Ike Says Berlin Impasse Is Broken

Nikita Agrees On Future Talks

By MERRIMAN SMITH
UPI White House Reporter

WASHINGTON (UPI) — President Eisenhower said today that the East-West impasse over Berlin was broken during his weekend talks with Soviet Premier Nikita S. Khrushchev.

Eisenhower said that aside from the language of the official communique issued Sunday, he and Khrushchev had agreed that new negotiations on the fate of West Berlin should not be prolonged indefinitely. At the same time, he said, they agreed there could be no fixed time limit on these reopened discussions.

Eisenhower told a crowded press conference that as far as he was concerned no party to the Berlin situation was now under any sort of threat or duress. He said that Khrushchev had made an emphatic point that he had never intended a threat against the West German metropolis.

Eisenhower also told reporters that as far as he was concerned a summit meeting had been removed by his Camp David talks with the Russian leader.

He said, however, that the timing of a summit was a matter to be negotiated with the Western allies.

No Deadline Set
Russia last November proposed ending the four-power occupation of Berlin in an effort to get Allied forces out of the German city. It set last May 27 as a deadline, but this was extended indefinitely as foreign ministers sought a new solution.

Eisenhower and Khrushchev said in their joint communique that they had agreed that the formal negotiations should be reopened "with a view to achieving a solution which would be in accordance with the interests of all concerned and in the interest of the maintenance of peace."

Today the President was asked whether in the new negotiations on Berlin any solution acceptable to the United States must guarantee the Allied occupation rights and the freedom of the West Berliners.

The President, suffering from a cold which he said started shortly after his recent trip to Europe, said he could not guarantee anything because he did not know what sort of solution from the negotiations might be acceptable.

Strong Personality
Eisenhower told reporters he found Khrushchev a dynamic and arresting personality, a man who resorted to great flights of manner and disposition ranging from a negative, difficult attitude to a positive, friendly one.

Nikita Stays Clear of God

United Press International

WASHINGTON (UPI) — Nikita Khrushchev, who made several references to God during his tour of America, reverted to character as a militant atheist on the last day of his visit to Russia.

He declined an invitation to accompany President Eisenhower to church, explaining that it would "shock" the Russian people if he went to a house of worship.

At his final press conference, he made no bones about his contempt for religion.

A reporter who had accompanied Vice President Richard M. Nixon on his visit to Russia observed that he saw a surprising number of young people in Russian churches.

"If there is an increasing interest in religion," he asked, "what will be your attitude toward churches?"

Khrushchev first replied that "the question itself confirms the fact that we do have freedom of religion in our country, as we have been saying all along."

He could have left it there—and a propaganda expert probably would have advised him to do so. But Khrushchev was unwilling to leave unchallenged the idea that Russian young people are attracted to religion.

"I would like to say," he continued, "that the large number of young people in churches is perhaps partly explained by the feeling of curiosity. Many of our young people hear about religion, about the saints, about church ceremonies; they have a curiosity about it."

"Even if each of them goes to church only once, they are so numerous that the doors of our churches would never close."

Tender Spot
Persons familiar with the situation in Russia said it was not surprising that the reference to young people hit a nerve with Khrushchev. The Communists have been willing to tolerate churches in Russia, these sources said, because they are convinced that the younger generation, now being educated in aggressively atheistic state schools, will have no use for religion.

Communist literature is full of predictions that the "outward superstition" of religion will disappear from Russia completely when the present adult generation of church-goers dies off.

NOW, NOW, NIKITA

Soviet Premier Nikita Khrushchev breaks out in a grin as he attempts to hide a napkin holder under his coat in a U.S. cafeteria shortly before his return to Moscow. Nikita arrived back in Russia today, informing his people the relations between the two countries were getting better.

Khrushchev In Moscow Return

MOSCOW (UPI)—Soviet Premier Nikita Khrushchev returned home today and said he had gained the impression that President Eisenhower's cold war was not ready for talks and create normal conditions with the U.S.S.R.

He reiterated in his speech that one meeting could not solve all the political problems involved. He also said he once threatened to break off his American visit and come back here if he was met with "more hostility."

As his airplane left the borders of the United States, Khrushchev sent a message to President Eisenhower which said that relations between their two countries were getting better. He expanded his views at Lenin Stadium.

He said he had told the Americans in Los Angeles that if they were still not ready for talks and did not realize the necessity of removing the cold war, "we can wait."

He said he protested about this attitude and the next day on his way to San Francisco things were changed.

Even before he arrived, the Russian people held the belief that Khrushchev had scored a major international diplomatic triumph.

For the first time in the history of airport arrivals, Radio Moscow gave a blow-by-blow account of the progress of Khrushchev's plane. From the time the plane was first sighted over Soviet territory, talks were radioed every few minutes.

The crowd gave tumultuous applause as he waved to them from the bottom of the gangway steps. Mrs. Khrushchev stepped down right behind him.

Khrushchev drew laughter from those around him when he shouted "okay," and added "I've been in America. But Russia is better. It is good to be home."

A little boy, wearing a red tie, rushed up to him with a bouquet of flowers. Khrushchev embraced the boy and lifted him high in the air. He was obviously delighted with his reception. The warmest ever accorded any Soviet leader returning from abroad.

Salvagers To Sell 'Queen'

NORFOLK, Va. (UPI)—Eight men who risked their lives to salvage a stricken oil tanker the experts said couldn't be saved, prepared today to negotiate the sale of their prize for a sum of up to two million dollars.

