PAMPA, TEXAS, FRIDAY, FEBRUARY 6, 1959

Weekdays 50
Sundays 10c

Governors Of States Protesting

WASHINGTON (UPI) — President Eisenhower is asking Congress for a 50 per cent increase in the federal gasoline tax. Most of the state governors are protesting.

Although the federal government has budgeted more than three billion dollars for federal aid to highways in the next fiscal year, the states are spending even more. The governors object to the federal government moving heavily into a tax field once reserved largely to the states.

Some states are considering further gasoline tax increases this year but most of them are not. Ten have raised their gas taxes in the past two years.

The federal government now collects 3 cents a gallon on gasoline and puts the receipts into a trust fund to pay for the highway program authorized in 1956. Eisenhower has asked that the tax be raised to 4 1/2 cents to keep the fund from going into the red. It is uncertain what Congress will do.

Most states also are levying gasoline taxes of 6 to 7 cents a gallon. Twenty-two states and the District of Columbia have a 5 cent tax. These include New York, where the legislature this year raised the levy from 4 to 6 cents, effective March 1.

Four collect 6 1/2 cents and 10 have a 7 cent tax. Ten states have a 5 cent tax.

The lowest gasoline taxes are in Alaska and Missouri — three cents — but Missouri also lets cities impose a gasoline tax. These city taxes range from half a cent to two cents.

James T. Blair Jr. of Missouri has asked the legislature to raise the state tax to five cents.

In Massachusetts, Gov. Foster Furcolo has asked the legislature to raise the 3 1/2 cent tax to six cents. In California, the present six-cent tax is expected to be extended indefinitely, despite a half-cent reduction scheduled for next Dec. 31 under present law.

In a number of other states, the outlook for a gasoline tax increase is not yet clear. Those in which there may be action this year include Florida, Minnesota, Ohio, West Virginia, Utah and Washington.

There were gasoline tax increases last year in New Jersey and Rhode Island and in 1957 in Indiana, Massachusetts, Nebraska, New Hampshire, Oklahoma, South Dakota, Utah and Vermont. Montana bucked the trend in 1957 by cutting its seven-cent tax to six.

Here is how state gasoline taxes compare:

Alabama	7 cents
Alaska	3
Arizona	5
Arkansas	6
California	6
Colorado	6
Connecticut	6
Delaware	5
D.C.	7
Florida	6
Georgia	6 1/2
Idaho	6
Illinois	5
Indiana	6
Iowa	6
Kansas	5
Kentucky	7
Louisiana	7
Maine	7
Maryland	6

Burdette, UF Prexy

Hugh Burdette, manager of the Cabot Company's Southwestern Division, has been elected president of the Pampa-Lefors United Fund. He succeeds E. E. Shelhamer as president of the board of directors.

Kirk Duncan of the Duncan Insurance Agency was re-elected first vice president.

Directors Chas. Warren Hasse, co-owner of Radio Station KPDM for second vice president. Hasse succeeds Don Cain.

Mrs. Rufe Jordan was re-elected secretary and Floyd Imel, treasurer, Imel is president of the Citizen's Bank and Trust Company.

J. B. Massa was elected to fill the unexpired term of H. V. McCorkle.

The board of directors met at 5 p.m. Wednesday for the election of officers. The United Fund has 15 directors.

Besides those named above, directors are R. E. McKernan, Ivy Duncan, E. M. Behrman, H. V. Wilks, Clinton Evans, Mrs. Jack Foster and C. P. Burkler.

McCorkle has retired from the board.

Site Selected For \$10 Million Prison

WASHINGTON (UPI) — The Bureau of Prisons told Congress today it has selected 1,200 acres in a national wildlife refuge in southern Illinois as the site for a proposed new maximum security federal penitentiary.

It proposed that the 10-million-dollar prison be built at Crab Orchard Lake in the Crab Orchard Refuge in the Marion-Herrin-Car-

bondale area about 330 miles south of Chicago.

James V. Bennett, chief of the Bureau of Prisons, announced selection of the site at a closed session of a House appropriations subcommittee. The subcommittee is considering an administration budget request for the money needed to construct it.

President Eisenhower asked for the funds last year, but Congress refused. At that time, the administration had not selected a site for the prison.

The recommended site lies within the 25th Congressional District represented by Rep. Kenneth J. Gray (D-Ill.).

Gray said he would urge that Congress approve the site and put up the funds for construction.

He said this would provide a "tremendous boost" to the economy of southern Illinois.

Gray said the Department of Interior, fisheries and wildlife division already has agreed to turn over the land without charge to the Bureau of Prisons.

According to Gray, the four others in their order of choice were: Taylorville, Ill.; Kirkaville, Mo.; the Mount Vernon-Salem-Centerville area in Illinois and Hannibal, Mo.

Gray said the final site selection came after a study of more than 100 proposed locations.

Gray added that the prison would be "a model of modern architecture... an asset to the entire area and something that southern Illinois can be proud of."

The maximum custody prison will be built to relieve overcrowding at other federal institutions. It will not replace Alcatraz.

BUBBLE TROUBLE!

Mrs. Jean Childs of London, England, is up to her axles in floodwater. This shot was taken after the Thames burst its banks near Maidenhead, flooding the area and Mrs. Childs' car.

Jet Airliner Was Dead On Course

CHICAGO (UPI) — The American Airlines plane which crashed one of eight survivors of the Tuesday night crash which killed 56 "dead on course" and the crew, happened in the cockpit of the ill-fated turbo-prop airliner to his was handling the throttle at the time.

Cook indicated that a "mixup" in reading new-type altimeters in the Electra jet airliners might have been responsible for the crash.

The account was printed Thursday night in a copyrighted Chicago Tribune story and by the Chicago Daily News.

Cook, who has been questioned several times by aviation officials, gave his wife virtually the same report as he gave investigators when she visited him at a New York hospital.

THOMASVILLE, Ga. (UPI) — The White House today bluntly challenged Soviet Premier Nikita S. Khrushchev's sincerity in inviting President Eisenhower to visit Russia and said Eisenhower had no present plans to make such a visit.

After studying reports on Khrushchev's Moscow speech of Thursday night in Washington and here at the White House, Eisenhower's spokesman, Press Secretary James C. Hagerty, pointed out that the so-called Soviet invitation was contained in a speech which also included "very broad references to United States leadership."

"It seems strange that Premier Khrushchev, if he really welcomes a visit by the President, would extend it in such circumstances," Hagerty said.

Khrushchev, in addressing the 21st congress of the Communist Party in Moscow, publicly invited Eisenhower to come to the Soviet Union, "bring anyone he likes and go anywhere he wants."

The Soviet premier at the same time was bitterly critical of "discrimination" which prevents his coming to the United States. He also attacked the Western stand on Berlin.

Hagerty said: "The President has no present plans to make such a visit — in fact, he hasn't received any invitation, except through reports of an invitation extended in a political speech."

The White House was careful, however, not to slam the door on a future meeting between Eisenhower and Khrushchev.

"Ever since he has been in office," Hagerty said, "President Eisenhower has always made it clear that he was willing to go anywhere in the world if by so doing such a visit would serve the cause of peace."

