

DRAMATIC RESCUE 14 STORIES UP—Police Inspector Van F. Demko grasps hysterical Mrs. Wong Loy, indicated by arrow, as she fell full-length along a narrow ledge, 14 stories above a San Francisco street, after clinging there 3 1/2 hours in a threat to leap to death because immigration authorities refused to allow her to join her American-Chinese husband. She was pulled to safety. Firemen rigged the jumping net to catch her if she had fallen. (NEA Telephoto).

HSY ENTRAINS FOR TOUR, IT'S 'NOT POLITICS'

By the Associated Press
President Truman swung into the Middle West today on a cross-country tour that will take him before the voters of 18 states, maybe more.
Trip plans for the return from the West Coast are yet indefinite. Officially, it is a nonpolitical trip. But it already is drawing political comment from the Republicans contending for the chance to oppose Mr. Truman in November's presidential election.
Harold Stassen said in a speech in Cheyenne, Wyo., last night that the trip is an admission from Mr. Truman that he is weak in the West.
Stassen, Gov. Thomas E. Dewey of New York, and Senator Robert A. Taft of Ohio, leading contenders for the GOP nomination, have campaigned vigorously in the West, covering much of the ground Mr. Truman now will go over.
The President will speak in Chicago tonight—the first of five major addresses planned. He also expects to make numerous short talks from his special train's rear platform.
His train paused briefly at Pittsburgh early this morning. Mayor David L. Lawrence, national Democratic committeeman, and other officials greeted him. Mr. Truman did not address the crowd.
The Republican candidates were beating the political bushes for delegate votes in the GOP National Convention and disputing about who will have the most when the party conclave meets in Philadelphia June 21, little more than two weeks from now.
From Wyoming, Stassen left for Nevada and California. He will lunch tomorrow with Gov. Warren of California. Warren, a "favorite son," will get the votes of California's big delegation on the first GOP nomination balloting. What other Republicans want to know is where those votes will go if Warren should drop out of contention.
Dewey arranged a trip to Boston in a bid for "second choice" votes from Massachusetts. That state's early ballots are expected to go to a "favorite son"—either Senator Leverett Saltonstall or House Speaker Martin.
Taft is in North Carolina. Republican delegates and party leaders there invited him to address them. Taft's backers claim he will have strong support from Southern delegations to the party convention.
The Taft camp in Washington made the claim he will top all contenders on the first ballot with at least 306 votes. They figured Dewey would have 281 and Stassen 149 with 558 going to favorite sons. The number needed for the nomination is 648.
Stassen has predicted he will have 340 on the first ballot. Dewey's backers said the Taft camp's figures are wrong—that Dewey will have more than Taft.
Henry A. Wallace, third party presidential candidate, concluded a Western tour at Albuquerque last night. He told his audience there that he will not repudiate any support which comes to him in the name of interest in peace and added that "Communists are interested in peace."

House Heads Into Bitter Fight on Slashing Funds for Marshall Plan

Pampa News

VOL. 47—NO. 49 (8 Pages) PAMPA, TEXAS, FRIDAY, JUNE 4, 1948. Price 5c AP Leased Wire

Author Is Indignant At Slash

WASHINGTON — (AP) — The House headed today into a hard, bitter fight over the proposed slash in foreign aid funds.

Secretary of State Marshall said the \$533 million slash in the funds would turn the European Recovery Plan into a "mere relief" project.

Marshall authorized this direct quotation at a news conference: "The reduction proposed would, I consider, alter the European program from one of reconstruction to one of mere relief."

The secretary said in response to a question that if the cut which was recommended yesterday by the House Appropriations Committee is confirmed by Congress, it will have a most serious effect on the political situation in Europe.

He was reminded that a year ago tomorrow he first proposed the Marshall Plan for European recovery, in a speech at Harvard University, but he said that he had no anniversary sentiments to express.

Administration supporters were expected to make a major drive to restore cuts voted by the committee in recommending \$5,980,710, 288 to finance the global recovery program enacted two months ago.

Chairman Taft (R-N.Y.) said the actual cut in funds is nearer \$1 billion since the money would have to last fifteen months instead of the year planned by the administration.

This is 26.7 percent less cash than requested by President Truman to carry out the Marshall Plan for Western Europe and aid to Greece, Turkey and China.

NEW CREST ROLLS DOWN ANGRY WATERS OF PACIFIC NORTHWEST

Reinforcements Rush to Points in 2 Periled States
PORTLAND, Ore.—(AP)—Unbridled waters churned today through newly punched-out dikes on the Pacific Northwest's farflung flood front. More strained levees were crumbling. A new crest was rolling down.

The Fraser River in Canada smashed the barriers — at Barnston and Hatzic Islands in British Columbia. The Canadian Navy said all of the 360 men, women and children on lives ahead of the foaming water had reached safety. Most of them were taken off in ships to nearby Port Kells, the Navy said.

Reinforcements rushed to soggy dikes along the lower Columbia River's shores in Oregon and Washington as the massive flow of the big river threatened to widen its most destructive 1,200-mile surge to the Pacific.

The fresh flood crest was mounting in the Columbia, far up in the mountains where the blazing sun too quickly changed the deep snowpack into runoff water. The Snake River, main Columbia tributary, also was rising.

The collapse of Barnston and Hatzic Dikes last night flooded more fertile farmlands, adding to the tremendous but yet untold millions of dollars damage in the Northwest Region.

