Supplies 'Chuted To Quemoy Again

By AL KAFF
United Press International

TAIPEI, Formosa (UPI)—Nationalist Chinese cargo planes parachuted supplies to Little Quemoy Island late today in the face of Communist anti-aircraft fire. It was the second airdrop to the offshore islands in 24 hours.

All the cargo planes escaped unscathed despite the Red fire, but Communist guns opened a heavy artillery bombardment on the island to keep troops there from picking up the supplies.

The air drop was clearly visible from Big Quemoy, news dispatches from that blockaded island said.

Otherwise, a U.S. and Nationalist Chinese-imposed news blackout remained in effect on the besieged Quemoy where a Communist blockade by artillery fire had effectively blocked any major resupply effort.

U.S. in Military Buildup
UPI correspondent William Miller, who is on assignment with the U.S. 7th Fleet in the Formosa Strait, reported from Makung in the Pescadore Islands that he saw Nationalist and Communist Chinese jets battling in the skies over Quemoy today. He reported no apparent losses.

"I saw the dogfight from a U.S. two-engine Martin seaplane patrolling 30 miles off the China coast," Miller said.

"We were flying at 1,000 feet and the (Soviet-built) MIGs circled over us at 40,000 feet but did not attack."

"I saw the jets fighting over blockaded Quemoy but saw none shot down."

The Nationalists announced earlier a new convoy was speeding toward the Quemoy in hopes of running the blockade but there was no word on whether it had managed to deliver the sorely needed supplies.

Four out of six convoys have been turned back and those which got through delivered only a meager amount of supplies.

At the same time there were reports in reliable quarters the United States had begun a major military buildup on Formosa with 1,000-mil-per-hour planes, guided missiles and giant cargo planes.

Deny Evacuation Plans
However, American officials denied there were any plans to evacuate the 6,000 American dependents from Formosa. They did suggest pregnant women, disabled dependents or those with personal problems should return home now. They were not ordered to do so.

The U. S. Taiwan Formosa Defense Command, highest American military headquarters on Formosa, and the Nationalist Defense Ministry issued a communique barring all newsmen from the Quemoy, Matsu and Pescadore islands for "reasons of military security."

The new restrictions also barred newsmen from accompanying sea convoys attempting to break through the Quemoy blockade.

There was speculation the military officials wanted to hide failures to resupply the Quemoy where the 47,000 civilians have been estimated to have three months supply of food. The other possibility was new military operations in the area to save the Quemoy.

New Planes Brought In
Coinciding with press restrictions were authoritative reports of new jet age weapons being deployed to Formosa by the United States in case the Quemoy hostilities explode into a bigger war.

F-104 Star fighters which fly at more than 1,000 miles per hour were moved here in secrecy to re-

Man Dies After Car Overturns

Mr. Jack Brown, 26, of Shamrock, died this morning from injuries received when his car overturned near Lela early yesterday. The accident was investigated by Highway Patrolmen R. C. Parker and Dave Croslin of McLean.

Mr. Brown was a pipeline worker with the R. H. Fulton Pipeline Company.

He was driving east on Highway 66 alone, according to the report, when he lost control of his car. The vehicle overturned, winding up in the westbound lane.

Taken to Shamrock General Hospital by Richerson Funeral Home ambulance, he died at 5 a.m. today. Funeral arrangements are pending the arrival of relatives from Alabama.

His wife, who was driving a car behind her husband, is receiving treatment in Shamrock Hospital for shock.

VFW Group Ends Local Convention

inforce F-86 Sabrejets and the superior F-100D Super Sabres.

Engineers were working under high speed priority to construct launching pads for ground-to-air missiles to defend Formosa's major cities and air bases against air attack.

Nine Teenage 'Teddy Boys' Sentenced

LONDON (UPI)—Nine teenage "Teddy Boys" each were sentenced to four years jail today for savage attacks on five colored men during what they called "a nigger-hunting expedition."

The sentences imposed in famed "Old Bailey" court were by far the most severe yet handed down in connection with the ugly race riots which erupted late last month in London's tough Notting Hill district.

The court was told that the attack by the nine Teddy Boys Aug. 24 sparked the bottle-throwing race riots which kept London in an uproar for nearly a week.

The court was also told that the nine youths, seven of them aged 17, one 18 and one 20, deliberately set out in the early hours of the morning on what they told police was a "nigger-hunting expedition."

They went by car to the Notting Hill district and attacked Negroes with "iron bars and other weapons." All of the victims were taken to hospital but have since recovered.

Justice Sir Cyril Salmon told the youths at this morning's Old Bailey trial.

"You nine men formed yourselves into a gang and set out on a cruel and vicious manhunt. You armed yourselves with iron bars and other weapons and your quarry was any man, provided there were not more than two of them together, whose skin happened to be a different color from your own."

Pampan Shot At Perryton

Buddy Rolan, 30, of Pampa, was shot in the abdomen Saturday outside a Perryton Cafe. Rolan was involved in a dispute with C. B. Cary, 54, of Perryton, over a \$170 debt.

The wounded man is recovering from two hours of surgery performed in Perryton Hospital. His condition is described as serious but not critical. Cary is in the Ochiltree County Jail, charged with assault with intent to kill. His bond has not been set.

Rolan is an employee of a Pampa casing company. Cary, a four and one-half year resident of Perryton, works on a local oil casing crew.

Cary gave Sheriff Ray Phagan this version of the shooting: Seeing Rolan outside Ray's Cafe on East Brillhart, he asked him to repay a loan of \$170. When Rolan came toward him, he shot him with a .22 calibre rifle. The shooting occurred at 12:05 p.m.

