Two Yanks Face Death

HAVANA (UPI) — Two Americans were sentenced to death by firing squad Saturday night by a Cuban military court on charges of taking part in an invasion of Cuba. The execution was set for early morning.

An appeals court quickly approved the trial court sentence and set the execution for 4:30 a.m. EDT at the San Juan Valley, where another American was executed by a Castro firing squad Thursday.

Allen Dale Thompson and Robert Otis Fuller went before a court in Santiago, charged with taking part in last week's invasion of Oriente Province, eastern Cuba. Fuller is from Miami. Two Cubans were co-defendants. The prosecution called for the death penalty for all four.

It charged that Thompson and Fuller were members of the same group as Anthony Zarka of Somerville, Mass., who was executed by a firing squad at dawn Thursday, hours after his conviction of attempting to overthrow Premier Fidel Castro's government. Seven Cubans were shot at the same time and buried in a mass grave with Zarka.

The other American on trial in another court was Leslie Bradley of Minneapolis, a civilian pilot charged with conspiring to invade Nicaragua from Cuba with the approval of the U.S. State Department.

He and his co-defendants, who include Nicaraguan revolutionary leader Chester Lacayo and exiled former Dominican Army General Miguel Angel Ramirez Alcantara, denied the charge before a five-man revolutionary tribunal.

LEO AIKMAN
... club speaker

Journalist To Deliver Club Speech

Leo Aikman of Atlanta, Ga., a journalist on the Constitution and a sister Sunday paper the Journal-Constitution, will address members of the Knife and Fork club at their next meeting Oct. 20 in the high school cafeteria at 7:30 p.m.

Aikman's present journalistic status as a daily columnist, plus his considerable editorial work, the culmination of a writing career that began in 1941 when he moved to Georgia from the midwest to work for the National Park Service as historian of Kennesaw Mountain National Battlefield Park in Marietta.

He has been a fixture in the south and has been writing for the constitution every day for the past five years.

It will not be as a journalist or columnist of commentator on the news that Aikman will speak. He will speak on a subject titled, "Travel at Your Own Risk," and the contents of it are definitely on the lighter things list.

"There's enough seriousness in our everyday routine without heaping more of it on an audience," explained Aikman. His explanation will be the reason why the South kills him one of its finest philosophers, and also may explain why he has been asked repeatedly by audiences to return for another talk at a future time.

Tickets maybe purchased at Maene Pharmacy until Wednesday at p.m.

Sickness Doesn't Pay

It didn't pay for Jewell M. Walker to go to the hospital last week. Walker was in the Veterans Hospital at Amarillo Wednesday night and until Thursday afternoon, but while he was away from his residence at 733 E. Malone, someone entered his home through a window and lugged away the following items:

A Philco TV, three pair trousers, six pair socks, six bed sheets, a quilt, an electric clock and an electric coffee maker.

Police are investigating.

Macmillan Proposes Summit

SCARBOROUGH, England (UPI)—Prime Minister Harold Macmillan declared here Saturday that another East-West summit conference should be held to consider the "potentially dangerous problem" of isolated Berlin.

But Macmillan, reporting to his Conservative Party's annual convention on his recent New York trip, cautioned that neither summit talks nor U.N. General Assembly discussions of disarmament could do more than agree on principles.

The prime minister said that practical details of any disarmament accord would have to be hammered out in small experts' committees. He accused the Russians of walking out on every committee "that starts to go fairly well."

Macmillan said that the international situation "has substantially worsened since May" but added: "It is no good crying over spilt summits."

He explained that the worsening was caused "by a use of the U.N. Assembly for propaganda services" and "because negotiations have in fact been broken off."

"Nevertheless," Macmillan added, "our purpose must be to try to get back to the mood of last spring."

Macmillan said he told Premier Nikita Khrushchev in New York "that the problem of Berlin and Germany must be handled in a way that does justice to the reasonable desires of the German people through negotiation and not force."

"It is a potentially dangerous problem from the point of view of East and West alike," the prime minister said.

"And if we can have a summit for this—as well as other purposes—and if my two partners, (See SUMMIT, Page 2)

Scout Roundtable Slated Tuesday

A Scouters roundtable will be held at 7:30 p.m. Tuesday in the Palm Room of City Hall.

During the meeting the "get out the vote" door knob reminders for the Nov. 8 election will be distributed to Scout leaders, round-up awards will be presented, and quarterlies for December, January and February will be passed out.

All Scout leaders are urged to attend. W. L. Veate, roundtable commissioner, said.

Truck Crashes RR Crossing Bar; 1 Killed

LEVELLAND, Tex. (UPI)—A truck loaded with 26 Latin-Americans plunged through warning signs Saturday night in Levelland and smashed into the rear end of a freight train, killing one occupant and injuring the other 25.

The Texas Department of Public Safety said Francisco Garcia, 16, of Brownwood, was dead at the scene. The injured — two of them in very critical condition — were taken to hospitals in Levelland and Lubbock.

Reports from the scene said the truck plunged past warning flares set out by the train crew on State Highway 116 and struck the rear end of the train as it was backing into a yard siding.

The dead youth was sitting in the cab of the truck, directly at the point of impact.

Names of the injured were not immediately determined and state highway patrolmen at the scene said they could not discover the reason the driver of the truck ignored the warning signals.

Saturday Rain Is 1.46 Inches

Two days of moisture brought the threat of snow to Pampa and the Panhandle late Saturday night.

The rain gauge atop the Daily News building measured 1.46 inches for 24 hours at 11 p.m. Saturday. This brought to 3.96 inches the week's rainfall.

The U.S. Weather Bureau predicted drizzle early Sunday morning, with the possibility of snow or rain.

Both Parties Launch Drives To Capture Absentee Voters

ABINGDON, Va. (UPI)—Harry Truman, who has had all three, said Saturday that being a senator was just as good training for the presidency as being vice president.

Truman, the senator from Missouri who was Franklin D. Roosevelt's last vice president and preceded him in 1945, spoke at a Democratic rally here in support of Sen. John F. Kennedy for president.

He said in his prepared speech that the Republican claim of more better experience for Vice President Richard M. Nixon was

"gimmick" designed to fool the voters.

"I am the only living man who has been a United States senator, the vice president of the United States and the President," Truman said. "I know something about the experience a man has in each of these jobs and I can say to you without any hesitation that experience as a member of the Senate is just as good training for the office of president as is experience as vice president."

Truman also conceded that Nixon has "had some experience,"

but added: "So far as qualifying him for the presidency is concerned, his experience has been the wrong kind and has been on the wrong side of the fence."

Truman equated a politician's experience with his record and said Nixon's record "is a warning of the kind of President he would be if he were elected. I say to you, my friends, that you will ignore this warning at your own peril."

He said Nixon was "not of much use for the administration" as vice president in aiding the

White House Takes Stand On Matsu-Quemoy Issue

Ike In Agreement With Nixon View

WASHINGTON (UPI) — The White House Saturday injected President Eisenhower into the torrid election campaign dispute over whether the United States should risk war if Red China attacks the Quemoy and Matsu islands.

It said Eisenhower agrees completely with Republican presidential candidate Richard M. Nixon on whether — and when — the islands, scarcely a stone's throw from the Red China mainland, should be defended.

The President and Nixon discussed the issue by telephone Friday after it was kept boiling in Thursday night's nationwide televised debate between the vice president and Sen. John F. Kennedy, the Democratic presidential nominee.

Nixon had taken the position in debate a week ago that the United States should defend the islands "on principle" because they were "in the area of freedom."

Kennedy firmly opposed this and declared this country should try and convince Nationalist Chinese President Chiang Kai-shek he should withdraw his big forces from the islands because they were "undefensible."

In this week's debate Nixon veered closer to Eisenhower's position, first announced in 1958, that the islands should be defended only to turn back communist attack aimed at Formosa, Chiang's bastion, 100 miles seaward.

Presidential press secretary James C. Hagerty produced copies of a two-year-old letter from Eisenhower to Sen. Theodore Francis Green, D-R.I., then chairman of the Senate Foreign Relations Committee, to show where the President and Nixon stand on the issue.

"The position of the President and the vice president on this matter is exactly as stated in the letter the President sent to Sen. (See ISSUE, Page 2)

HOW ABOUT THIS ONE? — Fire Chief Ernest Winborne points out one of the many Fire Prevention Week posters that were prepared by pupils of the elementary and junior high schools of Pampa last week to point up the danger of fire. Looking intently at the poster are Steve Haynes, and his brother, Gary, pupils of Woodrow Wilson School, sons of Mr. and Mrs. Walden Haynes, 1005 Fisher. Steve, a fourth grade pupil, aided in preparation of one of the 700 posters in the project, of which a vast majority were on display yesterday in VFW-American Legion Hall. Gary, a first grader, isn't quite up to preparing posters, but he'd give it a try if it were permissible. (Daily News Photo)

GOP Chairman Believes Nixon Gaining In Texas

HARLINGEN (UPI) — Republican national chairman Thruston Morton said Saturday night Sen. John F. Kennedy holds a slim lead in Texas at this time but predicted the undecided vote will swing the state to Vice President Richard M. Nixon.

Morton told a news conference his best information was that Kennedy, the Democratic presidential nominee, has an edge of 1 to 1 1/2 per cent over the GOP standard-bearer. But Morton said 9 per cent of Texas voters is undecided.

10 Million Negroes May Vote In South This Year

WASHINGTON (UPI) — There will be nearly 10 million Negroes of voting age by election day — mostly in the South — the Census Bureau estimated Saturday.

They will be part of 107 million civilian Americans meeting state age requirements for the ballot. In most states the voting age is 21. It is 18 in Georgia and Kentucky, 19 in Alaska, and 20 in Hawaii.

The Census Bureau pointed out that many persons old enough to vote might fail to meet other requirements, such as citizenship, residence, sanity and literacy.

The greatest block of Negroes of voting age — 3,068,000 — is in the South Atlantic states. This area

includes Maryland, Virginia, North Carolina, South Carolina, Georgia, Florida, Delaware and West Virginia.

In Kentucky, Alabama, Tennessee and Mississippi there are 1,363,000 Negroes of voting age. Some 1,421,000 meet age requirements for the ballot in Arkansas, Louisiana, Oklahoma and Texas.

New York has the greatest bloc of Negro voters of eligible age, 761,000. Then comes Texas with 624,000; Georgia, 613,000; Illinois, 567,000; North Carolina, 57,000; Louisiana, 558,000 and Alabama, 506,000.

The GOP national chairman arrived one hour and 35 minutes late from Kerrville. Some 100 persons awaiting his arrival at the scheduled hour had dwindled to 50 by the time his plane landed.

Speaking at a \$10-a-plate fundraising dinner Saturday night at nearby Harlingen's Country Club, Morton accused the Democrats of using the strategy of "Operation Downgrade."

He said such a strategy is "a slight on the enormous powers, capabilities, and accomplishments of our first-rate nation and the talents and dedication of our citizens."

"There is nothing second-class about American defense... nothing second-class about American economy. We lag behind no nation in the world. We would have to carry out a wrecking job about equal to an atomic attack just to take the economy down to the Russian level," Morton told his listeners.

Morton said the United States would need to slash its steel production in half, and scrap two-

Pampan Killed In Colorado

DEERTRAIL, Colo. (UPI) — Herman Caleb Combs, 46, of Pampa, was thrown out of his automobile and killed Saturday when the automobile hit a bridge railing two miles west of Deertrail.

According to Colorado state patrolmen, the car spun around after hitting the bridge and threw Combs out and against the railing. He suffered a fractured skull and internal injuries.

An automobile driven by James Lee Way, 48, of Wichita, Kan., then hit Combs' automobile. Way and his wife Eileen, 40, suffered minor injuries.

Combs lived at 410 N. Rose in Pampa.

'Positive' Sightings Made

HONOLULU (UPI)—Navy ships and planes scanned an area of the Pacific, above and below the surface Saturday, looking for a foreign submarine that may have been checking U.S. west coast defenses.

An Air Force radar pilot and his navigator made a "positive" sighting of a submarine 850 miles northwest of San Francisco last Sunday, the Air Force said. Since then, according to the Navy, a mysterious "underwater contact" has been under surveillance by Navy planes.

A submarine "hunter-killer" force, including a carrier and four destroyers, sped out of San Diego early Friday when officers decided the "underwater contact" appeared to warrant a chase.

Vice Adm. John S. Thach, commander of the Pacific Fleet Anti-Submarine Defense Force here, said the fleet units were sent after the Soviet submarine — if that's what was sighted — because "that's the best way of discouraging them from probing our defenses."

Standley Schneider, highway patrolman who investigated the accident, said that Tibets ran into a light pole at the corner of 8th and Main Sts. The power line was pulled off, plunging the corner into darkness, but was soon repaired.

Rogers' Record

The Pampa Daily News today, and Monday, will present to its readers a summary of Congressman Walter Rogers' voting record during the last term of Congress on 21 key issues.

In order to better acquaint our readers with Rogers' position, we encourage them to read today's and Monday's editorial pages.

Youth Hurt Near Lefors

LEFORS — An 18-year-old Lefors youth was slightly injured Saturday night when his car went out of control on rain-slick pavement and hit a telephone pole.

Injured was Leslie Glenn Tibets, who was taken to Highland General Hospital in Pampa where he was treated for lacerations and a fractured nose. The attending physician described Tibets' condition as "good."

Standley Schneider, highway patrolman who investigated the accident, said that Tibets ran into a light pole at the corner of 8th and Main Sts. The power line was pulled off, plunging the corner into darkness, but was soon repaired.

Cheating In Schools Gains Students' Okay

By LOUIS CASSELS
United Press International

Cheating has become commonplace in American schools. Many students profess to see nothing wrong in it. Some teachers tacitly condone it by doing little or nothing to prevent it.

If you are shocked by these statements — as you certainly should be — you can easily test their validity. Simply ask a few students.

Most students are quite candid about the prevalence of academic fraud in U.S. education at all levels from elementary school through college.

A high school in the Washington, D.C., area asked its students how they felt about cheating. A slight majority of them said they disapproved of "habitual" cheating, but only a very few expressed any moral objection to "occasional" cheating. When assured their answers would be confidential, 46 per cent readily admitted that they had cheated on examinations more than five times in the past year.

This survey was conducted in a large public high school of superior academic rating in a suburban community populated by respectable, middle-class, church-going families. Educators say that the situation in the average high school is certainly no better, and may be considerably worse.

Academic dishonesty has also

Summit

(Continued From Page 1)
The presidents of the U.S. and France, agree, I am all for it." Macmillan's address followed disclosure Friday that he had sent a confidential cold war assessment to French President Charles de Gaulle and German Chancellor Konrad Adenauer.

Informed sources said that Macmillan informed the two allied leaders in both letters that Soviet policies seemed to have hardened all the way down the line. Nevertheless, they said, he held out hope for an easing of tension.

Issue

(Continued From Page 1)
Green on Oct. 5, 1958," Hagerty told reporters.

Hagerty suggested that Kennedy, who read one sentence from the letter during Thursday's debate, was only quoting out of context.

In support of his argument that this country should not commit itself to defend the islands, Kennedy read these words written by the President to Green:

"Neither you nor any other American need feel that the United States will be involved in military hostilities merely in defense of Quemoy or Matsu."

In other portions of the letter, the President noted that the Formosa resolution approved by Congress in 1955 gave him specific authority to deal with the threat of war in the Formosa area, including the offshore islands.

"Certainly there is always the possibility that it may in certain contingencies, after taking account of all relevant facts, become necessary or appropriate for the defense of Formosa and the Pescadores (islands) also to take measures to secure and protect the related positions on Quemoy and Matsu," the letter said.

Eisenhower said he could not dismiss as "mere bluff" assertions of Communist leaders that capture of the islands would open the way for a take-over of Formosa and drive the U.S. flag from the Pacific.

"U.S. military and diplomatic officials have been dismayed by eruption of the Quemoy - Matsu issue in a political campaign. They believe this country should not tell the Chinese Reds in advance how it would react to an all-out attack on the islands but adopt a 'keep-em-guessing' policy."

become a casually-accepted thing in higher education. Studies in several typical colleges indicate that from 60 to 90 per cent of the undergraduates condone cheating "when possible" or "when necessary."

A New York grand jury revealed earlier this year that many graduate students have been hiring professional ghostwriting agencies to prepare their theses for the M.A., Ph.D., or any other advanced degree. The grand jury's most appalling discovery was that a "substantial number" of the customers for this racket are school teachers.

Why do so many of today's students — and even some of their teachers — take a laissez-faire attitude toward cheating?

In earlier generations, there were students who cheated. But most of them did so with a deep sense of guilt, and with full recognition that they were doing something which is morally equivalent to lying and stealing. Many modern students apparently do not know, or do not care, that cheating is a clear transgression of two of the Ten Commandments which supposedly form the basic ethical code of Judeo-Christian civilization.

But this observation merely pushes the question one step further. Why have today's youth developed this moral blind spot?

The Rev. Andrew Greeley, a Chicago priest-sociologist, suggests an answer. In an article in the Catholic magazine, Sign, Fr. Greeley says:

"Cheating by young people is merely part of an emerging national pattern. Young people practice the morality they have learned from the actions of their parents. If the youth of America is infected with dishonesty, then it is merely reflecting the sad state into which the observation of the Seventh and Eighth commandments ('Thou shalt not lie' and 'Thou shalt not steal') has sunk in the whole nation."

Fr. Greeley documents his point by citing corrupt business practices, deceptions in advertising, betrayals of trust by government officials, the TV quiz scandals, fixed athletic contests, and other manifestations of moral rot among "respectable" adult Americans.

Cold

(Continued From Page 1)
rain in an area 10 to 12 miles north of Sterling City, and small hail was reported at numerous points.

Dalhart, where the mercury climbed to only 43 during the day, reported light snow mixed with rain. Heavy rainfall was reported all over the Panhandle and South Plains areas.

Barwise community, 15 miles southwest of Lockney, reported about three inches of rain and hail that broke windows and battered crops. Hail was also reported at Robert Lee, about 35 miles north of San Angelo, and high winds and severe hail at the Hub community near Friona.

Over three inches of rain fell at Tulia, and water was reported running over the top of the Pease River bridge between Matador and Childress. So far all highways remain open with the exception of some minor rural roads.

The U. S. Weather Bureau at Fort Worth issued a tornado and severe weather warning for an area along and 60 miles either side of a line from 40 miles south of Midland to 10 miles north of Mineral Wells.

The forecast, in effect between 5 p.m. and 11 p.m., covered an area bounded by Andrews, Asperment, Wichita Falls, Jacksboro, Glenrose, Brownwood and Ozona.

GOP

The GOP official was scheduled to leave Sunday morning by private plane for Victoria and Houston, going on to Louisiana in his campaign for the Nixon-Lodge ticket.

Wind Fells Huge Trees In Yosemite

YOSEMITE NATIONAL Park, Calif. (UPI)—Two persons were crushed to death and one was injured Saturday under falling trees as strong winds whipped through famed Yosemite Valley.

Park rangers immediately declared an emergency and began moving people out of the campgrounds. They also warned visitors at entrance stations that wind conditions were expected to make outings dangerous.

Those killed were Kenneth C. Miner, 19, Fresno, Calif., and Margaret Grant, 41, Rosette Park, N.J. They were killed while sleeping about 6 a.m. when a heavy gust buckled nearby trees.

Miner, a hotel employee, was in his tent at Camp Six, which is reserved for Yosemite Park and Curry Co. workers, while Miss Grant was camping near Yosemite lodge in a cabin.

CHEAP FREIGHT?

Before the introduction of railroads, it cost 20 to 25 cents per ton-mile to move freight overland. It cost about \$100 to move a ton of freight from New York City to Buffalo, a distance of about 425 miles.

Chemists Find Coolant For Aluminum Engines

DETROIT (UPI) — Chemical companies have solved the problem of providing a coolant for cars with aluminum engines.

There has been little fanfare about the formulation of a new coolant solution for aluminum engines because the new formula was developed by Union Carbide Chemicals Co., which makes antifreeze for companies which market it under their own labels.

Because of this setup Union Carbide Chemicals doesn't talk about its developments but lets the private label companies proclaim the merits of their products.

Auto industry engineers, however, say the new formula, which is being marketed under the same labels carried on the old formulas, is a much improved product especially for aluminum engines.

Although the chemical companies claim the old formula antifreezes provided adequate protection for aluminum engines, they admit it was necessary for a motorist with an aluminum engine to follow the recommended maintenance procedures to the letter to be completely safe.

The new formula provides at least as much protection for aluminum engines as the old formulas did for cast iron engines. And it provides much better protection for cast iron engines than the old formulas and protection at least equal to the new "miracle" antifreezes brought out recently, chemists say.

The new formula actually provides much longer protection for any engine than the old formulas did for cast iron engines alone. But its longer effective life probably will not be promoted because a motorist still would be asking for trouble if he failed to go through the regular spring and fall radiator drain and flush.

Although the new solution will hold up for longer periods of time the cooling system itself still has to be checked for leaks and worn out parts.

"No matter how good a coolant is, an engine still can become overheated if the coolant is allowed to drain out through a leak," one engineer said.

