BERL SENOFSKY ... Violinist Coming To Pampa

## Noted Violinist Due Here Thursday Night

Berl Senofsky, once described by the Seattle, Wash., Times as "One of the leading violinists of the world," will present a program at Pampa Junior High School auditorium Thursday night. The program will be the second in the series of concerts being presented this fall and winter by the Pampa Community Concert Assn. The program will begin at 8 o'clock and is for membership only.

Winner of the 1955 Queen Elizabeth of Belgium Award, Senofsky has been guest artist with most of the major symphony orchestras, in addition to presenting a large number of concerts in key cities throughout the United States and Canada. Since his American debut in 1956 he has appeared with the N. Y. Philharmonic and Boston Symphony plus those of Chicago, San Francisco, Cleveland, Cincinnati, St. Louis, Minneapolis, Denver, Dallas, Seattle and Honolulu.

Prior to his return to the United States in the summer of 1956, he made his first South American tour of twenty concerts including major appearances in Buenos Aires, Rio de Janeiro, Caracas and Sao Paulo. He has concertized annually in Europe appearing in France, Belgium,

### FBI

(Continued From Page 1)  
iff Rufe Jordan, Mayor E. C. Sidwell, W. M. Henslee, Texas Ranger, all of Pampa; Captain Raymond D. Waters, Texas Ranger, Lubbock; Wiley Alexander, Chief of Police, Amarillo; M. N. Koonsman, National Automobile Theft Bureau, Abilene; and Major Harvey Hutchison, Texas Department of Public Safety, Lubbock.

H. Barefoot Sanders, U.S. Attorney in the North Texas, judicial district, and members of his staff also will participate in the Pampa conference.

Sheriff Jordan said Saturday night that his office, Police Chief Jim Conner and officials of the Citizens Bank & Trust Co. and First National Bank will co-host Wednesday's conference.

Invitations have gone out to prosecutors, law enforcement officers and banking officials in a score of towns and cities over the Texas and Oklahoma Panhandles.

### Racial

(Continued From Page 1)  
support to integration outside the classrooms by a 308-34 vote Tuesday. The faculty also asked that the disciplinary probation be lifted from the Negro students who took part in the Oct. 19 demonstration.

Students went on record in favor of integration of all school athletics in an Oct. 25 referendum. The vote was by about a 5-3 margin, but less than half of the 20,000 students at the university voted. About 300 students at Texas are Negroes.

A legal development also occurred last week when two Negro students asked Sam Houston Clinton, general counsel for the state AFL-CIO, to handle a suit against the university to force dormitory integration. Clinton said he does not know when the case will be filed, but students are trying to raise \$2,500 to pay court costs.

### Gonzalez

(Continued From Page 1)  
majority of the people just didn't go along."

Gonzalez, speaking of Eisenhower, said he would rather have a "real live vice president campaign (for him) than a has been president." Eisenhower said it was true that he was a "has been president" but that was better than a "never was," meaning Johnson.

The vote was the largest in a special election in San Antonio's history. Gonzalez is the first candidate of Mexican ancestry that Texas ever has sent to Congress.

## Mainly - - About People - -

The News invites readers to phone in or mail items about the comings and goings of themselves or friends for inclusion in this column.

Unit 81, TBA, will meet at 7:30 p.m. Monday in the Coronado Inn for a discussion meeting concerning Texas Beauty Laws. All licensed cosmetologists are urged to attend, according to Odus Roles, unit president.

Fir 2x4 & 2 x 6, 6 1/2 x 6, ft. White House Lumber Company. Adv.

Pampa Area Stamp Club will meet at 3 p.m. today in St Vincent dePaul School cafeteria.

### Cards - Gifts - Party Items

The Gift Box, 110 E. Foster.

Gray County Community Singers Ass'n will meet this afternoon at two in the Church of God. The public is invited to attend.

Sylvia Ann Grider, daughter of Mr. and Mrs. R. C. Grider, 925 Twiford, was recently named a member of the Orange Jackets, Women's honorary service organization at the University of Texas, Austin.

Select your Christmas Gifts early. Use our Layaway. Ford's Boys Wear, 110 E. Francis.

Sailor Bros., Pampa, recently purchased the registered Brown Swiss Bull, Bard - Lou W. Bingo 140441 from Vincent Braddock, Dimmitt, according to a report from Fred S. Idtse, Secretary of the Brown Swiss Cattle Breeders' Association, Beloit, Wis.

Piano lessons, Mrs. Ray Welch, 2201 Chestnut, MO 5-3692.

3 Black, small, short haired pups to give away 1520 Hamilton.

Gonzalez parents were born in Durango, Mexico. They migrated to the United States and became naturalized U. S. citizens. Gonzalez was born a citizen.

He has a law degree but does not practice. He has been a state senator since 1956 and he once filibustered in the state legislature for more than 26 hours against a pro-segregation measure.

In 1958 he ran for governor and came out second in the most spectacular showing a man of Latin American extraction has ever made in a statewide election in Texas.

He also ran for the U. S. Senate last April and finished sixth. Goode is a practicing attorney. He never has held elective office.

## Mrs. Doggett Oilfield Worker Service Held Falls To Death

SHEFFIELD (UPI) - A 31-year-old oilfield worker lost his footing and fell 90 feet to his death Saturday at 10 a.m. Saturday in the First Baptist Church with the Rev. Earl Maddux, pastor of the Fellowship Baptist Church, officiating. Mrs. Doggett, who resided at 1808 Hamilton, died at noon Friday in Highland General Hospital after an illness of two years.

She was born Nov. 27, 1898 in Lampasas County; was reared in Mills County and on Aug. 5, 1922 was married to H. A. Doggett.

She was a member of the First Baptist Church and employed by Levine's Department store for 14 years before her illness two years ago.

Survivors are her husband, H. A. Doggett of the home; two sons, Melvin Armstrong of Perryton and Gene Doggett of Pampa; one daughter, Mrs. Chrystell McElroy of Pampa; two brothers, B. C. Wicker of Goldswaithe and C. A. Wicker of Riodoso, N. M.; two sisters, Mrs. E. S. Conway of Big Spring and Mrs. Jim Conway of Comanche; and eight grandchildren.

Following the service, the body was taken overland to Goldswaithe, where a second service is planned for 2 p.m. today with interment in the Goldswaithe Cemetery.

Mrs. J. D. Boland Ad-Rime Winner

Mrs. J. D. Boland, housewife, is this week's winner of the \$10 Ad-Rime prize. The hidden slogan was "Enterprising Directory Firms always boost this fine community. Her completed jingle was, "Boost your City - Never knock it. Keep it climbing like a rocket!"

Congratulations. Our check for \$10 is being mailed to you Monday.

Each entry must be on a separate post card or sheet of paper showing (1) Hidden Slogan (2) Your rhyming Ad-Rime (3) Your name and address (4) Your occupation. Study the rules on page 19 and be sure to visit the directory business firms that make this game possible.

### Woman Reporter To Be Honored At Baptist Meet

CORPUS CHRISTI (Sp) — A veteran 67-year old news reporter who says she has had printers ink in her veins for more than 50 years was named Wednesday winner of the annual Texas Baptist press award.

Mrs. Florence Patton, church editor for the Corpus-Christi Caller-Times, will receive the award at the annual Baptist General Convention of Texas, meeting in Austin Nov. 7-9.

She is the first woman ever to receive the annual Baptist award. Selected by a nine-member Texas Baptist public relations advisory committee for "outstanding contributions to Christianity through journalism," Mrs. Patton will be awarded a lapel watch and an award certificate by Convention President James H. Landes of Wichita Falls.

The veteran news reporter was nominated to receive the award by Corpus Christi Baptist leaders, who praised her reporting of Baptist news in the Caller-Times. A native of Wellington, Kan., Mrs. Patton got her start in newspaper work when she was 14 years old. While in high school she worked in the summer at a Wellington paper setting hand type.

For more than 22 years Mrs. Patton was a reporter for the Wichita Evening Eagle in Wichita, Kan., covering nearly every news beat on the paper except sports and society.

## Some Farm Ideas Just Fail To Catch On, Eh?

By DICK WEST  
WASHINGTON (UPI) — Don't look now, but Christmas isn't the only thing that is creeping up on us.

Almost before we know it, we will be celebrating the 100th anniversary of the founding of the U.S. Department of Agriculture.

The event actually doesn't occur until next year, but one branch of the department already has started presenting a series of centennial lectures, which I have been reading with a great deal of interest.

My interest in agriculture stems in part from having tried to grow some tomato plants in a backyard petunia bed. I finally gave up and ate the petunias.

But more than that, I am fascinated by the endless variety of the department's activities. Some

of them could hardly have been envisioned 100 years ago.

Just this year, for example, a department experiment station reported the development of a "non-bitter sweetclover." Possibly this will lead in time to the development of a non-sweet bitterweed.

Not all of its experiments, however, have panned out so well. Among other things, the department has attempted to promote tea growing, silkworm raising and ostrich farming in America. None could presently be described as booming.

At the time that the department was created to help the American farmer, the American farmer was not necessarily aware that he needed any help. This was during Abraham Lincoln's administration.

In his first annual message to Congress, Lincoln pointed out that the total agricultural representation in the federal government consisted of one clerk.

"While it is fortunate that this great interest is so independent in its nature as to not have demanded and extorted more from the government, I respectfully ask Congress to consider whether something more cannot be given voluntarily with general advantage," he said.

A few months later, Congress voluntarily gave the Agriculture Department its first annual budget which totalled about \$60,000, spent mainly in distributing seed packets for congressmen.

This illustrates, as well as anything, how much times have changed in the past century. I spent almost that much last year trying to grow tomato plants.

Incidentally, the first full-term agriculture secretary was Jeremiah Rush, who once uttered the ringing words "I see my duty and I do it." He barely escaped being elected vice president.

## Stamp To Reveal Source Of Meat

WASHINGTON (UPI) — The Agriculture Department is taking steps to make sure that when a housewife buys imported meat she knows where it came from.

The department has decided to require the use of a special stamp on federally-graded retail cuts of imported meat. A regulation along these lines is expected to become effective late this year or early in 1962. It will apply to imported meats which are submitted for U. S. grading by the department's grading service.

Under the proposed rule, the imported meats would have to be marked with a stamp showing the country in which they originated. The stamp would have to appear on most major retail cuts. It would be applied in the same way as the currently-used stamps which mark a steak or roast as U. S. choice, U. S. good, or by some other federal grade designation.

Department officials decided to adopt the regulation at the request of domestic producers. They maintained that federal grading in imported meat cuts allowed some housewives to think that a lamb roast from New Zealand or a beef cut from Canada had been produced in the United States.

The volume of meat affected is expected to be very small in comparison with total U. S. production. Agriculture Department officials estimate that all meat imports this year will amount to about 4 per cent of American production. Department experts have no figures on how much of the imported meat is submitted for U. S. grading, but most guesses indicate it may be as low as 2 per cent.

This would mean that graded imported meats are a small fraction of 1 per cent of U. S. production.

Most imported meat does not go through federal grading because it is not headed for retail meat counters in the form of roasts, steaks, chops and other cuts. Most imports go into manufacturing and processed foods. Housewives frequently buy ordinary retail meat cuts by grade because grading is an indication of factors like tenderness and a guide to how meat should be cooked. But these factors are not as important in shopping for processed meat foods.

Some livestock producers nevertheless want the government to go even further in identifying imported meats. The American National cattlemen's association said recently it hopes some practical method can be worked out to label all foreign meats included in domestic processed foods. The association said imports have been damaging the market for American cattle for many years.

## Panhandle Plains Gas Meet Slated For November 17

TULSA — Fred S. Schwend, senior vice president and director of Warren Petroleum Corp., Tulsa, will headline the list of speakers for the 1961 Panhandle Plains regional meeting of the Natural Gas Processors Assn., Nov. 17, in the Herring Hotel, Amarillo. Schwend's topic will be "Inflation-Financial Corrosion."

Shamrock Oil and Gas Corp. president, C. A. Cash, Amarillo, will open the meeting with welcoming remarks. Technical papers in store for the 400 operating personnel expected to attend include: a comparison of "High Speed vs Low Speed Reciprocating Compressors" by R. F. Spikes, Pioneer Natural Gas Co., Amarillo; increased gathering system efficiency by "Digging Pipe Lines for Liquid Removal" by H. N. Eagleton, Colorado Interstate Gas Co., Colorado Springs.

Cost control comes in for its share of the discussion in a paper co-authored by W. L. Barnes and M. D. Gish, Phillips Petroleum Co., Borger, entitled "Warehousing and Inventory Control."

Governmental affairs will be discussed in two other papers: "Plan and Progress of Helium Conservation" by P. V. Mullins, general manager, Helium Operations, Bureau of Mines, Amarillo; and "Federal Power Commission—Problems Related to the Gas Processing Industry" by George C. Vaughan, Cities Service Petroleum Co., Bartlesville.

General chairman for the annual program is J. P. Weatherall, Dorchester Corp., Amarillo. He will be assisted by session chairmen A. M. L. Kube, Phillips Petroleum Co., Borger, and M. M. Burroughs, Warren Petroleum Corp., McLean, Texas.

# MR. AND MRS. EVENT

MON., TUES., WED. OPEN TIL 8 P.M.

In response to the many requests we have had for late shopping hours by husbands and wives who wish to shop together, we will be open Monday, Tuesday, and Wednesday nights, November 6-7-8 until 8:00 p.m. What makes it even more exciting is the tremendous saving we are offering for this event. Ladies, come in during the day, pick out what you want, then bring your husband back in the evening to show him your selection. Nothing could be a nicer Christmas present for each other than some of our fine furniture, and at prices that you can't pass up. Listed below are only a few samples of the savings we have for you. EVERYTHING REDUCED!

**3  
DAYS  
ONLY**

Portraying teen-agers caught up in the over-whelming power of their love for each other, Natalie Wood and Warren Beatty head the cast of Elia Kazan's provocative production of "Splendor In The Grass," opening Thursday at the Capri Theatre for a week's engagement. This Technicolor presentation of William Inge's first original screenplay stars Miss Wood, Pat Hingle, Audrey Christie, Barbara Loden and introduces Beatty. The Texas Board of Review recommends the picture for adults and mature young people.

# Women's Role In TV Puzzling To Producer

HOLLYWOOD (UPI) — Television producer Aaron Spelling says movie and TV producers are getting away from the old-time Hollywood concept of stories with glamorous actresses. Spelling, producer of "The Dick Powell Show," said television "should take advantage of women stars. I won't believe people don't want to see them." Aaron, who is married to actress Carolyn Jones, said his Dick Powell anthology show is creating stories which will star the town's top actresses. "In our show we try to get out of the squad room and operating room," he said, "referring to the prevalence of detective and medical shows on TV. We want to do something glamorous. I'm getting a little sick of police uniforms and hospital gowns." "And those stories we do are not soap operas. We have shows with Rhonda Fleming, Carolyn Jones, Eva Gabor, Dorothy Malone and Jan Sterling. We'd like to use Barbara Stanwyck and Bette Davis. "Powell and I decided that we can tell a story and not be drab. There is too much drabness on television. We've found that there are a lot of writers who like to do stories for women. "There is such a limited field for an actress. About 50 TV shows are being filmed out here and there are only about six that a woman of star stature can work on. We looked at scripts we get here and found that there were 18 male roles for each woman's part. It's really tough for women on TV. "The same thing holds true for motion pictures. When you break down a picture, you'll find that practically all the roles are for men. "I don't think anybody is finding movie stories for women except Ross Hunter and he's making a fortune," Aaron added, referring to the front-running producer at Universal International Studios. Aaron cited a Hollywood notion that men are stronger box office attractions than women. He disagrees with that theory. "You give me Doris Day, Lynda Taylor, Marilyn Monroe, Lana Turner, Sandra Dee and Debbie Reynolds, and I'll make more money with them in a picture than I could with male stars," he claimed. "I just don't understand this apathy towards women."

