Teen Violence Grows Worse

Puerto Rican, Negro Youths In Outbursts

By FREDERICK M. WINSHIP
United Press International

NEW YORK (UPI) — A group of Negro - teenagers raped a white woman in a gang-ridden neighborhood of Brooklyn today shortly after a band of Puerto Rican youths threatened to shoot up a firehouse there, police reported.

The latest outbursts of violence occurred in the Fort Greene section, a predominantly Negro and Puerto Rican slum area. They came as hard - pressed city officials sought aid in Albany and Washington for their seemingly hopeless battle against juvenile terrorism.

Police said three of four Negro youths accosted a white woman early today as she emerged from a Brooklyn subway station at Washington and Lafayette streets and dragged her into a car. They said she was taken to a vacant house where she was beaten, raped and robbed of \$30.

Police arrested three Negro teenagers for questioning about the attack shortly after the woman reported it to police. Officers said they believed she had wandered the streets for several hours in a daze.

Shortly before, police arrested six Puerto Rican youths in the same precinct in connection with a daring invasion of a firehouse. They were reported to have chased an intended victim, a 13-year-old boy, into the firehouse but were stopped by several firemen.

The gang, known as the Mau-Maus, threatened the firemen with clubs and promised to come back with a gun.

Police Commissioner Stephen P. Kennedy frankly admitted that he can see "no reversal" in the steady rise in juvenile delinquency and crime unless the hand of law enforcement agencies is considerably strengthened.

To accomplish this, Mayor Robert F. Wagner and the city's district attorneys have drawn up a legislative program calling for drastic revision of state and federal laws covering interstate shipment, sale, and possession of weapons, including switchblade knives, stilettos and sports starter pistols favored by teen-age warblers.

Wagner and his aides also will see that the program is carried out.

'OPTIMIST' BREAKFAST CLUB OFFICERS.

Pampa's newest civic club—the Optimist Breakfast Club—was officially chartered and elected its first officers and directors Thursday night. Pictured above from left to right, ready to begin work as officers of

the new 38-member club are L. W. (Ham) Hamilton, vice-president; Kendall Green with gavel, president; Clifford Hill, vice president; and Vincent Simon, secretary treasurer.

MORNING OPTIMIST CLUB SET WITH 38

Kendall Green Is Elected 1st Breakfast Prexy

By RED GRIGGS
Daily News Writer

Thirty-eight charter members organized the Pampa Optimist Breakfast Club Thursday evening, in a dinner meeting at the White Way Restaurant.

Kendall Green was elected the first president of the new club that is headquartered at the Hamilton and Clifford Hill were elected as vice presidents, and Vincent Simon was appointed secretary-treasurer.

Two-year directors elected by the club's charter members are Henry Gindorf, Sims, and J. C. Boyles. One-year directors elected Thursday are Jim Bossay, Shelby Ruff, and Jerry Coley.

William Speer, Optimist International field representative, presided at the organizational meeting, and at a meeting of the board of directors later in the evening. He also made a brief talk on "The Debt We Owe."

Speer, of Denver, Colo., told members of the new club that each person owes a debt to his community and that it is the duty of the individual to give back to the community.

"Every successful man has had help," he said. "The only self-made man is a failure."

He said that membership in a service club, such as the Optimists, offers a good way of paying one's debt to the community. He then spelled out three advantages of Optimist membership:

"First," he said, "the Optimist creed offers a fine way of life as anything you can read, outside the Bible itself. Second, the club offers an opportunity for really worthwhile fellowship. And third," he continued "it gives you a chance to be a friend of the boy."

He went on to explain that most Optimist Club work consists of youth activities. He cautioned that all activity should not be directed toward delinquent youth. "Your program should include all the youth of the community," he concluded.

After Speer's talk, club members elected officers and adopted the club by-laws. Then members of the evening Optimist Club distributed Optimist pins and decals, and copies of the Optimist creed, to charter members of the new club.

A short board of directors meeting was held after the close of the club meeting. The directors voted to hold monthly board meetings at 7:30 p.m. the second Thursday of each month; authorized the secretary-treasurer to send Optimist International the charter fee of \$300; and voted to give

On Area Highways

No Deaths

The nine county area patrolled by the Pampa office of the Highway Patrol was free of highway fatalities during August, Sgt. E. G. Albers reported Thursday.

The total number of fatalities this year remained at 10, 14 less than at this time a year ago. Sgt. Albers credited a more vigilant patrol of area highways for the reduced toll.

Accidents in the area last month totaled 22 bringing the year's total to 304. That figure is 19 less than a year ago. Eight of last month's accidents resulted in injuries to 12 persons.

Twenty-four of August's mishaps resulted in property damages totaling \$30,750. Damages for

the year in 1958 property damage accidents on area highways now total \$257,871.

Sgt. Albers commented that in general 1959 has been a safer year in this area than 1958. Last year at this time there had been 14 fatal accidents with 24 persons dead, 90 personal injury accidents with 287 persons injured; and a total of 323 accidents.

In Gray county the Patrol this year has investigated 92 accidents in which four persons have died in four fatal accidents. Forty-one persons have been injured in Gray county in 22 personal injury accidents, and \$61,098 lost in 65 property damage accidents.

The conference will get underway at 8 a.m. Sunday in the 9913th Squadron headquarters, 208 W. Browning. Sessions will run from 8 a.m. to noon and 1 p.m. to 5 p.m.

The conference is held to bring together squadron commanders so that current Air Force Reserve matters may be discussed. It represents an exchange of ideas on training, recruiting and interpretation of Air Force Policy.

Collision Of Car-Train Kills Six Children

WASECA, Minn. (UPI) — Six children, five of them students at Sacred Heart Parochial school here, were killed today in a car-train collision a half block from the school.

They were all children of Mrs. James Zimmerman, about 30, of rural Waseca, who was driving the children to the school.

She was the only survivor of the accident but was reported in critical condition in the Waseca Hospital.

Another school child, Robert Szyska, 15, was hit by flying debris and injured as he was walking past the crossing to school.

The dead were identified by the school as Jimmy, 4; Katherine, 12; Michael, 10; Constance, 9; Barbara, 7, and Jan, 2.

They were all the children in the family. The station wagon in which the family was riding was hit broadside.

OVER 7 DEATHS

COMMUNITY IS SHOCKED

OAKLAND, Md. (UPI) — This Western Maryland community was shocked today with shocked grief for seven children killed when a passenger train plowed into a disabled school bus on a grade crossing.

Townpeople prayed for the recovery of 19 other pupils injured Thursday morning when the Baltimore & Ohio's plush passenger train the Diplomat slammed the rear of the bus.

The tragedy was still being discussed in hushed tones in supermarkets and stores. The hearts of the residents went out to the bereaved parents.

Gov. J. Millard Tawes awaited results of a full scale investigation by state police, the Department of Motor Vehicles and the state Roads Commission. He urged that responsibility "be determined precisely" to avoid a recurrence of the worst catastrophes that ever befall the community.

The train pushed the bus about 50 feet along the track. Seconds before the crash the 26 panicky pupils tried to brace themselves. Half of them struggled against the front door as the eastbound St. Louis-to-Washington express bore down on the stalled vehicle.

Roy Dixon, 14, who barely escaped death when he got off in time, said "everybody knew the train was going to hit us. Everybody wanted to get out."

The bus was driven by LeRoy Campbell, 49, Deer Park, Md., who told police the engine failed when he had cleared only part of the crossing. He shouted to the pupils to get off as fast as they could.

But the passengers ranging in age from 8 to 16 were frozen with fear. It was precious seconds before they moved towards the door. An orderly exit was impossible.

