73 Persons Die In Jet Crash; U. S. Ice Skate Team Included In Toll

Sidwell And Simmons File For City Offices

Two more candidates have filed for city offices in the forthcoming city election on April 4.

E. C. (Gene) Sidwell, local oil man, filed this forenoon for mayor and Edwin E. Simmons, oilfield supply house manager, filed his candidacy yesterday afternoon for commissioner in Ward 2.

A resident of Pampa since 1932, Sidwell is president of the Sidwell Companies and Beacon Supply Co. In a statement this forenoon, Sidwell said his only platform is to give the taxpayers honest and efficient city government.

Born in Kentucky and active in the oilfields of Oklahoma during the '20s, the mayoralty candidate has owned his own business in Pampa since 1934.

He is a member of the First Presbyterian Church and is a Mason. He also served on the board of the Pampa Independent School District.

Sidwell resides at 1901 Charles with his wife, Pauline. He has two children who are residents of Pampa, E. R. Sidwell and Mrs. Hobart Fatheree. The candidate's parents, Mr. and Mrs. Clarence Sidwell also reside in Pampa.

Rapid Aid Due Jobless

WASHINGTON (UPI) — The House may act with unusual speed to answer President Kennedy's request for immediate legislation to aid jobless workers whose unemployment benefits have run out.

The Ways & Means Committee, headed by Rep. Wilbur Mills, D-Ark., was set to open three days of hearings on the proposal today with Labor Secretary Arthur J. Goldberg as the leadoff witness.

Informed sources said the committee probably would approve the measure with amendments early next week. This would send it to the rules committee which could clear the way for quick floor action.

If no roadblocks were placed in its path, the House could rush the bill to the Senate by the end of next week.

The administration proposal would: —Extend the duration of unemployment compensation benefits up to 39 weeks by requiring employers to foot the bill through higher taxes. —Authorize federal-state public assistance aid for needy children of parents who are out of work. Needy children qualify for such aid now only if their father is dead, disabled or has deserted his family.

Tragedy Mars Landing Attempt At Brussels

BRUSSELS, Belgium (UPI) — A Belgian Boeing jetliner crashed and burned while trying to land at Brussels airport today, killing 73 persons. The dead included American "queen of the ice," Laurence Owen, and 16 other star U. S. figure skaters.

The four-engine Sabena Airlines plane plunged into a field short of the runway at Saventem airport and burst into furious flames.

It was the first major air disaster of 1961 and the first crash of a Boeing 707 jet in commercial service.

Sabena officials said there were "no survivors" among the 41 passengers and 11 crewmen. One man working in the field was killed and another was seriously injured.

The 16-year-old Miss Owen, of Winchester, Mass., captured the women's North American figure skating crown in Philadelphia just last weekend. She and the other skaters were members of the U. S. team en route to Prague for the international skating championships, which were canceled because of the crash.

The death toll also included 35 other Americans, Sabena Airlines officials said.

Also killed in the crash was Miss Owen's equally famous mother, Mrs. Maribel Vinson Owen, a nine-times figure skating champion herself, and Laurence's 26-year-old sister, also named Maribel, and who was a skating star in her own right.

The disaster wiped out U. S. hopes for skating victories in the 1964 Olympics. U. S. senior men's champion Gregory Kelley of Colorado Springs, Colo., also was killed.

Eyewitnesses said the giant silver and blue plane—flight 548 which left New York at 8:30 p. m. EST Tuesday—circled the air field three times, apparently trying to land.

It finally started its descent, swung up briefly, started down again and then banked steeply and plunged into the ground nose first from 300 feet at 10:05 a. m. (4:05 a. m. EST). It sliced through power lines on its death dive.

Witnesses said the plane exploded immediately into flames and spewed heavy black smoke.

When word of the disaster reached Switzerland the International Skating Union canceled the Prague meet scheduled for Feb. 22-28.

The casualty toll was the eighth highest among the world's airliner disasters.

The cause was a mystery. Flying weather was perfect. The plane apparently had reported no difficulty during its 7½-hour non-stop flight across the Atlantic.

The scene of the crash was the village of Berg, 11 miles northeast of Brussels.

Mrs. Heloise Vereycken, a neighbor, said she saw the plane.

U.S. Braces To Support Dag In Russ Ouster Try

UNITED NATIONS, N.Y. (UPI) — Screaming, fist swinging, the U. S. Ambassador Adlai E. Stevenson was making a speech in the U. N. Security Council chamber today in the first of debate on the Congo.

The demonstration had erupted in the U. N. Security Council chamber today in the first of debate on the Congo.

U. S. Ambassador Adlai E. Stevenson was scheduled to open the counter-attack as the first speaker in this morning's session.

He was faced with the prospect of seeing the results of intensive consultations with the Congo with many powers, including Russia, destroyed by the flames of reaction to the slaying of Patrice Lumumba.

Russia — supported by a number of "neutralist" African and Asian nations — mounted a fast-paced attack.

It circulated a formal resolution Tuesday night demanding that the Security Council: —Dismiss Hammarskjöld as secretary-general. —Condemn Belgium and impose sanctions such as breaking diplomatic relations or curtailing trade and communications. —Order the arrest of Congolese strongman Joseph Mobutu and Katanga President Moïse Tshombe, disarm their troops and oust all Belgians from the Congo. —End the U. N. operation in the Congo within a month and

Paradox: Jobs Going Begging

WASHINGTON (UPI) — In a paradox on the nation's economic recession, thousands of specialized jobs are going begging while nearly 5.5 million American workers are unemployed.

A government report showed today that a total of 17,954 jobs in various fields could not be filled locally last month by the U. S. Employment Service.

Employers reported shortages of engineers, social workers, teachers, nurses, draftsmen, technicians, machinists and instructors for deaf children.

Data from employment service offices stretching from New York to Los Angeles also indicated a continuing demand for "well-trained, competent secretaries, stenographers and typists."

Even Detroit, with nearly 12 percent of its labor force out of work, reported job openings for specialists who operate electronic computers and machine bookkeeping systems.

Oil Production Goes To 10 Days In March

AUSTIN (UPI) — The Texas Railroad Commission today increased March oil production to 10 days, but warned the figure is "dangerously high and will have to be watched."

The March production was estimated at 2,980,842 barrels daily, an increase of 2,04,952 barrels from the February average calendar day allowable during an eight-day production month.

Nine of the oil purchasers asked for a nine-day month, three sought a 10-day producing pattern and the remainder requested a calendar day allowable during an eight-day production month.

Commission chairman William Murray warned the purchasers at the monthly oil allowable hearing to expect "very substantial reductions in the near future to meet decreased demand."

Another of the three commissioners, Ernest Thompson, credited the "careful stewardship" by this commission over a long period of time "with working off the Texas oil industry's surplus oil inventory stock."

He said Texas "seems to be first in line in leading the industry out of the depression."

Charles Shaver of Humble said that his firm requires 454,855 barrels of oil for March and the industry's requirements necessitate a minimum pattern of 10 days.

Shaver complained that low production patterns had made it impossible for Humble to buy needed crude oil in Texas and "we are unable to supply our customers requirements."

He now has 1961 State Safety Inspection stickers. Come in today and beat the rush. Pampa Safety Lane, 411 S. Cuyler, Adv.

Panel Given Bet Bill

AUSTIN (UPI) — After six and one-half hours of close infighting and humorous jibes, a controversial measure to legalize pari-mutuel betting on horse racing in Texas was sent to a subcommittee for study early today.

The House Constitutional Amendments committee referred the proposed amendment under automatic rules of the committee.

Rep. V. E. (Red) Berry of San Antonio, sponsor of the measure, was named to the subcommittee.

Rep. Bill Huebner of Bay City will act as chairman. Other members are Reps. Jerry Butler of Kennedy, Ben Jarvis of Tyler and Granger McIlhenny of Wheeler.

Berry urged lawmakers to vote their "consciences" on the issue.

The San Antonio lawmaker regarded a standing-room-only crowd of more than 1,000 racing fans with colorful cross-examination of opponents of his amendment.

Berry whittled down preachers and a banker with "naive" questions in butchered English, but ran into an alert young opponent in the son of the late former Gov. James B. Allred. Allred was instrumental in getting the legislature to outlaw gambling on racing in 1937.

Several times a demonstrative but sleepy audience was called to order by Rep. Charles Sandahl of Austin. The committee chairman's gavel also came into action when more than 100 opponents of the bill had their moment to laugh.

Sandahl said he would clear the galleries of the House if demonstrations continued.

Berry's measure calls for a statewide vote to determine whether pari-mutuel betting on the bangtails should be returned to Texas. If it clears committee with a favorable report, an even larger hurdle looms on the House floor.

Stanleyville is where Lumumba's former vice premier, Antoine Gizenga, has set up a rival regime to the Leopoldville government.