# Patient Actor Finally Given Role As Star

HOLLYWOOD (UPI) — A man who didn't know any better once said that good guys never win, but Cactus Mack McPeters did win, and that should prove something. Cactus Mack has been around Hollywood since the '20s crash and worked with such early day cowboys as Tom Mix, Buck Jones and "a lot of the old boys who have gone." For the last three years, McPeters has been appearing on TV with Matt Dillon, Chester, Kitty and good old Doc, the medic, on "Gunsmoke." Most of the time Cactus Mack has lurked in the shadows of "Gunsmoke," playing what movie-makers describe as atmosphere scenes which call for him to drive a horse and wagon, walk down a street or just stand around looking Western. But to all who wait long enough some good must come, and that's what happened to Cactus Mack, a patient fellow. After three years, he had gone by, Dennis Weaver, got-legged Chester on the show, thought it would be a good idea to take Cactus Mack from behind the general store apple barrel for a leading role. Dennis, who directs some "Gunsmoke" shows, had his choice of actors for a segment and insisted on Cactus Mack for the role of Pa Cathart, a hillbilly who kidnaps Kitty. "I never did much on 'Gunsmoke' till this role," said the 62-year-old man whose real first name was Taylor until he got tossed from a horse into a cactus patch years ago. "Dennis went to bat for me," he said. "And it was pretty rough for him, because they hadn't seen me do much on the show. Dennis won the day, and Cactus Mack was elevated from the ranks of background crowds to series stardom. But starring roles are not without their mishaps, and when Cactus Mack played his big scene kidnapping Kitty, it was trouble. Cactus Mack picked up Kitty, passed her through a window, and the scene was one of "Gunsmoke's" best. Cactus Mack was promised another starring role in the series but the won't be back for awhile. The old trouper is recuperating from injuries received picking up Kitty. Cactus Mack's doctor told him after abdominal surgery, induced by lifting Kitty, that he'd better take it easy for a while. The Hindustani word "jungle" means "uncultivated land," which tends to be covered with trees and long grass. Read the News Classified Ads

# \$700,000 Check Just Too Much!

PITTSBURGH (UPI) — Sam Stein sent his secretary to the bank Thursday to get a cashier's check for \$700,000. She returned with a check made out for \$700,039.80. Stein returned the check to embarrassed bank officials. The white Persian mascot of the school of nursing at St. Margaret's Hospital has disappeared and Sister Dolphine, the school's director, is fairly certain the cat was stolen. "Josephine was too fat and lazy to leave of her own accord," she told police Thursday.

# School Director Certain Of Theft

MONTGOMERY, Ala. (UPI) — The white Persian mascot of the school of nursing at St. Margaret's Hospital has disappeared and Sister Dolphine, the school's director, is fairly certain the cat was stolen. "Josephine was too fat and lazy to leave of her own accord," she told police Thursday.

# Oscar And Emmy Awards Merger Favored By Star

HOLLYWOOD (UPI) — Dick Powell has offered to be best man, preacher and father of the bride at a wedding of Hollywood's Oscar and Emmy awards. Oscar is filmland's highest award and the Emmy is the highest award in television. Powell, who has been courted long enough and it's time they strolled up a middle aisle. Dick, actor, producer, director and part owner of Four Star Television with David Niven and Charles Boyer, has long advocated video's recognition on the part of Hollywood's movie producers. "I'm sick and tired of the TV industry being thought of as secondary to movies," said Dick from behind a desk in his board of directors style office at Republic Studios. "There's a thinking in this town that has to be cured," he continued. "TV is not secondary to movies. There are many TV shows which are better than some movies." Dick cited production statistics of Hollywood's major movie studios and said TV filmmakers are turning out more products than those making shows for theaters. "I shoot more film here for my own show than the major studios do in a year for their own pictures," he said. "We'll shoot 30 hours of film for my show this season." Powell suggested the Academy of Motion Picture Arts and Sciences leadership put their heads together with brass at the Academy of Television Arts and Sciences and come up with a solution to their mutual problem. Dick wants the motion picture academy to grant an Oscar to any TV show which can earn enough votes in open competition with theatrical movies. "I got a letter from the motion picture academy saying that if any of my TV shows are run in a theater, they'll become eligible for an Oscar," he said. The TV people have said that movies running on video are eligible for Emmy consideration if they meet the qualifications for competition. "I picked two of our hour long shows which I think are of Academy Award quality," he said, referring to "Doyle Against The House," starring Milton Berle as a down and out gambler and "Ricochet."

# Surprising Request

BENTON, Ill. (UPI) — Jailer Joe Browning blinked in amazement when he got the request from inmates of the Franklin County Jail here. But he obliged by contributing the 10 cents needed to purchase a small rubber ball and a set of jacks. He said the prisoners "seem to be having a good time" playing jacks, a game usually associated with small children. Franklin Pierce was president of the United States when the Republican party was organized on Feb. 28, 1854.

## Phillips Income Shows Increase

BARTLESVILLE—Phillips Petroleum Company's net income increased to \$80,427,000, or 2.34 a share for the first nine months of 1961 compared with \$78,920,000, or \$2.30 a share, in the same period of 1960, stockholders were told in the interim report released Thursday. Third quarter earnings for 1961 were \$25,525,000, or 74 cents a share, compared with \$27,172,000, or 79 cents a share, in 1960.

The company's sales of automotive gasolines, jet fuel, and Marlex plastics were higher during the nine months of 1961. Tanker deliveries began in September under contract for sale of 25,000 gross barrels of oil daily from the 25,000-acre Lot 9 in Monaca State, Venezuela, in which Phillips owns 56 per cent interest.

Petroleum product prices have been depressed since mid-summer, resulting chiefly from price wars. Prices for heating oils and distillates recently have become firmer, and Phillips anticipates that gasoline prices will rise in the coming months from the abnormally low levels reached in the third quarter.

Capital expenditures of Phillips for 1961 are now estimated at \$140,000,000. This compares with \$180,700,000 in 1960. Based on its stock ownership, Phillips will receive 33.54 per cent of an initial dividend of \$2,000,000 to be paid in December 1961 by American Independent Oil Company. The latter company, with production in the Neutral Zone of the Middle East, recently has established a regular dividend payment basis.

The starfish slides its stomach out of its mouth, surrounds it with food and then pulls it back into its body.

## Income Increased By Cities Service

NEW YORK — Net income of Cities Service Company and subsidiaries in the first nine months of 1961 was \$30,752,000, as compared with \$26,538,000 in the same period last year, Burt S. Watson, chairman of the board announced today. The per share equivalents were \$2.87 as compared with \$2.47, an increase of 16 per cent.

Consolidated gross income was \$731,172,000, as compared with \$714,723,000 in the same period last year.

## Foreign Division Formed By Firm

TULSA, Okla. — The formation of a new foreign division and an affiliated foreign company to handle world-wide sales of Laucy Products Corporation has been announced by Franklin E. Bernsen, president of the 35-year-old oil field supply firm.

The new division, which will headquarter in Tulsa to handle sales of materials and equipment in this country for shipment to foreign countries, will be known as Fraber International Company.

**RECEIVES AWARD** — P. H. Rice, Rte., 2, Pampa, employed as a meterman in the Pampa area of Phillips Petroleum Co.'s natural gas department, Panhandle district, was recently presented with a safe driving award for driving a company vehicle 150,000 miles without an accident.

## Texas Longhorns Pound Ponies 27-0

DALLAS, Tex. (UPI) — Jitterbug James Saxton's 79-yard third-quarter touchdown scamper ignited a smoldering Texas offensive fuse Saturday and the nation's third-ranked Longhorns blasted Southern Methodist, 27-0, for their seventh consecutive victory.

Saxton, the 164-pound bundle of greased lightning, whipped up 173 yards in all in the face of terrific SMU defensive work, then his understudy, Jerry Cook, tacked on two more touchdowns and reserves manufactured another in the fading minutes when Tommy Ford lunged two yards.

The victory kept Texas atop the

Southwest Conference standings with a fourth league triumph and it knocked SMU out of contention.

Before Saxton snaked his way through right tackle and streaked down the sideline with a herd of Mustangs pounding at his heels, Texas' heralded offense and defense was under intense pressure from the fired-up Methodists.

SMU, guided by lanky sophomore Jerry Rhome, played in Texas territory most of the first half to the delight of a crowd of 41,000. But a 24-yard field goal try by John Richey that flipped backwards off the cross bar in the

quarter and another drive that blunted itself four futile times inside the Texas 2 in the second quarter were the only Mustang scoring threats.

The last half, however, was all Texas with Saxton, Cook, Ford and little David Russell ripping out big chunks of yardage and with Russell kicking in a 41-yard punt return that set up Texas' second touchdown.

Defensively, the story was the same. The SMU attack which had outgained Texas 115 to 98 yards in the opening two periods never could work up momentum in the second half against the Texas forwards and wound up with only 167 yards overall for the afternoon.

The Texas offense, tops in the nation in both rushing and total offense with 327.8 and 438.7 yards, respectively, couldn't quite make it Saturday. But, the spectacular second half enabled the Longhorns to wind up with 308 yards on the ground and 77 passing, for 385 yards.

54th YEAR SUNDAY, NOVEMBER 5, 1961 9

## Arkansas Nips Texas Aggies

FAYETTEVILLE, Ark. (UPI)—Quarterback George McKinney engineered a 91-yard march and flipped a six-yard touchdown pass to end Jim John with 58 seconds left Saturday to give the Arkansas Razorbacks a come-from-behind 15-8 victory over Texas A&M.

The victory before 31,500 fans in Razorback Stadium gave Arkansas possession of second place in the Southwest Conference over the Aggies.

Arkansas' alert 'Cadets, who were six-point underdogs, played Razorback miscues to the hilt and held an 8-7 lead as the game neared the end.

But McKinney, whose passing had been ineffective in the first three periods, triggered the game-

winning drive with three passes in the closing minutes. He added the Aggie's final two points with an aerial shot to halfback Paul Dudley.

The first half was all Arkansas and the Aggies did not get a first down until late in the second period.

Dudley skirted left end for 17 yards and the first Razorback touchdown to climax a 49-yard march with 4:02 left in the first period. Dudley had romped 15 yards only to have a touchdown nullified on a penalty but promptly duplicated it from 17 yards out.

The Aggies took advantage of an Arkansas fumble on the 11 to mount their only scoring drive in the third period. Fullback Leroy Caffey took the ball over from the 1.

A&M then elected to gamble and quarterback John Erickson, who has been A&M's first-string quarterback only two weeks, threw to end Bobby Huntington for the two-point.

The Aggies blunted two Arkansas scoring efforts early in the fourth quarter. Center Jerry Hopkins snatched a fumble by Dudley from the air on the A&M 26 and Aggie halfback Travis Reagan intercepted a Billy Joe Moore pass to frustrate another Arkansas scoring effort.

It was Reagan's third pass interception of the day.

The Aggies then moved to the Arkansas 10, but they bogged down when a pass from Jim Linstaedter to Reagan fell incomplete.

**LONG RUN** — Mike Stewart, Pampa's senior halfback and captain, rambled 81-yards with an intercepted pass to set up the Harvesters second touchdown against Lubbock. The Harvesters lost a 33-12 decision to the Westerners Friday night.

## Stewart, Palmer Chalk Up Long Runs For Pampa

Tom S. Lubbock turned loose a blistering offensive attack Friday night in 25 degree weather to throttle the Pampa Harvesters 33-12 and gain fifth place in the 3-AAA-AAA standings.

The Westerners rolled up 565 yards and 30 first downs as three backs reeled off 100 yards plus. Lubbock gathered 489 yards rushing and 76 passing in chalking up their second conference win after three straight losses.

But the Westerners were just as tough on defense. The winners limited Pampa to a net 34 yards rushing and 89 via the air lines. The Harvesters ran only eight plays in the last half and just 26 in the entire game. Lubbock controlled the ball for 69 plays.

Two long runs — one a kickoff return and the other with an intercepted pass — accounted for Pampa's lone scores. Junior halfback Ralph Palmer scampered 81 yards with a kickoff following the second Lubbock touchdown for the first Harvesters tally and captain Mike Stewart raced 81-yards with an intercepted pass to set up the second marker.

Lubbock fumbled the opening kickoff and Billy Hughes covered for Pampa but the locals failed to cash in on the break. A fourth down gamble at the Westerner's 42 failed for the Harvesters and the visitors promptly surged. 58 yards in eight plays to take a 6-0 lead.

Quarterback Tom Middleton spiced the march with runs of 12, 11 and one yard and a 10-yard pass to halfback Max Ince. Middleton spiced the march with runs of 12, 11 and one yard and a 10-yard pass to halfback Max Ince. Middleton slipped over from the one for the tally.

Pampa end Corky Goffrey put the Harvesters in business late in the first quarter when he grabbed a Lubbock fumble on the visitor's 41. Quarterback Butch Crossland hit end Jerry Glover with a 27-yard pass to the 11.

Halfback Kenny Hebert spurred to the three and it looked like the Harvesters were in business. Two plays failed to gain and Stewart fumbled on the fourth down try and Lubbock's Steve Pease got the ball on the three.

It just took Lubbock seven plays to cover the 97 yards for a 12-0 lead. Halfback Steve Smart set up the six points with a 45-yard jaunt to the Pampa 14. At this point, Ince circled left end for the marker.

But Palmer put the Harvesters back in the thick of things with his spectacular run that brought the crowd to their feet. He picked the ball up at the 18, cut back to the middle of the field and then veered to the left-sidelines to outdistance a Lubbock defender.

Middleton guided Lubbock to an eight play, 56 yard march to stretch their lead to 18-0 at halftime. He ran for 12 yards and threw to Ince for 13 and 10 yards. The latter play accounted for the touchdown.

The winners took the second half kickoff and rumbled to the Pampa three but a 15-yard penalty set them back to the 18.

Middleton went to the air, but Stewart picked off the aerial at the three and scooted to the Lubbock 18 before being overhauled by fullback Gary Dement.

On the next play, Hebert ripped through right guard for the six points and the Harvesters were still very much alive with 6:37 left in the third period.

However, Middleton got the Westerner's rolling toward another touchdown on runs of 29 and five yards. His 28-yard pass to end Phil Johnson got the score. Lubbock wrapped up the decision with an 83-yard 18 play surge to start the final quarter. Middleton scored from the four on a keeper play. Smart covered 50 yards in the series on four plays.

Moments later, center Gerald Usery intercepted a Crossland pass and the Westerners set up shop at the Pampa 28. This drive fizzled at the 10 so Dement took a 25-yard field goal with 27 seconds left to play.

Smart topped all carriers with 160 yards in 13 plays. Middleton gained 126 in 18 tries and Ince got 114 in 18 trips. Hebert led Pampa with 28 yards in six tries.

Tackle James Webb turned in another fine performance for Pampa — both on offense and defense — and Crossland played a bang-up defensive halfback.

Other-wise, the Westerners' push-ed Pampa all over the field with

## Colorado Squeaks Past Missouri Bengals 7-6

BOULDER, Colo. (UPI) — Unbeaten Colorado stymied Missouri's two-point conversion attempt in the final period and then killed a Tiger drive in the closing seconds to squeeze out a 7-6 victory Saturday in a struggle between two nationally-ranked Big Eight Conference football powers.

Missouri quarterback Ron Taylor made a last desperate attempt

to keep his team unbeaten when he tried a field goal from the 33-yard line with 32 seconds remaining. But it fell far short.

Colorado led 7-0 after scoring with only 35 seconds left in the first half on a 21-yard pass from quarterback Gale Weidner to halfback Bill Harris. End Jerry Hillebrand booted the important extra point.

