Nixon Raps Blast At Ike

By WILLIAM THEIS
United Press International
EVANSVILLE Ind (UPI)—Vice President Richard M. Nixon accused Sen. John F. Kennedy Saturday night of making a "reckless and irresponsible attack" on President Eisenhower by suggesting he has let Khrushchev and Castro seize the initiative.

Nixon raved from sunshine in Ohio into a thunderstorm in Indiana as he carried his presidential campaign to the end of its third week.
Encouraged by big crowds at three major Ohio campaign stops, the Vice President pounded at his democratic presidential opponent all day and then poured it on him finally before some 15,000 Republicans at Evansville.
The Vice President said in Ohio he "thanked God" Eisenhower is not emulating Soviet Premier Khrushchev.

MELVIN MUNN
... is recognized

Key Award Handed To Mel Munn

The coveted Pampa Key Club award was handed Melvin Munn in ceremonies in the Pampa High School cafeteria Saturday night.
Munn, a local insurance man and chairman of the Pampa-Lefors United Fund Campaign, has been a resident of this city for several years, and in that time has been a moving factor in various community endeavors, all for the betterment of the city and the youth of the area.
Munn's selection was a surprise in that the panel, composed of high school boys and assisted by Dr. Weldon Adair, does not reveal its choice until time to call the man forward to accept the award.
Cameron Marsh, principal of Pampa High School, gained the first of these awards last year. (See AWARD, Page 3)

Krush Rampages Again; Reds May Leave U. N.

Demands Red China's Admittance, Or Else!

UNITED NATIONS (UPI) — Soviet Premier Nikita S. Khrushchev, in an arm-waving outburst of name-calling, raised the threat Saturday that Communist countries might quit the United Nations if Red China is not seated.
Western diplomats said Khrushchev's red-faced tirade against the United States and some of its allies appeared to rule out any chance for a meeting between him and President Eisenhower which was demanded by the neutralist powers.

Khrushchev's outburst, which caused Assembly President Frederick H. Boland to bring him to order and direct part of his remarks stricken from the record, an action never before taken here against a head of government—was delivered during a debate on a U. N. seat for Communist China.
The assembly adjourned until Monday, without reaching a vote on the China issue, which the United States demanded be shelved without action.
Khrushchev read a carefully prepared text on the Chinese issue for some 20 minutes and then went on without notes. His temper increased visibly until, referring to Spain as a great friend of the United States, he called Premier Francisco Franco "the hangman of the Spanish people." At that point, Boland gavelled the Russian to order.

Believing at times like a soap box orator, Khrushchev made his main points when he said: "Disarmament is impossible unless Communist China is brought into the United Nations."
Warned the United States that "sooner or later, it will have to learn that a democratic system is possible only under communism."
Denounced the United States for racial discrimination.
Said the United States was responsible for violence in South Korea and South Viet Nam.
Accused the United Nations of having a "double standard" for Western and Communist speakers and issued a veiled threat that Russia and its satellites might pull out and form their own world organization.
His tirade brought Spanish Ambassador Jose Felix de Lequerica to his feet shouting and led U. S. Ambassador James J. Wadsworth to take the rostrum for the second time during the session to answer Khrushchev's "distorted image of the United States."
"There is more freedom, there is more opportunity, there is more well-being for every American—I say every American, regardless of race, color or creed—in the United States than there is any Communist country," Wadsworth said. "Anybody who knows America knows this to be true."
Other non-Communist delegates found Khrushchev's performance (See KRUSH, Page 3)

Local Cabot Firms Now Corporation

Three of the Cabot Companies operating out of the Pampa Office have changed their names. Cabot Carbon Company, Cabot Shops, Inc., and Cabot Gasoline Corporation are now Cabot Corporation. Cabot Engineering Company, also operating in the Pampa area, will continue to be operated as a separate company. Cabot's Southwestern Division Headquarters here in Pampa will now be referred to as the Western Regional Headquarters.

Hugh Burdette, Vice President and General Manager of the Western Region, says, "We have merely simplified our corporate setup. Only the name is changed. Business goes on as usual."

The following announcement has been issued from Cabot's Boston Office:
"Godfrey E. Cabot, Inc. of Boston, Massachusetts, world's largest manufacturer of carbon black, announces, effective October 1, 1960, the consolidation of three subsidiaries, Cabot Carbon Company, Cabot Shops, Inc. and Cabot Gasoline Corporation and parent Company into a new corporate entity, Cabot Corporation."
"The Cabot organization began operation in 1882 under its present Chairman of the Board, Doctor Godfrey E. Cabot. In 1922 it incorporated under the name of Godfrey L. Cabot, Inc."
"It is the largest and one of the oldest producers of carbon black in the world." Starting with (See CABOT, Page 3)

Ike, Formosa Speared By Red China

TOKYO (UPI) — Blistering attacks on President Eisenhower and a renewed threat to "liberate" Formosa marked Red China's celebration Saturday of the 11th year of the Peiping Communist regime.

Premier Chou En-lai called upon Communist and "neutralist" alike to form the "broadest possible front" against the United States.

Vice Premier Chen Yi told a crowd of nearly half a million Chinese in Peiping's sprawling Tiananmen Square that the "Chinese people are determined" to oust the Nationalists from Formosa.

A Radio Peiping broadcast also told of Chou's attack on Eisenhower before 2,000 dinner guests in which he said Eisenhower's "sweet but poisonous" U. N. speech was a "wholesale exposure" of a plot by the United States to manipulate the United Nations.
The radio quoted Chou as saying the alleged U. S. plot had a goal of putting "into effect its own colonialism... step by step its plunder in the guise of aid... and instigate Asians to fight Asians, Africans to fight Africans and Latin Americans to fight Latin Americans."

General Electric Strike Near; Talks Collapse

NEW YORK (UPI)—Last-ditch negotiations between the Electrical Workers Union and General Electric Co. collapsed Saturday, seven hours before 70,000 workers were scheduled to strike against 55 of the company's plants.

Shortly before 5 p. m. (edt) J. Andrew Burke, chief federal mediator, walked out of the negotiating session and said, "There has been no progress."

The negotiators then left, subject to recall by either side at any time Burke said he expected no such call before the midnight strike deadline.

James B. Carey, president of the International Union of Electrical Workers, said that although some locals had said they would work beyond the strike deadline, the strike would begin at the appointed hour.

A company spokesman announced that a United Auto Workers local representing 3,400 employees at GE's Cincinnati plant had voted by a margin of about 3 to 1 to accept the company's original contract settlement, offered Aug. 30.

This action followed acceptance of the company offer by an International Association of Machinists local at the same plant Friday. Earlier a machinists local in Auburn took similar action.

"The IUE coalition has fallen apart," the company spokesman said.
He referred to efforts of the electrical union to win cooperation of other unions employed in GE's 167 factories in 133 cities. The IUE represents employees at 55 plants.
Employees at three GE plants in Utica, N. Y., voted to stay on the job past the strike deadline. Employees at the largest GE plant of all, in Schenectady, also did so. (See STRIKE, Page 3)

Her Apple Pie Stirrs Bomb Alert

NEW YORK (UPI) — A Texas housewife set off a police assassination alert Saturday when she sent Soviet Premier Nikita S. Khrushchev a taste of American hospitality—an apple pie.

Within an hour after its arrival at the Soviet headquarters on Park Avenue, the pie, still in its brown paper wrappings, was resting on the bottom of a concrete bunker in Brooklyn, just in case it should explode.
A call from a Texas housewife assured police that no bomb was in the package so it was opened, examined and rewrapped for delivery again to Khrushchev. It was a pie.

JFK Hurls 'Leap Year Liberalism'

By ALVIN SPIVAK
United Press International
MINNEAPOLIS (UPI) — Sen. John F. Kennedy accused Vice President Richard M. Nixon Saturday night of courting votes with "leap year liberalism" in sharp conflict with his record on domestic issues.

The Democratic presidential nominee ripped into his Republican rival's position on agriculture and other home front problems in a speech prepared for delivery at the annual "bean feed" of Minnesota Democratic-Farmer-Labor Party.

Earlier, in Chicago, Kennedy proposed a broad new approach toward the Soviet satellite countries of Eastern Europe to replace what he called "empty Republican promises" of eight years ago to free them from Communist rule.

He charged that "in 1952, for a handful of votes, political promises were made in this country" which gave Poles and Hungarians unwarranted hopes of American aid toward "liberation" from Communist rule.

Kennedy told the Polish-American Congress that Americans of Polish descent should "never listen again to those who would play on your sympathies and arouse your hopes with glittering but empty promises."
At Minneapolis, Kennedy said Nixon's farm program adds up to a set of "slick, new, delusive slogans" forming a cover for "the same policies and the programs which have brought poverty and oppression to our farmers — and placed a huge burden of surplus (See LIBERALISM, Page 3)

Cuban U.S. Sympathizer Is Shot By Firing Squad

HAVANA (UPI) — One of 12 Cubans convicted of attempting to assassinate an anti-American radio commentator was executed Saturday by a firing squad at La Cabana fortress.

Roberto Cruz Alfonso, allegedly the gunman who shot at Jose Prado Lladra when the commentator halted his car for a traffic light last July 9, was the first person to be executed since the firing squad took an enforced "vacation" several months ago.
The execution came after an announcement by Premier Fidel Castro that any "American spies" would be shot.
Prado's alleged co-conspirators, including two women, were given prison sentences ranging from two to 30 years.
Castro announced his intention to shoot alleged American espionage agents in the same breath that he urged American residents here to ignore the State Department warnings to leave Cuba as soon as possible.
Castro said his government was holding three "North American spies" but did not identify them or indicate what their fate would be.

The government announced Saturday that travel agencies in Cuba have been ordered not to sell tickets to persons leaving the country without first checking with the "monetary stabilization fund."
The new travel restriction was aimed mainly at Cubans and foreign residents here.

United Fund Benefits All, Munn Tells Group

The Pampa-Lefors United Fund campaign is in full swing today with all units of the drive striving to reach the goal before the Oct. 31 deadline.

This follows the Friday noon kickoff luncheon in which the fund workers were told that they also derive benefits from the money solicited during the campaign.

Melvin Munn, chairman of the campaign which got under way yesterday noon at a kick off luncheon in Fellowship Hall of First Methodist Church, made this fact clear when he said, "Each and every one of us is receiving welfare aid, even though we don't realize it. We receive that aid, if in no other way, through programs of Boys Scouts, Girl Scouts and the Red Cross water safety program."

"So, you see, that by giving to the fund you receive a return for your investment in the welfare efforts of this community," Munn concluded.

He also pointed out that this area has not fully developed the giving habit.

The goal is up 7 per cent from last year. But this doesn't compare to the goals many of the size of Pampa have established this year," the vice president of Cabot Corp. said.

Burdette, in urging an all-out effort to top the goal before the Oct. 31 deadline, said that the fund always needs help and that "The more people we interest in this campaign, the easier it will be to gain our goal."

The fund leaders and agency heads, plus many volunteer workers were guests for the luncheon of the Pampa Kiwanis Club, whose president, Art Aftergut, welcomed (See GROUP, Page 3)

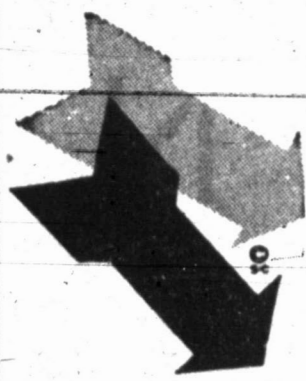

FLIERS AID — The new directional sign painted atop the water tower on Pampa's northside will be a definite assist to private fliers in stormy weather when they are trying to find Gray County Airport. An additional sign is being painted on the hanger top at Perry Lefors Field. They are being painted on the recommendation of the Aviation Committee of the Pampa Chamber of Commerce, the Rev. Woodrow Aftcock, chairman. (Smith Studio Photo)

DAVID LADD with **John Agar** share starring honors in "Raymie," a story of a small boy/son of a widowed mother, who lives in a Pacific coast fishing village. Others in the cast include Julie Adams, Richard Arlen and Charles Winninger. The co-feature on the program is "Jalopy" starring the Bowery Boys. This dual program is booked at the LaVista theatre for three days starting next Thursday.

Liberalism

(Continued From Page 1)
and conts on the American taxpayer.

"For Mr. Nixon has simply refurbished, reshuffled and refined the same program which led him to call Mr. (Ezra Taft) Benson the greatest secretary of agriculture in our history — and led Mr. Benson to praise him for his 'prominent part' in formulating farm policies," Kennedy said.

"And to this slightly restyled version of the old product," Kennedy said, "Mr. Nixon has added a few Democratic programs such as food for peace, and increased agricultural research — programs which he and his party have vigorously opposed for the past eight years."

Kennedy said the new mixture might well be called "Nixonized Benoniism for the '60s," but Kennedy also slammed at Nixon on other issues, including aid to education, housing, medical care for the aged, and civil rights.

"The Republican party, the same party which gave us the missile gap and the economic gap — has also given us the performance gap, the gap between Republican promises and Republican action," Kennedy said, "and it is this gap which is going to bring the rejection of the Republican party this November."

As for Nixon's new proposals, Kennedy said "a promise by Nixon to reduce farm production through a massive program of land retirement, paying farmers with surplus stocks, is a revised fiasco of Benson's soil bank."

Kennedy called it an "Alice in Wonderland nightmare of wasted millions and abandoned farms" which has never worked before and will not work in the future.

Father Seeks Missing Son

A bewildered father searched Pampa Saturday for a 20-year-old son who has been missing since Aug. 22, on a trip that he told fellow employees at Oklahoma City that would take him to his father's home at Seminole.

Jerry Max Patton, who is said to have a girl friend working in a Pampa cafe, was described by his father as weighing 220-230 pounds, and having brown hair and brown eyes. When last seen he was driving a red and white 1959 Ford Fairlane. The car license number is (Texas) BJ 1047.

He worked for Atlas Sewing Machine Co. and had collection routes in this area, his father noted.

Anyone knowing the whereabouts of young Patton is requested to call his father collect at Plaza 8-4416, Seminole. The Pattons reside there at 303 W. 11th.

Deputy Takes 3 To Huntsville

Deputy Sheriff Shirley Nickols left this morning for Huntsville to deliver three prisoners who will begin two-and-three-year terms in the state prison for forgery and burglary.

Allen Lee Dobose and Melvin E. Stanley each received two-year terms for burglary, and William Wilson Gabel drew a three-year sentence for forgery in decisions handed down by the grand jury now serving in 31st District Court of Gray County.

Cabot

(Continued From Page 1)
small plant at Buffalo Mills, Pennsylvania, in 1882, the organization has grown to international status under the guidance of its President, Thomas D. Cabot. The main tenet of the organization since its inception has been diversification into fields where its particular knowledge and skills give greater ability to compete, while furthering the development of its own major current products, today, within the United States, Cabot Corporation produces carbon black, natural gas liquefied petroleum gases and natural gasoline, crude oil, pine tars, charcoal and charcoal briquets.

"Cab-O-Lite" (wollastonite) an iron-metallic mineral, portable well-drilling and servicing equipment, oil field pumping equipment and steel fabrication.

"Petrocab, Inc., a subsidiary engineering firm specializes in a high temperature, refractory equipment and materials; Cabot Engineering, construction and maintenance. The Corporation is also a major stockholder in two petrochemical concerns in the Southwest.

"Subsidiary companies produce carbon black in Canada, England, France and Italy. Cabot operates jointly a plant in Australia with another U.S. major carbon black producer, and licenses plants in Holland, West Germany and Japan.

"Carbon black's principal use is to give natural and synthetic rubber tires increased strength. About four pounds of carbon black is put into every standard automobile tire, thus increasing its original life span by about 20,000 miles."

"Earning free toys the Santa's Helper's Way. Call MO 4-3579."

Gray County Community Singing will be held this afternoon 2 p.m. in the Pentecostal Holiness Church on Alcock Street. The public is invited to attend.

Old Timers Club will meet Friday 2 p.m. in Lovett Memorial Library. Citizens who have lived in the Panhandle area 50 years or more are cordially invited to attend.

Half-Dalmatian puppies for sale. Excellent child pet and watch dog. \$7. 2201 Chestnut. MO 5-3692.

Unit 18, Texas Beauty Association, will meet 7:30 p.m. Monday in the Coronado Inn.

For Sale: 3 bedroom. Kitchen, dining, den combination. 2 baths. 2508 Rosewood. MO 5-3013.

Envoy Seago and Mrs. Seago escorted the Salvation Army Girls' Cadet Corps to Plainview Saturday for special outdoor meeting and games and services in the Plainview Salvation Army Citadel. Mary Nail of the Pampa corps, delivered the evening message.

The Waysidettes 4-H Club conducted its first meeting in the home of its adult leader, Mrs. Nace Baggerman last week.

Those present included: Sharon Wheel, Charlet Couts, Karen McCarthy, Ann Stein, Rita Robinson, Arlene Wills, Roselle Baggerman and the adult leader.

Bond Set For Safe Crackers

Two admitted safe crackers have been placed on bonds totaling \$5,000 each by Justice of the Peace J. W. Graham.

George Carmack Jr. and David Fred McLaughlin, both of Durant, Okla., were arrested in Fort Worth last week and upon interrogation signed statements that they had robbed safes of the Coca-Cola plant and Seltest Dairy here earlier in the year.

Each of them is charged on two safe cracking counts, and Graham set bonds of \$2,500 for each charge against them.

Sheriff Rufe Jordan said Saturday that the men have been interrogated about other safe robberies here, but that they have not confessed to anything other than what they told Fort Worth officers.

Both were in Gray County jail Saturday and the sheriff said he didn't know if they would be able to make bond.

115 Cubs, 47 Scouts Join Pampa Units

An additional 115 Cub Scouts have joined the extensive Boy Scout program in Pampa as a result of the open house program that was held in Pampa schools last week.

Art Smalley, district organizing and extension chairman, also announced that 41 more Boy Scouts have been added and 87 more adults have agreed to aid in the program.

With the organization of Cub Scout packs in Wilson and Lamar elementary schools, all elementary schools of the city have packs, Roger Farrow, head of the organizational team, noted.

Boys who are interested in joining packs may contact the unit leader of their schools or the Boy Scout office in City Hall, Jay Leath, Pampa Scout official, said.

One other open house is scheduled. It will be held Thursday evening in Pampa Junior High School to aid boys 11 years of age and older who want to join the Boy Scouts.

Macmillan's Car Catches Afire

NEW YORK (UPI)—Fire broke out today in the car carrying British Prime Minister Harold Macmillan through the Lincoln Tunnel en route to catch a plane to Washington, police reported. The mishap occurred in the tunnel running under the Hudson River. Macmillan transferred to another limousine in the official motorcade.

Macmillan's Rolls Royce overheated in the tunnel and when the driver lifted the hood at the New Jersey exit, flames burst from the engine, police reported. They said the fan belt was afire.

The fire was quickly put out by Port Authority police using an extinguisher.