Today's Lenten Message

SHOP F. GERALD ENSLEY, Bishop of Des Moines (Written for UPI)

As we have come to that season in year which culminates for us in the Cross.

Jesus moved toward the sacrifice He uttered a dictum that is both the fundamental of human living as well of cosmic conduct: "He that loveth his life will lose it; and he that loseth his life shall find it."

The universe is so put together that we must lose the lesser to gain the better. In the world of the spirit it means that we must let the arm or the eye to save the whole.

In social relations it means renunciation of one's native egoism in favor of other feelings. In the Church, it is a visible manifestation of the principle wrought into the fabric of the universe. As Jesus hung upon the cross that day He saved the world. "If thou wilt be saved, save thyself. Come from the cross."

Had He been able to save Himself that day, He would have had little relevance for the world. He had to die with its blood, sweat and tears.

Two Belgians Reported Shot To Avenge Death

LEOPOLDVILLE, The Congo (UPI) — Two Belgians were reported today to have been shot in the Kasai Province capital of Luluabourg in reprisal for the slaying of former Premier Patrice Lumumba.

The reports said Lumumba supporters fired on the Belgians on a cafe terrace when they failed to reply when asked what they thought about Lumumba's death. There was no word on whether they were killed or just wounded.

The shooting was said to have sent Europeans in the area fleeing to United Nations headquarters at Luluabourg. U. N. officials in Leopoldville said they could not confirm this.

U. N. officials had feared that the Lumumba's killing by tribesmen in Katanga Province would touch off a wave of vengeance but most of the Congo has been strangely quiet.

Reports from Stanleyville said Lumumba's former army commander, Gen. Victor Lundula, personally broke up a demonstration assembling for reprisals against Europeans.

Stanleyville is where Lumumba's former vice premier, Antoine Gizenga, has set up a rival regime to the Leopoldville government.

Winnie Offers \$10 Reward For Lost Parakeet

MONTE CARLO (UPI) — Sir Winston Churchill today offered a \$10 reward for the return of his pet parakeet Toby, which flew out of its cage in the ex-British prime minister's hotel room.

Churchill's valet opened the cage to put some water in and the bird flew the coop Tuesday. Hotel sources said Churchill was "most upset."

Alarmed Space Unit Informed Sputnik May Have Men Aboard

WASHINGTON (UPI) — Rep. James G. Fulton, R-Pa., said today he believed Russia put two men into orbit on Feb. 3 and failed in an effort to return them to earth.

Fulton made the statement as the House Space Committee, openly alarmed at the space lead demonstrated by Russia's Sputnik VII and Venus shot, called U. S. experts for questioning on when this country could expect to catch up.

Summoned to testify at the public hearing were Dr. Hugh L. Dryden, deputy administrator of the National Aeronautics and Space Administration (NASA), and Edmund C. Buckley, assistant director of NASA space flight operations. Afterwards the committee planned a closed session to hear Lt. Gen. Donald M. Yates, Pentagon deputy director of research and engineering, on why this country clammed up about its efforts to track Sputnik VII.

Committee Chairman Overton Brooks, D-La., said the orbiting platform from which Russia fired a Venus-bound rocket last week ended constituted man's first working space ship.

"We don't know what it has aboard," Brooks said in an interview. "It did have at least one rocket, which now is en route to Venus. Does it also have a bomb aboard? We don't think so. We hope not. Does it have a man aboard? We don't know. We hope not."

Fulton, a member of the space committee, joined Brooks in expressing concern at implications of the Venus shot, and also pointed to the launching of Russia's 7½ ton Sputnik VII as an advance over U. S. space attainments.

He noted that the big satellite after two days of orbit split into three pieces, and said this meant that "something happened" aboard.

"My own feeling is that they sent two men up in the big one," he told United Press International, "and then spun off two separate capsules which were supposed to bring the men back to earth. That would have made our Project Mercury look silly."

Tignor Street Bridge Salvage Has Disappeared

The Tignor St. bridge is back in the news today.

It has disappeared.

Following the City Commission's action yesterday in closing the bridge to traffic because of its weakened supports, city workmen went to the scene and tore out the bridge and its supports and left the wrecked structure at one side of the road.

They planned to go back today and haul it away.

When they appeared to do the job this morning, the bridge and all its wooden supports were nowhere to be found.

Someone had done the job for them during the night.

Breakfast Group Will Hear Talk By Houstonian

Ed C. Burris of Houston, executive vice president and general manager of the Texas Manufacturers' Assn., will be the speaker at tomorrow morning's Congressional Action Breakfast in Colorado Inn.

Reservations for the breakfast still were being taken for the breakfast in the Chamber of Commerce offices this afternoon.

Burris will discuss national issues and major legislation now before the Congress.

The breakfast is scheduled to start at 7 a. m. and will close promptly at 8 a. m., according to Don Beaman, chairman of the C. of C. Legislative and National Affairs Committee.

If it comes from a hardware store we have it. Lewis Hdw. Adv.

Moving? Call 4-4887 — Bruce and Son Moving Co. and let us help you with your moving problem.

Former Missionary Will Speak In Christian Churches Friday

Mrs. Ralph T. Palmer, former missionary of the Christian Churches to Japan, will be in Pampa Friday for appearances at both the Lamar Christian Church and the First Christian Church.

MRS. R. T. PALMER ... speaks here Friday

Rites Pend For Lonzo L. White

Funeral services are pending for Lonzo Lucas White, 1006 Campbell, who died at 6:30 a. m. today in his home.

He was born Dec. 5, 1877 in Franklin County and came to Pampa in 1942 from Wheeler. He was a member of the Baptist Church. Survivors are two daughters, Mrs. J. B. Crocker and Mrs. Sybil Henderson, both of Pampa; two sons, Bill White and Stanley White both of Amarillo and eight grandchildren.

Arrangements will be announced by Duenkel - Carmichael Funeral Home.

Bond Set On DWI Charge

William R. Hughes, Pampa resident, entered a plea of not guilty yesterday to a second offense charge of driving while intoxicated when he appeared for an examining trial before Justice J. W. Graham.

Bond for Hughes was set at \$2,500.

Braces

(Continued from Page 1)

pull out all foreign troops to let the Congolese people "decide its own internal affairs."

Soviet ambassador Valerian A. Zorin submitted the draft resolution to U.N. Undersecretary G.P. Arkadev of Russia.

This was a deliberate snub to Hammarskjold. It followed an announcement in Moscow Tuesday that Russia would have nothing further to do with him and would not even "recognize him as an official of the United Nations."

The onslaught on Hammarskjold appeared to be more serious than when Soviet Premier Nikita S. Khrushchev attacked him personally in the General Assembly last fall.

At that time Hammarskjold received a rousing expression of confidence from the rest of the General Assembly members, but since then developments in the Congo have placed him in a more shaky position.

Belgium has been angered by some of his notes demanding that Belgians stop interfering in Congolese affairs.

Guinea, Ghana and the United Arab Republic were aroused over his refusal to use the U.N. force to restore Lumumba to power.

Many Western diplomats felt he should have let the U.N. soldiers act more vigorously in putting down violence.

She will speak in the Lamar Christian Church at a luncheon at 12:30 Friday noon. This will be a joint Christian Women's Fellowship meeting and members and friends of both churches are invited to attend.

At 7:30 p.m. Friday Mrs. Palmer will speak at a reception in First Christian Church. The public also is invited to attend this meeting.

Mrs. Palmer and her husband served in evangelism and church development in Japan from 1952 to 1958. The following year the Rev. Mr. Palmer was appointed executive secretary of the Department of Missionary Selection and Training for the United Christian Missionary Society. They now reside at Indianapolis, Ind.

During their service in Japan, Mrs. Palmer assisted her husband in his pastoral work at Honjo, and in rural evangelism at Akita and Amori, prefectures within the United Church of Japan.

She was reared in Quannah and Dallas and received B. A. and M.A. degrees in sociology and education at Texas Christian University. She also attended the Divinity School of Yale University. She served internships in evangelism, social welfare work and religious education in Jamaica, British West Indies; at Mariners' Temple, New York City, and at Yakima Christian Mission, White Swan, Washington.

Persons

(Continued From Page 1)

by resident, said she heard the plane make "several turns over our settlement."

"I saw the plane coming and I believe the pilot did not want to crash on the houses but was desperately looking for a clear spot," she said.

"Before hitting the ground the plane banked steeply and then crashed into the field."

Eleven fire companies responded to the disaster and it was impossible to get anyone out alive.

Two hours later, 30 bodies had been removed from the wreck, some so badly battered that it appeared identification would be difficult.

Sabena officials identified the pilot as Capt. Louis Lambrechts, a veteran of Britain's Royal Air Force and one of Sabena's most experienced Boeing fliers. Sabena has four other Boeings.