Fourth US A-Sub Is Launched

PORTSMOUTH, N.H. (UPI)—The shrill whistle of a bosun's pipe sends a Navy flag fluttering up a stubby mast here today as the nation's fourth atomic submarine, the Swordfish, is formally commissioned into the fleet.

On the bottom of the Pacific lies the sub for which she is named, blown apart by a Japanese mine off Okinawa on a cruise that began two days before Christmas, 1944.

"Different ships, different splices," said Retired Vice Admiral John L. McCrea of Boston using a seagoing term to compare the new and the old in a speech prepared for the ceremony.

Aboard, Cmdr. Shannon D. Cramer, Washington, D.C., and Kittery, Maine, told visitors the speed of his craft was "amazing."

He said it is powered by a water-cooled reactor like her sister craft, the polar-voyaging Skate.

Ashore, three women watched. Two were widows and the third the mother of men who died on the first swordfish.

WON'T FORCE INTEGRATION

Gov. Orval E. Faubus of Arkansas tells newsmen in Little Rock that he expected the Supreme Court to hand down an adverse decision in the Little Rock integration case "because the NAACP has gotten just about everything it has asked for from the Supreme Court."

Faubus added: "I will not force my people to integrate against their will." Today, four schools in Little Rock closed down on the governor's orders.

Four Little Rock Schools Closed

By BRYCE MILLER
United Press International

LITTLE ROCK, Ark. (UPI)—All four of Little Rock's high schools closed today on orders from Gov. Orval E. Faubus and the NAACP announced that it was leaving the problem of getting them reopened to the federal government.

Dauley said the police got delivery last week on \$400 worth of anti-riot equipment. Dauley said the consignment included billy clubs which spray tear gas, and .37 millimeter gas shells and gas masks.

U. S. Marshals Ready
Dauley said all but about a dozen policemen had been trained to use the disorder-quelling apparatus.

It was expected, however, no federal marshals or police would be needed today to put down violence with no students at the schools.

A force of 150 special deputy U.S. marshals continued their training program in the federal building here Sunday but newsmen were not allowed in the classes or permitted to talk to the trainees.

US, Red Chinese Start Peace Talks

By EDWARD SHIELDS
United Press International

WARSAW, Poland (UPI)—United States and Red Chinese ambassadors began vital talks on the Formosa crisis today.

The hope was to find a face-saving manner in which to silence the guns now blasting the peace of the Formosa Strait. But world capitals were frankly skeptical of any progress.

U.S. ambassador Jacob Beam and Communist Chinese ambassador Wang Ping-nan, accompanied only by small staffs, sat down today in the Myslowski Palace in Warsaw's Lazienki Park to see if they can find a formula for a cease fire.

It was the 74th meeting of the Sino-American representatives for Wang, but the first for Beam. The talks broke off in Geneva last December in a stalemate over Formosa.

Beam, lanky and strong-willed, sat down with Wang, who proved himself to be a stone wall of Chinese impassivity in talks with ambassador Llewellyn Thompson, the U.S. representative in the 73 previous sessions.

They meet against this background: renewed assertions today by Peiping that it intended to occupy Quemoy, Matsu and Formosa and a renewed artillery bombardment; open pessimism in Washington.

They meet against this background: renewed assertions today by Peiping that it intended to occupy Quemoy, Matsu and Formosa and a renewed artillery bombardment; open pessimism in Washington.

Sailor Elected Delegate

As an outcome of the community committee elections held recently in Gray County, Robert Sailor will represent Pampa in the County Agricultural Stabilization and Conservation Convention Sept. 24. The purpose of the Convention will be to elect a County committee for next year.

One delegate from each of the four participating communities in Gray County will take part in the election. Clyde N. Brown will represent McLean, Floyd E. McLaughlin, Laketon; and James O. McCracken, Grandview.

Three County committeemen and two alternate committeemen will be elected.

Gov. Orval E. Faubus of Arkansas tells newsmen in Little Rock that he expected the Supreme Court to hand down an adverse decision in the Little Rock integration case "because the NAACP has gotten just about everything it has asked for from the Supreme Court."

Faubus added: "I will not force my people to integrate against their will." Today, four schools in Little Rock closed down on the governor's orders.

At Least Fifteen Aboard Are Killed

BAYONNE, N.J. (UPI)—A commuter train plunged 50 feet into Newark Bay today and the Coast Guard reported at least 15 persons aboard had been killed.

Two locomotives and two passenger cars of the train fell into the bay, at least 35 feet deep.

One other passenger car dangled from the trestle and two others remained on the track, a spokesman for the Jersey Central Railroad said.

Coast Guard and police boats converged swiftly on the scene to attempt rescue. The Jersey City police said they had received an emergency call for skin divers and equipment.

Nine injured were rescued shortly after the accident and taken to Bayonne Hospital. One of them was subsequently died.

Edward McCarthy, who owns the Elio Marina boating dock in Bayonne, was at dockside when he saw steam gushing from the water beneath the bridge.

McCarthy immediately put out in a small boat. In three trips, he brought back three bodies and nine survivors.

Thomas Messina, a brewery truck driver also at the scene, said the first two passenger coaches appeared to be completely submerged.

Messina said an oil tanker had been approaching to cross under the bridge, but that it had passed through when the train fell into the water. The tanker immediately put down its launches and began taking aboard survivors.

Small boats from throughout the busy New York harbor flocked to the scene. Four tugs of the Moran Company, usually engaged in towing ocean liners to piers, were on the scene.

Two New York City fireboats and three police department launches sped to the scene.

Every available ambulance in Bayonne and Jersey City was summoned.

Lewis Nelson, 33, Little Silver, N.J., was one of the passengers aboard the first two railroad cars.

