Longhorns Try To Get New Start Against Colorado City Here, 8 P. M., Tonight

FORSAN AND COAHOMA TO PLAY HERE SATURDAY

Shorthorns To Play O'Donnell This Evening

12th STRAIGHT WIN SOUGHT BY BISONS

Forsan's Buffaloes make their bid for their 12th straight six-man football victory in Steer stadium Saturday night when they square off with the Coahoma Bulldogs in a District 12 game.

AGGIES AND PORKERS OPEN S'WEST GRID SCHEDULES

By FELIX R. McKNIGHT Associated Press Sports Writer Two of the Southwest conference's mild favorites—the Texas Aggies and Arkansas—rush the season a bit in early openers Saturday against enemies expected to give them nothing more than a chance to get the hang of touchdown plays.

JOHN DANIEL IS COACHING RESERVE 11

The Shorthorns, the "bench warmers" in the Big Spring high school gridder's regular games, get their taste of action as a team this evening when they invade O'Donnell for a game under the lights.

Winsett Nance Not To Play, Others Out

Bethell And Battle Ailing But May See Action By HANK HART Kayoed in their season's opener by Mineral Wells last week, Pat Murphy's Big Spring high school gridgers get up operations against the Colorado Wolves at 8 o'clock this evening in their new Highland Park stadium.

The Sports Parade

Your correspondent was privileged to sit in on the Philadelphia Eagles-Washington Redskins professional football game staged in Philly last weekend in which Davey O'Brien, the former TCU wonder, made his debut among the pay-for-play boys.

The impression that I gained was that the rugged Redskins and the remainder of the little family that calls itself the National league had never heard of O'Brien.

The little Texan tries hard enough but simply seems to be too small to be able to compete with such players as Sammy Baugh, Franny Murray, Red Ramsey, Wayne Millnar and the remainder of the lot.

The Eagles gave O'Brien little protection and the Redskins, who went on to win the game, 7-0, grasped all opportunities to show Davey he was going to earn the 18,000 or so dollars Bert Bell is dishing out to the former Frog for this season's work.

O'Brien's play was completely overshadowed by that of Baugh who seemingly has entered into the professional ranks. Most of Baugh's passes were true and he's learned to run. On one occasion he crossed up the opposition by dropping back to pass, then splitting the middle of a line that had gone harum-scarum to cover up for some 30 yards gain.

Texas are becoming quite prominent in the pro game, especially around Philly. Ramsey, the former Texas Tech Little All-American, did not start against the Redskins but was active more than two quarters and looked better than his opposing wing, Millnar.

Ralph Hewitt, the other Philly wing, also was impressive. Drew Ellis, a former TCU guard, is holding down one guard slot for the Eagles.

Charley Malone, formerly of Texas A&M, caught the touchdown pass from Baugh and played an outstanding game otherwise. Another former Aggie, Dick Todd, got into action but a few minutes for the Redskins.

Jay Arnold, one time Texas university star, is the Eagles' best running back. Bell, who made about \$40,000 with the Eagles last year, got a good start financially again. About 35,000 fans were on hand at Municipal stadium to witness the struggle.

The Regos, Tony and Lucille, their baseball books closed for the year, left for Tulsa today to take care of several business deals before returning here to start plans for the 1940 season.

Reds Must Win Over Bucs To Protect Lead

Flaming Cards Push Way Toward No. One Post By JUDSON BAILEY Associated Press Sports Writer Cincinnati's championship calibre is going to get a two-day test in a crucible fired by the Pittsburgh Pirates today and tomorrow, a pre-heating process that will have a lot to do with the temperature of that series next week against the St. Louis Cardinals.

The Reds have got to win or move aside, because it looks like nothing but a miracle can stop St. Louis.

The Cardinals collided with Brooklyn this week when the Dodgers were hot on a five-game winning streak and cooled them off. They finished sweeping the series yesterday by rallying with three singles and a double for two runs after two were out in the ninth inning to win 5-5.

Derringer produced his 23rd triumph of the campaign as the Reds routed the Phillies, 8-3. Out of the race and battling to hold third, the Chicago Cubs clawed a 9-3 decision from the New York Giants yesterday.

The Pirates sent two rookies against the Boston Bees and Lonny Johnny Gee struck out 11 to win one game, 6-4, and Oedus Swigart pitched shutout ball to nab the other, 7-0.

The world champion Yankees completed their conquest of the Chicago White Sox with a 5-2 triumph. It was Rookie Marius Russo's seventh straight pitching victory.