Before the new rampages of the Fraser, estimates from qualified sources soared to \$150 million for the Columbia in Idaho and the lower valley in Oregon and Washington, \$30,000,000 for the Fraser. The death toll on the Columbia was 21, two on the Fraser.

On the lower Columbia, more troops and civilians hurried into camps to aid weary workers who have spent days strengthening scores of weakening dikes against the river's a savage onslaught.

Five hundred Army regulars and 250 Navy men were helping hundreds of civilians in the 12,000-acre Chatskanli Area, which U. S. engineers said was in "very critical condition." Only one of nine dikes in this Oregon Area 50 miles from the river's mouth, was good, they said.

SLEEP FOR HOMELESS—Homeless victims of the flooded city of Vancouver, Ore., sleep on cots set up in the American Legion Hall in Portland. Welfare agencies in the Portland Area were attempting to provide for approximately 30,000 persons made homeless by floods in the Pacific Northwest. Residents today were waiting for the results of a second flood moving on them. (NEA Telephoto).

John Lewis Bows, Agrees to Bargain

WASHINGTON — (AP)—John Lewis today bowed to a federal court order directing him to bargain with the Southern Coal Producers Association.

The United Mine Workers chief announced through his attorneys that he would be ready to resume contract talks with coal operators, including the Southern group, tomorrow afternoon.

Earlier today Federal Judge T. Alan Goldsborough had intimated that if Lewis did not refuse with the court order to negotiate with the group, he might be found in contempt on or again.

Robert N. Denham, general counsel for the National Labor Relations Board, had asked that Lewis be directed to enter contract talks with the association, headed by Joseph E. Moody.

The judge said that it was apparent from the record that Lewis did not want to bargain with the association because he wanted to "destroy" it.

He suggested Lewis might desire to bring about the destruction of the association because it is harder to deal with a single unit than with representatives of the 14 smaller associations through the South which make up the association.

Bids Opened On Proposed Hospital Here

Bids for construction of the county general hospital here were opened this afternoon by the County Commissioners Court, but no contract will be let this afternoon, it was said.

Following are names of bidders, lowest possible bid, and the base bid. Base bid is based on the specifications as set forth in the commissioner's call for bids; the lowest possible bid is based on the bidder's suggested changes in materials, etc.

Manhattan Const. Co., Amarillo, \$897,992, lowest possible; base \$985,445.
Walter E. Wirtz, Amarillo, \$1,117,496, lowest possible; base \$1,210,642.
J. W. Bateson Co., Inc., Dallas, \$1,009,928; base, \$1,115,156.

Thomas Bates and Sons, Dallas, \$935,700, lowest possible; base, \$1,025,000.
Harmont Const. Co., Oklahoma City, \$837,708, lowest possible; base, \$925,867.

The commissioners reserve the right to reject any and all bids.

It's the Trend — In Oklahoma — to Do These Things!

OKLAHOMA CITY — (AP)—The law was dry, the diapers were wet, and as for the proof — it ran about 90.

Prowler car officers R. L. Pratt and S. W. Stephens answered a call to a tavern. The bartender said a woman with a small baby was bothering the trade.

At headquarters she suggested a change of daddies for the infant.

Lt. Ed White started to hand her the diaper bag when he looked inside.

The two bottles there weren't the nursing type, and the formula was altogether wrong.

Even three-cornered pants won't put pints on the square in dry Oklahoma. The police circled the lady gently around behind the bars — until her bars.

COLE SETS PACE WITH \$10 POLITICAL PIE!

Politics at its grass roots was mixed heavily with dough last night at the Bell Home Demonstration Club's pie supper, and Irvin Cole, candidate for county commissioner of Precinct 2, paid \$10 for a lemon pie.

The biennial affair was held in the Bell School south of Kingsmill with 16 candidates for county and precinct offices paying an average of \$5 for a pie from Auctioneer W. A. Nolan, also a candidate for county commissioner from Precinct 2. The first pie, the lemon, was opened at \$2 by County Attorney Candidate John Studer. The bids went around the candidates at a swift pace until Cole shouted out his winning bid of \$10.

Seven of the eight candidates for the Precinct 2 commissioner post attended the meeting, each making short addresses asking for support at the polls. Both candidates for the county prosecuting seat, Attorneys John Studer and B. S. Via, and B. E. Ferrell, the only candidate for the county bench to appear, spoke briefly. Two of the three candidates for constable from Precinct 2, Carl Tucker and Earl Lewis, put in their bids for pie and votes.

Sheriff Candidate Jeff Guthrie put in the winning bid on a pie and entered his bid for support of the voters July 24.

J. M. Hopkins, county commissioner of Precinct 3, seeking reelection, was the only candidate for that office from his precinct to appear. Mrs. Dee Patterson, seeking reelection to the post of district clerk, spoke briefly before the pie supper.

A huge cake brought \$21.75 into the coffers of the demonstration club through a Spanish auction after it was sold once and then turned back for resale. The first sale brought \$15.50 and the resale added \$6.25 to its cost.

Other candidates appearing at the pie supper were E. C. Shaffer, Bertie Vaughn, W. J. "Bill" Graham, Z. H. "Pop" Munday, Clyde Organ, all Precinct 2 commissioner candidates, and Miss Ola Gregory, unopposed candidate for reelection as county treasurer.

