Electoral College Change Would Represent True Vote

WASHINGTON (AP)—Southern Democratic support appeared likely for a move by Senator Lodge (R-Mass.) to put presidential elections on a popular vote basis.

Greek Army Claims Rout Of Red Forces

ATHENS (AP)—Dispatches said the Greek Army Saturday closed on Communist forces in the Grammos Mountain sector cutting the Communist forces in two.

There are some minorities in Northern states who get just about anything they want out of the political parties because the parties fear they may have the balance of power in a state with a lot of electoral votes.

Other Dixie lawmakers have said they think President Truman would not have pushed his civil rights program with the vigor he displayed if the proposed system had been in effect.

Lodge seems likely also to get strong Republican support for his proposal.

But any such change must run the gauntlet of two-thirds approval by both houses of Congress and approval by three-fourths of the state legislatures.

Marshals Await 'Axis Sally' With War Treason Charges

WASHINGTON (AP)—Mildred Elizabeth Gillars—known to GIs as "Axis Sally"—returned to her homeland from Germany yesterday to face a treason warrant. She looked tired and dispirited.

Mill Picket Tarred and Feathered

HOLDEN, Mo. (AP)—A man was grabbed out of a picket line and was tarred and feathered Friday night, Marshal Paul Snare said.

The victim was Norman W. Bailey, about 25, of Holden. Six of the Holden Mill and Elevator Company's 33 employees have been on strike since Wednesday night.

One millworker, Donny Loveall, was dragged from his car and beaten Thursday night while on his way to work, the marshal said.

Sudden minute changes in the length of a day have been observed. For instance, it increased 964 of a second in 1897 and decreased by a like amount in 1918.

The Justice Department, pointing out that a prosecution for treason requires exact evidence and two witnesses "to the same overt act," said that the inquiry into Miss Gillars' activities had presented "a prodigious task."

Miss Gillars left the U.S. in 1929 to study music in France. She went to Germany in 1934. The Justice Department said she took a job in 1940 with the official German government radio, then primarily engaged in broadcasting propaganda to England.

After American entry into the war, the department said Miss Gillars directed Berlin programs beamed at American forces in North Africa and Italy, where the troops gave her the names "Axis Sally" and "Midge."

Her program, called "Home, Sweet Home," allegedly was intended to persuade American soldiers to lay down their arms.

Red Derision For Personal Rights Shown

Few things could so strikingly dramatize communism's threat to security of state and freedom of the individual as the amazing case of Mrs. Oksana Stepanovna "Nyet" (No) as the veto was hurled into the United Nations by the Russian school teacher who escaped from the Soviet consulate in New York by leaping from a window.

And now Sweden, of all countries, has a "Kosenkina" case! As for America, we had seen small countries communized by force. We had seen purges in Red slave-states. We had listened day after day to the Soviet's monotonous machinery. We had seen the brutal food blockade against the population of Western Berlin. But none of these important

developments had brought home bolshevism's threat to our way of life so forcefully as has the story of Mrs. Kosenkina. Through her we have visualized how communism pursues the individual even unto death. The parent country of bolshevism has had the effrontery to accuse our government of having a hand in "kidnaping" Mrs.

Kosenkina, and two other Soviet school teachers in New York, Mr. and Mrs. Michael Samarin who also have refused to return to Russia. Moscow "demands" that these unfortunates be turned over to the Soviet. Meantime the "Swedish Kosenkina" case has broken, and is causing a sensation throughout that country. Lydia Makarova, a

18-year-old Russian girl who has been living in Sweden four years, refuses to return to her native country. A Swedish Foreign Office spokesman states that the Soviet Embassy has asked repeatedly if the girl be sent back to Russia. He says the Foreign Office refused the requests and warned the embassy to "leave the girl

alone." As in the American case, the Russians claimed that the young woman was being "kept prisoner." The significance of this case lies in the fact that Stockholm has been punctilious in its efforts to maintain good relations with Russia.

Government Stops Dock Yard Workers' Strike Plan

Court Injunction Issued Against Longshoremen

NEW YORK (AP)—The federal government yesterday obtained a temporary injunction barring a strike of 45,000 East Coast dock workers set for midnight last night.

Federal Judge Harold R. Medina issued the injunction against the AFL International Longshoremen's Association. It will be effective until Aug. 31.

Joseph M. Friedman, special assistant to U. S. Attorney General Tom Clark, said that on Aug. 24 the government would ask Judge Medina to expand the temporary order into an 80-day "cooling off" injunction as provided in the Taft-Hartley Act.

President Truman Friday ordered the Justice Department to apply for the order to prevent the stoppage, which he said would imperil the national health and safety.

He acted after a presidential fact-finding board reported to him that a walk-out by members of the longshoremen's association "is imminent."

A stevedores' strike would tie up foreign and American shipping in harbors from Portland, Me., to Hampton Roads, Va.

Union leaders have indicated such a stoppage probably would spread to South Atlantic and Gulf ports, affecting another 15,000 dock workers who traditionally follow the lead of their northern affiliates.

Because of a critical water shortage, Dallas residents previously had been asked to curtail water usage voluntarily.

The youngster's mother ascribed the cure to "the miracle of prayer." She said she and her husband, along with Diana's schoolmates,

Posse Finds Convict Who Fled in 1930

AUSTIN (AP)—A convict who escaped from the Texas penitentiary 18 years ago was captured today at Marble Falls, Burnet County, by a posse.

The man was identified by the Department of Public Safety as Curtis Edwards, alias C. H. Montgomery. Officers said he was 24 at the time of his escape and is now 46.

Edwards was sent to the Texas penitentiary in June, 1930, for eluding theft and escaped that year. He was charged with burglary in Burnet County.

Department of Public Safety records showed he served time in Kansas prior to 1929 on conviction of grand larceny and served 18 months beginning in Feb. 1936, for theft of domestic fowls in Oklahoma.

Edwards' capture resulted after the Amarillo Legion building at Marble Falls was broken into Thursday afternoon. Sheriff Wallace Riddell called for assistance from the Rangers in Austin as Edwards was reported armed and dangerous.

Ranger Capt. Fred Olson and sergeant Truman J. Stone joined Sheriff Riddell, together with Sheriffs Frank Shelley of Blanco County and Leonard Turbeville of Llano County.

They picked up Edwards' trail and chased him Thursday afternoon and all Thursday night. The capture came at dawn Friday. It was not definitely established until Friday afternoon that the man was the long-sought Edwards.

TABLES TURNED SINGAPORE (AP)—Police of Kuala Lumpur in Pahang state went into the jungle to hunt Communist insurgents Wednesday.

While they were away the insurgents burned down their police station. The youngsters' mother ascribed the cure to "the miracle of prayer." She said she and her husband, along with Diana's schoolmates,

Three New Canal Routes Studied

The United States is speeding up consideration of another inter-oceanic canal, since Panama refused to let the U. S. build defense sites for the Panama Canal outside the Canal Zone. Canal routes across Mexico's Isthmus of Tehuantepec and through Nicaragua are being considered, and the U. S. and Colombia have reached agreement for a preliminary survey for a proposed waterway through that country. Map shows present and proposed canals.

Mountain Fugitive Kills Sister, Self

HARRISON, Ark. (AP)—A blaze of gunfire amid the burning timbers of a crudely built frame house brought death Friday to a 60-year-old mountain fugitive and his elderly bedridden sister.

The fugitive, Heywood Brown, held a 30-man posse at bay with rifle fire for ten hours before he shot his sister, Dora, set fire to his dwelling on Buffalo River about 20 miles south of here, and then took his own life.

Director J. R. Porter of the Arkansas State Police said the charred bodies of the brother and sister were removed from the smoking ruins late Friday afternoon. Officers had sought to arrest Brown on an insanity warrant. Three Arkansas state policemen were wounded—two critically—in the siege which began Thursday afternoon. When Brown resisted, officers settled down to a "waiting game" in the heavily wooded section near Hasty. This lasted until the fugitive opened a brisk rifle fire early Friday morning. Officers returned the fire, but did so cautiously in order not to harm Brown's sister.

Vote for "Coke"

AN OPEN LETTER FROM JUDGE EWING

TO THE VOTERS OF THE PANHANDLE:

When I voluntarily retired from the Bench of the 31st Judicial District Court on January 1, 1947, it was my intention not to take any further active part in politics; however, in recent weeks my friends throughout the Panhandle have sought my views on the present United States Senator's race.

On account of the importance attached to this office, I have deemed it only proper as a citizen to publicly express my views.

My experience of thirty years as a District Judge, and in public life, affords me a fair opportunity of knowing public officials and their ability. In my mind, Coke Stevenson is the man we should send to Washington as our Senator. His record as a public official has, in most instances, been sound and for the best interest of all the people. There is no question but that he is a man of integrity and honesty, and is not afraid of hard work. Neither is Coke Stevenson a man to be swayed by passion or prejudice. He is sincere and deliberate in his thinking. His character is understood by his words when he said, "As your United States Senator, I shall hope not only to be for the right things, but to be able to do something constructive about getting the right things done."

Any man who predicates his public life on such a principle is to be commended. Coke Stevenson's principle of doing that which is right is a yardstick by which the man may be measured. Personally, I do not know his opponent, who may be a splendid gentleman; however, when the records of the two men are compared, it seems that Coke Stevenson is more a statesman than a politician, fully capable of making us a fine Senator.

In these trying times we should be careful in making our selection of public officials and should not be swayed by loud noises, or even the hum of a political airplane. Coke Stevenson's campaign thus far has been based and elevated on a high plane, which evidences the character of the man himself. His honesty, his integrity and his mature judgment are principles not frequently found in the one and same person; however, he is the proud possessor of these principles. Coke Stevenson should make us the kind of Senator to which the people of Texas are entitled, serving with both honor to himself and his State.

I, therefore, have decided to endorse Coke Stevenson for United States Senator, and hereby do so, using this means of informing my friends of my choice. I submit him and his record, and the things for which he stands to the people of this section of the State, with whom I have lived for more than fifty years.

Respectfully submitted,
W. R. EWING.