Colorado's massive line put a straight jacket on the Missouri offense until the final period when the 11th ranked Tigers drove 63 yards for a touchdown. But an attempted pass for the two extra points fell incomplete with six minutes to go.

Taylor began another drive from the Missouri 26 as the final minutes ticked away. And it ended with his unsuccessful field goal shot.

Colorado's scoring drive went 47 yards on four plays after halfback Leon Mavity returned a punt 25 yards. Halfback Teddy Woods went 12 yards on a counter and then Weidner hit Hillebrand on the sidelines with a pass to the 21. After an incomplete pass, Weidner found Harris on the touchdown pass.

Missouri used a pitchout from Taylor to halfback Daryl Krugman who then passed 10 yards to end Don Wainwright to score its touchdown. Taylor tried the same play to the opposite side in the extra point attempt. Halfback Mike Hunter took the pitchout, but his pass overshot the covered receiver.

Eighth-ranked Colorado, now considered the prime candidate for an Orange Bowl bid, held Missouri easily at check until that fourth period uprising. Tackle Dan Grimm and All-America guard Joe Romig spiked Missouri's offense throughout.

The only time Missouri, whose record was blemished previously only by a 14-14 tie with California, threatened in the first three periods was after a fumble recovery on the Colorado 18. But Colorado halfback Claude Crabb, who had dropped the ball in the first period, redeemed himself by intercepting quarterback Jim Johnson's pass in the end zone.

Colorado had a first-half drive stopped on the Missouri 32 by a fumble. Another Colorado threat dissolved when Hillebrand's field goal attempt from the 17 missed its mark in the first period.

## AAA Powers Stumble In Numerous Upsets

Twenty-three teams, headed by San Angelo-Lake View and Gainesville in AAA, won state schoolboy playoff berths Friday night.

Upsets rocked class AAA and may have cost Brownwood a chance to defend its state championship. The Lions were played to a scoreless deadlock by three-beaten Breckinridge and if the two teams wind up in a tie for the 4-AAA, crown the state's no. 1 ranked club may have to give way to the Buckaroos, who led in penetrations 1-0.

Another scoreless tie involving top 10-ranked class AAA teams saw Cleburne edge Belton 2-1 in penetrations in 9-AAA.

Two other teams were knocked from the unbeaten class in upsets as Kilgore knocked off fourth-ranked Carthage 14-6 to throw 7-AAA into a leadership tie, and Conroe kayoted ninth-ranked Silsbee 26-16 to give Nederland the undisputed lead in 10-AAA.

Lake-View dined Lamesa 15-8 to sew up the 3-AAA playoff berth, while Gainesville outscored Paris 46-22 to take similar honors in 6-AAA.

Dalhart, in 1-AA, Floydada in 2-AA, defending state champion Denver City in 3-AA, Quanah in 5-AA, Duncanville in 11-AA, Hooks in 13-AA, Hearne in 19-AA, Sweeney in 26-AA, Pleasanton in 28-AA, Devine in 29-AA, Gruver in 1-A, Idalou in 4-A, Seagraves in 5-A, Wink in 7-A, Mason in 9-A, defending state champion Albany in 10-A, Forney in 14-A, Brownsboro in 17-A, Groveton in 20-A, Bandera in 29-A and Rio Hondo in 32-A clinched playoff spots Friday night.

Hamilton in 8-AA, Kress in 3-A, Rotan in 6-A and Crowell in 11-A had wrapped up similar berths a week earlier.

Dumas looks like the best team in AAA. The Demons roped Hereford 38-6 in what was supposedly their toughest 1-AAA game. They have lost two — to Palo Duro and Berger who are tied for the 3-AAAA lead.

Meanwhile, other state powers rolled on along the victory path. Class AAAA favorite Wichita Falls thumped Arlington 35-12, second ranked San Angelo whipped Midland Lee 52-0, third rated Corpus Christi, Ray walloped Corpus Christi Carroll 36-0, fourth-ranked Corpus Christi Miller beat Victoria 21-0, fifth-rated Fort Worth Paschal trimmed Carter - Riverside 42-0, eighth ranked Ysleta battered El Paso Bowie 56-6 and ninth ranked Galena Park clobbered Baytown 21-15.

Texarkana nipped Longview 16-14 to take the 8-AAAA lead by their win in 14-AA. John Tyler. They tied 0-0 in the conference opener and could wind up in a deadlock for the crown if Tyler can beat Longview.

AA powers Brady and Hillsboro joined the district winners in impressive triumphs over San Saba 38-0 and McGregor 39-0 respectively. Pittsburgh trounced Wynnboro 38-13 to snap a three way tie in 14-AA. Jefferson is still tied with the former for the lead.

Top ranked Jacksonville plays Seymour for the 9-AA crown Friday night.

Class A powers Gaston, New London and Hull - Daisetta continued to roll along in fine fashion. Gaston topped White Oak 28-0, London nudged Levertts Chapel 14-6 and Hull - Daisetta ripped Orangefield 45-0.

Gaston and London play Friday for the 18-A title. Defending state champion Albany rolled to its 23rd straight win by topping Early 39-0.

## White Deer Clubs Panhandle Eleven

WHITE DEER (SpI) — Defensive minded White Deer exploded for 27 points in the first half to blank the Panhandle Panthers 27-0 in a district 1-A grid game Friday night.

The Bucks, who have allowed just 45 points, capped their fourth shutout of the campaign with a rugged defensive performance. White Deer limited the Panthers to six first downs and a total of 108 yards.

Fullback Carl McAdams led the Bucks' scorers with 15 points on two touchdowns and three extra points. He put the winners ahead in the first period with an eight yard jaunt. His extra point left the count 7-0.

Still in the first period, quarterback Jimmy Thurmond flipped a 28-yard pass to end Carroll Russell to stretch the count to 13-0.

McAdams, a bruising 185-pound all-state candidate, bulled over from the four for the third Buck tally. He caught a pass from Thurmond for the two points.

Herman Hall ran two yards for the final score. The extra point try was no good.

Panhandle did not seriously threaten the White Deer goal and the Bucks coasted to victory in the second half.

White Deer now has a 6-2-1 season record and will play Stratford next Friday to wind up the campaign. This battle will decide third place in the district race.

## Army Rolls Over Detroit Gridders

WEST POINT, N.Y. (UPI) — Substitute quarterback Jim Beierschmitt, who had played only 23 minutes all season, pitched for two touchdowns and set up a third Saturday in leading Army to a costly 34-7 victory over Detroit.

Beierschmitt, substituting for injured Dick Eckert, spearheaded an Army attack in which Tom Culver scored twice with other Cadet touchdowns by Al Rusztz, Paul Zmida and Pete King. Dick Heydt, who had kicked 13 consecutive extra points, missed on his first try but then added four in a row.

Detroit trailed by a mere 6-0 at half time but came unglued when quarterback Jerry Gross, the nation's total offense leader, was carried off five plays before intermission with a dislocated right ankle.

## Maryland Stops Penn State 21-17

COLLEGE PARK, Md. (UPI)—Maryland parlayed three touchdown passes by sophomore quarterback Dick Shiner and a last-ditch stand inside its own five-yard line Saturday in a 21-17 victory over favored Penn State.

The sharpshooting Shiner, nicknamed "The Rifle," lived up to his title with a brilliant first-half performance that kept Maryland's bowl hopes alive and virtually demolished the Nittany Lions' post-season dreams.

He fired scoring passes of 7, 9 and 17 yards to Dick Barlund, Tom Brown and Gary Collins, completed 11 out of 16 attempts and gave the underdog Terrapins the bulge they managed to protect against Penn State's second-half pressure.

## Auburn Clobbers Wake Forest 21-7

AUBURN, Ala. (UPI)—Auburn quarterback Bobby Hunt sparked the beefy Tigers with his running and passing here Saturday to lead them to a come-from-behind 21-7 victory over the Wake Forest Deacons.

## Spartans Upset By Gophers

MINNEAPOLIS, Minn. (UPI)—School boy chums Sandy Stephens and Bill Munsey of Minnesota combined for two touchdowns and the Gophers held off top-ranked Michigan State's dreaded offense for a 13-0 victory Saturday.

It was the first loss of the year for the Spartans, who previously had not been scored on in conference play. The victory kept Minnesota's defending national champions unbeaten in the Big Ten and in a tie for the conference lead with Ohio State.

Munsey scored both Minnesota touchdowns. The first came with less than minutes left in the first period on an eight-yard pitchout play from Stephens. The second came with four minutes remaining in the game when Stephens hit Munsey with a 23-yard do-or-die pass on last down.

Stephens and Munsey, who grew up together in Uniontown, Pa., provided most of the Minnesota offensive show, and were outstanding on defense. It was Munsey's first action since he was injured two weeks ago early in the Illinois game.

The Spartans, seven-point favorites going into the contest, drove deep into Minnesota territory on two occasions. But the Gopher line, anchored by giant Bobby Lee Bell, Capt. John Mulvena and linebacker Julian Hook, checked Michigan State both times.

## West Texas Loses 28-6 To Ohioans

BOWLING GREEN, Ohio (UPI) — A strong Bowling Green State University ground offensive Saturday racked up a 28-6 victory over West Texas State before more than 11,000 spectators.

Bowling Green scored first early in the second period when Ray Bell plunged over from the one, climaxing the first of a series of downfield drives. Bell scored again from the one in the same period after Bowling Green stopped Texas State on their own 21, marching 79 yards in 14 plays for the score.

West Texas State halfback Pete Pedro, who went into the game as the nation's top scorer and second in ground gaining, was held to a single touchdown and only 28 yards. Pedro previously led the nation with 16 touchdowns to his credit and 707 yards rushing, about a 10-yard per carry average.

Bowling Green staged a 99-yard march to begin the second half and ran the score up to 21-0. Texas State bounced back with a 57-yard spurt in eight plays, with Pedro smashing over from the three.

Bowling Green ended the scoring in the final period on a 27-yard run by Barry Weaver. Russ Hepler was Bowling Green's big gun with 82 yards gained out of a total of 320.

Bowling Green 0 14 7 7-28

**Anderson Named Sports Editor At Ft. Worth Press**

FORT WORTH (UPI) — D. B. (Andy) Anderson, a member of the Fort Worth Press staff for 13 years, was named sports editor of the paper Saturday by Editor Walter R. Humphrey.

Anderson, 37, started as a club reporter and served on the police beat as well as assistant news editor. He has been outdoors editor of the Scripps-Howard paper for the past several years.

He succeeds Dan Jenkins, who resigned to become sports director of the Dallas Times Herald.

**Ohio State Rolls Over Iowa 29-13**

COLUMBUS, Ohio. (UPI)—Unbeaten Ohio State, using a precision ground machine and a surprise aerial attack, crushed Iowa 29-13 Saturday to stay in a tie for first place in the Big Ten race.

A record Ohio Stadium crowd of 83,795 homecoming fans saw the scarlet and gray clad Buckeyes take advantage of two pass interceptions and a fumble, and turn them into touchdowns, o knock the Hawkeyes out of the Big Ten title chase.

A 17-point barrage in the final period ended all Iowa hopes and put the game out of reach. It was the Hawkeyes' second consecutive loss, having dropped a 9-0 decision to Purdue a week ago.

The Buckeyes, normally a savage grind-it-out team, called on sophomore quarterback Joe Sparma who fired two touchdown passes to end Chuck Bryant, and all-America fullback Bob Ferguson to make their offense roll.

# Palo Duro Beats Rebels 14-6 To Tie For First

## Gruver Thumps Stinnett 15-8 For 1-A Crown

STINNETT — Unbeaten Gruver rolled on to new glory Friday night by beating defending champion Stinnett 15-8 to clinch the district 1-A playoff berth.

For Stinnett, it snapped a two year strangle-hold on Panhandle class A football, and for Gruver it put coach Corky Chapman's

## McLean Zips By Clarendon 26-6

CLARENDON — The McLean Tigers remained in a tie with Lefors for the district 2-A grid championship with a 26-6 triumph over the Clarendon Bronchos here Friday night.

McLean and Lefors play next Friday night at the home of the Tigers to decide the championship.

Quarterback Ken Willingham was the key figure in McLean's eighth victory of the season against a lone loss. He ran for one touchdown, passed to halfback Dick Watson for another and booted two extra points.

The Tigers grabbed a 7-0 first period lead as fullback Crockett scooted 21-yards for a touchdown. Willingham's conversion was good.

Clarendon narrowed the gap to 7-6 on a six yard jaunt by halfback John Cearley in the second period. But the potent Tigers came back to take a 13-6 lead on a 31-yard pass from Willingham to Watson.

Halfback Jim Watson rambled 19-yards in the third frame to stretch the winners margin to 19-6.

Greyhounds into the bi-district round for the first time since 1958.

Gruver broke the ice with a third period touchdown. Stinnett was forced to kick from their own 21, but the snap from center sailed over Jerry Lasater's head and into the end zone where he retrieved the ball and returned it to the 10 before being downed.

Fullback Ronnie Riley blasted to the seven, halfback Doyle Sturman bulled to the one and quarterback Roger Vernon dove over left guard on fourth down to get the score.

Halfback Francis Shapley added the extra points and the Greyhounds led 8-0.

A Stinnett fumble led to the winning Gruver touchdown. Riley jarred Rattler quarterback Bobby Bain loose from the pigskin and end Curtis Harris recovered for the Greyhounds on Stinnett's 43.

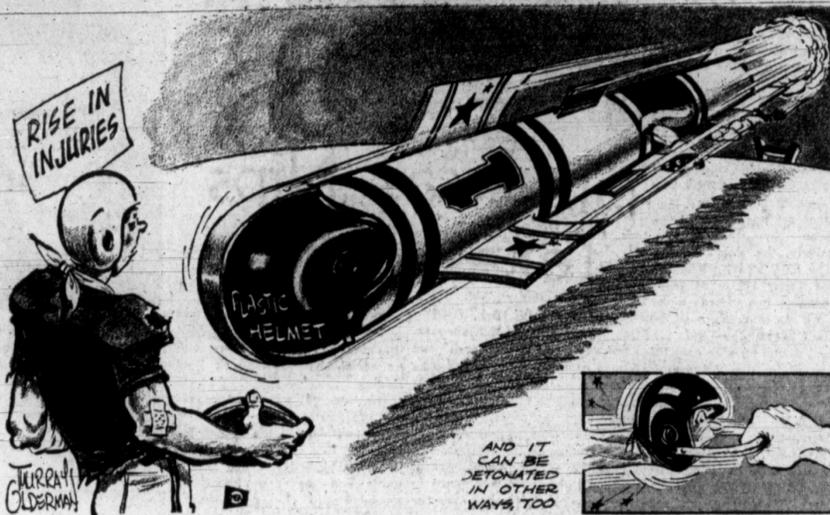

Nine plays later, Gruver led 15-0. Riley plunged over from the one for the six points. He set up the marker with a 23-yard scamper to the eight. Vernon booted the extra point with 10:38 left to play in the game.

Stinnett struck quickly and deadly. The Rattlers roared 79 yards in four plays to cut the count to 15-8. Bain passed 24 yards to halfback Maines Gibson. Lasater hit end Ron Williams with a 36 yarder to the Gruver 19.

Gibson hauled in a screen pass and scooted to the four and Lasater circled right end to tally for Stinnett. Gibson passed to halfback Mike Waters and the two points.

The Rattlers were limited to two first downs in the first three periods before coming to life.

### WARHEAD

## Rice Smothers Tech 42-7 Sooners Tip Kansas State

LUBBOCK, Tex. (UPI) — Halfback Butch Blume scored three touchdowns and caught a pass for a fourth score to pace Rice to a surprisingly easy, 42-7, win over Southwest Conference foe Texas Tech Saturday.

