

Ike Asks Reds To Disarm, Invest In Poverty Fight

Kremlin Told Atom War Is Alternative

By JOHN M. HIGHTOWER

WASHINGTON (AP)—President Eisenhower today to practice the peace they preach by agreeing to end the cold war, disarm the world and invest the savings in a global fund to war on "the brute forces of poverty and need."

The alternative, he said, is at worst atomic war and at best unending fear which finds "humanity hanging from a cross of iron."

"Is there no other way the world may live?" Eisenhower asked.

"What is the Soviet Union ready to do?"

"The United States is ready to assume its just part."

The Eisenhower plan—sure to create a sensation at this stage of East-West relations—was laid down in the President's first full dress speech on foreign policy since he took office in January. It was delivered before the American Society of Newspaper Editors (ASNE) and broadcast by all radio and TV hookups.

The President said that if Russia is willing to take the preliminary steps—including independence for the East European satellites—this country would agree to work toward a world disarmament plan which would ban atomic weapons.

An "era ended with the death of Joseph Stalin," he declared, and the new leadership in Moscow like the rest of the world has opportunity "to turn the black tide of events."

The U. S., he went on, is determined to try to "seize this chance" and if it fails the world need be divided no longer in its clear knowledge of who has condemned mankind to this fate.

"No issue which today lies between the Soviet and free worlds, he said, "is insoluble—given only the will to respect the rights of all nations."

The President listed these specific steps:

Conclusion of an "honorable armistice" in Korea, followed by political discussions leading to "free elections in a united Korea."

End aggression in Indochina and Malaya.

Complete an Austrian peace treaty.

Unify Germany.

Create a European community with "full independence of the East European nations."

With progress on these issues, Eisenhower said the U. S. would welcome agreements on reduction of armaments. He then declared: "This government is ready to ask its people to join with all nations in devoting a substantial percentage of the savings achieved by disarmament to a fund for world aid and reconstruction."

"The purpose of this great work would be to help other peoples to develop the undeveloped areas of the world, to stimulate profitable and fair world trade, to assist all peoples to know the blessings of productive freedom."

Repeatedly he hammered the point that the American government is interested in deeds, not "oratory," from the Kremlin and that the ideas of proven good faith and safeguards against violations

underlie his five-point disarmament program.

He stated this program as:

1. Limitation by fixed ceilings or by percentages, of the "military and security forces of all nations."
2. A pledge by all nations to limit production of strategic materials for military purposes.
3. International control of atomic energy for peaceful purposes "and to ensure prohibition of atomic weapons."
4. Limitation or prohibition of other weapons of "great destructiveness."
5. Enforcement of all these agreements by "adequate" safeguards, including a practical system of inspection under the United Nations.

"The details of such disarmament programs are manifestly critical and complex," Eisenhower said. "Neither the U. S. nor any other nation can properly claim to possess a perfect, immutable formula."

"But the formula matters less than the faith—the good faith with-

Communist POWs Await The Move

Communist prisoners of war sit amidst duffel bags at Camp No. 1 on Koje Island as they wait to be moved to the Korean mainland on the first stage of a trip that will take them to Panmunjom and exchange. These men are among the sick and wounded prisoners UN and Communist forces have agreed to exchange on April 20. (U.S. Army Photo via radio and AP Wirephoto).

UN Note May OK Truce Talks; First POWs Arrive At Kaesong

MUNSAN, Korea (AP)—The U. N. will tell the Communists tomorrow whether it is ready to resume the long-stalled Korean armistice negotiations—and it is expected to say "yes."

The U. N. asked late tonight for a meeting to deliver a letter answering repeated Red requests to get the talks started again. Negotiations were indefinitely suspended by the U. N. Oct. 8.

The request came a few hours after the first group of Allied sick and wounded from North Korean stockades arrived at Kaesong, six miles from freedom.

Communist officers said half of the first 100 POWs to be exchanged Monday at Panmunjom are non-Koreans. U. N. officials were hopeful as many as 50 Americans will be freed. The Communists have promised 120 Americans will be among 600 U. N. prisoners returned.

The Reds said they would tell Sunday the exact number of prisoners from the U. S. and other

Allied nations to be traded Monday.

The Fifth Air Force said planes sighted six vehicles of the Red POW convoy on the outskirts of Kaesong before dusk.

These vehicles were elements of two convoys which joined north of Kaesong earlier Thursday. Other units were strung along the road 40 miles north to Sinmak as darkness fell.

Units of a third convoy were 15 miles north of Pyongyang. They still were moving southward at 5 p. m.

An official U. N. spokesman said the letter dealing with resumption of armistice talks was signed by Lt. Gen. William Harrison, senior Allied armistice delegate, and addressed to North Korean Gen. Nam Il, head of the Red armistice team.

The Reds for a week repeatedly had asked for a resumption of full-scale armistice talks. The latest request came Thursday.

The questions of prisoners of

Pork Chop Ridge Is Hit By Reds; 2 MIGs Downed

SEOUL, Friday (AP)—Chinese Reds up to 350 strong attacked Pork Chop Ridge and another Western Front outpost about midnight Thursday, fought into Allied trenches but were hurled back by U. S. defenders early today in hand-to-hand fighting.

A spokesman said the Communists fought their way into the trenches on Pork Chop just before midnight.

Pork Chop is less than two miles west of Old Baldy, a major outpost on the northern invasion route to Seoul, seized by the Chinese a month ago.

Reports said from 150 to 175 Communists slammed at Pork Chop, while an equal number attacked an outpost at the base of T-Bone Hill, just to the west.

The flareup of ground fighting came after a day of strenuous air action in which U. S. Sabre jets shot down two Red MIGs and damaged three. Fighter-bombers blasted Red frontline positions and communications in North Korea.

Allied pilots watched helplessly as hundreds of Communist supply trucks rolled toward the front down an attack-free corridor.

For the second day Allied reconnaissance pilots reported trucks moving almost bumper to bumper on North Korean roads down which the Reds are sending sick and wounded U. N. soldiers for exchange at Panmunjom.

On the ground front Chinese Communists struck twice in Central Korea but both attacks were thrown back.

South Koreans defending battered Texas Hill smashed an attack by 100 to 120 Reds while American infantrymen battled at hand-grenade range for an hour before stopping a smaller Chinese force on Jackson Heights, the Eighth Army said. Thirteen Reds were reported killed and wounded in the Jackson Heights battle.

A California Sabre jet pilot shot down his ninth MIG in a battle 40,000 feet over the Sulho Reservoir near the Manchurian border. He was Capt. Joseph McConnell of Apple Valley, Calif.

Double "Seeing-Eye" Duty

Felix Chester, 65, who lost his sight when a mine exploded on a World War I Navy ship, is shown with his first Seeing Eye dog, Charlie, a German shepherd, now also blind, and Howdy, a Boxer, who leads both his human and canine pals around St. Petersburg, Fla. Charlie had been Chester's "eyes" for 12 years until his sight failed from old age two years ago. Both dogs were trained at the Seeing Eye Kennel, Morristown, N. J. (AP Wirephoto).

Catch-All Red Plan On Peace Withdrawn

UNITED NATIONS (AP)—The Soviet Bloc, speaking through Communist Poland, withdrew today its catch-all peace package which had been strongly opposed by the West.

Polish Foreign Minister Stanislaw Skrzyszewski told the U. N.'s 60-nation Political Committee he was dropping completely the section of his plan calling for an immediate cease-fire in Korea and would not press for a vote on other sections at this assembly session.

The Polish plan, which chief Soviet delegate Andrei Vishinsky had backed strenuously, would have left discussions on settling the prisoner of war issue until after the cease-fire. Western delegates said this would let the Reds use U. N. prisoners as hostages to get better terms than they otherwise would.

Instead of pressing this demand, Skrzyszewski said, Poland would back a Brazilian resolution which merely "notes with deep satisfac-

tion" the agreement already reached at Panmunjom on sick and wounded prisoners and expresses the hope that further negotiations will bring peace to Korea.

Poland acted after India's V. K. Krishna Menon appealed to it to withdraw at least the Korean section of his peace plan in order to speed an armistice.

Complete an Austrian peace treaty.

Unify Germany.

Create a European community with "full independence of the East European nations."

With progress on these issues, Eisenhower said the U. S. would welcome agreements on reduction of armaments. He then declared: "This government is ready to ask its people to join with all nations in devoting a substantial percentage of the savings achieved by disarmament to a fund for world aid and reconstruction."

"The purpose of this great work would be to help other peoples to develop the undeveloped areas of the world, to stimulate profitable and fair world trade, to assist all peoples to know the blessings of productive freedom."

Repeatedly he hammered the point that the American government is interested in deeds, not "oratory," from the Kremlin and that the ideas of proven good faith and safeguards against violations

Filibuster Is Denied In Tideland Debate

By TEX EASLEY

WASHINGTON (AP)—Foes of a Senate bill to give the states control of oil-rich submerged coastal lands showed every sign today they intend to have their full say.

Sen. Taft (R-Ohio) said they are conducting a virtual filibuster.

As the Senate quit last night, Sen. Hill (D-Ala.) had spent seven hours on a 45,000 word speech and had reached only the middle of page 3 of the 73-page utterance.

He denied accusations by Taft, the Republican leader.

Hill and other opponents raised the point that no quorum was present. Taft said he did not wish to recall the missing members. So the Senate recessed.

The Ohioan earlier declared that while sessions this week would probably be adjourned by 7 p. m., he expects to hold the Senate in session until 10 or 11 p. m. each night next week to get a vote.

Sen. Jackson (D-Wash.) assailed the bill in a speech prepared for delivery when he could get the floor.

Jackson called the bill "give away" legislation which, he said would set a pattern for disposing of valuable public lands and public power projects owned by the government.

Hill could get through only a few lines at a time before yielding smilingly to other advocates of federal control of the offshore coastal lands in which the Supreme Court has said the federal government has "paramount rights."

Debate repeatedly wandered off

to such subjects as boll weevils, baseball and the scalping tendencies of early American Indians.

Hill was discussing his amendment which would provide that all federal revenues from the offshore lands be divided among all the states for educational purposes.

Proponents of federal control of the offshore areas, conceding defeat when the final vote comes, declared the subject should be fully aired so the American public will know all the angles involved.

18 Dead; 30 Hurt In Fires

CHICAGO (AP)—Fires raged through two north side buildings today and a deputy coroner said at least 18 persons were killed and 30 injured.

The fires, two miles apart, spread through a five-story factory building and a three-story apartment house. Firemen battled the blazes in winds near 30 miles an hour.

Deputy coroner Harry Gloss said he saw at least 16 bodies on an upper floor of the factory building, which was rocked by an explosion.

Two children were killed in the apartment house fire.

At least 26 persons were injured at the factory, the Haber Screw Machine Co. Four others were hurt at the apartment house.

Did They Up The Price On Strawberries?

SAN ANTONIO (AP)—A recent load of California strawberries distributed to San Antonio consumers by a chain store system should have tasted extra sweet.

They cost the Dallas truckers who brought them in about \$350 in fines.

The trucker, hauling a \$37,000 refrigerated load, entered the state at El Paso.

At Del Rio, he was arrested on the charges that his truck was overweight and over-length. He was fined \$68 and instructed to wait until his cargo could be reloaded into legal-sized shipments.

Instead, he proceeded to Homestead, where he was rearrested on the same charges and an additional charge of failing to obey an officer. The new charge raised the total fine to \$177.

Relieved of his load, the trucker started south to Laredo to pick up a shipment of Mexican shrimp.

His empty tractor-trailer outfit was now of legal weight, but its over-all length of 50 feet was still five feet more than the legal limit.

Patrolman W. B. Tate arrested him at Devine, where he was fined \$109 on an over-length conviction.

Did They Up The Price On Strawberries?

WASHINGTON (AP)—The Public Health Service said today it has approved allocation of \$100,000 to Dallas County to help finance a \$200,000 public health center.

'Human Torch' Leaps To Death

SAN FRANCISCO (AP)—A motorist, turned into a human torch by flaming gasoline in a nine-car accident, leaped off San Francisco Bay bridge to his death today.

The highway patrol identified the victim as Navy Lt. Robert Perryman, 24, a doctor from Lancaster, Tex.

Witnesses said Perryman was drenched with flaming gasoline from the bursting tank of another automobile.

