# Florida Rapists Sentenced To Life

## Four Youths Are Taken to Prison

By BARBARA FRYE  
United Press International

TALLAHASSEE, Fla. (UPI) — Four white youths convicted of raping a Negro college girl were sentenced today to life imprisonment.

The youths, ranging in age from 16 to 24, were convicted of taking the girl from her Negro date on the night of her college spring formal dance and raping her seven times. The jury recommended mercy, without which the judge would have been required to give them the death penalty.

Circuit Judge W. May Walker pronounced sentence at 9:44 a.m. and the youths were immediately whisked off to the state prison at Raiford.

They are Patrick Scarborough, 20, Willon T. Collinsworth, 24, Ollie Stoutamire, 16, and David Beagles, 18. They were convicted June 15 after a four-day trial.

### Term up to Judge

Under terms of the jury's conviction, the judge could have imposed sentences anywhere from a few years to life. No white person ever has been sent to the chair for raping a Negro in Florida, but 37 Negroes have paid that price for assaulting white women during the past 25 years.

The courtroom was nearly empty. No advance word had been given of the sentencing and only the lawyers and relatives of the four youths were on hand, along with a few newsmen.

Two Negroes, witnesses in a case to come up later in the day, watched from the segregated balcony.

Collinsworth's attractive, blonde wife, holding her 2-year-old son in her arms, broke down and sobbed.

The four admitted in signed confessions that they abducted the 19-year-old coed at gunpoint early on May 2 and raped her. The name of the rape victim is protected from publication by Florida law.

### Judge Is Solemn

Judge Walker, whose conduct of the sensational trial drew praise from whites and Negroes alike, was solemn as he told the four young men to stand for sentencing.

## House Tries Third Time

By LLOYD LARRABEE  
United Press International

AUSTIN (UPI) — A House committee, steeped in controversy, makes its third start of the year today on writing a tax program that will be acceptable to lawmakers.

### BULLETIN

AUSTIN (UPI) — The Senate Finance Committee today did the expected and rejected for a third time the House appropriations bill and sent to the Senate floor its own version of state spending.

The Revenue and Taxation Committee scheduled an afternoon hearing on two revenue-raising measures, as the Legislature enters the sixth day of its session.

## CC Plans 4th Of July Fete

Program details of the Chamber of Commerce sponsored Fourth of July celebration were worked out at a noon meeting of the program committee today. Contributions to the operating fund continue. Donations are still necessary to meet the program cost, according to Crawford Atkinson, program chairman.

The rodeo grounds are undergoing a face lifting this week in preparation for the program, with a new paint job and remodeling of the stands. Recreation Park can seat 6,000 persons and plans are being made for orderly parking of another 10,000.

Police officers, sheriff's deputies and highway patrolmen will be on the job, under the general direction of City Manager John Koozta.

The program will open with a hand concert at 7:30 p.m. July 4. Melvin T. Munn will star as master of ceremonies. The Jockey Dogs from Gainesville will appear with their trained ponies, after which Congressman Walter Rogers will deliver a patriotic address.

The program will be climaxed with a 45 minute display of fireworks. There will be no charge as the program will be financed entirely by public contributions.

News releases, posters and advertising material have gone out to all neighboring communities this week.

## St. Louis Police Search For Pair of 'Bombed' Brothers

ST. LOUIS, Mo. (UPI) — Police hunted widely today for two brothers believed to be armed with homemade bombs that might be rigged to explode if the pair were captured and forced to raise their hands.

The brothers, James Hecker, 23, and Joseph 18, were sought for an attempted burglary and bombing of the St. Louis Arena bowling alley.

Police Lt. Arthur Sullivan said the brothers were believed to be carrying four dynamite bombs with delayed fuses which could be activated by pieces of string.

He said the Hecker brothers probably were carrying the explosives in their pockets or strapped to their bodies.

State highway patrolmen, city and county police were warned to keep their distance if they cornered the pair because there was a "possibility" the bombs were fashioned to go off if the fugitives raised their hands in surrender.

"The bombs pack a wallop," Sullivan said, "and they could probably kill if they were thrown at a person or went off in a pocket."

Police said the brothers were believed to have fled the city at least for a time, Sunday night. James called a friend, William Robertson, 19, by long distance telephone during the evening to seek information about a third brother, Gerald, 20, who was seized by police shortly after the robbery attempt.

second 30-day special session with a plea for prompt action from Gov. Price Daniel.

At the same time, the Senate Finance Committee had before it a House-approved \$2,400,000,000 general spending program for the next two years, requiring some \$27 million dollars from the deficit-ridden general revenue fund.

Carry Out Formality  
The House passed the bill speedily last Wednesday—first day of the second special session—in virtually the same form as in the 120-day regular session and the first special session. Lawmakers were expected to carry out the formality this week of sending the measure to a joint conference committee for final drafting.

Scheduled for airing before the House Revenue and Taxation Committee were a proposed one per cent manufacturers tax by Rep. Jerry Sadler of Palestine, and Daniel's twice-killed abandoned property act, sponsored by Rep. Jim Bates of Edinburg.

The committee Tuesday will hear Daniel's tax program, incorporated in a bill sponsored by Rep. George Hinson of Mineola aimed at providing 183 million dollars in new revenue to finance state government in the next biennium.

Also docketed for hearing Tuesday is a bill by Rep. Frates Seeligson of San Antonio, pegged heavily on a luxury sales and use tax of two per cent on sales of more than \$50.

Criticized By Daniel  
Daniel has criticized the House Revenue and Taxation Committee as being "heavily stacked" with members who favor sales taxes and oppose his program of levies on natural gas pipelines and interstate corporations.

Although taxing-and-spending were the critical problems facing lawmakers, they had other issues to debate.

One, a bill by Rep. Bob Eckhardt of Houston providing for protection of state and public uses of beaches and seashore bordering the Gulf of Mexico and prohibiting obstruction of the beaches, was set for 2:30 p.m. hearing today before the House Conservation and Reclamation Committee.

A similar bill was approved by the House in the first special session, but died in the Senate.

The House Appropriations Committee Monday at 7:30 p.m. will air a controversial bill seeking to permit governing boards of state-supported colleges to raise student fees. The measure is sponsored by Rep. W. S. Healy of Paducah.

It also was approved by the House but died in the Senate in the first called session.

THREE FACES OF HERTER

Christian A. Herter, the busy U. S. Secretary of State reports to the White House on the deadlocked Geneva talks in Washington today. Shown in three moods, above, Herter has found some cause to laugh, left, worry, center, and be firm in speech, right, with the Soviet dele-

gation at Geneva during recent weeks. The 64-year-old former Massachusetts governor assumed his vital role due to the death of John Foster Dulles. Herter will report to the nation via television Tuesday night.

# Herter To Make TV Report To Nation

By W. B. DICKINSON JR.  
United Press International

WASHINGTON (UPI) — Secretary of State Christian A. Herter announced today an hour-long television report to the American people Tuesday night on the deadlocked Geneva conference.