The engineer pointed out that radiator hoses usually last only about two years and cooling system connections can work loose and begin to leak in less than six months.

The best part of the new for-

mula is that, unlike the new "miracle" coolants, it will be marketed at about the same price as old formula coolants which were designed primarily to protect cast iron engines.

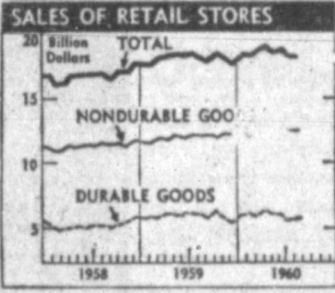

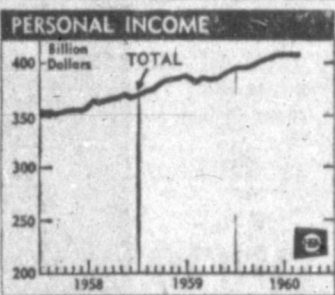

The chemists, however, emphasized that even old formula coolants, with proper maintenance, would provide adequate protection for cars with aluminum engines for one season.

They pointed out that many auto companies have used aluminum components in the cooling system in the past. And motorists driving these cars had no problems although they were using old formula coolants, they said.

Really, they said, there is no insurmountable problem in providing protection for aluminum engines. Extensive research and development has resulted in an antifreeze formula providing first rate protection for aluminum as well as the other cooling system metals.

Coolants can easily be compounded to protect any one metal from corrosion. The more difficult problem, which has been solved by Union Carbide Chemicals, is to develop a compound which will give the best all-around protection for all types of metals.

The Weekly Message Of Inspiration

Attend The Church Of Your Choice

JAY CHANNEL, Evangelist
Mary Ellen Church of Christ

"The Greatness of Obedience"

The trusting obedience of man is the highest delight to the heart of God. God's other creatures obey Him but none give Him such joy as the obedience of man. The sun, the moon, and the stars obey God without variation, yet their obedience is that of insensible matter under the compelling power of the omnipotent God. Man's obedience is of higher order. His obedience is of choice, the free submission of his will, Joshua said in Joshua 24:15, "Choose you this day whom ye will serve". It is fitting that the universe acknowledge the power of God by her obedience, yet it is a higher thing for man to acknowledge of the love of God by his obedience. Jesus said in John 14:15, "If ye love Me, ye will keep My commandments". With all its perfect obedience to God the universe cannot be classed with man for it is without motive, without heart, without soul. The apostles wrote of men and said in 1 John 4:19, "We love Him because He first loved us".

Not even the angles can claim so high a service to God as man. They serve in His presence; they are constrained by the glory they see. Man walks by faith in his obedience, II Corinthians 5:7, "We walk by faith, not by sight." Man's obedience is higher than the obedience of angels, for it commits itself to a glory unseen, yet trusted by faith, Hebrews chapter 11:1, "Now faith is assurance of things hoped for a conviction of things not seen". Man's obedience is an obedience of faith, the angels' obedience is of sight. Notice, too, that angels in heaven rejoice at the obedience of one soul. Jesus said in Luke 15:10, "There is love in the presence of the angels of God over one sinner that repenteth". Man's obedience was the solicitation of God when he gave His son to excite our obedience. He gave not that son for angels who sinned; they were committed to pits or darkness to be reserved unto judgement, II Peter 2:4. While the angels who have not sinned can only desire to look into the gospel of our obedience, I Peter 1:12. The obedience of man, trusting obedience of man, is the most delightful homage God ever receives. It is His highest delight.

MAKES U.S. TRIP
KUALA LUMPUR, Malay (UPI)—Malayan Premier Tengku Abdul Rahman is en route for Europe and the United States, taking with him a "secret proposal" to settle the Indonesian-Dutch dispute over West New Guinea. He said he would discuss the plan with President Eisenhower and British Prime Minister Harold Macmillan.

AIDS STORM VICTIMS
KARACHI, Pakistan (UPI)—U.S. Ambassador William M. Rountree has contributed \$10,000 in U.S. aid funds to storm victims in East Pakistan. The storm hit coastal areas Monday night, causing extensive damage to homes and other property. The death toll was unknown.

WARD WEEK SALE

HI! BROTHER MEMBER!—Visitors arriving in Pampa need not wonder where and when a club to which they belong meets if they are traveling east or west on U.S. Highway 60, or are arriving from the south on U.S. Highway 273, since the fresh paint job on the three signs located on the highways tell it all. The large sign was a co-operative venture coordinated by the Pampa Chamber of Commerce some seven years ago at a time when the six clubs noted on the sign were the only ones in the city. Chamber officials regret the signs don't contain room for the many clubs that have been organized since the signs were first installed.
(Smith Studio Photo)

New Jersey Teetering On Election See-Saw

TRENTON, N.J. (UPI)—New Jersey heads into the Nov. 8 election with a see-saw balance of national and local candidates which could tip either way. Vice President Richard M. Nixon and Sen. John F. Kennedy are the two vice-presidential contenders who have campaigned in the state several times. Both camps plan to return Nixon and Kennedy to the state shortly before election day. They're campaigning for the 16 electoral votes of a state which ranks 46th in size in the nation.

Red Light Bandits To Be Arraigned

MERCED, Calif. (UPI)—Four suspected "red light bandits" will be arraigned Monday on charges of kidnaping and sex perversion ranging across four southwestern states. The arraignment was scheduled for Thursday, but justice Robert Lasco of Los Banos, Calif., postponed it to allow the defendants to confer with their attorneys. The suspects are Elton Hale, 43, Livermore, Calif.; E. J. Minor, 37, Santa Clara, Calif.; LeRoy Bates, 37, Yuma, Ariz.; and Elton Hale's cousin, Jord Hale, 27, also of Livermore. They are charged with kidnaping, robbery, assault and sex perversion. Elton Hale was captured last week near Lancaster, Calif., and admitted leading the gang which attacked tourists in California, Texas, Arkansas and New Mexico. The robbers flashed red lights in an imitation of police officers to stop the victims, then beat and assaulted them. Some of the women victims reported they were raped.

The California charges against the men stem from a holdup of Madera women near Los Banos on May 20. Jewelry taken during the holdup was found at Elton Hale's hog ranch, authorities said.

LENT TO RUSSIA
During World War II, the United States lent Russia 585 naval craft, including frigates and ice-breakers. In addition, 121 merchant vessels were sent to Russia under lease.

On the two major swings Kennedy and Nixon made in northern New Jersey, most observers felt that both candidates were well-received.

THE REV. JEFF HASSELL... outstanding minister

Revival Set At 1st Christian

The Rev. Jeff Hassell, pastor of the First Christian Church of Dumas, will begin a six-day revival in the First Christian Church at 7 o'clock tonight, the Rev. Richard Crews, pastor, announced yesterday.

Bunny Shultz will be song leader. The sermons will begin at 7:30 o'clock on week nights.

The Rev. Hassell, a native of Childress, is considered one of the outstanding young ministers of the state. He is director of Youth Fellowship of District one, Christian Churches of Texas.

The revivalist is a graduate of Texas Christian University where he earned his B. A. and B. D. degrees.

Chuckles

HE PLAIN FORGOT
GALAX, Va. (UPI) — Dixie Bedsaul, who is riding 225 miles to Washington aboard a mule to plug the Democrats and urge everyone to vote, apparently has determination but a poor memory.

A county official said Friday that Bedsaul forgot to pay his poll tax and is ineligible to vote.

NONE BUT OSCAR
LONDON (UPI) — The producer of a new play, "The Importance of Being Oscar," Friday turned down a hosiery firm's offer to supply the female members of the cast with free stockings. It's a one-man show.

SHREWD POLITICO
COLUMBUS, Ga. (UPI) — Lawrence McLemore offered a prize of two 50-yard-line tickets to the Georgia Tech-Auburn football game today for the best essay on "Why Lawrence McLemore Should Be Elected to the Columbus City Commission."

OVERDOES IT
LETCWORTH, England (UPI) — The winning, 87-pound pumpkin in the local Pumpkin Club show won't make a very tasty pie.

A suspicious judge ordered it cut open, and found it contained 30 pounds of lead and half a bucket of wet sand.

TAKE IT EASY
KNOXVILLE, Tenn. (UPI) — Thieves stole \$5,000 in bills and Country Club Friday, then loaded it onto an electric golf cart and drove it down a hill to their waiting car.

FOURTH LARGEST
Columbia is the fourth largest country in South America.

Groom Personals

By MRS. GUY BLACKWELL
Daily News Correspondent

Mr. and Mrs. Blaine Tharpp of Florida visited his daughter, Mrs. Danna Howerton and family Tuesday.

Mr. and Mrs. Felix Ludwig met their two grandsons at Amarillo last Thursday on their arrival from their home at Beaumont. The boys will remain with their grandparents for a few days.

Mr. and Mrs. Charles Acker of Nazareth, were overnight visitors of Mrs. Acker's mother, Mrs. Josephine Britten last Saturday.

The Gerald Jones family were weekend visitors of Mr. Jones parents, Mr. and Mrs. L. C. Jones.

Mrs. Lillian Blankenship and sons recently spent a few days with her parents, Mr. and Mrs. Cecil Inman.

Mrs. George Britten and son, Jigger, and Mrs. Guy Blackwell and Lanna Lou and Guy Lynn visited Mrs. Britten's parents, Mr. and Mrs. Jesse Stockman of Channing, Sunday.

Mrs. Elizabeth Britten and daughter, Mary Ann, and Mrs. Josephine Britten visited relatives at Munday the first of the week.

Mr. and Mrs. C. L. Culver and Mr. and Mrs. Rudolph Tucker attended the Texas-Oklahoma song convention at Holbert last weekend.

Mrs. Carl Norman of Corpus Christi, and Mrs. Mildred White of Victoria, spent last weekend with Mr. and Mrs. Benton Norman.

Mr. and Mrs. Jimmy McCasland attended the Texas-Oklahoma football game and visited the state fair at Dallas last week.

Mr. and Mrs. Raymond Faulkner of Amarillo, were recent guests of their son and his family, the Max Faulkners.

Mr. and Mrs. Herbert Hunt have returned from San Bernardino, Calif., where they attended the funeral of Mrs. Hunt's mother.

Dr. and Mrs. John L. London were hosts last week to Mrs. London's mother, Mrs. Eva Myers of Mobeetie.

Mr. and Mrs. Tom Quirk and family of Dalhart, recently visited their parents, Mr. and Mrs. John Quirk and Mr. and Mrs. John Brooks.

Mr. and Mrs. Raymond Jones and children of Pampa, were recent visitors of Mr. Jones' parents, Mr. and Mrs. E. P. Jones.

Mrs. Blanche Harris has returned from Florence, Colo., where she visited her daughter and family, Mrs. Howard Gore.

Mr. and Mrs. John Farley are spending several days with their daughter and family, Mrs. Ed Campbell of near Finney.

POLIO CONTINUES DECLINE
WASHINGTON (UPI) — The number of new polio cases in the nation dropped again last week, to 131, indicating the peak of the 1960 season may have passed. The U.S. Public Health Service reported Friday there have been 2,435 polio cases this year, compared to 6,652 for the same period last year.

Financial Review

NEW YORK (UPI) — Like the United States, our northern neighbor Canada has failed to see its economy this year touch off the spark that was to ignite the "soaring sixties."

Following a notable upswing in 1959, Canadian business slowed to a walk in the first eight months of 1960.

With the growing impact of ample world productive capacity and intensified competition, combined with the moderating influence of monetary restraint, North American demands for industrial materials for new plant and equipment have not swelled in the way many people anticipated, according to the Bank of Nova Scotia.

Attention has been concentrated on the more economic handling of inventories rather than on building them up; capital investment programs have been maintained but not expanded; and commodity prices in general have been under downward pressure rather than upward.

And along with these real developments, the bank pointed out, the talk of inevitable inflation, which was so prominent last year, has now greatly subsided.

Canadian production in the first half of this year ran about 3 per cent ahead of the comparable 1959 period, but the bank said most of this advance had been achieved before the start of the year. After allowing for seasonal variations, the volume of industrial output at mid-year was somewhat lower than at the turn of the year, it added.

The employment trend has managed to point upwards slightly, mainly because of the persistent increase in activity in many service industries.

The strongest expansive influence on the Canadian economy this year has been the upturn in European business which developed around the middle of 1959 and had risen to boom proportions in the early months of 1960.

The increase in European demands, together with a notable reduction in trade restrictions there and in several commonwealth countries, has enlarged the overseas flow of many Canadian goods, particularly manufactured items.

However, the bank noted, a decline in overseas purchases of wheat and other farm products has offset some of the gain in non agricultural shipments.

ARRIVES FOR RACE
CAMDEN, N.J. (UPI) — C.V. Whitney's Honey Dear, who is slated to run in the mile-and-one-sixteenth Gardenia Stakes on Oct. 22, arrived at Garden State Park Friday from New York.

"BASE METALS"
The term "base metals" is used to describe common metals, such as nickel, copper and chromium, as distinguished from precious metals, which are gold, iridium, osmium, platinum, palladium, rhodium, ruthenium and silver.

YOU... and YOUR HOME
by Jack Foster

DREAM WORTHY

There was a time, and not so long ago, when over-night guests had to be relegated to the sofa in the parlor — a stiff-backed affair that was usually the direct antithesis of comfort.

Fortunately, no guest today has to be that uncomfortable no matter how small the home, for the new double-purpose sleep furniture is available in a selection of sizes and so beautifully designed that it fits in anywhere — living room, den, family room, even dining room.

The pleasant room sketched used to be a too-small dining room. Now it has been converted into a daytime sitting room and study. The handsome sofa opens into a full-size double bed when needed, provides comfort around the clock.

Note how the sofa has been arranged with other furniture in front of the window to form the room's focal point. On the opposite wall

(not shown) a three-drawer maple chest yields ample drawer space for sleeping accouterments.

Color scheme of pale-aquamarine blue and sandalwood brown puts this provincial-type room into a contemporary mood. Wall-to-wall carpeting adds to the room's apparent size. Draperies are color-matched to the aquamarine walls to give an uninterrupted effect.

A sleep sofa need not be an "extra" piece if your home is on the small side. It can be your living room sofa by day, provide sleeping comfort as needed. We offer you several smartly-styled, small-scaled models. Wide cover and color choice.

By mail \$10.00 per year in retail trading zone. \$16.00 per year outside retail trading zone. \$1.50 per month (price for single copy 50¢ daily, 15¢ Sunday). No mail orders accepted in localities served by carrier. Published daily except Saturdays by the Pampa Daily News, Attention at Somerville, Pampa, Texas. Phone MO 4-2525. All departments. Entered as second class matter under the act of March 3, 1879.

Cong. Rogers On Key Issues

The voting record on key issues of Congressman Walter Rogers during the last term of congress is of keen interest to all those who desire to keep informed as to the performance of their representative. Today and tomorrow, we will list Congressman Rogers' vote on twenty-one important issues as appeared in the Congressional Quarterly.

For those who are interested in the extent to which Congressman Rogers' vote was harmonious with President Eisenhower, the President's position is also given.

HOUSE KEY VOTES ON HAWAII STATEHOOD, TVA BONDS, FOREIGN AID, STATES RIGHTS, LABOR REGULATION

1. S. 50. Passage of the Senate version of the Hawaii statehood bill. Passed 223-89 (D 203-65; R 120-24), March 12, 1959. A "yea" was a vote supporting the President's position. Rogers' vote "Nay."
2. HR 3460. Authorize the Tennessee Valley Authority to issue up to \$750 million worth of revenue bonds to finance new power facilities. Passage of the bill. Passed 245-170 (D 238-31; R 7-139), May 7, 1959. The President did not take a position on passage of the bill. Rogers' vote "Nay."
3. HR 7500. Mutual Security Act of 1959 authorizing \$3,542,600,000 in fiscal 1960 funds. Passed 271-142 (D 152-83; R 89-59), June 18, 1959. A "yea" was a vote supporting the President's position. Rogers' vote "Nay."
4. HR 3. A bill to permit Federal courts to strike down state laws under the Federal pre-emption doctrine only if Congress had specified its intention to preempt the field of legislation involved or if a state and a Federal law were in irreconcilable conflict, and to permit state enforcement of laws barring subversive activities against the Federal Government. Passage of the bill. Passed 225-192 (D 111-162; R 114-30), June 24, 1959. A "yea" was a vote supporting the President's position. Rogers' vote "Yea."
5. HR 8342. Labor-Management Reporting and Disclosure Act of 1959. Landrum (D Ga.) and Griffin (R Mich.) amendment to substitute for the committee bill the language of their bill, containing curbs on secondary boycotts and organizational and recognition picketing, and giving the states power to handle "no man's land" labor disputes. Agreed to 229-201 (D 95-184; R 134-17), Aug. 13, 1959. A "yea" was a vote supporting the President's position. Rogers' vote "Yea."
6. HR 8342. Passage of the bill. Passed 303-125 (D 156-122; R 147-3), Aug. 14, 1959. A "yea" was a vote supporting the President's position. Rogers' vote "Yea."

HOUSE KEY VOTES ON REA AND PUBLIC WORKS VETOS, HOUSING BILL, GAS TAX, INTEREST CEILING ON BONDS

7. S. 144. A bill to give the Administrator of the Rural Electrification Administration final authority to approve or disapprove REA loans and to vest the Administrator with all REA functions, which were transferred to the Secretary of Agriculture under Reorganization Plan No. 2 of 1939 and Reorganization Plan No. 2 of 1953. Passage of the bill over the President's veto (two-thirds majority required). Failed to pass 259-146 (D 274-4; R 6-142), April 20, 1959 (284 "yeas" were required for passage). A "yea" was a vote supporting the President's position. Rogers' vote "Yea."
8. HR 7509. Fiscal 1960 Public Works appropriation bill, appropriating funds for 67 projects that were not in the President's budget. Passage of the bill over the President's veto (two-thirds majority required). Failed to pass 274-138 (D 263-6; R 11-132), Sept. 2, 1959 (275 "yeas" were required to override the veto). A "yea" was a vote supporting the President's position. Rogers' vote "Yea."
9. HR 9105. Revised fiscal 1960 Public Works appropriation bill, making an across-the-board cut of 2 1/2 percent in the funds provided in a vetoed bill (HR 7509), but retaining 67 projects that were not in the President's budget. Passage of the bill over the President's veto (two-thirds majority required). Passed 390-121 (D 260-5; R 20-116), Sept. 16, 1959 (288 "yeas" were re-

quired to override the veto). A "yea" was a vote supporting the President's position. Rogers' vote "Yea."

10. S. 2539. Housing Act of 1959 (revised bill). Passage of the bill. Passed 283-106 (D 229-2; R 54-77), Aug. 27, 1959. A "yea" was a vote supporting the President's position. Rogers' vote "Yea."

11. HR 8678. Federal-Aid Highway Act of 1959, raising the Federal tax on gasoline from 3 cents to 4 cents per gallon through June 30, 1961. Passed 243-162 (D 138-127; R 105-35), Sept. 3, 1959. A "yea" was a vote supporting the President's position. Rogers' vote "Nay."

12. HR 9035. Permit an increase in the interest rate on Series E and H Government savings bonds. Simpson (R Pa.) motion to recommit the bill with instructions that it be amended to permit the issuance of long-term U.S. securities at rates of interest over 4.25 percent when the President determines it to be in the national interest. Rejected 134-255 (D 3-252; R 131-3), Sept. 4, 1959. A "yea" was a vote supporting the President's position. Rogers' vote "Nay."

On some of the foregoing issues, a matter of clear-cut principle of big government versus limited government is difficult to define with unequivocal clarity. We do, however, especially commend the Congressman for his votes on issues number 2, 4, 5 and 6 as definitely discouraging government intervention in our lives and encouraging sounder fiscal policies.

On the other hand, it is the News' view that his votes on issues number 8, 9, 10 and 12 were positions in the other direction.

The Doctor Says:

DR. HAROLD T. HYMAN

Most of us get a great kick out of being fooled. We sit by while a magician cuts a woman in half, snatches lighted cigarettes out of thin air, produces an American flag out of nowhere and waves it to thunderous applause.

Now, while I enjoy a bit of sleight-of-hand as much as my neighbor, I must confess to a complete lack of tolerance for certain types of medical hocus-pocus. Especially when the patient performs in the dual role of performer and audience by fooling himself.

Let me illustrate. I have before me a query from a correspondent who wants to know why she weighs 185 pounds when her bathroom scale is on a rug and 190 when it's on the bare floor.

Well, obviously she has a spring scale with which one can perform almost as many tricks as a prestidigitator.

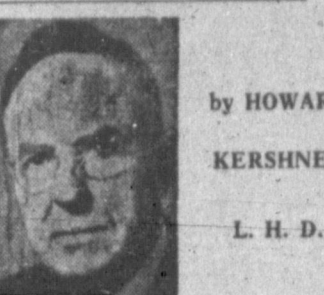

Another example of self-deceit is that of producing an abnormal and unhealthy reduction in the water content of the body. A temporary loss of 5 to 10 pounds can be accomplished by sweating as a result of too much exercise, sitting in a steam room, or taking a Turkish bath.