Dosier Will Head Lions

H. P. Dosier was elected president of the Lions Club at yesterday's luncheon meeting. Taking office June 24, he will succeed Clarence Kennedy.

Frank L. Stallings was elected secretary-treasurer. H. M. Luna, tallwister, Henry Ellis, Lionmaster, and Ray Kuhn, O. E. McDowell and Dale Pinson, directors.

Highway Case Verdict Goes To Defendant

The relocation of Highway 66 through Alameda will be laid as planned by the State Highway Department as a result of an instructed verdict shortly after p. m. yesterday by Judge Lewis M. Goodrich in 31st District Court.

Walter Rogers, attorney for the plaintiffs, said this morning he would appeal the case.

The court sustained a motion by Chief Defense Counsel Charles Crenshaw for an instructed verdict on the grounds that the plaintiffs failed to prove as they contended pervasiveness of will, prejudice, partiality, and delinquency on the part of agents of the State Highway Commission in relocating Highway 66 920 feet north of the present location.

Testimony by a committee in Alameda claimed the town would be ruined by moving the highway to the north. The highway now runs through the main business and residential section of town.

C. K. Redding, senior resident engineer at Pampa for the Highway Commission, testified that he was not acquainted with any Alameda resident at the time he got his order in the winter of 1943, nor at the time he made his survey before drawing up his route plans.

The plans, admitted into evidence, showed the road's curve from the present path through the north part of the town to the highway at a point about one quarter of a mile west of the city limits. The new plan, Redding said, cuts out two sharp curves that are more than three degrees.

The maximum approved by the State Highway Department. The approach to Alameda of the relocated highway swerves to the north about one mile east of the town, Redding said on the stand.

Redding, called to the stand by Attorney Walter Rogers, chief counsel for the plaintiffs, yesterday afternoon was asked by Crenshaw if the relocated road went around the town or through it.

Promotion Is Outlined by C of C Group

Plans were started for a long-range trade promotion program to begin about the middle of August at a joint meeting of the Retail Trade, Wholesale Trade, and Industrial Development Committees of the Chamber of Commerce in the C of C room in the City Hall yesterday morning.

A dinner meeting of all Pampa business owners and managers is scheduled for June 14. Hugh Peoples, chairman of the Committee on Retail Trade, announced today. Program plans will be announced and further discussed then, he said.

A three-day goodwill and booster trip was approved at the meeting for Tuesday, Thursday, and Saturday, July 27, 29, and 31, as part of the goodwill and advertising program preceding the annual "Top of Texas Rodeo and Horse Show."

The booster trips will be made in chartered buses to about 30 towns in the Texas and Oklahoma Panhandles.

Details of the trips, which will include entertainment programs, are being handled by Peoples, Liebmann Langston, chairman of the Goodwill Committee, and Harry Kelley, chairman of the special Booster Committee.

Quartet Held By Officers

Three young men and a girl driving a 1941 Buick sedan and a 1937 Chevrolet coach, and armed with a machine-gun-type Winchester rifle, a pistol, cartridge belt and a knife, were picked up between 7 and 8 p. m. yesterday by Sheriff G. H. "Skinner" Kyle and his deputies at the Belvedere Cafe, in front of the Brown Derby Cafe.

Chief Deputy Sheriff Rufe Jordan reported the Buick and its occupants were picked up at the Belvedere shortly before 8 p. m. The occupants had a revolver, holster and cartridge belt in the car at the time. Arns and addresses of the pair had not been learned this morning by the Sheriff's Department.

Later the occupants of the Chevrolet were picked up in front of the Brown Derby. The Winchester rifle was found in their car along with several boxes of cartridge. The youths said they were from Berger, but why they were driving a Washington County registered car was not immediately learned by the Sheriff's Department.

Sheriff's Department officials said the quartet had been together earlier and were fighting up and down the street and later dispersed. They were being held for further investigation this morning after spending the night in Gray County jail.

Jordan added all had shown signs of intoxication at the time of arrest.

9 Graduate From College

Nine students will graduate from the Pampa Business College in graduation exercises at 7:45 p. m. today at the school.

The Rev. B. A. Norris, pastor of the First Christian Church, will deliver the invocation, and the principal speaker will be Huey Laycock, county superintendent of schools. The Rev. H. Clyde Smith, pastor of the First Methodist Church, will ask the benediction after President O. H. Foster presents the diplomas.

Guests attending are: Emily Coston, Vernon Garner, Lillian Maxine Hollingshead, Maxine Houston, Avis Kelley, John Kinney, James Shelton, and Robert A. Smith.

Patrol May Lose 80-Year Identity

EL PASO — (AP)—The El Paso Times says the U. S. Customs Patrol along the Mexican border, an organization 80 years old, may lose its identity July 1, by being placed under the Customs Agency Service.

The patrolmen are now under Grover Webb, district superintendent of the Southwest Customs Patrol, extending from Brownsville to San Diego. El Paso is headquarters.

250 Veterans To Meet Here

Pampa will be host this weekend to some 250 VFW members and auxiliary women from 22 posts in District 9, Department of Texas, who are meeting in convention with the local post.

The VFW Auxiliary will also hold meetings, some independent of and some with the men in their sessions.

Registration will begin at 10 o'clock Saturday morning and continue throughout the two days of convention. Members can register at either the Schneider Hotel or the VFW-Legion Hall.