Boston's Red Sox took the deciding game of their series with the St. Louis Browns, 6-2. Cleveland defeated Washington 6-3. Rudy York hit a homer in the eighth and single with the bases loaded in the ninth to give the Detroit Tigers a 7-6 advantage over the Philadelphia Athletics.

North Texas State Teachers tangle with Abilene Christian college at Sweetwater tomorrow night.

Cats Sew Up Texas Loop Flag By Stopping Dallas

Dixie Series To Open In Fort Worth Sunday

By FELIX R. McKNIGHT FORT WORTH, Sept. 22 (AP)—Fourth place Fort Worth, barely a participant in the Shaughnessy playoff, tucked the Texas league pennant away today and cleared the decks for its ninth Dixie series.

Sunday, the amazing Panthers, a combination of old men and hustling youngsters, start the Dixie games against either Nashville or Atlanta, with the opening tilts set for Fort Worth. Nashville and Atlanta are tied at three-all in their Southern Association playoff.

Last night the home town idols sewed things up before 8,028 fans with a 9-7 defeat of Dallas, giving them a four-to-one edge in the championship series.

Secretary Milton Price of the Texas league agreed with Major Trammell Scott, president of the Southern Association, in a telephone conversation last night, that the Dixie series should start in Fort Worth Sunday afternoon at 3 o'clock regardless of which team won the Southern play-off.

The Cats had to lean on heavy hitting after shutting out Dallas in three previous games, the Rebels finally finding their batting eyes and making it tough in the money game.

Fred Marberry didn't have his stuff, and after the Panthers had given him a three-run lead in the second, finally went out before a Dallas battering that produced five runs in the third. He was one of eight pitchers who finally worked.

Rebels Rebel Two gingles, a wild pitch, three walks and Marberry's squeeze bunt gave Fort Worth three in the second.

Dallas came back in the third with doubles by Cronan, Lee and Rigby, Demoran's single, Rigby's stolen base, and walks to Levey and Puccinelli. Marberry went out during the assault and Corbett took over, after five runs were in.

ABC Wins Knife-And-Fork Softball Title By Bowling Over Lions, 14-10

The American Business Club claimed a 14-10 victory over the Lions club in the benefit baseball game at Baron park Thursday evening for the Knife-and-Fork championship.

However, the verbal battle continued with Virgil "Pull 'Em" Smith, Lions skipper, charging that "they cheated. I have since learned that they practiced every day for two weeks in violation of the Versailles treaty and the Locarno pact."

Doyle Vaughn, head of the ABC forces, responded simply but forcefully: "Phooey! They just didn't have it."

But of all the pre-game predictions, only the one by Tony Rego, who called balls and strikes, appeared to have foundation. Tony said that "they'll have to be in there before I call 'em a strike." He was a man of his word.

Only casualty of the game was Dr. Preston R. Sanders, ABC twirler, who discovered that sticking fingers through baseballs is just being done this season.

Johnny Stoneham drove a triple to deep right, scoring both. Overman hurried to the hill and Walter Cazen picked out a choice curve and parked it over the fence.

Ironically, a fire truck rushed over on the third base line at this moment — not to extinguish the Cats, but a bleacher blaze. Stebbins and Kearse singled by Overman put out the Cats and the firemen the blaze to end the inning.

Cazen went to second on a Texas leaguer in the sixth and scored on Metha's clutch single. Dallas got two more in the seventh when Levey and Mort singled, Puccinelli walked and Hal Lee, having a large evening, drove in his fourth and fifth runs with a single.

CONN 'HET UP' OVER BETTINA'S RADIO REMARKS

PITTSBURGH, Sept. 22 (AP)—Light heavyweight king Billy Conn made it plain today his title defense against Mello Bettina here Monday night will be a grudge affair.

All because of a harmless appearing radio interview in which both took part. The former champ from Beacon, N. Y., upset the applicant when he predicted over the air he would knock out Billy, The Pittsburgh Irishman, sitting alongside the Italian in the studio, almost fell off his chair.

The remark made Billy red hot, and he's still mad.

A new tree pruner, operating on hydraulic pressure, easily cuts limbs up to two inches thick. Extension poles enable the operator to remove a limb 20 feet from the ground.

League's Rolls Now Complete

642 Teams Active; Ranger Routs Santone Tech By the Associated Press Six hundred and forty-two schools will play football under the Texas interscholastic league banner this season.

