'SINCERELY, LYNDON' — Paul Crossman, who announced Saturday that a Lyndon Johnson for President Club has been formed in Gray County, displays a letter expressed from Sen. Johnson Thursday. Crossman, one of several Pampa residents who helped form the club, said he expects "at least 1,000 Gray County residents will join before we're all through." (Daily News Photo)

Senator May Visit Here in January

Johnson For President Club Formed

A Lyndon Johnson-for-President Club has been formed in Gray County, Democratic party booster Paul Crossman announced Saturday. Former-Pampa mayor Lynn Boyd has been named temporary chairman.

Crossman, who received letters from both Senator Johnson and House Speaker Sam Rayburn Thursday, said he has a "tentative promise" that Johnson will arrive in Pampa in mid-January for a speaking engagement.

Sen. Johnson's letter to Crossman read: "I deeply appreciate your warm and generous action. I hope that I can always be worthy of the confidence you have expressed in me. Best regards, Lyndon Johnson."

Though Saturday, 68 Gray County residents had joined the Johnson-for-President Club, Crossman said. Formal organization, with the naming of local officers, will not be held until after Jan. 1. Crossman said the club had been "talked about" the past three weeks. Its main organizers have been Boyd, Crossman and Ott Shewmaker.

Crossman said he thought this was the "first time in local politics that the so-called conservatives and liberals had been able to see eye-to-eye on one candidate."

"Johnson is acceptable to all elements of the party," Crossman added, "and is probably the South's best hope to get a candidate elected."

Crossman, who had conversations with Rayburn and former President Harry Truman at the recent party rally in Dallas, said he hopes Johnson will be able to speak in Pampa's new Coronado Inn. The rally here will be for Johnson followers "throughout the Panhandle," he added.

Speaker Rayburn, the man who blessed Johnson's hat in the ring at Dallas, wrote to Crossman Wednesday, he said:

"Thanks for your telegram of Nov. 10. I do appreciate knowing of the progress that all of Lyndon Johnson's friends, including yourself, are making in organizing Lyndon Johnson for President clubs all over the state."

"I have received many, many telephone calls, telegrams and letters from people in various counties saying they have organized, or are ready to take a delegation to the convention instructed to vote for Johnson."

"With every good wish for you, I am, sincerely yours, Sam Rayburn."

Nixon Ate Cranberries In Tainted Spray Area

WASHINGTON (UPI) — The Government disclosed Saturday that contamination had been found in cranberries shipped from Wisconsin Rapids, Wis., where Vice President Richard M. Nixon ate cranberry sauce Thursday night.

Nixon said, however, that he was "not concerned about the cranberries I ate." He said he saw no reason for "hysteria" on the part of consumers.

The new case of contaminated berries was announced by Arthur S. Flemming, Secretary of Health, Education and Welfare. He said traces of a weed killer, said to cause cancer in laboratory rats, were found in a 38,120 pound lot of berries shipped from Wisconsin Rapids to Chicago.

There was no information to indicate whether the cranberry sauce eaten by the Vice President had been made from contaminated berries.

But Nixon said, "I am confident that my hosts would not serve contaminated cranberries. He also said he saw 'no reason for hysteria over cranberries on any consumer's part.'"

The new first report on contamination since Flemming announced Monday that berries from Washington and Oregon contained the weed killer. However, Flemming said 101 of 104 lots of cranberries tested had proved safe.

Montana Facing New Cold Blast

But State Ready For Onslaught

By PAUL QUINN
United Press International

HELENA, Mont. (UPI) — Montana battled the threats of floodwaters and livestock starvation Saturday night on the eve of a new blizzard and sub-zero cold wave.

The snow-swept state appeared to be winning both fights. A flood on the Missouri River at Townsend diminished, although stranded cattle were frozen knee-deep on an island. Ranchers had managed to get food to most of the thousands of sheep and cattle robbed by the snows and their forage on the upper mountain ranges.

But more troubles were on their way for Montana, which endured record snows 21.5 inches deep and record cold as low as 46 below zero earlier in the week.

Weather forecasters said a new blizzard and 20-below cold would move in Sunday. The storm was not expected to be as serious as its predecessor—Montana's worst in history—but forecasters said the newcomer promised "a blizzard condition."

The same storm and cold wave which froze Montana had claimed at least 44 lives across the nation, most of them in car crashes on icy roads. There were nine dead in both Iowa and Michigan, eight in Illinois, seven in Montana, six in Wisconsin, four in Indiana, and one in Kansas.

Temperatures plunged to an unofficial 30 below at Belle Four.

Business Study To Include Pampa

One Of Seven U.S. Cities

Christopher Burstall of England, the recipient of an English-Speaking Union Ford Foundation Travel Grant, will make Pampa one of his seven stops in the United States to study American business policies; see how Americans live and discover what they are talking about. He is scheduled to arrive in Pampa Tuesday.

Following his visit to America, Burstall plans the presentation of a documentary film and report on his visit to the U.S. which will include Pampa.

A legislative itinerary has been arranged for Burstall under the direction of the Pampa Chamber of Commerce and Board of City Development with Coy Palmer to act as official host.

His tour has been arranged by the Government Affairs Institute in Washington, D.C.

Burstall, who is presently a television producer with the British Broadcasting Corp., lives in Surrey, England. His academic training includes English and law at King's College, Cambridge, a D. Litt. in literature at Pavia University, Italy.

He has traveled extensively in Europe and some in Africa. Burstall, 27, is married and has a daughter.

His schedule here Wednesday will begin with an 8 a.m. breakfast in the Pampa Hotel with Palmer, Mayor Ed Myatt, H. V. Wilks, chamber president; John Koonz, city manager; E. Roy Smith, chamber vice president; and E. O. Wedgworth, chamber manager. This will be followed at 9:30 by a radio appearance.

At noon he will have lunch at the Pampa Country Club with hosts Floyd Imel, president of Citizens Bank & Trust Company, and A. A. Schuneman, president of First National Bank.

Arrangements have been completed for Burstall to tour the Celanese Chemical Corp. plant at 3 p.m. The tour has been arranged through Wilks, plant manager.

At 5:30 p.m., C. P. Buckler, a pioneer developer in the Top O' Texas area and a former Briton, will be host to Burstall at dinner. Burstall's itinerary Thursday (See BUSINESS, Page 3)

3rd U.S. Political Party 'Searches'

NEW ORLEANS (UPI) — A third national party with a plank for nearly every disgruntled Democrat and Republican in the country—particularly southerners—is looking for its first presidential candidate.

It bears the unwieldy title of the Independent American State Parties (IASP), and it wants to abolish income tax, protect states rights, curtail the power of the Supreme Court and get the United States out of the United Nations.

"But it doesn't want to be known as the 'you-all party,'" according to Chairman Kent Courtney, a New Orleans printing firm owner. It wants to be the "party of all of us."

Courtney insists the IASP is not to be confused with southern splinter groups. But he admits that some of the chief aims of it, such as leaving segregation up to the states, fit in nicely with most southerners' views.

Courtney predicted the IASP will become the "strong second party" because there is, he says, no difference between the Republicans and Democrats now and some day the IASP will be a haven for conservatives from both parties.

The IASP would make possible abolition of income tax. Courtney said, by doing away with most of the foreign aid program and cost-of-government spending.

"We proposed to put up a real party," Courtney said.

Irish Envoy, Son To Attend Victim's Rites

WASHINGTON (UPI) — An Irish official forecast Saturday that some indemnity would be paid the family of a Negro maid killed this week by a car driven by the son of the Irish ambassador.

He also thought it likely the youth would be sent home.

At the same time, an attorney representing the woman's relatives said the ambassador, John J. Hearne, had informed him that he and his son, David, planned to attend funeral services for the victim Sunday.

Young Hearne's car struck and killed Mrs. Jossie Hamlin, 54-year-old widow, earlier this week. But all charges were dropped when he invoked diplomatic immunity.

Welcome Mat For DeGaulle

WASHINGTON (UPI) — American officials said Saturday they hope French President Charles de Gaulle will be persuaded to visit Washington before Soviet Premier Nikita S. Khrushchev makes a pre-summit trip to Paris March 15.

They said this would make it much easier to arrange a timetable for the East-West summit conference with Russia, which top administration authorities here now believe should be held in April.

The schedule for the East-West summit has been upset by De Gaulle's insistence on an elaborate series of advance visits and consultations with the result that it has become increasingly difficult to fix a firm time.

Depradations Charged To Red Chinese

NEW DELHI (UPI) — The self-exiled Dalai Lama charged Saturday that the Chinese Communist overlords of Tibet had deported 10,000 children to China and are sterilizing men and women as part of a campaign to wipe out the Tibetan race.

The 25-year-old Tibetan godking told a six-member investigating committee sent by the International Commission of Jurists that the Communists even were resorting to castration to carry out their program in Tibet.

From his refuge in the Indian hill country resort of Mussoorie overlooking the Himalayas of his native land, the Dalai Lama said he had no idea what happened to the children sent to China by the Communists. A few hundred, he said, later returned.

He offered to allow committee members and physicians to examine 10 to 15 Tibetan refugees in India who had been sterilized before they fled.

Committee members Lord Shawcross of Britain, Arturo Alfaro of the Philippines, E. Maing of Burma, Ong Hock Lim of Malaya, R. Seni Pramoj of Thailand and Rolf Christophersen of Norway were to report their findings to the commission in Geneva.

Raw Steel, But No Finished Products

PITTSBURGH (UPI) — The nation's steel mills were booming back into production Saturday at the end of the first week of operations under a Taft-Hartley Act strike truce, but only "dribbles of finished products" were in the "pipe lines" to consumers.

"Production of ingot (raw) steel is a little ahead of schedule, an industry source told United Press International. "But it may be upwards of five weeks until we can deliver a full range of products."

The nation's steel production in the week since the U.S. Supreme Court made effective an order ending for 80-day "cooling off" period the 116-day strike of 500,000 United Steelworkers, approximately 1,300,000 tons of ingot steel was tapped from the reactivated furnaces. That represented 45.9 per cent of the industry's capacity, compared to 13 per cent in the last week of the strike.

At the end of the week the furnaces were producing at the rate of 80 per cent of capacity and the output was expected to reach 70 per cent by next week end.

Former Mayor, David Osborne, Dies Saturday

David Wilson Osborne, mayor of Pampa in 1930 and 1931, died Saturday afternoon following a short illness at his winter home near Mineral Wells.

Osborne, a commissioner under the city's first charter in 1924, died enroute to a Mineral Wells hospital at 2:30 p.m. He was 78.

Ike Forms Special Group To Weld S. American Relations

AUGUSTA, Ga. (UPI) — President Eisenhower acted Saturday to combat the recent flare-up of anti-United States feeling in Latin America.

Membership of the group will include the President's brother, Dr. Milton S. Eisenhower, and Walter J. Donnelly, former ambassador to Venezuela and now an official of the U.S. Steel Corp. in South America.

The new committee came at a time when Eisenhower was otherwise preoccupied with details of his December trip to Europe, Asia and the Middle East.

Eisenhower called to Augusta one of his chief speech writing aides, Dr. Kevin McCann, president of DePauw College, to work on speeches to be made during the trip, particularly the Dec. 11 address at the world agricultural fair in New Delhi.

The President also began receiving detailed reports from the White House advance party covering the 20,000-mile route of the December journey. Reports by Press Secretary James C. Hagerty and Thomas E. Stephens, appointment secretary, from Ankara, Turkey, figured in a morning conference between Eisenhower and the White House staff secretary, Brig. Gen. Andrew J. Goodpaster.

After a morning in his office over the "pro shop" at the Augusta National Golf Club, Eisenhower planned a golfing afternoon and a (See RELATIONS, Page 3)

Goal In Sight In UF Drive

The Pampa-Lefors United Fund campaign now stands at \$60,347 and the goal is in sight, Chairman Floyd Watson reported Saturday night.

Final plans to put the drive over the \$63,900 goal were discussed Friday afternoon at a meeting of eight fund directors and Watson.

Watson said he believes enough cards are still out to make up the difference, but he urged workers to make their contacts and turn in their cards as soon as possible.

Overdone Ibsen, Hemingway Classic Due Soon On TV

By JACK GAVER
 United Press International

NEW YORK (UPI) — Ibsen and Hemingway will be represented on the networks in next week's television specials.

The Norwegian playwright's "A Doll's House" gets an airing on Sunday on NBC, with Julie Harris making her first TV appearance of the season.

Ernest Hemingway's short story, "The Killers," is the first of four specials this season based on works by this writer. CBS has it Thursday.

Highlights of the week Nov. 15-21.

Gov. Stephen McNichols of Colorado is the guest on ABC's "College News Conference" at 1 p.m.

There is the usual regional telecasting of pro football games on CBS at 2.

NBC's pro basketball game at 2 is between New York and Detroit.

FIVE CHILDREN PERISH

WARE, England (UPI) — Five children died Friday night when fire trapped them in the bedrooms of their home here.

The parents, Mr. and Mrs. Ernest Taylor, were out of the house at the time. Taylor, 40, was shopping for groceries and his wife, Catherine, 32, was on her way home from work.

The dead children were Frank, 9; Gerald, 6; Stephen, 5; Margaret, 3; and Graham, 2.

TANKER REPORTED SEEN

MANILA (UPI) — The Philippine news service reported today that the Soviet tanker "Alatyr" was off the northern Philippines "apparently on a refueling and escort mission."

A police report said the tanker was sighted off Vigan in northeastern Luzon, according to the news service.

which sets into motion important changes in the lives of the leading characters as they are forced to a deep self-awareness.

Marjorie and C. H. B. Quennell in "A History of Everyday Things in England" move from conventional history to the way in which ordinary men and women lived and moved and had their being.

There is a variety of color plates and reproductions from photographs for added fascination.

The scene for "The War Lover" by John Hersey is an American bomber base in England sometime before D-Day.

The characters are the crew of a Flying Fortress, particularly the pilot Buzz Marrow and the co-pilot Boman. Boman tells the story of his worship of Marrow and how his hero succumbed to their final crucial mission.

