Key Lawmakers Back Kennedy's Spending Plans

WASHINGTON (UPI) — Key lawmakers promised President Kennedy today much of what he asked in his "freedom doctrine" message calling for heavy new federal spending. They differed sharply, however, on whether his plans if approved would mean anything much in America's struggle with the Communist world.

The President's speech to a joint session of Congress Thursday generally was lauded by Democrats as a statesmanlike call to action urgently needed to keep the United States moving ahead.

Republicans called it "only words" and said the only real action proposed was to spend more money and put the nation deeper in debt.

The additional authorizations and appropriations requested by the President would come to more than \$1.5 billion and a \$200 million boost to be asked later for civil defense would run the total over \$1.7 billion.

There was general agreement that Congress would go along with key parts of the President's specific requests for a modernized Army, a bigger Marine Corps, a supreme effort to put a man on the moon.

He will get most, but not all, of the \$4.5 billion he now wants for foreign aid spending next year. Civil defense will go to the Pentagon, as he plans, but the increased money he wants to build shelters will remain, as it has in the past, hard to come by.

His plan to retrain for new work those put out of their jobs by automation will get full attention, especially from lawmakers with high unemployment in their districts. However, this plan still has to be sold.

Republicans scoffed at the President's speech, in which he said the West still is not geared for the continuing fight against growing totalitarian pressures. He said "there is much we can do and asked Congress' help to see it is done."

One of his urgent labels was slapped on a plan to put a man or men on the moon, and bring them back safely to earth, before 1970 and more important, before Russia succeeds in this feat.

The space goal was generally lauded, and the money to pursue it assured, but the House Repub-

Solons Fail To Clear Up Tax Tangle

AUSTIN (UPI) — The hope of avoiding a special session of the Legislature still hinges today on a tax conference committee despite a report to the House that it was deadlocked and an attempt to dissolve the group.

Gov. Price Daniel also offered lawmakers a little encouragement that the tax problem may be solved before the deadline Monday at midnight, with a statement that a "Pennsylvania Plan" of selective sales taxes plus taxes on business offers a compromise he might accept.

But the House Thursday declined to ask its conferees to try the plan in conference.

The conference committee weathered a legislative storm Thursday that turned a "local and uncontested" work docket into an angry interplay of contrasting political views, frustrations over legislation, and hopes to get the 57th session over before the deadline.

Rep. Charles Ballman of Borger, leader of the House conferees, reported that Senate conferees "have shown little faith in this conference committee" and said the committee was deadlocked.

Ballman urged members to "stand fast, temper your thoughts with patience" and let the conferees continue trying.

But the "temper" of which he spoke was not the temper his remarks provoked in Rep. Bill Healy of Paducah, who roared from the back microphone, "there wouldn't be this delay if the House conferees had been doing their job."

When Ballman finished, Rep. Tom James of Dallas offered a resolution to ask conferees to consider the "Pennsylvania Plan" of taxation—a tax package of selective sales taxes exempting food, clothing, and medicine. But James withdrew the resolution later, leaving the conferees to work on their own terms.

Daniel said he thought the plan "offers the best basis for a compromise" and is "far better than the general retail sales tax bills."

Bill Given Senate's Approval

WASHINGTON (UPI) — The fate of federal aid to education rested today squarely in the House — traditional graveyard of school aid — but chances this year were counted stronger than ever.

The Senate Thursday night approved a \$2.5 billion, three-year program of financial help for public grade and high schools. It would pay for more classroom construction and ease the burden of paying teachers' salaries.

After weeks of debate and numerous attempts to add troublesome amendments or substitute unacceptable versions for the compromise plan approved by President Kennedy, the Senate passed the measure on a 49 to 34 roll call.

House school aid supporters predict passage. Opponents forecast only a hard fight and possible defeat. At any rate, it will be at least the first week in June before the full House considers its own version of the program and the Senate measure.

Two of the last three aid to education bills were killed on the House floor. The conservative dominated House Rules Committee last year suffocated a third by refusing to permit a compromise with the Senate.

But this year, the Southern Democratic-Republican coalition has lost its grip on the rules committee and has been whipped several times on the House floor.

In addition, civil rights supporters were expected to refrain from adding controversial anti-discrimination riders to the bill, and supporters of aid to parochial schools were expected to be locked out by a ruling last year that held their proposals to be out of order for consideration with public school aid.

The Senate bill was sent to the House free of any racial or religious amendments that might menace its future. Only Wednesday, the House Education and Labor Committee approved a bill very much like the Senate version.

There is a slight difference in the way federal aid would be allocated to the states. Both measures would divide \$850 million among the states in each of three years. The federal funds could be used to help build public elementary and high schools, or staff them with teachers. States would have discretionary authority.

The Senate bill would continue present \$300 million a year grants for school districts crowded by children from nearby federal installations.

Senate attention next was turned to the extension of the National Defense Education Act, which is now ready for mark-up sessions in the Senate-Labor Committee. The bill is expected to provide a vehicle for an expanded program of loans for church and other private schools.

Perryton Scene Of Area Legal Meet Tomorrow

PERRYTON (Sp) — Lawyers of a five-state area will assemble here Saturday for a legal institute and hear addresses by a member of the Texas Supreme Court and the president of the State Bar of Texas.

Associate Justice Joe Greenhill of the state's highest appellate court in civil matters will deliver a morning lecture on "Recent Decisions in the Field of Oil and Gas." Bar President Paul Carrington of Dallas will speak at the 6 p.m. banquet at the Perryton High School cafeteria. Institute sessions will be held in the district courtroom of the Ochiltree County Courthouse.

The one-day study is under the joint sponsorship of the Northeast Panhandle Bar Association; State Bar of Texas; Texas County, Okla.; Bar; Oklahoma State Bar; Liberal, Kans.; Bar and the state Bar of Kansas.

Other institute speakers and their topics listed by Chairman R. D. Lemon of Perryton, include: Wm. J. Holloway, Jr., Oklahoma City, "Some F. P. C. Problems in General Practice;" Frank Hensley, Guyton, "Effect of State Lines on Estate Taxation;" and Sam Riggs, Liberal, "Implied Covenant and Zone Developments."

The institute will get underway at 9:35 a.m. with opening remarks by J. D. Helms of Spearman, president of the Northeast Panhandle Bar.

Korea Returns Troops To UN

SEOUL, Korea (UPI) — The republic of Korea's ruling military junta gave in to American pressure today and agreed to return all ROK armed forces to the operational control of the United Nations Command.

The agreement was announced in a joint statement issued by the junta and the UNC.

It specified, however, that the U.N. commander, Gen. Carter B. Magruder of the United States, would "use his operational control only to defend Korea from Communist aggression."

This was tantamount to an agreement by Magruder to keep hands off South Korea's internal situation. In the early hours of the military coup 10 days ago he issued a statement opposing it.

The statement said Magruder "has directed" the return to frontline positions of the 1st Marine Brigade and the 8th Corps Artillery Unit.

The ROK generals who staged the coup had withdrawn them to Seoul to guard against a counter-revolt.

In another concession to the junta, Magruder released to its control two reserve infantry divisions, an airborne combat team and five military police companies from forward units.

The joint announcement indicated that many pressing problems between the United States and the new military regime had been solved.

Although the statement showed Magruder actually had given up a considerable portion of the ROK troops under him, technically it left him with the power to recall them if needed against the Communists in the North.