Child Victim of Medieval Torture

ATLANTA—(AP)—A man and woman were charged Saturday with inflicting medieval tortures on their seven-year-old daughter they accused of stealing 25 cents.

Fulton County Policeman Stephen Nicholas said the couple was arrested after neighbors complained the child was forced to hang from the crotch of a peach tree, in a driving rain, for more than an hour.

Nicholas said the parents, Mr. and Mrs. W. Cox, were released under bonds of \$200 on charges of cruelty to a minor child.

"The parents admitted to us that they 'punish' the child," Nicholas said.

Scout Leader Pow-Wow Set Popularity

The first Cub Scout leaders pow-wow will be held from 2-9 p.m., Sept. 18, at the Pampa High School, Ervin F. Glasgow, general chairman announces.

Glasgow, cub commissioner of the Hutchinson County District, is located at Phillips, Tex. The pow-wow will be a training seminar for all Cub Scout leaders, Glasgow said.

Cub leaders from Hutchinson, Carson, Roberts, Ochiltree, Lipscomb, Hemphill, Wheeler and Gray Counties will participate. Each pack has been asked to have two persons enrolled in each of the activities at the pow-wow. Only one activity may be taken by any one person.

The activities will include: pack administration under the chairmanship of Al Pajen of Guymon, Okla.; handicraft, Myles Morgan of Pampa; games, B. M. Baird of Phillips; ceremonies, Charles Sneath of Borger; exhibits, O. R. Kiphard of Borger; promotion, E. O. Wedgeworth of Pampa; physical arrangements, Huey Lynn Laycock of Pampa.

At 6:30 p.m. in the High School cafeteria there will be a blue and gold banquet for all who are attending the one-day meeting. Between 200-300 Cub workers are expected to attend the meeting.

The pow-wow has been set up as an actual workshop, not merely as a discussion of Cub scouting activities. On Sept. 25, the same program will be sponsored at Guymon in order that the entire Adobe Walls Area Council will be able to attend the pow-wow.

Gasoline Tank Farm Is Ablaze

GUAM—(AP)—Fire visible for miles raged through the huge U. S. Navy aviation and mobile gasoline tank farm five miles from Apra Harbor today following an early morning explosion.

Fire trucks were summoned from the whole island and hundreds of service men were battling the blaze.

Flames and smoke towered a thousand feet in the air over the oily inferno.

Bubonic Plague Found In Gaines County

AUSTIN—(AP)—Citizens in the Gaines County area had been warned today to avoid contact with sick or dying rodents or their fleas after a prairie dog with bubonic plague was found on the edge of Cedar Lake.

"Bubonic plague is not directly communicable from man to man," State Health Officer George W. Cox said. "It is transmitted by rodents, particularly rats and ground squirrels, and their fleas."

Plague bacilli have been found recently in pools of fleas collected from field rodents in Dawson, Cochran and Gaines Counties.

CLEAN-UP

(Continued from Page 1) of Commerce and Rodeo Association's loud speaker.

"Neslage started the good work in Ward I Friday by starting to cut the weeds in the alleys of the block between Louisiana and Pennsylvania," Matthews said. "It was not long until residents from the whole block joined him and the alleys were filled with weeds Friday night."

Residents are urged not to put trash in the alley behind their houses after the trucks have made their rounds. If each ward will cooperate and get the weeds cut when scheduled by the City Commission, Pampa can be made the cleanest city in Texas, Neslage said.

Charles Lamka, Lions Club clean-up chairman, Roy McMillen and Paul Brown will drive through Ward II, east of N. Cuyler and north of E. Foster, this afternoon and tomorrow, reminding Ward II residents their work day is tomorrow and the pick-up day Tuesday.

"We challenge every citizen of Ward II to cut every weed in the alleys to cut off the mosquito and fly breeding places so that we may have the cleanest ward in town," Lamka said.

The Lions Club will have four privately donated trucks to be added to the four country trucks for the Tuesday trash pick-up.

The Rotary and Lions Clubs will work together on Wards I and II while the Junior Chamber of Commerce and Kiwanis Clubs will cooperate on Wards III and IV.

CLASH FEARED

(Continued from Page 1) erected a barbed wire barricade. They also have painted a broad white line to mark the border and have erected new boundary signs in English, Russian and German. Behind the line reinforced British military police units and British sector German police patrolled the street.

Strengthened American military police units were nearby. The Western sector's police chief, Johannes Stumm, sent more of his men to the border zone.

It was in this area that the street conference took place. A Russian jeep with two senior lieutenants rolled up to U. S. Deputy Provost Marshal Lt. Col. E. R. Kelly. Behind them was a jeep loaded with Russian tommy-guns.

The Russians began by asking "for cooperation between Soviet and Western controlled police to clear out German crowds gathered along the sidewalks of the American sector," Col. Kelly told reporters.

"No," responded Kelly. "If there is any action to be taken, it will be done by the Americans without Soviet assistance. As long as they commit no offenses, we will take no action."

Kelly said one of the Russians asked, "Why are American jeeps around?" He said he answered "To keep Soviet personnel out of the American sector, to prevent sorties and seizures."

They in turn replied "as long as the United States keeps jeeps and personnel here, the Russians will do the same."

British officials said the incidents of the last three days showed the Russians were switching from a policy of non-violence to one of stirring up civil commotion in this blockaded city.

It was led off on Thursday, they said, by the gunfire raid of Soviet sector German police on black marketers in Potsdammer Platz which turned into a violent anti-Communist riot by angry, stone-throwing Germans.

The change in Russian tactics in the British view, is an attempt to cause public confusion and turmoil in the hope of making the Western Allies' isolated position here untenable and so drive them out of the city.

Atlantic Flight Is Completed

DETROIT—(AP)—Fifteen F-80 jet fighters, completing the first jet-propelled roundtrip Atlantic flight in history, landed at their Selfridge Field home base yesterday at 2:21 p. m. (CST).

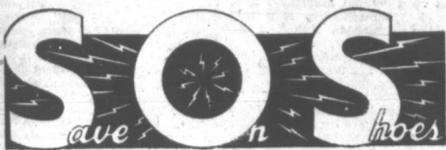

One plane in the squadron of 16 was held up at Dow Field, Bangor, Me., on the return trip from Germany. It was expected later.

Passengers Stop Bus as Driver Dies at Wheel

BEAUMONT—(AP)—Joe Coplan, 43, died at the wheel of a bus in which he was bringing workers home to Beaumont from their jobs at a nylon plant in Orange Wednesday, but all passengers escaped injury.

Passengers near him stopped the bus.

The word "nerve" originally meant tendon or sinew.

WORTH OF SCHOOL BONDS!

**Will We Have Our
 Oil and Gas Fields
 in 1963?**

Who can tell just how much longer our oil and gas will hold out? Maybe by 1963 there will be nothing left in Pampa but a lot of "new-looking" gymnasiums and other recreational school facilities. Oil or no oil, the \$1,500,000 will have to be paid if the bond passes Tuesday. Let your conscience be your guide when you're voting, and we won't be another million and a half dollars in debt.

Vote "NO" Tuesday
IN THE SCHOOL BOND ELECTION

We Believe in...
All Necessary Classrooms

We most certainly don't want to deprive our children of adequate rooms in which to get a good elementary education. However, with the present value of a dollar at only 42 cents wouldn't it be better to put up some temporary schooling facilities until building costs get reasonable?

**But Let's Wait 'Til PRICES
 Are In REASON To BUILD**

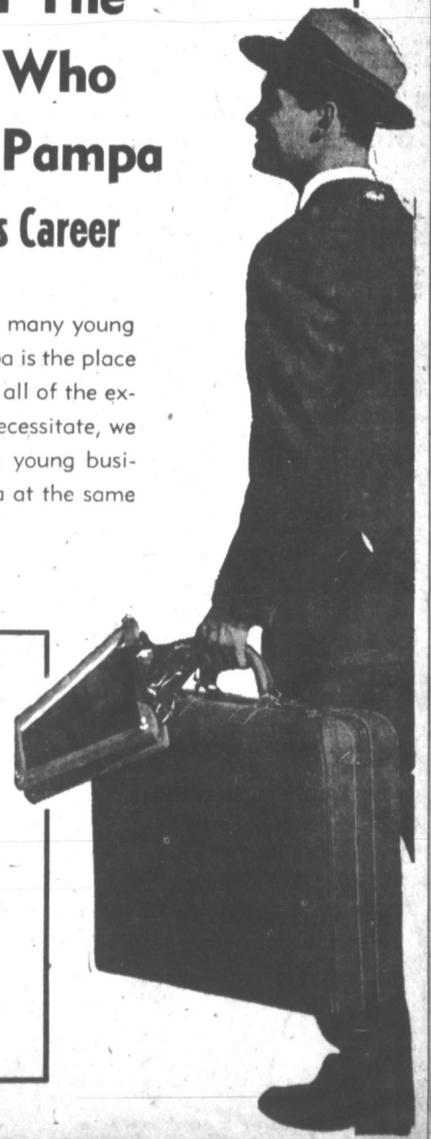

\$1,500,000 is an "awful lot" of dollars--- and it will seem like an "awful lot" more when and if we start paying it. We believe it would be better to let the extra recreational facilities that the school bond provides go until after we have adequately taken care of the schoolrooms

(Signed)
CITIZEN'S COMMITTEE
BILLY B. DAVIS, Sec'y.

**Don't Burden The
 Young Man Who
 Might Choose Pampa
 To Start His Business Career**

If the bond is passed, how many young businessmen will feel that Pampa is the place to start making a living? With all of the extra taxes the school bond will necessitate, we believe many of our promising young businessmen will pass out of Pampa at the same time.

BRAVES MAINTAIN LEAD WITH TWIN BILL SPLIT

The Boston Braves preserved their slim one-game margin over second-place Brooklyn in the National League pennant scramble by dividing a double-header with the Dodgers yesterday.

The Dodgers won the opening game, 8-7, after getting away to a running start in the first inning with five runs off Johnny Sain. The Braves came back to take the night, 6-2, on a brilliant four-hit pitching job by southpaw Warren Spahn.

