory In Four Years
VATICAN CITY (UPI)—Cardinals of the Roman Catholic Church gathered today for the first consistory called by Pope Pius XII in more than four years.

A secret consistory and a public consistory 45 minutes later were held to debate the merits of two candidates for sainthood in the Church.

The last consistory called by the Pontiff was in May 20, 1954, when cardinals and bishops approved canonization of Pope Pius X.

Industry Will Invest Less In New Plants

WASHINGTON (UPI)—Government figures showed today that industry plans to invest less in new plants and equipment this year than was previously estimated.

These investments are an important factor in assessing the state of the nation's economic health. The fact that their curtailment is expected to be sharper than thought earlier tends to darken the recession picture somewhat.

The new statistics show, however, that while the decline in such investments probably will continue throughout this year, the rate of the downturn will slow and that the sharpest phase is out of the way.

Statistically, here is the picture:

A joint survey by the Commerce Department and the Securities and Exchange Commission conducted in late April and May showed the annual rate of investment in new plants and equipment was expected to be about 31 billion dollars.

This was four per cent under the rate estimated three months ago; 17 per cent below the all-time record outlay of \$36,962,000, in 1957.

House Approves Works Bill

WASHINGTON (UPI)—The House Appropriations Committee today approved a \$1,074,067,200 public works appropriations bill peppered with extra projects not requested by President Eisenhower.

The bill, as it emerged from the committee, carried \$1,974,000 less than the President asked for in his 1959 budget despite the 43 extra planning and construction projects.

But the committee made the bulk of its savings by slashing \$20,400,000 from the new federal loan program for construction of small irrigation projects. The President requested \$25,200,000 for this. The committee allowed but \$4,800,000, saying only one project, in Cameron County, Tex., has met complete requirements.

The committee said in adding more than 15 million dollars in extra projects that they "would have been constructed sooner or later."

"By starting them early it is entirely possible that their ultimate cost will be less," it said.

However, the committee also pointed out that the addition of the extra projects means "a higher level of appropriations will be necessary in the future."

The committee, in a report to the House, hit the Army Engineers Corps for "whipping up local enthusiasm for projects which, from the standpoint of local contribution and other aspects, should never be recommended favorably to the Congress." It said some corps personnel have been exercising "evident super-salesmanship."

The committee approved \$577,035,500 for general rivers, harbors and flood control projects by Army Engineers. That is a net increase of \$12,415,500 over the President's budget. It okayed a separate item of \$67,250,000—\$250,000 more than Eisenhower asked—for flood control on the Mississippi River and its tributaries.

Other appropriations in the bill included: \$138,988,141 for Reclamation Bureau projects, a \$1,023,859 cut from the President's budget; \$66,173,585 for the Upper Colorado River Basin Fund, \$1,301,415 less than Eisenhower asked; \$30,104,000 for the Bonneville Power Administration, a cut of \$68,000; \$735,000 for the Southeastern Power Administration, \$975,000 for the southwestern Power Administration and \$16,850,000 in payments to the Tennessee Valley Authority Fund.

The last three items were unchanged from the President's budget request.

Reds Hold 'Copter Crew; Talks Start

BERLIN (UPI)—U.S. officials negotiated today with seemingly uninterested Soviet authorities for return of nine Americans captured when their helicopter was forced down in East Germany.

Continued Soviet silence caused some fear the Russians might try to blackmail the U.S. into negotiating with the East Germans, thereby giving the puppet regime de facto recognition.

At mid-morning today a U.S. Army spokesman said "no real progress" had been made toward winning release of the Americans.

An Army announcement said the U.S. military mission at Potsdam, in East Germany, had been instructed to negotiate with the Soviet occupation officials for release of the men. The State Department also contacted Soviet officials.

American officials in Berlin said Sunday night that as yet no Soviet answer of any kind had been made to the request that the prisoners and the helicopter be released.

The U.S. does not recognize the East German government. As one of the four occupation powers, it has agreements with the Soviets covering such incidents.

The Russians have returned to U.S. hands at least three American aircraft and their crews which wandered over the frontier since the Soviets granted East Germany sovereignty two years ago.

In an apparent attempt to open negotiations for the release of the prisoners, the East German government sent a protest note to the U.S. State Department de-

Russian Diplomat To Leave US In Face Of Accusation

WASHINGTON (UPI)—A Russian diplomat today prepared to leave the United States after being accused of trying to buy "classified" military publications from a young American freelance writer.

The American, 25-year-old Charles Beaumont, Arlington, Va., planned to take his wife and two children away for a couple of days to find "Peace of Mind."