Plant Closing Incident Bared

BORGER (UPI) — C. V. Tyler, one of 28 Phillips Petroleum Co. employees who have sued their labor union for \$4 million, testified nine hours Thursday and told how he was fired for shutting down a Borger plant.

Tyler said the International Union of Operating Engineers and Local 351 ordered them to shut down the plant. He said while he was closing down the place, a Phillips supervisor told him that "We (the union) were going to blow up the plant and kill a lot of people."

"I told him if he was scared, to go to the gates," Tyler said. When asked if the equipment being shut down at the plant was dangerous, Tyler said: "You don't want to play around it." He said there was butane in the plant.

Tyler was asked about damage claims by the company.

"I don't recall how much they claimed," he said, "but when you shut down a plant quick there is going to be some ruined products."

The National Labor Relations Board upheld Phillips' right to fire the employees. The union has filed a cross-action against the men on the grounds they "broke an agreement with the union. The union said that, in effect, the men were suing themselves.

Freedom Riders In Court Today

JACKSON, Miss. (UPI) — The 27 fines and suspended sentences, "Freedom Riders" who rode from the "Freedom Riders" were arrested Wednesday when they arrived here from Montgomery, Ala., and tried to use segregated facilities in the bus station.

Their attorney Jack Young said they had received "good treatment" in jail and were in "good spirits."

Another group of "Freedom Riders"—four white college professors, including two from Yale and three Negro students—and four integration leaders were jailed Thursday in Montgomery.

The arrests brought to 38 the number of integrationists jailed in court on charges of disorderly conduct and refusing to obey an officer. The laws carry maximum penalties of a year in jail and up to \$500 fines, but Spencer expected to hand out only token

Hate Group Threatens Gas Attack

NEW ORLEANS (UPI) — The vanguard of American Nazism tried out their second local jail today, hoping for the appearance of a Nazi rescue party armed with tear gas.

City police geared to receive a group from Pensacola, Fla., calling itself the "National Nazi Party," and headed by Doug Oelikee, 27, who promised Thursday to come here.

Oelikee, who said he took part in racial rioting in Montgomery, Ala., this month, said he and five comrades "have supplies of tear gas, roofing nails and other things if anything starts."

Police said "let them come. We're ready too." The remark came as police sources reported night.

Oelikee said his group is not connected with the "American Nazi Party," whose 10 "storm troopers" hail George Lincoln Rockwell, 43, Arlington, Va., as their " Fuehrer."

Rockwell and his troopers wearing their khaki uniforms with swastika armbands, were transferred Thursday from city jail to Parish (County) prison to await trial.

Texas Voters To Choose U.S. Senator Tomorrow

By United Press International
Interim Sen. William A. Blakley and Republican John Tower both planned last-minute television appeals from the Dallas-Fort Worth area Friday night before Saturday's Senate runoff election to determine Lyndon Johnson's successor.

Blakley goes on television from Dallas at 9 p. m. and Tower will speak from a Fort Worth station an hour earlier.

Tower promised he would answer any question that listeners submit to him while he is on television at Fort Worth. He urged voters to send their questions by telegram or telephone him at the originating studio (WBAP).

Tower, a former professor of government at Midwestern University at Wichita Falls, spoke in Houston, then appeared at a luncheon in San Angelo before preparing for his Fort Worth television talk.

Tower challenged Blakley Thursday night to give back part of his salary as a senator because "Blakley is only a part-time senator."

Tower charged that the Dallas businessman has only been in the Senate about 30 per cent of the time since Gov. Price Daniel appointed him to office.

"It isn't fair to accept fulltime pay for doing a part-time job," Tower said.

Blakley said that "regardless of what is charged, I have voted on every important issue that has come up, and I have led the fight twice to secure what I believe to be better government for the entire United States."

Club Licensing Measure Passed

AUSTIN (UPI) — Sen. Charles Herring of Austin won overwhelming approval Thursday of a bill to regulate private clubs and charge them license fees of some \$2 per member.

The bill, by Rep. Tom James of Dallas, now goes back to the House for consideration of the Senate amendments. Herring wants to exempt veterans and fraternal organizations from the proposed law.

Under the bill, backed by the Liquor Control Board, the license of a private club could be revoked by the state agency for violations of its rules concerning the sale of alcoholic beverages.

Texas Areas Get Good Drenching;

By United Press International
Thunderstorms, lightning and showers that drenched Texas were blamed today for the deaths of at least three persons and injury to eight others, but drought-worried farmers hailed the rain as a "lifesaver."

A lightning bolt struck two boys in a crowded junior high schoolyard at Austin and killed one of them. He was Courtney White, 12. Two persons were killed and seven injured in two separate traffic accidents in which cars skidded out of control on rain-slick highways.

But this was the black side of the weather picture.

Farmers, faced with a drought situation agriculture officials said was becoming critical, wanted more of the same and the Weather Bureau said there is a good chance they would get it.

The showers were general over most of the state for the first time in weeks and they drenched Central and East Texas in particular.

Possibly three tornado funnels were reported yesterday—at Fort Worth, Hillsboro and at Blum—but the weather wasn't as turbulent as it has been during the past two weeks.

Closings Slated Memorial Day

Most Pampa retail stores will be closed all day Tuesday, Memorial Day, according to Lou Troj, chairman of the Merchants' Activities Committee of the Chamber of Commerce.

"Memorial Day is one of the six holidays of the year on which stores are closed," Troj said.

Carl English, superintendent of mails at the Pampa post office, said there will be no city mail delivery Tuesday and post office windows will be closed all day.

Mail boxes in the post office will be serviced as usual. English said, and the post office will be open for box renters.

City Hall and Gray County Courthouse offices will close for the holiday. There is one exception to the closing of the Courthouse. Sheriff Rufe Jordan said the sheriff's department will operate as usual on the holiday. The same will be true of the city police department.

Many gasoline service stations will close for the day although there will be isolated places where the stations will be open.

Locations For Voting Announced

Gray County voters go to the polls tomorrow to choose between Sen. William Blakley and John Tower in the runoff election for United States senator.

The polls will be open from 8 a.m. to 7 p.m.

The county clerk said a change was made this morning in the voting place for Pct. 12 in Pampa. It was changed from the Cabot offices on W. Brown St. to Lamar School, 1234 S. Nelson St.

Here are the locations of the 12 voting places and the names of the judges in each precinct:

Pct. 1, Lefors, Mrs. Jimmy Davis; Pct. 2, Pampa Baker school, Mrs. Earl Taylor; Pct. 3, Grandview school, Johnny Johnson; Pct. 4, Alarand, Marvin Hall; Pct. 5, McLean, Charles Cousins; Pct. 6, Laketon, Ben Lockhart.

Pct. 7, Pampa Horace Mann school, O. A. Davis; Pct. 8, Gatlin residence in Hopkins, Charlie Gatlin; Pct. 9, Pampa First National Bank annex, Ed. Anderson; Pct. 10, Gray County Courthouse in Pampa; Arthur Rankin; Pct. 11, Community Hall in Phillips Camp, Mrs. Tom Florence and Pct. 12, Lamar School in Pampa, N. P. Brown.

Water Wells Bill Ready For Passage

IT ISN'T EASY to scoop yourself. In fact, it is downright difficult, but that is what we must do with the following item. We have just learned from Lois Watkins, ESA president, that Rachel Brumley (Mrs. J. Parks) has just returned from Epsilon Sigma Alpha Sorority's state convention in Dallas with the ESA State Beauty Crown. Perhaps, you will remember that Mrs. Brumley's picture appeared in the March 5 edition of this paper, when she was crowned winner in the district-wide beauty contest held in Amarillo sponsored by the various chapters in the district.