A closed business meeting of the VFW will be held in the VFW-Legion Hall at 10 o'clock on Sunday, and the regular district business meeting will follow at 11:30.

There will be joint meetings with the VFW Auxiliary in the form of an open house at the VFW-Legion Hall on Saturday from 12 o'clock noon to 2 p. m., a dance at 9 p. m. Saturday in the Court House Cafe at 8 o'clock Sunday morning and a banquet and joint meeting at 12:30 on Sunday in the Palm Room.

A tea for Canteenettes will be held at the home of Mrs. B. S. Via, 903 N. Somerville, Sunday afternoon at 2:30.

Final Plans Effectuated for August Show

Final plans for the annual Top of Texas Rodeo and Horse Show were perfected last night at a meeting of the directors of the Top of Texas Rodeo, Horse Show, and Fair Association, Inc., in the Chamber of Commerce.

The five-day rodeo program will have, as its opening performance on the night of Aug. 2, the Palomino Show and the Kid Pony Show.

The first rodeo performance will be held Wednesday night, and will continue through Saturday night, Aug. 7.

A giant street parade is scheduled for 4 p. m., Aug. 4, that will be headed by the renowned Hardly Rodeo Band. This band will again play for the entire four-day show, and other bands from this area have been invited.

Buddy Heaton, Hugoton, Kans., has contracted to clown for the show and his clown midget, Daisy Mae, has his own midget. Three fine hand-stamped saddles will be given by the association to the winners in the performance contests of both the American and National Quarter Horse Shows. The third saddle will be given to the winner of the colored and glamorous girls' sponsor's contest.

Goat Furry, Petrolia, Texas, will again furnish the rodeo stock.

Sunday News Is 10 Cents on Stands

The newstand price of the Sunday issue of the Pampa Daily News, effective June 6, will be 10 cents, it was announced today by the management.

There will be no increase at this time in the price of the paper by the week to subscribers. However, the price of the paper will be 10 cents when the Sunday issue only is purchased from the carriers.

The increase was necessary because of the increase in the cost of the Sunday colored comics and in the production costs of the entire paper.

We Saw...

Santa Fe's crack passenger train whizzed through town yesterday and today "like a bat" out of the northeast corner of the Panhandle. To avoid a washout near Las Vegas in the New Mexico division, a 36-hour detour was established, and all fast trains — the Chief, Super Chief, and El Capitán — were routed through Pampa. One of them yesterday began whistling for a crossing when he hit the eastern edge of the city, and, by the time we got our heads swivelled around, he was halfway to Kingsmill.

BULLETIN

NEW YORK — (AP)—A threatened strike of 25,000 long-line telephone workers in 42 states was averted today when negotiators signed a 21-month contract.

The agreement, reached before a federal mediator here, ended a dispute between the Long Lines Department of the American Telephone and Telegraph Company and the CIO American Union of Telephone Workers. It is subject to ratification by union members.

A company spokesman said the contract does not provide an immediate wage increase but allows the wage question to be reopened by either party once during the 21-month period.

Louis Has Mental Attitude of Second Schmeling Fight, but How About State of Muscles?

By HARRY GRAYSON
NEA Sports Editor

POMPTON LAKES, N. J. — (NEA) — John Roxborough says Joe Louis has the same mental attitude he took into the battle with Max Schmeling.

Louis moved in at Pompton Lakes as Armstrong moved out to cuff Barney Ross around for the welterweight championship.

Rain postponed the Ross-Armstrong scrap, and Hammering Henry returned to Pompton Lakes, and shared the camp with Joe Walcott twice set him on the seat of his silk panties at Madison Square Garden last Dec. 5.

"Joe spent 32 days on Irving Roane's farm, 28 miles northwest of Kalamazoo," explains Roxborough. "There was no golf, no diversions. Outside of his handlers and myself, those he saw or talked to were farmers. He had plenty of time to think, and he headed for Pompton Lakes and the boxing routine in the state of mind that was his before he knocked Schmeling into the hospital."

Roxborough took Louis to Roane's farm to get his mind off of and keep him away from golf. Had it not been for the golf courses there, he would have put in the roughing-it period at West Baden.

"Joe dried out for the first fight with Walcott, that's true," says Roxborough. "But he also was baked and burned out before it on golf courses. He doesn't play golf like the average fellow. He isn't satisfied with less than 36 holes a day, and will go an additional nine if it is still daylight and if he can find someone to play with."

"And any trainer will tell you that the muscles used in the golf swing aren't the ones that enable you to punch a bloke on the nose. The golf swing and the one-two are not compatible."

Tonight is ladies' night, and all ladies accompanied by their escorts will be admitted free to the fourth in a series of wrestling elimination tournaments at 8:30 p. m. at the Sportatorium.

Dr. Gil Knutson, the wrestling chiropractor from Davenport, Iowa, will meet Billy Hickson, West Coast and New Mexico light-heavyweight champion, in the main event.

The winner of this match will meet Wayne Martin, present title holder, in a championship match for the Southwestern Junior Heavyweight belt at the local arena June 11.

In the semi-final, Olan Boynton will be matched with Jack Wentworth, the stocky and powerful wrestler from Toronto, Canada.