The Justice Department said it was making no charges against Beaumont, who cooperated in an FBI investigation of the matter.

The U.S. government on Saturday ordered Nicolai I. Kurochkin, third secretary of the Soviet embassy, expelled on grounds he tried unsuccessfully to get Beaumont to provide him with classified Army training manuals.

Russian Ambassador Mikhail Menshikov said Sunday Kurochkin had denied the charges and "I have no reason not to believe him."

Interviewed on a television program (NBC's "Meet The Press"), the ambassador declared Russia has a "state prohibition" against its diplomats or other citizens engaging in any "improper contacts" abroad.

However, other Soviet sources said Kurochkin would depart for Moscow within a few days. He would be the 10th Soviet diplomat expelled from this country in the past two years.

Suzy Parker's Husband Flies To Bedside

ST. AUGUSTINE, Fla. (UPI)—Film star Suzy Parker, both arms broken in a car-train crash that killed her father, today awaited the arrival of a husband even her Hollywood bosses knew nothing about.

The tragic accident Saturday afternoon brought to light a 1955 "secret" marriage between the auburn-haired actress and a freelance writer from New York, Pierre de Sale. Apparently their marriage was kept quiet because of the fast rising young star's movie career.

Both of Miss Parker's arms were fractured and her father, George Lofton Parker, 63, was killed when their station wagon collided with a Florida East Coast Line freight train about six miles southwest of here.

Dr. Vernon Lockwood said the model was in "extreme pain" for a while, but was put under mild sedatives and now is in satisfactory condition. She was not disfigured and her face was not marked.

Reports from New York said De Sale was flying to his wife's bedside.

Twentieth Century Fox officials said Miss Parker has no current film commitments which will be delayed because of her injuries. She is now appearing with Gary Cooper in "Ten North Frederick."

Not Guilty Plea Entered Here

Henry Thomas Brewer, 517 Ash, entered a plea of not guilty this morning to charges of driving while intoxicated. Brewer's bond was set at \$500.

He was arrested Saturday night outside of the Russell Street apartments where his car had rammed into the side of the building. The building was owned by Steve Donnos and damage to it was estimated at \$1,000. Brewer's car was a total loss.

Drownings Claim 10 Over Week End

By United Press International
At least 10 persons were swept to their deaths Sunday in swift, turbulent, Texas lakes and rivers.

A treacherous Colorado River current claimed the lives of a husband, wife and a 13-year-old girl while they were picnicking on the river bank south of Wharton.

The bodies of Ephraim Ladaniz, 18, and his 14-year-old bride Guadalupe, and of Betty Longoria, 13, were found less than 100 yards from the spot where the couple tried to rescue Betty. She stepped into a hole and disappeared. The victims were from Wharton.

West After Clothing
The Guadalupe River snuffed out the lives of two San Antonio brothers, and almost claimed the life of a 14-year-old girl who tried to rescue them.

Officers said Henry Molina, 20, jumped into the river to recover some clothing. When he failed to re-surface his 16-year-old brother Raymond leaped in after him.

Raymond ran into trouble as soon as he entered the water. The girl, Mary Gloria, also of San Antonio, went into the water and struggled to save one of the brothers. She barely managed to get back out of the water.

A Sunday fishing trip ended in tragedy for an Abilene father and son when their boat sank.

Bodies Recovered
Jean Howard and his 7-year-old son, Scott Howard, were fishing on a lake near Baird, 21 miles east of Abilene. A man who had been fishing with them said he heard Howard yell then saw their boat go under water.

Their bodies were recovered about 7 p.m. Sunday by Civil De-

Tomas Takes Election In Portugal

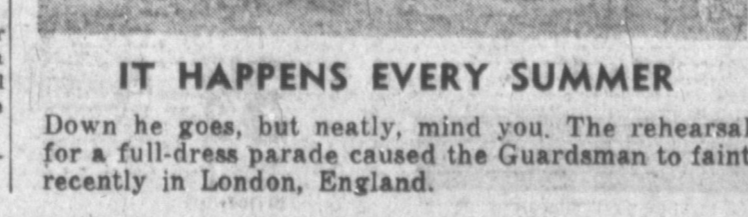

LISBON (UPI)—Rear Adm. Americo Tomas, candidate of Premier Antonio Salazar's ruling National Union Party, was elected to a seven year term as president Sunday in the hardest fought political campaign in 30 years.

Returns today from 142 of the 303 voting areas in Portugal gave Tomas 207,830 votes—81 per cent of those cast—over Independent Humberto Delgado who ran on an anti-Salazar ticket in protest against the 30-year-old Salazar regime.

The election campaign was marked by several blood clashes between Delgado supporters and police and resulted in serious injuries on both sides.