MRS. BRUMLEY, charter member of the Alpha Omicron Chapter of Epsilon Sigma Alpha, represented all of the district at the state convention and returned home with the beauty crown packed away in her luggage. As noted as the state of Texas is for its beautiful women, just think we have the most beautiful one in ESA right here in Pampa!

WITH REFERENCE to "scooping ourselves," as soon as a Dallas photographer sends a copy, we will run a picture of the crowning ceremony performed by last year's queen for this year's queen!

MRS. HENRY GINDROF and growing old, but that's too final!" Mrs. Myron Spencer stopped by the office on Tuesday morning to tell the world about the arrival of Stephen Andrew at 11:05 Monday night; the first born of their son and daughter, Tom and Beth Gindorf, who are students at Texas Technological College in Lubbock. Both of the young parents were in the midst of semester examinations, when the young man decided to make his debut into the world.

Beth had finished most of her exams on Friday but had one scheduled for the day of Master Stephen's arrival. Her instructor, however, told her that due to the other important matter, she would pass the exam with flying colors whether she actually took it or not.

The new arrival is the first grandchild for the Tom Gindorf and the sixth for the Myron Spencers. The happy grandmothers were on their way to Lubbock Tuesday morning to help welcome the infant. They were driving down together, they said, but we imagine they really "flew."

ONE OF THE MOST unusual club meetings was the one that Louise Sewell, just back from Hawaii, attended abroad the SS Lurline on April 25 at 129-27 West longitude and 34-38 North latitude enroute to the Islands. It seems that Service Club Fellowship meetings are held abroad ship and members of service clubs may attend and receive credit attendance back home from their clubs. It's all very bona fide and the master of the ship, C. C. Wright Jr., signed Louise's attendance card so that she would get credit for attending an Altruism Club meeting while on her way to Hawaii. We wouldn't mind in the least "covering" one of these Service Club meetings aboard ship. In fact, we'd be perfectly willing!

Dear Abby... This Problem Calls For Father's Touch

By ABIGAIL VAN BUREN

DEAR ABBY: Recently our 16-year-old daughter went on a date with a 12-year-old boy. The date was arranged by the boy's mother and myself, as we are friends. Our daughter came home a nervous wreck. It seems this boy took her to a movie, and didn't even offer to buy her a soda afterwards. He took her to a place to park and she had to put up the fight of her life to get him to take her home. Should I speak to the boy's mother about this?

UPSET
DEAR UPSET: No. Have your husband speak to the boy's father.

DEAR ABBY: I have a son, David, who is a doctor. When his wife talks about him she always says, "The doctor did this," and "The doctor did that."

I can understand why a doctor should be called "doctor" in his office, but it seems to me that when he is out of the office, his wife could call him "my husband" or "David."
Would it be wrong for me to tell my daughter-in-law to please drop the "doctor" business when she is out socially? I don't want her to hate me, but it gets on my nerves.

MOTHER OF A DOCTOR
DEAR MOTHER: If your son's wife helps him in his office, she has probably formed the habit of calling him "doctor," in which case you should understand and overlook it. If she just likes to call him "doctor," your criticism will only irritate her. Skip it.

Sorority Completes Plans To Work At Gun 'N Coin Show

Rho Eta Chapter of Beta Sigma Phi Sorority completed plans to operate a concession stand at the Gun and Coin Show to be held Saturday and Sunday in the National Guard Armory. The plans were made at a meeting held Tuesday in the home of Mrs. Bill Duncan, 415 N. Somerville.

During the business meeting, which preceded an end-of-the-year card social, Mrs. Ray Jordan, newly-elected president, presided as a letter of appreciation was read from Miss Evelyn Milam, Pampa High School counselor, regarding the high school girl, which the chapter sponsored this year.

Mrs. Bill Duncan was elected City Council alternate to replace Mrs. H. L. Meers. A donation of \$15 was voted to the newly-organized Exemplar Chapter.

Mrs. Jordan has announced the appointments of the following committee chairmen: Mmes. Duncan, chairman, Delmar Watkins, Jack Chisum, Reece Fields, program and yearbook; Mmes. Mack White, chairman, Bill Tarpley, Dick Wilson and Loyd Brummett, ways and means; Mmes. Cletus Mitchell, chairman, Ken Peoples, James Trusty and Doug McBride, social; Mmes. Baptists Approve Stand Against Federal Aid To Church Schools

ST. LOUIS (UPI)—The Southern Baptist Convention Thursday reaffirmed its position against federal aid to denominational schools.

The convention, which last year warned against electing a Roman Catholic to office, commended President Kennedy for his stand on disallowing federal aid to parochial schools.

It praised Kennedy for his insistence that the Constitution of the United States be followed in the matter of not giving federal aid to church schools.

The Protestant group called on Baptists to voice their concern to public leaders, from President on down, on Roman Catholic efforts

Two Women Abducted And Slain

PLAINFIELD, N. J. (UPI)—The wives of the executive vice president of Mack Trucks, Inc., and a Wall Street bond broker were kidnaped in their car and killed early today. Within hours, police arrested two Negro men for the slayings.

The bodies of the middle-aged victims were found about 4 a.m. on a dead-end street. An autopsy was ordered to determine whether they had been sexually molested.

Mrs. Eleanor Ewell, 51, wife of Mack Executive Vice President Elliott G. Ewell of Westfield, N. J., had been deliberately run over by her own car, a white 1961 Cadillac. Mrs. Eleanor Tyson, 50, wife of Robert W. Tyson Jr. of Plainfield, had been strangled.

Key Club Fete Will Be Held Tomorrow Eve

The Pampa High School Key Club has completed plans for the third annual banquet and Sweetheart's ball tomorrow night in the Celanese Ballroom. This will climax a year of service to the school and community, and is reported the most important club social of the year.

With school administrators and faculty members, and Kiwanis members and wives as special guests, the Key Club members entertain their girl friends with a formal ball following the banquet. Principle item of business will be the installation of officers and the farewell address of the outgoing president, Bill Byerly. Day Hutchinson, Lieutenant governor of Key Clubs in Division VI, covering both the Texas and Oklahoma Panhandles, will install the 1961-1962 officers, elected in February.

leave New Orleans today on a regularly scheduled bus for Jackson, according to a source in New York City. The source said this group was sponsored by the Congress of Racial Equality (CORE).

For the 27 "Freedom Riders" in their Jackson jail, Thursday was a day of uneventful waiting.

Elsewhere there were these rapid fire developments:

In Montgomery, a Negro integration leader was wounded in the wrist by a bullet he said was fired by "what appeared to be a young white man who stuck a rifle out the window of a passing car." The Rev. Dolomont Seay, pastor of the Zion African Methodist Episcopal Church and executive secretary of the Montgomery Improvement Association, was wounded within hours after U.S. Atty. Gen. Robert F. Kennedy announced a cutback in the force of U.S. marshals in Alabama.

In Atlanta, Ga., the Rev. Martin Luther King called on President Kennedy to cancel the withdrawal of 500 of the 600 U.S. marshals from Montgomery. "A perpetual reign of terror still exists in Montgomery," King said in a telegram to Kennedy.

In Washington, the Justice Department announced it would take part as a "friend of the court" in a suit challenging the constitutionality of Alabama's segregation laws. The suit was filed earlier Thursday in Montgomery by an attorney for the Rev. Ralph Abernathy, one of the jailed integration leaders, and six "freedom riders."