Airport sources said they had tried vainly to contact the plane by radio as it was preparing for a landing but could not get an answer.

There was some speculation today's total eclipse of the sun may have been to blame but Sabena officials said they doubted it because the eclipse had ended an hour before the crash.

The plane hit the ground short of the start of the fields long runway. Gendarmes cordoned off the area while official investigators poked into the wreckage alongside rescuers.

Mrs. Mariette Peeters said she was in the kitchen of her home near the crash scene when she heard the airliner coming in "muffled."

"Then there was a sudden silence followed by the noise of a crash," she said.

She called police and firemen while smoke belched from the wreckage.

The man killed in the field was identified as Theo de Later, 21, a former well-known racing cyclist. He was released from military service two months ago.

A man working in the field with De Later was reported to have lost a leg.

The crash occurred in perfect flying weather. The sky was clear. A bright sun shone on the scene and only a slight mist hung over the field.

Kiwians Hear Taped Address

A tape recording of the address by Dr. Gaston Foote of Fort Worth, principal speaker for the Career Day activities at Pampa High School Tuesday, was heard by members of the Top O' Texas Kiwanis Club members in their meeting last night in the Coronado Inn.

There was one guest for the affair, George Clark.

JRC Pupils Note Varied Projects

Pupils of Travis Elementary Schools Junior Red Cross have prepared tray favors for patients in Amarillo AFB hospital. Miss Elizabeth Ennis, teacher - sponsor directed the project that included 100 tray favors, tray mats and nut cups.

In other future and completed activities, Mrs. LeRoy Ogden, teacher-sponsor for the Lamar Elementary Junior Red Cross, said her pupils will prepare the Washington's Birthday tray favors for the hospital.

Carver School Junior Red Cross pupils have prepared 15 gift boxes for overseas disaster areas, and Sam Houston Junior Red Cross has prepared 33 gift boxes for the same purpose.

Optimists Fete Ladies During Dinner-Dance

Members of the Pampa Evening Optimist Club feted ladies with a special dinner-dance in Pooler's Steakhouse in their meeting Monday night.

Preceding the dance, Miss Marika Minelli of Italy and Jarl Molver of Norway, the two foreign exchange students now attending Pampa High School, gave brief talks.

The students were introduced by Mrs. Tom Braly, a local official of the American Field Service.

Four new members were inducted into the club during the business session: Texas Ranger Bill Henslee, Jim Bowers, James Murray and A. L. Pierce.

'Peace Walkers' Pass Through Pampa Yesterday

A team of 14 persons on a San Francisco to Moscow "Walk for Peace" passed through Pampa yesterday afternoon.

Mr. and Mrs. Don Fortenberry of Adrian, Texas, who joined the walk in Texas said purpose of the trek is to "shatter public apathy about the current arms race, propose military policies and programs in western and Communist countries and to propose to peoples of all nations nonviolent alternatives to military defense."

The walkers left San Francisco last Dec. 1. They hope to reach Chicago April 1 and New York City June 1. After flying to England, they plan to continue across western and eastern Europe and arrive in Moscow in the Fall.

In several cities the walkers have been arrested for blocking traffic. In other cities they were stopped for picketing armed services recruiting stations and for picketing plants where military supplies are manufactured. Police Chief Jim Conner said there no such incidents as the peace walkers visited Pampa.

Some 85 fat steers and 175 hogs have been entered from six Pampa counties for the Top O' Texas Junior-Livestock Show to be held in Pampa March 6, 7 and 8.

Chamber Manager E. O. Wedgeworth said today was the deadline for entries.

"It looks like this year's show will be one of the biggest and best," Wedgeworth said.

Clyde L. Carruth is superintendent of this year's show and Ralph Thomas is assistant superintendent.

Johnny Johnson Gains Outstanding County Conservation Farmer Title

By FOSTER WHALEY

Gray County Agriculture Agent Johnny Johnson was an easy choice for Outstanding Conservation Farmer of Gray County. He has pioneered much of the conservation work in stubble mulch farming in Gray County.

This automatically moves Johnson into district and possible state level competition.

Johnny operates a 1,600 acre farm and carries on the best balanced program the writer has ever observed for the Panhandle of Texas.

Generally the Johnson operation consist of a cattle, wheat, milo and silage-cattle feeding program.

Emphasis is placed on labor saving devices, and is evidenced by the fact that only 1,453 hours of seasonal labor were hired for the 1,600 acre livestock farm this past year.

Beef Cattle

Around 300 to 350 light weight steer calves are purchased in September to October taking advantage of the usual fall price slump. These cattle are placed on wheat and milo stalk pasture and run through the winter months. The cattle are supplemental-fed both minerals and grain during snow storms are full fed. In March the cattle are pulled off the wheat, placed in the feed lot and finished.

A completely mechanized feeding operation permits feeding of the 350 calves in a minimum of

MODERN FEEDING—Feeding of cattle on the Johnson farm sees the top line of feeds and mixtures used.

time. An ensilage loader mounted on a tractor taws the ensilage from the pit and elevates it in a truck-mounted 5-ton mixer. Metered grain augers add proper amount of protein supplement and milo. The grinding, elevating, mixing and delivery to feed bunks is a push button mechanized affair. Cattle of good grade when purchased are up graded usually. The cattle feeding operation is a very important link in the conservation plan of the Johnsons. It serves to balance a wheat, milo and silage program. It tends to fill a missing link over a straight wheat farming operation.

Bindweed Control

The place where the Johnsons now live was almost solid bindweed when they started operating the place immediately after WW II.

Through the use of 24-D and stubble mulch tillage the bindweeds have been practically eliminated.

Stubble Mulch Tillage

Johnny Johnson has pioneered stubble mulch tillage in Gray County. He uses the Noble type sweeps and uses tractors hooked in tandem as power. In 1958 and '59 Johnson worked with the Dempster Mill Manufacturing Company in the development of a drill that would sow wheat in a stubble mulch. Much progress was made and further work is being done to accomplish the goal of developing a drill that will sow in conditions of high residue. Stubble mulch is only one of the many conservation practices carried out

Coonrod Rites Set Thursday

Funeral services for Clifford L. Coonrod of Midland, former Pampa resident, were to have been held at 11:30 this morning in a Midland Baptist Church. The body will be brought to Pampa late this afternoon for a second service to be held at 2 p.m. tomorrow in the Duenkel - Carmichael Funeral Chapel with Dr. E. Douglas Carver, pastor of First Baptist Church, officiating.

Mr. Coonrod, born Aug. 31, 1905 in Oklahoma Territory, died at 9:15 a.m. yesterday. He suffered a heart attack in his office and was pronounced dead on arrival in a Midland hospital.

Mr. Coonrod was a division tubular representative for Continental-EmSCO Co. and had lived in Pampa for 20 years prior to moving to Fort Worth in 1954. In 1956, he moved to Midland where he resided at 506 Cowden.

Survivors include his wife, Mrs. Almeda Coonrod of Midland; three daughters, Mrs. Joan Dunham of Guyton, Okla., Mrs. Barbara Hobby of Canadian, Mrs. Donna Radcliff of Borger; one brother, W. W. Coonrod of Great Bend, Kan.; two sisters, Mrs. Lena Seybold, Mrs. Jane Hayes; his father, C. L. Coonrod, all of Tulsa, Okla. and five grandchildren.

Pallbearers will be R. L. Collier, W. T. Hayes, both of Midland; Pat Patterson of Amarillo; Rufe Jordan, R. H. Kitchens and Clyde Medkief.

Interment will be in Fairview Cemetery.

Today Is Deadline For Entries In Jr. Stock Show

Some 85 fat steers and 175 hogs have been entered from six Pampa counties for the Top O' Texas Junior-Livestock Show to be held in Pampa March 6, 7 and 8.

Chamber Manager E. O. Wedgeworth said today was the deadline for entries.

"It looks like this year's show will be one of the biggest and best," Wedgeworth said.

Clyde L. Carruth is superintendent of this year's show and Ralph Thomas is assistant superintendent.

First Aid Classes To Be Conducted By The Red Cross

Mrs. Libby Shotwell, executive secretary of the Pampa Chapter of the Red Cross, reported on a recent trip to Austin at a regular meeting of the board in Coronado Inn yesterday.

Mrs. Shotwell attended the Executive Secretaries' Conference held in the state capital last week.

A report on work by 28 Gray Ladies who gave 355 hours of service in the community during the past month was given by Mrs. Jack Foster. Mrs. W. T. Seitz announced that a series of First Aid classes will be held in Pampa High School with John Gikas as instructor from 7:45 to 8:45 a.m. each Wednesday. Mrs. Donald Gray will instruct each Thursday from

4 to 5 p.m. On each Monday afternoon instructors from Coronado Inn will conduct classes from 7:45 to 8:45 p.m. The classes will run 12 weeks.