"His clothes were in flames," said Leo Uffelder, 31, a cab driver, who was passing the scene.

"He rolled on the pavement in agony. Then, before anyone could get to him to help, he suddenly got up and jumped over the railing."

The body, like a human fireball, spun more than 150 feet down to the bay waters.

The Coast Guard was searching the bay waters for the body.

Perryman was the only casualty in the smash-up which veteran officers described as one of the worst in the bridge's history.

The series of collisions occurred a few hundred yards on the San Francisco side of the Yerba Buena Island tunnel.

A spokesman at the U. S. Naval Hospital in Oakland said Perryman was the son of Mr. and Mrs. James Perryman of Lancaster. He graduated from the University of Texas in 1948, and from Medical School at Galveston in June, 1952, then came to the Oakland hospital. He was unmarried.

Senate Brings Up Anti-Red Bill Previously Killed By Committee

AUSTIN (AP)—The Senate revived today an anti-Communist bill that had been killed by its State Affairs Committee last week.

The measure would cut off salaries of state workers who might refuse to testify about their Communist connections. The bill has been passed by the House.

The committee had refused to recommend passage, asserting the bill was unconstitutional. The Senate's 19-10 vote substituted a minority report which recommends passage.

Rep. Lamar Zivley of Temple said he had a motion ready to refer the teachers' \$600 pay bill from the Appropriations Committee to another committee.

He had been waiting in line at the floor microphone for an hour and a half at 11:30 a. m. while other motions were being made and discussed.

Backers of his \$600 a year teachers pay bill held a two-vote margin at quitting time yesterday. It was enough to force the House to adjourn until today, instead of recess.

The effect of the 70-68 vote to adjourn was that the pay bill's

Wilson To See Berlin

BERLIN (AP)—U. S. Secretary of Defense Wilson will visit this Western outpost behind the Iron Curtain Saturday on his tour of American military installations abroad, the Army said today.

Closed-Door Hearing On Laughlin Started

By MARTHA COLE

AUSTIN (AP)—A State Bar Committee began a closed-door hearing today on dismissal charges brought against Judge Woodrow Laughlin of Alice.

Laughlin stood outside the door of the hearing room in an Austin hotel, preparing to go in.

"Now I know how an innocent man feels when he goes to trial," he said to a reporter.

J. T. Canales of Brownsville, a veteran Valley attorney, brought the charges against Laughlin and District Judge E. D. Salinas of Laredo.

Laughlin said Salinas was not here and that he understood the charges against the Laredo judge had been dropped.

J. G. Davis of Huntsville, chairman of the Bar Committee, would say only "We will hear all the charges brought before us."

Canales based his charges on two indictments returned against Laughlin in December in the sale of his law library to Jim Wells County. Salinas appeared to try the case. Laughlin repaid the money and took the books back. Salinas dismissed the indictments.

"I plan to be there at the hearing," Laughlin said.

The judge is center of South

More Women Sewing Than Ever Before

More women in Big Spring are doing their own sewing now than ever before.

This is the opinion of Mrs. H. A. Brown, owner and manager of Brown's Fabric Shop at 201 East 2nd.

Mrs. Brown says that there has been a sizeable increase in fabric sales during the past few months. This indicates that more women are making clothes at home, she said.

And Mrs. Brown has every type of material that the home sewer could desire. "Regardless of what the housewife wishes to make, we have the material for it," she said. A new shipment of denims, now one of the most popular materials with buyers, was received at the shop this week.

The denims are in both the heavy and light. Mrs. Brown said that some of the fabric can be doubled for summer and winter wear. Both the light and heavy denims can be obtained in stripes and solids to match.

Since present stocks at Brown's Fabric Shop include all types of material, Mrs. Brown says that she will not buy very much this summer.

"I'm going to let it run on what we have now," she said. "And then heavy stocks will be ordered before the winter months." However, she said that she has ordered some polished cottons.

Plisse and swager gingham is also in stock, as well as linens, cottons, nylons and salynas. A new material called cross-play has also proved popular, she stated. Cross-play appears to be a cross of cotton and rayon.

Parachute Can Brake Jet Fighter Landings

BURBANK, Calif. (U)—Lockheed Aircraft Corp. has successfully tested a parachute to help brake the landing of a jet fighter plane. A ribbon-type chute, popping from the tail of the new F94C Starfire jet, cuts the plane's runway roll nearly in half, the company announced yesterday.

The top 3-year old racer of 1952 was Hilliseta who polled 51 votes. Josola's Ensign was second with 28.

White Hawk Club Meet Set

A motorcycle field meet, sanctioned by the American Motorcycle Association and planned by the White Hawk Club of Big Spring, will be staged here, starting at 1 p.m. next Sunday.

Riders are due here from Lubbock, Abilene, San Angelo, Midland and Odessa to compete with local motorcyclists for the award to be given the meet's top rider—an 11-inch trophy.

The public is invited to see the show which will probably be staged on a cleared area, south of town. Ten events are scheduled. There will be a stake race, a plank race, a 180 degree race, a barrel race, a run and ride race, a balloon elimination, a fruit race, a potato race (for men and women), a slow race and a dig-out race.

Rules have been so designed that every-day riders, rather than "hot" race specialists, have the best chance to grab the cup.

Jones Motor Starts Road Test Ride Plan

Tom Guin, sales manager of Jones Motor Company today announced a "Road Test Ride" program to familiarize the motoring public with the 140-horsepower Red Ram V-Eight engine and other outstanding new features of the 1953 Dodge.

Guin said the "Road Test Ride" was part of a nation-wide effort to provide motorists with an opportunity to get behind the wheel of the all-new Dodge.

"Psychologically, the power, responsiveness and maneuverability of the new Dodge are ideally suited for present day traffic congestion and parking problems. This is especially true for women drivers," Guin maintained.

"Since the introduction of the 1953 model, we have discovered that the public sells itself behind the wheel of the new Dodge. That is the reason we are providing a first-hand opportunity to experience this new form of driver mastery." It definitely gives you a feeling of control," Guin declared.

Motorists may take the "Road Test Ride" by calling on Jones Motor Company between the hours of 9 a.m. and 6 p.m. According to Mr. Guin, they will be under no obligation except to complete the 12 check points which demonstrate the outstanding features of the new Dodge.

The 12 check points of the "Road Test Ride" include break-away acceleration with Gyro-Torque drive, traffic maneuverability, engine economy, increased roominess and visibility, no roll or sway on curves, short turning radius and easy steering, "seat" gear pick-up for passing, hill-climbing ability, highway handling and control, road leveling action of Oriflow shock absorbers, brake safety with less dipping and easier parking.

Pro-Peron Mobs Run Rampant After Violence Mars His Talk

By FRED L. STROZIER

BUENOS AIRES, Argentina (AP)—Rioting pro-Peron mobs stormed unrestrained through the Argentine capital last night and early today, burning and sacking opposition centers in a violent aftermath to a bombing at a rally addressed by President Juan D. Peron.

The government announced that six persons were killed and 92 injured in the two bomb explosions that stampeded the crowd gathered yesterday in the city's central Plaza de Mayo. Peron was not hurt.

Headquarters of all Argentine opposition parties—except the Communists—went up in flames before the raging mobs that chanted "Viva Peron" as they looted and burned.

The government announced that a North American citizen was among several persons arrested for questioning in connection with the bombing. It identified him as Esteban Jacyna of Herkimer, N. Y., an elephant and monkey trainer with a touring circus.

In addition to "destroying the Jockey Club, the rioters fired the headquarters of the Radical, Socialist and Democratic-Conservative parties and wrecked restaurants and bars before some semblance of quiet was restored to the center of the city.

Violence and looting continued early today, however, in nearby residential areas.

Police made little effort to stem the mobs' fury.

The violence marred what had been planned as a triumphal celebration for Peron. The Plaza de Mayo meeting had been called by the pro-Peron General Confederation of Labor (CGT) as a demon-

stration of united support for the President, now battling to control soaring prices and end a meat shortage.

The nation's armed forces broke tradition by lending their support to the labor-sponsored rally, in an apparent gesture to still rumors of dissonance in the government.

The first bomb exploded near the Hotel Mayo on the south side of the square while Peron was speaking. It started a stampede among his hearers jamming the square. The second and smaller blast damaged a ventilator being built in the plaza for the subway system.

The explosions interrupted Peron momentarily, but neither bomb burst close to the Government House balcony from which the President—surrounded by Cabinet ministers, labor leaders and officers of the armed forces—was speaking.

Peron called on the crowd to remain quiet and hear him out. He blamed the nation's economic troubles on "organized psychological warfare, directed from abroad and carried out by agents inside the country."

"We must find these agents and hang them to a tree where we find them," he thundered.

Declaring that the persons guilty of planting the bombs would not escape, the President said: "If to finish the evil ones inside and outside the country, if to finish the dishonest and bad actors it is necessary for me to earn from history the title of tyrant, I will do it with all pleasure."

Then she started throwing things—paper clips, her shoe, even a couple of golf balls that happened to be in the office. But she was as wild as a rookie pitcher.

Then a passing policeman, attracted by the gathering crowd, came to the rescue. Reaching out a nearby window with a towel attached to a pole, he succeeded in "trout casting" the check. Once dislodged, it fell into the eager hands of a company employe on the street below while the crowd cheered its approval.

Once dislodged, it fell into the eager hands of a company employe on the street below while the crowd cheered its approval.

All This Trouble For Just A Small Piece Of Paper!

PHILADELPHIA (AP)—A royalty check for \$17,000 lay on the desk of Mrs. Jeanette Darnall, secretary for the BBC Music Publishers Company yesterday. Suddenly a strong gust of wind carried it right off the desk and out the window.

The horrified Mrs. Darnall watched the check flutter across the street and come to rest on the third floor ledge of a building opposite.

Then she started throwing things—paper clips, her shoe, even a couple of golf balls that happened to be in the office. But she was as wild as a rookie pitcher.

Then a passing policeman, attracted by the gathering crowd, came to the rescue. Reaching out a nearby window with a towel attached to a pole, he succeeded in "trout casting" the check. Once dislodged, it fell into the eager hands of a company employe on the street below while the crowd cheered its approval.

Berserk Man Kills 7 Of Family, Then Self

By JAMES CALOGERO

LAWRENCE, Mass. (AP)—A mad tinsmith butchered and shot to death seven and possibly eight members of his family and then killed himself yesterday in a seven-hour slaughter.

Peter Akulonis, 39, took his own life last night as police closed in on him outside his home in neighboring Methuen.

During the death spree, Akulonis used a carpenter's ax to kill his wife Madeline Akulonis, 32; a Michael, 5; widowed mother, Mrs. Mary Akulonis, 72; brother Alphonse, 32; and two nephews, James, 5, and Paul, 2, both sons of Alphonse.

He killed his brother Raymond, 37, with a blast from a 22-caliber rifle before turning the gun on himself.

A second son, Peter Jr., 9, was missing and feared to be another victim. Akulonis took the boy out of school early in the afternoon.

Police said Akulonis apparently planned the wholesale murders. They said his suicide may have saved the lives of several other relatives living nearby.

Three blood-stained notes were found in the killer's pockets. "Damn all the rats," one said. "Thanks to the tin gods," said another.

The full contents of the letters were withheld pending a complete investigation.

The bodies of his mother, Alphonse and the latter's two sons were found by Alphonse's wife Clair, 30, when she returned from work in midafternoon to her Lawrence tenement apartment.

She ran from the house screaming: "My family is dead. My whole family is dead."

The four had been struck with ax blows which penetrated the skulls.

The bodies of the killer's wife and son Michael—butchered in the same fashion—were found later in their Methuen home three miles away.

In front of his house, Peter shot his brother Raymond and then fired a bullet into himself when police approached as the brothers sat talking in Raymond's car. Both died shortly afterward in a hospital.

Both murder weapons had been purchased early in the day in Lawrence. The ax was found in a paper bag under the seat of the automobile.

Peter lost his job with a boiler-making firm last week. Co-workers described him as soft-spoken and said he appeared to have a "persecution complex."

"He seemed to feel that the whole world was against him," one told police.

Windsor Denies Sale Of Home To Ex-King Farouk

LONDON (AP)—The Duke of Windsor's London attorney denied a report in the tabloid Daily Sketch today that ex-King Farouk of Egypt is dickering to buy Windsor's "abdication home," Fort Belvedere.

