## Big 3 Will Spurn A Withdrawal Pact

By STEWART HENSLEY  
United Press International

WASHINGTON (UPI)—The Western Big Three have flatly ruled out recognition of Communist East Germany as part of any deal with Russia over Berlin.

The United States, Britain and France also have told the 15-nation NATO council that they will spurn any security pact with the Soviet Union which would require withdrawal of American, British and Canadian forces from the European continent.

These developments were reported today as the council, holding its 10th anniversary meeting here, continued its discussions of the Soviet threat to Berlin.

British Foreign Secretary Selwyn Lloyd, speaking on behalf of the Big Three at Thursday's council session, pledged efforts to make any security agreements with Russia in Central Europe conditional upon Soviet willingness to proceed with reunification of Germany.

Acting Secretary of State Christian Herter told the council he believed the Berlin crisis could be settled by negotiations "and not force" if the free world combined firmness with a readiness to negotiate on any reasonable basis.

Herter promised that America's full air and missile strength would remain behind the free world in the Berlin crisis. He said the U.S. striking power continues "to constitute a solid deterrent to any Soviet plans for a general war for the foreseeable future."

French Foreign Minister Maurice Couve de Murville said the Allies were extremely firm on two points:

—The right of the Western powers to stay in Berlin until there is a final German settlement.

—No recognition of Communist East Germany in an effort to get a Berlin deal.

Couve de Murville gave the council a report on Western military plans which would be put into operation if "Russia goes through with its threat to turn East Berlin over to the German Reds and let them control Allied routes to West Berlin. Officials declined to discuss the plans.

NATO spokesmen denied that the Allies were divided on the question of how to negotiate on Berlin and Germany at the foreign-ministers meeting scheduled to begin in Geneva May 11.

They said the United States, Britain and France were in agreement on "general principles," although they had yet to work out bargaining details.

The council continues its sessions through Saturday when a final communiqué will be issued.

Following the discussion of Berlin, German and European problems, the ministers planned to turn to consideration of problems in the Middle East and elsewhere.

## NATO Comes Through Ten Troubled Years

The 10th anniversary of the North Atlantic Treaty Organization (NATO) draws salute, from crewmen of the American attack carrier USS Franklin D. Roosevelt on maneuvers in the Mediterranean on April 4, 1949, 12 nations — Belgium, Britain, Canada, Denmark, France, Iceland, Italy, Luxembourg, The Netherlands, Norway, Portugal and the United States—banded together against Communist advances in eastern Europe, Greece and Turkey joined in 1951, West Germany in 1955. The 15 member countries and their possessions (in black on Newsmap, left) cover 7.8 million square miles and have 450 million people. Their total armed forces exceed 5.5 million men. While an attack against one member "shall be considered against them all," each country retains full independence of decision and action.

## Dalai Lama Given Asylum By India

By EARNEST HOBRECHT  
United Press International

NEW DELHI (UPI)—India granted diplomatic asylum today to the Dalai Lama and ordered strong security measures to protect the 23-year-old god-king of Tibet against Chinese Communist attempts to kidnap him.

The Dalai Lama, revered by Buddhists in India and Tibet alike as a living Buddha, fled with his advisers ahead of the pursuing Chinese Communist army through the most difficult terrain in the world and arrived in India safe and well.

His safe arrival—announced to a cheering Parliament by Prime Minister Jawaharlal Nehru—generally believed news of his escape would set off a new and greater anti-Communist uprising throughout Tibet.

Report Rebel Victories

Already there were reports of major victories by the rebellious Khamba tribesmen of Tibet who consider any one of them, besides the Dalai Lama, as the equal of at least 10 Chinese Communist soldiers. With the Dalai Lama safely in India they now had a rallying point in their struggle for freedom.

There was speculation the Dalai Lama might go to New York to present Tibet's case before the United Nations. A dispatch from Taipei said Nationalist China also was studying the possibility of bringing up the question in the United Nations.

The Indian Foreign Office officially notified Communist China it had granted asylum to the Dalai Lama. It gave a copy of Nehru's statement in Parliament to the Peiping envoy in New Delhi.

Chinese embassy officials refused to comment.

Sources close to high Indian government quarters said the Dalai Lama had arrived in India Tuesday and had been moved once since.

They said he was expected to reach Tezpur, the nearest railroad about 100 miles south of the Tibetan border, in about 15 days. Most of the journey must be made by pony over extremely rough terrain, they said.

Some Indian officials believed the Chinese would demand that India hand back the Dalai Lama who with his followers outbittered the Reds and dodged a massive land and air campaign to reach the Indian border 150 air miles south of the Tibetan capital of Lhasa.

But Nehru's government was not disposed to do so despite Communist pressure and a rapid breakdown in the once-close relations between Peiping and New Delhi. There was an overwhelming clamor in India to grant him asylum and that India's leaders could not ignore.

Keep Arrival Secret

For two weeks the frail Lama accompanied by his spiritual advisers and his cabinet had stayed across the roof of the world where peaks tower 28,000 feet into the air. Red ground troops, paratroopers and spot planes failed to get him.

## \$300 MILLION ASKED New State Tax Bill In Making

By LLOYD LARABEE  
United Press International

AUSTIN (UPI)—The Texas House stayed in session today to take final action on the first Gov. Price Daniel's budget-balancing bill and tackle number two.

The lower chamber was expected to give speedy approval to the administration's "bookkeeping bill" and start debate on the watered-down version of the controversial abandoned property proposal. Both are designed to whittle the deficit expected to amount to 65 million dollars during the present fiscal year.

Meanwhile, a special five-man subcommittee of the House Revenue and Taxation Committee rolled up its sleeves and started organizing the huge task of writing a brand new tax bill to finance state spending for the next two years.

House Speaker Waggoner Carr has asked for a bill to produce some 300 million dollars from new sources as well as a bigger bite from present levies.

The special committee is composed of Reps. H. J. (Doc) Blanchard of Lubbock, Joe Burkett of Kerrville, Warren C. (Red) Cowan of Fort Worth, Wesley Roberts of Lamesa and Ben Atwell of Hutchins.

Must Be "Broad-Based"

The committee has dozens of tax bills already introduced to use for material in the new measure. The idea is to come up with a "broad-based tax" law that will give no appearance of being a general sales tax or personal income tax.

Rep. V. L. (Bo) Ramsey of Beckville, chairman of the Revenue and Taxation Committee, told the five-man group to be ready with the proposal no later than April 13.

"By that date," he said, "the committee will know the amount of money we will need based upon the general appropriations bill."

The lower chamber is scheduled to start debate Monday on the spending program for the next year.

## 'Bunny' Shultz Elected New Lions President

B. R. "Bunny" Shultz, coordinator of the annual Lions Club Minstrel, was elected president of the Pampa Nood Lions Club at a weekly meeting Thursday.

