School Pay 'Freedom Riders' Leave Alabama; Vote Nears

AUSTIN (UPI) — Final action on a bill to give Texas teachers an \$800 annual pay raise was expected today in the Senate.

A vote on the bill that passed the House earlier could come after senators complete a docket of local and untested bills.

Sen. A. M. Aikin Jr. of Paris, Senate sponsor of the bill, has only today and Thursday left in the regular session to bring the bill up.

Much Of Texas Gets Rainfall; Tornado Sighted

By United Press International Soaking rains covered most of Texas today after another spell of weather turbulence that produced a tornado, high winds, hail and left one man dead.

A bolt of lightning whipped down from a thunderhead near Edna and struck Malguarez Morales, 55, as he worked in a cotton field. A short time later a tornado ripped through the edge of Ganado, nine miles east of Edna, damaging one home and destroying a garage.

The storm came during a severe weather forecast that covered the area from 3 p. m. until 8 p. m.

Rain was general in the South Plains and Lower Rio Grande areas early today, and drizzle and some fog covered North Central and Northeast Texas.

Overnight low temperatures were generally in the same range as those Tuesday—between 40 and 50 degrees at Brownsville and Galveston—but the Weather Bureau said it wouldn't be quite so warm in South Texas during the afternoon.

It rained so hard at Ganado that motorists on U. S. Highway 39 had to pull off and wait out the storm. McGregor and Crawford, near Waco, reported more than three inches, and 2.80 inches fell at Hamilton.

Pleasanton, 20 miles south of San Antonio, reported more than an inch, but only a trace fell at San Antonio which is experiencing its driest year in history.

Job Need Of Youths Termed 'Explosive'

WASHINGTON (UPI) — A leading educator said today the growing number of jobless teen-agers confronts the nation with an "explosive" social problem.

Dr. James B. Conant, former president of Harvard University, made the appraisal at the opening of the first national conference studying unemployment among youngsters who have left school.

Three cabinet members — Atty. Gen. Robert F. Kennedy, Labor Secretary Arthur J. Goldberg, and Welfare Secretary Abraham Ribicoff — also were scheduled to give their views on the problem. Conference officials said the rate of unemployment among youths was more than 13 per cent of the labor force, or double the national average.

Conant said this was "not only a great waste of manpower—it is an explosive situation."

Proposals for a youth conservation corps, modeled after the "CCC" of New Deal days, are being studied by the Kennedy administration. They would establish programs to put teenagers to work in rural and urban areas on conservation or public works projects.

Jury Being Sought For Murder Trial

NACOGDOCHES (UPI) — The murder trial of Edward Otho Hagans and his wife, Marie, went into its third session today with 11 jurors left to be seated.

The panel of 450 prospective jurors called Monday, largest in the history of the county, had been trimmed to 131 Tuesday night.

Sid Abernathy, a Nacogdoches printer, was the only juror selected.

Wednesdays and Thursdays are set aside for House bills in the Senate. The session ends at midnight next Monday.

The pay raise is estimated to cost the state \$142 million during the next two years.

The House Tuesday passed another major piece of school legislation. Members gave 108-35 approval to a Senate bill to give the University of Houston, full state support in 1963. The measure was sent to the governor.

Sponsored by Sen. Bob Baker and Rep. Criss Cole, both of Houston, the school's cost to the state would be \$5 million annually.

A cheering House minority Tuesday blocked final passage of a bill designed to outlaw sit-in demonstrations. The bill, by Rep. Lloyd Martin of Normangee, died when it failed to receive a two-thirds vote necessary for final consideration.

The House overwhelmingly passed a bill by Rep. Bob Johnson of Dallas to make it more expensive to get a driver's license and raising the age for youngsters to qualify to drive.

The bill, passed 128-16, would charge a \$1 fee for application for a license. It would also permit a driver's license to be used as bond for a court appearance.

A youngster would have to be at least 16 under the bill before he could have a driver's license unless at the age of 15½ he had completed a driver education course. The measure also transfers a minor driver's liability to the person who took the responsibility of allowing him to drive.

Lyndon Johnson Flies Back Home

WASHINGTON (UPI) — Vice President Lyndon B. Johnson returned today from his flying mission to Asia with a message of hope and a note of warning.

He took a helicopter to the White House to report personally to President Kennedy on the fact-finding trip that started May 9.

The vice president, who flew 29,000 miles and visited six Asian countries in two weeks, was convinced there is a long, costly anti-Communist struggle ahead.

"I said before I left that my mission was one of hope. I have returned to give President Kennedy a report that embodies much more hope than I thought possible when I left," he said.

'Freedom Riders' Leave Alabama; Mississippi Awaiting Their Arrival

Hate Group Kept Quiet By Officer

NEW ORLEANS (UPI) — A busload of "Nazi storm troopers" ran into rain and an unsympathetic police officer in their confused and unglorious entry into the city Tuesday night.

The American Nazi party members first were headed out of town by police, then turned away by a motel operator, and finally permitted to stay in town overnight after compromising on their "hate" signs.

But the Nazis maintained their "hate campaign" against CORE, the NAACP and Otto Preminger's film "Exodus," will come off as scheduled.

Police never let the bus, painted with "hate" signs, out of their sight after it entered the city Tuesday night. When the Volkswagen van parked in the city outskirts, a police captain confronted the driver.

"I want you to understand what I tell you and get it right," said Capt. T. H. Troclair. "You are not to move a wheel until you cover up every one of those signs."

The Nazis, wearing suits and sportsclothes instead of their swastika-marked khaki uniforms, listened to Troclair read a statute prohibiting any act which would "unreasonably disturb or alarm the public."

The signs read "We hate Jew-communism" and "We do hate race mixing."

The Nazis began trying to cover up the signs with paper, but a drizzling rain turned into a down-pour and forced them to shelter. Then they ran out of paper.

They telephoned their "fuhrer," George Lippon Rockwell, at his command post in a New Orleans hotel, and apparently on his advice told the officers of the plight.

The Nazis said they were unable to cover the signs, but the officer maintained the signs broke the law. The Nazis said they would have to "move a wheel" to get out of the parish and Troclair ordered an escort.

Before reaching the city limits, the Nazis, from Arlington, Va., said they had changed their minds and asked permission to seek lodging on the condition they rip off the cardboard signs on the sides and use what paper they had to cover the signs on the front and rear of the bus.

The police agreed, but the first attempt at finding beds for the night failed.

The Nazis later found a sympathetic motel clerk and lodging for the night.

17 Servicemen Killed In Crash Of Globemaster

TACOMA, Wash. (UPI) — At least 17 men were killed when a C124 Globemaster crashed shortly after taking off from McChord Field near here this morning.

Sixteen of the victims died instantly when the plane plunged to earth after having gained an altitude of about 500 feet. The crash occurred on adjacent Ft. Lewis grounds about five miles south of the McChord runway. The 17th man was dead on arrival at Madigan General Hospital.

One man was listed as missing and four others were reported in critical condition at Madigan. An Air Force official said normal communications were maintained during takeoff at 2:22 a. m. but that the plane then plunged sharply, shearing off trees in its dive to earth.

The Globemaster carried a crew of seven and 15 Army personnel returning to Ft. Sill, Okla., after taking part in the Lava Plains exercise at the Yakima, Wash., firing center.

The plane itself was attached to the 63rd Troop Carrier Wing of Donaldson Air Force Base, S. C.

Cuban Fund Committee Branded As 'Meddlers'

WASHINGTON (UPI) — Sen. Thomas J. Dodd, D-Conn., today accused the private committee seeking to exchange U.S. tractors for Castro-captured Cubans of "irresponsible meddling" in foreign affairs.

KENNEDY MAKES APPEAL

WASHINGTON (UPI) — President Kennedy called on all Americans today to contribute to the voluntary "tractors for prisoners" fund seeking release of Cubans held by Castro.

Kennedy said export licenses would be granted routinely by the State Department.

He called for immediate abolition of the group headed by Mrs. Eleanor Roosevelt, United Auto Workers President Walter Reuther and Dr. Milton Eisenhower, brother of the former president.

Dodd, a member of the Senate Foreign Relations Committee, said in remarks prepared for Senate delivery that "private groups must not be allowed to interfere

with the conduct of our international affairs."

"The State Department should remind the leaders of this committee that we have an administration and a Congress for the making of foreign policy and for deciding whether the American people will pay tribute to the Cuban Communist dictator," he declared.