Khrush

(Continued From Page 1)
"worrison" and "just propaganda."

Never has the assembly witnessed a scene such as the head of a government ignoring the chair and shouting while the gavel rapped repeatedly.

Working up to a red-faced tantrum, Khrushchev referred to U.S. friendship with Spain. "Where now exists the Franco system," "Who is Franco?" he said. "He is the hangman of the Spanish people who cast down their government and its legitimately elected parliament."

Khrushchev was interrupted by Lequerica's shouted protests from the floor. Boland banged the gavel but the Russian, wildly waving his arms above his head, went right on shouting. The interpreters stopped their simultaneous translation of his remarks.

While he continued his out-of-order shouting, Khrushchev said, according to correspondents of Tass, the Soviet news agency:

"The day will come when the people will throw him (Franco) over and come to power. He came to power by cloaking the revolutionary people of Spain, by murdering and hanging workers and peasants. That man is treated by the so-called democracy of America as one of its best friends."

Khrushchev later went back to the theme of Russian admiration for Abraham Lincoln "an American who fought against the Americans" on the slavery issue.

Now, he said, African delegates would "not even be allowed to take a room in a hotel if they were not U.N. representatives."

"In America," Khrushchev said, "blacks are being lynched—they are being hanged. This is considered legal because they are black. Discrimination still exists. Children of blacks cannot go to the same schools as the whites."

After his tirade, Khrushchev stalked out of the hall as Lequerica took the rostrum to register his objection formally. He indicated to UPI Moscow correspondent Henry Shapiro that he was pleased with his performance.

He was not there for the reply of Wadsworth who said:

"I think it may be understood if I say frankly that I wished a slight delay so that I, too, would not be intemperate in my reply."

Breakfast Group Will Hear Rogers

Congressman Walter Rogers will be the featured speaker for the 7 a.m. Friday Congressional Action Breakfast of the Pampa Chamber of Commerce, which will be held in the Starlight Room of the Coronado Inn.

The breakfast is sponsored by the Legislative and National Affairs Committee of the chamber, Don Beaman, chairman.

Congressman Rogers, representative from the 31st Congressional District, will discuss legislative passed in the last session of congress that didn't receive much publicity.

He also will give a detailed account of the Helium Gas Conservation Bill which he sponsored. The public is invited to attend. Reservations may be had by telephoning the chamber, MO 4-3241.

Mrs. Faulkenberry Rites Set Monday

Funeral services for Mrs. Sarah Faulkenberry, 87, will be held 2 p.m. Monday in the Hobart Street Baptist Church with the Rev. John Dyer, pastor, officiating. Mrs. Faulkenberry died 12:45 a.m. Saturday in Worley Hospital following a three weeks' illness. She was born April 12, 1873, in Cave City, Ark. and resided at 642 N. Banks.

She is survived by two sons, J. W. of Paducah, F. A. of Floydada; three daughters, Mrs. A. L. Walling of Pampa, Mrs. M. C. Burns, Mrs. A. L. Holley, both of Paducah; one sister, Mrs. Vera Henry of Walnut Grove, Ark.; 13 grandchildren and 22 great-grandchildren.

Interment will be Quana Cemetery with grandsons of the deceased as pallbearers.

Perryton Due New Post Office

A new post office has been authorized for Perryton, according to an announcement by Postmaster Arthur E. Summerfield. The new federal facility will be located at the intersection of SE Third and S. Ash streets. Perryton Postmaster Irvin Hertz said specifications and bid forms will soon be available.

33rd Year

Award

(Continued From Page 1)
Munn was flabbergasted. He told the Pampa Daily News late last night that he had no idea that he was even being considered.

"I was invited to attend the banquet the boys scheduled for tonight (Saturday) but they sure fooled me when they called my name. I don't believe that anything in my life has ever thrilled me so much," said Munn.

But as an afterthought he added, "Now if we can get the Pampa-Lefores United Fund drive over the top by the Oct. 31 deadline, I'll figure I'll have had the course."

Munn was born near Ennis in Ellis County and is a graduate of Meriens High School. He is Superintendent of Methodist Youth Fellowship of the First Methodist Church, a member of the church board, a member of the Kiwanis Club, teacher of the senior high School Sunday School class of the church and a member of the board of directors of the Salvation Army and the Pampa Red Cross.

Bill Byerly, president of the Key Club presided. Others taking major roles were:

Don Curry, master of ceremonies; Tony Edmondson, presentation of guests; Bill Dion Eads, who sang "America"; Wayne Denson, who led the "Salute to the Flag"; Robbie Robinson; introduction of special guests; D. E. Scott, who offered the major speech of the night; Stan Michno, who made the "Leader of the Year Award" to Munn; Mike Palmer, acknowledgments; and Keith Gregory, PHS student council chaplain, benediction.

Music was presented by Tracy Gary at the organ. The banquet menu was prepared by the cafeteria staff.

Daniels, Wayne Speeches Slated

AUSTIN (UPI)—Movie star John Wayne will be among speakers at the State Historical Heritage meeting Oct. 7-8, the organization announced Saturday.

Gov. Price Daniel also will address members of the group next week end.

Daniel and Wayne are to receive awards for meritorious service in historic preservation. Wayne will be cited for his movie "The Alamo" while Daniel will be recognized for his leadership in obtaining a state archives building, which is now under construction near the capitol.

Tyler GE Due Picket Line

TYLER (UPI)—Members of the Electrical Workers Union in Tyler said Saturday they would begin picketing the General Electric plant at 12:01 a.m. Sunday, if a contract settlement is not negotiated by that time.

Jim Pierce, union organizer here, said the labor group was set to begin strike operations.

He said the union has purchased a lot about 200 yards from the G.E. plant and had set up a tent there for use as strike headquarters.

The General Electric plant in Tyler employs about 600 workers, some 350 of whom are involved in the dispute. Union members voted by a 3-1 margin last week in favor of the strike.

Strike

(Continued From Page 1)
cided to continue to work. A total of 9,000 union members work in Schenectady.

The rump union actions were taken as a result of an internal dispute in the union, largely between James B. Carey, president of the union, and Leo Jandreau, business agent of Schenectady Local 301.

The Aug. 30 company offer called for a three-year contract, with a raise of 3 per cent immediately and another of 4 per cent on April 2, 1962. The company also offered job retraining and improved insurance and welfare clauses.

The union has demanded a 3 1/2 per cent wage increase each year during a two-year contract, continuation of the cost-of-living escalator clause, supplementary unemployment benefits and a union shop. Wages now range from an average of \$2.30 to \$2.40 an hour.

Cuba's Castro Walks Tightrope Between Khrushchev, Peiping

CASTRO AND KHRUSHCHEV AT THE U.N.: — Mao was missing.

By LEON DENNEN
Newspaper Enterprise Analyst

UNITED NATIONS, N.Y. — (NEA) — Nikita Khrushchev and Fidel Castro are in disagreement over Cuba's close relations with Red China.

Latin Americans in touch with Cuban affairs report that the Soviet Premier warned Castro last July that Moscow expected Cuba's "full support" in the United Nations. Failure to do so, Khrushchev hinted, might force him to reconsider Russia's economic aid for Cuba's declining economy.

The warning is said to have been transmitted through Fidel's brother, Raul Castro, chief of Cuba's armed forces who visited Moscow last summer.

In the background of the disagreement, according to the Latin American sources, is Fidel Castro's close relations with Khrushchev's rival for supremacy in the Communist world, China's Mao Tse-tung. The Havana-Peiping friendship was underlined by the announcement September 23 that Cuba has extended diplomatic recognition to Red China.

Russia, and not China, has given Cuba economic aid. Moscow also promised Castro military back-

ing in case the U.S. decides to "invade" Cuba. Yet many of Castro's leftist adherents favor Mao's tough policies of revolutionary brinkmanship over Khrushchev's so-called "peaceful coexistence."

Organizations for "friendship with the Chinese people" are mushrooming in many parts of Cuba — as in the rest of Latin America. Mao's agents constantly shuttle between Havana and Peiping.

Cuba's official Communist Party headed by Blas Roca is completely pro-Moscow in its allegiance. It was Roca, in fact, who urged Khrushchev to warn Castro that there were important political strings attached to Russia's disinterested economic help.

However, in Fidel Castro's inner circle there is said to be continuous friction between partisans of Mao and Khrushchev.

Raul Castro is a strong supporter of the Soviet Union. But "Che" Guevara — the mysterious Argentinian who is dictator of Cuba's economy — is apparently veering toward Mao's policies.

Latin American specialists see this conflict reflected in the "Havana Declaration" which outlines Fidel Castro's policies. The Cuban government tries to balance itself precariously between the two Red

giants. Both Russia and China are given equal place in the document: The "declaration" was recently distributed by agents of the Cuban government to U.S. trade unions.

Fidel Castro himself is a befuddled Marxist who identifies Cuba with all underdeveloped and uncommitted nations. His admiration for Red China does not prevent him from courting some of Mao's enemies such as India's Prime Minister Nehru and Marshal Tito of Yugoslavia.

While Fidel Castro, urged by Raul, agreed to support Soviet policy at the U.N. "without reservations," he made no secret within his inner circle of his resentment at being treated like an "errand boy." This may well explain the reason for Khrushchev's hurried visit to Castro's Harlem hotel soon after the Soviet Premier reached American shores.

Was the famous Khrushchev-Castro embrace in the U.N.'s General Assembly a sign of reconciliation? Has the Soviet Premier finally appeased Cuba's bearded "messiah" who considers himself a revolutionary Bolivar of all Latin America?

Soviet-Cuban relations, outwardly, remain friendly. Khrushchev still intends to visit Cuba while Castro, publicly at least, continues to pay homage to the Soviet Union.

Wheeler News

By MRS. RENA SIVAGE
Daily News Correspondent

Palmer Sivage and Robert Biggs are visiting in Odessa with Mr. and Mrs. S. A. Cook and Mr. and Mrs. Gerald Galloway.

Burley Owen, son of Mr. and Mrs. Bill Owen, left Sunday by plane for Fort Ord, Calif., where he will receive six months basic training in the armed services.

Edmund Davis of California is here to be with his wife, Coene, who underwent surgery in the Wheeler Hospital, and to visit with his mother, Mrs. Claude Davis.

Georgiana Davidson of Canyon and Dale Bowerman and Jimmie Hill of Amarillo spent the weekend here with their parents.

Mrs. Rena Sivage, who was injured in July, is back at work in the district clerk's office.

Several from here attended the funeral in Panama Friday for E. S. Carr, father of Mrs. R. J. Holt, Sr. The community extends to the Holt family the deepest of sympathy.

Dr. Glenn R. Walker left Sunday for Dallas to attend a medical meeting. He will return Wednesday night.

Mr. and Mrs. Curtis Kidwell announce the recent marriage of their daughter, Barbara, to J. D. Rector of Mobeetie, son of Mr. and Mrs. Judd Rector. The wedding vows were exchanged Sept. 17 in Highland Baptist Church in Pampa.

Mr. and Mrs. Loris Stas are the parents of a new son, born Sept.

25. He has been named Ronald Wayne. Mr. Stas is the linotype operator at the Wheeler Times.

Mr. and Mrs. Charles Lang Jr. of Amarillo are the parents of a new baby daughter. Mrs. Lang is the former Mary Jo Bailey, daughter of Mr. and Mrs. Joe Bailey, former teacher in this area.

Mr. and Mrs. E. Willard will celebrate their 50th wedding anniversary Sunday in their home. All of their friends are invited to attend the open house.

The community extends to the relatives of J. D. Childress and the C. L. Markham family the very deepest of sympathy on deaths recently in the families.

Mr. and Mrs. Jimmie Darrell Atherton and Mr. and Mrs. Parsley and Tony Gail of Goodwell spent the weekend here with their parents.

Mr. and Mrs. Haskell Weatherly of Amarillo spent the weekend here with Mr. and Mrs. Loyd Wayne Weatherly and other relatives.

Mr. and Mrs. Harold Sivage and Mr. and Mrs. A. C. Johnson spent Sunday after noon in Sayre, Okla., with Mr. and Mrs. Ollie Elliott.

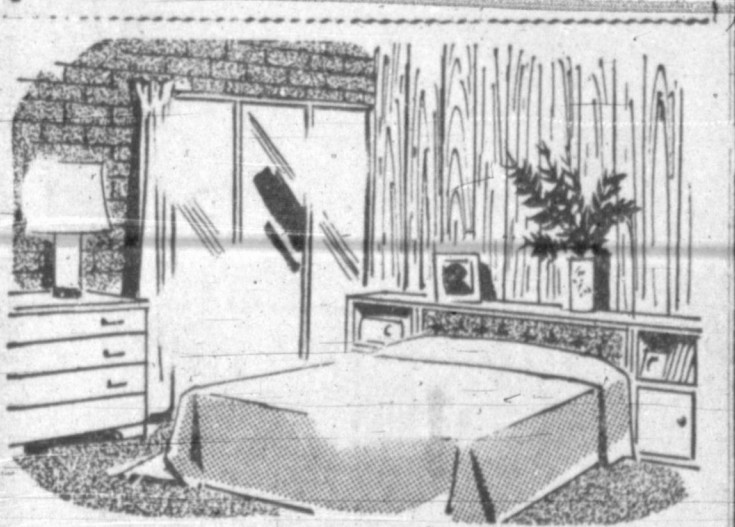

Mrs. Audrey Downs, Jerald, Larry and Terry and Mrs. E. P. Joiner visited Mr. and Mrs. Boyce Faris Monday evening.

Mr. and Mrs. Clarence Ahler of Tennessee visited last week here with her brother, Mr. and Mrs. J. D. Rutherford Sr. Mr. and Mrs. J. D. Rutherford Jr. of Borger also visited their parents.

Mr. and Mrs. Rondel Richerson and Randy of Amarillo have moved to Wheeler to make their home. He will be employed at the Richerson Grain Company.

"YOU" and YOUR HOME

by Jack Foster

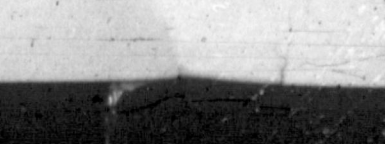

LET'S PAMPER 'YOU'

If there is one area in the home that should be planned to pamper you, it is your own bedroom. This is, or at least should be, the most personal room in the house, and it will serve you best if it is planned to pamper your own special personal brand of comfort— cater to your particular tastes in beauty and color.

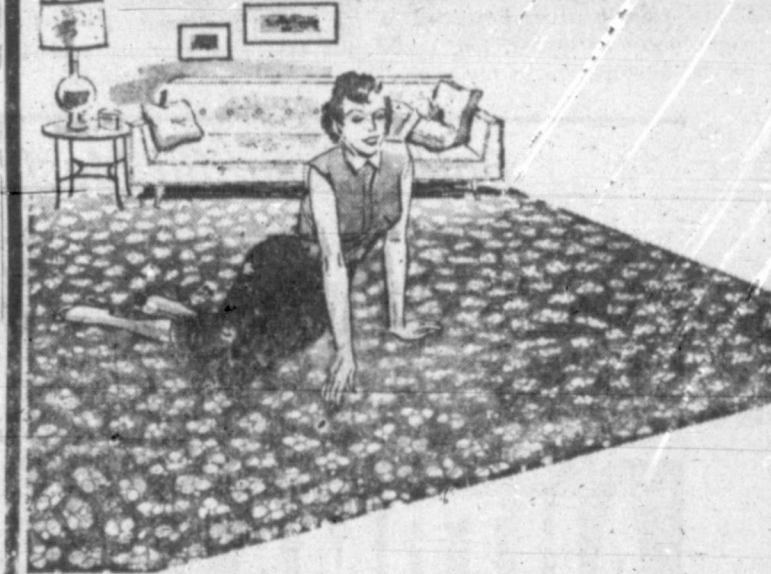

Sleep is not to be taken lightly. For deep, restorative sleep is one of nature's friendly allies. Many of us are not fortunate enough to drop into deep slumber immediately upon retiring. We must court sleep. If this is the case with you, you'll want your bedroom to be simple, luxurious, restful and unobtrusive in color scheme and decor. And you'll want to provide for having everything around you that you might possibly want during the night.

The bedroom sketched was planned with these "sleep enticements" in mind. The rich tones of the natural wood walls are restful. The generously proportioned bed with its companion headboard invites luxurious relaxation. Wall-to-wall textured carpet (sea-foam green) gives a snug, warm feeling to the room. Note how the absence of distracting clutter adds elegant simplicity and restfulness to the room.

You'll find quality craftsmanship and superb design in all the furnishings we offer you. And that's not all. You'll find friendliness and understanding here, and a sincere desire to help you find just what you want at the price you want to pay. See us today!

 CAIRO (UPI) The United Nations Gaza Strip truce supervision mission last week censured Israel for "armed pursuit" into the Sinai territory of the United Arab Republic Sept. 20. The Israeli delegation, boycotted the commission's meeting, which endorsed five accusations by the U.N.

First Methodist Sets Communion Day Rites

The congregation of First Methodist Church will join in Christians the world over Sunday in the observance of World-Wide Communion Day, during the three services in the church.

The Rev. Woodrow Adcock, pastor, will preach at the 8:30 a.m. and 10:55 a.m. and the 7:30 p.m. services.

The Carol and Wesley Choirs will sing "I Worship Thee" during the early service, and the Sanctuary Singers will offer "God Be in My Head" and "Jesus, by Thy Blood" at the late morning service.

Another Titan Test Is Planned
 CAPE CANAVERAL (UPI)—The Air Force may try again within one month to fire its Titan missile a record 10,000 miles—a shot which fell short Thursday in its first attempt.

Informed sources said the Air Force had a combat prototype of the 98-foot rocket on hand at the Cape for another attempt to send a dummy warhead nearly halfway around the world.

Thursday the missile left its launching pad normally, but an early cutoff of an engine dropped the nose cone into the South Atlantic about 4,000 miles short of its goal.

SEE PASSION PLAY
 OBERAMMERGAU, Germany (UPI)—Sixty thousand Americans saw the 1960 Passion Play here, according to official figures released Thursday. A total of 518,000 persons saw the play, which is presented every 10 years from May to September.

Scientists in charge of the test had mixed feelings about the result. The rocket failed to reach the hoped-for 10,000 miles, but it traveled more than 1,000 miles farther than any previous Titan.

Study In Russia
 PARIS (UPI)—Twelve Cuban students left here Friday night for five years' study at Moscow University. The students will take civic administration courses and receive on-the-job training as apprentice Soviet government employees, a spokesman said.

BABY SETTER—This is a labor-saving idea which sprang from a springer spaniel in Partenhall, England. Gary Lee Rodiford gets his bottle as his mother Elizabeth looks on. But the nursemaid pooch, pet of a neighbor, is out of a job. Wife and baby have come to U.S. to join dad, Larry—an ex-Air Force man living in Marvell, Ark.