"I was reading a newspaper and half dozing," Nelson said.

"The first thing I heard was screeching brakes. Fortunately, I was sitting by an open window. When the train hit the water, I crawled out the window and almost as soon as I came to the surface I was picked up by a motorboat."

Raphael Leon, 55, of Holmdel, N.J., was travelling with his wife in one of the coaches and "Suddenly we were in the water."

"I started to pray that I would drown quickly," Leon said.

Leon said he began swimming underwater, looking for his wife and some way of escaping from the train.

"I felt as if my lungs were bursting when I saw an open window and swam out," Leon said.

The next thing he knew he was in the hospital. He did not know what happened to his wife.

The train was bound from Bayhead, N. J., to Jersey City, N. J., when it went through an open bridge shortly after 9 a.m. c.d.t., the spokesman said.

The bridge, a vertical lift-type, was opened to permit a sand boat to pass when the train plunged off. The sand boat immediately began picking up survivors.

Normally, the train carries 80 (See TRAIN, Page 8)

Algerian Rebels Try Assassination

By JOHN D. PARRY
United Press International

PARIS (UPI)—Algerian rebels tried today to assassinate Information Minister Jacques Soustelle with pistols and submachine guns in a daring Chicago-style attack in the heart of Paris. He was cut by flying glass when bullets struck his limousine.

Five passersby were wounded in a five-minute gun battle which developed between police and the terrorist attackers at one of Paris' busiest traffic intersections. One passerby died later in a hospital.

Soustelle's chauffeur was wounded by a bullet but none of the shots fired by three fanatic Moslem attackers hit Soustelle, who is hated by Algerians because of his ruthless policy of oppression against terrorists as governor general.

The attack appeared to be a new all-out effort by the National Liberation Movement (FLN) to carry the Algerian war into Paris itself with a series of spectacular coups that would emphasize their demands for freedom.

Three Algerians opened up with revolvers and submachine guns at Soustelle's car as it slowed for a red light on the tree-lined Avenue Friedland near the Arc de Triomphe.

One of the Algerian assassins was shot dead by police. Another was wounded and captured when an alert passenger tripped him as he ran through the crowds with gun in hand.

"We will do all we can to ensure that these dastardly attacks are not continued," Minister of the Interior Emile Pelletier said after conferring with Soustelle.

Soustelle himself issued a statement on the attack:

"I was the object, a little while ago, of a terrorist attack which was carefully planned. Several revolvers shots and a burst of sub-machine gun fire were fired at me. The attack demonstrates once more that the FLN, despairing of winning its cause, has had to resort to terrorism."

If it comes from a hardware store, we have it. Lewis Hdw.

Accident Report Released

Speeding, driving while intoxicated, failure to grant right of way and improper passing were among the causes of the 148 traffic accidents investigated in the Amarillo District during August. The report was released by Captain J. W. Blackwell of the Texas Highway Patrol in District 5-B.

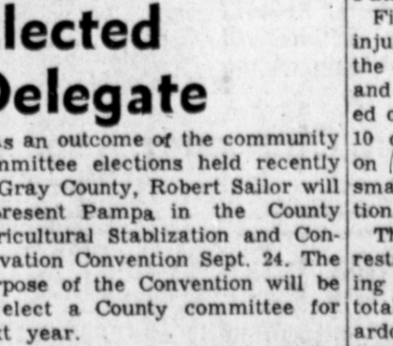

Fifteen persons were killed, 85 injured and property damaged to the amount of \$117,418. A hundred and eight of the accidents occurred on State and Federal Highways, 10 on farm to market roads, 27 on County roads and three in small towns, under 2,500 population.

The total number of traffic arrests totalled 1,127, with 672 speeding arrests and 41 DWI's. The total number of warnings for hazardous violations came to 3,521. Fifty-five safety responsibility police demand orders were served Four thousand, five hundred and eighty-nine day hours and 3,075 night hours were worked and 109,311 miles travelled.

This report does not cover accidents in cities over 2,500 population or accidents investigated by other agencies.

OUTWARD TO THE STARS (19)—First Men to the Moon

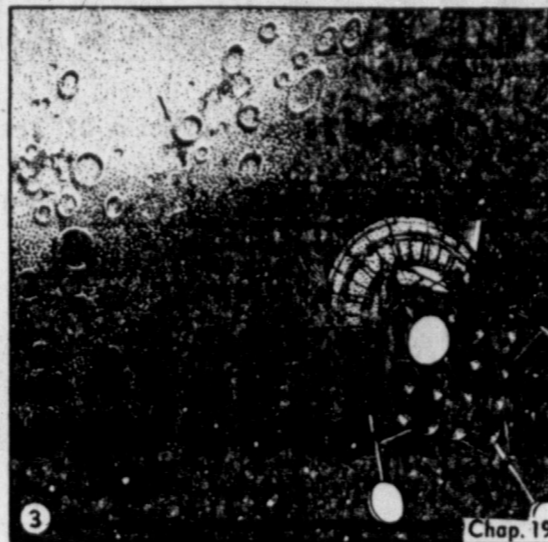

By Don Oakley and Ralph Lane

(1) Assembly completed, fuel and equipment loaded and crew installed in their spherical cabin, the Moon rocket is ready for its pioneer voyage. Already moving some 15,000 miles per hour alongside the space station in a two-hour orbit around the Earth, the Moon ship ignites its rockets and pulls slowly away from the mother base. Still a satellite of Earth, it accelerates under timed rocket firings in a widening spiral orbit. When at the precise position in reference to the Moon, a final blast of its rockets brings it up to escape velocity (approximately 25,000 m.p.h.) and the Moon ship hurls itself away from Earth like a pebble from a cosmic slingshot.