Knutson, who is a graduate chiropractor, has several special holds he devised from his chiropractic training. One of them is his "sleep hold," which does just that — puts his opponent to sleep.

He used this hold, which is a variation of Wentworth's own "anaconda" hold against the powerful Canadian in their match two weeks ago to take one of the two falls to win.

Hickson has been boxing and wrestling professionally for about 12 years. He fights about a half dozen prize fights a year, and attributes his speed on the wrestling mat and ability to get out of tough places to his boxing training.

Up in Oregon last year, he won the lightweight championship of the West Coast, and then went to Albuquerque to take the New Mexico title.

Roxborough put Mead in Louis' corner for the Schmeling encore that was to make or break Skogy Joe.

The Pampa Oilers made it quite clear last night that they were not ready to render their West Texas-New Mexico League lead to anybody, when they jumped on four Lubbock pitchers for 20 hits, 11 of them doubles, and left Oiler Park with a one-sided 17-1 victory over the Hubbers.

Righthander Howard Bass hurled a masterful ball for the Oilers, allowing only four hits, whiffing 10, and giving up one charity base. The Eldorado High School coach allowed only two men to reach third base and added to his cause by getting two singles in four trips to the plate. This was Bass' third win of the season as he compared with two losses. He previously lost to this same Hubber aggregation in Oiler Park, May 2, despite the fact that his teammates outthrew the Hub City catchers 11 to 5.

The Oilers set somewhat of a record in their walkaway win when 14 of their 20 safe hits traveled for extra bases. Eleven of these bingles were doubles, one

scored two runs in the initial inning. These plate-crossings came on a double by Earl Harriman followed by a single by Jack Riley. Three more runs were pushed across in each the second and third innings on seven hits. In the third frame, Joe Fortin started the inning off with a double followed by two baggers off the bats of Dick Samek and Bob Bartholomew. Doubles by Samek and Range, a single by Belford, and a homer by Belford pushed across three more tallies in the third frame.

Alitzer took over the pitching duties in the fourth and held the Oilers scoreless during the fourth, fifth, and sixth frames, but ran into trouble in the eighth when he walked Riley and fed Tony Range a fast ball which he promptly poked over the left field fence, scoring Riley ahead of him. Sullivan took over and the Oilers wasted no time in collecting six more hits for six more runs in this inning. The locals scored the last tally in the eighth on singles by Bass and Bartholomew and an error by Frank Booth. Hubber rightfielder, the lone Hubber marker was unearned since Charlie Scarborough reached first by virtue of Earl Harriman's error and scored on Virgil Richardson's ground ball to short after he had been sent to third by Sullivan's double.

The Oilers will engage the Hubbers again tonight in Oiler Park for the second in the three game series. Game time is 8:15 and it is unknown for certain as to whom Seitz will give the starting nod. Roy Parker may do the Oiler hurling since he has been idle longer than any of the rest, although the rain at Clovis provided two day rest for all the pitchers. Since that time, Avon Driggers, Merlin Hubbard, Foster White, and George Payte have all seen mound duty, although Payte and Hubbard only did relief jobs.

Blackwell Is Back in Shape As Cincinnati Reds Win 6-4

Like good golfers, the Cardinals keep their mind on their game on and off the field. Howie Pollet chucks a paper ball to Stan Musial, using the cameraman's reflector as a bat in hotel room.

By The Associated Press
The Cincinnati Reds have come up with a lot of bad news for the seven other National League clubs. Ewell Blackwell's back in form.

The stringbean righthander, sidelined for a month with a sore shoulder, last night won his first game since April 23. He held the slugging New York Giants to two hits and a pair of runs in seven innings. Nine Giants went down on strikes, although Mickey Livingston blasted a bases-empty home run for the New Yorkers in the fifth.

Blackwell, who walked six, retired after the seventh and the Reds quelled a ninth inning rally to win, 6-4. Blackwell's return was welcomed as having difficulty breathing as the result of a heavy head cold.

The victory moved Cincinnati into sixth place in the National League, only four and a half games back of the leading Giants.

The loss cut the Giants' first place margin to a half-game over the St. Louis Cardinals, who broke a six-game losing streak. The Red Birds tripped Brooklyn, 4 to 1, in Sportsman Park behind the brilliant four-hit pitching of Harry "The Cat" Brecheen.

The Pittsburgh Pirates pulled to within a game of the top by outlasting Boston, 5 to 3. The Braves picked up a win in the eighth, scored another and had the bases loaded with none out in the ninth when Elmer Singleton came to Kirby Higbe's rescue. The former Boston righthander shut off the hitting immediately, although a final tally came across on a force play.

Young Richie Ashburn, whose powerful spring hitting boosted him from the Class A Eastern League to the Philadelphia Phils, connected safely in his 20th consecutive game as the Phils defeated Chicago, 4 to 3.

In the American League, Detroit spurred for four runs in the 11th inning to defeat New York 6 to 2 and Boston turned back St. Louis, 3 to 2. Cleveland at Washington and Chicago at Philadelphia were rained out.

Hal Newhouser held the Yankees to six hits in winning his fourth straight game. Hoot Evers and Vic Wertz homered for Detroit, while Joe DiMaggio accounted for both New York tallies with a single and a long fly.

Jack Kramer tumbled his former St. Louis mates out of first division with his eight hit effort. Whyzy Platt, rookie brownie left fielder, homered with one aboard for the St. Louis runs in the seventh inning.