Kennedy To Be Busy On His 44th Birthday

WASHINGTON (UPI)—President Kennedy today approached his 44th birthday with the driving motion of a man about to slide for home plate.

Kennedy, the youngest man ever elected president, will be 44 on Monday. He probably feels considerably older as he contemplates the emotional and physical labors immediately ahead.

Tonight he speaks to a Democratic fund-raising birthday dinner in his honor in the nation's capital. Before the applause dies away, he'll scoot for Andrews Air Force Base outside Washington to board a jet transport for a swift flight to Cape Cod.

Theoretically he will enjoy a day of rest Sunday at his old home in Hyannis Port, Mass., but this was only pleasant theory. In truth, he'll be up to his ears in preparations for this impending European trip, probably spending much of an otherwise placid Sabbath on the telephone with members of his administration.

His birthday Monday will consist of a few hours at Hyannis Port and an afternoon trip into Boston for another gargantuan birthday party staged by the proud and fund-raising Democrats of his native state. Political duties over, he'll fly back to Hyannis Port after the Boston affair for a few hours sleep.

On Tuesday, he moves on to New York for a late afternoon talk with Israeli Prime Minister David Ben Gurion and a long-promised speech that night for the Eleanor Roosevelt Foundation for Cancer Research.

And again, it will be a matter of rushing from the speech to Idlewild Airport for the jet plane and a night flight to Paris.

Then follows his debut in the major leagues of personal diplomacy — three days of talks, banquets and parades with French President Charles de Gaulle; two days of probing, tightrope conversations in Vienna with Soviet Premier Nikita S. Khrushchev; a day in London divided between the christening of a sister-in-law's baby, lunch with Prime Minister Harold Macmillan and dinner with Queen Elizabeth at Buckingham Palace. Then home, theoretically.

The doubt concerning the implied pleasures of returning "home" to the White House is based on the probability the 44-year-old President will have no surplus from his grinding pressures when he gets back from Europe.

Men of high station live lifetimes without encountering the crises that have buffeted Kennedy in the little over four months since his inauguration. The recession at home... Congo... Laos... South Viet Nam... Cuba... Montgomery, Ala.

His physician, Dr. Janet Travell says he has withstood the pressures well, that his basic health remains excellent. She would, however, like to see him get more rest, relaxation and exercise. Which is rather like saying it would be nice if the Washington summers were much cooler.

X15 Pilot Sets New Speed Mark

EDWARDS AFB, Calif. (UPI)—X15 pilot Joe Walker flew 3,370 miles an hour Thursday, controlling the rocket plane's near mile-a-second run with deft wrist movements.

His top speed was a new record for the winged, pilot-controlled X15, designed to investigate the bottom side of space. Moved nearer by his success was an all-out flight sometime this summer at speeds of 4,000 m.p.h. in the fringe of space.

"Nothing too terrible happened," Walker jokingly commented after flying five times the speed of sound.

Foreign Aid Plan Given To Solons

WASHINGTON (UPI)—President Kennedy asked Congress today to approve a new long-term approach to foreign aid which would put the program under one agency and allow the government to borrow \$7.3 billion over five years to make loans to underdeveloped countries.

The President sent Congress a proposed "Act for International Development of 1961" along with a letter outlining features of the new aid plan.

C-C To Discuss Junior College

The Public Improvements Committee of the Chamber of Commerce will hold a luncheon Tuesday noon in Coronado Inn to discuss further the proposal for a junior college in Pampa.

E. E. Henderson, committee chairman, said today Dr. C. C. Colvert, head of the Junior College Department of Texas University at Austin, will meet with the committee.

Navy Commander Killed In Crash

KINGSVILLE, Tex. (UPI)—Lt. Cmdr. N. V. Seckinger was killed Thursday and Marine Capt. H. R. Smith was injured when their Navy jet trainer crashed on take-off at the Kingsville auxiliary air station.

Authorities at the naval hospital in Corpus Christi said Smith, from Montgomery, Ala., was in fair condition. Seckinger was from Jackson, Miss. Both were stationed at Kingsville.

to accord me the privilege of campaigning part of the time," Blakley said. "If they wish to assume that it is wrong for me to campaign here, can we assume that it is right for my Republican opponent to have two of three United States senators coming down here and campaigning for him?"

Erastus Sams, the only Negro among 69 unsuccessful candidates in the April 4 special Senate election, endorsed Blakley Friday.

The Prairie View, Tex., businessman - farmer said Blakley "shares my views for better education facilities for Negroes and his promise of support for the small farmers and small businessmen."

Gov. Price Daniel predicted Friday that Blakley would, if there is a large turnout, win the election with 55 per cent of the total vote.

The governor said, Blakley might lose, though, if Democrats "become over-confident or indifferent."

Directors Of C-C Meet Wednesday

Memorial Day Weekend Begins

By United Press International

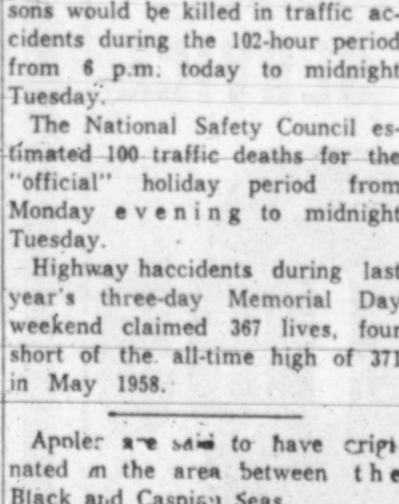

Cold war strife and summit hopes today marked the beginning of a long holiday weekend leading to Memorial Day.

It was estimated that 415 persons would be killed in traffic accidents during the 102-hour period from 6 p.m. today to midnight Tuesday.

The National Safety Council estimated 100 traffic deaths for the "official" holiday period from Monday evening to midnight Tuesday.

Highway accidents during last year's three-day Memorial Day weekend claimed 367 lives, four short of the all-time high of 371 in May 1958.

Gibbs Inks \$110,000(?) Bonus With Yankees

NEW YORK (UPI)—Jake Gibbs, former University of Mississippi baseball star, who added that Gibbs would be used at third base.

Gibbs, who had been drafted by the Cleveland Browns of the National Football League and the Houston Oilers of the American Football League, signed Thursday for a bonus estimated at \$110,000. The previous high paid by the Yankees was \$80,000 to pitcher Ed Cereghino in 1951.

"I didn't want to try to make a career of a combination of sports," said Gibbs in Grenada, Miss. "And when I decided on a baseball career that was the end of football."

Gibbs, 22, hit 333 for Mississippi this year and had a three-year average of .389. A left-handed batter and right-handed thrower, he has been clocked in 3.5 seconds from home plate to first base. He was scouted by 30 to 35 scouts representing every club in the majors.

Luis Bails Out Yankees' Ford

By FRED DOWN

United Press International

It looks like Whitey Ford will go on winning as long as Luis Arroyo's arm holds up.

That's a familiar quip in the New York Yankees' clubhouse these days but it's not funny to the Yankees' American League rivals. They know the chunky, 32-year-old Arroyo was supposed to be washed-up as a major leaguer a year ago but he somehow manages to find the holes in their bats.

The ex-St. Louis Cardinal left-hander hustled to Ford's rescue again Thursday night to preserve a 5-4 victory over the Boston Red Sox. The win raised Ford's record to 6-1 but it was the fourth time Arroyo has come to his assistance this season. In all, Arroyo has made 17 relief appearances for the Yankees and has been credited with seven "saves" this year.