And most harmful of all these medical mistakes is the current fashion of taking mouth doses or hypodermic injections of drugs that drain off body fluids by way of the kidneys. These drugs, of enormous usefulness when body tissues are waterlogged, are grievously misapplied when taken or administered for the purpose of fooling the bathroom scale.

Then again, there are times when self-deceit results from the patient's justifiable desire to respond favorably to the physician's medication or the surgeon's operative efforts.

For example, many persons testify to the "lift" they get from the new mood drugs. Yet a study conducted at Seattle's University of Washington School of Medicine failed to demonstrate any "statistically significant improvement" in the behavior or response of senile patients to whom the drug was administered, as compared with a like group of patients who receive a sugar pill

It's Up To You

by HOWARD KERSHNER L. H. D.

On pages 28 and 29 of a booklet on religion by Lenin, published in the United States in 1933, we find these words:

"One of the most serious and dangerous mistakes Communists can make is to imagine that a revolution can be accomplished by the hands of revolutionists alone. On the contrary, in order that a serious revolutionary work may be successful, it is necessary to understand and be guided by the fact that revolutionists can only play the role of the vanguard of the really advanced and progressive class. The vanguard fulfills its tasks as such only when it is able to keep in touch with the masses it leads, and actually lead the whole mass forward. Without a union with non-Communists, in the most varied fields of activity, successful Communist construction effort is out of the question."

It will be noted that Lenin places his hope for Communist success on "a union with non-Communists." In other words the fellow-travelers and Communist-fronters are the cause of Communist success.

Mr. Kornfeder, a reformed Russian Communist, declares that the above quoted passage was emphasized in the Communist training school he attended. He also cites the following free hand quotation of Lenin's doctrine as taught in this school:

"... that Communists must work in all types of organizations, no matter how reactionary, including religion, even if they have to lie, practice deception, and resort to whatever sort of maneuvering may be necessary in order to stay in these organizations and carry out the Communist Party's program there."

It will be noted that Lenin emphasized lying and deception and the infiltration of religious organizations among others as a means of carrying out the Communist Party's program.

The reformed Negro Communist, the late Manning Johnson, has testified that this approach was adapted to the American scene and utilized by Communists in America. Here are his words:

"In general, the idea was to divert the emphasis of clerical thinking from the spiritual to the material and political — by political, of course, is meant politics based on the Communist doctrine of conquest of power. Instead of emphasis towards the spiritual and matters of the soul, the new and heavy emphasis was to deal with those matters which, in the main, led toward the Communist program of "immediate demands." These social demands, of course, were of such a nature that to fight for them would tend to weaken our present society and prepare it for final conquest by Communist forces."

Note the effort to lead clergymen away from emphasizing spiritual matters to placing stress on material, political and economic questions. This lays the basis for the Communist conquest of power. It teaches men and women to look to the State for the solution of their problems. This leads on, in Manning's words, to the "final conquest by Communist forces."

A clergyman does not have to be a Communist in order to advance communism. In fact he is more useful to our enemies if while proclaiming his anti-communism, he works for various phases of the Communist program, by leading his influence to Communist front organizations.

It is the business of the church to show men how they can be saved from sin and it is the business of re-born men to devise ways and means of improving society. If the church does its work well, redeemed men and women will right wrongs, establish justice and redeem society.

Christian Freedom Foundation, Inc. New York 19, New York

Office Cat

She — What is the name of that man over there? The one with the wavy brown hair?

Guard — Who, him? That's number 7628.

She — Oh, I see, pen names, eh?

(placebo) of similar appearance. And, as an even more impressive example of the self-deceit of motives, a group of patients who were subjected to a recently described operation for the relief of angina pectoris did exactly as well as, but no better than, a control group who were subjected to a "sham procedure."

He's Playing My Tune

The Allen-Scott Report

ROBERT S. ALLEN PAUL SCOTT

BENSON SETS RECORDS AS MOST TRAVELED; TAXPAYER COST ESTIMATED AT \$500,000

WASHINGTON — Secretary Ezra Benson is making certain that he will leave office with two unique records for an Agriculture Department chief.

When he departs next January 20, Benson will have done (1) more foreign traveling than even the late world-hopping Secretary Dulles, and (2) a great deal more junketing than any other member of the Eisenhower cabinet — all at public expense.

Officials of the Military Air Transport Service, which provides that planes for Benson's far-flung trips, estimate their cost at "around \$500,000."

The controversial Agriculture head is very proud of these exceptional records. He beamingly tells assistants, "When I leave office, I will have done more traveling abroad than any other member of the President's cabinet. That's quite an achievement."

This record is being nailed down by Benson with two more extensive foreign trips before he quits office — one to South America, and another to the Far East.

Benson's South American schedule includes five countries — Brazil, Uruguay, Argentina, Chile and Peru. Leaving October 20, he will be gone until November 3, and will be accompanied by a large group of representatives of farm publications, radio and TV.

This trip's official purpose is "marketing development and goodwill." Schedule of the Far Eastern tour is still undecided. But certain to be included are Japan, India, Burma, Malaya, Indonesia, the Philippines and Formosa.

With these two final junkets, Benson will have visited some 50 countries, flown more than 350,000 miles, and been abroad about 150 days — well over one-third of a year.

Another accomplishment — Interestingly, he has chalked up this record in less than five years.

Unlike Secretary Dulles, who began traveling soon after taking over the State Department in January 1953, Benson did not start his foreign-tripping until 1955, when he made a February 19-March 8 tour of the balmy Caribbean. That year he also made a 17-day trip to Europe and the Middle East with stops in seven countries.

Once launched on foreign traveling at government expense, the Agriculture Secretary missed only one year — 1956, when President Eisenhower ran for re-election. After that, Benson resumed touring abroad.

In 1957, he made a 23-day global trip. Accompanying him in the MATS plane were five assistants and his daughters Beverly and Bonnie. Inquiring newsmen were told Benson "would pay all his daughters' expenses except their transportation." Also that Beverly would "act as his companion at social functions, and Bonnie would be Beverly's companion."

In 1958, Benson spent 10 days in Russia. In 1959, he made an extensive European tour that included Germany, Sweden, Norway, Finland, Yugoslavia and Poland. On this trip he was accompanied by Mrs. Benson, his two daughters and a group of assistants.

The Nation's Press

INFLATION—ABATING(?) (U.S. Chamber Economic Intelligence)

Even though our economy is operating at new, all-time high levels in terms of total employment and output, the absence of boom conditions is attributed by some to the alleged widespread conclusion that the inflationary pressures which have been with us for several decades are now abating. If true, one of the reasons for quick buying or building houses, plants and acquiring other durable goods, namely that the price might be higher next month or next year, has disappeared.

While few analysts believe that the inflationary bias in our economy has completely disappeared, there is a growing general agreement on causes and remedies. This progress in understanding must be credited to the rather excellent analyses and literature which has been coming forward.

The American Bankers Association asked Dr. John Maurice Clark, Professor Emeritus of Economics at Columbia University, to make a study of inflation. As a former president of the American Economic Association and a noted scholar, his report, "The Wage-Price Problem" (68 pp., American Bankers Association, New York) represents a solid study worthy of a wide readership. Like other students, Professor Clark has no pat remedies. He warns against direct controls over wages and prices. He recognizes that monetary and fiscal policy cannot do the entire job, but he urges a gradual-diminution of the post-war gap between wage rate increases and productivity improvements. He urges more moderation in wage increases and greater efforts at improving productivity, and he believes that where productivity is most general we should look for more price flexibility.

Professor Gottfried Haberler, of Harvard University, has recently issued "Inflation, Its Cause and Cures" (82 pp., American Enterprise Association, Washington, D.C., \$1.00). This study duplicates in part that of Professor Clark. His emphasis and diagnosis, while varying in detail, runs closely parallel. Professor Haberler also analyzes both demand and cost-push inflation. He is critical of the superficial analyses of John Kenneth Galbraith and Gardner C. Means and of Senator O'Mahoney's type of price control or price surveillance proposals. He believes that while the attempt to persuade union officials to be moderate may be futile, it is quite possible that if "public opinion understood these simple truths and the government expressed them forcefully," it would make some impression. But he argues that it is surely necessary that argument of this type be backed up by monetary restraints and compatible fiscal policies.

If inflation should again break out or should continue to creep, the American people cannot say that they have not had good solid analyses. These two pamphlets, along with several produced by the National Chamber: Administered Prices and Inflation, (61 pp., \$1.00); Inflation, Unions and Wage Policies (45 pp., \$1.00); The Mechanics of Inflation (69 pp., \$1.00); and Price Controls and Inflation (45 pp., \$3.50) comprise a substantial diet for any individual wanting to master the nature of inflation and get set to do something about the problem. There is no reason why scores, perhaps hundreds, of discussion groups should not be set up at the community level, utilizing these several pamphlets which are highly readable and represent balanced approaches to the problem.

Two commercial airlines stated the cost of a first-class round-trip ticket for this same tour would be \$1,545 per person.

Benson's forthcoming trips to Latin America and the Far East will make three this year, the most he has ever done. As in the past he will be accompanied by members of his family and staff.

Since 1953, Benson also has traveled frequently and widely throughout the U.S. He has visited every state, including Alaska and Hawaii.

FOREIGN FLASHES — Jordan and Iraq, estranged since the latter's bloody revolution in which the King was slain, will soon resume diplomatic relations. King Hussein and Premier Kassem have privately agreed on that in a series of negotiations through intermediaries. The cementing tie was their mutual dislike and distrust of UAR President Gamal Nasser. As a goodwill gesture to 14 of the newly-independent African nations, the State Department has granted them an immigration quota of 100 each. Washington realtors are hopefully anticipating a boom in business in selling these new nations official residences in the Capital. The Republic of Guinea has already obtained a \$250,000 embassy in an exclusive Northwest residential section.

These are a few of the reasons why I must vote for Nixon and Lodge. To paraphrase Barry Goldwater: How do you stand, sir?

A. E. Gerndt Pampa, Texas

Hankering

By HENRY McLEMORE

United Nations Dais Used In Sorry Manner

One of the most oft-repeated objections to the United Nations that one hears in the United States is that it affords a world stage, a universal loudspeaker, for the Communist leaders to sound of their lies against the Free World as well as their deceitful plan for disarmament and peace.

That it does. There's no mistak about that.

In the United Nations, against a backdrop of decency, the wild eyed, wild-mouthed ranters are given access to the eyes and ears of all the countries on earth. No one halts them. No one is to tell them to shut up.

That the Communist nation use the United Nations for our right, if not pure, propaganda, cannot be denied. They take advantage of every liberty the international organization affords. They work it to the hilt.

But do the Communists gain by the misuse of the United Nations? Do they really make friends and influence people with their never ceasing tirades against the Free World, against the leaders of the West, against the people of the West?

I don't think so. They steal the spotlight, yet the headlines, too, but all the while they are in the center of the spotlight they are revealing themselves.

No one could look and listen Castro and gain or maintain high opinion of the man as sound, sincere, thoughtful, level headed leader of the country. He struts, his boasts, his long-windedness, his manner, his dress, his threats, could not have but given thought and pause to the men and women of the neutral nations.

Mr. Khrushchev's vicious remarks, his violent pounding on his desk, his red-necked apoplexy, his savage attack on the Secretary General—how could these increase his prestige in the eyes of thoughtful men?

I say let such men rave and rant and roar and threaten and vilify all they want, and the brighter the spotlight on them, the better.

Their actions only heighten the contrast when President Eisenhower talks with quiet dignity and sincerity, when Macmillan speaks with well-bred calm and bearing and when Ambassador Wadsworth answers taunts and bitterness with calm and gentlemanly reason.

I am quite sure that the brilliant talk made by the Secretary-General, in defense of his actions, carried more weight with men and women of the world than all the histrionics, all the shouting and cries of the Khrushchevs and Castros.

Let the Communists be heard. Turn the dials so they sound eviler, if that is possible. Put the glare of world attention on them. Let no grimace, gesture be missed.

Certainly the sight and sound of them in action at the United Nations is good for us Americans. It shows us what sort of men are up against. After such a day for misunderstanding the character or the aims of the opposition.

In full, true color they have shown themselves to be opponents of peace, of goodwill, of reasonableness.

Articles for this column are preferred to be 300 words or less in length. However, longer articles may be printed. All letters must be signed.

To The Editor Dear Sir: I am writing this letter to you hoping you will find space in your paper to put it. My only reason and purpose for writing is to express my views, as a working man and a union man, as to why I must vote for Nixon and Lodge in November. I sincerely hope that this writing might be of some help to someone who is undecided as to how they are going to vote!

Clearing House

Articles for this column are preferred to be 300 words or less in length. However, longer articles may be printed. All letters must be signed.

That the Communist nation use the United Nations for our right, if not pure, propaganda, cannot be denied. They take advantage of every liberty the international organization affords. They work it to the hilt.

But do the Communists gain by the misuse of the United Nations? Do they really make friends and influence people with their never ceasing tirades against the Free World, against the leaders of the West, against the people of the West?

I don't think so. They steal the spotlight, yet the headlines, too, but all the while they are in the center of the spotlight they are revealing themselves.

In full, true color they have shown themselves to be opponents of peace, of goodwill, of reasonableness.

The Almanac

By United Press International

Today is Sunday, Oct. 16, the 290th day of the year with 76 more in 1960.

The moon is approaching its new phase.

The morning star is Mars. The evening stars are Venus, Jupiter and Saturn.

On this day in history: In 1846, the first operation with a patient under ether anesthesia was performed at Massachusetts General Hospital in Boston.

In 1854, Irish dramatist, poet and wit Oscar Wilde was born.

In 1859, fanatical abolitionist John Brown staged a raid on Harpers Ferry, Va., seized the Wagner House Hotel, the federal arsenal, the town firehouse and some 30 townspeople.

In 1883, American playwright Eugene O'Neill was born.

In 1944, Kathleen Windsor's novel "Forever Amber" was published.

Thought for today: Irish dramatist Oscar Wilde said: "As long as war is regarded as wicked, it will always have its fascination. When it is looked upon as vulgar, it will cease to be popular."

Wall Street In Review

NEW YORK (UPI)—Alfred L. Vanden Broeck & Co. is confident that although 1961 may be a year of recession, the November election winners will dedicate themselves either to making this recession very short or perhaps even preventing its full development.

The firm says the current or expected recession should differ greatly from those of 1954 or 1958 when the turnaround was accomplished on a government level via automatic stabilizers and an easy money policy.

Both the stabilizers and easy money, it says, are now in effect, but we should expect to see something that "massive machinery of governmental intervention" which was last urged but not granted in the 1958 recession.

Martin Gilbert of Van Alstyne, Noel & Co. believes the market's current pattern indicates further recovery potential. Any rallies, however, do not alter the fact that the more recent lows will be tested, he says.

Arkansas Wins Cliff-Hanger Over Sluggish Texas, 24-23

By PAT CONWAY

United Press International
USTIN (UPI)—Only 15 seconds away from defeat, Mickey Dell kicked a 30-yard field goal Sunday to give Arkansas a save-
come-from-behind 24-23 South-
Conference victory over the

Texas Longhorns.
Trailing at times by 14 and nine
points, quarterback George Mc-
Kinney riddled the Texas de-
fenses with three touchdown
passes, hitting end Jimmy Col-
lier with a nine-yard scorer in
the second quarter, end Steve

Butler with a two-yard tally throw
in the third and halfback Jarrell
Williams with a 19-yard pay off
in the fourth.
With Texas leading 23-21, Ar-
kansas began moving after a
short kick from the Texas 38 with
halfback Lance Alworth doing the

damage to the Texas 25. A desper-
ate pass fell from the hands
of Collier with 30 seconds left,
then McKinney positioned the field
goal with a keeper to the 13.
Kicking from the 20, Cissell's
also booted two extra points left
field goal boot was low, clearing

the uprights by about a foot.
Sophomore fullback John Allen
Cook put Texas out front in the
second with a one-yard TD blast,
and halfback Jack Collins made
it 14-0, minutes later on another
one yard scoring run, McKinney
found Collier with his nine-yarder,

to make the score 14-7 at half-
time.
Arkansas knotted the score ear-
ly in the third on McKinney's pass
to Butler.
Texas tackle Dan Petty who
ed a 25 yard field goal to put
Texas ahead 17-14, and quarter-

back Mike Cotten added what ap-
peared to be the clinching Texas
touchdown on a one-yard keeper.
Texas gambled for two points
after Cotten's touchdown, but full-
back Ray Barton was stopped.
McKinney, who connected on 9
of 18 for 138, brought the Razor-

backs right back with a 60 yard
march, climaxed by his 19 yard
touchdown throw to Williams. Cis-
sell added his third successful
point-after-touchdown.
Scoring:
Texas 0 14 3 6-23
Arkansas 0 7 10-24

By Art Mayhew

"Ifs" are an intangible factor in football games. They
sometimes are the consoling — or heartbreaking — points
of coaches and fans alike play over and over again after
contests.
White Deer partisans had more than their share of "if"
in a heartbreaking 29-6 loss to Stinnett's potent Rat-
tlers Friday night. By all accounts, the score
could have been much closer but the Rattlers, top-ranked
in the state, were not to be denied. They took
advantage of every break, every White Deer defensive lapse
from the football down the Bucks' throat.
However, Dickie Hanna, Bucks' quarterback, did find
a flaw in Stinnett's armor: pass defense. He completed 11
passes for 156 yards but at least five others were dropped,
in two instances White Deer men were in the clear but
pass was either too low or too high.

White Deer Gambles Backfire

White Deer didn't go to Stin-
nett to lose. It gambled three
times on fourth down and yard-
ed situations in its own end
of the field and two resulted in
tett touchdowns.
Behind 8-0 in the first quarter,
White Deer punted out on a fourth
down situation went wild and
sett recovered on the Bucks'
and went on to score. IF White
deer had made the first down —
Stinnett defense was laying for
it — it might have averted
Rattlers second score.
In the fourth period, Hanna
bled on a fourth and three
at his 27 but missed the first
by a yard and Stinnett took
ball on the Bucks' 28. Five

down jaunts of 63 and 42 yards
fullback Hal Tobin, and half-
back Lynn Gaskill Saturday
ight University of Southern
ornia a come from behind
victory over wireless Calif.

Kentucky Edges LSU

LEXINGTON, Ky. (UPI) — Ken-
tucky and Louisiana State, both
trying to escape from the south-
eastern conference cellar, strug-
gled through 57 futile minutes
Saturday night before sophomore
halfback Clark Mayfield's 28-yard
field goal gave Kentucky a 2-0
victory.
Another sophomore, quarterback
Jerry Woolum, made Kentucky a
constant threat to break the game
open, but Louisiana State's "Chi-
nese Bandits" turned back every
thrust until Mayfield's perfect
placement kick with 2:38 to play
decided the issue.
Only the Bandits, with the help
of Jerry Stovall's magnificent
punting, kept Louisiana State in
the running, for their offensive
unit could manage only three first

Bears Stave Off Tech For Win

Rice Wallops SMU, 47 To 0

By ED FITE
United Press International
DALLAS, Tex. (UPI)—Rice
University trumpeted a loud
warning to its Southwest Confer-
ence rivals Saturday night with a
thunderous ground attack and
sharp passing that piled up an
amazingly easy 47-0 victory over
Southern Methodist University in
a league opener.

The Rice touchdowns came on
a four-yard run by Soph Jerry
Candler, a one-yard plunge by
soph quarterback Billy Cox and
a 24-yard pass from Alvin Hart-
man to reserve halfback Leslie
Blume by halftime.

Bears Top NFL Action

By United Press International
The San Francisco Forty-niners
will be on guard against the Chi-
cago Bears' "signal jamming"
gimmick in the National Football
league's top game on Sunday.
Even without the use of star
breakaway back Willie Gailimore,
the Bears were favored by 7 points
to win the key at Chicago.
The champion Baltimore Colts, upset
last week by Green Bay, were the
choice by 14 points at home a-
gainst the win-starved Los Angeles
Rams; the New York Giants were
picked by 13 in their home-opener
against the Washington Redskins;
the Cleveland Browns were 13 at
home against the Dallas Cowboys;
The Philadelphia Eagles were 7
at home against the Detroit Lions,
and the Pittsburgh Steelers were
6½ over the Cardinals at Pitts-
burgh.

Mississippi Tops Tulane

By JOHN G. WARNER
United Press International
NEW ORLEANS (UPI)—Tulane
made three mistakes and Missis-
sippi's mighty football machine
turned each of them into a touch-
down for a 26-13 victory Saturday
night before 70,000 fans.
The game Green Wave got its
spitting passing attack going
for two touchdowns in the second
half but the game was never in
doubt.
Mississippi, rated the best team
in the country, shoved over two
touchdowns in the second quarter
and added another in the third
and final one in the fourth quar-
ter.