Windsor returned recently to the United States after attending the funeral of his mother, Queen Mary.

A Buckingham Palace spokesman also denied the report and said the duke did not own Fort Belvedere. He said it is "owned by an account known as crown lands" and "belongs to the country."

The tabloid said the duke is believed to be asking about 100,000 pounds (\$280,000) for the estate at Virginia Water, in Surrey, near Windsor Castle.

It was from this home that the duke made his historic broadcast in 1936 telling the British people he was giving up the throne for "the woman I love"—American divorcee Wallis Warfield Simpson.

Driver, 16 School Children Are Hurt In Bus Accident

MARLIN (AP)—A big black and yellow school bus, loaded with farm children, slipped sideways on a bridge, teetered crazily a moment and plunged into a dry creek bed.

The driver and 16 children were injured. Three children were hurt seriously, two with brain concussions and another with a fractured skull.

H. T. Torgerson, 30, said he was driving slowly across the bridge when the left front wheel slipped

off the runner, a 2-by-10-inch plank on which vehicle wheels run on such small wooden bridges.

"We just sat there a minute," Torgerson said, "and sorta teetered."

Then the bus crashed to the weed-covered creek bed 12 feet below.

Torgerson said the bus hung on the bridge "long enough for me to begin to hope we weren't going over after all."

"But we did," he added from the hospital where he was taken for shock.

The bus landed on its left side and was almost hidden by the high weeds after easily crumpling the wooden railing.

Will Parsons, Marlin stock raiser, loaded the worst injured into his pickup truck and brought them here.

Seriously hurt were Martha Hale, 14, skull fracture; and Dorothy Stevens, 9, and Robert Casey, 7, brain concussions.

George Buchanan of the Marlin Democrat said all the children agreed that Torgerson was not driving fast. He is a teacher in the Marlin schools and drives the bus regularly.

About the only damage done to the bus was window glass breakage. Most children left by the emergency door.

Lightning Blamed For An Oil Fire

MT. PLEASANT (AP)—Lightning started an oil fire that did damage estimated at \$500,000 and burned for hours.

The lightning struck an 80,000-barrel main oil storage tank at a tank farm yesterday, then a salt water separating unit caught fire and at 5 p. m. the dome blew off a nearly full second tank holding 55,000 barrels of oil.

The lightning first struck at 3 m.

Ashley Johnson, superintendent of the American Liberty Refining Company, estimated the damage. The tanks were at Talco, 18 miles north of here.

Firemen threw up an emergency dam on White Oak Creek after flaming oil spilled over the tank farm dikes into the creek bottom.

A dozen families were taken from homes in the area, but a shift in the strong north wind erased the threat to the homes.

Claims Priests To Blame For Attacks

BOGOTA, Columbia (AP)—The Evangelical Confederation of Colombia, a Protestant group, says a Catholic priest incited some rural residents to attack the home of some Protestants near Bogota.

The confederation's report yesterday said a Protestant service was being held in the home at the time and that three Colombians and a British missionary were injured. Date of the incident was not given.

Draft Quota Lowered

WASHINGTON (AP)—The Army is cutting down its draft requirements for June—32,000 men compared with the 53,000 quota for each of the preceding four months. The lower quota, set yesterday, was expected.

WANTED

National concern, member of CHAMBER OF COMMERCE, BANKS, ETC., is looking for ambitious, reliable men or women who have the time (and desire) to supervise a business requiring only 3 or 4 hours work a week. NO HEADACHES, NO SELLING. Physical condition or education not important. Business pays you a profit starting the first day. THIS IS NOT A GET-RICH-QUICK scheme. But, hundreds of people in many walks of life are today making a steady, sizable income from this business—and are darn proud of it!

YOU MUST BE ABLE TO INVEST \$600, which is secured by equipment. Locations for these new, nationally-advertised coin merchandising machines are obtained for you. You merely service them. POSSIBLE INCOME—\$5,000 A YEAR. Sound good? It is. Write, giving address and phone number to Box RM-3, Care of Herald.

A wrecked car. A crowd gathers, and a child pipes up. "Gee! Why don't he come out?"

Before the child can get her answer, chances are that some grown-up will first have to get the full story from a newspaper.

Then, for the first time, the child will learn that the dog refused to leave when his master was carried to the hospital, injured.

Being on the spot is not much better than seeing one or two photographs of the action, or seeing a headline about it, or hearing a brief announcement.

All of these can whet your appetite for news, but they cannot satisfy your hunger for the whole story.

That's what the newspaper is for—news. The whole story... fast.

This goes for advertising, too. The brief message that hangs in the air... or brief headlines here or there... may indeed have a momentary interest.

But the newspaper ad carries the brass-tacks quality, the urgency of the newspaper itself.

Like a news item, the ad can be examined and re-examined. Can be read any time. Anywhere. Can be clipped and carried in a pocketbook.

And just as the newspaper speaks the special language of the town it mirrors, the ads themselves have the same important local quality.

Add to all this the fact that the newspaper reaches just about everybody in town, not just fractions of audiences, and you know why the newspaper is the nation's most effective advertising medium.

The newspaper is always "first with the most"

Israel learned social justice the hard way, "It shall be ... as with the servant, so with his master." - Is. 24:42.

Air Policy May Be At Stake If Wilson's Proposal Is Followed

For years the Air Force has contended that the best defense is an offense. It argues that the best and quickest way to keep enemy bombers away from the United States is to maintain an adequate and efficient Strategic Air Command capable of dropping atomic bombs on the enemy's centers of production...

Force as greatly disturbed by what it hears in Secretary of Defense Wilson's disagreement with its theory of the best defense. It hears Wilson favors this policy: First, Cut jet bomber production sharply (specifically, whack 400 B-47s off the program, concentrate its manufacture in a single factory); Second, Build up defenses by concentrating on production of fighters and guided missiles; Third, Rely primarily on a relatively small aircraft industry operating at high production rates.

Agreeing To Sign Austrian Treaty Could Be Real Test For Soviets

The touchstone adopted by Washington to test the sincerity of recent Russian peace moves is quite simple, according to the Washington Bureau of the Christian Science Monitor. It is this: Soviet agreement to sign the Austrian peace treaty, which lacks only the dotting of its and the crossing of its lines that could be completed in five minutes if the Russians so desire, the Monitor says.

communications necessary to maintain her troops in Austria. This gimmick has enabled Moscow to keep its troops in two of its satellites, Hungary and Romania. In the eyes of the West, Russia's troops in Hungary and Romania would have to go home too under the original arrangements for the occupation of Austria. But not necessarily so, for Russia may have made, or could make, special arrangements with her satellites to maintain her garrisons in the two satellites.

Peggy Lee's Advice: Never Let Go Of A Dream If You Want To Be A Success

NEW YORK (AP)—Anybody today who manages even to pay his rent regularly has some kind of a formula to explain his success. I like Peggy Lee's formula: "Never let go of a dream. Sometimes you don't know yourself when you start winning. Right when you think you're still losing, a jewel is falling into your lap."

She had to borrow a dress from a beauty shop operator for her first night club engagement. "But I was too young, too shy to speak up for myself then," she said. Rebuffed in Hollywood she came back to North Dakota, Okla.—but with her dream still undented. She did some more hash-slinging, perfected her singing style in radio work, finally started her real climb to fame as the song-bird with Benny Goodman's band.

This Day In Texas

General J. J. Reynolds on this day in 1870 issued a proclamation transferring all civil authority in Texas back to officials elected by the people—a welcome brought grief aplenty during the next four years.

Only the State Department can negotiate agreements in foreign affairs. But a couple of weeks ago McCarthy said he tried to "negotiate" with Greek ship owners not to deal with Communists. He withdrew the word "negotiate" after a quiet luncheon with Dulles. That was only a mild episode compared with what happened to Dulles in the Senate a couple of weeks before that.

There Isn't A Place Kilroy Never Reached, But Where Is He Now?

The opinions contained in this and other articles in this column are solely those of the writers who sign them. They are not to be interpreted as necessarily reflecting the opinions of The Herald—Editor's Note.

Whatever happened to Kilroy? Used to be, you could see evidence of his passage everywhere from the Big Spring train station restroom to the sidewalk comfort station, of the Rue de Pigalle.

Mundt Is Seeking To Tell Dulles How To Operate

WASHINGTON (AP)—Secretary of State Dulles, already thoroughly roughed up by the Senate, is headed for the wringer again. Sen. Mundt wants a shakeup of officials who make State Department policies.

WASHINGTON (AP)—Secretary of State Dulles, already thoroughly roughed up by the Senate, is headed for the wringer again. Sen. Mundt wants a shakeup of officials who make State Department policies.

Money's Not Everything!

CHICAGO (AP)—A zookeeper who became a policeman and immediately learned there is a big difference between training animals and persuading humans to obey the law, is back at the zoo.

Uncle Ray's Corner

Quakers Met With Ill Treatment

It is hard to realize how different things were in the field of religion three centuries ago, when the Quakers were gaining strength. These people were kindly in their ways, but both the Puritans and members of the Church of England opposed them bitterly.

PITCHING PROBLEM, THOUGH

Angelo Colts Set To Open

SAN ANGELO — The San Angelo Colts, despite an extremely poor exhibition season, are ready to open the Longhorn League season swinging.

RUDY BRINER ... New Colt Boss

teration with an umpire late last season, is a proven fielder and a .350 or better hitter.

Two of the positions in the Colt outfield are strapped down. Great things are expected of Glen Burns, the heavy-hitting left fielder who last year slugged at a .358 average in 77 games after joining the Colts.

Burns packs the longball power from the right side of the plate. Steve Follett, completely recovered from a sore arm and ankle of last year, has right field clinched. Steve is another .300 plus hitter and though he appears awkward in the outfield, he nevertheless fields adequately.

Center field is still a problem. Harold Bateman, a rookie from Fort Smith, Ark., is fine as a fielder but has been found lacking as a hitter. If Malgarini can master the fielding of the vital spot, the problem would be solved.

Pitching is a problem. The three Colt lefthanders, Ben Bonnie, Bobby Gregg and Parks Thomas, have all been impressive but the righthanded situation has given cause for worry.

Low Lorenzo may be used as a reliever this season while Saldaña is expected to carry his share of the starting load. Both are limited service men who played here last season with Saldaña being the most effective man on the staff the last half of the season.

Cotton Russell, a holdout up until the final week of spring drills, has been roundly battered in his starts. The veteran has a long way to go to get in shape but once he does, he could be a valuable pitching asset.

Jim Callaghan, limited service rightie, has had trouble with his control. He has a great amount of stuff on the ball but must learn to get it near the plate.

Truman Jones, a lanky rookie from Lubbock, may stick at least until another veteran hurler is brought in.

Overall, the Colts look much improved over last season's San Angelo entry and with center field strengthened and a bit more pitching asset, could be definite flag contenders.

MEYER COMPELS NEW RESPECT

By BEN PHEGAR Associated Press Staff Writer Russ Meyer's sweetness and light campaign has given the Brooklyn Dodgers the first major dividend from the winter's biggest player trade.

The handsome hurler with a reputation for being his own worst enemy set down the Pittsburgh Pirates, 4-2, on eight hits yesterday to fill the bumps into a first place tie in the National League with the rain-soaked Milwaukee Braves.

Meyer pitched well enough to be pleased. He struck out seven Pirates, walked only one and didn't allow anybody to get as far as third base in eight of the nine innings. The only Pittsburgh run came on a two-run homer by Johnny Lindell, the former New York Yankee outfielder who is trying a comeback as a knuckleball pitcher.

YOUTHS FLOCK TO WORKOUTS

More than 250 youngsters answered the first call to Little League and Pony League practice at the small fry's new park in the northeast section of town Wednesday.

Broncs Cuffed By Midland's Jacome, 10-1

MIDLAND — Eddie Jacome was in mid-season form as he pitched the Midland Indians to an impressive 10-1 victory over the Big Spring Broncs here Wednesday night.

Jacome gave up two hits in the initial frame, then was airtight until the seventh, when the Steeds got their lone run. Jess Jacinto scored Big Spring's lone run in that round when he singled, moved to third on Joe Riney's one-baser and advanced to the plate on Gerald Fetrow's long fly.

Midland broke fast, getting two runs in the second, three more in the fourth and five in the eighth. Oscar Reguera was hit hard throughout.