Herter met with Eisenhower and Undersecretary C. Douglas

Dillon at 8 a.m. White House breakfast. He said his report to Eisenhower was "in general terms" and included an evaluation of "where we are."

The secretary said he would make a detailed public report by television Tuesday night. Details of the broadcast will be announced later.

Reporters asked Herter what he thought of prospects for a summit meeting this summer.

The secretary declined to haz-

ard an estimate, but said a summit conference was not discussed with the Russians at all during the Geneva talks.

This was in line with Eisenhower's repeated public position that there must be some measurable progress by the foreign ministers as a preliminary to any top-level meeting of the major powers.

It was understood that Herter gave Eisenhower an expert on-

Russian tactics as reflected in Geneva.

Herter flew back from Europe Sunday with the firm belief that Russia's aim is the absorption of West Berlin and West Germany into the communist orbit.

He was expected to report later to the House and Senate Foreign Affairs committees. The President in turn scheduled a Cabinet meeting for early afternoon.

Herter was ready with a tough evaluation of Soviet tactics at Geneva.

He said the Soviet Union "revealed clearly that its true desire is to absorb West Berlin into East Germany and to keep Germany (See HERTER, Page 3)

# Louisiana Facing A Week Of Crisis

By JACK V. FOX  
United Press International

BATON ROUGE, La. (UPI) — This is a week of crisis for Louisiana. It may see the governor emerge from a mental hospital and try to take over power. It could see violence.

Gov. Earl K. Long, confined as a schizophrenic paranoid, was determined to get out of the state hospital at Mandeville. He had picked a political henchman today to do the legal blocking for him.

The consensus in this capital was that there would be "shell-to-pay" if the 63-year-old Long gets back in the governor's chair.

A hearing was expected by Wednesday.

It could be a public sanity hearing before the Baton Rouge district judge who committed him last Thursday. It could be heard before a judge in St. Tammany Parish where he is now held, demanding release on grounds he was unlawfully committed.

### Governor Calm, Rational

Theo. Cangelosi, Long's appointee as chairman of the board of supervisors at Louisiana State University, said the governor was calm and rational when he talked with him at the Southeastern State Hospital Saturday.

"He said to me, 'Do I behave like an insane man?'" Cangelosi reported.

Long's doctors at the hospital reported Sunday night that the governor is in "satisfactory general condition and that he was cooperating in physical and mental tests."

The bulletin said he had been examined by Dr. Anthony Roussos, a hospital staff psychiatrist at Southeastern Hospital, and Dr. Victor Lief, an internal medicine specialist. Dr. Roussos is in direct

charge of the patient.

Could Introduce Reports  
If a sanity hearing is held, Long could introduce the report of the staff doctors at the state hospital.

He was committed without a hearing by Judge Fred S. Leblanc after an examination in the back seat of a police car when he was forcibly brought to the East Baton Rouge Parish courthouse Thursday night.

Louisiana law provides that "an examination of the patient shall be held at a place not likely to have a harmful effect upon his condition."

Long's top lawyer in his free-

dom fight is Joe Arthur Sims. Sims ran for state attorney general on the Long ticket in 1952 but was defeated with other Long candidates. An ironic twist is that Sims was defeated by Judge Leblanc, who committed Long Long himself did not run that year.

A close friend of the Long family said Mrs. Long was convinced the governor was gravely ill both physically and mentally and that she didn't think he would live more than two months unless he received prompt treatment.

There was serious fear of what might happen if Long were to

lose his power as commander of the state police and the Louisiana National Guard.

## Leonard Named Juvenile Officer

Bill Leonard, for several years a warrant officer for the National Guard, was named Gray County Juvenile Officer over the weekend by Judge William Craig and the County Commission.

Leonard, 43, succeeds H. A. Doggett, who resigned one week ago after seven years duty. Juvenile Officer Leonard lives at 736 N. Nelson and has been a local resident 14 years.

There were at least five applicants for the vacant juvenile post. Most were members of the Pampa police force. One of the men contacted for the position, Police Lt. Denny Roan, decided to stay with police department work.

## 5-DAY HEARINGS OPEN

# Subcommittee To Show World Fate of Nuclear War

By JOSEPH L. MYLER  
United Press International

WASHINGTON (UPI) — A congressional subcommittee today begins five days of hearings designed to show the world what its fate would be if East and West traded multimegaton nuclear blows.

As the hearings develop, Americans in 224 areas assumed to be high on Russia's target list will learn from experts how many of them would be killed or hurt or sickened by atomic blast, heat, and radiation.

The subcommittee will not mention specific Soviet targets for retaliatory attack. It does not want to be accused of war-mongering. But it emphasized in preliminary statements that the damage would not be limited to the nation hit first.

It also made it clear that, because of the enormous amount of radioactive fallout that would be generated, the whole world would pay for generations for the brief violence of just two of its nations.

The hearings are being conducted by the special atomic energy subcommittee on radiation headed by Rep. Chet Holifield (D-Calif.). Subcommittee members would not say so for the record, but it appeared likely that the hearings would provide a yardstick for

—Putting in perspective the hazard, if any, from peacetime bomb test fallout.

—Judging the soundness of Western dependence on nuclear weapons for defense and of the peace insurance policy which has been called "massive retaliation."

—Appraising the wisdom of abandoning weapons testing before the nation's missile age atomic arsenal is developed.

—Spotlighting inadequacies of the U.S. civil defense effort.

Holifield said in first announcing the hearings that "an intelligent conviction of the need for escape from the horrors of nuclear war must exist in the minds of diplomats and the people in all nations."

"It is unrealistic," he said, "to ignore the drive for nuclear weapons capability and the increasing probability that through miscalculation or intent this capability will be used."

He insisted, however, that the hearings have no bearing in the foreign ministers meeting and the East-West test ban negotiations in Geneva. He said matters of policy and politics would not be discussed.

There are three nuclear powers—the U.S., the U.S.S.R., and the United Kingdom. France may become the fourth this summer.

LOUISIANA POWERS!

Gov. Earl Long of Louisiana, left, has reportedly picked a legal henchman to help him get out of a mental hospital this week and back in office. The governor's duties are being handled today by Lt. Gov. Lethor Frazier, right, who is expected to serve as acting governor during Long's hospital stay.

## RAIN OF 1.1 RECEIVED HERE

Pampa received 1.1 inches of moisture in a heavy rainfall Sunday night.