Locomotive engineer Otto Droge, 64, Cumberland, Md., said the train was traveling at the legal 80-m.p.h. limit along a double track right-of-way.

When Droge saw the stalled bus he pulled the emergency brake. He said a speed trap on the diesel engine showed the train was going 20 miles per hour when it rammed the bus.

CAPE CANAVERAL, Fla. (UPI) — Eager scientists today began a detailed examination of the first Mercury-type space capsule — forerunner of a vehicle that one day will carry an American into orbit around the earth.

The capsule was returned to its launching site here Thursday night about 40 hours after it was hurled down the Atlantic missile range and to the fringes of space by an Atlas missile.

The 9-1/2 foot tall, funnel-shaped vehicle was one of a type in which one of the nation's seven Astronauts will make the leap into space, possibly as early as late 1960. This capsule contained only electronic equipment.

PAUL DOUGLAS DEAD AT 52

HOLLYWOOD (UPI)—Film star Paul Douglas, 52, died today from a heart ailment, city firemen reported.

Firemen were called to the Hollywood Hills home by his actress-wife, Jan Sterling, 36, at 8:11 a. m. The rescue squad reported Douglas apparently had died by the time they arrived.

Douglas' physician, Dr. Lee A. Siegel, was in attendance.

The star was born in Philadelphia and was active in dramatics while at Yale. He started his career after graduation as a radio announcer and straight man. Douglas also played professional football and acted as a motion picture sports narrator and writer for 11 years.

Alarming Number Here Still Need Salk Shots

Only 375 out of 2,016 adults contacted have taken Salk vaccine shots, according to results of a survey taken by the Noon and Evening Lions Clubs. Of 1,008 families surveyed, only 458 school children have received a anti-polio shots.

During two nights of polling, Pampa Lions filled out questionnaires on 3,501 persons and found only 1,927 who had taken all three shots.

School children with all shots number 458 out of 868. For pre-school children the figure is 194 out of 450. Adults with all shots number 375 out of 2,016.

These figures indicate to Lions that a program is needed which will move the unvaccinated majority to visit a doctor.

Persons can be protected against infantile paralysis with three Salk vaccine shots and an annual booster shot. For those who cannot afford this treatment, the County maintains a free clinic 8 to 9:30 a.m. Saturdays at Highland General Hospital.

The Lions survey is a rough sampling of the population of Pampa. It was conducted by 79 Noon and 18 Evening Lions under the leadership of C. C. Lander, Noon Club Health and Welfare chairman; B. R. Shultz, Noon Club president; and B. G. Gordon, Evening president.

MONEY FOR BURIAL LOST

A green billfold, containing \$95 which had been intended to pay burial expenses for a Pampa baby, was lost Thursday in downtown Pampa.

Helen Strum, residing at the LaFonde Court, said she believed the billfold was lost in Lee's Cafe on S. Cuyler Thursday morning.

The money — one \$50 bill, two \$20's and one \$5 bill — was to be payment for the burial of a month-old Pampa baby, Kelly Dean Simmons who died Monday.

The baby's mother, a friend of Miss Strum, Mrs. Wynell Simmons, of the LaFonde Courts, TWO-TONE TOOTSIES

MEMPHIS, Tenn. (UPI) — Police said today that Twink, a pet rooster stolen from George Vicary at a Memphis hotel, has two easily identifiable features — one red foot and one green foot.

ers is momentous," he added. "Could we create an improved atmosphere of mutual understanding and serious purpose, it would be possible to attack, with renewed hope, the problems that divide us."

"If the chairman of the council of ministers of the U.S.S.R. has constructive ideas and suggestions that could provide the basis for responsible negotiations on the issues that divide us, we would welcome the opportunity to study them" with our Allies.

American officials hoped particularly that Khrushchev would arrive in Washington with some acceptable idea for resolving the Berlin crisis. They said this was uppermost in the President's mind when he invited "constructive proposals from the Soviet leader.

Ike Asks Nikita To Visit With Open Mind

By MERRIMAN SMITH
UPI White House Reporter

WASHINGTON (UPI) — President Eisenhower has made a new bid to Soviet Premier Nikita S. Khrushchev: "Come to Washington next week with constructive ideas and suggestions" instead of "suspicion, threat or stubborn prejudice."

In a radio-TV address to the nation Thursday night, the President said he approached his talks with the Soviet boss in "good manners and candor" and without weakness. He promised that "no principle or fundamental interest will be placed upon any such block."

He urged Americans to receive Khrushchev with "courtesy and dignity." The Soviet premier's visit, he said would be "a thousandfold worthwhile" if it gave

him some real appreciation of the spirit and conscience of America.

Eisenhower's speech set the stage for his historic series of meetings with Khrushchev which open in the White House next Tuesday afternoon.

The Chief Executive also reported on his recent trip to West Germany, Great Britain and France. He said Allied leaders varied in their estimates of how the Khrushchev talks would turn out but agreed that Eisenhower's newest effort "to melt the cold war was 'clearly one that had to be made.'"

"It is my profound hope that some real progress will be forthcoming, even though no one would be so bold as to predict such an outcome," the President said. "The choice before world lead-

LABOR DAY BOMBERS?

E. A. Lauderdale Sr., left, and J. D. Sims have been arrested and charged with the Labor Day bombings in Little Rock, Ark. Preliminary hearings for the two have been continued until Sept. 14. Bond was set at \$50,000. A city-owned station wagon, a school board office and the building in which the mayor had his office were damaged in the bombings.

3 More Men Are Charged

LITTLE ROCK, Ark. (UPI) — Three more men were charged Thursday night in connection with a series of Labor Day dynamite blasts.

The three are John Taylor Coggins, 39, an auto salesman; Samuel Graydon Beavers, 49, a carpenter, and Jessie Raymond Perry, 24, a truck driver. Perry was arrested Wednesday.

The three were charged under an 1885 law against use of explosives to destroy public property. They brought to five the number of persons charged with the same offense in connection with the bombings.

E. A. Lauderdale Sr., a 48-year-old lumber dealer and Citizens Council member, and J. D. Sims, 33, a truck driver and member of the Ku Klux Klan, were charged Thursday.

All were arrested in connection with three blasts late Monday night which went off in scattered locations in rapid succession. They ripped apart a city-owned station wagon of First Chief Gann Natley, made a shambles of a school board office and wrecked the business office of Mayor Werner C. Knoop.

Lauderdale was freed from jail Thursday after five of his friends posted deeds for \$200,000 of his property as his bond. His bond was \$50,000, as it is for the others, but property bond must amount to at least twice as much as regular cash bond.

"We are considering the possibility of additional charges against Sims and Lauderdale," said Prosecutor J. Frank Holt. Officers said Sims has admitted blowing up Natley's car and the school office but Lauderdale, through his lawyer, A. M. Guthridge, denied any connection with the explosions.

Lions Name Committees

Seven members of the Evening Lions Club have been named to the steering committee of the club's annual light bulb sale. The proceeds of this sale will go to the Lions Camp for Crippled Children in Kerrville, according to B. G. Gordon, president.

Gene Lewis will head the light bulb committee, assisted by L. S. Riley, James Edminster, Dr. Philip Gates, James Washington, Gordon Crinklaw and L. B. Pennick.

Robert Hamilton has been named chairman of the Scholarship Committee with Benny Shackelford and D. V. Biggers as members.

These appointments were made at the weekly club meeting Thursday night.

Biggers told his fellow Lions

that the Pampa Public School System has been selected as the pilot for a state-wide English study. A committee of teachers has been appointed on each grade level.

Aubra Nooncaester, chairman of the Pampa High School English department, has been named to head the study.