The Braves' lefty wasn't scored upon until the ninth inning, when Bruce Edwards hit a home run for Brooklyn's lone tally. The Braves collected both of their runs in the fifth inning on doubles by Frank McCormick and Clint Constanter and a single by Sibby Sisti. Jackie Robinson of Brooklyn and Jeff Heath of Boston hit home runs in the first game.

Big John Mize smacked a pair of homers to pace the New York Giants to a 6-5 win over the Philadelphia Phillies. Mize hit his 30th round-tripper of the year in the second inning with the sacks empty. Mize slammed out number 31 in the eighth inning with two mates aboard. The two homers yesterday put Mize into a tie with Ralph Kiner of the Pittsburgh Pirates for the league lead. Walker Cooper also homered for the Giants and Del Ennis hit a three-run round-tripper for the Phillies.

The Cincinnati Reds blanked the Chicago Cubs, 2-0, as Johnny Vandermeer pitched a five-hitter for his 11th win of the year. Benny

Harvesters End Week Of Training

The Pampa Harvesters completed their first week of grid practice last night as 37 boys were put through their paces by Coaches Tom Tipps and Aubra Noncaster.

The Harvesters hopefuls have been holding daily workouts beginning at 7 p.m. at Harvester Park. The Harvester mentors have been stressing blocking and tackling with only seven lettermen back from last year's squad.

LAMAR LIVELY, 160-pound quarterback and letterman from last year's squad, is expected to shine in the Harvester backfield this year. He was an understudy to Charlie Laffoon all last season and proved his ability when he filled as field general when Laffoon was injured and out of the line-up for two games.

Loop Finish Close; Skelly Still Leads

Although shut out 11-0 last week by a rejuvenated Magnolia nine, Skelly continues to lead the Industrial Softball League as the next-to-last week of competition begins.

The white-washing was Skelly's second loss of the season, the other being a 10-3 setback at the hands of Furr Food.

The second-place Phillips outfit lost its fifth contest of the season Thursday evening when the Cabot Shops nine took the game, 9-6. Cabot was then defeated in an extra-inning tilt, 7-6, by Furr Food Friday night in one of the closest games seen all year.

The complete season's standings and next week's schedule is as follows:

Team	W	L	Pct.	GB
Skelly	25	2	.926	
Phillips	20	8	.833	1 1/2
Furr Food	22	8	.733	4 1/2
Cabot Shops	16	9	.640	8
Magnolia	16	9	.640	8
Jaycees	15	10	.600	9
Cities Service	15	10	.600	9 1/2
Master Cleaners	10	18	.435	13 1/2
Pampa News	11	17	.393	14 1/2
Humble	6	24	.200	20 1/2
Ideal	2	22	.091	22 1/2

Monday — Magnolia vs. Cabot Shops and Ideal Food vs. Humble.
Tuesday — Master Cleaners vs. Skelly and Pampa News vs. Furr Food.

Wednesday — Cabot Shops vs. Phillips and Magnolia vs. Ideal Food.

Thursday — Furr Food vs. Cities Service and Jaycees vs. Pampa News. Phillips vs. Master Cleaners at Phillips.

Friday — No games scheduled. Anyone wishing to play a make-up game Friday night is asked to call The News Monday morning.

The first four teams in the league will participate in the play-offs with the first-place club meeting the fourth-place outfit and the second-place nine going against the third-place team. These series will be the best two out of three while the final play-off will be a four-out-of-seven series.

Golf Tournament Starts September 3

The eighth annual Top O' Texas golf tournament is scheduled to get under way September 3, at 12:30 p. m. when an array of outstanding golfers from the Texas Panhandle, Oklahoma, and New Mexico assemble for competition at the Pampa Country Club.

This will be the first pro-amateur affair at the Pampa club and an excellent turn-out is expected, according to Johnny Austin, local professional-linkster.

Qualifying rounds for the tournament will be played Saturday, Sept.

Local players who do not desire to try for medalist honors may begin qualifying on Aug. 28. Out-of-town players will be able to mail in qualifying rounds to Johnny Austin, Box 809, with the exception of those trying for medalist honors. Entry deadline is 2 p. m. Saturday and all scores must be posted by 6 p. m. of the 28th.

A Calcutta Pool and Dutch Lunch will be held at 8 p. m. Aug. 28.

Match play will begin Sunday, Aug. 29 and the semi-final and final rounds are to be held Monday, Sept. 6. Prizes will be awarded to all winners at 6 p. m. on

the same day that the tourney is completed.

A record-breaking entry list is expected, including such golfers as Chuck Klein, Joe Houck, Vern Farquhar, Gene Mitchell and Herb Schroder.

Other linksters expected to attend are: Bill Cole, Quanah; Billy Holmes, Shamrock; Bill Houck, Borger; Doc Stewart, Borger; "Pappy" Rogers, Borger; Guthrie O'Neil, Borger; Jack Williams, Plainview; Jack Garrett, Plainview; Zade Watkins, Clovis; Jack Parr, Electra; Hub Meyers, Electra; Bill Jones, Altus; Dodie Cole, Frederick; Harry Wilbur, Canadian; Charlie Douglas, Canadian; J. H.

JR. TOURNEY FINALS TODAY

The first Pampa Country Club Junior Golf Tournament will be completed this afternoon when the final round in both the championship and first flights will be held.

Tee-off time is set for 1:30

Thorne, Childress; Ross Magee, Childress; Clarence McGinnis, Pampa; Malcolm Douglas, Pampa; Mark Heath, Pampa; Roy Powell, Pampa; and Grover Austin, Jr., Pampa.

when Jimmy Croward matches strokes with Mickey McCray in the championship bracket and Don Hicks goes against Paul Howell in the first flight.

All four boys have swept through all competition during the last two weeks to reach this final lap. Trophies will be awarded immediately following the matches.

The New York Rangers of the National Hockey League suffered only two shutouts last season as compared with five the campaign before.

Rebel Hero's Grave Will Move With RR

Vets' Housing Chiseling to Get Airing

WASHINGTON (AP)—U. S. district attorneys and federal housing expeditors from all parts of the country met here to map a new drive against chiseling in veterans' housing.

The Justice Department, which arranged the conference, said its aim is "an all-out campaign against those individuals who have violated federal laws in the construction, sale and financing of veterans' homes."

Attorney General Clark brought in 21 district attorneys from the nation's most popular areas. Housing expeditor Tigue E. Woods assembled the seven deputy housing expeditors for Veterans affairs.

Members of the Veterans Administration legal staff were invited to join the two-day session. The Justice Department said it has not compiled exact statistics on legal action taken thus far on the thousands of G. I. squawks but that hundreds of investigations have been and are being pursued by the FBI.

The railroaders and townfolk wonder if it is right to move the grave, and yet they agree it is better to move it than have their Unknown Hero covered with water.

Palaver de Pampa

PERILS O' PEG O' PAMPA—Haven't picked up a current magazine in months that some psychiatrist hasn't been expounding his views and theories on psychosis and neurosis. It's alarming how popular the words are becoming. I, for one, number among those who thought the words came from the war... along with blitzkrieg, Gestapo, M-Day, D-Day... my inability to comprehend, I've read the articles and grown more confused each time. Even found myself wondering if I might be a little on the neurotic side. Anyway, the dreaded word "neurosis" has invaded my home, and I'm stumped for the time being. I had shunted my eldest off to sit in the corner for marking on my new wallpaper with his crayons. After sitting in deep thought for a few minutes, he turned and in a very decisive tone informed me: "Mama, I'm going to grow up to have new roses if you don't stop warping my 'creative 'stincts'." This threw me for a loss. Things were getting out of control. I quietly asked him just what was "new roses" with a disdainful look, as if I were far behind the times, he informed me: "Why, mama, don't you know? You want new roses when you get what you don't want... or you don't want what you get." I've always made an effort to explain things to my Indians in a simplified form, but this had me flustered. With a few simple words he had given his explanation to me. I returned to the kitchen to ponder the question, and he went about serving his sentence while lustily singing "peekin' thru the keyhole, watchin' Jolie Blon."

GOOD, CLEAN FUN—A thing I like about national campaigns is that the Democrats try as hard as they can to carry Vermont, and the Republicans, as far as I can see, try as hard as they can to carry certain Southern States. They organize. I believe they even hold meetings—in each case. This is good, clean fun, of a sort rarely found in other countries. It keeps the participants out of mischief, and when they fall in their efforts, as they always do, they are not really riled about it. The game for the game's sake is politics here, just as it is, or used to be, cricket in England.

WEALTH IS HEALTH—The ancients said the love of money is the root of all evil, but apparently this is only true of small change. Some science students in Providence, R. I., have discovered there are bacteria on pennies and nickels and more diseases than a laboratory guinea pig; but that dimes, quarters and half-dollars are comparatively sanitary. I suppose a ten-thousand dollar bill is positively aseptic. What this teaches me is that for the sake of my health I had better get as rich as I can and not have to handle small change. If anyone charges that I am grasping, I shall say that I am doing it on doctor's orders.

SUP OF THE WEEK—After a quick glance at the invitations of the C. H. Connelly's for a recent dinner date, one well-known spouse said to her husband: "Honey, we're invited to a party for the Jack Bennys."... the reason: the evening was in honor of Mr. Connelly's son-in-law and daughter, the H. B. Jacobinis, from South Carolina. Mrs. Jacobini's an attractive brunette.

WITH THE LEAVING of Jean and Charles Cook to spend the winter in Riverside, Calif., numerous events were held honoring the popular couple. Among those—a coffee held in the home of Marlene Rose on Saturday and a bridge luncheon held Tuesday in the Triplehorn home, with Lil Kuhn, Marge Reynolds and Albertine Triplehorn as hostesses.

OFFICIALS are working to retain the local U. S. Weather Bureau station, now scheduled to close Sept. 1. Reason for closing is the failure to pass a deficiency appropriation bill by Congress.

H. W. Clodfelter and sister, Mrs. E. M. Keller, visited in Belle Plaine, Kans., for a family reunion, which, we hear, was attended by 110 relatives. Lots of fun and food was had by all—and the food included a huge fried chicken dinner. This came about when 32 chickens were routed via the skillet.

