Surge In Pampa Figures Show Growth Trend

Pampa's surge in population the past ten years — a jump estimated at slightly more than 10,000 — apparently is being more than matched by house construction, according to figures released today by Building Inspector Jess Taylor.

Using figures compiled since January, 1947, Taylor reported that permits have been issued to build 3,041 new homes and 281 new business buildings inside city limits the past 13 years.

Total valuation of permits issued for building and remodeling in Pampa the past thirteen years is now approaching the \$53 million mark.

The year-by-year record of new homes built shows a steady climb from 64 in 1947 to 338 in 1958. The peak year was 1952 when Prairie Village was begun to bring that city's total to 491.

City Manager John Koontz commented today that building permit figures probably reflect only a "small part of the city's building boom."

Koontz said hundreds of homes built in past years were outside city limits at the time of construction but are now part of Pampa. He compared Taylor's 1959 figures with records kept by plumbers and inspector Joe Stenbridge to show that the number of homes built here since 1947 is probably much closer to 4,000 than 3,000.

Borough Chieftan Charged Said To Have Accepted Gift

NEW YORK (UPI) — The borough president of Manhattan makes \$25,000 a year, enjoys one of the top jobs in the city administration.

It is the highest city post a Negro ever has attained in New York and Hulan E. Jack, West Indian-born, affable Democratic political figure has enjoyed a prestige few residents of Harlem achieve.

Charges such as those that toppled Presidential Assistant Sherman Adams from a pinnacle of power — accusations of accepting gifts from someone doing business with the government — were made Tuesday against Jack.

A grand jury is investigating the charge that Jack allowed a businessman to pay \$5,500 to remodel the borough president's seven-room apartment from glass-enclosed sunken tub to recessed lighting fixtures.

Jack has refused to say if he would resign in face of the charge.

The businessman, Sidney J. Ugar, was being considered by the city Board of Estimate as sponsor of a federally aided slum clearance project in Manhattan in 1958 when Jack's home was remodeled. Jack is a member of the board and has an unwritten contract with the board.

Prison Guards Indicted For Brutalities

RAIFORD, Fla. (UPI) — A platoon of state prison guards was indicted by a federal grand jury Tuesday on charges they turned prison cells for hardened convicts into dungeons of despair.

Naked prisoners were chained by their hands and feet to the bars of their cells up to 10 days at a time without food and others blasted with streams of water from fire hoses, according to indictments returned in federal court in nearby Jacksonville.

The grand jury said the Raiford state prison convicts were otherwise tortured and abused "for the purpose of inflicting summary punishment upon them."

Prisons Director H. G. Cochran was en route here from Tallahassee today to make his own investigation of the federal charges.

Fourteen guards, including Capt. James H. Dunn and Lt. Earl Chesser, both of whom have already been fired by the state over the alleged mistreatment, were named in two indictments of conspiracy to inflict cruel punishment on prisoners.

Eleven of the other 12 guards indicted are still on their jobs here at the prison which houses 2,625 men.

Bond Issue At Canadian Passes

CANADIAN — Canadian residents approved a \$25,000 bond issue yesterday to pave 25 blocks of city streets in residential areas.

Potts Mico, city clerk, said the issue carried by a vote of 148 for and 71 against.

The bonds will provide for curb and gutter and three coats of hard surfacing material to the selected blocks. No date for letting of contracts on the construction has been set.

NATO Assured U.S. Has Nuclear Lead Over Russia

U.S. To Remain In Europe, Allies Told

PARIS (UP) — The United States told its NATO allies today that it still has a nuclear lead over the Soviet Union, "both with respect to nuclear weapons and to means of their delivery."

U.S. Defense Secretary Thomas S. Gates gave the assurance to the NATO council of ministers. He said the United States "is confident of its nuclear superiority."

He also warned the alliance against expected Soviet concessions that would allow Western nations to reduce their defense costs. He pledged that the United States would maintain its powerful ground, air and naval forces in Europe.

Britain and Italy added their pledges to maintain or increase present defense forces.

But France's role in the alliance — and American criticism of it — caused controversy in the meeting amid the general show of unity.

NATO Secretary General Paul-Henri Spaak condemned an "indecision" on the part of the United States in seeking charges that France, "not living up to its military commitments, was endangering the alliance."

Gen. Nathan B. Twining, chairman of the U.S. Joint Chiefs of Staff, made the charges at a secret meeting of the NATO military committee.

French Defense Minister Pierre Guillaumat said today his government was seriously concerned that the charges had been leaked to the press.

Gates defended Twining and said that although he regretted the publicity given the charges, facts are facts and cannot be ignored.

"My government endorses the military substance of the speech made by Gen. Twining," Gates told the ministers. "It is within the competence, rights, and responsibility of generals to comment on the military consequences of political decisions."

Spaak said he thought the press had magnified the disagreement. He said he felt the council would agree with him in condemning the leakage. Then he ruled the incident closed.

Nixon Shuns Primaries

WASHINGTON (UPI) — Vice President Richard M. Nixon can be expected to limit his 1960 presidential primary efforts to a handful of states even if Gov. Nelson A. Rockefeller invites contests in all possible areas.

This judgment came today from a well-posted informant, who said Nixon would be too busy in Washington to engage in primary scraps for national convention delegates at a dozen or more states.

It was indicated that the vice president would be in only four to six of the state primaries.

Rockefeller told a news conference at South Bend, Ind., Saturday that, if he became a candidate for the Republican presidential nomination, he would seriously consider entering all state primaries.

Lewis Bowed Out To Head Off Fight

WASHINGTON (UPI) — John L. Lewis decided to step down now as president of the United Mine Workers to head off a possible power struggle over his eventual successor in the union leadership.

This was the explanation that associates gave today for the 79-year-old labor leader's surprise announcement Tuesday that he is resigning as UMW chief early next year.

They also said departure from office would not silence the "thundering voice of the captain of a mighty host," as Lewis once described his role in behalf of the miners.

These friends said Lewis certainly would continue as a non-paid trustee of the UMW's welfare fund. They also expect him to testify before congressional committees on coal industry problems.

Lewis was said to be seeking "to insure an orderly transition" in the UMW leadership by lining up his successor well in advance.