Iowa Tops Wisconsin On Late Game Catch

IOWA CITY, Iowa (UPI)—Soph-
omore Sammie Harris made a
circus catch of a long pass with
52 seconds left in the game Sat-
urday to give unbeaten Iowa a 28-
21 Big Ten victory over Wis-
consin.
The 34-yard pass into the end
zone by quarterback Wilbur Bol-
lis came one play after another
Hollis pass for an apparent touch-
down was called back on a pen-
alty with the score tied, 21-21.
The catch that counted, which
Harris grabbed after it had
bounced off the outstretched fin-
gers of Wisconsin's Bill Hess, en-
ded a Wisconsin comeback which
saw the Badgers tie the score at
21-21, with only five minutes left.
The 57,000 fans went wild when
Harris, only a step or two short
of the back line of the end zone
clutched the ball as Hess stum-
bled into him.
In addition to his winning touch-
down pass, Hollis put Iowa ahead
in the third period with a 31-yard
end sweep. Then, less than five

Navy Sinks AFFalcons

BALTIMORE (UPI)—Nationally-
ranked Navy, paced by half-
back Joe Bellino who scored
three touchdowns, swept to an
easy 35-3 win over Air Force Sat-
urday in the academies inaugural
clash.
The Flyboys, 7½ point under-
dogs according to the oddsmak-
ers, took off with a three-point
lead on a 32-yard field goal by
halfback Mike Rawlins midway in
the first quarter; but the cheers
on the Air Force side were short-
lived. The Middies, powered by
strongman Bellino, then rolled up
21 points before the end of the
first half.
A Navy field goal attempt
failed, but the Middies soon re-
gained possession of the ball and
took command of the game when
Ron Erchul blocked a kick by
Falcon quarterback Rich Mayo
and Navy recovered on the one.
Bellino plunged over for the
score.

Riot Marks Huskie Win

SEATTLE (UPI) — Wash-
ington's Huskies Saturday took
a long stride toward the Rose Bowl
before 5,500 fans here with a
10-8 victory over Big Five rival
UCLA in a bitter battle that near-
ly resulted in a riot between the
squads.
As the game ended with Wash-
ington stalling the ball, Husky
fullback Joe Jones and two un-
identified UCLA players started
trading punches, players from
both benches swarmed onto the
field.
But the officials stopped it be-
fore things got out of hand.
Washington's margin of victory
was provided by George Flem-
ing's 38-yard field goal, 42 seconds
before end of the first half, and
two-goal line stands that thwarted
Bruin Bill Kilmer's second-half
heroics. The Huskies threw UCLA
back twice after the Uclians had
penetrated to inside the 10.
But the third time UCLA got

Blanter Takes Anapra Purse

ANAPRA, N. M. (UPI) — A
blazing finish Saturday by Blan-
ter edged out the even-money fa-
vorite Chatterly by a nose to cap-
ture the featured Del Mar Purse
at Sunland Park.
Chatterly took command at the
final turn and appeared to be
home free until the blazing finish
by the Colorado horse edged him
at the wire. Time for the one-
mile feature was 1:36 3-5, just
3-8ths seconds off the track re-
cord.

yard for a fifth before the period
was over.
The final counters came at the
hands of third and fourth-string-
ers with Lonnie Caddell plunging
two yards for one and Boatman
lumbering 32 yards for the other.

score.

Long Pass Tops Wildcats, 14-7

ANN ARBOR, Mich. (UPI) —
Quarterback Dave Glinka's long
pass got by three lunging North-
western defenders and bounced
into the arms of end Bob John-
son for a 50-yard gain that set up
Michigan's winning touchdown
Saturday in a 14-7 Big Ten vic-
tory over the Wildcats.
Glinka's throw, which came
early in the fourth period and
only minutes after Northwestern
had rallied to take a 7-6 lead,
carried the Wolverines to the
Northwestern one-foot line. Then
on the second play, Bill Tun-
nicliff dived over from the two and
Glinka passed to Benny McRae
for the two-point conversion.
The offenses of both teams
were hampered by a rain-soaked
field that impaired the speedy
Wolverine running attack and
bogged down the passing of both
quarterbacks, Glinka and North-
western's Dick Thornton.

Houston Tops Oklahoma St.

HOUSTON, Tex. (UPI)—The
University of Houston, after pull-
ing ahead from a one-touchdown
deficit at the half, fought off a
determined drive in the final
minutes Saturday night to defeat
the Oklahoma State Cowboys 12-7.
Houston backs Ken Bolin and
Charles Reeves drove for key
yardage in the third period to set
up the Cougars' two touchdowns,
with Reeves going over both times
from the one yard line.

Rampaging Bull Keeps Baylor '11' Unbeaten

LUBBOCK (UPI) — Half-
back Ronnie Bull, driving hard on
a rain-soaked field, scored two
touchdowns and personally led the
Baylor Bears to a 14-7 victory
over Texas Tech before 29,000
fans here Saturday night.

Bull took a screen pass from
quarterback Ronnie Stanley and
raced 50 yards down the sidelines
early in the second period to put
the Bears out front. He came
back, after the Red Raiders had
tied the score, to plunge one yard
late in the second quarter to
score the other Bear touchdown.
Sophomore quarterback Johnny
Lovelace marked up the Tech
touchdown with a four-yard dash
into the end zone five seconds
deep in the second period.

Fullback Larry Corley convert-
ed after both of Bull's touchdowns
and quarterback Glen Amerson
converted after the Tech score.
A misty rain, which turned into
a downpour just before the half,
didn't seem to bother the teams.
Baylor tried 18 passes and Tech
13.

Baylor drove 53 yards the first
time it held the ball, but lost pos-
session at the Tech 36. Still the
drive set up the first touchdown,
guard Everett Frazier recovering
Amerson's fumble on the Baylor
34.

Fullback Jim Evans raced 16
yards outside end for a first down
at midfield and halfback Ronnie
Goodwin was stopped for no gain.
On second down, Stanley dropped
back and passed to Bull on the
screen, the fleet halfback racing
the distance with 9:43 gone.

The Raiders drove right back
against the wind and rain follow-
ing the kickoff, moving 68 yards
on 13 plays to tie up the game.
With fullback Coolidge Hunt, half-
backs Jay Byrum and Charles
McEntire and Lovelace sparking
the drive, the Raiders drove to the
17, where Baylor sent its first
team back into the game. Seven
plays later, Lovelace went into
the end zone.

Four Tied At Orange

COSTA MESA, Calif. (UPI) —
Four golfers, battling gusty winds
up to 60 miles an hour, tied Sat-
urday for the 54-hole lead in the
\$15,000 Orange County Golf Open
with identical scores of 207, six
under par.

The four were George Bayer,
Glenageer, Ill., 69-68 — 70; Allen
Geiberger, Studio City, Calif., 69-
68 — 70; Charles Sifford, Los An-
geles, 70-68 — 69, and Bill Casper
Jr., Apple Valley Calif., 70-68 —
69.

Tommy Bolt, the 1958 National
Open champion who led at the
halfway mark by three strokes,
slipped to a three-over par 74.
His previous rounds were 69-65.
Tied with Bolt, Crystal River,
Fla., were Jay Hebert, Lafayette,
La., 71-72 — 64, and Jack Fleck,
Los Angeles, 73-70 — 65.

Hebert, the current national
PGA champion, equaled the com-
petitive course record at the
Mesa Verde Country Club with
his third round, seven-under-par
64.

Tigers Scalp Kansas State

MANHATTAN, Kan. (UPI) — Donnie Smith scored three touchdowns and Missouri unleashed another of its torrid attacks Saturday to bury Kansas State 45-19 in a Big Eight Conference game.

The Tigers scored on their first offensive series taking the opening kick-off and rolling 78 yards in 19 plays. Smith made the final six yards for the touchdown.

Fast Buffs Stun Iowa

By LARRY RUMMEL United Press International

AMES, Iowa (UPI) — Colorado's Golden Buffaloes sent a herd of hard-running backs through a porous Iowa State line Saturday and ran away with a 21-6 victory before a stunned homecoming crowd of 20,000.

A surprising facet of the contest was that Colorado went the entire distance without its touted quarterback Gale Weidner, who was sidelined with a hip injury.

Without him, Colorado had virtually no passing attack. It was not needed.

Colorado scored the first two times it got the ball, mounting successive drives of 56 and 65 yards.

Claude Crabb got the first Buff tally, a four-yard crossback effort. Weiss drove the final yard shortly after the second period of play had opened for Colorado's second score.

Hillebrand converted each time and Colorado held a 14-0 halftime advantage.

The record crowd, expecting bigger things of the Cyclones in the second half, was quickly disappointed when Watkins fumbled a handoff and Colorado pounced on the ball on the Cyclones' 21 on the first play of the second half.

Six plays later quarterback Frank Montero plunged for the score.

Hillebrand's kick again was good.

Watkins brought the crowd to its feet midway in the final period when he grabbed a Colorado fumble and scampered 62 yards untouched into the end zone. However, a pass-play for two points failed and the score stood 21-6.

Scoring: Colorado 7 7 7 0-21 Iowa State 0 0 0 6-6

Smith helped the Missouri drive with runs of 14, 13 and 8, while a 19-yard pass from sophomore quarterback Jim Johnson to end Tom Carpenter also sparked the march.

Missouri added a 21-yard field goal at the close of the first half following a pass interception by fullback Ed Mehrer on the Kansas State 4.

Three plays could gain but one and with 3 seconds remaining fullback Bill Tobin added the three.

Smith who tied a school scoring record of three touchdowns added his third midway in the third quarter on a five-yard run following a 14-yard drive.

Scoring: Missouri 7 10 15 13-45 Kansas State 0 0 0 0-0

Pitt Walks To Victory

PITTSBURGH (UPI) — The Pitt Panthers, bent on revenging an upset by West Virginia last season, belted the hapless Mountaineers, 42-0, Saturday in the most one-sided rout in the last 56 years in the old rivalry between the schools.

The final score also was the largest point margin ever racked up by a Pitt team since John Michelosen took over as head coach at his alma mater six seasons ago.

It was a story of Pitt doing everything right while everything was going wrong for the Mountaineers, who now have lost every game since jolting Pitt, 23-15, midway through the 1959 season.

Scoring: Pittsburgh 14 14 7 7-42 West Virginia 0 0 0 0-0

Heart of the Matter

BALTIMORE (UPI) — The "heart" of the world champion Baltimore Colts is made up of players who were cast adrift by other NFL clubs for \$100 or less — John Unitas, Gene (Big Dadd) Lipscomb, Milt Davis, Buzz Nutter and Bill Pellington.

JACK MITCHELL ... made wrong choice?

Kansas Ties OU After Futile Field Goal Try

By DON SWANSON United Press International

LAWRENCE, Kan. (UPI) — The Kansas Jayhawks missed a field goal in the final 22 seconds Saturday and had to settle for a 13-13 tie with the Oklahoma Sooners in a crucial Big Eight Conference football game.

Kansas battled from behind to tie the score early in the fourth and missed a chance to defeat the Sooners for the first time in 14 years when John Suder's attempted field goal from the 12 yard line failed.

It was a weird finish in a game matching the conference co-favorites. Kansas had a first down with three to go for a touchdown when Jayhawk Coach Jack Mitchell elected to try for a field goal.

Oklahoma marched 65 yards in 12 plays after receiving the opening kickoff to score its first touchdown. Halfback Mike McClellan dove over from the one and Karl Milstead kicked the point to give the Sooners a 7-0 lead.

Kansas got its first touchdown with 2:52 remaining in the first half, quarterback John Hadl rolling off right tackle for the last three yards to climax a 12-play, 61-yard march. Suder's try for the point was wide, his first conversion miss in 12 attempts and Oklahoma held a 7-6 lead at the half.

Oklahoma widened its margin to 13-6 early in the third, taking the second-half kickoff and going 75 yards in 13 plays. The touchdown came on a fake field goal, with quarterback Jimmy Carpenter passing 13 yards to McClellan to score. Milstead missed the kick.

Scoring: Kansas 0 6 0 7-13 Oklahoma 7 0 0 0-13

Volunteers Top 'Bama

KNOXVILLE, Tenn. (UPI) — Gang-tackling Tennessee turned two Alabama fumbles into touchdowns in the first period Saturday and drove for another quick score in the third to defeat the Crimson Tide 29 to 7.

Alabama fought back with a second period touchdown set up by a sparkling 52-yard run by halfback Billy Pipe, and the scoring was over for the day.

A host of Vol defenders smothered halfback Ray Ambruzesse on Alabama's first play from scrimmage, causing him to fumble. Vol blocking back Jim Cartwright pounced on the ball on the Alabama 16.

Five plays later Tennessee scored on a pass from tailback Billy Majors to wingback Charlie Wyrick on a play that covered eight yards. End Cotton Letner kicked the extra point and the Vols led 7-0 with the game only three minutes old.

Scoring: Tennessee 14 6 0 0-20 Alabama 0 7 0 0-7 NC State 0 7 6 0-13

Resurging Aggies Tie Floundering Froggies

COLLEGE STATION (UPI) — Texas A&M shook off the jitters Saturday to come from behind and tie Texas Christian, 14-14, dimming Horned Frog hopes for a repeat Southwest Conference championship.

The Aggies intercepted two passes by TCU quarterback Sonny Gibbs in the closing minutes of play to make up for three first half fumbles, in a ragged game before 16,000 Kyle Field fans.

Babe Craig scored the tying points on two short runs, one a touchdown from the three and the other an extra point play good for two points.

He also uncorked a 75-yard quick kick as the third quarter ended to put the Frogs back on their own four. But it was the pair of Aggie interceptions, by Bob Caskey in the end zone and Randy Sims on the 20, that kept TCU from any second half points.

An edgy TCU team also fumbled on three of the first four plays it had the ball. Aggie Russell Hill recovered the third bob-

ble on the Frog 23 to set up the first Aggie score of the game, and Sam Byer blasted over from the three seven plays later for the touchdown. But Drayl Keeling's extra point kick was blocked by fast-charging guard Bill Phillips of TCU.

Gibbs, a towering 6-7 marksman, quarterbacked the Frogs 74 yards in nine plays on the longest scoring march of the game for the first TCU touchdown.

Gibbs shook off the handicap of an injured passing thumb to complete three tosses for 45 of those yards.

The Aggies came back to tie it up on a 39-yard drive, with Craig supplying the six point touchdown and two point conver-

sion. TCU punted from its four after the surprise quick kick to open the free-for-all last quarter.

Scoring: TCU 7 7 0 0-14 Texas A&M 6 0 8 0-14

Boilermakers Win, 24-21

Purdue Field Goal Upsets Ohio State

LAFAYETTE, Ind. (UPI) — Willie Jones scored three touchdowns and Bernie Allen kicked a 32-yard field goal Saturday to give underdog Purdue a 24-21 upset triumph over Ohio State, the nation's second-ranked college team, before 46,284 fans.

It was the first defeat in four starts this year for the Buckeyes and the second win in four for the Boilermakers.

Purdue's defense deserved equal credit for the win. They stopped Ohio State's first assault and Purdue had a touchdown in less than four minutes of play. Jimmy Tiller set up this counter with a 25-yard run, then took passes of 10 and 12 yards from Allen to make possible Jones' two-yard scoring plunge.

In the next period the Buckeyes again were halted and Purdue needed only nine plays for Jones to drive over from the three. Allen's 37-yard pass to Elwell was the key gain.

Jones ran 26 yards for Purdue's last touchdown, but meanwhile Allen had put the Boilermakers in position to win.

Scoring: Maryland 0 0 12 7-19 Syracuse 7 0 14 0-21 Clemson 0 10 7 0-17 Penn State 0 7 0 0-15

Terps Top Clemson

COLLEGE PARK, Md. (UPI) — Maryland's aroused Terrapins, angered by an injury to a teammate, blasted Clemson from the unbeaten ranks Saturday in a 19-17 upset, engineered by quarterback Dale Betty's brilliant second-half passing.

The Tigers were holding an apparently safe 17-4 lead in the third quarter when the controversial injury set off the fireworks. Maryland halfback Everett Cloud was tackled by linebacker Coleman Glaze after receiving a pass and limped off the field with a bad ankle which Maryland claimed Glaze had twisted when the play was over.

Scoring: Maryland 0 0 12 7-19 Syracuse 7 0 14 0-21 Clemson 0 10 7 0-17 Penn State 0 7 0 0-15

Two Former Pampa Basketballers Prepped For Key Texas Roles

AUSTIN — Half-a-dozen letters will provide the nucleus, and the thought of defending last year's ship will provide the incentive as Southwest Conference championship will provide the incentive as the University of Texas opened basketball workouts here yesterday.

Coaches Harold Bradley and Jimmy Viramontes will have on call, in addition to the six monogrammers, a number of sophomores, transfers and squadmen. "We expect around 17 players to form our basic varsity squad," says Bradley, who skipped the Longhorns to the 1960 SWC title in his first year at the University.

Under his tutelage, the 1960 Longhorns surprised their SWC opponents by winning the title with an 11-3 record and went 18-8 overall, including participation in the NCAA Midwest Regional at Manhattan, Kan.

Heading Texas' returnees are Guard Donnie Lasiter, last year's No. 3 scorer with an 11.2 average, and Forward Albert Almanza, a member of the 1960 Mexico Olympic Team, who had a 10.8 average as a Longhorn last season.

Other returning lettermen are Center Wayne Clark, who averaged 6.0, Center Jimmy Brown, 6.4 of Pampa; Guard Butch Skeet, 3.6, and Forward Jerry Gramha, 2.4.

The incoming sophomores are paced by Forward Robert Ledbetter, who led the 1960 Yearlings to a 9-3 season with his 16.6 average; Forward John Heller, 12.6; Center Coyle Winborn, of Pampa 12.4, and Guard Jimmy Gilbert, 10.3.

Bradley and Viramontes are faced with the problem of replacing last year's top two scorers, All-America and Olympian Jay Arnette and Brenton Hughes. Together, they accounted for an average of 32.5 points a game. Hughes also was the club's top rebounder.

The Longhorns open their season Dec. 3 in a home game against Howard Payne. The conference opener will be here against Arkansas on Jan. 4.

Orange Use Stray Pass For Victory

SYRACUSE, N.Y. (UPI) — Defensive back Mark Weber galloped 62 yards with an intercepted pass Saturday to break the back of a stubborn Penn State defense and set the stage for a 21-15 Syracuse victory before 40,617, the largest football crowd in local history.

Weber, just returned to fulltime duty after sitting out Syracuse's first three games with an injured knee, snared a wobbly pass by State's Galen Hall on his own 38 and found a clear path down the left sideline.

The startling run came as Penn State was battling to break a 7-7 deadlock in a bruising football game where the forward pass was strictly a minor weapon until the dying minutes of the game when Hall turned loose an aerial attack which moved the length of the field. The Lion attack just missed fire on Syracuse's four-yard line as time ran out.

The next time it handled the ball after Hall's touchdown run, the Orange drove 67 yards in 12 plays with sophomore left halfback Don King crashing over from the two. Ken Ericson made good on his third straight kick to give the national champions a 21-7 budge which Penn State, despite tremendous fourth period effort, was never quite able to overcome.

Scoring by Periods: Syracuse 7 0 14 0-21 Penn State 0 7 0 0-15

Rattlers Strike, Top White Deer

By ARTHUR MAYHEW
Daily News Sports Editor

TINNETT — Stinnett's Rattlers, with a ground game deadly as their name, buzzed and struck four times in the last quarter — Friday night to defeat White Deer, 29-6, in a District 1-A opener before an elbow-tough crowd of 4,000.

The Rattlers lived up to their billing as the top Class A team in Texas by rolling up 334 yards, 185 coming in the half before White Deer's Bucks tightened up their defenses.

Halfback Dude McLean, who led up 163 yards, highlighted by 45, 25, 12 and 11 yards, one touchdown. Fullback Jerester gained 84 yards and one and Halfback Donny Anderson led up 78 yards. The other of fabulous Anderson combination — brother Larry — had nine yards rushing but he

Ten Pin Tales

Bowlers of the week at Harvester Bowl last week were Peggy Kastein with a 582 scratch series, and Harry Davis with a 657 scratch series.

This week's bowler of the week will be the highest handicap series: A trophy-mounted ashtray will be given to each person selected as the week's top kegler.

Scoring has been good this year, with six men with better than 190-pin averages. In the Classic League, Stan Brake and Howard Musgrave had 195s, Red Watson had a 193, Jessie Smartt and Joe Wells have posted 190 averages. Dale Haynes was a close contender with a 189.

In the Industrial League, Dale Haynes' 194 average tops the list, followed closely by Musgrave's 190. Smartt and Musgrave led the Caprock League with 195 and 190 averages, respectively.

In the "oddlies" department, C. R. Beavers picked up a tough 7-10 split.

Next week, women's bowling will be highlighted. All women's league secretaries are urged to tally in the names of women who have rolled 200 games or above 500 series, and those who have better than 150 average.

TOURNEY ENTRANTS — Four Eastern New Mexico University golfers are participating in the annual Tucker Invitational golf tourney in Albuquerque today. The Greyhound divoters are, (left to right), Gene Murphy, Knoxville, Iowa; Phillip Brown, Hobbs, N.M.; letterman Larry Tarvin, Pampa, and freshman Tim Nesbitt, Clovis, N.M. Eastern is the twice-defending champion of District 7 NALA (small colleges in Arizona, Colorado, New Mexico and Utah) and finished 10th in the small college national tournament last spring.

Miami Beats Lakeview To Continue Unbeaten

Miami's eight-man Warriors polished off Lakeview, 28-0, Friday night for their seventh straight win of the season in District 11-B to highlight area football activity.