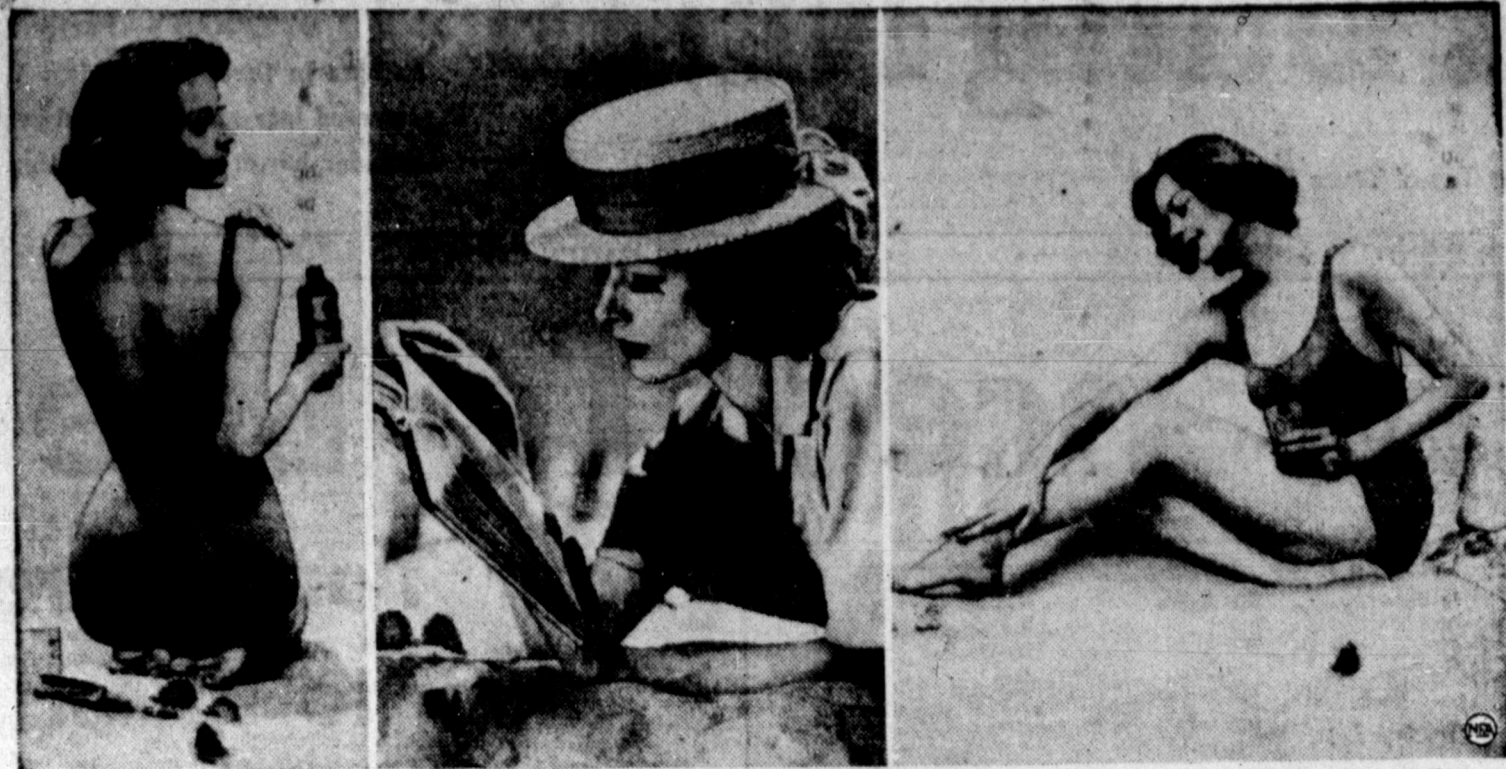

The thunderstorm began about 7 p.m. and continued until about 11.

The rain gauge atop the Daily News building registered one and one hundredth inches of rain this morning.

If you want to be a golden girl rather than a blistered one, take your sunbathing in easy stages. And from beginning to end of summer, use a lotion or cream which contains a sun-screening agent. This girl (left) pays special attention to her shoulders since they pick up the rays of the sun readily. She remembers (center) to protect her hair with a straw hat and

her eyes with sunglasses when she's in the direct glare of the sun. Here, she has donned a poncho to protect her skin since she's not yet ready to leave the beach. She remembers that her legs are especially vulnerable to the sun's rays (right) and gives them a fresh coating of sun lotion each time she comes out of the water.

### Bridal Pair Feted At Wedding Party

Mr. and Mrs. Danny Joe Johnson, who were recently married in Shafter, Calif., were honorees for a post-nuptial shower on Friday evening in the First Baptist Church parlors with Misses S. E. Walters, Ernest Arey, E. C. Mackie, L. W. Tappley, Charles Miller, Don Pumphrey, G. H. Anderson, Lee Garrison, Bob Sidwell, and Minor Langford as hostesses.

Mrs. Arey was guest registrar for the approximately 35 guests who attended or sent gifts. The refreshment table was covered with a white cutwork cloth over blue centered with a blue and white floral arrangement on a silver tray placed under an ornate arch inscribed with "Kathlene and Danny". White tapered and blue flowers in silver holders flanked the arrangement.

Punch, nuts and white sheet cake decorated with blue wedding bells were served by Mrs. Walters at the punch service and Mrs. Mackie at the cake service.

Re-using plastic bags you get at the store or dry cleaners is a moneysaver. Store seeds and bulbs in the smaller ones, for example. Large plastic bags can cover stored fans, books and papers that you won't be using but want to keep clean.

### Lively, Young Shirtwaist

F-22  
12-20

Basic and smart, the shirtwaist dress is a leader in the fashion parade every season. It flatters every figure, fits into a busy schedule with subtle charm. Pictured is a youthful, full skirted version that has soft tucking to trim the waist front and tiny sleeves that makes it so comfortable in warm weather. Several other ways to make this good looking style are illustrated in our Coordinator that is a part of every Fashion Original.

### Protect Skin While Wooing Tan So Summer Can Be Golden Season

By ALICIA HART  
NEA Beauty Editor

No cosmetic is more flattering than a healthy suntan. Your eyes look brighter, your teeth sparkle, and summer pastels take on added delicacy by contrast.

Unhappily, summer may not be a golden season but a painful one. Still, there's no need to be tortured with blisters and sunburn. A lovely bronze tone can be acquired with self-discipline, knowledge and the aid of a good suntan lotion.

Although the sun is a tonic, enjoyable to take and satisfying in its fulfillment of beauty and health, it can be a formidable foe, with some pretty tricky ways. Its ultraviolet rays — the ones that burn — are often not felt. So don't complacently loll under a protecting umbrella. It won't protect against rays bouncing off sand or water.

Watch out for deceptively hairy days. A good sunburn can creep up on you all unsuspecting in the cool, seemingly sunless air.

During June and July, the sun is most intense from noon to three p.m. So particularly between those hours, go easy about trying to tan.

Learn to limit the amount of burning rays you permit to penetrate your skin. Start tanning by staying in the sun for just a short time the first day. Then lengthen it gradually each succeeding day. Science, too, can help in the form of a suntan product, both for an even tanning and as a burn preventive.