NOT ICE, BUT RAIN — Unceasing rain the past two days seems to have put an icy-like surface on downtown streets, but it's actually the reflection of lights off rain-slick pavement, as in the above time-exposure of Cuyler St. taken Tuesday night. Despite chilly air and heavy rains measuring close to four inches, no ice has yet appeared on city streets. Photo above was taken from the Cuyler St. underpass facing north.

Pampa Basking In Rain, Heaviest In Four Months

The Pampa area today was soaking up moisture from the heaviest and most lasting rainfall in four months. Many residents were rejoicing in that the ice that covered most of the Panhandle yesterday missed the Pampa vicinity altogether.

Rain, since noon yesterday, measured 1.01 inch on the Daily News rain gauge. That brings the 52-hour total here to 3.27 inches. Temperatures were staying above freezing and tending to warm by mid-morning, holding somewhere in the middle 40's.

Southwestern Public Service Co. has had no major troubles in the last two days, according to Melvin Jayroe. He said that two crews and an engineer from here are helping out in Amarillo, which is recovering from its worst ice storm since 1940.

Telephone service was out at Perryton today, but a spokesman at Southwestern Bell said the company has had no difficulties here.

City Engineer Monroe Moore reported that water runoff, although heavy, posed no serious problem now and that none was expected.

G. Albers of the highway patrol reported.

Other area towns reporting two-day rainfall were: Canadian — 1.31 inches for two days; Wheeler — 3.5 inches and still coming down; McLean — 3.27 inches and no utility disruption.

Spain's Crown Prince To Shun Ike's Visit

MADRID (UPI) — Prince Juan Carlos, who may one day be king of Spain, will slip quietly into the background during President Eisenhower's Madrid visit next week.

The 21-year-old student-prince, grandson of Spain's last king and a top contender for the role of national ruler when Generalissimo Francisco Franco lays down the reins, has been hitting the Spanish headlines lately.

He has been in the news primarily because of his promotion last week to lieutenant in all three of Spain's services, army, navy and air corps. At the same time, he was made an honorary lieutenant in a U.S. fighter squadron stationed at Zaragoza.

The government allowing the press spotlight to focus on Juan Carlos touched off speculation he might be a member of the Spanish group attending ceremonies connected with the President's 19-hour visit.

But a Monarchist spokesman said today, "He will not be in Madrid next Monday" — the day the President is due to arrive.

Flood Danger Follows Ice, Snow Storm

United Press International

The Weather Bureau held out hope today the crippling ice storm in the Texas Panhandle was about over, but a new danger — flooding — threatened North Central Texas.

Sudden rises were expected on the east fork of the Trinity River, Cedar Creek, Chambers Creek and Trinity Creek later today. A Trinity flood crest of 30 feet was expected to hit Rosser today and a 28.5-foot crest was in the forecast for Trinidad Saturday.

Tuesday's storm, called by Panhandle residents "one of the worst on record," isolated some Panhandle towns, disrupted communications and paralyzed transportation.

It followed a blinding snowstorm Monday that dumped up to four inches of snow on parts of the Panhandle and buried Albuquerque, N. M., under a 10-inch snowfall.

Hereford, Dimmitt and Vega, Tex., were semi-isolated Tuesday night, their telephone and power lines down. Hereford's only communications with other cities was a ham radio operator, who said the area "is experiencing one of the worst ice storms on record."

Three fourths of the (Deaf Smith) county is out of power.

Stranded In N.M. Storm

ALBUQUERQUE, N. M. (UPI) — Air Force and civilian crews battled today to bring food to isolated residents and stranded travelers trapped by one of New Mexico's worst snowstorms.

An Air Force "weasel" broke through to Encino, a small central New Mexico town, early today but telephone calls there went unanswered.

State police said they expected the track broken by the weasel would permit snow plows and then food trucks to reach the town at the intersection of U.S. 285 and U.S. 60.

Mortality, 30 miles east of here and straddling U.S. 66, America's "Main Street" was due to be reached by state highway crews by noon. Police said the town was reported down to a half-day's supply of food.

PAMPA FOUNDRY EXPLOSION — No persons were injured late Monday night when an explosion shattered the Pampa Foundry, 701 S. Somerville. Force of the blast, which occurred at 10:08 p.m., tore a sheet metal roof off the building's east side. Assistant Superintendent Roy Barnett said the explosion occurred when molten iron and slag poured from the bottom of a cupola furnace into a large puddle of water. James Conley, seen above near the still-warm cupola, said he and a number of fellow employees anticipated the blast and ran for cover. Barnett said the cupola should be ready for operations again this evening.

Plight Erased By Joy Of Occasion

WASHINGTON (UPI) — Some of them laughed though they couldn't see. Others sang though they couldn't hear.

It happened at a one-of-a-kind Christmas concert here Tuesday given for the fifth year in a row by Mrs. Jouett Shouse, vice president of the National Symphony Orchestra Assn.

As a "Christmas present to myself" Mrs. Shouse puts on the annual concert for some 2,600 deaf, blind, crippled or otherwise handicapped youngsters from the capital area.

Some came into the Catholic University gymnasium in wheelchairs, some carried canes tapping the floor ahead of them, some managed to maneuver with only a friendly adult on either side for moral support. So many came some had to sit on the floor.

After the music began, the youngsters acted like kids the world over. "Pop Goes The Weasel" got more handclapping than did Handel and the clash of cymbals in "Carmen" drew squeals.

When it came time for everyone to join in singing Christmas carols, one pig-tailed girl strained to read the words on her program. She couldn't — despite three cataract operations so far — but she sang with a shy smile anyway.

Also singing was a group of teen-age boys wearing the khaki outfit of a training center for delinquents.

When National Symphony conductor Howard Mitchell introduced the orchestra's instruments, one youngster leaned over to steady a palsied friend who wanted to see the bassoon.

Water Authority Meeting Today

Mayors of cities in the Canadian River Municipal Water Authority and three members of the board, including Fred Thompson of Pampa, Howard Hoffman of Slayton and C. L. Johnson, president of the authority, Plainview, will meet in the Hilton Hotel in Plainview this morning.

Thompson, Mayor Ed Myatt and Pampa Chamber of Commerce president, Hershel Wilks, will attend as Pampa delegates.

Thompson said routine business matters will be discussed.

1959 CHRISTMAS GREETINGS

The Almanac

By United Press International

Today is Wednesday, Dec. 16, the 350th day of the year, with 15 more days in 1959.