Results in English and other areas will be compiled in 1960 and may lead to a standardized course of study, according to Biggers.

The U.S. gold stock dropped by \$78,282,000 in July to \$19,628,000,000, the Treasury Department reported. Gold held under earmark at the Federal Reserve Banks rose by \$98,133,836 to \$9,518,091,703.

COLLISION

side by the locomotive of a Minneapolis and St. Louis Railroad freight train. The station wagon was demolished.

The vehicle was pushed about a half block by the train and smashed into the freight depot loading platform and against a standing box car.

The mother and four of the children were thrown out of the vehicle.

The crossing is on U.S. Highway 14, and the vehicle apparently came straight down the highway to the crossing. It was believed the railroad crossing flashing signal was operating at the time.

Man Charged With Breakage

Elvis Olen Wilkerson, Pampa, entered a plea of not guilty in county court Thursday to a charge of willful destruction of property. His bond was set at \$500.

Wilkerson was charged by his ex-wife, Leta Mae Wilkerson, who said he willfully destroyed her auto's windshield Monday.

Also appearing in county court Thursday was Bobby Sutterfield of Pampa who entered a plea of guilty to a charge of swindling, with a worthless check. He was fined \$5 and sentenced to 60 days in county jail. The check, for \$5, was given to the Vaughn and Roth Terminal Aug. 31.

Two persons were fined this morning in county court on charges of swindling with worthless checks. They were Mrs. Kenneth B. Wright, 501 Sloan, and Mrs. B. J. Robinson, now of Irving. Both were fined \$5 and ordered to make restitution.

Mrs. Robinson, a former resident, was charged with passing a worthless check for \$43.70 at the Food Center, 400 S. Russell.

Mrs. Wright passed a worthless \$5.40 check to the Ideal Food Store No. 1 Aug. 29.

OUTBURSTS

(Continued from page 1)

ask the federal government to assign more narcotics agents to New York to curb the flow of marijuana, heroin and cocaine to "jungle" neighborhoods which breed juvenile violence.

Since Wagner ordered a crackdown Sept. 1 on teenage street loiterers, more than 450 paisley-shirted, pompadour punks have been arrested. The mayor began a series of hourly messages on city station WNYC Thursday reminding parents of their responsibility for knowing where their children are at all times.

Latest addition to the city's jammed juvenile detention facilities were six Puerto Rican youths ranging in age from 18 to 19, members of a Brooklyn gang called the Mau-Maus.

The gang chased a 13-year-old boy into a Brooklyn firehouse early today and were beating him up when firemen intervened. The youths threatened the firemen with two-by-four sticks of wood and said they were "going to go out and get a gun and shoot up the place."

Police picked them up later on a neighborhood street. They all were charged with disorderly conduct and one was charged with attempted assault.

Guard Unit, Armory Are Inspected Here

Three officers of the Texas National Guard were in Pampa recently to inspect the facilities and full-time personnel of the local armory.

The local Guard units recently became part of the 36th Infantry Division, with headquarters in Austin. Further inspections will be conducted, one a month, during October, November and December, according to Col. Thomas E. Bishop, chief of staff of the 36th Infantry.

Maj. Mickey Francis, an assistant D-4; and Lt. Col. Jesse K. Barton, a staff assistant from Amarillo, accompanied Bishop to the Panhandle. This was the first visit to Pampa since the units were redesignated.

Bishop told full-time personnel that they may enlist as many men as they can get, especially men who will take six-month training. After training for six months, they will have a five-year obligation to fulfill.

The Pampa Guard is designated as Company B of the First Battle Group of the 142nd Infantry. Company B is commanded by Capt. Lawrence W. Hurdle of Pampa.

Protestants Concerned About Extortion In Fund Raising

RELIGION IN AMERICA
By LOUIS CASSELS
United Press International

American Protestants, who have long scolded the Roman Catholic brethren for raising money through raffles and bingo games, have lately discovered a beam in their own eye.

They are getting concerned about the prevalence of "commercialism" in Protestant fund-raising activities.

The Christian Century Maga-

zine, which is always pricking the Protestant conscience in its sore spots, was one of the first to raise the alarm.

"One need not travel far in American Protestantism," the Century declared in a recent editorial, "to find money-raising schemes that approximate the Roman Catholic Church's exploitation of games of chance, which we deplore and protest."

Compared With Las Vegas "Thousands of Protestant church bazaars, carnivals and 'summer fairs' are slightly more respectable than Las Vegas."

"The practice of wringing 'advertising' dollars from merchants, particularly from those who are not members of the churches in question, to finance church bulletins and magazines and dedication folders is also ripe for reform. Let's call it what it is: Extortion."

The basic objection which many Protestants feel toward money-making projects — even such time-honored ones as church suppers and bake sales — is that they tend to become a substitute for generous voluntary giving by the congregation.

Danger is Stressed

This danger was stressed in a policy statement adopted last month at the annual convention of the Luther League, youth auxiliary of the United Lutheran Church in America.

"Commercialism within the church is a primary enemy of Christian stewardship," the statement asserted.

"It exploits the name of Christ and his church by causing church members, as well as others, to feel an obligation to support such projects as fairs, bazaars, games of chance, car washes and sales of various kinds because a church organization sponsors them."

"Commercialism tricks people into the satisfaction of thinking they are giving to Christ and his church when they are receiving a product or service in exchange for their money."

The statement concluded with an appeal to Lutherans to rely on "free will giving" to finance their activities.

Can Be Done

It can be done, The Southern Baptists have done it for years — and they still manage to pour

Business Views

United Press International

Technical tax bills including a catch-all measure revising various excise levies were acted on by Congress. One provision would ease the federal stamp tax on stock rights and warrants. Another would ease the back-tax liability

of auto dealers who sell installment notes they receive to banks and finance companies.

Studebaker Packard Corp. said it is aiming for 3 per cent of the 1960 car market, so far this year, Studebaker's share of U. S. car sales has run close to 2 1/2 per cent. Industry 1960 forecasts of 1960 sales indicate the company expects to sell 190,000 cars next year as against an estimated 140,000 in 1959.

Several copper fabricators raised their prices for copper wire and copper and brass mill products. The move reflects the recent 1 1/2 cent-pound increase to 31 1/2 cents a pound in the refined price for copper made by most of the mining firms whose properties have not been struck.

Lederle Laboratories division of American Cyanamid Co. has filed the first application with the public health service for commercial production of oral live-virus polio vaccine. Commonwealth Edison Co. declared a stock dividend of 2 1/4 per cent on the regular quarterly 50-cent dividend on the common.

Not only has Westport managed to meet its own local expenses without trouble. It has also increased its giving to the larger work of the church, in the nation and the world, by several thousand dollars a year.

Jacoby On Bridge

By OSWALD JACOBY
Written for NEA Service

North's two heart bid was the Jacoby transfer forcing South to bid spades and the four no-trump was Blackwood.

Since South was declarer the final six spade contract was a lay-down. He was able to discard one of dummy's hearts on his king of clubs.

NORTH 22

South West North East	
1NT Pass 2♥ Pass	
2♠ Pass 4NT Pass	
5♥ Pass 6♣ Pass	
6♠ Pass	
Opening lead—♠A	

With North as declarer East would probably open a heart and there would be no way to avoid the loss of two tricks.

Incidentally South can also make six no-trump if he plays skillfully. The best defense is an ace of clubs opening followed by a spade shift.

South should run all six spades and discard a club, diamond and heart. Then he would return to his hand with the king of diamonds and cash the king of clubs. West will have to discard down to one heart in order to guard the diamonds.