RUTH DANIELS, sister of Betty Juillard, is returning this week to her home in Canton, Ohio—a converted Texan, we hear. While visiting here, she learned to love our Texas climate and people—Ruth promises to return next summer for the rodeo—with her husband and their two daughters, Dana and Margaret.

AN EARLY MORNING bridegroom breakfast was held in the J. R. Holloway home on Mary Ellen this past week, when hostesses Zenobia Holloway and Lois Sheehamer entertained about 40 gals... an inviting fruit centerpiece and colorful floral arrangement made attractive setting for the winsome lassies. One outfit that caught the eye especially was that of Jane Reynolds—a black and pink checked sundress with matching shawl... and a wonderful time was had by all.

PANORAMA—Wedding bells will ring for Pat Bissett and Jerry Thomas... Best wishes to the happy couple... After picking up their children from summer school, Dr. and Mrs. Calvin Jones will spend a week in Colorado... proud owners of a new home on Dunce are the Wayne Robinsons... Members of the Kit Kat Klub catching up on their sleep after a recent slumber party at the W. L. Campbell home... that "Friendly Bank" is at it again—this time a surprise call with pink and blue items on Williston (guests brought hot coffee and cake, too)... We've received word from Mrs. Stewart Hissel of Oklahoma City—the former Helen Marie Jones of Pampa... that a new visitor named Marcia Lynn arrived last month Helen Marie is the daughter of Mr. and Mrs. William Carl Jones... Everyone is awaiting the opening of the Country Club which is to be soon, 'tis said—the holdup, or bottleneck, is over some tile which has been ordered and will be here soon... new caretakers of the club are Mr. and Mrs. A. E. Wild... Lillian Kelley, Nadine and Bert Arney are off for a week in West Texas (now where would that be?)... Murray Body and R. J. Bradley are both sporting new cars and are they beautiful... softball enthusiasts are the J. E. Keoughs—even the baby loves to watch the games... Disillusioned: for weeks I've been admiring the fruit and vegetables in the front of Floyd Walker's Grocery, and learned only a day or so ago that those appetizing tidbits (beautiful, too) are artificial... Weekend guest in the Frank Culbertson home was Mrs. R. B. Fisher, former resident of Pampa. She reports that her son Brent is taking voice lessons and the teacher says he will top his dad singing (which will be no easy task).

We're gettin' in the "short rows";
It's soon back to school—
Do I have one that goes?—
I'm not sayin'—that's a clue!

S. Carolinians Are Honor Guests At Dinner Dance

Mr. and Mrs. C. H. Connelly entertained last Wednesday evening in honor of his son-in-law and daughter, Mr. and Mrs. H. B. Jacobini of Charleston, S. C. The affair was held at the Terrace Grill and music for dancing was furnished by Ken Bennett's orchestra.

The three-course dinner was served at a large U-shaped table which was decorated with a low line arrangement of multi-colored gladioli flanked by burning white tapers in white pottery holders. The light from individual candles furnished the only illumination for the table.

Mrs. Jacobini was presented with a corsage of red rosebuds. Guests, other than the honorees, included Messrs. and Mesdames Bertson Doucette, Tom Lindsey, Steve Matthews, Vardell Nelson, Jim Arndt, Frank Fata, Guy Lemond, L. R. Gise, Howard Buckingham, W. L. Boyles, Jack Nimmo, Tom Wade, Parks Brumley, Ed Givens, Miss Va. Rue Dyeon and Louis Sprinkle. Miss Pat Miller and Jack Morgan, Miss Georgia Crutchfield and Dick Sorrell, Mrs. Lena Willis and Dick Kennedy.

Mr. and Mrs. Jacobini have been visiting relatives and friends in and near Berger and Pampa for ten days. On their return trip to Charleston, where he is instructor in The Citadel Military College, they will take a circle route to the North visiting points in Canada.

Mrs. McNutt Is Hostess at Supper And Installation

The American Legion Auxiliary held its regular meeting and installation of officers Thursday evening on the lovely back lawn at the home of Mrs. E. E. McNutt. The members and visitors enjoyed a delicious potluck supper after which the following officers were installed by Mrs. L. K. Stout, Eighteenth District president and Mrs. L. R. Franks acting as sergeant-at-arms: Mrs. McNutt, president; Mrs. Mike Roche, first vice president; Mrs. J. J. Kiser, second vice president; Mrs. O. L. Statton, secretary; Mrs. Roy Sewell, treasurer; Mrs. Vera Riley, chaplain; Mrs. L. K. Stout, historian; and Mrs. Frances Schwind, sergeant-at-arms.

Mrs. Al Lawson reported on the auxiliary contributing to the support of a French orphan, Marie France Alin, who is two years of age living at St. Die, Paris, France. Mrs. Hupp Clark reported on the part the local unit took in the carnival held recently in Amarillo. The next meeting will be on the lawn of Mrs. H. McBride, 608 E. Foster, Sept. 9.

With those already mentioned, were present: Mesdames Frank Yates, R. B. Dial, Clyde Martin, M. Turner, W. H. McBride, Paul Hill, W. L. Heskey, W. P. Vincent, Frank Lord, and C. L. Shimek, and Mrs. Stella Holland of Tulsa, Okla.

Mary Class Gives Family Picnic

The Mary Class of the First Baptist Church held a picnic supper for members and their families on Friday, Aug. 13, in the yard at the home of Mrs. Ernest Aray, 1441 Charles. Hamburgers, baked beans, potato salad and homemade ice cream were served to 33 persons. Cooked dried beans may be marinated in a dressing of vinegar, served on crisp salad greens for a first course.

The bride was attired in a sea green gardenia ballerina suit. Her blouse was of white lace and her costume was accented by a black picture hat and black accessories. Her corsage was of white gardenias and she carried out the tradition of wearing something old, new, borrowed and blue.

Mrs. Chambless was graduated from the Lefors High School in 1947 and is now employed at Murfee's, Inc.

The bridegroom was graduated from Lefors High School in 1946. He plans to continue his studies at Texas A&M College in September. He is a Junior.

Mr. and Mrs. Chambless are now at home at 1121 E. Francis.

John Arden Knox and Dallas Girl To Marry in Little-Chapel-in-the-Woods

Miss Joan Rowland

Mr. and Mrs. C. H. Rowland, Dallas, Texas, have announced the approaching marriage of their daughter, Joan, to John Arden Knox, son of Mr. and Mrs. James A. Knox of Pampa.

The wedding will take place in the Little Chapel-in-the-Woods in Denton, September 4. The bride-elect is a graduate of North Dallas High School and she has attended North Texas State College. Mr. Knox is a graduate of Pampa High School and received his B.S. and M.S. degrees from North Texas State College.

Jaycee-Ettes Start Plans for Formal

The Jaycee-Ettes held their regular luncheon Wednesday, Aug. 18, at the Terrace Grill. Plans were started for their big Fall Formal. All the members with their president were invited to attend a reception in City Club Rooms, in honor of all the different women club presidents.

Two new members welcomed into the club were Mrs. Joe Black and Mrs. Ken Reeves. Members present were Mesdames Joe Fischer, Floyd Watson, Jack Nimmo, Jan Arndt, Rusty Ward, Lee Cisneros, Z. R. Osborn, Don Foster, H. F. Cook, Wilford Boyles, Frank Fata, E. A. Johnson, Herman Dees, Artie Arregut, Elmer Francis, Jack Vaughn, John King, Tom Tipps, and D. Brown.

Pitted cooked prunes may be cut in slices and added to sweetened whipped cream, then chilled, for a quickly-made dessert.

A quick and delicious dessert is one of steamed figs, a white cheese such as Camembert or Brie Paese, and crisp crackers.

One pound of smelts is sufficient for two people. They may be fried in deep fat, broiled or baked. They should always be served with wedges of lemon. If possible adults should eat four or five eggs a week. If not served at breakfast they make good luncheon dishes.

Bride-Elect Is Guest of Honor At Two Parties

Mr. and Mrs. Russell A. Chisholm, 800 N. Gray, have announced the engagement and approaching marriage of their daughter, Ann, to William Arthur Jourdan of Albuquerque, N. M. The announcement was made at a ten o'clock breakfast given Sunday morning, Aug. 15, by the mother of the bride-elect. White gladioli were used in the dining room decorations and deep red in the living room.

The breakfast was served at card tables, each centered with four green cornucopias arranged in geometric design around an ivory candle and filled with ivory colored flowers.

Engraved calling cards bearing the inscription "Mr. and Mrs. William Arthur Jourdan" across the face and the words "After September 8" in the corner revealed the details of Miss Chisholm's plans. A card was linked to each cornucopia with a gold foil "wedding ring."

The breakfast was attended by the following guests: Mesdames Raymond Reid, William Bridges, George Cree, Jr., Bill Davis, James Leverich, James Evans, Misses Mary Ellen Haley, Patricia Bissett, Mary Bellamy, and Patricia Dunigan. Mrs. Dan Downey of West Palm Beach, Florida, Misses Marilyn Hermann and Rosemary Hermann of Amarillo and Mesdames Lou Grapenhein and Aubrey Green of Berger, and Misses Jean and Colleen Chisholm.

Miss Chisholm's marriage to Mr. Jourdan on Sept. 8 will take place at Mass in Holy Souls Catholic Church with the Very Rev. O. W. Meyer, C. M., witnessing the vows at 9:30 in the morning.

The V. L. Boyles home, 817 N. Gray, was the scene last Wednesday of a lovely coffee complementing Miss Chisholm.

The bride-elect's chosen colors of ivory and green were used in decorations for the occasion. The table was laid with an ivory colored Italian cutwork cloth over green and centered with an arrangement of ivory gladioli flanked by ivory and green candles. Gifts of linen were presented to the honoree by the guests, all of whom are neighbors of the Chisholm family. Those attending were Mesdames George Appleby, Frank Keim, Clayton Husted, Bud McCuiston, James Nation, William Dixon, John McFall, Vernon Moore, Russell Chisholm, and the Misses Jean and Colleen Chisholm.