The moon is approaching its last quarter.

The morning stars are Mercury and Venus.

On this day in history:

In 1770 German composer Ludwig Van Beethoven was born.

In 1773, the Boston Tea Party was held.

In 1773, English novelist Jane Austen was born.

In 1835, a fire in New York City destroyed 674 buildings and caused damage estimated at 20-million dollars.

In 1905, the show biz bible, Variety, was published for the first time.

In 1944, the Battle of the Bulge began as German forces in Belgium launched a great counter offensive in World War II.

A thought for today: American journalist, Ernie Pyle said: "If you go long enough without a bath, even the fleas will let you alone."

Craig Service Set Thursday

Interment rites for William Harrison Craig of Miami, father of County Judge William J. Craig, will be held at 2 p.m. tomorrow in Miami First Methodist Church with the Rev. C. W. Williams, pastor, officiating.

Mr. Craig died Monday at 8:30 p.m. in his home. He had been in ill health for a number of years; his final illness was of three weeks' duration.

Born in Wilbarger County, Oct. 26, 1888, Mr. Craig moved to Abilene with his parents in 1890. In 1916 he moved to Miami, where he owned and operated a drug store from 1921 to 1948. He was engaged in the real estate business from 1948 until the time of death.

He was a member of First Methodist Church, Knights Templar, Kiwa Temple, Amarillo, and served as Roberts County Democratic chairman for 20 years.

Pallbearers will be Bill Russell, C. C. Shields, C. T. Locke, S. W. Corbin, W. H. Carr, Kint Philpott, J. W. Thompson, Clark Mathers, Ellis Locke and James Reeves, all of Miami.

Burial will be in Miami Cemetery under the direction of Duencel-Carmichael Funeral Home.

LEWIS

of the union's presidential election next December.

UMW Vice President Thomas Kennedy, 72, automatically steps into the top job when Lewis bows out. Kennedy was expected to run for a full four-year term as president.

But all eyes within the union will be focused on the man selected to fill Kennedy's vice presidential spot. That choice may be made far ahead of election time to build up the man who eventually will succeed to the presidency.

In his letter of resignation, Lewis praised Kennedy to the skies.

John Owens, secretary-treasurer of the 500,000-member union, is 69 and his colleagues believe that he is not interested in moving up the ladder.

This leaves two men prominently in the leadership picture: W. A. (Tony) Boyle, about 50, an assistant to Lewis who came out of the Montana district of the UMW, and Michael F. Widman, director of market research and a former CIO organizer in auto plants.

Although the race has just started, these two are considered to have the inside track to succeed Kennedy eventually as president. Both have been working on high priority tasks for Lewis in recent years.

The Essex and Boston traveled 1,500 yards off the stern of the President's ship, followed by the destroyers Mullinex, Vogelgesang, McFox and Stormes.

The sea voyage from Athens to Tunis was plotted over a course of 771 miles. From Tunis to Toulon the distance will be 480 miles.

Eisenhower left Athens by helicopter Tuesday afternoon in a misty overcast after lunching with his overnight hosts, King Paul and Queen Frederika.

His Marine Corps helicopter took off from an improved pad near the Greek Olympic stadium, flew low in the haze near the ancient Acropolis and landed gently on the stern of the Des Moines. Pleasure craft and ships lining the Athens harbor said farewell with a chorus of whistles while salute batteries of the carrier and cruiser boomed out a 21-gun salute.

Eisenhower quickly peeled off his dark, diplomatic attire and shifted into a comfortable sports jacket and slacks. For about 30 minutes he watched from the flag bridge as the task force got underway — joined in picking out

Warnings Ignored By Cig Puffers

WASHINGTON (UPI)—Americans bought a record 455 billion cigarettes this year, 20 billion more than the previous 1958 high, despite new government cancer warnings.

The Tobacco Institute, which announced the figures Tuesday, predicted that Americans would purchase 527 billion cigarettes next year and 690 billion annually by 1968.

The institute again criticized Surgeon General Leroy E. Burney's recent statement that the weight of evidence pointed to cigarette smoking as the "principal" cause of increased lung cancer.

"It is difficult to understand how Dr. Burney could so clearly admit the lack of laboratory or scientific evidence to support the time-worn much-criticized statistical charges against smoking, and then come up with such extreme and unwarranted conclusions," the statement said.

Americans spent \$6,800,000,000 for all kinds of tobacco products this year, 500 million more than in 1958, the institute said. It said the figures were from the Agriculture Department.

The institute said cigar and cigarette output jumped to 6,900,000,000 in 1959, about 350 million above 1958 and the highest since 1923. Declines were reported this year in the output of smoking and chewing tobacco and snuff.

Taylor said he expects this year's total valuation of building permits will exceed 1957's record by "a few thousand dollars."

DANCE FOR TOYS

The Moose Lodge of Pampa will sponsor a "toy dance" Saturday. Admission will be by donation of a toy or money, which will be used by the lodge to purchase toys to be given to the Pampa Fire Department for distribution to deserving children Christmas.

The "Country Gentlemen" will play for the dance, to begin at 8 p.m.

COMMISSIONER NAMED

Joe McDonald, manager of the Pampa office of Southwestern Bell Telephone Co., was appointed commissioner-in-charge of Cub Round-Table Programs last night at a meeting of Cub, Explorer, and Boy Scout leaders and commissioners.

Jay Leath, district Scout executive, said the meeting at 7:30 p.m. in the Palm Room of city hall was to discuss the scouting program for 1960.

\$14,035 SUIT FILED

A \$14,035 compensation suit was filed this morning with the district clerk by E. B. Clapp of Potter county against the Texas Employer Insurance Association.

Directors of the Top O' Texas Rodeo board will meet Thursday at 7:30 p.m. in the Chamber of Commerce conference room, association president. On the agenda are a discussion of amendments to the by-laws and discussion of the 1960 rodeo.

Mr. and Mrs. Paul Root are spending the pre-holiday week visiting with her brother in Fort Lauderdale, Fla. Following their visit, they will embark upon a holiday cruise in the Caribbean.

Children To Share Gifts With Needy

Pupils of St. Matthew's Episcopal Day School will present a pageant Friday at 2 p.m. in the nave of the church.

The pageant combines traditional Christmas music and the spoken word. It was written by Mrs. Jean Casey, director of music for the church and school.