Dodd's attack was the latest in a growing congressional bombardment of the citizens committee soliciting money to buy 500 tractors — Premier Fidel Castro's price for releasing the rebels captured in last month's invasion attempt.

The foreign relations committee was considering a meeting with Secretary of State Dean Rusk on the situation unless the department clarified its policy toward the private group. But no session had been definitely scheduled.

Senator Blakley To Greet Pampa Folk Tomorrow

Sen. William Blakley, democratic candidate in Saturday's senatorial election, is scheduled to make a brief stop in Pampa tomorrow morning.

"He'll probably be here between an hour and an hour and a half," said Aaron Sturgeon, Sen. Blakley's Gray County campaign manager.

Sturgeon said the senator was coming here from Dallas and would probably arrive at Pampa's Airport at 10:30 a. m.

From the airport he will go directly to the Blakely headquarters building at 117 West Foster street for a session of handshaking and possibly a brief speech, Sturgeon said.

"Coffee will be served at the headquarters," Sturgeon added. From Pampa Blakley will go to Borger, Amarillo and then to Lubbock, where he is scheduled to give a state-wide telecast at 7 p. m. tomorrow.

Troops Escort Student Group From Capital

MONTGOMERY, Ala. (UPI) — An inter-racial group of Freedom Riders boarded a Trailways bus and left this riot-scarred city today bound for Jackson, Miss—the hard-core center of segregation in the South.

Integration leader, the Rev. Martin Luther King Jr. said he had talked to U.S. Atty. Gen. Robert Kennedy. King said Kennedy told him that the Kennedy administration had been given assurances by Mississippi officials that the students would not be harmed.

A massive contingent of Alabama National Guard troops and highway patrolmen showed up to escort the 11 Freedom Riders out of the state. Their arrival here had sparked a weekend of rioting.

At 7:30 a. m. the highway patrol said the bus had passed Prattville, on the western outskirts of Montgomery, and was on the open highway heading toward Selma.

Only Freedom Riders and newsmen were allowed to get aboard the bus. An elderly Negro who attempted to board it to get to a job along the route was denied permission.

Gov. Ross Barnett of Mississippi said "Just let the officers handle the situation. They're fairly capable of handling this and any situation like they always have. I don't believe there will be any violence in Mississippi. I think the people will keep calm."

The first scheduled stop for the bus on a normal run would be at Meridian, Miss., at about 11 a. m. CST.

Maj. Gen. Henry V. Graham, Alabama state adjutant general, said the bus would be escorted by 16 highway patrol cars, each containing three guardsmen and two patrolmen.

Newsmen were on the bus with the party of Freedom Riders—one white man, two Negro girls and eight Negro males. The white man was Paul Dietrich of Washington, D. C., an unmarried office worker.

Dietrich said he had not participated. (See TROOPS, Page 3)

Planning Under Way For Rodeo In August

Planning is well underway for the annual Top O' Texas Rodeo to be held in Pampa Aug. 7-12, it was announced today by Mrs. Weldon Steward, office manager for the Rodeo Association.

All work committees have been appointed, Mrs. Steward said, and rodeo stock has been contracted for through Morris Stephens of Quitaque, Texas, one of the outstanding amateur rodeo producers in the Southwest.

The Pampa High School band, under direction of Bill Tregoe, will again play for the rodeo performances and Miller Brothers Dance Band will furnish the music nightly for dancing in the National Guard Armory.

Special features during Rodeo Week will be the Cowgirls' Contest and the Cutting Horse Contest. The latter contest is NCHA approved event, making it one of the nation's outstanding competitions of its kind.

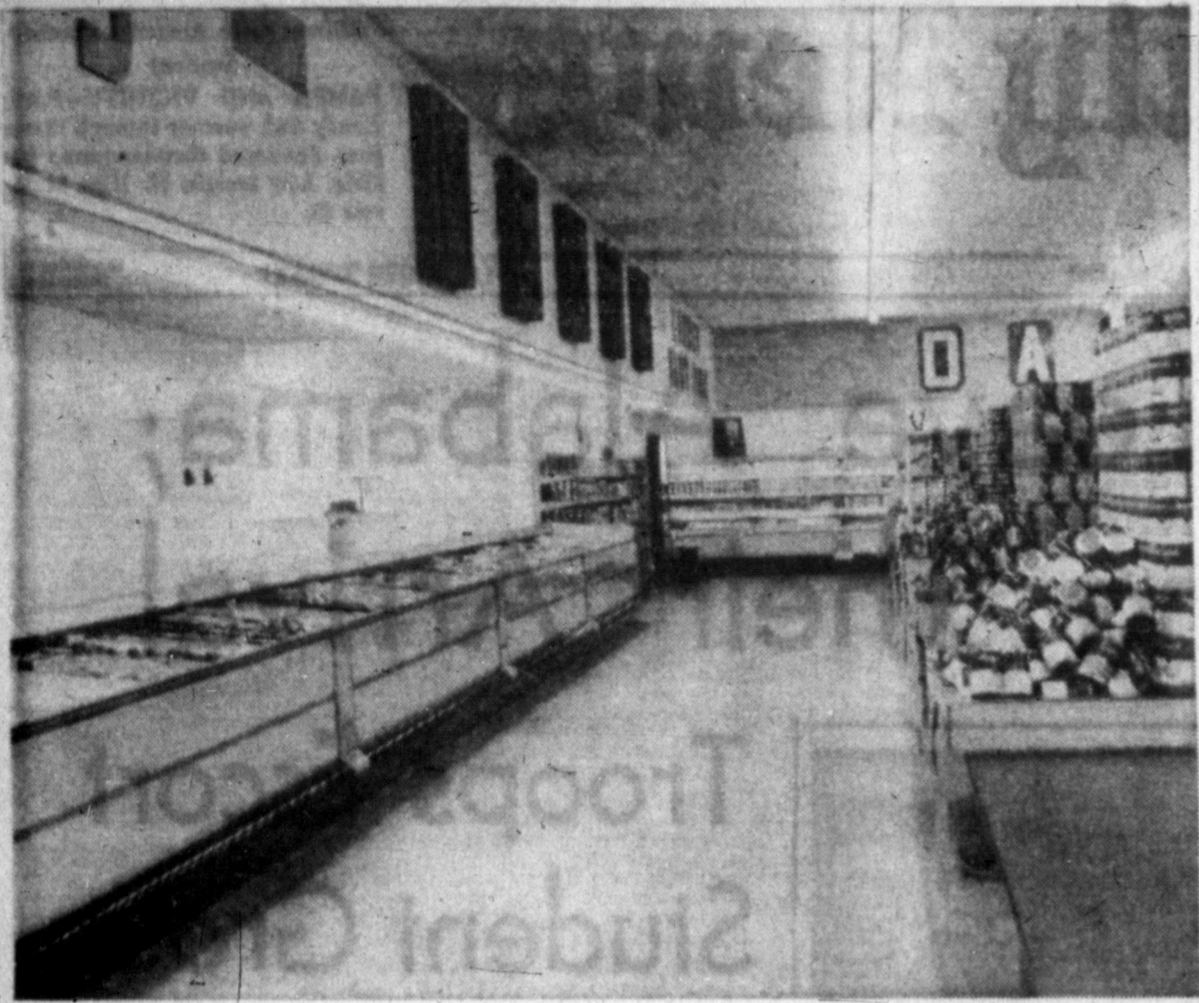

Another important event of the rodeo will be the Calf Scrambling Contest which will feature FFA and 4-H Club boys from Gray, Carson, Wheeler, Hemphill and Roberts counties.

Mrs. Steward said promotion pieces for the rodeo are ready for distribution and automobile bump-

er stickers have arrived at the rodeo office. Anyone wishing bumper stickers may get them now free of charge by applying at the rodeo office at the Chamber of Commerce in City Hall.

Area prospects Good For Wheat Prospects are excellent for an abundant wheat yield for Pampa and surrounding area towns, according to a report released this week by the Amarillo Wheat Control office.

Area towns included in the report were Wheeler, Canadian, Lipscomb and Miami. The report revealed that hail damage in the Wheeler area had not changed the expected production as the rains increased the county yield enough to offset the estimated 1,200 acres with 25 per cent to 95 per cent damage. Moisture is adequate, the report said. Beneficial rains have been received over parts of the Texas wheat belt and in some small areas, the report pointed out. However, the report pointed out that the rains have more than offset the damage caused by hail.