In other area games, Lefors upset Clarendon, 14-8; Turkey surprised Groom, 8-0; Perryton downed Shamrock, 14-0; Wheeler tripped Follett, 22-8, and Canadian edged McLean, 24-20.

Miami started fast, scoring on the third play of the game when Scotty Daugherty pegged a pass to Mark Arrington for a 10-yard touchdown play.

Also in the first quarter, Paul Thompson scampered 65 yards for a touchdown, then ran over the extra points to up the score to 14-0.

Jim Flowers increased Miami's lead in the second quarter when he took a handoff from Tuck Seitz and went 15 yards to score.

Mickey Kivlehen wrapped up the Miami point production in the third period on a 19-yard run to paydirt and Daugherty drop-kicked for two conversion points.

Lefors established itself as the team to beat in District 2-A by coming from an 8-6 halftime deficit to upset Clarendon in Clarendon.

Danny Wilemin bulldozed over from the 2 for the Pirates first score and Scott Dunham scored from five yards out in the fourth quarter and added a running conversion to give Lefors its win.

Turkey's Turks, top ranked Class B team in the Panhandle, had to hustle for its win over Groom. The victory was their seventh of the year against no losses.

Jerry Weatherly scored the lone TD on a 25-yard run in the third quarter and a Don Guest to Con-

Early Explosion Sends Harvesters To Defeat

By ED HAYES WILSON
Daily News Staff Writer

AMARILLO — A double reverse set off an explosion of five touchdowns Friday night in Dick Bivins Stadium and blew the Pampa High School Harvesters into their sixth straight defeat, as the Amarillo High School Sandies whizzed to a 31-0 victory.

It wasn't unexpected. The Harvesters, lamed by the bruising attack of Lubbock Monterey and

Amarillo	Pampa
15 first downs	8
321 net yds. rushing	181
68 net yds. passing	19
9 passes attempted	11
4 passes completed	2
0 passes intercepted by	0
3 no. of punts	7
21.6 punt average	24.3
3 opp. fumbles rec.	3
7 no. of penalties	6
65 yds. penalized	40

from previous encounters, didn't figure to win this traditional contest. They scrapped right down to the wire, but once the "quick as a wink" Kent Twing burst into the open on the before-named play for a 74-yard dash into the Harvester end zone, it was all over.

Twing not only twinkled, he sparked. He tabbed three TDs during the night, adding a 19-yard scoring spring with 37 seconds left in the first period and finished off his scoring by being on the receiving end of an aerial from Val Tenorio.

It wasn't enough that Twing was so troublesome, Tenorio was in the act throughout. The agile quarterback lugged the ball on numerous occasions, gaining more

often than not, but it was his spectacular passing that put the capper on his performance.

The tall Sandie signalcaller threw nine times and hit four, accounting for two other touchdowns on shots to End Gary Ford and Halfback Stan Sparks.

Pampa's crippled but eager Duke Garren, Roy Don Stephens and Steve Dobbin saw much action although it had been doubtful that they would get into the contest.

That trio, plus Dick Giese, Randy Haralson, Dickie Wills and Billy Cooper bore much of the brunt of the Sandie onslaught. But even with their valiant efforts it wasn't near enough.

Pampa set up two scoring threats in the fourth period, but each time fumbles killed the scoring chances.

The first move saw Stephens tossing passes and going on the option to spark the Harvesters in a march from their own 13-yard line to the Sandie three, following the kickoff after the final Amarillo marker. He gained some valuable aid from Dobbin and Larry Taylor, but it went for naught when Roy Don lost the handle on the ball.

The final attempt came shortly thereafter when an Amarillo punt traveled up field only a few feet and the Harvesters took over on the Sandie 16-yard line. Stephens then passed incomplete and Haralson then slammed to the Sandie 12, but two more aerials by Stephens went incomplete and the game ended three plays later with Amarillo in charge on its own 35-yard line.

Lubbock Beats Rebels

A new face appeared as a contender to Borger's chances for winning the 3-4A title Friday night as Tom S. Lubbock knocked off Tascosa, 18-7, in Lubbock.

In other district games, Amarillo

dropped Pampa, 31-0, for its second straight conference win; Borger waltzed to a 27-7 win over luckless Plainview to remain unbeaten, and in a Thursday game, Palo Duro upset Monterey, 19-17. Amarillo, Borger and Lubbock are all 2-0 in district play.

A tortoise doesn't have to plan!
He lives to be 200!
He carries everything on his back...
And if he had a business...
He'd carry that, too!

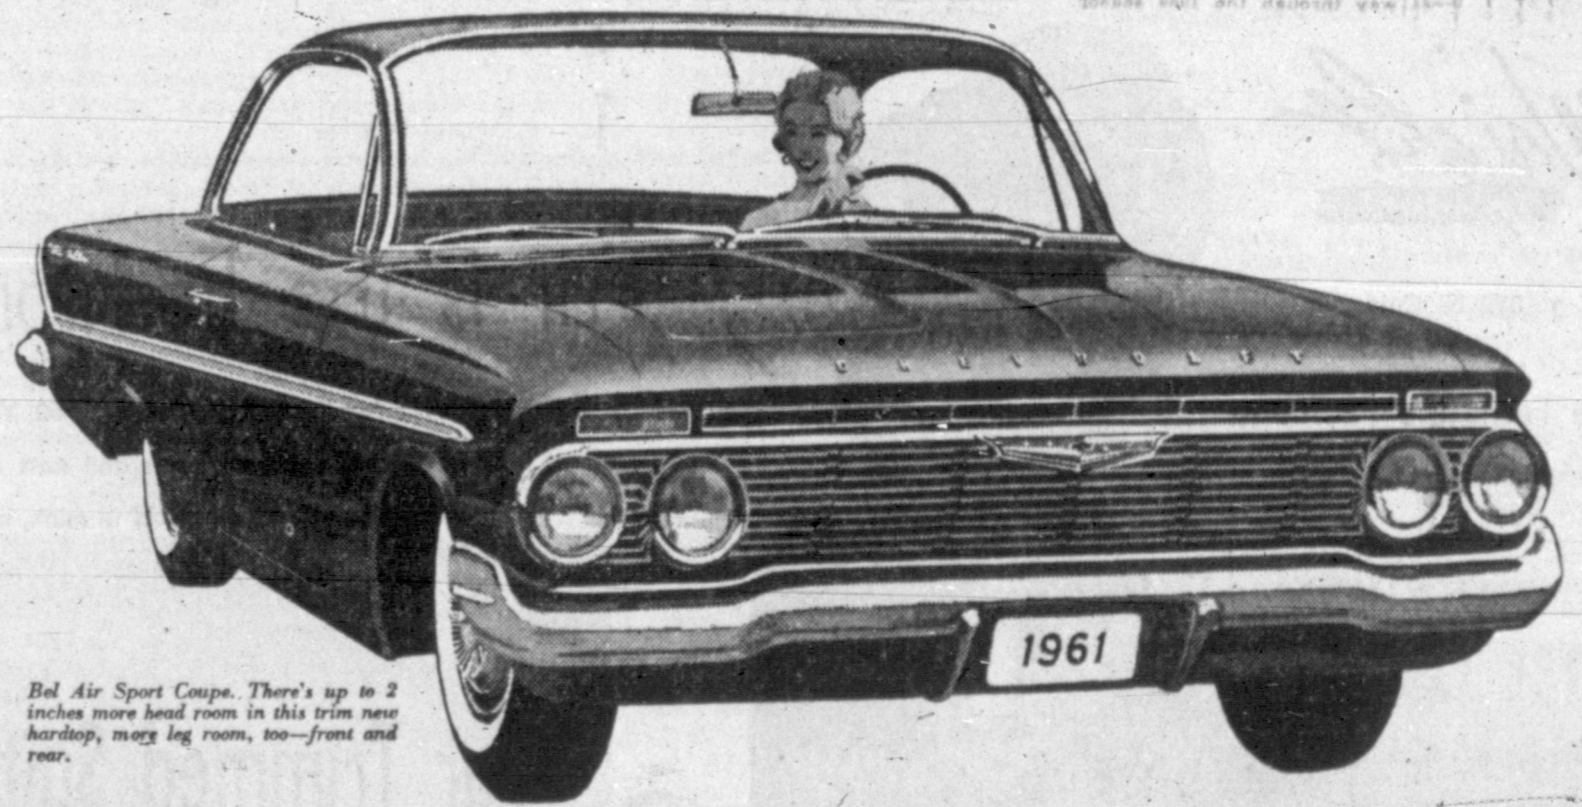

But we don't live to be 200, unfortunately, and we have to plan — especially when the duration of a business is at stake. And planning for business means knowing how to financially carry the death of a partner, or the loss of a key man.

Living Insurance for Business can help you solve these problems. It can provide cash indemnification for the loss of a key man... provide cash for settlement of estate taxes... protect the interests of both family and business associates. Call or write:

DAILY PAPER

British World Traveler Pays Visit To Pampa Acquaintance

By ED HAYES WILSON
Daily News Staff Writer

It all began with the fellow becoming disgusted with riding the daily commuter to London, England, and, in a sense, wound up in Pampa, with the fellow seeking in some of the more intriguing spots of the world.

"I just tired of the daily routine of hustling off to London six days a week and hurrying to catch the train back home," said John Bur-

gess, who was in Pampa to look up Dick Price, son of Mr. and Mrs. Tom J. Price, 101 E. 28th, only to find that Dick is working in Amarillo.

This, though, for a fellow who had traveled so many thousands of miles since leaving his home at Reigate, outside London, in August 1958, was no problem. He visited the Tom Prices and the Prices drove Johnny to Amarillo Friday night.

Burgess, well educated and, for

a Briton, talkative, said he would compare Texas with Australia in many ways. He spoke of the vastness of each, and pointed to the Australian "Out Back" in comparison with some of the miles and miles of "nothingness" of the Lone Star State.

"Each is capitalizing on its resources and is building toward the future at a rapid rate," he observed.

Once the idea of leaving England popped into Burgess' mind he contacted a friend and they placed an announcement of their plan on the London Overseas Visitors' Club bulletin board, and shortly thereafter they were off, with a New Zealander, a Canadian and a Australian for companions.

The tour started in France and they drove through Luxembourg, Germany, Austria, Italy, Yugoslavia, Bulgaria, Greece, Turkey, Iran and Afghanistan where Burgess first bumped into Dick Price and two other Americans.

The parties went their ways, with Burgess' group heading into Pakistan where they split up after selling their auto to an American Jesuit priest.

From there, Burgess and his English buddy wended their way to Sikkim in northern India, along the Tibet border. When they arrived they ran into — you guessed it, Dick Price.

By this time the trio were becoming fast friends. But they again went separate ways, Burgess and his friend stopping on to Assam, Calcutta and Rangoon before arriving in Singapore where, lo and behold, Dick Price again 'rove on the scene.

This was getting monotonous so the three fellows decided to head for Australia. They checked ships and found but one berth, with Price taking it and the English pair booking flights to Sydney. However, someone goofed their tickets and, as Burgess put it, "We were 'hoofed off the plane at Darwin and stayed there for a week before flying on to Sydney after the tickets had been corrected."

In Sydney, Johnny joined a firm that prepares calculations on use of construction materials for build-

ing projects. This, he pointed out, saves the contractor and his client, since the amount of materials needed is figured, you might say, close to the vest.

Burgess' friend joined the Australian Atomic Energy Commission and remained in Australia when Johnny headed for England on an assignment by his firm to look into preliminary preparations of material calculations for the soon to be constructed Sydney Opera House.

"I am truly enthused with the work, enjoy Australia and the people and I see great things for that country in the future," said Burgess.

His jaunt to Pampa was aboard cargo-passenger ship across the Pacific to Panama, by way of a number of island stops, through the Central American countries and Mexico to Laredo where he received his first bit of American "hospitality" — an offer to cash an American Express traveler's check for one per cent of its worth.

Burgess hit the ceiling! He strode grimly from the place of business and headed for the nearest bank.

"They aren't going to do that to me. I have never paid to have one cashed, and I don't intend to start now," he said.

After his visit with Dick Price in Amarillo, Burgess was to head for San Francisco, via Grand Canyon and other points. From there he intends to swing back across the nation through Salt Lake City, Minneapolis and into Winnipeg and Toronto, Can., before going on to New York City from where he will board ship for his homeland.

Burgess, now a confirmed Aussie, said he expects to head back to Sydney in about six months.

"I wagered a 10-pound note I'd be back there within a half-year and I can't afford to lose that bet," he smiled, apparently gloating in the fact that he had a 'cinch' on his wagering foe.

IMPOUNDED LAKE
Boulder City — Lake Mead, behind the Hoover dam on the Colorado river, contains about four-fifths as much water as it is to be found in all of Lake Erie.

NOTHING BUT HOLES — John Burgess, the much traveled Englishman who visited Pampa Thursday night and Friday to see his friend, Dick Price, examines the teletape of the United Press-International machine in the Daily News office. Burgess, en route home to England from his position with an Australian firm, didn't tarry too long in Pampa, since, on his arrival he found that Price is now working in Amarillo. (Daily News Photo)

"Newspapers Are Better Than Ever"

Suspected auto thief Susumu Okumura, 22, jailed at a police station, rolled a newspaper into

RABBIT FACTS

St. Joseph — Missouri cottontail rabbits rear 3.8 litters annually with an average of 4.4 animals in each litter.

THE '61 PONTIAC IS HERE!
It's All Pontiac! on a new Wide-Track!

New track-to-body proportion! The track is the width between the wheels. Pontiac has the widest track of any car. And now that we've trimmed body width, more weight is balanced directly between the wheels. You ride with greater poise, maneuver with firmer control.

More room, more comfort inside! Headroom, legroom and foot-room have been increased. Seats are higher, yet there's more clearance under the steering wheel. Doors are wider, swing open farther with no jutting barriers to bump as you get in and out.

Powered by the new, fuel-saving Trophy V-8 Engine! New fuel induction system gives this new free-breathing engine more air, makes gas go further. Eleven versions to select from. Horsepowers range from 215 to 348. For best economy, specify the Trophy Economy V-8. Its lower compression ratio lets you use regular gas. It's the Wide-Track way to travel! Try it!

THE ONLY WIDE-TRACK CARE
Pontiac has the widest track of any car. Body width trimmed to reduce side overhang. More weight balanced between the wheels for sure-footed driving stability.

Peg O' Pampa

LET'S PRETEND that you, have dropped by my home this morning for a few minutes of girl-talk and a cup of coffee. . . . would you like cream? . . . sugar? . . . oh, you like black, too, the good, old Texas-Way . . . so do we! . . . have you noticed these days, there seems to be so little time for just plain, old-fashioned visiting? . . . sure, we stop for coffee with friends but it seems that we're either on our way to someplace to do something or just reurning . . . of course, these are busy times . . . what with an election in November followed oh-so-closely by Christmas . . . do you realize there are only 25 more "pondering days" before we decide who is to be our next president? . . . and only 57 more "wondering days" before Christmas? . . . my dear, you look pale . . . hope it isn't the coffee or something I've said.

DID YOU GO to Dr. F. W. Martox's lecture on Monday night? . . . everyone we've talked with had nothing but raves about the impact of his comments . . . Dr. Martox requested that everyone who was there last Monday night come back again tomorrow night and bring a young friend . . . like, for instance, a high school or junior high school student . . . and if you don't have one, borrow one for the evening . . . we've found that he doesn't talk up to adults nor down to young people . . . he talks Americanism authoritatively with vivid simplicity . . . his lecture tomorrow night is the second in a series of five, free lectures that will be given on successive Monday nights in the high school auditorium . . . why don't we gather up a group of teenage neighbors and go together tomorrow night?

YES, WE DID listen to the Texas-Oklahoma game on the radio last Saturday . . . but, you know, we just don't understand this NCAA thing . . . why the game wasn't televised . . . it seems to us that the only ones who were really punished by not telecasting it were the thousands and thousands of U and OU fans who were unable to get away for the weekend to drive or fly to Dallas . . . but as the game turned out for Oklahoma, guess the fans there were content to only HEAR about the slaughter . . . SEEING it happen would have added salt to a painful wound . . . some friends of ours who did go down told us that at 2:30 a.m. on the morning before the game, Downtown Dallas was like VJ Day in New York City's Times Square.

MORE COFFEE?? . . . there you are . . . oh, say, have you noticed that Morning Glory vine on the northeast corner of Foster and Hobart? . . . it is the most gorgeous sight early in the morning . . . it is literally loaded with Heavenly Blue blossoms that tower over the rushing traffic . . . the vine follows a guide wire of an electric pole and then extends almost up to the very tip-top of the pole . . . after a certain height the vine must have trained itself to entwine in a completely symmetrical fashion around the pole . . . aided, no doubt, by the infinite hand of Nature.

IT'S RATHER quiet out Pampa Country Club way these days . . . quiet, that is, outside of the hammering, sawing and wishing of paintbrushes as workmen are busily engaged in the enlarging and redecorating project now in progress at the club . . . it's going to be lovely when they are finished . . . imagine the ballroom came to life last night, though, when Frances Holt entertained the junior high set of a party . . . we saw a pretty twosome the other evening driving down Duncan Street . . . it was Mattie Crowson and her pretty granddaughter, Leslie Watkins . . . we were happy to read of the honor accorded Mattie recently by the Business and Professional Women's Club when they named her "Woman of the Week" . . . she is a charming person and always so pleasant . . . isn't that a gorgeous new Cadillac (such a beautiful color, too) that we've seen Inez Carter buzzing around town lately, she, Von Vanderberg, Adrienne Foster and Gladys Jenkins are getting ready for a little jaunt down to Marshall this next week to attend an Altrusa meeting . . . you have only to chat a few minutes with Katy Key these days to catch her enthusiasm for the Future Nurses Club, which the Medical Auxiliary sponsors . . . she fairly glows with enthusiasm when she talks of the "French Poodle Sidewalk Cafe" which the club will sponsor at the Pampa High School carnival on Oct. 29 . . . it's going to be very ooo! la! la!

HAVE YOU HEARD what Rochelle Wilkins is doing these days?? . . . she's commuting between here and Borger as he directs the Borger High School junior class play, "Thieves Carnival" . . . Rochelle is quite talented in any artistic field . . . she's the daughter of Irene and Irl Smith, you know . . . and we heard, too, that Bobbie Lee Andis is happily becoming acclimated to her first year away at school in Gulfport, Miss . . . after a whirl of rush activities, she has pledged Delta Chi Sigma Sorority at picturesque Gulf Park College . . . so what with her Glee Club activities, which she serves as vice president and continued church activities, there are only a few moments left to become really homesick.

WE HEARD THAT a couple of Duplicate Bridge playing girls did themselves and Pampa proud at the sectional Bridge tournament held in the Herring Hotel in Amarillo last weekend . . . Nita Luna and Lois McGuire walked off with trophies for high scores in the Women's Pairs Event and in the Master Pairs Play . . . they totaled up 10 1/2 Master points during the tournament! . . . and also making a fine howling at Duplicate wizardry were Sophie Rasmussen and Lena Van Shoubrouek who won in the Consolation Event on Sunday evening . . . and do you know what, my friend, this week we heard of an unsung heroine . . . she's Lida Ramsay, mother of Marian Osborne, who is, as you know, executive director of Girl Scouts . . . when Marian is away on executive business, Mrs. Ramsay can meet any Girl Scout emergency that arises . . . like, for instance, when a truck load of Girl Scout calendars arrived unexpectedly recently, she arose to the occasion, swept out the garage of her home and made room for them to be stored there temporarily . . . Mrs. Ramsay, whom we think has the sweetest face, has been a resident of Gray County for over 60 years and we imagine she could tell some interesting anecdotes about this area that occurred back at the turn of the century.

WE WERE SO SORRY to hear Esther Culberson's painful injury to her back in a home accident . . . hope she convalesces speedily and can soon resume her busy life . . . we spied Jean Duncan out and about the other afternoon . . . we miss seeing her sparkling personality about town . . . our Woman of the Year, Dona Cornutt has hardly a breathing time these days . . . not only is she heading up the women's division of the United Fund (which reminds us, have you made your pledge yet?), but this week she is general chairman of the arrangements for the local garden clubs' hosting of the northern zone meeting of Texas Garden Clubs, Inc. . . . it will be an all-day meeting Tuesday in the Coronado Inn with a luncheon and fashion show . . . a tour of Celanese . . . sandwiched in between some important garden club business . . . and tomorrow is Twentieth Century Cotillion's monthly fashion show, isn't it? . . . oh, must you go? please do come back again like, maybe, next Sunday?

See you then, Peg

Mrs. Emmett Tabor Scott Jr. Thera Lee Warner

Thera Lee Warner Bride Of Emmett T. Scott Jr.

Wedding vows of Miss Thera Lee Warner and Emmett Tabor Scott Jr. were solemnized in a soft, candlelight service held Friday evening at seven o'clock in the First Methodist Church.