"Should future developments suggest that a visit to the Soviet Union or anywhere else would serve to advance this cause, then it certainly would be considered."

WON'T BE CHARGED

Clark Stillion and his wife, Rosemary, left, sit in the police station in Houston, Tex., after they were accused of selling their 8-year-old twin sons to a policeman and a juvenile officer for \$300 in marked bills. At right are the twins, Thomas, left, and George. They are Mrs. Stillion's sons by a former marriage. All charges were dropped against the pair yesterday.

Twin Sellers Not To Be Prosecuted

By KYLE THOMPSON United Press International

HOUSTON, Tex. (UPI) — Officials were so touched by the troubles of the young couple who sold their 8-year-old twin boys for \$300 that they dropped all charges against them.

Offers of help for the couple were put forward.

Dist. Atty. Dan Walton told Justice of the Peace W. C. Ragan Thursday "I see no purpose to be served in prosecuting these people. What they need is help. I recommend dismissal of the charges."

Regan did just that. "I've been hoping someone would make such a motion," he said.

Mr. and Mrs. Clark D. Stillion Thursday turned over the twins, Mrs. Stillion's children by a previous marriage, to a policeman and a juvenile officer who posed as a childless couple.

The officer gave Stillion \$300 in marked bills and promised to return in an hour with \$200 more.

In return Stillion made out a "bill of sale" for the boys.

The officers arrested the couple and charged them with selling minor children.

Besides the twins, who were born in England before their mother moved to the United States, the Stillions have two girls, Nancy, 4, and Tina, 3. Mrs. Stillion divorced the twins' father in England in 1953, and married Stillion, then stationed in England with the U.S. Air Force.

Walton told city probation officials he had talked with both parents and felt there should be no effort to take the children from them.

An attorney said a client, O. R. Tautobahn, had offered the Stillion family a place to live near Westfield, Tex. He said there was a school nearby and offered to help them find work.

Stillion said he had been unable to get a job and had been trying to feed his family on \$12 a week.

MIAMI (SpI) — Two hundred and eighty Roberts County residents have paid their 1959 poll taxes, according to W. H. Carr, County tax collector. This number is 52 less than was paid last year.

Ten exemptions were issued for 21 year-old voters. Carr estimated that there are 150 eligible voters who are over 60 and do not have to pay a poll tax.

In counties under 10,000 population, such as Roberts, these persons are not required to secure an exemption certificate.

Poll Taxes Off In Roberts County

New Hose Purchased

LEFORS (SpI) — Nine hundred feet of hose has been purchased and installed in a new rack built by members of the Volunteer Fire Department.

Last month the department extinguished three grass fires and three house, auto and garage fires.

New officers now performing their duties are J. J. Archer, fire chief; "Red" Jernigan, assistant fire chief; R. E. McDonald, secretary; Paul Blankenburg, fire marshal; and Fred Cullen, drill master. Fred Harbison and Frank Kirk are serving as captains under Cullen.

Don Cain, president of the Adobe Walls Council, Boy Scouts of America, will speak following the parade, Saturday is the first day of Boy Scout Week.

All Boy Scouts are expected to be at the parade grounds, across from Wilson Drug, at 9:30 a.m. The Scouts will march under the underpass, down Cuyler to Francis, west on Francis to Frost and south on Frost to the south entrance of the City Hall.

Cain will challenge Scouts and leaders to rededicate themselves to the service of God and their Country, according to Morgan.

Morgan is assisted by Denver Allen, Carlton Nance and Earl Craddock.

HERE TOMORROW

MOD Climax Is Set Here

The Gray County March of Dimes is expected to hit new financial heights Saturday when civic leaders and teenagers bring the Pampa campaign to a close. The final events, a Bucket Brigade and a Style Show, are being held over from last Saturday when weather conditions were not favorable.

A competitive spirit has built up in Pampa civic clubs through the week Saturday club members will be out in full force, each organization to its own street corner, with buckets in

every hand. The solicitation will begin at 8 a.m. and wind up at 6 p.m.

At 8:30 p.m., High School students will present "Around the World in \$50," a musical style show. Tickets are selling fast for the musical extravaganza. Adult tickets sell for 75 cents and student tickets for 40 cents. The theatre will be the auditorium of Robert E. Lee Junior High School.

Directors have promised Pampa some of the finest entertainment seen since the last High

School talent show. "Around the World" is an original concoction, relying on models and dancers for its main kicks.

Robert Hamilton, High School speech instructor; Jeanne Willingham, Pampa dance teacher; and Mrs. Ed Barnes are the main behind-the-scenes workers.

Dancers will appear in nine numbers and hit five countries in their Around-the-World travels. Featured are Anita Guidry, Sara Gordon, Phyllis Park-

ALAN R. NYE Cuban prisoner

Nye Stoutly Says He's No Assassin

HAVANA (UPI) — Alan R. Nye, ousted ex-President Fulgencio Batista, stoutly maintains there is no truth in press reports that he has "confessed plotting to kill Fidel Castro," friends said today.

Nye is being held prisoner at Camp Liberty headquarters of the army. Authorities there ignored newsmen's requests for an opportunity to talk to Nye, but friends who were allowed to visit him said he denies any guilt.

No official charges have been filed against the 31-year-old American, and it appeared that authorities here are awaiting Castro's return — probably Saturday — from a tour of Oriente Province before proceeding with the case.

Two of Havana's three afternoon newspapers Thursday carried a report attributed to the police saying that Nye confessed agreeing to assassinate Castro for \$100,000, which was to have been paid by the government of since-

At Camp Liberty, Maj. Camilo Cienfuegos took no notice of requests for an interview with the prisoner.

"War crimes" trials and executions continued throughout the country. Four soldiers were sentenced to death in provincial Pinar del Rio, while in Havana three policemen waited to face firing squads.

A gardener in a fashionable Havana residential district was killed Thursday when his lawn mower set off some kind of a bomb. It was not certain whether the explosive was a relic of the revolution or had been recently planted.

If it copies from a Hardware Store, we have, Lewis Hardware. (Adv.)

A KISS FOR FIDEL

Cuban rebel leader Fidel Castro kneels to receive a thank-you kiss from a youngster whose parents will benefit from the government's new land program. Castro assured the landless peasants of the Sierra De Cristal area that they would be given land even if the government had to confiscate it.

TO THE RESIDENT QUALIFIED EXPANDING THE GROUND WATER CONSERVATION DISTRICT NUMBER 3 SOUTH OF THE CANADIAN RIVER...

NOTICE IS HEREBY GIVEN that an election will be held within and for the Ground Water Conservation District Number 3, South of the Canadian River...

Upon each of the ballots used at said election shall be placed the names of the candidates for Precinct Director, as follows:

Director's Precinct No. 1—That part of District in Carson County lying between the East Boundary line of Precinct No. 1 and a line beginning at the northeast corner of Section 31, I.&G.N. RR. Co. Survey, Blk. 4, and extending in southerly direction to the southeast corner of Section 18, I.&G.N. RR. Co. Survey, Blk. B-3; A. L. Stovall

Director's Precinct No. 2—That portion of District in Gray County, as not included within Precinct No. 1 and No. 2; Russell McConnell

Blank spaces shall be left in order that the names of other persons may be written in.