W. L. Veale was elected first vice president and Norman Henry, second vice president.

O. K. Gaylor was re-elected secretary-treasurer. Other officers named were Raymond Darsey, Lion tamer; and Bill Garrett, tail twister. New directors are E. Gunn, Max Dressell and Roy Taylor.

Shultz succeeds Joe Tooley as president. Veale will take over from Woodrow Adcock as first vice president. Henry follows Ray Duncan to the second vice presidency. The present Lion tamer is Roy Taylor and tail twister, E. E. "Pinky" Shultz.

## Debbie Sets Eddie Free To Wed Liz

By VERNON SCOTT  
UPI Hollywood Correspondent

HOLLYWOOD (UPI)—Actress Debbie Reynolds has consented to a Nevada "quickie" divorce which will free singer Eddie Fisher in six weeks to marry Elizabeth Taylor.

"I am so happy I almost passed out with the news," was the reaction of raven-haired Liz Taylor when she learned of Miss Reynolds' consent.

"Tremendous!" shouted Fisher. "This is great. We are both happy and thrilled. We will get married here in Nevada six weeks from last Sunday."

The 30-year-old singer, appearing at a Las Vegas, Nev. hotel where she opened Wednesday night and where on the same night Miss Taylor made the first public announcement of their wedding plans, declined to give the location for the proposed marriage.

Asked if it would be in Las Vegas, she said:

"No, that would be too public."

Miss Reynolds, 27-year-old mother of the singer's two children, claimed she was unaware of Fisher's marriage announcement when she arrived here late Thursday by plane from a movie location in Spain.

"This all has caught me by surprise," she said. "I find it very difficult to always be informed second hand and asked questions that are very personal and mean a great deal to my life."

"I am going to grant the consent because of the way the situation was handled," she said.

## EYE ALTER STEPS! Bumping Charges Dropped By AF

By RONALD F. KRISS  
United Press International

TOKYO (UPI)—The Air Force said today it would drop charges against a military officer who was accused of bumping passengers from the plane that took off for California March 26 with eight empty seats.

An Air Force spokesman said someone added 6 to 34 and got it wrong, making it appear there were seven to many passengers aboard the 41-seat C-119 transport.

The Air Force also said it was a serious "administrative error" that allowed the plane to take off from Tachikawa Air Base with the empty seats and others filled with passengers on regular leave, while the enlisted men were left behind.

Platt on Low Priority

The group included five enlisted men, all with higher priorities than some of the passengers aboard. They were rushing home because of deaths or other crises in their families. A lieutenant and a civilian, who had no priority, also were in the group.

Officials said Platt, his wife and four children, were traveling on the lowest priority—a space-available basis—and could not bump anyone under official regulations.

Platt, commander of Military Air Transport Service at Tachikawa, requested space aboard a plane bound for Hawaii.

The "Pacific Express" happened to be taking off that evening.

"There was room for everybody," the spokesman explained, because Platt and his family were on the list.

## Polls Open At 7 Here Tomorrow

"He sure to vote" seems to be an overworked phrase in connection with elections, but voting is important and Saturday that process will be used to elect two of four candidates to seats on the Pampa School Board.

Polls will open at 7 a.m. and close at 3 p.m. The single polling place will be at the Pampa Junior High building.

Candidates include two incumbents, Rex Rose and Jim Nation, and two challengers, Warren Fatheree and Elmer Wilson.

Voters Saturday must be at least 21, and must have paid their poll taxes. A qualified voter must be a resident of Texas one year and a resident of the Pampa Independent School District six months. There are no property qualifications.

According to a report from County Tax Assessor—Collector Jack Beck, there are about 4,000 persons qualified to vote in Saturday's election. In the Dec. 6 election on a \$1,250 school bond issue 899 persons voted. At that time 6,000 voters were eligible.

## Teed Outlines Proposed New City Charter

"Pampa has grown tremendously. The present City Charter is no longer adequate to cover problems arising in a town of this size," Attorney Arthur Teed told members of the Pampa Noon Lions Club Thursday. Teed spoke again at a meeting of the Noon Kiwanis Club today.

A new charter proposal, submitted by a five-man committee, will come to a vote Tuesday at the City election. Citizens will have an opportunity to vote for or against the proposal. They may also vote for 15 men nominated for a New Charter Commission to write in their own choices.

Pampa is classed as a home rule city under the present charter, adopted in 1927. Since that time, legislation has been passed that would be beneficial to the city but under this Charter it cannot be used here. Teed mentioned annexation of territory outside the City limits and uniform insurance for City employees.

A new charter would save the city money in cases where it now would have to float a bond issue rather than pay cash. Teed explained that adjustments could be made in the financial set up if there were more leeway.

The ward system is antiquated, Teed stated. Pampa is divided into four wards but, owing to Pampa's growth, Ward 4 has most of the population. Commissioners complain that they do not represent their fair share of the people.

Teed said that the Charter Commission, if approved, would call on various members of the community for aid in framing a new charter. He emphasized that the venture would be a community rather than a political affair.

## Top O' Texas Wheat, Grain Needs Moisture

The general condition of the 1959 Top o' Texas wheat and small grain crop is very critical at this time, according to a report made Thursday by the Wheat Harvest Control Office in Amarillo.

"Moisture is urgently needed in most areas and insect infestations is being reported in some counties," the report added.

Latest reports from the Pampa-Canadian-Wheeler area indicate recent moisture will hold wheat prospects at their present level for several days. No abandonment has occurred.

The Amarillo-Canyon-Vega-Claude-Panhandle area reports dry land acreage is urgently in need of moisture, and even though this moisture is received soon, an average yield is not expected.

An average or better than average yield is expected from irrigated acreage if weather conditions are normal during the remaining growing season.

In the important Upper Panhandle, north of the Canadian River, greenbug infestation is becoming heavy and many farmers are now spraying. Moisture has been spotted during the last month ranging from none to 1/2 inch at Perryton.

However, high winds have removed much of the moisture received and additional rain is needed over most of the area. An excellent crop can be produced if weather conditions are favorable throughout the remaining growing season.

## Princess Grace To Have Appendix Out Saturday

LAUSANNE, Switzerland (UPI)—Dr. James A. Lehman said today he would take out Princess Grace of Monaco's appendix Saturday.

The Philadelphia surgeon and Kelly family physician said the operation would take place in the morning and that a bulletin would be issued after it is completed.

## Sugar Bowl Is Robbed of \$236

A burglar early this morning broke into the Sugar Bowl Bar, 859 W. Foster, and made his escape with \$236.

Kernedy told Pampa police today the bar was broken into through west window sometime between midnight and 2:30 a.m. Miss Kernedy said the money was hidden in a yellow bank sack.

In a second burglary Thursday night \$134 was taken from "The assistant principal's desk at Woodrow Wilson school. Police Lt. Danny Roan said entrance was gained through a window at the building's southwest corner. The money was in a small box.

## Three Hurt In Pair Of Area Accidents

Three persons were injured in two separate highway accidents Thursday afternoon and early this morning.

