Big Three Issues Ultimatum

By STEWART HENSLEY United Press International GENEVA (UPI) — The Western Big Three handed Russia's Foreign Minister Andrei Gromyko an ultimatum today that unless he stops stalling on Berlin...

High Western sources said the West was in agreement that there was no point in carrying the 30-day-old conference any further unless Russia abandons its determination to undercut Western rights in Berlin.

Khrushchev said Russia would not under any circumstances continue to recognize Western rights in West Berlin.

to call for East German control of Berlin supply routes. The West flatly disputes this Communist right. Western delegation sources believed Gromyko sought a cheap deal which would raise the prestige of the East German regime while giving only some vague reference to Western rights

X-15 Ready To Explore Space

By WILLIAM F. TYREE United Press International EDWARDS AIR FORCE BASE, Calif. (UPI) — Engineers and scientists, heartened by the "100 per cent" successful glide flight of the X-15, forged ahead today in readying the experimental craft for the next step in its assault on the fringes of space.

The stub-winged, 50-foot rocket ship is designed to take man up to 100 miles high at speeds between 3,600 and 4,500 miles an hour. The success of Monday's first free flight marked accomplishment of one of the major hurdles the sleek craft must clear before it can carry forward America's hope of placing a manned rocket ship in space.

MRS. H. D. LEWIS ... Garden Governor

Garden Club Hears Dumas Speaker Here

Mrs. H. D. Lewis of Dumas, District One governor of Texas Garden Clubs was the guest speaker and installation officer for the Top of Texas Garden Club at its 12:30 luncheon held Monday in the home of Mrs. W. L. Heskew, 1129 N. Somerville.

Mrs. Lewis, who is also a member of the Dumas Garden Club, American Ass'n of University Women, Twentieth Century Club of Dumas, Fellow of the Royal Horticulture Society of England, and a national flower show judge, gave informative pointers on the preparation of specimens and arrangements for flower shows.

Proceeding luncheon and the talk, Mrs. Lewis installed the following Garden Club officers: Mrs. Ray Welch, president; Mrs. W. L. Stark, first vice president; Mrs. Kenneth Osborne, second vice president; Mrs. Marvin Jones, recording secretary; Mrs. Tom Patton, corresponding secretary; Mrs. J. S. Hawley, parliamentarian; Mrs. Jamie Deal, historian; and Mrs. A. D. Anderson, treasurer.

MRS. RAYMOND HARRAH ... honored for service

Altrusa Achievement Award Given Mrs. Raymond Harrah

By DORIS WILSON Daily News Women's Editor

Mrs. Raymond Harrah was presented with a Service Achievement Award by the Pampa Altrusa Club Monday evening in the City Club Room in recognition of her outstanding service to the community over a period of years.

Altrusa Club makes an annual achievement presentation to an outstanding professional woman, whose services, past or present, have been valuable to the community. Ladies, who have been so honored in the past are Mrs. Mae Foreman Carr in 1957 and Mrs. Inez Caster in 1958.

Mrs. Harrah was graduated from SMU with a degree in education. Among the services which led to the honor conferred Monday evening are: She has been an active member of the First Methodist Church for more than 30 years and has served as superintendent of the nursery department and worked with the Young People's department. She is a charter member of the Women's Society of Christian Service and of Wesleyan Service Guild; at present, she is assistant Sunday School teacher. Mrs. Harrah has served as president of Sam Houston PTA, held offices in the American Legion Auxiliary and Garden Club. She is past president of the Vassar Study Club and an active member in the Red Cross Gray Ladies Corps.

Mrs. Iri Smith, Altrusa Vocational chairman, in making the presentation speech, added that there were numerous charitable projects and scholarships that had left Mrs. Harrah's benevolence toward her fellowman.

The honor award presented Monday evening also marked Mr. and Mrs. Harrah's 32nd wedding anniversary.

Mrs. Harrah was presented with an orchid by Mrs. Roy Kay and a Certificate of Achievement by Mrs. V. L. Hobbs, Altrusa Club president.

MAKES DRY RUN

The North American X-15 rocket ship, shown here nestled under the wing of a B-52 bomber, was dropped "dry"—without fuel—from 38,000 feet over the Mojave Desert near Edwards Air Force

Base, Calif., and glided back to earth with Scott Crossfield at the controls. It was the first free flight the small rocket ship has made.

Two Men Held In Slaying Of Coal Operator

LAKE CITY, Tenn. (UPI)—Two men were held today as suspects in the ambush slaying of an independent coal mine operator who allegedly owed the United Mine Workers nearly \$35,000 in welfare fund payments.

One of the men arrested had been scheduled to be tried next week on charges of robbing the victim last March 27.

Campbell County authorities identified the suspects as Franklin D. Smith and George W. Baker. They are being held in the Jackboro, Tenn., jail. Smith allegedly robbed the slain man of \$130 on March 27, Sheriff Glad Woodward said the killing definitely "did not have anything to do with the coal violence."

Jess Fesier, 32, a veteran coal mine operator, was felled by a single shot from a high-powered rifle Monday as he watched a bulldozer drag a stump from a flood control project near here.