Each person residing in Director's Precinct No. Two (2), Three (3), and Four (4), as set forth above, shall vote for only one Director, naming the Director for the Director's Precinct in which the voter resides.

The area comprising the Ground Water Conservation District Number 3, South of the Canadian River, is hereby divided into the following election precincts:

Election Precinct No. 1—That part of the District in Carson County, Texas lying within the boundaries of a line beginning at the northeast corner of Section 31, I.&G.N. RR. Co. Survey, Block 4, and extending in a southerly direction to the southeast corner of that portion of Section 58 lying within Carson County, H.&G.N. RR. Co. Survey, Block B-3; Then in a northerly direction following the county line to the northeast corner of that portion of Section 18 lying within Carson County, H.&G.N. RR. Co. Survey, Block 2; Then in a westerly direction to the northeast corner of Section 31, I.&G.N. RR. Co. Survey, Block 4.

Election Precinct No. 2—That part of the District in Gray County, Texas lying within the boundaries of a line beginning at the northeast corner of Section 31, I.&G.N. RR. Co. Survey, Block 4, and extending in a southerly direction to the southeast corner of that portion of Section 58 lying within Carson County, H.&G.N. RR. Co. Survey, Block B-3; Then in a northerly direction following the county line to the northeast corner of that portion of Section 18 lying within Carson County, H.&G.N. RR. Co. Survey, Block 2; Then in a westerly direction to the northeast corner of Section 31, I.&G.N. RR. Co. Survey, Block 4.

The polling places and officers for said election are as follows: ELECTION PRECINCT NO. 2, CARSON COUNTY

polling place No. 1: Court House in Panhandle, Texas. Presiding Judge: George R. Graves. Clerks: Ben Stone, Nova Lee, Doreen.

ELECTION PRECINCT NO. 3, CARSON COUNTY

Polling Place No. 1: School Tax office in White Deer, Texas. Presiding Judge: H. T. Dickens. Clerks: Mrs. H. T. Dickens, Mrs. W. J. Stubbfield.

Polling Place No. 2: High School in Groom, Texas. Presiding Judge: J. M. Britten. Clerks: J. B. Demis, J. E. Stuart.

ELECTION PRECINCT NO. 4, GRAY COUNTY

Polling Place No. 1: Court House in Pampa, Texas. Presiding Judge: Arthur Rankin. Clerks: Mrs. C. M. Carlock, Mrs. Herman Jones, Mrs. John Kelly.

Polling Place No. 2: Grandview School. Presiding Judge: F. A. Bowers. Clerks: Joe Wheeler, John L. B. Johnson.

This election shall be held and conducted and returns made to the Board of Directors of Ground Water Conservation District No. 3, South of the Canadian River, in accordance with the general election laws of Texas, except as same are modified by the provisions of chapter 25, Acts of the 55th Legislature of Texas of 1925, together with all amendments and additions thereto.

A. L. Stovall, President Board of Directors, Ground Water Conservation District No. 3, South of the Canadian River.

Lenten Season Begins Feb. 11

By LOUIS CASSELS
United-Press-Internationals

Next Wednesday (Feb. 11) marks the beginning of one of the least-understood seasons of the Christian year.

It is called Lent, a name derived from an old Anglo-Saxon word for springtime.

It is easy to say who observes Lent, and when, and how. The question that causes confusion, even in churches that place great emphasis on Lent, is why.

To take up the easy ones first,

Lent is observed by all liturgical churches, including the Roman Catholic, Lutheran, Episcopal and Eastern Orthodox communions. These churches follow an ancient calendar of worship which divides the year into six great seasons—Advent, Christmas, Epiphany, Lent, Easter and Trinity. The idea is that this calendar provides an annual rhythm for worship, so that each major aspect of the Christian faith has its own appointed season for special emphasis.

Many Protestant bodies which formerly ignored the liturgical calendar have begun in recent years to see value in it. One result of this so-called liturgical revival is that Lent is now being observed in a number of Presbyterian, Methodist and other Protestant churches.

The date of Lent varies from year to year, because it is tied to the date of Easter. Specifically, Lent is a period of 40 weekdays and six Sundays preceding Easter. This period was fixed by Pope Felix II in 487 A.D., but his decree merely formalized a custom that was widespread in the Christian church as early as 200 A.D.

TCU Course Will Help Investors

FORT WORTH (SPL)—A course designed to help present or potential stock investors and traders understand the technical aspects of market strategy will be offered by Texas Christian University on Tuesday evenings during the spring semester.

The class, "Technical Analysis of the Stock Market," will be taught by Frank Kelly, instructor in investments in the TCU Evening College and a member of a well-known brokerage firm. The course is offered under the supervision of the university's Short Course Committee, headed by Dr. Correll K. Hasapple.

The class, which has a limited enrollment of 25 persons, will meet from 7 to 9:30 p.m. on Tuesdays, Feb. 10 through June 2. Registration fee is \$50. The textbook, "John Magee's 'Technical Analysis of Stock Trends'" will be furnished.

"Technical analysis is the science of recording in graphic form the actual history of trading price changes, volume of transactions in a certain stock and then deducing from that picture the probable future trend," states Kelly.

"Stock prices move in trends which tend to continue until some thing happens to change the supply-demand balance. Such changes are usually detectable in the action of the stock price," he explains. "Certain patterns appear on the charts which can be interpreted in terms of probable future price. By observing how stocks really act, rather than how they theoretically should act, the investor and trader acquire a new grasp on the market strategy."

The new course at TCU will include a series of lectures and demonstrations on the analysis of charts showing trends in the marketing of stocks.

Further information and application forms for the course may be obtained from the Evening College Office, TCU, Fort Worth.

Young People To Be Honored In Services

Dr. E. Douglas Carver, pastor of the Pampa First Baptist Church, will speak for both sexes Sunday, "The Carpenter's Vial of a Church" is the sermon subject for the Morning Worship. The Church Choir, under the direction of Joe Whitten, will present special music. Miss Eloise Lane will play the "Communion" for the offertory. Evening Worship is "If Christ Had Not Been Born—What?"

The Young Peoples' departments of the Sunday School and Training Union will be recognized in the Worship Services Sunday. In Sunday School there are 178 enrolled, and in Training Union there are 100.

Monday night the Brotherhood of the Church will meet and hear Rev. Taft Hollaway of the Tascosa Baptist Church in Amarillo. The Harvester basketball team will be special guests of the meet. The new officers for the year will be in charge. They are: Norman Henry, president; O. G. Trimble, membership vice president; Otto Mangold, social vice president; Monroe Moore, secretary; and Earl Dodson, song leader. Wednesday night the pastor will continue his teaching of the "Gospel of Mark." Large crowds have been attending these studies.

Thursday evening the Intermediate departments of the Sunday School and Training Union will have their annual Heartbeat Banquet. The theme for this year's banquet is "Thoughts of You." Friday evening the married Young People of the Training Union will have a supper beginning at 7 p.m.