Also intertwined is the English girl who Boman loved and who brought about Marrow's collapse. This suspenseful novel shows what a secret, hidden fear can do.

The Great Buffalo Hunt and Cheyenne Autumn have been placed on the memorial shelf.

Robert Penn Warren has on a again written a rich and exciting novel. "The Cave" takes place in Johnstown, Tennessee. A young man is believed to be trapped in a cave and the whole town becomes the center of national attention as television cameras, promoters, and newscasters move in to exploit the attempt at rescue.

This event is but the catalyst

of the greatest slaughter of animals in history was that of the buffalo on the Great Plains. The hunters took the hides leaving most of the meat to rot. The dramatic history of this butchery is told in "The Great Buffalo Hunt" by Wayne Gard. Much of it is in the words of the hunters themselves whose reminiscences have been searched out and used. There are factual descriptions of exciting battles between hunters and Indians.

Irving Wallace in "The Fabulous Showman" brings P. T. Barnum, an exceedingly interesting and fascinating man, to life. Barnum transformed entertainment into a big, incredibly profitable business.

Besides the towering figure of Barnum, this book's cast of characters includes Jenny Lind, Jumbo, Tom Thumb, Chang and Eng, Queen Victoria, and Abraham Lincoln.

Out of her immense knowledge of the old West, Maria Sandoz writes of an epic event in American Indian history "Cheyenne Autumn" is a story of adventure, courage, hardship and almost unbelievable fortitude. The reader is taken into Cheyenne camps where daily events, disputes and heart-sickening suffering is revealed. Here is the struggle of a small band of persecuted people against the military prowess of an entire nation.

On The Shelf

New books at Loyett Memorial Library have been reviewed by library personnel and are of a mingled variety of subjects this week which should prove interesting to a variety of patrons.

Faith Baldwin has given us an inspiring story of marriage, death, and love in her newest novel entitled "Blaze of Sunlight." Rose and Mark Holmes had the kind of marriage that is rare. They shared common interests and respected each other after twenty years of married life.

Then Mark was killed in an automobile accident and the bottom dropped out of Rose's world. Seeing no reason to continue living, she withdrew from her family and friends into a tunnel of grief and loneliness.

The dramatic history of this butchery is told in "The Great Buffalo Hunt" by Wayne Gard. Much of it is in the words of the hunters themselves whose reminiscences have been searched out and used.

of the greatest slaughter of animals in history was that of the buffalo on the Great Plains. The hunters took the hides leaving most of the meat to rot. The dramatic history of this butchery is told in "The Great Buffalo Hunt" by Wayne Gard. Much of it is in the words of the hunters themselves whose reminiscences have been searched out and used.

There are factual descriptions of exciting battles between hunters and Indians.

Irving Wallace in "The Fabulous Showman" brings P. T. Barnum, an exceedingly interesting and fascinating man, to life. Barnum transformed entertainment into a big, incredibly profitable business.

Besides the towering figure of Barnum, this book's cast of characters includes Jenny Lind, Jumbo, Tom Thumb, Chang and Eng, Queen Victoria, and Abraham Lincoln.

Out of her immense knowledge of the old West, Maria Sandoz writes of an epic event in American Indian history "Cheyenne Autumn" is a story of adventure, courage, hardship and almost unbelievable fortitude. The reader is taken into Cheyenne camps where daily events, disputes and heart-sickening suffering is revealed. Here is the struggle of a small band of persecuted people against the military prowess of an entire nation.

Robert Penn Warren has on a again written a rich and exciting novel. "The Cave" takes place in Johnstown, Tennessee. A young man is believed to be trapped in a cave and the whole town becomes the center of national attention as television cameras, promoters, and newscasters move in to exploit the attempt at rescue.

Small dinner with close friends honoring Mrs. Eisenhower on her 70th birthday. The Latin America committee was appointed by Herter following a recommendation by Milton Eisenhower last January on a report on his most recent world trip to the southern neighbors. The White House conceded no immediate connection, but establishment of the committee came a time when anti-Americanism was being evidenced, bolstered by times in Cuba and Panama. In addition to Dr. Eisenhower and Donnelly, the group includes Kenneth Holland, Bronxville, N. Y., president of the Institute of International Education; Charles A. Meyer, Chicago, vice president of Latin American operations, Sears Roebuck and Co.; Dana G. Munro, director, Woodrow Wilson School of Public and International Affairs, Princeton University; and O. A. Knight, Denver, president of the Oil, Chemical and Atomic Workers International Union.

Cranberry Test Results Coming Due

WASHINGTON (UPI) — Arthur S. Flemming, Secretary of Health, Education and Welfare, held an unusual three-hour meeting with key advisers Saturday on the cranberry and cancer controversy.

An HEW spokesman said a statement would be issued later. The cranberry furor erupted last Monday when Flemming announced that some cranberries from Oregon and Washington were tainted with a weed killer which induced thyroid cancer in laboratory rats.

An immediate cross country check of all cranberry products was launched by the Food and Drug Administration at Flemming's instruction.

First results of the government tests which began reaching here this weekend showed that most cranberries were free of contamination and were safe for Thanksgiving dinners.

Flemming's Saturday get-together included top Food and Drug officials and presumably was called to evaluate reports coming in by teletype and telephone from 17 FDA field offices.

While the crash program of testing still was incomplete, initial reports showed that only two lots—both from the west coast—have been contaminated enough to warrant seizure. It was these shipments which prompted Flemming's Monday announcement.

Pampa Praised For Work With Retarded Children

Mrs. Joe Curtis, president of the Amarillo Council Training Center, told members of the Exceptional Child Association in Pampa Friday that their goal should be "to create enough interest here to construct a building for trainable, retarded children."

Mrs. Curtis, in her speech, also praised the Pampa school system which this year inaugurated a class at Travis school for handicapped youngsters. During the association's regular business meeting it was reported that proceeds will be received by the organization from the Beta Sigma Phi table-setting contest and the annual bowling tournament at Harvester Bowl.

Mrs. Gene Barber also told of plans for an open house at Travis school and Mrs. Jack Sloan revealed plans for five field trips for the handicapped class at San Houston school. Trips are set to the fire station, an area farm, the Coca Cola plant and a train trip to Amarillo.

Water Main Breaks Again

The city's troubles with a broken water main at N. Hobart and Francis streets apparently aren't over.

Late Friday night a new break occurred in the six inch line, this one 10 feet west of the old break. Police officers noticed the break Friday night and valves to the line were immediately turned off.

"This one wasn't like the other one," R. D. Pinkston of the water department said Saturday. "We didn't lose nearly as much water."

The line originally broke Oct. 26. It was estimated that one million gallons of water drained at that time. The new leak was repaired Saturday and the hole has been refilled. City Engineer Monroe Moore said the breaks are "probably caused" by the steady pound of traffic at the Hobart-Francis intersection.

Background Given On Gettysburg In Kiwanis Talk

History, which usually is a dull topic for "have-to-get-back-to-work" civic club members, held attention for 30 minutes Friday noon when a local citizen, Warren Cochran, gave many unknown and little-publicized details of events before, during and after the Gettysburg Address by the 16th President of the United States.

Cochran, who has spent a major portion of his life in the field of education and who is a retired professor of Bethany (Kan.) College, said the "dedicatory remarks" of Abraham Lincoln, Nov. 19 at Gettysburg, Pa., are considered by learned persons the simplest, but finest words ever spoken.

"The majority of the 275-word speech," Cochran remarked, "are mostly one or two syllables." He called to the attention of his listeners that the many "great things in the Bible are put in (this) simple language," that is, passages of great beauty are of one or two syllables.

The occasion of the speech was the anniversary of the Gettysburg memorial service. The event was Nov. 19, 1863.

The program was arranged by Jack Skelly, chairman of the Agriculture and Conservation Committee, who introduced the speaker and his wife.

Leslie H. Hart reported to members of the district Kiwanis meeting in Galveston and announced that the 1960 district meet will be in Amarillo.

Bid Opening For Housing Nov. 24

McLEAN (Spl.) — Bill Reeves, chairman of the McLean Housing Authority, has announced that bids for the construction of 12 family housing units will be publicly opened at 2 p. m., November 24 at city hall.

The proposed construction, classified as "low rent housing," will be of brick veneer, duplex type. Rental will be based on the income of the occupant with top limits of \$3,000 per year.

This is expected to ease a shortage of living units in McLean and will help afford housing for progressive employees of the McLean Foundations plant.

conservative candidate to run on the platform adopted at our national organizing convention in Chicago this year," Courtney said.

He said some possibilities are Tom Anderson, editor and publisher of Farm and Ranch magazine in Nashville, Tenn.; Clarence Manion, former dean of the Notre Dame law school; J. Bracken Lee, mayor of Salt Lake City; Sen. Strom Thurmond of South Carolina, and William Jenner, retired Indiana senator.

"We've got to run someone who has publically repudiated affiliation with either national party," Courtney said.

UF Drive Short

SHAMROCK (Spl.) — R. L. Roberts, financial chairman of the United Fund, announced that the drive was still \$600 short of its goal. He issued a plea for persons who have not donated to please do so.

The goal this year is \$7,326. Persons wishing to donate may leave donations at the Farmers and Merchants State Bank or mail checks to United Fund.

Annual Chamber Banquet Tuesday

SHAMROCK (Spl.) — Shamrock is all set for the 32nd annual Chamber of Commerce banquet to be held in the national guard armory on Tuesday night at 7:30.

Fred Husbands of Abilene, executive vice president of the West Texas Chamber of Commerce, will be guest speaker. Rev. J. H. Sharp of the First Methodist Church will be master of ceremonies and Rev. Don Blake will give the invocation.

Special vocal numbers will be sung by the "Phils Originals" of Phillips. Dinner music will be played by Carol Ann Harvey, high school senior. Table decorations will be under the direction of the Shamrock Garden Club.

Tire Slashing Estimate Low

Police Chief Jim Conner estimated Saturday that "at least" 30 tires were slashed Thursday night on vehicles parked at several W. Brown St. business establishments.

First reports indicated 18 tires had been punctured, but an investigation Friday showed that 12 other tires were ripped open.

Police heard reports that tires were slashed at the Kissea car lot, 701 W. Brown; the Heiskell Machine Co., 917 W. Brown; the Pennant Club, 543 W. Brown; and Flint Rig, 101 S. Hobart.

8 Killed In Area Traffic Mishaps

Eight persons died in highway accidents in the 31-county Amarillo district last month, the Texas Highway Patrol reported Saturday. The year's death toll now stands at 78, or 20 less than at this time a year ago.

Sgt. E. G. Albers in Pampa said patrolmen last month in the Amarillo district also investigated 193 accidents in which 117 persons were injured.

Property damages in October were set at \$153,270.

Buy New Building

SHAMROCK (Spl.) — Plans were made last week for the lease-purchase of a building at the corner of N. Wall and 2nd Sts. here. The building lease-purchase was made by the Commissioners Court.

The building is to undergo improvements and will house the justice of the peace offices, state department of public welfare, sheriff department and highway patrol office.

Plans call for a complete remodeling job on the 40 by 70-foot building. Completion date is set for late December.

The U. S. Weather Bureau said the bitter preview of winter was rapidly taking command of most of the nation. Snows expected to reach three to six-inch depths drove into New York State, while cold wave warnings were issued for a far-ranging area stretching from the lower Great Lakes southwestward through the Ohio Valley and into Tennessee, Northern Alabama, Mississippi and Louisiana.

The tornado which shook Montana Aug. 17 was responsible for icy floodwaters rolling out of the Missouri River near Townsend, 32 miles southeast of Montana, Saturday.

The August quake damaged the Hebgem Dam and thereby increased the flow of the Madison River, a tributary of the Missouri. The Missouri was near flood stage before the blizzard hit, and a seven-mile ice gorge near Townsend turned the threat into reality.

Engineers turned to another dam, at Canyon Ferry downstream from Townsend, to curb the flood. The flow from the dam was increased and the river level fell.

Rescue crews and a National Guard helicopter still worked to rescue some of the blizzard's most pitiful victims—50 head of cattle marooned on a frozen island in the Missouri.

One hundred head of cattle were brought off the island. Some emerged from neck-deep water with ice cakes a foot in diameter clinging to their tails.

Plea For Used Toys In Shamrock

SHAMROCK (Spl.) — Again this year, an appeal has gone forth for discarded toys to be repaired and fixed for "Santa's Pack." Firemen need all types of toys, especially wood or metal.

Persons are asked to leave toys at the fire station. Ladies clubs or individuals are asked to assist with the dressing of dolls.

Minstrel Planned

The Wayside 4-H Club discussed plans for its upcoming Negro Minstrel and bake sale Thursday at a meeting in the home of Mrs. Nace Baggerman, adult leader. President Arlene Willis presided.

In other business, the club named Miss Willis its candidate for 4-H county queen honors. The queen was expected to be named Saturday at the 4-H achievement night program in Lefors.

The club plans to meet Nov. 30, again at the Baggerman home.

Morality & Freedom

The subject of morality is always a perplexing one. Because custom will differ from nation to nation and from age to age, there is a wide tendency for persons to confuse custom with morality. It is as though they were to say that what is right relates to a majority decision determined without an election, but simply by ordinary usage.

BETTER JOBS

By R. C. HOLES

Four Things Morally The Same: Circulation Credit, Fictitious Bills, Counterfeit Money, and Theft.

Frederick Nymeyer's last article in his August issue of "First Principles In Morality And Economics" closes with the explanation of why we have booms and busts in this manner:

- Four different terms can be used for what, in principle, is the same thing: 1. Circulation credit 2. Fictitious bills 3. Counterfeit money 4. Theft

"A better term is Fictitious bills. This is the term that Henry Thornton adopted from popular usage to designate bills which merchants put out without the transaction being a response to a real transaction in commodities. (See Volume V, number 5, pages 144. Further details on what Thornton writes about fictitious bills may be presented later. See page 87 in his book.)