Athletic Director R. J. Kidd announced today the official participation list. The time for enrolling for football is now up.

The total announced does not include more than 100 schools that will play six-man football.

The Class AA division, which plays through to a state championship, lists 201 teams.

The Class A division, which decides regional championships, includes 281.

The Class B, which decides bi-district championships, has 266 schools enrolled.

Included in the latter are five schools that organized a district too late to be eligible to play for bi-district honors. This district is composed of Cranfills Gap, Iredell, Kopper, Walnut Springs and Meridian.

Six-man football plays to district championships only.

The championship campaign begins in Class AA tonight with El Paso High playing at Yelena in a District 4 conference game.

Sixty-one games are scheduled to night and tomorrow night with 3 of them inter-district or inter-sectional classes.

### Steers

(Continued from Page 1)

Murphy and his charges in an aerial bombardment. The skipper this time is slated to be Jack Smith, who filled in at times for Chadwick last fall. Smith's targets are expected to be Burt Baker, 150-pound blocking back, and two veteran wings, Horace Wood and Junior Cox. Wood served as a back last fall but was shifted into the forward wall in spring drills.

Murphy has reshuffled his lineup. With three regulars ailing and only 22 men available for the skirmish all hands can expect to move to the firing line. Lefty Bethell, ace back, has been ill the past week but reported for drills Thursday. He is to be replaced in the starting lineup by Horace Postick, 150-pound sophomore whose chief duties thus far have been blocking. Bethell, however, is sure to work before the evening is over.

Clifton Patton, an untried giant, will fill in for Winsett Nance at the left tackle post. Nance has been having trouble with his eyes for some time and will not suit out for this evening's encounter. His absence cripples the Bovines' defense considerably.

**Battle Hurt**  
Hal Battle, lanky guard, has been limping with a battered ankle since the Mineral Wells game and has been of little use in this week's drills but is expected to be ready to go by 8 p. m.

Murphy seemed far from satisfied with the work of Bobby Martin at quarter and may let Johnny Miller do the signal barking. Martin's passing arm, however, is expected to be employed at opportune times.

The Herd's running game will be crippled in case Bethell isn't ready. The ball totting chores will be chucked to D. R. Gartman and Owen Brummett in case the southpaw doesn't respond. Pete Presley may have a say in the matters, too. Pete is only a junior and was not even on the Bovine squad last fall but he's built his weight up to 175 pounds this year and has been outstanding with his "rock-and-sock" style of football since the fall workouts were inaugurated.

The Herd as a team will outweigh the invaders considerably. The average tonnage in the local forward wall comes to about 164 pounds, some seven pounds heavier than the Colorado City average.

In event Bethell starts the Big Spring secondary will average 148 pounds, four pounds in excess to the average Colorado City back.

#### TO MAKE LONG TRIP

Mr. and Mrs. M. Weaver, Big Spring, Mr. and Mrs. W. P. Weaver, Goldthwaite, and Mr. and Mrs. J. T. Nicholson, Phoenix, Ariz., planned to leave Saturday for an extensive trip through the north and east. W. P. Weaver is a retired county agent after having spent 22 years in the extension service, 20 of them at Goldthwaite.

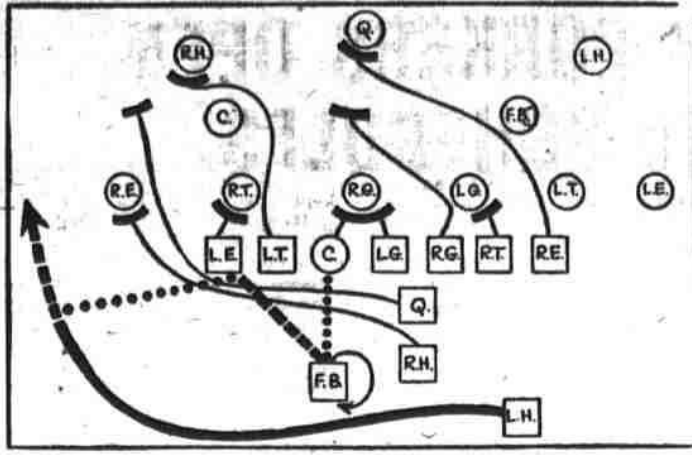

#### Football Photo-Diagram

### California Off Tackle Lateral

By Jim Crowley

Its deceptiveness makes California's off-tackle lateral a frequent ground-gainer. First comes the threat of a reverse, followed by a fake line buck. Then, at the last minute, the reverse takes place—as a lateral. The fullback takes the center snap, spins and fakes the ball to the left halfback. Then, bent low, he dashes toward the line. Just as he nears the tackle slot he shovels the pigskin wide to the left halfback. The right halfback has taken out the defensive left end, the quarterback cracks the defensive center and the left tackle goes after the defensive right halfback to clear the ball-carrier's path.