The hulk of the once proud 21,000-ton "African Queen," abandoned by its owners after it hit a shoal and split in two off Ocean City, Md. last December, was towed into Norfolk Harbor early Sunday after a painfully slow 110-mile journey that lasted almost 54 hours.

The adventuresome amateurs, who boarded the vessel after others had tried and failed to raise it, unfurled an American flag as their vessel entered Norfolk Harbor.

Lefors Boys Are Injured

Four members of the Lefors High School football team were injured Sunday evening in a three-car collision one mile east of Lefors.

Taken to Highland General Hospital by ambulance were Jimmy Lee Hannon, 18; Scott Dunnam, 18; Garrel Roberson, 17; and H. C. Florence, 17, all of Lefors. None were in serious condition this morning.

Highway Patrolman Travis Underwood said the three-car collision occurred at 6:40 p.m. on Ranch Road 1321, 1.4 miles east of Lefors.

Underwood said that cars driven by Hannon and Fred Wayne Kindle, 21, of Lefors, hit head-on after Hannon had swerved to the left to avoid hitting a car attempting a left turn.

A third car, driven by Billy Morris Jr., 18, of Pampa, was close behind the Kindle car and tried to steer through the wreckage but caught the left bumper of the Hannon car.

Hannon was the only driver injured. His passenger was Dunnam. Florence and Roberson were riding in a 1955 Chevrolet driven by Kindle.

Doctors at Highland Hospital said this morning that Roberson was the most seriously hurt, with multiple lacerations to his head, arms and elbows. Some 30 stitches were taken in the Lefors boy; X-rays are being examined today.

Hannon had lacerations of his left eyelid and the left side of his face, while Dunnam suffered torn lacerations in his wrist.

Florence suffered the loss of a front tooth, had several other teeth loosened in the crash and also suffered facial lacerations.

Patrolman Underwood said that following the collision the Kindle machine was thrown into the north bar ditch while the Hannon car ground to a stop in the center of the highway.

Morris, following behind Kindle's car, told Underwood he didn't have time to stop and tried his best to swerve between the two wrecked vehicles.

Gracie Darts Toward U.S.

MIAMI (UPI)—Hurricane Gracie wallowed slowly through the Atlantic in the direction of the U. S. mainland today, and a hurricane watch was ordered from Savannah, Ga., to Wilmington, N. C.

Top winds of the tropical howler, which for days has lazed its way through the ocean, were up to 90 miles an hour.

Meanwhile, a hurricane hunter plane took off from Florida to investigate still another possible embryo tropical storm—a low pressure disturbance 1,500 miles from the U. S. mainland in the Atlantic.

Warnings were hoisted from Daytona Beach, Fla., northward to Morehead City, N. C.

Douglass Rites Slated Tuesday

Interment rites for Curtis Douglass, 39, will be held at 10 a.m. Tuesday from St. Matthews Episcopal Church with Rev. William E. West, pastor, officiating.

Mr. Douglass was found dead at 11:30 a.m. Saturday in his home, 1301 Mary Ellen.

He attended Texas A&M and finished law school at the University of Texas in 1927. He practiced law in Waco and then moved his law practice to Panhandle in 1927. In 1928, he moved to Borger and served there as district attorney. He later moved back to Panhandle and served as judge of District 44. Mr. Douglass came to Pampa in 1939, where he maintained a general law practice until the time of his death. He was a veteran of World War I.

Pallbearers will be W. L. McConnell of Amarillo, W. J. Smith, Cliff Braly, Jimmy Thompson, George H. Cree Jr., B. G. Hughes, Walter Rogers, and Henry Gilchrist of Dallas.

Honorary pallbearers are J. C. Christopher of Amarillo, Palmer Bradley of Houston, Arch Rowan of

HOTEL BOARD TO BE NAMED

Eight directors of the Pampa Community Hotel Company will be elected at an annual stockholders' meeting Oct. 6, according to George Cree Jr., president.

Nominated are Lynn Boyd, Hugh Burdette, Mrs. D. A. Cornett, George Scott, Ivy Duncan, Floyd Inel, Fred Nesige and Cree.

The meeting will be held in the Cabot Auditorium at 10 a.m.

THE UNCLES SAM

Uncle Sam is more than the personification of the United States to residents of Troy, N.Y., where Edward Wachter, left, and Michael Wahar, 2 1/2, help celebrate his birthday. The real Uncle Sam was Sam Wilson, who inspected goods purchased for the United States government in Troy, way back in 1812. He became known as U.S. (Uncle Sam) Wilson and cartoonists clothed the legend with the well-known whiskers, hat and costume.

Shark Victim Is Recovering

FORT LAUDERDALE, Fla. (UPI)—Robert Walker, 30, of Fort Lauderdale, rested in a hospital today and tried to forget the terror of sharks attacking him while he floated virtually helpless in the Atlantic Ocean.

Walker and a fishing companion, Jim Plouff, 45, were dumped into the water Friday afternoon when their small boat was seized. They were rescued 17 hours later after a harrowing night at the mercy of the sea.

Walker, his shark-bitten arms bandaged to the elbows, told of drifting away from Plouff while both clung to sea cushions.

"We can still make room for a few more," Chamber Manager E. O. Wedgeworth said this morning.

Persons may enroll at the door with payment of a \$3 registration fee.

W. H. Butterfield, executive director of the Texas Tech Foundation, will conduct the clinic from 7:30 to 10 p.m.

Over 2,600 Killed By Japan Typhoon

Ceylon Grieves For Premier

COLOMBO, Ceylon (UPI)—A million grieving Ceylonese jammed the streets today, waiting for a chance to pay their last respects to assassinated Premier Solomon W. R. D. Bandaranaike.