A combination of mayonnaise and sour cream makes an excellent dressing for red and white cole slaw; add celery salt or celery seeds for flavoring.

Plans for "Messiah" Presentation Are Being Made

The Pampa "Messiah" leaders are making preparations for a bigger and better Messiah this year under the leadership of Mrs. May Foreman Carr, local director, and Professor Kerns, director of music at the First Methodist Church. It is the custom to give the great oratorio in Pampa, and also for the Pampa singers to unite with the mammoth chorus in Amarillo during the Christmas season.

Plans are already being made to rehearse with a group of singers in Canadian who will augment our chorus here at the time of the performance.

The first rehearsal is scheduled for early in September at which time a business meeting will be held to organize and elect officers for the coming year. Those in charge are asking all Pampa singers to watch for the announcement of date of first meeting.

WMU PLANS SILVER TEA

The First Baptist Church WMU will have a silver tea Wednesday afternoon, Aug. 25, in the church dining room. Offerings will be received for "Bunney" gifts to the Margaret Fund students. There will be a special musical program.

Texas Couple United in Marriage on Anniversary of Parents' Weddings

Mrs. Clifton C. Kelly

Mrs. McCall and Mr. Lyon United in Marriage

Mrs. Betty McCall, 717 E. Campbell, and Robert Lyon, Chillicothe, Tex., were married on Sunday, Aug. 15. The singling ceremony was performed at 2 o'clock by the Rev. Collins Webb in Calvary Baptist Church, in the presence of members of the immediate families of the couple.

The bride wore a brown gardenia suit with beige hat and accessories. Her corsage was of white carnations.

Mr. and Mrs. Lyon are making their home on his farm near Chillicothe.

Miss Maiden Is Shower Honoree

Miss Margaret Maiden, bride-elect of Billy Van Huss, was honored with a miscellaneous shower Wednesday evening in the home of Mrs. A. H. Gibson, 528 N. Christy.

Mrs. Tommy Vickery and Mrs. Charles Brethauer were co-hostesses with Mrs. Gibson. Corsages of white and blue asters were presented to the honoree and her mother, Mrs. Oscar Maiden. Blue and white candles and blue and white asters formed the decorations for the entertaining rooms.

Appropriate games were played after which refreshments of grape punch and cake were served. Attending the party, besides those mentioned, were Mesdames M. N. Weir, R. D. Nice, H. A. Blymiller, Virgil Van Huss, Lee Garrison, Nelda Mundy, Boyd Stephens, Harold Stephens, W. C. Epperson, A. A. Russell, Holly Gray, James Gray, and Misses Suzanne Hutchinson, Vivian Gray and Nila Hickey.

Francine Stockton's Betrothal to Don C. Duggan Revealed by Parents

Miss Francine Stockton

Mr. and Mrs. M. W. Stockton, 615 N. West, are announcing the engagement and approaching marriage of their daughter, Francine, to Don C. Duggan, son of Mr. and Mrs. John G. Duggan, Nacoma, Texas. The wedding is to take place September 18 in the home of the bride.

WHITE DEER (Special) — On August 12, the twenty-fifth wedding anniversary of the bride's parents and the thirty-second wedding anniversary of the bridegroom's parents, Miss Shirley Evans, daughter of Mr. and Mrs. Frank E. Evans of White Deer, became the bride of Clifton C. Kelly, son of Mr. and Mrs. D. F. Kelly of Lake Dallas, and Rev. M. E. Wells read the double-ring ceremony at 8:30 o'clock in the First Baptist Church here.

The sanctuary was banked with woodwardia fern and lighted by white tapers in tall candelabra entwined with fern and white gladioli. White candles and bouquets of white gladioli tied with white satin ribbons marked the aisle. The candles were lighted by the junior ushers, Tom Horn and Franklin Hussey, a cousin of the bride.

Introducing the ceremony, the bride's cousin, Mrs. Douglas Smith of Panhandle, organist, played "Liebestraum" and "Indian Love Call," and accompanied her sister, Mrs. J. T. Broadway of Canyon, as she sang "Through the Years," "Because," and "A Wedding Prayer." The traditional wedding marches were used, and during the ceremony Mrs. Smith played "Clear de Lune," the theme of the bridegroom, served as best man, and Henry Gregory of Denton and J. T. Broadway of Canyon. (See COUBLE, Page 14)

Miss Tindall Is Honored at Tea and Miscellaneous Shower

SHAMROCK (Special) — Highlighting the social affairs of the week, was the tea and miscellaneous shower complimenting Miss Loree Tindall, daughter of Mr. and Mrs. Hubert Tindall, who is the bride-elect of Hickman Brown, Jr. of Dallas, given at the home of Mrs. Earl Koger Tuesday afternoon.

Hostesses for the affair were Mesdames Koger, S. L. Draper, J. H. Caperton, H. H. Williams, H. W. Coffman of Wheeler, and Miss Janet Caperton.

Decorations throughout the entertaining rooms featured pink anthuriums, roses, tritomas, Peruvian lilies, pastel daisies, and gladioli.

In the dining room a beige and blue motif, chosen colors of the bride-elect, was carried out in decorations. The table was laid with a beige cloth of Italian cut-work. The central arrangement was of pale blue feverfew and miniature pompons. A crystal punch bowl at one end of the table, was encircled with gardenias. Tall white tapers in crystal holders completed the setting.

The honoree wore a brown orchid corsage, and her mother wore a green orchid. All members of the house party wore corsages.

In the receiving line were Mrs. Koger, the honor guest and her mother.

Mrs. Guy Hill, aunt of the bride-elect, and her grandmother, Mrs. A. N. Holmes, poured refreshments during the afternoon. Miss Joy Williams and Mrs. Robert Laycock assisted in the dining room.

Mrs. B. F. Holmes directed the guests to the gift room where Mrs. J. M. Tindall presided.

Mrs. Tom Risley of Amarillo, was in charge of the guest register.

Recorded music was played during the receiving hours. About one hundred called during the afternoon.

Couple

(Continued from Page 13)
The flower-girl, little Lynn Nowlin of Vernon, a cousin of the bride, wore a white organdy frock in off-the-shoulder style with a three-tiered scalloped skirt worn over an heirloom petticoat of tucks and embroidery. Vaughan Nowlin, dressed in a white wool suit, carried the ring on a white satin pillow.
Given in marriage by her father, the bride wore a magnolia satin gown designed with long torso, long pointed sleeves, a wide berth of tucked satin, and a double bustle on the full skirt, which extended into a circular train. Her three-tiered finger-tip veil was attached to a double ruffle caught at the sides with clusters of hand-made organdy blossoms centered with pearls. She carried a fan-shaped bouquet of pink mairne and Miss Chambers' and Miss Tanner's of chateaufe mairne.

Refreshments of ribbon sandwiches, cookies, mints, and punch carried out the color scheme. Plate favors were tiny white Bibles containing a "family record" with the entry "Dorothy Nell Minter and Charles Yates, Jr., married August 22, 1948." A green ribbon inscribed in gold "Dot-Charles" fastened the gate to the "Garden of Love."
Miss Peggy Travis registered the guests and Miss Bonnie Baten served the punch.
Mrs. R. Y. Corder was in charge of the program, which was of white roses and gladioli backed by white mairne and loops of satin. As ornaments she wore a cameo pin which belonged to her paternal grandmother, the late Mrs. C. E. Evans, and has been worn by each granddaughter for her wedding, and a gold bracelet belonging to her maternal grandmother, Mrs. P. K. Brian, Sr., of Amarillo.
The bride's mother wore a brown crepe dress with blending accessories and the bridegroom's mother was attired in dark blue with black accessories. Their corsages were of lavender orchids.
Wearing a chateaufe formal dress, Mrs. Jess Stowe, a sister of the bridegroom, registered the guests at the church.
After the ceremony a reception was held in the home of the bride's parents. The refreshment table was covered with a mairne cloth, and centered with a fan-shaped bouquet of American beauty roses flanked by white candles in silver holders. Mrs. Jess E. Evans served the cake and Mrs. Stowe poured punch.
The couple left immediately on a wedding trip. For traveling the bride wore a winter-reen wool jersey dress with dark brown accessories.
Mrs. Kelly attended White Deer High School and was graduated last spring from Mary Hardin-Baylor College, where she majored in home economics. As a student there she was a member of the annual staff, president of the Royal Academia Literary Society, state president of the college home economics clubs, and was listed in Who's Who in Colleges and Universities.
Mr. Kelly is a graduate of Sanger High School and North Texas State College, with a major in business administration. During the war, he participated in the Navy V-12 program.
After their wedding trip, the couple will be at home in Grand Prairie, where Mrs. Kelly will teach home economics in the Junior High School and Mr. Kelly will be an executive trainee with the Sears-Roebuck Company in Dallas.

Dorothy Nell Minter Complimented At Lovely Miscellaneous Shower

WHITE DEER — (Special) — presented as a radio program from Station LOVE. Miss Travis was the station announcer and Miss Dorothy Barnett was master-of-ceremonies. Featured were a comic song by "Three old maids"; a skit on "How Dot Got Her Man," by Miss Roberta Corder and Miss Barnett; and a reading, "Men," by Mrs. Milligan. The program was then switched to Station SBH, where Mrs. Leon Osborne sang "Smiling Through," and an original song dedicated to the honoree. She was accompanied by Miss Emlene Rapstine, who also played a number of piano selections as the guests arrived. Miss Every then conducted a brief "Bride-of-the-Week" skit in which Miss Minter was winner of the "Mystery Date" contest and presented with an array of "prizes."