Next come three rounds of diamonds and East will have to go down to one heart also in order to keep the jack of clubs. South will then make two heart tricks without ever having to worry about which opponent holds the king.

The Almanac

United Press International

Today is Friday Sept. 11, the 26th day of the year, with 111 more days in 1959.

The moon is in its first quarter. The morning stars are Mercury and Venus.

The evening stars are Mars, Jupiter and Saturn.

On this date in history:

In 1777, General George Washington's troops were defeated by the British at the Battle of Brandywine.

In 1882, the master of the short story, O. Henry, was born.

In 1888, English novelist D. H. Lawrence was born.

In 1941, President Franklin D. Roosevelt ordered the U. S. Navy to shoot German U-boats on sight in American defense waters.

In 1945, former Japanese Premier Tojo attempted to commit suicide in his Tokyo home.

Thought for today: Abraham Lincoln said: "Important principles may and must be inflexible."

EAR ABBY: man who fifty dollar raises the ro-dollar dinner my friend. I've been w he lost his v invited me o gested a ni n we got th menu and sa to stay the of prices. W ickall to be M ty-pinchers like

EAR HAZEL: carries a rabe for luck. On her purse and of the house u er luck has b lately. She husband found woman. he still thin will bring he say something

OPSY

NO, I'M NOT WITHOUT HIS HE THINKS GIRL IS ME

raco raccoon trim collar is remove orlar in either

DEAR ABBY....

By Abigail Van Buren

DEAR ABBY: What do you think of a man who thinks nothing of fifty dollars on a horse race raises the roof when I order a dollar dinner in a cafe? I've been widowed since 1938. He lost his wife last year. He invited me out to dinner and I stayed a nice place in "cat" we got there he looked at menu and said he wasn't going to stay there and pay those prices. We already had a cocktail so he paid the waitress the drinks and I left the tip. I wanted to take me to a cheap place (where can you get a cheaper than \$2.95 for pork?) but I asked him to take home. I haven't seen him since. Should I call and apologize or forget about him?

WILLIE MAE: The rabbit's foot your sister carries was certainly bad luck for the rabbit. This should rattle it.

DEAR ABBY: I am 24 years old and recently had my first baby. My husband has started to call me "Mommy". My husband is 32 years old. Abby, I just hate it. I am not his "Mommy". His mother is living and she's about 60. Maybe this shouldn't irritate me the way it does, but I can't help it. I have told him to quit calling me "Mommy" but he says it just slips out. Now, what should I do?

DEAR ANYTHING: I'm in a bind. You have already asked your husband to quit calling you "Mommy" which is all you can do. Perhaps when you address the baby you refer to yourself as "Mommy" (which is only natural). Be a little more understanding; one day you might catch yourself calling him "Daddy".

HAZEL: Forget him. He's lucky he showed his collar in the game. How would you like to be MARRIED to a fly-pinch like this one?

CONFIDENTIAL TO DOROTHY: Sorry. You came to your senses ten years and three children too late. When a woman gives herself to a man for nothing (not even a marriage certificate) he usually figures she is worth exactly what she cost him. Nothing. He can be forced by law to support his children but no law in the land can compel him to live with you.

OPSY: NO, I'M NOT JEALOUS! WITHOUT HIS GLASSES HE THINKS EVERY GIRL IS ME!

To get ABBY's pamphlet, "What Every Teenager Wants to Know," send 25 cents and a large, self-addressed, stamped envelope to this paper.

Mrs. Vernon Gives WMU Mission Topic

CANADIAN (Sp) — The Grace Marks Circle of the WMS of the First Baptist Church met in the home of Mrs. Bob Dillman recently. Mrs. Hugh Wilson, chairman, presided at the meeting. Mrs. Joe Vernon was in charge of the program. Attending were Meses. Dal Roth, Tommy Chitwood, Elmo Wheeler, A. F. Selby, Lynn Futch, Bonnie

Fur is all-important in the new Paris collections. It is used on fabric; it is also used in combination with contrasting fur. And, of course, it appears in coats and wraps of every kind and in hats of great chic. We show here fur designs from the house of Revillon. Young coat (left) in pastel beige Brazilian river otter has wide collar of fluffy beaver. Coat buttons down front; is belted low.

The new violet mink (center) is shown in a coat of great elegance. It is cut with wide collar and full, elbow-length sleeves. Simple gray tweed dress (right) has front skirt panel trimmed with six huge buttons. It's worn with brow-level toque of gathered mink. The mink hat idea is an excellent one for the winter who doesn't want to dent her budget with a mink jacket or stole.

Wool jersey is a favorite again in both ribbed and plain versions. Tweed takes off from black-and-white to become red with green, turquoise with moss green and violet with orange. These startling color combinations are done in heavily nubbed and checked tweeds. Broadcloth is back in both dress and coat weights. For coats, this fabric takes on a thick, velvety look rather than the satiny gleam of the past.

Mrs. Studer Gives Review At Meeting

CANADIAN (Sp) — The Mothers Meeting was held recently in the WCTU building with Mrs. Dan Witt, chairman, in charge. Devotional was given by Mrs. Studer. Mrs. Carl Studer gave a review of the book "The Lion" by Joseph Kessel. Hostesses for the meeting were Meses. D. A. Witt, Bud Webb, Paul Bryant, W. P. Varnell, Ed Little and L. P. Ward.

If you're not sure about how to clean leather gloves, have them professionally dry cleaned. Some leather gloves launder beautifully and these carry a tag that says so. Others call for cleaning, so play it safe. Goodman, Charles Vignal, Jack King, Grady Burnett, and Lawrence Oycerast.

Darning Needle Becomes Museum Piece With Advent of "Jiffy Sew"

Woman To Woman United Press International
NEW YORK (UPI) — Trow away that darning needle. Mom. A squeeze-tube "sewing kit" fixes everything from fur coats to girdles and nylon. The "kit" is a tube of white, waterproof adhesive which will on nearly every type of fabric, including yarn and synthetics, plus leather and leatherette, canvas, felt and paper. Laundering and most dry-cleaning processes do not affect it. In addition to repair work, the adhesive (called "Jiffy Sew") can be used for attaching appliques and sequins, covering buckles, trimming hats and lampshades, binding edges, stopping runs in hosiery, attaching zippers and preventing unraveling in button holes. **Developed During War** A chemist, Frank Walsh, of Montreal, first developed the cement for the Royal Canadian Air Force during World War II. It was used to attach zipper tapes to heavy flying jackets. After the war, Walsh marketed the adhesive on the proverbial shoe string, demonstrating it personally in five-and-dime stores in Canada only. Then last summer, Arthur Shain, of Newton, Mass., a fiber glass manufacturer, took a business trip to Canada. He tore his trousers while playing golf one week end, and the locker room attendant repaired them with the adhesive. "I was fascinated," Shain said in an interview on a trip to New York. "I called on the company on Monday morning, and by Tuesday, I owned the rights in the United States."

Fur Fabrics Gain New Importance

By ROSETTE HARGROVE NEA Staff Correspondent
PARIS (NEA) — Furs and fabrics take on an added interest in the collections here. Their importance is pointed up in a season when silhouette has not undergone drastic changes. This is a big season for fur and fur trim of all types. Naturally, there's a lavish use of mink but the fur story doesn't stop there. Red, beige and black fox, gray squirrel, broadtail, leopard, wolverine and lynx all come in for their share of the limelight. Newest of the mink shades is one called "violet" which actually has a mauve cast. Both fur and fabric coats get fur linings. But fur is used for giant collars, for front trim and for hats, too. Fabrics this year look thick and bulky but really are featherweight. Thus suits and coats cut from them will be both light and warm. There are many shaded coatings, dramatically beautiful. Crepe has made a comeback in both silk and wool and is used for draped dresses and for those with bloused tops. Wool jersey is a favorite again in both ribbed and plain versions. Tweed takes off from black-and-white to become red with green, turquoise with moss green and violet with orange. These startling color combinations are done in heavily nubbed and checked tweeds. Broadcloth is back in both dress and coat weights. For coats, this fabric takes on a thick, velvety look rather than the satiny gleam of the past.