People began lining up four abreast before dawn outside Parliament Hall, where Bandaranaike's body will lie in state until Wednesday. By 10 a.m. when the cortege bringing the body from the premier's home reached the hall, the line was five miles long.

Most of the mourners carried black umbrellas to shelter them from the scorching sun.

INES MIGHT GO UP

Pampa's City Commission will again discuss a proposal to raise parking fines in Pampa when the commission meets Tuesday at 9 a.m. in City Hall.

The proposal, to raise the fine from a hardware store we have it. Lewis Howe.

Alice Caddy Burman adds finishing touches to a sketching.

Sketching "Laughing Camels" Where None Exist Easy Chore For Artist-Wife

By ALICIA HART
NEA Staff Correspondent
NEW YORK (NEA) — By the light of a window overlooking New York's Old Chelsea district, Alice Caddy Burman sketched in the final line of a laughing camel's face.
There are no camels that anyone knows of in Chelsea, but Mrs. Burman's mind was in Africa, and she was drawing from what you could call mental real life. For like her author-husband, she is most likely to be drawing about one place while she is oceans away from it.
Ever since their marriage some

RUTH MILLETT

What do you do while you wait? In this age of hurry, hurry, hurry, most of us have odd minutes; 20 here, 30 there, that add up to hours each week while waiting for somebody else's dentist's office, waiting at home for a friend to pay a promised call, waiting for a husband to get home for dinner, for a serviceman to come to look at the washing machine. We hurry, hurry, hurry — and then we wait and wait and wait.
Do you simply pace the floor or sit and tap your foot nervously or watch a clock while all those waiting minutes tick by? Or have you learned the relaxing and productive art of making use of waiting minutes?
What can you do with an unexpected 10 or 15 minutes — besides pace the floor and fume because so-and-so is late, as usual?
People who get a lot done and who stay calm through periods of waiting put those stray minutes to use.
"I'm writing this letter under the hair drier," or "on the bus" or "in the doctor's waiting room," letters from my best and most faithful correspondent often begin. Obviously, she keeps pen and writing paper in her purse to make use of such brief periods of time.
Others use these tiny gifts of time for making telephone calls, reading (just keep a book mark in a book and see how much reading you can get done while you wait on first one thing and then another) menu planning, list making, and problem solving.
Still others use such extra minutes for really noticing the world about them, watching storm clouds gather in the sky, listening to a bird's song, watching children at play — or studying the people who pass by.
People who say they love a railroad station because it is so interesting to watch people know how to use their waiting moments. They are always full of stories about the amusing and curious and touching things they see while they happened to be waiting for a train or standing in line at a ticket window.
So don't be a clock watcher, a pacer, or a foot tapper next time you have to wait. Instead, put your waiting minutes to work for you. You'll be surprised at how interesting, entertaining and productive those waiting minutes can become.

DEAR ABBY....

By Abigail Van Buren

DEAR ABBY: Frequently you advise your readers to consult a clergyman or psychiatrist in an attempt to solve their problems. This is certainly sound counsel if the person involved is mentally or morally unbalanced. But for the average person, this is like suggesting they call the fire department to put out a cigarette butt. Sincerely yours,

AVERAGE PERSON
Dear Average: Perhaps you are right, but isn't it better to err on the side of over-caution? Many a forest fire has started with a cigarette butt. The fire department could easily put out a cigarette butt, but an "average person" could never hope to extinguish a forest fire with his tears.

DEAR ABBY: I am in love with a boy who is 18. My parents think he is the wrong kind of boy for me. I am 17 and think I am old enough to choose my own husband. I love this boy very much and we plan on getting married. Do you think my parents should interfere in my business?

GIRL IN LOVE
Dear Girl: When your future is at stake, your "business" becomes your parents' business. Should you marry this boy and discover later that you made a mistake, where do you think you will run at the age of 17? And on whom can you depend for help? When you are self-supporting and independent, you may make your own decisions. But not until.

DEAR ABBY: I have a very good friend who always calls me

up and tells me who had a party and didn't invite me. Usually, she wasn't invited either, but she knows who has parties.
Sometimes she says the party was real big and I find out later it was just a little get-together with only a few people.
I don't like to tell her it bothers me to hear about all these parties I'm left out of, but how can I do it? Is there any way I can get my point across without hurting her feelings?

NOT INVITED
Dear Not: What feelings? With "friends" like her, you don't need any enemies. Tell her in plain English that you are not interested in her party reports.

DEAR ABBY: While visiting my husband's brother recently, his wife told me that we are supposed to buy their son his confirmation suit because they named him after my husband.
They say that this is the custom. I have never heard of this custom. Have you or any of your readers ever heard of it? Thank you.

PUZZLED
Dear Puzzled: I, too, am "puzzled." I have never heard of this "custom." In my opinion, there is only one good reason for giving a gift of any kind. And that is because the giver WANTS to.

Mrs. Edenborough Hostess To Club

WHITE DEER (Sp) — Mrs. Harry Edenborough was hostess to the Art Club recently in her home. Games of "42" were played during the afternoon, and refreshments were served. An autumn theme was carried out in the decorations.
Those present were Mmes. George Coffee, Byron Hodges, W. J. Stubblefield, Everett Williams, R. A. Thompson, Sr., E. F. Tubbs, E. H. Grimes, Julia Powers, J. C. Freeman, Gertha McConnell of Pampa, and guests, Mrs. G. W. Culbertson of White Deer and Mrs. Jim White of Pampa.
Mrs. White won high prize for the afternoon. Mrs. Stubblefield won low, and Mrs. Tubbs took the floating prize.