Barbara Smith and Marty Ratliff, fourth grade pupils, will share the narration, and all pupils of the school will participate.

Instead of an exchange of gifts, pupils will bring toys and canned goods to be given to the Negro Day Nursery.

Rodeo Directors To Meet Thursday

Members of the board of directors of the Top O' Texas Rodeo Association will meet at 7:30 p.m. tomorrow in the chamber of commerce conference room.

Jak Osborne, president, said the meeting will be held to elect three new directors to the board and discuss plans for next year's show, scheduled for August 1 through 6.

Work Begins On New Ideal Store

Construction on a new Ideal Food Store on East Frederic is proceeding according to schedule and is expected to be completed in late spring or early summer, according to Ideal District Manager Veri Hagaman.

Hagaman said the new store will replace the 305 S. Cuyler location, which will be closed when the new building is completed. Ideal will still have three locations in Pampa, No. 1 at 431 N. Ballard, the store on East Frederic, and Ideal No. 2 at 801 W. Francis.

The new building is being constructed by Blakemore Brothers Grocery Co., who operate the Ideal Food Stores in Kansas, Oklahoma and Texas.

Overseas Boxes Packed By Students

Lefors elementary and junior high school students have packed 25 gift boxes to send overseas through the Junior Red Cross.

Mrs. Libby Showell, executive secretary of the Pampa Red Cross said the boxes will contain health and school items such as pencils, notebook, soap, scissors and crayons, as well as a gift for a boy or girl.

Gifts will include yo-yos, tops and other items, with a letter of Christmas greetings from the student who packed the box, and a letter from Alex Swinn, teacher-sponsor of the Junior Red Cross in Lefors.

High school students have made a record of Christmas carols that will also go to overseas school students.

Installation Night Planned By Kiwanis

Members of the Top O' Texas Kiwanis club met at 7 p.m. yesterday in the Pine Room of the Pampa Hotel to discuss their second annual officers installation and ladies night banquet Saturday in the Palm Room of city hall.

Top O' Texas members expect approximately 200 persons at the event, where the Rev. Leon Hill of Amarillo will deliver the main address.

Last night's program was presented by the "Spotlights," a trio consisting of Jerry Nichols on guitar, and Sharon Mitchell and Cheryl Ann Hall, vocalists.

Aluminum Trees Shouldn't Have Electric Lights

MANITOWOC, Wis. (UPI)—Owners of aluminum Christmas trees have been cautioned by a manufacturer not to decorate the trees with electric lights.

John Torrison, president of the Aluminum Specialty Co., said Tuesday that "under no circumstances should electric lights or wiring be placed directly on metal trees."

Torrison suggested instead that the trees be illuminated with colored spotlights placed at a distance from the tree.

Aluminum is a conductor of electricity and could result in serious shocks if faulty wiring were used on the tree.

"Independent lighting is the best method for avoiding a voltage leak from a faulty light cord," Torrison said.

Airplane lines were "down" and roads in and out of Hereford are impassable," he said. His messages were copied by amateur radio operators Cecil Dickinson of Richardson and Art Heaney at Garland.

Dalhart ham radio operator Ray Holmlund reported that Dalhart residents also were unable to get long distance calls through to Amarillo.

In Amarillo itself a heavy burden of ice snapped large trees and cut off electric service to 1,000 families. At the Cal Farley Boys' Ranch near Amarillo the heating plant broke down and 150 boys were sent to bed to keep warm.

Airliners were grounded at Amarillo, buses were pulled off their runs at by-stations and at one time more than 100 motorists were stranded at small towns. At least eight Panhandle schools were closed.

Road Improvements To Be Discussed

The Highway Committee of the Pampa Chamber of Commerce, along with Mayor Ed Myatt, City Manager John Kootz, and Gray County Judge Bill Craig, will meet with District Highway Engineer Charles (Chil) Smith and Knox Parr, a member of the State Highway Department, at noon tomorrow in Poole's Steak House.

Fred Thompson, Chairman of the Chamber of Commerce Highway Committee, said the meeting will be held to discuss potential overall highway improvements in the Pampa area.

Court Awards \$1,250 Damages

J. D. Kinsey of Pampa has been awarded \$1,250 by a district court jury which deliberated more than three hours. District Court Clerk Helen Sprinkle reported today.

Kinsey had sought \$2,387 from Best Trailer Sales and Service for damages to a house trailer the Pampa firm had transferred here from Rollins, Wyo.

The Kinsey vs. Best Trailer suit was the only one of 16 scheduled suits which went to trial Monday and Tuesday. Eight suits were settled out of court, five were re-set to Feb. 29 and two were passed.

DEAR ABBY....

By-Abigail Van Buren

DEAR ABBY: We are an average family with three daughters, 11, 13 and 15. Our problem is the 15-year-old. She is very self-

We give all the girls an allowance and buy them the best clothes we can afford, but with all three of them having their teeth straightened at once, we have to watch pennies.

Our 15-year-old daughter baby-sits. We told her she could do what she wanted with her baby-sitting money so she spends it all on clothes.

Instead of saving the clothes to add down to her sisters, she takes them to a second-hand clothes store and sells them for practically nothing.

When I suggested she give her clothes to her sisters, she told me this hurt if I wanted them. I could buy them back from the second-hand store. How would you handle this girl, Abby?

DEAR MOM: The money your 15-year-old daughter earns is her own. And so the clothes she buys with that money. You can't force her to give her clothes to her sisters, but you can give ALL the girls a lesson in values by placing an emphasis on clothes and money more on the old-fashioned virtues, such as generosity, fairness and "do-unto-othersness."

DEAR ABBY: My husband runs a diner and has a lazy smart-alecky cook who thinks he knows everything. And my husband is afraid to open his mouth to this cook. For instance, the diner sells

chicken and beef - steak pies. All our customers send it back and complain. My husband says that the crust is put on just for ornament and you aren't supposed to eat it. I have eaten plenty of chicken and beef pies and the crust was just as good to eat as the inside. Abby, please tell me if I am wrong. I can't win an argument with my old man.

SILENT PARTNER
DEAR SILENT: Get vocal. Your husband surely knows that pie crust is meant to be eaten. Explain to him that for the same "dough" he should be able to get a cook who can make crust.