Argentina Awakens

There's a new note coming from Argentina. This country, virtually devastated by the Peron regime of socialism, is on the way back.

Alvaro Alsogaray, the minister of economy in this South American nation, is quite optimistic about it. In an interview published in U.S. News and World Report for October 26, 1959, Senor Alsogaray gives his reason for the bright outlook.

"It has been very difficult for our people. You know that thru the years — especially during the Peron years — our individual country deteriorated. I don't mean just the economy, but the social and moral aspects became terribly run down.

"We had to straighten things out. During the first six months of this year, prices went up at least 75 percent. The rate of increase has been leveling off since July. But it is not an easy matter to bring prices down 75 percent and at the same time to ask people not to demand more salary."

Developing Good Reading Habits

Quest For Knowledge Shows Youth Is 'Coming Of Age'

By NANCY MOORE
Daily News Staff Writer

In a recent roundtable discussion with Lovett Memorial Library personnel, we learned that the Pampa teenagers who visit the library are one of the most fascinating and interesting groups in our society. They are filled with an enthusiasm for life which almost seems contagious when adults take time from their busy lives to notice.

It was brought out in the discussion that many adults today have the mistaken idea that the only interest of the teenager lies in the direction of drag racing (with no thought to the safety of others or himself), finding excuses to skip school and working diligently at figuring out some clever mischief which will make him the envy of the gang.

To dispense this fact, library personnel invite interested persons to take a walk through the library any afternoon or night where you will find a large group of teenagers quietly studying their lessons or just reading to become better informed.

Mrs. Gordon Crinklaw, library secretary, said that the majority of the teenagers today are a pleasure to be with and "They are nice to work with."

Mrs. Helen Gould, in charge of the young adult section of the library, said she enjoys working with young people and finds them polite and well-mannered.

Miss Gould pointed out that it is amazing to find this group so interested in the psychology section of the library. They are not only interested in becoming aware of this field which is to be a major factor in the world of today, but they also spend a great deal of time studying civic problems, she said.

Mrs. Crinklaw then added that literature plays an important part in the lives of teenagers who are trying to find answers to all the perplexing problems soon to face them in the adult world.

By checking the circulation files at the library, it appears that boys like science, both fiction and non-fiction, and sport stories. The girls seem to lean toward romances and nurse stories.

From this, Miss Gould continued, it appears that boys like science, both fiction and non-fiction, and sport stories. The girls seem to lean toward romances and nurse stories.

While in recruit training, both men will be given a series of tests to determine the field in which they are best suited and are counseled as to selection of a job training in the Navy. Upon completion of nine weeks training they will be granted 14 days leave prior to reporting to their first duty assignments.

James Aubrey Foster, electrician's mate third class, of Lefors, reenlisted in the Navy through the recruiting station in Pampa. Foster was sworn in at Albuquerque, Nov. 2 and was immediately given 30 days leave prior to reporting to the Navy Receiving Station, Long Beach, Calif., where he will receive orders to his next duty assignment.

All men reenlisting in the Navy under continuous or broken service may be given up to 30 days leave prior to reporting for duty plus advanced travel allowance. Prior Navy men are also given a choice of schools before reenlisting.

Electrician's Mate Foster previously served in the Navy aboard the Aircraft Carrier Essex. He is the husband of the former Miss June Calamalo.

TEENAGERS IN THE LIBRARY — The three teenagers above, regular patrons of Lovett Memorial Library, find it an excellent place to study lessons or just spend a quiet evening reading to become better informed. They are, from left, Pat Stewart, daughter of Mrs. Boyd Stewart, 505 Powell; Mike Maguire, son of Mr. and Mrs. J. B. Maguire, 1900 Russell; and Kenneth Ray, son of Mr. and Mrs. J. R. Ray, 1613 N. Roberta. All are freshmen at Robert E. Lee Junior High School.

Same Song On Top Eight Weeks

CHICAGO (UPI)—Bobby Darin's "Mack the Knife" was the top song for the eighth week on United Press International's "Top 20" survey.

Mack's perennial challenger, the Fleetwood's "Mr. Blue" by Della Reece's "Don't You Worry About Me" were in the second and third spots for the second week in a row.

The next three positions were held by Mitchell's "Heartaches By Numbers," Jerry Wallace's "Primrose Lane," and Andy Williams' "Lonely Street."

Three newcomers to the Top 20 were Ernie Fields' "In the Mood," The Nutty Squirrels' "Uh! Oh! The Nutty Squirrels (Original)," and "So Many Ways," Brook Benton (Mercury).

"TIGER" — Ask any teenager who is the recording idol of their set. Nine out of ten times the answer will come up "Fabian," "Fabulous Fabian," or "Tiger" as he is more affectionately known among his fans is shown above and is making his motion picture debut, "The Hound Dog Man," which opens Thursday at the LaVista Theatre for a seven-day engagement. The picture is not "Rock 'n Roll," but a dramatic story of the backwoods, adapted from Fred Gipson's classic novel of the same name.

McLean, Stinnett Will Clash Here Friday

By RED GRIGGS
Daily News Sports Editor

McLean, the champion of District 2-A and Stinnett, champion of 1-A, will meet Friday at 8 p.m. in Harvester Park for the bi-district championship.

McLean, which had already clinched a playoff spot, finished its district season undefeated by edging Clarendon Friday night, 28-20. Stinnett was upset in its final game of the season by Spearman, 14-6, and had to share the title with Spearman and Gruver. How-

ever, the Rattlers won a coin flip to become the district's playoff representative.

Details of Friday's game were worked out Saturday morning in the Pampa Chamber of Commerce office. Those taking part in the negotiations were Stinnett School Superintendent Daniel Russ; Don Light, Stinnett coach; Don McDonald, Stinnett assistant coach; Freeman Milton, McLean school superintendent; Charles Bradshaw, McLean coach; Darrell Christian, McLean assistant coach, and

Chamber of Commerce Manager E. O. (Red) Wedgeworth.

Wedgeworth said that the Chamber of Commerce will award trophies to both the winner and the loser of the bi-district game.

Stinnett had been ranked as the top Class A team in the state before Friday's loss to Spearman. The Rattlers finished their season with a 9-1 record, and only two teams — Dalhart and Spearman — scored as many as two touchdowns against them.

McLean pulled the top surprise

of the year in Panhandle football by winning its district title. The Tigers, with only a 25 man squad, little weight, and even less experience, won eight of 10 games and defeated defending state champion White Deer to cop the district championship.

McLean combined a tough defense, excellent blocking, and the running of fullback Davey Crockett to surprise everyone but themselves. The Tigers had been picked to finish anywhere from fifth to the cellar.

Crockett, rated among the top backs in the state, scored a majority of McLean's points and made more than 50 percent of their yardage.

Stinnett has won its games mostly on the strength of its defense and its power running. The Rattlers have no individual standout to match Crockett, but they have all-around team strength, with eight returning regulars and three lettermen in the starting lineup.

Both coaches were pessimistic, at Saturday's preliminary meet-

ing, about the outcome of Friday's game.

"I'm afraid Stinnett has too many horses for us," Bradshaw declared. "Our boys have played some excellent football this year, but they'll have to do better than ever before, to have a chance against a team as good as Stinnett. I'm not selling them short, though, because when they decide they're not going to be beaten, they're awfully hard to beat."

Light was worried about two things—Crockett and team morale.

"We don't have anyone fast enough to catch Crockett if he breaks loose," Light said, "and I'm afraid Friday's loss to Spearman may have taken too much out of the team."

Despite Light's misgivings, however, Stinnett will probably go into Friday's game as a one to two touchdown favorite. The Rattlers would have been favored to go on to the state championship, if it had not been for the Spearman loss. They are still considered a strong contender for the top prize.

PLAYOFF PARLEY — Officials and coaches of the McLean and Stinnett schools are shown here conferring on details of the bi-district playoff game, which will be held Friday at 8 p.m. in Harvester Park. They met Saturday morning in the Pampa Chamber of Commerce office. Seated from left to right, are Danfel Russ,

Stinnett school superintendent; Don Light, Stinnett head coach Clifford Bradshaw; McLean head coach; Freeman Milton, McLean school superintendent. Standing are Don McDonald, left, Stinnett assistant coach and Darrell Christian, McLean assistant coach. (Daily News Photo)

Dunham's 3-Pointer Beats Plainview, 9-7

PLAINVIEW (Sp) — Butch Dunham's field goal in the last 14 seconds of the game here Friday night gave Pampa a 9-7 victory over Plainview and boosted the Harvesters into fifth place in District 3-4A.

The Harvesters, who now have a 2-3 record in district play, are a half game ahead of sixth place Palo Duro (2-4) and a full game ahead of seventh place Plainview (1-4-1). Pampa plays Borger this Saturday, while Palo Duro meets the Amarillo Sandies and Plainview plays Tascosa.

Dunham's field goal climaxed Pampa's finest comeback of the year. The Harvesters went into the fourth quarter trailing the Bulldogs, 7-0, but they rallied to the win in a hectic final quarter, in 18-degree weather which was made even colder by a stiff 30-mile wind.

Pampa's comeback began immediately after Plainview scored its touchdown, late in the third period. Buddy Rawls took the kickoff for the Harvesters and made a fine rumbuck, from his own goal line to the 28. From there, the Harvesters put together the only real sustained drive of the night, 72 yards for a touchdown.

The drive consumed 19 plays, with most of the yardage coming in two or three yards at a time. The drive was kept alive once by a fourth-down gain by fullback Terry Haralson, in Pampa territory, and once, on a third- and 12 situation, by a 14-yard pass from Bobby Stephens to Ruben Strickland.

Butch Dunham faked a kick for the extra point, but instead attempted a pass to Charles Warren, who was well covered. The pass went incomplete, and Plainview led, 7-6, early in the fourth quarter.

Moments later, a 31-yard pass from Rawls to Charles Warren took the ball on the Plainview 15. However, Plainview held for three downs, and Dunham was forced to try for a field goal, from the 22-yard line. The kick was totally blocked, and went wide to the right.

On the Bulldogs' first play from scrimmage, however, fullback Charles Furrow rumbled, fullback Jimmy Storms pounced on it for Pampa, at the Plainview 27.

Pampa again drove near the goal line, as Rawls completed passes of 10 yards to Storms and 9 yards to Strickland (who made a beautiful one-handed catch). However, the Harvesters faced fourth down, with four yards to

go, and again Dunham went back into the kicking position, with 18 seconds remaining.

This time, his field goal attempt went directly through the uprights, and Pampa had a safe 9-7 lead with 14 seconds left on the clock.

Plainview made its touchdown late in the third quarter, after covering a Pampa fumble at the Harvester 11-yard line. Furrow went three yards, then fullback Jimmy Carter went through the middle of the line and went the way (8 yards) despite the fact that he was hit at the 5-yard line. Joe Ferguson kicked the extra point.

Earlier in the third quarter, Pampa had stopped Plainview, drives at the 20 and the 13. These were Plainview's only other serious threats of the game.

Overall, Pampa's offense and defense both operated at top efficiency, despite the cold weather. The Harvesters made 11 first downs to six for Plainview, and made 252 yards to 165 for Plainview. Only very rarely were the Bulldogs able to break through the Harvesters' defense with their single-wing and double-wing plays.

On offense, Strickland and Rawls played their best games of the year. Strickland, replacing the injured Mert Cooper, was Pampa's leading ground gainer with 57 yards, and made a couple of key catches which kept the touchdown drive going. Rawls helped engineer the touchdown drive and the field goal drive, and did some of his best passing of the season.

Terry Haralson and Dwayne Urbaneczyk were also valuable on offense, as they went for short gains at times when the Harvesters badly needed the yardage.

Defensively, the entire Pampa team played well. Terry Rexroad and Duke Garren, the linebackers, were especially outstanding. As each threw Plainview for two losses, End Benny Stout also played a stellar defensive game, as he blocked a punt, threw Plainview for one loss, and made several important tackles — including one which probably saved a touchdown.

Tackle Jim Scott was in on probably as many tackles as any man on the team. Middle guard Harold Stokes, halfbacks Rawls and Bobby Stephens, cornerman Charles Warren, and ends Kent Mitchell and Jimmy Storms all made some good defensive plays.

Owls 'Speer' Texas Aggies

HOUSTON (UPI) — Halfback Gordon Speer tucked in a quick kick and galloped 60 yards for a touchdown to give the Rice Owls a 7-2 victory over Texas A&M before 35,000 rain-drenched fans Saturday.

It was the first Southwest Conference victory for Rice, and left the Aggies winless in league play.

Speer grabbed Aggie quarterback Charley Milstead's kick on his own 40, then twisted and shook off a horde of Aggie tacklers. He finally broke into the clear about the Aggie 25 and went eyes standing up.

The 195-pound senior halfback also made the conversion kick good to account for all seven of Rice's points.

It was the Owls' first victory in eight tries this season. A cold, north wind gusting to 25 miles per hour kept the temperature hovering in the lower 30s throughout the game.

The bitter weather, in addition to cutting down on Miltstead's passing threat, also contributed to the Aggies' two-point safety in the opening period.

TCU Horned Frogs Upset Texas Longhorns, 14-9

By LLOYD LARRABEE
United Press International

AUSTIN (UPI) — Spoiler Texas Christian surged from behind Saturday on a 56-yard scoring sprint by halfback Harry Moreland to drop No. 2 rated Texas from the unbeaten ranks, 14-9.

The upset victory by the power-

laden Horned Frogs broke Texas' nine-game victory string and kept alive Texas Christian's hopes for a Southwest Conference championship and a Cotton Bowl berth against Syracuse New Year's Day.

Texas Christian overcame a 9-0 halftime lead built up by Texas

and registered two second-half touchdowns in freezing weather before 45,000 fans in Memorial Stadium.

Moreland, a 165-pound junior, broke over his own right end, cut back to his left and outraced the Texas secondary to mark up the game-winning score with 7:20 left in the game.

It was all Texas in the first half as the Longhorns tallied a safety and drove 45 yards in eight plays to score on a two-yard plunge by fullback Mike Dowdle.