#### AIR RESEARCH UNIT IS LOCATED AT MOFFETT FIELD

WASHINGTON, Sept. 22 (AP)—Moffett field, near Sunnyvale, Calif., was selected today for development by the government of a new \$10,000,000 aeronautical research laboratory.

Announcement of the selection was made by the national advisory committee for aeronautics which chose the Moffett field site from among 54 suggested by as many communities throughout the country.

Congress appropriated \$1,900,000 at its last session to start the development.

#### MEAT PRICES LOSE PART OF ADVANCE

CHICAGO, Sept. 22 (AP)—Wholesale prices of livestock and most meat cuts have lost substantial portions of sharp gains scored during the first week of the European war, but today still were well above month ago levels.

Hogs and pork products, however, even at their advance were under year ago prices, while cattle and lambs, which have held up com-

paratively well during a year of declining hog values, averaged higher than a year ago.

Wholesale livestock prices in Chicago September 18, according to the department of agriculture, ranged from four to 11 per cent below September 7, when many foods reached their current war-boom peaks. At their partial decline, however, values still were from four to 55 per cent higher than they were August 15.

#### WOMEN BANKERS TALK PROBLEMS

SEATTLE, Sept. 22 (AP)—The nation's women bankers outlined some feminine ideas on how banks should be operated in a forum today.

Miss Ruth E. Ford, assistant cashier of the Citizens National bank, Lubbock, Texas, told delegates banks, rather than the government, should serve agriculture. She said country bankers could expect more competition than ever before from government sources.

Discussing country bank problems, Miss Ford said that as a rule it was the single crop farmer that constituted the poorest credit risk.

The mass of the earth is 6,000,000,000,000,000 tons.

#### BROWNSVILLE CHOSEN BY PRESBYTERY

ALICE, Sept. 22 (AP)—Brownsville will be the 1940 meeting place of the Presbytery of Western Texas which ended its annual session here yesterday.

The meeting at Brownsville will be in April, on the 90th anniversary of the church there. The session here also increased the Presbyterial tax from 16 to 17 cents per member and elected commissioners to the general assembly of the church at Montreal, N. C., next May. Elected were:

Rev. Robert F. Gribble, Austin; Roy F. Cleveland, Lubbock; Belgin Congo; Rev. Herbert McDermott, Donna; Rev. F. M. Davis, Aransas Pass, all pastors, and elder delegates W. A. Faucett, Kerrville; J. R. Scott, Beeville; H. J. Dalton, San Antonio; J. S. McCampbell, Goliad.

#### PHYSICIANS MEET

Four Big Spring physicians attended the regular monthly meeting of the Six County Medical Society at Midland Thursday evening. The next meeting will be held here Oct. 19. Attending from Big Spring were Dr. G. H. Wood, Dr. Frank Boyle, Dr. George T. McMahan and Dr. R. B. G. Cowper.

### Army Starts A Campaign For Recruits

WASHINGTON, Sept. 22 (AP)—Employing new posters, movie films and other advertising devices, the army has opened a drive to recruit 48,198 men by the end of November.

This unprecedented peacetime total includes the 17,000 increase in troop strength recently ordered by President Roosevelt, along with nearly twice that number sought as the regular autumn enlistment quota.

Despite the rival attractions of the expanding navy and marine corps and the rise in civilian employment, officials professed confidence of success. They said September enlistments already had exceeded schedules.

Unlike the navy and marine corps, the army has not relaxed age or other requirements. First enlistments are for only three years, however, compared with six years for the navy.

Recruiting stations have been increased from 223 to 296. Motion pictures of army life made by the army itself and by news reel photographers are being shown. Advertising agencies have contributed services and space for new posters, billboards and street car cards as a patriotic service, officials said.

By the end of June, 1940, if objectives are reached, the regular army will number 227,000 men, including 6,400 Philippine Scouts. National guard recruiting toward a new goal of 235,000 is handled independently by the states.

#### AMERICAN NATIONS' SECURITY STRESSED BY SECY. HULL

NEW YORK, Sept. 22 (AP)—Cordell Hull, secretary of state, said today the Inter-American neutrality conference at Panama was "designed to assure internal accord and external security for the nations of our hemisphere."