Derby Chances Good
EPSON, England — (AP) — American chances of a derby win at Epson tomorrow rose steadily as windy showers and slow going were predicted for the 16th running of the British Flat Racing Classic.

The chief American hope in the 33-horse event, New York Banker William Woodward's Beteck Tarquin, likes the going heavy and should have an edge on tough opposition if the bad weather prevails.

Sports Round-Up

By HUGH FULLERTON, JR.
NEW YORK — (AP) — It was the Cardinals' Eddie Evers who was grating last spring about the advantages of a "stron' bench" in baseball, but the Yankees' Bucky Harris apparently is taking those advantages. When Charley Keller broke his hand trying to make a shoe-string catch the other night, Bucky had his \$18,000 bench warmer, Johnny Lindell, ready to go in there, and Johnny merely won the ball game by knocking in the only run. A few days before Snuffy Stirnweiss had been beaned and Bobby Brown moved in at second and rattled off seven straight hits in a doubleheader. Both of them had appeared before, due to injuries to Tommy Henrich and Phil Rizzuto, and George McQuinn and Steve Souchock have been alternating at first. In fact the usually brittle Joe DiMaggio and Bill Johnson are the only Yanks who have played every game, but the club doesn't seem to have suffered much.

EMBARRASSMENT SHIELDED
Just to prove that track trophies are more than mere dust catches, Drumbeater Jim Haughton of Villanova comes up with a story of the doings when the college naval ROTC unit was to be presented a shield by a chapter of the Navy League. When it was almost time for the ceremony, the jeweler hadn't delivered the shield and the Navy guys were greatly perturbed. Fr. Edward McKee, moderator of athletics, calmed them by producing a nifty plaque the Villanova two-mile relay team won at the Beton Hall Relays. It wasn't used because the delivery truck appeared just in time.

SPORTS BEFORE YOUR EYES
Claude Harmon, exempt from sectional qualifying tests for the Open Golf Championship, is the teacher of Dick Mayer, the only amateur to qualify in the met district. Claude also had an airplane seat to Los Angeles for his brother-in-law, Vic Oberhammer, who dropped to an alternate's spot when he blew a putt. . . . big seven observers are tabbing Iowa State as a football dark horse as a result of spring drills

PHILADELPHIA — (AP) — Connie Mack was honored last night by the Philadelphia Chamber of Commerce in recognition of his 65th season in organized baseball and 48th consecutive year as manager of the Athletics.

2 Games Played In Softball League

Two very evenly matched softball games were played in the Industrial League last night when Shelly coked Humble 3-1 and Magnolia ousted The Pampa News 10-8.

Both of these games were closely contested all the way with no team ever leading more than two runs. Winning batteries, for Shelly were Henly and Garrett and for Magnolia, Cooper and East.

In the Magnolia-News contest, The News jumped to an early 6-4 lead in the first two innings, but failed to hold it as the winners scored five runs in the fourth frame.

Eight light poles at the Lions Park are being erected and the digging of the holes started today. Four poles are to be for the infield and four for the outfield, with each pole 60 feet high. The diamond is to be laid off as a Class A field. Elton Lathrop, league president, announced this morning.

Tempt With Coconut Kisses

Coconut kisses and fresh strawberries—a June delight.

By GAYNOR MADDOX
NEA Staff Writer

Fresh strawberries with powdered sugar and a dish of coconut macaroons—there's a summer idyll for anyone. Here are three variations on the theme of "kisses."

Coconut Kisses

(Makes about 30)

Two-thirds cup sweetened condensed milk, 3 cups (1-2 pound) shredded coconut, 1 teaspoon vanilla (optional).
Mix sweetened condensed milk and coconut. Add vanilla, if desired. Drop from teaspoon onto greased baking sheet, about 1 inch apart. Decorate with raisins, walnuts, or cherries, if desired. Bake in moderate oven (350 degrees F.) 10 minutes or until delicately brown. Remove from pan at once.

Coffee Coconut Meringue

(Makes 2-1/2 dozen meringues)

One-quarter teaspoon salt, 2 egg whites, 1 tablespoon soluble coffee, 1 tablespoon vanilla.

Take Off Ugly Fat With Grape Fruit Juice Recipe

It's simple. It's amazing, how quickly one may lose pounds of bulky fat and inches right in your own home. Make this recipe yourself. It's easy—no trouble at all and costs little. It contains nothing harmful. Just go to your drugstore and ask for four ounces of Liquid Barcolite. Pour this into a pint bottle and add enough grapefruit juice to fill bottle. Then take two tablespoonsful twice a day. That's all there is to it.

If the very first bottle doesn't show you the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if you gain an inch or more; if you don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back slimming curves and graceful slenderness. Note how quickly bulky disappears—how much better you feel. More alive, youthful appearing and active.

Clean House and Do It Systematically

About this time of year, homemakers begin to roll up their sleeves for an old-fashioned spring cleaning. Replacing the frenzied activity of trying to get through the entire house in one week is the easier method of scheduling spring cleaning tasks over a period of a month or more. In this way the job can be accomplished with less confusion to the family and with less strain and weariness for the lady of the house.

Before starting the cleaning, check over the equipment which will be needed. Be certain that the necessary supplies for all cleaning tasks are on hand.