At 12:10 a.m. today two cars collided at the intersection of Price Rd. and the Amarillo highway, sending two men to Highland General hospital.

Injured were Wesley A. Baker, 24, of Borger, and Harold Thompson, 410 Gillespie. Lloyd Goad, 28, of Wheeler, suffered a badly bumped nose but was not hospitalized.

Baker, driving north on Price Rd., failed to stop at a sign, according to patrolmen, and was hit broadside by a 1957 Ford driven by Goad. Thompson was a passenger in the Baker car.

Goad, an employe at Cabot, was returning home from work. State Highway Patrolmen Foyce Logan and Travis Underwood said Baker will likely be cited following an investigation.

In a collision Thursday at 1:40 p.m. Silas Childress, driver of a farm tractor, was "shaken up badly" when struck from behind by a 1956 semi-trailer. The accident occurred on Highway 23 about one-half mile north of Wheeler.

Childress has been hospitalized but the extent of his injuries are not yet known.

The truck driver, Bascom Lee Colton, Tarrant, was arrested by highway patrol officers for driving under the influence of drugs.

PATIENCE IS IMPORTANT VIRTUE

# Advice To Aspiring Models: Money, Contacts, Patience Important Factors

By AILEEN SNODDY  
NEA Staff Correspondent  
NEW YORK (NEA) — Advice to young women from a map in the middle. Modeling is a dangerous field. Compared with most jobs it isn't solid or tangible. You can make \$750 to \$1,500 a week or you can make nothing. But one thing is certain. According to ex-news-papeman Kenneth Silver, 60 percent of the starry-eyed girls who call themselves models just want to carry a tote bag down Fifth Avenue.

Silver is a relative newcomer to the model agency field. To bolster his bank account he also operates a messenger service and a part-time employment agency.

He calls himself the "father-confessor" type of boss and believes young women seeking modeling careers.

Should come to New York with money in the bank.

Should have a definite agency contact.

Should have nerve, patience and belief in self.

A dedicated business in this, Silver claims, "despite a fuzzy reputation gleaned from a few newspaper characters."

"If a model isn't dedicated, she might as well get married, have 12 kids and relax."

To reach the ideal state as a highly paid fashion model, a girl should start at least by the time she is 20, sit for a year for illustrations, shoot with good photographers and learn the business.

Keeping the wolf away from the door in Manhattan—sometimes means two or three jobs for a model.

Clare Nelson, former Miss Pennsylvania, keeps two hit-or-miss professions going. She went from the Atlantic City boardwalk to Tommy Tucker's band and is now with the Conover Agency.

She had no training for her first job except hasty tips from Candy Jones, who now heads the Conover Agency's television division.

As a result, Miss Nelson went to her first bathing suit job and got a terrific case of stage fright.

"I called the agency for instructions. They told me to follow the model in front. But I was first."

Now she does modeling or acts as hostess and demonstrator at trade shows and company exhibits.

He does teenage handstand shows, sings commercials and records in a little girl voice for Epic. She also does test shots for photographers for settings and models for buyers in New York's garment district.

There are 300 to 400 successful models in New York. A model who makes a steady \$200 or more a week can be called a true model. But less successful models can make a respectable \$50 or \$90 a week showing the Seventh Avenue fashion lines.

Then there are television commercials, a big wonderful new field for the profession, however.

TV models differ from regular models because the camera does tricks that a still camera never does.

Candy says a girl thinking of TV modeling should be between 18 and 27 years old, between 5-foot-3 and 5-foot-7, have regular features with eyes not too close together, good diction and measure every time the phone rings—and it's my aunt I know she has some more bad news. The only time she calls my mother is when she has news that somebody died or somebody is getting a divorce or somebody has cancer. I am only 14 years old but even I know better than to call up with only bad news all the time. Do you think I am old enough to tell my aunt in a courteous way next time I see her that I wish she would call up my mother just once in her life and make her feel good?

Dear Fourteen: I don't advise 14-year-olds to criticize their elders, but your aunt could use a little common sense and convey good news occasionally. Perhaps an adult member of your family could make the helpful suggestion.

Dear Abby: I have been going with this boy (steady) a long time and we are very much in love. The only thing is he can't control himself. We plan to be married in three years. We hardly ever double-date, which is the trouble. Abby, I want our marriage to have a clean start. He says a boy is different but I'm sure that by denying him I'm right. How can I convince him I am right? I am 16 and he is 20.

Dear Confused: He knows you are right. He is only trying to wear down your resistance. Insist on double-dating to reduce the temptation. A 16-year-old girl would be wise to re-evaluate her opinion of a man who encourages her to abandon her moral code. He's selfish, and a selfish suitor makes a poor husband.

Dear Abby: I wasted two years of my life going with a "no-good louse. There isn't room enough in your column to print all the lowdown tricks he pulled on me. A girl I know (she works in the office I used to work in when I went with him) is now falling for his line, just like I did. I would like to tip her off to what kind of a hum he is, but wonder if you think she would appreciate the information? I hate to make a fool of myself.

is paid for a 13-week period. For each subsequent 13 weeks a commercial is used the performer gets repaid, without doing further work.

So if you feel sorry for a prominent star doing TV commercials, don't. If they're filmed, they can make from \$40,000 to \$60,000 annually, if not more.

Which is one reason a Manhattan magazine editor decided it was time for his six-month-old daughter to enter modeling.

And when he called an agency, a very business-like voice inquired, "Has she worked before?"

"No, she hasn't," he said. "But she is beautiful. How well you've painted the Happy Easter. Wisher. Now show it to Daddy and ask him what he thinks."

But when Hugh obeyed, all his father said was, "What do you think of it?"

The question disconcerted Hugh. Later as he undressed for bed, it began to make him angry. He recalled the card he'd taken in tracing the rabbit on the Easter card, the pride he'd felt when he'd turned it into a Grandma Rabbit by putting glasses on its nose and giving it a crayoned red egg.

He relived his struggle to align the letters of "Happy Easter Wishes" and the time he'd spent looking for the ruler that had made them even. And suddenly grabbing his bathrobe, ran downstairs to show to his father, "I don't care if you don't think my card is good! I think it's the best Easter card Grandma will get from anybody!"

His father was quite pleased with himself. So should we be, too, when instead of praising a child we have aroused his self-respect.

Because praise never guarantees anyone self-respect.

Praise is other people's feelings about our accomplishments. So people who get a lot of it sometimes get into the habit of evading their own feelings about what they do. They become so dependent on the critics' opinions that their own power to judge what they've done becomes paralyzed, making their own respect for it shadowy and unreal.

Actors, for example, are often unable to respect their performances as they give on opening nights and live in excruciating suspense. Until newspapers appear with opinions of them. Then they've applied all their skill and experience to playing their role well, they can feel no respect for their performance until some critic awards it his.