DISPLAY AREA — Buddy's Supermarket, 502 West Francis, held its grand opening today. Shown on the left is the meat display and processing area, one of the finest features available to Pampa shoppers. (Daily News Photo)

Formal Opening Staged By Buddy's Supermarket

The ultra-modern Buddy's Supermarket, 502 West Francis, a credit to Pampa, opened this morning at 7:30 O'clock. The \$100,000 self service establishment includes more than 10,000 square feet of floor space. "We have more than doubled our display area, making this one of the finest food stores in the Panhandle," said Buddy Francis, manager. Buddy's Supermarket has been in Pampa for 11 years, featuring the finest in food products and a meat market which has become "the housewife's life saver," Francis said.

Francis pointed out that 15 experienced Persons are employed to operate the store. The Webber Roll-O-Matic check out counters will add to the shoppers convenience, and the new shopping carts with built-in baby seats are designed to make shopping at Buddy's a housewife's balm. Store hours for the new supermarket will be from 7:30 a.m. to 9 p.m. weekdays and from 7:30 a.m. until 8 p.m. Sundays. Francis, a well known businessman feels that Pampans will feel right at home as they shop in this store.

Ill-Fated Cuban Invasion Shown Costly For U.S.

WASHINGTON (UPI)—Administration witnesses have disclosed in congressional testimony that this government spent about \$45 million on the ill-fated Cuban rebel invasion attempt, it was learned yesterday. The figure was given at a closed-door session of a Senate subcommittee on Latin American affairs by high-ranking officials of the Central Intelligence Agency, according to senators who attended. These same sources said Gen. Lyman L. Lemnitzer, chairman of the Joint Chiefs of Staff, told the subcommittee at a later hearing that the military had no control over spending the money and that U. S. equipment used in the invasion attempt was purchased from the Pentagon. Lemnitzer did not cite any cost figure, but CIA witnesses did. United Press International was told. The general reportedly said the joint chiefs' major role in the pre-invasion planning was consultation with regard to some of the tactics.

Mexican Towns Plan For Youths

MEXICO CITY (UPI)—Youth centers will be built shortly at Monterrey and Torreon which will provide "social services" to an estimated 50,000 youths, the National Institute of Mexican Youth announced today. The institute said centers are now functioning at Guadalajara and Aguascalientes. The goal is 45 centers scattered throughout the country, a spokesman said. The existing centers have workshops, facilities for commercial courses, modern theaters, gymnasiums, dance halls, and sports fields, the spokesman said. The institute aims to orient Mexican youth civically, culturally and artistically, he added.

Convicted Man To Get Hearing

WASHINGTON (UPI)—The Supreme Court has ordered the Texas Court of Criminal Appeals to hold a hearing for James M. Bushnell, 42, who acted as his own attorney and was convicted of armed robbery and assault 17 years ago. Bushnell, who had only a sixth grade education, was charged with beating and robbing a man named A. L. Myers near Vidor, Tex. He was sentenced to serve 35 years in prison. Bushnell filed his bid for freedom with the Court of Criminal Appeals of Texas. He appealed to the U. S. Supreme Court after he was denied a hearing by the state tribunal. The high court, in a brief unsigned opinion, ordered the court

Oil Imports 'Solution' Offered Federal Agency

AUSTIN (UPI) — The Texas Independent Producers and Royalty Owners Association Tuesday sent the Department of Interior a supplemental recommendation to solve the nation's oil imports problem.

Parent-Teacher Program Handed To Convention

KANSAS CITY, Mo. (UPI) — Lawrence G. Derthick, former U. S. commissioner of education, yesterday proposed a four-point program for action at the 65th annual convention of the National Congress of Parents and Teachers.

Derthick, who is now assistant executive secretary for educational services for the National Education Association, suggested that PTA work toward:

"Putting brain power ahead of fin-tailed automobiles, recreation, alcohol and tobacco, for in all of these categories we have been spending considerably more than we have been spending for our boys and girls."

"Giving your (members) a clear image of what a good school looks like—clarifying your own image of a good school."

Working with school administrators and teachers in joint programs.

Providing the "great new dimensions of federal support" that are required to reach goals in education.

Mrs. Clifford N. Jenkins, a grandmother from Roslyn, N. Y., was nominated Monday as president of the organization and will be elected without opposition today.

Indiana Election Probe Completed

WASHINGTON (UPI) — A House investigating subcommittee has ruled unanimously that former Democratic Rep. J. Edward Roush defeated Republican George O. Chambers by 99 votes in Indiana's 5th Congressional District election last fall.

The subcommittee, completing a three-month investigation of the disputed election Tuesday night, reported 107,357 votes cast for Roush, against 107,258 for Chambers.

Senators passed a proposed constitutional amendment by Rep. DeWitt Hale of Corpus Christi to permit appeal to the courts of rulings made by state agencies. The measure will go before Texas voters in the 1962 general election.

A resolution urging the reinstatement of Maj. Gen. E. A. (Ted) Walker, who lost his European army command as the result of charges he supported the John Birch Society, also won Senate passage. The vote was 18-10 on the measure sponsored by Sens. David Ratliff of Stamford and Dorsey Hardeman of San Angelo.

The House also agreed 138-1 to create a new state water pollution control board.

The association's new president, J. F. West, sent Interior Secretary Stewart L. Udall a four-part recommendation "to amplify certain aspects of testimony presented" at a May 10-11 hearing on the mandatory oil imports program.

The first of the group's additional recommendations was that imports should be related to "domestic production" rather than to "total demand."

West said imports would continue to grow at a "rate disproportionate to domestic production" unless non-residual imports were related in demand for domestic crude oil production.

West said the association also recommends that the growth of imports from exempt or loophole sources be restrained. He said the independents "commend as proper the assurances of the secretary that continued vigilance will be maintained to assure that disproportionate growth of imports from these sources is not maintained."

The group's final supplemental recommendation, West said, "merely reflects recognition that the policy of basing residual quotas on so-called 'need' encourages changes in refinery yield to the point that greater surpluses of non-residual products are accumulated on the domestic market."

participated in the previous Freedom Riders ventures.

"I'm a little anxious," he said.

The students entered the station accompanied by King, the Rev. Wyatt Tee Walker of Atlanta, King's aide, and James Farmer, national director of the Congress for Racial Equality.

The students bought their tickets in the white waiting room.

They were guarded at the start of their journey by more than 250 National Guardsmen and highway patrolmen.

Additional guardsmen stood at attention on the roof of a garage across the street from the terminal in downtown Montgomery.

"It seems like another world," a newsman muttered as he watched the waiting troops and newsmen.

Only a few passersby watched from across the street. Nowhere in evidence were the angry mobs that greeted the Freedom Riders when they arrived here. Several were mercilessly beaten Saturday.

At the Mississippi border, the riders faced firm measures by authorities of that neighboring state.

Gov. Ross Barnett of Mississippi immediately went on record as saying the Freedom Riders would be arrested if they violate his state's segregation laws.

Barnett said in Jackson he expected the first Freedom Riders today. If they arrive by special bus, police were to escort them across the state without a stop.

"I have ordered the Highway Patrol and the National Guard to support local law enforcement officers in maintaining order," said Barnett.

Murchisons Win Complete Rule Over Alleghany

BALTIMORE (UPI) — The Murchison brothers of Dallas have won decisive control of the \$6.7-billion Alleghany Corp. in a proxy election sweep of all nine seats on the board of directors, it was announced today.

Alleghany President Charles T. Ireland reported at the reconvened annual meeting here that the Texas insurgents overturned the management of Allan P. Kirby by a proxy vote margin of 853,998 shares.

The possibility of a court fight over the election outcome was eliminated by the announcement that neither side challenged the validity of any proxies cast.

Of the total common stock proxies cast, the Murchison forces received 5,026,011 compared with 4,172,013 for the incumbent Kirby. The common stock elects seven of the nine directors on the board of the huge railroad and investment holding company.

The Murchisons also won a majority of the preferred stock vote which elects the other two board members. The vote was approximately 247,000 to 136,000.

The victory of the two youthful Texans, John D. and Clint W. Murchison Jr., not only capped the biggest corporate struggle in history but also represented a stunning upset. Last month the odds in Wall Street heavily favored Kirby to retain control of his personal financial empire.

Koreans Announce Plans For Visit With President

SEOUL, Korea (UPI) — The leader of the republic of Korea's ruling military junta caught American officials by surprise today with an announcement that he is going to the United States to see President Kennedy.