Tomas succeeds President Gen. Craveiro Lopes. He campaigned on a platform that his election was necessary to ensure continuity to Salazar's work of national reconstruction.

If it comes from a hardware store we have it. Lewis Hardware.

Down he goes, but neatly, mind you. The rehearsal for a full-dress parade caused the Guardsman to faint recently in London, England.

Capt. E. L. Beeding Jr., of Sherman, wearing no protective equipment, is shown as he withstood 83 G's on a rocket sled at Holloman Air Force Base, Alamogordo, N. M. Eighty-three G's amounts to a force 83 times body weight or the pull of gravity. In this case, 83 G's equals 11,620 pounds. (NEA Telephoto)

Kinard To Meet At College

At Texas A&M next week, Pampa School Superintendent Knox Kinard will hear speeches on vital phases of public school administration. The occasion is the Texas School Administration Conference. L. P. Sturgeon of the Texas State Teachers Association will make the starting address Monday, "Progress Report on the Hale-Aikin Committee Study."

Monday's General Assembly meeting will feature "Can America Have Quality and Quality Education?" with Martin Essex as speaker. Essex is superintendent of the Akron (O.) Public Schools and president elect of the American Association of Public School Administrators, Akron.

The main features Tuesday will be addresses by Essex and by George Blasingame, chief consultant of the Division of School Accreditation, Texas Education Agency, Austin. Blasingame's topic will be "The Southern Association Program in Elementary Education."

The School Administration Conference will close Tuesday with Fun Night in the Memorial Student Center Ballroom.

Rick Pezdirtz purely paydirt

Once upon a time, as the books tell it, there was a wandering actor who fancied himself a tunesmith of immodest proportions.

John Howard Payne was his title and one Paris day he sat himself down to his zither and ripped off a sprightly opera named Maid of Milan.

The musical had a somewhat shorter run than Guys and Dolls, but it did include one gentle bit of lingering philosophy: the old place may be humble as all git out, but there just ain't no place like home.

Home, sweet home, J. Howard warbled wety mid pleasures and palaces and all that jazz.

A century and a half later, come mid-August, and 48 strident young voices shall swell in a non-supporting chorus against Citizen Payne's warty homestead bit.

Now we haven't made an exhausting study of it, because such a study would be exhausting, but it seems like a fairly strong pattern is mimicked every fall by the high school graduates, who have a full summer of freedom under their belts and some of the green in their back-pockets.

Panhandle Grid Classic

You give a kid some freedom and he immediately begins whistling for more. He wants to get away from it all, pack his duds and scam to another city, be it for educational purposes, job-hunting, or simply as a knight of the open road, seeking a fortune.

And meanwhile back in Peyton Place, there's a group of railbirds who sit wondering how Mike Muscles, of last fall's football team, could do now that he's put on 15 more pounds of solid.

Some of those questions will be answered at the tail end of this summer with the Sunday announcement from Amarillo's Price College, of a new grid concoction which'll have to be headed under the high-school all-star game department.

Originated has been the Panhandle Grid Classic, an about-face item, which will match area AAAA and AAA school's great grid grads of one summer against counterparts from AA, A, and B schools.

Red-mark the night of August 23 on your Marilyn Monroe calendar first chance you find, for that's the night the first such Panhandle Grid Classic will be presented to the public at Price College Field.

It'll be the "City Slickers" vs. the "Sod Busters" come kickoff time for the starry show.

They'll be 48 players, 24 on each team, Price College coach, Frank Hodnik has revealed. Hodnik will coach the Sod Busters. A City Slicker coach will be named in the near future.

City Slickers vs. Sod Busters

A super selection committee will announce its pick of players for the tilt. Top area athletes from last football season are now being given a scrutinizing once-over.

City Slicker players will be chosen from the following high schools, Pampa, Amarillo, Palo Duro, Borger, Plainview, Lubbock, Phillips, Dumas, Monterey, Hereford, Littlefield and Leveland.

The Sod Busters will be picked up from high schools like Canyon, Dalhart, Dimmitt, Muleshoe, Ollon, Tulla, Floydada, Lockney, Childress, Perryton, Quanah.

Panhandle, Stinnett, Sunray, White Deer, Canadian, Clarendon, Lefors, McLean, Memphis, Farwell, Friona, Springlake, Claude, Darrrouzett, Foltlett, Groom, Spearman, Texline, Vega, Estelina, Lakeview, Quitaque, Silverton, Wheeler, Amherst, Bovina, Happy, Hart, Kress, Lazbuddie, Witharal and Price College.