But the crushing ground offensive of Coach Abe Martin's Horned Frogs, which rolled up 233 yards rushing, took its toll in the last half, and TCU's rock-ribbed defense allowed Texas only one first down in the last two periods.

TCU marched 48 yards, mainly on the bruising runs of Jack Spikes and the jump passing of quarterback Larry Dawson, to score late in the third period. Halfback Marvin Laster ran wide around right end for the last five yards and the score.

But the big one was Moreland's tricky run that broke Texas and gave TCU the hard-fought victory.

Texas got on the scoreboard with 12 seconds left in the first period when guard David Kristynik blocked a punt by TCU back Larry Gerrell and sent the ball bounding into the end zone.

Following Moreland's fourth-quarter scoring run, Texas drove back uptield to near the mid-stripe, but halfback Jack Collins fumbled and TCU tackle Robert Lilly recovered to end the threat.

The loss put Texas' Southwest Conference season mark at 4-1 and TCU's at 3-1.

Army Loses Battle To Sooners, 28-20

By JACK BRANNAN
United Press International

NORMAN, Okla. (UPI) — Oklahoma rose Saturday from the depths of a disappointing season, converting three fumbles and a pass interception into a 28-20 victory over Army.

The victory before 50,000 was Oklahoma's first intersectional triumph this season.

Army, which used its potent passing attack to strike for a touchdown in the first three minutes, could not regroup its aerial forces until the fourth period. It committed costly errors in each quarter.

Although Caldwell passed 42 times, completing 21 for 297 yards, his throws could not counteract a steady Oklahoma ground game and a bruising defense against Army runners. Caldwell's performance set a new school record for the West Pointers on the number of passes and the yardage.

Caldwell passed 11 yards to end Don Usry for a second period touchdown, then connected four times straight to "onesome end" Bill Carpenter and Frank Gibson for 69 yards to set up fullback Al Ruzhats' one-yard touchdown plunge in the final period.

Oklahoma quarterback Bobby Boyd scored in the third, and fourth periods on plunges of nine and one yard after Army fumbled. End Paul Benien had given Oklahoma six points in the second period by pouncing on a fumble in Army's end zone. Davis kicked all four Oklahoma conversions.

Benien's unexpected touchdown came on Army's first play after Wahoo McDaniels' punt rolled dead on the Army seven.

Kirschenebauer came around right end on the play and a jarring tackle by Davis sent the ball rolling into the end zone.

It was Oklahoma's second meeting with Army in history. The Sooners lost 21-7 in 1946 at West Point. It was Oklahoma's fifth victory against three defeats this year.

But Baylor's defense was equally rugged and turned back the Trojans in every period in scoring territory, holding them to Don Zachick's 28-yard field goal as the only score until the fourth quarter.

Even after the Trojans went ahead 17-0, the Bears would not give up, going 73 yards on passes for a touchdown and then running over a two-point conversion.

It took a fumble recovery by tackle Ron Mix to give the Trojans a shot at their first touchdown from the line. After working the ball to the nine, the Trojans got their touchdown on Clark Holden's spurt from there to the goal.

Porks In As SWC Co-Champ, With 17-14 Win Over SMU

DALLAS, Tex. (UPI) — Speedy ripped the SMU defense apart and pulled Arkansas into a 7-7 tie. Then, Lance Alworth and power-running Joe Paul Alberty carried Arkansas to a clinch Southwest Conference co-championship and an almost certain bowl bid Saturday with a 17-14 upset of favored Southern Methodist.

Alworth, a willowy whiz from Brookhaven, Miss., threaded the eyes in Southern Methodist's defense for an amazing 131 yards, a touchdown and an all-important two-point conversion, while junior fullback Alberty bruised his way for 99 yards and the tell-tale touchdown.

They were the big cogs in an Arkansas ground assault that piled up a whopping 400 yards to more than offset the passing magic of SMU's Don Meredith.

Arkansas, beaten only by Mississippi and Texas in nine starts, wound up its conference slate with a 5-1 record and ran do worse than tie for the title in the wake of pace-setting Texas' upset by Texas Christian at Austin Saturday.

Should Arkansas and Texas Christian deadlock for the title, the Razorbacks would return here New Year's Day to play Syracuse in the Cotton Bowl. But, if the tie is with Texas, then the latter club would get the nod because it has the better record.

The Razorbacks, playing without running ace Jim Moody, didn't seem to miss him a whit.

Groom Tigers Win 1-B-Crown; Will Host Happy In Bi-District

CLAUDE (Sp) — The Groom to roll dead, as several Claude players gathered around. The Mustangs, satisfied the ball was dead, began walking away, before the whistle blew. Jimmy Hudson of Groom picked up the ball and sped 40 yards down the sidelines for a touchdown. Robert Reed ran the conversion, to put Groom ahead.

Jerry Dorsey of the Tigers intercepted a Claude pass in the fourth quarter at the Mustang 30, and ran it back to the 13. From there, he raced 12 yards for the final Groom touchdown. Reed again ran the extra point.

Groom held a slight edge in the statistics, making nine first downs to eight for Claude, and outgaining Claude on the ground, 159 to 127. However, Claude held a 47 yards to 34 yards advantage in passing.

Monterey, Sandies Tied In 3-4A Race

The Monterey Plainsmen and the Amarillo Sandies are tied for the District 3-4A lead, after wins Friday by both squads. Both Amarillo and Monterey are 4-1-1 in district play.

Amarillo breezed to an easy 40-8 triumph over Lubbock, while Monterey knocked the Tascosa Rebels out of the lead, 28-27. Monterey won when Tascosa scored with 18 seconds left in the game, then tried for a two-point conversion and missed.

This was the fourth one-point victory for the Plainsmen this season, and their third in district play. They have defeated Midland 7-6, Pampa 7-6, Borger 22-21, and Tascosa 28-27.

Tascosa and Borger are now tied for third place, with 4-2 records.

Lefors Tops Panhandle

LEFORS — The Lefors Pirates escaped the District 2-A cellar here Friday night, as they blanked the Panhandle Panthers, 6-0.

The win was the first of the year for the Pirates, who closed their season with a 1-8-1 record. In district play, Lefors has a 1-6 record. Panhandle completed its season with an 0-10 record, and was 0-7 in district competition.

Quarterback Mickey Archer sparked the Pirates to victory, as he ran seven yards for the only touchdown of the game in the second quarter.

Lefors center Jerry Carpenter was the defensive star of the game. He stopped a Panther drive late in the fourth quarter by intercepting a pass.

The Pirates threatened to score a second touchdown, with three minutes left in the game, but the final gun sounded with Lefors on the Panhandle 30-yard line.

Bucks Whip Memphis To End Season

WHITE DEER (Sp1) — The White Deer Bucks completed their season here Friday night with a 22-0 win over the Memphis Cyclones.

The win left the Bucks in second place in District 2-A, with a 5-1 record, a game behind district champion McLean. The Bucks have an 8-2 season record. Memphis finished with a 2-8 season mark, and a 2-4 loop record (fifth place).

Memphis made the only threat of a scoreless first half. The Cyclones recovered a fumble on the Buck 15-yard line, and moved the ball to the 3-yard line before being held for downs by the stubborn White Deer line.

Coley Huffman's Bucks, despite the cold weather, finally started rolling in the third quarter. Dickie Hanna, Buck quarterback, engineered a 65-yard drive and carried the ball across himself on a 4-yard plunge. Jackie Burns ran the conversion, and the Bucks led 8-0 going into the third quarter.

In the early part of the quarter, White Deer started another long march. This time, they drove 63 yards, from their own 37. Burns went across from the 2-yard line, and again ran the conversion.

Later in the quarter, Tommy Lester made the longest run of the night, as he scampered 30 yards for the final White Deer touchdown. This time, the conversion was a no-good.

White Deer had a big edge in the statistics, with 12 first downs to seven for Memphis, and 242 yards gained to 124 for Memphis.

McLean Defeats Clarendon, 28-20

CLARENDON — The District 2-A champion McLean Tigers warmed up for this Friday's bi-district clash with Stinnett, at Pampa, by whipping Clarendon's Bronchos here Friday night 28-20.

The Tigers finished their regular season with an 8-2 season mark and a 6-0 district record. The loss dropped Clarendon into fourth place in the district, with a 3-3 record. The Bronchos are 4-6 for the year.

McLean had to come from two touchdowns behind to gain its victory, as Clarendon took a 14-0 half-time lead. The Bronchos scored twice in the second quarter, once on a 30-yard pass from Neal Carter to Phillip Able, and once on an 85-yard run through the line by Dewey Wilson. Jim Robertson ran the conversion after the first touchdown.

The Tigers evened the score with

two third-quarter touchdowns, one by Davy Crockett on a 1-yard plunge and one on a 20-yard pass from quarterback Kenny Willingham to end Donnie Wood. Crockett ran the conversion after the second touchdown.

The Tigers grabbed the lead in the fourth quarter, as Crockett scampered 48 yards for a touchdown, then ran the conversion. Clarendon cut the McLean lead to two points moments later, when Don Hudgins plunged five yards for a touchdown.

However, the Bronchos missed the extra point try, and Crockett sealed their doom with only minutes left in the game, by galloping 10 yards for an insurance touchdown.

First Loss For Eagles

Tulsa Upsets North Texas

TULSA, Okla. (UPI)—Charging like a herd of wild buffalo, the University of Tulsa's fired-up line stopped cold the vaunted offense of North Texas State Saturday and turned in a major upset over the Eagles, 17-6.

The hard-charging Hurricane knocked North Texas from the unbeaten ranks and ruined the Eagles' chance of sole possession of the Missouri Valley Conference championship.

At the same time, Tulsa put itself in position to share the title with NTS and Houston if it wins over Wichita on Thanksgiving Day.

Inspired line play by Tulsa was accompanied by a sensational 45-yard field goal by halfback Jack Kreider, who in his first and only collegiate kick broke a school record set long ago in 1941.

Tulsa's aggressive line play kept the powerful Eagle offense off balance all through the game and instead of making their usual 219.9 yards rushing per game, the Eagles were limited to a paltry 69 yards.

Running wizard Abner Haynes and Vernon Cole were stymied completely, except midway in the fourth quarter when Haynes took

a long throw from reserve quarterback Robert Duty and galloped for the Eagles' lone touchdown.

Cold weather limited the Skelly Stadium "game of the year" crowd to 8,872.

Hard charging and expert quarterbacking by Tulsa's Jerry Keeling inspired the Tulsons to strike almost immediately in the first quarter.

The Hurricane, starting on its own 26, swept upfield in long spurts to score in 10 plays. Reserve fullback David White did the honors by going over from the one. Bob West added both Tulsa extra points.

Tag Team Rematch Set Here Monday

A repeat of one of the best wrestling matches ever held here is scheduled Monday night at the Top o' Texas Sportsman's Club, on Lefors Highway.

One of the biggest wrestling crowds in Pampa's history watched Dory Funk and Bob Geigel battle Ivan Zdanoff and Ripper Leone last week, in a tag team match. They liked what they saw, so they'll be treated to more of the same this week.

This match may be an all-time classic for the Pampa ring. Funk and Geigel are perhaps the most popular pair of wrestlers ever to appear here as a team. On the other hand, it would be hard to imagine a pair more widely disliked than Leone and Zdanoff.

Zdanoff is a Russian, which is enough to put two strikes against him to start with. He is also a Russian who uses questionable wrestling tactics, which gives him three strikes, as far as the fans are concerned.

Leone, an Italian, has no particular national or political prejudice against him — but he does enough in the ring to make up for it. His tactics are, if anything, worse than Zdanoff's. The good relations between Italy and American certainly can't be credited to "The Ripper."

Bob Orton, one of the biggest wrestlers in the area, will be a semifinalist on Monday's card. He'll be battling a newcomer, Apdan Kaisy. Orton, known as Bob Bob, scales well over 250 pounds, and has a reputation to match his size.

In the opening event, which begins at 8:30 p.m., Geigel takes on Zdanoff in a one-fall match, with a 20-minute time limit.

Tickets to Monday's matches, sponsored by Pampa Shrine Club, are on sale at Levine's Department Store. Prices are \$1.50 for ringside seats, \$1.25 for reserved seats, and \$1.00 for general admission.

WELLINGTON — The District 5-AA champion Quanah Indians put a little icing on the cake here Friday night, by knocking the Wellington Skyrockets out of orbit, 38-8.

Quanah finished its regular season with an 8-2 record, including a perfect 4-0 mark in district play. Next stop for the Indians will be a bi-district game with the defending state champion Stamford team — undefeated so far this year.

Texline Victorious

Follett — The Texline Tornados breezed past Follett here Friday night, 32-0, to grab fourth place in District 2-B.

Texline finished with a 3-7 season record, and a 2-3 district mark. Follett completed its season with an 0-10 record, and an 0-5 district mark.

CARACAS, Venezuela (UPI) — Pitcher Ramon Monzant has mailed a signed contract calling for about \$11,000 back to the San Francisco Giants. Monzant, sidelined this year by a sore arm, is helping his recovery by pitching in the winter league.

Perryton Rangers Romp Over Irish

PERRYTON — The Perryton Rangers clinched second place in District 5-AA here Friday night, by whipping the Shamrock Irish, 28-6.

The Rangers ended the season with a 2-7 record, and a 3-1 district mark. Their only loss in district play was to district champion Quanah, 12-0.

Shamrock finished in a three-way tie for third place in district competition, along with Wellington and Childress. All have 1-3 loop records. Shamrock's season mark is 3-6-1.

Tom Ellzey led the attack for the Rangers, scoring touchdowns in the first quarter, on a 17-yard plunge, and in the third quarter, on a 28-yard run. Rick Shaffer raced 62 yards in the second period for another Perryton touchdown. Shaffer ran one two-point conversion, and end Mike Bryant accounted for another.