Blood spattered from his mouth, said Charles Griffiths, who was sitting on the bulldozer. "He fell over dead. He didn't say a word."

Anderson County Sheriff Glad Woodward said he did not think that the killing was another incident in the sporadic outbursts of violence in the East-Tennessee coal fields. But Bureau of Identification agents started the investigation under a blanket request issued by Atty. Gen. J. H. McCall asking the state to intercede in any outbreak stemming from the coal strike.

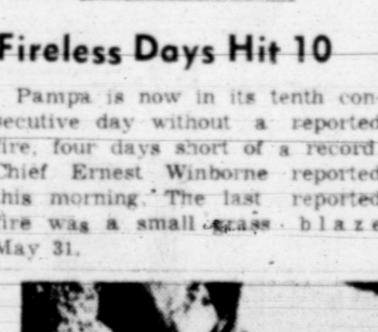

Officers found a set of footprints leading from the scene of the shooting to a car, parked near the Lake City High School.

Bayar To Visit Pope

ROME (UPI)—Turkish President Celal Bayar conferred with Italian officials today during a state visit that will include an unprecedented audience with the Pope. Bayar, who arrived Monday will be received by Pope John XXIII Thursday in the first visit ever paid by a chief of state of Moslem Turkey to a Roman Catholic pontiff.

Fireless Days Hit 10

Pampa is now in its tenth consecutive day without a reported fire, four days short of a record. Chief Ernest Winborne reported this morning "The last reported fire was a small grass blaze May 31."

WHERE 16 DIED

At least 16 Mexican Nationals were killed and 32 injured when the truck taking them to work near Phoenix, Ariz., crashed into a tree and caught fire. Here, rescue workers remove some of the victims from the demolished truck.

Overparking Tickets Being Paid Off Here

By MARVIN OLSEN Daily News Staff Writer

A huge backlog of overtime parking tickets is gradually being cleared away. Corporation Court Judge "Butt" Maguire told the Pampa City Commission this morning.

Maguire, who took office five months ago, added that "quite a few problems are not yet ironed out, but we are making progress." His report on corporation court activities ended with his request for a commission decision on "How firm do you want us to get?"

He said most of the big offenders have made settlements, but he told of at least one motorist who has refused every request of the court for a settlement on a backlog of some 50 tickets.

Judge Maguire emphasized the fact that too few motorists are taking advantage of settling a parking ticket for 25 cents, and a sizable number are not making much effort to pay the \$1 fine which is levied if a ticket is not paid within 12 hours.

Beginning in January, he said, the city's meter mads have issued about 17,000 tickets through May. Roughly 70 per cent have been paid within the 12 hour limit. He felt that that percentage was not good enough.

Mayor Ed Myatt and the commission assured Maguire that his energetic work on tickets was fully appreciated and said it would back his policy of making each offend-

Supreme Court Says Cabot Committees Are 'Unions'

WASHINGTON (UPI) — The Supreme Court ruled today that employe committees which discuss mutual problems with management but do not bargain are nevertheless unions within the meaning of federal labor law.

The unanimous opinion was delivered by Justice Charles E. Whittaker.

Whittaker said the fact that the committees deal with employe grievances with management but do not bargain is not sufficient to exempt them from the usual concept of collective bargaining.

The issue came up in the southwestern division of Cabot Carbon Co. and Cabot Shops, Inc., which has headquarters at Pampa, Tex. Since World War II, Cabot had been setting up employe committees which handled grievances in non-union plants or departments and discussed with management such matters as safety, increased efficiency, conservation of material and the like.

The International Chemical Workers Union AFL-CIO, a certified bargaining agent for Cabot employes at Ville Platte, La., and the Canal plant at Franklin, La., filed unfair labor practice charges with the National Labor Relations Board.

had violated the Taft-Harley law by dominating and interfering with their administration. The board ordered Cabot to stop what it found to be unfair labor practices.

The Fifth U.S. Circuit Court of Appeals refused to enforce the board's order on the ground that the committees were not real unions. That decision was reversed today and the order must now be carried out.

The firms are subsidiaries of Godfrey L. Cabot, Inc., a Boston corporation. There are 16 plants or installations throughout the country, with unions of the usual kind serving as bargaining agents at seven of them.

Four Youths Go On Trial

By JACK V. FOX United Press International

TALLAHASSEE, Fla. (UPI)—This deep southern capital of Florida is awaiting with muted unhappiness the opening of a trial Wednesday that will focus world attention on a rape involving four white youths and a 19-year-old Negro college coed.

The penalty for rape in Florida is the electric chair unless the jury recommends mercy.

A white man has never been executed here for rape of a Negro although there have been a number of electrocutions of Negro men for assault of white women.

Circuit Judge W. May Walker said today the trial would be handled exactly as any other such case and that he thought it might produce considerable good insofar as it demonstrates the fairness of southern justice.

The community reaction has been one of revulsion and disgust mixed with the knowledge the trial will get particular attention by contrast to the recent lynching.