The 170-pound senior added six conversions as the Owls completely dominated the game before a Tech homecoming crowd of 24,000.

Blume scored on runs of 11 and seven yards to cap two Rice ground drives in the first five minutes of the game and added an eight-yard touchdown run in the final quarter as Rice turned the game into a rout.

Owl quarterback Randall Kerbow scored once on a keeper from one-yard out and passed for three yards to Blume in the corner of the end zone.

Rice, needing a win to remain in contention for the conference title, bounced back from a 34-7 loss to Texas to display a bruising ground attack mixed with the accurate passing of Kerbow.

Tech got its only score late in the third quarter, with sophomore quarterback Doug Cannon hitting end Bob Witucki on two first down passes and then handing off to fullback Coolidge Hunt, who slammed over from the Rice five.

Another Tech drive stalled on the Rice eight with a fumble, and two pass interceptions by the Owls put the clamps to the Tech offense.

Rice gave warning of what was to come by taking the opening kickoff and marching 55 yards to its first score. Fullback Roland Jackson supplied runs of 15, 9 and five yards to move the ball to the Tech 11 where Blume took it over.

It was Blume and Rice from then on, with the fleet halfback collecting a total of 30 points.

### MANHATTAN (UPI) —

Halfback Mike McClellan scampered 82 yards for a fourth period touchdown Saturday to help the Oklahoma Sooners defeat the Kansas State Wildcats, 17-6, and record their first victory of the year.

A parents day crowd of 11,500, hoping to see Kansas State defeat Oklahoma for the first time in 27 years, watched the Wildcats battle back into contention in the final period.

But McClellan, a 188-pound senior, broke the game open with his long sprint down the sidelines that gave Oklahoma an 11-point lead with 4:09 left in the game.

Oklahoma took a 10-0 lead in the second period, marching 76 yards on 12 plays for its first touchdown with 10:23 remaining in the half. A 15-yard penalty against Kansas State for roughing and a 20-yard pass from Bob Page to Jimmy Carpenter were the big gains in the drive. Page sneaked for the final yard, and George Jarman kicked the extra point.

The Sooners drove to the Kansas State 10-yard line before running out of gas with 33 seconds left in the second period, and Jarman kicked a field goal from the 17-yard line.

Sophomore Larry Corrigan came off the bench to spark Kansas State's lone touchdown drive, an 83-yard march which consumed eight plays. Corrigan passed to Bob Becker for 24 yards, ran for 15 and set up the touchdown with a 44-yard pass to halfback Spender Puls that carried to the Oklahoma one.

Corrigan sneaked across for the score.

Corrigan tried to pass for the extra points, but it was batted away and the score stood 10-6 with 5:18 to play.

It took Oklahoma just two plays to counter with McClellan's 82-yard gallop. Jarman kicked the extra point.

## Georgia Tech Trounces Florida In SEC Clash

ATLANTA (UPI) — The sixth-ranked Georgia Tech Yellow Jackets capitalized on their breaks Saturday to cruise past the Florida Gators, 20-0, and satisfy a packed crowd of 44,940 homecoming fans.

The Yellow Jackets' hard-charging line set up two Tech touchdowns by grabbing fumbles and the Tech offense got the third on its own by marching 73 yards.

Tech's first break came on the final play of the first period when tackle Ed Griffin ripped through to throw Florida quarterback Larry Libertore for a 13-yard loss and then pounce on the football at the Gator 23-yard line when the 138-pound Florida field general fumbled.

The Jackets moved those 23 yards on sheer power early in the second period with quarterback Billy Lothridge diving over from

## Clemson Pops Tulane 21-6

CLEMSON, S. C. (UPI) — Eddie Wertz boomed five punts of more than 50 yards and Elmo Lam returned a punt 68 yards for a touchdown Saturday to highlight a 21-6 Clemson win over Tulane before 25,000 fans.

Wertz, a junior from Savannah, Ga., who does nothing but punt for the Tigers, spiced an otherwise dreary first half with punts of 51, 56, 52 and 56 yards. He also had a 28-yarder that went out of bounds at the Tulane 10 and set up Clemson's first touchdown for a 7-0 lead in the second half, he kicked one 60 yards.

Fullback Ron Scrudato went 18 yards through left tackle for Clemson's first touchdown and quarterback Joe Anderson skirted left end nine yards for the final score.

In between, Lam, a 170-pound junior halfback from Elkton, Va., took a Tulane punt on his 32, cut to the left sidelines, then back to the right, getting key blocks from tackle Don Chuy, center Ron Andreo and halfback Rodney Rogers to go all the way.

Georgia Tech put the game on ice early in the fourth period with its long march. Halfback Granning turned in a brilliant 28-yard broken field run to tally Tech's third touchdown and Lothridge ended the day's scoring with another conversion.

## Gordon Nelson Sparks Victory

AMARILLO — A gentleman by the name of Gordon Nelson sparked the fired-up Palo Duro Dons to a 14-6 upset victory over the Tascosa Rebels Saturday afternoon at Dick Bivins Stadium to throw the district 3-AAAA race into a three-way tie for first place.

Nelson wrecked the Rebel's hopes for an undisputed title claim as he repeatedly ripped off long gains at crucial points. The Dons triumph enabled them to move into a first place tie with Borger — who defeated Amarillo 20-6 Friday night — and Tascosa.

But most of the credit goes to a tremendous Palo Duro defense which completely bottled up the Rebels splendid quarterback Eddie Whiddon. Tascosa never mounted a serious scoring threat after Mark Yarbrough set up the loser's tone score with a brilliant 45-yard punt return to the Dons five.

Nelson ran for one touchdown but the 165-pound senior halfback turned to the air to sink the Rebels.

A capacity crowd of 12,000 watched Nelson complete a 35-yard pass to end Jim Douglas to break a 6-6 tie in the third period with 7:33 left in the quarter.

The score followed a Palo Duro drive which was halted on the Rebels three. When Tascosa failed to move the ball, Whiddon punted to the 37 and Nelson returned it to the 35. The winning pass came on the next play.

Whiddon kept Palo Duro in the hole most of the first quarter with his accurate punting. One of his boots rolled dead on the Dons' one and when the winners were forced to kick, Yarbrough returned the punt 45 yards to the five.

On third down, Whiddon rolled out to the right side and scampered into the end zone from the two for the score with 7:13 showing on the clock in the first period.

But coach John Reddell's Dons took the ensuing kickoff and drove 70 yards to knot the count. Nelson made the key play — a 37-yard scamper to the 18.

Three plays later, Palo Duro was on the 11 needing two yards for a first down. Quarterback Ricky Nix faked beautifully to his fullback and halfback and bootlegged the ball to the three.

On third down, Whiddon rolled out to the right side and scampered into the end zone from the two for the score with 7:13 showing on the clock in the first period.

## Michigan Crushes Duke Squad 28-14

ANN ARBOR, Mich. (UPI) — Speedy Bennie McRae, enjoying the greatest day of his career, teamed with Dave Raimey Saturday to spark a devastating Michigan ground attack which crushed the Duke Blue Devils 28-14.

A crowd of 36,488 watched McRae, a 168-pound Big Ten hurdles champion, score the Wolverines' first three touchdowns as Michigan rolled to a 21-0 halftime lead.

The slender senior scored on a five-yard run in the first period and tallied twice more in the second on a 15-yard pass from quarterback Dave Ginka and a 34-yard runback with an intercepted pass.

Raimey, a stocky junior from Dayton, Ohio, did not score but gained 111 yards in 15 carries to provide the Wolverines' with a strong 1-2 punch on the ground.

## Lefors Pirates Score 13-0 Win

LEFORS (Sp) — Defending district 2-A champion Lefors blanked Memphis' Cyclones 13-0 Friday night to set up a showdown battle with the McLean Tigers for the 1961 grid title.

The Pirates fine fullback, Scott Dunham, scored both touchdowns in the second period. He scooted five yards for the initial marker after halfback Ronnie Line set up the score with a scintillating 70-yard dash to that point.

Lefors next score came after the Pirates gained possession of the ball — their own 45 as the result of Memphis' fumble.

Dunham carried the ball six yard strips.

From Dunham blasted up the middle for the six points. He booted the extra point also.

Outstanding defensive work was turned in by Lefors' right tackle Larry Ables.

Lefors now stands 5-3-1 on the season and 3-0 in district play. The McLean Tigers also have a 3-0 conference mark. These two clubs will play at McLean Friday night to decide the representative for the bi-district class against 1-A champ Gruver.

# Baylor Bears Top TCU Frogs 28-14

WACO, Tex. (UPI) — Baylor's Bears, rebounding from three consecutive Southwest Conference defeats, Saturday humbled the Texas Christian Horned Frogs with a 28-14 victory.

Baylor turned the trick with the explosive offense they were supposed to have had all season. Quarterbacks Ronnie Stanley and Bobby Ply pushed over a pair of one-yard keeper touchdowns, sophomore Dalton Hoffman ripped eight yards for a score, and halfback Ronnie Bull battered three yards for a touchdown.

Specialist Carl Choate added four placements to run his string to 12 straight.

Sonny Gibbs, TCU's towering quarterback, passed and ran for the Horned Frog touchdowns. He hit Donny Smith with a 17-yard

touchdown throw in the second period to climax a 57-yard drive, then crawled over from one yard out in the fourth period ending a 78-yard drive.

Baylor had the ball four times in the first half and scored twice. After marching to the TCU five yard line before fizzling, the Bears trapped Gary Thomas trying to punt from the TCU 22 moments later and scored four plays later with Hoffman carrying the final eight yards.

Gibbs' 17-yard pass to Smith tied the count, but Hoffman engineered a 60-yard comeback drive with a series of spinning line backs. Ply scored from a yard out.

Baylor added a clincher early in the fourth period, taking advantage of Gibbs' fumble on the TCU

20. Johnny Jessup recovered and four plays later Stanley dived over from the one for the score.

Gibbs brought the Frogs back 78 yards, some 64 of those on passes to end Buddy Iles, and then scored from the one. But an on-sides kick-off gamble failed at the TCU 49, and Bull led the Bears back out of danger.

Bull ripped TCU with a 21-yard carry during the drive, then scored on a three-yard swing around left end.

# Perryton And Childress Battle To 8-8 Deadlock

Quannah's Indians swept to their ninth straight win and Perryton and Childress battled to an 8-8 tie for second place in district 5-AA action Friday night.

Shamrock rocked Spearman 36-0 in another 5-AA battle.

The Indians, who have already captured the district title and a bi-district play-off berth, encountered little trouble from Wellington, winner of only one game.

Halfback Blackie Wade tallied two first half markers as the Tribe rolled to a 20-6 lead.

The Missouri Valley Conference champions dissolved a 7-7 tie with 6:34 remaining in the third period on quarterback Alex Zyskowski's eight-yard touchdown pass to end Ron Turner.

score on an eight yard scamper by Norman Naron. Charles Mitchell ran over the tying points.

Shamrock's Irishmen tallied 22 points in the last period to shock Spearman. The winners took a 14-0 lead in the first period on touchdowns by Bill McBryde and Gray Benson and two points on a pass from Larry Reeves to Benson.

In the fourth period uprising, Reeves netted 14 points, Jerry Campbell racked up one score and Reeves passed to Benson for two points.

# OSU Falls To Wichita Club 25-13

WICHITA, Kan. (UPI)—Wichita struck for two touchdowns within 45 seconds of the third period Saturday to break open a close game and defeat Oklahoma State, 25-13.

The Missouri Valley Conference champions dissolved a 7-7 tie with 6:34 remaining in the third period on quarterback Alex Zyskowski's eight-yard touchdown pass to end Ron Turner.

Then, after Oklahoma State had received the ensuing kickoff, Wichita's Gary Wyatt intercepted Bill Leming's pass and ran it back 20 yards for the touchdown that shot Wichita into a 19-7 advantage with 5:49 left in the period.

For its other two touchdowns, Wichita drove 64 and 68 yards in nothing its seventh victory in eight games this season.

Wichita scored early in the first period when Rich Ashcroft climaxed a long drive by plunging across the goal line from three yards out. Bill Seigle kicked the extra point.

Oklahoma State tied the score in the same period, however, on Leming's 17-yard pass to end Tom Ward and Ted Davis' conversion.

Both teams matched touchdowns again in the fourth period, Wichita on a two-yard run by Dick Stephens and Oklahoma State on a one-yard plunge by Bill McFarland. The Oklahoma State Touchdown came one play after a Wichita fumble on its own one-yard line.

# Jenkins Named Sports Director At Times-Herald

DALLAS (UPI) — Dan Jenkins, former sports editor of the Fort Worth Press, has been named to the newly-created post of sports director of the Dallas Times Herald, executive sports editor Blackie Sherrod announced Saturday.

Jenkins, 31, started with the Press on a part-time basis while attending Texas Christian University. He has been sports editor the past four years of his 13-year tenure on the Press.

Sherrod also announced that Jim Roden, former assistant sports editor of the Jackson, Miss., State-Times, was joining the Times Herald sports staff.

# Kentucky Trips Florida State

LEXINGTON, Ky. (UPI) — Sophomore backs Darrel Cox and Howard Dunneback led Kentucky to a 20-0 victory over Florida State Saturday but it cost the Wildcats the services of their ace passer Jerry Woolum probably for the rest of the season.

Woolum, the nation's third-leading passer, had set up Kentucky's first touchdown early in the game with a 31-yard completion, and had Kentucky moving again when he was tackled from behind on a quarterback keeper-play.

He was injured on the play and preliminary examination indicated a broken left leg. Woolum sat on the bench for the second half with his leg in a cast.

# Potent Alabama Cops 24-0 Win

TUSCALOOSA, Ala. (UPI) — Fullback Mike Fracchia bulled through the Mississippi State line Saturday as methodically as the steady drizzle which fell all afternoon and "powered" unbeaten fourth-ranked Alabama to a 24-0 victory.

In running up its seventh straight win, the Crimson Tide turned a Maroon fumble on the opening kickoff into a score in just four plays to set the pattern of the contest.

Billy Richardson bucked over from four yards out for one touchdown. Quarterback Pat Trammell carried over from the one for another and Tim Davis added a field goal to give the Crimson Tide a 17-0 lead before four minutes of the second period had passed. Larry Wall smashed over from the one for a third score and Davis added the extra point.

Game but outgunned Mississippi State three times launched long drives but twice was stopped by the sturdy Alabama defense, best in the nation. The third time State tried a field goal which was blocked and run back 58 yards by Alabama end Tommy Brooker to set up Davis' three-pointer.

# North Carolina Tops Tennessee

CHAPEL HILL, N. C. (UPI) — Quarterback Ray Farris threw a 25-yard touchdown pass to Ward Marslander with 15 seconds left to play and then tossed to Gib Carson for a two-point conversion Saturday to give North Carolina a 22-21 victory over favored Tennessee.

# Houston Colts To Have Large Baseball Dugouts

HOUSTON (UPI) — With major league baseball coming to Texas for the first time in history next April, something, naturally, had to be bigger than what anybody else has.

Rule out for the coming season the National League Houston Colts' domed, all-weather stadium as a home field since it won't be ready until the 1963 season.

The temporary Colt stadium, being constructed near where the world's first domed, air-conditioned sports arena will go up, is being erected by Colt owners at a cost of \$800,000. It will have about 12,000 box seats and will hold a total of about 32,000 fans.

On the subject of tickets for next baseball season, officials of the Colts engaged in a guessing game about expected total attendance next year.

Dick McDowell, the youthful Easterner recently named as ticket manager, believes total sales will reach 1.5 million. Kirksey's "conservative" guess was an even million — the same as Houston's population.