DEAR ABBY: My problem is much different from most women's. They are trying to find ways to keep their husbands home. I am trying to find a way to get mine to go someplace.

Ever since we were married four years ago, my husband has refused to go anywhere without me. I asked him to go play poker or to go have a beer or two with the men but he says he doesn't think it is right for a married man to go places and leave his wife alone.

He takes me out for dinner and a movie once a week and when I tell him he is entitled to a night out by himself he says he would rather stay home with me. We have a five-week-old baby and I have all day to get my work done so it isn't like I need my husband to stay home evenings to help me. Don't get me wrong - I love my husband. I just want him to go out and enjoy himself like other men.

MRS. L. Y.
DEAR MRS. L. Y.: You are the first woman who has ever written to complain because her husband was an angel. Cover him up. He might get pneumonia.

What's your problem? For a personal reply, write to ABBY, care of this paper. Enclose a stamped, self-addressed envelope.

Sam Houston Choir Presents Yule Carol Program For PTA Meeting

Sam Houston PTA held its December meeting on Thursday in the school auditorium.
The flag ceremony was sponsored by Den 2, Pack 27, which is endorsed by the PTA. Devotional topic was given by Mrs. Eben Warner, using as her topic, "Traditions."

Mrs. H. V. Wilks presented Miss Eloise Lane and the Sam Houston choir in a program of Christmas music.

The choir, composed of 54 students from the 5th and 6th grades, presented the following selections accompanied by J. T. Winters: "Christmas Song, Christmas Hymn, Oh Come, Be Glad and Sing."

Miss Laura Miller was accompanist for the remaining numbers: Bethlehem Night (Spanish Carol); March of the Three Kings (French Carol); Hark Ye, What Angel Voices (Polish Carol); Sing We Today Our Glad Noel (French Carol); Sleep Little Lord (French Carol); On Christmas Day In the Morning, a round by Wanda Lee Cook; The Lonely Birth (Flemish Carol); The Bell Song; an arrangement of Jingle Bells; Big Bells Do Chime and Hurray God Bless.

A short business meeting was presided over by the president, Mrs. J. T. Cornutt. Reports were given by Mrs. Jack Benton, secretary and Mrs. Chris Walsh, treasurer.

A report on the study course beginning in January was given by Mrs. Tom Braly. "The first session of the study course will be held

Jan. 14 at 9 a.m. in the Sam Houston Cafeteria. The subject will be "How Adolescent Are Parents?" and "Is There a Morals Revolt Among Youth and Adults," she reported.

L. C. Davis, school principal, conducted the room count with treats going to the rooms of Mrs. John Hart and Mr. L. B. Penick.

Door prize, a cake baked by Mrs. Charles Brauchle was won by Mrs. L. W. Foot.

Announcement was made of the joint meeting of all PTA units to be held Jan. 14 in Pampa Junior High School auditorium. The program will be concerned with a forum discussion of "Why Special Education?"

Included in other announcements were the Sam Houston choir presenting a radio program on Jan. 1; and of the Christmas Lighting Contest to be judged Dec. 23.

Yule Workshop For Piano Pupils

Youth Melody Makers, junior and senior high school student group in Mrs. Fidelia Yoder's piano class, met in her home, #215 Williston, on Friday evening for an organization meeting and Christmas workshop party.

The following officers were elected, Miss Nanette Flynt, president; Miss Joyce Prock, vice president; and Miss Joretta Baird, secretary.

Roll call was answered with a musical current event, after which gifts were exchanged for the evening, later to be given to needy children.

For the musical portion of the program, the following students played solos: Dorothy (Smith) was played by Janie Prock and Blue Daisies (Mama-Zucca) by Terry Watson. Loretta and Joretta Baird played Aragonaise (Massenet) and Firefly (Blotki), respectively, and Nonsense Song (Weybright) was played by Billy Conley. Joyce Prock presented the Williams Concerto in C Major, which she will play in the Amarillo Symphony contest in January. To Spring (Grieg) was presented by Nanette Flynt, and Paderewsky's well-known Minuet was played by Beverly Langley. Other students present were Ann Collins and Kathy Larsen.

Hostess-mothers for the evening was Mrs. James Baird and Mrs. Vernon Langley. At the close of the program, Christmas cookies and punch were served to the group.

Other mothers present were: Mrs. Ralph Prock, Mrs. Glenn Mrs. Ralph Prock, Mrs. Glenn Mrs. T. P. Collins.

Ageless Was Word For Edna Hopper

By JACK V. FOX
United Press International
NEW YORK (UPI)—Edna Wallace Hopper was of a gentle and foolish and gay era when all the world seemed young and she was perpetual youth.
Any grandfather or grandmother can tell you, Edna Hopper was the Gay '90s right into the Roaring '20s. She was "Florodora" and stage-door Johnnies and the first face-liftings and women's diets.
She said her birth certificate was destroyed in the San Francisco earthquake. And so closely did Miss Hopper guard her age, that when she died of pneumonia in her New York home Monday the records showed that she was perhaps 85—and perhaps 95.
But her name brought the nostalgia of youth to any man old enough to remember bathtub gin and any woman who could remember her face glowing from the first beauty aids or those who

Letters To Santa

Dear Santa,
I am a little boy 8 years old. This is what I want for Christmas please: a Mattel gun and a holster set, an electric train and a fireman set like they have at Ideal Food Store Number 23.
Don't forget all the other little boys and girls also my mother and daddy and please leave my bird a toy too.

Thank you,
I love you,
Tommy Fisher

Dear Santa,
I want a little fire truck and a pair of boots. I want a big teddy bear and a ball and a Santa Claus hat and some blocks, and a drive in and a gas station. Santa Claus, my brother would like to have a watch. We would also like to have a machine gun and some binoculars and a gun and holster. I would like it if you would put some candy, peanuts and oranges in both of the stockings.
We will see if we can have some cookies and milk for you.

Our names are Bruce and Bill. We hope you do all the things on this letter. We have been good boys.

Goodbye, Santa,
Bruce and Bill

Dear Santa,
I want a toy gun, and a pack and a truck and a football game and a private eye set. And I will leave you some pop.

My sister, Debra has been good too. She wants some clothes for her new doll and some high heels and a bike with supporter wheels. We would both like a wagon, too.

Love,
Chuck and Debra Eaton

Dear Santa, Claus,
My name is Mona Sue and I am four and one-half years old. I have a brother, Jim Tate, two and one-half. This is our first letter to you.