(2) The ship must aim for a point in space where the Moon will be some two-and-a-half days later (the time required for a one-way journey), at a time when the Moon is closest to Earth, 221,463 miles away. Any error in course can be corrected by using the rockets. Now at escape velocity, but still under the influence of Earth's gravity, the ship coasts with decreasing momentum until the gravity of the Moon takes over. It then begins falling with mounting speed toward the Moon. The trip could be shortened by using power, but this method makes the most economical use of fuel.

(3) The first manned ship will probably not attempt a landing on that body, but will remain in orbit around it for a period, investigating and photographing its surface, particularly that side never seen from Earth. An actual landing will come later, after more is learned of the Moon in its "virgin" state, and before chance contamination by bacteria carried from Earth distorts the findings of scientists. To return to the space station, the same procedure will be used as at the beginning. This time a velocity of only about 5,400 m.p.h. will be required to escape Moon's pull. Next: Landing on the Moon.

FIRST ANNIVERSARY

Today B & B Toyland, MO 5-3112 marks its first year of business with an Anniversary party that will last the end of the month. Day by day, children, accompanied by their parents, will register for the daily drawings and the big drawing Sept. 30. The big prizes will be a Gilbert Electric Train for a boy and a doll for a girl. Children may register every day for a daily drawing and if their number is drawn will receive a valuable prize. However, one registration will qualify them for the big train and doll drawing.

Toyland Celebrates Its First Year In Business

B & B Toyland, 120 E. Browning, celebrates its first year in business with an Anniversary Party, beginning today. Daily drawings for valuable prizes will be climaxed at the end of the month by the big drawing for a Gilbert Electric Train and a high class doll. Children accompanied by their parents may register for any or all of the drawings but need register only once to be eligible for the month's end prize. S & H Green Stamps are given with each purchase or layaway. Now is the time to do the Christmas shopping for what B & B doesn't have it can get for you. "We're in a position to get you anything you want," says Mrs. Jo Edwards, manager. Toys in abundance are at B & B Toyland. No age group or interest is left out. Through the year B & B has built up a reputation for high quality merchandise and lots of it. The store specializes in Madame Alexander dolls and clothing with other dolls from \$2.98 up. Wheel goods, doll buggies and doll beds are also available. There is an excellent line of children's luggage and a complete line of Fisher and Play-School toys. Come in and you will see enough toy guns for an arsenal, truck sets and individual trucks, basket ball and football outfits, many chemistry sets, as well as erector sets, stuffed animals, children's tables and chairs. B & B Toyland, next door to B & B Pharmacy, welcomes you to its Anniversary Party with its daily drawings and particularly the exciting end-of-month drawing where your child can win the electric train or the doll. The phone number here is MO 5-3112.

Debbie Is Put Under Sedation

By VERNON SCOTT UPI Hollywood Correspondent HOLLYWOOD (UPI)—Debbie Reynolds, placed under sedation following her decision to divorce husband Eddie Fisher, cancelled out on a Hollywood Bowl appearance Saturday and her doctor said she would remain in bed over the entire weekend. Debbie, who insisted she was "very much in love" with the handsome singer and hoped for a reconciliation despite their marital troubles, permitted her attorney Friday to announce divorce papers would be filed, probably next week. Attorney Frank Belcher's statement came after Fisher told reporters their "breakup was inevitable" and that there was virtual- ly no hope for a reconciliation. Miss Reynolds was to have been the opening performer on the charity program Saturday night at the Hollywood Bowl sponsored by radio station KLAC. While doctors strongly advised her against she cancelled reluctantly because she is president of the Thalians, a group whose clinic for mentally disturbed children at Mount Sinai hospital receives half the proceeds from the show. Her agent said "she's beat," but was not physically ill. Miss Reynolds was to sing her hit song of last year, "Tammy," and two other numbers. Producer Don Feddersen said she would be replaced by Margaret Whiting. Fisher also was originally scheduled to appear on the Bowl program but cancelled out two days ago because of a fever and an infectious mononucleosis. Differences between Debbie and Eddie were not publicized until he frequented New York night spots with Elizabeth Taylor.

Man Commits Suicide

MCALLEN, Tex. (UPI)—Ernest Lynn, 46, of McAllen, went to a citrus farm near here that he formerly owned and shot himself to death with a shotgun. Justice of the Peace Leo Gonzalez ruled suicide. There was no apparent reason for the suicide.

SOLVED-CARPET CLEANING PROBLEM

Science finally has the answer to carpet cleaning. Blue Lustrate, a new development, is mixed with water and brushed into carpet or upholstery. It's amazing the way forgotten colors spring out. The nap is left open and lofty. It's easy to apply. One-half gallon of Blue Lustrate cleans three 9 x 12 rugs. Available at Pampa Hardware Co., 120 North Cuyler. Ph. MO 4-2451.

CENTRAL TIRE WORKS Central Tire Works, located at 618 E. Frederic, is noticed for its fast and accurate recapping of any tire that will fit on your car, truck or tractor. You drive in to Central Tire and get fast service on your recappable tire or you can choose one from the vast stock of retreads in the racks.