Unless you can say that you enjoyed a party don't talk about it at all. It is the height of rudeness or accept hospitality and then criticize your hostess to others.

Deodorants Span All Four Seasons

By ALICIA HART
NEA Beauty Editor
The end of summer does not mean that a girl can afford to stop the daily use of a good deodorant. For autumn woollens and steam-heated apartments or houses have the same effect as the summer sun and humidity.
So keep right on with your daily bath, followed by a deodorant antiperspirant. An antiperspirant checks the actual perspiration flow by closing the pores. The moisture is diverted to another spot where it usually evaporates harmlessly. A deodorant which is also an antiperspirant offers 24-hour control.
One of the newest of these is a liquid cream which comes in a pink plastic squeeze bottle. It has a new ingredient added: allantoin, noted for its healing properties.

You won't want to slack up, either, on the matter of keeping legs smooth and satiny. Sheer nylons show up stubble even more clearly than a suntan does. There really isn't a season when a girl can afford to relax about good grooming.

Wrap Silhouette Returns To Favor

By DAILE DUGAS
NEA Women's Editor
NEW YORK (NEA) — Luxurious coats, in enough silhouettes to give every woman exactly what she wants, mark the fall and winter season this year.
The wrap coat, a revival of the 1930's, is back in favor. Cut along the lines of the coat that Greta Garbo made famous, it's done in many fabrics and colors. But there are other versions of the wrap coat. Some have new shoulders and wide, collared necklines. Others rate far trim at both collar and cuffs.

Mrs. Stalls Has Bridge Party

WHITE DEER (Sp) — Mrs. James Stalls entertained at bridge recently in her country home, with two tables of players present.
Those present were Mmes. Jackie Barnes, Donna Crutchfield, Doris Freeman, Margaret Puckett, Liz Thompson, Nancy Coffee, and a guest Mrs. Tommie Townsend.
Mrs. Coffee tallied high score for the evening, with Mrs. Townsend winning second high. Mrs. Crutchfield won the "bingo" prize.

easy, general discussion.

He summed up his impression of the Soviet premier with two words: extraordinary personality.

As to whether the cold war is melting, the President said the answer would have to be relative. But he thought it was melting, if measured by Khrushchev's displeasure that continued heavy military spending and the awareness of the Russian, as well as the American people, that East-West differences must be solved reasonably and without war.

A joint communique issued at the end of three days of talks at Camp David, Md., disclosed that Eisenhower had postponed until next spring his visit to the Soviet Union. He had expected to go this year.

Path Cleared

The path was cleared for a "probable" summit meeting early in 1960 on the Berlin problem. A final verdict hinges on the progress of lower-level negotiations, agreement among the Western Allies and the "elimination of threats."

MAGNOLIA PROUDLY CHANGES ITS NAME TO

Magnolia Petroleum Company
A Successor Mobil Company
P. O. BOX 900 • DALLAS 21, TEXAS

J. L. LATIMER
PRESIDENT

To our Friends and Neighbors:

On October 1, 1959, Magnolia Petroleum Company assumes a new name... Mobil Oil Company. Because of its identification with our products, the new name is both familiar and trusted throughout the Southwest. Certainly that is as it should be, for Magnolia has been the Southwestern affiliate and a member of the Mobil family for over 30 years.

As friends, neighbors and business associates, we are confident that Magnolia people have earned the respect and goodwill of those with whom we do business. You may be sure we will work even harder in the future to deserve that same esteem. Changes now being made will enable us to meet increasing competition on a nation-wide basis and use more fully the skills and talent of Mobil people from coast to coast.

Naturally, questions are being asked concerning this change and its effect on future operations. For many members of the Magnolia family, the change will be one in name only. Most of our neighbors will find themselves dealing with the same people... the friendly and familiar faces of Magnolia employees who will be Mobil employees after October 1.

Top quality Mobil products, with world-wide popularity, will be made and distributed in the Southwest, as they have in the past. The Mobil Dealer in your neighborhood, whose products and skilled services you have used with confidence, will have even better facilities to serve you.

J. L. Latimer
President,
Magnolia Petroleum Company

Wheat King at Fair Named

During a special program honoring youth of the Golden Spread at the Tri-State Fair, Norman Warinski, White Deer, was named 4-H Wheat King for 1959. Second place went to Gary Royal, Hereford, with third place awarded to Jim Shearhart, also of Hereford.

Clyde Caruth, Pampa, won third place in the medium to fair bread baking varieties of wheat in the low with first place going to Douglas Geis, Okeene, Okla., and second place to Jack Bedwell, also Okeene, Okla.

Shigene Vasek, Hereford, won the Texas FFA Wheat King Title, while his brother, Charles, won second place. Bob Wright, Perry, was awarded third place in contest.

When Marie Lata, Carson County, won first place in the Bake Show at the Tri-State Fair, Shirley Ann Meier, Lipscomb County, came in second in the contest. Third place went to Arlene Williams, Gray County, while Janice Sue Weak, Ochiltree County, won fourth place in the contest.

Other county bake show winners included Gianna Barbel, Harley County; Elizabeth Corbett, Moore County; Judy Billingsley, Farmer County; Janan Baldwin, Potter County; Virginia Rose and Ann Semmes, Castro County; Joyce Alexander, Collingsworth County; and Magda Lynna Garnett, Garfield County.

Also Dianna Kay Remling, Deaf Smith County; Jacquelyn D. D. D. Heeler County; Pamela Bennett, Sherman County; Linda Kay Mett, Randall County; Peggy Neil Johnson, Dallam County; Dorothy Howell, Armstrong County; and Carol Ann Cornett, Hutchinson County.