Neither the U.S. Embassy nor the United Nations Command headed by Gen. Carter B. Magruder knew of the plan until it was announced by ROK army chief of staff Gen. Chang De Yung, head of the Revolutionary Committee which seized power last week.

(In Washington, officials said the United States did not invite Gen. Chang but that he probably would be extended the usual courtesies accorded a prime minister if he showed up. The United States has continued formal diplomatic relations with South Korea through President Posun Yun.)

United Fund Meet Slated Tomorrow

A meeting of the Budgets and Admissions Committee of the Pampa United Fund, Inc., has been called for 4 p.m. Thursday, June 1, in the United Fund Office in City Hall.

E. E. Shelhamer, committee chairman, said today he was calling the meeting to review applications of organizations wishing to participate in the 1961-62 United Fund drive.

'Big Two' Chiefs Assured Of Safety At Coming Parley

VIENNA (UPI) — White House news secretary Pierre Salinger and Soviet security chief Nikolai Sacharov worked out broad strategy today for assuring safety and privacy for their government chiefs who will meet here June 3 to discuss conditions.

Salinger planned to fly home tonight, leaving the details to be worked out by others. He said his first meeting with Sacharov, at the U.S. Embassy Tuesday, was "very friendly."

On Kennedy's part, the summit meeting will be "on a strictly confidential basis" and he will hold no news conference in Vienna, Salinger said.

Woman In China Mother Of Quads

TOKYO (UPI) — Quadruplets were born on a Chinese Communist rural commune in April, the New China News Agency said today.

The agency said the three boys and a girl were doing well. They were born to a 35-year-old peasant woman.

Pampa Residents Urged To Buy Flags From Key Club Members

The Pampa "Pageant Of Flags" was announced today by Wayne Denson, president-elect of the Pampa High School Key Club.

Key Club boys between 15 and 18 years of age will encourage every household and business in Pampa to secure the new 50-star flag. As a community service, Key Club has arranged to buy flags in quantity and offer them for sale at only slightly above their cost.

In announcing the campaign, President Denson said:

"History teachers us that all Americans are united under Old Glory. We hope the Pageant of Flags in Pampa will give evidence of our determination to remain free."

Once flags have been distributed, the Key Club will offer a continuing service of reminding people to fly their flags on significant holidays. Every effort is being made to have many flags flying on Memorial Day, May 30; again on Flag Day, June 14, with the campaign climaxed on Independence Day, July 4.

The cotton cloth flag will be 3'x5', and comes complete with a pole and wall bracket. The Key Club will sell the kit for \$5.00 and will install the bracket on the front of dwellings. Orders will be taken. The purchaser pays for the flag only when it is delivered.

Orders for flags may be made by mail or telephone. Orders may be mailed to FLAGS, 311 North West Street, Pampa, Texas, or by telephone, MO4-6443 and MO5-2824. The first shipment of flags is expected to arrive by May 15, and installation will begin immediately.

The Pampa Key Club is a High School boys service club sponsored jointly by Pampa High School, the Kiwanis Club of Pampa, and the Top O' Texas Kiwanis Club.

Evangelist Graham Confined To Bed

LONDON (UPI) — American evangelist Billy Graham is suffering from a severe respiratory infection, his London doctors said today.

The physicians said they were using antibiotics to fight the infection. An assistant to the 42-year-old evangelist said Graham hopes to be well enough to begin a rally in North England next week.

Graham was ordered to bed Tuesday, just 20 minutes before he was scheduled to address the opening meeting of his fifth British "crusade for Christ" in London.

Principal Shoots Expelled Student

DALLAS (UPI) — Ollie C. Mitchell, 42, principal at a Negro school, shot a student Tuesday he had expelled because he said the boy was choking and trying to kidnap a girl from the school grounds.

Smith Brownlee, 19, was held under guard at Parkland Hospital. He was shot in the hip and arm. Police said he was being held for aggravated assault.

Mitchell was booked for assault to murder, but released on his own recognizance.

Forming Of Character Final Topic For PTA

Character Development. Any program was the past topic introduced by Mrs. Essie Mae Walters, student counselor, at the Robert E. Lee Junior High PTA meeting held Thursday in the Lee Auditorium.

Participants were Miss Martha Paillet, sixth grade student; R. L. Edmondson, superintendent of Pampa Schools and McHenry Lane, curriculum director.

Mrs. Walters introduced seventh grade student Mike Wise, who gave the Thought For the Day: "Whenever life knocks you to your knees that is the best position in which to pray."

Practicing the panel discussion, Mrs. Walters said, "You would be impressed if you were here at the beginning of each day as school opens and could see the quietness that falls over the students in the halls as they stop to listen to the Thought For the Day and prayer that is given over the intercom system. Junior High age students strain at the bits to grow up and show their independence. These adolescent years are challenging. Junior High people need a great deal more than to be stood, they need to be understood."

"Here at Lee," she continued, "we have an above average group of children to work with and we all are appreciative of them."

To express a student's point of view regarding character, Miss Paillet defined character as "doing the right thing when no one is looking." She felt that with "the

help of teachers and parents young people can learn right from wrong and to make the right decisions. "Later with this good experience, they will make the right decisions alone."

In opening remarks, Mr. Edmondson stated that each person is seeking answers to daily problems. "However," he said, "things aren't what they were and never were!"

He went on to say that "Good character education should be based on Christian education with the Golden Rule as a yardstick. No one agency has the restricted duty of good character education. Church, school and home are all inter-dependent on each other and can have strength in unity and understanding."

"Today," he continued, "is the time to begin good character education. Americans all agree on basic honesty rights of others and respect facts and the truth. These values need to be transmitted to youth if we are to continue in our way of life. The democratic way of life is based on the character of individuals."

"Do we as parents watch for mistakes in our children," Mr. Edmondson asked, "or do we try to prevent mistakes from happening? Too many measure success by values. We must teach values that will sustain us as a Christian nation."

"I do not think that a group such as this PTA would be possible in looking," she felt that with "the

Robert E. Lee Junior High PTA Closes Out Year At Exec Meeting

Mrs. Joe Sears, Robert E. Lee Junior High PTA president, presided at the final executive board meeting of the current year, held in the school auditorium.

Reports were given by Mrs. Don Cain, secretary and Mrs. C. R. Howard, treasurer. Incoming president, Mrs. J. T. Cornutt introduced committee chairman and officers for the 1961-62 year as Mmes. Homer Johnson, vice president, W. T. Fain, secretary, Jeff Bearden, treasurer, E. E. Shelhamer, parliamentarian, Darrell Hogsett, historian, J. W. Flynn and H. V. Wilks, City Council delegates.

Committee chairmen are Mmes. Earl Miller, hospitality; Harold Baum, year book; Ray Z. Wilson, publicity; C. R. Howard, record book; Floyd Watson and Don Cain, Family Night; Floyd Crow, Parent and Family education; Jack Nichols, budget and finance; Elmer Darnell, Congress publications; J. W. Lemons, health, safety and civil defense; Essie Mae Walters, legislation; C. L. Warner, membership; Jack Miller, radio; George Henderson, procedure; J. A. Hall, telephone; Jay Channell, youth protection; E. J. Griffin, room representative; and Bob Sidwell, door prize.

The executive committee approved the suggestion of presenting Mrs. James E. Lewis' name to the nominating committee for the office of Texas State PTA vice president.

Mrs. Darrell Hogsett reported on

the PTA Spring Conference held in April in Childress. She stated that during the past three-year term of district officers, 44 life memberships had been given in District 19. She said that one chairman closed his report with the statement "God help us to develop the potential of a child rather than pick up the pieces of an adult."

In summation of the conference, Mrs. Hogsett said, "Mr. M. Cordeil, superintendent of Wheeler Schools said that we turned too much toward materialism; therefore, we need to return to a foundation based on spiritual needs. Don't let a stranger teach your child."

"Each unit in Texas is urged to present a scholarship to a graduating senior who is interested in becoming a school teacher. School visitation was stressed at the Conference especially at the junior high and high school levels."

Present for the meeting were Jack Nichols, school principal; Mmes. Joe Sears, Don Cain, Darrell Hogsett, W. T. Fain, George Cree Jr., J. T. Cornutt, R. D. Wilkerson, Jack P. Miller, Robert Echols, E. J. Griffin Jr., J. W. Hall, Carl Warner, Jay Channell, Elmer Darnell, Essie Mae Walters, Earl Miller, Thelma Bray, Floyd Watson, J. W. Lemmons, John Griffin, J. W. Flynn, Ray E. Wilson, Jim Chase, E. Purpose Of "Decade Of Decision" Told At Christian Women's Fellowship Meet

The Christian Women's Fellowship of First Christian Church met recently to hear a challenging program on "The Decade of Decision" introduced by Mrs. R. E. Converse, CWF president.