So when children clamor for our praise of school work or the way they've done some chore, it is wise to ask occasionally, "What do you think of what you've done?"

The refusal of praise may be exactly what is needed to arouse their awareness of the preservation skill and other assets which have produced the well-done work.

And that awareness, sometimes born in anger, like Hugh's, is what we're after. It's self-respect.

## MATURE PARENT LEATHER ELEGANCE

One night after finishing—the Easter card he'd designed for his Grandma. Hugh showed it to his mother. She was very enthusiastic. She said, "How beautiful! How well you've painted the Happy Easter. Wisher. Now show it to Daddy and ask him what he thinks."

## Fire Ravages 800 Acres

Fire, that raged three hours early Thursday afternoon, devoured about 800 acres of grassland 10 miles north of McLean.

Firemen from Pampa, Lefors and McLean, and some 35 oil field workers and ranchhands battled the wind-swept fire from a boat 11:30 a. m. to 2:45 p. m.

A water truck, property of the Day Trucking Co., was completely destroyed in the blaze after its wheels buried in loose dirt and sand.

Pampa Fire Chief Ernest Winborne reported the blaze spread over two sections of land owned by John Haines. The fire started from a trash blaze at the Mid-way village between Lefors and McLean.

## Lions Minstrel, 'Lovin Sam' Goes Over Big; Plays Tonite

Old and new faces shared the glimmer Thursday night at the 22nd annual Lions Club Minstrel opened at Pampa Junior High School. "Lovin Sam and His Shells From Alabama" will have one more merry go-round at 8 p. m. tonight.

Reserved seat tickets are sold out but a few general admissions are still available at Richard Drug. A chorus of 60 and a 10 piece Dixieland Band are the back-

ground against which singers and dancers trot out their Minstrelies. A kicking chorus of Beaux Arts dancers, followed by the chorus and band in "Lovin Sam," sets the pace of the show.

Sheriff Rufe Jordan, alias "Rufe us Gootus," seems to get better every year and he has something that Frank Sinatra doesn't have. This time the Sheriff sang "Carolina in the Morning."

Blond Kay Kotara from White Deer dances into Dixieland. End men are delighted with her jax dance.

The Delta Dolls, a new trio score with "Dinah." Girls for any mood are Sue and Ruth Guthrie and Linda Wilson.

Sissie Milton charms the audience with "The Fly." Sissy and her mother Maxine, the company's pianist, are Minstrel trouper from way back.

But you haven't heard anything until you've heard Dr. Joe Donaldson's "Chicken Song."

The first act ends with the band and chorus in "You're Gonna Lose Your Gal." In the second portion the end men take over with their version of "Night Court." Calvin and Joe men are arraigned. Pleas "Not Guilty" are unheard of in "Night Court."

"There'll Be Some Changes Made," sings Myrna Pope, a red-

headed high school wonder. Even under black make up, Miss Pope is a singing sensation who will not die out overnight.

Linda Moore, a fop dancer from White Deer, comes back for her second Minstrel and her dancing is pure night club.

Bob Garrison puts on a good act with the accordion. And out comes "12th Street Rag."

The second sensation of the evening is the flying balloons of Mary Ann Kelley and Ann Kennedy. Footwork and twirling it can't be beat.

The Dixie Belles, better known as the Millerton Trio, put on a real show with "Laxy River." Nancy Stevenson, Barbara Lunsford and Marilyn Myatt are the stars.

The entire cast and the Beaux Arts dancers join in the grand finale "When the Saints Go Marching In." And everything but the roof comes down.

## Oscar Telecast To Be Packed With Stars

By VERNON SCOTT  
UPI Hollywood Correspondent  
HOLLYWOOD (UPI) — More than 100 movie stars will be squeezed into the Academy Award telecast Monday night for the biggest jamboree in flimtown history.

Never before have so many stars appeared on one program. You name 'em, they'll be on the two-hour show—Ingrid Bergman, Clark Gable, Doris Day, Rock Hudson, Sophia Loren. Scores of stars who rarely appear on TV will be strutting their stuff in honor of Oscar night.

Six masters of ceremony, Bob Hope, David Niven, Tony Randall, Beth Tully, Sir Laurence Olivier and Jerry Lewis, are scheduled to fill the gaps between presentations. And there will be specialty acts aplenty to break up the dull doling out of statutes.

For instance, Burt Lancaster and Kirk Douglas—who also teamed last year—will sing and dance their way through "It's All Right with Me."

English imports Dana Wynter, Joan Collins and Angela Lansbury will warble "It's Bully Not to Be Nominated."

Rosalind Russell and Sammy Davis Jr. have brief bits, as do Miss Bergman, Cary Grant, William Holden and John Wayne.

An added fillip is the appearance of Eddie Fisher and Elizabeth Taylor in the same show. They will fly in from Las Vegas, Nev., for their stints. Debbie Reynolds had agreed to appear, too, but her movie commitments forced the ex-Mrs. Fisher to cancel out.

Maurice Chevalier will sing "Thank Heaven for Little Girls" to a bevy of beauties, including Barbara Rush, Terry Moore, Arlene Dahl and Sandra Dee.

## Girl Scout Leaders Will Take Training

Three women from the Top O' Texas Girl Scout Council will leave Saturday for Mo-Ranch, Hunt, Tex., to take a week-long Day Camp Director's Course, according to Mrs. K. R. Dodd, training chairman.

The women are Mrs. L. B. Paden and Mrs. Ben Graham, both of Pampa, and Mrs. Fred Wall of Skellytown. The course will include the director's responsibility for stimulating, guiding and coordinating the program; for selecting, training and supervising staff and for working with the day camp committee on promotion, development and maintenance of sites, business management and records and reports.

Prerequisites for the course include at least one year's experience with the Girl Scout program and experience in supervision of groups.

Mrs. Paden is now serving as neighborhood chairman for the Baker-Wilson neighborhood and has previous experience in Girl Scout work as leader of a Brownie troop, troop committee member of a Brownie and Senior troop, troop committee chairman of an Intermediate troop. She will direct Brownie Day Camp, Session II, to be held July 6 through July 11 at Camp Mel Davis, near Lefors.

Mrs. Wall, leader of a Senior Troop and Skellytown Troop Consultant, has previous Girl Scout experience as an Intermediate leader and leader at the Patrol-Troop Encampment at Palo Duro Canyon during the summer of 1958. She will direct the Intermediate Day Camp, to be held June 8 through June 13 at Camp Mel Davis.

Mrs. Graham, clerk-typist in the Girl Scout office, has served as leader of a Brownie troop, troop committee member in Brownie, Intermediate and Senior troops, troop organizer for Baker-Wilson neighborhood. She will direct Brownie Day Camp, Session I, June 15 through June 20 at Camp Mel Davis.

All three women have been unit leaders at Day Camp for several years.

The fourth Day Camp for Fly-Up Scouts, or girls just completing fourth grade, will be directed by Mrs. N. G. Kaiting, executive director.