Julio Delatorre doubled to start the second inning fireworks. Hayden White singled through the box to get the first run home, when he moved up on wild pitch. Milt Wrenfield, rookie first sacker, singled past first to get White across.

In the fourth, Midland banked three more tallies on three hits. Waldendorf reached first on a fielder's choice and advanced on Roger Dalta Betta's one-baser. Scooter Hughes singled home a run. Reguera balked twice to bring home a tally and Tex Stephenson accounted for another with a single.

In the eighth, Lou Dawson doubled and was sacrificed to third. Dalta Betta was hit by a pitched ball. Hughes plated Dawson with a single. Stephenson singled and Art Bowland accounted for two tallies with a double. He then counted on a two-base error by Gerald Fetrow.

A-Filed out for Reguera in 7th. B-Fetrow, 2nd base. C-Delatorre, 2nd base. D-Waldendorf, 1st base. E-Dawson, 1st base. F-Hughes, 1st base. G-Jacome, 1st base. H-Reguera, 1st base. I-Delta Betta, 1st base. J-Hughes, 1st base. K-Delatorre, 1st base. L-Waldendorf, 1st base. M-Dawson, 1st base. N-Hughes, 1st base. O-Jacome, 1st base. P-Reguera, 1st base. Q-Delta Betta, 1st base. R-Hughes, 1st base. S-Delatorre, 1st base. T-Waldendorf, 1st base. U-Dawson, 1st base. V-Hughes, 1st base. W-Jacome, 1st base. X-Reguera, 1st base. Y-Delta Betta, 1st base. Z-Hughes, 1st base.

LITTLE SPORT

LOCALS BACK HOME

Broncs, Abilene Blue Sox Tangle Here At 8 O'Clock

Hack Miller and his Big Spring Broncs, who won two of three games on their road trip, return home this evening to do battle with the Abilene Blue Sox of the WT-NM League. Game time is 8 p.m.

In starts to date, the Hosses have lost two decisions to Plainville and one to Midland, won twice from Carlsbad, once from Reswell, once from the Midland Roughnecks and been tied by the Hardin-Simmons University Cowboys.

Abilene, which is managed by I. B. Palmer, only recently returned from spring training in Florida.

Two players will probably be left here by the Abilene management. The two teams decided earlier to work together. Abilene boasts a working agreement with the Washington Senators.

Last night, Abilene warmed up for the game by belting San Angelo of the Longhorn League, 3-0, but had to score all its runs in the ninth inning to tie the trick.

Pat O'Keefe, ex-Midland outfielder, will be in the Abilene lineup. Lloyd Pearson, tobacco chewing outfielder who played against Big Spring several years ago while wearing the uniform of the Corpus Christi Aces, will also be with the Blue Sox.

Tom Aizinger, Bill Heater and Walter Dawkins may see mound action for the Broncs. Heater and Dawkins did not make the trip to New Mexico with the team.

LOOKING 'EM OVER With Tommy Hart

Bill (Ace) Abbott, the wrestling gentleman from Abilene, is planning now to embark upon a career as a grapple promoter. He'll bring the ancient sport back to Big Spring, if he can make arrangements for an arena.

He's got a site lined up but hasn't completed arrangements for it. Right now, he's in Oklahoma, filling some wrestling dates and possibly won't be back here for six weeks or two months. Could be he'll go with a weekly summer show, though, and carry right into the winter, if local fans take to the sport.

Abbott comes on high recommendation. He's the type of fellow who'll help with civic projects and will do what he can to promote athletics among the small fry here.

That 19-month-old Lake Brownwood drowning victim last week end, Jerry Vaughn Smith, was the son of Mr. and Mrs. Alvin Smith of Lemasa.

Alvin was the all-district footballer for the Tornados in 1951 and again in 52.

Big State League teams are using a flock of Longhorn League graduates this spring.

Dean Franka (Roswell) will be with Austin again, as will Russ Mayer, who also used to be with the Rockets. Bill Wynne (Ballinger), is with the same club.

Frank Hill (Roswell) is one of the hurriers Wichita Falls is counting on. Tex Maula (Ballinger) will be with Greenville while Herby Dwier (Midland) will go with Temple. Julio Ramos, one-time Big Springer, is over at Paris.

MORGAN INSTALLED AS MIDDLESBORO BOSS Julian Morgan, who applied for the managerial job with the local ball club before Hack Miller moved in, has hired out as boss of the Middlesboro club of the Mountain State League. Morgan was with Ardmore of the Sooner State League in 1952.

He wound up as the fifth manager of the season there after Jackie Sullivan, now with Plainville, Rooster Mills (more recently with Artesia) and two others gave it a brief whirl.

At Middlesboro, Morgan—who at one time bossed Sweetwater—will have his work cut out for him. The club drew only 15,000 paid admissions last season; the entire league only 94,000. Needless to relate, it's fighting a battle for survival.

Middlesboro itself had three managers in 1952. Leon Culberson started, was spelled by Red Goff, who in turn was relieved by Joe McManus.

LETTIES TAKE OVER IN LONGHORN LEAGUE There'll probably be more left-handed hitters in the Longhorn Longhorn League this year than ever before in history.

At Roswell, Pat Stacey is fearful he'll have two more portlander swingers in his lineup. Midland will probably present five lefties in the lineup. Fearing sluggers like Joe Bauman of Artesia and Leo Eastham of Odessa swung from the first base side of the plate.

On the local team, Jess Jacinto, Mandy Diaz and Joe Riney are regulars who hit left-handed. Tanny Perez, an outfielder who swings from port side, is another who may stick here.

Regrettably, the Big Spring club doesn't have a left-handed hurler on its staff this season.

'Open Season' On Athletes Underway For SW Coaches

By The Associated Press Southwest Conference coaches and scouts were beating the bushes Thursday for "open season" on schoolboy athletes began. It is the letter of intent period, when coaches who sign letters must go to the college selected or miss two years of eligibility.

Few actual signings were reported but the coaches were at work. Their home bases just hadn't received any returns.

Abie Martin of TCU was among the first to get boys on the dotted line. He reportedly had gotten full-back Hank Crowley, a 200-pounder, and quarterback Charles Curtis, a top passer who threw for 18 touchdowns last season for Gainesville.

Matty Bell, SMU athletic director, said no one had actually been signed yet but that a number of top schoolboy athletes had agreed to come to the school. Some athletes can't be signed yet because they still have high school eligibility left in spring sports. Bell said.

Texas coaches had fanned out over the state seeking the athletes but athletic director D. X. Bible said no reports had been received from them as yet.

It's the same at Baylor where three coaches are on the road but they won't be selling of signings until they come back today.

Rice coaches haven't yet signed any athletes. Athletic director John Barnhill of Arkansas said his school wasn't working on the letter of intent plan since it cannot offer athletic scholarships.

Askew Takes Job At Las Cruces

LAS CRUCES, N. M. —Presley George McCarty as basketball coach at New Mexico A&M. McCarty is now coach at Texas Western, El Paso.

Askew, former University of Arkansas mentor, also will teach physical education, coach baseball and act as football scout.

Jayhawks Head For Panhandle

Members of the Howard County Junior College baseball team, which beat Amarillo College twice here earlier this week, head north today for Borger.

The Jayhawks meet Frank Phillips' Plainville in a West Texas twin bill Friday afternoon in Borger. The zone lead will be at stake. Borger earlier had felled Amarillo.

indications are Tommy Randolph and Lonnie Muse will hurl for HCJC. Casey Jones will be available for relief duty.

Marvin Baker is acting coach of the team. Harold Davis, the regular mentor, is still ill with the measles.

The team will return to Big Spring immediately following the last game.

Robison To Enter Meet At Abilene Carlisle (Frosty) Robison, sophomore discus thrower, will probably be Big Spring High School's lone representative in the Abilene track place Saturday.

Most of the track meet at the local school have turned to football, now that the district meet has been completed.

SIX-PUNCH FIGHT TOPS TEXAS LEAGUE SHOW

By WILBUR MARTIN Associated Press Staff "Play for the big inning" may be baseball strategy. May be accidental, too. But big innings turned the trick in the Texas League last night—and juggled the standings, too.

Shreveport used a four-run first-inning to go on and lick San Antonio, 7-4; Tulsa used a three-run seventh frame to get back in the game and eventually nose out Dallas, 5-4, and Oklahoma City broke loose with three runs in the sixth for an easy 8-5 decision over Fort Worth and first place in the standings. Beaumont spread its runs out in edging Houston, 4-3.

Fourteen hits—three by relief pitcher Al Zilian—buried Fort Worth after the Cats had jumped off to a two-run first-inning lead.

That big first inning was an indication of things to come for Shreveport and San Antonio, but a six-punch fight between Catchers J. W. Jones of Shreveport and Charlie White of San Antonio enlivened matters in the fifth inning. The brief brawl broke even and both stayed in the game. Cause? Tempers, maybe.

A single by Ed Bailey in the ninth inning enabled Tulsa to finally down Dallas, while Houston dropped its sixth straight game. A black cat didn't even jinx Beaumont.

The cat strolled across the line of fire of Beaumont pitcher Jack Creel in the sixth inning. Creel had a 4-0 lead at the time. But the cat which he chased almost out of the park—apparently was a jinx—to him. Creel promptly yielded a double and three straight bases on balls before being yanked. But

Aggies Face Eagles

DENTON —North Texas State College's golf team goes after its ninth straight victory today, meeting Texas A&M College.

Thomas, Thomas & Jones ATTORNEYS-AT-LAW First Nat'l. Bank Bldg. Big Spring

2300 TICKETS DISAPPEAR!

The Big Spring Broncs in general and Bill Frank in particular are going after that attendance trophy offered by the Longhorn League.

A total of 2,300 opening night tickets which retail for \$1 each) have already been sold and Frank was making more contacts this morning.

Frank boldly predicted that as many as 3,500 would pay to see the opening game. If as many as 3,000 tickets are sold, it would be the biggest crowd in the history of local professional baseball.

Organization and individuals who subscribed for tickets Wednesday, and the number which they took were: Ideal Laundry, 25; Empire Southern Gas Company, 75; Fisherman's Store, 15; Bob Cook, 50; Settles Hotel, 50; TKas Electric Service Company, 100; Pinkie's, 100; Phillips, 50; Dr. Pepper, 10; Inter-State Restaurant, 100; Dibrell's Sporting Goods, 100.

Organization and individuals who subscribed for tickets Wednesday, and the number which they took were: Ideal Laundry, 25; Empire Southern Gas Company, 75; Fisherman's Store, 15; Bob Cook, 50; Settles Hotel, 50; TKas Electric Service Company, 100; Pinkie's, 100; Phillips, 50; Dr. Pepper, 10; Inter-State Restaurant, 100; Dibrell's Sporting Goods, 100.

HOUSTON —Co-medalists in the 35th annual Houston Country Club Invitational Golf Tournament kept their clubs hot today after decisive first-round wins.

Ben Gossett, Houston, defeated Russ Myers Houston, 4 and 2, while Dr. J. A. Greenwood, Houston physician registering out of Kerrville, whipped Jack Glauser, Houston, 5 and 4.

Meanwhile, two highly-regarded amateurs fell by the wayside. H. M. Holden Jr., Atlanta, Ga., took a 1-up, 19-hole victory over Jack Munger, Dallas veteran, while Pete Hessemer, University of Houston, downed Joe Ruby, San Antonio, 5 and 3.

Big Bud Holcher, on leave from the Navy in San Diego, Calif., shot four-under-par golf while he took an easy 5-and-4 win over Ray Borneman, former University of Texas grid star from Houston.

Another favorite, Jim Vickers, Wichita, Kans., defeated K. A. Woodward, Houston, 2 and 1. Today's second-round pairings matched Holcher against Dave Ritchie, Houston, 4-and-3 winner over Linwood Bland, also of Houston. Vickers meets Wally Bradley, Houston; who won 1-up, over W. M. Garrett, Houston.

Gossett vs Dick Geerlich, Beaumont; Bob Moncrief, Houston, vs Dick Patton, Fort Worth; Ed Hopkins, Abilene, vs Art Nelson, Houston; Bud McKinney, Dallas, vs Borden Tennent, Houston; Greenwood vs Bob French, Odessa; Tyrrell Garth Jr., Beaumont, vs Neil Smith, Ardmore, Okla.; John Hare Jr., San Angelo, vs B. E. Walzel, Houston; Raleigh Selby, Henderson, vs Happy Lenz, Houston; Holden vs Ed Tyler, Houston; Hessemer vs Dick Nauts, Houston; and Dick Collard, New Orleans, La., vs Bobby Riegel, Beaumont.