Bardot Tells Friends About Suicide Attempt

By JACQUES MEDECIN
 United Press International

NICE, France (UPI)—Brigitte Bardot, depressed by her actor-husband's jealous outbursts, questioned her sanity an hour before she tried to end her life by swallowing an overdose of barbiturates, close friends have disclosed.

The sultry French actress, who chose her 26th birthday Wednesday for the suicide attempt, was reported "out of danger" Thursday night. But all visitors were barred from her room in the hospital here. Police guarded the building to keep out the curious.

Miss Bardot was brought here after she was found unconscious in a garden at a friend's secluded villa in the hamlet of Les Cabrolles in southern France. Unconfirmed press reports said she had slashed her wrists in addition to taking the overdose.

This would parallel her suicide attempt scene in her latest film "The Truth" in which her co-star was Samy Frey, whose movie love-making reportedly was too realistic for Miss Bardot's husband, Jacques Charrier.

The friends said that among the "secrets" of her stormy personal life Miss Bardot disclosed during talks at the villa Wednesday night was that she considered Charrier "a little Boy Scout."

She was referring, they said, to Charrier's public brawl with Frey outside a cafe in Paris' Left Bank about two weeks ago. Miss Bardot fled to the seclusion of the village following the incident. Charrier went alone to St. Tropez on the Riviera.

The informants, who asked not to be identified, said Miss Bardot appeared physically and mentally "out of balance."

"There must be something in my mind," they quoted her as saying.

MAKES AIRLIFT OFFER
 NEW YORK (UPI)—National Airlines has offered to divert "any or all" of a 45-plane fleet to evacuate Americans from Cuba. The airline operates international routes between Havana and the United States.

Huge Toll
 More than 842,000 Americans died of the heart and blood vessel diseases in 1956, American Heart Association figures show. Cardiovascular diseases thus caused more deaths in the United States than all other causes combined.

HOW HURRICANES ARE BORN

Birth of a cyclonic storm occurs when, for some reason not completely understood, a very large mass of warm air rises at one time. Relatively colder air rushes in beneath. Spin of the earth deflects this great mass of air, the typical spiral formation of a hurricane begins to form, and the storm travels in direction of prevailing winds. Storms spin counterclockwise north of the equator; clockwise to the south. So long as the storm has a supply of water and very humid air, it can perpetuate itself. Once it moves over land the chain is broken and the storm dies eventually.

Vicar Not Bothered By Profanity

WALWORTH, England (UPI)—Profanity doesn't bother the vicar of Walworth. In fact, he wishes his congregation wouldn't be afraid to swear in his presence once in a while.
The Rev. John Watson told his parishioners in the parish magazine, which was released Friday, that the "church is here to bring an abundance of life to those who are in need."
The Rev. Mr. Watson said that means the church has a "rollicking richness and vitality that is not upset by a few swear words."
"I find that people are not natural when they talk to a clergyman," he said. "There is always a barrier. One of the reasons is that they are afraid to talk na-

Financial Review

NEW YORK (UPI)—With its "Golden Decade" now behind it, the homebuilding industry may have to find new ways other than financing to energize its market.
In the past 10 years changes in mortgage financing, terms — down payment, length of mortgage contract, credit standards — produced substantial changes in home building volume.
The year 1960 has failed to live up to expectations for many reasons. The main factor most likely is that housing is suffering from

backlog demand for housing, and until the middle of the decade the capacity of the construction industry probably was below demand.
New households were formed at a very fast rate through most of the decade, and incomes rose strongly, especially among those desiring homes.
Given substantial demand pressures, adjustments in mortgage rates and terms brought about sizeable shifts in sales of new homes, the league stated.
Housing starts this year have been running substantially behind the 1959 pace and the outlook for the rest of the year is only for a slight pickup.

MEMORABLE MONDAY—Three miles of clothesline rigzags across the field at the University of Michigan Stadium, where Mrs. Michigan, Geraldine Scott of Traverse City, poses prettily. The background was part of a display to dramatize how many clothes the average housewife with a family of four has to wash and dry in one year. There are some 7,000 pieces in this "total washout."

Roping, Game Slated Today In White Deer

WHITE DEER (SpI) — A full day of riding fun is in store for area horsemen when the White Deer Riding Club hosts a Play Day and Jackpot Roping session next Sunday.

Registration for the four age groups — senior men and women and junior boys and girls — will begin at 1 p.m. with the games to start at 2 p.m. Jackpot roping will begin at 4 p.m.

Games on tap will be a potato race, pole bending, flag race, hoop relay, wagon race, barrel race and ring sparring. All games will be played under the rules and regulations adopted by the American

Groom Personals

By MRS. GUY BLACKWELL
 Daily News Correspondent

Mr. and Mrs. Clifford Schaffer and family of Amarillo visited his parents, Mr. and Mrs. Claude Schaffer, recently. The Clifford Schaffer's have returned from a four week trip to England where they visited her parents and other relatives and friends.

Mrs. Guy Brown and Mrs. Claude Schaffer visited in Amarillo recently.

Mrs. Josephine Britten and Toby were in Pampa on business recently.

The Rev. and Mrs. C. R. Copeland recently visited the Guy Blackwells.

Mr. and Mrs. Alton Vaughn, Margaret and Sharon were recent Amarillo visitors.

Mr. and Mrs. O. P. Blackwell were overnight guests of their daughter, Mrs. Hershah Black and family of Amarillo, and visited another daughter, Mrs. Dean Foster and family, in Happy recently.

Recent visitors of Mr. and Mrs.

and family recently while attending to business in Groom.

Stanley Latta and Mrs. L. W. Dillard were Mrs. Dillard's brother, E. F. Cole, and family of Fort Worth and a sister, Mrs. Lena Bell Cole of Los Angeles, Calif.

Attending a workers meeting in White Deer recently were Mrs. Viola Harrell, Mrs. R. A. Snyder, Mrs. Rudolph Tucker, Mrs. Charles Brown, Mrs. Danny Ashford and the Rev. and Mrs. Walter Davis.

Mr. and Mrs. Cecil Culver and Mr. and Mrs. Truett Fields returned from New York recently where they attended a state national convention.

Mr. and Mrs. Charles Harvey of

North Carolina welcomed a daughter born Sept. 26. Grandparents of the girl, named Louri Lynn, are Mr. and Mrs. Charley Fields of Groom and Mr. and Mrs. Harvey of El Paso.

Mr. and Mrs. S. D. Lonsdy of Borger have a new daughter born Sept. 26. Grandparents are Mr. and Mrs. Leo Looten of Groom.

Auto Parts Makers Find New Trend Assists Them

By JACK VANDENBERG
 UPI Automotive Editor

DETROIT (UPI) — A growing trend among motorists to have minor repair and service work done at corner gas stations is providing new opportunities for independent auto parts makers.

The independent parts makers have been caught in a squeeze as the big auto companies have turned more and more to building their own parts, rather than buying them from outside firms.

The motorist has unwittingly offset the squeeze by turning from auto company - franchised garages to the corner filling station for minor repair work.

Recent surveys show that the number of repair jobs done at a filling station increased from 26 per cent of the total to 30 per cent between 1947 and 1949.

During the same period the number of repair jobs done at an authorized car dealer's garage

dropped from 23 per cent of the total to 19 per cent.

The number of repair jobs done by independent garages and the number done by the motorist himself remained almost constant during the period.

E. T. Duffy, director of replacement sales for the Electric Autolite Co., said his company was award of the trend and was willing to go along with it. It is a good example of the type of company this is benefiting from the trend.

The Toledo, Ohio, company recently lost a lucrative contract when Chrysler Corp. started to build its own electrical parts at a plant in Indiana.

The demand from gas stations is filling the gap.

Duffy said he believed there were many reasons for the trend toward gas station repairs.

Probably the most important, he said, is the fact that the gaso-

For References Ask Any Jailer

EDINBURG, Tex. (UPI)—Mrs. Laura Hanson, who at present is in the Wichita Falls, Tex., jail, wrote a letter to Hidalgo County Dist. Atty. Robert Lattimore Friday asking him to drop forgery charges against her and her husband.

"We have never been in any kind of trouble before and I'm sure that any of the 23 jails that we have been in would tell you we have an excellent record of behavior," the letter stated.

A line station operator sees his customers' cars more often than any other qualified mechanic. He can tell the driver when he sees the need for repairs or servicing and is likely to be asked to do the job.

Another important reason is that the car owners get to know his gasoline station operator better than the mechanic in the garage where he bought his car. This acquaintance gives him confidence in the station operator.

Communist representatives armed with veto power successfully hemstrung both the armistice and efforts to reunite divided nations.

The United Nations secretary-general is the world's chief trouble-shooter, instructed both to carry out United Nations mandates and to warn the U.N. Security Council of potential trouble spots.

He has no veto.

The Soviet Union, with one veto already in the Security Council, now proposes to add another.

By setting up a presidium in which the membership would consist of one Communist, one neutral and one representative of the West, Khrushchev would take over one-third control of the entire world organization in contrast to the approximate 10 per cent he now has.

His veto power effectively would prevent any such action as the U.N. has been able to carry out in the Congo.

Thus, Khrushchev would gain his free hand to swallow up young and confused nations one by one

Not Ashamed Of Friendship With Khrush

NEW YORK (UPI)—The woman was fresh from meetings with Castro and her friend Khrushchev and she said firmly, "Neither my husband nor I are concerned what people think about us, as long as we are convinced we're doing the right thing."

She was no "proletarian." She wore a string of matched pearls and diamond rings and she sat in a hotel suite that looked like a movie set.

Mrs. Cyrus Eaton, wife of the Cleveland industrialist, could be any lovely, poised society matron except for reminders in the hotel of the friendship she and her husband have with the Soviet premier.

Since pickets parade with signs as they emerged and would turn the U.N. into a futile debating society,

calling them "traitors," a policeman checks visitors in and out of their hotel wing.

In one-room secretaries work over stacks of letters to the Eatons, some pro, many con. But Mrs. Eaton cheerfully observed in an interview today that "I rather enjoy all this — nothing more fun than a good fight for a good cause if you know you're right."

The Eatons' cause is "peaceful co-existence."

"I feel obligated to speak up," the red-haired Mrs. Eaton said with spirit.

"I am such a believer in the democratic form of government, and in the United States' ability to cope with a changing world and maintain its prestige, that I feel it's imperative some voices be raised against the belligerent and inflexible attitude which has characterized this administration the last six years.

"I cannot feel this unwillingness to negotiate is indicative of the will of the American people. The time is short and the hazards multiplying by the minute."

Foreign Commentary

By PHIL NEWSOM
UPI Foreign Editor

Twice in the last 10 years prompt United Nations action has thwarted imperialistic communism's ambitions to expand.

The first time was in Korea. More recently it has been in Africa, a far richer prize.

Back of this, then, lies Nikita Khrushchev's violent attack upon Secretary General Dag Hammarskjöld and his determination to destroy United Nations usefulness even if it must be at the cost of some popularity among the uncommitted or neutral nations he seeks ultimately to win.

So far as Korea was concerned, the Communist attack there was a line-straightening operation designed to remove a free-

world thorn sticking in the side of the Asia mainland between Red China and Soviet Siberia.

The U.N. scarcely was five years old then and never before had it supplied troops against aggression.

It is doubtful if it would have acted at all except by United States initiative, and it did not have the unanimous support of all nations outside the Communist bloc.

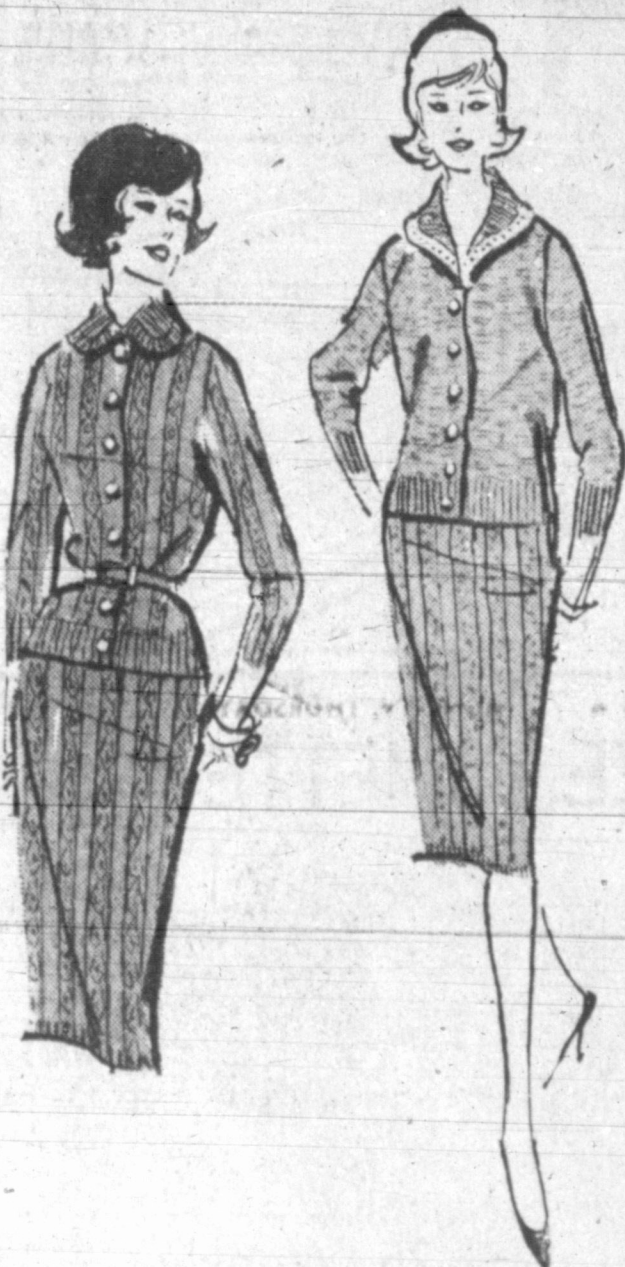

In contrast has been the strong world support for the U.N. action in the Congo which has triggered Soviet determination to destroy it.

The three-man presidium with which Khrushchev proposes to replace the office of secretary-general had its counterparts in Korea and later in Indo-China where

Singer Hits Gold Record 'Giveaways'

By JOE FINNIGAN
UPI Hollywood Correspondent

HOLLYWOOD (UPI) — Singer Jane Morgan is calling for a change in the method of giving awards to vocalists, claiming the handing out of gold records to successful artists has become a joke.

"The gold record is supposed to be a symbol of achievement, the sale of one million records," she said. "But, some companies are giving them away to singers who sold much less than that amount."

"Record companies give them away indiscriminately and you award is legitimate. Most of the time it isn't."

Although Jane's record of "Fascination" hasn't yet sold a million copies, she was offered a gold record anyway.

"The head of the company even had it pressed," she said. "He told me I could have the record if I felt it should."

"I told him I didn't want the thing until the tune sold a million copies. I've never received a gold record, but 'Fascination' is still selling and is only about 50,000 short of a million sales."

"Gold records used to mean a lot in this business, but not any more. Why, I know one girl who got a gold record and her song didn't sell more than 250,000 copies."

Miss Morgan said an organization should be formed that gives awards to recording stars on the basis of merit, not sales.

TV In Sight

Comedian Dick Van Dyke Thinks TV's Comedies Should Be Funny

By DICK KLEINER
Newspaper Enterprise Assn.

NEW YORK (NEA) — Dick Van Dyke walked wearily to his 3,432nd (the figure is a rough estimate) meeting with somebody—with an idea for a TV series which would star him.

"I have a pile of scripts at home," he said. "The professions of the characters I would play may vary and the setting may vary, but in all of them, I would play a befuddled husband and a father."

"What they want in a situation comedy is a family. Humor is secondary. Everything should be like 'Father Knows Best.' I was talking to Tom McDermott — he's head of Four Star — and he told me a situation comedy doesn't have to be funny. It must have people the audience can recognize, that's all."

For Van Dyke, who essentially is a comedian, this is almost a situation tragedy. He thinks comedies, by definition, should be funny. But he's just about to

VAN DYKE — Trying to laugh last.

throw up his hands and do what they want him to do.

In the last year, Van Dyke has developed into one of the most likely-to-succeed comedians around. His current role in "Bye-Bye, Birdie" just about clinched that standing. He heads a cast in the musical that turns a basically plotless and songless affair into a happy romp.

But he loves TV best; he wants to be a permanent part of it. He has a pilot film going the rounds, in which he tells fairy stories to kids — "I shouldn't say it," he says, saying it, "but I guess I can hold a kid's audience better than one of adults."

Dick brought the pilot film home, driver spilled over with hatred for and, showed it to his own three

children and their friends.

"It was a mistake," he says. "Now they keep asking to see it again."

AROUND TV TOWN — Irve Tunick, who created the new program, "The Witness," says he got the idea for the show while driving to Connecticut. "I asked myself what were the best shows I'd ever seen on TV, and I had to answer that they were the McCarthy and Kefauver hearings. The idea for 'The Witness' just grew out of that."

There were five casualties among the dancers rehearsing for Fred Astaire's special, "Astaire Time" — a broken thumb, a sprained thumb, a badly-bruised foot, a broken rib and a bloody nose. To put a little blood into your life, try dancing. Phil Silvers wanted Polly Bergen to co-star on his forthcoming special. But she was signed to do a Bob Hope Show. Hope was willing to let Polly go, if Phil could get a substitute, and Phil produced Patti Page, who was OK with Bob. This was the start of a complicated series of trades. Before it was over, Phil found himself committed to appear on Candid Camera, the last part of a deal which makes major league baseball trades seem like kids swapping marbles by comparison.

Producer Walter Peters, of the ABC documentary, "Cast the First Stone," was looking for somebody who would admit before the TV camera that he was prejudiced. Riding in a New York cab, the

Golden Anniversary

HOLLYWOOD (UPI) — Dame Sybil Thorneike, who returns to the screen in a top role in the Associated British-Columbia production "The Star and the Cross," celebrates her 50th anniversary in the theater this year.

Enjoy Commercials? It's Not An Accident

HOLLYWOOD (UPI) — If you're one of the millions of TV viewers who are getting so they look forward to the commercial that interrupts their favorite program, you'll be interested to learn it isn't an accident.

A lot of big businesses are spending a lot of big money to keep you looking at your screen when they're putting on their sales pitch.

"That's the word from James H. Chapin, the head of a company which does nothing but turn out high-priced TV commercials on film."

"It is nothing unusual to have the one-minute commercials used during a 30-minute program cost more to produce than the program itself," said Chapin, who at the age of 32 already is a 14-year veteran of radio and television.

Chapin's company, Parapick Service Corp., does nothing in the way of thinking up commercial ideas or writing the scripts. Its sole job is to take the ideas of an advertising agency and put them on film.

"Right now we're starting work on a series of eight one-minute spots," he said. "They will cost \$64,000, plus the cost of as many prints as the agency buys."

It's not only the production costs that take the advertisers' money, Chapin explained.