Guests registering were Mesdames E. E. Minter, J. L. Nelson, J. A. Carithers, W. A. Shockley, C. T. Hightower, J. E. Smith, L. D. Critch, L. E. Curtis, J. A. Jarvis, B. R. Weeks, E. L. Colgrove, H. Mrs. Leslie Smith Is HD Club Hostess

The Save Your Time Home Demonstration Club met Wednesday, Aug. 11, in the home of Mrs. Leslie Smith at the Colgate Gasoline Plant of Lefors. Mrs. Ray Boyd, vice president, conducted the business. Members answered roll call by relating humorous customs of their families. The members discussed methods of canning pickles in such a way as to prevent shrinking and shriveling. Mrs. Cliff Vincent gave a recipe for 14-day pickles and recommended the "little green cluster" as the best variety for this region. Further discussion revealed that climatic conditions may cause too rapid growth and suggestions were made as to how to add the suggestion so that cucumbers will soak it up gradually. Mrs. Mary Anne Duke, home demonstration agent, was speaker of the afternoon. She gave a talk on "Mental Hygiene" stressing the fact that parents' actions and customs have a direct bearing on their children. Habits formed in childhood will be carried on throughout the child's life, she said. She advised a middle course in discipline, avoiding both the over-strict and the over-lenient. The speaker emphasized the value of controlling our actions when emotionally upset. She said that often when one is inclined to brood it helps to work hard and use much physical energy—that will relieve emotional stress. Mrs. Duke recommended several books that throw light on the subject of emotions especially in relation to physical health. At the conclusion of the program refreshments were served to thirteen members and one guest, Miss Vera Rigdon.

The changes of color in a chameleon may be due partly to emotional reactions like anger and fear.

Evangelist Will Conduct Meetings

M. C. McBroom

Preparations are being made for a series of revival meetings at the Pentecostal Holiness Church at Atcock and Zimmer. The preparatory service will be held Sunday evening at 8 o'clock. The evangelist, M. C. McBroom of Woodward, Okla., will arrive on Monday. It is expected that the meetings will continue for at least two weeks.

Burns

(Continued from Page 13) exchanged at 1 o'clock in the evening in the McCullough Methodist Church of Pampa with the Rev. E. H. Martin as the officiating minister.

La Nora Riley was maid of honor and Johnny Cox was best man.

The bride wore a white suit with gold accessories and a blue carnation halo with a white veil. She carried a white Bible topped with blue carnations and tied with gold and white streamers.

The bride has attended Pampa High School and at the time of her marriage she was employed at the City Drug Store.

The bridegroom has attended school in Miami and he is now engaged in wheat farming and ranching - 10 1/2 miles northeast of Miami.

Planes Ruined by Welding Arc Fire

BEAUMONT —(AP)—At least 19 airplanes and a hanger were in ruins yesterday from a fire that started when a welding arc touched off a small plane at the Beaumont Municipal Airport. The fire occurred Wednesday afternoon. The airplanes were valued at \$49,000. Damage to the hangar, owned by the Texas Aeronautics Company, has not been estimated.

EAT PLENTY AND TAKE OFF UGLY FAT

Many people have reported amazing results with this home recipe. It's easy—no trouble at all and costs little. Just go to your drugist and ask for 4 ounces of Liquid Baracolate. Pour this into a pint bottle and add enough grapefruit juice to fill bottle. Then take two tablespoonsful twice a day. That's all there is to it. If the very first bottle doesn't show the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic, from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back.

Lost 47 Pounds

"When I commenced to take Baracolate, I weighed 211 pounds. I now weigh 164. I lost 47 pounds on the first two bottles. I feel so much better after losing that weight. I think it is a wonderful medicine and thanks to Baracolate."—Mrs. George Grege, Chalpers Courts 4, Apt. 1, Austin, Texas.

Notice to Long Distance Telephone Users

Certain changes in charges and practices pertaining to long distance calls within the State of Texas will be made effective September 1.

Report Charges

Report charges, applied to person-to-person calls under certain conditions since 1919, will be discontinued beginning September 1.

Basic Station-to-Station Day Rates

In 74 of the 800 air line mileage distances, rates will be increased 5 cents. These involve about half of the distances up to 146 miles. Basic rates for longer distances are not affected.

Person-to-Person Day Rates

Person-to-person rates are based on the station-to-station rates. The differential between rates for station-to-station service and for person-to-person service has varied from a minimum of 10 cents per call under 31 miles to an average of over 43 per cent on calls between 31 miles and 150 miles and an average of 35 per cent on calls over 150 miles. The differential will be established with a minimum of 15 cents per call under 45 miles and a uniform differential of about 40 per cent on all other calls. Report charges will be discontinued.

Night and Sunday Rates

A discount of approximately 20 per cent from the station-to-station day rate will apply on all station-to-station calls costing over 40 cents completed during night hours and all day Sunday. The night and Sunday discount on person-to-person calls generally will equal in amount the discount on station-to-station calls between the same points.

The principal changes to be made are described above. More detailed information may be obtained at any company business office.

Red Blood Cells Must Be Kept Up If You Want To Feel Alive

Thousands Now Regain Old Time Pep, Vigor and Drive By Releasing Vibrant Energy To Every Muscle, Fibre, Cell

Overwork, undue worry, and lack of certain foods often reduce the red-blood strength—and starved, weak, puny blood just hasn't the power to keep up your energy and drive. Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no resistance to infection and disease. To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients. Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloats and give off that sour-food taste. Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges through your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

HST Gloomy Over East Coast Oil Supply for East

WASHINGTON — (AP)—President Truman expressed doubt yesterday whether an East Coast oil shortage can be averted this winter.

He was told at a news conference that representatives of the oil industry expressed the view there would be no shortage.

Mr. Truman replied he sincerely hoped the oil industry was right, but doubted it. He said it depends on how severe the next winter is.

Lefors Methodist Church is Setting For Staley-Sims Marriage Ceremony

Mr. and Mrs. Harold Sims

LEFORS — (Special)— Miss Jeanne Staley, daughter of Mr. and Mrs. W. G. Staley, Lefors, and Harold Sims, son of Mr. and Mrs. William Sims, Lefors, were married Tuesday, Aug. 17. The Rev. N. S. Daniel performed the double ring ceremony at 8 o'clock in the Methodist Church in an altar setting of pink and white gladioli.

Miss Pat Johnson, pianist, and Miss Jo Alice Tubbs, vocalist, furnished the nuptial music.

Misses Jo Ann Staley, sister of the bride, and Carlene Carruth lighted the candles. They wore identical gowns of aqua organdy tied with pink ribbon sashes. Their shoes and hats were white and their corsages were of pink carnations.

Miss Retha June Little was maid of honor. She was dressed in gray satin with black shoes, pink necklaces and gloves. She wore pink carnations in her hair and carried a stuffed white gladioli encircled with pink carnations and white daisies tied with variegated ribbon.

Tommy Jinks was best man and the bridegroom's brother. Howard and Bill from Pampa, were ushers.

Mrs. J. H. Reeves presided at the guest register at the church. The bride, given in marriage by her father, wore a street-length dress of white slipper satin designed with a fitted bodice, cap sleeves, and a full skirt edged with ruffling. Her shoulder length veil of illusion was caught in place by a tiara of baby pearls and she carried a cascade bouquet of pink roses tied with white satin ribbon. She wore white satin shoes and long white mitts. The bride's mother wore a light tan gabardine dress and dark brown accessories. The bridegroom's mother wore a wine crepe dress with black accessories. Both mothers wore white carnation corsages.

Following the ceremony, a reception was held in the home of the bride's parents, which was decorated for the occasion with bouquets of mixed dahlias and baby breath. The serving table was centered by the three-tiered wedding cake topped by a miniature bride and bridegroom, flanked by burning tapers in crystal holders and a single white dahlia tied with white satin ribbon. Mrs. Myrtle Hilton served the cake and Miss Geneva Covalt of Pampa poured punch.

After a short wedding trip to Wichita, Kans., the young couple will be at home in Lefors. For traveling the bride wore a brown suit with green and brown accessories and a white carnation corsage.

Mrs. Sims is a 1948 graduate of Lefors High School. She was president of the local FHA, member of the Pepper Club, took part in the Senior play.

Mr. Sims is also a 1948 graduate of Lefors High School. As a student he was active in competitive sports, including football, basketball and track. At the time of his marriage he was employed by the Champlain Oil Company in Lefors.

* WE, THE WOMEN

BY RUTH MILLETT

The hostess looked distracted and tired and the enthusiasm with which she greeted her dinner guests seemed a little strained. A discerning guest could almost hear her think, "Well, thank heaven, I've paid off these people." But her relief will be short-lived, of course. Because the paid-off guests will have to pay her off and in no time at all she'll be indebted again.

So goes the social treadmill, round and round, to which so many women tie themselves. TIME WASTED

What a foolish waste of time and energy it is, this business of accepting unwanted invitations and then making a fetish of paying back the hospitality.

Life would be so much simpler for women if they would get off the treadmill. And it would be so easy to do.

If the Smiths bore you, then decline Mrs. Smith's first invitation and her second and third if they are forthcoming. That rules the Smiths out of your life.

But accept that first invitation and you're on the treadmill. For years, perhaps, you'll entertain the Smiths and be entertained by them, simply because neither you nor Mrs. Smith are willing to be indebted to the other.

The reason most women get on a social treadmill and stay there is that they are scared to death to break a rule of etiquette for fear someone will think they don't know better.

And so they wear themselves out entertaining people they don't care a hoot about because they are scared to death of being "obligated."

City Hall Cat Runs Bat From Bailiwick

PHILADELPHIA — (AP)—Minnie, the City Hall cat, wants it plainly understood—there'll be no bats in her bailiwick.

Minnie, who is currently engaged in raising a brood of five kittens, discovered a bat zooming up and down City Hall corridors. Joined by her offspring, Minnie gave chase. Bat, cat and kits continued their merry race for about 20 minutes until finally the bat spotted an open window and took off for parts unknown.

Pampa where his prison behavior warranted a "trustee" position. However, Gilreath ran off, wound up in California and was nabbed by officers there in an attempted burglary. The young man, described by Hereford officers as a "good looking, clean-cut like fellow," turned out to have a criminal record "a mile long," Kyle said.

Kyle told a reporter he was surprised when he walked into the Los Angeles County Jail and found a jail population of over 3,000 and a sheriff's force of over 1,200. Because of the large jail population, the Pampa authorities had to wait their turn until the slow process of court hearing could be completed before Gilreath was released to them.