She explained the "Decade of Decision" by saying, "In 1950, the Christian churches (Disciples of Christ) launched a program of advance it will be the one program for all brotherhood and involves all major interests, causes and agencies of the Christian churches. It is called the "Decade of Decision, 1950-1970."

Mrs. Converse went on to state "We are living in a dynamic age. Tremendous forces of change have been let loose in the world. The years before us are years in which the voice of the Church must be heard."

The total program of the "Decade of Decision" was explained further in playlet form by Wally Gibson, Mrs. Charles Lanehart, Dr. Richard Crews and Mrs. George Crossman.

The objectives of the decade program are that of meeting the spiritual needs of the people in the community and actively participating in the co-operative effort to meet the spiritual needs of people throughout the world.

It was brought out that the goal to be reached by 1970 for Christian churches participating in the program is "to be giving as much of their funds to world outreach and missions as they keep for local church use."

Mrs. Converse closed by saying "Let us remember, the Church is missions, without missions there is no church. We cannot be Christians and church members without being missionaries, also."

Dear Abby... Just Don't Try For Big Fish!

By ABBIGAIL VAN BUREN

DEAR ABBY: What is a girl who wasn't born beautiful supposed to do? I am 18 and have never had a boy friend. I am of medium build, maybe a little underweight. Anyway, my figure is nothing sensational, and the way my mother makes me dress, even if there were no one could notice it. My hair is light brown, gets oily fast and just hangs. I wear glasses and braces.

Believe me, it is not an inferiority complex that gives me the idea that no boy would look at me twice. I have tried to be the kind of person who is fun to have around, but I am a big flop.

Can you give me a few tips on how to get a boy to notice me?

NOTHING SPECIAL

DEAR "NOTHING": Maybe you're trying too hard. And maybe the fish you're casting for are too big for your line. Be yourself. Be your best groomed, kindest, sweetest self. Pay particular attention to the shy little guy whom no girl notices. He'll bet you catch something pretty special.

DEAR ABBY: Please tell "Must Have Been Crazy" that she has company. I am another secretary who fell for her boss. I was 21 and he was 44. I had to have his child to grow up. I was married and so was he. He said he loved me. I was blonde, five feet four, 28-25-34. He said I was perfect. When my measurements changed, so did he. This is all ancient history, and thanks to heaven, and an understanding husband, my life was not ruined. But please tell girls who get a yen for their bosses to quit while they are ahead.

OLDER AND WISER

Yes, Abby will answer your letter personally if you write to ABBY, Box 1261, Beverly Hills, Calif., and enclose a stamped, self-addressed envelope.

Memorial Day Plans Are Set By Auxiliary

Ladies Auxiliary to veterans of Foreign Wars Post 1887 met Tuesday evening in the VFW Hall. Plans were made for a short Memorial Day service to be held at the VFW monument at the north side of Fairview Cemetery at 9:30 a.m. Auxiliary members will meet with the American Legion Auxiliary to place flags on veterans' graves and place sprays on auxiliary members' graves.

Hospital tray favors will be sent to Worley Hospital on Memorial Day.

Plans were made to sell Honey-Comb dish cloths as a fund-raising project for the general fund.

A donation of \$25 was approved to be given to the Pampa Youth and Community Center to apply on craft tools.

Members agreed to have one meeting a month during the summer months. Refreshments were served by the hostess, Mrs. Carl Wright, during the social hour. Attending were Mmes. Jess Beard, George Benham, Josephine Blacklock, Frank Hudgel, H. G. Lawrence, O. F. Kreimeyer, C. D. Malone, E. Savage, J. H. Slater, Vernon Stuckey, Chester Williams, A. L. Walling, Carl Wright and Frank Yates.

A sparkling modern perfume is the ideal one for the 1961 bride. This classic scent comes in spray form.

Select Perfume For Wedding Day That Will Linger On Pleasantly

An important part of your beauty as a bride lies in the perfume you choose for your wedding day. People will remember it long after the big day is over. And they will associate it with their memories of a really lovely bride.

There are two really important rules for buying perfume. The first is to pick a scent that makes you feel happy and confident. The second is to buy the very best perfume you can afford. This is no place to economize.

If you are going to have gardenias in your wedding bouquet, you might pick a gardenia perfume. Or you might consider a famous perfume, a sparkling modern blend known throughout the world. This now comes in spray scent and in matched cologne as well as in the perfume.

Another bridal favorite from this same perfume house is a delicate floral blend, one that would get along well with whatever you decide to carry.

WSCS Concludes Study In Homes Of Members

Circle 1 met in the home of Mrs. Irvin Cole with Mrs. J. C. McWilliams as co-hostess. Mrs. Glenn Radcliff, chairman, made announcements and read from the Upper Room. "A Parable Of Christian Service," Mrs. W. A. Waggoner concluded the study on "Basic Christian Beliefs." Mrs. Frank Carter, Jr. told of "Life in This World to Come." The devotion was given by Mrs. Frank Stallings, closing with the prayer of St. Francis. As the outgrowth of the study, inspirational books will be purchased for the church library.

Members present were Mmes. Glenn Radcliff, Elmer Radcliff, Huggan Smith, Frank Carter, Jr., W. L. Groves, Ray Wells, W. A. Waggoner, E. H. Butler, Frank Stallings, L. M. Hicks, Carlin Nance, Joe Donaldson, Virgil Drew, Irvin Cole and J. C. McWilliams.

Circle 2 met in the home of Mrs. Paul Bowers for a salad luncheon. The devotion was given by Mrs. J. F. Branson, with Mrs. J. E. Thompson concluding the study. Assisting were Mrs. Gerald Marlar and Mrs. Aubrey Steele. Mrs. Ralph Thomas closed with prayer.

Members present were Mmes. J. E. Thompson, Joe M. Hayes, Eben D. Warner, Jr., Ralph Thomas, G. F. Branson, Aubrey Steele, Bernard Johnson, W. L. Rountree, Homer Bowers, Loyce Caldwell, Wiley E. Circle 3 met on the back lawn rock garden of Mrs. Fred Hart with Mrs. Doyle Osborne as co-hostess. Mrs. H. H. Boynton gave the poem, "I Saw God Wash the World Last Night" as the invocation. Mrs. Clarence Lutes, chairman, presided over the business meeting. Tokens of appreciation were given to several members.

Mrs. Knox Kinard, study leader,

concluded the study on "Basic Christian Beliefs." Mrs. W. H. Nichols summarized the playlet related to the study from "By the Side of the Road." Following a review, members gave brief discussions on their beliefs and convictions. Mrs. Kinard ended the lesson for the day by giving an outline of the last chapter and quoting from I Corinthians 9-12. The meeting closed with prayer.

Present were Mmes. Tom Atkins, H. H. Boynton, J. L. Colville, Fred Hart, V. Martin, W. H. Nichols, Frank Yealy, Doyle Osborne, Clarence Lutes, E. S. Williams, Knox Kinard, Chester Thompson, P. B. McCarley, T. C. Lively. Guests were Mmes. G. R. Paxton, Findlay, Ohio, Mrs. T. M. Harrison of Memphis, and Mrs. Marsha West and Kermit Lawson, Pampa.

Mrs. J. E. Kirchner was hostess for CIRCLE 4. Mrs. W. Purviance presided the meeting with prayer and Mrs. H. P. Dosier, chairman, presided at the business meeting. It was decided to place a copy of the English translation of the New Testament in the church library as a result of the study. Mrs. H. H. Bratcher con-

Avoid 'Roughing' It On Next Vacation

It's time again for that annual discussion — the less polite among us might call it "battle" — over vacation plans.

How often have you hoped to go to a resort where you could wear pretty clothes, dance in the evenings and let someone else make the beds? Yet, when vacation comes, you find yourself dishing up mansized meals on a picturesque wood stove and sweeping out that little cabin in the woods.

Not much fun, huh? You're not enamored of fishing, and you'd rather get your wild game from the meat market. But you give in anyway because he thinks "roughing it" is relaxing.

Has it ever occurred to you that he'd try a resort vacation if he didn't feel he'd have to dress at all times and be uncomfortable for two weeks?