Arrangements for the Council's four Day Camps are being made by the Day Camp sub-committee of the Council-Camping Committee. Mrs. James Hall and Mrs. Jack Seals are co-chairmen of the Day Camp sub-committee, and Mrs. Tony Smith is Camping Committee chairman.

LOS ANGELES (UPI) — Actor John Ireland, 43, former husband of actress Joanne Dru, filed a voluntary petition of bankruptcy in Federal Court Thursday. He will file a list of assets and liabilities within 10 days, after which a hearing will be held, according to bankruptcy referee Howard F. Calverley.

LONDON (UPI) — More than twice as many Americans as any other foreign nationality landed in Britain during 1958, the Home Office reported today. The report said 417,433 Americans came to Britain, more than half of them tourists.

## Raging Surf Takes Lives Of Two Men

WELLFLEET, Mass. (UPI) — Two fishermen were killed today and a third was reported missing when an 82-foot fishing vessel ran aground off this Cape Cod town and was battered by raging surf.

Four men were rescued by the Coast Guard. Two were hospitalized in poor condition.

The dead and missing were not immediately identified.

A Coast Guard cutter, answering an "incoherent" distress call early today, searched the foggy waters of the western coast of the cape and found the Paul Mingo being pounded by the surf on a shoal.

An amphibious "duck" from the Chatham life boat station brought three of the survivors ashore. The fourth was found on the beach.

The survivors were brought to the dispensary at Camp Wellfleet, an Army anti-aircraft installation.

One of the dead was taken on board the Coast Guard vessel. Another body was washed up on the beach.

Theresa Marak, Pampa High School senior, will represent the Pampa Evening Lions Club at the District 26 Contest in Plainville April 26. The contest will be an event of the four day Little International Convention, opening April 25.

Mrs. Marak was a guest of the club at its weekly meeting Thursday night in Pampa's Lions House. She was introduced to the group by Robert Hamilton, boss lion.

It is expected that the club will make a good showing at the District Convention. Two committees have been set up to handle details of the Pampa delegation.

## Miss Marak In Contest

After the meeting the Lions were shown through the Cabot Ordinance plant by James Washington, program chairman.

## Man Fined \$5

Troy Garmon, whose address was given as 1018 S. Reid, this morning was fined \$5 and costs after entering a plea of guilty to charges of swindling with a worthless check.

The check, dated Dec. 24, 1958, was for \$9.56. Charges were filed by Mitchell's Grocery, 638 S. Cuyler. Garmon has made restitution.

## Carroll Rites Held In Wichita Falls

Funeral services were held Wednesday in Wichita Falls for Mrs. Jean Alberta Carroll, 828 E. Beryl, who died Tuesday at 11 a. m. in a Wichita Falls hospital at the age of 88.

Services were conducted by Rev. Lee Hillon of Barrett Baptist Mission.

Interment was in Crestview Memorial Park Cemetery in Wichita Falls with the Hampton-Vaughn Funeral Home in charge.

Earl Bogard, son of Mr. and Mrs. Earl C. Bogard, 1121 E. Francis, has been selected student director of the 35-member Glee Club at Kemper Military School, Dooneville, Mo. The Glee Club recently performed at Fort Leavenworth, Kan. for Army personnel at the post there and for members of the West Point graduates' dinner in commemoration of the West Point Founders' Day at the officers club.

## BUMPING

(Continued From Page 1)  
would have brought the total of passengers to 40.

General Recalls Plane  
But when one of the booking personnel added the names of the six pilots to the 34 already on the manifest, he came up with a total of 48, instead of 40. The seven men were bumped. The pilots were put aboard and the plane left with only 33 persons aboard.

General Recalls Plane  
The plane was recalled after 30 minutes in the air by Lt. Gen. Robert W. Burns, the top American commander in Japan, after he received a telephone call from Alrman 10 Coye Y. Bell, 37, of Fayetteville, Tenn. one of the enlisted men. The general ordered the colonel to remain in Tokyo and put the enlisted men on the plane.

"When I concluded that an error had been made in loading the aircraft, I directed its return and reloading to correct the situation," the general said. "It was my intention to see that passengers were accommodated in accordance with their priority. You may be sure that I am taking every action to see that such an incident does not recur."

Platt, who formerly resided in Brooklyn, N. Y., and now is commander of the Air Terminal Squadron at Tachikawa, denied he was responsible for the incident.

Sorry It Happened  
"I'm sorry that this happened," he told United Press International. "I do not feel I was responsible for it."

The Air Force investigation blamed the incident on an administrative error by personnel of the Air Transportation Coordinating Office, which allowed the plane to take off with eight empty seats while priority emergency leave passengers were left behind.

## TAX

(Continued From Page 1)  
Yesterday, the lawmakers gave 95-39 approval of Daniel's "book-keeping" bill on second reading setting it up for final action today. The measure provides for the transfer of funds from special accounts into the general fund. It was originally drafted to dump some 20 million dollars into the empty state coffers, but it had been redrawn to encompass some of the recommendations by Rep. Frates Seigelson of San Antonio and now will provide up to 33 million dollars.

The administration's second proposal, set for its maiden appearance on the House floor today, was staunchly opposed by Texas bankers before it underwent radical alterations. They still aren't too happy about it.

# Come to Church

## The Weekly Message Of Inspiration

REV. L. R. DAVIS  
Progressive Baptist

Text: Look unto Me, and be ye saved, all the ends of the earth: for I am God, and there is none else. Isa. 45:22

### LOOKING

The speaker is God. The subject-matter is of vital importance. The tone is one of authority. Observe in the text: (a) A great blessing; (b) only Saviour; (c) A simple-direction.

1. A great blessing; "be ye saved." Salvation is the grand theme of the Bible. Salvation is in harmony with the whole Bible, and is the Alpha and Omega of the Bible. Notice (a) the nature and (b) the universality of salvation.

a. The nature of salvation—"saved." Deliverance from the condemnation of the Law. Deliverance from sin. Deliverance from the fear of death.

b. The universality of salvation—"All the ends of the earth." Salvation is for every nation, colour, and tongue. Salvation is for the best and the worst. Salvation is for the simplest and the cleverest.

2. An only Saviour; "Looking unto Me." The object is single, not complex. We look to a person, not to rites or sacraments.

The Object is a very beautiful one. The Rose of Sharon. The All-Sufficient One. No one else necessary—neither priest nor Church. Jesus only.

3. A simple direction; "Look." Within the reach of all—not works, or fasts, or gifts, or pilgrimages.

It is something each must do for him, or herself.

I will lift mine eyes unto the Lord from whence cometh my help. My help cometh from the Lord, which made heaven and earth. He will not suffer thy foot to be moved: he that keepeth thee will not slumber. Behold, he that keepeth Israel shall neither slumber nor sleep. The Lord is my keeper; the Lord is thy shade upon thy right hand. The sun shall not smite thee by day, nor the moon by night. The Lord shall preserve thee from all evil: he shall preserve thy soul. The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore. 121. Psa.