FIREMEN ANSWERED THE first alarm about 2:30 a.m. The fire was reported out at 4 a.m. but it apparently became rekindled about 6:45 a.m. Firemen the second time weren't able to reach the plush club house in time to save it.

The club house was a total loss, except for the lower locker rooms. The tournament will be staged May 20-24 as scheduled. S. M. Bingham, chairman of the tournament committee, said.

Record Field Enters May 30 Race Classic

INDIANAPOLIS — A record-equaling field of 80 cars was entered in the 37th annual 500-mile auto race at Indianapolis Motor Speedway May 30 before the midnight deadline last night.

The total, matching the 1948 record, may be increased by entries postmarked before the deadline. Chet Miller of Glendale, Calif., who hopes to start for the 17th time, and George Connor of Los Angeles, veteran of 14 previous "500s," were among the more familiar names among 59 drivers nominated.

Twenty-three drivers named have never competed on the 2 1/2-mile brick and concrete track, which was broken in by such early day speed demons as Ralph DePalma and Barney Oldfield.

Twenty-one cars were entered without drivers. Some owners wait for drivers who become dissatisfied with their original cars, a common happening before and during the time trials.

Co-Medalists Win Opening Matches In Houston Meet

HOUSTON —Co-medalists in the 35th annual Houston Country Club Invitational Golf Tournament kept their clubs hot today after decisive first-round wins.

Ben Gossett, Houston, defeated Russ Myers Houston, 4 and 2, while Dr. J. A. Greenwood, Houston physician registering out of Kerrville, whipped Jack Glauser, Houston, 5 and 4.

Meanwhile, two highly-regarded amateurs fell by the wayside. H. M. Holden Jr., Atlanta, Ga., took a 1-up, 19-hole victory over Jack Munger, Dallas veteran, while Pete Hessemer, University of Houston, downed Joe Ruby, San Antonio, 5 and 3.

Big Bud Holcher, on leave from the Navy in San Diego, Calif., shot four-under-par golf while he took an easy 5-and-4 win over Ray Borneman, former University of Texas grid star from Houston.

Another favorite, Jim Vickers, Wichita, Kans., defeated K. A. Woodward, Houston, 2 and 1. Today's second-round pairings matched Holcher against Dave Ritchie, Houston, 4-and-3 winner over Linwood Bland, also of Houston. Vickers meets Wally Bradley, Houston; who won 1-up, over W. M. Garrett, Houston.

Gossett vs Dick Geerlich, Beaumont; Bob Moncrief, Houston, vs Dick Patton, Fort Worth; Ed Hopkins, Abilene, vs Art Nelson, Houston; Bud McKinney, Dallas, vs Borden Tennent, Houston; Greenwood vs Bob French, Odessa; Tyrrell Garth Jr., Beaumont, vs Neil Smith, Ardmore, Okla.; John Hare Jr., San Angelo, vs B. E. Walzel, Houston; Raleigh Selby, Henderson, vs Happy Lenz, Houston; Holden vs Ed Tyler, Houston; Hessemer vs Dick Nauts, Houston; and Dick Collard, New Orleans, La., vs Bobby Riegel, Beaumont.

FIREMEN ANSWERED THE first alarm about 2:30 a.m. The fire was reported out at 4 a.m. but it apparently became rekindled about 6:45 a.m. Firemen the second time weren't able to reach the plush club house in time to save it.

Margaret Quigley Weds Nicholas Theochares

Margaret Ellen Quigley, daughter of Mrs. Walter Quigley of White Plains, N. Y., became the bride of A-C Nicholas Theochares in a double-ring ceremony Wednesday evening at St. Thomas Catholic Church.

The bridegroom is the son of Mrs. Thomas Theochares of White Plains and the late Mr. Theochares.

Chaplain (L.L.) Henry N. Dunkel celebrated the nuptial Mass.

The bride wore a ballerina length gown of white organza decorated with a green and yellow flower design. Her strapless bodice was scalloped across the top and over it she wore a white organza jacket fashioned with round neckline and short sleeves.

She wore short white gloves and carried a white satin covered prayer book. Her shoulder length veil fell from a wreath of pearlized orange blossoms.

George Shannon of Boston, Mass., and Margaret Kester attended the couple. A-C Joseph P. Collin was acolyte.

Second Lt. Fred Bricker, organist, accompanied Lt. Walter R. Stewart, who sang "Ave Maria" by Schubert, "Panis Angelicus" by Franck, and "Ave Verum" by Mozart.

The couple will be at home at 311 Donley after a short wedding trip to Carlsbad, N. M.

The bride is a graduate of St. John's High School in White Plains and the Grace Institute, New York City. The bridegroom was graduated from White Plains High School and Springfield College, Springfield, Mass. He is stationed at Webb Air Force Base.

Good Vegetable Buys Plentiful This Week

Good buys in food this week were more plentiful among vegetables than meats. Meat prices held about the same.

Vegetable counters were crammed with good quality produce, often at attractive prices. Outstanding values reported by stores in many sections included cabbage, carrots, celery, lettuce, onions and potatoes. Spinach was added to the list of good buys, and many stores featured fresh sweet corn.

Asparagus, mentioned frequently as a good buy, crept up a bit in price this week. Beans and beets also edged higher.

It was difficult to detect lower price trends among meats. It was largely a matter of particular items being chosen by different stores and chains as week-end features.

Among specials reported were ground beef, chuck roast, round roast, round steak and legs and rumps of veal.

Sirloin steak and rib roast, long available at bargain prices, remained the same in most stores, but in some were up two to four cents a pound. Pork chops and leg of lamb were mostly unchanged in price. Frying chickens were down four to eight cents a pound in some stores and up two to six cents in others.

Butter prices were about the same, but the cost of a dozen eggs moved up as much as four cents in some cities. Wholesale men said eggs were higher in the mid-west because many are being purchased for storage by packers and the armed forces.

Some specials were on oranges. Otherwise the fruit department was bare of special bargains.

Reflecting a drop in green coffee prices, wholesale quotations went down about 1 1/2 cents a pound. Lower retail prices were expected shortly.

Party Given For Students; Baptist Pastor Resigns

LUTHER, (Sp) — Connie and Bill Crow entertained high school pupils with a party recently. Attending were Joyce and Glenda Nix, Evelyn Hanson, Louise Burchett, LaFay Stanley, Ellen and Jean Morton, Howard Smith, Janice Williamson, Nolan Simpson, Mrs. Web Nix, Mr. and Mrs. O. R. Crow, Connie Crow and Bill Crow.

The Rev. Ray Myers, pastor of the Bethel Baptist Church for several years, has resigned.

Mr. and Mrs. C. R. Morgan and Gary of Fort Worth visited Mr. and Mrs. G. W. Murphy recently.

Mr. and Mrs. R. G. Murray and Charles have visited Mrs. Murray's mother, Mrs. C. O. Keehan in Sipe Springs. Mrs. Keehan has been ill.

Mr. and Mrs. O. H. Wetterman of Brady visited her daughter and family, Mr. and Mrs. Web Nix recently.

On the sick list last week were

Stay Beautiful
...by avoiding Monthly Look

Why look older, worn out, jittery for 2 or 3 days each month? Why let everybody know your "time" is here? Thousands of smart girls and women take a little Cardui each day to help build new energy and resistance. They look, act, sleep better, feel less and less misery each month. Some even go through periods without pain after a while. Stay lively all month — ask your dealer for Cardui. (Say "over-the-counter").

CARDUI MONTHLY CRAMPS CHANGE OF LIFE

Mrs. Lloyd Is Honored With Shower

LUTHER, (Sp) — Mrs. Bus Lloyd was honored Tuesday with a surprise housewarming in her new home.

Hostesses were Mrs. Louis Underwood, Mrs. Melvin Anderson and Mrs. O. E. Hamlin.

Attending were Mrs. W. A. Rawlings, Mrs. Bill Lewis, Mrs. N. M. Smith, Mrs. L. L. Underwood, Mrs. Bonnie Puckett, Mrs. Monte Hamlin, Mrs. Dean Self, Mrs. Bill Hogan, Mrs. Melvin Anderson, Mrs. Nolan Stanley, Mr. and Mrs. Leslie Lloyd, Mrs. O. R. Crow, Mrs. Van Owens, Mrs. B. Smith, Mrs. Ann Lloyd, Mrs. Deaton Stanley and Mrs. Delbert Stanley of Big Spring and Bus Lloyd.

Mrs. Mildred Caughey of Stephenville is visiting friends and relatives here this week.

Mrs. C. C. Stringer of Baton Rouge, La., a sister of Vergil Little and Mr. and Mrs. Clifton Little of Houston, have been visiting the Littles this week. Clifton and Vergil Little are brothers.

She Doesn't Put Off
Petite Lois Butler, coloratura on the Dennis Day TV show, warns against procrastination as an enemy to beauty.

HOLLYWOOD BEAUTY

By Lydia Lane

HOLLYWOOD—Lois Butler plays Dennis Day's girl friend on his TV show. This is a break she has truly earned, for Lois began her career at the tender age of three when she won the Indiana State dancing contest. But she proved to have such a beautiful coloratura voice that her dancing took second place.

At the age of twelve she won a Hollywood contract after a producer heard her sing.

Lois is tiny — only five feet tall — and as we drove out to entertain some Korean veterans I asked Lois if she had to watch her weight.

"I watch it," Lois confessed. "But I am glad to say it rarely changes. Most of the time I stay close to 100 but if it goes above this I immediately omit bread and butter, potatoes and all desserts.

"I think the stitch-in-time-rule is the easiest way to keep a nice figure. It is no trouble at all to stay off of starches for a few meals or until you're back to normal. But when you don't check your weight — and allow yourself to gain quite a bit then you have to work at dieting the hard way giving lots of attention to what you can and cannot eat."

"Don't you think it's equally important to check your measurements along with your weight?"

"I think the two usually go together — if your belt feels tight, or a slim skirt does not slip over your hips, easily, the chances are the scales will be up too."

"I have a friend," Lois continued, "who is always having a weight problem. The trouble with her is she procrastinates. It's such a bad habit to put off dieting because the longer you wait, the longer it takes to get back to normal. Her agent will call her for a picture and she has to work like a demon with a massage every day, and her nerves are all taut because she is forced to be on such a low calorie diet."

"Then you feel that keeping a good figure depends not only on a sensible diet but a sensible attitude?"

"Yes, I feel that any weight problem can be worked out. The important thing is to choose a plan that gives you the best results for the least effort."

DON'T PUT OFF TAKING OFF

If you feel you should lose a few pounds, don't put off the job of taking off the weight with an easy diet. To assist you, order any of the following by number:

M-9 — Maureen O'Hara's "A pound a day" diet.

M-17 — Deborah Kerr's Flexible Diet for the Career Girl.

M-18 — Ginny Simms High Protein Diet.

Send 5 cents for EACH leaflet you order. Enclose a self-addressed, stamped envelope with your request and mail it to Lydia Lane, Hollywood Beauty, in care of Herald, Big Spring, Tex.

THIS IS GOOD EATING
SNAPPY SARDINE BROIL

Ingredients: 4 slices bread, 4 teaspoons mayonnaise, 1 teaspoon finely grated onion (juice and pulp), 1/2 cup (1/2 pound) grated cheddar cheese, one 3 1/2-ounce can Norway sardines, paprika.

Method: Toast bread lightly. Mix mayonnaise, onion and one-half the cheese. Spread on one side of each slice of toast. Drain sardines and arrange over mayonnaise-cheese mixture; sprinkle remaining cheese over sardines. Dust with paprika. Broil slowly until cheese melts and begins to bubble. Serve at once. Makes 2 to 4 servings. This goes well with the menu below.

Ten Attend Council Meet In Midland

Ten Big Spring residents were in Midland Wednesday to attend the meeting of the District Council of Catholic Women held at St. Ann's Catholic Church.