CHURCH THRIFT SHOP MOVES TO CUYLER

The Episcopal Thrift Shop moves to a new location at 228 S. Cuyler. The shop is under the direction of Mrs. Lucy Schanefelt and other volunteer workers of the church and parents of St. Matthew's Day School.

All types of good second-hand clothing are for sale, as well as shoes, cooking utensils, trinkets, books and some small items of furniture.

The proceeds from the sales support local mission work and help in special projects for the Parish Day School. Hours of operation at present are Tuesday mornings and each Friday and Saturday between the hours of 10 a.m. and 4 p.m. It is planned to keep the shop open at least five days a week beginning in the near future.

Donations of clothing and other articles in good condition are solicited and welcomed from all people in Pampa. A special feature is the consignment agreement. For example, if you have an article to be sold it will be placed on consignment in the Thrift Shop, a 30 percent commission is added to the sale price and the amount you wish for the article is paid to you when the article is sold. All merchandise for consignment has to be brought to the Thrift Shop on Tuesday mornings and the agreement signed. Mrs. Bruce Scott is in charge of this department.

Mrs. Schanefelt, the manager said, "We need especially men's sport jackets and children's clothing at this time." All articles are welcomed, however.

If you wish to donate articles to the Thrift Shop and can not bring them to 228 S. Cuyler you may call the Episcopal Church, 4-8894, and arrangements for pick up can be made.

Brotherhood Seis Man-Boy Meeting For Monday Night

Therman O. Upshaw, pastor of Pampa's Central Baptist Church will have as his sermon subject Sunday morning, "Life is an Echo." The scripture reference is Matthew 7:2. "For with what judgment ye judge, ye shall be judged; and with what measure ye mete, it shall be measured to you again." His subject Sunday night is "Too Busy for God." The scripture reference is 1 Kings 20:38-40.

Sunday morning the choir will sing an arrangement of "Wonderful Grace of Jesus." For the offertory Sunday evening the choir will sing the hymn "Prayer Changes Things."

The Baptist Brotherhood will meet Monday evening at 7 p.m. This will be the annual "Man and Boy" program. Every man is being encouraged to bring a boy to this meeting. He may bring his own son or any other boy he wishes to bring. A chili supper will be served beginning at 7 p.m.

A district convention will be held at First Baptist Church, Borger, Tuesday, morning beginning at 10 a.m. An Intermediate Valentine party will be held Thursday evening.

The following activities are scheduled for the coming week: Monday: 6:30 a.m. Prayer Group; 6:30 p.m. Asbury Class Party; 7 p.m. Troop 80; 7:30 p.m. Circle 6; 8:30 p.m. Prayer Group; Tuesday: 10 a.m. Kindergarten Choir; Wednesday: 9:30 a.m. W.S.C.S. Executive meeting; 10 a.m. Kindergarten Choir; 4 p.m. Carol and Wesley Chorus; 7 p.m. Family Night; Thursday: 9:30 a.m. Prayer Group; 9:30 a.m. Crusaders Class Party; 4 p.m. Primary Choir; 4 p.m. Webelos Scouts; 7:30 p.m. Sanctuary Singers; 7:30 p.m. Winsome Class Party; Friday: 7 p.m. Sweetheart Banquet of the Friendship Class; Fellowship Hall, Saturday; 11 a.m. Bell Choir.

Healing Power Of Revelation To Be Studied

The healing power of spiritual enlightenment will be emphasized at Christian Science services Sunday.

Paul's healing of the cripple at Lystra, as related in the Book of Acts (Ch. 14), will be included in the Scriptural selections in the lesson-sermon entitled "Spirit".

A correlative passage to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy declares (324:19): "Paul was not at first a disciple of Jesus but a persecutor of Jesus' followers. When the truth first appeared to him in Sejeze, Paul was made blind, and his blindness was felt; but spiritual light soon enabled him to follow the example and teachings of Jesus," healing the sick and preaching Christianity throughout Asia Minor, Greece, and even in imperial Rome.

The Golden Text is from I John (4:13): "We are of God; hereby know we that we dwell in him, and he in us, because he hath given us of his Spirit."

Convention Will Meet In Borger

The District Two Baptist Convention will meet Tuesday with the First Baptist Church, Borger. This convention will be for the Baptist churches of the entire Panhandle. Rev. Taft Hollaway of the Tascosa Baptist Church, Amarillo, will call the meeting to order at 10 a.m. Those appearing on the morning program will be Winfred Walker, Amarillo; Don Cameron, Borger; Darwin Farmer and Dr. Woodrow Fuller of Dallas; Rev. Russell Pogue of Wellington will preach the Convention sermon at 11:30 a.m.

Following a luncheon served by the host church, Rev. Ed Byers of Shamrock will call the afternoon session together at 1:30 p.m. Rev. Joe Vernon of Canadian, and the following of Amarillo, Buford Foster, Earl Rogers, Mrs. C. J. Humphrey, and Dr. Carl Estes will appear on the program.

The evening session beginning at 6:30 will be highlighted by a message by Dr. Warren Hultgren, pastor of the First Baptist Church, Tulsa, Okla. Others appearing on the evening program will be Argus Burnett, Winfred Walker, O. C. Curtis, and C. J. Humphrey all of Amarillo.

Sunday Activities Scheduled At First Methodist Church

"Why I Love My Church" will be the sermon topic discussed by Rev. Woodrow Adcock at the 20 morning services of the Pampa First Methodist Church Sunday at 8:30 and 10:55. The 8:30 a.m. service is broadcast over Radio Station KPDM. The special music for this service will be Homdel's, "Hail Hero-Workers," sung by the Carol and Wesley Choirs. The special music for the 10:55 a.m. service will be Hayden's "The Heavens Are Telling," sung by the Sanctuary Singers.

Sunday evening Fellowship will begin at 6:30 p.m. with a light supper for entire family in Fellowship Hall. At 7:30 p.m. children, youth, and adults will separate for an hour of planned activities. "Encourage Yourself" will be the subject Rev. Adcock will use for the Sunday night service at 7:30 p.m. The special music will be Welsh's, "God Who Made Earth and Heaven" sung by the MYF Singers.

The second session of the Church Wide Mission Study on Methodism in Alaska and Hawaii will be held at 6:30 p.m. as a part of the adult Sunday Evening Fellowship. Roy Fowler will be conducting this course. The Adult Panel Discussion based on the religious film, "Talk Back," viewed on KQBC Sunday at 3:30 p.m., will have as its theme, "What's Right or Wrong?" "What It Right or Wrong?" will group meets in the chapel and will have Bob Curry, Dale Stone, Arnold Pettiford, Mrs. H. H. Boynton, Mrs. Cletus Mitchell, and Mrs. W. W. Bryant as panel moderators, with Rev. Adcock as moderator.

MURPHYSBORO, DECEMBER, 1957—Possibly intended as a Christmas present a week later, a doll lies before a house swept from its foundation in Murphysboro, Ill., by the Dec. 18, 1957, tornado. The savage storm which swept the small city in the south of the state, left nine dead, 61 injured and 110 homes destroyed.