"There is the matter of residuals for the actors," he said. "An actor averages about \$80 a day making a commercial, but that one commercial may bring him as much as \$1,000, if its repeated enough."

Chapin said the most expensive commercial his company turned out was a two-minute cost job for Chevrolet which cost \$25,000. "It takes about four days to prepare for one day of shooting for good commercials," he said, "then it takes about three weeks to complete the job, adding the effects and sound."

For a one-minute commercial, Chapin said, there are 35 men on his crew, plus an editing staff of four. This does not include the cost of the set, the lighting, the camera, and the crew employed at the laboratory where our film is sent to be handled."

Chapin, a native of Springfield, Mass., first went to work for a radio station in New York. Shortly afterwards he produced his first TV commercial and later moved here. He married a United Airlines stewardess and they have two children.

Church Council Names Coates Publicity Chief

NEW YORK (SpI) — Fletcher Coates of New York City, has been named director of the office of information of the National Council of Churches, Dr. Roy G. Ross, council general secretary, announced today.

He succeeds William F. Frye Jr., who has resigned to take up public relations duties in Washington, D.C.

Coates joined the staff of the council in 1953 as associate director of the department of public relations and continued in this capacity when the department became the office of information in 1959.

In his new post, he will be responsible for the council's general informational services to the press and public.

Prior to joining the council, Coates handled press relations for the Crusade for Freedom during its 1952-53 campaign for public support; was special events director of the World-Wide Broadcasting Foundation (1951); and directed a ten-nation broadcast information project for the former Economic Cooperation Administration with headquarters in Paris (1950-51).

For a number of years (1945-50), Mr. Coates was a writer-commentator on radio station WOR, New York and on the Mutual Broadcasting System, having written and voiced "The Answer Man" and the Walter Mason program among other productions.

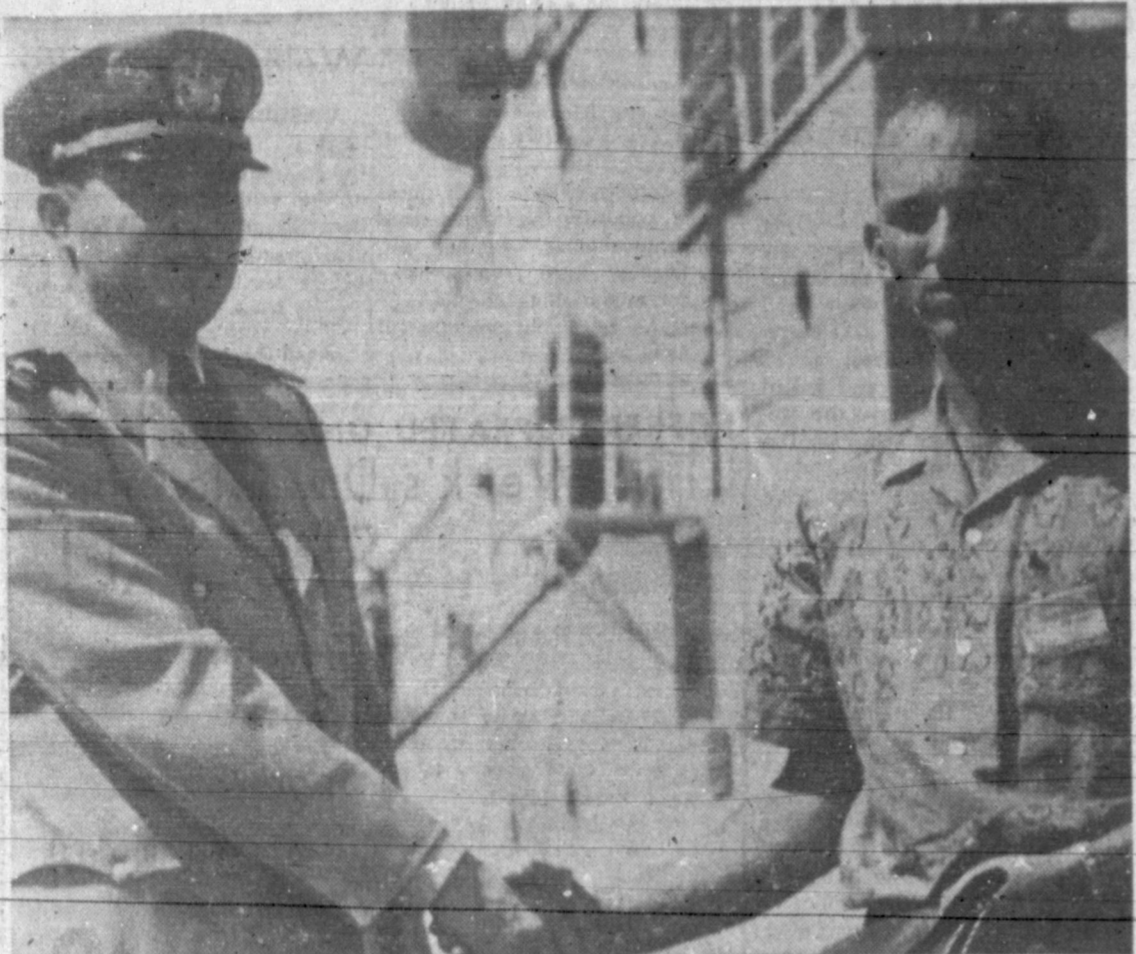

Born in Needham, Mass., Coates is an Episcopalian.

MATTERS OF THE MILITARY

GUEST OF NAVY — Gene Shelhamer, a Pampa High School senior, is shown being greeted at San Diego Naval Training Center by LT. Larry D. Hamilton of the center's Recruit Training Command. Gene is a guest of the Navy for a one-week cruise as a reward for winning a science award at the Science Fair in Amarillo last year. Behind them is the Navy's only commissioned land-locked vessel, the USS Recruit, which is used for recruit training.

NEW ENSIGN — James D. Andrews, son of Mr. and Mrs. Clyde Andrews of McLean, is congratulated by his commanding officer, Cmdr. R. M. Armstrong, shortly after receiving his commission as a Navy ensign at the Navy Pre-Flight Training Station, Pensacola, Fla. Ens. Andrews is a graduate of Southern Methodist University.

T. J. Stubblefield Gets Promotion

KARLSRUHE, Ger. (AHTNC) — Terry J. Stubblefield, 21, son of Mr. and Mrs. Fred L. Stubblefield of Canadian, recently was promoted to Sp.4. He is a member of the 78th Engineer Battalion here. Stubblefield, a light-truck driver in the battalion's Company D in Karlsruhe, entered the Army in March 1959, completed basic training at Fort Chaffee, Ark., and arrived overseas last December. He is a 1957 graduate of Hampton (Okla.) High School and attended Panhandle Agricultural and Mechanical College at Goodwell, Okla.

Don E. Crockett In Marine Test

BRIDGEPORT, Calif. (FHTNC) — Marine Pfc. Don E. Crockett, son of Mr. and Mrs. Emory Crockett of McLean, is undergoing a one-month mountain training exercise with the First Reconnaissance Battalion of the First Marine Division at the Marine Corps Cold Weather Training Center, Bridgeport, Calif. The exercises began Sept. 9, and consist of mountain climbing, survival, escape, evasion and resistance to enemy interrogation. The battalion is from Camp Pendleton, Calif., headquarters of the division.

AF Recruiter To Visit Here

T-Sgt. Eddie K. Trad, U.S. Air Force recruiter for Pampa, will be in his office in the American Legion-VFW Hall, Monday from 10 a.m. until 4 p.m. The recruiter said that there are vacancies in mechanical, clerical and electronics fields and that schooling requirements have been dropped to a three-year high school requirement. A new regulation in the Air Force concerning former military personnel, is the most attractive to come out of the Pentagon in a long time, said Trad. This would see those returning to the service in the Air Corps regaining the grade they held at time of separation in the large majority of cases. Trad urged all interested individuals from 17 to 27½ years of age to visit him Monday or any Monday thereafter.

Duke Hood Joins In Range Tests

KITZINGEN, Germany (AHTNC) — Army Sgt. I-c Duke Hood, son of William Hood, Star Route 2, Pampa, recently participated with other personnel from the 82nd Artillery in annual missile firing practice at Oro Grande Range, N.M. The unit, regularly stationed in Kitzingen, Germany, fired a record score of 97.8 out of a possible 100 while at the range. His wife, Michiko, is with him in Germany.

Rolla H. Shaller In 50-Mile Trek

THIRD INF. DIV., Germany (AHTNC) — Army Pfc. Rolla H. Shaller Jr., whose parents live at 701 Kingman, Canadian, recently participated with other personnel from the Third Division in a three-day field training exercise in Germany. The exercise, designed to determine unit efficiency, featured a 50-mile march over hilly terrain and a simulated night attack. Shaller, a member of the infantry's Company E, entered the Army in January 1959 and arrived overseas the following August. He received basic training at Fort Benning, Ga. A 1957 graduate of Canadian High School, the 22-year-old soldier attended West Texas State College.

Arnold Wariner Ends Basic Duty

SAN DIEGO, Calif. (FHTNC) — Arnold R. Wariner, son of Mr. and Mrs. Milburn J. Wariner of Lefors, graduated from recruit training Sept. 16 at the Naval Training Center here. The graduation exercises, marking the end of nine weeks of "boot camp", included a full dress parade and review before military officials and civilian dignitaries. In nine weeks of instruction, the "raw recruit" is developed into a Navy Bluejacket, ready for duty with the fleet.

Wayne W. Layne Is Petty Officer

SAN DIEGO, Calif. (FHTNC) — Wayne W. Layne, apprentice petty officer third class, USN, son of Mrs. Vera Pryor of 633 Reid St., Pampa, graduated Sept. 23 from nine weeks of recruit training at the Naval Training Center here. Apprentice petty officers are chosen from the ranks of the seaman recruits to assist company commanders. The selection is based on individual aptitude and leadership qualities.

Sounds Fishy

LONDON (UPI) — John Carpenter, columnist for the London Evening News, reported the latest fish story: "My last fish was far too small to bother with, so I asked a couple of passers-by to help me throw it back."

Soil Unit To Meet

Featured speaker of the Gray County Soil Conservation District meeting at 7:30 p.m. Tuesday in McLean High School Auditorium will be Cotton John Smith, of KGNC-TV, Amarillo. Smith will discuss his trips to Europe, Canada and Alaska. Prior to the talk, an election to select a supervisor for sub-District Two will be held.

Storm Time

Chicago — Spring and early summer are the most likely times for tornadoes to occur because of the collisions of cold polar air and air streams from the gulf's warmer weather.

Congress Labor Helped To Elect Turns Its Back

By GEORGE J. MARDER
United Press International
WASHINGTON (UPI) — Leaders of organized labor still don't know what hit them in the last Congress.

Two years ago they plunged into the election campaign with unprecedented activity and emerged with what they figured was their greatest victory. When the 86th Congress met in

January, 1959, they figured that this was the Congress in which they would make their greatest gains since the Roosevelt-New Deal.

Strictly by numbers in the makeup of Congress, they had a right to expect it. For there were more congressmen in the 86th because of labor help, and more Democrats sympathetic to the labor point of view than perhaps anytime since 1936.

Organized labor feels it was just about skunked on the legislative front. Practically none of its welfare programs got through — school aid, housing, medical care to the aged. This last was

one of their major targets and they had planned long and in great detail for it.

Not only did labor leaders lose on those items but they lost out on legislation purely in the field of labor.

Getting federal standards for unemployment insurance was a big objective. It got nowhere.

Getting training help for jobs in areas of chronic economic distress also had a high labor priority. It never had a real chance.

NEW HOPE FOR HARD OF HEARING

Boston, Mass., Oct. 2, 1960 — Something new has just been announced. It is an electronic development designed for those who hear but who do not understand words. There is nothing in either ear. No dangling cords. No tubes. The sound vibrations are conducted right through the bones of the head to the inner ear, and right to your center of understanding. We have termed this process "Vibratory Sensory Conduction"—truly secret hearing. The manufacturer has been able to produce a hearing device so small that many who wear it report "No one knows I have a hearing deficiency". It is said to be very reasonably priced. **FREE SPECIAL HEARING AID CONSULTATION** Hotel Pampa—Tuesday, October 4th, 9:30 to 12:00 No appointment necessary. Mr. George Grey, qualified hearing aid consultant, will gladly make a FREE test and analysis of your hearing. Further information and details may be obtained by writing to Audivox of Amarillo, 2710 W. 10th, just west of Georgia on Tenth, or call by phone, DR 4-0722.

The Pampa Daily News
33rd YEAR SUNDAY, OCTOBER 3, 1960

Sports Slivers

By ED HAYES WILSON

At the risk of being glared upon from all directions, we're going to ask a direct question: What's wrong with football in Pampa?

The records speak for themselves. They're downright disappointing, to say the least, since as of this writing only one victory has been posted, against about 15 losses among the games played by city schools.

Are the boys being trained in a manner to which they cannot adapt themselves? Are they just too small to play this man-sized game? Are they out of condition, or just what is the problem?

One notes it time and again; the youngsters hold their foes even or fairly close in the first half of almost all their contests. But, after intermission, the roof caves in; and this points to condition lack.

We do not believe in blaming youngsters. We've been approached by many, many people about why we don't tee off on the Harvesters for specific, individual mistakes and blunders. But we can't see it that way; so this is not a rap at the boys. It is, though, something to create consternation among the sports enthusiasts of Pampa when a 1-14 or 1-15 (which ever it is) mark has been established by eighth and ninth graders, and, for that matter, the Harvesters B-team.

All of us folk who follow sports have seen evocals in the amateur ranks. Schools run to great performing teams for several years, but, suddenly, foom-boom, they hit the bottom like an elevator that has broken away from its cable. And this could be the situation we face here.

If this is so, pray help us, for the opposition assuredly won't.

Ollie Wilhelm has things planned for the kid boxers of this town. Ollie Ollie is set to establish the Optimist Club fisticuff efforts and he vows this will be the best program ever.

So, foglories, more power to Ollie.

Bobby Lanford, that fierce little linebacker who finished school here in 1957, and who now is a member of the high-flying New Mexico State grid team, suffered a broken jaw in the NMS-Trinity contest last week.

This 160-pound rampager's loss will be a big one to the Border Conference favorites, since Bob was rated tops down there just as he was as a Harvesters.

And for that 'fio, thanks to Gene Bynum one of our spies about town.

Leon Nobbitt, the retired Navy petty officer and Harvesters of

Gayle Machen, at 18, plans to major in journalism. She was sports editor of the Otton High School paper, and was highly active in sports there.

Okay, fellas, grab your notebooks and get out there and cover those musicales and HD Club meetings, the gal's tied up with a football game.

Down at Hardin-Simmons University it appears they've gotten tired of shilly-shallying around with men sports editors since they've assigned that task to a young miss who vows she was brought up in sports, and loves 'em all.

Fumbled Punt Sparks Bear Win Over LSU

BATON ROUGE, La. (UPI) — Baylor University capitalized on a fumbled punt to score for the first time Saturday night in a series of six games against Louisiana State University, winning 7-3.

It was the first defeat for LSU on its home field since 1957 and an undecided game until the final seconds as LSU's Coach Paul Dietzel unleashed a passing offense that outshone Baylor's passing quarterback's Ronnie Staley and Bobby Ply.

LSU halfback Hart Bourque fumbled a punt on his own 16-yard line and Baylor's guard, Bobby Manasco recovered to set up Baylor's touchdown.

Halfback Tommy Minter slammed the right side of LSU's line for a gain of six yards and again for gains of 6 and 4 yards. Baylor's fullback Robert Starr plunged for the score.

LSU gave Baylor five cracks at the goal from inside the two but the Bears couldn't move. Three times inside the one, Baylor tried plunges at center but the LSU line held firm.

The rib-cracking line play held Baylor's pass offense to a minimum in the first half. But quarterback Bobby Ply connected with two for 14 and one for 18 yards but it was stalled on the one-foot line.

LSU began its own aerial attack as the second half began, pushing inside Baylor's 15 yard line as quarterback Jimmy Fields connected with LSU halfback Jerry Stovall for gains of 13 and 11. The drive began on Baylor's 40, where Baylor fumbled.

But the LSU passing attack was erratic, failing in crucial moments with healthy assists by the Baylor backfield.

Baylor's feared halfback, Ronnie Bull, was held to a net 11 yards rushing by the stout LSU defense.

Scoring: Baylor 0 0 7 0-7 LSU 0 3 0 0-3

Unknown Takes Hesperia Lead HESPERIA, Calif. (UPI) — Tom Nieporte, Bronville, N.Y., grabbed the halfway lead Saturday in the \$20,000 Hesperia Open with an eight-under-par 36-hole total of 136 — one stroke better than his nearest rival.

Close behind was former Hesperia champ John Mc Mullin, Fair Oaks, Calif., with 69-68-137.

On Trick Conversion

Aggies Tie Trinity U. SAN ANTONIO, Tex. (UPI) — The Texas Aggies thundered back for two second half touchdowns Saturday night to whip surprisingly tough Trinity 14-0 in the Tigers' first game against a Southwest Conference team in eight years.

A home-town crowd of 15,181 cheered the Tigers to a strong first-half, but the A&M depth-chargers proved to strong.

Fullback Sam Byer and halfback Babe Craig scored the two Aggie touchdowns on short plunges after sustained drives wilted the tired Tiger defenders.

Hogs Upend Frogs, 7-0

FORT WORTH, Tex. (UPI) — Sophomore Billy Moore guided Arkansas like a polished veteran Saturday night as the peppery Razorbacks staged a second-half rally that netted them a 7-0 victory over Texas Christian in the 1960 Southwest Conference debut for both teams.

Moore scored the game's only touchdown with 4:50 left in the third period when he plunged the final yard at the end of a 67-yard drive. He also masterminded two fourth-quarter drives deep into Horned Frogs territory, one of them dying on a pass interception and the other ending in a futile field goal try.

The two teams, tri-champions of the Southwest Conference with Texas last year, battled through a scoreless first half before a record home-opener crowd of 38,000 that saw Texas Christian move to the Arkansas 10, 22 and 30 only to falter on fourth-down attempts to move the ball.

Moore, who sat on the bench most of the first half, came on to guide the Razorbacks to victory in 11 plays on a drive sparked by the slashing runs of fullback Joe Paul Alberty and speedy Lance Alworth.

Alberty accounted for the drive's best yardage when he raced up the middle on a 20-yard scamper that put the Razorbacks on the Frogs 43, and five plays later Moore swept around right end for 14 yards. Moore advanced the Razorbacks.

Early in the fourth period, Moore advanced the Razorbacks to the TCU 8 but a field goal try there by Micky Cassell was wide and low.

Arkansas, with Moore leading the way, seemed headed for a touchdown again late in the final period, but TCU center Arvie Martin picked off his second interception at the Frog 11.