Attending from Big Spring were Mrs. Thurman Gentry, Lillian Jordan, Mrs. Eunice Goolsby, Mrs. William Reidy, Mrs. E. J. Connors, Mrs. W. E. Blanchard, Father William J. Moore, Father B. M. Wagner and two women from the Altar Society of Sacred Heart Catholic Church, Mrs. J. H. Garcia and Mrs. Jesse Hernandez.

The most Rev. Lawrence J. Fitz Simon of Amarillo addressed the assembly and later spoke again to the Latin-American delegates in Spanish.

The principal speaker was the Rev. E. T. Mathieson, editor of the Catholic Register, of Amarillo. Mrs. Connors gave the president's report from the local council.

Towns sending representatives were Sweetwater, Stanton, Odessa, Colorado City, Andrews, Crane, Midland and Big Spring.

Mrs. Wilson Is Installed By Rebekahs

STANTON, (Sp) — Mrs. H. K. Wilson was installed right support of the vice grand at the Rebekah Lodge meeting. Pauline Graves, district deputy president, and Audrey Louder, deputy marshal, were installing officers. Fifteen members attended. Virgie Johnson presided.

Mr. and Mrs. Verbin Graves and family have returned from a vacation trip to Phoenix, Ariz., where they visited Mr. and Mrs. Art Lind and Jane.

Cal Boykin Jr. of Midland visited in Stanton recently.

Mrs. L. H. Gibbons of Odessa has been visiting in Stanton.

—Mrs. G. A. Bridges has returned home after spending the week end in the home of her daughter, and son-in-law, Mr. and Mrs. Albert Baugh Jr. of Stamford.

Mrs. Billy Avery and her daughter and Mrs. J. T. Mims are spending the week visiting relatives in Stamford, Fort Worth and Marshall.

Pretty Smocking

Perfect school wear when done in soft cottons and fine percales — charming as a party frock if made up in pastel or white organza, silk or sheer cottons. Do the smocking in bright colors if you use dark cottons or plaids; dark colored smocking on pastels. Transfer pattern for smocking is included in dress pattern which comes in sizes 2, 3, 4, 5 and 6 years. Instructions are sketched in detail and carefully explained.

Send 25 cents for the SMOCKING transfer, tissue dress pattern (Pattern No. 131) (Size 2, 3, 4, 5, 6 years) YOUR NAME, ADDRESS, PATTERN NUMBER, PATTERN SIZE to CAROL CURTIS

Big Spring Herald
Box 229, Madison Square Station
New York 10, N. Y.

Patterns ready to fill orders immediately. For special handling of order via first class mail include an extra 5 cents per pattern.

Modern Methods Are Big Help In House Cleaning

House cleaning methods of today are a far cry from those used by our grandmothers. Science and invention have practically eliminated the drudgery in house cleaning that was grandma's lot. The many modern conveniences such as the automatic washer, the automatic dryer, the automatic ironer, the vacuum cleaner, applicators, polishers, modern soaps, detergents, insecticides, waxes, polishes, glass cleaners, plus commercial services such as rug cleaners, curtain laundries, window and house cleaning services, drapery cleaners, etc., which were not available to grandma, are accepted as commonplace in this modern age.

For example, the smart homemaker of 1953 no longer finds it necessary to advertise the fact to her visitors that her home is infested with bugs by the use of tell-tale powders and strong-smelling, obnoxious liquid insecticides. The modern homemaker bug cleans as she house cleans with a non-staining, clean-smelling residual insecticide such as Re-Kill Bug Killer, which not only exterminates her bug problems but also musty odors and dander caused by mildew and mold growth.

No doubt, the homemaker of 1903 would find house cleaning in 1953 a joyous adventure. Science and invention have simplified house cleaning, adding years of pleasure to the life of the smart homemaker who adopts modern methods.

Key Casual!

Dress with set-in belt and shoulder pleats trimmed with buttons. Sew yours as a square necked, short sleeved vacation favorite. Scores of smart original designs for all occasions, all ages, all sizes and all members of the family. In COLOR. Price just 25 cents.

New Officers Are Elected At Music Study Club Meeting

Mrs. J. F. Noel was elected president of the Music Study Club at a meeting held Wednesday in the home of Roberta Gay.

Mrs. R. T. Mason and Edith Gay were co-hostesses.

Other new officers are Mrs. J. W. King, vice president; Mrs. J. E. Hardesty, second vice president; Mrs. Leonard Shipman, recording secretary; Mrs. Fred Beckham, corresponding secretary; Mrs. Don Newsum, treasurer; Mrs. Jack Everett, reporter-historian; Estle Willis, parliamentarian.

It was announced that there would be a called meeting May 13 in the home of Mrs. R. V. Middleton at which time plans for the annual picnic would be made. Mrs. Frazier, program chairman for the coming year, outlined briefly several possible courses of study.

The club will have a bake sale May 2 at Newsum's. It was announced. Hostesses to serve at the Servientes Center were appointed during the meeting and the club will present a program May 4 at the VA Hospital.

Mrs. Bernard Vias was program leader for the study of the music of Brazil. Mrs. Mason discussed "Folk Music of Brazil" and Mrs. Shipman and Mrs. Everett sang a duet, "My Pretty Cabecela," accompanied by Mrs. Bill Griese.

Mrs. Shipman, accompanied by Mrs. Griese, also sang a solo, "The Little Hatchet."

Mrs. Frazier spoke on "Modern Music of Brazil." A trio, Mrs. Harold Talbot, Mrs. Griese and Elizabeth Cope, sang "The Dance in the Flower," accompanied by Mrs. Omar Pitman. Mrs. Don Newsum presented "When I First Saw You," accompanied by Mrs. J. W. King.

The concluding numbers were a solo, "Flowers Are Gay When They Open," by Mrs. King, accompanied by Mrs. Pitman and a piano number, "The Rubber Ball," by Miss Willis.

Forsan Study Club To Go On Stage With 2 Comedies

FORSAN, (Sp) — The endeavors of three club women to put on a radio program will be enacted Thursday night when the Forsan Study Club presents "On the Air," a one-act comedy.

The play will be given in the school gymnasium at 8 p. m. "Tobacco Road With Detours," a take-off on a melodrama, will also be presented.

Mrs. Glen Whittenberg will play "Miss Nevins," the radio announcer. Mrs. E. A. Grissom will be "Mrs. Harriet Dillenberg," secretary of the society.

Mrs. C. C. Brunton as "Mrs. Bessie Barberger" will give a recipe for stewed tripe and sing "Goodbye Forever." Mrs. Lots O'Barry Smith as "Miss Onda Helen Frye" will recite poetry.

"Miss Oriol Ritterbower," played by Mrs. B. J. Wiss, will be a radio singer who shows the ladies how to put on their program.

In "Tobacco Road" Mrs. Delbert Bardwell will be "Ma" and

Pat Duncan Here, Enroute To Tulsa

EM-1 Pat Duncan is spending a four-day leave with his parents, Mr. and Mrs. D. C. Duncan, en route to Tulsa, Okla., where he will be stationed as a U. S. Naval recruiting officer.

Mr. and Mrs. Duncan's daughter, Mrs. L. M. Oerline, and her children, George and Judy, have joined Capt. Oerline in Springfield, Mo., where he is stationed temporarily with the Air Force.

They will leave for Omaha, Neb., May 19. The Oerline's son, Leon, will stay in Big Spring with his grandparents to finish the fourth grade at East Ward School.

W-T Teachers' Meet Set Here For Mar. 11, 12

Next year's annual convention of the West Texas Teachers' Association will be held in Big Spring on March 11 and 12.

Dates for the annual affair were set in a meeting of the executive committee of the association here last night.

County Superintendent Walker Bailey, who is president of the organization, presided at the meeting. Roy Worley, principal of Big Spring High School, represented the city school system.

This year's officers and those for next year were present at the meeting. They estimate that about 3,500 people will be in Big Spring for the coming convention.

No further plans for the 1954 meeting have been announced. Bailey said that some of the sessions will probably be held in the city auditorium.

Next year's officers who were present included O. W. Marcum, president, from Levelland; Mrs. Clell Smith, vice-president, from Lubbock; Miss Beryl Walker, secretary, from Hale County; Floyd McCrury, treasurer, from Odessa. This year's officers included Bailey, president; Mrs. Smith, vice president; Mrs. Willie Merle Hathcock, secretary from Hale County; and F. J. Young, treasurer from Seminole.

Instances Of Theft Reported To Police

Theft of a pair of chrome dinner chairs and a set of auto fender skirts was reported Wednesday.

Mrs. L. D. Walters, 113 E. 14th, notified police of the theft of the chairs from her home. They were taken sometime between Sunday and Wednesday morning, she said.

Films Are Shown At P-TA Meet

COAHOMA, (Sp1) — Richard Reed, who returned recently from Korea, showed films taken while he was there at the meeting of the Coahoma P-TA recently.

W. O. Batten, minister of the Church of Christ, gave the opening prayer. Students who participated in the interschool league were introduced.

They were Rodney Butler, Story Salling, Rosalee DeVaney, J. A. Graham and Marc Westmoreland.

Mrs. Ruth Smith's second grade won the room count and Mrs. C. H. DeVaney served refreshments to 45.

With Week is being observed at the First Baptist Church according to the Rev. Mark Reeves, pastor. A youth team from Hardin-Simmons University will hold a week-end revival here. All young people in the community have a special invitation to attend.

Mr. and Mrs. P. F. Sheedy and Jack were in Odessa recently visiting her sister, Mrs. Tressie Stephens, and family.

Mrs. Rosie DeVaney has returned home after spending several days in Odessa and Midland visiting her children, Mr. and Mrs. C. T. DeVaney, and Mr. and Mrs. Noble DeVaney.

Mrs. Leroy Echols, Mrs. Charles Read and Mrs. C. H. DeVaney attended the Presbyterian meeting in Odessa recently.

J. B. Martin and son, Mike, of Gatesville, have been visiting here with Mr. and Mrs. Carl Bates.

Supper Planned For Firemen, Families

A covered dish supper has been set for April 27 by the Ladies Society to the Brounerhood of Locomotive Firemen and Engineers, it was announced at a meeting of the society Wednesday in the W. Hall.

The supper will be for firemen and their families and will be held in the Hall at 8 p.m.

Mrs. Othella Davis and Mrs. Marvin Williams served refreshments. Fifteen attended.

Hostesses for the next meeting will be Mrs. Ada Arnold and Mrs. Minnie Barbee.

Auxiliary Elects Mrs. D. S. Riley

Mrs. D. S. Riley was elected president of the Lion's Auxiliary Wednesday afternoon at a meeting at the Wagon Wheel. She will succeed Mrs. Vernon McCoslin, who resigned.

Mrs. Gilbert Gibbs will succeed Mrs. R. R. McEwen Jr., who resigned as secretary-treasurer.

A gift was presented to Mrs. McCoslin. Mrs. W. O. Underwood and Mrs. John E. Kolar are new members. Hostesses were Mrs. John Coffee and Mrs. Clyde Thomas Sr.

Mr. and Mrs. Bishop L. Bailey, El Paso, are spending the night with her parents, Mr. and Mrs. J. B. Pickle. They have been in South Texas and are en route home.

Papers Admit Malan Scores Wide Victory

PRETORIA, South Africa — Prime Minister Daniel Malan has won the South African elections with possibly a doubled majority for his party in Parliament.

Leading newspapers in opposition to the prime minister's race policies conceded he had won Tuesday's polling. Tonight, Malan was forging still farther ahead. Returns gave his Nationalists 54 seats, the United Party 49 and the Labor Party 4. There were 48 seats outstanding, and 30 of these are in east-west Nationalist strongholds.

Victory in those would give Malan's men a majority around twice the 13-seat edge the Nationalists had in the last assembly.

The first seats captured by the Nationalists from the opposition were Bloemfontein City, Vasco, Brakpan, Pretoria City and Port Elizabeth North.

Of the seats already won, 18 United party candidates and two Nationalists — including Malan — had been unopposed. United party leader J. G. N. Strauss easily retained his seat also in the Johannesburg area.

Three other seats already were held by white representatives of 50,000 coloreds (multi-race) of Cape Province, the only non-white in the country with voting rights. These three traditionally vote against the Nationalists.

Both sides polled bigger aggregate votes in the early returns than ever before. The atmosphere during the heavy balloting was tense. Armed police stood by all polls, but only minor incidents were reported.