WSCS Begins New Study

LEFORS (Sp) — "Luke's Portrait of Christ" is the new study to be assumed by members of the Women's Society of Christian Service of the Methodist Church. It was announced at a luncheon held Monday by the group. The regular meeting of the WSCS will be held each Monday afternoon between the hours of two and three-thirty with Mrs. C. C. Mullins conducting the study, it was announced. Opening prayer for the luncheon was led by Mrs. Bernard Johnson. Others present were Meses. R. W. Beck, B. D. Vaughn, C. C. Mullins, Bill Teel, Gladys Pafford, Floyd Hines, Jerry Tickle, and Paul Glick.

Mrs. Dunn Feted At Housewarming

LEFORS (Sp) — Mrs. Chestene Dunn, who, with her family, has recently moved into a new home, was honored Wednesday afternoon, with a housewarming. Hostesses were Meses. Hoyt Pruet, R. E. McDonald, M. L. Rippey, Lonnie Ables, Leonard Cain, Bob Casey, and L. D. Rider. Guests were shown through the new home and then served refreshments of spudnuts, coffee and iced tea. Attending were Meses. Spencer Presley, Waneva Pittman, Kay Jordan of Pampa, Billie Gatlin, Aubrey Carlton, Henry Dunn, Willis Hix, Ralph Hix, Albert Stoker, Boyd Griffith, and Lola Strong.

Bible Character Studied By Group

LEFORS (Sp) — The Bible chapter of "John," written in 96 A.D. from the city of Ephesus on the Biography of Jesus, stressing the "Deity of Christ," was studied by the Ladies Bible Class at a meeting in the Church on Tuesday morning. Those present for the study conducted by Charles Tutor were Meses. John Roberts, Alton Flinthum, Luke Glover, R. T. Jinks, Charles Weese, Carl Wall, Helen Langham, J. B. Martin, Dandel Rose, Charles Roberts, R. H. Erdfield, Charles Tutor, Gene Robertson, Walter Hughes, Beasie Call, and Earl Lane.

Tipps Will Preach Here

George Tipps of Tulsa, Okla., will begin a meeting Monday evening at the Mary Ellen and Harvester Streets Church of Christ.

Services will be conducted each morning Tuesday through Friday at 10 and each evening at 7:30. The meeting will continue through Sunday evening, Sept. 20.

Tipps is a native of Childress and a graduate of Harding College, Searcy, Ark. He did his graduate work at the Southern Baptist Seminary, Louisville, Ky. He has served on the faculty of three colleges and has been preaching for over twenty years.

Jon Jones, local evangelist, states: "George Tipps is a dynamic preacher and outstanding evangelist. We feel that everyone who attends will be spiritually blessed. The congregation extends a cordial invitation to everyone to attend this revival."

Church News

Divine Love Will Meet Every Human Need, Christian Scientists Believe

The unlimited availability of divine supply will be brought out at Christian Science services Sunday.

Scriptural readings in the Lesson-Sermon entitled "substance" include the account in II Kings (4) of Elisha's feeding of a hundred men with twenty loaves.

Correlative selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include (494:10): "Divine Love always has met and always will meet every human need. It is not well to imagine that Jesus demonstrated the divine power to heal only for a select number or for a limited period of time, since to all mankind and in every hour, divine Love supplies all good."

The Golden Text is from James (1:17): "Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning."

A sincere welcome awaits you at all the services in First Church of Christ, Scientist. You may obtain information about Christian Science by visiting the Reading Room in the church building at 901 N. Frost, where the King James Version of the Bible and books and literature on Christian Science may be read, borrowed, or purchased. The Sunday School holds classes at 9:30 for young people up to the age of 20.

First Methodist Church To Hold White House 6th Annual Roll Call Sunday To Announce Red Tour Plans

This Sunday the First Methodist Church will observe its sixth annual Roll Call Sunday. Every member of the Church and Sunday School is urged to be present on this special day. Attendance will be registered on a Roll Call and Dedication card on which each person will have the opportunity to indicate which areas of service he is willing to utilize his talents for the support of the church and its program.

"Move With Full Power" will be the sermon topic discussed by the pastor, Woodrow Adcock, at the two morning services. The special anthem for the early service will be "Sing A Song Of The Saints" by Hopkins, sung by the Carol and Westley Choirs. The anthem for the 10:35 service will be "Psalm 150" by Franck sung by the Sanctuary Singers.

Sunday Evening Fellowship will begin at 6 with a light supper for the entire family in Fellowship Hall at 6:30 p.m. Children, youth and adults will separate for one hour of planned activities, according to interest and needs. The adult course, "Know Your Bible," will be taught by the pastor. The Sunday night service at 7:30 will be conducted by the pastor who will speak on the subject, "The Upward Look." The special music for the evening service will be a selection by the MYF Singers.

Lobby Spends \$122,000 In Texas Session

AUSTIN (UPI)—The organized lobby in its concentrated effort to influence legislation, spent \$122,000 during the 210 days the Texas Legislature was in session.

How the money was spent, and what for, is not found in the mass of records on file with Dorothy Hallman, chief clerk of the House.

But the eight filing cabinets set aside for lobbyist registration contain the names of some 5,000 members of the "third house," almost as many lobbyists as there are at the national capitol. The oil and gas lobby, the trucking industry and the beer liquor boys were the big spenders of the 56th Legislature.

Homer Leonard, a former speaker of the House who now represents the Texas Brewers Institute, walked off with the title of biggest spender. Leonard spent \$1,004 on lawyers.

Major T. Bell of Beaumont, who represents Gulf States Utilities Co., was the most tight-fisted lobbyist. He spent a meager 15 cents influencing legislation.

Lobbyists, who were forced to register with the clerk under a bill passed by the 55th Legislature, ranged from boat-builders to bird watchers.

The bird watchers didn't spend any money, but they registered their intent to preserve their feathered friends.

Lowell L. Davis of Mart reported to the clerk that he had spent \$96 lobbying for "God and nation."

To boost the interests of the Aryan Knights of the Ku Klux Klan religion, Horace Sherman Miller of Waco said he spent only \$28 during the many sessions of the Legislature.

John Osorio of Austin was the most energetic lobbyist. Osorio ranged far and wide representing barrels, furniture, hardware and jewelry dealers. Braniff Airways, Sears Roebuck and the Investment Bankers Assn. He spent \$7,496.

Ed Clark, who champions causes for utilities, banks, insurance associations and pipelines, reported that he spent \$1,083 taking care of his clients.

The trucking industry pushed through a bill raising truck weight load limits from 58,240 pounds to 72,000 pounds. To achieve their goal they spent \$11,957, the clerk's record revealed.

Texas firemen and policemen fought for a bill reducing their working hours. Tom Pinckney of Austin, who represents the Texas Assn. of Firefighters, said he spent \$1,145 on the cause. On the other hand, Steve Matthews of

Dr. Carver Back From Oklahoma

Dr. Douglas Carver, pastor of the First Baptist Church, will preach both sermons Sunday. He has been leading the First Baptist Church of Fort Gibson, Okla., in a revival meeting.