Then, schedule the cleaning, which is to be done each week, allowing time for regular house-keeping tasks. Plan to do each day only what can be done without becoming over-tired. This plan may mean a thorough cleaning of one room at a time, or the tasks may be divided according to types—that is, all windows done one week, curtains washed another and so on through the various jobs.

Here are a few tricks which will simplify, not just spring house cleaning, but everyday cleaning as well.

1. Assemble all the equipment and supplies needed for cleaning before beginning. Small items may be carried about in a basket, or if the house is all on one floor, an old tea cart might be fitted up as a cleaning wagon.

2. Take advantage of time and labor-saving equipment. For example, there is a new galvanized twin-pail set which simplifies all the many soap-and-water tasks about the house. This set consists of two light-weight galvanized pails held together by a convenient handle. The pails, one for wash and one for rinse water, can be carried or moved with one hand.

3. Learn to use all the electric vacuum cleaner attachments. Use them, not just for cleaning rugs, but for dusting blinds, books, lamp shades, furniture and even bureau drawers.

WE, THE WOMEN

BY RUTH MILLETT
NEA Staff Writer

There's nothing more or more damaging to the ego of a woman who still thinks of herself as a girl than to run up against a tactless saleswoman or beauty operator.

"Now this is very youthful, or 'See what a slenderizing effect those stripes have!' might just as well be 'You're not young'—but with a little clever camouflage you can take a few years off your age," or "You're really too fat, of course, but this dress helps to hide that fact."

The tactlessness of the beauty operator is usually even more damaging. "Did you know you're getting quite a few gray hairs?"

The woman who is trotting out hats doesn't even have to say anything to make her customer feel her age. She can do it by just bringing out a succession of top-heavy, club-woman hats, and then giving her customer a pitying look when she protests, "But all those hats look so middle-aged."

UNFAIR!

And then, of course, there is the saleswoman who doesn't play the game. Her customer, demanding assurance, asks, "You're sure it's not too young for me?" and gets a condescending smile—not the hoped-for, "Oh, you're just right for it."

No, there's nothing like a frank, unflattering saleswoman to make a woman realize she isn't as young as she feels.

Rude Date Rates Teen-Ager Scorn

By ALICIA HART
NEA Staff Writer

How do you rate on a double date?

The fault with some girls, teenagers tell me, is that they attempt to turn a foursome into a threesome by concentrating their attention on the boys and cold-shouldering any feminine competitor for the spotlight. This type of behavior is, of course, outrageously rude.

Such behavior is also shortsighted. The girl who practices such tactics is apt to lose the respect of her own date. She most certainly will incur the resentment of the other girl who will try to avoid her in the future.

If you want to keep the demand for your company high, share the spotlight. Help to steer the conversation to topics which give everyone a chance to shine, including the other girl. You can also show your friendliness to her by complimenting her hair-do or her new dress. If she must be home at an earlier hour than you, don't embarrass her by pointing to your greater liberty. She will appreciate your thoughtfulness if you insist that you would like to call it a night at whatever curfew hour she must observe.

Mrs. Rogers Is Shower Honoree

Mrs. J. T. Rogers was honored with a pink and blue shower when members of the Wayside Home Demonstration Club met Thursday, May 27, in the home of Mrs. Guss Greene, north of town.

Following the shower Mrs. Greene gave a demonstration on cheese making.

During the business meeting Mrs. Ed Barnes was appointed to have charge of the radio program on June 5. The members voted to hold club meetings from 8 to 5 o'clock during the summer months.

Refreshments were served to eight members and one guest.

COMBINE FOOD VALUES FOR HEALTH

Every person needs around 3 ounces of protein every day. High quality protein foods, such as poultry, meat, eggs, fish, cheese and milk, as well as soybeans and peanuts and wheat germ must be in every diet to build and repair body tissue. Other less valuable proteins, such as cereals, bread, potatoes and other vegetables, can be combined with high quality proteins. Then the combined protein values are high.

The Department of Agriculture's new free book, "Money-Saving Main Dishes," shows every homemaker how to get those proteins into her family menus at about one-half the price she may be paying today. To get a free copy, send a postcard to "Food Conservation," Washington 25, D. C., with only your name and address on it.

Here is a poultry main dish from the book:

CURRIED CHICKEN WITH CARROTS

(4 generous servings)

One stewing chicken cut in pieces and stewed or steamed, 3 tablespoons chicken fat, 1 pint chicken broth, 1-2 cup sliced onion, 3 tablespoons flour, 1-4 teaspoon curry powder, 2 cups cooked shredded carrots, salt.

Take cooked chicken from the broth. Skim off fat and measure quantities of fat and broth needed.

Make sauce: Cook onion in fat for a few minutes. Blend in flour and curry powder. Add broth and cook until smooth and thickened, stirring constantly. Mix chicken and carrots with sauce. Add salt to taste. Leftover cooked lamb, pork or veal may be used instead of chicken.

To complete the meal: Serve with a border of flaky rice and a green vegetable. Start the meal with tomato juice and have fruit sundae for dessert. For a company meal, pass a relish dish of several of the following: chopped hard-cooked eggs, chopped peanuts, sweet pickle relish, finely diced celery, chopped raw onion. Include shredded fresh coconut, too, if you live where it is available and inexpensive. Guests can sprinkle these tidbits over the rice and chicken as desired.