The city districts, where the United party has its main strength, were counted first, and the United showed a heavy early vote. Its majorities soared in many safe electoral divisions and dented the Nationalist majorities in races for some seats, but only minor incidents were reported.

But Malan's grip on South Africa's backwoods voters seemed to assure him of a comfortable return to power.

The Prime Minister's party stood on its severe policy of racial segregation (apartheid) as opposed to softer methods of enforcing white supremacy favored by the United party. Both sides pledged themselves to uphold the dominant position of the 2½ million Whites, who are outnumbered here 4 to 1.

Second Man Is Held In Check Of Holdup Here

A second Negro man, arrested Wednesday, is being held in Odessa as jail for investigation in connection with a strong-arm robbery which occurred in Big Spring Mar. 30.

The man was taken into custody at request of C. C. Aaron, Big Spring detective, who wants to know why the Negro and a companion, held here, left Big Spring shortly after the robbery.

A check, taken from A. V. Hardin, Odessa, in the robbery, was found here last Saturday. A bloody fingerprint on the check matches fingerprint of the Negro being held in Big Spring, Aaron said.

Charges of robbery and attempt to murder may be filed against one or both of the Negroes, according to local police.

Hardin was hospitalized for nearly two weeks after being beaten and robbed in the northside park in Big Spring early on the morning of Mar. 30. He told police a Negro man jumped in his car at Third and Gregg, forced him to drive to the park and then robbed him.

The Odessa man had been en route to Big Spring to pay off a hospital bill when he was attacked and hospitalized. About \$35 in cash and a check for \$205 was taken from his wallet, which also was recovered Saturday where it had been discarded in the northwest part of town.

Charges of robbery and attempt to murder may be filed against one or both of the Negroes, according to local police.

The Odessa man had been en route to Big Spring to pay off a hospital bill when he was attacked and hospitalized. About \$35 in cash and a check for \$205 was taken from his wallet, which also was recovered Saturday where it had been discarded in the northwest part of town.

Secretary Confers With Aide

Mrs. Ovela Culp Hobby (right), secretary of health, education and welfare, confers with Mrs. Jane Morrow Spaulding of Charleston, W. V., an executive board member and chairman of finance of the national association of colored women. Mrs. Spaulding's appointment as assistant to Secretary Hobby was announced in Washington. (AP Wirephoto).

Woman Out On Bond In Case Of Shooting

Mrs. Anita Jimenez, Latin-American charged here with murder, was released on \$2,500 bond Wednesday for a second time.

She posted bond after examining trial in Justice Court, and she will be free until the grand jury considers her case. She had previously posted bond pending examining trial.

Mrs. Jimenez is charged with the slaying of her son-in-law, Gavino Montanez. Montanez was killed Saturday about midnight in Mrs. Jimenez's home.

Three witnesses took the stand during the examining trial. They were Cruz Montanez, Dolores Lolo Carrillos, and Mrs. Jimenez. All were present at the time of the shooting.

Cruz Montanez, cousin of the deceased, said that he accompanied Mr. and Mrs. Gavino Montanez to Big Spring from Midland last Saturday night.

When they arrived here, they purchased a quart of whiskey and went to Mrs. Jimenez's house. Then, according to the testimony, they drank the whiskey.

Carrillos and his wife were at the house also. Mrs. Carrillos and the deceased's wife are sisters, the daughters of Mrs. Jimenez.

Carrillos and Gavino Montanez got in a fight in the kitchen, and Mrs. Jimenez was accidentally struck, she testified. She further testified that Mrs. Jimenez shot Gavino Montanez while he was lying on the floor. He said that Montanez had a flat iron in his hand at the time of the shooting.

Carrillos stated that Montanez did have an iron in his hand at the time Mrs. Jimenez shot him.

Three Injured In A Collision

Three persons were injured in a car-truck collision just outside the east city limits about 4 p.m. Wednesday, police reported.

Taken to Big Spring Hospital for treatment of cuts and bruises were Mrs. Jessie Brooks and her two children, Rodney and Judge.

Mrs. Brooks received a cut over one eye which required two stitches to close, officers said. Five stitches were taken in Rodney's chin, and Judy suffered an elbow injury, which may involve a slight fracture. None were hospitalized, however.

No other details of the mishap were available. Police knew only that the car in which the Brooks were traveling collided with a truck near the Skyline Supper Club. They said sheriff's officers investigated, but no information could be secured from the sheriff's office this morning.

No personal injuries resulted from a mishap in the 1300 block of Gregg Street Wednesday. Police said Viola Powell Gibson, general delivery, and Grovery Cleveland Burk, 610 W. 11th, were operators of cars involved.

'Perfect Swindle' Fails, And Man Is Arrested By Police

OKLAHOMA CITY (AP)—A dapper Dallas man who boasted he had worked out the perfect bank swindle was jailed last night after what police said he called "my final act of a criminal nature."

Police arrested Ralph Acuff, 38, identified as a former California and Wyoming convict, after two savings and loan associations had been dupped out of \$7,000 in less than 30 minutes.

Officers said a letter in his pocket, addressed to Atty.-Gen. Herbert Brownell, detailed bank swindles in Washington, Kansas City and Fort Worth.

Acuff, said he intended to mail the letter last night, but didn't reckon with a routine check by a savings and loan firm.

"This is my final act of a criminal nature," the letter read. "I'm going to make a legitimate living from now on."

Youth Pilgrimage At Austin Set Saturday

AUSTIN (AP)—More than 50 young delegates from over the state are expected Saturday for the annual presentation pilgrimage of the children of the Republic of Texas.

The youths will be presented in the Supreme Court, Justice Meade Griffin will receive them in an afternoon ceremony. Pilgrimage leaders include Miss Barbara McClung of Palestine.

The pilgrimage is sponsored by the Daughters of the Republic of Texas to acquaint youths with Texas heritage and shrines.

Carrillos stated that Montanez did have an iron in his hand at the time Mrs. Jimenez shot him.

Insurance Clinic Is Slated Here

More than 100 underwriters from the West Texas area may gather here Saturday for a crop and hail insurance clinic.

Top officials from the Craven-Dargan & Co. of Houston will be here for the affair, said Mark Wentz, host agent for the meeting. Sessions will start with a luncheon at 12 noon in the Settles ballroom.

At a preliminary affair, Mrs. Ethel Bennett, Houston, manager of the company's farm department, will be honored at a breakfast for the insurance women of Big Spring.

A. P. Boyd, assistant general manager for Craven-Dargan; Mrs. Bennett; Price Johnson, manager of the crop and hail department; and Jack Claitor, assistant manager of the crop and hail department, are coming from Houston.

Reservations have been received from Pampa to El Paso and from Wichita Falls to San Angelo and territory in between, said Wentz. Already more than four score have asked reservations, and more are arriving daily.

Members of the Howard County Commissioners' Court went to Gail this morning to confer with commissioners in Borden County.

Purpose of the visit was not announced before departure. The conference is believed to concern the road project around Lake J. H. Thomas in which both Howard and Borden counties are participating.

Those from here making the trip include County Judge R. H. Weaver and Commissioners Ralph Fortner, Pete Thomas, Arthur Stallings, and Earl Hill.

NORTH CENTRAL TEXAS - Fair Thursday and Thursday night, Friday partly cloudy. Highs 60-61, Thursdays moderate to fresh north and northeast winds on the coast, becoming moderate to fresh by Friday.

WEST TEXAS - Fair, warmer in Pampa and South Plains Thursday. Partly cloudy Thursday night and Friday with mild temperatures.

AREA OIL

Hobo Field Completion Noted; Devonian Location Is Staked

An oil well completion was reported today in the Hobo field of Borden County, and a new location was announced in the Devonian field of Matagorda County.

The Hobo venture—Phillips No. 6 Coedecker—made 820.24 barrels of 43.3 gravity oil on six hours flow through a half inch choke.

Texas Company No. 1 State is in block 7 of the Devonian field.

Phillips No. 6 Coedecker, 2,011 from north and 1,972 feet from east of lines, 38-25-11&C survey, flowed six hours through a ½-inch choke to make 820.24 barrels of 43.3 gravity oil. Some 24.9 per cent of recovery was water. Gas-oil ratio is 1,145-1. Well was acidized with 200 gallons before flow. Top of pay is 17,133 feet, and total depth is measured at 7,133. The 5½-inch stringer goes to 7,129.87 feet. Elevation is 2,377.

Green No. 1 Slaughter, C NW NW, 24-33-3n-T&P survey, got down to 3,907 feet in lime and shale.

Superior No. 9-580 Jones, C NE SE, 38-07-11&C survey, is drilling cement at 8,202 feet.

Brinkerhoff No. 1 Clayton, C SE SE, 48-32-4n-T&P survey, got down to 6,705 feet in lime and shale.

Dawson Magnolia No. 1 Eiland, C NE NE, labor 33, league 273, Glasscock CSL, is drilling at 1,785 feet in redbeds and shale.

York and Universal No. 1 Fowler, C SE SE, 11-M-ELARR survey, took a drillstem test in the Pennsylvania reef lime, from 8,465 to 8,575 feet. The test was open two hours. Recovery was 5,400 feet of salt water and no shows of oil or gas. Electric logs are now being taken, and operator will wait on orders. The well may be plugged back to 5,000 feet for a test of the San Andres region.

The Railroad Commission could set a minimum price for natural gas at the wellhead in the Panhandle under a bill sent back to the Senate yesterday by committee approval.

A 7-6 vote kept it from being buried in a subcommittee.

Its author, Sen. Grady Hazelwood of Amarillo, estimated it would mean two million dollars a year more in state revenue if the price is set at the Oklahoma minimum of 9.8 cents per 1,000 cubic feet.

He said the bill is intended to adjust the Texas price—as low as 2.6 cents—in line with the Oklahoma price to conserve the Texas reserve.

Sen. Searcy Braeewell of Houston proposed an amendment to permit electric utility companies to pass on to contract consumers the increased cost of electricity resulting from the increased cost of gas for generating it. The amendment was killed, 7-6.

Arguments were heard through eight days.

Senate Gets Bill On Gas Well Prices

WASHINGTON (AP)—Sen. Byrd (D-Va.) hinted today that top-level policy makers all the way up to the White House under Harry S. Truman may yet be found to share some responsibility for ammunition shortages in Korea.

Byrd based his position on the argument that a directive from the secretary of defense—then Gen. George C. Marshall—on Sept. 27, 1950, amounted to a virtual "slowdown" order to the armed services in the war effort. That was just three months after the Korean War began.

"I assume that policy was not decided without the White House being consulted," Byrd said in an oblique reference to former President Truman. "We will do all we can to get at the facts."

He and Truman were long at odds politically.

The Virginian made his statement in an interview before a Senate Armed Services Subcommittee resumed its inquiry today into the shortages. The witness called for questioning was Lt. Gen. W. B. Palmer, in charge of Army supply.

The directive in question was signed by Gen. Marshall, just six days after he took office as defense secretary succeeding Louis A. Johnson. It ordered the armed services and Joint Chiefs of Staff to "assume for budgetary purposes" that the war would be ended by June 30, 1951.

Byrd questioned whether Marshall was the responsible source since the directive came such a short time after he took office. But Byrd added it was reasonable to assume that Marshall and the Joint Chiefs of Staff had given their approval to the document.

Marshall, now living at Leesburg, Va., could not be reached for comment.

Lt. Gen. George H. Decker, Army comptroller, testified yesterday he did not believe the Joint Chiefs had any part in formulating the policy. He said it was not a military assumption the war would end on a specific date.

There appeared to be a possibility that Marshall and former Secretary of Defense Robert A. Lovett, who issued a similar order later on, might be called to give their versions.

Sen. Margaret Chase Smith (R-Me.), subcommittee chairman, said a decision had not been reached on this point. She added she hoped to wind up the hearings in another 10 days.

Byrd said in his opinion the directive affected the Army's planning and that in turn led to ammunition shortages. Witnesses have agreed there was no real ammunition—production until two years after the war began.

Man Arrested On Bad Check Charge

The long arm of Howard County's law reached all the way to California this week to return a man charged here with passing a worthless check.

Deputy C. H. Fergus returned from a personal trip to California Wednesday and brought Lawrence Frederick back with him.

Frederick is charged with passing a check for over \$50, a felony offense. He waived extradition in California for the return trip.