No product can be all things to all people. Your choice will depend on the sensitivity of your skin, how long you want to stay in the sun, and whether or not you have an aversion to oil.

One leading firm has placed on the market several suntan products to meet the problem of each individual. And here's how to choose what's best for you: Suntan oil is for those who need

the least protection. Over-exposure must be avoided, for its tan is rapid.

Suntan cream also contains oil, but offers greater protection. Suntan lotion is non-oily, but provides good protection for most people, while permitting development of a good tan.

Shade lotion contains more sun-screening agent. It is for those who stay in the sun for long periods, and is excellent, too, for children.

Apply your lotion evenly over all exposed areas, and repeat the application at intervals while you're in the sun.

As a final word of caution, wear sunglasses to protect your eyes. If you're careful about choosing the right suntan product for your skin type and are practical about the length of time you spend each day in the sun, summer will surely be the time of year when you look most attractive. It will indeed be the golden season for you.

### Pasley-Davis Are United In Rites

SHAMROCK (Sp.) — Miss Barbara Helen Pasley, daughter of Mr. and Mrs. Ralph Pasley, and George R. Davis, son of Mr. and Mrs. George C. Davis, were married on June 6 in the First Christian Church in Shamrock. Reverend Don Blake, pastor read the single-ring ceremony at the altar of the church.

The bride, given in marriage by her father, wore a dress of light blue lace over taffeta designed with a low neckline, sleeveless, with fitted bodice and full skirt in a street-length. She wore a small white hat trimmed in seed pearl and velvet ribbon. Her corsage was of white carnations.

Miss Cynthia Davis, sister of the groom, was maid of honor, wearing a two piece dress of pale blue cotton with pleated skirt accented with white accessories.

Dennis Pasley, brother of the bride, was best man.

Mrs. Pasley, chose for her daughter's wedding, a beige dress with white accessories and white corsage of carnations.

Members of the two families and wore a corsage of white carnations. Mrs. Davis wore a grey dress with white accessories and Miss Joyce Perrin were guests.

For travel the bride chose a brown and beige dress with beige accessories.

The bride finished her freshman year in the Shamrock High School this past term and the bridegroom is a graduate of the Shamrock High School with the class of 1959. He is associated with his father in farming and ranching. The couple are at home in Shamrock.

### DEAR ABBY...

By Abigail Van Buren

DEAR ABBY: I'd like to answer that soldier who wanted mail from home: I know one very good reason why some of the boys in the service get no mail. They don't bother to answer the letters they receive.

I've known mothers who had to contact the Red Cross to find out if their sons were alive or not because they hadn't heard from them for so long. I am as patriotic as the next one, but it seems to me if a soldier wanted a letter, he could write one.

FRAN

DEAR FRAN: I printed the soldier's letter hoping to remind the folks at home to write to their friends, relatives and neighbors in the service. And I think they should. However, a service man who wants to start up a correspondence with anyone of acquaintance can do so by simply writing the following postcard: "I'm homesick as all get out. Won't you write to me?" (Wanna bet?)

DEAR ABBY: I've been married for six years and at the time of our marriage my wife wanted a double-ring ceremony, so we had one. I never cared to wear a ring of any kind because it is dangerous in my work. My wife insists, however, that I wear it whenever her mother is around. I wear it but it makes me nervous. Don't you think my wife is a little ally on this point?

HATES RINGS

Dear Hates: Your wife is more than silly — she's childish. It's far more important for a man to FEEL married than to LOOK it.

DEAR ABBY: I am 15, unwed and have an eight-month-old baby. The baby's father and I are very much in love and are planning to be married as soon as I am 16 in November. He is 17. We would have been married sooner but because of our ages the court wouldn't allow it. He also wasn't working at the time. Abby, would it be too awful if we had a church wedding? I wouldn't wear white because I know I'm not supposed to, but do you think a minister would consider marrying us in a church?

Dear Wants: Talk to your clergyman; if you are sincere in

### Sweet Summer Time Is Time For Revamping Usual Make-Up Habits

By ALICIA HART  
NEA Beauty Editor

It's time to switch over to summer skin care. This means putting away your heavier creams and getting out the lighter ones. It means putting your exotic perfumes away, carefully sealed, and replacing them with light, flowery colognes that fit in with the fresh scent of summer.

It means a whole new scheme of make-up cued to the pastels of summer. Lighter make-up, a pinker lipstick and a powder that will harmonize with your sun-warmed skin.

It might mean trying out a pair of the new false eyebrows. You may find that they save you time and effort over penciling in your brows each day. They go on quickly, with just a light glue of the kind that's used for false eyelashes.

For you don't change just your clothes and your living habits for the summer. Skin and hair need adaptation to the changing light and living patterns of summer, too.

Teen-agers who stuff themselves with sweets and then worry over pimples and blemishes shouldn't. They shouldn't worry, that is. Because in teen-age skin, pimples are absolutely certain to follow in the wake of chocolate candy bars, sundae and banana splits. These things are delicious but they must be taken, like all good things, in moderation.

If you indulge whenever you like, you're not only asking for beauty problems now but in the future, too. You'll find that you're forming a bad habit in constantly eating sweets, one that will get you added poundage and a bad skin both now and in the years to come.

Stick with orange juice, grapefruit juice (both high in vitamin C) and with fresh fruits or crackers and cheese when you feel that you must nibble.

There are several young women of my acquaintance who should wear glasses and don't.

HERTER

(Continued from Page 1) divided until it can be brought under Soviet influence.

Herter pledged, however, that the West would make "no arrangement" with Russia that would undermine the freedom of West Berlin.

After six weeks of negotiations with Russia the Western ministers decided on a three-week "cooling off" recess. Talks are scheduled to resume July 13.

Herter was expected to tell the Chief Executive that the Western ministers felt their position was at "rock bottom" and were determined that it should not be "chiseled away."

Herter was said to feel that Russia's tactic to bring the West to a summit meeting was to "frighten" the West at the foreign ministers level instead of negotiating there.

## Dial Service Extended To McLean Area

McLEAN — Dial telephone service was extended to 722 McLean telephones Sunday morning. The McLean exchange is designated GRanite 9, according to Clyde Dickerson, area manager of the Southwestern Bell Telephone Company.

The capacity of the new exchange is 1,500 telephones and could be doubled without an expansion to the concrete block building.

City Manager Don Mize will serve as agent for the company until an increase in subscribers calls for the addition of a business office. Red Ballard will be on the job as electronics technician.

When Southwestern Bell purchased the McLean Telephone Company in 1957, there were 615 phones in operation. Southwestern spent about \$1,500 on improvements when it first took over.

A \$138,000 construction contract was awarded to the Western Electric Company, covering all but the exchange building.

New lines are being installed in the rural area to replace lines that the company strung on fence posts, trees and corners of barns.

Since the company took over, subscribers have increased by 15 per cent and another such increase is expected in the near future. The population of McLean is about 2,000 and the usual ratio is one phone to every three persons.