Scoring: TCU 0 0 0 0-0 Arkansas 0 0 7 0-7

U.S. Wins Golf Title ARDMORE, Pa. (UPI) — Jack Nicklaus paced the United States to a runaway, 42-stroke victory in the World Amateur Golf Championship Saturday by firing his fourth straight sub-par round — a two under 68.

Nicklaus, a chunky 26-year-old Ohio State University junior who finished runnerup to Arnold Palmer in the 1960 National open, blazed over Merion Golf Club's tough east course with more devastating effect than the pros.

DAVIS TAKES 400 MANCHESTER, England (UPI) — Olympic champion Otis Davis of Los Angeles won the 440-yard race in 48.4 seconds Friday night in the Manchester track and field games. Don Bragg of Pennsylvania, N. J., cleared 14 feet, 7 inches in a pole vault exhibition.

Rice Field Goal Nips Tulane Greenies, 10-7 HOUSTON, Tex. (UPI) — Sophomore quarterback Billy Cox, night for Tulane's first loss of backed by a stiff defense which stopped four Tulane scoring threats inside the 15-yard line, led Rice University to a 10-7 victory over the Green Wave Saturday night.

Cox, showing superb generalship, personally scored Rice's only touchdown and constantly drove through the Tulane line to keep the Owls' attack alive.

Fullback Max Webb made a 27-yard field goal good at the start of the fourth period to give Rice its winning margin.

The Wave's second unit, with three sophomores playing in the backfield, drove 40 yards in seven plays midway in the third period for Tulane's single touchdown.

Monday night as quarterback Mike Cotten connected on touchdown Rush, personally accounted for heaves of 55 and 54 yards to lead the Longhorns a 17-0 Southwest Conference victory over the Texas Tech Red Raiders.

A crowd of 52,000, the largest to ever watch a Tech team play, saw Cotten complete both of his touchdown throws on first down attempts.

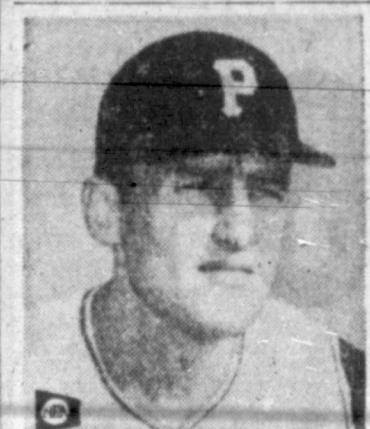

A tight Texas defense kept the Raiders in check. A Tech drive Rice in the first quarter died at the Tulane 7 0 0 3-10

Texas 16, a third period march ended on the 16, and a fourth quarter push died on the 12. It was Tech's first conference defeat against one tie.

Cotten found halfback Jack Collins with his first pay-off pitch with only three minutes gone in the first quarter. Collins took the pass running at the 20, juggled the ball for 10 yards, then fell into the end zone with Tech quarterback Glen Amerson hanging on his heels.

End Larry Cooper added Texas' second scored with 1:50 left in the first half when he took Cotten's pass at the 10 then stumbled the remaining distance. The play covered 54 yards.

Ferguson, a 220-pound fullback, who runs like a halfback, ran from his own 26 in the opening period for the first touchdown and then added two more on runs of 19 and 1 yards.

VERN LAW ... may miss opener

Law Injures Ankle Tendon PITTSBURGH (UPI) — Vernon Law, the Pittsburgh Pirates' ace right-hander, underwent treatment Saturday for a pulled tendon in his right ankle and may not be able to pitch against the New York Yankees in the opening game of the World Series next Wednesday.

The 29-year-old pitcher suffered the injury last Sunday when he slipped on a wet floor in the visitors' dressing room at Milwaukee while the Pirates were celebrating their first National League pennant in 33 years.

However, the injury was not revealed until after Friday night's game. Law was blasted for eight runs and 10 hits in only 2 1/2 innings and appeared to be favoring the ankle.

Danny Whelan, the Pirates' trainer, said there was no swelling in the ankle, adding "it only bothers Vern when he twists it a certain way."

Genes Dream Feature Race ANAPRA, N. M. UPI — Genes Dream from the stable of Dick Waters of Loyal, Okla., drove to a neck victory to win the featured race of the North Handicap at Sunland Park before 3,754 fans. Our Mon closed fast for place, with Bull Liege third. Time for the five and one half furlongs was 1:04 2-5. The winner confidently ridden by Ken Coppernoll returned \$9.50.

Genes Dream broke alertly behind Mermaid, took command entering the stretch but was hard pressed to hold his margin from the charge of Our Mon.

The day's handle was \$183,002. The Daily Double paid \$40.20 with the Nightcap Quinella returning \$38.50.

Major Grid Roundup

SEATTLE (UPI) — Right end Greg Malher kicked a 32-yard field goal 14 seconds before the end of the game Saturday to give Navy a 15-14 upset victory over third-ranked Washington before 57,000 fans, largest crowd ever to see a football game in Husky Stadium.

Mather's field goal was set up after reserve center Bob Dunn made a bad snap to Husky quarterback Bob Schloredt on a fourth down kicking situation and Navy got the ball on Washington's 24.

Washington missed two scoring opportunities in the first half — once when Schloredt was stopped by just short of the goal line while

trying to score from 5 yards out and again when the halftime clock ran out on Washington with the ball on Navy's five.

BERKELEY, Calif. (UPI) — The Army's tremendous 22-point fourth quarter surge, powered by quarterback Tom Blanda and halfback Al Ruzhatski, buried California 28-10 Saturday as the Cadets rolled to their third straight victory of the season.

Trailing 0-10 at the halftime, Blanda and Ruzhatski riddled the California defense with passes and runs in the third consecutive loss in as many games this season.

ST. LOUIS (UPI) — Perry (17-10) vs. Wynn (13-11) or Shaw (13-13).

CHICAGO (UPI) — Perry (17-10) vs. Wynn (13-11) or Shaw (13-13).

PHILADELPHIA (UPI) — Cardinals at Philadelphia (17-10) vs. Phillies (13-11).

MILWAUKEE (UPI) — Milwaukee at Pittsburgh (13-8) vs. Pirates (19-12).

CHICAGO (UPI) — Cardinals at Los Angeles (14-10) vs. Dodgers (13-11).

Last Half Rebel Explosion Chills Harvesters, 20 To 0

Late Touchdown Turns Trick

Syracuse Edges Kansas

LAWRENCE, Kan. (UPI) — The Syracuse Orangemen, a stumbling football machine for half the game, rallied for two second-half touchdowns Saturday to defeat the Kansas Jayhawks 14-7.

Syracuse spotted Kansas a 7-0 lead in the first three minutes, then roared back to score on a 10-yard pass from quarterback Dave Sarette to end Ken Ericson in the third period, and on a one-yard run by halfback Ernie Davis in the fourth.

The victor ran the Syracuse undefeated string to 19 games.

Kansas cashed in on a Syracuse fumble to score its touchdown. On the third play from scrimmage, Sarette fumbled and Kansas end Larry Allen recovered at the Syracuse 20.

Kansas halfback Curtis McClinton skirted left end for nine yards, and then sophomore halfback Bert Coan streaked around right end for 11 yards and the touchdown. John Suder kicked the extra point to give the Jayhawks a 7-0 lead.

Syracuse dominated play during the rest of the half, but a fumble stopped one drive at the Kansas 30 and a pass interception halted another Orange march at the Kansas 20.

But Syracuse ironed out its offensive weaknesses in the third and drove 80 yards for a touchdown after receiving the second-half kickoff.

Davis contributed runs of 16 and 12 yards, and halfback Pete Brock turned in a 24-yard gallop. Syracuse scored on a third down pass, a 10-yard strike from Sarette to Ericson. Sarette's attempt to turn the conversion failed, and Kansas Ted 7-6.

Syracuse got its winning touchdown with 9:55 remaining in the game, Davis smashing over right tackle from one yard out to climax a 12-play, 72-yard march.

Scoring:
Kansas 7 0 0 0-7
Syracuse 0 0 6 8-14

Flashy Iowa Backs Stun Unbeaten Northwestern

EVANSTON, Ill. (UPI) — Iowa's flashy halfbacks scored twice on 45 and 53 yard runs from scrimmage Saturday and added touchdowns on 38 and 70 yard returns with pass interceptions to overwhelm Northwestern, 42-0, in a Big Ten football game.

Captain Jerry Mauren set the pace for the victorious Hawkeyes, wrapping up their second straight win, with two scores in 68 seconds before six minutes had passed.

First he romped 45 yards through the line to score. On Northwestern's third play from scrimmage, he hauled in Bob Eickhoff's second pass of the game and scampered 38 yards to score.

Thereafter Larry Ferguson, who had a 58-yard touchdown run for nine for another.

called back, pulled down a pass from Fred Quinn and returned 70 yards to score; rookie Sammy Harris rambled 53 yards for another touchdown; and Wilburn Hollis ran eight yards for one score and passed to Bill Perkins.

It was a humiliating defeat for Northwestern, ranked sixth in the nation compared to eighth for Iowa before the game. The Wildcats had to play without their top quarterback Dick Thornton, out with a muscle injury in his leg.

Scoring:
Northwestern 0 0 0 0-0
Iowa 14 14 0 14-42

Three Quick Scores Bring Tascosa Win

By ED HAYES WILSON
Daily News Sports Writer

The Rebels' cotton was ready to be harvested Friday night but the Pampa High School Harvesters didn't bend into their duty at the opportune times and it cost them a victory that, despite the 20-0 count against them, could have been theirs.

It was a bitter loss. The men of Coach Babe Curfman deserved a better fate. They battled the heavier, senior loaded Tascosa eleven through 40 minutes and had the better of the going until a shuttle pass went awry, bouncing off Steve Dobbin's knee — and with it went the ball game.

Roy Don Stephens, the Harvester quarterback, had the Pampans moving slowly but surely towards the Tascosa goal. First he slammed Dobbin through the middle and followed with Sherrill Miller on slashes off tackle and delayed bucks that were wearing down the Rebels.

These were the best Harvester shots during the night, and as a scout for the Amarillo Sandies said, "If they stay with those plays they're gonna rack Tascosa."

But the Harvester quarterback wanted the big one. He went for it on a play that was destined to go off the left side of the Harvester line, but the pass caught Dobbin in a position that he could not get to it and from that point on the ball game became a shambles.

Stephens, who kept the Rebels at bay with brilliant punting throughout the night, is not to be blamed for the end result. He was going for the works. He and all the Harvesters apparently could smell victory — a victory that they had struggled for in a brilliant display of courage — but it just was not to be.

Jimmy Storms gave Pampa two consecutive opportunities. He snapped up two Tascosa fumbles deep in the visitors territory but an off-

side penalty killed a first down smash by Dobbin to the Rebel 8, and a fumble barred a near Harvester tally on the Rebel 4.

Tim Smith, senior Tascosa guard, was the key that unlocked the TD door. He recovered the wildly bouncing ball that bounced off Dobbin's knee on the Pampa 40, and from there the Rebels hit the pay stripe in nine plays, with Fullback Tim Elkins shearing off right tackle from the Pampa 18 for the score.

Gary Mask booted the first of his two PATs, and the Rebels were in full gallop.

After Pampa put the ball in play following an end-zone kickoff, a 15 yard penalty stemmed any hopes of a first down and Stephens kicked to Tascosa on the Rebel 38 from where Halfback Bill Defee hustled it to his own 46. Elkins got 1 yard on a line crash, and then, boom! Halfback Mark Yarbrough, a Harvester heckler throughout the night, swished 45 yards through right tackle for another marker.

The final tally resulted when Dobbin took the kickoff on the Pampa 3 and headed up field where Tim Smith put an end to his jaunt with a jarring high tackle that knocked away the ball. The Rebels Center Jim Mullins again recovered, this time on the Pampa 5. Three Plays later, Halfback Ron Smith bounced into the end zone and the game was over except for waiting for time to run out.

The scoring all came within 3:44, the unhappiest few minutes for a Harvester grid team in years.

Dobbin was the Pampa workhorse. He carried the ball 13 times, gleaming 62 yards, but on two tries he lost 11 to give the battling fullback a net of 51 yards.

Miller, Steve's running mate, earned 37 yards on nine attempts, with a net of 31, while young Randy Haralson posted 15 yards in five carries late in the contest.

Stephens' punts, which were a thing to see, averaged 37.2, while Tascosa punters averaged 36.3, so it is easy to understand that punting was a prominent factor until the lid blew off.

Storms, Charley Giese and Duke Garren did the heavy work up front for Pampa, while Tim Smith and defensive linebacker Johnny Weidling were the major braces for Tascosa.

Pampa faces Monterey, a 13-14 loser to Midland Friday night at 7:30 p.m. Friday at Lubbock for its second 3-4A conference game.

Clemson Rally Spurs Victory

CLEMSON, S.C. (UPI) — Quarterback Lowndes Shingler scored two second-half touchdowns to lead the favored Clemson Tigers to a come-from-behind 13-7 win over Virginia Tech Saturday before 26,000 fans.

The 195-pound senior from Greenwood, S.C., rolled into the end zone from four yards out with four minutes left to put the Tigers ahead for the first time. They had trailed since Virginia Tech scored early in the first period.

Will Check Prospects
LAUREL, Md. (UPI) — John D. Schapiro, President of Laurel leaves for Paris today for next Sunday's running of the Prix de l'Arc de Triomphe at Longchamps from which one or two candidates will emerge for the Washington, D. C. International.

NEIGHBORS TRADE PUNCHES
NEW YORK (UPI) — Bobby Bartels will trade punches with his Long Island neighbor, Joey Donovan, in a 10-round welterweight bout at St. Nicholas Arena Oct. 10.

SAD DADS WATCH HARVESTERS — These Pampa boosters were cheering a little harder—and louder—Friday night for the Harvesters when they hosted Tascosa. Fathers of the Pampa football players, the dad's sat on the sidelines wearing their respective son's number at Pampa's annual Dad's Night. (Daily News Photo)

Conversion By Florida Startles Georgia Tech

GAINESVILLE, Fla. (UPI) — Quarterback Larry Libertore tossed a two-point conversion pass to fullback Jon MacBeth with just 32 seconds remaining Saturday to give the underdog Florida Gators an 18-17 upset over previously unbeaten Georgia Tech.

Making the decision to go for the winning points instead of a tie, Libertore spun on the option to his right and then lofted a pass to MacBeth, who was in the open in the end zone, as 39,000 partisan fans roared to their feet.

The Gator touchdown in the final minute capped a 85-yard drive in which Libertore stunned the Yellow Jacket defense with his passing and option running.

The Southeastern Conference victory marked a personal win for Florida Coach Ray Graves, who came to Florida this year after serving 13 years as assistant to Tech Coach Bobby Dodd Sr.

It was Florida's third straight victory and most impressive as the Gators downed the ninth-ranked team in the nation.

Norris Stevenson, senior halfback from St. Louis, Mo., added the Tigers' final tally in the fourth period and spoiled the day for 35,300 homecoming day fans in the new Beaver Stadium.

Penn's only score came in the third when quarterback Galen Hall of Williamsburg, Pa., passed three yards to end Henry Opperman of Conestoga, Pa.

Missouri controlled the game both offensively and defensively from the opening minutes, but the Tigers couldn't score until seven and one-half minutes had passed in the second quarter.

The first touchdown drive covered 80 yards in 15 plays with speedy halfback Mel West of Jefferson City, Mo., leading the attack. He ran for 27 yards in six carries, including a 15-yard end sweep which set up the score.

Scoring:
Penn State 0 0 8 0-8
Missouri 0 14 0 7-21

CHAMPAIGN, Ill. (UPI) — Illinois scored five touchdowns, including a 53-yard dash by halfback Joe Krakowski, to drub West Virginia 33-0 Saturday before 43,612 fans.

All-America fullback candidate Bill Brown shouldered four yards off left guard for a touchdown with 10 minutes gone in the second.

The score capped a march which carried nine plays from the Illinois 46 and featured a 27-yard pass from quarterback Johnny Easterbrook to end Dick Newell.

The last score came in the final period when halfback Norm Willis also went for four yards. The kick attempt, however, was spoiled by a bobble.

Scoring:
Illinois 0 7 20 6-32
West Va. 0 0 0 0-0

Missouri Surprises Penn St.

UNIVERSITY PARK, Pa. (UPI) — Quarterback Ron Taylor and halfback Don Smith combined for touchdown passes of 18 and 28 yards in the second quarter today to lead Missouri to a 21-8 upset of Penn State.

Norris Stevenson, senior halfback from St. Louis, Mo., added the Tigers' final tally in the fourth period and spoiled the day for 35,300 homecoming day fans in the new Beaver Stadium.

Penn's only score came in the third when quarterback Galen Hall of Williamsburg, Pa., passed three yards to end Henry Opperman of Conestoga, Pa.

Missouri controlled the game both offensively and defensively from the opening minutes, but the Tigers couldn't score until seven and one-half minutes had passed in the second quarter.

The first touchdown drive covered 80 yards in 15 plays with speedy halfback Mel West of Jefferson City, Mo., leading the attack. He ran for 27 yards in six carries, including a 15-yard end sweep which set up the score.

Scoring:
Penn State 0 0 8 0-8
Missouri 0 14 0 7-21

North Carolina Routs Virginia

RALEIGH, N.C. (UPI) — Quarterback Roman Gabriel ran for two touchdowns and passed for two more Saturday to power North Carolina-State's unbeaten Wolfpack to a 26-7 rout of Virginia.

Gabriel cracked the Cavalier line twice on one-yard touchdowns plunges and passed 11 and 12 yards for touchdowns to halfback Claude Gibson and end George Vollmer. The Wolfpack thwarted Virginia's explosive pro-type offense near its goal line and had extended the Cavaliers' losing streak to 20 games—longest in college football.

State won its first Homecoming game since 1956 for a crowd of 14,500 and posted its third victory in a row for the first time since 1957.

Notre Dame 13 0 0 6-19
Purdue 14 31 6 6-51

Mayo Leads Way AF Bombs Stanford

DENVER (UPI) — The Air Force Academy wilted Stanford with a speedy and surprising first half ground game today, then came back with the passing of quarterback Rich Mayo to down the west coast team, 32-9, before 28,194 persons.

The game had been billed as a passing duel between Mayo, the fourth leading college passer in 1959, and Stanford quarterback Dick Norman, who was the nation's best last year.

But the cadets surprised fans and Stanford alike with a tough ground game spearheaded by halfbacks Monte Moorberg and Don Baucom. The AF led at halftime, 21-6, on three running touchdowns.

The AF scored in the first when Mayo faked an expected pass and handed off to halfback Mike Quinn, who ran 29 yards for the TD.

In the second half, Mayo began his aerial war and hit for two touchdowns in the final period, one for 19 and one for 20, after Stanford's defenses had geared for more ground warfare.

Stanford scored its only touchdown in the second on an 11-yard run by halfback Gill Dowd, and in the same period added three points on a 33-yard field goal by fullback Skip Face.