Grand Jury Indicts 5

Five indictments were returned late Monday by the Gray county grand jury in District Court, District Attorney Bill Waters reported today.

The five men indicted all entered pleas of guilty following the jury hearing and all were sentenced to the state penitentiary.

Longest sentence was given to Jerry Wayne Huff, 21 year-old Pampa burglar. Huff, already a so-called "two-time loser," was sentenced to ten years at Huntsville prison.

A Perryton man, E. N. Bishop, was sentenced to four years in prison for petty false pretense and a Sherman prisoner, Robert Sims, was sentenced to five years for swindling with a worthless check.

Also sentenced were Roy Throckmull, formerly of Pampa, who was given five years for forgery, and I. L. Lowery, sentenced to four years also for forgery.

**Summer Reading Program Slated**

A reading program will be held in Lovett Memorial Library from June 16 to July 23, Mrs. Lillian Snow, librarian, announced today. First graders will meet Tuesdays from 9 to 10 a. m. with Mrs. Jarvis Johnson, a first grade teacher from B. M. Baker Elementary School, in charge of the first meeting, June 16. Miss Betty Boswell, a second grade teacher from Stephen F. Austin Elementary School, will supervise the first session of the second grade, June 17. The second grade will meet Wednesdays from 9 to 10 a. m. The third grade will meet on Thursdays with Mrs. G. M. Walls, a third grade teacher from Lamar Elementary School in charge June 18.

"The teachers have been very co-operative in giving us lists of suggested reading for the children and we have made a special effort to buy these books. We hope the children will take advantage of the new reading material we have acquired for their benefit," Mrs. Snow said today.

**Sheila Chisholm On Dean's List**

TULSA (Sp) — Sheila C. Chisholm, daughter of R. A. Chisholm of 800 N. Gray today was named to the Dean's honor roll for the spring semester at Tulsa's Benedictine Heights college.

**Soviet Union, East Germany Begin Talks**

By HENRY SHAPIRO United Press International

MOSCOW (UPI) — The Soviet Union and East Germany begin formal talks today without waiting for the Geneva foreign ministers conference to produce results.

Western observers predicted they would come up with an alternative Berlin plan to be used if the Geneva conference failed.

The conference was expected to produce the outlines of a Soviet-East German peace treaty, and perhaps the final treaty itself. East German Premier Otto Grotewohl and Communist Party Chairman Walter Ulbricht arrived here Monday at the head of a 16-member delegation for talks with Soviet Premier Nikita S. Khrushchev.

The makeup of the group indicated that economic and defense matters would occupy much of their time.

But it was equally clear that the top subject would be the Geneva conference and future Communist policy on Germany and Berlin.

The Soviet press did not carry extensive comment on the visit but it did continue its campaign of blaming West Germany for the lack of progress at Geneva.

**Mrs. S. G. Walls Rites In Stroud**

Mrs. S. G. Walls, 78, of Stroud, Okla., mother of Orval, Vester and Vernon Walls, and grandmother of Mrs. Roy Crossin and Mrs. Jerry Helms, all of Pampa, died Saturday in Stroud following an extended illness.

In addition to the children mentioned above, she is also survived by her husband, Ray S. G. Walls, three other children, 26 grandchildren and 12 great-grandchildren. Funeral services were held Tuesday in the First Christian Church in Stroud.

Survivors are a son, Dan of Perryton; five daughters, Mrs. Frank Davis of Spearman and Mrs. Clyde Batson, Mrs. Orville Batson, Mrs. Lloyd Batson and Mrs. Neil Crit-

WARD SALES LEADER

Mike Kopper (left) of the plumbing department at the Montgomery Ward store in Pampa received the congratulations of store manager Bill McComas Monday after Kopper was awarded a Ward Sales Leadership club emblem. The award was made in connection with a nationwide sales contest in which 25,000 sales people competed over a three-month period ending March 31. Kopper has been a local Ward store employee since July, 1958. He previously worked in Kansas City, Kan., Columbia, Mo., and Oklahoma City stores. (Daily News Photo)

# DEAR ABBY...

By Abigail Van Buren

**DEAR ABBY:** My husband started cheating on me and being no dummy I knew it. I kept still about it. Finally I got a phone call from a woman who said she was my husband's "sister." She said if I would give up my husband she could make him happy as they were in love. I told her to come over and I would move out and she could take over. I said, "There's a 9-room house and four kids (one still in diapers) to take care of. All the laundry and cooking, no time out and \$25.00 a week to cover everything." She slammed the receiver down and that was the end of the affair. That was 10 years ago, Abby. My husband hasn't cheated since.

**NO DUMMY:** Good for you! If every girl who had designs on a married man would visualize herself in the "sister's boots" there would be less "infidelity."

**DEAR ABBY:** My problem is the same one that faces almost every teen-ager girl I know. It's the anti-social attitude of the boys our age. We don't understand it. They run around with boys their own age for entertainment and rarely include girls. If they go to dances, they go alone. At parties they stand around with boys their own age for each other. If it's money they're worried about, I wish you'd tell them that most girls don't have to go to expensive places to have a good time. A walk or a ride or an evening at her house would be heaven. Please answer this and wake up a couple of million young men. Thanks.

