Secretary **Nixes Bombs** For Red China

By STEWART HENSLEY United Press International

WASHINGTON (UPI)-Defense-Secretary Neil H. McElroy said today he did not think it would be desirable for the United States to approve bombing of the Red Chinese mainland by Nationalist Chinese planes.

McElroy conferred with President Eisenhower on what the White House described as routine Defense Department business.

On leaving the President's office, McElroy was asked about a report that this country was "thinking of releasing the Air Force of Generalissimo Chiang Kai-shek to bomb the mainland." "I don't know that this is being contemplated," McElroy said. "It is something we would not wish for. Let's give the Warsaw

talks a chance to succeed." He referred to talks in the Polish capital on the Formosa crisis between U.S. and Red Chinese ambassadors.

Earlier, the White House declined comment on a report from Paris that the ambassadors had reached some form of agreement.

Two Critical Senators As for the general situation at Quemoy, McElroy said supplying of the Nationalist-held island was "moving along in an improved way with sea and air supply going along regularly."

LAST LOAD OF '58 PLYMOUTHS REACHES DEALERS; TO BE PART OF END-OF-MODEL CLEARANCE SALE

Late summer, traditionally the thriftiest time to buy a new car, is even better this year at Plymouth dealers all over the U.S. Prices are down to the year's absolute lowest, and, thanks to the continued demand for good used cars) trade-in prices on old cars are still at a peak. RESULT: deals are being made that mean today's buyer really gets a bargain.

He gets longer years of satisfaction, too -and eventually a higher trade. Plymouth's Silver Dart Styling has captured awards from every automotive critic, 'and will

Elder Wins In 25 Hole Match

A gruelling 25-hole match highlighted opening round games of the annual Pampa Country Club Golf Tournament, now in process here. Foster Elder, who trudged down the 18th fairway one stroke behind Bill Lemons in the eight-member Championship Flight, rallied to take the 18th hole, forcing Lemons into a sudden-death playoff.

The two golfers couldn't grab an edge over one another for six holes before Elder sank a beautiful putt for a par on the 25th hole to win, 1-up.

In another Championship Flight opening round chiller, Grover Heiskell rallied from behind to nip C. F. McGinnis, 1-up in 19. Heiskell was three down with only four holes remaining to be played before he got hot, tied it up on the 18th green and then came in with a birdie on the 19th hole to sew up the neat come-from behind victory.

Harry Wilbur, the Canadian banker who copped top honors in the Pampa City Wide tournament ten weeks ago, also blasted his way into the victor's circle by drubbing A. L. Leonard, 3-1, in his opening round match. Henry Rose took the easy way into the semi-finals, drawing a first round bye in the Championship Flight. Pampa Country Club pro, Hart Warren, said the 47-man field playing in the half dozen tourney flights will enable the meet to be completed in eight days.

Finals are on tap this Sunday, with golfers expected to clear away semi-final matches by not later than Saturday.

Flight winners and runners-up will be awarded trophies after the completion of the tournament Saturday.