"I'm basing my estimate on the terrific response we've already had—actually before our season ticket drive started," McDowell said.

Because of this it was necessary to put restrooms in each dugout.

"Then, we wanted them large so we could take care of as many people as possible who want these seats behind the dugouts. We already have a lot of special requests for seats in those areas."

The temporary Colt stadium, being constructed near where the world's first domed, air-conditioned sports arena will go up, is being erected by Colt owners at a cost of \$800,000. It will have about 12,000 box seats and will hold a total of about 32,000 fans.

"I'm basing my estimate on the terrific response we've already had—actually before our season ticket drive started," McDowell said.

# Navy Topples Notre Dame

SOUTH BEND, Ind. (UPI) — Greg Mather kicked two field goals and a 72-yard pass ricocheted just right to set up a Navy touchdown Saturday in an upset 13-10 Middle triumph over Notre Dame.

John Hewitt set up Mather's tie-breaking field goal, his eighth of the season, early in the fourth period when he barreled into Notre Dame quarterback Daryl Lamona, causing a fumble which Hewitt himself recovered after it had rolled 20 yards to the Irish 10.

Three plays made five yards and Mather then kicked the winning points from the 12-yard line. Earlier, Mather had kicked a 42-yard field goal to give the Mid-dies a 10-3 lead.

Bob Hecht, Navy's second string signal caller, started the 72-yard ricochet pass play. He aimed at his fullback, Cal Fink. But the ball bounced out of Fink's hands, off defender Lamona, and into the arms of Jim Stewart.

# Groom Bops Wheeler To Cop Grid Crown

GROOM (Spl) — Coach Dwaine Currie's Groom Tigers wrapped up the district 1-B grid championship here Friday night by trouncing challenging Wheeler 37-14 with an explosive first half.

The district championship is the fourth in a row for the Tigers and they will meet 2-B champion Bovina in the bi-district play-offs. Last year Groom swamped Lazbuddie 34-6 in the first round but lost to Anton by the same score in the regional contest.

Groom scored two touchdowns each in the first two periods to roll to a 30-6 halftime lead over the Mustangs.

Quarterback Wesley Cornett opened the scoring with a six yard run. Later in the quarter, fullback Leroy Littlefield dove over from the two for the second tally. Cornett passed to end Bill Ruthardt for the two points.

Wheeler got back in the game momentarily on a 10 yard touchdown pass from G. C. Baker to Jim Jolley. But the Tigers sacked up the victory with two lightning fast tallies.

Halfback Eldred James plunged

Steele, and Jay Russell; hand properties - Wanda Turner, Ruth Ann Guthrie and Donna Walsh.

### Texas Baptists To Begin Annual Meeting Tuesday

AUSTIN (Spl) — More than 5,000 Texas Baptists will gather here Tuesday through Thursday, Nov. 7-9, to conduct the business of the 1 1/2 million-member Baptist General Convention of Texas. Messengers from virtually every Baptist church in the state are expected to launch the local church phase of their crusade raise \$28 million for nine Texas Baptist schools, discuss and adopt a comprehensive interpretation of the Baptist stand on church-state separation, and consider a record \$14 million world churches oil have substantial demissions - budget. All Pampa churches will have substantial delegations. The messengers will have the final say on whether Baptist schools and hospitals should accept or reject government loans

as a violation of the Baptist interpretation of church-state separation. A report recommending that the Baptist institutions keep their hands out of the government will come before the convention from the denomination's 192-member executive board, which approved the 10-page statement in June. In other action more than 250 trustees and directors will be elected to the boards-of-25 Baptist institutions. Main feature of the three-day convention, said convention president James H. Landes of Wichita Falls, will be inspirational preaching, rather than controversial business. Dr. Landes agreed, however, that when 5,000 independent Baptists get together to discuss things like separation of church and state, there is no telling what might happen. Principal speakers for the vast convention include Dr. W. A. Criswell, pastor of the 12,000-member First Baptist Church of Dallas; Dr. Herschel H. Hobbs of Oklahoma City, president of the

5-million members Southern Baptist Convention; President Landes, and Howard Butt, Jr., Baptist layman and grocery chain executive from Corpus Christi. Theme for the convention is "Decade of Decision." Immediately preceding the Baptist General Convention of Texas more than 2,000 women will gather in Austin Monday and Tuesday for the 81st annual session of the

Woman's Missionary Union Convention. Carrying out the theme "So Send 'I you,'" a total of twelve Southern Baptist missionaries will speak on the missionary-emphasis program. Principal speakers for the meeting include three medical missionaries, Dr. Thurman Dabbs of New Mexico, Dr. Giles Fort and Dr. Wanna Ann Forto of Southern Rhodesia; and Dr. J.

Winston Crawley, secretary of Southern Baptist missionary efforts in the Orient. Alexander Graham Bell gave the first public demonstration of his telephone at the Philadelphia World's Fair in 1876.

# Future Nurses Club

ASK ALMOST any little girl, when she is four or five years old, what she wants to be when she grows up and she will answer, "I want to be a nurse." In view of the ever-current nursing shortage, it would seem that most of them change their minds somewhere along through the years. A few of them don't.

PICTURED on this page are members of the Future Nurses Club, whose activities are geared to give members a preview of the nursing profession as they work around Highland General Hospital on Saturdays.

THE FUTURE NURSES CLUB is co-sponsored by the Gray County Chapter of the Top-o'-Texas Medical Auxiliary and Pampa High School. Annually, the medical auxiliary gives the Lea Lamb Scholarship to a graduating senior girl who plans to enter nursing. Currently, the club has a membership of 31 girls.

ARRANGING FLOWERS, making beds, and fluffing pillows are among the tasks performed by members of the Future Nurses Club. Pictured, left to right above are, Misses Marylyn Brown, Diana Pennington, and Barbara Johnson

DOING ROUTINE things for new-born babies in the hospital hold the interest of Miss Maudie Ownsby and Miss Mary Phillips.

IN ADDITION TO hospital activities, the Future Nurses Club under the direction of Mrs. N. J. Ellis, medical auxiliary sponsor, has been staging Fashion Luncheons and a Dinner to raise funds to send delegates to the District Nurses' Club convention to be held in Tyler in March. The girls are also looking forward to hosting a district convention here in the near future. Mrs. Elaine Ledbetter, Pampa High School instructor, is the school sponsor for the club.

THE CLUB was organized in 1954 for the purpose of encouraging girls to go into the nursing profession or some phase of the medical field. It has met that purpose in that several of its former members are now actively engaged in the nursing profession.

ALMOST ANY Saturday, the cheery, pink and white striped uniforms of the members may be seen up down the corridors, in and out of the rooms of Highland General Hospital as they busily go about their tasks of laying the groundwork for entering the nursing profession.

FUTURE NURSES' members help by carrying trays to patients with a cheery smile. At Easter time, they also make favors to decorate the trays to bring additional pleasure to the patients they are serving. Pictured above, carrying a dinner tray is smiling Sue Fife.

FUTURE NURSES often request duty in the surgical room, where they clean instruments, arrange linens and keep medical cabinets in order. Pictured above engaged in a few of these duties are, left to right, Misses Carolyn Wooley, Judy Stafford and Janice Little.

WHEN THE PATIENT is well and ready to go home, club members help pack suitcases, assist with dressing, and, if needed, escort them in a wheelchair to a waiting automobile. Illustrating this service of Future Nurses are, seated, Miss Penny Nickel and Jean Franklin.

(Photo-Text by Doris E. Wilson, woman's page editor)

### Austin PTA To Convene Thursday

The PTA of Stephen F. Austin will hold its November meeting Thursday at 2 p.m. in the school auditorium, according to Mrs. M. McDaniel, unit president.

The executive board will meet at 1 p.m. in D. V. Biggers office preceding the general meeting.

The program entitled, "Are We Rushing Our Children—Socially?" will be presented by Mrs. Kenneth Walters, Robert E. Lee Junior High counselor. The program is in keeping with the theme for the year, "Homes Create Community Strength Through Effective Learning."

"Five Little Peppers at Home" will be the movie shown to the school children, while their mothers attend the PTA meeting. Admission is 15 cents. There will also be a supervised nursery provided for small children in the school nurse's room.

### Dinner And Bazaar Planned By Society

Final plans for the annual Turkey dinner and Bazaar of St. Vincent de Paul Altar Society are going ahead at full speed, according to Mrs. Forrest N. Hills, newly-elected president of Altar Society.

The bazaar and dinner will be held in the dining room of St. Vincent de Paul school on Nov. 11, from 5 to 7 p.m. The tickets are \$1.50 for adults and 75 cents for children under 12. The menu will be an old-fashioned Turkey dinner with all the trimmings including homemade pies.

The bazaar, under the direction of Mrs. J. W. Gayden and Mrs. Lynn Boyd, will feature many new and varied items for Christmas.

The public is cordially invited to come to the St. Vincent de Paul school cafeteria for the Turkey dinner and to select items from the bazaar.

### Manners Makes Friends

### Miss Fain Feted With Bride's Party

Miss Linda Fain, bride-elect of Lynn Love, whose marriage will be an event of Nov. 25 at 7:30 p.m. in the First Baptist Church, was honored with a bridal shower on Tuesday evening.

The bridal courtesy was held in the home of Mrs. Oscar Westbrook Jr., 2509 Duncan, with Mmes. Milo Carlson, Denver Allen, Clayton White, Lonnie Richardson, Malcolm Hinkle, Omer Bybee, S. O. Dunham, Bill Marsh, Johnny Alexander, Bill Lemons and C. B. Guiry as co-hostesses.

Receiving guests were the honoree; her mother, Mrs. Leon Fain and the mother of the bridegroom-elect, Mrs. Arthur Love. Each wore a corsage fashioned from white carnations.

Mrs. Richard Pitts was guest registrar.

Refreshments were served from a white linen cutwork cloth over blue centered with an arrangement of white carnations interspersed with blue leaves in a footed milk glass bowl. Blue tapers in milk glass holders flanked the arrangement.

Miss Kay Tooley and Mrs. Sandra Blackwell presided at the punch and cake service.

Mrs. Gary Matlock and Mrs. Delbert Simmons assisted with hostess' duties.

Approximately 100 guests attended or sent gifts.

### ASK THE DESIGNER by gaile dugas

Dear Gaile: If fitted dresses are coming back into fashion, as I've read, is there any reason why I can't wear some fitted sheaths I've kept from some years back? They still look perfectly good to me. It seems that they'll be right in style again and this will save me buying new clothes. — Mrs. E. R. K.

Dear Mrs. E. R. K.: This is a tricky question in that neither a clear "yes" nor a clear "no" is indicated. For the answer, I went to a great designer, Pauline Trigere. And this is what Miss Trigere has to say:

"A good collection of clothes can be likened to a collection of antiques; you always keep adding to your collection. The fitted clothes now coming into fashion are not the fitted clothes of some

years back. They are merely somewhat closer to the body and thus are called fitted. There is an entirely new fling about them.

"If, however, you bought good clothes and they are in sound condition, then, by all means, wear them. I assume that your measurements have not changed and that the fit is perfect. But do add some of the new fitted fashions to your wardrobe this fall and winter."

Dear Gaile: Is there any reason why I can't remove a pair of set-in sleeves from a dress I just bought? I don't sew and I'm not a designer so I don't know how to judge this. But the dress is a plain one with simple lines and it seems to me that it would look better and more up-to-date if it were sleeveless. What do you think?—H. L.

Dear H. L.: I talked this one over with Abe Schrader. He feels that there is nothing very difficult about removing set-in sleeves from a dress. He says:

"You must first remove the stitches that bind the sleeve to the shoulder of the dress. Be careful not to cut the fabric as you do this. Then simply fasten a seam binding to the inside in order to finish off the raw edge neatly. Handstitch this binding just inside the sleeveless edge.

"Bear in mind, however, the original design of the dress. If it has a big collar or much ornamentation down the front, it might be better to shorten—the sleeves than to take them off completely. While it is true in the latest European collections most of the dresses shown were sleeveless, this silhouette is not always right for women who want clothes to be functional as well as chic."

Please send your fashion problems to Gaile Dugas in care of this paper. While she cannot answer each letter personally, letters of general interest will be answered in this column.

### MARRIAGE ANNOUNCED

Mrs. Loren D. Hemken

Mr. and Mrs. Ira F. Bewley, 1817 Duncan, announced the marriage of their daughter, Jean to Loren D. Hemken, son of Mr. and Mrs. Harold Hemken, 1013 E. Kingsmill. Wedding vows were solemnized on Oct. 21 by Dr. E. Douglas Carver, pastor of the First Baptist Church.

### Gabettes Meet With Mrs. Jack Bivens

GROOM (Sp) — The Gabettes Club met recently in the home of Mrs. Jack Bivens with Mrs. Billy Algeo, vice president conducting the business meeting.

Following the business meeting, refreshments were served to Mmes. Arletus Rutherford, Dan Ashford, Bill Algeo, Ruben Baggerman, Charles Banks, Art Britten, Bob Cornett, Billy Fields, Danna Howerton, Kenneth Hunt, Donald Ritter and one guest, Mrs. Bob Nicholson.

### Unit Members To Discuss Legislation

Unit 81, Texas Association of American Beauty Culturists, will meet Monday at 7:30 p.m. in the Coronado Inn to discuss proposed legislative changes in Texas beauty laws.

All licensed cosmetologists, whether members of the local unit or not, are urged to attend the meeting.

"This is your opportunity to voice your opinion of these and other amendments concerning our state beauty laws," according to Odie C. Roles, local unit president.

### Bluebonnets Hear Floral Discussion

The difference between a flower arrangement and a flower design was described by Mrs. M. R. Dorman and Miss Janet Dorman at a recent meeting of the Bluebonnet 4H Club.

During a business meeting, Miss Phyllis Atwood, president, presided as the secretary's report was given by Miss Cynthia Hogsett, and M. R. Dorman.

Refreshments were served during the social hour.

Attending were Phyllis Atwood, Jude Johnson, Pamela Brooks, Linda Higginbotham, Cathy Wilkie, Cynthia Hogsett, Barbara Veale, Nan Nichols, Dale Caine, Phyllis Brooks, Elizabeth Fry, Joyce Wilson, Janet Dorman; Mmes. N. N. Brooks, Derrell Hogsett, and M. R. Dorman.

## Miss DuBois, Robert Carr Vincent Repeat Vows In Afternoon Ceremony

Miss Ann Weatherly DuBois became the bride of Robert Carr Vincent with wedding vows repeated on Wednesday at two o'clock in the home of the bride's parents, Mr. and Mrs. Abner Deahl Weatherly, 1500 Larmar in Amarillo.

The bridegroom is the son of Mr. and Mrs. Clifton E. Vincent of Lefors.

The Rev. James Todd, minister of the First Christian Church of Claude, officiated for the single-ring service.

Mrs. Harold V. O'Neal attended the bride as matron of honor. Miss Dawn Ann DuBois was flower girl.

Clifton E. Vincent served his son as best man. Harold V. O'Neal, as usher, seated the wedding guests.

A reception was held immediately following the exchange of vows.

Mrs. Edward Vincent and Mrs. Donald Cochran presided at the cake and punch service. Miss Shirley Vincent was guest registrar.

The bride was graduated from Amarillo High School and attended the University of Arizona. The bridegroom was graduated from Lefors High School and received a BBA degree in finance from Texas Technological College. He is presently engaged in ranching. After Nov. 15, the couple will make their home in Fritch.

