## On The Record

"Lets talk dry cleaning" MALONE

For years and years the ac cepted fabric for men's suits was wool. Tweed, cheviot, cashmere, shetland and worsted were among the most popular. It was believed that only wool would give that coveted look of fine tailoring and clean-cut importance. The emergence of man-made

fabrics brought a drastic change, Almost overnight, it seemed, synthetics found their place in men's fashions. New. wrinkle-resisting weaves made heir appearance. Dacron, fabric which boasts extraordinary wrinkle resistance and press retention, has met with wide acceptance.

For the cleaner, new fabrics mean new cleaning problems. we made ex-

periment after experiment untill we found the perfect cleaning formula for dacron, a formula which cleans deep down into the fabric with-

out injuring its delicate fibers. and helps the garment to retain its crisp, new look. Whatever the fabric, you can

send us any article of clothing with the comfortable assurance that it will be treated "tender-We carefully test the fabric content to ascertain the right cleaning formula for thorough cleaning, and one that will add life and body to the fabric after repeated cleanings. a boys club.

fishing rig. As they have more fun than a flying fish, the kite dances and jumps in the air (right). The lads found the old pastime of kite flying is really great sport when they "play their catch" in the heavens.

FOR REEL?-Certainly it is, for whether or not you believe that pretty Charlotte Baker caught that whopper, it does make a mighty nice fish story in Cypress Gardens, Fla. Charlotte's an eye-catching beauty, herself, and if she didn't really catch that big one, she was caught by the camera in the act of admiring it.

ZALAZAR SCORES-Middleweight Victor Zalazar, of Argentina (left), scores right to the face of Wilfie Greaves, of New York City, during their bout in Manhattan. Zalazar scored a unanimous decision over his opponent.

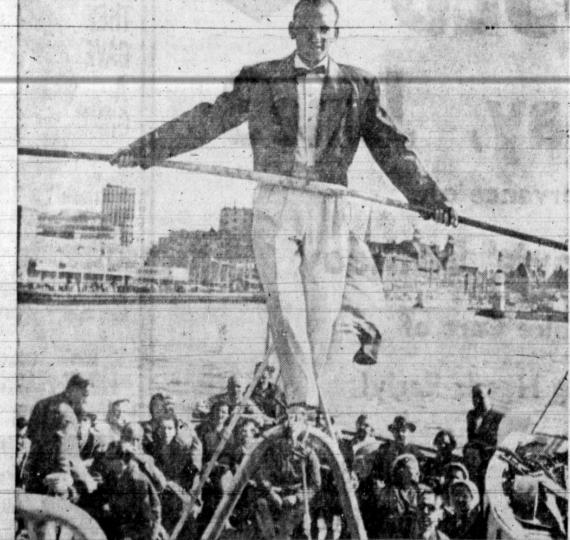

GRIM PITCHES TWO-HITTER-A group of young fans are running along with pitcher. Bob Grim of the Kansas City Athletics after he pitched a two-hitter against the New York Yankees in the second game of a double-header in New York, Grim allowed the Yanks two singles as Kansas City blanked New York, 10-0, to gain an even split on the afternoon.

STILLNESS - Two - starred flag of the United Arab Republie is all that can be seen of he ill-starred pleasure steamer Dandara. The craft sank in the Nile River eight miles north of Cairo, Egypt, only a few yards from shore. Police say an exact death toll may never be established because it isn't known how many were aboard. More than 40 bodies were recovered.

STICKY BUSINESS - "Sea headdress gives wildwoman look to Paris model. Design in silver raffia, a Madagasgar palm fiber, is inspired by the spiny marine animal.

## **Central Has** Large Stock Of Used Tires

Central Tire Works, 618 E. Frederic, along with a good supply of tractor and truck tires.

Central has all the used and recapped tires you'll need for farm work and the wheat harvest Better buy a tire before you have trouble. It's always a good idea to have an extra tire on hand. Ward Maddox, owner, has spent

all year gathering tires of all sizes to have them ready for the wheat harvest. Now is the time to buy. They may not last.

Maddox also has plow and farm implement tires, any kind of tire that is hard to get. Many of them car not even be bought new. Central Tire Works has the

equipment to vulcanize any tire. Just see if they don't. The plant also has complete facilities for retreading, and tire balancing.

You get no thumps, no bumps

when you ride on Central re-capped tires. Maddox will lend you a tire to use while yours is being repaired. For this service there is no extra cost. Central re-caps are guaranteed to run true for 12 months, just like a new tire. Central can put a new tread on any passenger car, truck or trac-

tor tire. For rips and weather, cracks in tractor tires there are Davis reliners.

quality but re-caps come to you at a low cost. A new skid resistant recap tread is the latest thing in tire safety. Its made from live, cold rubber to precision requirements.