The new service requires a slight boost in telephone rates. McLean's facilities, however, are the first step in the customer toll dialing system, now employed in the big cities.

Services Held For Canadian Farmer

CANADIAN (Sp) — Funeral services for Lawrence Briggs were held at 10 a.m. today in the First Baptist Church. Mr. Briggs died on his farm Saturday.

He was born on Dec. 20, 1921 in Oklahoma. Survivors are his wife, and son Larry of Canadian, and two brothers, Tommy of Palm Springs, Calif.; and Bert of Amarillo; and one sister, Mrs. Frances Martinez of Shattuck, Okla. He is survived by his parents, Mr. and Mrs. Frank Briggs of Canadian.

The Rev. James Price, minister of the First Methodist Church, led the services. Burial was in Canadian Cemetery under the direction of Stickley Funeral Home.

## Services Set For Mounse

McLEAN (Sp) — Funeral services for Mr. Hal Mounse, a self-employed welder of McLean, will be held at 10 a.m. Wednesday in the Baptist Church. Mr. Mounse died of a heart attack at his home Sunday.

Mr. Mounse was born on Jan. 30, 1893 in Cedar Rapids, Idaho. He was married to Pansy Langham in Erick, Okla., in 1927. He was affiliated with the Baptist Church, the Shamrock IOOF Lodge and the American Legion Post of McLean.

He is survived by his wife Pansy, four sons, Bill of El Paso, Claude, a Naval Air Force lieutenant serving in Jacksonville, Fla., Clyde, an Air Force lieutenant in Elk City, Okla.; and Jerry of Shamrock; one sister, Mrs. Henry Whalton of Montebello, Calif.; one brother, Guy of Frederick, Okla.; and four grandchildren.

The Rev. Jack Ripley, pastor of the First Methodist Church, will conduct the services, assisted by the Rev. W. R. Lawrence of the Clarendon Baptist Church and the Rev. Jesse Leonard of the McLean Baptist Church.

Palibarrers will be W. C. Simpson, Homer Abbott, Leo Gibson, Jake Hess, W. D. Gideon and J. D. Fish. Interment will be in Hillcrest Cemetery, under the direction of Richerson - Lamb Funeral Home. An IOOF graveside service will be held.

## Quads Born

GLASGOW (UPI)—Mrs. Jean Cole, 32-year-old wife of a plumber, gave birth to quadruplets Sunday—two boys and two girls.

Mrs. Cole and her husband Albert, 29, already have a five-year-old daughter and three sons ranging in age from 13 months to eight years.

The Coles have been living in a one-room \$5 a week apartment in a municipal housing project. The town council said it would find the family larger quarters.

## RAPISTS

(Continued from Page 1) pronounced," he asked.

Each answered in a quiet voice "no sir."

The youths showed no emotion as the judge told each he must spend the rest of his natural life in prison, although Collingsworth cried like a baby earlier when his wife and child rushed up to him.

"You have been convicted of a very serious offense, an offense of horrible and deplorable circumstances," Judge Walker said, facing the four young men who had never been in trouble before.

"The court feels sorry for the prosecutrix (the Negro victim) in which this crime was committed.

"You are fortunate that the jury recommended mercy. This court has tried many cases of rape in which the electric chair was the sentence."

Room is Quiet

There was not a sound in the courtroom as Judge Walker, who has two teen-age sons of his own, asked each of the defendants in turn "Have you ever heard of the Supreme Ruler of the universe?"

"No sir," each replied.

"The Supreme Ruler is God," the judge told them. "He is the one to whom you should direct your appeal. May he offer you comfort."

Attorneys in the case had until June 29 to file a motion for a new trial. However, the youths and their families decided not to appeal in order to get started as soon as possible on the sentence.

Under Florida law they would be eligible for consideration for parole in six months, but in cases of this nature it is generally ten years or longer before they could come up for release.

The lawyers notified Judge Walker Sunday that they would not ask for a new trial and requested that he pronounce sentence immediately.

## Fire Melts Hoses, Burns Paint Off Houses in Alvin

ALVIN, Tex. (UPI)—A fire so hot it melted firehoses and burned paint off houses a block away roared through an entire city block in downtown Alvin early today.

The intense heat popped open cans of food in a grocery across the street. Firemen said paint on all buildings within a block of the fire area was scorched, and leaves on trees were turned brown.

When firemen first arrived on the scene firehoses melted and burst into flames almost as fast as firemen could lay them.

A teen-aged cafe dishwasher discovered the fire about 2:15 a. m. About 40 pieces of fire equipment from at least eight area towns and cities, including Galveston, Houston and Texas City, fought the fire until 6:30 a. m., when it was brought under control.

Only one person was hurt in the fire which caused an estimated \$500,000 damage. A number of firemen were temporarily overcome by smoke, but they continued fighting the fire after receiving first aid at the scene.

Assistant Fire Marshal J. L. Evans said the heat was so intense the fire jumped across the street after leveling five or six businesses on one side of the block.

Evans said the fire started in a

Here is a truly amazing story of weight reduction. Mrs. Dorothy Jones, 506 Higgins St., Marshall, Texas, wrote us the following:

"I have been a user of Barcenate for sometime and I cannot praise it enough.

When I began to take Barcenate, I weighed 240 pounds. I now weigh 150. I am grateful that I now hold my weight down with just a little Barcenate."

Just ask any Texas druggist for Barcenate. Mix and take according to directions. No starvation diet or back breaking exercises.

If the very first bottle doesn't show you the way to take off ugly fat safely, easily, return the empty bottle for your money back. Barcenate is inexpensive too.

## North Texas May Have More Rain

United Press International

Widely scattered thundershowers which dumped more than two inches of rain on some North Texas points Saturday night were expected to begin again in the northern portion of the state this afternoon and tonight.

Weatherford measured 2.79 inches at 8 a. m. today for the state's high rainfall total. Wichita Falls recorded 2.25 inches. Reports at 7 p. m. included Quannah with 2.7, Paducah, 2.11 and Seymour 2.48.

The Weather Bureau said precipitation in the next five days will be light with widely scattered thundershowers in the north and east. Locally heavy rains were forecast for West Texas where thundershowers are expected.

No important temperature changes are expected in the next 24 hours except for local cooling from showers.

The low temperature in the state over night was 53 degrees at Amarillo, which was accompanied by a 95 inch rain. Galveston and Corpus Christi reported the high readings of 80 degrees.

The five-day forecast called for temperatures near normal or slightly warmer in both East and West Texas as summer began officially Sunday night.

Other points in Texas reporting rainfall at 6 a. m. today were Burleson with 1.50, Newport with 1.25, Trinidad with 1.21, Boyd with 1.12 and Ennis with 1.03.

Cities which had less than an inch of precipitation were Crandall, 82; Fort Worth, 74; Dallas, 55; Killeen, 49; Waco, 38; Childress, 28; Richmond, 23; Abilene, 04 and Sherman, 03.