Well, maybe you can angle that dream vacation this year if you can convince him that it's possible to dress smartly and still be comfortable.

Bermuda shorts, the standard item of many mans summer wardrobe, now have that dress-up touch with stripes in shirt-and-short combinations. You can point out that he'll be as contented in them as he would in his old denims.

STRIPED cotton knit trousers and a casual navy flannel blazer are a handsome combination for resort evening wear. Trousers are crease-resistant and washable.

For afternoons, the shorts can be topped with a new treatment of the old "sweat-shirt" in Alamac knit.

zippered at the neck and banded at the waist.

Your toughest hurdle will be selling him the idea that he needn't get himself up like a store dummy for evenings. Knits, long confined to sport shirts only on the men's fashion scene, now are found in such items as pencil-striped trousers, perfect for resort dining or dancing when paired with a blazer or gray flannel jacket. And in this handsome combination, he'll feel completely at ease.

These wrinkle-resistant striped knits are light and practical and come in a variety of colors, ranging from sand and copper to dark navy blues. Influenced by the Ivy and Continental looks, they are tailored along fluid lines.

Crusader's Class Has Social Meet

The Crusader's Class of First Methodist Church met recently in Fellowship Hall for an ice cream social. Hostesses were Group Five and Six represented by Mmes. C. D. Brazier, W. Rutherford, B. B. Bearden and J. R. Frazier.

To become better acquainted, each member was asked to give the name of each member of her family and to tell anything of interest about them.

Movies of a previous party were shown by Mrs. J. L. Colville. Refreshments of homemade ice cream and cake were served during the social hour. Attending were Mmes. J. L. Colville, D. Z. Nestel, D. L. Mackie, Ralph Collingsworth, Ben Riley, Melvin Stephens, W. S. Howell, A. L. Smiley, J. A. Sears, Roy Byerly, W. W. Adcock and Beth Orin Hulsey.

Joe Davis, Glen Stafford, Ralph Sloan, A. L. Weathered, Vernon Stuckey, V. Collum, Kermit Lawson, B. B. Bearden, C. D. Frazier, W. Rutherford, Dixie Stillwell, J. R. Frazier, Cleo Hoyler, Elmer Fisher and Joe Donaldson.

New officers for the Crusade Class are Mmes. Glen Stafford, president; W. Rutherford, vice president; B. B. Bearden, secretary; Elmer Fisher, treasurer; C. A. Brauchle, corresponding secretary; V. Collum, reporter; D. L. Mackie, music; Margaret Houseman, song leader; Kermit Lawson, teacher; R. M. Hampton, J. E. Thompson and Melvin Stephens, assistant teachers.

Salad Luncheon Given By Class

The Friendship Class of First Methodist Church met Saturday for its annual salad luncheon and installation service.

Dining tables were appointed with floral arrangements from the gardens of members.

Mrs. G. M. Walls conducted the installation of officers using as a theme, "The Sermon On the Mount."

Gifts were present to the five class teachers and to the outgoing president, Mrs. H. H. Butler.

Forty-seven members and guests attended.

No Time Like Present To Begin Thinking Of Summertime Figure

There is no time like the present to start thinking about the figure you'll cut on next summer's vacation, on the beach, on the tennis court, on the dance floor.

You still have the protection of cover-up spring clothes. But next summer, in a swimsuit, shorts and top or low-backed dance dress, you'll be subject to critical inspection. And if there are rolls of fat, five pounds of overweight or flabby upperarms, they'll show.

Tennis Circle With Mrs. Hunt

The Grayson Tennis Circle of Highland Baptist Church met in the home of Mrs. Eunice Hunt on Tuesday morning for a circle program.

Mrs. Minnie Epperson opened the meeting with prayer. Mrs. Ann Winegart conducted the business meeting.

It was announced that the next meeting will be with Mrs. Charlie Atchley. Mrs. Virginia Gilleland conducted the circle program with prayer offered by Mrs. Inez Jackson.

Mrs. Lois Belote closed with prayer.

Attending were Mmes. L. F. Karlin, Harry Muns, Carroll Pettitt, and Carl Laffin.

Mrs. Joe Foster's Pupils In Recital

Students of Mrs. Joe R. Foster were presented in a Spring Piano Recital on Friday evening in St. Matthews Parish Hall, 727 W. Browning.

Red roses were used to decorate the recital room.

To open the recital, students walked down a white, cloth-covered aisle to their places and stood to be introduced with their parents.

Students performing were Roger McLain, Cindy Eckroat, Ricky Pate, Sherry Fulcher, Dick Tracy, Kirk Wright, Karen McLain, Glenda Gallaher, Sherry Cobb, Kenny Wright, Kay Hicks, Jeannette McLaine, Betty J. Pate, Susie Lowe, Susan Pate, Gale Gallaher, Joyce Wilson.

Also, Gracie Sexton, Virginia Lowe, Brenda Tracy, Judy Gilleland, Carleene Sexton, Cynthia Hogsett, Beth Bynum, Linda Gilleland.

Several vocal solos were presented by Miss Kathy Gallman, five-year-old daughter of Mr. and Mrs. J. H. Gallman.

The Mature Parent

Beatings Unnecessary
For Development

"I raised my five children," he writes, "on the principle that an unbeaten child bringeth his parents to shame. Nature teaches that a child is born with his brain located in the butt end of his spinal column. That is why corporal punishment is necessary. His butt end must be beaten, knocked and pushed so that his brain can travel one cell at a time up his spinal column until it congeals in his cranium. If this is not done, he cannot use his brain."

No, I'm not being kidded. Listen. My correspondent goes on: "as to that 13-year-old girl who assed her mother, her tongue should have been here (follows a description too violent to print)."

In this space I have often hinted at the address of letters I receive whenever I raise the subject of spanking. This time, instead of hinting at their oddness, instead of protecting you against contact with what goes on in the heads of these ardent defenders of the Rod of Wrath, I expose you to it.

To make a point: Always these strange defenders begin with an

Sorority Adds New Chapter

A new Exemplar Chapter of Beta Sigma Phi Sorority was formed recently at a meeting held in the home of Mrs. Jack Vaughn, 2109 Christine.

Candidates, who received the Exemplar degree, were Mmes. R. D. Dunham, Jack Florence, Ray Jones, H. L. Meers, Jim Terrell, Wiley Davis, Bill Garrett, Max Louvier, Pat Watson and Betty Cooper.

Mrs. Joe Fischer, assisted by Mrs. Vaughn, conducted the Exemplar Ritual during which Mrs. Ralph Esson played the Beta Sigma Phi song.

During a business session, which followed the ceremony, meeting dates were planned for the first and third Tuesday of each month.

Chapter officers elected were Mmes. Pat Watson, president; Bill Barrett, vice president; Max Louvier, recording secretary; Ray Jones, corresponding secretary; Wiley Davis, treasurer; H. L. Meers, reporter; and City Council representative, Betty Cooper, City Council representative; Jack Florence, City Council alternate.

Appointed committee chairmen were Mmes. Bill Garrett, scrapbook chairman; Jack Florence, service chairman; Jim Terrell and R. D. Dunham, social co-chairmen; Max Louvier and Betty Cooper, telephone.

Yellow rosebuds on a white linen cloth appointed the serving table. Mrs. Esson presided at the silver service.

Other Exemplar members attending were Mmes. Byron Hilbun, Mel Keiffer, Murray Sealey, Tom Beard and Dot Francis.

★ Polly's Quiz ★

By Polly Cramer

Newlyweds usually have a small apartment as their first home. This is just as well, since furniture buying and decorating are new and even baffling to most young couples. Too often they sink their cash into a big sofa, matching chair, oversized coffee table and a TV set. That's just about it. The bank balance is shot and installment payments cannot be increased.

I know a young couple who proved shrewd in selecting furnishings for their first tiny rooms. They knew they would not keep these pieces for the ultimate home of their dreams. So they bought section-hand furniture and used make-shifts. But their color scheme was smashing. Later, when the house became an actuality, they tossed out these pieces that had cost practically nothing.

Dear Polly: My living room walls are a light pinky mauve. My chesterfield and chair are red and a rocker is green. Drapes are gray with red, green and yellow pine cones. My problem is what color rug?

color rug? Please print this as I am desperate.—Mrs. M.

Dear Mrs. M.: I can't say that I blame you for feeling desperate. Pink mauve walls must be gashed with the red and green. Please repaint them before even considering a new rug! Pale gray walls would be more pleasing with the things you now have. You could then have a carpet in a gray-and-green tweed mixture.