# ★Pampa Athletes Scatter Over 3-States★

## Cinderman Split For Pair of Meets

Dwaine Lyon, Pampa track coach, is sending a full crew on the road this weekend. A total of 21 men are slated to enter two meets today and Saturday.

Lyon will take a nine-man squad with him to the Southern Invitational meet in Duncan, Okla., and assistant coach Eural Ramsey will take 12 boys to Panhandle for the Panhandle Relays. Preliminaries in the Panhandle meet got underway this afternoon.

The Duncan meet is a one-day affair, which begins at 10 a. m. Saturday. Semi-finals at Panhandle start at 9:30 a. m. Saturday, and finals will be run Saturday afternoon.

Athletes from Amarillo, Palo Duro, Tascosa, and Borger, as well as Pampa, will be entered in both the Southern Invitational and the Panhandle Relays.

**Sickness, Injuries Hit**

The Harvester track team has been hampered this week by illness and injuries. Hurdler Roy Don Stephens, hurdler and weight man Rex Williams, and pole vaulter Kent Mitchell have all been bitten by the flu bug, and Mitchell will definitely not be able to make either meet. Stephens is a doubtful starter at Panhandle. Williams is expected to see action at Duncan.

Broad jumper Travis Cook has an injured ankle, but may be able to compete in the Panhandle Relays. Lucky Dunham, a sprinter, will be a doubtful starter at Panhandle. He has been ill.

"There have been so many men out, we haven't been pushing them very hard," Lyon said Thursday. "We've clocked some of the boys on a few 100-yard dashes, but otherwise we've been taking it pretty slow."

"Harold Stokes looked pretty good on the shot and discus today (Thursday)," Lyon added, "and Tommy Locke and Dickie Watkins have turned in some 10.5 hundreds."

The Harvester mentor said that there have been no practice meets this week.

**Going to Duncan**

The nine boys going to Duncan are Paul Brown, shot and discus; John Gross, mile; Bill King, 800-yard run; Tommy Locke, 200-yard dash; 800-yard relay, and mile relay; Buddy Rawls, 800 and mile relays, broad jump.

Dwain Urbanczyk, mile relay, broad jump, 800-yard relay; Charles Warren, low and high hurdles, mile relay; Rex Williams, low and high hurdles, shot, and discus; Dick Watkins, 800-yard relay, shot, discus, and possibly the 200-yard dash.

This is approximately the same group which finished fourth last week in the Mustang Relays at Andrews, with 63 points. Williams was high point man of the meet, with 34 points, while Brown placed second in both the shot and discus to score 16. Locke was second in the 200-yard dash, and Warren placed in both hurdles. The 400-yard relay team finished fifth.

Four of these men — Williams, Warren, Brown, and Gross — led Pampa to a surprising eighth place finish two weeks ago in the West Texas Relays at Odessa.

**Panhandle Group**

The group going to Panhandle is made up mostly of sophomores

FOR MEET HERE TOMORROW

## JR. THINCLADS SET

By RED GRIGGS  
Daily News Sports Editor

Pampa and Lee Junior High Schools open their 1959 track

season at 9 a. m. Saturday, in the first annual Pampa Junior High Track and Field Meet, at the dirt track behind the high school.

Preliminary events begin at 10, and finals are set for 2 p. m. Eight teams are entered, including the two local junior highs. Other entries include Phillips, Dumas, Perryton, Lefora, Borger Austin, and Borger Houston.

Invitations have also been sent to Panhandle, White Deer, Boy's Ranch, and Dalhart, and some of these schools may enter the meet.

Gene Chance, Pampa Junior High Reeper coach, will enter an 18-man squad, but two of his men are in the hospital with the flu. They are hurdler Eddie Berry and weight man Ferry Thompson.

Those entered for the Reapers will be Gene Davis in the 50 and 100 yard dashes and 440-yard relay; Charles Harper in the high and broad jump and high and low hurdles; Riley Walters, broad jump, pole vault 40-yard dash, 440-yard relay; Jay Wells, 440-yard dash; Ben Ingram, 220-yard dash;

Billy Madeira, 50-yard dash.

Russell Douglas, probably the high jumper; John Watson, discus; Calvin Jones, 220-yard dash; Jerry Vance, 440-yard dash, low hurdles; Tony Kirby, 800-yard dash; Danny Mathus, shot, discus; Kenney Hobart, 100-yard dash, 440-yard relay.

Jerry Jale, 100-yard dash, 220-yard dash, and 440-yard relay; Billy Hughes, 880-yard run; J. L. Ferguson, 40-yard dash, shot, discus.

The Reaper entries include both eighth and ninth graders. Both may compete in ninth grade meets without losing their eligibility.

Lee Rebel Coach Norman Phillips will enter a 17-man squad in Saturday's meet, including Lynn Houston, high jumper; Jimmy Hoyer, pole vault, 800-yard run; Butch Crossland, high jumper, 440-yard relay, low hurdles; David Triplehorn, 440-yard relay, and 880-yard run; Robbie Robison, 400-yard dash, 100-yard dash, low hurdles.

Jerry Ford, pole vaulter; Jerry Barrett, high hurdler; GERRIE Owens, discus and high jumper; Jerry Hildenbrand, 880-yard dash; Gary Bolick, low hurdles; Van Milton, shot, put; James Webb, high hurdles, discus; Larry Braly, shot, discus; Mark Russell, high hurdles.

Roy Dyer, high hurdles, 440-yard dash, 440-yard relay, broad jump; Randy Haralson, 880-yard run; Dick Batson, low hurdles.

Both Chance and Phillips rate the 440-yard relay and the hurdles events as their best chance of picking up some points in Saturday's meet. They have not scouted the opposition, so they don't know how strong the competition will be.

Saturday's meet should provide a good test of how well the Pampa and Lee squads can do in remaining meets this year. Both will be entered in the Dumas meet April 11 and the district meet at Amarillo April 25. Both coaches hope to enter another event April 18, though nothing definite is on tap.

A seventh and eighth grade track meet will be held here next Friday, April 10.

The official starter for the meet will be Babe Curfman, Lester Ramsey, Lee assistant coach, will also act as meet official. Other timers and judges will be selected from visiting coaches.

David Kelly, Pampa assistant coach, will miss the meet because of the death of his father in Houston. He had been slated to serve as an official.

## HARVESTERS INVADE CLOVIS FOR TWINBILL AFTER DUMAS TILT

District 3 - AAAA baseball teams put the finishing touches on non-conference warfare with a flood of games today and tomorrow. The eight league members will play 19 games in preparation for next Tuesday's loop openers.

Pampa's Harvesters under the guiding hands of Deck Woldt and John Dobson put a 4-1 record on the line at home against Dumas (2-4) in a 4 p. m. tilt today with Kippy Williams looking for his 2nd win of the year. Keith Yager (2-0) and Jimmy Walker (1-1) will hurl in that order at Clovis, N.M., Saturday in a doublebill which starts at 1 p. m.