**JUDY:** Your letter is typical. I am printing it in the hope that it will inspire some shy guys to call up a girl who looks interesting and simply invite himself over.

**DEAR ABBY:** I've been divorced since 1955. I am raising two

children. I met a nice fellow who lost his wife two years ago. He has three children of school age. We get along swell and are thinking of marriage but we have big problems unsolved. Should I move into his house or should he move into mine? Should I sell my car or should he sell his? Should I continue to work. He wants me to quit. Thanks for any help you can offer.

**M. AND M.:** Select the home that would be best for your five children. If neither is adequate, sell them both and buy another. If you don't need two cars, sell yours and share your husband's. If he doesn't want you to work—quit. Good luck!

**DEAR ABBY:** I am a woman of 53. My sister's daughter is ten years old. They were in my home and during the conversation I made a small error in my English and the ten-year-old spoke up quickly to correct me. Her mother thought it was very smart and cute. Was it right for the child to correct me in front of other people and was it right for her mother to approve?

**CORRECTED:** The little girl may have learned her English lessons well, but she failed a far more important lesson: "Respect for her elders and consideration for others." Rude children are the products of ignorant parents.

## Ice Cream Making Demonstrated For Worthwhile Club

Worthwhile Home Demonstration Club met Friday afternoon in the home of Mrs. Boyd Brown, east of the city, for a program presented by members of the 4-H Girls Club. Miss Alby Keuhler, ass't home demonstration agent, introduced man, who demonstrated the making of ice cream with the following recipe: three eggs, one cup sugar, one cup cream, one and one half tsp. vanilla, four cups milk. The girls advised one part ice cream salt to five parts of crushed ice, mix salt and ice together. During the business meeting, Mrs. Roy Tinsley read the recreation plans for the new year book. During the social hour, Mrs. Brown assisted by Mrs. Tinsley served the homemade ice cream, Angel Food cake, grape sherbet punch to guests. Attending were Mmes. O. A. Wagner, N. L. Walton, D. E. W. Johnson, Pearl Ferguson, W. G. Kinzer, Hoe Carlton, Lester Reynolds, and guests, Mrs. James Lancaster, Miss Yvonne Reynolds. It was announced that Mrs. Bert Smith, south of the city, will be hostess to the club on June 19 at 9:30 a.m.

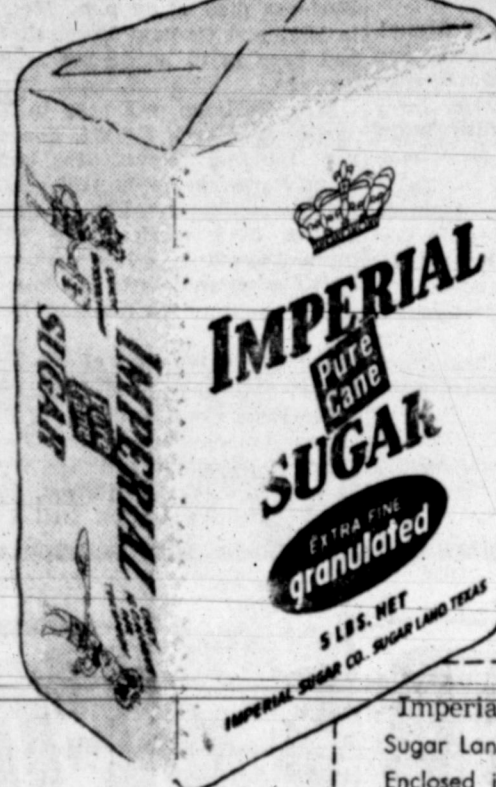

## RUTH MILLETT

Vance Packard, who wrote "The Hidden Persuaders," and then got busy checking up on the great American drive to keep up with the Joneses, says that the American home is becoming the nation's prime status symbol. The sad thing is that a house bought as a status symbol hardly ever becomes a happy home. To begin with, it probably costs more than the couple who are buying it can afford to pay. Then it has to be decorated in keeping with its outside promise and in a manner that is up to par for the neighborhood. That puts a further strain on the family budget. In order to get full benefit out of their new status symbol, a couple has to do a lot of entertaining. That costs. There is the landscaping of the yard so that the house can hold up its head proudly among the other neatly manicured yards. Meantime, what's happening to the family who bought into a neighborhood where they are having a financial struggle to keep up? Pop is working and worrying and complaining about bills, bills, bills. Mom is running herself ragged to try to give the impression of carefree, easy living. But she's pinching pennies wherever the penny pinching doesn't show and being extravagant where extravagance is impressive. The children are probably envying kids who live in neighborhoods

## Harris, Powell Will Tangle In Houston

HOUSTON, Tex. (UPI) — Roy Harris, the ex-school teacher from Cut 'n' Shoot, Tex., was installed a slight favorite today in his 10-round heavyweight match tonight with tough Charlie Powell at the Coliseum.