San Angelo Lady Lost 30 Pounds

When you buy Barcinate you don't buy a diet. You buy a proven product that has the test for over 18 years.

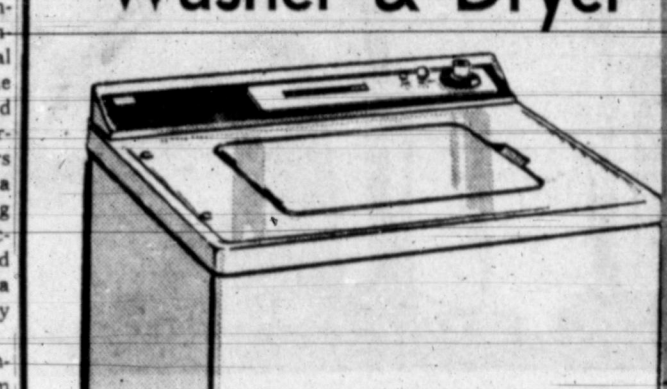

Barcinate is the original grapefruit juice recipe for taking away fat.

Just ask any Texas doctor for 4 ounces of liquid Barcinate. If the very first bottle doesn't show you how to take unwanted pounds, return empty bottle for your money back.

Mrs. W. H. Parker, 1222 Coronado, San Angelo, Texas, writes that "she took off 30 pounds using Barcinate."

NEW—U.S. soldiers stationed in South Korea near the militarized zone have an unusual sport—an A-frame relay. Using the wooden frames with which Korean farmers carry heavy loads, the runner carries a rider who in turn carries a full bucket of water. At the end of the course, another runner shoulders the burden and races back. Teams are judged on speed and how much water they can keep.

Financial Review

By HENRY J. BECHTOLD

NEW YORK (UPI) — The American motorist in the near future should be reaping the benefits of present-day highway research aimed at improving pavement materials.

Motorists presently are paying for maintenance of public roads — first for taxes to repair roads and second for the delays and inconvenience while the roads are out of service.

Asbestos-asphalt also is being tested for use in problem pavements such as jet-airstrips, heavily traveled access roads to superhighways, and at bus stops where extremely heavy wheel loads and the effects of diesel exhausts tend to ruin asphalt paving in short order.

The historic Liberty Bell was made in England in 1752 and later recast in Philadelphia.

McLEAN PERSONALS

Mr. and Mrs. Ruel Smith and Carey Don spent last week in Colorado.

Mrs. Tom Bogard of Bula, Opal Bogard of Plainview, Mrs. Glen Gaston of Muleshoe, Mrs. Ray Kinison and daughter, Kim of Dora, N.M., Mr. and Mrs. Avis Rhodes of Shamrock and Mr. and Mrs. Harold Houser and son, Danny of Amarillo visited the Dusty Rhodes over the weekend.

Mrs. Charles Crockett of Amarillo spent the weekend with her parents, Mr. and Mrs. Henry Potter.

Don Trew and son Dean of Perryton and Mr. and Mrs. Kenneth Carter and daughters, Donna and Bobby of Amarillo spent Sunday with the Wheeler-Carters.

Porter McClain returned to Spur following a 10-day visit with his sister, Mrs. W. M. Rhodes.

Mr. and Mrs. Gene Herron, Mrs. Alice Mae Verron and Mrs. Bill Herron were in Amarillo Sunday afternoon to see Mr. and Mrs. Bill Rodgers.

Mr. and Mrs. C. B. Trew of Perryton spent Sunday with his mother, Mrs. C. Trew and with the J. T. Trews.

Mrs. Bill Wilson and daughters, Becky and Donna, of Amarillo spent the weekend with their parents and grandparents, Mr. and Mrs. Earnest Beck.

Mrs. J. M. Payne is in Dallas with her sister, Mrs. Veda Evans, who is in Baylor Hospital.

Mrs. E. L. Price is visiting her son, Neil Price in Houston. She is helping care for a new granddaughter.

Mr. and Mrs. Jewel Meacham and Nancy, and Mrs. Charlie Vineyard and children, Charlie and Debbie, spent Sunday with their mother and grandmother, Mrs. J. W. Meacham in Turkey.

Miss Othelia Eustace of Amarillo spent the weekend with her parents, Mr. and Mrs. Earl Eustace.

Mr. and Mrs. W. W. Boyd, Mr. and Mrs. S. A. Cousins and Mr. and Mrs. Ercy Cubine attended the wedding ceremony of Montie Jean Kennedy and Toni Smitherman in the Methodist Church at Hart Saturday evening.

Mr. and Mrs. Charlie Carpenter and Mr. and Mrs. W. W. Boyd were in Lubbock Tuesday.

Mr. Jim Weatherford, McLean High School Ag teacher and sponsor of the FFA Chapter announced an FFA parent-sun banquet to be held in the Fellowship Hall of the First Methodist Church here Friday evening. Cecil Fox, game warden of Spur, will be the speaker.

Mr. and Mrs. Odell-Mantooth visited relatives in Clarksville, Ark., last week.

The youth of the First Baptist Church and their guest were honored with the annual Sweetheart Banquet Saturday evening in the church hall. Bill Herron, ministerial candidate, was the speaker.

Withholding Tax System Better Pain-Killer Than Morphine, Ether

By LYLE C. WILSON

WASHINGTON (UPI) — This essay will assert that the withholding tax system of collecting federal revenue is the greatest pain-killer since morphine and ether.

But for the withholding system, the citizens would be shooting tax collectors on sight. That would be the citizens' alternative to getting up in one great bundle the annual tax levy assessed against him.

There might even be a tax rebellion in this country if it were not for the relatively painless withholding system of separating the taxpayer from his money. The citizens have become accustomed to the withholding tax, however, and scarcely are aware of the government's take although the figures are reported regularly to each individual.

The tax lifted from the citizens' pay envelopes by their employers and paid into the treasury has lost its identity as income. The citizen calculates his income now in terms of take-home-pay which is the sum remaining of his wage after federal, state and, sometimes, municipal governments have taken their cuts.

Tax withholding by the employer so dulls the tax bite as to foster the belief among citizens that they are getting something for nothing in the way of services and benefits when the federal government pays the bill. This state of public mind is well known to politicians.

The politicians take advantage of it when confronted with a crisis of almost any kind almost anywhere.

The political cure for trouble at home or abroad more often than not is simply this—appropriate a lot of government money and spend it. If the cure works, all is

reasonably well. If it doesn't work, the cure is repeated.

The confused idea that the U.S. dollar is a wonder drug, a specific for all ills domestic and foreign, has been a big factor in runaway government spending over the past 30 years. The citizens have become accustomed to a government which cannot pay its bills and must, therefore, go into debt for the excess of expenditure over revenue.

A by-product of this deficit financing has been steadily rotting dollar which has lost in the past 20 years or so more than half of its purchasing power. The alternatives to more deficit financing and further rotting of the dollar are few and hard. They are (1) a reduction in government spending, (2) a hike in taxes (3) or both.

There are starry-eyed citizens among us who consider present tax rates and government spending levels to be outrageously high. These starry-eyed citizens believe this situation could be remedied by amending the Constitution to a top limit on income tax rates—say 25 per cent. The idea is no good because no such amendment can be had.

Future Teachers Hear Discussion By Panel On Educational Returns

Beta Delta Chapter of Delta Kappa Gamma entertained the future teachers of this area at a tea Saturday afternoon.

"Educational Returns Make the Strongest Ties" was the subject discussed by a panel of high school students composed of Marika Minelli, Jarle Molvar, Sue Guthrie and Bill Byerly. Miss Evelyn Milam acted as moderator of the group. The panel representing typical students in Norway, Italy and the United States compared notes in terms of personal and school objectives.

Differences in student attitudes toward high school, college, teachers and adults were pinpointed. School activities and social life including dating and the frequency of dating were areas in which the students presented an excellent comparison. Several very interesting observations were made by members of the panel in regard to the influence of Christianity, Communism, and the present world situation in the United States and abroad.

The panel pointed out the merits of the American Field Service program from the standpoint of the foreign students coming to the United States and the opportunities the program affords the local students.

Beta Delta sextet composed of Mrs. Fay Dellis Adams, Mrs. Roy Sullivan, Miss Mary Dean Dozier, Miss Mary Reeve, Miss Bernice Larsh and Mrs. W. R. Altmiller sang. "In the Little Red School House," accompanied by Mrs. J. E. Gunn.

Mr. Troy Reno spoke to the group briefly on the legislative program and told of the need of a teacher salary increase.

Guests were met at the door by Miss Mary Dean Dozier and asked to register. Tea music was played by Joyce Prock of Pampa.