Grand Champion Wheat King for 1959 in the open class went to Charles Warminski, White Deer. Douglas Geis, Okeene, Okla., was reserve champion in the open class.

Charles Warminski also won first place in the good bread making contest at the show, and second place was won by Lawton Ver, Miami, while Jerry Lamie, Okeene, Okla., won third place.

District 2-A To Open Loop Play This Week

There isn't an undefeated 11-man football team left in the three area districts (2-A, 5-AA, 1-B) after last weekend's games.

The only two teams which went into last weekend's contests undefeated — Childress and Canadian — suffered their first losses. Powell Stinnett blanked Canadian, 19-0, and Burkburnett edged Childress, 18-12.

The White Deer Bucks, whose only loss has been to Stinnett, looked sharp Friday in whitewashing the Shamrock Irish of District 5-AA, 32-0. The Bucks have an open date this week, while the other six District 2-A teams begin conference play.

In the top game of the week, Canadian meets McLean, at McLean, in a game which could decide the district champion. Canadian is co-favorite with White Deer for the district title, and McLean is rated as a dark-horse contender after impressive victories in two of its three games.

The other two district openers are battles of the have-nots, as the four teams involved have only one victory among them, while they have tied one and lost 13. Clarendon (1-3) will be at Panhandle (0-4) and Lefors (0-2-1) will be at

Two Ailing Harriers Are Improving

Two Pampa football players, who were stricken with appendicitis and injured last weekend, are reported in good condition.

Kent Mitchell, Harvester end, had an attack of appendicitis before Friday's Bowie game, and had his appendix removed at a Pampa hospital. He will return to Pampa with his parents this week.

Jerry Garrison, Lee seventh grade griddier, suffered a dislocated arm Friday at Borger in Lee's 4-0 loss to Austin Junior High's tenth graders. He was released from the hospital, after treatment, Saturday night.

Pampa's third game Friday, the seventh grade's 6-6 tie with Phillips, there were no injuries or illnesses.

Memphis (0-4). The winless Perryton Rangers travel to Phillips to take on the Blackhaws, ranked among the top ten class AA teams in the state, in the feature game for 5-AA teams. The Rangers, who cracked the scoring column for the first time Friday in losing to Dalhart, 19-14, aren't expected to have much chance in this one.

In other games involving 5-AA teams, Seymour is at Childress, Hollis, Okla. at Quannah, Shamrock at Sayre, Okla., and Wellington at Canyon.

Groom of 1-B finds itself in about the same predicament as Perryton, as the Tigers are slated to host the highly regarded class A Gruver Greyhounds. Gruver is the fifth toughest class A team on Groom's schedule. The Tigers

have managed one victory, over McLean, despite the "suicide schedule."

In other games involving 1-B teams, Happy will be at Claude, Shattuck, Okla. at Follett; Spearman at Darrouzett; Texline at Springfield, Colo.; and Estelline at Wheeler. The Wheeler-Estelline game will be of more than usual interest, since Estelline is rated among the top three class B teams in the Panhandle, and Wheeler is a contender for 1-B honors.

Miami, which took a big step toward the 1-B (Six-man) crown Friday with a 26-23 squeaker over r Booker, has an open date this week; and so does second place Bookers. In the only six-man action, Channing will play at Mobeetie, to decide who stays out of the cellar.

Roger Craig and Bob Buhl, who a year ago wondered if they had any future at all in baseball, scored the most important victories of their careers in the closing hours of the National League pennant race.

But, even so, they were forced to share the headlines with 34-year-old Sam Jones, who pitched one of the greatest "Money" games of all time in vain.

Craig, a 28-year-old right-hander from Durham, N.C., pitched a slihter to beat the Chicago Cubs, 7-1, and insure the Los Angeles Dodgers a tie for the flag, while Buhl, bushy-browed fire-baller from Saginaw, Mich., received credit two hours later for the Milwaukee Braves' 5-2 triumph over the Philadelphia Phil-

Craig Won 11th. Craig, who had made only two hits in 51 previous at bats, singled home the first two Los Angeles runs in the second inning and it was a walkway thereafter as Charlie Neal and John Roseboro led the cake with two-run homers. Craig, who didn't join the Dodgers until June, won his 11th game while striking out two batters and walking two.

Buhl, aided by Don McMahon in the eighth and ninth innings after departing for a pinchhitter, gained credit for his 15th victory. He battled Jim Owens on a 1-1 basis until the seventh inning when the Braves shoved across three runs on two singles, a walk, an error, a balk and an infield out. McMahon, making his 58th appearance of the year, yielded three hits but was touched for only a ninth-inning run.

Jones answered his critics once and for all Saturday night with his seven-inning no-hit, 4-0 victory over the Cardinals. It was all in vain for hard-luck Sam—because his no-hitter won't be counted officially and his victory was wasted when the Giants blew their Sunday doubleheader to the Cardinals, 2-1, and 6-8.

Shaw Won 18th. Bob Shaw, 24-year-old right-hander, tuned up for a likely World Series starting assignment by winning his 18th game as the American League champion White Sox.

By EARL WRIGHT, United Press International

The National Football League is just three days old, but George Halas and his Chicago Bears already are sorry Vince Lombardi left the New York Giants to take over the stumbling Green Bay Packers.

And Paul Brown's Cleveland Browns are equally sorry quarterback Bobby Layne ever switched from the Detroit Lions to the Pittsburgh Steelers.

The Baltimore Colts and Giants began defense of their division titles with hard-earned victories, but Lombardi's Packers and the Layne-inspired Steelers stole the opening week-end show by upsetting two of the other title favorites.