He is being held in the Gray County Jail to await disposition of his case before the September Grand Jury.

August 20, 1948

To The Citizens Committee
Pampa, Texas

Gentlemen

In compliance with your request of August 19th for my analysis of the building program as proposed by the Pampa Board of Education in the Pampa Daily News under date of August 18th, I submit the following.

I have studied the proposal as mentioned above, and from it I did not find sufficient information to form an opinion. Therefore, it was necessary for me to make further investigations before I could reach any definite conclusions. From these investigations, I find that the Pampa School District is expecting 82 more students than they had last year. Their census numerations for 1947-1948 term was 4,018, as compared to 4,100 for the 1948-1949 term. This, as you will note, is approximately a 2 per cent gain. In view of this increase of 2 per cent and an expected increase in the future years, it appears that the Board of Education feels that it is necessary to make ample provisions. This is very commendable in the Board, because, if America survives and stays American, it must make provisions for well trained boys and girls.

I find that the Board is proposing a building program that will cost \$1,500,000.00. From this program it is my understanding that they will provide additional facilities for the colored children, which will cost approximately \$300,000.00. They are also proposing to make additions to the four elementary schools for a combination auditorium and gymnasium and classrooms, which will cost approximately \$225,000.00 per unit, making a total cost of \$900,000.00. It is also my understanding that they are proposing to erect a field house which will provide for physical training, basketball and some work shops. This project is to cost approximately \$300,000.00. From the proposals, which are exclusive of those made for the colored children, it is my understanding that the Board expects to gain approximately 18 additional classrooms. These 18 additional classrooms will provide for approximately 600 children.

In this day and time educations for children are broken down into many phases. However, it is in the classrooms where they get the basis learning which builds them into industrious persons and good citizens. When you break down the essentials out of this proposed program, it is found that from a proposed expenditure of \$1,200,000.00 for approximately 20 classrooms are to be gained. This is an average cost of approximately \$60,000.00 per classroom.

The cost of Pampa's school system up to this time is about \$1,250,000.00. These facilities are handling about 4,000 students. Estimating 30 students per room, the system now would have about 133 classrooms, with an average cost of approximately \$9,500.00 per room. So you see, by comparison, a classroom in the proposed program would cost about six times more than the present system. However, it must be borne in mind that today's dollar in the building field buys about 40 per cent as much as it did when the present system was erected. Another reason for the additional cost on the classroom basis is that the proposed program is much broader in its provisions for recreational fun.

I also note from the Board's proposal that the \$1,500,000.00 is to be paid back at the rate of \$100,000.00 a year, with an interest rate not to exceed 2 1/2%. The first year's interest would be \$37,500.00, making a total of \$137,500.00 for the first year. This payment would be reduced each year by \$2,500.00 per year. The valuation in 1947 was approximately \$42,000,000.00. This year, I understand, it is expected to exceed \$50,000,000.00. If the \$50,000,000.00 valuation would continue through the 15-year period, this debt requirement could be met with a 28 cent tax levy. However, as this valuation decreases, the tax rate must increase in order to meet the annual requirement. A considerable per cent of the Pampa Independent School District's tax value comes from a depleting resources. These resources become less each year by the amounts that are taken from them. I do not believe you can find any engineers that figure that the Pampa Independent School District will be able to maintain a \$50,000,000.00 valuation throughout a 15-year period, unless they raise and re-raise property every year. It is reasonable to predict that by the middle of the '50's, it would be necessary for the school district to reach near a 100% value on their taxable resources and apply their maximum rate. The District's budget this year is increased very little over the current budget. They are to be commended for continuing their 1947-1948 program with a very little additional cost. But, it must be borne in mind that if the proposed program is carried out that additional costs will be incurred in building maintenance, insurance, utilities, supervision and instructional. Therefore, the program, as outlined, means far more cost than the \$100,000.00 annual debt requirement and interest.

In the foregoing, it was pointed out that the District has approximately a 2% increase in scholastics over last year. I have also been informed that a crowded condition exists now. However, the proposed program will not relieve that situation for this school term. It is reasonable to estimate that it would be from 12 to 18 months before any classrooms could be provided. However, other provisions of the program might be completed sooner. If the present crowded conditions becomes too acute, it seems that some temporary arrangements should be made to handle the overflow.

I believe that we are all agreed, as good Americans, that our youth of the land should have great opportunities, but in view of this proposal at this time and since it would entail an expenditure in an excess of cost of the entire present school system, it seems to me that temporary arrangements should be provided and that this program should be revised to allocate a greater per cent to essentials and constructed at a time when building costs are lower. The present facilities were able to handle the situation last year, and they just have a 2% gain this year. The temporary provisions, as mentioned above, should enable them to carry on their program without any neglect to services essential to children's educations.

I trust that the foregoing will assist your committee in appraising this proposed program.

Respectfully submitted:

IN TUESDAY'S BOND ELECTION

Promotion Plan Given

Long-range promotion plans for officers in the Organized Reserve Corps have been announced. Capt. Jessie E. Williams, reserve instructor at Amarillo, beginning Jan. 1, 1949, a reserve officer must obtain 30 hours of duty in each year in order to maintain in the active reserve, and may retain eligibility for active duty training pay, promotion, assignment to an active unit or bilizational position, and creditors' retirement.

Participation classes at schools for instructor or student, continuation of extension courses, administrative work with reserve units, a court or board, and tours of duty are some of the ways reserve officer can obtain these credits for advancement. Capt. Williams said.

War Dead to Be Returned

The body of Pvt. John H. Hinkle, who was killed in action in Luxembourg, March 15, 1945, will arrive in Pampa for final burial Tuesday. Hinkle, who was born May 16, 1919, at Miles Station, Tex., graduated from Pampa High School and worked for the Pampa Furniture Company before entering the service. He was killed by a mortar shell and was buried in a temporary military cemetery in Ham, Germany.

He is survived by his wife, the former Lillie Mae Melton; by a daughter, Virginia; by his mother, Mrs. Estellene Thornburg, father, J. H. Hinkle, and a brother, Bradford, all of Pampa.

Services, which will be conducted by the Duenkel-Carmichael Funeral Home, are pending arrival of the body.

Thunder is caused by the sudden expansion of air due to the great heat from a flash of lightning.

Selection will be followed to secure the best qualified officers for vacancies and promotions will be made through selection boards appointed by area commanders, it was said.

THE STORY: The strange act of a desperado found in the Sterling library belongs to a George Bonadella. Chicago gangster supposedly killed 12 years before. Description of Bonadella's description of man who visited the Bonadellas since the night of the murder.

XXXVI
MIRIAM STERLING had been dead two weeks when Marcus Sterling and Janet Weirhaven had their first meeting since the funeral. It was not a meeting in private, nor pre-arranged. It was on a Thursday, toward evening, and they were surrounded by the Memorial Day crowd at Edgcraft Country Club.

Sterling had gone out to the club in response to urgings to fill the place scheduled for him in the club's holiday handicap tournament. He had played listlessly, yet his methodical skill had made him definitely a contender for the day's trophy. He acknowledged locker-room praise modestly but with an absence of spirit that could not escape attention.

Sterling rushed through his shower and his dressing. He was crossing the foyer when Janet Weirhaven intercepted him. "Marcus, dear, how happy I am to see you!" Janet said. "Oh, hello, Janet." "I'm glad you've come out of hiding." "Not hiding. Just tremendously busy."

"I know. Too busy for telephone calls. Have you any idea how many times I've left my name with Brant? Once or twice, even, with your secretary?" "Sorry, Janet. I've taken over a load of work at the bank," Sterling said sheepishly. Janet studied the serious face, the unsmiling eyes. "I'm glad the holiday rescued you for a day," Janet said. "You'll join my table for dinner, won't you, or aren't you free?"

"I'm free, but I'm not staying here for dinner." "You're not at all like yourself. Marcus. At least we can sit down for a drink before you rush away?" "Well, we can do that . . . of course, we can do that."

They found a small table in the lounge. The place was crowded, rang with laughter. There were calls from other tables, cheery greetings to Janet, carefully restrained salutations to Sterling. They sat silently with their cocktails, sipping at them. Sterling was inattentive. Janet struggled against chagrin, puzzled over the pronounced change in Sterling.

Janet took out her cigarette case, selected a cigaret. Sterling aroused himself just in time to hold a light for her. She was smiling at him, through the smoke, when he reached for her open case, picked it up, ran a finger over the cigarettes in it. "Strange I've never noticed before that you smoke Luckies," Sterling said. "Shouldn't I?" "All right, I suppose. I was just thinking how dangerous they can be, in certain circumstances."

"That's startling, Marcus, or is it a riddle?" Sterling forced a grin that succeeded poorly. "Lieutenant Talent is looking for a woman who mashed out a smoked Lucky on my library rug," he said, with deadly absence of emphasis. Sterling's eyes were still idly on the cigaret case. He did not see the pallor that spread over Janet's face, nor the sudden frightened widening of her eyes. Janet was gulping the last of her cocktail when Sterling looked up. She offered no remonstrance when, setting down his own empty glass, he suggested that he'd be running along. The emptiness in her words matched his own when they parted. Richard Trappgood's voice startled her visibly, some minutes

later, when he found her on the terrace staring vacantly toward the faintly defined shore of Long Island.

TOWARD the middle of June, Sterling learned that Janet had sailed for a long visit in South America. Her home would be boarded up for the summer. The European war had precluded travel across the Atlantic.

IN August, Sterling heard from T. Bryan Steadman. The lawyer imparted news that at another time would have created a crescendo of rejoicing. Sterling received it calmly. His thanks were perfunctory. The lawyer told him a check for \$100,000 had been deposited to his credit. The insurance company, upon expiration of the stipulated 90 days, was indemnifying Sterling for the stolen diamond necklace.

WHEN the directors of Harbor Trust Company met in December to consider ways and means of expressing the spirit of the approaching yuletide in proportion to duty loyally performed, it was unanimously voted to double Marcus Sterling's \$6000 a year. "His earning it," said a director.