Miss Warner is the daughter of Mr. and Mrs. Eben D. Warner Jr., 1221 Christine. Mr. Scott is the son of Mr. and Mrs. E. T. Scott Sr., 2818 Lipscomb, Amarillo. The Rev. Richard W. Crews was officiant for the double-ring service. The bride and bridegroom took their vows before an altar decorated with arrangements of white chrysanthemums and ivy. A background of white and blue was furnished by tree and spiral candelabras entwined with ivy. Grecian urns of white chrysanthemums flanked the white satin prie dieu with ivy hedges outlining the choir and communion rails. Pews of honor were marked with candles and streamers of ivy accented with white chrysanthemums.

BRIDE

Given in marriage by her father with the "her mother and I" avowal, the bride was gowned in floor-length white silk satin fashioned with an oval neckline and three quarter-length sleeves. The basque bodice, closed passed the waistline with tiny, satin buttons, was appliqued with seed pearl and bugle bead designs of flower and leaf scroll. The pearl and bugle bead designs were repeated again in the elegant simplicity of the bouffant skirt which swept to a chapel train.

Her waist-length Veil of imported silk illusion draped away from a coil of white satin accented with seed pearls.

She carried a cascade arrangement of white gardenias and Fleur d'Armour.

ATTENDANTS

Miss Jean Foxhall of Memphis attended the bride as maid of honor. Miss Martha Hess of Pittsburg and Miss Joe Kendall Bell of Chillicothe were bridesmaids.

The maid of honor wore a waltz-length frock of Sky Blue velvetreen fashioned with a Sabrina neckline, three-quarter length sleeves, and a bell-shaped skirt accented with a bow at the waistline to form back interest. A Halo of matching velvetreen bows, short, white kid gloves and matching Sky Blue slippers completed her costume.

The bridesmaids wore Moss Green velvetreen identically fashioned as the maid of honor with matching halo hats, slippers and short white kid gloves.

Each carried cascading Rosettes of Lemon Leaves.

John William Scott of Amarillo served his brother as best man. Groomsmen were Eben D. Warner III, brother of the bride and Jeff Neely Jr. of Amarillo. Seating the wedding guests were John A.

Jenkins of Amarillo, Carroll Mack Forrester, also of Amarillo and Jack Roach of Dallas.

Tom Atkin, organist, provided the pre-nuptial airs which included O, Perfect Love (Barbry), Sheep May Safely Graze, Air For G String, Jesu, Joy of Man's Desiring (Bach), Maid With Flaxen Hair, Le plus que lent (Debussy); Lo, How A Rose Ere Blooming (Praetorius) and Brahms' Romance.

For her daughter's wedding, Mrs. Warner chose pale green, silk brocade fashioned with a wide, oval neckline, elbow-length sleeves and an Empire waistline adorned to a skirt of soft folds. Matching accessories and light green cymbidium orchid complemented her costume. The bridegroom's mother, Mrs. Scott, selected a sheath dress of lemon-colored silk brocade

with slippers to match complemented with a hat of varying shades of bronze and brown sequins. She wore a corsage of brown cymbidium orchids.

Immediately following the ceremony, a reception was held in The Starlight Room of the Coronado Inn.

The bride's table was centered with an arrangement of white roses, gardenias and ivy arranged in silver epergne. Gardenia clusters caught up the corners of the white satin cloth.

Weldon Bright, at the organ, provided background music during the reception.

For a wedding trip to San Francisco, Calif., the bride traveled in a gray wool suit complemented with

Corcoran-Lancaster Wed In Autumn Rites

Miss Arica Ann Corcoran and Aaron Lee Lancaster were united in marriage with double-ring vows repeated on Friday at five o'clock in the First Baptist Church in Mobeetie with the Rev. Charles Uzzel, pastor, officiating.

Miss Corcoran is the daughter of Mr. and Mrs. Ariza Corcoran of Mobeetie. Mr. Lancaster is the son of Mr. and Mrs. Curtis Lancaster, also of Mobeetie.

Vows were repeated before a background of autumn foliage and pyracantha berry arrangements.

Mrs. Wade Stracener of Fritch, bride's aunt, played the traditional wedding music and was accompanist for Mrs. Paul Kennedy of Amarillo and Wade Stracener of Fritch, aunt and uncle of the bride, as they sang "Whither Thou Goest" and "Bless This House."

BRIDE

The bride entered the church on the arm of her father and was given in marriage with the "her mother and I avowal." She wore a ballerina-length dress of nylon Chantilly lace over Duchess Bridal satin fashioned with a Queen Anne collar and long, petal point sleeves, which closed with tiny satin and lace-covered buttons. The fitted bodice, closed down the front with satin and lace-covered buttons, was accented with iridescent sequins, seed and bead pearls.

Her elbow-length veil of tulle Illusion, edged with Chantilly lace and pearls, was held secure to a pearl Victorian Queen's crown. The crown was complemented by a row of drop pearls in front centered with a pearl belonging to the bride's deceased grandmother. The dress and crown were designed and made by the bride and her mother.

She carried an arrangement of red and white rose-buds, showered with white satin ribbon tied in Love Knots, atop a white Bible.

As the bride entered the church, she handed a single, red, long-stemmed rose to her mother; as she and the bridegroom left the church, a single, red, long-stemmed rose was handed to the bridegroom's mother.

Mrs. Aaron Lee Lancaster Arica Ann Corcoran (Photo, Smith Studio)

ATTENDANTS

Miss Carolyn Sue Hooker was maid of honor. Bridesmaids were Misses Ada Lou Allen and Anna Mae Gudel.

The maid of honor wore a beige, street-length dress of satin brocade complemented with a turquoise corsage. The bridesmaids wore identical dresses of turquoise cotton satin with corsages of bronze pompon mums. Each attendant carried a handkerchief of Chantilly lace matching the bride's gown. Their headpieces were simple bands, matching their dresses, centered with pearls.

Garland Lancaster, bridegroom's brother, served as best man. Groomsmen were Ray Corcoran, bride's brother and Paul Hathaway Ushers were Clinton Simpson and Charles Walser.

Misses Sandra Boothe and Carolyn Trout distributed miniature bags of rice to wedding guests. Miss Ann Gatlin registered guests at the wedding.

For her daughter's wedding, Mrs. Corcoran chose a suit of Irish wool with black accessories and a corsage of turquoise feathered carnations. Mrs. Lancaster, bridegroom's mother, chose a blue dress with black accessories and a white feathered carnation corsage.

The bride attended Mobeetie High School, where she is a senior student and plans to continue studies in an Amarillo school. The bridegroom was graduated from Mobeetie High School and is employed as a brakeman for the Rock Island Railroad in Amarillo.

The couple will make their home at 908 N. Hayes in Amarillo.

BETROTHAL TOLD

Miss Betty Ann Williams

Mr. and Mrs. Daniel Edward Williams, 1330 Williston, announce the engagement and approaching marriage of their daughter, Betty Ann to Sam Price of Dallas, son of Mr. and Mrs. Edward Price of Brownwood. Wedding vows will be solemnized in Dallas in the First Unitarian Church on October 30 at five o'clock in the evening.

DECEMBER VOWS

Miss Alice Marie Richmond

Mr. and Mrs. G. F. Richmond, 1141 Prairie Drive, announce the engagement and approaching marriage of their daughter, Alice Marie to Tony Oates, son of Mr. and Mrs. Steve Oates, 417 N. West. Wedding vows will be repeated on December 23 in St. Mathews Episcopal Church. (Photo, Elaine Ledbetter)

Three O'Clock Nuptials Unite Cumberledge-Pool

Mrs. Ross Dwayne Pool
... nee Paula Jo Cumberledge
(Photo, Call's Studio)

LEFORS (Sp) — Miss Paula Jo Cumberledge became the bride of Ross Dwayne Pool with vows exchanged on October 2 at three o'clock in the First Methodist Church, with the Rev. Luther Berry, Baptist pastor, officiating for the double-ring service.

Miss Cumberledge is the daughter of Mr. and Mrs. Bud Cumberledge. Mr. Pool is the son of Mr. and Mrs. Jack Pool, all of Lefors. The candlelight light service was performed before an altar banked by tall white baskets of white gladioli and baskets of palms enhanced by four tapered candle-labers. Special pews for the families were reserved with white satin ribbons.

Nuptial airs were provided by Miss Pat Berry, organist who played the traditional processional and recessional, and accompanied Margie Nichols, vocalist, as she sang, "Because; and "I Love You Truly."

Escorted to the altar and given in marriage by her father, with

A pink bow hat of matching material, pink satin shoes, white gloves, and a nosegay of pink carnations completed her attire.

Misses Karen Cumberledge, sister of the bride, and Linda Robinson were bridesmaids and were dressed identically to the maid of honor.

Connie Thacker, flower girl wore a miniature ensemble fashioned as the other attendants. Randy Hollis was ringbearer.

Candle lighters were Sue and Bobby Thacker. Bonnie Vaughn, Pampa, was best man. Groomsman were George Hollis, Pampa, and Larry Pool, Lefors. Garrel Roberson and Joe Carter were ushers.

For her daughter's wedding, Mrs. Cumberledge chose a two-piece dress of blue brocade, with black accessories and a corsage of white carnations. Mrs. Pool wore a dark orchid dress of wool with matching hat and black accessories. Her corsage was white carnations.

RECEPTION
Immediately following the ceremony, a reception was held in the civic center, with decorations throughout the receiving room in pink and white. White tiered wedding bells against a pink trellis effect was used on the piano, the center section, and as a background for the serving table. Mrs. Harold Martin registered guests.

An arrangement of pink snapdragons and white baby mums were arranged with a ceramic bride and bridegroom in the center of the serving table which was covered in pink linen, overlaid with pink net. Table appointments were sterling silver, crystal, and pink napkins, inscribed "Paula and Ross," inside a tiny heart.

The first piece of the three-tiered cake was cut by the bride and bridegroom, after which it was served to the one hundred twenty-five guests by Mrs. Edward Lehnick, as Mrs. Mildred Johnson served the punch from a crystal service.

The bride and bridegroom were graduated from Lefors High School in 1948 and are employed in Pampa; Mr. Pool at Thompson Hardware, and Mrs. Pool at Bond Truck Service. They will make their home at 817 N. Russell, Pampa.

REHEARSAL DINNER
Mr. and Mrs. Jack Pool were host and hostess to a rehearsal dinner for the wedding party and families, in their home on Friday night, Oct. 1.

ATTENDANTS
Miss Ann Matlock of Claude, maid of honor, wore a street-length dress of pink moire taffeta. The bodice featured a round neckline in front, boxed in the back, large puff sleeves, attached to the full skirt encircled with a cummerbund.

Treasure Chest Of Worthwhile Events Recalled At El Progreso Club Meeting

El Progreso Club met Tuesday afternoon in the home of Mrs. Ann Heske, 1120 N. Somerville with Mrs. J. F. Curtis as hostess. Mrs. Jess Clay, vice president, presided at the business meeting in the absence of the president, Mrs. Knox Kinard and Mrs. Clay reported on the district meeting of Federated Women's Club held recently in Perryton.

A Federation Day program was given by Mrs. D. V. Burton, who opened the El Progreso Club Treasure Chest and displayed year-books, clippings and pictures of club members from its beginning.

Mrs. Burton stated that El Progreso has the distinction of being the oldest Federated Club in Pampa. "The first meeting to discuss the organization was on Jan. 23, 1923. Application for a charter was made to the Texas Federated Women's Clubs and was accepted." "The names of many pioneer Pampa families are on the list of charter members," Mrs. Burton said. "Among them are Mmes. John Andrews, George Walstad, P. C. Ledrick, H. L. Ledrick, C. T. Hunkapillar, L. C. McMurtry, C.

Melvin Munn To Speak At PTA

Mr. Melvin Munn will be the guest speaker at the general meeting of the Robert E. Lee Jr. High PTA on Thursday, October 20 at 2:30 p.m. in the school's auditorium. The theme for this meeting is "Material Values — Controlled or Controlling?"

Mrs. George Snell will introduce the program and an eighth grade student, Jim Shellhammer will bring the "Thought for the Day."

A panel of eighth grade students under the sponsorship of Miss Jane Cheyne will give their viewpoints on "Material Values." Visitation from 2 until 2:30 is especially emphasized in the eighth grade classes. All parents may visit their children's classes and everyone is urged to attend the general PTA meeting at 2:30.

Mrs. Felix Fisher Hostess To Circle

Grayson Tennis Circle of Highland Baptist Church met in the home of Mrs. Felix Fisher, circle chairman, recently.

Officers for the new year were elected as follows: Mmes. Gene Winegeart, co-chairman; Ira L. Gil-Lafin, secretary - treasurer, and publicity chairman, Morris Belet, Bible study chairman; Carol Pettit, stewardship; Ray Jackson, prayer chairman; Eunice Hunt, community mission chairman.

Also attending the meeting were Mmes. Durwood Tracy and Shelby Atchley.

It was announced that the next meeting will be with Mrs. Pettit.

Candlelight Scene For Harper-Samples Vows

Miss Janice Harper and Jimmy Samples repeated wedding vows October 7 at seven o'clock in the home of the bride's aunt and uncle, Mr. and Mrs. Edwin R. Southard, 201 N. Faulkner.

J. M. Gilpatrick, minister of Central Church of Christ, officiated for the exchange of double-ring vows amid a setting of por baskets filled with white mums with white, wrought-iron chandelabra holding tall, white tapers to light the wedding scene.

Mrs. and Mrs. Jimmy Samples
... nee Janice Harper
(Photo, Call's Studio)

BRIDE
Given in marriage by her uncle D. Hamrick of Abilene, the bride wore a ballerina-length dress of white velvet and Chantilly lace. The strapless, white velvet dress, fashioned with fitted bodice and a skirt of soft folds, was topped with a Chantilly lace crop-top, scalloped around the edges, and featured bouffant, puffed sleeves. She carried a cascading arrangement of white roses showered with white satin streamers atop a white Bible.

ATTENDANTS
Miss Judy Hyatt attended the bride as maid of honor wearing a blue chiffon frock complemented with a bouquet of white carnations. Glen Samples served his brother-in-law as best man.

Art Technique Discussed By FCC Speaker

On Tuesday afternoon, Mrs. Jack Foster was hostess to Twentieth Century Club in her home, 1228 Wilton.

Mrs. Joe Gordon, program leader, introduced Mrs. Raymond Harrah, who displayed three portraits, which she had painted with the technique of the Old Masters. This technique was last after the work of Rembrandt, Van Gough and others.

"A French artist," Mrs. Harrah explained, "after 30 years of persistent study, rediscovered the painting technique of the Masters and since 1948, it has been available to those interested in art."

Mrs. Harrah continued, "In America, art is moving into our homes, which makes for balanced family living. Art helps man to better understand himself and world situations. Though modern art is not always understood, it is the search for self in a chaotic world. There is a new trend in art for simplicity in turning back to nature and tranquility."

During the business meeting conducted by Mrs. Ronald Hubbard, president, members were urged to attend the Citizenship Seminars being given in lecture form by Dr. W. Mattox, president of Lubbock Christian College. The lectures will be given on succeeding Monday nights throughout October 7-30 m.

Refreshments were served during a social hour to the 18 members attending.

NG Program Given by Mrs. Poindexter

CANADIAN (Spl)—The Pastible Grand Club met recently with Mrs. Charles Teas.

The opening service was conducted by Mrs. F. A. Blue, and Mrs. Ben Jordan conducted the business meeting.

The program was led by Mrs. Mel Poindexter.

Those present were guest Sue Estervelt, and members Mamie Jordan, Clara Blue, Ethel Poindexter, Carrie Moreland, Bonnie Freeman, Agnes Adams, Vivian Ford, Esther Bentley.

Garden Club Goes On Fall Pilgrimage

Top o' Texas Garden Club met winterizing the club's Rock Garden on Duncan, and the garden at Perryton Parkway.

It was announced that sales are beginning for the National Flower and Garden Calendar, which will be a financial project for the club.

Before leaving on a Fall Pilgrimage to Canadian and Lake Marvin, plans were discussed for Monday morning at ten o'clock in the home of Mrs. J. A. Knox, 2228 Hamilton.

Coffee and rolls were served before the group left on a field trip to Canadian and Lake Marvin to collect specimens for dried winter arrangements.

A picnic lunch was served during the noon hour near the lake.

Upon their return, Mrs. Knox served a dessert in her home.

It was announced that the next meeting will be held in the home of the president, Mrs. Jamie B. Deal, 2144 Chestnut on Oct. 25 at 1:30 p.m.

Travelogue Given For Culture Club

Mrs. R. E. Dobbin, 1909 Mary Ellen, was hostess to Twentieth Century Culture Club on Tuesday afternoon with Mrs. J. R. Donaldson as co-hostess.

Following the social hour, Mrs. J. D. Merchant, president, conducted a business session.

In keeping with the course of study for the 1960-61 club year, which is "Travel," Mrs. Philip Gates presented a program on the Province of Newfoundland. She highlighted the program by showing colored slides of the country, which were taken by Dr. Gates in 1947, while he was stationed at Ft. McAndrew with the Air Force.

Attending were Mmes. Jeff Bearden, G. L. Craddock, Ross N. Buzzard, J. L. Chase, J. W. Edminister, H. H. Hahn, Warren L. Hasse, E. L. Henderson, Rufe Jordan, Irene Osborne, E. E. Shelhamer, N. Dudley Steele, Michael Wilson and L. J. Zachry.

Candles were lighted by Mrs. Dale Southard.

For her daughter's wedding, Mrs. Harper chose a navy dress complemented with a white gardenia.

RECEPTION
A reception was held in the home immediately following the wedding. The bride's table was appointed with a lace cloth over blue centered with an arrangement of white mums. Mrs. Jerry Harmon and Mrs. Billy Joe Capeland presided at the punch and coffee service. Miss Katie Kenner and Mrs. Dale Southard served from the tiered cake which was encircled at the base with a blue tulle ruffle and decorated with blue rosebuds and white wedding bells topped with a miniature bridal couple. White mints and white napkins inscribed in blue with "Janice and Jimmy" completed the appointments.

For a brief wedding trip, the bride travelled in a knit suit of Melon Red with black accessories and wore a corsage of white rosebuds from the center of her bride's bouquet.

The bride and bridegroom attended Pampa High School. Mr. Samples has served two years in the Navy and is now employed with the Fuller Brush Co.

Evelyn Milam To Give AAUW Talk

The American Association of University Women will have its regular meeting Tuesday, October 18, in the City Club Room at 7:30 p.m.

The program will be provided by Miss Evelyn Milam, who will speak on "The Bright Girl: A Major Source of Untapped Talent."

Hostesses will be Mrs. Warren Cochran, chairman, Miss Virginia Vaughan, Mrs. J. A. Meek, and Mrs. Kenneth Walters.

HAND OF INTERNATIONAL FRIENDSHIP — Sigma Delta Sub Deb Club recently extended a hand of friendship to Miss Marika Minelli of Italy and invited her to become an honorary member of the club. Miss Minelli, who is staying in the home of the Dr. Frank Kelleys, is studying in Pampa High School this year on an American Field Service scholarship. Sub Debs plan to present Miss Minelli with a club skirt and sweater. To finance the purchase of these items and also to finance the club's annual Presentation Dance, members are engaged in various projects, one of which is a Bake Sale to be held Oct. 21. The club has set December 27 as the date for their annual, formal Presentation Dance, which will be held in the Starlight Room of the Coronado Inn. Active members of the club pictured here are front row, left to right, Misses Elaine Tinsley, Myrna Pope, Francis Aftergut, Nancy Williams, Carolyn Hudson; second row, left to right, Misses Barbara Holt, Jan Hall, Priscilla Goodwin, Joyce Doggett, Donna Walsh, Wilma Carlisle, Beverly Moore; third row, Misses Martha Kelly, Marilyn Scott, Linda Warden, Marika Minelli, Sandra Welchel, Diane Fenton, Kathy Naud; fourth row, Susan Quible, Linda Holt, Barbara Faulkenstein, Joy Buchanan, Jerilyn Carter, Linda Kay Andis, Candy Nicklett, Barbara Browning, Gwen Carver, Cecilia McDonald, Dorine Osborn, Connie Kuntz and Jan Adams. Not pictured are Misses Kristi Brown, Mablet Ashby, Carolyn Jelinek, Mary Ellen Cooper, Kaye Hubbard and Jenny Gold.

International Friendship Goal of AFS Program

Mrs. Felix Vendrell was hostess to the Tuesday afternoon meeting of Twentieth Century Forum Club with Mrs. H. C. Federer, president, presiding during the business meeting.

Mrs. Frank Kelley presented the program on "The American Field Service". Two students from this program are in Pampa; a girl, Miss Marika Minelli of Italy is making her home with the Dr. Frank Kelleys, while attending Pampa High School. A boy from Norway, also attending Pampa High School, is making his home with the Coyle family.

In opening remarks, Mrs. Kelley outlined the American Field Service program, which, she said, "had its beginning back in 1914 during the first month of World War I, when a group of Americans living in Paris used their own automobiles to carry wounded soldiers from the battlefield of the Marne." Mrs. Kelley went on to describe the work of American volunteers in the ambulance service and truck service, which carried shells to the French Army.

"In 1939, when World War II broke out, the American Field Service was re-activated under Stephen Galatii. American civilian volunteers again drove ambulances; first in Eastern France, later in the deserts of North Africa and the jungles of Burma." Mrs. Kelley continued.