Other dope: They'll be no reserved seats. Extra bleachers will be added at Price Field. Tickets will go for \$1.50 apiece. An early sellout is anticipated as we'll pass on information as to when and where ducats will be placed on sale here.

MORROW SETS SIGHTS ON 1960 OLYMPICS

By DON SMITH United Press International

HOUSTON (UPI)— Bobby Morrow, who brought home three gold medals from the 1956 Olympics, today had his eye on the 1960 games.

Morrow, after turning in his best performance of the year Saturday night in the University of Houston's third annual Meet of Champions, said he was pointing for the 1960 Olympics.

He said he didn't want to make a proposed trip this summer to Russia with a group of United States track stars.

"I just don't want to go to Russia," Morrow said. "From here on out I'm going to be pointing squarely for the next Olympic Games."

Morrow, running in his last meet for Abilene Christian College, did the 100-yard dash in 9.4, the 220 in 20.4 and then anchored the ACC spring relay team to a 40.1 clocking. All three were meet records.

Don Stewart of Southern Methodist turned in the best showing of his 1958 season with a 6 foot, 10 1/2 inch high jump, only 2 inches below the world record. After setting the meet record with his leap, he failed in three attempts at the record.

Gail Hodgson of South Africa, Oklahoma University's distance runner, ran the best mile of his life at 4:05.4 before the crowd of about 10,000. Hodgson trailed the pack in the first lap, moved to the middle through the second and took over second place at the third lap. He grabbed the lead rounding the final turn and won going away.

Glenn Davis of Ohio State, who withdrew from his hurdling specialties to take a crack at the world record for the 440-yard dash, was disappointed with a 46.8, 1-10th of a second short of the meet record.

BOBBY MORROW ... nixes Russia trip

Ole Arch After King's Hide Tonight

SACRAMENTO, Calif. (UPI)— Archie Moore, champion of the heavyweights, will be trying to establish a new knockout punch tonight when he slips into the ring against Howard King in a non-title, 10-round fight.

This will be the fourth fight between Moore and King. Though Archie knocked King to the canvas six times in the previous battles, the Reno, Nev., slugger always went the distance.

Braves Know 'Lost Weekend'

DODGERS SWEEP SERIES, TRIBE TOPS YANKS IN 2

By FRED DOWN United Press International

Those stories of the Los Angeles Dodgers' collapse were just a bit premature as far as the Milwaukee Braves are concerned.

And, you'll have to excuse the Cleveland Indians for laughing up their sleeves at reports of the New York Yankees' invincibility. The Dodgers made it a "lost weekend" for the Braves Sunday when they swept their three-game series with a 12-4 rout that extended the world champions' losing streak to four games. The Braves never lost more than three straight games en route to the NL pennant last season and their pitching staff has been thoroughly chewed up during the last week.

The Indians, meanwhile, spoiled matters for New York's largest

baseball turnout of the year, 40,903, when they whipped the American League leaders, 14-1 and 5-4. The first-game loss was the most humiliating of the year for the mighty Yankees and the double defeat was the second in 10 days.

A crowd of 57,122 at Los Angeles saw the Dodgers rack up four Milwaukee pitchers for 19 hits, including four each by Carl Furillo and Don Zimmer. Johnny Podres was tagged for 11 hits but went the distance for his fifth in a row at the Coliseum and his sixth win of the season.

Indians Get 18 Hits The Indians buried the Yankees under an 18-hit attack in the opener and won the second game on Russ Nixon's sixth-inning homer. Both defeats were charged to Johnny Kucks, who started the first game and relieved in the second.

Moe Drabowsky pitched a one-hitter to give the Chicago Cubs a 4-0 victory over the Pittsburgh Pirates, Don Hoak's three runs batted in lifted the Cincinnati Redlegs to a 6-3 decision over the faltering but still first-place San Francisco Giants and the Philadelphia Phillies beat the St. Louis Cardinals 6-4 in 11 innings after losing, 6-5, in 10 in other NL games.

In the other AL activity, the Boston Red Sox swept the Chicago White Sox, 6-5 in 10 innings and 4-1, the Washington Senators shaded the Detroit Tigers, 4-3, and the Kansas City Athletics beat the Baltimore Orioles, winning, 2-1, after a 4-0 defeat.

Klu Spoiled No-Hitter Drabowsky, 22, missed a no-hitter when ponderous Ted Kluszewski beat out a slow grounder toward second base in the second inning. Bobby Adams, playing deep for Klu, fielded the ball but could not make a good throw.