Please remember the little boys and girls whose parents are poor and give them the best toys.

I want a doll buggy, sweeper, dish cabinet, play house, red table, a girl-size high heels and some clay.

Jim wants cars, trains, airplanes, tractors and lots of other toys.

Love,
Mona Sue and Jim Tate

Dear Santa,
I would like a pair of house shoes and a wrist watch. I have been a good girl. I will put candy, milk and sandwich out for you.

Love,
Ellen McDaniel

Dear Santa Claus,
I want a bb gun, and basketball and goal and a model airplane with some glue and a merry merry Christmas to you and Mrs. Claus.
From-Barry Winborne

Dear Santa,
I want a wrist watch and pair of house shoes, also some crayons. I will like everything you give me. I have been very good, too.

Love,
Helen McDaniel

Santa:
North Pole.

Dear Santa:
I am a boy five (5) years old. I have tried to be a good boy for that age as you know it hard for boy's to be good all the time. I would like very much for you to bring me an air rifle as my brother age 11 has had two and is very good with one. You can leave me anything else you have that you think I would like. Don't forget my brother, or the other little boys and girls. Please leave some candy and fruits.

Your friend,

Red Griggs ★ the pipeline

One of the greatest fights ever held in Pampa may be reeled off here Saturday night, at the Optimist Boys Club. Going in the main event will be Bobby Wilhelm of the University of Corpus Christi (and Pampa), and Manny Perez of Amarillo.

Wilhelm, son of Pampa boxing coach Ollie Wilhelm, was the 1958 Texas Welterweight champion. He's considered among the top boxers, if not the top boxer, every produced by the Pampa boxing program.

Perez is a tough, aggressive fighter who was good enough to beat Pampa's Gary Wills for the Golden Gloves regional lightweight title.

Pampa matchmaker Oran James summed up the type of fight that can be expected: "Bobby is at his best against a good fighter," he said. "Once someone hits him hard enough to hurt him, he goes after the other man and doesn't stop until he gets a knockout — or at least gives it a good try."

"Perez," continued James, "is the type of boxer who's not afraid to take the initiative against anybody, including Bobby Wilhelm. He's very aggressive. Bobby is a counter-puncher, so there's just enough difference in their styles to make for a good action-packed fight."

Tickets to the Corpus Christi fights, sponsored by Pampa's two Optimist Clubs, are on sale at James Feed Store.

Langford to Start in Sun Bowl

Robert Langford, a former Harvester football player, will start for the New Mexico Aggies, in the defensive backfield, in the Dec. 31 Sun Bowl game.

The Aggies meet the North Texas State Aggies in El Paso in that contest, a clash between two of the highest scoring teams in the country. Among the men Langford will be expected to stop is Abner Haynes, North Texas' all - America halfback.

Langford, a 160-pounder, started the season as a bench-warmer for the Aggies, but was given a chance to play regularly when the usual starter was injured.

He immediately became a defensive standout, with his aggressive tackling. In a couple of games, he was considered by many observers to be the outstanding defensive man on the field.

The performance of the medium-sized Langford in a "big man's game" prompted Coach Warren Woodson of the Aggies to use the old football adage that "It's not the size of the dog in the fight, it's the size of the fight in the dog."

TCU Favored in Bluebonnet Bowl

TCU is rated as a very slight favorite in the first annual Bluebonnet Bowl, which will be played in Houston Saturday. The Frogs' opponent is Clemson.

TCU is a Southwest Conference tri-champion, while Clemson is the Atlantic Coast Conference champ. Both have identical 8-2 records for the season. The game will be telecast, beginning at about 2:30 p.m., by CBS.

Saturday's other bowl game, the Holiday Bowl in St. Petersburg, Fla., will decide the national small

college championship. Going in that one will be Texas A&I and Lenoir Rhyne. This one will be televised on CBS, beginning at 11:30.

The Southwest Conference, at its annual meeting last weekend, decided not to limit the number of athletic scholarships a school may have. Conference officials also voted to tighten transfer rules, so that an athlete who has drawn a scholarship from another school may not participate at another school for a year — regardless

Brown, Conerly Win Pro Grid Honors

PHILADELPHIA (UPI) — Jimmy Brown, the bundle of muscle of the Cleveland Browns, and Charley Conerly, the bundle of chaos from the New York Giants, won the National Football League rushing and passing championships for 1959.

Brown, carrying the all for a single season record 290 times, won the rushing title for the third straight year with 1,329 yards. His total carries broke the former mark of 271 set by Eddie Price of New York in 1951.

Conerly, once hooted by New York fans during the Giants' lean years of not too long ago, took over first place last week, and then won his first passing championship in 12 years in the league with an average of 8.79 yards gained for every pass thrown.

Conerly completed 112 of 194 tosses for a 58.2 percentage mark. He gained 1,706 yards, threw 14 touchdown passes, and had only four intercepted.

Brown, batting 1,000 with three

rushing championships in three NFL seasons, finished 293 yards ahead of J. D. Smith of San Francisco. Ollie Matson (863) of Los Angeles was third and Tom Tracy (794) of Pittsburgh was fourth and Bob Mitchell (743) of Cleveland was fifth.

Conerly, a venerable 38, led some distinguished company in annexing the passing title. Earl Morrall of Detroit was second, Johnny Unitas of Baltimore third, Norm Van Brocklin of Philadelphia fourth and Billy Wade of Los Angeles fifth.

Arizin Becomes Third High Scorer

Paul Arizin, playing in the shadow of Wilt Chamberlain this season, reached a personal milestone Tuesday night by becoming the third highest scorer in National Basketball Assn. history.

The former Villanova star, who twice led the NEA in scoring, hiked his lifetime total to 11,779 points as the Philadelphia Warriors mated the Cincinnati Royals, 121-107.

Arizin contributed 26 points in the Warrior spree, a surge that put him 15 over the 11,764 tallied by the great George Mikan of the Minneapolis Lakers. Only Dolph Schayes of Syracuse and Bob Cousy have scored more points than Arizin in the NBA.

Chamberlain, however, continued to dominate the Philadelphia scoring as he netted 28 points against Cincinnati. Jack Twyman, the circuit's leading scorer, tallied 31 to lead the Royals.