Scoring:
Air Force 7 14 0 11-32
Stanford 0 9 0 0-9

BOSTON GETS WELCOME

LAUREL, Miss. (UPI) — Ralph Boston, who broke Jesse Owens' 24-year broad jump record in the 1960 Olympic Games at Rome, returned home Friday to a rousing celebration in his honor, and immediately declared he hopes to do better in the 1964 games at Tokyo.

Bucks Run Wild, Win 42-12

White Deer Passes Top Irish '11'

By ARTHUR MAYHEW
Daily News Sports Editor

WHITE DEER — White Deer's all-around Bucks sounded a clarion call to future opponents Friday night as the passing combination of Dickie Hanna and Joe Grange and the explosive running of Thomas Lester powered up the White Deer to a resounding 42-12 win over previously unbeaten Shamrock before 2,000 screaming fans here.

Hanna and Grange teamed for touchdown passes of 52 and 34 yards and two conversions while Lester, a 165-pound fullback, tald twice on runs of 68 and 34 yards and rolled up 203 yards rushing.

The game, billed as a toss-up, started out that way. The first time the Bucks got their hands on the ball, they moved 30 yards in 10 plays with Hanna punching from the 3-yard line at 8:02. Lester ran over the conversion up the score to 8-0.

After White Deer's Larry Short kicked off into the end zone, Shamrock began moving downfield with vengeance. Bill McBryde, a 190-pound fullback, repeatedly drove White Deer's middle to the ball to the Buck's 45.

HARRY PRICE
... former Lefors star

Lefors Ace Makes Bid For Chiefs

OKLAHOMA CITY — Harry Price, an outstanding 6-3 graduate of Lefors High School near Pampa, has enrolled at Oklahoma City University on a basketball scholarship.

Price captained the Lefors basketball five for two years under Coach Dale Prescott.

An outstanding student, Price will major in Pre-Law at Oklahoma City. He was senior class president and received a Phillips scholarship.

On the court, Harry made all-district two consecutive seasons and was honorable mention Texas all-state.

Already a popular lad on the OCU campus, Harry played baseball and tennis at Lefors and will be a member of the OCU varsity baseball team next spring.

Price ripped the opponents nets for 529 points his senior season, averaging 18 points a contest.

Son of Mr. and Mrs. Tom Price of 421 Hazel, Pampa, Harry joins another native Texan on the Oklahoma City frosh team.

John Kent, a 6-4 star from Berger, is also at the Capital City school on a cage grant.

Two Texans are members of the "Chieftan" varsity — 6-10 Henry Oeltjendiers, a senior from La-Grange, and 6-1 Gary Duncan, junior from Cayuga, and a transfer from Kilgore Junior College.

The Oklahoma City varsity can be seen by West Texas fans when they appear against West Texas State at Canyon, Jan. 5. The "Chieftan" make several forays into the Lone Star State, against Texas, Hardin-Simmons, Baylor, TCU, AMU, Houston, and North Texas State.

WHITE DEER TOUCHDOWN — Thomas Lester (20) sprints into the end zone untouched after scampering 68 yards for White Deer's fourth touchdown in Friday's 42-12 romp over Shamrock. Joe Grange (37) and another Buck lead interference while Shamrock's Ronnie Cantrell (80) and Jerry Jernigan (25) unhappily watch the six-point play. (Photo by Claudia Everly)

Miami Bumps Darrouzett, 44-6

Two Area Teams Lose First Tilts

Two winning streaks were ended in area football Friday night, but two teams—Miami and White Deer—continued to roll along the rosy unbeaten path.

Powerful Phillips, ranked seventh in the state in AA, ended Perryton's hopes for an unbeaten season by blanking the Rangers, 31-0, at Perryton.

And, at White Deer, the Bucks stopped class AA Shamrock's winning streak at five games with a 42-12 licking in a game marked with long runs and tremendous passes.

Miami upped its season mark to 5-0 in rather easy fashion by downing Darrouzett, 44-6, at Darrouzett as Gerald Anderson, 135-pound quarterback, scored three touchdowns and passed for three others.

In the eight-man contest, Anderson put the Warriors in a 12-0 half time lead by sneaking over from one-yard out and hitting Mark Arrington on a 15-yard touchdown pass.

Anderson unreeled at 40-yard scamper in the third period to give Miami a 18-0 lead and then pegged a 20-yard pass to John South for another score.

Another 25-yard Anderson run racked up six points in the fourth quarter and — you guessed it — Anderson passed 25 yards to Arrington for another score.

Arrington wrapped up his busy night when he blocked a Darrouzett punt and recovered behind the Berret's goal for the final TD of the night. Paul Thompson ran the only conversion over.

The Hornets' only score came in the fourth quarter on a 30-yard pass play to Byron Deal. Leading ground gainers for the

Warriors were Tom Hollis who had two touchdown runs called back with 85 yards; Anderson, 80 yards; Thompson, 32 yards, and Tuck Seitz, 11 yards.

Miami Coach Bill Hines also singled out the play of Don McLaughlin, Randy Day, James Strong, Dennis Burnett, Scotty Daugherty, James Roberson and Mickey Kivlehen.

At Perryton, the Rangers were simply outweighed by the bruisers from Phillips. Fine play by Raymond McGarraugh, Tim Wright and Butch Cook kept Perryton in the game early but the Black-hawks exploded the last half to win going away.

In a big upset, McLean rebounded from his loss to White Deer last week, to upend Claude, 34-20 in Claude.

Clyde Windom opened the scoring for the Tigers with a 70-yard run in the first quarter but Claude roared back to tie the game, 6-6, on Tommy McGowan's three-yard drive.

McLean trailed 12-14 at halftime after Ken Willingham, back in action for the first time this season, hit paydirt from three yards out for the Tigers but was topped by a 30-yard pass interception for a Claude score and a two-point conversion pass.

The Tigers' Jim Watson scored on runs of 11 and 3 yards and added a conversion run to put McLean ahead to stay in the third quarter.

Donny Woods added icing to the McLean cake in the fourth quarter with a two-yard scoring plunge, while his pass to Windom was good for the conversion.

In another upset, favored Canadian fell to Panhandle, 14-0, at Panhandle. Behind the passing of Bill Addington, the Panthers scored early in the second quarter when Addington plunged over from the 2-yard line.

Mike James scored the other Panhandle TD on a pitchout from Addington from 12 yards out and Addington added the conversion.

The Panther's defense came to the fore late in the game when Canadian mounted a drive to Panhandle's six-yard line before being stopped.

At Estelline, Wheeler's 10-8 half-time lead fell apart in the second half and the Mustangs had to settle for a 16-16 tie with Estelline.

A 35-yard run by Baker, a safety and fumble recovery in the end zone scored the 16 Wheeler points.

In the other area game Friday, Gruver's Greyhounds sped to a 32-0 win over Groom in Gruver. Groom's defenses held Gruver to a 12-0 lead at the end of three quarters, but the Greyhounds exploded for 20 points in the last period. — A. E. M.

Impressive Borger Win Sparks 3-4A Openers

Borger looms as the team to beat in District 3-4A today after its convincing 34-6 thumping of Amarillo Palo Duro Friday night in Borger.

Elsewhere around the district, Amarillo-Tascosa came on fast in the last half to down Pampa, 20-0; Lubbock Monterey fell to Midland, 13-14, when a last-minute conversion failed; and Amarillo's Sandies had little trouble in defeating Plainview, 22-0. Tom S. Lubbock had an open date.

Borger rolled up 346 yards — 319 on the ground — in running up their fourth straight win. The Bulldogs' Billy Kidd and Phil Hardin scored one each in the first quarter and a Kidd conversion run offset Cary Morton's 58-yard touchdown pass play from Ricey Nix to give Borger a 14-6 half-time lead.

Glen Wooley romped 61 yards in the third quarter, Larry Dykes ran 35 yards in the fourth quarter and Hardin took a Wooley pass for 23 yards to wrap-up the Bulldogs' scoring.

At Lubbock, Ronald Bandy threw

passes of 29 and 37 yards to James Ellis for Monterey scores but missed the crucial conversion after the second TD. Mike King, son of Midland head coach Harold King ran back a 61-yard punt return and hit James Stewart on a scoring 43-yard pass play to pace Midland to a non-conference win.

A MESSAGE FROM "YOUR NEIGHBORHOOD" PHARMACY
NATIONAL PHARMACY WEEK
OCTOBER 2nd — 8th
A week dedicated to the ancient and honorable profession of pharmacy. A reminder to all pharmacists of our obligation to the health of the public.
THIS HEALTH TEAM PROTECTS YOU.
1. Research chemists and scientists investigate, discover and perfect new drugs and treatments.
2. Research physicians clinically test them for benefits and safety.
3. Pharmaceutical manufacturers finance these investigations and make drugs available for medical use.
4. Physicians and Dentists study case reports and prescribe medication and treatment.
5. Nurses assist physicians.
6. Pharmacists compound and dispense the exact medication prescribed by physicians and Dentists.
DEPEND ON OUR KNOWLEDGE.
We keep informed about new drug progress. That is why we can fill any prescription, even those prescribed by physicians in distant cities.

Ike Sets U.S. Day Of Prayer

Whereas by the grace of God we live in a good land where each citizen can enjoy the blessings of liberty; and

Whereas our forebears did establish in this land a Nation whose law defends and whose spirit ever nourishes that liberty; and

Whereas the Congress, by a joint resolution approved April 17, 1952 (66 Stat. 84), sought to remind our citizens of this heritage and "shall set aside and proclaim a suitable day each year, other than a Sunday, as a National Day of Prayer, on which the people of the United States may turn to God in prayer and meditation";

Now, therefore, I, Dwight D. Eisenhower, President of the United States of America, do hereby set aside Wednesday, the fifth day of October 1960, as a National Day of Prayer; and I call upon my countrymen to observe it, remembering:

First, that it is not by our strength alone nor by our own righteousness, that we have derived the abundant gifts of our Creator;

Second, that the heritage of a faith born of hope and raised in sacrifice lays upon its heirs the high calling of being generous and responsible stewards in our own and among the kindred nations of the earth;

Third, that in this time of testing we shall ever place our trust in the keeping of God's commandments, knowing that He who has brought us here requires justice and mercy-in return;

And finally, that as we lift our thankful hearts to Him, we will see clearly the vision of the world that is meant to be and set our hearts resolutely toward the achievement of it.

In witness whereof, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

Done at the City of Washington this twenty-second day of July in the year of our Lord nineteen hundred and sixty, and of the Independence of the United States of America the one hundred and eighty-fourth.

DWIGHT D. EISENHOWER

Snake Kills Sect Member; Leader Held

NASHVILLE, Ga. (UPI)—Criminal charges were lodged Thursday against a Georgia preacher and another man in the death of a parishioner who handled a rattlesnake to prove his faith and was fatally bitten during a rural church service.

Charles H. Hall, pastor of the New River Free Holiness Church, and Harmon Hatfield of Fyffe, Ala., were indicted by the Berrien County grand jury.

Conviction under a law passed in 1941 could send the pair to the electric chair—or result in a jail term of one year.

County Sol. Gen. Ben T. Willoughby said Hall and Hatfield were charged with transporting snakes and encouraging others to handle poisonous snakes in connection with religious services.

A farmer, Lloyd B. Hill, 41, was bitten Aug. 26 by a rattlesnake he handled at a service conducted in the rural church. Hill, father of four daughters, refused medical aid and returned to his home. He died Aug. 28.

The Georgia Legislature passed the 1941 law in an attempt to stop snake-handling at church services after a woman received a fatal bite.

Hall's church is located 13 miles from Nashville in the South Georgia flatlands. Its parishioners are poor. Some are illiterate. A cemetery behind the small concrete block building contains five graves, including that of Hill.

Two of the dead there are unidentified. The other three died while proving their faith at "handling" services.

Hatfield is charged with providing the snake whose bite proved fatal to Hill. Hall stands accused of encouraging the worshippers to test their faith.

The law makes it a felony for a person to bring or carry a snake to a church service — if another dies from the reptile's bite.

GETS CARRIER COMMAND

WASHINGTON (UPI) — Capt. Vincent Paul Depoux, 44, has been named to command the first U.S. nuclear-powered aircraft carrier. The Enterprise, which joins the fleet next fall.

Symbol of the Sixties... Women At Work

COMMUNICATION—Performing a vital service to the community in the way of communication are the Business and Professional Women's Club members pictured above, left to right, Mrs. Nerine Brown and Mrs. Lillie Mae Fowler with Miss Gloria Rasco, center, operator. Mrs. Brown, club recording secretary, is employed as a repair clerk in Southwestern Bell Telephone Co. plant department. She has been an employee of the telephone company for 17 years and it is her duty to handle "trouble calls" and clear them for service. Mrs. Fowler, who has served in various capacities in B&PW, is chief operator with 80 operators under her supervision. She has 29 years of service with the company with a 30th anniversary coming up in April. She also has an enviable record of 12 years without absence from work. These women with other business women across the nation point up the fact that all women, young and more mature, are using their qualities of resourcefulness to make their communities, states and nation better places in which to live.

FLYING PRESIDENT — Mrs. Jewel Dean Lewis is currently serving the Business and Professional's Club as its president. While she is not attending to duties as office manager for Memory Gardens, she is piling up more hours of flying time. Mrs. Lewis, who just completed her solo-flight a few weeks ago, already has more than 25 hours flying time to her credit. She with other officers of the club will be heading up club activities throughout the year which include a Mother's Day Breakfast, Christmas Party, Fall Roundup, and the annual observance of National Business Women's Week, being observed locally and nationally Oct. 2-8.

OFFICE — Other active business women, who compose the membership of B&PW Club are Mrs. Vera Lord, seated and Mrs. Vena Riley, who are both employed in a local dress shop. Mrs. Lord is office manager and Mrs. Riley is cashier and credit manager. Mrs. Lord is currently B&PW's membership chairman and Mrs. Riley is the club's treasurer. Mrs. Lord and Mrs. Lillian Jordan have the distinctive honor of being the only two active charter members of the club at the present time. Both Mrs. Lord and Mrs. Riley have held important and active offices within the club and are, indeed, "symbols of the sixties... women of work."

National Business Women's Week

The purpose of Business and Professional Women's Club is to bring about a spirit of cooperation among business and professional women in all causes tending toward the up-building of the city, to good citizenship, civic pride and in the support of public welfare. The object is to promote the interest of business and professional women. The club is non-political, non-sectarian, self-governing, and self-supporting. Only women who are actively engaged in business or professions are accepted as members.

Following the purpose for which the club was organized, it has cooperated with the Chamber of Commerce and the Board of City Development in many special projects. One of the more recent projects of this club is the three-year nurses' scholarship given to a senior girl graduate.

Throughout this week, members will be holding special activities in observance of National Business Women's Week.

SALES AND MANAGERIAL — Filling the important positions as those of salesladies interested in seeing that local patrons are dressed fashionably are the Business and Professional Women's Club members pictured here at work in a ladies' dress shop. Left to right, Mrs. H. F. McDonald, credit manager and bookkeeper, Mrs. M. E. Powers, ready-to-wear department manager, and Mrs. Gladys Jaynes, who is in charge of the sportswear department.

SALESLADIES — Mrs. Lucille Turner, left, and Mrs. Nell Tinnin illustrate the purpose of National Business Women's Week as they are pictured here. In the business and professional worlds and in the worlds of civic and public affairs on all community through international levels, women have achieved for more than the most advanced-thinking grandmothers ever dreamed. Millions of women are now at work in offices, schools, factories and

on the farm. Millions are now learning new professions, exploring new fields, creating new ideas. In truth, business women in America now number more than a third of the work force in this country. Locally, Mrs. Tinnin is B&PW vice president and in charge of a hot department and Mrs. Turner is in charge of a ready-to-wear department in a local department store.

Good Grooming Is Civic Culture Topic

Members of the Civic Culture Club were given "Tips on Good Grooming" at the meeting on Tuesday afternoon in the home of Mrs. R. E. Dauer.

"Charm is a quality we should all like to possess. However, it is a quality that each alone can fashion for herself. But like all else, it is easier to achieve when we know how," said Mrs. H. W. Waters, in her talk on "How to Get more out of Life." "When a woman desires to please the eyes, the ears and feelings of those around her, she strives for an attractive appearance and manner. Doing this she is well on the way to becoming charming. Let us begin at the beginning of good grooming so that we may feel confident of ourselves, thereby helping us to 'Get more out of Life'."

Mrs. Emmett Osborne presided at the business meeting and welcomed Mrs. George Neef as a guest.

Refreshments were served to the following: Mmes. Carl E. Axelson, Stanley Brandt, Irving Cole, A.

D. Hills, Ophela Morris, C. F. Pennington, K. A. Sorenson, Louise Sewell, J. B. Townsend, Willis White, Chester Williams,

Young People Have Hay Ride

SKELLYTOWN (Spl) — The Young People's class of the Community Church held a hay ride and a wicker roast recently at the Hal Brown ranch. Sponsors for the group were Mr. and Mrs. Hal Brown and Mr. and Mrs. Junior Ellis.

Attending were Nan Harmon, Mike Harlan, Carolyn Woodward, Larry Cater, Carroll Dean Russell, Cathy Cook, Ann Harlan, Ricky Brown, Mary Smith, Curtis Campbell, Larry Elliott, David Clemmens, Joan Jarvis, Rosalie McAllister, Arlin Kaiser, Bobby Billings, Linda Payne, Judy Brown, and Vicki and Terry Ellis.

Hope Circle With Mrs. E. D. Wight

Hope Circle of St. Paul Methodist Woman's Society of Christian Service met Wednesday morning in the home of Mrs. E. D. Wight, 820 N. Dwight.

Mrs. Kit Autry presented a program "The Purpose Becomes Action" and a devotional on "Immortality."

Mrs. W. F. Gaines, circle leader, conducted a business meeting. Members attending were Mmes. Bill Taylor, Kit Autry, James School, Bill Matejowsky, J. B. Rose, L. M. Davis, Bill Sargent, Billy J. Kennedy, E. D. Wight and W. F. Gaines. Mrs. Jerome Stout was welcomed as a guest.

Refreshments were served during the social hour by the hostess.

It was announced that the circle will meet next with Mrs. Bill Taylor on Oct. 26 at 10 a.m.

If lint adheres to your washable black garments, make the last rinse half water, half vinegar. The lint will be removed and there will be no vinegar odor.

Worthwhile Projects Told At Friendship Night

Altrusa Club of Pampa held "Friendship Night" at its Monday night dinner meeting in the Pine Room of the Pampa Hotel.

The program was presented under the direction of the Altrusa Information committee with Mrs. B. M. Behrman in charge. By proxy, with local members representing district presidents. Altrusans were introduced to 43 district presidents (38 in Texas, four in Mexico and one in Guatemala), who told of their club's individual civic and financial projects.