TOMORROW'S MENU

BREAKFAST: Sliced bananas with ready-to-eat cereal, toasted split leftover rolls or muffins, butter or fortified margarine, coffee, milk.

WOMEN who feel NERVOUS

caused by functional 'middle-age'

Do you suffer from hot flashes, weak, nervous, irritable, clammy feelings, due to the functional 'middle-age' period peculiar to women (35-55 yrs.)? Then try Lydia E. Pinkham's Vegetable Compound to relieve such distressing conditions. It also has what Doctors call a stomachic tonic effect!

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Partial Belting Slims Waistline

If your waistline isn't as youthfully slim as it once was, don't be tempted into wearing a bright or otherwise eye-catching belt.

The more noticeably bright your belt is, the more it accents waistline size. A wide belt, even if its color is quiet, should be shunned because of the widening effect it has on a waistline.

A narrow belt of a color exactly color-matched to the dress or jacket with which you wear it is usually the most figure-flattering choice. If you must have a color contrast in a belt, pick a color that is darker than your dress.

If you go in much for belts, there are tricks which can be used on them to minimize waistline size. A good trick, for example, is to partially belt your waistline. You can create a now-you-see-it, now-you-don't belt by inserting it through waistband of a dress. You can also cover up small areas of a belt with the flaps of pockets set high at the waistline of a dress or jacket.

The idea behind the partially-belted look is that a broken-up horizontal line encircling your waist is less widening than an unbroken line.

Go over the jars on the kitchen shelves occasionally with a damp soapy cloth, to keep dirt from accumulating in the cabinets.

Clean Mattress and Pads Frequently

You probably wouldn't think of changing your bed linen less than once a week, but how often do you launder your mattress cover and pad?

They are easy to wash, and need no ironing. It is a good plan to have two sets for each bed. In this way, changing them every few weeks will give you time to launder the alternate set at your convenience and get it thoroughly dry.

For a thorough cleaning of your mattress, start by going over it with the stiff brush attachment on your vacuum cleaner. Then with a scrub brush and a bowl of dry soda (made from whipping soap jelly with an egg beater), go over the entire mattress, doing a small section at a time. Scrape off the suds with a spatula and wipe with a cloth wrung out in clear water.

Be sure to have the suds well beaten, so there is a minimum of moisture, and wring the rinsing cloth almost dry before using, so no dampness will penetrate to the stuffing.

The same method will work just as well for spots, when it isn't necessary to do the entire job.

Christian Science

"God the Only Cause and Creator" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 8.

Lord; and shall glorify thy name. For thou art great, and doest wondrous things: thou art God alone" (Psalms 86:9,10).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Look unto me, and be ye saved, all the ends of the earth: for I am God, and there is none else" (Isaiah 45:23).

The Lesson Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Divine Mind is the only cause or Principle of existence. Cause does not exist in matter, in mortal mind, or in physical forms" (page 262).

"But If Not" Holds Key to Faith in God
By WILLIAM E. GILROY, D. D.
The late Dr. Cyrus Townsend Brady, a Protestant Episcopal minister, was probably most widely known for his many books, and especially for his stirring adventure stories. But he was also a very brilliant and powerful preacher. About 30 years ago I heard him preach a sermon in Norfolk, Va., which has remained in my mind as marking the highest point in the Book of Daniel and its message.

The sermon was on the three words in Daniel 3:18, "But if not." The words occur in the answer of Daniel's three companions, Shadrach, Meshach, and Abednego to King Nebuchadnezzar, who told them they would be cast into the burning fiery furnace if they would not fall down and worship the image he had set up.

Their God, said the three, was able to deliver them, and would deliver them; "but if not," they were nevertheless ready to die for their faith and would not serve other gods or worship Nebuchadnezzar's golden image.

The dramatic highlights are, of course, the story of the deliverance of the three from the fire, and the deliverance of Daniel from the lions' den. But the highest spiritual point is in that declaration that no matter what happened to them they were determined to be true to their God.

The Book of Daniel, though its story related to the time of Babylonian King Nebuchadnezzar, was among the latest books to be written and included in Old Testament scriptures. And it was written to encourage just that "but-if-not" attitude in faithful Jews, who were suffering the most intense and terrible persecution.

As in the story of Daniel and his companions, these faithful Jews were faced with the purpose of powerful rulers to corrupt and contaminate Jewish worship with pagan elements. The purity and safety of religion was assailed. And the Jews who protested and fought this paganism of their religion did not have the miraculous deliverance that came to Daniel and his companions. Thousands of them died for their faith.

It is a false interpretation of the Book of Daniel to say that God always brings physical safety to the faithful. Many, faithful to God, have suffered and died under persecution. Jesus o the cross in His human agony, cried that God had forsaken Him.

But, "precious in the sight of God is the death of His saints." Here is a great mystery, but Paul throws a great deal of light upon it in the closing verses of Romans 8.

Mainly About People

Capt. and Mrs. Albert M. Nash of Culver, Ind., left Friday for their home after a visit with his parents, Mr. and Mrs. A. M. Nash, on the Gulf Sanders Lease. Capt. Nash, who has been an instructor in the military academy at Culver for several years, had to return to be in time for the school's graduating exercises, June 9. While here, the Nash families visited Mrs. Leroy Moore and Mrs. E. B. Thomas, daughters of the elder Nashes, in Monahans, Texas, and also visited El Paso and Mexico.