Special music for the morning service will be a soprano solo by Mrs. Leroy Thornburg. The offertory will be "Andante Cantabile" by Widor. At the evening service, Paul Barrett will be the bass soloist and the offertory number will be "Andante Expressivo" by Nordman.

J. R. Stroble will give direction to the music in the absence of Joe Whitten, who is in a revival meeting in Lawton, Okla.

The deacons, members of the finance committee, and building and grounds committee with their wives, will have a supper meeting Monday night at 7.

On Tuesday evening the Brotherhood of the church will meet for a supper meeting at 7. Reverend Thurman Upshaw, pastor of 4th Central Baptist Church, will be the speaker.

Saturday morning will be choir enrollment day. All choirs except the church choir will enroll between 9 and 12 in the choir room.

Pipes Called To Church In Fort Pierce

The Rev. Charles E. Pipes, son of Mr. and Mrs. Charlie Pipes, 500 W. Craven, has been called to the First Presbyterian Church of Fort Pierce, Fla., as assistant to the Rev. George B. Baker.

Pipes is a 1951 graduate of Pampa High School. He received his Bachelor of Business Administration Degree in personnel management from Texas Technological College, Lubbock, and his graduate degree from Vanderbilt Divinity School, Nashville, Tenn.

He served as a technician and counselor on the psychiatric division of Vanderbilt Hospital in 1956. Other than his interest in theology and pastoral administration, Pipes finds time for fencing, dramatics, coin collecting, football, and his family.

Mrs. Pipes, formerly Miss Martha Francis Caldwell of West Monroe, La., is a graduate of North-western State College, Natchitoches, La., and has been an elementary school teacher in the Nashville area during the past three years.

Pipes has been the pastor of the Post Oak and Union Grove Presbyterian churches of Cookeville, Tenn., during the past two years.

Mr. and Mrs. Pipes have one daughter, Cynthia Ellen, two years old.

Mr. Pipes is currently employed as a sales representative for a metal company in Chicago and nearby mills following the recent upturn in premium grade industrial material. Prices generally are up \$1 to \$4 a ton from pre-strike levels.

Business Views

The Senate passed a bill authorizing the treasury to raise interest rates on E and H government savings banks above their present 3.25 per cent ceiling. Written into the measure is a provision limiting the maximum interest rate that could be paid on the bonds to 4 1/2 per cent. The bill now goes back to the House which voted to eliminate the ceiling entirely.

Anaconda Co. and some other copper producers operating facilities which have not been struck raised their price for the metal 1 1/2 cents a pound to 31 1/2 cents. American Metal Climax, Ltd., the only major copper smelter of copper still operating last week increased its price to 33 cents a pound from 30 cents.

Harvesters Open Tonight at WF

8 THE PAMPA DAILY NEWS Friday, September 11, 1959 52nd Year

Shockers to Meet Perryton B Here

The Pampa B team, the Shockers, open their 1959 season Saturday in Harvester Park against the Perryton B team. Game time is 7:30 p.m.

All the Shockers home games will be played at 7:30 p.m. this season. Last year, most were played in the afternoon.

The Shockers' new coach, Norman Phillips, expects the opening game to be a very tough one to win. "Since Perryton lost last Saturday's game," he pointed out, "they probably used their starters most of the way, which means they still have plenty of good boys to use against us."

Under the rules, a player is al-

lowed to compete in 10 football games per year, A or B.

Phillips, who was promoted to the Shockers position after a successful season at Robert E. Lee Junior High in '58, will have a probable starting line averaging 163 pounds, and a probable starting backfield averaging 147 pounds.

Three regulars, guard Mark Russell and halfbacks Robbie Robison and Dennis Mills, may be sidelined with injuries Saturday night.

Gerald Been and Riley Walters will probably start at the halfbacks, if Mills and Robison are unable to play. Guards will be Preston Parrish and Jimmy Hoyler.

The Shockers may depend heavily Saturday on the passing of quarterback Butch Crossland and the power running of fullback Randy Haralson. Halfbacks Walters and Been, who are slightly slower than Mills and Robison, may have to play an exceptional game to keep the Shockers attack up to par.

Phillips said that he will probably use about the same group of players both on offense and defense.

SHOCKER STARTERS — Randall Cross, 153, left end; Dennis Duncan, 154, left tackle; Preston Parrish, 155, left guard; Van Melton, 178, center; Jimmy Hoyler, 145, right guard; Wendell Winkler, 174, right tackle; Corky Godfrey, 148, right end; Butch Crossland, 150, quarterback; Randy Haralson, 150, fullback; Gerald Been, 142, or Robbie Robison, 151, left halfback; Riley Walters, 124, or Dennis Mills, 144, right halfback.

ORIOLES RECALL PLAYER
BALTIMORE, Md. (UPI)—The Baltimore Orioles have recalled shortstop Bob Saverin from Bluefield in the Class-D Appalachian League. Saverin, a 19-year-old player from Darien, Conn., led Bluefield with a .362 average and hit-11 home runs.

COYOTE LEADER — Dickie Turner will lead the Wichita Falls Coyote attack this season, both from the single wing and the T formations. Turner, the Coyotes' leading ground gainer last year, is tailback in the single wing and quarterback under the T.

Rebel Fourth Quarter Score Beats Shamrock B, 20-14

Quarterback Robert Pullen turned a mistake into a game-winning touchdown Thursday, as the Lee Junior High Rebels opened their season with a 20-14 victory over the Shamrock High B team, at Harvester Park practice field.

Lee coach Lester Ramsey said after game that "we really needed that win. Now we have some indication of how strong we'll be in conference play." The Rebels open Panhandle Junior High Conference play here next Thursday afternoon against Dalhart.

Lee scored its game-winning touchdown in the fourth quarter, as the score was tied, 14-14 and the Rebels were on the Shamrock 40. In a backfield mixup, a handoff was missed, and quarterback Pullen was forced to run with the ball. He skirted around end and made it to the 20-yard line before being surrounded by a host of Shamrock tacklers. Pullen was tackled, but Pullen quickly lateraled off to Jack Criss, and Criss went the remaining distance for the winning tally.

Lee had drawn first blood in the game, in the third quarter, Dickie Halley went 35 yards around end for a touchdown, but the running conversion attempt was missed, and Lee led 6-0.

Shamrock quickly came back to

tie the score, on a 35-yard run. Their conversion attempt also missed, and the count was knotted, 6-6, at the end of the first quarter.

The Rebels scored again in the second quarter on a sustained drive. Lloyd Balch made the final four yards, on a line plunge up the middle. Halley ran the extra points, and Lee led 14-6 at half-time.

Shamrock struck fast at the start of the second half to tie the score, as they returned the opening kickoff for a touchdown, then ran across the conversion. However, Lee's final touchdown nullified their efforts.

Ramsey praised his Rebels for their opening game effort. "They all did a good job," he said, "We moved the ball well around the ends, and also had pretty good success on the quick line plays. Our passing could have been a little better, but we didn't miss it."

Ramsey said that cornerback Harry O'Neal and linebackers Wilbur Walls and Dean Henderson are an outstanding job on defense. "On offense," he added "they were all about the same. They all looked very good in spots."

Score by Quarters:
Rebels 6 0 0 6—20
Shamrock 6 0 8 0—14

Coyotes Are Favored By Lop-Sided Score

By RED GRIGGS Daily News Sports Editor

WICHITA FALLS — The Pampa Harvesters met the defending state champion Wichita Falls Coyotes here tonight at 8 p.m. The Coyotes, rated the number one class 4A team in the state, will be heavily favored to take a lop-sided victory.

The Harvesters will be outweighed offensively by 18 pounds per man in the backfield (172 to 154); by 11 pounds per man in the line (180 to 169); and by 14 pounds per man defensively (178 to 164).