"After the war, Mr. Galatii decided that something should be done to perpetuate the spirit of international friendship that inspired the AFS throughout two world wars. How better to perpetuate it than through the associations and educations of the new generations? Accordingly, selected students from other countries were 'adopted' for a year by American families and enrolled in the schools and colleges of various states. There was no thought of Americanizing the visitors. The students acquire only the American clothes, habits, and customs to keep from appearing strange or peculiar. But the main idea was that the latter would come to know us as human beings and carry back home an accurate picture of our way of life."

"During the first year of the project (1947-48) about 50 students were brought to this country; some of them teenagers, others college students. Gradually, the emphasis shifted to the high school level."

"Inevitably, Mr. Galatii came to feel that bringing foreign students here was only half the program. American youngsters ought to live abroad and bring back their impressions of our neighbors in other lands. This part of the program was initiated in 1950, when nine American teenagers were sent across the Atlantic to spend the summer with French families. The following summer AFS students lived with families in seven European countries."

In Pampa, the high school under the direction of the student council and the leadership of Mrs. Ruby Capps, with the cooperation of the Lovette Memorial Fund, Kiwanis, Lions Club and Rotarians, were instrumental in bringing the two exchange students here for this current school year. The parents of the two students also contributed; one \$155 and the other \$250. Throughout the year, other money will have to be raised by the local AFS committee to take care of the expenses incurred by the two students.

"The AFS sends each child \$14 per month for spending money, to get drug supplies, cosmetics, treat their friends to Cokes, picture shows, etc."

"Our local committee consists of Mr. and Mrs. Tom Braly, Mr. and Mrs. J. B. Massa, Miss Virginia Vaughn, Marika's counselor; Mrs. W. A. Morgan, Jari's counselor; Miss Bernice Franklin and Miss Jackson, student council directors; Cameron Marsh, high school principal. Mrs. H. H. Hahn is donating five hours a week helping with spoken English."

"Last, but not least, is Mrs. Ruby Capps, who was the person responsible for getting this program started in Pampa this year. Her official capacity at present is "Americans Abroad Advocate" and any students interested in applying for the AFS scholarship should contact her."

"Many American communities are throwing themselves wholeheartedly into the program and is succeeding—even beyond dreams of Mr. Galatii and associates. Here in the Panhandle of Texas, we have four students; Amarillo; two students in Bedford; one student in Petersburg; one student in Borger; one student in Memphis; and two students in Pampa."

To conclude a most informative discussion, Mrs. Kelley said, "young Americans such as our high school students here in Pampa are others like them who are helping with this program; also those who are fortunate enough to get AFS scholarship, is embodied dynamic force for international understanding. As Mr. Galatii said in the hands of high school students lies the greatest potential existing for world peace."

Forum members attending were: Mmes. Bob Curry, Joe Daniel, J. Dunigan, William L. Ellis, C. Federer, William T. Frasier, Gene F. Groom, Homer Johns, Calvin Jones, Frank Kelley, M. Lawrence, M. McDaniel, Br. Pratt, Henry Rose, Arthur T. E. and C. V. Wilkinson.

Hats Cued To PTA Offices Are Shown At William B. Travis Unit Meeting

PTA Hat Fashions were modeled at the first general meeting of William B. Travis PTA held Thursday afternoon at two in the school auditorium with Mrs. James E. Gallemore as fashion commentator.

The hats, from the PTA hat box, were created and modeled by officers and committee chairmen of Travis School. Each hat was designed to represent the particular office or committee.

Models were Mmes. Brantley Hudson Jr., W. H. Dycus, Jack Hood, C. G. Goodwin, John Dodson, Earl Barnett, W. G. Rogers, D. D. Tidrow, Odell Strickland, John Cundith, Al Smith, H. L. Thomas, Cecil McCarrell, E. H. Wyman, Gene Barber, Jim Johnson, Joe Autry, I. T. Winter, Elmer Darnell, John Gentry, Bob Fish, L. G. Hamilton, Jere Sanders and Mrs. Wendell Altmiller.

Mrs. Hudson presided at the business meeting which opened with invocation given by Mr. Altmiller, school principal.

The 1960-61 budget, as presented by Mr. Altmiller, budget chairman, was approved by the group. Members voted to sponsor Club Pack 88 of the Boy Scouts of America.

Mrs. Al Smith, legislation chairman, announced the American Citizenship Seminar, which is being held each Monday night at 7:30 p.m. with Dr. F. W. Mattock, president of Lubbock Christian College, as lecturer. The lectures are ordinarily held in Pampa High School auditorium; but the lecture tomorrow evening will be held in Lee Junior High.

Mrs. H. L. Thomas, membership chairman, reported 440 members enrolled in Travis PTA.

The door prize, a cake baked by Mrs. Bernard White, was won by Mrs. Lucian Young.

Mrs. Tommy Sullyman's first grade room won the room contest by having the most parents present.

During the executive board meeting, preceding the general meeting, Mrs. Brantley Hudson and Mrs. John Dobson were elected delegates to the PTA state convention to be held in Austin in November.

Plans were completed for Family Night to be held Oct. 21 with dinner to be served from 5:30 to 8:30 p.m. in the school cafeteria.

Following the general meeting, a coffee was held honoring faculty members of the school.

Miss Jo Ann Cole Says Vows With R. Windle

Miss Jo Ann Cole of Amarillo, bride of Richie Windle, also of Amarillo, with wedding vows said on Sept. 24 at 7:30 p.m. in the YWCA Chapel with the Rev. J. C. Sizemore officiating for the double-ring vows.

The bride is the daughter of Mr. and Mrs. Alba Shores of LeFors. The bridegroom's parents are Mr. and Mrs. George Windle of Lee Summit, Mo.

Miss Barbara McDowell of LeFors, cousin of the bride, provided the traditional wedding music and was accompanied for Mrs. Marilyn Leath of Decatur, soloist and also a cousin of the bride.

BRIDE

Given in marriage by her father, the bride wore a ballierina-length dress of blue chiffon over satin fashioned with a rounded neckline, three-quarter length sleeves, and a bouffant skirt encircled at the top with a cummerbund to form an Empire waistline. Matching blue satin slippers complemented her costume. She wore a rhinestone tiara and carried a bouquet of white gardenias showered with white satin streamers tied in Love Knots.

Miss Cole was attended by Miss Alice Lumpkin, maid of honor, who wore a tan sheath with brown accessories and wore a corsage of bronze mums.

TSgt. Harry Matthews served the bridegroom as best man. Ushers were Frank Benita and Gale Pfingle.

For her daughter's wedding, Mrs. Shores chose a brown and black sheath with black accessories and a white carnation corsage.

The parents of the bridegroom were unable to attend the wedding.

RECEPTION

A reception was held immediately following the ceremony in the home of Major and Mrs. Cecil Green in Amarillo. Mrs. Jeannie Smith and Miss Bernett Richworth presided at the punch service. Mrs. June Green served cake. Mrs. Shirley Joyce was guest registrar.

Mrs. Windle was graduated from LeFors High School; attended Draughton's Business College in Oklahoma City. At the time of her marriage, she was employed at Amarillo Air Force Base. Mr. Windle was graduated from Kansas City High School and attended Kansas City University. For the past year, he has been catcher and utility man for the Amarillo Gold Sox in Amarillo.

On Oct. 6, the couple flew to Caracas, Venezuela in South America, where they will make their home for the next four months and where Mr. Windle will play winter baseball.

When you shop for a new toothbrush, buy one that has firm bristles, a flat brushing surface, and one small enough to let you reach all surfaces of the mouth for effective cleaning.

Shopping Pampa with ELEANORE

Remember that I told you Polaroid would have a fabulous announcement soon? Here it is: the new Model 900 Polaroid Electric Eye Camera is now at Richard Drug. It works automatically both indoors and out. A radically new design electric eye gives you fool-proof pictures. The micro eye controls both lens opening and shutter speed — takes correctly exposed pictures from dim interior light to glaring snow scenes outside. You use the winklight, of course, and just set the scale for the type of light you have — indoors or outside — and shoot the picture. Automatically the camera chooses the right shutter speed and lens opening. Your picture is perfect. You may lighten or darken the pictures manually if you want. Outdoors in sunlight, you don't even have to focus. The new Type 47 Polaroid film develops in ten seconds, too. Ask to see the new Bell and Howell "Zoomatic" movie camera, too. Power zoom as you shoot in slow motion or regular speed, telephoto or wide-angle. ALSO: Ask Frank Stallings "What is a sun gun?" And see what he says. RICHARD DRUG, 11 N. Cuyler.

Attention! All you Scout leaders, assorted mothers, assorted teachers, anyone who must plan activities for youngsters... always find new and usable ideas at the Hobby Shop. Newest in-craft work is "Foam Craft". Sheets of foam plastic in luscious colors (orange, blue, yellow, turquoise) to cut in strips to decorate plastic tote bags. Flower trims to make, too. Bags in several sizes, in yellow, red, white, brown and black. Sheet cork for cork-craft projects... mosaic supplies. I could name hundreds of things. Go take a look. For the hobbyist, the Hobby Shop is the center of stamp collecting. World-stamp albums in several sizes; United States album for the specialist; hinges, stamp packets, supplies. For the beginner, encourage him or her with the majestic kit including album, hinges, watermark detector, gauge, gazer, etc. See Pat at THE HOBBY SHOP, 111 W. Francis, Layaway toys for Christmas, now, too.

With new "Woman of the World Creme Color Rinse" by Helene Curtis you can have the rich, natural looking hair color that's your beauty-right. Every woman has inborn hair beauty, but it fades — sometimes in childhood, sometimes in the teens, sometimes after 30. New Woman of the World Creme Color Rinse can change "mouse" brown to rich, radiant Parisian Brunette. "Betwixt and between" blonde can become authentic Flan-dezian Flaxen. This is no obvious, brazen-hair-coloring, but a soft, flattering new color for your hair. A temporary color rinse that lasts from shampoo to shampoo. Other exciting sounding colors are Roman Beauty, English Pewter, and Scandinavian Blonde. The gentle, creme-conditioning can't dry or damage hair. Make an appointment now for your Woman of the World Creme Color Rinse. The experts at BOBETTE BEAUTY SALON, 2116 Perryton Parkway, will help you choose the fashion shade right for you. Phone MO 5-3891.

You'll be as excited as I was when you shop in the Pampa Hardware. Every single day new and interesting merchandise is coming in for Fall and the holiday season coming up. A glance around the store will show, for instance, fine Royal Dene stainless steel holloware in contemporary design — elegant, ash trays in every sort of material from ceramic to metal. Sparking cut glass for any purpose. Westmoreland fine hand-made milk glass — infinite variety of gift selections in wide pattern and price range. Finest yet: Royal Holland Pewter. Here is the lovely patina and elegance of pewter in coffee services, pitchers, sugars and creamers. Some beautiful new chafing dishes have just arrived, along with Libby glasses in attractive sets or in caddies. Something new in canisters: a space-saving "lazy-susan" style ceramic canister set. I could go on at some length more, but you will have to take a look for yourself. New things come in every day. Don't miss any of them. PAMPA HARDWARE, 120 N. Cuyler.

This week I had a look at the wide selection of stationery and note papers at the Pampa Office Supply. Ja-casual notes, Hallmark offers designs ranging from a Chinese brush drawing of bamboo to pink roses and birds. There are thank-you notes of all kinds... you are sure to find one that is just right. The Montag "Note Bar" includes baby announcements, Fleur de lis notes with gold and silver design. Unique and perfect for a gift is this box of notes that caught my eye: Novelty Notes on Dixie Dishes. Distinctive note paper features recipes and scenes of the deep Southland. Recipes such as hush puppies, fried catfish, watermelon rind preserves, and hoe cake. Your far-away friends will enjoy having these. Stationery by Montag, White and Wyckoff comes in many, many papers and designs. Special: French Notes by White and Wyckoff are an all-in-one self-mailing note. One page to write, fold, seal, address and mail. Stationery can be monogrammed or printed. End note: Don't forget to order your Christmas cards to be printed now. PAMPA OFFICE SUPPLY, 211 N. Cuyler.

Do you have a daughter who is too grown up (either in size or likes) for "little girl" clothes that doesn't yet wear ladies' sizes? Then you should take her to Junior Hi department at Hi-Lo Children's Shop. The "sub-teens" sizes are fairly new on the scene and really just the thing for girls from about ten to fifteen. They used to be the "awkward" size but no more: there are sporty sweaters, dresses, skirts, slippers, and even nylon hose, slippers and shaped for the young, slender limbs. Underwear styles just right for this "between age" includes bras, panties, slips. (No, if you have had trouble getting slips small enough for your teeny one from the Jr. Hi shop, Helen Wells loves helping the girls look their best. She has a party-type dresses, come seasonal. Man-made fur jackets, top of the dresses (just \$29.98) versatile and not quickly outgrown. NOTE TO TEENAGERS: Just received: shipment of silk circle pins shown in "Seventeen HILAND CHILDREN'S SHOP, 1619 N. Hobart.

It is not too late to plan for your Christmas party at the Coronado Inn, the "pride of Pampa". Later on, date you want may be taken. Kines is happy to make plans and reservations with you for type of party, from the small festive party to the larger group. But don't wait for a Christmas party... more and more clubs finding the Inn the perfect place for their functions. If you saw flair with which the President Coffee for the Twentieth Century Clubs was carried out, you see that the possibilities are wonderful. The various party room of the Inn lend themselves to decorating and recreating any atmosphere or theme you need. If your club is planning a function, check first with the Coronado Inn. (I noticed that all last week while the World Series was going on, tables were set in front of the TV, and a scoreboard was kept up, inning by inning.) They're "on the ball" the CORONADO INN!

HEAD START — Among the hat fashions modeled Thursday afternoon by officers and chairmen of Travis PTA were those pictured above. Seated, left to right, Mrs. John Gentry, Safety and Defense chairman; Mrs. H. L. Thomas, membership chairman; Mrs. W. H. Dycus, vice president; Mrs. E. H. Wyman, Summer Roundup chairman, standing, left to right, Mrs. C. Odell Strickland, hospitality chairman; Mrs. Jack Hood, treasurer; Mrs. Joe Autry, Study Course chairman; and Wendell R. Altmiller, school principal and budget chairman.

Alpha Iota Has Dinner Meeting

Alpha Iota Chapter of Kappa Kappa Sorority entertained with a dinner on Monday evening in Poole's Steak House.

Following dinner, Mrs. Roberta Hickman, president, spoke briefly on the history of Kappa Kappa Iota.

Rushes honored included Jeanette Turner, Betty Bowell, Margaret Schurch and Bert Neef.

Games were played during the social hour.

Members attending were Jane Cheyne, Wanda Baird, Evanelle Hart, Kay Veale, Ruby Gunn, Rhea Grady, Peggy Turner, Janice Cole, Florida Young, Stella Kiser, Geraldine Rampy, Bobbie Altmiller, Roberta Hickman and Jo Ann Shackelford.

The House of Dior has one of those fashion firsts that most of us won't be wearing: a mink-edged crocodile skin jacket in black.

Washable suede gloves with inserts of nylon lace come in the eight-button length for fall-winter. They're trimmed with flat velvet bow and rhinestone button.

Miss Merrick Becomes Bride Of Ernest C. Lewis

Mrs. Ernest Carroll Lewis
... nee Janie Lee Merrick

In a double ring ceremony performed on October 1 at four o'clock Church of Christ in Groom, Miss Janie Lee Merrick, daughter of Mr. and Mrs. Clarence Merrick Groom, became the bride of Ernest Carroll Lewis, son of Mr. and Mrs. Leland Lewis of Ashtola. E. R. Carver of Amarillo, Church of Christ minister, officiated.

George Saunders of McLean, soloist, sang "Whither Thou Goest," "Love You Truly" and "The Wedding Prayer."

Bridal vows were exchanged before an altar decorated with three large wicker baskets of coral mums centered with double candelabra holders and coral tapers against a background of palms.

BRIDE

Escorted to the altar and given away by her father, the bride wore a gown of white imported silk peau de poie. The princess style that dipped to a chapel train was designed with a scooped neckline and a shoulder strap in all-over Alencon lace adorned with seed pearls, with long sleeves and a hand. There were ruffles of Alencon lace and seed pearls on the skirt and also on the train. Her finger-

cousin of the bride was ring-bearer.

Best man was Billy Lewis, brother of the bridegroom. Groomsmen were Melvin Britten, Lyndon Black of Groom, and Wayne Lewis, of Clarendon, uncle of the bridegroom.

Ushers were Rudy Robinson of Panhandle, cousin of the bride and Joe Thornton of Canyon.

Mrs. Merrick, mother of the bride, selected a beige lace dress over satin with brown accessories. She wore a corsage of coral roses. Mrs. Lewis, mother of the bridegroom wore a Royal Blue dress of wool-crepe, with black accessories and a corsage of white roses.

RECEPTION

A reception followed the ceremony in the home of the bride's aunt, Mrs. Allen Knorpp. The bride's table was appointed with a coral linen cloth centered with an arrangement of coral Asters flanked with candles. Misses Lynell Witt and Molly Newton presided at the punch and cake service. Misses Emma Kay Holland and Frances Denton were guest registrars.

For a wedding trip to Colorado Springs and points in New Mexico, the bride chose a blue wool tweed suit with black accessories. Her corsage was the white orchid taken from her bridal bouquet.

Mrs. Lewis was graduated from Groom High School this spring. Mr. Lewis was graduated from Groom High School in 1959 and is employed by the SJ Cattle Company. They will live near Groom on the SJ Ranch.

Among the out of town friends and relatives attending the wedding were Mrs. Leta Phillips, Messrs. and Mrs. Nelson Dovel, Randy, Anita, and Debbie; Lawrence Knorpp; Foyd Lewis; Joe Brown, all of Amarillo; Mrs. E. L. Lewis, Mr. and Mrs. Carroll Lewis, Miss Jerry Sursa, Mr. and Mrs. Jack Lewis, Mr. and Mrs. Gordon Moore, Mr. and Mrs. Millard Wordy, Bobby Lewis, and Alfred McNabb, all of Clarendon; Mr. and Mrs. Earl LaFon, of Ivanhoe Texas; Mr. and Mrs. Roy Britt, of Grand Prairie, Texas; Mr. and Mrs. McHenry Lane, of Pampa; Mr. and Mrs. Bill Phillips, Theresa, Billie, and Linda, of Borger; Mr. and Mrs. E. R. Reeves and Reggie of Canyon; Mr. and Mrs. Frank Robinson, of Panhandle.

ATTENDANTS

Maid of honor was Miss Sharon Jones. Bridesmaids were Misses Mariys Merrick, Maxine Stephenson and Laura Jean Knorpp (all of Groom) cousins of the bride. They wore identical dresses of coral silk organza over coral tulle. The fitted bodices were fashioned with high neck lines in front and low in back trimmed with matching velvet bows. There headpieces were tiny nose veils attached to honey brown mink. They carried bouquets of cocoa brown carnations on brown net with flower bud stragglers.

Candlelighters were Carolyn Stephenson, cousin of the bride and Larry Lewis, brother of the bridegroom.

Flower girl was Anita Beth Dovel of Amarillo, cousin of the bride. She wore a dress identical to those of the attendants.

Doyle Robinson of Panhandle,

Hobby Club Goes On Fall Pilgrimage

CANADIAN (Spl) — Mrs. Leo Field was hostess to the Hobby Club in her home recently following a field trip to gather foliage for fall flower arrangements.

Those attending the covered dish supper were Mmes. Bill Popham, Pack Gwaltney, Norrell Wallace, Revis Massey, Warren Pickens, Carroll Carr, John Ball, Joe Cullender and Dwain Currie.

REHEARSAL — In preparation for the monthly fashion luncheon to be held tomorrow at 12:45 p.m. in the Starlight Room of the Coronado Inn, Twentieth Century Cotillion members and models held a rehearsal Thursday under the direction of Mrs. N. J. Ellis TCC general chairman. Fashions, provided by Dunlap's Department Store, will suggest what the busy Pampa matron may wear around the clock as she goes about her busy duties as a car-pool chauffeur, shopping, around home, at bridge and study clubs, and for that "special date with hubby." Participating in Monday's show will be Mrs. Martin Stubbe, center, fashion commentator; left to right, Mrs. Jessie McKinney, Mrs. Jewel Castleberry, Mrs. Clinton Evans, models and Mrs. Francis Bradley, fashion consultant and ready-to-wear department manager for Dunlap's. (Daily News Photo)

Plans Completed For Annual Fete Of Quivera Girl Scout Council

The annual meeting and banquet of the Quivera Girl Scout Council will be held Oct. 24 at 7:30 p.m. in Fellowship Hall of the First Methodist Church, Pampa.

Rev. Leon Hill, a retired Baptist minister of Amarillo, will be the guest speaker for the event. Rev. Hill is a well-known speaker in this area and is renowned for his forceful, witty speeches.

To extend the fellowship of Girl Scouting, a turkey dinner will be served to all board members, council delegates and their guests. If any members are unable to attend the dinner, they are urged to attend the business meeting, beginning at 8:30 p.m. Tickets may be purchased from Neighborhood Chairmen, Committee Chairmen or the Girl Scout office.