United Appeal Will Climax With 'Great Hour Of Sharing'

NEW YORK, N.Y. (SPL)—More than \$11,250,000 is being asked by Protestant churches in America for their 1953 program of assistance to homeless, hungry and destitute people abroad.

Announcement of this goal for the 1953 United Appeal for Overseas Relief and Reconstruction—an \$89,000,000 increase over 1952—was made today by Harper Sibley, chairman of Church World Service.

Harper Sibley of the 1953 United Appeal will be the "One Great Hour of Sharing" observances on Sunday, May 8. When designated offerings for overseas aid will be made at special simultaneous services in thousands of American churches.

The 1953 One Great Hour of Sharing-United Appeal is the 11th annual joint financial effort of major American denominations working concertedly in worldwide ministry to need.

Funds realized through the United Appeal will make possible both individual denominational programs of overseas assistance and cooperative projects carried on through Church World Service, National Council of Churches, which sponsors the appeal in the interest of its member communions.

Because these projects are carried on largely by dedicated volunteer personnel, they are effected at minimum cost, Sibley declared, thus bringing assistance to a maximum number of those in distress.

men, women and children suffering from floods, earthquakes and other disasters, those uprooted and suffering from war and aggression and the ill, the underprivileged and undernourished in more than 40 countries.

Providing food, clothing, refugee assistance and programs to teach new skills and introduce new vocations, helping those in need and increasing their self-reliance are the major objectives of the appeal.

UPSHAW TO PREACH IN FAR NORTH

Rev. Therman Upshaw, Pampa, and 25 other Southern Baptist ministers will leave the United States Feb. 19 on a chartered flight to Alaska. Upshaw, pastor of the Central Baptist Church, will preach in Kookuk and Selawick, Eskimo villages above the Arctic Circle.

At Kookuk Upshaw will join Richard Lunsford, a former Pampa pastor, at the Baptist Mission. Kookuk is a village of 20 huts and a trading post, according to Upshaw. Lunsford has been at the mission two years since attending Oklahoma Baptist University, Shawnee, Okla.

Upshaw will spend a week in each village. He expects to arrive in Kookuk Feb. 21, undaunted by Lunsford's report that the mercury has soared to zero.

Since English is the Eskimo's language, Upshaw anticipates little difficulty with getting his points across. He and Lunsford plan to take a dog sled up into the mountains to do further mission work.

The pastor is expected back in Pampa March 10 with a new slant on the Alaskan situation.

Come to Church

The Weekly Message Of Inspiration

REV. EARL MADDEX
Fellowship Baptist Church
"Clearing The Way For God"

Joshua 1:3 — "And Joshua said unto the people, Sanctify yourselves: For tomorrow the Lord will do wonders among you." We notice in this chapter that Joshua rose early in the morning and they removed from Shittim and came to Jordan, he and all the Children of Israel and lodged there before they passed over and there waited three days. These Jews were on their way to the Promised Land when they approached the swollen rough Jordan in front, that is where God told their leader Joshua to have them to sanctify themselves for the Lord would wonders among them. The word sanctify or sanctification means, set apart and when we are set apart by God then great things can be accomplished. When we are saved we then and there are set apart or sanctified for the service of God. I believe in the hour which we live we are facing Jordan today and we want to clear the way for God to work in our persons, lives that all doubts may be removed, that all temptations may be removed, that all sin may be removed, secret, unconfessed sins must be removed, Ps. 66:18. "If I regard iniquity in my heart the Lord will not hear me."

God also says in Job 34:21, 22. "For his eyes are upon the ways of man, and he seeth all his goings. There is no darkness, nor shadow of death, where the workers of iniquity may hide themselves," so they must be cast aside and it must be clear before Him. So many church members have a lack of spiritual power with no influence, all because that so often times the case is we have been wallowing around in the dirty slimy gutter of sin. We must ask as David of Old that the spotlight from Glory be turned on our soul. Let us look and see why this spiritual power no longer exists as it once did? How do we live in our homes?

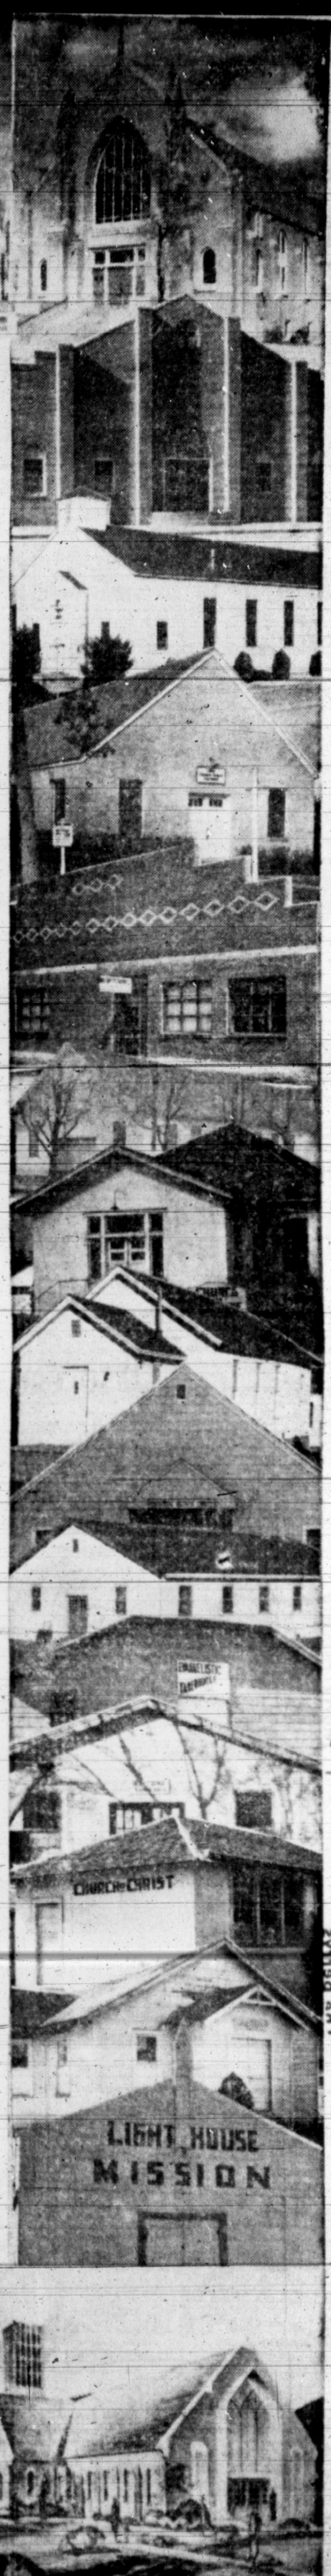

What do our neighbors think of us? Can we invite them to church with us? Can we talk to them about Jesus when they come with us or will our conversation be about the last card game we were in together, or the last movie we saw together? Is our conversation the same as we should have them in the Fifth Step?