Halfback Joe Thompson raced 61 yards for the Rangers' final touchdown, in the fourth quarter; then Shamrock marched to 11-0 only score of the game. With only 37 seconds remaining, Jesse Campbell powered his way across the goal stripe, then ran the conversion.

Score by Quarters:
Perryton 8 8 8 6 = 28
Shamrock 0 0 0 6 = 6

Wheeler Nips Darrouzett By 12 to 9

DARROUZETT — The Wheeler Mustangs held on to third place in District 1-B here Friday night, by downing the Darrouzett Longhorns in a come-from-behind 12-9 victory.

Wheeler completed its season with a 5-5 season mark and a 3-2 district record. Darrouzett finished its season with a 1-9 record, and a 1-4 mark in district play.

The lead changed hands four times Friday, as a sparse crowd of shivering fans watched the action.

The Longhorns took the lead in the first quarter when Jesse File booted a 20-yard field goal. Wheeler came back in the second period to take a 6-3 lead, as Marvin Cox scampered 10 yards for a touchdown.

Darrouzett regained the lead in the third quarter, on Stanley Balch's touchdown run. However, the Mustangs went ahead to stay in the fourth quarter when Jimmy Altonen galloped for a touchdown.

Score by Quarters:
Wheeler 0 0 6 6 = 12
Darrouzett 3 0 0 0 = 9

Red Griggs ★ the pipeline

It's doubtful if any town in the United States will play two better football games, on two successive days, than Pampa this weekend.

Friday night, Harvester Park will be the scene of one of the top schoolboy games in the state—McLean vs. Stinnett. McLean is the surprise team of the Panhandle, and perhaps of the state. Stinnett, before Friday, was ranked the top class A team in the state.

As a team, Stinnett will be the big attraction, but McLean will have the big individual star—David Crockett. The fabulous fullback has made at least half of his team's yardage, and has done more than half of McLean's scoring.

Saturday afternoon Pampa, one of 34A's best defensive teams—meets the district's top offensive squad, Borger. The Bulldogs have made 2,082 yards in district play. Their nearest competitor, Monterey, has made only 1,593.

Ordinarily, two teams as good as Borger and Pampa could be playing for the district championship, but 34A certainly no ordinary district. Borger and Pampa may be the fourth-place and fifth-place teams in this district, but when they meet Saturday, you can bet that the game will match any championship contest in the state.

Plainview Game The Best?

The Harvesters have played one of the best games of the year, but Friday's game at Plainview certainly wasn't that one. If there was ever any doubt about their ability to play "clutch" football, those doubts should be gone now.

Pampa's 72-yard touchdown drive in the fourth quarter, under the guidance of two different quarterbacks, was a magnificent bit of football playing. Even hanging on to the ball without fumbling 19 plays, in 18-degree weather, was quite an accomplishment.

The Harvesters made so many clutch plays, on third and fourth downs during the last quarter, that it's hard to even count them all. Buddy Rawls did an especially impressive clutch job for the Harvesters, in guiding them to their touchdown and field goal. Bobby Stephens, the other Pampa quarterback, also came through when counted, when he kept the touchdown drive going by letting a third down pass to Russ Strickland.

Speaking of Strickland, that crappy little junior halfback stepped right into Mert Cooper's big shoes. Besides being Pampa's leading ground gainer, he caught two important passes and did some fine blocking.

Terry Harston and Dwan Urbanczyk, who have been Pampa's best short-yardage men all year, really proved their worth by getting that needed yard several times on third or fourth down.

Pampa's defense, against the hard-to-defend single wing and double-wing formations, was almost flawless. The entire defensive team played well. Plainview didn't get a sustained drive going all night.

Overall, it's hard to find any fault whatever with the Harvesters' performance. Considering the weather conditions, this may have been a better game than even their performances against Monterey and Amarillo.

The Harvesters certainly can't rest on their laurels this week, though. They'll need to play at least as well as they did Friday to beat the always tough Borger Bulldogs.

Can McLean Beat Stinnett?

While Pampa may have played the best game Friday, Stinnett certainly didn't. The Rattlers were routed by a 14-6 upset at the hands of the Spearman Lynx. This was the first loss of the year for Stinnett, which had been favored to win the class A state championship.

Stinnett was lucky to even reach the bi-district playoffs. Spearman's win over the Rattlers threw the A race into a three-way tie between Stinnett, Gruver, and Spearman. Only the toss of a coin sent Stinnett against McLean in the bi-district game.

Stinnett's poor showing against Spearman should boost the hopes of the McLean Tigers. Rattler Coach Don Light admits that the Spearman loss will probably hurt team morale. Stinnett's defense is supposed to be among the best in the state, but Light declared that "anyone who saw that game Friday won't think so."

Light doesn't believe he has anyone capable of catching McLean's Davy Crockett, if he ever breaks into the clear—and Crockett has broken into the clear many times this season.

McLean Coach Clifford Bradshaw, who was in Pampa Saturday to help work out the agreement for the bi-district game, thinks Stinnett has the best chance of winning Friday's game—but he isn't conceding them anything.

Asked how his team, one of the lightest, most inexperienced teams in the district, has managed to get this far, he replied, "I don't really know myself, except that these boys work harder and have more desire than any team I've seen, in my 10 years of coaching. When they get the idea that they're not going to be beaten, they usually win, no matter who they're playing."

McLean may just get the idea that Stinnett, number one team or not, isn't going to beat them. And if they do, the Rattlers are going to be in for a long, tough Friday night.

Penn Over Columbia

NEW YORK (UPI)—Pennsylvania, sparked by quarterback George Koval and three other hard running backs, drove to the threshold of their first Ivy League championship Saturday by beating Columbia, 24-6, in a rough and muddy game at Baker Field.

The Quakers, with a 5-1-0 record in league play, need only to win their final game against Cornell on Thanksgiving Day to clinch the title.

Ole Miss Wallops Tennessee, 37-7

By JOE McDAVID
United Press International

MEMPHIS, Tenn. (UPI)—Mississippi humbled giant-killer Tennessee 37-7 Saturday to become a leading contender for a major bowl bid.

Quarterback Jake Gibbs scored two more and fullback Charlie Flowers, Mississippi's All-American candidate, ripped Tennessee's line to shreds to power the seventh-ranked Rebels over Tennessee.

The capacity crowd of 34,512 frozen fans included representatives from five bowls—the Sugar, Orange, Gator, Cotton, and Bluebonnet. Mississippi, beaten only by LSU in virtually assured a New Year's date.

Tennessee, which had upset LSU and Auburn, was stopped cold by "Brewer's Bruisers," Mississippi's defensive unit. Tennessee's only score came in typical Vol fashion, tailback Glenn Glass racing seven yards into the end zone after Lebron Shields blocked an Ole Miss quick-kick and Mike LaSorsa fell on it at the seven.

Cotton Letner converted and that was about it for the 10th ranked Orange ogres.

Gibbs scored his touchdown in the fourth period, running it over from the 14 to cap an 84-yard drive. Gibbs had hit Bobby Crescino in the end zone with a pass just before his run, but it was called back by a penalty.

Gibbs also passed, this time to Dewey Partridge in the third period and eight yards to Jerry Daniels in the final period.

Flowers got Mississippi its first touchdown, plunging over from the one with four minutes, "nine

Syracuse Routs Colgate, 71-0

SYRACUSE, N. Y. (UPI)—Syracuse, the nation's No. 1 college football team, humiliated hapless Colgate 71-0 Saturday and then announced that it had accepted a bid to play in the Cotton Bowl on New Year's Day.

The undefeated Orangemen took advantage of numerous mistakes by their upstate neighbors and scored on well-executed long plays as Colgate went down to its worst defeat in 69 years of football.

Eight Syracuse players chipped in with touchdowns in the romp. Ger Schwedes, German-born halfback from Whitehouse, N. J., accounted for two scores on a 20-yard pass play and a three-yard run. Tom Gilburg, a junior end, caught scoring passes of 24 and 11 yards.

But no individual could claim the major share of credit for the drubbing Syracuse handed Colgate in its 60th meeting although sophomore quarterback Dave Sarette threw three touchdown passes.

The Orange scored 30 points in the first quarter, a record in their series and 15 more in the second. The high-scoring clip eased in the second half, which was played under lights when rain caused darkness took a toll on the Orange scoring machinery and the 31,000 fans in Archbold Stadium.

Techsans Blank Houston, 27-0

LUBBOCK, Tex. (UPI)—Glenn Amerson, second string quarterback, came off the bench to personally direct Texas Tech to four touchdowns as the underdog Red Raiders thrilled a homecoming crowd of 20,000 with a 27-0 victory over Houston's Cougars Saturday afternoon.

Amerson scored the first and last touchdowns and passed for two others in between as the Raiders recorded their first shutout victory since 1933. Tech now has won four games and handed Houston its sixth loss.

The game was a complete reversal of the form chart. The Raiders, known for their passing, gained only 84 yards through the air to 156 yards for Houston, but rolled up 187 yards on the ground and held the Cougars to 88.

Alabama Field Goal Defeats Favored Georgia Tech, 9-7

BIRMINGHAM, Ala. (UPI)—Alabama kicking specialist Fred Sington boomed a 43-yard field goal with the wind Saturday for a breathtaking victory over Georgia Tech before more than 43,000 fans.

The Southeastern Conference win boosted the Crimson Tide's bowl hopes and all but wiped out Georgia Tech's chances of post season gold. Alabama now has a 5-1-2 record while the Engineers have lost three.

The wind, which reached 23 miles an hour, and two fumbles figured in all the scoring. Georgia Tech quarterback Marvin Tibbets went the last two yards of a 27-yard drive after an opening kick-off fumble, while scabbard Marlin Dyeas romped 16-for Alabama's touchdown after a fumbled punt gave the Tide the ball on its own 49.

Alabama's tough line, troubled in the first half by Tech pichtouches which ripped the tackles and ends, came up with the right combination after intermission to kill the Engineer offense.

Two key interceptions, one by center Jim Blevins on his own 35 and another by Duff Morrison on the Alabama 40, stymied Tech efforts to come from behind in the second half.

Georgia Tech, going down to defeat before Alabama for the second year in a row, started out as if it intended to make a runaway of the game.

Alabama's Gary O'Steen fumbled the kickoff on his own 27 and Tech's Tax Anderson fell on the ball on the tide's 27. In six plays Georgia Tech scored and Tommy Wells converted.

Georgia Bulldogs Upset Auburn Plainsmen, 14-13

ATHENS, Ga. (UPI)—Underdog Georgia upset Auburn 14-13 and won the Southeastern Conference championship Saturday on a 13-yard rifle pass from Francis Tarkenton to end Bill Herron for a touchdown in the last 30 seconds of play.

He completed passes for 16 and nine yards to fullback Don Sober. Then, after two passes missed, hit Herron alone in the end zone. Pennington calmly kicked the point that won the game and gave the Bulldogs their first conference title since 1948. It was Georgia's first win over Auburn since 1952. An overflow crowd of 50,000 went wild.

Something - For - Nothing Hucksters Find Slim Pickings Around Pampa

RACKETEERS BEWARE - Two of the men guiding the work of the Pampa Solicitors Board of Review are Aubrey Jones, left, and Chamber of Commerce Manager E. O. 'Red' Wedgeworth. It is estimated that at least one dishonest solicitor a week is ushered out of Pampa by the board.

By MARVIN OLSEN Daily News Staff Writer
Solicitors, door-to-door salesmen and hucksters of every type and description have in the past decade found Pampa a rather difficult city to ply their various, often unscrupulous trades.

Johnson Hits 'Pay Up Drive' Launched By Government

SNYDER, Tex. (UPI) — Sen. Lyndon B. Johnson sharply criticized President Eisenhower's foreign aid program Thursday night and castigated Ike for vetoing the federal aid program for college students. "It's a poor leader who takes care of everybody but his own," Johnson said, referring to both the student aid program and Ike's foreign aid policies.

The board moves into action whenever a citizen, generally a housewife, asks the board if a certain salesman actually works for a reputable firm and if he is not peddling some entirely bogus product, which may range from uranium stock to home photographs "at a bargain."

HORRORS! LOS ANGELES (UPI) — Actor Darryl Hickman, 28, and actress Pamela Lincoln, 22, took out a marriage license Thursday and said they would be married Nov. 28.

According to Jones, oftentimes fly-by-night salesmen reach Pampa under the guise of respectability. One salesman, caught by the long-searching arm of the board, hid behind the cloak of religious respectability. He was a salesman of Bibles who made a point in his sales talk of accusing the reluctant Bible buyer of hedging on his or her religious beliefs.

 ON THIS PROVOCATIVE note... adieu until next week.
 Love, Peg.

Peg O' Pampa

HIS WEEK WE'VE been as busy as a cranberry-merchant
 ed to be what with going to the St. Matthews Episcopal
 Christmas Bazaar on Friday... Beta Sigma Phi's Table Set-
 ting Contest on Saturday... and Behrman's fabulously fash-
 ionable opening the early part of the week... we loved the
 temporary decor in the store created by Blanche Anglund,
 interior decorator in Argarillo, who used French Putty high-
 lighted with gold and accented with Winter White, Antique
 Coral, and Peacock Blue... we heard that the distinctive
 chitecture was done by George Short of Short and Boren
 so from the city to the south of us... aren't the dressing
 rooms lovely?... we couldn't possibly pick out a favorite from
 the Trianon Room... Empire Room... Ming Room... La-
 zati Room... or Capri Room... each is distinctively differ-
 ent and lovely... our eyes were taken with the beautifully
 laceful stone coffee-service on the tea cart in the Client's
 lounge, a gift of Jake and Ruth Osborne... and did you
 notice the handsome gold-shell ash tray, another congratu-
 atory gift from Jane and Wiley Reynolds... or the other
 beautiful ash tray gift from Dick and Ruby Hughes?... be-
 hind-the-scenes-hospitality was dispensed graciously by Lulu
 uhn and Frances Cree, who kept the coffee urns brewing
 all the while... spied Lem and Lillian McWright's daughter,
 Janice, at the opening... she flew down from a vacation in
 Wyoming especially for the opening... and weren't the floral
 arrangements, sent by well-wishing friends, that literally filled
 the shoppe simply fabulous?... Ida Ruth Price, Frances
 ree, Jane Reynolds, Betty Ames, Mable Dockery, Ruth Os-
 borne, Betty Ellis, modelling fashions for every hour of the day
 and night, created a high-fashion air with the gorgeous gowns
 that complemented their costumes... Al Metz, we under-
 stand, furnished the beautiful jewelry... and to complete our
 life-filling evening, we went home and dreamed that we
 walked into Behrman's and said, "I'll take a dozen of these
 one of those... six of this... and, oh, maybe about
 four of that."