Punch and coffee were served from an attractive table covered with a red floor length cloth. The center piece was a book entitled "School Daze" and also a table with beginning arithmetic on it. Mrs. Jack Foster poured from a white milk glass punch bowl and Mrs. Julian Key presided at the

coffee service. Guests were served meringue mounds topped with whip cream and nuts, sandwiches, nuts and rolls. Hostesses were Mrs. R. E. Batson, Jr., Mrs. Julian Key, Miss Mary Ewing, Panhandle, Miss Evelyn Milam, Miss Geraldine Rumpy, and Miss Stella Kiser.

Miss Sybil Turner conducted a short business meeting in which the club voted to move the March meeting to March 18. Routine reports were given and Mrs. James Jackson gave information to our guests concerning the Beta Delta Scholarship.

Future Teachers attended from Panhandle, Shamrock, Canadian and Pampa. There were forty nine members of Beta Delta present.

Dorcas And Lydia Classes Join For Valentine Party

Dorcas and Lydia Classes of the Central Baptist Church met together for a Valentine salad supper in the church fellowship hall.

The program was directed by Mrs. James Loyd. The group joined in singing "Love Is The Theme." Mrs. A. P. Holligan led in prayer and the devotional on Love, the Builder, from Corinthians was given by Mrs. Don McQueen. Mrs. Albert Taylor presided at the business meeting.

Tables were decorated with cupid, arrows and hearts. Guests registered in a Valentine book which was used for roll call with each guest answering with scriptures containing the word "heart."

Attending from the Dorcas Class were: Mrs. G. C. Starks, teacher; Mrs. B. B. Higginbotham, Mrs. O. T. Gist and Mrs. D. D. Robbins.

From the Lydia Class were: Mrs. Holligan, teacher, Mrs. Webb, Mrs. McQueen, Mrs. Taylor, Mrs. E. B. David, Mrs. J. H. Anderson, Mrs. Marvel Rake, Mrs. Fred Williams, Mrs. T. G. Groves, Mrs. J. A. George, Mrs. Earl Griffin, Mrs. C. L. Meadows, Mrs. Gus Rice, Mrs. J. H. Jackson, Mrs. C. C. Miller, Mrs. D. L. Lunsford, Mrs. Lois Johnson, Mrs. Margie Salsman and Mrs. Mary McMahon.

ENTERTAINING GUEST — Miss Sharon Vinyard, who is reigning this year as "Miss Amarillo," will provide intermission entertainment for the Twentieth Century Colillion Fashion Luncheon on Monday at 12:45 in the Starlight Room of the Coronado Inn, Miss Vinyard, an Amarillo High School student, has contributed her versatile talents to several Amarillo Little Theater presentations among them, "The Boy Friend," "The Bells are Ringing" and as Daisy Mae in "Lil Abner." She has also been selected as the DeMalay Sweetheart. Tickets for the fashion luncheon may be secured from any Cotillion member and reservations must be made by Sunday noon.

Dear Abby...
You Can't Do
A Thing, Mom!
ABIGAIL VAN BUREN

DEAR ABBY: Our son is going to marry a girl from off a farm. We like her very much but I wish she had better taste. She plans on having a dress-maker copy a wedding gown from a picture she cut out of a magazine five years ago! The gown looks somewhat dated to me. I'd be much happier if she would go to a store and by a modern, ready-made gown.

MOTHER OF THE GROOM
DEAR MOTHER: The selection of the bridal gown is the privilege of the bride. Bridal gowns need not be "new" to be lovely. (Many brides proudly wear their grandmothers' gowns.) Trust the girl's judgment. Her "taste" was good enough to select your son, wasn't it?

Our friends are quite fashionable and we don't want our son walking down the aisle with a bride who looks like a country hick. How can I get this message across to the girl without hurting her feelings?

RESERVE
DEAR RESERVED: No man has to hold still for a kiss on the lips unless he wants to. But a kiss on the cheek is hardly grounds for a battle.

DEAR ABBY: I have thoroughly enjoyed your letters concerning office Christmas parties and might I add a little word of comfort to the wives who think they are so abused? My husband works for a large company and they do not wait for a big event like Christmas — they have a party for everyone who has an anniversary, farewells, promotions, etc. At least once every two weeks my "big executive" has his fling. All I can say is more power to the dumb

Rainbow Girls Unit Organized In Ceremonies Held At Canadian

CANADIAN (Spl) — In celebration of the first anniversary of the Rainbow Girls Unit, ceremonies were held recently at the First Baptist Church, a Rainbow Girls Assembly was instituted under the direction of Martha Marie Whitfield, State Supreme Organizer, of Dallas.

Installed as Worthy Advisor of the Canadian Assembly was Melba Johnson. Marcia Crowell is assistant Worthy Advisor. Other officers are: Karol King, Charity; Joyce Hoobler, Hope; Jimmie Ullom, Faith; Mary Rivers, recorder; Sue Hext, treasurer; Mary Howard, chaplain; Ann Hughes, drill leader; Sue Lynn George, Lover; Joann Smith, Nature; Darle Prater, Religion; Glenna Smith, Immortality; Sandra Sumner, Fidelity; Linda Ullom, Patriotism; Cynthia Morey, Service; Janis Wilson, Musician; Mary Crowell, Choir Director; Phyllis Sorenson, Outer Observer; Betty McCartney, Confidential Observer; and Chair members, Eva June Wheeler, Violet Howard, Dixie Petree, Roxanne Robinett, Judy Jones, Sue Word, Paula Moore, Janie Walker, and Sheryl Wolverton.

The Mother Advisor of the group will be, Edith Howard. An advisory board made up of Eastern Stars and Masons included Mamie Jordan, Celia Roe, Lois Carol King, Abbie Ownbey, Violet Mathers, Eura Reid, Mary Lee Hoobler.

Girls' Auxiliary Gives Program At Valentine Fete

LEFORS (Spl) — Junior Girl's Auxiliary met recently in the Baptist Church for their regular program and a Valentine party. "Homework and Foreign Language," the program, was directed by Linda Tillman, program chairman, assisted by Linda Shew, Elizabeth Phillips, Leahwana Nowlin, president, presided over the meeting. The G.A. song was sung. Special prayer for missionaries was given. Sue Earhart led closing prayer.

Giant Valentine cookies, with members' names iced on them were served with ice cream. Valentines were exchanged.

Attending were Leahwana Nowlin, Linda Tilan, Betty Barnett, Dawn Hill, Charlotte Jacobs, Terry Bryant, Sue Thacker, Larry Sue Glick, Elizabeth Phillips, Linda A. Shew, Nancy Sims, Cathy Airington, Mrs. Phillip Earhart, leader and Mrs. Jack Thacker, assistant.

Arts And Craft Club Meets At Canadian

CANADIAN (Spl) — The Arts and Crafts Club met with Mrs. W. R. Hext recently.

Mrs. Bud Webb gave the devotional and the program was given by Mrs. Jim Mitchell, who demonstrated glass etching.

Attending were Mmes. Ben Hill, Bud Webb, W. E. Ramp, Cleo Jahnel, Paul Wood, W. P. Varnell, Darrell Wiggins, Charles Burton, Jim Mitchell, Bob Rogers, Frank Cook, J. E. Meek and Troy Newton.

Foreign Commentary

By PHIL NEWSOM

Gomułka, after once being imprisoned as a Titoist, moved back into power in 1956 in the upheaval which followed Khrushchev's renunciation of Stalinism.

He demanded that Poland be allowed to conduct its own internal affairs and successfully resisted Khrushchev's charge that he was a "traitor" who wished "to sell the country to the Americans and the Zionists."

But less than a year later, Gomułka also was declaring that an alliance with the Soviet Union is "necessary for Poland to exist."

Gomułka's motto seems to be: To live, Poland must depend on the Soviet Union. But first, it must eat to live, and that depends upon the West.

Critic Writing Script

HOLLYWOOD (UPI) — Arthur Knight was signed by Allied Artist to write the script for a 90-minute television special telling the fabulous story of film pioneer D. W. Griffith.

Knight, motion picture critic for the Saturday Review, currently is teaching a course in the history of motion pictures at the University of Southern California.

ROBBERY ROBBERS

CAN RHEUMATIC FEVER BE PREVENTED

Unfortunately its cause is not yet clear. We do know that about half of all cases have had tonsillitis or a sore throat from one to four weeks before.

It must be recognized before the heart is seriously injured. Only a physician can diagnose it. Protect your children. Always consult your Doctor when they have a fever or sore throat. If the diagnosis is early, rheumatic fever is not dangerous.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

Mid-Court Shot Sinks Pampa, 63-62

Valiant PHS Comeback Stifled By Bulls-Eye

By ARTHUR MAYHEW
Daily News Sports Editor

AMARILLO — Tearing a page out of Ripley's "Believe It Or Not," a now-famous Amarillo Sandie named Johnny Hamilton fired a leaping Ozark Ike peg shot from mid-court in a long last three seconds to snatch victory away from Pampa's Harvesters, 63-62, here last night in the Amarillo crypt. Hamilton's shot — a bulls-eye that hit nothing but cotton — put a bizarre ending to a bizarre game that saw Pampa come from behind to go ahead, 62-61, on two clutch free throws by Pat Carter with three seconds left.