In addition, the Coyotes will have two other things going for them — the home field advantage and the fact that the Harvesters made a 220-mile trip this morning.

The Coyotes will have three returning offensive starters from last year's state championship team, along with two additional defensive starters. (They won last year's championship with only two returning starters.)

Wichita Falls will be able to use both the single wing and semi-spread T formations (coach Joe Golding's vaunted "multiple of-

formations).
Pass defense has come in for a big share of the Harvesters' attention. Coach Babe Curfman said that "they've been looking better on pass defense in practice sessions."
Curfman said that most of the "red" team, made up mostly of seniors, will probably start tonight's game, and that some members of that team will be substituted for on defense.
Probable Pampa defensive starters will be left end Kent Mitchell, 158; left tackle Jim Scott, 160; middle guard Harold Stokes, 170; right tackle Roland Stone, 173; right end Benny Stout, 197; left linebacker Richard Rexroad, 167; right linebacker Butch Dunham, 167; right cornerback Charles Warren, 158; left cornerback Merv Cooper, 156; right halfback Bobby Stephens, 145; and left halfback Buddy Rawls, 165.
Probable defensive starters for the Coyotes will be ends Charles Clines, 157, and Gary Robinson, 175; tackles Benny Jim Webster, 212, and Leonard Jeter, 175; guards Mark Taylor, 170, and Larry Platt, 190; linebackers Benny Shields 220, and Larry Shields, 185; halfbacks Roger Richardson 145, and Travis Reagan, 155, and safety man Turner, 175.

THIS WAY — Joe Kuharich, Notre Dame's new head football coach, gives captain Ken Adamson pointers on a tackling dummy. Adamson will be right in the thick of things at guard.

DODGERS, BRAVES GAIN ON SAN FRANCISCO

By MILTON RICHMAN United Press International

The Giants are getting it from both barrels now and if the Dodgers and Braves keep firing away, there's liable to be a pall instead of a pennant in San Francisco.

Everything went wrong for the Giants Thursday.

First, they blew a 5-3 decision to the Pirates and then they saw their National League lead shrink to two games when the Dodgers blanked the Phillies, 5-0, and the Braves beat the Cardinals, 7-4.

The victories by Los Angeles and Milwaukee kept them tied for second place and kept them coming straight at San Francisco.

Roger Craig pitched the Dodgers to their third straight victory with a three-hitter that gave them an 11-1 home sweep against the Phillies this season.

Aaron Paces Braves
Hank Aaron paced the Braves to their fifth straight triumph when he doubled home three runs in a four-run seventh inning rally that overcame a 4-3 Cardinal lead.

Two homers by Willie May plus another by Willie Kirkland staked Giant southpaw Johnny Antonelli to a 3-1 lead over the Pirates after six innings, but he couldn't hold it. The Pirates rallied for four runs in the seventh which was highlighted by Roberto Clement's two-run single.

The Cubs split a doubleheader with the Reds, taking the nightcap, 5-3, after Cincinnati won the opener, 10-4.

George Altman's bases-loaded double in the eighth inning produced the Cubs' winning margin in the nightcap.

Frank Robinson drove in three runs with his 35th homer and a double in the opener and rookie Cliff Cook drove in four more for the Reds.

Semifinals Set In Trans-Miss

HOT SPRINGS, Ark. (UPI)—Two women golfers will settle today in Arkansas as Iowa question in the semifinals rounds of the Trans-Mississippi Women's Golf Tournament.

The golfers are Judy Kimball of Sioux City, Iowa, and Mrs. Ann Gasey-Johnstone of Mason City, Iowa. Both are Iowa state champions and they were matched against each other today.

Miss Kimball, who is a University of Kansas senior, won the Iowa state championship in 1958. Mrs. Johnstone won it this year. She didn't play in the 1958 tourney.

Experience Pays Off
—In the other semifinal match, Barbara McIntire, the national amateur champion and real estate saleswoman from Lake Park, Fla., meets Shirley Wheeler, a long-ball artist from Glasgow, Ky.

Miss McIntire advanced to the semifinals Thursday when her experience and talent proved too good for young comer Marcella Rose, a product from the St. Louis public links. Miss McIntire seemed to improve with each round and breezed by Miss Rose, 5 and 4.

Miss Wheeler had to scramble to beat the veteran Mrs. Paul Dye of Indianapolis, one-up in a see-saw contest that took a birdie 20-foot putt on the final hole to turn the trick.

Oklahoman Loses
Miss Kimball upset Judy Eller, the national collegiate champion from Old Hickory, Tenn., 5 and 4 to win her semifinal berth. Miss Kimball forced Miss Eller into a gamble with her fine putting and closed out the match when the collegian missed a three-foot putt on the 14th hole.

Mrs. Johnstone advanced by defeating Beth Stone of Muskogee, Okla., in a battle of shots that almost wound up in a stalemate. But the veteran Mrs. Johnstone hit a chip shot only inches away from the cup on the 19th hole and Miss Stone conceded the birdie, the hole and the match. They had divided things from the 15th hole on with Mrs. Johnstone staying alive by sinking a 20-foot putt on the 18th.

Ortega, Fernandez Set For TV Bout

MIAMI BEACH, Fla. (UPI)—Mexico's Caspar Ortega and Cuba's Florentino Fernandez wage a 10-round nationally televised welterweight boxing match tonight with possible title shot riding on the outcome.

Miami Beach promoter Chrls Dundee has offered welterweight champion Don Jordan \$50,000 to defend here Dec. 4 against the winner of tonight's bout. Dundee already has the television date assured and is waiting the decision from Don Nessett, Jordan's manager.

Ortega, fourth-ranked contender from Mexicali, Mexico, has a wide experience edge over Fernandez, who is ranked 10th. Ortega has fought 66 times, compiling a 50-14-2 record which includes wins over former champions Kid Gavilan and Tony DeMarco.

RIDERS SIGN LINEMAN
OTTAWA (UPI)—The Ottawa Rough Riders of the Big Four Canadian Football Union have signed Dick Emasich, a lineman from West Chester (Pa.) Teachers.

Six-Man Loop Action Begins

The White Deer and Stinnett district clash, so it means in respect to determining district champion. But the White Deer-Stinnett game is open district play in six-man and could conceivably determine the championship.

Mobette is the defending champion. Mobette the '58 runner-up, with many letter-back, figure to be as strong as last year's teams. And both are the same type of as last year's editions — a high-scoring offensive and Mobette a low-scoring six-man ball defensive squad.

Last week's season openers, Parsons' Miami Warriors won at Balke, Okla., 56-13 as quarterback Gerald Anderson threw touchdown passes; and Donman's Mobette Hornets held out seven times within the 15-yard line to take a squeaker.

The other 1-B game, Booker at Balke, Okla.

AMATEUR OF RANK

Pampa Woman Has Low Score in PWGA Meet

AMARILLO — Lila Austin of Phillips Country Club, 1,442; Ross Rogers Course of Amarillo, 1,462; and Pampa Country Club, 1,551.

Thursday, Huber carded 288, Amarillo 274, Ross Rogers, 297, Phillips 301, and Pampa 313.

Mrs. Bob Huber of the Tascosa Country Club earned low net honors with 87 Thursday. The next match of the Panhandle Women's Golf Association will be Oct. 6 at Amarillo Country Club, 1,433.

Canadian Zips Past Reapers

Canadian's High School B team rolled over the Pampa Junior High Reapers Thursday, 38-6, at Harvester Park to spoil the Reapers' season opener.