My good neighbor we have a standard to live by and a stand to be taken in this troublesome world we are fronted with Jordan and will have cross if we expect to get over into the land of Canaan where the milk and honey flow. One of the most important steps in anyone's life today, is to know we are saved, lives filled with the Holy Spirit, then our lives will be effective in the service for Christ. Homes must be surrounded with truth, a lighthouse for Jesus. Churches must hold high the banner of the Cross above sin and corruption of a lost world. Every member must be in their place for God. In your community and mine there are souls who need to be won and added to the church. Salvation must crowd out sin and pleasure.

God alone can split the waters so we can cross on the other side. He has done it in times past with Moses, Joshua, Silas, Peter, Sunday, Moody and Wesley. He can do it again with this old Black Book, the Word of God. It is to test us, to guide us, to inspire us, and to warn us. The blood that is in it is to save us, redeem us, cleanse us. The Spirit that is in it, is to guide us, to instruct us, to support us as He has those who have gone on before us. He has promised to do so. II Chron. 7:14. "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." Also in Jer. 33:3. "Call unto me, and I will answer thee, and show thee great and mighty things, which thou knowest not."

Let us clear the way for God that He may work in our lives. Every saved person must clear the way for God in the homes, church, towns and nations. Let us do it now. Exposing our lives to the white holiness of God, crying for Grace to put away evil, to take up the cross, to clear the way for an old fashioned, Holy Spirit, God sent revival, Well Glory. That is the far reaching cry of today. We need a revival of genuine salvation by Grace through faith are you saved God's way, a Holy Ghost Revival, God sent, devil killing, and soul saving. The message is the same today as it has ever been, we can back that statement by Rom. 1:16. "For I am not ashamed of the Gospel of Christ; for it is the power of God unto salvation to every one that believeth; to the Jew first, and also the Greek." Also the same great compassion is found in Matt. 28:19, 20. "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost. Teaching them to observe all things whatsoever I have commanded you: and lo, I am with you always, even unto the end of the world. Amen."

The witnesses are the same, God's equipment is the same, same Holy Spirit. John. 14:16. "And I will pray the Father, and he shall give you another Comforter, that he may abide with you forever." Leads, guides, convicts, saves, blesses and keeps. The necessity of salvation is just the same, "you must be born again." Saved the Bible Way. Amen.

Outfielder Jim Landis thought it was a mistake. Maybe the White Sox made some kind of clerical error and had sent him the wrong contract. But no, there was his name — "James H. Landis" — neatly typed in the proper place.

The 24-year-old outfielder took another look at the salary figure the club offered. Wow! It seemed almost too good to be true.

Landis quickly got hold of a pen and signed the contract which called for an estimated \$5,000 raise. Then he wrote a letter to Vice President Charles Comiskey. In the letter, he said the raise was so "substantial" that he simply couldn't express his appreciation on paper.

Brother, they just don't write letters like that any more. And the White Sox were so proud of his one that they told the press about it.

Key Player
Landis was instrumental in helping the White Sox finish second last season after they got off a horrible start. Bating a sickly

Industrial League

Perryton Jaycees backed into first place in the see-saw Industrial League race Thursday night, as Holmes Conoco was defeated by Hoover Oil, 72-52. Holmes and Perryton had been tied for first place.

Hoover Oil, Holmes, and Shamrock are all tied for second place as the race hits the stretch. Hoover Oil plays Shamrock Monday, and Shamrock still must play Perryton.

In Tuesday night games this week, Perryton ripped Citizens Bank, 54-53, and Shamrock defeated Holmes Conoco 77-66.

Four Hooper Oilers hit double figures Thursday — Gene Gibson with 25, Jimmy Enloe 14, Sutton 11, and James Gallimore 10. For Holmes Conoco, Gene Brown hit 20 and Bill Phillips netted 13.

Harvesters Lead District By Three, With Five Left

By RED GRIGGS
Daily News Sports Editor

The Pampa Harvesters, riding high in District 3-4A with a three-game lead over the runnerups, entertain the Lubbock Westerners tonight at 8 p. m. in Harvester Field House. Pampa will be going for its 36th straight win.

The Shockers will be trying for their 18th victory in 21 starts in the B game against the Lubbock Cowboys, beginning at 6:30 p. m. In their last contest the Shockers romped over another Lubbock team, the Monterey Lancers, by 62-42.

The Harvesters, who now have a 9-0 district record with only five loop games remaining, defeated the Westerners earlier this year in Lubbock, 71-57. Coach Clifton McNeely used reserves much of the time in marking up that triumph.

The first Harvester game seemed to be a bad turning point for the Lubbock team. Up to that point, they had won 10 games and lost four, but since then they have lost six of seven contests — including their last three in a row.

Lubbock, which was picked for the cellar in pre-season polls, won't sink quite that far, thanks to Tascosa. However, it appears they won't finish above sixth or seventh. After threatening to become a contender early in the race, Lubbock has nosedived to a 2-7 loop record and a tie for sixth place with Monterey.

Bowling Meet Deadline Near

Entries for the city bowling tournament are scheduled to close today. Any person or team wishing to enter is urged to register at Harvester Bowl sometime today. Entry fee is \$3 per person for each event.

The tournament begins Feb. 14 and ends Feb. 22. Team bowling will be held Saturday, Feb. 14 and Friday and Saturday, Feb. 20-21. Doubles and singles events will be rolled on two Sundays, Feb. 15 and 22.

Defending champions in each division are as follows: team play, Gate Valley Shop; doubles, E. Matheson and R. Howell; singles, R. West.

About 90 team entries are anticipated for this year's tournament, along with 100 doubles and 200 singles entries. Trophies will be awarded to first place winners in team, doubles and singles divisions, and handicap-all events and scratch-all events. Sponsor of the winning team will also receive a trophy.

It depends on how he feels at game time," McNeely said. "This morning, Mike is still wearing a shoulder harness, and it will be two weeks before he can take it off.

Despite the harness and limited use of his right arm, Minor scored 11 points Tuesday against Monterey and apparently moved around the court and passed the ball without too much strain.

A natural right-hander, he made a few of his points left-handed.

Coyne Winborn is nearing the 400 mark in scoring, with 395, after two 20-point games last week and a 15 pointer this week. He led the team in scoring all three times, with 21 against Amarillo, 27 against Berger, and 15 against Monterey. The 27 was high for any Harvester this year.

Layne has scored 320 points, and Gindorf has tallied 236. Minor is close behind with 232, despite being out for almost two weeks with a dislocated shoulder.

Wrestling Saturday

Wrestling returns to Pampa Saturday night, after an absence of nearly two months. In the main event, the Kangaroos (Al Costello and Roy Heffernan), will go against Dory Funk and Sonny Meyers.

The first match begins at 8:30 p. m., at Top O' Texas Sportsman Club. Bob Geigel is promoter of the match, sponsored by Pampa Shrine Club.

In a semi-final match, Gory Guerrero will go against Iron Mike and Heffernan will wrestle the Myers in the curtain raiser.

Tickets are on sale at Levine's Department Store, Ring side seats are \$1.50, reserved seats \$1.25, and general admission \$1.00.