Powell was expected to go into the bout with about a 15-pound advantage over the 195-pound Harris.

ris, but local sentiment seemed to back the colorful backwoods fighter at 6-5 odds.

Both appear to have been using their match tonight as a launching pad for a campaign to gain a date with Floyd Patterson and his world heavyweight crown.

Bill Newton, the millionaire oil man mayor of Conroe, which is the nearest town to Cut 'n' Shoot, in fact has personally offered to put up a \$250,000 purse if Patterson will fight Harris either in Dallas or Houston next August.

Patterson, however, still has to get by Sweden's Ingemar Johansson June 25 before he can consider any other possible challengers. Powell recently defeated second-rated Nino Valdez and a victory over Harris would be a big boost to his standings in the heavyweight ranks.

# Pirates Use Face-Saving Device In Pennant Race

By MILTON RICHMAN  
 United Press International  
 All it takes is a Face-lift to make the Pirates look like champs again.

There are days the Pirates look like pushovers, and there are other days—usually when Little Elroy Face is pitching—that they look like legitimate pennant threats.

Face, whom his teammates call "the man with the golden arm," has a sparkling 8-0 record in relief and is Pittsburgh's answer to Baltimore's Hoyt Wilhelm, owner

of a 9-0 record. In fact, Face's winning streak is 13 games dating back to last year.

A possible "meetin' of the unbeaten" shapes up for the All-Star game at Pittsburgh on July 9th because Casey Stengel already has indicated he will pick Wilhelm for the American League team and Face is practically a cinch to make the National League squad.

Face Wins 8th  
 Face picked up his eighth straight triumph—and lowered his

earned run average to 1.03, incidentally—in Pittsburgh's 11-inning 12-9 victory over San Francisco Monday night.

The five-foot, seven-inch Pirate relief ace blanked the Giants over the last three innings and rookie Harry Bright broke up the game with a three-run pinch homer in the 11th after two were out. Bright was batting for Face, who was appearing in his third straight game for the Pirates.

The victory snapped a four-game losing streak and moved the Pirates into a three-way tie for

Woodruff, Weingart, Adams, and Goodwin each got two hits for G. K. and Harris scored three runs. Umpires were Veale and Lambright.

"TOO LOW" IMPOSSIBLE  
 CHICAGO (UPI) — Pitcher Ray recently questioned an umpire's call of "ball" on little Albie Pearson of the Baltimore Orioles. "It was too low," barked the ump. "There's no place to pitch that fellow low," growled Moore.

third place.

Milwaukee defeated the Chicago Cubs, 9-5, and increased its lead to three games in the only other National League game scheduled.

Tigers Move Up  
 Only one game was scheduled in the American League, and in it the Detroit Tigers moved into the first division for the first time this season by beating the Boston Red Sox, 6-3.

Lew Burdette proved his ninth victory while driving in four runs in the Braves' triumph over the Cubs. Burdette helped himself to two doubles and two singles while blanking the Cubs for seven innings.

The Braves put the game away with a seven-run rally in the fifth. Burdette drove in three of the runs with a bases-loaded double. Eddie Mathews contributed his 20th homer of the season.

Skinny Jim Bunning of the Tigers fired a six-hitter at the Red Sox in pitching Detroit to within 2½ games of first place.

Boston tied the score at 3-3 in the fifth inning but the Tigers scored the deciding run in the sixth when Bunning hit into a double play with the bases loaded. Eddie Yost singled home an insurance run in the eighth and Al Kanne socked his 11th homer off reliever Leo Kiely in the ninth. Bill Monbouquette was the loser.

# Rebs Routed By Borger, 5 To 4

By RICK PEZDIRTZ  
Daily News Editor

Exhibiting their wares for the first time in a home night game since old Oiler Park was dismantled, Pampa's American Legion Rebels tallied single runs in each of the last three frames here Monday night but still couldn't manage to turn the victory tide.

The Rebs dropped their second game in two days, bowing before Borger's Legionnaires, in a tight 5-4 squeaker.

Borger's do-it-all guy, Bob Connelly kept six Pampa hits well scattered and posted 17 strikeouts in hurling the distance (9-innings) for the visitors. As if that weren't enough, Connelly also singled home what proved to be the winning runs, belting in two markers in a three-run Borger outburst in the fifth.

Larry Stroud, the towering Pampa first-sacker gathered the only two extra-base blows of the game with a double and homer.

Pampa pilots, Lloyd Summers and Bill Ridgway, paraded a trio of pitchers to the mound in an effort to pick up a second win in three games, but to no avail. The Rebs were shellshocked with 17 base-hits in a wild 14-9 reversal at Amarillo against Palo Duro Sunday, after launching the current campaign with a 7-5 win over the same club here on May 31.

Little Jimmy Walker, Pampa's watch-fob proportioned pitcher started on the hill for the Rebels and was nicked for the loss before giving way to Mike Clark in the fifth. Veteran southpaw Kippy Williams came on in the seventh to finish up.