Central Tire Works Can Recap Any Tire

For road worthy recapped tires, you can get fast service at Central Tire Works, 618 E. Frederic. And at a surprising saving, Central Tire works charges you only for the retread when you trade in your recappable tire. Company experts also recondition worn tractor tires of any size, using liners that will cover even a puncture or rip. No tire is too large; no tire too small. The combination of experts and machines does the job. Central Tire Works, owned and operated by Ward Maddox, is known as one of the most modern and efficient shops in the United States. And the tires that come from it are proof. Passenger car, truck and tractor tires are fair game to Maddox and his son Vernon. Maddox will loan you a tire while yours is being repaired, at no extra shop. The workmanship is fast and efficient. Seldom can re-caps be gotten with such speed and quality at low price. The shop is fully equipped to repair and vulcanize tubeless tires as well as the smaller tires that come on new automobiles. Since no heat touches the body of the tire, white sidewalls are left unscorched and all the life is kept in the tire. Improved section molds are used for repairs, breaks, bruises and dents in low pressure tires. Adjustable to the contour of your tires, they do not stretch tires out of round. The new skid resistant recap tread is made from live, cold rubber to precision requirements. Moreover, the process used at Central Tire Company does not damage the cord body of your tire. Each retread tire must pass a rigid inspection before the new tread is applied. Visit Central

Benefits Of State And National Ass'n Discussed At Music Teachers' Lunch

Mrs. Elizabeth Morris

Lamar CWF Has General Meeting

The first general meeting of the Lamar Christian Women's Fellowship was held recently in the church.

Mrs. R. L. McElroy, chairman of Fidelis Group, was in charge of the program.

Mrs. Hood presided at the business meeting and encouraged all who could to attend the CWF Retreat at Ceta Glen and State CWF Retreat at Lake Underwood.

Tickets for the movie, "Albert Schweitzer", sponsored by the United Council of Church Women, were offered for sale.

Mrs. John King was elected general secretary - treasurer and Mrs. W. F. Mullanax, service chairman.

It was announced that the CWF is now collecting clothing to be sent to Church World Service for distribution.

During the social hour, Mrs. Art Kahler and Mrs. Jack Hood of the Mary Martha Group, served as hostesses.

The next meeting will be a Christmas Quilting Party in December.

SOCIAL CALENDAR

MONDAY 7:30 - DeMolay Mother's Club, Masonic Temple. Election of officers.

TUESDAY 9:30 - Merten Home Demonstration Club with Mrs. Archie Maness, 431 N. Sumner.

WEDNESDAY 9:30 - Norma Jean Bradley Circle, First Baptist, with Mrs. E. G. Albers, 2228 Dogwood.

THURSDAY 9:30 - Presidents' Coffee, honoring presidents of the five Twentieth Century Clubs, Lovett Memorial Library.

FRIDAY 2:30 - United Church Women's Council, St. Paul Methodist Church.

New Parents Are Feted At PTA Tea

New parents at Horace Mann School were honored at a "Get Acquainted" tea held Thursday afternoon in the school auditorium.

Mrs. Kenneth McGuire, PTA president, opened the meeting with prayer and led in group singing of "America".

Year books, inscribed with the theme "Education is Life in The Making" and dedicated to the past president, Mrs. H. L. Meers, were distributed to members.

Secretary's report was given by Mrs. James Hall.

Each teacher was presented with a flower after introduction by Sam Begert, school principal.

Following adjournment by Mrs. McGuire, refreshments were served by Mrs. Meers, chairman of the hospitality committee.

Preceding the general meeting, the executive board met with Mrs. McGuire presiding.

A suggestion was discussed regarding showing films for first through fifth grade students, while their mothers attend PTA.

Gratitude was expressed to Mrs. T. M. Brooks for the preparation of the yearbook.

Mrs. Kay Veale, school nurse, expressed appreciation for getting summer round-up papers turned in so promptly.

Hoe Down

EDITOR'S NOTE: The following article is on roses compiled by Mrs. Margaret Bush, former president of the Amarillo Rose Society and has been submitted by Mrs. H. H. Boynton, president of the Pampa Rose Society.

The first article in a series of three. The article to day is concerned with preparation of the soil for roses.

Fine roses can be grown in our locality with very little effort if a few basic rules are observed and applied at the right time.

The first consideration is the proper location of the bed. Roses require at least a half day of sunshine, but since we have the most and brightest sunshine of any place in the world, it is very beneficial, especially for some varieties, to have protection from the hot afternoon sun and west wind.

When all these ingredients are added to the bed, humus, sulphur, superphosphate and copperas, mix well and let settle as far in advance as possible before planting time, preferably in the late fall.

When the bed is allowed to settle a few inches below the surface of the ground, it will make it easier to water properly by flooding.

Sometimes during the dormant season an additional supply of sulphur and superphosphate (about a half cup per plant) should be scratched in around each plant and watered well.

The best time to plant roses in this area is late spring from March to April. Fall or early spring plantings start growth during our unseasonable January and February warm weather and this growth is almost sure to be killed by late freezes.

Old plants can make a comeback and are seldom permanently hurt by having the first growth killed, but new plants that have not had time to get roots established are weakened so that they will never make as strong a plant, if they are not killed outright.

Correct planting is most important and often means the difference between success and failure. Never at any time allow roots to dry out. Unpack immediately upon arrival and soak in a tub of water from one hour to overnight depending on the dryness.

Dig the hole large enough so that the roots can spread out in a natural position over a mound of pure soil with the roots pointing downward and outward. Place the bud union even with the surface of the ground

and pack soil firmly over the roots so that there will be no air pockets. Water thoroughly and mound soil 10 to 12 inches around the plant to prevent drying out of the canes. When growth starts remove the mound of soil gradually with water from the hose.

Cheese and fruit were "made for each other". Fall fruits and cheese are especially good - apples, pears, grapes. Why not serve this delicious combination for dessert or snack time soon?

Church Women To Meet On Friday

United Church Women of Pampa will meet Friday at 2:30 p.m. in St. Paul Methodist Church with Mrs. Dean Burger in charge of the program on the churches work with Migrant Workers in Texas.