Pee Wee Results

In pee-wee basketball games Thursday, Woodrow Wilson sixth grade routed Baker sixth, 39-14, but Baker fifth edged Wilson fifth, 12-8; Austin sixth nipped Houston sixth 14-12, but Houston fifth swamped Austin fifth, 24-4; and Horace Mann sixth downed Lamar 22-10, but Lamar fifth routed Mann 17-4.

Roper of Wilson sixth was high point man for the day, with 20 points. Others hitting in double figures were Warren Head of Horace Mann sixth, 14, and Steele of Baker sixth, 10.

Saturday sixth grade games are Sam Houston at Woodrow Wilson, Baker at Lamar, Stephen F. Austin at Horace Mann. Saturday's fifth grade schedule is Woodrow Wilson at Sam Houston; Lamar at Baker; and Horace Mann at Stephen F. Austin.

Lee Seventh Downs PJH

Danny Heil of Lee seventh realized the dream of every bench warmer Thursday, when he came off the bench in the last two minutes to sink the tie-breaking goal against Pampa Junior High seventh, Lee won, 22-18.

Heil's goal, and a succeeding bucket by Ricky Stewart, provided the margin of victory in a nip-buck starters are 6-2 Ron Tucker, more than two points difference in the score, until the final two minutes. Lee led at halftime, 9 to 7.

For Lee, Ricky Stewart made nine points, Gary Sikes seven, Gene Storrs three, Heil, two, and Joe Fisher one. For Pampa, Gregory and Hebert accounted for all the scoring, Gregory scored in and Hebert eight.

SHOCKER CAGERS — The 1958-59 Shocker basketball team has an outstanding 17-3 record for the year. They won 16 of 17 before hitting a slump and losing a couple last week. The B team cagers got back on the winning track Tuesday against Monterey, 65-42, and hope to take their 18th win tonight over the Lubbock Cow-

boys, at 6:30 p.m. The Shockers are, front row, from left — Bill Neslage, Pat Carter, Eben Warner, Harold Green; second row — Duke Garren, Jerry McGuire, Jim Wilburn, Don Curry; third row — Benji Richardson, Larry Strout, Coach Terry Cutley, Allen Wise, and Leslie Stanfield.

Most Pampa Boxers See Action Tonight

AMARILLO — After suffering an impressive decision, He was the opening night setback in the high school division, the Pampa boxing team will roll out its big guns for a full-fledged assault tonight, in both the open and high school divisions of the regional Golden Gloves tournament.

Glenn Ward, Jesse Ring, Charles Coffee, Dickie Wills, and Pete Garcia will all be in action tonight in open division. The six high school survivors, Dickie James, Kenny Powell, LUCY Durham, Norman Rexroat, Wesley Crites, and Juan San Miguel, are all slated for semi-final bouts tonight.

The tournament gets underway tonight at 7:30 p. m. and Saturday's finals will start at 8 p. m.

Pampa's high school hopes were jolted severely Wednesday when James Morse and Trent Olsen, two of the Optimist Club's heaviest punchers, were eliminated. Clark Morse also was eliminated Wednesday, as was Johnny Ironmonger.

Morse won one fight, but had to fight again and lost the second bout on a close decision.

Charles Coffee, Pampa's open featherweight, came through handsomely Wednesday by winning an

opening night setback in the high school division, the Pampa boxing team will roll out its big guns for a full-fledged assault tonight, in both the open and high school divisions of the regional Golden Gloves tournament.

In other open fights, Pete Garcia, a Durham boy fighting for the Pampa Optimist Club, will trade punches with Jimmy Bryant of Berger in a 112-pound scrap. Dickie Wills, 118, will fight Angelo Rosendo of Plainview; Jesse Ring will go against Gary Watt of Levelland in a welterweight bout, and Glenn Ward will fight Bob Wills of Amarillo Boxing Club, in a 160-pound clash.

Ring may face the roughest go-round since Watt has fought well over a hundred fights. Ring has a 97-14 record, but he has been in action only this year. He is reported to be in good shape, however.

The top high school division fight involving a Pampa boxer will be Kenny Powell vs. Durwood Williams, Williams won both the Pampa and Pampa district tournament, but he has been in action only this year. He is reported to be in good shape, however.

Charles Coffee, Pampa's open featherweight, came through handsomely Wednesday by winning an

Bradley Braves Top Seattle, Bid For Return to NIT Meet

By TIM MORIARTY
United Press International

The Bradley Braves, knocked off by Xavier (Ohio) in last year's National Invitation Basketball tournament, are already checking train schedules for a possible return trip to the New York jamboree.

And Chuck Orsborn's hotshots from Peoria, Ill., would like nothing better than a revenge meeting with Xavier, which went on to win the 1958 NIT championship after defeating Bradley, 72-62, in the quarter-finals.

Listed among the most-eligible candidates for the 1959 tournament by the NIT selection committee, Bradley looked mighty impressive Thursday night in snapping Seattle University's nine-

game victory streak, 86-70. The Christians bounced back later in the first half to take the lead but the Braves went ahead to stay on a basket by Bobby Joe Mason minutes later.

Mason contributed 17 points to Bradley started fast against the Seattle, opening an 8-0 bulge in the first three minutes. The visit to the NIT selection committee, Bradley looked mighty impressive Thursday night in snapping Seattle University's nine-

Looking Sideways

By WHITEY BOLTON
NEW YORK — YOU HAVE TO START with a basic consideration: Tennessee Williams talks to newspaper reporters just about as often as the Dominican Republic has a new President. But we had made arrangements. He was flying to Havana at 2 p.m. and he said if I didn't mind talking as he packed, I could cover by his house in East 65th Street about 11:30 a.m. So I got up early in the country and chatted up a few questions which might turn out pertinently and drove into town. The telephone rang at the office. He had decided not to go to Havana, after all, and since I had an off-Broadway show to cover that evening, how about coming to the house at 6 p.m. for a simple dinner during which we could talk? It was set up that way.

Ignorance Is Bliss

By HENRY McLEMORE
I don't know whether they should be imprisoned, deported, made to milk a cow from the wrong side, or just taken out and set up as archery targets. But I do know that something should be done about them — something drastic.

Hankering

How many husbands could pass those Are You A Good Husband tests? Many a husband has thought he was a good husband until he came up against one of those quizzes, and found to his horror that he would have made a much better look-out for the Dillinger gang than a mate to some dear, sweet girl. I well remember the first time I put myself through the Are You A Good Husband pages. I felt so remorseful for ever having asked a woman to share her life with me that it was all I could do to keep myself from going to the corner drugstore and killing myself with banana splits.

Answer to Previous Puzzle

CRACKER BARREL
History, to those with long memories, sometimes seems to be an eternal con game. Back in the 30's when Batista came to power in what was called "The Sergeant's Revolt", the newspapers were filled with shots of bloody massacres of the former rulers of Havana. Young "liberals" such as I was then didn't like it but were necessary against enemies of the people. Batista hummed it up, striking postures like a statue of an avenging angel on street parade floats. But when he hoisted a day out of Cuba last New Year's Day, his main concern seemed to be loot. And Castro's boys began killing by their own "Decree" in the name of the people's justice. It all seemed pretty familiar and pretty discouraging.