However, in the space of those

three seconds, Amarillo brought the ball in, passed once before Hamilton got his young hands on the ball and then — after gaining momentum with three long strides — Hamilton zipped home a sling-shot basket that sent the Sandie partisans milling onto the floor with glee.

Although it was the second one-point district defeat in Pampa's last three games — Borger won, 51-50, in overtime on Feb. 7 — last night's loss completely stunned the Harvesters because of the suddenness of the defeat.

Pampa turned in one of its best team games of the district campaign, despite the loss, with four Harvesters hitting in double figures, paced by sophomore Wayne Kries' 16 points. Kries was followed by Allen Wise, 15, Pat Carter, 14, and Randy Matson, 13.

The Sandies were led by 6-7 Harold Denny and Louis Ridings, each with 18, and Bob Dabler, 13, but again, the big blow was Hamilton's lone field goal; nothing else counted.

Pampa seemed almost out of the game as the fourth period began with the Sandies on the big end of a 50-45 score. However, Kries drove for a bucket to cut the score to 50-47 before Denny — who had blown a shot and had disgustedly remained on the Sandie end of the court — suddenly found himself on the receiving end of a long pass and plunked an easy two to again put Amarillo ahead by five, 52-47.

Matson then went to work with 6:17 left with a jumper and followed with two drives and three free pitches spread over the next few minutes to cut the score to 57-56.

With Denny out on fouls and 6:5 Wayne Ridings soon to follow, Pampa suddenly found itself alone on the backboards, finally taking the lead, 60-59, when Wise hit a 1-and-1 free throw setup with 42 seconds remaining.

Amarillo called time out and then went to work on the sure play

but Chester Dunavin blew a lay-up and Wise grabbed the rebound, only to be tied up with 27 seconds remaining. Pampa got the tip and the Harvesters quickly called time out with 24 seconds left.

Pampa brought the ball in and as Ronnie Chase tried to avoid a pressing Amarillo defense, he "tripped" and Dunavin grabbed the ball and raced in to score on a jumper to put AHS ahead, 61-60, with 14 seconds left.

By the time Pampa got its hands on the ball again, only 10 seconds remained and Carter headed down-court like a man with a mission, being fouled as he went up for the shot.

Carter, with the pro-Sandie crowd on its feet screaming, calmly sank both shots; then came Hamilton's heroics.

The game was close from start

to finish, with the lead changing hands 19 times and the score tied on nine different occasions. The biggest Pampa lead of the game was three points, 45-42, late in the third quarter while the Sandies twice held margins of six points, 37-31 and 39-33, early in the second period.

Pampa held three brief leads in the first period, 4-3 on Wise's free throw; 12-10 on a shot off the backboard by Kries; and 14-12 on a Wise layup after an excellent lead pass by Matson. However, Amarillo led, 18-16, at the end of the first quarter on a set by Dabler with five seconds left.

The Harvesters stayed close in the second quarter, finally taking a short-lived 26-25 margin on two Kries free throws, but the snake-bitten Green and Gold had to settle for a 34-31 deficit at halftime.

It was in the third quarter that Pampa roared from a 41-40 gap to a 45-42 lead on a fast break by Kries on a pass from Carter, a Wise free throw and an express train drive by Matson. But, Am-

arillo scored eight quick points in the last 1:15 seconds of the third period to take a 50-45 heading into the final eventful period.

Pampa's Shockers, sparked by Bob Neslage, kept the night from being a complete blot by defeating the Amarillo Yannigans, 68-49. The victory broke a three-game Shock losing skien and left them with a 8-5 district record.

game that saw Pampa come from behind to go ahead, 62-61, on two clutch free throws by Pat Carter with three seconds left.

However, in the space of those

Jimmy Bond Slated For Cage Banquet

Jimmy Bond, the gifted 6-4½ until the ducats are distributed. Bond compiled an amazing high school career while playing for Coach Clifton McNeely from 1952 to 1954, and later went on to star at Pasadena College and in the 1956 Olympic trials, going to Melbourne Olympic games in a non-playing capacity.

While wearing Harvester green, Bond made all district in 1952, 1953 and 1954, made all state in '53 and '54 as Pampa won state; and was named the outstanding player in the 1955 Texas Coaching School all-star basketball game.

Bond's record of 1,488 points over a three-year span still stands as a Harvester scoring record, as does his two-year total of 1,154. He is now studying for his doctor of divinity degree at a Nazarene college in Kansas City.

Suggs, Five Men Tie For Palm Beach Lead

PALM BEACH, Fla. (UPI) — Little Louise Suggs, the female Ben Hogan from Atlanta, was dead even for the lead with five men professionals as they headed into the final 36 holes of the \$10,000 Palm Beach Par Three Invitation golf championship today.

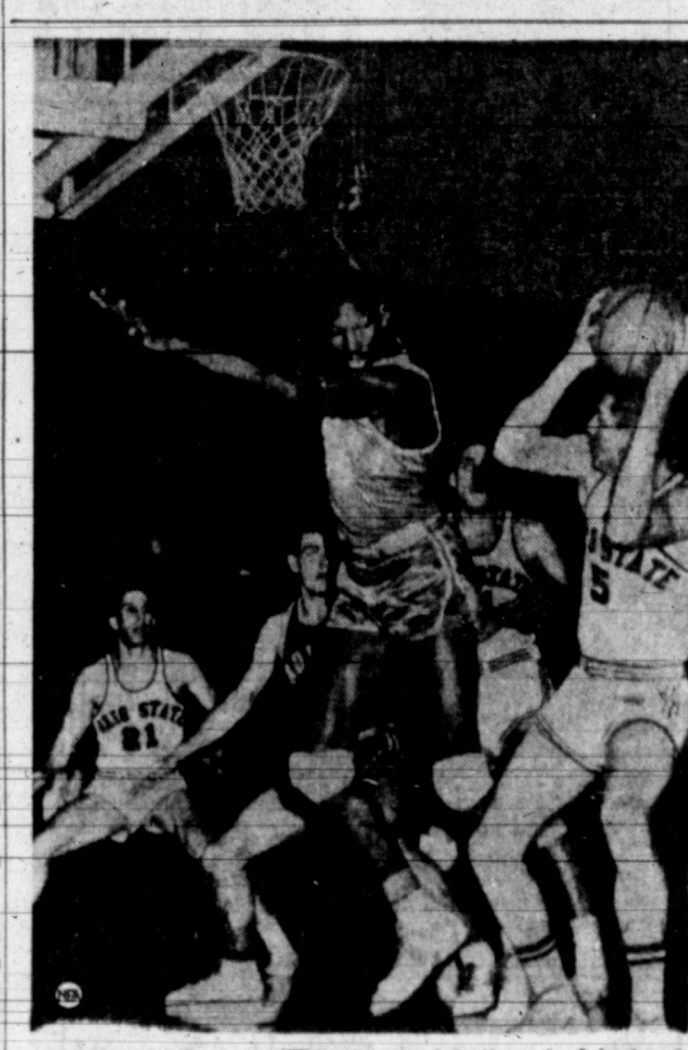

The 37-year-old "Little Miss Poison" of the ladies' pro fairways fired a one-under-par 28-35 — 53 in the first round over the wind-swept 2,888-yard course which was as good as the best of 19 male sharpshooters could do Tuesday.

Tied with her were former U.S. Open champion Lew Worsham, former PGA king Chick Harbert and Dow Finsterwald and Palm Beach professionals Clyde Usina and Dub Pagan.

With a \$1,200 first place prize for both men and women professionals in the select field of 24, Miss Suggs held a four-shot edge on her two closest rivals among the distasteful divoteers. They were veteran Patty Burd of St. Andrews, Ill., and hard-hitting Mickey Wright of Dallas, both with first round 57s.

The five men tied for the lead in their division were only a shot

Aggies Stall Tech SWC Drive, 74-71

FAKED OUT — Walt Bellamy of Indiana is faked out of the way by John Havlicek, who then scores as Ohio State extends its all-conquering streak in Columbus. Left near is Capt. Larry Siegrist of the Buckeyes. The Hoosiers Charley Hall is partly hidden to left of Bellamy. Between Bellamy and Havlicek is the Bucks' potent Jerry Lucas.

Loss Puts Hogs Back In Picture

By United Press International

The Texas Aggies-Carroll Broussard and company-stalled Texas Tech's drive to the Southwest Conference championship and today left it to Arkansas to once again put the crown up for grabs.