# Rebs Take Pair From Tascosa, Palo Duro

## Pampa Comes From Behind To Edge Palo Duro, 7 to 6

By RED GRIGGS  
Daily News Sports Editor

Some timely clutch hitting and a good job of relief pitching by Mike Clark gave Pampa its third straight American Legion district win here Sunday, a 7-6 squeaker over the Palo Duro Chiefs.

Clark came on in the seventh inning with one man out, after Palo Duro had scored four runs off Jimmy Walker, (three on a homer by Richard Barker). The Chiefs led at that point, 6-5.

The right-handed reliever got the next two men out, then shut out Palo Duro the rest of the way. He racked up three strikeouts and allowed only one hit, getting the Chiefs down in order in the ninth.

The Rebels tallied the tying run in the seventh inning, when Larry Stroud scored from third on a sacrifice fly to centerfield by Jim Scott.

Wendell Ridgway scored Pampa's winning tally in the eighth frame, when he singled to deep right field, stole second and took

third on an error, then came home on a ground single past shortstop by Roy Stephens.

Roy Stephens and Stroud delivered the most damaging blows for Pampa. Each man got only one hit, but drove in two runs. Stroud's hit was a two-run homer over the right field barrier in the first inning, which brought Stephens home ahead of him. Stephens got his other RBI in the fourth on a sacrifice fly, which brought Walker in from third base.

Pampa scored its other two runs in the second inning on a double to center by Ruben Strickland, a single by Walker, two errors, and a single to left field by Ridgway. Strangely, the Rebels' leading hitter didn't even figure in the scoring. Hill had one of the best days of his young career, with 4-for-4, but didn't score a run or drive one in. His first two hits were doubles.

Pampa collected a total of 12 hits — five for extra bases — off Herreck Hahn and Terry Stafford, the two Palo Duro hurlers. Bobby Stephens tripled in the sixth, but was unable to score. Walker and Ridgway each got two singles.

Walker pitched a creditable game before weakening in the seventh inning. During the first six stanzas, he allowed only two runs on three hits, and one of the runs was unearned.

Thompson of the Chiefs did something very unusual in a high school baseball game — or any other type ball game. He stole four bases, swiping second and third consecutively in both the third and seventh innings.

## Patterson Looks Sharp

CHATHAM, N.J. (UPI)—A matured and apparently improved Floyd Patterson will finish pre-flight training today in "sharp" condition for the first time since he won the heavyweight title.

"He'll be exactly right for Ingemar Johansson Thursday night," said trainer Dan Florio.

Whether he wins or loses, there can be no excuses that he was ring-rusty or over-trained. There were explanations after each of his four previous defenses, none of which was impressive.

Experts, including Rocky Marciano Sunday, marvelled at the speedy coordination and power displayed by 24-year-old Floyd while delivering his salvos of hooking combinations in preparation for unbeaten Johansson, champion of Europe.

"I'd say he's improved in every department," admitted the usually conservative Florio. He's come on remarkably since his May 1 defense against Brian London at Indianapolis. He needed that fight under his belt.

Floyd cut loose only four times Sunday with his hooking combinations because of the heat in the jam-packed gymnasium, here at Ehsan Karadag's hillside camp.

## City Links In Semifinals

By MARVIN OLSEN  
Daily News Staff Writer

Defending champion Harry Wilbur, Don Prigmore, Tommy Cox and Malcolm Douglas won their way into the semi-finals of the City Golf Tournament Sunday on a still, warm afternoon at the Pampa Country Club.

Wilbur, one of the steadiest shot-makers a golfer would ever care to run up against, won a back-to-the-wall thriller from Jim Deaton in 19 holes.

Down by one going into the 18th hole, Harry (the cat) birdied 18 and then stroked a regulation par on the first extra hole to tie Deaton. For Deaton the loss was a heartbreaker. He had a chance to close the match on 18 (the missed six-foot birdie putt) and then sailed a wedge shot over the 19th (1st) green when he had Wilbur on the ropes.

The finest golf of the day was played by both Tommy Cox and Malcolm Douglas, both of whom faced dangerous opponents.

Cox was even par when he eliminated left-hander Mickey Prigmore on the 13th hole, 4 and 5, while Douglas was virtually perfect in swamping C. F. (Mac) McGinnis, 4 and 2.

In the fourth championship flight match Don Prigmore and Les Howard went down to the wire before Prigmore won a 1-up decision. Both men had trouble on the greens. Prigmore looked anything like the golfer who had a 65 in play a week ago.

Howard, leading by two holes after finishing 12, lost ground on 13 when Prigmore birdied. With a chance to win on 16 and 17 Howard three-putted twice.

And so, in the semi-finals next Sunday Wilbur will meet Prigmore, and Cox meets Douglas. Both matches could easily go either way.

In First Flight play Sunday Sammy Houchin used long drives and a fine short game to eliminate J. (Clobber) Hollingsworth 3 & 2; A. J. (Jack) Foster got past Rule Samples, 4 and 3. In play earlier in the week Duane Blake topped Smoothy

## Williams Pitches Two-Hitter, Fans 17; Tascosa Falls, 15-0

The Pampa Rebels gave Kippy Williams 15 runs to work with here Saturday night, but he needed only one of them. Williams hurled a brilliant two-hitter and struck out 17 Tascosa batsmen in pitching Pampa to a 15-0 win over the Tascosa American Legion team.

The only hits allowed by the speedy left-hander were singles by Mike Sims in the second inning, and Saunders in the ninth. He walked five men and hit one.

Tascosa donated nine runs to the Pampa cause. Only six of the Rebs' 15 runs were earned, and Pampa collected only six hits.

Four of the Rebels' hits, however, were for extra bases. Catcher Terry Haralson drove in four runs with a home run and a double; Bobby Stephens batted in three runs and had a triple, and Williams aided his own cause with a double, a single, and two RBIs.

Wendell Ridgway had one single and an RBI, and Gary Hill and Keith Gregory drove in runs without making a hit.

Pampa bunched its runs, with four in the fourth inning seven in the fifth, and two each in the sixth and seventh. Tascosa committed nine errors and had six wild pitches and two passed balls, to account for the nine unearned Pampa markers.

Despite Williams' great pitching effort, he was in trouble more than once. Tascosa had two men on base in the second, fifth, and seventh innings, and loaded the sacks in the ninth. He ended each of those innings with a strikeout and in every other inning set Tascosa down in order.

Matches next week will bring together Blake and Houchin, Prichard and Foster.

Most interesting first flight match was the Houchin-Hollingsworth clash. Hollingsworth, in a kidding mood after the loss, said his strategy was spoiled by the long-hitting Houchin.

"My plans were to talk him out of two or three holes, but he was always 40 to 75 yards away and couldn't hear me," he said. "I saw him two or three times during the afternoon."