Bob Pettit, defending NEA scoring champion, dropped in 40 points to give the St. Louis Hawks a 119-110 verdict over the Knickerbockers in the nightcap of the New York doubleheader. Richie Guerin led New York with 20 points.

of whether or not he played for the school he left.

Spring football practice time for the conference remains unchanged — 18 working sessions in 28 calendar days. The NCAA allows 20 working days and 36 calendar days, but the officials believed this was too long a period.

The conference also voted to lift its so-called "gag rule" against the use of films. This rule, you may remember, came into prominence because of an incident in 1958, in which an official accidentally hit a player in the face with a towel. The conference has now agreed to permit future public use of film clips of "odd and humorous" happenings during an athletic contest.

Industrial League

Citizens Bank opened the 1959-60 Industrial League basketball season Monday night with a 90-62 win over Miami. Don Fagin paced the Citizens Bank attack with 32 points, and team mate Sam Condo was close behind with 31. For Miami, Greenhouse had 11, Turner 10, and Smith 10.

The next Industrial League action is set for Thursday night. Hoover Oil will meet Gulf Oil at Carver Gym, and in a doubleheader at Pampa Junior High Gym, Citizens Bank plays Shamrock and Miami meets Panhandle.

COACH DUE SATURDAY
SAN FRANCISCO (UPI) — Coach Duffy Daugherty of Michigan State is due to arrive Saturday to take over his duties as coach of the East team in the annual Shrine football game Jan. 2.

WAYNE TEDDER — This Borger boxer, who was a top contender at the state Golden Gloves meet last year, will fight for the University of Corpus Christi when they meet the Pampa Optimist Boys Club fighters here Saturday night.

Basketball Roundup

AMARILLO — Two Amarillo basketball teams improved their season records here Tuesday night. The Amarillo Sandies upped their season mark to 4-3 with a 58-48 win over Phillips, and Palo Duro won its sixth victory in seven starts by thumping Hereford, 76-50.

LUBBOCK — The Lubbock West-erners boosted their season mark to 8-2 here Tuesday night with a 69-56 victory over the Levelland Lobos. Lubbock held narrow leads of 18-14 at the end of the first quarter and 34-30 at halftime, but boosted it to 54-40 at the end of three quarters. Mike Farley led Lubbock's scoring with 22 points.

CLARENDON — The Clarendon basketball teams took two-thirds of a tripleheader here Tuesday night from Lefors, taking the boys game 52-47 and the girls contest, 66-54. Lefors salvaged the B game, 39-27.

GROOM — Claude's Mustangs edged Groom here Tuesday night in a boys basketball game, 46-42, after taking a 64-41 victory over Groom in the girls game.

BORGER — The Borger Bulldogs whipped Guymon, Okla., 69-54, Tuesday night, for their sixth tri-

Norm Corcoran and Chuck Blair, who had scored only seven goals between them in 30 previous games, earned the Quebec Aces a 2-2 standoff against the Rochester Americans in Tuesday night's only American Hockey League game.

Corcoran bagged his sixth goal of the season in the opening period to give Quebec a 1-0 lead, which the Aces held until almost Charlie Smrke and Rudy Migay midway in the final period.

Giants Get Blasingame; Reds Swap Temple For Cal McLish

By FRED DOWN
United Press International
NEW YORK (UPI) — The San Francisco Giants and Cincinnati Reds apparently have strengthened themselves where they "hurt the most" last season with a pair of surprise deals.

The Giants moved to tighten up their inner defense when they obtained second - baseman Don Blasingame from the St. Louis Cardinals while the Reds made a bid for the "big" pitcher they needed when they acquired 19-game winner Cal McLish from the Cleveland Indians.

The Giant-Cardinals deal was a standard off-season deal but the Red - Cleveland transaction just beat the midnight deadline for unrestricted deals between the National and American leagues. The deal was completed just before the deadline and actually wasn't announced until an hour and a half after it.

To get Blasingame, the Giants sent infielder Daryl Spencer and

outfielder Leon Wagner to the Cardinals while the Reds traded veteran second-baseman Johnny Temple to the Indians for McLish. Infielder Billy Martin and 1958 Southern Association batting champion Gordon Coleman.

The deadline went by without either the Yankees or Braves making their long-predicted inter-league swaps but the Washington Senators tossed a winter bombshell when they claimed they rejected two \$500,000 offers for Harmon Killebrew.

Manager Charley Dressen of the Braves, a coach with the pennant-winning Dodgers last season, said the Giants now "are the team to beat." He added that the Braves tried to obtain Blasingame but said the Cardinals "tried to hold us up."

The Senators, meanwhile, said they had rejected the second largest offer ever made for a ball player when they turned down the Cincinnati Reds' bid of \$500,000 (cash on the barrel) for Killebrew, who tied for the American League home run lead with 42 round trippers this year. The Pittsburgh Pirates claimed they had made a player offer that actually exceeded in value the Reds' \$500,000 offer.

Senator owner Calvin Griffith

disclosed the offer was made by General Manager Gabe Paul of the Reds last Aug. 8.

Griffith said he told Paul he was not interested in selling Killebrew and that Paul then made the same offer for Camillo Pascual, 25-year-old Cuban pitcher who had a 17-10 record last season.

Clark Resigns As USC Coach

LOS ANGELES (UPI) — Don Clark cashed in all his football chips as a winner today, resigning as head coach of the University of Southern California to enter private business.

"I never intended to make coaching my life career," said Clark after the surprise resignation was made public Tuesday night. "I find myself unable to pass the opportunity now being afforded me."

Dr. Norman Topping, president of USC, immediately announced John McKay, former Oregon state coach who served one season as assistant to Clark, had been signed to coach the Trojans for one year.

While Clark and some alumni and school officials didn't see eye to eye on a number of questions, the resignation was unexpected. Clark coached the Trojans to a record of eight wins and two losses in 1959, one of the finest USC marks in years. The nucleus of the same squad, led by the McKeever twins, Mike and Marlin, will return for the next season and make the Trojans strong contenders for national honors.

Clark, whose resignation is effective March 1, said he would take a position as executive vice president of Prudential Overall Supply Co., a multi-plant industrial operation in Southern California.

Armstrong, Ellis Will Fight Tonight

CAMDEN, N.J. (UPI) — Fast-rising Rudy Ellis of Chicago meets Gene (Ace) Armstrong of Elizabeth, N.J., in a 10-round nationally televised middleweight bout tonight that pits a heavy puncher against a slick boxer.