Connelly's only apparent weakness was a nasty streak of wildness. The lean right-hander issued nine bases on balls. Pampa's three pitchers gave up 12 walks and posted 14 strikeouts with Walker, Clark and Williams whiffing 8, 4 and 2 in that order.

Both clubs let numerous scoring opportunities float by the boards as a total of 28 men were left cooling their heels on the base paths in the three-hour-plus marathon. Borger stranded 16 and Pampa left 12.

The visitors wasted little time in proving they meant business, plating single runs in the first and second. Back-to-back singles by Tom Lindsey and Warren Bell and two walks forced in a first frame tally.

Another single by Lindsey and three consecutive walks forced in the second stanza marker, and

had a good turn out of Pampa fans tearing at their hair.

Pampa drew up to 2-1 in the home half of the second as Don Cross opened by drawing a walk and moved around to third on a pair of passed balls. A single by lead-off batter Ruben Strickland scored Cross.

But Borger rebounded to ice it in the fifth with their three big runs which resulted from two singles, two walks, an error and a

wild pitch.

In the seventh with two down the Borger centerfielder dropped an easy fly ball off the bat of Gary Hill which allowed Wendell Ridgway to score after he had walked, moved to second on Stroud's ground-out and to third on a wild pitch. Bob Stephens beat out a single off the pitcher's glove, but Williams went fighting for a high ball on a 3-2 count with runners on second and third to kill the threat.

In the 8th with two away, Butch Crossland walked and singled around to third on an error from where a single by Ridgway brought him home.

Stroud opened the bottom of the ninth with a tremendous 385-foot home run poke over the right field fence to make the score 5-4. But Hill lined out to short, Stephens walked and Clark and then Bill Langley beat the breeze to end the uprising and the game.

## McLean Sets Program For Summer Sports

McLEAN (SpI) — Coach Darrill Christian said this week that approximately 140 boys and girls have signed up for the Little League, Pony League and Girl's League play here this summer.

Christian is directing the programs which will later include tennis. Team coaches for the Little League are Sammy Haynes guiding the Braves, Harvey Taylor coaching the Cubs, and Johnny Haynes working with the Cardinals.

League play will get underway June 15 and run through Aug. 3. The three teams from McLean and three from Lefors will compete in the Little League, and one team from each town will play in the Pony League. Two teams from each town will compose the Girl's League.

Two games will be played here and two at Lefors each Monday, Tuesday and Friday night beginning at 6:30 p.m. About 90 Little Leaguers have signed here.

Sonny Back coaches the Pony League team and they will play once a week with the Lefors Pony League squad.

There will be two girls' teams. Mrs. Laverne Saunders will coach one and another woman is needed to coach the other.

The McLean Lions Club is helping sponsor the project, and the club will run a concession stand at the ball park. The league got a boost recently when material was donated by a Shamrock contractor for a concession stand and equipment house.

Employees of El Paso Natural Gas plant volunteered their labor to build the house, and J. B. Roach, El Paso Superintendent, said it should be completed within

## Second All-Star Contest Will Be Announced Today

By STEVE SNIDER  
United Press International

NEW YORK (UPI) — Commissioner Ford Frick is expected to announce today that the major leagues' second All-Star Game of the year will be a two-light affair "rigged" to draw a record crowd of at least 80,000 into the Los Angeles Coliseum.

Frick's announcement, which also will include ticket prices and other details, will come after a meeting with League Presidents a week.

Coach Christian said he needs some men to volunteer to help the league by umpiring some games. Later this summer there will be an all-star game between the McLean Little Leaguers and the Lefors Little Leaguers.

Christian said any boy who wants to play can still sign up for the program.

Warren Giles of the National and Joe Cronin of the American. The leagues hardly could sell television and radio rights for \$250,000 if it were a regular Los Angeles night game which would not start until 11 p.m., Eastern time.

The possibility of 90-degree heat on the Aug. 3 date selected seeks to rule out the chance of drawing a huge crowd for a day game and season will be played at Pittsburgh on July 7.

Frick stressed that the decision to play a second game was approved for this year only but Native Robin Roberts of the Philadelphia Phillies indicated the players hoped the second game might be played for 10 years.

## Vega, Texas, Farmer Reports— Higher Quality, More Uniform Grain Sorghum Seed Yields

C. G. Richardson, owner and operator of Richardson Seed Co., produces and sells high quality, high germination grain sorghum seed. In four years, Mr. Richardson's company has earned an enviable reputation for selling uniformly productive seed.

Mr. Richardson says: "We watch all of the things that will give us higher quality seed. For example, we have a clean farm, free of weeds. We use the latest and best cleaning and handling equipment.

"And," he continued, "we use Phillips 66 Ammonia as our source of nitrogen fertilizer. We've found that Phillips 66 Ammonia gives us sturdier, healthier plants, with more uniform and higher quality seeds."

Other successful Southwestern farmers have discovered that they make more profit per acre, using Phillips 66 Ammonia. They get more cotton that classes higher at the gin... yields of sorghum grain or ensilage are increased... profits on wheat and small grains are increased through higher grain yields and improved forage... more marketable vegetables are harvested.