The scope of the work of Altrusa was brought out in the reports made by various pseudo-presidents: From the Mexico City "president," members learned that the Altrusa Club there is working with CARE in projects to help train women and bring enlightenment to women of remote rural, under-

From the Amarillo "president," a report was given that that club conducts a survey to recognize careful drivers; The Midland "president" reported that her club "has a most interesting project, which is called 'Midland's Latin-American Children Learn How To Attend School'". From Brownsville, it was told that that club conducts a campaign against obscene literature as a contributing factor in juvenile delinquency; The Fort Worth Club has a project to keep Fort Worth a clean city and in co-operation with this club mails out cards called don't be a "scatter-pillar"; The Harlingen Club goes to their town's TB hospital, where they teach Mexican patients English and how to take care of their families to avoid the spread of TB; The Altrusa Club of Baytown works with cere-

bral palsy patients in an Austin hospital;

Also represented at the "Friendship Night" was the Altrusa Club of Waco, who reported that that club holds a Traffic Clinic, where each person who has had a traffic violation ticket is required to attend the clinic. All safety rules and traffic regulations are discussed and explained with the view that it will cut down violations; The Houston Club "president" told of their work with the Vanguard Club, which was once-a-week recreation group for discharged mental patients. A small group, including the project chairman, spent a day in the nearest state mental hospital, learning something about the environment from which patients come and conferring with the hospital staff; The Brownwood Club each summer has a city wide Girl's recreation project, which provides tennis instruction for all girls interested.

During the business meeting conducted by Mrs. Clyde Vanderberg, president, Mrs. L. H. Musgraves was welcomed as a new member. Mrs. F. W. Shotwell was named alternate to attend the Altrusa Club District Conference in Marshall on Oct. 21-23. Also attending the district meeting will be Mrs. Vanderberg, Mrs. L. L. Harkins, Mrs. Jack P. Foster as delegates and Mrs. Inez Carter as alternate. Mrs. M. Coleman, mother of Mrs. Bonnie McCarley and Miss Linda Gorman, Altrusa September Girl, were special guests.

Friendship songs were lead by Miss Rosemary Lawlor accompanied by Mrs. Fidelia Yoder at the piano.

Mrs. Clay Coston was awarded the door prize and Mrs. Harkins correctly answered the Altrusa Quiz question posed by Mrs. Behrman.

At the conclusion of the meeting the first edition of the club's monthly newspaper "Altrusa Views" was distributed to members. Attention was called to the cover, which had been designed by John McCausland. The "Altrusa Views" staff are Mrs. Ray E. Wilson, publisher; Miss Lou Ella Patterson and Mrs. Evelyn Mason, editors; Mrs. Foster and Mrs. Lorene Locke reports.

Dinner was served from tables attractively appointed with floral arrangements of red carnas and bronze mums created by Mrs. Roy Kay.

Procedure Course Slated On Tuesday

A Procedure Course offered by the City Council of PTA will be given at 9:45 a.m. Tuesday in Fellowship Hall of First Presbyterian Church.

Mrs. H. C. Green of Water Valley, vice president of Texas Congress of Parents and Teachers, will be the instructor.

Each officer in the various PTA units and other interested members are urged to attend the course, if they have not taken it before. Each person attending is also asked to bring a salad for luncheon.

Arrangements for the course are under the direction of Mrs. E. E. Shelhamer, procedure course chairman for City Council PTA.

Mrs. Gilbert Is Circle Hostess

Joy Circle of Woman's Society of Christian Service of St. Paul Methodist Church met Wednesday morning in the home of Mrs. W. I. Gilbert, 716 E. Browning.

Mrs. Charles Norton gave a program on "Church Related Colleges" followed by a discussion period.

Mrs. Joe Autry, circle leader, presided at the business meeting.

Members attending were Mmes. Joe Autry, James Russell, Charles Norton, Ira Carlton, George Eyer, Carl King, R. A. Newton, Bob Lee, W. I. Gilbert and Don Stephens.

Guests welcomed were Mmes. Dan Cotten, Bill Rutledge, Sidney Parsley and Louise Giddens.

Refreshments were served during the social hour by the hostess. It was announced that the next circle meeting will be held Oct. 26 at 10 a.m. in the home of Mrs. James Russell.

The outside tote bag is still a Paris favorite, done this fall in satin, velvet or lizard for either day or evening.

To obtain a tingy massage effect from your shower baths, consider installing a special shower head with a rotary oscillating nozzle.

Mrs. Whipple Is Guild Hostess

CANADIAN (Spl) — The Wesleyan Service Guild of the First Methodist Church met in the church recently with Mrs. A. S. Jackson presiding at the business session.

The program, "The Chart and the Compass," was given by Mrs. Eva Nix. Mrs. W. A. Kessie Jr. presented the devotional, "The World in Our Midst."

Mrs. Virginia Whipple was hostess to guest Mrs. James Price and members, Mmes. Vernon Morse, A. S. Jackson, Erbin Crowell, Celia Roe, Grace Spiller, Eva Nix, W. A. Kessie Jr. Vera Morehead, Rhea Wilson, Bill Zenor, J. A. Ullom and Wilbur Killebrew.

Miss Ruth Sutton Is Bride Of Charles Cook

Mr. and Mrs. Charles Cook

Miss Ruth Sutton became the bride of Charles Cook with vows repeated on September 24 at 7:30 p.m. in Immanuel Temple with the Rev. Bill Sparks, pastor, officiating for the double-ring service.

Miss Sutton is the daughter of Mr. and Mrs. C. W. Martin of Denver, Colo. Mr. Cook's parents are

Mr. and Mrs. D. E. Cook, 405 N. Cuyler.

Baskets of white gladioli were centered by white candelabra to form the wedding scene.

BRIDE

Given in marriage by an uncle, Harold Wilson, the bride wore a ballerina-length dress of blue nylon over taffeta and chiffon fashioned with a scoop neckline and brief sleeves. The bodice was encircled at the waistline with a taffeta-cummerbund. Her shoulder-length net veil fell from a tiara of sequins and pearls. She carried a bouquet of white carnations arranged atop a white Bible. Her only jewelry was a strand of pearls.

ATTENDANTS

Miss Jerita Sutton, bride's sister, attended as maid of honor. She wore a blue taffeta dress complemented with a corsage of white split carnations.

Gerald Johnson, bride's cousin, was best man. Ushers were William Morris, and Frank Johnson, bride's cousin.

Lighting the candles at the altar were Miss Joyce Cook, bridegroom's sister and Miss Jeanie Terry.

Mrs. Ray Wilson, pianist, provided the traditional wedding music and was accompanist for Miss Sheryl Teague as she sang "I Love You Truly."

For her daughter's wedding, Mrs. Martin chose a two-piece, black crepe dress with white and black accessories and a white split sash. The bridegroom's mother, Mrs. Cook, wore a black and white nylon over silk dress with black accessories, complemented with a white split sash.

RECEPTION

A reception was held in the church annex immediately following the ceremony. The bride's table was covered with a lace cloth centered with a tiered wedding cake. Mrs. Shelby Johnson and Mrs. Jim Fleming presided at the punch service. Miss Patsy Cook, bridegroom's sister, served cake.

The bride attended Englewood High School. The bridegroom was graduated from Pampa High School in 1959 and is employed by Clayton Husted.

The couple will make their home at 324 N. Gillispie.

The bride was honored with a shower on Sept. 16 in the church with approximately 70 guests attending or sending gifts.

Worthwhile Club Names Officers

Mrs. O. A. Wagner was hostess to Worthwhile Home Demonstration Club on Thursday afternoon in her home, 616 N. Sumner.

Following a report of the nominating committee chairman, Mrs. J. L. Carlton, the following officers were elected, Mmes. Shelby Hood, president; Lester Reynolds, vice president; Odie Skinner, secretary; O. G. Smith, treasurer; J. L. Carlton, council representative.

The president announced that there would a demonstration on making feather hats in the Agriculture Building on Sept. 27 at 1:30. All home demonstration members were invited to attend.

Roll call was answered with "a pattern for a Christmas gift". Apron patterns and suggestions for Christmas gifts were exchanged.

Among the suggestions made were: stars can be made from tin cans for tree decorations, bottles can be decorated with bands of velvet and spangles for bath salts and pin cushions can be made from old-fashioned wire egg beaters with the use of velvet and ruffles.

Refreshments were served by the hostess during the social hour. Members attending, other than those mentioned previously, were Mmes. Billy Joe Kennedy, James Wight, Dewey Johnson, Boyd Brown and O. A. Wagner. Miss Reta Bryant was an after-school guest.

Achievement Day will be Oct. 7 beginning at 9:30 a.m. with Mrs. Frank Totty, 2101 N. Dwight.

Exemplar Members Talk Of Art At Chapter Meeting In Francis' Home

Mrs. John Plaster and Mrs. Byron Hilburn presented a program on "Let's Begin With Art" at a meeting of Exemplar Chapter of Beta Sigma Phi Sorority held Monday evening in the home of Mrs. Dot Francis.

In opening remarks, Mrs. Plaster said, "Our houses are an expression of ourselves, but they are also an expression of our social activities... places where other people meet us in friendly accord. They are placed where the arts touch our lives. All arts have certain universal essences."

"We get involved with the details of art; line and mass, pattern and value, color and texture, ornament and decoration, use and practicality, proportion and space relations." After discussing each of these points in detail, Mrs. Plaster reminded "we need to exercise a control over these elements, never confusing these means for the ends we have in mind."

Mrs. Plaster further stated, "Good taste is molded to a very large extent by the things which surround one. The family taste is trained by objects selected by the homemaker. Therefore, mother sets the pace for our interior likes and dislikes. It has been said that

If you've broken the plaster on picture, here's one way to fix it without repainting. Mix shades of food coloring to the patching plaster until you've arrived at the color that most nearly matches the wall.

roundtable discussion on "Art in Our Homes."

Attending the meeting were Mmes. Jim Poole, Murray Sealey, Jim Meredith, Charlie Roberts, Doris Francis, Jack Vaughn, Mel Keifer, F. L. Stone, Jeff Trully, Joe Fischer, Maurice McCoy, Bob Trampe and Ted Knox.

Book Review Highlights Presbyterian Annual Fall Fellowship Coffee

Mrs. H. H. Hahn reviewed "The Greatest Thing In the World" by Henry Drummond at the annual Fall Fellowship Coffee held Wednesday morning in the First Presbyterian Church.
Mrs. Clinton Henry, membership secretary, presided at the guest register.
Guests were received by Mrs. John Nutting, president of the association.
Mrs. John B. McGrery, first vice president, presided at the coffee service, which was served from an attractively appointed table in an autumn motif.
Arrangements for the Coffee were under the direction of Mrs. Homer Johnson, fellowship chairman, assisted by Meses. E. C. Sidwell, C. V. Wilkinson, W. T. Wilborn and W. L. Hasse.
The program opened with prayer by Mrs. Ocie Stewart followed by a welcome extended by the president, Mrs. Nutting. Introductory remarks were given by Mrs. Charles Wade.
Others attending were Meses. Earl Casey, Owen Gee, B. Baldrige, Bill Gething, Jim Lacy, Ralph Ludwig, S. P. Caldwell, Charles Rodgers, Michael Wilson, Boyd Taylor, Joe McDonald, Robert Herring, Ronald Hubbard, Bill Clay, Claude Ferrel, O. W. Appleby, Walter Jones, William Lemmons, H. S. Alexander, E. L. Hosiery Manufacturers Come To The Fashionable Aid Of Milady's Gams

By GAY PAULEY
UPI Women's Editor

NEW YORK (UPI) — The cosmetics manufacturers, ladies, came to the aid of our faces. Now, one hosiery manufacturer has come to the aid of our legs. The firm has started production of nylon stockings with cosmetics built in. In other words, your gams get an automatic beauty treatment just by wearing the hose.

U. B. Buchanan, a native of Prescott, Ark., and in the hosiery industry for 43 years, is president of Beautique Stockings, Inc., which is pioneering the "facial" for the legs. The firm is a subsidiary of McCallum-Clausner, one of the largest manufacturers in the nation.

Buchanan explained in an interview that the nylons are treated with a blend of minik, turtle and sesame seed oils, plus royal jelly and lanolin.
"All are basic ingredients in most of the face creams on the market today," said Buchanan.
"Minik oil acts as a food sup-

plement to rebuild tissues," he went on. "The turtle oil has astringent properties. Royal jelly—a product of the queen bee—is supposed to restore and bloom; whatever that means. Lanolin helps retain skin moisture and prevent chapping and drying.
"And the sesame, from East India, keeps the rest of the mixture from getting rancid."
Buchanan said the idea for cosmetics for the legs, via stockings, came to him about a year ago. He put chemists to work, first to develop a formula, and then figure out how it could be added to nylon and last through numerous washings.

As it worked out, he said, the formula is added to the nylons right in the dye vat, and laboratory tests show the hose can be washed as many as 30 times without losing any more than 13 percent of the cosmetic content.
Consumer tests proved women liked the idea, Buchanan said, and the stockings will go on the market at leading stores later this month. So will separate bot-

tles of the formula, if a girl wants to try it as a supplement to her nylons or on her face.
He said the nylons will come in the same sheer weights of other nylons, cost the same as regular better brand hosiery and be available in "powder puff" tones of beige, pink and so on.
When washing crystal and delicate china, line your dishpan with a towel. The soft fabric will act as a cushion, guarding against chips and scratches.
If a travel poster appeals to you, save it. Mounted on a screen or rumpus room wall, it will be a decorative panel. Paste it to wall and then spray a coat of shellac on its surface.

9:30 — Buckner Circle, Harrah Methodist WSCS, Fellowship Hall.

Polly's Quiz

Dear Polly: I'd like your help in doing my bedroom up right. I have a beautiful new French provincial bedroom set and one hobnail lamp.
My husband is fond of George Washington bedspreads. I'm not. Would one be out of place? What color for walls, drapes, bedspreads, throw rugs and bedroom chair?—D. Van D.

Dear D. Van D.: A master bedroom should avoid a fussy, feminine look. Use turquoise for walls, woodwork and room-size rug. Curtains could be made of brown-and-white toile, lined with turquoise and tied back so a line of turquoise shows.
A dust ruffle, beneath a white quilted bedspread, could be in the same brown-and-white fabric. Talk your husband out of the spread. Toss out that lamp. It's a bit quaint for your room.
White toile lamps would be better. Use a warm brown cotton velvet on the chair. Wall back of the bed sounds like an ideal spot for an impressive grouping of family pictures.

FASHION SHOW — Offices in Women's Society of Christian Service of First Methodist Church were illustrated in a fashion show held following a salad luncheon Wednesday in the Fellowship Hall. Among the models were left to right, Mrs. Cletus Mitchell, illustrating the work of Children's Work; Mrs. James Mullins as Missionary Education secretary; Mrs. J. E. Thompson, Christian Social Relations; Mrs. J. R. McDonald, publicity and Mrs. Charles Shelton, Literature and Publications. (Daily News Photo)

Rainbow Order Elects Officers

SKELLYTOWN (Sp)—The Order of the Rainbow For Girls elected officers at a recent meeting held in the Masonic Hall.
Members elected were Nelda Grimes, worthy advisor; Ann Harlan, associate worthy advisor; Linda Burgin, faith; Sally Banks, hope; Cherry Baker, charity; Janet Wedge, secretary; Tommie Kay Kelly, treasurer.

"Into All The World Together" Forms Theme For WSCS Salad Luncheon

"Into All the World Together" formed the theme for the Women's Society of Christian Service of First Methodist Church at a salad luncheon held Wednesday in Fellowship Hall.
Mrs. W. R. Campbell gave the invocation.
World globes were centerpieces with place mats and napkins illustrated with world maps and areas which are aided by WSCS. At each guest's place was a picture of a person from another country inscribed with a greeting in her native language.
Following luncheon, Mrs. Kermit Lawson, president, presided at the business meeting as announcements were made of future meetings. The devotional topic was given by Mrs. Carlton Nance, who used the interest center of Christ over the entire world. "The Spirit of Christ" was given as the thought for all.
Mrs. W. W. Adcock told the meaning of the WSCS emblem starting with the base and adding each part with an explanation for each.
Mrs. Don Cain was narrator for the style show given by officers, who modeled an original costume depicting her duties in the Society.
For closing prayer, "May The Good Lord Bless and Keep You" was sung by Mrs. Melvin Stephens.
It was announced that the next meeting will be on Oct. 5 at 9:30 a.m. at which time all circles will meet in the chapel for a film and then go to separate rooms to continue with the current mission book study.

Rho Eta Chapter Makes Plans To Attend Lectures By F. W. Mattox

Rho Eta Chapter of Beta Sigma Phi Sorority met Tuesday 8 p.m. in the home of Mrs. Haldane Suttle, 2134 Beech.
During the business meeting conducted by Mrs. H. L. Meers, president, plans were announced by Mrs. Ray Jordan for rush parties to be held in October.
Mrs. Mack White was selected to represent Rho Eta Chapter as its Valentine Girl for this year.
The program "Love's Miracle In Marriage" was presented by Mrs. Bill Duncan, who read from "The Prophet" by Khalil Gibran and poems by Elizabeth Barrett Browning from "Sonnets from the Portuguese." Mrs. Jane Jennings presented a chapter from the study book for the year.
Mrs. Chester Huff displayed square dresses for members to select from for the Panhandle Round-up Area Convention to be held in Pampa on Oct. 30 in the Coronado Inn.
Mrs. Jack Florence announced plans of Dr. F. W. Mattox, president of Lubbock Christian College, who will lecture in an "American Citizenship Training Clinic, which will be sponsored by the Pampa Chamber of Commerce. The chapter voted to attend the Nov. 7 lecture and count it as a club meeting. Members were urged to attend the other meetings that will be held each Monday night beginning Oct. 10 in the Pampa High School auditorium.
Mrs. Jennings was awarded the door prize, a cheese dish and server.
During the social hour, Mrs. Suttle, assisted by Mrs. Jennings, Mrs. Duncan and Mrs. Jim Terrell, served refreshments from a large covered table appointed with an arrangement of fall flowers, silver tea and coffee service.
It was announced that the Oct. 11 meeting will be with Mrs. Delmar Watkins, 611 Red Deer.
Members attending were Mmes. Jack Chisum, Bill Duncan, Riece Field, Jack Florence, Chester Huff, Jane Jennings, Ray Jones, Lewis Jones, Ray Jordan, H. L. Meers, Marshal Nelson, A. C. Parsley, Haldane Suttle, Bill Terpley, Jim Terrell, Delmar Watkins, Mack White and Raymond Williams.

CHEESE WITH LAMB CHOPS

As a tasty sauce for lamb chops, mash Roquefort cheese with cream and add a few drops of Worcestershire sauce. Spread on chops when they are almost done and continue broiling until cheese melts.