Ernie Banks and Walt Moryn paced the Cubs with homers. The Red Sox were out-hit, 5-9, but won the opener on four homers — two by Jackie Jensen and one each by Don Buddin and Dick Gernert. Dave Sisler won the second game with a six-hitter behind homers by Jimmy Piersall and Gene Stephens. The Red Sox five-game winning streak is their longest of the year.

Pedro Ramos, aided by Dick Hyde's flawless ninth-inning relief pitching, won his fourth game as the Senators' eight-hit attack offset Detroit homers by Gus Zernial, Frank Bollinger and Billy Martin. Zernial's pinch homer tied the major league record of nine by a player during a career.

Virgil Trucks rescued Duke Maas to gain a split for the Athletics after Baltimore's Skinny Brown and George Zvernick collaborated in a seven-hit shutout. Ned Garver suffered his second defeat in the opener.

Standings

Table with columns: American League, W, L, Pct., GB. Lists teams like New York, Kansas City, Boston, Cleveland, Washington, Baltimore, Chicago, Detroit.

Sunday's Results

Table with columns: Boston @ Chicago 5 (1st, 10 inn.), Boston @ Chicago 1 (2nd), Cleveland @ New York 1 (1st), Cleveland @ New York 4 (2nd), Baltimore @ Kansas City 0 (1st), Kansas City @ Baltimore 1 (2nd), Washington @ Detroit 3.

Monday's Schedule

Table with columns: Dallas @ Austin, Tulsa @ Fort Worth, Victoria @ Houston, San Antonio @ Corpus Christi.

Homers Fly As Cats Up Lead

Texas League batsmen blasted 10 homers good for 20 runs in Sunday night games that saw Fort Worth use the long hit twice to edge Tulsa 5-4 and lengthen the Cats' slim league lead.

Houston rose from seventh to sixth place on the strength of its 12-6 victory over Victoria with two Houston homers accounting for six of their big runs.

Austin split a doubleheader with Dallas, 2-1 and 4-10, and Corpus Christi buried San Antonio 11-3 in their opening contest but the Padres came back to win the second game 9-8.

SAMMY SNEAD ... wants National title

SNEAD TAKES DALLAS OPEN

DALLAS, Tex. (UPI)—Samuel Jackson Sneed, who has waged a fruitless search since 1937 for the one big crown that has eluded him—the National Open—had a victory springboard today to carry him into the 1968 edition starting at Tulsa's Southern Hills Thursday.

The 46-year-old West Virginia hillbilly who came down into the Midlands in 1936 and had been a headliner ever since with his picture swing and winning golf, successfully defending his Dallas

MATCHES BEGIN TUESDAY

Qualifying Field Soars Near 100 For Pampa CC Meet

By RICK PEZDIRTZ News Sports Editor

Hart Warren was a surprised man Monday morning. And happy too.

Running a driver-caloused index finger down the list of entries for the annual Pampa Country Club Golf Tournament which kicks off Tuesday, Warren arched his eyebrows, and with a low whistle, gleefully spoke, "You could have fooled me. Looks like we'll be over the 100-entry mark again this year. I only figured on about 80 or maybe less to post qualifying scores."

Actually the entry list for the local club tourney stood at 99 Monday morning, following a last day of qualifying Sunday. However, Warren points out four or five more names are expected to be added to the list, swelling it over

the century point. Fairings in the massive meet were put off a day because of the unexpected large field to enter. Warren was busy Monday morning and afternoon working on first round pairings in a 10 or 11 flight setup.

"We'll have to hold a drawing sometime Monday to square away our Championship Flight," Warren conceded, adding, "It may mean we'll stick 16 golfers in the First Flight as well as the Championship bracket."

All other flights are expected to have eight golfers competing for merchandise certificates and trophies.

Medalist in Sunday's qualifying rounds was former Pampa High golfer and now of Odessa Junior College, Les Howard. His drives, sticking to the middle of the fairway and his puts dropping home, Howard blistered the local links with a sweet 67, four under par. He fired a 33 on the front nine and carded a 34 on the back tour. Dr. Foster Elder was runner-up medalist with a 69 on rounds of 36-33, while another ex-Harvester swinger and now of Baylor, Don Prigmore, posted a 35-35 for a 70.

Howard, Elder and Prigmore were the only three to crack par 71 for the course.

Other low qualifiers included Grover Heiskell with a 73; four with 75's including last year's runner-up, Max Hickey, Harry Wilbur, Mickey Prigmore, and R. M. Samples. Shooting 76's were R. D. Dunham, A. L. Leonard and Tommy Cox while carding 77's were Jim Deaton, C. F. McGinnis, Jack Foster, Tommy Adkins and Henry Rose.

First round match play must be completed by June 21. Finals in the club tourney are slated for June 29.