The Cadets, playing before a capacity crowd of 8,300 at College Station, whipped the Raiders 74-71 Tuesday night to slice Tech's lead in the title chase to one game.

In other action around the loop, Arkansas mauled Texas 74-59 at Fayetteville, Southern Methodist beat Texas Christian 79-68, and Rice rallied to bump Baylor 81-58 and keep the Bears' perfect string of defeats in the league intact.

The action leaves Tech in front with a 7-2 mark, Arkansas and A&M locked in second with 6-3 records and SMU and Texas tied for fourth at 5-4.

On Saturday, the next time the conference goes to war, the Razorbacks travel to Lubbock while the Cadets run into Rice at Houston in the headline action. In the other games, SMU plays a television game at Austin with Texas and Baylor plays TCU at Fort Worth.

If Arkansas can upset the Raiders on their home court, and the Aggies come through as expected with Rice, it would throw the league lead into a three-way deadlock at the top.

Probably the big difference in the Tech-A&M clash was rebounding. The Cadets grabbed 60 to 41 for the Raiders, and Broussard led with 13. Lewis Qualls, playing his best game of the year for the Aggies, tucked away 10 and so did Don Stanley. Harold Hudgens rebounded 11 times for Tech.

Tech led only once, briefly in the first half, and was behind 40-34 at halftime. The Raiders knotted the count 40-40 early in the second period before Qualls pumped in a jump shot that gave the Cadets the lead for good.

Hudgens and Del Ray Mounts led Tech scoring with 24 and 23 points, respectively, and Broussard paced the Aggies with 20. Qualls and Pat Stanley collected 16.

The Razorbacks sprouted from the start and hit seven straight shots from the field before the Stears, all but out of the race, could get on the scoreboard. Ronnie Garner played his best game of the season for Arkansas and threw in 21 points for individual honors. Pat Foster led 16 for the Pigs. Albert Almanza led Texas with 17.

The Horned Frogs held Jan Loudermilk to a measly seven points that dropped him from third to fifth in the league's individual scoring race behind Broussard, Hudgens, Mounts and Foster, in that order.

Davis Named Tiger Coach

McLEAN — Derral Davis, former Pampa High School graduate, and assistant football coach at McLean, yesterday was named head football and head basketball coach by N. L. Welch, superintendent.

Davis has been serving in both capacities since midway in football season and yesterday's announcement put the job on a permanent basis. Salary or length of contract were not disclosed.

SAN DIEGO, Calif. (UPI) — Archie Moore, under fire from the New York State Athletic Commission, expects to sign today for a light heavyweight title defense against Giulio Rinaldi of Italy at New York, June 10.

In New York, Harry Markson, director of boxing at Madison Square Garden — confirmed that 46-year-old Moore had agreed "in principle" to the Rinaldi fight, which would be televised nationally.

Rebels Push Reapers To Co-Championship

at the end of the first half to explode in the last two periods before a torrid 52 per cent. field goal shooting percentage to win going away.

Gene Storrs took high point honors for the Rebels, now 12-3, with 15 points while Rickey Stewart had 13. Bunn and Robinson paced Houston with 13 and 12, respectively.

In the Lee-Houston 8th battle, Coach Bill Kennedy's crew prevailed, 43-35, as Keith Griffith scored 15 and David McDaniel pumped in 11.

Lee trailed 25-15 going into the third period but scored 19 points while holding Houston to five to take a 34-30 margin it never lost.

At Phillips, Pampa's Reapers defeated Phillips Ninth with ease, 47-20, while awaiting the outcome of the Lee-Houston tussle.

Pampa was never in trouble, leading 17-1 going into the third period, using a fast break with devastating results. Kenny Heber was high for the Reapers with 22 points while rebounding ace Gary Davis chipped in 15 of his own. Tolbert had 8 for Phillips.

Pampa now stands 9-2 in conference and a victory Thursday over Borger Austin will assure the Reapers of a tie for the district championship with Houston, which plays Dumas.

In the eighth grade battle, Phillips won handily, 45-5, as Pampa 8th failed to make a field goal the whole game. Robert Dalton, with two free throws, was high for Pampa.

DEFENDS BANTAM TITLE

MILAN, Italy (UPI) — Ed Joffre of Brazil will defend his bantamweight title against Piero Rollo of Italy at Rio de Janeiro March 11, it was announced today by promoter Abe Katzenelson.

ACC Gears For Frantic Finish

Duke still leads the ACC with 9-2 mark, but is closely shadowed by North Carolina's 8-2 and Wake Forest's 10-3.

Other teams in the UPI top 10 had better luck Tuesday night as fifth-ranked Bradley squeezed by Notre Dame in overtime, 84-81, and ninth-ranked St. John's defeated George Washington, 98-80.

Bradley, back on the winning path after a near disastrous three-game losing streak, won its third straight and 17th of the season by rallying for 16 points in the five-minute overtime.

Tim Robinson of Bradley led all scorers with 28 points while Eddie Schurr had 22 for Notre Dame. Bradley ace Chet Walker was held to 15 points although he clicked for several key tallies in the overtime.

Wake Forest Surprises Devils

By MARTIN LADER
United Press International

Duke and its controversial sophomore, Art Heyman, won the battle but lost the war, and as a result the Atlantic Coast Conference is getting set for one of its most frantic finishes in recent years.

The third-ranked Blue Devils, who seemed ready to coast home to the regular-season ACC title following recent victories over North Carolina and Wake Forest, ran into an ambush Tuesday as the Deacons struck back, 103-89.

Taking full advantage of a friendly home court, Wake Forest gained the lead midway in the first half and behind the 38 points of Len Chappell went on to a fairly easy victory.

The defeat was doubly bitter for Duke, which was psycholog-

cally "up" for the important contest. Not only was the conference title in sight, but just before game time Heyman, the Blue Devils' leading scorer, was declared eligible to play just when it appeared he would be barred for the rest of the regular season.

Heyman, from Rockwell Centre, N.Y., had been ruled ineligible by ACC Commissioner Jim Weaver for an incident that occurred in the North Carolina game. However, the league's executive committee suspended the penalty pending a meeting later in the week.

Heyman scored 31 points against the Deacons but this individual effort couldn't contend with the 61.1 per cent. shooting turned in by Wake Forest as a team.

Duke still leads the ACC with 9-2 mark, but is closely shadowed by North Carolina's 8-2 and Wake Forest's 10-3.

Other teams in the UPI top 10 had better luck Tuesday night as fifth-ranked Bradley squeezed by Notre Dame in overtime, 84-81, and ninth-ranked St. John's defeated George Washington, 98-80.

Bradley, back on the winning path after a near disastrous three-game losing streak, won its third straight and 17th of the season by rallying for 16 points in the five-minute overtime.

Tim Robinson of Bradley led all scorers with 28 points while Eddie Schurr had 22 for Notre Dame. Bradley ace Chet Walker was held to 15 points although he clicked for several key tallies in the overtime.

St. John's, led by Tony Jackson's 22 points, had a hot shooting night by hitting 53 per cent of its field goal attempts and 26 of 29 foul shots. John Feldman scored 28 points for George Washington.

The Southwest Conference race also tightened up considerably Tuesday as Texas A & M upset Texas Tech, 74-71, and Arkansas beat Texas, 74-59. Arkansas and Texas A & M are now in a second-place tie, one game behind Texas Tech.

In other major games, St. Joseph's stopped Pennsylvania, 88-73; Seton Hall beat Villanova, 84-80; Temple defeated Bucknell, 78-66; West Virginia edged Penn State, 80-78; Loyola (Ill.) upended Marquette, 81-78; Rice beat Baylor, 61-58; and Oklahoma State stopped Oklahoma, 48-42.

6-Year-Old Bible On Display Month At Pampa Lovett Library

During a week of activities in observance of National American Month the Pampa Genealogical and Historical Society sponsored a large display of a six-year-old Bible on display in the Lovett Memorial Library, attended by from nine cities in the Oklahoma Panhandle. Prior to the display, a workshop was held at the library and in the afternoon a special significance was given to the old edition of the King James Version of the Bible, printed 1611—just four years after the founding of the city.

Businessman Adventurer To Speak At Knife And Fork Club Dinner

Philip Geary, a rare combination of adventurer, educator, army chaplain, and platform speaker, will be guest of honor when the Knife and Fork club meets for dinner at 7:30 p.m. Tuesday evening in the High School Cafeteria. Once described by a television producer as a young man who has lived both dangerously and imaginatively, Geary first became absorbed with world-peoples in Bengal, India, from 1940 to 1945. Then he volunteered for Army duty and was accepted and sent to the South Pacific where he served as Chaplain for 27 months. Presently Geary is the director of Continental Airlines Air Age Education program. He simultaneously manages a similar program in the United States for the Scandinavian Airlines System. Prior to his present position, Geary was assistant director of TWA's program of air education; a job which took him into 25 countries on four continents. A veteran air traveler, who many years ago flew his own plane, Geary's platform appearances have been almost as prolific as his traveling. In one year he made 195 speeches in 42 states and five foreign countries, traveling 140,000 air miles to do them. Tickets are on sale at Malone Pharmacy and deadline for purchasing tickets is 3 p.m. Monday.