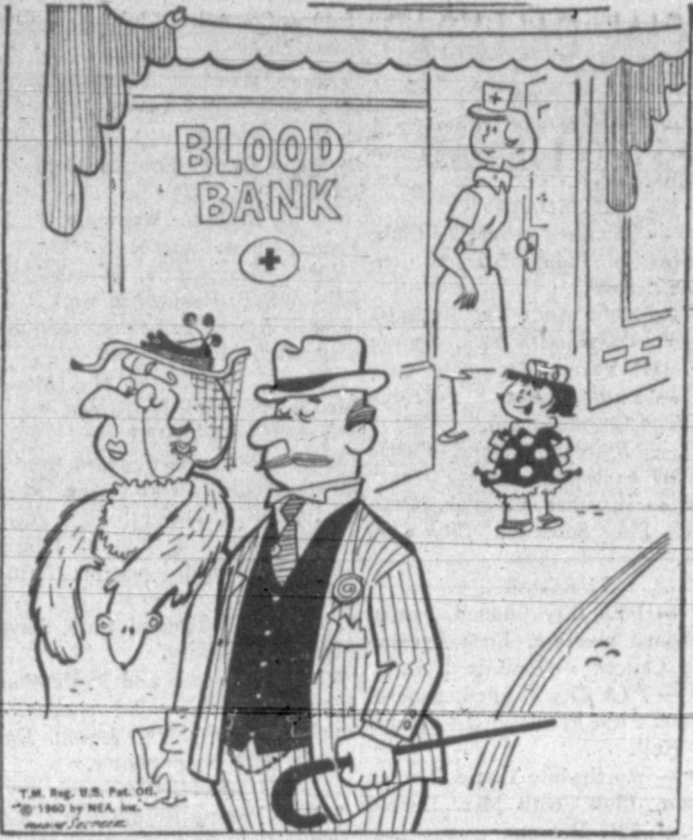

LITTLE LIZ
Even worse than a bunch of noisy kids is a group of kids who are suddenly very quiet.

Known as hurricanes, tropical cyclones or typhoons, the vast cyclonic storms which plague mankind annually form in the " doldrums," a relatively narrow region north and south of the equator. This atmospheric belt, an area of light winds, rising, warm, moist, air and frequent rain, and thunderstorms, shifts back and forth across the equator with the changing seasons, and storms form on its outer limits. Newsmap locates four general regions in which storms form, and arrows indicate likely paths favorable for their forward movement with the prevailing winds.

Autos Hamper Pupils Grades, Survey Shows

By LOUIS CASSELS
United Press International

An automobile may be a social asset to a teen-ager, but it can also be a serious academic liability.

High school principals have been saying that for years. Their judgment has now been strongly corroborated by a nationwide survey conducted by the Allstate Insurance Companies.

The survey covered a large sample of the U.S. high school population—20,000 typical juniors and seniors in 29 communities, representing all sections of the country and all social-economic brackets.

It shows a definite relationship between driving habits and academic performance. The higher a student's mileage, the lower his grades are likely to be.

For the sake of conscientious teen-agers, it should be emphasized that occasional use of the family car for dates does not appear to have a detrimental effect on school work.

Finally, it is clear from the survey that a year's difference in age makes a lot of difference in a teen-ager's ability to handle the heady freedom of an automobile without getting into trouble at school. Students who obtain a car or extensive use of a car, at age 15 nearly always show a sharp drop in academic standing. When car privileges are withheld for a year longer, the effect on grades is considerably diminished.

Summing up the findings, the authors of the Allstate survey conclude that "parental laxity can be blamed for most situations in which premature ownership or excessive use of cars leads a teen-ager to academic disaster."

Texas U. Sets 25th Band Day Events

AUSTIN (Spl.) — The University of Texas' 25th annual Band Day, sponsored by the Longhorn Band, will bring more than 100 high school bands and 8,500 musicians to the campus Saturday.

Pampa High School's brilliant band will not compete, since it is being prepped for its appearance at Chicago in December during the Mid-West Concert contests.

Bands will compete for marching honors at a 10 a.m. parade up Congress Ave. Drum majors, majorettes and twirlers will engage in a 2:30 p.m. twirling contest at Clark Field, the University's baseball stadium. The public is invited to witness both events.

Band Day participants will be

Obituaries

By United Press International
NEW YORK (UPI)—Stanleigh Friedman, 76, vice president and a director of Warner Bros. Pictures, Inc., died Friday in his home.

NEW YORK (UPI)—Harry P. Wurman, 64, former president of

Bayuk Cigars, Inc., of Philadelphia, died Friday in his Manhattan home.

NEW YORK (UPI)—Dr. Charles Upson Clark, 85, educator, writer and linguist, died Thursday after a long illness. A former director of the School for Classical Studies in Rome, he served as a research investigator in Europe for the Smithsonian Institute.

Service Station Owners Join In Tax Cut Fight

Service station owners dealing in better known brands of gasoline in the Pampa area have joined in the state-wide effort to cut the one cent "temporary" tax that was placed on gasoline by Washington and which is supposed to expire June 30, 1961.

Last October the federal government tacked on this added motor fuel tax as a temporary measure. But Texas Service Station Association officials fear the tax will be extended, since there have been moves in that direction by several states.

Locally, stations are preparing petitions signed by their customers and these will be forwarded to state congressmen in the nation's capital.

Participating organizations are: American Oil Co., Arkansas Fuel Oil, Continental Oil Co., Fina, Gulf Oil Corp., Humble Oil and Refining Co., Kerr-McGee Oil Co., Mobil Oil, Phillips, Premier, Pure Oil, Shamrock, Shell, Sinclair, Skelly, Standard Oil of Texas and Texaco Inc.

46 Died In Week In Traffic

AUSTIN (UPI) — The Department of Public Safety reported Saturday that 46 persons died as a result of traffic accidents last week.

Total deaths for the year numbered 1,584—4 per cent fewer than the 1,657 persons killed in traffic at the same week in 1959. The DPS said so far in 1960 there have been 1,282 fatal accidents 8 per cent less than the 1,395 fatal crashes at the same time last year.

Methodists Hold Evangelistic Rallies In State

One of a series of Texas Methodist evangelistic rallies will be held in Travis Park Methodist Church, San Antonio, Tuesday.

Following an all day called session of the Southwest Texas Conference, the rally will be held that evening in the downtown church. Speaker for the occasion will be Bishop Arthur J. Moore, well known evangelist and retired bishop of the Atlanta, Ga., area of the Methodist Church.

The rally is being held in conjunction with five other conference-wide rallies in Texas. Rallies preceding the San Antonio one featured Bishop Moore in Dallas, Fort Worth and Lubbock. Crowds there exceeded 20,000. Bishop Moore will also appear in two other meetings in Houston and Tyler, Wednesday and Thursday.

During the day session of the conference, also slated for the Travis Park Church, the Rev. Dr. Robert Arbaugh, pastor of the St. Paul Methodist Church, Springfield, Mo., and the Rev. Dr. James Clubb of Grand Island, Neb., will be featured speakers.

Bishop Moore, who was at one time pastor of the Travis Park Methodist Church, has served churches in Texas, Alabama and Georgia.

Bishop Moore has served as president of the Methodist Council of Bishops and as president of the Methodist Board of Missions.

The author of five books, he holds degrees from eight different colleges and universities, one of which was bestowed by Southwestern University of Georgetown.

Bishop Paul V. Galloway is resident bishop of the San Antonio-Northwest Texas area of the Methodist Church, and will be host to the rallies.

Singing Sequel
HOLLYWOOD (UPI) — Bing Crosby, whose latest album, "Join With Bing and Sing," is having the best sale of any he's recorded in a decade, is preparing a second volume for Warner Bros.

Clip-on GAS HEATERS

BY **Dearborn**

Dearborn's Clip-On series of unvented wall heaters are small in size... large in heating ability. A Clip-On heater is the answer when floor space is limited... hangs on the wall. Quick and easy installation.

Clip-On heaters offer many outstanding Dearborn features:

- Cool Safety Cabinet
- Forward Heat Flow
- Hi-Crown, Drilled-Port Burns
- Stainless Steel Radiant
- Enclosed Controls
- Blue Flame Manual Pilot
- Economical Operation

Select the powerful Clip-On heater when floor space is important. Available in 10, 18, and 25 thousand BTU's.

YOUR FREEDOM NEWSPAPER

We believe that freedom is a gift from God...

This newspaper is dedicated to promoting and preserving YOUR freedom as well as our own.

Subscription rates: 35c per week, \$11.50 per month...

Can A Group Upset Unions?

Is there a possibility that a group of individuals acting on their own can upset the organized pressure of the mighty unions?

A group of men at the McCulloch Corp. in Los Angeles think they have found the secret...

"The individual effort of each of us who feels that he or she alone is master of his own fate...

The UAW in 1950 won a close election to be certified as bargaining agent...

Then, about a year ago, a group of workers decided they had had enough and filed petitions for a decertification election...

However, the union accused the employee committee and the company of unfair labor practices...

A hearing on the issues was held by a National Labor Relations Board hearing officer in June and July...

Here are a few more quotes from the most recent letter:

Revolt Of The Children

There's a revolt in the classroom brewing up some interesting aromas in California...

But the matter of quality in education has long plagued parents in the golden state...

One report states California has been launching new private schools at the rate of one per month for the past three years...

For even this little bit of stiff competition to the government monopoly has loosened a few tongues...

Take what happened to some graduates of Downey High School...

Downey had been proudly displayed as a model school...

While the shocked oldsters were checking their hearing aids...

By THURMAN SENSING

Shadow In South Among Politics

A clearcut showdown between the nation's conservatives and liberal forces seems likely...

For the first time in the memory of southerners, their votes will be eagerly sought by the two party nominees who will come into the South...

The latest reports show that a large number of normally Democratic or independent daily and weekly newspapers in the region are expressing interest in or direct approval of the Nixon-Lodge ticket...

In most of the southern states, voters who were self-styled "Independents" in 1950 are now saying that the election should be a clear-cut choice between the two parties...

Indeed it is clear to the man-in-the-street that a political revolution is taking place South of the Mason-Dixon line...

Certainly the southern temper in these months before the presidential election seems to be one of cool calculation as to what course will pay off for conservatives...

Southerners also seem to be arriving at a consensus which is that how to vote depends on the candidates' stand on public issues such as socialism, big unionism and foreign policy...

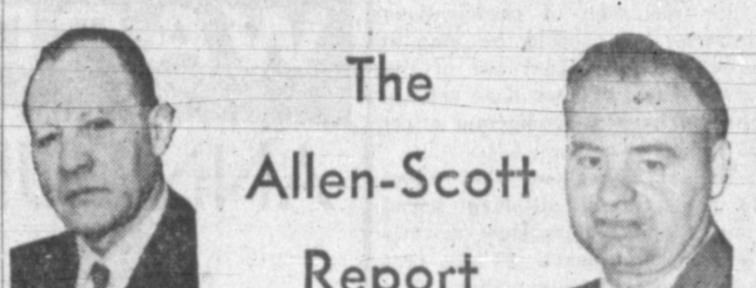

Sudden realization in both parties that the South's electoral votes are no longer "in the bag" for one-party production competition...

It will be impossible for a candidate to avoid the issue of freedom vs. more federal control...

And now the CAC is clanking around the state like an icop buster, recommending abolition of the time-hallowed observance of Susan B. Anthony Day...

These bazooka-like barbs not only blattered against the hides of the Downey school board...

Two On A Match

The Allen-Scott Report

ROBERT S. ALLEN PAUL SCOTT

HOUSE DEMOCRATS PLAN MOVE TO REDUCE POWER OF RULES COMMITTEE HEAD AFTER ELECTION

WASHINGTON — When the new Congress meets in January, the first order of business for a growing number of House Democrats will be a move to clip the wings of the powerful House Rules Committee Chairman...

Already, Representative Chet Holifield (D., Calif.) and Frank Thompson (D., N.J.), leaders of a 100-member Democratic study group, are mapping their strategy to curb Smith in a series of long distance phone calls to other House Democrats...

They are being encouraged by the discovery that Smith, in blocking legislation on the final day of the 86th Congress, alienated a good many members, including a number of westerners and southerners...

As Chairman of the Rules Committee, Smith and the conservative coalition he commands on that body exercise almost dictatorial power over the business of the House...

Under this rule, the chairman of the originating committee can take a bill directly to the floor if the Rules Committee reports unfavorably or refuses to clear a bill within 21 days...

Both proposals are designed to curb Smith's powers. House Speaker Rayburn in a conversation with Thompson said that he favors some changes, but that he wants to delay any discussion until after the November election...

Thought for today: U. S. President Woodrow Wilson said: "Sometimes people call me an idealist. Well, that is the way I know I am an American. America is the only idealistic nation in the world."

The Nation's Press

INFLATION vs. MORALITY

By HENRY HAZLITT

(In addition to the crushing taxation and the internal loans that the Government of India is raising to finance its top-sided plans, it has resorted to huge borrowing from abroad...)

Inflation never affects everybody simultaneously and equally. It begins at a specific point, with a specific group. When the government puts more money into circulation, it may do so by paying defense contractors...

Other proposals under consideration by the group, include: Plans to act in caucus the day before Congress convenes to force election of eight new Democratic members to Rules Committee...

Ouster for Rules Committee of Representative William Colmer (D., Miss.), voting ally of Smith, on grounds that he supported independent state of electors in Mississippi...

Many of the Holifield-Thompson supporters believe that the battle will be 1949 all over again. In that year, after President Truman's unexpected reelection, there was a revolt against the power of the Rules Committee...

It is not merely that inflation breeds the gambling spirit and corruption and dishonesty in a nation. Inflation is itself an immoral act on the part of government...

This was recognized in 1776 by Adam Smith in "The Wealth of Nations." Though I have quoted the passage before, it bears repeating: "When national debts have once been accumulated to a certain degree, there is scarce, I believe, a single instance of their having been fairly and completely paid..."

The pretended payment was inflation. The U.S. Government today is paying off in 47-cent dollars the debts it contracted in 1940...

Thought for today: U. S. President Woodrow Wilson said: "Sometimes people call me an idealist. Well, that is the way I know I am an American. America is the only idealistic nation in the world."

Fair Enough

Emancipation Proclamation Readied For Employees

By WESTBROOK PEGLER

The fair employment laws thus far deal only with discrimination against candidates for work financed by taxes solely on the ground of race or religion...

When this political development was bigger than a man's hand, Tom Dewey, then governor of New York, put an instinctive finger on the jugular...

That, Mr. Dewey said, would demonstrate the fatal weakness of this conscientious effort to distribute opportunity evenly...

But where public moneys are used to meet the payroll it does seem sensible that rules should be laid down to protect all persons from ostracism or exclusion for any other consideration than competence and normal priority...

According to that belief, which I here declare to be my own, I propose in particular that no tax money appropriated by congress for any public work shall be allocated to any job which is not open to non-union applicants...

As matters have stood for many years, the unions of the AFL and CIO are privileged rackets subsidized by the national government in a case of blackmail amounting in all to billions of dollars...

The construction workers, the answer to previous puzzle: ACROSS 56. Emend, 57. Spines, 58. Anointed, 1. Sic, 2. Tyrannis, 3. Virginia's motto, 4. American dogwood is the state tree, 5. Put up, 6. EL CENTRO, Calif. (UPI)—The local Chamber of Commerce, evening, sent Barry Potter Billings, Mont., exactly what he asked for to help him with his school work...

Barry's request: "Six or eight bugs of different kinds including a large black cockroach."

Barry's request: "Six or eight bugs of different kinds including a large black cockroach."

Completing... week, according to road comm.

electricians who wired the Oa Ridge job for the creation of 10 sailors on the transport and car-

Complaining individuals may actually have been rejected for other reasons such as incompetence or disruptive behavior.

That most of the union executives were grafters and many were bootleggers, the Democratic administrations from 1936 to 1950 were well aware. So is Jack Kennedy. In person I inquired many construction jobs, including Davis Monthan Air Base in Tucson...

The U.S. Employment Service vigorously collaborated with the goons. The U.S.E.S. downtown Tucson would not write a "referral" for an applicant for work under union claiming jurisdiction over him. Yet, the U.S.E.S. was holding up a labor shortage.

Minister To Accept New Duty

LEFORS (Spl) — Charlie Tutor, minister of the Church of Christ, for the past three years, concluded his teaching capacity with "Theory of Evolution vs. the Bible," for the Ladies Bible Class Tuesday morning.

The Tutor family will be moving next week to Waco, where he will assume ministerial duties in South Waco Church.

Present for the study were Mrs. L. M. McCathern, Tom Gee, Daniel Rose, R. T. Jinks, J. B. Martin, Ann Glover, Carl Wall, L. C. Ford, Burl Davis, Charlie Tutor, O. R. Henry, C. E. Fenno, Ed Brock, Harley Lewis, A. M. Miller, Earl Lane, Cora Bradford, Bessie Call, Alton Flinchum, Charles Roberts, Walter Hughes, Gordon Robinson, John Roberts, Beulah Hext and Clois Pinner.

Two Services Now At Saint Paul Methodist

St. Paul's Methodist Church will begin two morning services Sunday.

The first service will begin at 9 o'clock and the latter at 11 o'clock.

"This service is offered to meet the growing needs of our church and to encourage greater participation on the part of its members," the Rev. Jack Riley, pastor, said.

Sunday Christians throughout the world will observe World-Wide Communion Sunday. The Rev. Mr. Riley will base his sermon topics on the Last Supper to point up the special observance.

Mrs. Riley will be soloist for the services. Mrs. Lois Fagan will be organist, and music will be under the direction of Mrs. Carl Shafer.

Shivers Gears For Political War In Texas

By PAT CONWAY
United Press International

DALLAS (UPI) — Repudiating all things Democratic in 1960, former governor Allan Shivers has geared for a new political fight with Lyndon B. Johnson and Sam Rayburn.

In a statewide appeal Wednesday night, the three-time Democratic governor urged "fellow Democrats" to join him as they did in 1952 and 1956 to help elect a Republican president.

Shivers delivered a blistering attack on the Democratic national "I will vote for Richard M. Nixon and Henry Cabot Lodge."

He said the platform would destroy the oil depletion allowance, help Texas lose its tidelands, wipe right-to-work laws off the state books and over-run the nation with federal aid.

"I would go farther and say that the Democratic platform of 1960 advocates and promises socialistic measures that socialist Norman Thomas never dreamed of," Shivers said.

Shivers said he would support the state party platform, which reversed the national stand on states' rights, closed shops, United States participation in the World Court, federal aid to schools and the depletion allowance.

"If I accept these, I repudiate the other—the national platform," he said.

He urged Texans to reject an attitude of "don't worry about the platform; Lyndon and Mr. Sam will take care of us."

"Now I have a great deal of respect for — and some personal experience with—the way Senator Johnson and Mr. Rayburn can 'take care of things.' But let me remind you that they did not 'take care of things' at Los Angeles—not even themselves," Shivers said.

Although deposed by Johnson-Rayburn forces as state party leader in 1956, Shivers said he was not renewing a "bitter-political feud" with the Democratic vice presidential candidate.

"I have no vendetta with Lyndon Johnson," Shivers said. "I am entering this fight in spite of his presence on the national ticket, not because of it."