The puncher in this case is the 22-year-old Chicago campaigner, who blasted his way into the ranks of the middleweight contenders when he scored a thrilling fifth-round knockout over seasoned Bobby Boyd in his first TV appearance last August.

The 27-year-old Armstrong has scored only one knockout in 18 fights but was undefeated until he was upset by Dick Tiger here in the same ring last September.

Junior High Games Set

Pampa's two junior high basketball teams will play their last games before the Christmas holidays, today and tomorrow.

Lee's Rebels were to play the White Deer B team this afternoon in White Deer. The game was originally scheduled for Tuesday, but was postponed because of a schedule conflict.

Pampa Junior High's Reapers play host to Dumas Thursday at 3:30 p.m. in a Panhandle Junior High Conference game. That contest will be followed by an eighth game grade between teams of the same schools.

MAY RECALL FORWARD
TORONTO (UPI) — Hank Ciesla, ex-New York Ranger forward, is expected to be recalled by the Toronto Maple Leafs of the National Hockey League to fill in for injured Bert Olinstead. Ciesla is playing for the Leafs' Rochester affiliate in the American Hockey League.

AIRBORNE — Looking as though they are suspended in midair at Madison Square Garden are Johnny Green, left, of the New York Knickerbockers and the Boston Celtics' Bill Russell, who is dunking the ball as usual.

Sooners Ignore Record Book, Thump SMU Mustangs, 65-5

United Press International
That Oklahoma-Southern Methodist basketball game Tuesday night just goes to show you can't trust the record books.
On the basis of a common foe, SMU was the favorite. The Ponies whipped Minnesota by 13 points, and the Gophers turned around

and dumped Oklahoma by two points. But the Sooners didn't subscribe to that type of logic. And they came blazing from behind to whip the Mustangs 65-5.
It was the toughest defensive test the Ponies have had this season. They have been scoring at an average clip of 71.25 points per game. Iowa held SMU to 58 points.
The Sooners, paced by Dennis Price and Brian Etheridge, finally knotted the score 46-46 midway

'What Is Man?'

Most of us think of Mark Twain as a humorist. It wasn't until some time ago that we learned of the existence of a serious essay from the pen of this great author of "Tom Sawyer" and "Huckleberry Finn." After some searching, it reached our desk. And we'll recommend it as a mental stimulant, even though we must protest that we are not always in agreement.

Human Rights

Some few years ago, the United Nations General Assembly set aside a day in December as "Human Rights" day. So right now is an excellent time to discuss this all-important concept of human rights.

The Pampa Daily News

YOUR FREEDOM NEWSPAPER We believe that freedom is a gift from God and not a political grant from the government. Freedom is not license. It must be consistent with the truths expressed in such great moral guides as the Golden Rule, The Ten Commandments and the Declaration of Independence.

Sacred Band Of School Administrators

Since I recently talked to a section of the Orange County-Los Angeles County school administrators and they refused to answer any questions that I asked, an article in the National Review written by Russell Kirk under the heading "The Sacred Band of School Administrators" was especially interesting to me.

Radio Coffee Coup Scored By Mrs. FDR

by WESTBROOK PEGLER

In 1941, when Charles Van Doren was only 15 years old, Eleanor Roosevelt was the heroine of a radio deal which involved the State Department, a son of Harry Hopkins and the wife of Ernest Lindley, the Washington political columnist of Newsweek, Mrs. Roosevelt's exploit and Van Doren's 16 years later, had phases of resemblance.

The Doctor Says:

The Saturday Evening Post asks "What's Happening to the Family Doctor?" For an answer, the Post turns to Dr. Alan F. Nourse whose biographical note tells how he selected a community for his practice "because there was hunting, fishing and skiing in easy reach" of a medical clinic that "would tolerate me as a member."

Looking Sideways

by WHITNEY BOLTON

NEW YORK — Some people are so much like race horses—slender, delicate of bone and frame, rich in emotion, swift of thought and deed, nerves thinly covered, their reaction times immediate and provocative. They have within their hearts of massive pumping ability, adrenals that surge on the split second and their brains, oh, their lovely brains, make a chump of a million-dollar computing instrument.

Downwind Of

Pachyderm Unfunny

BEVERLY HILLS, Calif. (UPI) — Songwriter Sammy Cahn's expression is pained today. He lives "downwind" from an elephant. Television personality Art Linkletter, his next door neighbor, received the baby pachyderm last week from the children of India and he promptly put it out to graze in his back yard. Cahn, expressing some displeasure at the zoo-like turn of events, promptly informed Linkletter that the area "is not zoned for baby elephants" and added "besides I'm downwind from your yard and baby elephant or no, it's still an elephant."

Linkletter, who has promised the animal to the friends of the Los Angeles Zoo, explained that he only wanted to keep the 747 pound beast in his yard until the new zoo was established in its permanent quarters.

Cahn threatened to take the matter up with the city council if Linkletter persisted in keeping the animal.

WINS PROMOTION

AUSTIN (UPI) — Gov. Price Daniel promoted Brig. Gen. Allen D. Rooke, a San Antonio rancher and banker, to major general in the Texas State Guard reserve corps Monday.

TAKES PAROLE POST

ODESSA (UPI) — Ector county has a new state parole officer. Jack M. Parker, 51, former employee of the Federal Bureau of Prisons, replaces Glenn Vail who resigned to go into the insurance business.

Williams Named To 'War' Panel

AUSTIN (UPI) — Gov. Price Daniel appointed a Texas Civil War Centennial Commission Monday and named Walter Williams, 117, the only survivor of the war, as an honorary member. Williams is struggling with his fourth bout of pneumonia this year at the home of a daughter, Mrs. Willie Mae Bowles, in Houston.

Daniel said the commission should "direct appropriate commemoration of Texas' part in the War Between the States and the valor, sacrifice, and courage of those who restored unity and peace to our land."

George W. Hill, executive director of the Texas State Historical Survey Committee, was named director and Walter Long of Austin was appointed commission chairman.

Daniel, whose grandfather fought in the Civil War, said he formed the Texas branch of the National Civil War Centennial Commission only after he was "fully satisfied that this will be a dignified commemoration rather than a commercialized celebration."