COMINGS AND GOINGS... the many, many friends of Mae
 Brennan Carr are sorry that she is leaving Pampa to make
 her home in Phoenix, Arizona, near her daughter and husband,
 Margaret and Jack Bertolini... during Mrs. Carr's 29 years'
 residence here, score after score of beautiful music has flowed
 from her talented fingers and from the fingers of students
 she has trained... the bright-spot in the picture is that she
 will be living only three doors from her daughter's home.
 But, "Mrs. Music," as she is affectionately called by her
 friends, will leave a Big Spot vacant in her hometown.
 For way just awhile on vacation in the Hawaiian Islands are
 Earl and Helen Clayton, who embarked Friday from Los
 Angeles for a look-see at our new state... and busy assem-
 bling wardrobes and packing their luggage for a four-day
 stay at the Statler-Hilton Hotel in Dallas are Georgia Mack-
 aye Elder, Per Stubbe, Thelma Darnell, Jean Macartney,
 Dorothy Strickland, Betty Gage and Doris Haynes, who will
 be attending the PTA state convention in the mother-city of
 the organization, Dallas... also packing bags will be Mr.
 and Mrs. E. A. McLennan, Mrs. C. R. Howard, Mrs. Jack
 Nichols, Mrs. Sam Begert, Mrs. B. R. Nuckols... for their
 husbands who will be going along, too... they plan to leave
 Tuesday morn at 5 a.m. by bus... Katy Key, PTA City
 council president, is going down this weekend with a couple
 of friends, Sandy Williams and Alleith Curry, who plan to
 do some weekend shopping and take in one of the events on
 the Dallas Fall Festival roster which is a tour of the outstand-
 ing homes around Dallas... and a visit to the distinctive
 rank Lloyd Wright Theater Center... speaking of vivacious
 city, she was completely bowled over the other evening when
 a group of friends popped in for a housewarming and brought
 lovely gifts of a Harvester Table and a Flower stand for her
 and Julian's lovely home on Fir

TIP OF OUR PRETTIEST bonnet this week to Sue Foster,
 who was named "Miss Future Teacher" at the Future Teach-
 ers of America district convention held recently in Canyon.
 Sue was selected from a candidate roster of 450 mem-
 bers because of her outstanding scholastic and extra-curricu-
 lar record... she will represent the district at the state
 meeting to be held in Denton in February... we think she
 has the prettiest brown eyes and the most beautiful auburn
 hair we ever saw... Ruth Spearman was at the Knife and
 Fork Dinner this week looking lovely in a perky red hat com-
 plemented with a pretty red scarf... both so complimen-
 tary to her soft brown eyes... our eyes strayed a moment,
 too, from the completely fascinating speaker to the dark-
 lum, furry-type hat Ruth Huff was wearing... making the
 host of the football season Texas-wise are the Joe Gordons,
 the H. O. Darbys, the Art Teeds, and Chris Schneider, all of
 whom had a gala weekend when they went down for the Texas
 University-Baylor game... Icie Harrah is bubbling over with
 enthusiasm for the art course she is taking in Amarillo from
 Kennell, noted Colorado artist... so many pretty autumn
 costumes at the Book Review given Thursday morning in the
 Pampa Country Club by Chris Atkinson, Laura Imel, Irene
 Heagle, Floy Heath and Merle Carmichael... Mrs. J. R.
 Upphen of Borger did the guest reviewing... Jane Rose and
 Alleith Curry began this month with "happy birthdays" which
 were noted with special birthday cakes topped with two
 right candles at a luncheon recently in the Country Club.
 Kathryn Herriman always does this thoughtful remem-
 brance ritual for the birthdays she knows about... if you
 notice as you pass by, you will see that the Coronado Inn has
 set January 18th as their formal opening date.

WE CAME ACROSS a hard-hitting and brutally frank editorial
 this week which appeared in the November issue of Boys
 Ranch Roundup newspaper... the editorial by Cal Farley con-
 tained various quotes from Judge Philip B. Gilliam, nationally-
 known juvenile judge from Denver, Colo... Quoting from
 "Open Letter To A Teenager" by Judge Gilliam, the letter
 contents read "Always we hear the plaintive cry of the teen-
 ager: 'What can we do... Where can we go?'... the answer
 is 'GO HOME!' Hang the storm windows, paint the woodwork,
 rake the leaves, mow the lawn, shovel the walk... Wash the
 car, learn to cook, scrub some floors. Repair the sink, build a
 boat, get a job."
 "Help the minister, priest or rabbi, the Red Cross, the
 Salvation Army. Visit the sick, assist the poor, study your
 lessons. And when you are through, and if not too tired, read
 a book."
 "Your parents do not owe you entertainment. Your city
 or village does not owe you recreational facilities. The world
 does not owe you a living... You owe the world something.
 You owe it your time and energy and your talents so that no
 one will be at war or in poverty or sick or lonely again."
 "In plain, simple words, GROW UP, quit being a cry-
 baby. Get out of your dream world and develop a backbone,
 get a wishbone, and start acting like a man or lady. In Heav-
 en's name, GROW UP and GO HOME!" as Mr. Farley
 included in his editorial "possibly some people will not agree
 with this, but we feel that it certainly deserves consideration
 and serious thought."

ON THIS PROVOCATIVE note... adieu until next week.
 Love, Peg.

 SHAMROCK (Special) — Mrs. Louise Vermillion announces the engagement and approaching marriage of her daughter, Laverne, to Bob Baxter, son of Mr. and Mrs. Robert Baxter of Samnorwood. The wedding is to take place on Dec. 5 in the First Methodist Church with Rev. J. H. Sharp, pastor, officiating. A reception will follow in Fellowship Hall. Miss Vermillion was graduated from Shamrock High School and Draughons Business College in Amarillo. At present, she is employed by Fedway's Department Store, Amarillo. Mr. Baxter was graduated from Samnorwood High School and will receive a degree in January from Texas Technological College in Lubbock.

Wesleyan Guilds In Joint Meeting

Wesleyan Service Guilds of St. Paul and First Methodist Churches held a combined study meeting on Monday evening in St. Paul Methodist Church opening with group singing "In Christ There Is No East Or West" led by Mrs. Bill Hood. Mrs. Irl Smith, president, presided during the business meeting. The interest center was arranged by Mrs. Ben Ogden, who gave as a devotional topic, "Missions Work in the Belgian Congo" and led the group in prayer. Mrs. Inez Clubb contributed to the study with the topic, "The African Woman"; "The African Minister's Wife" was presented for discussion by Mrs. Harold Wright. "Mary and the Black Warriors" was reviewed by Mrs. Evaloe Parkinson. Members attending in addition to those mentioned above were Mrs. E. N. Franklin, Margaret Taylor, Burgin Watkins, J. A. Knox, Malcolm Denson, L. E. Penick, W. B. Fountain, A. B. Turner, Aubrey Jones, J. M. Turner, W. C. Hutchinson, Misses Minnie Allen, Alma Wilson, Ila Pool and Lillian Mullinax. It was announced that the concluding joint meeting of the two Guilds will be held on Nov. 14 in the home of Mrs. Lee Harrah, 2401 Duncan, with the last lesson on Africa led by Miss Clubb.

Vows Said

Mrs. Sarah A. Scott, 804 N. Gray and Charles T. Dick of Courtenay, N.D., announce their marriage. Wedding vows were solemnized in the minister's study of the Central Church of Christ on Nov. 7 with J. M. Gilpatrick as officiant. Following a trip to the Rio Grande Valley and Mexico, Mr. and Mrs. Dick will be at home to friends at 804 N. Gray.

Impressive Service Initiates Members In New Chapter

Alpha Iota Chapter of Kappa Kappa Iota Sorority held its first annual initiation ceremony on Monday evening in Lovett Memorial Library. New members were initiated into the conclave in an impressive ceremony conducted by Mrs. Wendell Altmiller, president, assisted by Mrs. Don Hickman, Bessie Shackelford, J. E. Gunn and Bob Hamilton. Initiates were Mrs. John Hart, Sammy Jackson, Stephen McGrady, Miss Jane Cheune, all of Pampa, and Mrs. Irene Shearer of Miami. Entertainment under the direction of Mrs. Hamilton was presented by the high-school Theatopian members. Miss Sue Green presented a humorous monologue. The troubles of a Swedish couple were depicted by Misses Mary Sturgeon and Marquetta Cargill. Refreshments of coffee and cookies were served by the hostesses, Misses Stella Kier and Geraldine Rumpy. Special guests, members of the

Alaska, Country Of Contrasts, Topic For Twentieth Century Club Meeting

ALASKA: A NEW STAR FOR OLD GLORY was the topic for study of the Twentieth Century Study Club meeting held Tuesday in the home of Mrs. H. R. Thompson, 2234 Charles. Mrs. Robert Sanford, president, called the meeting to order by having Mrs. E. L. Campbell lead members in the flag salute and Club Collect. Mrs. Sanford called for the reports of the committees, after which Mrs. E. L. Campbell described Alaska as a state of striking contrasts. "On one hand are cities of advanced civilization and on the other crude and primitive Gamma Chapter, were Mrs. Espar Cochran, Gene Tatum, Arthur Rankin, Charles Meech, Homer Bowers, Joe DiCostimo, A. R. Noon-caster, C. W. Stowell, Herbert Coker, M. L. Carter, Dan Johnson, and Miss Elizabeth Enns. Alpha Iota members present, other than those previously mentioned, were Mrs. Verle Downey, H. E. Grant Jr., Homer Martin, W. E. Veale and Ray Whisenant.

Jekyll-Hyde Traits In Texans' Life Reviewed At TC Forum Club Meeting

Twentieth Century Forum met Tuesday in the home of Mrs. W. Calvin Jones with the president, Mrs. Joe M. Daniel Jr., presiding. Mrs. Felix Vendrell announced that the next meeting would be the club's annual Guest Day and would be held in her home. Mrs. Arthur Teed introduced the program, which was presented by Mrs. William J. Ellis and Mrs. Frank Kelley. As an annual Texas Day program, Mrs. Ellis and Mrs. Kelley chose the lives of Robert and Harriet Potter to present the group. Mrs. Ellis began by using Ernest C. Shearer's book, "Robert Potter, Remarkable North Carolinian and Texan" to introduce the character. In opening remarks, Mrs. Ellis said "Robert Potter lived when America was young, fresh breezy, raw and close to the soil. A contemporary of Andrew Jackson and Sam Houston, he had many of the characteristics which made them great. Like Houston, he could lie in the gutter and the next day, he could mingle in the

Importance Of College Training Altrusa Topic

Speaking on the need for more girls to attend college, Mrs. Vera Ford, chairman of the Vocational Information committee for the Altrusa Club, cited that in a recent survey, it was shown that 40 percent of boys who graduate from high school attend college, while only 40 percent of the girls attend. Mrs. Ford presented the program for the Altrusa Club at the Monday luncheon held in the Pampa Hotel. Mrs. Ford also stressed the importance of girls having a higher education in the technical age of today. "Schools, colleges and churches are feeling a shortage of trained personnel," she said. "Girls who attend college receive one and one-half times more salary than high school graduates and three times more than those who take a job," she pointed out. Mrs. Ford spoke of the high school girls who have received scholarship awards from the local club, including the Altrusa award and the Inez Carter Altrusa scholarship. She concluded her talk by saying that the scholarship money is "money well-spent" as could be seen by the progress made by girls helped through these funds. Miss Sue Foster, Pampa High School senior and daughter of Mr. and Mrs. Jack P. Foster, was named Altrusa-Girl-of-the-Month for November. The naming of Miss Foster, by the high school student council, as Altrusa Girl brought about the rare occurrence in the club with three generations of Altrusans at the same meeting; her grandmother, Mrs. J. Mrs. Jerry Quarles

Vows Said

Wedding vows were repeated by Miss Toni Floyd, daughter of Mr. and Mrs. Arthur Floyd of Liberal, Kan., and Jerry Quarles, son of Mr. and Mrs. Eugene Quarles, 1008 S. Dwight, on Oct. 23 at 7 p.m. in the home of the bridegroom's parents.

Rev. John Dyers officiated at the single-ring ceremony performed amid a setting of blue and white gladioli.

Given in marriage by her father, the bride wore a white, princess-style dress fashioned with a full skirt, rounded neckline and three-quarter length sleeves. A corsage of blue carnations complemented her dress.

Miss Dorothy Barnes, wearing a blue wool sheath with a white carnation corsage, attended as maid of honor.

Ricky Quarles, bridegroom's brother, was best man.

For her daughter's wedding, Mrs. Floyd chose a blue dress with a corsage of white carnations. The mother of the bridegroom, Mrs. Quarles, wore a gray and white sheath with orange accessories and a white carnation corsage.

A reception was held in the home immediately following the ceremony.

He noted that Pampa has been selected as a pilot school in this field. "The program is in an experimental stage with no results as yet announced," he explained.

However, Mr. Lane indicated his firm belief that the recommendations of the state committee, as being followed in these pilot schools, will prove successful.

In his discussion of the program, he pointed out that emphasis is being made on a 12-year sequence in reading with special emphasis on written composition and language usage.

The next regular meeting will be held Dec. 10 with a program of Christmas carols presented by

Moslem Religion and Customs Depicted At First Christian Sharp Group Meet

A program on Moslem religion and religious customs with exhibits and pictures from India and a film were presented by Mmes. Bob Swanson and John Gill at the Monday evening meeting of the Sharp Group of the First Christian Church held in the educational building with Mmes. Burl Graham Jr. and Bill Ridgeway, hostesses.