"He's living up to what we expected," said another. "Old Chester K. back in the flesh. Too bad it took his wife's death to put him on his feet."

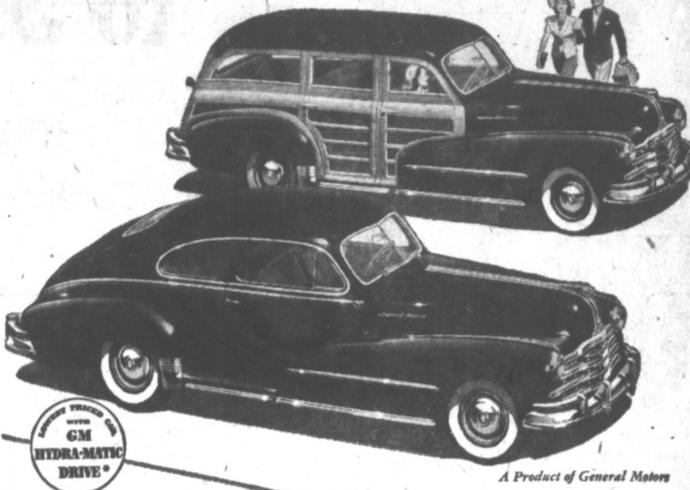

The chairman smiled. "He's a Sterling, gentlemen," he said. "We'll have him sitting with us on this board in another year."

NOT quite a year later, because the directors of Harbor Trust Company had not understood what had driven Marcus Sterling into his intensive application to work, they were inexpressibly shaken from their dream of his future. On the day after Pearl Harbor, with only unemotional announcement of his decision, Sterling enlisted in the armed forces of the United States for the duration of the war. Only T. Bryan Steadman knew that Sterling had taken time out to write a will. He left it with the lawyer in a sealed envelope.

Now We Have Walkie-Talkie Rodents

Science Gives Rats a Radio Jolt

LOS ANGELES — (NEA)—Laboratory rats at the University of California at Los Angeles are running around with walkie-talkies these days.

But these radio-equipped rodents can't talk back. And they really don't listen. The radio is there to stimulate their brains with electrical impulses.

By wiring the rats for radio, Dr. Joseph A. Gengerelli, associate professor of psychology at U. C. L. A., believes he has found the key to new information in research on the behavior of electrical stimulation of the brain.

Up to now, such stimulation—whether in electric shock treatment for mentally ill humans or experimental stimulation of animals—has required wiring the individual or animal to a source of electricity. Freedom of movement was restricted. Dr. Gengerelli's method is to place a very fine wire electrode and a small crystal rectifier under the skin covering the rat's skull. A second electrode is set under the loose skin of the animal's neck. Both electrodes are coupled to a short wire antenna, thus equipping the rat with a built-in miniature crystal radio. The "hot" electrode under the rat's scalp is in contact with the brain.

The U. C. L. A. psychologist "sends" to the rats by means of a small signal generator—actually a radar transmitter—which emits short-wave impulses of a very high frequency. The rat's radio

Texas Still High In Baby Mortality

AUSTIN — (AP)—Texas' infant mortality rate has dipped to its lowest figure in history but is still the sixth highest rate in the nation, the State Department of Health reported.

The current rate was placed at 41.2 deaths for every 1,000 live births, a 39 percent reduction since 1940. State Health Officer George W. Cox said that the reduction means more than 5,000 babies are being saved annually which would have otherwise died.

Despite the reduction, however, 42 states report infant mortality rates lower than Texas, the department report said.

About one tenth of the population of the United States is Negro.

Twenty New Notices of Intent To Drill Filed With Commission

Twenty notices of intent to drill were filed at the local Oil and Gas office of the State Railroad Commission during the past week, officials reported yesterday. The same report lists two wells to be deepened in Hutchinson County, and two to be plugged in Gray County.

Gray County led in new activity in this report having listed nine new locations. Hutchinson County listed seven, Moore County listed two, and Roberts and Sherman Counties one each.

The well listed in Roberts County is the new Sinclair Prairie Oil Company deep test well, going down on the Charles Lips Ranch about 25 miles northwest of Miami. This places the well in the near vicinity of the Carruth and Jenkie deep test wells which were drilled by Phillips Petroleum Company.

Skelton Reviews Texas Oil News

By MAX B. SKELTON

HOUSTON, Tex. —(AP)—How much steel is needed to produce oil?

This question is bothering Rep. Charles A. Wolterton (R-N.J.) who would like to see government officials and representatives of the steel and petroleum industries get together and come up with a uniform answer.

Wolterton is chairman of the House Interstate Commerce Committee which is investigating national oil shortages.

In a report to the House, Wolterton said: "The ambiguous nature of the positive essentiality of steel to meet various phases of the (petroleum) industry expansion program is indicated by varying replies to the question: 'What quantities of oil production... would be lost through lack of steel?'"

The New Jersey congressman reported to the House that the overall petroleum outlook is more favorable for this winter than last, but he added a warning against unrestricted use of petroleum products.

President Truman was more pessimistic, telling a Thursday press conference that he doubts an East Coast oil shortage can be averted this winter.

The Oil and Gas Journal meanwhile took the optimistic viewpoint and made the flat statement: "The oil shortage is over."

Two explanations were offered: 1. A tremendous increase in crude oil production and its processing by refineries during the past year, and 2. A shift in the United States-import-export balance.

Statistics: American Petroleum Institute and The Oil and Gas Journal disagree on latest crude oil production rates.

API places the daily average for the week ending August 14 at 5,807,050 barrels, a new all-time record representing an increase of 3600 barrels daily.

Oil and Gas Journal reports a drop of 2908 barrels daily to an average of 5,501,335 barrels.

API reports gasoline production for the week dropping 100,000 barrels from the previous week to 17,489,000 barrels.

Gasoline stocks also continued a gradual decline, dropping to 96,634,000 barrels as compared with 97,838,000 for the previous week.

Meanwhile, the Texas Railroad Commission set a state proration allowable of 2,637,019 barrels of crude daily for September, a boost of 992.

Tidelands: The submerged tidelands oil boom branched to the West Coast last week with the announcement three companies are using man-made earthquakes off California to create shock waves as deep as 15,000 feet below the ocean bed in a search for petroleum.

The ocean reverberations are made through use of a new explosive called EP-128 (nitrocarbonate).

The big news of the week in operations in the Gulf of Mexico came with Humble Oil's announcement that its first well, eight miles off Grand Isle, La., in 50 feet of water, was completed with a flow of 877.92 barrels of 33.3 gravity oil daily and received a temporary allowable of 288 barrels daily.

In Texas, Stanolind Oil predicts drilling will begin on a well eight miles east of Galveston Island within 10 days.

International: United States oil companies are looking both to the north and to the south.

Sinclair Oil Corp. has contracted with Pemex, Mexican government oil monopoly, for 9,800,000 barrels of oil to be delivered in 1949-50 to company plants in Cuba and Pennsylvania at \$2.46 a barrel.

Stanolind Oil is reported to be conducting a widespread geophysical and lease-buying program in Southwestern Canada.

Mexican Oil activities this week also are receiving the attention of 16 members of the U. S. House of Representatives Interstate and Foreign Commerce Committee.

The group arrived in Mexico City Wednesday with Rep. Wolterton (R-N.J.) committee chairman, commenting that "from our intensive study during the past year of United States oil shortages, we are convinced Mexico has been neglected as a potential source."

What is believed to have been the first lighthouse, built by the Egyptians in 280 B. C., was 400 feet high and was visible for 40 miles.

The first lighthouse in the United States was built in 1673 at the entrance of Boston Harbor.

It is estimated that U. S. saw timber is now being used at a rate one and a half times its rate of growth.

THE DRILLER'S LOG

By KEN BENNETT

The depth of the Carruth last listed was 10,244 feet. There is a definite note of pessimism being expressed about the well, although there is still activity going on. Of course there is nothing definite about the well as yet but all indications and rumors point to another disappointment. Not far from the area of the Jenkie and the Carruth, which were drilled by Phillips Petroleum Corporation, another deep test is to be drilled by Sinclair Oil. This well is in Roberts County, about 23 miles northwest of Miami. It is about three miles south of Ochiltree County. No doubt interest will now shift to this well to see what develops there.

Why are these wells being scattered so over the particular area? To a layman of the oil industry, such as myself, perhaps the following information would be of benefit to you.

For the past several years geologists have been studying formations throughout this area, and gleaming what information they could from other wells which were drilled in and around this particular district. The conclusion of all those studies is that some-where in this area someday will be discovered a well that will penetrate into the Anadarko Basin. The present outline of this basin extends north and east of Pampa, up into the lower portion of the Panhandle of Oklahoma and cutting across Ellis County, in Oklahoma, just east of the Texas line.

Geologists feel certain that when this basin is finally in development in this area that it will be not only an immense pool, but also that the quality of the oil is going to be extremely high grade. They form this opinion from the fact that the granite wash from which most of the present wells are made up in this area is probably coming from that pool. There have been test wells, both shallow and deep, scattered all over this outlined field, mostly along the outer extremities of its supposed location. No doubt Phillips will continue its explorations, probably dropping to the east and probably a little south. Other companies will also be trying to find this pocket. There will be many experiments conducted by companies and by royalty owners in an attempt to bring about production.

Let's hope someone makes the discovery soon!

Our sincere appreciation is extended to all those who in any way assisted us in the final rites held Aug. 14 for our loved one, Pfc. Clyde W. Baird whose remains were brought home Aug. 13, after his death May 20, 1945 while in service of his country in the Philippine Islands. Your kindnesses will never be forgotten.

IA—Card of Thanks

I THINK THAT GOD IS PROUD I think that God is proud of those who bear a sorrow bravely—proud indeed of those who walk straight through the dark to find Him there. And kneel in faith to touch His hand, and those who lift their hearts to Him who has grown dim. Who through quivering lips and turn to take the only roads they know that lead to Him.

IA—Card of Thanks

How proud He must be of them—He who knows. All sorrow, and how hard grief is to meet them there. And with a look, a touch on hand or head. Each finds his hurt heart strangely comforted.