Wedding guests included Mr.

and Mrs. Edward Vincent, Shirley, Ann Carol, Leatrice, all of Lefors; Mrs. J. F. Weatherly, Mrs. Opal Purvines, Mrs. J. B. Howe, Mr. and Mrs. Harold V. O'Neal, Shawn, Sharon, Patrice, Mary Eileen O'Neal, all of Pampa; Mrs. W. P. Vincent, Mr. and Mrs. N. Duddy Steele, all of Pampa; Messrs and Mmes. Chester Carr; Alvin Carr; Ernest H. Eads Jr.; Jack R. C. Vincent; Jack R. Vincent, all of Amarillo; Mr. and Mrs. Walton Poling, Stanley, Linda and Wendy Poling of Fritch; Dr. and Mrs. Donald Cochran of Los Alamos, N. M.; Gary Reed of Ralls, Mrs. James Todd of Claude.

### TO WED

## Mrs. Brankel Is Honored At Party

LEFORS (Sp) —Mrs. Joe Brankel was honored with a surprise farewell coffee and handkerchief shower in her home on Monday morning. The Brankel family moved Tuesday to Guymon Okla. where they were transferred.

Coffee, cocoa and cookies were taken to the Brankel home by Mmes. Frank Cooksey, Joe Wallis and H. L. Teel.

Guests were Mmes. Leo Young, Robbins, Dow Willis, Peter Boyer, and children of the preceding.

### OVERCOME IT

Force yourself to overcome shyness. It's a self-built barrier between you and those with whom you'd like to be friends. When you've won your battle, you'll find a whole new world opened to you.

**SINGLE, LARGE JEWEL**  
Jewels shown with the clothes in the Paris collections tend to be large and unique. A single large jewel is worn, for instance, on a draped black crepe dress.

**PERFUMERY TRICK**  
If your skin doesn't retain perfume very well, try saturating a cotton ball with your favorite scent and tucking it in your bra.

# "Clothes last longer!"

■ says Mrs. Collinsworth who speaks from her own experience with her electric clothes dryer. Her family includes her mechanic husband, and two boys, ages three and seven. You can be sure that this family gives her washer and dryer a real "workout." Mrs. Collinsworth goes on to point out that her dryer saves her lots of ironing time and she particularly praises the speed with which her dryer dries her family wash — "faster than outdoor line drying and so much cleaner."

FREE ■ FREE ■ FREE

You, too, can have the advantages Mrs. Collinsworth enjoys by buying your electric clothes dryer now. In fact, you'll gain an additional advantage because Southwestern Public Service Company customers will get free a beautiful pink electric blanket by buying now from a Reddy Kilowatt Electric Appliance Dealer.

**PAMPA LITTLE THEATER** -- During the past few weeks, Pampa Little Theater's play-reading committee composed of, left to right, Mrs. Jack O. Miller, director, Mrs. Bill McComas and R. L. Studebaker, committee members, have been engaged in reading plays, which were being considered for the Little Theater's first presentation in January. A play has been selected, its name will be announced and try-outs for it will be held at the PLT's meeting tomorrow evening at 7 p.m. in the rehearsal hall, 612 W. Browning. Homer West, PLT president, urges a maximum membership attendance at the Monday evening meeting and extends an invitation for additional memberships to those interested. (Daily News Photo)

### Outstanding Guest To Demonstrate Art Of Yule Decorations

On Monday, November 13, the Pampa Garden Club is sponsoring Mrs. Dan Warren of Waco for a lecture-demonstration program on Christmas Decorations. Mrs. Warren comes to Pampa highly recommended in this phase of art. Included in her program will be Christmas swags, wreaths, and five tables with decorations for each. She will explain how each decoration is constructed, as she has made all of the decorations.

Mrs. Warren has taught art in the schools in New Orleans after receiving her degree in Design from H. Sophie Newcomb College. For the past 15 years, she has lectured on color, flower arrangements, Christmas decorations and tables.

She is a National Flower Show judge, immediate past president of the Central Texas Council of National Accredited Judges. She is State Protocol Chairman and has held many offices in Waco Garden Club, president included, in the past 15 years.

Mrs. Arren is much in demand and the Pampa Garden Club feels fortunate to secure her for this outstanding program.

The program will be held on Monday, November 13, at the First National Bank Building Annex. She will give two programs on that date. The first one will be at

Mrs. Dan Warren of Waco

10 A. M. and a repeat performance any member of the Pampa Garden Club, or they may be secured from each and may be secured from

### ★ Polly's Quiz ★

By Polly Cramer

The two-kitchen house soon may become commonplace in the same way that many of us now consider two bathrooms essential. Our grandmothers had two kitchens down on the farm; a regular one and a summer kitchen so that the heat of the stove did not penetrate to other rooms of the house.

These days, the second kitchen is likely to be situated near the recreation room or outside living-play area. Many families remodeling their kitchens move old appliances and cabinets to a room in the basement near the family playroom. Teen-agers adore the idea of being able to fix hamburgers and snacks on their own away from grown-up suggestions.

Dear Polly: We are painting our stucco house a very light orchid and trimming it with white. What color for the front door? What color for the garage door? We have to go easy as one neighbor has a Kelly green house and another is royal blue. Our block is very bright and ours will be the first orchid house in town. Should we paint the hobby house in the back yard white or orchid?

—M. T.  
DEAR M.T.: Your house may not be as bright as others in the neighborhood but an orchid house will attract as much attention. If you are set on orchid, do paint the front door black and the garage door charcoal. But why not consider charcoal gray with white trim? It would be a change of pace in such a gay neighborhood. If you feel the need of more color, paint the front door cherry red.

Dear Polly: What can I do to make a small room look larger? Shall I use prints or solids in drapes? Large or small design? —Mrs. L. LaV.  
DEAR Mrs. L. LaV.: Small rooms appear larger when walls and curtains are the same color and plain. If you choose a pattern, a small one with the background picking up the wall color will be less distracting.

Dear Polly: My large living room has light gray walls and carpet. Furniture is mahogany. Drapes at the picture window are and-with-clusters-of-pink-roses and a wing chair and matching slip cover. Two small chairs are covered with pink damask. The club chair is gold. Please tell me what colors to use for a slip cover on the green couch.—Mrs. W.

Dear Mrs. W.: Why not repeat that pale gray for the sofa slip cover?

### Sherard Circle

With Mrs. Marlars

Valerie Sherard Circle of Hobart Street Baptist Church met Tuesday in the home of Mrs. B. D. Marlars, 621 N. Magnolia.

Mrs. Jimmie Clark led opening prayer followed by a business meeting conducted by Mrs. James Schaub. Mrs. Dean Dalton gave the secretary's and treasurer's reports. The menu for the Royal Service luncheon next Tuesday was planned.

Mrs. Paul Crossman, a special guest, taught the Bible lesson. Closing prayer was given by each member, who joined hands in a circle.

Refreshments were served during the social hour.

Those attending were Meses. James Schaub, Bob Marlars, J. N. Tackett, W. R. Brown, Dean Dalton, D. L. Kelton, and Jimmie Clark.

It was announced that the Royal Service program and luncheon will be held Nov. 5 beginning at 10 a.m. in the church.

### CHRONIC DEEP-SEATED PAIN GIVEN FASTER-LONGER RELIEF

### Dear Abby... Looking At World Through Binoculars!

By ABIGAIL VAN BUREN

DEAR ABBY: I came home from a football game and put my binoculars on the table. Just for the fun of it I picked them up and started looking out the window at the apartment building across the way. Into focus came another man, looking directly at ME through a pair of binoculars! My heart almost stopped beating. Now I am wondering what kind of a nut lives so near to me. Should I call the police?

MORT  
DEAR MORT: Why not give him the benefit of the doubt? He may be as normal as you. Strange how, when the speck is on one's own nose, it is a "beauty mark" — but on someone else's, it's a mole.

DEAR ABBY: My husband's firm promoted him, and moved us to another city 400 miles from our former home. We have one child, Karl, who is 14. Karl was very unhappy over the move because he had to leave all his friends.

We live in a beautiful home in a fine neighborhood where there are many boys and girls—Karl's age, but Karl shows no interest in making friends. He sits around the house and sulks, and looks downhearted and miserable. He used to be such a happy boy. Did we make a mistake to move? If Karl is going to be miserable it will not have been worth it. Any suggestions?

KARL'S MOTHER  
DEAR MOTHER: Pretend not to notice Karl's sulking, and he will stop trying to punish you (that's what he's doing, you know) for disrupting his social pattern. He will meet plenty of potential friends at school. If this is the biggest adjustment Karl will ever have to make in his lifetime, he'll be lucky.

DEAR ABBY: You have so many older people say how terrible the teen-agers of today dress, make up their faces and

### Highland WMU Meets For Study

Women's Missionary Union of Highland Baptist Church met Wednesday at 10 a.m. in the church for a Royal Service Program. "That Thy Way May Be Known" presented by Mrs. Henry Maples.

Participating in the program were Meses. Leroy Allen, Carl Laffin, Morris Belote, D. W. Tracy, A. M. Giesler, and Earl Farley.

Mrs. Allen, vice president, conducted the business meeting with opening prayer by Mrs. Joe Allison and closing prayer by Mrs. Belote.

Luncheon was served during the noon hour.

Members attending, not previously mentioned were Meses. Eunice Hunt, Ronald Scott, George F. Moore, W. S. West and A. B. Reed.

### Purposes Of Thank Offering Outlined At Presbyterian Women's Association

The Presbyterian Women's Association held its annual Praise Service on Wednesday morning in the Education Building with Mrs. Warren Hasse conducting the service.

The purpose of the Thank Offering was explained by Mrs. Brent Blonkvist, World Service Chairman. Assisted by Mrs. John McCrery, who showed slides illustrating the work, Mrs. Blonkvist said "There are three different groups of the World Service program. They are the Board of Christian Education by which young people and adults are encouraged in understanding of their faith and their world by books provided for college libraries and Lay centers; secondly, The Commission of Ecumenical Missions and Relations, which provides programs for the new Middle East Africa radio station that will beam the "good news" to parts of Africa and the Middle East. This is radio station "Voice of the Gospel" in Addis Ababa."

Mrs. Blonkvist continued, "Thirdly, the Board of National Missions can provide for Knoxville College a much needed dining room and kitchen in addition to counseling service and scholarships for needy young people across the country and those of Negro, Spanish - American and Indian - America background."

CONFIDENTIAL TO "SO IN LOVE": The only married man worth waiting for is your own husband.

Everybody has a problem. What's yours? For a personal reply, write to Abby in care of this paper. Enclose a stamped, self-addressed envelope.

For Abby's booklet, "How To Have A Lovely Wedding," send 50 cents to Abby, Box 3365, Beverly Hills, Calif.

LINDA  
DEAR LINDA: The "rats" your mother used to puff up her pompadour were made of synthetic hair. They were not real rats. But the goldfish the college boys of that era used to swallow — just to be cute — were very real indeed. And alive!

DEAR ABBY: I came home from a football game and put my binoculars on the table. Just for the fun of it I picked them up and started looking out the window at the apartment building across the way. Into focus came another man, looking directly at ME through a pair of binoculars! My heart almost stopped beating. Now I am wondering what kind of a nut lives so near to me. # Peg O' Pampa

PROCRUSTINATION, the thief, has been our constant companion this week and that character developer "self-discipline" has been merely a word in the dictionary. . . . and for all of this we must now pay as we sit ourselves down to the typewriter with the hope that a column will eventually evolve from our cluttered mind. . . . this is one of the times that we fervently wish for a typewriter equipped with a "Peg" button so that all we would have to do is punch it and out would come a bright and sparkling column filled with clever quips and charming tid-bits. . . . what has taken up so much of our time this week has been "dreaming" over Christmas catalogs pouring over slick magazines offering Christmas gift ideas for baking and making. . . . and, yes, "gabbing" over the telephone. . . . the weather has been so liquified that it was cozier to telephone than go a-calling. . . . but our phone conversations have not been in vain. . . . we have stored away a few interesting items, which we hope will be of interest so get on the merry-go-round with us and whoever catches the brass ring first may get off.

IS THIS A FIRST for Pampa this year? . . . Mrs. George Kleeburg went shopping this week and bought a snow shovel. . . . all for George.

DON'T YOU KNOW that Mike Palmer, Vince Johnson, John Arthur and Sheryl Weinheimer will be sitting on pins and needles all winter long until they hear from the American Field Service national headquarters in New York City as to whether or not they have been selected to participate in the "Americans Abroad" program next year. . . . their applications are being entered in national competition and the final selection will be made by the national board. . . . sometime early next year they will be notified. . . . adventuresome youth, how we admire them!

Little minds are tamed and subdued by misfortune, but great minds rise above it. - Washington Irving.

PAMPA COUNTRY CLUB members are anticipating the Fall Formal to be given next Saturday in the Club. . . . Charlie Grimes and his "you-name-it-and-we'll-play-it" orchestra is to provide the music for dancing. . . . and for those who only want to listen, his orchestra is fine for this, too. . . . we must remember to send hubby's dinner jacket to the cleaners. . . . and there's that darling "after five" dress we've been eyeing in a certain shop for weeks. . . . and now we have a perfect reason for buying it. . . . Sally and Henry Butler, Alice and Raymond Darsey recently hosted the cleverest party in the Club. . . . they used a hunting season theme. . . . with Henry and Raymond selling "license for a good time in the lounge" while Sally and Alice pinned each male guest with a tiny red hunting-cap nametag. . . . the mantle in the lounge was centered with a mounted pheasant arranged with brightly-hued autumn leaves, which the Darseys had brought in from their ranch. . . . and to add to the realism of the sportsman's theme, Gene Rohrer, the genial County Club manager, summoned guests into the dining room with a bird-call whistle where all "bagged" and dined upon broiled pheasant. . . . tables were appointed with autumn leaves and dark, maroon tapers. . . . Sally, we are reminded, has the most delicious recipe for a Pumpkin Cake. . . . which keeps getting better and better the longer it is stored. . . . we hear, too, that the Pampa Country Club is planning a father-son handicap golf tournament. . . . what we can't figure out is who is to have the handicap. . . . father or son?

Civilization is a movement and not a condition; a voyage and not a harbor. - Arnold Toynbee.

SPEAKING OF PRETTY decorations, the Business and Professional Women's Club members dreamed a beautiful motif for their district banquet held last Saturday in the Coronado Inn. . . . whadda I mean "dreamed" they worked several months on them. . . . they made dozens of miniature topiary trees fashioned from rows and rows of ruffled yellow net accented with tiny yellow roses set in a gold pot with English Ivy trailing over the rims. . . . a half-dozen of these centered each dining table. . . . and there were several arrangements of larger topiary trees placed at various points of interest around the ballroom. . . . these took a lot of woman work-hours we are sure. . . . Dora Thomassen looked smart in a black and white costume as she greeted out-of-town delegates at the door. . . . a very special guest was Grace Poole, who now lives in Wichita Falls. . . . and who was the first president of the local B&PW Club in Pampa. . . . the lure of a district meeting in the old hometown bid her back.

FRIENDS THIS WEEK bid a reluctant adieu to Tom and Charlene Atkin and their two adorable youngsters. . . . following an organ recital by Tom last Sunday evening in the First Methodist Church, friends honored them with a reception and presented the couple with a lovely sterling silver coffee service. . . . Tom and Charlene are returning to their home-town in Kansas City, Mo. to make their home. . . . Joyce McCausland left more than a week ago for an extended visit in her old home-town, London, England. . . . friends honored her with a bon voyage party just before she departed. . . . her husband, John, the gallant Englishman, will be joining her during the holidays in Merrie Olde England. . . . and will be there just long enough for a taste of Yorkshire Pudding and a few "hello's" to old friends before they both return to the States around the first of the year.

Gratitude is much more than a verbal expression of thanks. Action expresses more gratitude than speech. - Mary Baker Eddy.