Green Bay, which had the worst season (10-1) in its history in 1948, shocked the Bears Sunday, 9-6. It was a tremendous opening triumph for Lombardi, who became head coach and general manager of the Packers this year after five seasons as offense coach for the Giants. It was scored before a capacity crowd of 32,150 victory-starved Packer fans at Green Bay.

Cleveland, seeking its eighth Eastern crown in 10 tries, was upset by Pittsburgh, 17-7. The Steelers haven't lost since Layne began clicking after joining them during the 1950 campaign. He fired two touchdown passes and kicked a field goal and two extra points, to erase a 7-0 Cleveland lead Saturday night and boost Pittsburgh's unbeaten string to eight games.

The Colts, defending league and Western Division champions, trailed the Lions, 9-0, late in the third period but rallied for a 21-9 victory. While their defense throttled the Lions before a record

Ladies' Night Set By 'Quarterbacks'

Pampa's Quarterback Club will have Ladies' Night Tuesday. All members and prospective members are asked to bring their wives to the meeting, which begins Tuesday at 7:30 p.m. in Pampa Junior High Cafeteria.

Club president Charlie Robison invites all Pampa football fans to come to the meeting and help back the Harvesters. "The club had 150 members last year," said Robison, "and with a winning team this year, we should get at least 350 to 400 members."

Stokes Scored 3

Because we like to keep the facts straight, and because Harold Stokes is bigger, faster and tougher than we are, we would like to make the following correction: It was Harold Stokes, not Duval Urbanczyk, who accounted for the Harvesters' three extra points in Friday's 41-4 win over Bowie. Stokes kicked for one point and ran for two.

Pampa's 41 Points Tops Loop Scoring For Week

SANDY KOUFAX ... Dodger pitcher

LEW BURDETTE ... Brave hurler

Playoff Starts in Milwaukee Today

By LEO H. PETERSEN, UPI Sports Editor

MILWAUKEE (UPI) — It'll be Lew Burdette against Sandy Koufax — the old pro against the young fireballer — today when the Milwaukee Braves and Los Angeles Dodgers open a best-of-three-game playoff to resolve one of the most fantastic pennant races in National League history.

All even after winning Sunday's final game of the regular 154-game NL tournament, the defending champion Braves and ragged-rich Dodgers square off at 3:30 p.m. e.d.t. today before an anticipated crowd of 45,000. The games will be televised and broadcast nationally by ABC.

With Burdette, 33-year-old hero of the 1957 World Series victory and a 21-game winner this year going for them, the Braves have

Wrestling Set Here Tonight

Dory Funk meets Nasty Nick Roberts tonight in the main event on tonight's wrestling card at Top of Texas Sportsman's Club on Lefors Highway. The first match tonight begins at 8:30 p.m.

In the semi-final, Ripper Leone and Taro Myaki go against Big Bob Orton and Silent Joe Hamilton, in a tag team match. Leone and Myaki are considered two of the toughest and dirtiest wrestlers in the business, and both have caused bear-riots in recent matches here.

Myaki takes on Hamilton in the opening match, a one-fall, 20-minute limit event. Tonight's matches are sponsored by Pampa Shrine Club.

Winner Take All. Burdette has a 2-0 record against the Dodgers this year while Koufax stands 2-1 against the Braves.

The playoff actually throws more pressure on the players than the World Series because it's a case of "winner take all." The winner's share of a Milwaukee-White Sox series would be about \$2,000 while the winner's share of a Los Angeles-White Sox series might surpass \$11,000 per man.

Harvesters Play Tascosa, This Saturday in Amarillo

Pampa's Harvesters were the highest scoring team in district 3-4A last week. They defeated El Paso Bowie, 41-6, while Tascosa, the next highest scoring squad, walloped El Paso Austin, 36-14.

Pampa opens play against Tascosa, the sixth ranking class 4A team in the state and the district favorite, Saturday in Amarillo.

Pampa and Tascosa both looked impressive last week. For Tascosa, the 36 points was an all-time high for the two-year-old school. For Pampa, 41 points was the highest single-game total in several years, and was more than the Pampans scored in any two games combined in 1958. Both Pampa and Tascosa used reserves liberally.

The Harvesters now have a winning record for the first time in three years. The last time they won two in a row was at the beginning of the 1956 season, when they whipped Austin of El Paso and Capitol Hill of Oklahoma City in the first two games of the year. Pampa's 2-1 mark keeps it in unofficial district standings, ahead of Plainview, Lubbock, and Palo Duro.

Pampa's point total for the year now puts the Harvesters ahead of their combined opponents in scoring for the first time in more than two years. The Harvesters have now outscored their last two opponents 53-8, and even when the season opening 40-0 rout by top-rated Wichita Falls is added, Pampa is still ahead, 53 to 46.

Amarillo, Monterey, and Borger all came through handsomely last week, to remain, along with Tascosa, as the district's undefeated teams and the top title contenders. (Borger is undefeated, but has been tied).

Amarillo romped over Woodrow Wilson of Dallas, 36-0, matching Tascosa's point total; Borger whipped Duncan, Okla. in a close contest, 30-20, after coming from two touchdowns behind; and Monterey stopped Permian of Odessa Thursday, 20-7.

Borger opens district play Friday in Amarillo, against Palo Duro. Monterey will be at Midland, and the Sandies will have an open date.

Plainview took its first victory. The playoff loser would collect only the regular second-place team's share of the spoils.

Russian Achievement?