Canadian, playing sophomores and juniors through the first half against the Reaper eighth and ninth graders, rolled to a 30-6 half-time lead. Playing against ninth graders in the second half, the Reapers held their own fairly well.

The Reapers' only score came in the second quarter, on a 67-yard pass-and-run play. Quarterback Randy Matson tossed a short one to halfback Kenny Hebert at the Pampa 35, and Hebert raced all the way almost unaided, dodging Canadian tacklers.

Canadian made most of its yardage through the line and around the ends. However, new Pampa Junior High coach Earl Peeler said that his team did "pretty well" defensively, considering the fact that they were playing against bigger and more experienced boys.

Steve Archibald, who tips the scales at 93 pounds soaking wet, played an outstanding defensive game at the linebacker position. Hebert and Ronnie Goodwin, defensive halfbacks, also made some good tackles, and possibly kept the score from going higher.

SKINS ACQUIRE STITS
SAN FRANCISCO (UPI)—The San Francisco Forty-Niners have traded halfback Bill Stits to the Washington Redskins for an undisclosed draft choice. Stits, former UCLA star, played with the Detroit Lions before coming to San Francisco.

White Deer, Stinnett to Clash Tonight

Another episode in a five-year-old story will be reeled off tonight in White Deer, when the Bucks clash with the Stinnett Rattlers for class A football supremacy in the Panhandle.

The game is a non-district clash, so officially it means nothing. But in terms of prestige, it means everything. White Deer and Stinnett have dominated the Panhandle class A grid picture since 1955, and the winner of Friday's game could do the same again this year.

Stinnett has most of the starters back from last year's strong team, which tied White Deer 6-6 early in the season to put the only blemish on the record of the state champion Bucks.

The defending state champions have only two starters back — quarterback Jackie Burns and fullback Bryan Coday (a guard last year). Tackle Scottie Barnes was a defensive regular, and backs Don Carter, Tommy Lester, and Joe Grange saw quite a bit of action in the playoffs.

White Deer Coach Coley Huffman feels that his team is overrated because of winning the state championship last year. The Bucks are still rated number one in the state on some lists. Stinnett is also in the top ten.

Both teams warmed up for this week's crucial contest with fairly easy opening victories last week. White Deer showed its great speed in a 30-8 victory over Groom, and

Stinnett crushed Clarendon, 34-6. The history of White Deer-Stinnett domination began in 1955, when the Rattlers went to the state finals before losing to Deer Park, 7-0. The following year, the Rattlers captured the state championship without running into any serious trouble.

In 1957 the Rattlers came to White Deer with a 21-game winning streak, and lost to the Bucks. White Deer went on to win the district championship and reach the quarterfinals before losing to Ralls by one point. The Bucks lost only one other game that year — to Friona. At the time, Friona was coached by the Bucks' present mentor, Huffman.

Last year, Otis Holladay's rebuilding program reached its peak, and the Bucks won the state title with an undefeated season. The Stinnett tie, a 22-6 win over McLean, and a 12-8 win over Mason in the semi-finals, were they only close calls.

Few people think the Bucks will repeat this year, but a convincing victory over Stinnett could change the situation.

McMurry Gets Two All-State Fullbacks

ABILENE, Tex. (UPI)—Coach Tommy Ellis today welcomed two all-state fullbacks who switched from the University of Houston to his McMurry College freshman football squad.

They are Donald Davis of Stamford and Pat Keller of Mason. Ellis said he was especially glad to see the boys change to McMurry since fullback is a weak spot in the Indian offense. Davis has two older brothers who have starred for McMurry—Charlie Davis, star guard for the past two years, and Ernie Davis, fifth-leading scorer in the nation last year.

Both Davis and Keller had checked in at Houston grid work earlier in the month but left last week.

ROMINE TO SEE ACTION

OTAWA (UPI)—Al Romine, an end released by the Green Bay Packers of the National Football League this week, has joined the Ottawa Rough Riders and probably will see action against the Toronto Argonauts on Sept. 13.

Engine Sluggish?

Pop it up!
Pyrrol Rx-1 purges out carbon, gum and goo. Tunes up your engine fast. Cleans out sticky hydraulic lifters. Brings back lost horsepower fast. Only \$1.50 a can.

Burning Oil?

Stop it!
Add Pyrral Rx-2, stops oil burning. Cures oil pumping. Quietly, it gives increases compression, insures easier starting. Reduces cam wear. \$2.00 for full quart can.

Leaky Transmission?

Radically NEW-Radically Priced

AS MUCH AS **\$9.20** PER TIRE **LESS**

U.S. Royal Super Safety 8-Nylon Tubeless 9-00-14 size

Low Profile SAFETY SHAPE Tires

This is a cross section of a conventional tire. As the weight of the car presses down, the long sidewall must flex out (more than 700 times per minute on turnpikes), generating heat way beyond the deadly 240-degree danger point.

This is a cross section of a Low Profile tire. It also must flex—but because it is lower and the sidewall is shorter, the flex is not as great. The tire doesn't work as hard. It runs cool... cool... cool. Note also the lower center of gravity. This gives more stability.

U.S. ROYALS

TYREX 2 for \$31.90

LOW PROFILE REPLACES CONVENTIONAL TIRES

Co-existence Key Plank In Communist Propaganda

Foreign News Commentary
By PHIL NEWSOM
UPI Foreign Editor

Back in the spring of 1954, Indian Premier Jawaharlal Nehru was making considerable of the five-point non-aggression pact he had just signed with Red China. Later, in 1955, it was held-up at the Bandung Conference of the Afro-Asian nations as a model of the sort of neutrality Nehru advocated.

Russians Wowed By Boogie Woogie

By ALINE MOSBY
United Press International

MOSCOW (UPI) — Conductor Leonard Bernstein jazzed-up a party for classical music lovers Wednesday night by hammering out a boogie woogie concert. It was strictly from Squaresville but the Russians loved it.

Bernstein, who is fast surpassing Van Cliburn as the darling of the Moscow music world, fascinated the Russians by exhibiting his jazz talents at a party given by the Soviet-culture minister for the New York Philharmonic Orchestra, which is nearing the end of its engagement here.

The Russians first entertained the Americans with violin music, Red Army dancers, and a puppet show. Then it was the Americans' turn to take the stage.

Nine members of the Philharmonic started a jazz session that had the Russian guests smiling and sitting on the edges of their seats.

The Philharmonic jazz was on the square side, but it got an ovation from the Russians and good-natured booing from Americans in the audience. Then Bernstein chose the classic jazz set-up of piano, bass and drums.

"I don't know what will come of this," he confessed as he sat down at the piano.

What resulted was a display of boogie woogie virtuosity that drew loud applause from the Russians. It was outdated, but good.

In some of his own earlier dealings, he now says that the Chinese tacitly had recognized the so-called McMahon line, a border line negotiated in 1914 by Sir Henry McMahon, a representative of Britain, which established India's border with Tibet.

The Reds say, truthfully, that China never formally ratified that accord. But, meanwhile, from Nehru's flank comes Tibet's ousted Dalai Lama. He says that when India recognized a nation as independent, it also recognized that therefore Nehru cannot oppose Tibet's case against China in the United Nations of now, Nehru does oppose

GOOD LIVING... YOUR TELEPHONE BY YOUR SIDE

How busy mothers do two things at once

A handy extension phone at your elbow — in your kitchen, say — makes a real difference. Call the grocer and feed your baby at the same time. Answer calls without even taking your eyes off the stove. In these and countless other ways, your telephone plays a large and often won-

derful part in today's good living. Why not order an extension or two? Choice of nine decorator colors. Just call the telephone business office or ask any telephone serviceman. Extensions cost only \$1.25 a month plus installation.