Dear Polly: You advised a reader to dye her rug a different color. What kind of dye should be used? —G. G.

Dear P. G.: Rugs in good condition should be sent to a professional dyer. But if a rug is old, worn and generally a lost cause, I dye it at home with ordinary package dye, used hot and applied with a scrub brush. Remember, I am not recommending this procedure. It's a last, desperate move to get a bit more wear from the rug.

Dear Polly: I would like your ideas on an Oriental rug for my living room. What colors and type, do you think? Sofa and one chair are green provincial print; other rocker is tan tapestry with all-over pattern of roses. Another chair is provincial in gold with roses. Walls are green; we have dark woodwork with a tan fireplace.—Mrs. R. S.

Dear Mrs. R. S.: Oriental rugs are very handsome when correctly used. But your present furniture would be a bit busy with an Oriental. Too many patterns. A plain rug would be your best choice. White paint on that fireplace and dark woodwork would help, too.

Blast At Rocket Base Investigated

ROCKET CENTER W. Va. (UPI) — Investigators today sought the cause of an explosion at the Allegheny Ballistics Laboratory that killed nine workers.

Six other workers were injured Monday in the blast that destroyed a powder casting building and a motor testing structure at the Navy's missile center nine miles west of Cumberland, Md.

Four of the injured were hospitalized and two were treated for minor injuries and released.

The Navy said loss of the two buildings would not affect its missile program. Damage was confined to the solid propellant division, it said.

Canadian Grade Class Graduates

CANADIAN (SpI) — Graduation exercises for the Canadian Junior High School eighth grade students was held recently in the high school auditorium.

Processional was played by Eiliam Vaught. Invocation was given by Dora Mae Hext, eighth grade student.

The graduation welcome was given by Bill Grist, class president. A flute quartet composed of Marcia Crowell, Becky Etheredge, Joyce Hoobler and Sandra Henderson played "Rondo." "The Song of Time" was given by Charles Kessie.

The Salutory, "Education, was given by Sandra Henderson. Karen Miller spoke on "The Art of Being."

"Philosophy" was given by Valedictorian Linda Ullom, followed by "Minuet" by the flute quartet.

The class was presented by principal Joe Cullender and the diplomas were given by Gilbert Dickens.

Superintendent Woodie Beene presented the Abraham Award to Bill Grist.

Members of the class are Dickie Babitzke, Ronald Briggs, Norene Carr, David Cook, James Crosier, Mary Crowell, Benny Eckles, Marianne Ezell, Sheila Foster, Sue Lynn George, Jim Bruce Graham, Bill Grist, Donald Gutierrez, Dee Alvin Haines, Mike Henderson, Sandra Henderson, Dora Mae Hext, Jerry Lee Hodges, Marie Hodges, Richard Hornberger, Andy Jahnel, Jim Bill Jones, David Keahy, Charles Kessie, Jerry Krebbiel, Carl Longhofer, Jimmy Massey, Barbara Matthews, Darlene Miller, Karen Miller, Cynthia Morey, Edward Morrow, Mary Ann Ortega, Dixie Petree, Danielle Rhea, Frank Robbins, Wayne Russell, Mary Rutledge, Phyllis Sorenson, James Smith, Sylvia Smith, Jo Ann Smith Twyla Sullivan, Presley Talley, Mary Thomas, Joyce Thorne, Linda Ullom, Eva Wheeler, Marie Williams, Anita Wilson, Eddie Wilson, Janis Wilson, Raene Wilson, John Wright and Keith Yarnold.

Baptists Urged Not To Be Aloof

ST. LOUIS, Mo. (UPI)—The 114th Southern Baptist Convention opened today under a warning against believing "the salvation of the whole world depends on us."

Dr. Carlyle Marney, pastor of Myers Park Baptist Church, Charlotte, N. C., cautioned against "aloofness" in a speech before 5,000 preachers Monday night.

"There is no spiritual license for the refusal to converse with anyone," he said. "Such a refusal is to admit one's own errors of withholding even what we have learned."

Some Baptists, Dr. Marney said, have a "defective sense of call which feeds our egotistic notion that the salvation of the whole world depends on us."

"Among us there is a widespread inability to admit the identity of other groups who are as nearly Christian as we," he said. "We are victims of a perversion of our history which attempts to match the Roman Catholic claims of unbroken descent in place of the truly valid spiritual accreditation open to all who receive His Spirit."

Another speaker attacked the Roman Catholic church's efforts to obtain federal aid for parochial schools.

Disappointing, What? LONDON (UPI) — The Town Council has cancelled Camberwell's annual summer beauty contest for lack of entries, even though the girls are no longer required to wear bathing suits.

"The festival committee has decided girls are really no longer interested," a puzzled councilman said.

Enthusiasm Lacking For 'Big Two' Meet

By United Press International

Seldom, probably never, has a summit meeting been approached with less enthusiasm than that which attends the meeting of the President Kennedy and Soviet Premier Nikita Khrushchev. Efforts are being made in vain to emphasize that no agreement can be expected between the two. U. S. allies have been assured that certainly no agreements affecting them will be reached.

Until the two actually sit down face to face in Vienna there can be no real assurance which the meeting ever will be held. In the making since last February, the prospects seemed dim indeed as the Soviet Union's administration disappeared in a welter of charges and counter-charges over Laos. Remote as the possibility might

be in the less than two weeks remaining, the prospects of a meeting could disappear altogether in the event of a possible eruption in Iran or in any other of the world's trouble spots.

The fear had been expressed that Kennedy will be meeting Khrushchev cocky over recent Communist successes and tempted to stretch his luck still further. Khrushchev is committed to the position that communism must eventually take over the world.

and to support of national revolutions everywhere.

In this era of the threat of massive retaliation not a single Russian soldier has been used in the effort to take over Cuba, nor in the victory which gave communism half or more of Laos.

These are the nibbling tactics against the Western perimeter which provide sufficient reason for the meeting and for the U. S. President to state his position as regards other such areas as

Turkey, Iran, South Viet Nam, the new nations of Africa or South Korea.

These are the tactics which have led the United States to reconsider its own position as regards internal revolt brought about by Communist subversion and to consider its own commando-types who can fight from within as well as without.

Eichmann Drove Many To Death, Court Informed

JERUSALEM (UPI)—Adolf Eichmann drove 300,000 Romanian Jews to slaughter and fought bitterly to prevent any slipping through his dragnet by emigration or other means, the Jewish court trying him for mass murder was told yesterday.

Eichmann, pinched and grey-faced but otherwise apparently none the worse for two slight heart attacks in recent weeks, listened to the testimony sometimes intently, sometimes with seeming boredom.

The Israeli prosecution brought forward two witnesses and a mass of documents designed to prove that the former Gestapo official was the master killer who drove nearly half of Romania's 600,000 Jewish population to their deaths.

The testimony showed that Eichmann angrily vetoed the emigration to Palestine of any Romanian Jews, including 1,000 children.

The testimony supported the prosecution argument that Eichmann was not merely a big-time policy planner in the extermination of European Jews but a man who took time out to deal with the smallest details of individual cases.

When the Romanian government offered to let millionaire industrialist Max Ausschmitt emigrate if his property was confiscated by the state, Eichmann

Europe's Press Fear Race Riots Hurt JFK

LONDON (UPI)—Much of Western Europe's press expressed fear today that the racial trouble in Alabama would weaken President Kennedy's position at the Summit conference with Soviet Premier Nikita S. Khrushchev next month.

CONCORD, N.H. (UPI)—To save time and money the New Hampshire Supreme Court will permit the use of typewritten records of appeals. Until now, the records had to be printed.

Straccia said he had examined Goldfine on five occasions since the gift-giving textile millionaire switched his plea to guilty May 15 at the outset of his trial.

Judge Sweeney said he would set a date for sentencing "in a few days" after conferring with counsel for Goldfine and the government.

WHY STARVE TO TAKE OFF FAT?

Barrentrate is the original grapefruit juice recipe for taking off ugly fat. It's simple. Just go to your drugist and get four ounces of the new improved Barrentrate. Pour into a pint bottle or jar and add grapefruit juice to fill bottle. Then take just two tablespoonsful twice a day. That's all there is to it.

If the very first bottle doesn't show you the simple, easy way to lose bulky fat and help remain slender, more graceful curves — if reducible pounds and inches of excess fat don't seem to disappear almost like magic from neck, chin, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. No starvation liquid diet the Barrentrate way. Costs just \$1.49.

