IGNOR STREET DANGER SPOT - This is the ridge City Commissioner Leon Holmes wants conmned or blocked off to traffic. A Pampa News photorapher made the above picture and arrived just in me to catch a loaded school bus as it made the crossg. City Engineer Monroe Moore said today he will ake a further study of the bridge condition and subit recommendations to the City Commission. Com-issioner Holmes charged at Tuesday's commission meeting in City Hall that the bridge is unsafe. Supports are rotting away, Holmes said, and is endangering lives. He said he feared for what might happen some day if a loaded bus should crash through the span. The city engineer said he will have a report ready for the commission with estimate of the cost to replace the old structure which Commissioner Holmes said has been in a weakened condition for some time. The bridge is on Tignor St., just north of McCulloug