To complete the year's project, women are requested to bring school supplies, games athletic equipment, sewing needs, which could be used in working with children and young people.

A nursery will be provided for children during the meeting.

Churches of Pampa, which belong to the United Church Women's organization are the Episcopal Church, Methodist Churches, Christian Churches, Presbyterian Churches and the Church of the Brethren.

All women of these congregations are members of the United Church Women.

Miss Lola Lathrop Hostess To LCC

In a business meeting, held Tuesday evening in the home of Miss Lola Lathrop, Cole Lease, plans were made by the Las Cressa Club for a Membership Tea, which was to have been given on Sunday afternoon at three o'clock in the City Club Room.

Plans were discussed for the annual Scare - Crow Dance to be given in October, which will be a closed dance for members and their guests.

A committee, composed of Misses Jean Nichols, Sje Barnett, Dana Cantrell, Mary Gerik, Margaret Meeks, Myrna Haiduck, Theresa Flowers and Beryl Nash plan to meet Tuesday to discuss ideas for an entry in the Christmas parade.

Miss Marian Haiduck was elected as a new junior sponsor.

Miss Lathrop, chaplain, offered closing prayer followed by singing the club song in a Friendship Circle.

The hostess served punch cookies during the social hour.

Miss Smith Has Snell Circle Meet

Oleta Snell Circle of Central Baptist Church met with Miss Jeanette Smith, 420 Crest, on Monday evening.

Mrs. R. S. Bradford, president, presided during a brief business meeting, after Miss Grace NeCase read the prayer calendar and prayer was offered by Mrs. Edgar Flynt.

It was announced that the next meeting will be held on Sept. 29, instead of 22nd, due to a study course during the week.

The Richard Lunsford Circle presented a program entitled "Week of Prayer". Mrs. Bob Callahan gave the devotional on "Banner of God". Topics were given by Mmes. A. P. Hollogan, M. Brown, M. Williams and C. A. Thomas.

Sandwiches, shaped as the state of Texas, cup cakes and coffee were served to Mmes. T. C. Naron, Louise Allen, R. E. Bradford, Paul Turner, Edgar Flynt, G. C. Stark, Paul Baker, Neal Herd, Marjorie Salsman, R. F. McCallip, A. H. McPeak; Misses Grace NeCase, and Jeanette Smith.

Guests attending the circle were Mmes. Brown, Sam Batesas, A. P. Hollogan, Williams, Bob Callahan and the W.M.U. president, Mrs. C. A. Thomas.

Mrs. R. E. Bradford closed the meeting with prayer.

Asthma and Hay Fever Relief Comes in Minutes ... and Lasts For Hours

Tiny Tablet Now Available Without Prescription!

New York, N. Y. (Special) - Medical Science has developed a new, tiny tablet that not only stops asthma spasms but brings relief to those who suffer from hay fever attacks.

Authoritative tests proved this remarkable compound brings relief in minutes - and gives hours of freedom from recurrence of painful spasms.

This fast-acting formula is prescribed by doctors for their private patients who suffer from asthma or hay fever. And now sufferers can obtain this formula - without prescription - in tiny, easy-to-take tablets called Primatene.

Primatene opens bronchial tubes, loosens mucous congestion, relieves taut nervous tension, helps dry up nasal passages. All this without taking painful injections and without the inconvenience of nebulizers.

The secret is - Primatene combines 3 medicines (in full prescription strength) found most effective in combination for asthma and hay fever distress.

So look forward to sleep at night and freedom from asthma or hay fever spasms - get Primatene, at any drugstore. Only \$8 - money-back guarantee.

OPENING SHOT

HO HUM! YANKS DO IT AGAIN

By FRED DOWN
United Press International
The American League's seven...

N.L. lead cut to six games when they bowed to the Los Angeles Dodgers, 5-3, and the Pirates swept the Chicago Cubs, 5-4 and 6-2.

single tied the nightcap at 7-7 and singles by Jerry Lumpe, Mickey Mantle, Siebern, Virgil Trucks and Hank Bauer, a walk and a double steal comprised the winning rally in the second game.

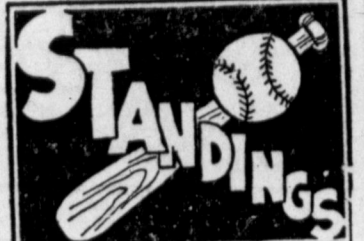

Friend Wins 21st
Pinch-hitter Ted Kluszewski drove in the winning run with a sacrifice fly for the Pirates in their opener and then Bob Friend pitched a six-hitter to win his 21st game — tops in the N.L. this sea-

son and the highest total by a Pittsburgh pitcher since 1944. Bill Mazerowski hit his 19th homer for the Pirates in the second game to set a new club record for second basemen.

NX 69
NEW YORK, MAY 24.--(UPI)--THE UNITED PRESS ASSOCIATIONS AND INTERNATIONAL NEWS SERVICE JOINED FORCES TODAY AROUND THE WORLD IN THE CREATION OF A SINGLE NEWS AGENCY NAMED "UNITED PRESS INTERNATIONAL."
THIS IS THE FIRST DISPATCH OF THE NEW SERVICE WHICH WILL EMBRACE THE LARGEST NUMBER OF NEWSPAPER AND RADIO CLIENTS EVER SERVED SIMULTANEOUSLY BY AN INDEPENDENTLY OPERATED NEWS AND PICTURE AGENCY. AGREEMENTS COVERING THE CONSOLIDATION OF SERVICES WERE SIGNED BY BOTH AGENCIES, AND THE ANNOUNCEMENT WAS DELAYED UNTIL THE

UNITED PRESS INTERNATIONAL WILL BE PRESIDENT

AND WILL REINFORCE THE JOHNSON, VICE PRESIDENT

SCRIPPS TO INSURE THAT NEWSPAPER OR ANY PERSON CAN OBTAIN AN ADEQUATE NATIONAL AND

WILLIAM RANDOLPH HEARST FOR THE ORGANIZATION OF THE SERVICE FOR ITS NEWS ENTERPRISE AND FOR WORLD-WIDE EVENTS.