He told the Pan-American Union's governing board "now that a major war in Europe was a grim reality, there is greater necessity than ever before for all nations, still in a position to do so, to increase their exertions for the preservation of those fundamental principles of civilized international relations, through the application of which alone, we, of the Americas, are firmly convinced, the progress of the human race can be maintained."

"There is no other basis of enduring peace, of cultural and material advancement for nations and for individuals, of social and political institutions founded upon human freedom and the dignity of the human soul."

#### Life Of Christ To Be Shown In Movies At Fourth St. Church

A life-size moving picture with sound on the film showing the life of Christ "From the Manger to the Cross," will be shown in the East Fourth Street Baptist church Sunday night at 7:45. The film was produced in the Holy Land and Egypt, using the actual historical places connected with the birth and ministry of the Saviour as a background for the story of the Cross. Many soul-stirring scenes, including the birth, ministry, trials, crucifixion, burial, resurrection and

ascension of the Lord will be seen. This picture has been used by many of the leading churches of this and other states and comes to us highly recommended.

"Pay Off," a picture with a temperance theme, will also be shown preceding the religious picture. It is very forceful yet highly entertaining in presenting facts about the effect of alcohol on plant and animal life as well as on the body and mind of human beings.

Rev. J. A. Williams of Dallas will present and speak in connection with the pictures. The public is cordially invited. There will be no admission charge but an offering will be taken to care for the picture expense.

#### CALIFORNIA SEES A BREAK IN HEAT WAVE

LOS ANGELES, Sept. 22 (AP)—The heat wave still on in California today, but an end to a week of tropical weather was in sight.

Weather bureau officials said they believed the heat wave had broken, but added the cooling probably would take several days.

Health authorities said more than 50 Californians had died directly or indirectly from the heat which settled upon the Pacific coast a week ago today.

Sound travels 1,089 miles a second.

## YES — We are going to broadcast SOUTHWEST CONFERENCE FOOTBALL GAMES again this year!

We are happy to announce that the Humble Company again has the privilege of bringing Texas motorists radio descriptions of Southwest Conference football games. You and your family are invited to tune in each Saturday afternoon and hear your favorite football announcer describe the thrilling play-by-play details of the games played by your favorite Southwest Conference team.

As in past years, these broadcasts are undertaken by the Humble Company to broaden the service rendered Texas motorists by Humble Service Stations and Humble Dealers, and to increase attendance at high school, college and university football games throughout the season. As you listen to Humble's football broadcasts, plan to see as many games as you can, to get in your car and follow the Humble route to the games of your choice. We know you'll enjoy the games you see, and we promise to make your trips comfortable and carefree if you'll stop for service where you see the Humble sign.

### HUMBLE OIL & REFINING COMPANY

Tune in for Humble's football broadcasts every Saturday—between times, stop for service where you see the Humble sign.

Have you called your Humble Service Station or Humble Dealer for one of the complete Southwest Conference schedules Humble is distributing? They're handy (in your pocketbook) and absolutely free . . . Get yours before they're all gone—stop at the nearest Humble sign today.

# Announcing the ROBB & ROWLEY \$300 Scholarship Award for 1939

The Big Spring Theatres Will Award a Scholarship in Any College in Texas to the Senior or Last Year of Eligibility Steer Football Player Voted by the Public as the Most Outstanding Player of 1939...

#### The Rules Are Simple

1. Only votes cast for eligible Senior players considered (or those playing their last year of eligibility).
2. An impartial board of judges will be appointed.
3. Should player with highest standing be unable to take advantage of scholarship, the next highest will be given the award.
4. No money will be given to any player. Winning contestant will name the college of his choice in Texas, and arrangements will be made with college authorities to care for his scholarship.

MURPHY

#### How You Get Ballots

With each admission ticket sold at the Ritz, Lyric or Queen Theatres, starting Sunday, Sept. 24 and ending approximately Sunday, Dec. 3, you will be given a ballot and a list of eligible names. Simply write the name of your choice and drop in sealed barrel. The number of points for each ballot is determined by the price of the ticket—a point for each cent of the admission price.

#### The Eligible Players

- Bobby Martin  
Douglas Pyle  
Harold Bethell  
Johnny Miller  
D. R. Gartman  
Bill Fletcher  
Bobby Savage  
Hal Battle  
W. E. Davidson

A Clinic We Need

If the city and county never got together on any other undertaking, we believe emphatically that two governmental units should reach an amicable method financing the establishment of a venereal disease clinic.