Mrs. Swanson stated that Moslem religion of India was started by Mohammed and is the youngest of the world's great religions. She stated there are five levels of Moslem religion: Folk Islam, Conservative Islam, Reformist Society and Secularism.

Mrs. Swanson continued, "There are also five strong points of the religion: awareness of God, belief in the dependence and humility of God, moral standards, readiness of witness and principle of brotherhood." She listed some of the religious customs and showed household utensils, rugs, clothing and pictures of India.

Mrs. Gill presented the film, "The World's Great Religions." Devotional topic, "Prophecies of the Near East" was given by Mrs. L. C. Wassell.

AAUW Planning Dinner Meeting

American Association of University Women will meet Tuesday at 7 p.m., for a dinner meeting in Poole's Restaurant.

The program for the meeting will be "The College Woman — Individual and Citizen," with Mrs. J. E. Myers as moderator. Panel members are Sibyl Turner, Martha Montgomery, Mrs. L. M. Harrah, and Mrs. H. V. Wilks.

Yearbooks will be distributed to all members and the new members will be presented to the Branch.

For reservations for the dinner meeting, call Mohawk 5-5336 by Sunday evening.

If your winter coat is black, plan to have some wool dresses in colors to wear under it. Try fuchsia, royal blue, taupe, red and olive green as contrast to black. Too often, women tend to wear a black dress with a black coat.

Don't waste closet space on left-overs. Anything you haven't worn in more than a year is a left-over. Sell it, give it away or cut it up into pen-wipers. But get it off that hanger where it merely takes up room.

The Sam Houston choir directed by Miss Eloise Lane.

An executive board meeting preceded the general meeting.

Mrs. Walton Bailey, group leader, reminded members to make cookies for the Juliette Fowler Children's Home in Dallas. Members also chose names from Harwood Hall in Dallas to send Christmas gifts.

Mrs. Bailey reported the Christian Women's Fellowship will meet in the church on Wednesday morning at 9:15 a.m. She reminded members that they will be hostess to the Dec. 16 CWF meeting.

Meeting closed with group repetition of the CWF benediction.

Mmes. Graham and Ridgeway presided at the refreshment table which was appointed with a dark cloth centered with an autumn floral arrangement.

Attending were one guest, Mrs. Clayton Meadows and members Mmes. Don Elledge, K. L. Green, C. C. Dunham, E. H. Haner, S. E. Baird, John Gill, C. N. Gage, E. B. Jackson, Charles Beard, D. E. Bohlander, O. H. Odum, L. C. Wassell, Walton Bailey, Bob Swanson, Bill Ridgeway, Burl Graham Jr., Leon Howell, and Charles Lanehart.

Mrs. Bailey announced that the next meeting of the group will be its annual Christmas party and salad supper in the home of Mrs. John Gill, 1613 Hamilton, on Dec. 14 at 7:30 p.m.

B&PW Delegates To Attend Meet

Mrs. Laura Belle Cornelison and Mrs. Helen Knox were named to attend the Business and Professional Women's Club district meeting in Hereford, on Nov. 15-16 at the club's meeting held Tuesday in City Club Room.

Also discussed at the meeting were plans for the club's solicitation for Christmas decorations funds. Cards were distributed to members for the drive, which started Wednesday morning and which will be concluded by Nov. 18.

It was announced that Christmas decorations will be put up on Nov. 29 and the Santa Day Parade is planned for Dec. 1.

Members were asked to please make reservations for the Thanksgiving Banquet with Mrs. Grant Anderson by Nov. 23. The banquet will be held in the City Club Room with guests invited to attend.

DEAR ABBY....

By Abigail Van Buren

DEAR ABBY: I am so fed up with my Beauty Shop I don't know what to do. I would go to another one but the operator I go to is the only one who knows I dye my hair and I can't afford to get her mad at me.

She told a dirty joke and when I did not laugh she asked, "Didn't you get it?" I told her I didn't care to hear that kind of stuff. Then she poured liquid shampoo down my back and said it was an accident.

Another trick she uses is to tell me every few weeks my hair needs a "trimming on the ends." Then she cuts the curl off, and pretty soon she tells me I need another permanent as all the curl is gone. Can you tell me what to do?

FED UP
Dear Fed: Go to another beauty shop. If your ex-operator tells people that you dye your hair — so what? The price you are paying to have your "secret" kept is too high. You are already emotionally overdrawn. The trimming you're getting isn't worth the trimming you're getting.

DEAR ABBY: I have a friend poor soul. She is widowed and lives alone. When I invite her for a 12 o'clock lunch, she comes at 11:00 a.m. If I invite her for 6:00 supper, she will come as early as 4:30 p.m. At this early hour I am usually rushing around doing last-minute things and I can't visit with her. Would it be all right to ask her not to come so early? I wouldn't hurt her feelings for the world.

TIMID
Dear Timid: Don't ask her not to come early. But when she does, sit her down with a newspaper.

BORGER, Mrs. Joe Fischer, Elizabeth Enns, Paul Reimer and Rev. David Mills.

magazine or book and ask her to please entertain herself while you attend to your last-minute chores.

DEAR ABBY: Our son is 14 and we have that "filthy magazine" problem with him. He doesn't buy them himself because we have forbidden it, but he has a boy-friend who comes to visit him and this boy brings a large stack of these nasty magazines. The boys go into my son's room, close the door and read them.

We can't confiscate the magazines because they belong to the other boy. We don't want to impound this trash because it would confer upon it an undeserved importance. What would you advise?

CONCERNED
Dear Concerned: You have a right to ask your son's friend to leave the magazines outside (like muddy overshoes or mangy dogs). If your son has been taught to respect your wishes, he'll not argue. You can prevent your son from reading trash in his own home, but if he is so inclined, he will read it elsewhere. Most health-minded young fellows pass through this stage quickly, with a minimum of difficulty. Don't dwell on it.

CONFIDENTIAL TO ABE? When you help out a man who is in trouble, you can be sure of one thing. He won't forget you — the next time he's in trouble.

What's your problem? For a personal reply, write to ABBY, care of this paper. Enclose a stamped, self-addressed envelope.

Good leather should be cherished. Take care of your handbags, belts and shoes. Best way to do this is to put them into the hands of an expert for cleaning and repairs.

Amusing Skit Given For Travis PTA

William B. Travis PTA held its November meeting in the school cafeteria on Thursday at 2 p.m. Invocation was given by Mrs. E. N. Pierce.

Mrs. M. Z. Silver was panel moderator for an amusing skit copied from the television show, "I've Got A Secret" with Meses. M. B. Smith, C. R. Howard, Gene Barber as panelists.

Wendell Aitmiller, school principal, appeared as the first guest with the secret "the growth of the school enrollment since September. At the beginning of school enrollment was 372; presently, it is 386."

Mrs. J. C. Sheppard, the next guest, had as her secret "the most children in school." She has three in Travis and two in high school. "We've shot some of the students' names the next impossible-to-do and impossible-to-guess secret of Mrs. Odell Strickland."

To conclude the program, Mr. Aitmiller showed movies of the students in various classrooms doing their work.

Mrs. Strickland, president, presided during the business meeting as yearbooks were distributed to members.

Mrs. Kenneth L. Roysse won the door prize, a cake baked by Mrs. J. D. Stoddard.

A tie was announced in the room count for Mrs. R. E. Neef's and Miss Jeanette Turner's rooms.

Friends Entertained During Recent Visit

Mr. and Mrs. H. W. Waters, 1445 N. Russell, were hosts for a social gathering in their home on Tuesday evening honoring Mr. and Mrs. J. R. Eudaley, former Pampans, who are now residing in San Jose, Calif.

Guests attending were Meses. and Meses. John Kelly, W. W. Russell, A. C. Houchin, Dick Carter, Jim Perkins, A. C. Cox, Hugh Layne, Ott Shewmaker; Meses. Jewell Kuehl, Irene Chisholm, Loreta Killingsworth; Messrs. Derrell Coffman and Weldon Steward.

RUTH MILLETT

Memo to men: Don't try to understand a woman — especially if that woman happens to be your wife.

Women don't really want to be understood, they just think they do.

Even if they did want to be understood, no man could really understand 'em.

One reason is that women only speak their minds to other women. When they are talking to a man they are always play acting just a little. After all, they have to try to appear to be everything they think their men want them to be. Don't they? So how can they afford to be themselves?

Another reason is that women on the whole would rather worry with a problem than try to find a quick and easy solution to it.

When a woman tells her troubles to a man she wants to be assured that the man understands what a bad time she is having and thinks she is wonderful. She certainly

doesn't want him to give her a snappy solution that implies she hasn't any real problem at all.

Another thing, women rely to a great extent on their "feelings" about things and on their intuition. When a woman says about another woman, "I don't know why but I just don't trust her," a man's reaction is apt to be "Nonsense." And yet nine times out of 10 the woman's instinctive distrust turns out to be justified by later happenings.

But the biggest reason why men can't understand women remains that women don't want them. Women like to think of themselves as mysterious and deep and puzzling.

The most deflating thing a man could ever say to his wife would be, "Honey, I understand your perfectly. I can read you like a book. Nothing you, ever do surprises me."

Miss Mackie Is Queen Candidate

Miss Janice Harrington, president of Hopkins 4H Club, presided at a recent meeting of the club. Roll call by Miss Janice—Mackie was answered with a suggestion for a Christmas gift. The meeting was held in the 5th grade room of Hopkins School.

For the program, Miss Alby Ann Kuehler demonstrated ideas for making Christmas gifts.

A song session concluded the meeting.

Attending were Meses Linda Shew, Helen Shew, Sue Martin, Wanda Rippetoe, Rebecca Spradlin, Karen Fitch, Peggy Todd, Sylvia Brown, Kay Lovell, Sharon Harrington, Cynthia Cox, Pam Lening, Sharon Mackie, Janice Mackie, Connie Heard, Darlene Martin, Carolyn Todd, Paula Langham, and Judy Garrison.

Unless Women Answer Call, Cat Catastrophe Faces Feline World

WOMAN'S VIEW
By GAY PAULEY
UPI Women's Editor

NEW YORK (UPI) — "The cat's meow stirs the hearts of women everywhere," Robert Loth that Kendell purred.

Unless women answer the call, the nation's 10 million homeless felines face catastrophe, said Kendell, president of the American Feline Society. The AFS wants to eliminate aelourophobia — cat hating.

"Men," said Kendell, "have canines as their best friends, but it's up to women to give them cats—being lap creatures—know it's up to women to give them homes."

His remarks were filled with the gusto reserved for Cat Week International, opening Nov. 1. The society, Kendell said in an interview, serves cats around the world and it's biggest problem is

finding homes for alley cats. He called them "American short-hairs."

Only 4 per cent of the nation's 21 million felines, he said, rate the "fancy" pure-bred label.

Siamese head the list. In the number two and three spots are Persian and Angora—in that order. Cincinnati, Kendell said, is the cattiest town. Cats have edged dogs as the number one pet there, he reported. Small towns, like Elmira, N.Y., he added, also house more cats than dogs.

Addressing himself to the nation's women, Kendell pleaded: "If you don't have a cat for a friend, try one. A cat is almost human."

"We're not fanatical about cats but psychologists have told us cats come pretty close to humans. They like affection, they have facial expressions and — they are moody."

Christmas Party Planned By OES

OES Gavel Club met Thursday evening in the home of Mrs. G. K. Reading, 1200 N. Russell with Mrs. Wilson Hatcher and Mrs. L. H. Musgrave, as assisting hostesses.

Following a covered-dish dinner, Secret Pal gifts were exchanged and games were played.

Mrs. Ethel Stilwell, president, presided during the business meeting, as plans were discussed for the Christmas party to be held in the home of Mrs. Bill Flewelling, 502 N. Russell. Mrs. Ethel Alexander, Mrs. Earl Casey and Mrs. C. F. Pennington will be co-hostesses. Secret Pal's names will be revealed; the gift exchange is not to exceed \$2.50. The party will be held at 7:30 p.m. on Dec. 10, with refreshments served after the party.

The following members were present, Mmes. Rosalie Wedge, Iva A. Head, J. O. Dumas, Bill Flewelling, Oscar Shearer, Ethel Alexander, O. A. Wagner, R. A. Hankhouse, W. R. Morrison, Guy Andis, G. C. Crocker, Earl Casey, W. S. Kiser, I. E. Byars, J. S. Guqua and Roy Sewell.

Fry European Style Peas For Thanksgiving Vegetables

By GAYNOR MADDOX
NEA Food and Markets Editor

That lordly Thanksgiving turkey likes good company. Green peas, with a slightly European accent, make a festive vegetable dish.

GREEN PEAS, EUROPEAN STYLE
(Makes 3 servings)

One 10-ounce package frozen peas, 4 tablespoons butter, 2 tablespoons water, 1/2 teaspoon salt, 1/2 teaspoon sugar, 1 cup, sliced fresh mushrooms (or 2 1/4-ounce can), cup thinly sliced green onions.

Workshop Meet Held By Club

Mrs. Jimmie Allen, 1219 Williston, was hostess to members of the Top of Texas Garden Club on Monday for an all-day Christmas workshop and luncheon in her home.

Following a brief business meeting during which final plans were discussed for the club's entry in Beta Sigma Phi Sorority's Table Setting Contest, members participated in a Christmas Decorations workshop.

Mrs. K. L. Hyman arranged several Christmas decorations which were shown by Dorothy Biddle at a recent scheduled Flower Show held in Amarillo. During the workshop, Mrs. J. A. Knox and Mrs. Jamie Deal worked with mantle arrangements; Mrs. W. L. Stark and Mrs. Fred Hinkley arranged table decorations. Felt cut-outs and appliques were shown by Mrs. L. B. Robertson and Mrs. Raymond Welch.