Phillips 66 Ammonia can be easily applied either by you or your distributor. See us today about Phillips 66 Agricultural Ammonia... it gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

More car than this Impala Sport Coupe is hard to find at any price.

*clings to curves like a cat on a carpet!*  
**the travel-lovin' Chevrolet**

Nothing else but a dyed-in-the-wool sports car like the Corvette can take a turn with the solid assurance of this sweet-handling Chevrolet. Drive it—and feel the extra smoothness and stability born of Chevy's better balance and supple full coil springs.

It's easy to see where Chevrolet gets its road sense. With big coil springs at every wheel, a firm, wider stance and all of its pounds distributed with painstaking care, Chevy's born with it.

The only thing that may be hard to understand is how it can offer the ride it does, along with so many other luxury-car virtues, and still compete in the low-price field.

We use the word *compete* only in the sense of price. For with a ride as special as Chevy's, real competitors are hard to come by.

There's a world of difference between Chevrolet's coil springs at all four wheels and the leaf springs that most other cars still use. Take a Chevy down a snaky back road and you'll feel the difference in the sure way it holds through curves and shoots over rough spots with hardly a ripple. This one's made to travel and loves every minute of it.

Good Old Days?

Girls, are you sick of keeping house? Tired of the kids? Would you gladly swap every electrical appliance in the place for the servants that made Grandma's life easier? Well, cheer up. Grandma felt exactly the same way. You yearn for the good old days when things were different. And back in the good old days, Grandma was yearning for the good old days when things were etc., etc.

Conservation Beliefs

A few years ago, to call a man "conservative" was to smear his name. "Progressive" and "liberal" — those were the fashionable, favorable labels. Of late, however, the term "conservative" has once more attained some measure of general respectability and social acceptability. At least we conservatives are finding more and more people willing to give us a forum to express our views.

WHY PEOPLE ACT AS THEY DO Leonard E. Read, in the May issue of "The Freeman" magazine, discusses how labor union, (and other groups) cause inflation. In the last part of the article, under the heading of "Why People Act as They Do," he writes: "We now come to that cause of inflation which is fourth in depth. What causes so many people to act so contrary to their own and the general interest? In short, why do they do things in the political collective they wouldn't think of doing personally?"

Bipartisan Spanking Due Ike, Officials

WASHINGTON — President Eisenhower and his top space officials are headed for an unusual bipartisan spanking. With rare unanimity, the three Republicans and four Democrats comprising the special Senate Space Committee are publishing a report next week bluntly criticizing the President, Defense Secretary McElroy and Space Administrator Glennan for a number of serious shortcomings in this crucial field.

The Nation's Press

WE'RE KING OF MOUNTAIN (National Review) Representative Chet Hoffield of California (D) reasons that it is expedient for us to recognize Red China, as follows: We ought to sign an agreement with the Soviet Union to stop nuclear bomb testing, but such an agreement could be adequately enforced so long as we had no right to inspect nuclear activities within the great land mass of Red China; and how could we inspect Red China unless... Obviously, we should recognize Red China. Mr. Hoffield's is our next-to-favorite Subterranean Approach to Recognition, our very favorite being the New York Posts, which started out in an editorial a few weeks ago steaming against the Red Chinese repression of Tibet, and then continued like this: It's a terrible shame the Red Chinese are committing all those atrocities in Tibet, which atrocities we can only really guess at, because we do not have adequate pre-representation in Tibet, the result of our ridiculous ostrich-like policy with respect to Red China, which by the way we should recognize (i.e., because of the atrocities in Tibet).

Looking Sideways

NEW YORK — CUFF NOTES: There is a mild but amusing little fable going around New York about the distressed woman who ran to her veterinarian to report that her poodle was constantly chasing cars. "Many dogs chase cars," he said. "You have no reason for anxiety unless, of course, one hits him." "Oh, it isn't that," she said. "It's that he chases English sports cars only, then brings them back and buries them in the yard." At moments, this reporter has mentioned a folk singer named Harry Belafonte and now, much more lengthily and with vivacity, so has Maurice Zolotov, a friend of this reporter and a good profligate of personalities. For several years Belafonte has reaped a warm, friendly press reception. Mr. Zolotov isn't either of those and in a recent magazine piece describes the singer as "rich, mixed-up and militant" and goes on to say that as a writer about actors he has found them all egotistic but Belafonte "of all the show business egotistics" has none.

No German Language For Middle-Aged American

at the Free University, which is just around the corner from where I am staying. The students of the Free University charge practically nothing for the lessons, for they like to practice their English with their American students. To speak understandable German, one's mouth, throat and palate (both soft and hard, I am sure), must be as sensitive, flexible and movable as the tip of an elephant's trunk. Maybe my tongue, lips, inner throat, outer throat, palate, clavicle, and all the rest of the items in that area, once were as lively as jaybirds, but no more. In middle age, one begins to get, like good Parmesan cheese, and no foolishness is tolerated.