THINGS YOU "AUTO" KNOW that certainly is a gorgeous, silver Thunderbird, we've seen Clyde Vanderberg flying around town in. . . . and are we green with envy, Rhea Elder has won a vacation trip to Hawaii. . . . Edwinna Boyd, Mahunta Hills and Ceceilia Gayden are busy these days overseeing the planning of the St. Vincent dePaul Altar Society's Turkey Dinner and Bazaar planned for next Saturday at the Church. . . . and what's this we hear about the Chili Supper Idea that Leah Behrman has buzzing around in her head playing the role of a bewitching witch for a group of school children was a new one for Jane Kelley. . . . she usually is an Easter Bunny! . . . Pampa Garden Club members are providing us with a golden opportunity to really do something creative and beautiful with Christmas decorations this year. . . . they have engaged Mrs. Dan Warren of Waco to come for a lecture-demonstration on Christmas decorations. . . . she will present two programs on Nov. 13. . . . one at 10 a.m. and a repeat performance at 7:30 p.m. in the First National Bank Annex.

OH? you've caught the brass ring? . . . well, let's both get off.

Love, Peg

CIVIL DEFENSE -- Mrs. J. A. Watson, Amarillo instructor, looks over a display of supplies to be stored in a fallout shelter displayed by Roy Cummings also of Amarillo. The display includes a Family Radiation Measurement Kit and canned food supplies, including canned drinking water, which were discussed at the study course meeting held Thursday in Lee Junior High School.

## Survival From Fallout Depicted In Film Shown At PTA Study Course

Mrs. J. A. Watson of Amarillo, instructor for the courses on Civil Defense being sponsored by the City Council PTA, introduced a film on fallout at the session held Thursday morning in Robert E. Lee Junior High auditorium. These places should be stocked with camping equipment: two weeks' supply of food and water; radio, batteries, flashlights; first aid kit, dishes, can-openers, garbage containers, books and games. The film's narrator also advised if fallout occurs while driving in a car get to the nearest building as soon as possible. Wearing heavy boots and heavy clothes was also suggested since fallout dust can burn skins. "In the event of exposure, after two weeks watch for sore throat, loss of weight and hair, bruises, nausea, nosebleed, diarrhea and report to doctor for radiation sickness, though, can occur even years after exposure, the film showed. Following the film, Mrs. Watson in opening remarks stated "Gan-

as soon as possible. Wearing heavy boots and heavy clothes was also suggested since fallout dust can burn skins. "In the event of exposure, after two weeks watch for sore throat, loss of weight and hair, bruises, nausea, nosebleed, diarrhea and report to doctor for radiation sickness, though, can occur even years after exposure, the film showed. ma rays are always dangerous. 54th YEAR THE PAMPA DAILY NEWS SUNDAY, NOVEMBER 5, 1961 17

USE FOR LEFTOVERS  
When your dinner napkins outlast your tablecloths, sew four together for a small cloth for tea table. Rickrack may be sewn over the machine stitching.

PENCIL "GREASE GUN"  
If you think you'll lose your mind over a creaking door, try rubbing the hinge with a lead pencil. You'll be surprised to find that the noise disappears.

The Fashion Corner of Pampa

Ford's Boys Wear - Ollie Hare Store for Men

Senior Center Corner

By MRS. O. A. WAGNER  
Senior Citizens Center

Senior Citizens having birthdays this month were Mmes. Lillian Brunelle, Maggie Deal, Iva Ward, J. C. Moseley, N. H. Shireman, A. M. Lanham; Messrs: Bob Dille, and F. J. Herlacher. Each received a lovely gift from the Altrusa Club. Ice cream and birthday cake was served with coffee by the Altrusa hostesses. Mrs. Emily Coston gave the beautiful birthday cake which was decorated with grape clusters around the border and centered with a shock of wheat with tiny candied pumpkins and turkeys at the base. Mrs. Roy Kay created a centerpiece of giant yellow mums, which was later given as door prize to Mrs. J. L. Love.

Book Review For Bennett Group

The Bennett Group of the First Christian Church met Tuesday in the church. The meeting was opened with prayer by Mrs. Stella Bastin. A review of the book "Edge of the Edge" was given by Mrs. Bob Swanson. Following the program officers were elected for the ensuing year as follows: Mrs. Stella Bastin, leader; Mrs. Bob Swanson, co-leader; Mrs. W. A. Patton, secretary; Mrs. Charles Beard, treasurer; Mrs. Charles Robison, program leader; Mrs. Homer Kessinger, service and welfare; and Mrs. Tom Rogers, Jr., telephone.

Mike Watson Feted On Third Birthday

LEFORS (Spl) — Mrs. Joe Dan Watson recently entertained with a party for her son, Mike, on his third birthday. The Halloween motif was used in party decoration. The cup-cakes were decorated with candy faces, and served with candy faces, and served with favors were wax mustache and lups, used by the children for entertainment. Guests were Chuck and Lyn Quarles; Mike, Chris, and David Redus; Chris and James Garland Means; Carol and Cindy Walden; Melody and Belinda Bradley; Bill Harper; Brent Redus; and Shirley, Ann, Carol and Lea Vincent. Mothers attending were Mmes. Dickie Redus, Johnny Quarles, Edward Vincent, Paul Walden Butch Bradley. Miss Mary Watson assisted.

Mrs. Bessie Sewell was a welcomed guest the Center on Thursday. Mrs. Sewell, who has retired after 31 years employment with the telephone company in El Paso, is at present making her home with her brother, the Rev. P. H. Gates. She is looking for a suitable apartment here as she plans to make her home in Pampa. She recently visited with her daughter in Albuquerque, N. M.

Mrs. J. L. Love recently had a visit from a friend, Mrs. Julia E. Kelley of San Antonio.

Mrs. Ollie Daniell entertained her son and wife, Mr. and Mrs. O. W. Daniell from Shreveport La. recently.

Mrs. Mary Johnston of Lefors entertained us again this week with old tunes we all love on her French Harp.

Plans for a gift exchange during Christmas were discussed at the meeting on Thursday.

Mrs. Verda Adair is a new and welcomed member in the club and was enjoying games at the center on Thursday.

Mrs. Katie Vincent went to a Brunch in Panhandle on Saturday honoring a new addition to her family Mrs. Robert Carr Vincent, nee Miss Ann DuBois of Amarillo.

Mr. and Mrs. N. H. Shireman, Mr. and Mrs. H. M. Norris visited the Sidwell Ranch over near Lake Marvin last Sunday and report they enjoyed the beautiful scenery and seeing the wild turkey.

Let us all work and pray for peace, Mrs. Wagner.

HANDYMAN TIP

When putting in hardwood flooring, dip the nails you use in thick grease. As you hammer them into the wood, they will go in easily and straight.

NOVEMBER HONOREES -- Celebrating birthdays at Senior Center on Thursday afternoon in Lovett Memorial Library were the group above pictured left to right around their birthday cake, Frank J. Herlacher on Nov. 13; Mrs. Iva Ward, Nov. 12; Maggie Deal Nov. 5; Mrs. J. C. Moseley, Nov. 9; Mrs. N. H. Shireman, Nov. 14; Mrs. A. M. Langam, Nov. 1; Mrs. Lillian Brunelle, Nov. 25; and R. H. Dille Nov. 10. Approximately 78 guests attended. Altrusa Club members representing their club as hostesses were Mmes. Louise Sewell, chairman, Jay Flanagan, F. A. Hukill, L. L. Harkins, V. L. Hobbs, E. M. Keller, Roy E. Wilson. Red Cross Gray Ladies providing transportation of guests were Mmes. O. C. Bishop of Lefors, Jack Dunn, W. J. Woodward, Stanley Brandt, Mrs. Sewell has announced that St. Vincent dePaul Parish Council will be hostess for the next meeting on Thursday in the library. (Daily News Photo)

Circle Sends Gift Boxes To Shut-Ins

The Martha Bell Circle of Highland Baptist Church met recently in the home of Mrs. W. E. Winegeart, 704 N. Dwight for Bible study taken from Genesis.

The meeting opened with prayer by Mrs. W. S. West.

Discussion was held relative to having Secret Pals and plans were made to discuss it further at the next home meeting.

It was reported that the Community Mission's project for October was taking a gift box of fruit juices to a shut-in.

Discussion was also held relative to new testaments being included in the gift boxes each month and it was decided that

each circle will buy one for the 11 remaining months.

The Community Missions chairman was directed to find a family to whom the circle could give a Thanksgiving basket.

Mrs. West was elected secretary-treasurer.

It was announced that the next meeting will be in the home of Mrs. West, 329 N. Zimmers on Nov. 15 at which time Mrs. R. C. Atchley will present the circle program.

Following the business session, Mrs. R. E. Stroud read the prayer calendar and Mrs. Winegeart led in prayer.

Mrs. Belote conducted the Bible study from Genesis.

Hoe Down

by R. L. Studebaker  
Horticulturist

A question often raised concerning plants is why they have difficult scientific names. To begin explanation, one should realize that every profession, trade, or operation that involves several people acquires its own set of words and phrases. The need for these words comes from the necessity to avoid the repetition of detailed instruction and to avoid confusion and misunderstanding. The jargon, or technical vocabulary of any profession is used chiefly for clarity.

The naming of plants arose through necessity as man was dependent on plants, their materials, and products for survival. Without names, it was not possible for man to communicate with others about plants necessary for his livelihood. Latin was used early in plant naming since it was the written language of the scholars during the eighteenth century. Latin is still used today in plant naming; although, many English words are now latinized. There are more reasons now for using Latin. First, Latin is a dead language, meaning it will not change, and secondly, Latin is understood by scientific workers of all nationalities.

The common names of plants are used a great deal, but often it requires great difficulty to understand a referred plant by giving only its common name. For example, the shrub coral berry is known by many common names such as Indian current, buck bush, buck berry, and others. Despite its many common names and as all other known plants, it has only one scientific name. The scientific name of the coral berry, *Symphoricarpos orbiculatus*, not only differentiates this plant from all other shrubs, but it is a descriptive name. *Orbiculatus* refers to the nearly round leaves of the coral berry. After a scientific name is chosen for a plant, it remains so unless changed by botanical rules of the botanical congress.

Common names vary from locality, country, and even geographic regions. Consider that only 150 of the more than 15,000 known species of orchids have common names. The remaining must have names for recognition, and scientific names are used.

Each plant's scientific name tells a story. Consider the quaking aspen, *Populus tremuloides*. *Populus* is the generic name and is thought to have originated from arbor populi or tree of the people, for it is commonly believed that the Romans planted poplars in public places. The species name, *tremuloides*, is given because of the trembling habit of the leaves. All plants with the generic name of *Populus* have characteristics in common and are thus related, but the species, *tremuloides*, has characteristics that distinguish it from all other poplars.

Linnaeus, a Swedish naturalist and botanist, is responsible for the modern method of plant nomenclature. Before Linnaeus, plant naming was a very complex and laborious system. The plant was usually named with a single name followed by a set of descriptive nouns and adjectives such as the following name, "*Chionanthus abaurifoliuseduliacar-plusbarbatisittoralisidendron*." The system designed by Linnaeus came to be known as the binomial system which named the plant with only two names, the genus and a species (specie is incorrect in connection with plants). Generic names are always nouns and are usually taken from Latin or Greek. The species name are descriptive words, usually adjectives. Such words may describe color, plant form, leaf structure.

YOUNG MUSICIANS -- Young musicians who will be traveling to Amarillo on Wednesday to present a class demonstration at the Musical Arts Conservatory are left to right, Cindy Gill, Kim Cooper, Terri Baker, Kristine Langham. (Call's Studio Photo)

Manners

Make Friends

If you cannot get your gift to the bride before the ceremony, address it to the bride AND groom.

Don't overdo the "You look wonderful" routine to the friend who has been ill. He knows better.

Musical Class To Present Program

The Zepp - Montague Musical Kindergarten Class of Mrs. Lois Fagan will present a class demonstration at the Musical Arts Conservatory, 1710 Tyler in Amarillo on Wednesday at 10 a.m.

Students participating will be Terri Lee Baker, 6, daughter of Mr. and Mrs. Bob Baker, 1728 Chestnut; Kim Cooper, 6, daughter of Mr. and Mrs. W. H. Cooper, 610 N. Gray; Cindy Gill, 6, daughter of Mr. and Mrs. John M. Gill, 1613 Hamilton; Kristie Langham, 5, daughter of Mr. and Mrs. Wesley L. Langham, 2116 N. Christy; Jerry Kelly, 10, son of Mr. and Mrs. T. R. Kelley, 701 Powell.

The program will consist of two rhythm band numbers, "The Clock" and "Away Go The Ponies"; two songs, "Cheerful Little

Notes" and "The Right And Left Song"

A demonstration of Indian music will be played on the drums and a piano duet, "The Cricket" will be played on three pianos.

A piano duo, "The Wooden Soldiers" will be played by Jerry Kelley on first piano with Mrs. Fagan on the second piano.

fruit, locally where the plant grew; where the plant originated, or where the plant was first discovered. The species name may be commemorative by being named after the man who discovered the plant. The best sources of correct scientific names are L. H. Bailey's "Standard Encyclopedia of Horticulture," "Hortus Second," and "Manual of Cultivated Plants." "Exotica" volumes I and II are best for the identification of tropical and exotic plant materials. —R. L. Studebaker, horticulturist

For Fine Cleaning of Good Carpets

USE BLUE LUSTRE

which is designed for use in any type applicator or with long handle brush. This is a premium quality soap-free cleaner that leaves no soapy residue to cause rapid re-soiling. It brightens colors and nap is left open and lofty. Blue Lustre is safe for all carpeting including orientals. Cleans spots and traffic lanes or wall to wall. Half-gallon for \$1.35 cleans three 2 x 12 rugs.

# The Pampa Daily News

AN INDEPENDENT FREEDOM NEWSPAPER

We believe that all men are equally endowed by their Creator, and not by any government, with the gift of freedom, and that it is every man's duty to God to preserve his own liberty and respect the liberty of others. Freedom is self-control, no more, no less.

To discharge this responsibility, free men, to the best of their ability, must understand and apply to daily living the great moral guides expressed in the Ten Commandments, the Golden Rule and the Declaration of Independence.

This newspaper is dedicated to furnishing information to our readers so that they can better promote and preserve their own freedom and encourage others to see its blessings. For only when man understands Freedom and is free to control himself and all he produces, can he develop to his utmost capabilities in harmony with the above moral principles.

Entered as second-class matter under the act of March 3, 1879.

## What It Costs Us To Govern Our State

What does it cost to run Texas at all levels — city, county and state — during the year?

A recent report by the U. S. Census Bureau shows that altogether the governmental units of the state spent approximately \$2,685 million during the 1960-fiscal year, but took in a total of \$2,713 million. At the end of the period — June 30, 1960 — the combined governmental units of the state had an outstanding debt of \$3,617 million. Fiscal 1960 was the last year for which complete figures were available.

The Census study also showed that the total personal income for the state during the fiscal year was \$18,508 million, and that the population was 9,617,000. This made per capita income \$1,924, or the amount that each man, woman and child in the state — regardless of their earning capacity would get if the total personal income was divided by the population.

Among all 50 states and the District of Columbia, Texas ranked 32nd in per capita personal income.

A look at revenues and expenditures in relation to population shows that during the first year,

per capita revenue for Texas amounted to \$246.95. This was more than per capita expenditures, which amounted to \$246.26. The per capita figures are based on general revenues and general expenditures, such as revenues from taxes and certain general governmental services like highways and parks, and expenditures for items like education and public welfare. Receipts and payments for specialized services such as liquor stores and retirement systems are not counted in the per capita figures.

The total expenditures of all governmental units within the 50 states and the District of Columbia during the period came to \$61 billion, the Census report said. And revenues amounted to \$60.3 billion. When figures for the federal government were included, expenditures amounted to \$151.3 billion and revenues to \$154 billion.