With a neat 38-22 record and .633 winning percentage thus far in exhibition games, mostly against outsiders, District 3-AAAA clubs all play at least two games.

Besides Pampa, the Sandies of Amarillo (4-2) under a new head

coach, H. W. Wilson, and Lubbock (5-7) have three games in a span of 26 hours. Wilson replaced Ronnie Bennett as the Sandie coach when the latter resigned to re-enter the pro baseball ranks Thursday.

Amarillo faces a tough Odessa squad on the road Friday and Saturday while Lubbock meets Snyder and Midland in a pair. Top seeded Monterey (10-3) meets Abilene in a pair Saturday, while Borger (4-2) plays Mangum and Spearman. Tascosa (3-2) is matched with Oklahoma City Classen and Dumas while Plainview (0-4) tackles Hereford twice and Palo Duro (6-1) engaged Oklahoma City Classen in a Saturday doubleheader.

Pampa's Woldt plans to use Williams against Dumas today, and then rest his little lefty for Tuesday's conference opener in Amarillo against the defending champion Sandies.

## Leonard Leads Masters Field

By LEO H. PETERSEN

AUGUSTA, Ga. (UPI)—Canadian Stan Leonard, who will only

and juniors. Most of them are appearing in competition for the first time this year.

"I'm glad these boys are finally getting an opportunity to show what they can do," Lyon said Thursday.

Those definitely going to the Panhandle Relays are Billy Cooper, pole vault; Butch Dunham, discus; Steve Dobbin, 440-yard relay and 100-yard dash; Charles Giese, 440-yard relay, 100-yard dash, shot, and discus.

Harold Stokes, 440-yard relay, 100-yard dash, shot, and discus; Roland Stone, shot; Jim Dayenport, mile; Chico Ramirez, 880-yard run; Terry Rexroat, high jump.

Those on the doubtful list are Cook, broad jump; Lucky Dunham, 440-yard relay; and Stephens, high and low hurdles.

own up to 44 years but probably is closer to 50, led the field into the second round of the Masters golf tournament today—the first foreign-player ever to do so.

His three-under-par 69 Thursday over the rain-soaked, windwept Augusta National Golf Club course was two strokes better than anyone else as the 65 professionals and 19 amateurs generally found the elements too tough for them.

Only three players outside of Leonard, a six-time Canadian PGA champion who has been a playing pro for 22 years, broke par.

They were defending champion Arnold Palmer, Jackie Burke and the veteran Chandler Harper, all of whom came in with one-under-par 71's. There were only five players at par — demonstrating how tough the course played Thursday except for Leonard.

Leonard ignores wind

The smiling Canadian played the wind as though he owned it. He took only 30 putts and had six one-putt greens, as he carded three birdies and 15 pars. It was the second best round he ever has played in the six Masters in which he has competed. He had a 68 in 1957 when he finished 12th.

At even par were Jay Hebert, Gene Littler, U.S. Open champion Tommy Bolt and two other foreign threats—Peter Thomson of Australia and Angel Miguel, of Spain who won the individual championship in the Canada Cup matches last year.

The post-tournament batting favorite, three-time Masters champion Sam Snead, tied with 13 other players at 74. Snead couldn't control his approach because of the winds, which were as high as 30 miles an hour.

"That wind was enough to drive you crazy," he said. "I just couldn't figure my approach, although I was driving well and putting all right."

**Back Nine Treacherous**

In the 74 bracket with Snead was Cary Middlecoff, who like so many in the first-round came to grief on the back nine. Three holes, the 11th, 12th and 13th, all water holes, gave most of them trouble.

**PACKERS SIGN HORNUNG**

GREEN BAY, Wis. (UPI)—Paul Hornung, leading ground-gainer and scorer for the Green Bay Packers last season, has signed his 1959 contract.

## Yanks Moan As Skowron Hurts Back; Ford Wins

By FRED DOWN  
United Press International

The New York Yankees hopes for another "blitz" getaway in the American League pennant chase were dimmed today when slugging first-baseman Bill Skowron became an unlikely starter in their April 10 opener.

The muscular Skowron, who was batting a sizzling .446 this spring, suffered a bad wrench in his back before Thursday's game with the St. Louis Cardinals. A similar ailment caused him to miss virtually the entire 1957 World Series.

The situation was considered so serious that even Whitey Ford's eight strong innings in the Yankees' 2-1 victory over the Cardinals failed to lift Manager Casey Stengel's spirits.

Although a rugged-looking 195-pounder, Skowron is surprisingly brittle and also is considered a slow healer. Past injuries included a broken thumb, a sprained back and ripped back muscles suffered while trying to install an air conditioning unit in his home. He suffered his latest injury Thursday when he slipped on a muddy field during an infield drill.

Ford yielded nine hits in eight innings but held the Cardinals in check easily after they scored a

run in the first inning. The Yankees scored the decisive run in the sixth when Hank Bauer walked, and Gil McDougald and Mickey Mantle singled.

The Boston Red Sox scored a 4-2 victory over the San Francisco Giants, the Cleveland Indians beat the Chicago Cubs, 4-2, the Chicago White Sox defeated the Cincinnati Reds, 6-5, and the Philadelphia Phillies downed the Baltimore Orioles, 5-6, in other exhibition games.

The Red Sox beat the Giants for the fifth time in seven tries with the help of a two-run homer by Frank Malone and a solo round-tripper by Haywood Sullivan. Ike Delock limited the Giants to two runs in six innings. Daryl Spencer homered in the second and Jim Davenport driving in Andre Rodgers with a double in the fifth.

Tito Francona's two-run, eighth-inning double snapped a 2-2 tie before a crowd of only 876 in and enabled the Indians to win Miami, Fla.

their 11th game in 23 tries. Cleveland rookie right-hander Jim Perry struck out five batters and allowed only three hits for six innings but the Cubs tied the score in the seventh when Earl Averill hit a two-run homer.

**Win Uphill Battle**

The White Sox won an uphill struggle when Jim Landis homered against Joe Nuxhall in the ninth, Gus Bell had sent the Reds off to a 3-6 lead in the first inning and Frank Robinson homered in the fourth to make it 4-2. The White Sox tied the score at 3-5 with two runs in the sixth. Rookie Don Rudolph was the winner.

Willie Jones drove in three runs with a double and two singles for the Phillies and Gus Triandos and homered in the second and Jim Davenport driving in Andre Rodgers with a double in the fifth.

Tito Francona's two-run, eighth-inning double snapped a 2-2 tie before a crowd of only 876 in and enabled the Indians to win Miami, Fla.

## HERE FRIDAY NITE

## Roberts, Myers In Main Event

A classy newcomer to this area makes his second Pampa ring appearance Saturday night at the Top O' Texas Sportsman Club.