With Arroyo to back him up in the late innings, Ford has rebounded from his mediocre 12-9 campaign in 1960 and is well on his way toward achieving the first 20-victory season of his career. Ford has been a star since 1950 but has never attained the 20-win class that is commonly accepted as the mark of a star pitcher.

The Cleveland Indians routed Los Angeles Angels, 13-5, and moved to within 3½ games of first place when the Minnesota Twins scored an 11-inning, 7-6 victory over the Detroit Tigers; the Baltimore Orioles beat the Chicago White Sox, 6-4, and the Kansas City Athletics downed the Washington Senators, 4-1, in other American League games.

Sandy Koufax pitched a three-hitter and Tommy Davis hit his eighth homer of the season as the Los Angeles Dodgers shaded the St. Louis Cardinals, 1-0, and moved to within a half-game of first place in the only National League game.

Tony Kubek and Johnny Blanchard hit two-run homers to lead the Yankees' 11-hit attack that dealt Billy Muffett his fourth loss. Arroyo relieved Ford with two men on base and none out in the eighth inning and pitched hitless the rest of the way. Jackie Jensen homered for Boston.

Willie Kirkland and Johnny Romano drove in four runs each and Kirkland, Romano, Woody Held and Bubba Phillips hit homers to lead the Indians' 17-hit attack. Jim Grant staggered through 6-2-3 innings to pick up his fourth win with Barry Latman cleaning up. Leroy Thomas hit two homers for the Angels.

The Twins overcame a five-run first-inning deficit to send the game into extra innings on Renato Bertoia's run-scoring ninth-inning single and won it in 11th when Jim Lemon singled in Lenzie Green. Paul Giel, ex-Minnesota football star, won his first game for the Angels and Green's four hits extended to his hitting streak to 22 straight games.

The Orioles scored four runs in the first inning and routed Herb Score before he retired a batter to pave the way for Steve Barber's sixth win. Hoyt Wilhelm relieved in the eighth and shut out the White Sox for the last 1½ innings. Sherman Lollar hit a three-run homer for the White Sox. Joe Nuxhall, 32-year-old ex-Cincinnati left-hander, pitched a seven-hitter to win his second game for the Athletics. Dick Howser and Jerry Lumpe had two hits each for the winners while Willie Tasby and Gene Green homered for the Senators. Dick Donovan suffered his fifth consecutive loss.

Koufax, pitching the most consistent ball of his wildness-plagued career, carried a one-hitter into the ninth when the Cardinals threatened on singles by Curt Flood and Bill White. Right-fielder Duke Snider made a shoestring catch of Ken Boyer's low liner, however, and completed a game-ending double play by throwing to second base. Bob Gibson was the hard luck loser for the Cardinals.

Trio Tied In '500' Golf Meet

INDIANAPOLIS, Ind. (UPI) — A weather break was the major desire today of 140 golf pros chasing Arnold Palmer, Jim Ferree and Johnny Pott into the second round of the \$50,000 "500" Festival Open tournament which will pay the winner \$8,000.

Palmer, Ferree and Pott led the field after 18 holes with four under par 67's, but there was a massive group within striking distance and all of them figured good weather would help them move into the top spot.

In the first round high winds, increasing throughout the day, hampered all but the earliest starters, and the three front-runners all were out in early threesomes, so that the bottom two-thirds of the starting field had to combat less favorable conditions. Light rains also affected the final dozen pairings.

The unfavorable weather didn't help the pros at all in their expectations to rip apart the \$600 yard Speedway course which was so simple last year when 63 players broke par on the first round.

Thursday, only 28 bettered the par of 71 and nobody approached the performance of Jerry Barber's course record: 63 on the opening day of the 1960 event.

Behind the front-runners there were eight deadlocked at 68: one stroke off, Art Wall Jr., Pocono Manor, Pa.; Peter Thomson, Australia; Billy Maxwell, Dallas, Tex.; Ken Still, Tacoma, Wash.; George Bayer, South Pasadena, Calif.; Bob Shave Jr., Willoughby, Ohio; Bill Collins, Crystal River, Fla.; and Hulen Coker, San Diego, Calif. Another 11 were at 69 and 16 more at 70, with 14 at 71.

Sachs Vows To Win First Turn In '500'

INDIANAPOLIS, Ind. (UPI) — Eddie Sachs vowed today to "give it all I've got" to beat the pack to the first and most hazardous turn when the 500-mile Memorial Day auto race opens Tuesday.

He is in a good spot to take the lead at the outset of the 200-lap grind since he sits on the pole — the inside position in the first 11 rows of three cars that line up for the flying start.

And he said he is going to be alert so the flying start won't be a duplication of last year when he also sat on the pole and two other drivers beat him into the southwest turn.

"Last year they told me about the responsibility of leading the pace lap, that I should take it easy to insure a safe lap," recalled the Allentown, Pa., restaurant owner.

"Heck, I had so much to do I couldn't stay in front. I was in third spot going into that first turn. I lost the first lap to Rodger Ward and Jim Rathmann."

American Legion Tryouts Tonite, Saturday, At 6

Tryouts for the Pampa American Legion team will be held at 6 p.m. tonight at the High School park, according to Lloyd Summers, team manager. Tryouts will continue Saturday night at the same time.

Summers pointed out that any boy who's birthday comes after January 1, 1943, is eligible to play. "It's extremely necessary that every boy who wants to play legion ball be at the park tonight," Summers said, "so that a complete roster can be made out."

Summers also urged the ball-players to bring any equipment they might need. Coaches for the team are Walter Herbert and Gabby Chase.

Ruff Batters Crall, 21-6

Shelby Ruff, getting overtime work from their hitters, blasted Crall Products 21-6, in a Little League game held Wednesday night at Optimist Park.

Winning pitcher was L. Turcotte, with Osborne taking the defeat.

Pacing Ruff at the plate were Turcotte, 3-for-4; Slaton, 3 singles; Engle, 2 doubles; Taylor, 1 double, 1 single; Young, 2 singles; and Rose, 1 single.

Crall's top batsmen were: Thompson, 3-for-3; Kuhn, 2 singles; Engle, two doubles; and Taylor, 1 double, 1 single.

Johnny Marsh, Ruff Catcher, turned in an outstanding game behind the plate.

Buhl, Ramos, Lead In 'Gopher' Pitches

By OSCAR FRALEY
United Press International

NEW YORK (UPI)—Any baseball scout will tell you that a fast ball and good control are requisites for major league pitching success but you'd probably have trouble selling that to Bob Buhl of the Milwaukee Braves and Pedro Ramos of the Minnesota Twins.

Mail men long have complained about nipping dogs and the guys who serve subpoenas wear lumps and bruises as a badge of honor. But of all the delivery men extant, Buhl and Ramos at the moment have their problems, too.

Each has given up 11 home runs this season to lead their respective leagues in his little cherished department.

Ramos, who set an American League record by yielding 43 home runs in 1957, summed up his predicament with unexpected elan:

"How come they pay Mickey Mantle \$75,000 for hitting 40 home runs in a year? After all, I contribute more than that."

The summary of home runs yielded thus far, this season, approves the point that a man with a blazing fast ball and-or with control which always puts the ball over or too near the plate ever is in danger of having his delivery spoiled completely out of the park.