LOST 22 POUNDS

Many people have written us that they found Barrentrate to be not only an excellent reducer, but also beneficial for its tonic effects. It aids irregularity, gas and blood.

Each Wright, 500 W. 23rd St., Plainview, Texas, is one of the many successful users of Barrentrate, who have written us letters like the following:

"I have lost 22 pounds taking Barrentrate. I now take it as a habit. I just could not do without it."

Bass Clef Top Belmont Threat

NEW YORK (UPI) — Carry Back, the ornery little colt from the other side of the racing tracks, appeared to have the triple crown all buttoned up today unless you are willing to bankroll a long shot with possibilities.

Carry Back put himself in position to become the first triple crown winner since Citation in 1948 when he won both the Kentucky Derby and the Preakness. Now all he needs is the Belmont Stakes on June 3.

There doesn't seem to be anything available to stop him unless a real dark horse named Bass Clef gets the backing for a trip to Belmont.

This seems very unlikely.

Bass Clef is owned by an elderly couple who used to play the movie house and vaudeville circuit as musicians. C. W. Smith thumped the piano and his wife, Vera, played the violin.

After years in the pits they re-

tired and bought a movie house in Lapeer, Mich. Then came the day when, on vacation in Florida, they went to the races and fell in love with the thoroughbreds. Their first move was to buy a half interest in a horse.

Now they have Bass Clef, which, until the Kentucky Derby, didn't figure to anybody else for much more than laughs. But the Smiths loved him and believed in him. Their only doubts centered around the fact that he was a "gear shift" colt, meaning he usually starts off in low gear and it takes him quite some time to shift into high.

It was the same story in the Derby. He ran 15th and last until the three-quarter mile mark in the mile and a quarter race. Then he shifted into high finally and finished a closing third.

The Smiths won \$12,500 for third place.

The Preakness was a shorter race, a mile and three-sixteenths, so they kept Bass Clef at Churchill Downs and last Saturday he showed them he could shift into high gear more quickly than they anticipated. For he won a mile race in 1:36 — while in the Derby Four and Twenty was leading at the mile mark in 1:36.1 with Bass Clef at that point in ninth position and just starting to move.

Now, with the Belmont approaching, it seems like a spot for the slow starting Bass Clef. For the Belmont is at a mile and a half and with the extra distance Bass Clef would seem to have a race built for his temperament.

But with the Smiths it's a matter of finances. Bass Clef, a gelding, wasn't nominated for the Belmont and it would cost \$4,250 to get him to the post as a supplemental nomination.

With a purse of \$100,000 to the winner, it seems like quite a spot for a long shot gamble.

Meanwhile, only such well-beaten rivals as Dr. Miller, Hitting Away, Flutterby, Bal Musette and possibly Crozier loom as possible starters against Carry Back.

Dr. Miller was fourth in both of the big ones which Carry Back stowed away. Hitting Away was sixth in the Preakness. Flutterby was eighth in the Derby. Crozier was second in the Derby and third in the Preakness and may not go in the Belmont at all. Bal Musette, with a nine pound weight advantage, was ninth to the winning Carry Back the last time they hooked up in last year's Remsen.

Those still unconvinced that Carry Back is a world beater point out that his winning time in the Derby was two and one-fifth seconds over Whirlaway and 15 lengths behind Nashua. Bass Clef, it is theorized, might get up with him in the mile and a half Belmont — and the price certainly is right.

'A Thinking Man' Is Banks

CHICAGO (UPI) — Ernie Banks said today that his switch from shortstop to left fielder has made him "a thinking man."

The National League slugging star, who had played all of his 1,111 games as a Chicago Cubs infielder, said it would take a lot of practice to learn to play his new position.

"I've played shortstop for so long that it became automatic," he said after his outfield debut Tuesday which ended in a 2-1 loss to the last place Phillies.

"I've got to keep remembering that I'm in left field all during a game. I've got to learn not to fire the ball to George Altman in center as soon as I scoop it up. I'm a thinking man," Banks grinned.

The slender slugger, who has hit more home runs than any shortstop in major league history, hauled in four routine flies Tuesday and charged in to field one single.

Vedie Himel said Banks' maiden performance "completely satisfied" him.

The Cubs called a hurried news conference Tuesday to announce that Banks would be moved to left field "at his own request" because of a knee injury.

The move had been urged for the past week, however, by Chicago sportswriters. They said Banks' baseball life and slugging potential might be increased by putting him in a less demanding position.

park and trotted to the Braves bench—never again to take a time out at bat in the majors. Eight days later he retired permanently.

Among the records he left were 714 home runs for a career and that stupendous 60 for the 1927 season. Jimmy Foxx and Hak Greenberg each got up to 58 in their peak years but the only man who ever hit 59 was Ruth (in 1921) and none but the big fellow ever made it 60.

What has killed them all in their bids to surpass Ruth's feat is the fact Ruth hit 17 in the month of September alone. He hit seven in his last seven games that year, four in his last three.

The last one came off Tom Zachery, then pitching for the Senators. In later years, Tom said, "I'd have stuck it in his ear" if he'd only realized Ruth was going to set a record off one of his pitches.

YOU CANT WIN—Daryl Spencer argues with Tom Gorman about a called third strike in a game with the Giants at Candlestick park in San Francisco. It's Doubtful This Year

Will Today's Sluggers Top The King Of Swat?

By STEVE SNIDER
NEW YORK (UPI) — It has been 26 years since Babe Ruth hit his last home run and 33 since he set a record of 60 his successors still are using as a target.

At the rate the modern blasters are swinging today the Babe's mark will survive another go-around this year—even with the American League's 162-game schedule.

The best bet would be Jim Gentile of the Baltimore Orioles, who in recent days has been at or near Ruth's record 1927 pace. But Gentile is benched frequently against left-handed pitching and won't get his full licks. He didn't even start the day after he poled two grand slammers in consecutive innings on May 9.

Rocky Colavito of the Tigers, Mickey Mantle of the Indians, Roy Sievers of the White Sox and Harmon Killebrew of the Minnesota Twins, the acknowledged muscle-men of the league, are behind the Ruth pace which has buried rival after rival over the years.

Harris Hangs Up Mittens

HOUSTON, Tex. (UPI)—A battered Roy Harris, the colorful, courageous, former backwoods schoolteacher from Cut 'N Shoot, Tex., who once knocked heavyweight champion Floyd Patterson down in a losing effort, quit boxing today after a thrashing at the hands of Canadian heavyweight Bob Cleroux.

"I guess there is nothing left for me to do but hang them up," Harris said, after being knocked down three times Tuesday night by Cleroux, who won a fifth round technical knockout victory.

"When a man can't stay on his legs after three rounds it's time for him to quit fighting," the bruised Texan said.

Amarillo Nips Austin, 5-4

By United Press International

Outfielder Bill Parsons hit a home run for Victoria in the eighth inning Tuesday night that clinched an 8-8 victory over San Antonio and cut the Missions' edge in the Texas League to one game.

In other action Amarillo put together a four run rally in the ninth to edge Austin 5-4, and Valley overwhelmed Tulsa 12-3. It left the Gold Sox and Giants still tied for second place behind the Missions.

The Rosebuds opened with a three-run explosion and added another in the second to give winning pitcher John Stokoe a four-run margin. But he needed help from Merlin Nippert in the sixth when San Antonio cut the lead to 5-4. Bob Graham, second San Antonio reliever, delivered the cincher to Parsons and gave up another run in the ninth.

Austin, with two runs in the third and two more in the sixth, built up a 4-1 lead that crumbled in the closing inning around reliefer, and loser, Les Bass' ears before Henry Hemmerly came on to put out the fire.

The Gold Sox got their runs on seven hits and an error, and Austin produced on two hits and with the help of an Amarillo bobble.

Tonight Amarillo moves to San Antonio while Valley plays at Austin and Tulsa at Victoria.

Golfers Warm Up For '500' Meet

INDIANAPOLIS, Ind. (UPI) — Many of the nation's top golf pros warmed up today for the \$50,000 "500" Festival tourney by battling for \$5,000 in prize money in a celebrity pro-am event over the speedway course.

The top attractions included Masters champion Gary Player of South Africa, defending Festival tourney champ Doug Ford, runner-up Jerry Barber and Billy Casper, who fashioned a course record 62 last year.

The female of the giant Caliform condor lays only one egg at a time and does not lay every year.