Curry Returns For Crack At Tokyo

A T-N-T package in the person of Tokyo Joe faces an angered Bull Curry at the Top o' Texas Sportman Club here tonight in a stiff grudge fight-to-a-finish main event wrestling match.

Curry parted the Jap's hair with a set of brass-knucks here two weeks ago and then didn't show up for last week's scheduled return battle when he was called East to the bedside of his sick wife.

In the semi-final match Iron Mike DeBaise tackles Cyclone Anaya in a best 2-of-3 fall event with a 45-minute time limit.

Bob Elliott and Don Curtis bump heads in the 6:30 p.m. opener. Their one-fall 30-minute match promises to be a rugged affair from the opening bell.

LES HOWARD ... medalist with 67

Wright Wins Ladies PGA

PITTSBURGH (UPI)— Mickey Wright has one brother who is an airline pilot and another who works in an aircraft plant, but she was flying higher than both of them today after winning the Ladies PGA championship.

"I'm all keyed up. It's the greatest thrill I've had in golf," she beamed. "I'm plenty tired—have been for the last two days—but I doubt I'll be able to sleep for awhile." Mickey won the tournament with a 288.

The long ball driving blonde from San Diego, Calif., shot a not-too-impressive 74 — four over par — at hilly Churchill Valley country club Sunday in the final round to beat an early rain and 26 fellow lady pros by six strokes.

Both Fay Crocker of Montevideo, Uruguay, and Beverly Hanson, of Apple Valley, Calif., trailed by four strokes going into the final round.

Miss Crocker finished with a six-over-par 76 to take "second place-money with a 294 total, but it was a different story for Miss Hanson. She blew sky high in a "hard luck" round which saw her soar to a 13-over 83.

BY PROS Cary Dubbed Favorite For U. S. Open

TULSA Okla. (UPI)—Those who know the game the best, the playing pros, singled out Cary Middlecoff as the favorite and Frank Stranahan and Mike Souchak as the leading dark-horses today for the U.S. open golf championship.

Their evaluation of the three-day, 72-hole medal play tournament which starts Thursday over the Southern Hills country club course differed from that of the golfers who competed at the Dallas Open, which Sam Sneed won Sunday for the second year in a row.

At Dallas the Open choice was Ben Hogan, shooting for an unprecedented fifth Open title, with Sneed and Bill Maxwell as the second choices. And the way Hogan played nine holes in practice Sunday, winding up with a two under par 33 on the front nine despite three-putting the ninth hole, would seem to bear them out.

Some Disagree But the pros who have been testing the tough rough, the treacherous sandtraps and the narrow fairways of the 6,907-yard Southern Hills course didn't agree.

"It's going to take a real strong golfer to win this one, especially with the searing heat which prevails here, and I don't think Ben will be up to those two 18-hole rounds on Saturday," Ed Furgol said. Furgol won the Open in 1954. "Personally, I like Middlecoff."

Middlecoff, who won the Open twice, in 1949 and 1956, and who lost to defending champion Dick Mayer in a playoff last year, has planned for this one. He limited his tournament play so that he would be well rested, playing just enough to keep a competitive edge.

Sneed Has Many Rooters As for Sneed, most of the pro golfers would like to see him win. For time is running out on Slammin' Sam, who has won more tournaments and more money than any golfer in history, but who never has been able to capture the Open. Sneed is 46.

Out Of The Past

Whatever Happened To... Bevo Francis

Bevo Francis and little Rio Grande, Ohio, college were the basketball sensations of the nation for two seasons during which the remarkable Bevo set even more remarkable scoring records. In the second college game of his career he rang up 116 points.

During the 1952-53 season, he averaged 50.1 points and averaged 46.5 per game the following season. His 1952-53 mark of 1,254 points was hailed as a new NCAA record but it was rejected when the NCAA pointed out his spurluges were made mostly against junior colleges, vocational schools and service teams. After his sophomore season, Bevo and his coach, Newt Oliver, formed a pro unit to travel as a sideshow with the Harlem Globe-Trotters. The unit later disbanded.

Whatever happened to Bevo Francis? Now 25, Bevo lives with his wife and two children in the hamlet of Highlandtown, Ohio, and works at the nearby Wellsville, Ohio, China Company.

DeCola Favored To Bop Schmidt NEW YORK (UPI)— Welterweight Tony DeCola of Brooklyn is a slight favorite at 6-5 to beat Peter Schmidt of New York tonight in their (Dumont) TV 10-rounder at Nicholas Arena.

Bartender Schmidt, 24, held popular Eddie Lynch to a surprise draw in his last start, May 12, at St. Nick's.