A year ago, the clinic was made available, through state-federal aid, at a local cost of some \$2,400. The matter was discussed, but nothing came of the discussion.

We need to face a reality here of people suffering—and spreading—social diseases, when, with only a little effort in the way of clinical service, the spread could be checked.

The clinics are operating successfully in many other Texas towns. One would be a distinct service here. We ought to let our city and county officials know that Big Spring and Howard county want and need that clinic.

Texas 'Lights Up'

While European countries are concerning themselves with "blackouts," the Texas highway department is continuing its efforts to "light-up" the danger sectors of the highway system.

Reflectorized warning signs are being added continually to the state highway system, approximately 20 per cent of all warning signs now being super-imposed with reflector units.

Additional precautions have recently been taken at all sharp curves on the state system by inserting reflector buttons in guard posts to outline the curve.

"Light-ups" are necessitated by the greater number of fatalities occurring at night. In July, when more fatalities were recorded than in any other corresponding period this year, 58 per cent of Texas fatal accidents occurred during the night hours.

Washington Daybook

WASHINGTON—The immediate strategic advantage in the European war strongly favors German aims.

The long-range advantage favors the Franco-British alliance.

That's the crisp appraisal of the American experts who are following the minute-to-minute tactics through the eyes of American military attaches stationed in European capitals.

1. Germany is almost entirely surrounded by neutral states, which act as buffers against attack.

2. As most strategists agree, general war in Europe should be accompanied by tremendous aerial bombardment to clear the way for ground troops and artillery, and to demoralize the enemy's communications and supplies.

3. The British and French have before them the prospect of a costly attack against Germany's strong West Wall, with the great cost in supplies and men that such attacks entail.

Only two spots for attack appeal quickly to strategists. Those are around Metz, where almost level land, and the absence of a river crossing, favor the allies; and just southeast of Belfort, on the Swiss border—a spot also favored with a convenient mountain pass, and uncut by a protecting river.

The British and French have the long-range advantage because (1) they have superior wealth and manpower, (2) their strong fleets control the seas, and (3) they apparently have the sympathy of most democratic nations.

They are, therefore, using their fleets to set up a blockade against Germany.

### Buick Offers 2 New Series For 1940

FLINT, Mich., Sept. 22—Six new series of automobiles for 1940, on wheelbases ranging from 121 to 140 inches and affording extended market coverage from just above the lowest price field, are announced today by the Buick division of General Motors corporation.

With production going forward at an accelerated pace and stocks of cars already in the hands of dealers, public introduction of the new models is taking place on a nationwide basis through special displays in the showrooms of more than 2,800 dealers and distributors. The new cars are on display at the McEwen Motor company.

Featuring the Buick line for 1940 are two completely new series of cars of ultra modern styling and new standards of quality and performance in the lower and medium price fields. They are the series 50 super and the series 70 roadmaster, constructed on entirely new chassis of 121 and 126-inch wheelbase, respectively.

Completing the Buick group for next year are the popular series 40 special, on a 121-inch wheelbase; the series 60 century, on a 130-inch wheelbase, and the series 80 and 90 limiteds, on 133-inch and 140-inch wheelbases, respectively.

**New Quality**

Throughout the model range the 1940 Buicks have been stepped up to new highs of style, quality and performance. Bold and artistic treatment in front end styling has provided a distinct Buick hood representing pronounced changes and improvement over previous years. Underneath the attractive exterior are chassis held to be the sturdiest ever produced by this manufacturer, and, at the same time, the most advanced.

The series 40 and 50 cars, are powered by valve-in-head straight-eight engines of 248 cubic inches displacement developing 107 horsepower at 3400 r.p.m. Engines of identical design, but with 320-cubic inch displacement and developing 141 horsepower at 3600 r.p.m. are used in the series 60, 70, 80 and 90 cars.

Outstanding structural and design features, including such important items as improved torque tube drive; independent front wheel suspension, Buick rear spring suspension, ride stabilization fore and aft, more powerful hydraulic brakes, and improved lighting and electrical equipment, are incorporated in the cars. In addition, more than 70 new features representing detailed change and improvement are listed in the engineering description of the models.