In consolation matches in the championship flight two golfers won by default. W. (Birding) Trice, and Henry Rose. Max Hickey turned back Grover Lee Heiskell, 2 and 1, while Foster Elder topped Tommy Adkins, 1-up.

In first-flight consolation Warren Fatheree nudged R. L. Aycock, Buster Carter won a 2-1 decision over Scott Hall, Marvin Olsen edged R. D. Dunham, 2 and 1, and Gene Groom won by default over Haskell Maguire. Olsen went into the consolation finals with a second win over Groom, 1-up on Thursday.

One of Sunday's finest scores was posted in the third flight by up-and-coming Bryan Prigmore, who shot a sizzling 73 in eliminating J. B. Davis, 4 and 2.

### Ford Captures Canadian Open

STE. DOROTHEE, Que. (UPI)—Doug (Gangbusters) Ford, who thought he "forgot how to win," today reigned as the 50th Canadian golf champion.

Ford, golf's most consistent money winner who wanted "to win so bad I could taste it," finally came home a winner Sunday when he shot a pressure two-under par 70 to beat out three other U.S. pros by two shots.

PGA champion Dow Finsterwald Masters champion Art Wall, and Bo Winger, Odessa, Tex., pro who came from way back to join the runners.

Ford, 36-year-old native of New Haven, Conn., now playing out of Paradise, Fla., started the final day with rounds of 45-49-49, one shot back of the leaders, Finsterwald and the young Aussie, 25-year-old Bruce Crampton. It only took the fast-playing Ford two holes to catch Finsterwald as the two went around in a threesome with Bob Rosburg, Palo Alto, Calif., runnerup in last week's U.S. Open.

### APARICIO RETURNS TO DUTY

CHICAGO (UPI)—Shortstop Luis Aparicio, who missed action in Sunday's Chicago-Boston game because of a sprained ankle, returns to the White Sox lineup Tuesday night.

## Cleveland Scalps New York Yankees Twice, Holds Lead

By FRED DOWN  
United Press International

Win, lose or draw, you'll hear no "choke-up charge" against the Cleveland Indians this year.

It's a taunt the critics often leveled at the Indians in the past but they'll do it this year only over the dead bodies of Casey Stengel, his somewhat bewildered New York Yankees and 65,680 fans.

Because the Indians proved their ability to "win the big ones"—so-called mark of a champion—Sunday when they outlasted the world champions, 4-2 and 5-4, before the largest regular-date crowd of his way out of repeated trouble to win the opener and then the Indians went a grueling four hours and 18 minutes to win the nightcap on a 14th-inning homer by Vic Power.

The sweep enabled the Indians to split the four-game series in New York and prevented the Yankees from taking over first place. Had the Yankees won two, they would have led both the Indians and Chicago White Sox by a half game. Instead, they're in fifth place, 3 1/2 games from the lead.

The White Sox went into second place with a 3-2 decision over the Boston Red Sox, the Washington Senators whipped the Detroit Tigers, 4-3 and 7-5, before a crowd which included Vice President Richard Nixon, and the Kansas City Athletics beat the Baltimore Orioles, 7-0, in other AL games.

Hank Aaron's three homers and six runs batted in led the Milwaukee Braves to a 13-3 rout of the San Francisco Giants. Stan Musial broke Honus Wagner's record for doubles as the St. Louis Cardinals beat the Pittsburgh Pirates, 5-1, and then lost, 10-8, rookie John Buzhardt pitched a one-hitter to give the Chicago Cubs a 4-0 victory over the Philadelphia Phillies and the Cincinnati Reds routed the Los Angeles Dodgers, 17-3, in National League games.

Jim (Mudcat) Grant, a 24-year-old righthander, went the full 14 innings for the Indians in the nightcap to win his fifth game when Power connected for his homer off Jim Coates.

Billy Pierce pitched a six-hitter for his eighth win and Harry Simpson and Sam Esposito hit homers to lead the White Sox to their victory at Boston.

Nixon Lucky for Senators  
Nixon, who hasn't seen Washington lose this season, saw the Senators win their first game when Detroit pitcher Barney Schultz' error on an easy tap let in Julio Becquer with a ninth-inning run. Then Bob Allison and Roy Sievers hit homers to lead the Senators' seven-hit attack that brought Pedro Ramos his seventh victory in the nightcap.

Ned Garver pitched a three-hitter and had three hits including a homer as he won his sixth game for Kansas City. Bob Cerv and Hal Smith also had three hits each for the Athletics.

Aaron's slugging paced a 15-hit Milwaukee bombardment that was good for 3 bases and enabled the Braves to reopen a 1 1/2-game lead

### on the Giants. Johnny Logan and Del Crandall also homered for the Braves as Warren Spahn, although touched for 11 hits, breezed to his ninth win.

Musial hit two doubles, setting a new National League career mark of 653, in the first game won for the Cardinals by Larry Jackson.

Danny Kravitz had three doubles and two singles and Bob Skinner drove in four runs in the nightcap as Benny Daniels won his fourth game for Pittsburgh.

Buzhardt, a 22-year old right-hander from Prosperity, S.C., faced only 28 batters, striking out two and walking one. Carl Sawatski singled cleanly in the fourth inning for the only Philadelphia hit.

Don Newcombe staged a "one-man riot" against his ex-Dodger teammates as he won his seventh straight game and eighth of the season. Big Newk scattered 10 hits and drove in four runs himself with four straight singles.

## Same Song, Verse 2; Nelson, Donovan Lose

History took an encore at the Giegel picked up last Thursday

night when he was thrown from the ring in a match with Nelson at Amarillo.

Nelson, never regarded to possess a lily-white ring reputation, nearly wore his wrists out in the semi-final event as he attempted to check his way into the winner's circle. But Funk staved off the repeated lowly attacks to gain the draw.

In the main event, Giegel was worked over by both Donovan from inside the ring and Nelson from outside the ropes. These kind of doings lasted eight and one-half minutes before Giegel was forced to give up.

It was a different story in the second round. Giegel returned from the dressing room like a man possessed and took only 58 seconds in landing a fall and pin of Donovan to square things at 1-1.

Donovan grabbed Giegel by the hair and whipped him into the turn-buckle at the corner of the hold and proceeded to bang Donovan's head into the opposite corner's turn-buckle. With his opponent groggy, Giegel swung Donovan over to the turn-buckle in the corner where his restless partner, Funk, stood, and the latter landed a vicious forearm smash, with Giegel pouncing on him for the pin.

Meanwhile, Nelson sneaked into the ring and when he tried to molest Giegel the latter turned on him and pushed him over toward

# The Almanac

## The Almanac

Today is Monday, June 22, the 173rd day of the year, with 192 more days to follow in 1959. The moon is approaching its last quarter.

The morning star is Saturn. The evening stars are Mercury, Venus, Mars and Jupiter.

On this date in history: In 1851, fire destroyed 500 buildings in San Francisco.

In 1940, France signed an armistice with Germany, in the presence of Adolph Hitler.