Intermediate Girl Scout Troop 38 will be in charge of the flag ceremonies. Troop 59, assisted by Mrs. Thelma Bray of the Pampa Garden Club, will make all decorations for the meeting.

The agenda for a short business meeting will include the election of

members-at-large to fill vacancies and the election of one member from each district to serve on the Membership-Nominating Committee.

Council members will be present from the entire Council jurisdiction, which includes, Canadian, Miami, Shamrock, Memphis, Clarendon, Claude, White Deer, Skellytown, Lefors, McLean, Borger, Phillips, Fritch, Bunavista, Stinnett and Pampa.

Lois Circle Has Barbecue Outing

CANADIAN (Spl) — The Lois Circle of the First Christian Church held a barbecue at the Harry Haines home recently for their families.

Attending were Messrs. and Mmes. Dow Wheeler and family; Homer Thomas and family; Mrs. Lelia Kendall, Mrs. Kate Ford, Mr. and Mrs. Jerry Johnson and family, Rev. Jim Mitchell and Jimmy, Mrs. Warren Harrington and Stanley.

To keep your face as fresh and young-looking as possible, never let a day go by without adding a rich active moisturizer cream to your skin. Because your face is exposed to the elements, which rob the skin of its natural moisture, it is important to replace it.

All In A Lifetime

DOCTOR HAEBERLE HAS DECIDED TO KEEP YOUR HUSBAND IN THE HOSPITAL A WEEK LONGER AND HAVE NURSES TO LOOK AFTER HIM AND IT'LL GIVE YOU A REST AND A CHANCE TO CALM DOWN YOUR NERVES.

Freckles

OH, HAPPY EASY-GOIN' TWIRP SEASON WHEN THE WOMAN IS REQUESTED TO PAY!
YOU READY TO TAKE US ON OUR DATE, DREAM QUEEN?
YES, LARD. I'VE GOT PLENTY OF MONEY!

BY THE WAY-- WILL YOU BE KIND ENOUGH TO CARRY MY PURSE FOR ME?
--IT'S ALL PENNIES!

OUR BOARDING HOUSE

With Major Hoople

OUT OUR WAY

J. R. Williams

UHP! WHAT A MONSTROUS OUTRAGE-- WILL THE CULPRIT WHO PERPETRATED THIS...
I MEAN, I WAS JUST TELLING THE LADS THERE'S NOTHING LIKE A LOCKER ROOM FRANK TO EASE TENSION BEFORE A BIG GAME-- RATHER AN AMUSING LIKENESS OF ME. I MUST ADMIT-- JOVE, BUT THESE TADS HAVE SPIRIT!
EGAD, MR. WHISPERER! I HANGS DOWN OR I WOULDN'T HAVE KNOWN WHICH DUMMY IS YOU!
HOOPLE, SEE ME AFTER PRACTICE, OR WHATEVER YOU CALL THIS!
JACKLED IN THE END ZONE!

LET ME OUT! THAT GUYS LOOKIN' FOR A SCRAP AN' I AIN'T AFRAID OF HIM!
WELL, I AM-- I MANAGED TO GET YOU WASHED UP ONCE TODAY, AN' I DON'T WANTA GO THROUGH THAT ODDER AGAIN!

Potts

THERE YOU ARE, M'DEAR! I THOUGHT THIS WAY WOULD BE MUCH QUICKER!
WHEN YOU'VE MADE UP YOUR MIND WHERE YOU WANT TO HANG THE PICTURE -- I'LL PULL THE REST OUT!

Bugs Bunny

SPAT

Wash Tubbs

BY THE TIME TAVIA BAKI'S PLANE NEARS HONOLULU, HIS MIND IS MADE UP TO MAKE ONE MORE DESPERATE TRY TO STAY IN THE STATES.
I'LL CHANGE MY APPEARANCE, POSE AS AN AMERICAN TOURIST AND SINCE NO VISA IS NEEDED, SLIP BACK TO THE MAINLAND!
THEN START A NEW LIFE IN SOME ISLAND CITY UNDER ANOTHER NAME; THAT IS, IF IMMIGRATION MEN ARE NOT WAITING TO SEE THAT I GO ON TO JAVA NOW!
OH, STENARD-55-- I'M TOO ILL TO CONTINUE MY FLIGHT TO JAKARTA! I MUST SEE A DOCTOR IN HONOLULU! CAN MY LUGGAGE BE STOPPED FROM GOING ON?
YES, THAT FLIGHT DOESN'T LEAVE FOR TWO HOURS. NOTIFY THE DESK WHEN WE ARRIVE!

Jackson Twins

NEXT WE'LL HAVE NOMINATIONS FOR LEGGAGE, ARE YOU?
THE JACKSON TWINS ARE FOR LEGGAGE, ARE YOU?
GET THAT GIRL'S NAME, PEGGY! I'LL WANT HER TAKEN CARE OF LATER, ON!
I'LL ARRANGE IT SO SHE NEVER DATES AGAIN!
AM I CONVINCED SHE'S THE RIGHT ONE, JILL? ARE YOU CRAZY?
IT'S AN HONOR TO NOMINATE A FABULOUS GIRL LIKE THAT!

Morty Meekle

GOODNIGHT, MORTY. I'LL REMEMBER THIS EVENING FOR A LONG TIME.
REALLY?
AW, I'LL BET YOU'RE JUST SAYING THAT! HOW LONG DO YOU REALLY THINK YOU'LL REMEMBER IT?
WELL, AT LEAST UNTIL YOU PAY BACK THE TEN DOLLARS YOU HAD TO BORROW FROM ME!

The Berrys

WHEWIE!
AND I'M THE GUY WHO LIKES A LOT OF WINDOWS IN A HOUSE!
WELL! THAT'S THAT FOR A COUPLE OF YEARS ANYWAY!

Dixie Dugan

WA-DA-DEE-DA
DUM-DITTY-DUM
VO-DOO-DEE-DOO
BRAVO
GO ON! TAKE A HONOR MEAN! THEY REALLY LIKED IT-- WHY MAN, THEY'RE READY TO TEAR YOU APART!
GOOD ENOUGH FOR ME-- PLEASE
CLAY PLEASE

Blondie

BOO-HOO-- I LOST MY TURTLE IN YOUR HOUR AND I CAN'T FIND IT ANYPLACE
WELL, I'M SORRY, MARY JANE, BUT I HAVE TO TAKE MY BATH NOW
YEOW
DID YOU FIND MY TURTLE, MR. BUMSTEAD?
YOUR TURTLE FOUND ME!

Alley Oop

LOOK, DOC, HE DID IT! HE DID IT!
WHO DID WHAT?
OOP! HE KEPT FROM CHOPPING UP THAT GREAT BIG BEAUTIFUL NUGGET!
WELL, GOOD! BUT THEN I KNEW HE'D MANAGE IT SOMEHOW...
NOW LET'S GET THE TIME-MACHINE OF GOLD!! WE CAN BRING IN THE LOOT!
TWO TONS OF GOLD!! MAN-O-MAN!
WELL, M'ON, MY STARS, LET'S GET ON WITH IT!
OKAY, I'M JUST WAITING FOR JACK EAST TO GET CLEAR-- WE DON'T WANT HIM TOO DO WE?

Bonnie

I WON'T GET ANY DESSERT IF I DON'T EAT THIS OL' SPINACH!
IT'S GONE. NOW I FEEL BETTER!
I'M READY FOR DESSERT, MOM!

Martha Wayne

AT CENTERVILLE'S ACCIDENT INVESTIGATOR BUREAU...
THE TESTS ALL CHECK OUT POSITIVE!
WHAT DOES THAT MEAN?
MRS. WAYNE, IT MEANS THAT YOUR CAR DEFINITELY IS THE ONE THAT STRUCK THE LOOSH BOY YESTERDAY.
I CAN'T EXPLAIN ANYTHING, BUT I DON'T DO IT! PLEASE BELIEVE ME!

Mickey Finn

LOOK, PHIL! YOU CAN'T GIVE UP WITHOUT A FIGHT!
HOW CAN I FIGHT A SCREWBALL LIKE HIM! I NEVER KNEW HE'D BEEN A STUNT MAN IN THE MOVIES! IT'S HOPELESS!
I'D LIKE TO SEE SHERIFF FINN!
WHAT ABOUT?
--AND SHE GUARANTEES THAT SHE'LL GET YOU RE-ELECTED!
WELL, DON'T KEEP HER WAITING, DELANEY! BRING HER IN!

Boots

HOME AT LAST IS THE BUSGLES FAMILY.
WE'RE A VERY LUCKY COUPLE, ROD. WE HAVE WONDERFUL CHILDREN AND WONDERFUL FRIENDS ALL OVER THE COUNTRY!
AND WE HAVE EACH OTHER, BOOTS!
THE CURTAINS FALL

Priscilla's Pop

OH, PRISCILLA! OUR BEST LAMP!
YOU USED TO KNOCK OVER THE SMALL LAMPS.
BUT NOW A BIG ONE!
OH, WHY COULDN'T IT HAVE BEEN A LITTLE ONE?
MAYBE I'VE OUTGROWN 'EM!

Joe Palooka

GNASH DEYLN!! ...DARLING!! IS IT REALLY YOU??
FRESH FROM CHEYENNE AN' FITTER'N A BRAYMAH BULL, SUGAR! MAN, WHADDA TIME! AN' HAD REACHIN' YER! WHADDA Y'ALL UP TO, BABY, AN' HOW SOON KIN I SEE YIN?
WELL--ER-- I'M TIED UP AT THE MOMENT, BUT I'LL TRY TO BREAK AWAY!... SEE YOU AT THE RITZ, OKAY AT FIVE, OKAY?

Applications To Drill Pick Up In Panhandle

Drilling activity picked up somewhat in the Panhandle last week, according to the weekly newsletter issued by the Pampa office of the Texas Railroad Commission.

There were 39 applications to drill with the oil and gas division TRRC for the week ending Oct. 10. Twenty-nine completions were reported during this period and five wells were reported plugged.

AUTHORS' MOTHER STRICKEN
OXFORD, Miss. (UPI) — Mrs. Maude Faulkner, mother of authors William Faulkner and John Faulkner, was reported in serious condition today after suffering a cerebral hemorrhage.

Washington Window

WASHINGTON (UPI) — That is no love affair between Dr. Linus Pauling and the security committees of Congress.

Dr. Pauling is a distinguished scientist, a Nobel Prize man, former president of the American Chemical Society. Dr. Pauling is chief of the division of chemistry and engineering of the California Institute of Technology. He wants to abolish the committees and to ban nuclear tests.

The House Committee on Un-American Activities, in a 1951 report on "the Communist peace offensive," said of Dr. Pauling: "A leading role in the Communist 'peace' movement in the United States is played by Linus Carl Pauling. Despite his eminence in scientific circles, his associations with subversive organizations and individuals are numerous."

Mrs. Ruth B. Shipley, then director of the State Department passport office, sought in 1954 to deny Dr. Pauling a passport. Her letter to him said:

"The department has concluded on the basis of evidence at hand that your activities during the years following World War II have demonstrated a consistent and prolonged adherence to the Communist party line on a variety of issues, and through shifts and changes in that line."

On July 19, 1954, the Department of State accused Dr. Pauling of being a concealed member of the Communist party. He replied:

"I have never been a concealed member of the Communist party. I have never been a member of the Communist party. I have never been any sort of a member of the Communist party. I am not a member of the Communist party."

The Senate internal security subcommittee seems not much interested in seeking to establish that Dr. Pauling is a party member. In absence of proof to the contrary, his denial of membership must be accepted.

In 1957-58 Dr. Pauling circulated a petition for a ban on the testing of nuclear weapons. The petition obtained more than 11,000 names. Chairman Thomas E. Dodd, D-Conn., of the subcommittee wants the names of those persons who helped Dr. Pauling obtain the signers. Dr. Pauling has refused to submit them. He thereby risks jail on charges of contempt.

"My conscience will not allow me to protect myself by sacrificing the idealistic young people," he said. "I am convinced these names could be used for reprisals."

Chairman Dodd and others have warned the United States of an upsurge of Communist activity in this country. Specifically, they have warned that the Communists seek to infiltrate, to dominate, for their own purposes certain popular movements in the United States and certain areas of national life. "One of the popular movements the Communists would like to dominate, to direct, is that one which seeks a ban on nuclear tests."

Dodd suspects that Dr. Pauling's "idealistic young people" include some hard core Communists here and abroad. Dr. Pauling has been accused of collaborating with numerous Communist fronts which, in themselves, generally are held to be subversive.

added on the previous three-cent federal tax to help cover the skyrocketing costs of the federal Interstate Highway System.

Oklahoma's State Highway Director Lee B. Washbourne — whose job it is to help build those tax-financed super roads — thinks the extra one-cent tax should be permanent.

In a speech at Bartlesville, Okla., home of two big oil companies, this week, Washbourne chided the oil industry for opposing the extra tax and said he figures retailers probably would increase gasoline a cent a gallon if the tax were removed.

Federal and state taxes now average 10 cents a gallon. As part of the education campaign being carried on against a continuation of the extra tax gasoline retailers in several states are getting motorists to sign petitions against it.

Oil industry officials also hope citizens will write letters to their congressmen protesting an extension of the temporary tax.

Paul E. Taliaferro, president of DX Sunray Oil Co., Tulsa, said

Oklahoma Oil Industry Sets Cent Tax Fight

TULSA (UPI)—The oil industry is mounting a heavy attack on the one-cent "temporary" federal gasoline tax enacted in 1959, but the move has already drawn fire from one top state official.

State petroleum councils have under way this month a petition drive against the tax, which was

EDITOR'S NOTE — Service stations in Pampa and Gray County earlier joined a move in Texas to combat the "temporary tax" that is supposed to expire June 30, 1961. Numerous petitions have been signed by customers of local stations and forwarded to congressmen in Washington.

added on the previous three-cent federal tax to help cover the skyrocketing costs of the federal Interstate Highway System.

Oklahoma's State Highway Director Lee B. Washbourne — whose job it is to help build those tax-financed super roads — thinks the extra one-cent tax should be permanent.

In a speech at Bartlesville, Okla., home of two big oil companies, this week, Washbourne chided the oil industry for opposing the extra tax and said he figures retailers probably would increase gasoline a cent a gallon if the tax were removed.

Federal and state taxes now average 10 cents a gallon. As part of the education campaign being carried on against a continuation of the extra tax gasoline retailers in several states are getting motorists to sign petitions against it.

Oil industry officials also hope citizens will write letters to their congressmen protesting an extension of the temporary tax.

Paul E. Taliaferro, president of DX Sunray Oil Co., Tulsa, said

Bob Kennedy To Tour Texas

AUSTIN (UPI)—A four-stop tour of Texas Tuesday by Bob Kennedy, brother of Democratic presidential nominee John Kennedy, was announced Saturday by state campaign headquarters.

"Kennedy will arrive in El Paso early Tuesday from Phoenix, Ariz. His tentative schedule also includes stops in San Angelo, Temple and Galveston. He will go to Chicago from Galveston."

Traffic Deaths Down This Year

AUSTIN (UPI)—Traffic deaths so far this year in Texas have declined 6 per cent, the Department of Public Safety reported Saturday.

The DPS said 1,657 persons have died so far this year compared with 1,768 a year ago.

The oil industry is carrying an extra-heavy load.

He said the increasing tax rates are making it difficult to maintain normal profit margins in the face of rising costs.

Harry Greaves, president of the Oklahoma Gasoline Retailers Association, takes issue with Washbourne's view that retailers would add a penny to prices if the tax is removed. But he said he agreed with Washbourne that the tax is unlikely to come off.

Actually, industry observers feel that the campaign against continuation of the extra penny tax is a defensive measure. There is a lot of feeling that Congress will be reluctant to remove the tax—what with highway costs still going up, not down.

But the theory is that if enough people sign the petitions and write their congressmen, then Congress will think twice before increasing the tax again—to give cents, as has been hinted.

INFANT TOLL

Washington — About 65,000 infants are born dead in the United States every year.

NEWSPAPER WEEK

Your
NEWSPAPER...

FREEDOM'S GUARDIAN

BILL OF RIGHTS

OCTOBER 15-21, 1960

WHY NEWSPAPER WEEK? — It is the purpose of National Newspaper Week to focus attention upon the following: Political freedom will not long endure without freedom of expression; the right to know is not a special privilege for newspapers — it is the inherent right of free people in a democracy, and newspapers historically have been champions of that right; preservation of press freedom is everyone's job; the press and the people are partners in freedom. These are the tenets which prompt your newspaper to ask you to join in the observance on National Newspaper Week.

80°

72°

Pick your temperature in every room with **ELECTRIC** baseboard heating!

When you think of control — you think of electricity. That's true in the biggest factory — the most modest home. Accuracy and electricity go hand in hand. This is the big advantage for electric heating. It's why electric baseboard heating is tailor-made for comfort.

65 is a good nighttime bedroom temperature. 72 is best for watching television in the living room. 80 takes the chill off the bathroom when it's bath or shower time. And you can have all three of these temperatures at one and the same time. That's control. That's comfort. How do you get it? You ask your Public Service manager. He's got heating facts and figures for you.

Card of Thanks

DONNIE JANE RICH
There just aren't words to express our sincere thanks to all the wonderful people who helped in so many ways in offering deeds and acts of sympathy during our time of sorrow in the passing of our beloved Mother and Grandmother. Thank you, for the well-prepared food, the lovely floral arrangements, your kind words and the beautiful cards. Our special thanks to the members of the Harrah Methodist Church, the Harrah Methodist Church choir, and Mrs. Peggy Patrick for her beautiful solo. May God bless each of you in our prayer.
Down & Road that's calm and peaceful.
Guided by God's living hand, she has gone upon a journey to a distant, brighter land. And although your heart is heavy with the sorrow you must bear, may it help to bring you comfort knowing she is happy there.
The Family of Mrs. Donnie Jane Rich

DIAPER DUTY — Mrs. James Allen demonstrates the proper way to diaper a baby as part of the recently-concluded Red Cross instructors class for mother and infant care. Taking mental notes are, from left, bottom row, Mrs. Sally Hamlette of Lefors and Mrs. Melvin P. Crawford of Borger. Back row, from left, are Mrs. Valton Martin, Miss Rebecca Ponds, national field service secretary from St. Louis, Mrs. Ronald Hubbard and Mrs. Forrest Hills. (Daily News Photo)

RC Offering Baby, Mother Care Courses

The Pampa Chapter of the American Red Cross, after extensive pre-course work, is now offering 12-hour classes in baby and mother care, according to Mrs. Libby Shotwell, secretary.

The course, divided into two parts — pre-natal care and the crucial first six-month period after the baby is born — will be conducted in six two-hour courses. Mrs. Shotwell urged that new fathers take the course along with their wives to prepare both for parenthood.

Instructors for the course will be Mrs. James Allen, Mrs. Forrest Hills, Mrs. Ronald Hubbard, and Mrs. Valta Martin. They recently have completed an instructors' course conducted by Miss Rebecca Ponds, Red Cross national field secretary from St. Louis. Persons may register for the free course at the Red Cross office in City Hall.

ENTERS TWO JUMPERS

NEW YORK (UPI) — The Duffy Stables of Rye, N.Y., will make a double bid for the open jumper championship of the 77th National Horse Show, Nov. 1-8, with John Bell riding McLain Street and Dave Kelley piloting Navy Salute.

Girl Scouts Set Leader Course

The Advanced Leadership Course of the Quivira council, Girl Scouts of America, will be conducted Monday through Wednesday in the Girl Scout Little House, 718 E. Kingsmill, Mrs. N. G. Kadingo, training chairman said yesterday. Classes will be conducted from 9 a.m. until 2:30 p.m. each day.

Park Deed To City Of Lefors

LEFORS (Spl) — Mrs. O. O. Bishop turned over the deed to the property for the city park to the city council in its meeting last week.

Legal details for the transfer of the property is being handled by Don Lane, a Pampa attorney. In other action, the council voted to eliminate summer water rates in the future; hiked rentals for alleys used by utility firms from two per cent to three and one-half per cent, and engaged the law firm of Barber and Jones of Pampa, to equalize the city tax evaluation.

RADIO PIONEER

NEW YORK — Marconi is generally credited with having sent the first radio signals across the Atlantic ocean in 1901.

New Parsonage At Lefors Church

LEFORS (Spl) — A new parsonage has been purchased for the Lefors Methodist Church minister, which features all modern facilities including central heating and an ultra-modern kitchen.

The parsonage was purchased at Lubbock and moved here last week.

Money to purchase the residence for the Rev. and Mrs. Carl Num and family was raised through dinners, rummage sales, and the like, that were conducted by the Women's Society of Christian Service of the church and through efforts of other church women.

Hearst Group Buys Newspaper

NEW YORK (UPI) — The Albany (N.Y.) Knickerbocker News has been purchased by the Hearst Corp. from the Press Co. of Albany for \$3,850,000, Hearst President Richard E. Berlin announced today.

Berlin said the Knickerbocker News, an evening newspaper, would be printed in Hearst' Albany Times-Union plant but would continue to be published as a separate paper keeping "its individual editorial presentation in opinions" and continuing to use its own office.