Commission To Meet Frida
The Pampa City Commissioners will not hold their regular Tuesday meeting tomorrow, according to John Koonz, city manager.
The Commissioners had planned to take bids on the City paving project but bids are being made on state projects in Austin tomorrow and the commission felt that it would interfere with the bids here.
The meeting will be held Friday.

Mrs. George F. Moore returned from Oklahoma last Tuesday where she attended the funeral of her mother, Mrs. Francis Reynolds. Mrs. Reynolds was 99 years, 8 months and 15 days old. Survivors were four sons, C. O. Reynolds of the home, C. R. of Santa Rosa, Calif., Fred of Mansfield, Mo., and John of Fritch; and two daughters, Mrs. Moore of 329 N. Wells, and Mrs. Ives Griffith of Bixby, Okla.
Charles Howard Vest, Pampa, received his degree Friday from the University of Colorado, Boulder. His was a Bachelor of Science degree in physical education.
Marine Fie, Daniel E. Crockett took part in a regimental battalion landing exercise held recently by the First Marine Division's 5th Regiment, May 15-19 at Camp Pendleton, Calif. Members of the Regiment's First Battalion acted as friendly troops who tried to capture an atomic and bacteriological center being held by enemy forces from the 2nd Battalion. Crockett is the son of Mr. and Mrs. Emory Crockett, McLean.
Norman Burgess, a student at Hardin Simmons University, has assumed duties as music and youth director for the summer at the Canadian First Baptist Church. Burgess, whose home is in Carlsbad, N.M., has been working as music and youth director at Belmont Baptist Church in Abilene, while attending college there. He will return to Hardin-Simmons in September.
Six Owens is now specializing in his chicken pot pies, choice prime rib of beef au-jus, home made pies, 606 E. Frederic, Grainger Cafe.
Ken Carpenter, Amarillo, a student at Trinity University in San Antonio, has assumed summer duties with the Canadian First Presbyterian Church. He will assist with Vacation Bible School and will be active in young people's work besides filling the pulpit.

while the regular pastor, Rev. Burr Morris is on vacation.
Morris D. Hollis, White Deer, graduated from Recruit Training June 3 at the Naval Training center, San Diego, Calif. His parents are Mr. and Mrs. V. I. Hollis, White Deer.

CANDIDATE JIM -- Former Postmaster General James A. (Jim) Farley has tossed his hat in the ring for the Democratic nomination to the U.S. Senate from New York. Farley, who recently celebrated his 70th birthday, served as campaign manager for the late Franklin D. Roosevelt. He split with Roosevelt over the "third-term" issue in 1940.

"Notice how the age lines disappear?"

House Okays Bill On Extended Pay

WASHINGTON (UPI) -- The House approved today an emergency appropriation of \$665,700,000 to finance extended jobless pay benefits.
The federal funds would be loaned to states to extend the period of payments to unemployed workers whose eligibility for benefits has expired.
The extended payments, recently authorized by Congress as an anti-recession measure, are optional with each state. It is not yet known how many states will participate.
The House acted by voice vote, sending the money measure to the Senate, after about 10 minutes of debate. The appropriation had been recommended only a short time before by the Appropriations Committee.
The committee, in a report to the House, said it was recommending the full sum estimated by the administration as required for the program despite indications not all the money would be needed.
"The committee wishes to interpose no possible blocks in the way of putting into effect fully and expeditiously this program of assistance in the current serious unemployment situation," the appropriations group told the House.

Approval Of Tariff-Cutting Bill Seen

WASHINGTON (UPI) -- Democratic and Republican leaders predicted today that the House will approve President Eisenhower's controversial tariff-cutting program.
The separate forecasts came from Speaker Sam Rayburn and GOP Leader Joseph W. Martin Jr. as the House opened two days of debate on the President's foreign trade bill. A vote is expected Wednesday.
Rayburn forecast rejection of a substitute offered by protectionists and passage of the President's bill after "a fight." Martin predicted the President's proposal would be approved "by a comfortable margin."
The President's bill would extend the trade program for an unprecedented five years and grant the chief executive power to cut tariff duties 25 per cent from present levels.
A powerful bloc of protective tariff advocates, whose ranks have grown as a result of the business slump, were ready to try to defeat the measure.

This Week In Texas

Monday
Texas Chamber of Commerce managers convention in Brownsville.
State Democratic Executive Committee meets in Austin to certify candidates for July primary.
Tuesday
Bid-taking on \$2 million dollars worth of highway work opens in Austin.
Agriculture Commissioner John White will open hearing in Austin on feasibility of six-county quarantine on fire ant.
Alvin Charles Blankenship of Houston scheduled for execution after midnight at Huntsville.
Thursday
Theodore Thompson of Dallas scheduled for execution after midnight at Huntsville.
Friday
Texas Press Association meets in Dallas.
Citizens committee on revision of state constitution meets in Austin.