The 1940 cars have improved front and rear direction signals, foamtex rubber seat cushions, engine turned instrument panels, sealed beam safety headlights, en-

### Smart Lines Feature Buick for 1940

COMPLETELY NEW DESIGN, embodying style and utility features not heretofore accomplished in the industry, features new models announced today by the Buick Division of General Motors. Shown above is the Series 50 Super four door sedan, one of two ultra-modern lines added by Buick for 1940.

tirely new frames, new engine mountings, new carburetion, addition of oil filters on all engines, better direct steering linkage, improved handshift gear control, marked improvement in shock absorber equipment, new safety free-reeling inside rear door handles, windshield wiper boosters, an improved system of tire changing, and a host of other refinements marking them as complete and luxuriously equipped automobiles.

For 1940, all Buick engines are balanced after assembly by an exclusive electrical process to within a fraction of an inch-ounce, claimed to be the finest engine balance tolerance in the industry. As a result, the engines, which in addition are cradled in rubber mountings have a 60 per cent increase in cushioning capacity, deliver their power virtually without trace of vibration.

#### SAYS STEPFATHER THREATENED HIM

TOPEKA, Kas., Sept. 22 (AP)—Fifteen-year-old Howard Roszell told police he shot and killed his stepfather, F. L. Roszell, 36, because "he was tearing around and threatened to kill my mother and me."

"When he went for his gun I got mine and shot him," the boy added coolly in a statement to Ward Martin, assistant county attorney.

The shooting occurred last night. The youth's mother, Mrs. Ruby Roszell, corroborated his story. No charges were filed immediately.

#### MOTOR TITLE ACT OF BROAD SCOPE

AUSTIN, Sept. 22 (AP)—The certificate of title act for motor vehicles, effective Oct. 1, has broad ramifications, the public safety department announced today.

Attorney General Gerald C. Mann has ruled that liens placed on tires, automobile radios, parts and accessories should be noted on the certificate of title as liens on a motor vehicle. Ralph L. Buell, chief of the title section, said under the opinion a mortgage could not enforce liens for these parts of vehicles against a third party unless they were recorded on the certificate of title for the particular automobile.

It was pointed out the act does not supplant or interfere with bills of sales, but is designed to prove ownership of cars.

County tax collectors will accept applications for titles beginning Oct. 1. Certificates are issued from the Austin headquarters of the safety department.

#### LEGIONNAIRES FACE SERIOUS CONVENTION

CHICAGO, Sept. 22 (AP)—American Legionnaires close ranks Sunday for what their leadership expects will be the most serious-minded national convention in the organization's history.

Uppermost in the consideration of the veterans are the questions of United States neutrality and national defense. Committed previ-

#### AWARDS MADE AT AMARILLO FAIR

AMARILLO, Sept. 22 (AP)—Breeders from Floydada and Canyon held grand champion awards in the jersey cattle division of the Tri-State Fair today.

Allen Premier Peggy, owned by O. L. Stansell of Floydada, was named grand champion cow, Pansy Dreaming Sam, owned by Tierra Blanca farm near Canyon, was judged grand champion bull.

More than 100 head of jerseys were entered in the show, judging of which was completed yesterday.

#### CONFER HERE ON RED CROSS PLANS

R. T. Bridge, West Texas field representative for the American Red Cross, conferred here Friday morning with Shine Phillips, chapter chairman, and J. H. Greene, roll call chairman, concerning plans for the annual membership drive which will start on Armistice Day. They also talked plans for the 19-county Red Cross meeting here Oct. 17.

### March Of Time An Authentic Film Of US Air Corps

In its latest issue entitled "Soldiers With Wings, The March of Time brings to the screen of the Ritz Theatre Friday and Saturday the first complete and authentic motion picture story of the U. S. Army Air Corps—the little-understood but highly important wing of national defense, which is today being built up at a cost of more than 200 million dollars.

Filmed with the full cooperation of Air Corps officers and men, this latest March of Time shows how aircraft manufacturers throughout the U. S. are today pushing aside private orders to complete for the War Department more than 3,000 new high-speed army planes.

In dramatic scenes of the U. S. Air Corps in action, The March of Time shows how each type of fighting plane performs its highly-specialized job in the new scheme of national defense, how scientists at the Air Corps' 10 million dollar research laboratory are diligently seeking new ways to make military planes fly higher and faster, and how the air-minded young men of the nation are today being selec-

tively recruited and trained as full-fledged "Soldiers With Wings."