Buhl and Ramos, the leaders, both are fast ball pitchers. Second, with 10 homers yielded, are one ahead of Lew Burdette of the Braves and Dick Ellsworth of the Cubs. Burdette's fast ball domi-

nates his mixture and Ellsworth is a fireballer.

Tied with nine each are Warren Spahn, Eli Grba of the Los Angeles Angels and Ralph Terry of the Yankees. Spahn claims he throws more fast balls than most people realize and always is around-the-plate. Grba, too, is a control pitcher and Terry his a fast ball hurler.

Seven pitchers have given up eight homers already this season. These include Carlton Willey of the Braves, Robin Roberts of the Phillies, Ronnie Kline of the Angels, Bob Shaw of the White Sox, Chuck Estrada of the Orioles, Don Mossi of Detroit and Camillo Pascual of the Twins.

All of them are front line stars paying the expected price for being too good. It's the wild ones, against whom the hitters can't take a toehold, who do the most suffering. They're killed not by their predicament with unexpected bases on balls.

Overall figures for home runs given up by the various pitching stiffs would seem to prove, surprisingly enough, that Milwaukee's County Stadium and the Angels' Wrigley Field in Los Angeles are baseball's home run heavens—and not the Los Angeles Coliseum with its mashie shot screen in left field.

The Braves' pitching staff is far in front in home runs allowed, with a total of 53, and the Angel delivery men aren't far behind with 42 homers permitted. The Dodgers, cursed by "the thing," stand no worse than fourth in the National League.

TL Loses Victoria To Ardmore

DALLAS (UPI)—The death knell of minor league baseball—sagging attendance—caused another Texas League team to move on to greener pastures today.

League directors voted unanimously Thursday to move the Victoria, Tex., club to Ardmore, Okla., immediately. The team will play its last game in Victoria tonight. The first game at Ardmore will be played June 4 against Austin.

Victoria President Derrest Williams said the move was necessary because of "poor attendance" and the fact that Ardmore businessmen had made him an attractive offer.

"The crowds were sparse and we couldn't afford to stay there and lose the money we would have lost had we drawn the same attendance," Williams said. The Victoria team was averaging only 660 fans per night at home, he said.

Amarillo Bops Missions, 5-3

By United Press International
The Rosebuds play their last Texas League game at Victoria tonight. They begin setting up camp in a new stadium immediately—at Ardmore, Okla. And they need a victory in their club to even up the four-game series with Tulsa. The Oilers won both ends of a doubleheader Thursday night, 7-6 and 6-3.

In other action, Amarillo moved to within one game of league leading San Antonio whipping the

Celanese Rips Duncan, 21-10

Celanese ripped Duncan, 21 to 10 here Thursday night in a Little League game held at Optimist Park.

Tommy Crawford was the winner; Douglas Kidwell the loser.

Leading hitters were: Gary Boyles, (3-hits); Jack Thompson (3 hits — including a home run). The win was the third straight for Celanese.

Windsor Clips Duncan, 4-2

Windsor, upping their record to 2 and 0, clipped Duncan 4 to 2 Wednesday in an Eastern Little League game at Optimist park.

The game was called in the top of the fifth due to rain.

Winning Pitcher was Troy Edwards; losing flinger was Stephen Summers. Dickie Henley paced Windsor with a 2-for-3 effort at the plate and Summers led his nine with a 2-for-3 batting mark.

B&B Buries Hawkins, 16-3

B&B Pharmacy, blasting out 12 hits, buried Hawkins, 16 to 3 in a Little League game Wednesday at Optimist Park.

Winning hurler was Jim Hollis, who struckout 10. Allen Finney took the defeat.

Keith Burns featured the Winners offensive barrage with a single and double with Johnny Merlott and Ronnie Sanders pounding out three hits each for the losers.

Stone Rocks Mohawk, 5-2

Pampa Rotary, behind the one-hit pitching of Mike Stone, defeated Mohawk Sign Co., 5 to 2 in a Little League game Wednesday night at Optimist Park.

Stone whiffed 12 and Alfred Browns single was the lone hit surrendered by the fast-balling youngster. Gary Motberg went all the way for the defeat.

VOTE SATURDAY FOR U.S. SENATOR BILL BLAKLEY

Senator Blakley believes in —

- Fiscal Responsibility — less federal deficit spending
- Social Security — raising the earned income from \$1,200. to \$1,800. annually for over age 65.
- States Rights — no infringement of Federal Courts into states rights
- Less Foreign Oil Imports
- Education — that Education is a local institution
- Connally Amendment — He opposes turning over U.S. affairs to jurisdiction of a World Court
- "Bill Blakley is fully qualified to continue as United States Senator His seniority, experience and service on major committees are invaluable to Texas and the Nation."
- We urge you to vote Saturday May 27, to keep Senator Bill Blakley a man of proven ability, in Washington, working with Texans for Texas.

ANGEL MARTINEZ ... Baptist Evangelist

Angel Martinez Returning For Revival Service

Angel Martinez, 35-year-old dynamic Southern Baptist evangelist will be in Pampa for a second revival service at the First Baptist Church beginning June 4 and continuing through June 11, according to an announcement by Dr. E. Douglas Carver, pastor.

The Rev. Mr. Martinez received wide acclaim for a series of services held here in the summer of 1958 at the same church.

Converted in a Baptist mission in San Antonio at the age of 13, Rev. Mr. Martinez preached his first sermon the same year. He is a graduate of Baylor University (1945). He is also a graduate of Southern Baptist Theological Seminary in Louisville. He has memorized the entire New Testament.

Dr. Carl E. Bates, pastor of the First Baptist Church in Charlotte, N.C., has this to say of him: "I firmly believe that Angel Martinez has no peer among contemporary evangelists. He is not only compassionate in his preaching, he is scholarly as well. He is endowed with the capacity to draw crowds of lost people to hear him preach night after night. His ministry in our church was absolutely above reproach in every respect."

At both services which will be held daily Frank Boggs, recording artist for word records, will have charge of the music. He is regular soloist on "The Baptist Hour," a coast-to-coast broadcast on more than 480 radio stations. He was guest soloist with the Billy Graham team.

Pampa Pastor Named For Missions Study

Dr. Douglas Carver, pastor of the First Baptist Church here and a member of the Texas Baptist State Missions Commission, has been assigned to work with a special mission study committee organized last week to conduct a comprehensive survey of the vast Texas Baptist state missions program.

The 16-member committee, composed of members of the Baptist State Missions Commission and 11 key Baptist pastors, laymen and denominational officials — three of them from outside Texas, will analyze the objectives, organization and scope of the Baptist district, association and city missions work in the state.

Baptist missions work in Texas is divided into 17 geographic districts, and 123 smaller areas called associations including 12 metropolitan city associations.

The study committee was organized on the request of a vast Texas Baptist survey committee that completed a comprehensive study of the total denominational organization and procedures two years ago. The Texas Baptist executive board authorized the State Missions Commission and 11 other re-

Trusting In God First Methodist Pastor's Theme

"Trust God Always" will be the sermon topic discussed by the pastor, Woodrow Adcock, at the two morning services for the First Methodist Church.

Special music for the early service will be furnished by the Carol and Wesley Choirs and the Primary Choir which will sing the anthems, "All Creatures of Our God and King" by St. Francis and "God Is Here."

The Sanctuary Singers will sing the anthem, "Souls Of The Righteous" by Noble for the 10:55 service.