Deadly Feud Brings Curfew To Cyprus

NICOSIA (UPI)--The British slapped curfews on most of Cyprus today to halt a new outbreak of deadly feuding between Greek and Turkish Cypriots.
Four Greek Cypriots were killed in rioting touched off by the bombing Saturday night of the Turkish consulate's information office in Nicosia. Several persons were wounded, including two members of the British security forces.
The bomb injured no one and caused little damage. The bomb thrower escaped but the Turks, certain he was a Greek, immediately began attacking Greeks in the consulate area.
Trouble quickly spread throughout the island. By early today the British had placed every large town on the island, except Limassol, under curfew. Barbed wire barricades separated the Greek and Turkish communities in Famagusta and Nicosia. At dawn the only persons on the streets were stungun-carrying British troops.
Governor Sir Hugh Foot personally toured the Greek sector of Nicosia Sunday night, where two city blocks were burned.
Foot summoned Turkish Cypriot leaders and told them the curfew would remain in effect until further notice.

Musicians 'Cleared' In Moscow

MOSCOW (UPI)--The Central Committee of the Communist party cleared three of Russia's top composers Sunday of Stalinist charges that they were guilty of letting Western influence creep into their music.
The composers were Aram Khataturian, Dmitri Shostakovich and the late Sergei Prokofiev. They were denounced in 1948 for the "formalistic perversions and anti-democratic tendencies" in their compositions.
The Central Committee in wiping out the charges against the musicians accused Georgi Malenkov, Vyacheslav M. Molotov and the late Lavrenti Beria of exercising an "extremely negative influence" on Stalin by hanning several of their compositions.
This was the first time since Molotov's ouster from the party Presidium last June that the one-time premier and foreign minister had been under the big guns of Soviet criticism.
Former Premier Malenkov, banished at the same time, and Beria, executed in 1953, have been accused of engineering the 1949 Leningrad case in which several Communist party leaders were executed on false evidence.

Obituaries

By United Press International
CARACAS, Venezuela -- Mario Briceno-Iragorry, 60, writer, lawyer, historian and political figure, died Friday. He was a former member of Congress and had served as Venezuelan consul-general at New Orleans from 1923 to 1925. He returned from political exile in January.
MEXICO CITY -- Anonio Guzman Aguilera, 64, song writer, poet and author of movie scripts, died Thursday. His best-known song was "Alla En el Rancho Grande," which became almost as popular in the United States as in Mexico.
NEW YORK -- The Rev. John F. O'Connor, 45, who won the Silver Star for bravery as a chaplain in Europe during World War II, died Thursday after a long illness. He was attached to the Roman Catholic Church of our Lady Queen of Martyrs.

Girls Riding Club Holds Meeting

A business meeting of the Top of Texas Girls Riding Club was held Saturday in the Chamber of Commerce Conference Room.
President Jean Hopkins called the meeting to order. The group decided to go to Canadian, July 4. The girls plan to put on a drill team formation riding at Canadian. They plan also to be in the grand entry and ride in the parade.
The group discussed costumes and the annual dues. A practice session was planned for tonight at six at the Rodeo Grounds. Meeting was adjourned by Jean Hopkins.
Those attending the meeting were Mary Alice Coombers, Linda Arsy, Jerrine Hoyt, Zip Hall, Jean Hopkins, Virginia Worrell, Grazia Lewis, Camilla Wolford, Bobbie Lee Andis, Linda Kay Andis, and Mrs. Siler Hopkins.

Asthma Formula Prescribed
Most By Doctors--Available
Now Without Prescription
Stops Attacks in Minutes... Relief Lasts for Hours!
New York, N. Y. (UPI)--The asthma formula prescribed more than any other by doctors for their private patients is now available to asthma sufferers without prescription.
Medical tests proved this formula stops asthma attacks in minutes and gives hours of freedom from recurrence of painful asthma spasms.
This formula is so effective that it is the physicians' leading asthma prescription--so safe that now it can be sold--without prescriptions--in tiny tablets called Primatene.
Primatene opens bronchial tubes, loosens mucous congestion, relieves taut nervous tension. All this without taking painful injections.
The secret--Primatene combines 3 medicines (in full prescription strength) found most effective in combination for asthma distress. Each performs a special purpose. So look forward to sleep at night and freedom from asthma spasms... get Primatene, at any drugstore. Only 38¢--money-back-guarantee. © U.S. Patent Pending