Nick Roberts, who made an impressive debut here last week, will take on Sonny Myers in a two-out of three falls, one hour time limit main event. The first match on Saturday's wrestling card begins at 8:30 p. m.

Roberts wrestled here last week in a one fall special event, and took a convincing decision over Tommy Phelps.

Myers has built up quite an area

wide reputation with his mastery over the slippery and treacherous Japanese matman, Taro Myaki. Myers took two out of three from the man from the Land of the Rising Sun under the table dealing by Myaks.

In the semi-final event, another newcomer to the area, the Mighty Atlas, takes on a Tommy Phelps who's fighting mad over last week's dubbing by Roberts, and who's looking for someone to vent his anger on. This will be one fall to a finish.

Phelps has picked a rough customer to tangle with, because "Atlas" is known in wrestling circles as the world's strongest man.

Atlas, whose real name is Morrie Shapiro, uses a deadly full nelson which is almost unbreakable. The one thing which keeps him from running wild against all comers is his bad temper.

In last week's event, Atlas' first appearance in Pampa, he had his full nelson on Joe Hamilton and apparently had him beat. But he refused to release the hold when told and was disqualified by the referee.

As well as having no use for other wrestlers or referees, Atlas also can't stand the fans — especially those few who cheer for him.

The opening event will pit Myaki, the Japanese badman who uses the illegal "claw hold" against Ray Duran. This will be one fall, 20 minute time limit.

Advance tickets to Saturday's matches are on sale at Levines Department Store. Prices are \$1.50 for ringside, and \$1.25 for reserved seats.

## College 'Stars' Look For Breeze

LOUISVILLE, Ky. (UPI)—The College All-Stars, based on their initial showing, should breeze through the Pan-American Games basketball trials without taking a deep breath.

With Oscar Robertson and jumping Johnny Green showing the way, the collegians turned back the Phillips Oilers, 80-60, Thursday night after the Wichita Vikings rolled to an 89-73 triumph over the Armed Forces All-Stars in the opening games of the round-robin tournament.

In tonight's games, the College All-Stars play the Armed Forces representatives and the Oilers meet the Vikings. The winner of the three-night tournament will place from five to seven men on the U.S. team that will compete in this year's Pan-Am Games at Chicago.

## Golfers Hope To Move Up from 5th

AMARILLO — Weldon (Bird Dog) Trice's Pampa golfers will be trying to climb out of fifth place, when they enter the second round of the District 3-4A golf tournament here Saturday at Ross Rogers Course.

In the first of three district meets, last week in Lubbock, Pampa finished in fifth place, with 325, 21 strokes behind Borger and 19 behind Monterey.

## Jr. Bowlers Compete At Garden Lanes

Fourteen teams of Pampa junior bowlers compete Saturday at Garden Lanes in a national "bowl-by-mail" tournament.

The 14 teams, all sponsored by the VFW, will be in action in two shifts, at 9:30 a. m. and 11 a. m. in the mail-graphic tournament.

Scores bowled by teams in each city across the country are sent to a central office to be tabulated. The team with the highest score will be declared national champion.

The tournament is sponsored by the American Bowling Congress, the VFW, the American Junior Bowling Congress, and other organizations. Thousands of junior bowlers compete in the event each year.

The national champion will receive a testimonial banquet, trophies, and other honors. The state of Texas will award a trophy to the highest scoring team in the state, and the VFW will present a trophy to the highest scoring team sponsored by a VFW post.

Since all 14 Pampa teams are sponsored by the VFW, all of them are eligible for all three awards.

The Garden Lanes management has invited anyone who is interested to come out and watch the young bowlers in action.

If the Harvesters can finish high this week, they'll have a good opportunity two weeks from now to move into first or second place, when the third district meet is played at Pampa Country Club.

The two teams and the two players with the lowest total scores in the three meets will qualify for the regional tournament. Each team used five players, but only the scores of the lowest four are counted.

Last week, Pampa's scores were Larry Tarvin 78, Gene Yeary and Paul Machowicz 80, John Ellis 87, and Don Fox 89. The medal scores at Lubbock were 72, by Don Abbott of Borger and Don Hutson of Monterey. Six players, besides the medalists, are ahead of Tarvin.

The Harvester linksters played a practice match Monday on Ross Rogers course, along with the Borger squad. Pampa fired 301, and Borger had 281. Tarvin turned in a 72 card for the Harvesters.

The same five starters will go for Pampa Saturday as played in last week's tournament. Even if Trice desired to make lineup changes, the rules require a player to enter the first tournament if he is to compete in any of them. Pampa entered only its one five-man team.

"Amarillo and Tascosa will have the home — links advantage this week," Trice said last Thursday, "but if we can stay close, we'll have the advantage a couple of weeks from now when we play at home."

The team scores as they now stand are Borger 304, Monterey 306, Amarillo 316, Tascosa 317, Pampa 325, Lubbock 338, Palo Duro 340, and Plainview 342.

America's Economy Hits Record Highs

By ROBERT G. SHORTAL  
United Press International  
NEW YORK (UP) — America's resurgent economy climbed to new record highs in the first quarter of 1959 and the outlook is for seven greater growth in the next three months.

Such key barometers of economic health as industrial production, gross national product, consumer spending and personal incomes all established new all-time highs as the economy recovered all the ground lost in the 1957-58 recession.

Among the individual industries, steel, construction, autos, aluminum, copper, and appliances all operated at levels sharply above a year ago, with the first two at record highs.

The one dark spot in the economic picture was unemployment, which has held at a remarkably high level of 6 per cent of the total labor force, compared with a post-war average of 4.5 per cent.

Automation, which permits companies to produce more with fewer men, has been blamed for the sluggish unemployment figures.

The construction industry, one of the few to operate at a record level in 1958, has been doing even better this year. Housing starts are strong which should help sales of furniture, appliances and other household goods.

Princess Grace Brings Happy Homelife To Rainier, Monaco

GRACE KELLY  
American Girl Turned Princess  
Princess Grace Kelly brought to the glamorous dynasty of Grimaldi in Monaco something it had rarely known in its 700-turbulent years as masters of a tiny stretch of the golden coast of the Mediterranean — a happy home life.

There is laughter, warmth and friendliness these days in the pink palazzo on "the rock" where Prince Rainier, the somber son of a broken marriage, settled his film-star bride after their marriage in the gray stone cathedral three years ago.

She has produced an heir to the throne, Prince Albert, and daughter, Princess Caroline. If anything else was needed to ensure her to the Monegasques, this was it: for the continuance of the dynasty means the perpetuation of their tax-free status in an overtaxed world.

Princess Grace has taken the transition from film star to princess as easily as she took the change from a Philadelphia schoolgirl to a star. Where she used to pose for publicity photos, she now heads the Monaco Red Cross and broadcasts annually for the International Red Cross. She is active in other charities and assists her husband in many of his public duties.

Now, as the fairy tales say, She is even lovelier than when