Other members participating were Mmes. Allen, R. E. Anderson, Marvin Jones, Kenneth Osborn, Tom Patton, and Harold Pitts.

It was announced that the club will meet next with Mrs. Pitts on Nov. 23 at 1 p.m. in her home, 1701 Chestnut.

LEFORS (Sp) — Mrs. David Fulton was honored with a shower in the home of Mrs. L. Steele on Monday night. Hostesses were Meses. Vollicke, Alvin Cates, Raymond Deley, Bob Clemons, Earl Lane, Airington, Walter Pflug, Joseph and Bill Craptree. A rosebud corsage made of white baby socks and net was presented to the honoree. Mrs. Maxine Cates registered as guests. Refreshments of cookies, punch and mints were served informally approximately thirty guests.

**"Neglected Mothers" Remembered
By Thoughtful Fashion Designer**

WOMAN TO WOMAN
By MARY PRIME
United Press International
NEW YORK (UPI)—A former fashion model has started a dress business designed for "neglected mothers."
The new firm, called "Miss Eve," specializes in smart and simple dresses ranging from \$50 to \$125.
"They're for mothers who want to dress nicely but who get neglected with children in school," said Eve Bonsall, 33, of Los Angeles, who is president of the firm and the mother of four children.

**Auxiliary Allows
Gifts For Vets**

American Legion Auxiliary of Kerley-Crossman Unit 334 met in the City Club Room with Mrs. Lee Harrah, president, urging each member to pay 1960 dues. She announced that at the present there are 23 paid-up members as compared to the 72 paid up last year.
Plans were discussed for the Senior Center party which will be given after the first of the year.
Mrs. Roy Hall reported that 18 Kit Kat Klub members had prepared and presented a party for Veterans in the Amarillo Veterans Hospital. The girls reported a wonderful time and were urged by the veterans to return with another party soon.
Auxiliary members allowed \$22.50 for Christmas assessments for Veterans' hospitals; \$25 for gifts for Gift Shop in VA hospital, where veterans may select gifts for families free of charge.
It was announced that the Christmas party will be held in the home of Mrs. Harrah, 2401 Duncan on Dec. 10.
A program on membership was presented by Meses. J. M. Turner, Estelle Wheeler, and J. M. Foster.
Mrs. Hall and Mrs. Shotwell were hostesses during the social hour.

RICHARD DRUG WILL NOT BE UNDERSOLD ON REMINGTON RAZORS

The first collection, designed for next spring, was shown at Mrs. Bonsall's home last month and in New York this week. There will be four collections a year, available in cities across the United States, including Honolulu.
Mrs. Bonsall interrupted the interview to model some dresses, including a French-striped sheath of foulard silk with a white linen coat lined to match the dress; and a double-breasted bone colored silk line sheath.
The tall, slim brunette, who was born in Devil's Lake, N.D., and spent most of her childhood in Chicago, was a model before her marriage to Shull Bonsall, a TV executive, 16 years ago. She had wanted to return to work when her children reached school age because "it makes you more interesting."
However, she did not want a nine-to-five job that would take her away too much from her home and four youngsters.
Last August, Joe Lee, now the firm's general manager and production manager, suggested the idea of a garment business.
"We met at lunch, decided on everything, and Joe went right downtown and opened an office," Mrs. Bonsall explained.
A 28-year-old designer, Larry Chrysler, was chosen to style the line. Mrs. Bonsall coordinates the styles with Chrysler and discusses his sketches "to get a balanced line."

**Mary Martha Class
Has New Officers**

LEFORS (Sp) — New officers were elected for a six month period, at the monthly meeting of the Mary Martha Sunday School class of Baptist church held in the home of Mrs. H. L. Harrington on Monday night.
To serve beginning Jan. 1, 1960, Mrs. Ralph Hix was elected president; Meses. Chestene Dunn, vice president; E. W. Connell, secretary; James Lancaster, social chairman; R. E. McDonald, flower chairman; and Wendell Akin, Albert Stokes, and Bernice Boyer, group captains.
Games were led by Mrs. Lancaster with Mrs. Connell winning the prize. Secret pal gifts were exchanged and the next meeting was decided to be held in the home of Mrs. C. H. Earhart.
Members present were Meses. Ralph Hix, Chestene Dunn, Charles

People who live longest are people whose body weights and blood pressures are below normal on the average. Weight tables, above, are a distillation from a massive, 20-year study representing life-and-death experience of 26 life insurance companies with almost five million policy holders. Actuaries, insurance, statisticians, determined, for example, that men who weighed 20 pounds more than the average for this height and age had to 10 per cent higher death rate. A 25-pound average shot the death rate to 25 per cent above the norm. When the excess reached 50 pounds, the death rate reached from 50 to 75 per cent above the average. As will all averages, figures are conditioned by your own personal physical condition and your own physician's advice should be sought in dealing with your problem.

All-Day Meeting Planned By Club

LEFORS (Spl) — Mrs. David L. McBee was hostess to the Lefors Home Demonstration Club at its regular meeting on Thursday afternoon. Mrs. D. T. Pfeil, recreation chairman, reported on the school she attended near Groom, with Mrs. Jack Prather and Mrs. Lester Reynolds of Pampa. The school taught by Miss Lucille Moore, had sixteen counties represented by forty club women. "How To Be A Leader" was stressed in the school, the contents of which will be given to all clubs in the county, after the first of 1960.

Mrs. Charles Roberts was elected vice president of the club, to fill the office vacated by Mrs. J. D. Smithee, deceased.

December 11 was set for an all-day meeting in the home of Mrs. B. D. Vaughn for plastic flower-making, covering shoes, Xmas party and installation of new officers. An exchange program was held in which members exchanged ideas for gifts, etc.

Present was one guest, Mrs. Mabel Van Landingham, and the following members: Meses. R. W. Beck, O. O. Bishop, R. H. Bradford, W. C. Chowins, B. J. Diehl, James Gatlin, B. J. Leininger, David L. McBee, D. T. Pfeil, Charles Roberts, B. J. Thacker, and B. D. Vaughn.

Miss Halley Leads Auxiliary Program

LEFORS (Spl) — Intermediate Girl's Auxiliary met in the home of Mrs. Luther Berry on Monday afternoon. In the meeting conducted by Miss Amy Earhart, president, the song, "The Great Physician," was sung by the group. Roll call was given by Miss Shirena Cable and prayer calendar was read by Miss Phyllis Lamb. Sentence prayers were said by each in the group for missionaries. Each girl was given something to bring for the

community mission project for November.

"Land of Heartbreak," the program, was conducted by Miss Doris Halley. Those on the program were Misses Angela Atchley, Oweda Jernigan, Shirena Cable, Amy Earhart, Phyllis Lamb and Mrs. Berry. The medical theme was used by Miss Halley, with each one taking part wearing a small nurse cap. The songs, "Since Jesus-Came-Into-My-Heart" and "Speak to my Heart," were sung by the group. Closing prayer was led by Miss Cable.

Nurse Shortage Topic For Club

LEFORS (Spl) — The Lefors Art and Civic Club met Tuesday night in the civic center, for a program, "Nurses Training School in Texas."

Guest speaker of the evening was Mrs. Beverly Russell, superintendent of nurses from Highland General Hospital. Accompanying her were Mrs. Jimmy Bowers, R.N., Mrs. Cool Griffith, and Mrs. Guy Hedrick.

Describing the three types of nurses, registered, licensed vocational and practical, Mrs. Russell stated there is definitely a shortage of registered nurses, as well as other types due to under par salaries, the five day week, and the taking up of other vocations after having received nurses training.

"Nurses, however, of today are much more advanced and better equipped with knowledge than several years ago, the difference being comparable to the jet and bug-

gy. Between the years of 1946 and 1956, the hospitals in the state have increased fourteen percent, bed space increased twenty percent, and admissions have increased of fifty-one percent."

Mrs. Russell concluded her address with the thought on the shortage of nurses, and encouraged all club women to do all possible in relieving the situation.

Mrs. Floyd Hines, hostess, served pecan pie and coffee as refreshments. One new member was welcomed, Mrs. Alex Swenn. Members present were Meses. Earl Atson, Ray Boyd, Ray Chastain, I. Cumberledge, Keith Geisler, C. Hall, Floyd Hines, Bill McBrill, Ted, Pan Waldon, A. L. Swenn, and Miss Mickey Sue Johnson.

For windy, rainy days, those umbrellas that can be opened and closed with one hand are handy. They come in black, red, navy, brown nylon with matching cover. Those large satin clutch bags evening now come with a silver beaded initial.

The Oil Outlook

By MARVIN OLSEN

The first issue of Petroleum Today, a new quarterly publication of the American Petroleum Institute, is now off the presses.

The 34-page magazine, in the words of its publishers, "is designed to acquaint readers with petroleum's achievements and its problems in supplying the basic source of energy that provide the people of American with mobility, convenience and well-being."

The magazine is liberally spiced with good photography and interesting stories connected with the oil industry.

A New Discovery

Apache Oil of Minneapolis has made "an apparent new zone gas discovery in the Bradford Pool in Lipscomb county." Chairman of Board Truman Anderson announced Friday.

Apache's No. 1 Bradford E. survey, on a drill stem test of the Douglas sand from 5,989 to 6,002 feet, recovered gas to surface immediately. Gas gauged 1,610,000 cubic feet in 70 minutes before the pool was shut in.

Something New

Dow Chemical Co. of Tulsa is putting "something new" on the market in "oil hats" for oil field service jobs.

The hat holds a two-way radio unit not much larger than a pack of cigarettes. An important feature, Dowell claims, is a sound cancelling microphone which makes it possible to transmit voice effectively when the surrounding noise level is unusually high. A photo of this unique headgear will be published next Sunday.

Under Construction

Phillips Petroleum is starting construction on a natural gas plant southeast of Artesia, N.M. to be known as the Artesia Plant. Completion is scheduled for the fall of 1960.

The plant will process natural gas from the Atoka, Dayton Abo, Empire Abo, E. Millman, Artesia and Red Lake fields. Natural gas liquids recovery capacity will be about 100,000 gallons per day.

Liquids will be transported by pipeline to Phillips processing centers near Borger and at Sweeny, south of Houston.

Big Acquisition

Producing Properties Inc. of Dallas, announced Saturday it has acquired several properties in Texas and California for a total consideration of \$1,460,000.

The "most important purchase" was a fullworking interest in 8 wells located on a 400-acre lease in the Reeves-San-Andres field of Yoakum county. The 8 interests alone cost Producing Properties \$1.2 million.

Dividends at K-M

Kerr-McGee announced Saturday it will pay 28 1/2 cents per share dividend on "preferred" convertible preferred stock to stockholders of record Dec. 31, 1959. Common stockholders will be paid 20 cents a share on stocks of record Jan. 4, 1960.

TO GET AWARD

NEW YORK (UPI)—Dr. James R. Killian, former scientific adviser to President Eisenhower and chairman of the corporation of the Massachusetts Institute of Technology, will receive the Distinguished Achievement Gold Medal of the Holland Society of New York tonight.

HUMBLE'S NEW PRODUCTION OFFICE — Humble Oil and Refining Co. in Pampa began moving into its new "\$100,000 plus" production department building Saturday. Assistant Superintendent Fred Van Shoubruek said 14 permanent employees will be based in

the new building beginning Monday. Work on the Humble building, located on Gwendolen St. near Nelson, began in April. One of the features is that its foundation, set on piers, will not shift with various earth movements. (Daily News Photo)

5 Deep Intentions, 20 Completions Reported By Railroad Commission

Five of the 31 intentions to drill filed the past with the Pampa office of the Texas Railroad Commission were for depths of 7,000 feet or more. The deepest planned is again in Lipscomb county where the King No. 1 will be drilled to 11,400 feet rather than the 7,000 feet originally planned.

Also reported were 20 well completions — one in Gray county by the Cree Oil Co. — and four plugged holes. The commission's report follows:

Efficient Oils Turn Telescope

NEW YORK — It takes less power to turn the huge million-pound Hale telescope at Mount Palomar observatory in California than it does to twist a door handle.

Such is the efficiency of modern hydraulic oil fluids and lubricants that the ponderous instrument and the dome that covers it can turn smoothly with only the power to a little 1 1/2-horsepower motor. The telescope and the dome virtually float on pools of lubricating oil.

According to Petroleum Today, new publication of the American Petroleum Institute, this is just one example of the way scientifically developed lubricants help run modern machinery.

The publication said many of today's machines could not operate on lubricating oils that were considered wonderful in the 1930s.

In the 30s, for example, paper for household tissues rolled off a machine at 1,000 feet a minute. Today, according to the publication, a newly developed oil lubricant helps a similar machine turn out a mile of paper a minute.

Petroleum Today points out that nearly all labor performed in the United States is done by machines which depend upon petroleum for lubrication.

Even tricycles, baby carriages and wheelbarrows squeak, rust, push hard and wear out if not properly oiled, the publication adds.

FIRST COME, FIRST SERVED — Mayor Ed Myatt, left, was first in line for tickets to the Dec. 5 Annual Election of Officers banquet of the American Petroleum Institute, Panhandle chapter. Selling the mayor a ticket to the Borger banquet is Martin Ludeman, API secretary-treasurer. Ludeman Saturday urged members to "get their tickets early" from any API member. (Daily News Photo)

Melvin Munn To Speak At Annual API Banquet

Melvin Munn of Pampa will be guest speaker at the annual API Election of Officers banquet Dec. 5 in Borger, it was announced Saturday by Secretary-treasurer Martin Ludeman. The annual banquet — tickets are \$5 apiece — will be held in the Sunavista Cafeteria, Borger, a social hour begins at 7 p.m. Tickets to the affair were mailed the past week to API members; Max Bolick, second vice-chairman; and Joe Kenworthy, third vice-chairman.

DRY CLOTHES ANYTIME... Electrically!

You can dry clothes around the clock and get around the weather when you have an electric clothes dryer. Electric clothes dryers are your best buy. They cost less to own, less to install, less to maintain. You save dollars instead of pennies — and that makes sense.