Sunday Evening Fellowship will be held at 8 o'clock in the Fellowship Hall. At 8:30 p.m. children, youth, and adults will separate for one hour of planned activities according to interest and needs. The pastor, Woodrow Adcock, will continue the Adult Study of the Bible in the Friendship Classroom.

The Sunday Night Service at 7:30 o'clock will be conducted by the pastor who will speak on the subject, "Face Your Difficulties." The MYF choir will present the special music for the evening service.

Topics Announced For First Baptist Services Sunday

Dr. Douglas Carver, pastor of the First Baptist Church, will be in the pulpit for the three services of worship Sunday. At the 8:30 a.m. service his subject is, "Your Life's Epitaph." The Chapel Choir will occupy the choir loft and sing an anthem, "All Praise To Thee," by Jones. Miss Eloise Lane, organist, will play, "Holy Spirit, Faithful Guide," by Thompson, for the morning offertories.

"We Can If You Will" is the topic Dr. Carver has chosen for the 11 a.m. worship service. Joe Whitten, minister of music, will present the church choir in singing an anthem, "We All Believe In One True God," by Mueller.

At the 7:30 o'clock evening worship, Dr. Carver will speak from the subject, "Take A Little Honey." The Church choir will sing, "Nobody Knows," an arrangement by Grant. Miss Lane will play, "Hymn — Tune Meditation," by Lorenz.

Tuesday evening, May 30, at 7 o'clock the Brotherhood will have a "Ladies — Night — Brotherhood Sweetheart Banquet," in the dining room of the church. Dr. Floyd Golden will be the guest speaker. His subject will be, "Customs of the Women in Russia." The widows of the church will be special guests.

The Mid-Week Service will be Wednesday evening at 7:40 o'clock. Jack Parker will be the inspirational speaker. The Mid-Week service will be preceded by the Sunday School Officers and Teachers Meeting at 7:10 p.m.

Science Churches To Talk Rights

How individual rights are defended through spiritual perception of God's complete power and wisdom will be brought out at Christian Science churches this Sunday. Keynoting the Lesson-Sermon entitled "Ancient and Modern Nomenclature, alias Mesmerism and Hypnotism, Denounced" is the Golden Text from Proverbs (21): "There is no wisdom nor understanding nor counsel against the Lord."

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (pp. 234, 235): "Evil thoughts and aims reach no farther and do no more harm than one's belief permits. Evil thoughts, lusts, and malicious purposes cannot go forth, like wandering pollen, from one human mind to another, finding unsuspected lodgment, if virtue and truth build a strong defense."

From the Bible will be read these verses from 1 Peter (5): "Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: Whom resist steadfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world."

Lecture Planned By Witnesses

"How Can One's Future Be Secure?" is the Bible lecture to be given Sunday at the Kingdom Hall of Jehovah's Witnesses, Dwight and Oklahoma at 3 p.m. This lecture will be given by Daniel Katsanis, presiding minister of the local congregation.

Mr. Katsanis as well as others of Jehovah's Witnesses will be calling on the homes of the residents of Pampa in order to invite them personally to hear this Bible lecture.

Following the lecture will be the weekly Watchtower Bible study class. This week the study will center around the theme "The Sacred Bible and Our Problem of Survival." All persons are invited and no collections are taken.

BARRETT CHAPEL SPEAKER — Rev. Finley Vanderburg, former pastor of the Hobart Street Baptist Church, now of Amarillo, will be guest speaker for both services at Barrett Baptist Chapel, Sunday. Special music has been arranged by Gene Shelhamer who will also direct the congregational singing.

Central Baptists Schedule Events

Rev. Therman Uphaw, pastor of Central Baptist Church, will be preaching in the worship services Sunday. Morning worship services are scheduled for 8:30 a.m. and 11 a.m. Sunday school will begin at 8:45 a.m.

Training union will begin at 8:30 p.m., followed by the evening worship service at 7:30 p.m.

The YWA, GA, RA, Sunbeam and Sunday school officers and teachers will meet at 7 p.m. Wednesday. Mid-week prayer service will be at 8 p.m. and choir rehearsal will be at 9 p.m. Wednesday.

Preparation Day for Vacation Bible School will be held at 10 a.m. Friday, June 2. Boys and girls, three through 14 years of age, are invited to attend the school slated to begin Monday, June 5. The Bible school will be held two weeks from 8:30 a.m. to 11:30 a.m. Monday through Friday.

REASONS WHY THE PEOPLE ARE GOING TO WIN WITH JOHN TOWER

TEXANS WANT:

● A FULL-TIME SENATOR. John Tower is young and vigorous. He has no outside interests to divert him from serving Texas.

● A SENATOR "OF THE PEOPLE". John Tower, a native Texan, is not a wealthy man. He understands fully the struggle of the average man to educate himself and to raise a family, for he has first-hand experience in both.

● A COURAGEOUS SPOKESMAN. John Tower, a highly articulate conservative, rallied the support of almost a million Texans who applauded his courage with their votes to back his stand against the liberalism of the "New Frontier." He has captured the fancy of Texas and the nation with the velocity and quality of his campaigning.

● A STAKE IN THE FUTURE. John Tower, by virtue of his youth and dynamic personality has a brilliant political career before him. He is destined to lead Texas into a new chapter of political history. He has already been assured of important committee assignments in the United States Senate where his qualities of leadership and knowledge of government will bring him to the fore in short order.

● A VOICE AND A VOTE IN WASHINGTON. John Tower has demonstrated that he will stand up and speak up for the Texas viewpoint. (He is absolutely free of political obligation to anyone. He has no influence whatsoever with "Lyndon and Mister Sam" ... they have none with him either!!!

THE EVIDENCE IS QUITE CLEAR THAT TEXANS ARE IN REVOLT AGAINST THE POLITICAL BOSSES WHO HAVE HELD THEM IN POLITICAL BONDAGE IN ORDER TO SATISFY SELFISH AMBITIONS FOR POWER. MAY 27 OFFERS A ONCE-IN-A-LIFETIME OPPORTUNITY FOR TEXAS TO DECLARE ITS POLITICAL FREEDOM WITH THE ELECTION OF JOHN TOWER TO THE U.S. SENATE.

THE INSANITY OF SANITY

By JACK RILEY, PASTOR ST. PAUL METHODIST CHURCH

Can you imagine: "What would a world of human beings gone sane be like?" This sentence is from Star Begotten, H. G. Wells, published in 1937.

Would we know how to live in such a world?

Look at our world! It is composed of people like you and me who make it what it is! Will we continue toward the culture which spends three-fourths of the world's income for past or future wars? A people who have witnessed more murders in the 20th Century than all the centuries since the time of Christ. We are the people who question the wisdom of spending a million and a half dollars on an educational institution and overlook the billions spent to keep our "defenses." Would our dads have fed 300 horses when they could get the same job done by feeding only 65? We paraphrase the scripture to read, "I'll tear down my old garage and build a bigger one."

What can we do? Lets face it! We have no oceans to cross and establish new colonies. There is no place to hide. We must learn to live with one-another. Is this the insanity of sanity?

Martin Luther on October 31, 1517, revolted against the insane practices of religious conformity within his church and proclaimed the New Testament principles of religion.

Paul makes some practical suggestions for building a "world gone sane." I Thes. 5:12-18.

1. Know your spiritual leaders.
2. Live together in peace.
3. Reprimand the unruly.
4. Encourage the timid.
5. Be patient with all men.
6. Do not repay evil for evil.
7. Be happy in your faith.
8. Never stop praying.
9. Be thankful, no matter what the circumstances.