Slam Mitchell signed the complaint against Frederick. It is alleged that Frederick used the money obtained to pay a prisoner's fine in the county jail.

Fergus has been in California for the past two weeks with his wife. He decided that he might as well mix business with pleasure and escorted Frederick back.

Four Local Nurses To Attend Meeting

Four Big Spring nurses will attend the 1953 convention of the Texas Graduate Nurses Association in Houston next week.

To leave Sunday for the convention are Madeline Rees, Martha Scudder, Bo Bowen and Jewel Barton. Headquarters for the meeting will be the Rice Hotel, Houston. The convention will open Monday and be in progress through Friday.

Regime-Opposed Bill To End Rent Lids By April 30 Gets Okay

WASHINGTON (AP)—The House Banking Committee approved today an administration-opposed bill by Chairman Wolcott (R-Mich) to knock out rent ceilings April 30 on about five million housing units in 32 states.

Committee members said the vote in a closed session was 16 to 10.

Republicans were said to have solidly backed Wolcott's proposal despite pleas from the Eisenhower administration for an extension of general rent controls until Oct. 1.

Rep. Spence (D-Ky.), former chairman and senior Democrat on the committee, said "It's another case of the Democrats fighting for the President's programs against the members of his own party."

Wolcott, denying any sharp dispute with the administration, said he looked for House passage of his bill early next week.

Jet Ace Opens Famed Gainesville Circus

GAINESVILLE (AP)—The Gainesville Community Circus opened its 24th season last night with "Fiesta Time," sent on the sawdust by jet ace Royal Baker.

Col. Baker, the McKinney flyer who knocked 12 Red Mills, flew a golden white to open his hometown circus that has gained world renown. Baker was honorary ringmaster.

The jet ace had been the feature of a two-mile-long parade. The circus plays here again tonight and tomorrow night. It will be in Abilene May 1-2 and Lubbock May 8-9.

Marines To Join In Next Atomic Blast

LAS VEGAS, Nev. (AP)—Marines plan to go into the next atomic test maneuvers, possibly Saturday, via helicopters.

Approximately 400 Leathernecks will be transported from a jumpoff point to base maneuvers objective area in 40 transport helicopters brought from the Marine air facility at Santa Ana, Calif. All will be combat-equipped.

27 Persons Dead

TAIPEH, Formosa (AP)—U. S. naval vessels rescued 14 survivors and picked up 27 bodies after a small Chinese nationalist steamer caught fire and sank in the Formosa channel Monday. It was announced today. Twenty-three other persons are believed dead.

Volcano Erupts Again

MANILA—Deadly Hibok Hibok volcano in the Southern Philippines erupted violently yesterday. The volcano of Northern Mindanao last erupted in December, 1951, killing an estimated 1,000 persons.

Fire Damage To House Unreported

A four-room house located at 1006 N.W. 3rd Street was reported burning at noon today by the city fire department.

Damage had not been determined at press time, but no injuries were reported. Two fire trucks were on hand to fight the fire.

Sun No. 1-A Anderson, C NE NE, 230-1A-H&C survey, got down to 5,318 feet in shale.

Humble No. 1 Cooper, C SE NW, 25-19-L&V&A survey, is at 7,068 feet, where operator is preparing to fish drill pipe.

Humble No. 1 Trulock, C NW NW, 6-28-1&T&P survey, hit 1,823 feet where operator is waiting on cement for 9½-inch casing.

Sohio No. 1 Yarbrough, C NW SE, 67-25-T&P survey, is drilling 5,122 feet in shale.

Sinclair No. 1 Cox, C SE SE, 33-33-4n-T&P survey, drilled to 9,750 feet in lime and shale.

Texas Company No. 1 A. H. State, 660 from south and east of lines, northeast quarter, section 12, block 7, University survey, is a new location about 21 miles north-west of Stanton. It will be drilled by rotary to 12,400 feet. Elevation is 2,919 feet.

Sun No. 2 McCabe, C NW SW, 22-1A-H&C survey, had a flow report today of 110 barrels of oil and no water through a 12-64 inch choke in 22 hours. Flowing pressure was 390 pounds. Gas-oil ratio was reported at 1,150-1, and operator is still testing.

Sun No. 3 McCabe, C NW SE, 22-1A-H&C survey, reached 500 feet in clay.

Sun No. 1-A Anderson, C NE NE, 230-1A-H&C survey, got down to 5,318 feet in shale.

Humble No. 1 Cooper, C SE NW, 25-19-L&V&A survey, is at 7,068 feet, where operator is preparing to fish drill pipe.

Humble No. 1 Trulock, C NW NW, 6-28-1&T&P survey, hit 1,823 feet

Braniff To Cut Out Two Of Its Flights

HOUSTON (AP)—Braniff Airways will drop two of its 22 flights through Houston tomorrow as the result of a walkout of mechanics at the airline's service center at Dallas.

ton-Austin. Braniff service to seven cities is being temporarily suspended. They are Galveston, Laredo and Brownsville; Ponca City, Okla., and Moline, Ill.; Burlington, Iowa, and Topeka, Kan. Some 400 members of the AFL struck in a dispute over the company firing of an apprentice mechanic and removal of a crew chief from supervisory duties.

Spanish Movie Satirizing Aid, Is Ordered Cut

CANNES, France (AP)—Several cuts were ordered for the public showing of a Spanish film satirizing the Marshall Plan and American tourists in Spain as the fifth International Film Festival got under way last night in this Riviera town. No details of the deletions were disclosed by officials of the festival, which will select outstanding movies of the 27 participating countries and top individual performances. It was said they were ordered at the request of U. S. screen star Edward G. Robinson, one of the judges. Robinson, Olivia de Havilland, Kirk Douglas and Orson Welles were among the American screen figures on hand for the opening. During the next two weeks, the several thousand persons attending the festival will witness 74 long and short motion pictures in many languages, including Japanese and Finnish. American entries include the movie version of the Broadway musical "Call Me Madam," Walt Disney's "Peter Pan," and Alfred Hitchcock's "I Confess." The Spanish movie is called "Welcome, Mr. Marshall." The Spanish made no official objections to the cuts ordered for the public showing but they indicated the press would be shown the uncut version privately.

THOMAS EVANS RIDDLE

107 Candles Are Placed On Cake For Texas Vet

AUSTIN (AP)—A tall frosted three-layer cake topped with 107 candles and greetings from Gov. Shivers and hundreds of friends were ready for Confederate veteran Thomas Evans Riddle's birthday party today. Riddle is one of Texas' two living Confederate veterans. The party was held in his sunny quarters at the Confederate Home for Men. He is 107 today. A quiet and simple celebration awaited the frail veteran. There was music and it made him nervous, said J. A. McCutcheon, home superintendent. Riddle was to open his presents (often flashy ties, which he likes) and greet as many of the visitors as he is able. Shivers will not attend but he was working up a personal birthday greeting. Many state officials and employees planned to attend along with the Daughters of the Confederacy. Riddle came to live at the Confederate Home when he was 103. The officials there have been giving him a big birthday blowout ever since his 104th. The House of Representatives passed a resolution yesterday congratulating Riddle.

Below Freezing Weather Felt In Many Areas

By The Associated Press Blustery weather, with snow, rain and strong winds, whipped over the Great Lakes region and Northern Plains Thursday. It was below freezing in many areas. The storm headed into the East. Showers fell along the leading edge of the cold air from Virginia to the Gulf. Rain was in prospect for wide sections of the Eastern States. The freezing belt extended southwestward from Lake Superior through Central Wisconsin, Eastern Iowa, Northern Missouri and northwest along the Rocky Mountains. One of the coldest spots was Minot, N. D., 11 above zero. The storm center was over Southwest Michigan in early Thursday with rain and snow over most of the Great Lakes areas as far south as the Ohio River Valley. Winds ranged up to 35 miles an hour. Storm warnings were posted on all Great Lakes Wednesday as the lustrous storm moved in from the northern plains. Winds diminished over the South Central sections after the gusty blows which caused heavy property damage in some areas. Warmer weather developed in the Rocky Mountain region and westward to the Pacific Coast. Mild weather continued in the far Southwest. The nation's top reading yesterday was 97 at Corpus Christi.

Local Trio Take Exams For Service

Three Big Spring men were in Abilene Wednesday to take physical examinations for the armed forces. They were Billy Wayne Cozart, Arnold Parmley and Curtis Stephens. The men were sent to Abilene through the local recruiting station. Sfc. A. M. Burt, recruiter, stated that Parmley is taking a pre-enlistment physical to determine fitness for a technical school. Both Cozart and Stephens are taking enlistment physicals for the Regular Army. They will enlist for three years if they pass. Cozart lives at 1107 Main Street, and Stephens' address is general delivery. Parmley, son of Mr. and Mrs. L. E. Parmley, 1814 Settles, is attempting to enter the X-ray and laboratory technical school in the Army. At present he is working at the Big Spring State Hospital. He graduated from Big Spring High School and attended Howard County Junior College. Burt stated that anyone desiring to attend a particular tech school can make arrangements for the course before entering the service.

White Scores Refusal Of State Funds For Tomatoes' Inspection

AUSTIN (AP)—The Texas tomato industry could collapse through the fault of the U. S. Department of Agriculture, John White, Texas agriculture commissioner, asserted today. "A responsible USDA agent" has refused to approve present state funds to be used for inspection of tomatoes, White said in a telegram to Agriculture Secretary Benson. Texas congressmen and Texas farm leaders. "If poor tomatoes are allowed to move under misrepresenting labels, they will flood the market and depress prices," White said. "As a result, the demand for our Texas grown product could collapse." He said he is powerless to use state funds collected from Texas growers under the Texas tomato law unless federal agents approve.

Abilene Gets OK For A Television Station

WASHINGTON (AP)—The Communications Commission today authorized today a new television station at Abilene, Tex. A construction permit went to the Reporter Broadcasting Co., Abilene, for Channel 9.

Democrats Protest Failure To Guard Against Trickery By Reds

By EDWIN B. HAAKINSON WASHINGTON (AP)—Sen. Flanders (R-Vt.) advocated today that President Eisenhower "grab the initiative" from the Communists "by telling all parties concerned truce terms that would be acceptable in Korea." Sen. Humphrey (D-Minn.) called for broad cold war peace talks with Russia. And, in the wake of disclosure that the U. S. has instructed Gen. Mark Clark what to tell the Reds about a resumption of truce talks, against what they called failure to guard against Communist trickery in the exchange of sick prisoners of war. Flanders suggested that the President should first consult with congressional leaders on exactly what "the United Nations—and that means the United States—would accept as truce terms in Korea." "After they have agreed on this, the President then should tell Congress and the world publicly what he wants," Flanders said. Flanders said he had no information on what truce terms would be acceptable to the President and the U. N. His own ideas for an end to the Korean War call for: (1) withdrawal of Chinese Communists from Korea and establishment of a neutral zone about 40 miles deep along the Yalu River; (2) enforcement of this neutral border by a commission of Asians; (3) rehabilitation of Korea; (4) holding of free elections for all of Korea after the period of rebuilding. Sen. Humphrey, a foreign relations committee member, declared this country "must maintain its defenses, bolster the North Atlantic Treaty and be on guard against Communist trickery and skull-duggery." He said the time has come to carry negotiations to the Russians on a global basis. "The war in Korea will not be stopped in Korea," he said. "It will be stopped in Moscow. We should take crystal clear terms for honorable negotiation directly to the Soviet." The protests over reported Red trickery in the exchange of sick war prisoners grew out of reports that scores of Communist supply trucks moved openly toward the Korean front under the apparent immunity granted motif convoys carrying Allied prisoners toward Pannunjom. "This looks like serious business and illustrates the point made by many of us when this proposal to exchange sick POWs came up that every caution should be taken to insure we were not being trapped," Sen. Sparkman (D-Ala.) told an interviewer. Sparkman, like Humphrey a member of the Foreign Relations Committee, said that "while I do not know the details of the agreement under which the exchange was undertaken, I cannot understand why we did not insure against such a happening as now seems to be taking place."

And, in the wake of disclosure that the U. S. has instructed Gen. Mark Clark what to tell the Reds about a resumption of truce talks, against what they called failure to guard against Communist trickery in the exchange of sick prisoners of war. Flanders suggested that the President should first consult with congressional leaders on exactly what "the United Nations—and that means the United States—would accept as truce terms in Korea."