Windshields May Rate Insurance

By JACK VANDENBERG
UPI Automobile Editor

DETROIT (UPI)—Insurance companies are considering separating normal automotive insurance from insurance on automobile windshields, a spokesman for a group of companies said Saturday.

The spokesman, who asked to remain anonymous, said the trend toward larger and more complex windshields is making it too expensive for the insurance companies to handle glass damage under the normal automobile policies.

"We are faced with a choice of hiking automobile insurance rates to cover the losses incurred by glass breakage or issuing separate policies for the glass and the rest of the automobile," the spokesman said. "Losses are mounting faster than rates."

Another spokesman, Lee Matthews of the Michigan Insurance Information Service, said the cost of repairing windshields was climbing faster than costs of repairing any other portion of a car.

Cites Repair Increases

As examples of increasing repair costs, Matthews cited these:

figures on one of the "low-cost three" automobiles:

- Fender and light—1953, \$50.85; 1957, \$71.70; up 41 per cent.
- Bumper Assembly—1953, \$29.70; 1957, \$56.75; up 91 per cent.
- Door—1953, \$108.43; 1957, \$129.25; up 20 per cent.
- Windshield—1953, \$37.97; 1957, \$74.48; up 96 per cent.

Matthews said figures for 1958 were not available yet, but similar change generally were even more extreme in these items last year and "undoubtedly further reflected higher repair costs."

"Automotive design changes in recent years are having a major effect on accident repair costs," Matthews said. "These changes include bumper assemblies which are more decorative than resistive, larger fender panels made of lighter metals, more complex formations, multiple headlights, more trim, larger and sculptured doors and one-piece windshields with both horizontal and vertical curvature."

Rear Windows Wrap Around

The 1959 models have particularly large increases in the glass area and windshields are much more complex, curving into the roof line in many cases. Rear windows have followed the windshield design to the point where they too now wrap around the car.

All these mean insurance companies have to pay out more when a car is involved in an accident but it is particularly true of glass.

Windshields alone on the 1959 models range in replacement costs from just under \$100 to just over \$175, an increase of almost 500 per cent since 1953.

When these more expensive items are placed on a new car, part of their cost may be absorbed by reduction in production costs of other parts of the car. But when they have to be replaced, the insurance companies have to pay the full cost of the items.

And insurance company costs are reflected in higher rates—either directly through the rates for one policy or indirectly through requiring the motorist to have separate policies for his car and the glass on the car.

Bankers Trust Co. and Manufacturers Trust Co. announced they have broken off merger talks because they were unable to come up with a "mutually satisfactory basis on which such a merger might be effected." The merger would have created a fourth New York City bank with resources in excess of five million dollars.

The Department of Agriculture will announce within the next few days a new export subsidy program designed to recapture for the U.S. its share of the world cotton market, an informant source told United Press International. The informant said the program would apply to the new marketing season, which starts Aug. 1.

Shipments of finished steel products from steel mills amounted to 59,314,423 net tons last year, against 79,900,000 in 1958, the American Iron & Steel Institute reported. Of the major markets for finished steel, warehouses and distributors received 19 per cent of last year's shipments and automotive users 17.6 per cent.

Treasury Secretary Robert B. Anderson said the administration will not submit any recommendations for general increases or reductions in taxes this year. At the same time Budget Director Maurice H. Stans held out the hope for lower taxes "within the next year or two."

Red Astronomer Claims All Earth Clocks Running Slow

By DARRELL GARWOOD
United Press International

WASHINGTON (UPI)—A Russian woman astronomer's visit to the United States has highlighted the odd fact that all perfectly accurate clocks set to earthly time currently are running too slow.

According to Dr. William Markowitz, director of the time service at the U.S. Naval Observatory, the reason is that the earth varies slightly in its rate of rotation whereas the moon pursues a steady course that makes it the most accurate clock available.

The earthly time loss is only fourteen millionths of a second per day. But that is unacceptable for many scientific purposes.

The "atomic clock," for example, is geared to the frequency of the vibrations of cesium atoms—more than a billion vibrations per second. And the present time loss is enough to introduce an error of 165 parts in 10 billion in the length of a second.

Russian Is Enthusiastic

The Soviet scientist, Dr. Alla G. Masovich, toured the United States last month and later expressed great enthusiasm over one of the naval observatory's electronic devices that help determine the positions of the moon and stars.

She said Russia had no similar piece of equipment, and that it should be installed to save scientists' time for "serious work."

The instrument is called a "precision measuring engine."

The "engine" takes from a photographic plate the co-ordinates of points on the moon and of surrounding stars, and records these on punch cards.

The cards then are fed into a computer for a quick determination goes on continuously for the moon's exact position. The operation goes on continuously for the purpose of determining what time it is, by lunar or "epimeris" time.

Earth's Rotation Varies

Formerly, Dr. Markowitz said, the moon was thought to be acting up in its orbit, but now it is known that the earth varies in its rate of rotation from season to season, from year to year, and apparently from era to era.

The accuracy of the moon was established more than two years ago when the frequency of cesium was determined by the naval observatory in cooperation with the National Physical Laboratory in Tiddington, England.

By Greenwich mean time, the cesium frequency showed unaccountable variations, whereas by the more stable lunar time the frequency could be pinned down to a steady 9,192,631,770 vibrations per second—plus or minus twenty.

A more recent determination shows seasonal variations. To get true time requires adding 35 thousandths of a second in May and subtracting 20 thousandths of a second in October. This could be because of the directions in which the winds blow.

Tide's Effect Is Negligible

Altogether in the last 60 years the earth has dropped 31 seconds from a time schedule based on a "perfect clock" determination of the 24 hour day.

This slowing down, according to Dr. Markowitz, is not the "one caused by the tides." That amounts to only one thousandth of a second per century.

But from era to era, the earth's spin may either speed up or slow down for unexplained reasons. There have been times in the last 60 years when it has temporarily speeded up, only to fall back for a net loss.

Chuckles

MORE PROBLEMS

VERONA, Italy (UPI)—Traffic police chief Pino Ballerini and city traffic adviser Amilcare Arcadi emerged from a meeting to find their cars had been ticketed for illegal parking.

CHICAGO (UPI)—Leonard Lowenstein, 32, explained today why he fled from a policeman, only to wind up with eight tickets for reckless driving, speeding, improper turns and going through a red light.

"I didn't want to get a ticket," he said.

WRONG DOOR

CHICAGO (UPI)—All Frank Randall wanted to do at International Airport Thursday was to mail a package to Afghanistan.

But he opened the wrong door and found himself in a "restricted area." Before he was allowed out, he had to be vaccinated for smallpox.

FORGETS KEY

KNOXVILLE, Tenn. (UPI)—Police who raced to the city hall to answer a burglar alarm found city law director John Duncan climbing through a window.

He had forgotten his key.

This Home Recipe Takes Off Ugly Fat

Take off ugly fat quickly, easily and without starvation diet or slow-down for unexplained reasons. There have been times in the last 60 years when it has temporarily speeded up, only to fall back for a net loss.