In 1941, Germany invaded Russia.

In 1942, the post office sent its first micro-film "V mail."

In 1943, the nation's worst race riot in 25 years came to an end in Detroit as federal troops took over. Thirty-four persons were killed in the three days of rioting, and at least 13-hundred persons were arrested.

Thought for today: The French author Montaigne said, "Nothing is so firmly believed as what we least know."

# News In Brief

## DIOR TOO EXPENSIVE

MOSCOW (UPI) — A Soviet magazine said today what many men in the West have been saying for years about French fashions—they're too expensive and the styles change too often. The evening gowns in the Dior shows here earlier this month were pretty, the magazine "Ogonyok" said. But it asked: "Who can afford such expensive things?"

## MUTTON AGAINST TAXES

BINFIELD, England (UPI) — Ernest Price, the benevolent butcher of Binfield, explained today why he decided to sell mutton at a penny a pound. "It's the tax man or the housewife," he said. "I prefer the housewife. I don't want to make a big profit and have to pay more income tax. I cover myself on other meat."

## WOULD-BE RESCUER DROWNS

POPLARVILLE, Miss. (UPI) — A 15-year-old boy lost his life Sunday while unsuccessfully trying to save two young sisters from drowning. Buddy Smith drowned when he jumped into a creek to try to save Evelyn Reyer, 13, and her sister, Evon, eight. They drowned when they stepped into a 25-foot deep hole while wading.

## FAST WITH A MATTRESS

You place your mattress in careful hands when you send it to Acme Mattress and Spring Co., 817 W. Foster. If you want your mattress picked up, just call MO 4-6621 and the Acme truck will be at your door. Call in the morning and the truck will be back by nightfall with a mattress that sleeps like new.

## Acme Gives Swift Mattress Service

An Acme Mattress Co. truck gives fast service in Pampa and surrounding towns to those who want a mattress reconditioned at the Acme Mattress and Spring Company, 817 W. Foster. Just call MO 4-6621 and ask for Gene Tollison.

Acme has a number of mattress services that you should take advantage of if you want the height of comfort in a reconditioned mattress.

A simple reconditioning job on your cotton mattress costs only \$10.50. You can have your cotton mattress built into an innerspring for only \$19.50 or you can save \$30 by having Acme convert your mattress to an orthopedic.

When reconditioning a cotton mattress Acme uses the original cotton, which is very often of higher quality than the stuffing in a new mattress. To make an orthopedic mattress Acme adds cotton and a new covering so that you'll never feel the springs.

Custom Made  
Acme will produce you an over-size mattress with the latest pattern of mattress covering of seal you a new one made in the plant. Here are the latest in a complete line of mattresses from 180 through 312 coil, plus roll away beds, bed

## Plains Aluminum Windows Keep Out Panhandle Dust

Harold Smith brought the first aluminum storm window to Texas in 1946. At that time Storm Windows were unheard of in this part of the country. Now 12 years later in 1958 there are still thousands of people who are still putting up with sweating windows, wasting fuel in winter time and needless house cleaning after sandstorms, when the answer is so simple. Dust Stoppers.

Smith set up the first plant in the Texas Panhandle which is better known as Plains Aluminum Industries, to completely manufacture a full line of storm windows.

Smith served as an apprentice in the weatherstrip business 27 years ago in Detroit, Mich. And has spent his life working with windows. Since that time he has worked on just about every kind of window that has been made. And from the ideas gained over this long period of time, the idea of the Dust Stopper storm window was developed.

Dust proofing is accomplished the style and type of weatherstrip which has made the Dust Stopper famous today. He uses a combination of wood pile, special weatherstrip felts and maugutuck plastics, a new material designed for both extreme cold and heat. Every part of this window was designed to do a specific job and it does it.

Hall was taken into consideration with the Dust Stoppers. With the result that four lines of the windows are designed to go under the screens.

The new Hollywood line features a half screen. Plains Aluminum Industries also builds the most complete line of 100 per cent dust proof storm doors. All doors are custom built and with features never before found in a door.

If you are interested in bringing your home up to the standards desired, as far as your windows and doors are concerned, call Harold Smith, collect at Panhandle, Texas.

## Quotes In The News

### United Press International

WASHINGTON — Secretary of State Christian A. Herter, on the Geneva foreign ministers conference: "In all the discussion, my Western colleagues and I had foremost in mind the freedom of the more than two million people of West Berlin."

LONDON — Author-editor Malcolm Muggeridge, rebutting evangelist Billy Graham's contention that New York's Central Park is more moral than London's Hyde Park: "If after dusk few couples venture to take advantage of such privacy as Central Park affords, it is out of fear rather than prudence."

LONDON (UPI) — The secretary of the Society for the Abolition of Liquor Traffic protested to the British post office today about its new form for delivering wedding telegrams. The form shows two bottles of champagne and five bubbling glasses full of same.

### COVENTRY, England (UPI)

City transport officials announced themselves firmly in favor of married love on a city bus. Whenever possible, they said, women bus conductors are assigned to the same bus as their husbands bus drivers, because the driver is more careful when his wife is watching; the conductor is happier with her husband around, and husbands and wives just naturally work well together.

## SIGNS OF GOOD EATING

The best food in town is at the two Pak-A-Burger stands pictured above. Pak-A-Burger No. 1, top, is located at 1608 N. Hobart and managed by Mrs. Peggy Eck-

## Pak-A-Burgers, Tops In Town's Eating Pleasure

On your Sunday drive, when dinner is late, serve Pak-A-Burgers. Pak-A-Burgers will be the high spot of your day.

Pak-A-Burgers, the Top O' Texas taste treat, are available at two locations on Hobart Street. Pak-A-Burger No. 1 is located at 1608 N. Hobart. No. 2 is at 910 S. Hobart.

You can order Pak-A-Burgers with the works or plain — whatever suits you — with chili, mustard, onion, or catsup.

In addition to Pak-A-Burgers, you can drive up and order Pak-A-Burger juniors, coneys, french fries, malts, orange drinks, good coffee and frozen Swedish. This delicious ice cream comes in cones, pints, quarts or gallons.

A specialty of No. 2 is foot long hot dogs for 30 cents.

Both establishments use the highest quality ingredients in all orders. Taste the chili and you taste the difference. The fresh, crisp vegetables, garnishing your Pak-A-Burgers, are treats in themselves.

Pak-A-Burgers and all other items are priced low so you can enjoy them often. Coneys, for example, are 20 cents. Everything else is priced accordingly.

Call For Pak-A-Burgers  
Drive in and call for Pak-A-Burgers on the spot, or telephone ahead and have them waiting for you — ready to go or ready to eat in the ample parking areas. Call MO 4-2865 for Pak-A-Burger No. 1 and MO 9-9916 for service at No. 2.

Hostesses enjoy their parties more when they telephone their orders — because they delight their guests with Pak-A-Burgers and because they enjoy their guests every second, without loss.