The Doctor Says:

A question recently received puts the problem of treatment for diabetes in a nutshell. The writer says: "I am a diabetic. When can I put the needle aside and just stick to my diet? What is the cause of losing weight? Knowing I am a diabetic, I am very nervous. It is an awful ordeal. I feel like calling it quits and live and eat like a normal person. What would happen to me — injection again?" This correspondent can put the needle aside and stick to diet alone just as soon as her doctor finds out that the insulin is not necessary and sugar can be prevented from appearing in the urine by diet alone. If she stops insulin before the disease can be controlled by diet alone, serious risks are involved. Loss of weight in diabetes is one of the symptoms of lack of control of the disease. A person who is losing weight will usually be found to have sugar in the urine as well. One can certainly sympathize with the desire to call the whole thing quits and eat like a normal person. But this, too, would be highly dangerous. The writer had an infection before, and would be likely to get it again, unless the disease is kept under control. The question of treatment for diabetes boils down to this: Mild cases can often be controlled with diet alone. But in order to do this, the patient must stick to the diet and not cheat. If diet alone does not prevent the appearance of sugar in the urine or relieve the symptoms of the disease, insulin injections have to be considered. It takes a little time for the physician to determine the exact amount of insulin necessary, and then the patient is responsible for seeing that he or she takes exactly the right dose at exactly the right time. Both diet and amount of insulin vary from person to person, depending upon the severity of the diabetes. It is absolutely impossible for patients to calculate these needs for themselves. If they try to treat their own disease, they are running grave risks. About the only exception to this rule is that properly instructed patients can often learn to test their own urine to make sure that the disease is remaining under control between visits to the doctor. A word should be said also about the new oral preparations aimed at the control of diabetes. These chemical products (not insulin) are being extensively studied and used and are suitable for some victims of diabetes. They should never be taken, however, except under the advice and direction of a physician.

## Nov. 3 Could Be Big Political Day

By LYLE C. WILSON  
United Press International

WASHINGTON (UPI)—Place a ring on your calendar around this date: Nov. 3, 1959.

That could be a big day in presidential politics. On that day Harold E. Stassen will be running again. Stassen has been running for something or other during most of the past 30 years since he was elected Dakota County, Minn., county attorney.

Next Nov. 3, Stassen will be running for mayor of Philadelphia. He has lowered his political sights considerably. Stassen was a three-time governor of Minnesota beginning in 1939 at age 32.

He showed some, not much, early foot in two of three sprints for the Republican presidential nomination. In 1948, Stassen shifted his political base from Minnesota to Pennsylvania but was unable to generate there much enthusiasm for his political ambitions.

Pennsylvania's GOP regulars threw Stassen so hard last year that he bounced and ricocheted with the force of his fall. That

was the occasion when he bucked the party organization in a grab for the 1958 gubernatorial nomination. The regulars beat Stassen in the primary with Arthur T. McGonigle, a pretzel bender who was a political unknown but with considerable charm and vote appeal.

Political Maverick  
McGonigle lost the governorship, however, to Democrat David L. Lawrence. The Republicans salvaged a U.S. Senate seat from their 1958 calamity. Rep. Hugh Scott won it.

Stassen is a political maverick. A Modern Republican with a capital M. He plays rough and junky the rules when they seem to impede him. As, for example, in a

pre-convention effort for the presidential nomination, Stassen violated the tradition that an outsider does not—should not—invade the state of a favorite son in a raid for delegates. Stassen so invaded Ohio that time against Robert A. Taft and got himself some new enemies.

Another time, Stassen stepped down from the Republican national convention rostrum where he just had delivered the keynote speech and became floor manager for Wendell Wilkie's campaign. The old guard was enraged at this breach of keynote speaker decorum and even more disturbed when Stassen's man won out.

Victory and Defeat  
Wilkie scarcely could qualify

as a Republican at the time he kidnapped the party's presidential nomination and Stassen, of course, was a party of the match. That was in 1940. In 1955-56 Stassen led the movement to deprive Vice President Richard M. Nixon of re-nominations.

### How To Hold FALSE TEETH More Firmly in Place

Do your false teeth annoy and embarrass by slipping, dropping or wobbling when you eat, laugh or talk? Just sprinkle a little FASTEETH on your plates. This alkaline (non-acid) powder holds false teeth more firmly, and more comfortably. No gummy, sticky, pasty taste or feeling. Does not sour. Checks "plate odor" (denture breath). Get FASTEETH today at any drug counter.

# YELLOW PAGES is action advertising

**QUESTION:** What's the big difference between Yellow Pages and every other kind of advertising you buy?

**ANSWER:** Shoppers are already in a buying mood when they look in the Yellow Pages.

**MORAL FOR BUSINESSMEN:** No matter how well known you are... how well known your products and services are... how much other advertising you're now doing, Yellow Pages is the one vital link that brings prospects to your door when they're ready to do business.

That's why Yellow Page advertising gets action day after day all year long. That's why it pays you to buy coverage for every service, every product, every brand name you sell.

Get the facts about Yellow Pages from your telephone company Yellow Page man. There's a new Yellow Page book going to press soon.