The combined debt of all state and local governmental units at the end of the fiscal year was \$70 billion. The federal government had a debt of \$288.3 billion, which brought the total debt of all three levels of government to \$358.3 billion at the end of the fiscal year.

## Urge To Office

Government and unions seem to attract men who are business failures. But after political success in either of these organizations it is quite normal for the business failure to desire to get into business once more. This results in massive invasion of the market place by government or union politicians with a frightful price exacted from the free and competing segment of the market.

## An Unusual Teacher

Our disenchanted with the public school system does not extend to all the well-meaning and even dedicated men and women who work doggedly and honestly to create in their students an appreciation of the miracle of individual liberty and human dignity.

Their task is all the more difficult because they are teaching within a system created out of socialism. But this is not to go into the matter of public schools (we seem to have done that once or twice in the past) but rather to repeat that a dedicated teacher is a rare and even priceless person, and when we hear of what appears to be an unusual teacher in the public school system, plagued as it is with politics and the necessity of trying to educate even the uneducable, we wonder what such a person might be able to accomplish in a private school, privately supported and endowed with sound academic and moral principles.

Such teachers do exist. We happen to have heard about one just recently. She sent a seven-page letter to the parents of every child (30 of them) in her sixth grade class. There was no additional pay for this labor of love, no seniority or time-off for good behavior. And while the text may have been wordy at times, it remains to us a fine document. It should be reassuring to the parent of the children in her care. Here are quotations from the letter:

"You will notice that I have six additional chairs at the back of my classroom, three aluminum lawn chairs, and three basket chairs. These six chairs are for you. It is my policy to encourage my parents to come and visit any time you have a few minutes to spare. Just slip in, go and sit down in your chair and with little or no interruption of your child's learning processes you will see for yourself this thing I choose to call Education for Survival in action.

"I make every effort to teach the individual not the whole class, although this letter is, of necessity, the grouping. I consider each child to be one and not 1-30th.

thoroughly cover all phases of work according to the goals of attainment for the sixth grade, plus a whole lot more! I teach on an enriched, accelerated scale to all sixth grade students who will cooperate and work with me.

"Another of my aims for this year is teaching them how to study effectively. Alone. Has your child his own study area without benefit of phone, TV, hi-fi, refrigerator and other miscellaneous attractions such as kid brothers, sisters, friends, etc.? I ask that each pupil spend approximately one to one and one-half hours per night in concentrated study, uninterrupted. If and when this study time is over, and if it has been wisely spent, a thing that is strictly up to the pupil to do, by the way, then it is immaterial to me whether the assignment is complete or not.

"I consider it to be of utmost importance that the sixth grade pupil learns the fine art of how to study (a habit, really).

"My preparation, I feel, was not prepared for survival; instead, many of us were prepared for an irresponsible enjoyment of life. . . . "I do not believe that 'whatever works is right'—I believe in education as it is conceived with individual responsibility and individual achievement. I do not think that 'social adjustment' is the great end product of modern education at any grade level in America.

"Let me stress the fact that I want you to phone me at home if any question arises concerning MY pupil who lives at your house. . . . This teacher is herself, a mother. As she says in her letter, she spent her summer thinking about education and her classroom work, while her hands were in a pan of soapy dishwater. We wish her well with her students. We expect that no matter what else may come about, they can't help acquire some of the enthusiasm of this busy woman who took the time and trouble to write this seven-page letter to the parents of her sixth grade students.

## The Nation's Press

WASTE-MAKER NONSENSE (The Freeman)

Self-criticism, as someone has said, is a luxury which only a very successful society can afford; less fortunate people are too busy being poor to denounce themselves very vigorously.

Such a criterion should give Americans much comfort, for we have no dearth of critics and an endless variety, it seems, of criticism.

Only a few years ago the theme was that a third of our people were in poverty.

Then it turned out that the trouble wasn't poverty but something called "affluence."

Then it seemed that our vulgar, meretricious society was insufficiently concerned with personal, nonmaterial values. Then it seemed that it was overly concerned and was preoccupied with status symbols whatever they may be.

The latest critique scornfully charges us with advocating waste, with somehow inducing consumers to throw away perfectly good articles for replacement with new items of dubious utility.

Well, sir, what sometimes seems like waste is economy of the most stringent kind. The fact is that Americans are a much more thrifty people than you'd suspect. Things aren't abandoned until something comes along that provides an improvement over what came before. When it does, it's true that the outmoded gets short shrift, not because discarding it is wasteful.

DuPont, like other large units of American industry, has had a hand in this process and the national scrap-heap is crowded with things rendered obsolete through constant research.

Take that darned basket that used to occupy grandmother's evenings — an endless reconstruction of socks and stockings that today's nylon yarn has rendered almost indestructible. Grandma faced this chore by light of a smelly and demanding kerosene lamp. Insulated wiring for the electrical industry helped put a million lamp chimneys into the trash — to everyone's relief.

Or, take the tire pump. It used to be standard equipment with every car, along with the tire irons and tool box. Tires — used to last 5,000 miles or so if we were lucky. When one went flat, we pried off the shoe, found the leak in the tub, and cemented on a patch. Then we'd pump it by hand. Chemical antioxidants put this grim chapter behind us and a vast quantity of pumps became unemployed — as if anyone cared.

Before modern insecticides, stores used to have a spiral of sticky flypaper hanging from the ceiling, bespecked with the remains of its victims. Its sign said, "Last year Ed Rousch (1) caught 485 flies. Tanglefoot caught 1,482,960,000." Any arguments about Tanglefoot versus the modern bug-bomb?

(1) An eminent National League outfielder, 1913-31.

Anyone have a plea for the passing of the card that used to tell the iceman how many pounds to leave? Anyone hemoaning the developments that put the stereotypical viewer out with the ashes? Or the cracker barrel that preceded cellophane packaging, exposing pounds rather than ounces to deterioration?

The idea that the better, the less costly, or the safer, should be turned aside because it replaces something else would relegate progress itself to the scrap basket. And that's the kind of waste no nation, however affluent or successful, can well afford.

## Matter of Fact

Strange faces of tiny, blind, colorless animals and fish live deep in our great caverns. Because of the cave's limited food supply, fish are stunted — a four-inch fish is exceptionally big. Color and light play no role in a pitch-black cave, so true cave salamanders and fish are colorless and have shrunken, useless eyes. But they often develop extra-sensitive, extra-long antennae to adapt to a place where life is conducted by "feel."

### Report:

President Seeks Rockefeller's Bipartisan Backing On Foreign Policy Issues on Which They Agree

WASHINGTON — President Kennedy is earnestly wooing Governor Rockefeller on a highly significant foreign policy proposal.

The President would like to have the New York Governor publicly back him on foreign policy issues on which they are in accord.

To further such potentially helpful bipartisan backing, the President has offered to assign an important State Department official to brief Rockefeller at regular intervals.

It has been indicated that Secretary Rusk might personally do this when developments warrant. Rockefeller has evinced definite interest in these overtures. He has discussed them with close advisers who are divided on the matter. What comes of it is still conjectural.

Insiders consider it significant that Rockefeller, in a Miami speech last Friday, advocated full-scale nuclear testing. This is directly in line with inner White House thinking, and such a time-honored public declaration by the Republican New York Governor is decidedly of value to the administration.

No other top Republican leader has taken such a stand. Several have privately indicated they favor it, but Rockefeller is the only one to say so publicly.

The President and Rockefeller have quite a bit in common on foreign policy.

They see eye-to-eye on various important issues, and both are members of the influential bipartisan Council on Foreign Relations. Secretary Rusk and other top Administration officials also belong.

A key factor behind this presidential move is disappointment in not winning the support of former President Eisenhower.

That has been zealously sought in a number of ways. Briefings were proffered and other efforts made. But Eisenhower's bluntly critical speeches and statements have convinced Kennedy that he can't count on bipartisan foreign policy support from his predecessor.

This hope hasn't been entirely extinguished. Sources close to the President say he still wants to maintain friendly relations with Eisenhower. Also that it is planned to again invite him to the White House — in direct contrast to the open antipathy that prevailed between Eisenhower and a former President Truman during the eight years of the former's incumbency.

Kennedy is credited as strongly desiring to avoid such strained relations regardless of what his Republican predecessor may say on issues and policies. It is Kennedy's intention to preserve cordial personal ties.

Also being sought is a mission or position that would be acceptable to former U.N. Ambassador Henry Cabot Lodge. The President would like to utilize his extensive knowledge and experience in international affairs, but so far nothing agreeable to Lodge has been found.

Kennedy turned him down on the ground Kiley, 33, is too youthful.

"How do you get that way?" demanded Hartke. "You're only 35 yourself. If you aren't too young to be Attorney General, then why is Kiley too young to be a federal judge? There is only two years' difference between you."

"That's right," replied "Bobby," but there is another big difference that is crucial. The President can remove me from office anytime he wants to. But a federal judge is appointed for life. Once he is on the bench no one can remove him except by impeachment proceedings in Congress. This is an appointment for a life job, and 33 is too young for anyone to be named to the federal bench."

POLITICALS — House Democratic leaders plan to name the huge new House Office Building now under construction for ailing Speaker Sam Rayburn. It is also contemplated to place a statue of him in the main lobby. . . . Former Vice President Nixon has cancelled a speaking tour that would have taken him into 32 states. Instead, he will concentrate his talking in California, where he is now an avowed gubernatorial candidate. . . . Senator John McClellan, D. Ark., chairman of the Labor Rackets Investigating Committee, has signed a contract for a book titled "Crime Without Punishment." It will be published late next spring. McClellan says the purpose of the volume is to "rouse the moral feelings of the American people to support urgently needed reforms of vicious abuses."

John McCone, new Central Intelligence director, has made one important change in his predecessor's methods. Unlike Allen Dulles, it is McCone's intention to "be seen and not heard." He proposes to make no speeches, and will impose the same policy on assistants.

## The Almanac

By United Press International

Today is Sunday, Nov. 5, the 309th day of the year with 56 to follow in 1961.

The moon is approaching its new phase.

The morning stars are Mercury and Venus.

The evening stars are Jupiter and Saturn.

American labor-union leader Eugene V. Debs was born on this day in 1855.

On this day in history: In 1733, German born publisher John Peter Zenger began publication of his newspaper the New York Weekly Journal.

In 1929, the British House of Commons approved the resumption of diplomatic relations between Great Britain and Soviet Russia.

In 1940, President Franklin D. Roosevelt was re-elected for his third term in office—the first president ever to be chosen for a third term.

## Edson In Capitol

By Peter Edson NEA Washington Correspondent

WASHINGTON (NEA) — It is little known, but the Communist party U.S.A. is making every effort to have its leaders speak before college groups throughout the United States. That effort is making some headway.

On Feb. 3, 1961, Carl Winter, midwest director of the Communist party, spoke before nearly 200 students at the University of Iowa, Iowa City. His lecture on Communist aims was sponsored by the Socialist Discussion Club.

On Feb. 16, 1961 Herbert Aptheker, editor of "Political Affairs," monthly theoretical organ of the Communist party U.S.A., gave a talk in the North Hall common room at Antioch College, Yellow Springs, Ohio. His talk on "The Roots of Negro Oppression — a Marxist Analysis" was sponsored by the Socialist Discussion Club.

Aptheker told his audience that the struggle against Negro oppression is a struggle against the basic nature of monopolistic capitalism.

On March 8, 1961 Anthony Krchmarek, Ohio Communist party chairman, spoke at a meeting at Antioch College. He distributed a quantity of Communist literature.

On March 28, 1961 Elizabeth Gurley Flynn, national chairman of the Communist party U.S.A., spoke to about 50 students at the Reed College Focus Club in Portland, Ore. Her subject: "The Communist Party and the Cold War."

On April 17, 1961 Daniel Rubin, editor of the Communist-sponsored magazine "New Horizons for Youth" spoke before the Socialist Discussion Club at the Iowa Memorial Union of the University of Iowa.

On April 25, 1961 James E. Jackson, editor of "The Worker," addressed the Marxist Discussion Club at Queens College, Queens, N. Y.

On April 27, 1961 James E. Jackson appeared before the Marxist Discussion Club of the City College of New York.

On May 4, 1961 Ben Davis, national secretary of the Communist party U.S.A., spoke before 100 students of the City College of New York. At the invitation of the Marxist Study Group he spoke on "The Negro Liberation Movement in the United States." After the formal meeting, Davis remained for 20 minutes answering questions.

On May 16, 1961 one-fourth of the 900 students of North Central College, Naperville, Ill., met at the college theater to hear Sam Kushner, midwest editor of the "Worker," speak on communism. Kushner was invited by the student council. He spoke for 12 minutes, answered questions for 40 minutes. The crowd was so large that it was necessary to shift the meeting from a 75-student-capacity hall to the theater.

On May 17, 1961 Herbert Aptheker appeared before a meeting of the Political Science Club of Monmouth College, West Long Branch, N. J. Aptheker spoke for 45 minutes. The meeting was held in a private home in Monmouth Beach, N. J.

On July 22, 1961 a group of 125 students and young people attended a meeting in Berkeley, Calif., sponsored by SLATE, a student group at the University of California. The speaker was Herbert

## These Fans Have Varied Interests In Big Fight

By HENRY McLEMORE

Several of us devoted followers of the manly art of boxing plan to charter a kite and fly to Toronto on December 4th for the world heavyweight championship bout between Floyd Patterson and Tom McNeely, Jr., youngest son of Mr. and Mrs. Thomas McNeely of Arlington, Mass.

The interests of our group in the fight are varied. One man has a new and expensive stop watch and he wants to see if it is fast enough to time Tom's first descent to the canvas.

Another wants to see whether McNeely, at fight's end, will be returned to Arlington, Mass., or Arlington, Va.

I am not interested in the fight at all. I am going to Toronto to study Pete Fuller, McNeely's manager. From all I have read Mr. Fuller is a new and strange species of fight manager.

He is a Harvard man, to begin with, probably the first from Harvard to go in for boxing seriously since Teddy Roosevelt.

He is a millionaire, for a second thing. There never has been a millionaire manager before, not even when one counts those who went in for counterfeiting between bouts.

He is the son of a former governor of Massachusetts, to continue the list of his peculiarities, and is said to talk from the center of his mouth, change shirts as often as twice a day, tip his hat to ladies, and always wash the chalk off his hands before leaving a pool parlor or billiard hall.

He is a far-cry, this Mr. Fuller, from the managers I once claimed as close and intimate friends. James Joy (Boy Bandit) Johnston, for instance Mr. Johnston, a dapper Liverpool product, work a hard hat, often carried an even harder blackjack when visiting socially, always had a cup of tea with an egg at three in the morning, and came close to making a

Aptheker, who was titled a "Communist historian."

The SLATE student group had shortly before been ordered off the university campus.

Q—Just what does a person do to make a will? Does he put it in his handwriting or just sign a written statement? — B.R.

A—Dear B.R.: The first thing to do in making a will is to total up all your assets — money in the bank, insurance, U.S. Savings Bonds, stocks and real estate. Next, find out what you might receive from a pension plan. Decide to whom you wish to leave your worldly goods and formulate a plan. Then you are ready to see a lawyer.

The cost for this legal service is nominal and could pay for itself many times over in savings on taxes and court fees—Your lawyer will then draw the will, which usually must be witnessed by two persons when you sign. (Check your state laws.) Wills made without legal advice have been recognized when properly witnessed, but we don't advocate will-making as a do-it-yourself job.

Q—If I'm drafted what are my job rights?—R.S.

A—Dear R.S.: You are entitled to re-employment with the same seniority, status, pay and vacation rights that you would have received if you had continued on the job during the time spent on military duty. You are entitled to any promotions due to seniority, any pay increases and benefits, such as life and health insurance. Once back on the job you are protected against being discharged without good cause for at least a year.