Noted Art Items Are Forgeries Weaver Rents Plush D. C. Apartment

NEW YORK (UPI)—The Metropolitan Museum of Art has confessed sadly that three "major Etruscan sculptures" which have thrilled laymen and intrigued experts for the past 30 years are forgeries. James J. Rorimer, director of the museum, said the works, so impressive that an entire room was devoted almost entirely to them, were the creation of a 20th Century forger. They supposedly dated from about 500 B.C. The objects are three terra cotta figures of warriors of impressive size and heroic attitude. The first is a helmeted head nearly five feet high. The other two are figures eight feet and six feet high. They weigh 800 and 500 pounds respectively. The former New York housing official said he was a man who strongly believes in slum clearance programs. "I'm putting my money where my mouth is," Weaver said in an interview. The apartment house has no policy against admitting Negroes or any other racial discrimination, the manager said. Weaver, head of the Housing and Home Finance Agency, could have moved into a home he owns here but decided to set an example as "boss" of the nation's urban renewal program. He also owns a summer place in Connecticut.

Fire Unit Meets For Instruction

LEFORS (Sp) — Instruction on the use of fire extinguishers and ladders highlighted the meeting last week of the Lefors Volunteer Fire Department. Fred Cullon, drill master, gave a demonstration on the use of various types of extinguishers and Fire Chief J. C. Jernigan gave instructions on ladder uses. Attending were: Bob Call, P. F. Blankenbure, R. E. McDonald, John Archer, Frank Kirk, Butch Bradley, Don Riley, Bob Bright, D. O. Boyd, Ferd Harkcom, Buddy Montgomery, D. T. Pfiel, Boyd Beck, Troy Shipman, Jim Hannon, Herman Cates, and visitors: Bob Hood, Luther Coleman and Dickie Kimberly.

STUDY COURSE PANEL — "Are Parents Worrying About The Wrong Thing?" will be topic for the fifth study course, sponsored by the PTA City Council, to be held in the morning at 9 a.m. in Sam Houston School. The question will be discussed by the panel pictured above, from the left, Cameron Marsh, Pampa High School Principal, Mrs. Martin Ludeman, Mrs. George Cree Jr. and Mrs. James Jackson, commercial arts instructor in the high school. (Daily News Photo)

Ochiltree Has 2,300 Eligible Voters Recorded

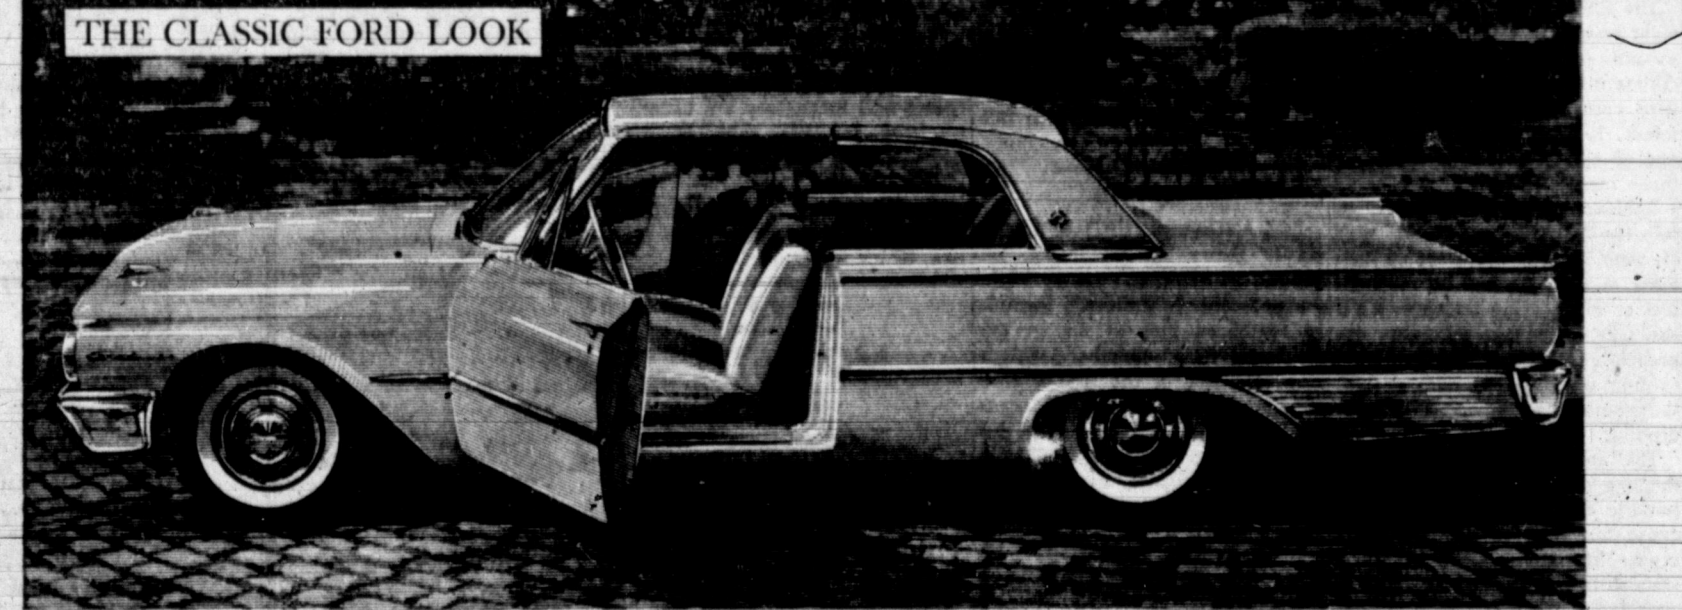

PERRYTON (Sp) — Ochiltree County should have well over 2,300 eligible voters in 1961, counting an estimated 300 persons who are over the age limit for paying the voting tax and do not have to obtain exemptions in cities under 10,000 population. Mrs. Ruby Lee Malaney, tax assessor-collector, reported 1,977 poll taxes paid, plus 34 exemptions issued for a total of 2,011 more than 25 per cent above the last "off-year" total. According to Mrs. Malaney, the Perryton Jaycees accounted for about 370 of the poll taxes sold this year. Last year a record 2,535 poll tax receipts and exemption certificates were issued. In the last "off-election" year there were 1,414 poll taxes paid and 28 exemption certificates issued. Other exemptions can still be issued to new residents since January 1, 1960, and to persons being 21 years of age since that date. These persons are eligible to vote if they obtain their exemption at least 30 days prior to the election being held and fill residence and age requirements at the time of the election.

Rock And Roll Singer Admits Marijuana Count

BATON ROUGE, La. (UPI) — Freddie Fender, a rock and roll singer from San Benito, Tex., did not wait for a jury to be selected. He pleaded guilty to charges of possession of marijuana before Judge Fred S. LeBlanc, but his partner, Louis R. Moody, 24, a guitar-player who also lives in San Benito, failed to appear in court on the same charge and forfeited a \$5,000 bond. LeBlanc ordered an investigation into the case against Fender before he passes sentence, which could be as much as 15 years in prison.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne) — discovery of a world-famous research institute. This substance is now available in suppository or ointment form under the name Preparation H®. At all drug counters.

Beautifully built to set trends in styling and savings beautifully built to take care of itself

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

- Lubricates itself**—You go 30,000 miles between chassis lubrications (which cost only \$4.00 and take about 20 minutes).
- Cleans its own oil**—You go 4,000 miles between oil changes with Ford's Full-Flow oil filter (which filters better through specially packed fibers).
- Adjusts its own brakes**—New Truck Size brakes adjust themselves—automatically.
- Guards its own muffler**—Ford mufflers are double-wrapped and insulated to last three times as long as ordinary mufflers.
- Protects its own body**—All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing the body panels beneath the doors.
- Takes care of its own finish**—Just wash and clean Ford's new Diamond Lustre Finish and it will continue to gleam like new. It never needs waxing.
- Extended Warranty**—Each part of '61 Ford, except tires, is dealer warranted against defects in materials or workmanship for 12 months or 12,000 miles, whichever comes first. Owners remain responsible for normal maintenance service and routine replacement of maintenance items such as filters and ignition parts.

Every '61 Ford, like the Galaxie Club Victoria above, shares an honor to be proud of. It is the medal presented by the International Fashion Authority, Centre for Alfa Moda Italiana, to the 1961 Ford for functional expressions of classic beauty.