Many persons seem to believe that the Russians are demonstrating the most astonishing ability in the field of production. The scientific achievement which seems to be recent moon shot, which seems to be scientifically successful, is a case in point. The Russians have again secured a propaganda advantage and all the rest of the world is supposed to be tremendously impressed.

Presidential Dilemma

According to the Wall Street Journal, which publication we find to be reliable and conservative, plans are presently being considered in the White House for a possible presidential address to the nation respecting the deplorable state of the union in financial matters.

Finland, An Honor To The Human Race

by WESTBROOK PEGLER

HELSINKI, Finland — Heavily bombed in a series of wars beginning in 1914, blasted by bombs and artillery and robbed by the Kremlin in a brutal indemnity imposed at gun-point in the 1947 treaty, the tough, indomitable but strangely affectionate family-nation of Finland is a marvelous honor to the human race.

Overweight in U.S. Will Blow \$500 Million On Quack Diets

By BERNARD BRENNER
United Press International
WASHINGTON (UPI)—Ten million overweight Americans will waste \$500 million dollars this year on quack diets, fake reducing pills and other non-scientific junk, a scientist said Sunday.

Most overweight people are carrying too much fat for the simple reason that they fuel their bodies with more food than they can burn in physical activity, said Helen Mitchell, dean of the University of Massachusetts School of Home Economics.

But millions of would-be reducers ignore the simple, hard facts about overweight in favor of spectacular claims for "miracle" diets and patent medicines, she said.

The Massachusetts expert's warning came in the U. S. Agriculture Department's annual Yearbook of Agriculture, published here Sunday.

The 736-page 1958 volume, titled "Food," is crammed with facts from 72 nutrition experts on how to eat better and cheaper.

"Modern science shows that all us, regardless of purse, can add years to our life and life to our years" by using today's knowledge about foods and nutrition, director Hazel K. Stebbeling of the Agriculture Department's Home Economics Institute wrote in an opening chapter of the book.

"The only known cure for overweight is to eat food that furnishes less energy than one needs for body maintenance," another pair of scientists added bluntly in a later chapter.

The book's 65 chapters include 36 pages of simple recipes explaining the nutritional goal of eating some of the basic foods every day.

Eating a lot does not guarantee that you will be properly nourished and healthy because the desire to eat is based on the need for energy, Raymond W. Swift of Pennsylvania State University added in one section.

"A person could die for lack of a particular food nutrient other than energy with no feeling of hunger," Swift said.

To help readers plan diets, the book includes a table listing calories, vitamins, water, and other elements in common foods along with recommended allowances for various age groups. Other sections discuss food groups, food plans at

B & B Toyland Has Everything

B & B Toyland, 319 N. Ballard, is giving double S & H Green Stamps with every lay-away made during the rest of September and October. Toyland also gives you a free gift wrapping and delivery.

Now is the time to do your Christmas shopping at B & B Toyland. Get the doll or stuffed animal you want, whether it's a collie dog, a chipmunk, a stuffed

horse, an elephant TV pillow or a large and beautiful Sleeping Beauty doll by Madame Alexander. For older children B & B stocks a full collection of toy guns — a Colt .45, Detective Special, Buckle Gun, Garter Gun — and several styles of holster sets. The big deal for fall is four-piece football uniforms, football helmets, toy golf clubs, ping pong sets and bows and arrows. For indoor sports B & B has electric football, baseball and basketball games, not to mention games like "Concentration," "Treasure Hunt" and "To Tell the Truth."

B & B has several new Child Guidance and Play-School toys and old stand-bys like Jacks-in-the-Box and top planes. The space age fills come to Toyland with a Space Helmet Radio. Other new and different items are a Targ-O-Rama Shooting Gallery, a rope ladder, a Walt Disney Wood Working Set, an American Skyline Plastic Construction Set, a Magnajector that projects pictures in full color without negatives or films and a Two-Transistor Receiver and Broadcast Set. B & B has replenished its stock of airplane and boat models. Other items are painted by number sets and a Ford Skyliner that operates on batteries.

Hollis Won't Sell You Short

Good wiring and good lighting are Hollis Electric Company's stock in trade.

There is one thing you can be sure of when you have a Hollis man on the job. Your wiring will be above reproach in accordance with city, state and underwriters' standards.

Hollis Electric Company, located at 1824 N. Hobart, has four electricians and four trucks on the job. Ed Hollis and his men — Lee Brown, Ralph Hollis and Bill Terry — have the experience and the know-how to put quality into every job.

Call MO 4-8791 for a free estimate. "You Phone, We'll Wire" is Hollis' slogan. When it comes to wiring Hollis can fix you up with almost anything you want. You

may be able to get wiring done cheaper but you won't be able to get it done as well.

In the past five years Hollis has wired 1,000 residential homes and a large number of business establishments.

With Fire Prevention Week slated for Oct. 4-10, you may do well to call Hollis and have your electrical wiring inspected. If your television set is blacking out, the wiring may be at fault.

No one can underestimate the importance of good lighting in a home — especially with school children around.

Hollis has one of the largest stocks of residential lighting fixtures in town, including popular early American styles. All lighting fixtures are priced competitively and will give A-1 service when the wiring is A-1.