Put yourself under the higher disciplines of conscience, intelligence, and will. Remember, you are not free to do as you please, but as pleases God. Paul closes his recommendations by saying, "If you follow this advice you will be working out the will of God expressed to you in Jesus Christ." What can we do? We can bring the sanity of Jesus to a mad world!

TALKING WITH NEWSMEN - Democratic congressional leaders are shown talking with President Kennedy at the White House in Washington. The conference was held before the president delivered his special message to congress calling for huge additional outlays of money for foreign aid, space programs and other purposes. In the picture are, left to right, Senator George A. Smathers, House Speaker Sam Rayburn and Sen. Mike Mansfield.

Moon Landing Sure, Top Scientists Say

TULSA, Okla. (UPI)—Man must go to the moon because it "is the next major challenge," the man in charge of the National Aeronautics and Space Administration (NASA) space flight program, said here today.

Dr. Abe Silverstein, director of the NASA space flight effort, joined with Dr. Werner von Braun, America's leading space technologist and other scientists in a panel previewing the first sessions of the national peaceful use of space conference in Tulsa.

Silverstein predicted that man—and hopefully American men—will land on the moon simply because the challenge is ahead.

"And man has progressed from the inside of the cave by accepting challenges," Silverstein said.

The panel was televised nationally (on the Dave Garraway "Today" program on NBC).

The space conference—perhaps the first of an annual series—opened Thursday with formal working sessions starting today. One of the greatest concentrations of space experts in Southwest history was concentrated in Tulsa for the event.

Von Braun, director of the George C. Marshall Space Flight Center at Huntsville, Ala., predicted that man's vehicle for space flight will continue to consist of both liquid and solid-fueled rockets, with nuclear-powered space craft coming on the scene later.

The argument of solid vs. liquid fuel rockets was regarded as academic by Von Braun. "We will continue to have both systems," he said.

Education Board Funds Approved

AUSTIN (UPI)—The Senate took a \$400,000 step toward relieving Texas' money problems Thursday by giving final passage to a House bill to finance the state board of education out of a special fund.

Sen. A. M. Aikin Jr. of Paris won 27-2 final passage of a measure to pay these costs out of the available school fund, instead of the deficit-ridden general revenue fund.

The bill, by Rep. Malcolm McGregor of El Paso, was sent to the governor.

The Senate also gave final passage to two proposed constitutional amendments to give workmen's compensation insurance and retirement benefits to county and municipal employees.

The amendments, to be on the 1962 general election ballot, were authored by Rep. D. Roy Harrington of Port Arthur and sponsored by Sen. Jep Fuller of the same city.

Senators also gave final passage by voice vote to a measure levying a \$500 license fee on out-of-state manufacturers of beer and a \$1,000 fee on brewers of ale. Similar state fees are now paid by firms with plants in Texas. The author was Rep. Gus Mutscher of Brenham.

District Court Session Set In Wheeler County

WHEELER (SpI) - Names of 40 petit jurors have been drawn for jury service when 31st Judicial Court convenes here Monday, it was announced today by District Court Clerk Rena Sivage.

Eight civil cases are on the docket to be called by District Judge Lewis M. Goodrich, who will preside.

The prospective jurors have been asked to report in the Wheeler County Courthouse at 10 a.m. Monday.

Perryton Plans Camp Program

PERRYTON (SpI) - Beginning this summer, the Y.M.C.A. is offering a Day Camp program for boys and girls between the ages of 9 and 12. This program will begin daily at 9 a.m. Monday through Friday when the boys and girls board a bus at City Park. When they reach Lake Fryer, activities will include archery, fishing, handicrafts, nature lore hiking, singing, softball, fellowship and good clean fun. At 4 p.m. they will board the bus for the trip back to the City Park and a quick dip in the swimming pool to get refreshed and then wait for the parents to pick them up at 5:00 p.m.

The day camp program will be limited to 25 boys and girls.

Each child is to take a sack lunch. Milk will be provided at camp.

There will be a \$1-fee per day in addition to their membership to cover the cost of milk, transportation, additional supervisors, etc.

The program will be well supervised with no more than 10 children to a supervisor.

Cost Of Living Holding Steady, Agency Reports

WASHINGTON (UPI) — Living costs in April held steady at their record high, the Labor Department reported today.

This continued "the overall stability" which began last October, the department said.

Take-home pay of factory workers and its buying power improved for the second consecutive month.

With some prices going up and others declining, the department's consumer price index held at 127.15 — the record high first reached last December. This meant that goods and services which cost the average middle-income city family \$10 in 1947-49 cost, \$12.75 in April.

Robert J. Myers, deputy commissioner of labor statistics, saw "nothing in the wind" to change the price index much either way in May. He said there may be small increases in June and July if the usual early summer price rise in fruit and vegetable prices occurs.

Despite the lack of change in March and April, about 81,000 workers whose wages are tied by contract "escalator clauses" to the index will get from one to three cents an hour more in their pay envelopes. About one million auto and farm equipment workers who have similar contracts will not receive any pay hike.

In April, chief price increases were for used cars, movie admissions and insurance for medical care and hospitalization. Major price cuts were for gasoline, home loan interest rates, women's clothing and new cars.

Cat To Ask Court For Night Out

ALAMEDA, Calif. (UPI)—Herman the tomcat, whose romantic meanderings resulted in a court-ordered restriction to quarters, plans to take legal action seeking one night a week to howl.

The handsome yellow and white striped feline established a reputation as the "smoothest cat" in Alameda last year—but he was hauled into court by neighbors when their prize Siamese females began batting their eyes at the Romeo of melting-pot ancestry.

The court ordered that Herman restrict his after-dark activities to the home of his owners, Mr. and Mrs. Russell Bowler. However, Mrs. Bowler said Herman is "getting a little neurotic" as a result of his confinement.

Herman went Wednesday to the Bank of America, where he has a defense fund donated by cat lovers from around the world during his losing battle for complete freedom last year.

He signed with his pawprint, which the bank said was a valid signature, a check for \$50 to his attorney, John Paul Jones.

Jones will petition the court for permission to allow Herman at least one night of freedom each week.

So maybe Herman will soon get one night a week to howl—or do whatever tomcats do when they get a night out.

Rules Committee Approves Study Of Phone Rates

AUSTIN (UPI) — The House Rules Committee has approved a resolution to have the Legislative Council study Texas telephone rates and operations for a report to the next legislature.

The committee approval sent the resolution by Rep. Dan Struve of Campbellton to the floor for action.

Tyler Will Get Rubber Factory

TYLER (UPI) — The Kelly-Springfield Tire Co. will build a multi-million dollar tire plant on a 100-acre tract near Tyler, George B. Newman, president of Kelly-Springfield, announced yesterday.

The plant will employ about 300 production and about 75 office and administrative workers. All but a few will be hired in the Tyler area.

Newman said he hopes the new plant will produce its first tire next March and be in full production in the last quarter of 1962. It will operate on a three-shift basis when in full production.

"The general vitality of the Tyler area, the progressive attitude of the townspeople and business leaders and the abundant vitality of such vital resources as water made our choice a logical one," Newman said.

Later, at a ground breaking at the plant site, Newman praised Tyler's business and civic leaders.

Juarez Acquires \$240,000 Gin Plant

CIUDAD JUAREZ, Mexico (UPI)—A Juarez Valley agricultural cooperative has purchased a cotton gin for \$240,000 (U.S.) to "become independent of several private enterprises," it was reported here today.