THE COMPLEX GLOBAL NEWS SERVICE BECAME EFFECTIVE TRANSMISSION SINCE SEPTEMBER OF 1957. THE PLAN WAS DEVISED BY FRANK H. BARTHOLOMEW AND LEROY KELLER FROM THE UNITED PRESS AND J.D. GORTATOWSKY AND KINGSBURY SMITH FROM THE INTERNATIONAL NEWS SERVICE.

JPI1139A

This is the historic first dispatch of United Press International. It marks the start of operations by the greatest independent news agency, combining the forces and facilities of United Press Associations and International News Service.

The UPI logotype represents objective, thorough, and enterprising reporting, by word and picture, throughout the world today.

Murphy, on the birth of a daughter, at 12:08 a.m., weighing 6 lbs. 9 1/2 oz.

VILLAGE OF LIGHT

It once was called Village of the Blind. But the Israelis who live there, all of them blind, voted to change the name to Village of Light. They changed it because now there is light—the light of hope. The citizens all have their own houses and support themselves by making and selling furniture, handicrafts, rugs. They were trained through rehabilitation programs operated by one of America's religious faiths. It isn't only the blind who need rehabilitation help overseas. Many have been maimed during war years. They've been deprived of training and education. They need the help you can give when you support the religious OVERSEAS AID Program of your faith.

Red Cross Directive Received

Home Service workers of the Pampa Red Cross have received a communication from Midwestern headquarters regarding emergency leave for overseas Army personnel. The Department of the Army has advised that on an interim basis, emergency leave from overseas may now be granted to Army personnel when death of a parent, brother, sister or sole surviving relative has occurred. The granting of emergency leave on this basis is in addition to those already in effect. The interim policy is the result of an inter service committee's current review of criteria for emergency leave, with a view to establishing greater uniformity among the various branches of service and conforms to that of the Air Force policy which became effective in July.

Justice Department, Counsel In Row

WASHINGTON (UPI) — The Justice Department was embroiled in an angry row today with the chief counsel of the Senate Rackets Committee. Simultaneously the committee scheduled additional hearings on the controversial Teamsters Union this afternoon with Teamsters president James R. Hoffa slated to appear for more quizzing. The counsel, Robert F. Kennedy, touched off the dispute Saturday by charging the department with dragging its feet on prosecuting cases unearthed by the committee. Sunday night Asst. Atty. Gen. Malcolm Anderson angrily denied the charge and termed Kennedy's attack "destructive and mischievous." He voiced particular surprise

ALGERIAN

(Continued From Page 1) Anderson did not identify the two cases to be presented to a grand jury except to say they involved alleged perjury before the rackets committee. A department spokesman said the cases were "ready to go" and would be submitted to a federal grand jury here this week. Informed of Anderson's reply, Kennedy said he was "glad" two cases were going to a grand jury but added: "As of this time, despite 18 months of hearings, nothing has been done by the Justice Department as far as any positive action. I'm not going to stay silent about that." Anderson, in his letter to Kennedy, said 8 of 14 possible perjury cases referred to the department by the committee had been dropped for lack of sufficient evidence to convict and 6 still were pending. It was the first time a Cabinet minister had been marked for death since the Algerian terrorists opened their campaign in France last Aug. 25. Soustelle once was governor general of Algeria. He was civilian leader of the May 13 revolt which returned Gen. Charles de Gaulle to power as premier. As governor general, Soustelle pursued a ruthless policy of repression against Moslem terrorists and was marked for assassination by the Algerian rebels who have been fighting for independence from France for nearly four years.

Mainly About People

Mr. and Mrs. Tom Watson and son, Cecil Don, left Saturday for Austin, where Mr. Watson will enroll in the University of Texas. Attention Stephen F. Austin parents, school jackets on display at school. Orders accepted thru Sept. 19. Mary-Martha Group of Lamar Christian Church will meet at 1:30 p.m. Thursday in the church with Mrs. C. G. Reeves as hostess. Miss Gloria Daniels, 332 N. Wells, will be hostess to the Tuesday evening meeting at 7 p.m. of the Las Cressas Club in her home. Miss Sandra Weatherford, south of the city, will hostess the Tuesday evening meeting of the Sub Dept. Club at 7 p.m. New officers of the Central Baptist Church Women's Missionary Society will be installed following a salad supper on Thursday evening at 7:30 p.m. in the Fellowship Hall. Coach Babe Curfman of Pampa High School will be the speaker when the men of the Pampa First Methodist Church begin their fall program Wednesday. The men will meet in Fellowship Hall at 7 p.m. Curfman will be accompanied by Harvesters captain, Sgt. Kenneth R. Boy Scouts To Observe Prayer Day