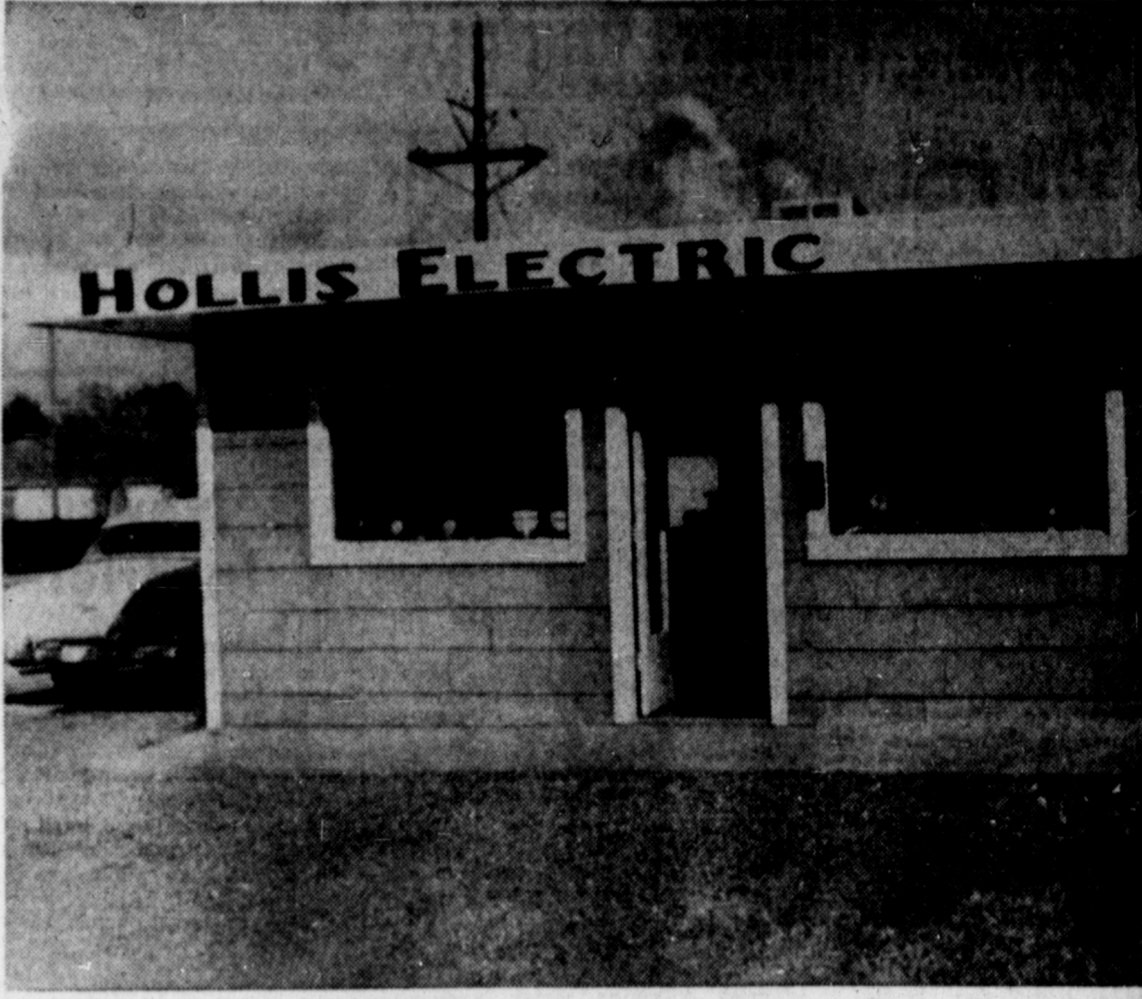

PROOF POSITIVE

SIDNEY, Australia (UPI)—Nick Jones today had proof that Billy Graham's recent crusade here was at least partially successful. Jones lost his wallet several days ago. Sunday night he got back his driver's license—plus a Billy Graham tract—but there was no sign of his wallet or his money.

You can select your lamps, clocks door chimes and all home accessories from a large stock at Hollis Electric.

In the appliance line Hollis has Thermidor Cook-Top ovens, Waste-King dishwashers and garbage disposals, New-Tone bathroom heaters and exhaust fans and all Sun-Beam appliances.

If he doesn't have it, Hollis will be glad to order it for you.

HOLLIS ELECTRIC

Carpets Come Clean With Blue Lustre

More and more housewives of this city are finding that Blue Lustre Carpet and Upholstery Cleaner is the best solution they have found for the cleaning care of fine furnishings.

It's so simple and inexpensive to make an old carpet or rug look new again by using the modern Blue Lustre method.

This new cleaner is a liquid concentrate which when mixed with water creates a billowy foam. The cleaning action of this foam when brushed in the carpets or upholstery instantly brightens colors dulled by soil, separating the dirt particles from the fabric to allow easy removal by vacuuming.

Since only foam is used, there is no matted of the fibre, no rinsing needed and carpets are soon dry and ready for use again.

Since Blue Lustre removes all the carpet soil, housewives have found that carpets and upholstery stay cleaner longer because there is no oily or gummy residue to cause rapid resoiling.

Blue Lustre can be used in any type of shampoo rug applicator with excellent results or applied with an inexpensive long handled brush that is available. It's safe to use on the finest oriental rugs as well as wool, cotton, rayon and other synthetic fibres.

There is no lingering scent after cleaning with Blue Lustre for it is absolutely odorless — and so safe to keep around the home because it is non-inflammable too.

When those soiled pathways appear, leading sometimes from the front door to the kitchen, it is not necessary to go over the entire carpet again because with Blue Lustre as your cleaning companion, homemakers have found they enjoy the advantage of cleaning only that part of the floor covering that needs attention. That's why so many housewives keep Blue Lustre on hand all the time for little cleaning emergencies.

Cleaning carpets with Blue Lustre costs very little because it is so economical to use. One half gallon of Blue Lustre concentrate is sufficient to clean three 9 x 12 rugs. It's also available in other convenient sizes, quarts and gallons. Available now at Pampa Hardware Co.