The Adobe Walls Council, Boy Scouts of America, with headquarters in Pampa, is urging its 8,400 members to observe Oct. 1 as a day of prayer for the nation and for mankind, in accordance with President Eisenhower's proclamation. Dr. Arthur A. Schuck, Chief Scout Executive of the Boy Scouts of America, in a message to Scout Executive Yorel Harris of the Adobe Walls Council, said, "Each of us, I know, covets every opportunity to make the twelfth point of the Scout Law effective. Also, each of us in Scouting recognizes the power and importance of prayer." The twelfth point of the Scout Law reads: "A Scout is reverent. He is reverent toward God. He is faithful in his religious duties and respects the convictions of others in matters of custom and religion." Dr. Schuck informed President Eisenhower that the organization has taken steps for the "fullest cooperation in this noble purpose" and that the members totaling 4,751,000 boys and men have been requested to "fully support the proclamation." President Eisenhower, a member of the Boy Scouts' National Executive Board since 1948, wrote Dr. Schuck: "I am heartened by your note telling me of the support to be given to the national Day of Prayer to be observed on October first. Not only am I delighted that the Boy Scouts themselves will participate, but I know that they will carry back to their homes an interest in this significant, and I hope from now on yearly, event." Dr. Schuck wrote the local council that he "was very much moved by the thought of an entire nation on a given day, and in accordance with forms and tenets of our respective religions, praying to God for the moral and spiritual strengthening of our nation, for peace among all people, and for freedom for mankind." He urged that, where possible, "leaders and Scouts join with others in any meeting or attend services that may be arranged of people of the same faith to participate with them in prayer, in accordance with the tenets of their religion and in cooperation with their respective religious leaders; or that at unit meetings held during the week in which October occurs, where boys are of like faith, prayers be made, again in accordance with the faith of the numbers of the unit." Dr. Schuck also suggested that during that week Scouts be encouraged to attend the church of their faith and engage in prayer.

Pennant Club Broken Into

Five cases of beer were taken from the Pennant Club, 543 W. Brown, yesterday, Pampa Police report. Last night after the ratn, someone entered by the back door and carried off five cases of beer but took nothing else.

Expected Offer By Ford Spurs Hopes Winners Are Named At Wheeler Fair

(Special to The News) WHEELER — Winners were named at the Wheeler Fair Saturday in the categories of baking, flowers, booths, crops and livestock. The fair was sponsored by the Wheeler Chamber of Commerce. Mrs. B. Barham and Mrs. P. E. Yraborough of Wheeler tied for the grand championship of the Flower Show. In the Bake Show, Sandra Meek of Briscoe was supreme. The booth designed by the J-Lee Department Store took first of the merchant's booths with Bill Owens' Service Station taking second. The Wheeler Times came in third. In the Women's Division, Mrs. J. E. Willard was the prize winner. The Wheeler Future Farmers of America took first of the educational booths. In the Crops competition, James Hubble of Wheeler was the overall winner. Dale Hagerman of Kelton showed the grand champion in the Dairy Division and Jerry Carter, Mobeetie, the reserve champion. C. J. VanCand of Wheeler showed the grand champion and reserve champion dry cow calf. The grand C. J. VanVand of Wheeler showed by Marvella Forrest, Shamrock; the reserve by Clyde Magee, Allison. "We are starting to get down to brass tacks," he said. "We will do our homework in the morning and I expect that we will have our offer ready by the time the main groups meet in the afternoon." "If we get the offer, it should give us adequate time to work out the details before the strike deadline," Reuther said. "Where there is a will, and the company has indicated it is willing, it can be done." Bugas said the offer was not yet in formal shape, but was expected to be ready by the time the talks began. A solution at Ford might be a key to contract agreements at General Motors and Chrysler Corp. This was the pattern followed on negotiations in both 1953 and 1955. In both cases the union threatened Ford with a strike first and then turned on the other two companies to get contracts even better than it obtained at Ford. Although this is the third time Ford has been the target of the UAW, it has never yet actually undergone a nationwide strike having settled in all cases before the deadline. If the talks follow the normal pattern from here on out, the union will reject the company offer and come up with a counter offer. The company, in turn, will reject the union's counter offer and then a final agreement will be reached somewhere between the two positions.

Four Cases Handled In Court Here

August H. Bernwein, 207 N. Ward, pleaded guilty this morning to a Driving While Intoxicated charge. He was arrested Saturday night by Pampa Police after crashing into the plate glass window fronting Hukill & Son, 315 W. Foster. Bernwein was fined \$100 and costs plus three days in jail and six month's suspension of his license. Another DWI handled in County Court this morning was the case of Arley McPherson, of Cache, Okla. He pleaded guilty and was assessed a \$100 fine and costs, three days in jail and six month's loss of license. Saturday, Jasper Newton Langley Jr. from San Antonio, entered a plea of guilty to DWI and received a fine of \$125 and costs with three days in jail and six month's loss of license. Dooley of Pampa pleaded guilty to DWI and received the same assessment. to take this course, are requested to register on the form that will be found in their training calendar and submit the form to the Girl Scout office immediately in order that plans may be made for the number planning to enroll.

Adenauer, De Gaulle In Agreement

By GEORGE SIBERA United Press International COLOMBEY - LES - DEUX-EGLISES, France (UPI) — West German Chancellor Konrad Adenauer and French Premier Charles de Gaulle have agreed on the need to end forever "ancient hostility" between their two countries. They said in a communique Sunday night after nearly six hours of talks that cooperation between the traditional military rivals was the "foundation" for all constructive effort in Europe and the basis for a new era of unity. The two most dominant political figures in Western Europe also decided to join the United States in refusing to accept Soviet domination of Eastern Europe as a permanent state of affairs. Adenauer, 82, and De Gaulle, 67, met for the first time Sunday. Adenauer traveled here from Baden Baden for the one-day meeting at De Gaulle's high-walled estate "La Boisserie," 150 miles southeast of Paris. They announced:

TRAIN

(Continued From Page 1) Between 90 and 100 persons, the railroad said. However, the five cars of the train had a total capacity of 375 persons. A railroad spokesman said the tracks on the bridge are fitted with a precautionary device which is supposed to automatically halt trains when the bridge is open.