Although the U. S. Air Corps already has 2,300 of the best-trained military pilots in the world today, The March of Time points out, it is now driving for 25,000 new men to be trained as mechanics and technicians, because Air Corps experience has shown that every plane and pilot in the air requires a crew of eight specialists on the ground. Altogether, the Air Corps needs and must have a force of nearly 50,000 soldiers who are expert in handling and caring for military planes.

#### Mrs. Ralph Duval Given Shower In Mitchell Home

To honor Mrs. Ralph Duval, Mrs. Fred Mitchell entertained in her home Wednesday with a surprise shower.

Pink was the color used and pink and duobnet zinnias and bachelorette buttons decorated the rooms. Game provided diversion and refreshments were served.

Attending were Mrs. Harry Havner, Mrs. Willie Rix, Robert Lee Hanson, Mrs. Bill Gage, Mrs. Dave Eastburn, Mrs. C. F. Duval. Sending gifts were Mrs. Rober Currie, Mrs. Hudson Landers and Mrs. Richard Young.

#### Stitch And Chatter Club Entertained By Mrs. Sol-Bledsoe

Embroidering cup towels and pillow cases for the hostess was the diversion of the afternoon with members of the Stitch and Chatter club met Thursday in the home of Mrs. Sol Bledsoe.

Mrs. Ralph Toler and Mrs. Willard Hendrix were included as guests. A social hour was held and refreshments served. Others present were Mrs. M. L. Simmons, Mrs. V. W. Burt, Mrs. Frank Wilson, Mrs. Hinnon Johnson, Mrs. W. S. Fleetwood, and Miss Banna Cooper. Mrs. Frank Wilson will be next hostess.

#### T.S.C.W. Graduate Teaching In Dallas

DENTON, Sept. 22—Nancy Dawes of Big Spring, 1935 graduate of Texas State College for Women is teaching this year in the John Henry Brown school in Dallas.

Miss Dawes took a bachelor of science degree and was well known in the TSCW campus, having participated in numerous student affairs.

Jupiter rotates faster than any other planet, the length of its day being less than ten hours.

#### FORMER PUBLISHER CLAIMED BY DEATH

TYLER, Sept. 22 (AP)—Dabney White, 66, a colorful figure in state affairs for more than forty years, died today after a long illness.

White once published newspapers in Tyler, Crockett and Corsicana, and although he gave up these enterprises a number of years ago never had lost interest in newspapers, contributing to various state publications from his study of Texas historical data.

Illness prevented his completing a history of Texas.

He served as assistant secretary of state under John C. Calhoun, served with the rangers, was editor of the "Cactus" while in Texas University and in recent years operated the Glinners Mutual Underwriters Association of Texas.

Onions by the thousands of bags will be piled high in the streets of Florida, New York, on August 15, the day of Orange county's first onion harvest festival.

## World's Champ of 1960?

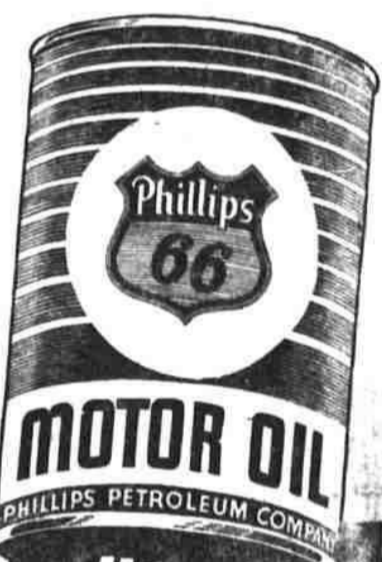

It's HARD to tell... but EASY to pick a winning oil

YOUR chances of picking the future World's Heavyweight Champion, while he is still in kindergarten, are about as good as your chances of holding the winning ticket in the Irish Sweepstakes. All ring history proves that no method of selection can predict which boy today is the winning fighter of tomorrow.

But when you want a winning oil for your motor... you don't have to depend on second-sight or premonitions... you needn't be a lucky guesser. You have definite knowledge to guide your choice. Here it is:

To do away with all doubt, the great Phillips refining organization makes this straightforward statement. Frankly and without reservations. If you want our best oil, remember we specify that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer.

Yes sir, many things are hard to tell, but you can easily pick a winning oil. Just ask for Phillips 66 Motor Oil at the Orange and Black 66 Shield.

Phillips Finest Quality

# PICTURE NEWS

**AW SHUCKS . . . SCHOOL!**—School days are here again, and her many co-sufferers will sympathize with Wilma Jane Boeser of Arlington, N. J., who doesn't want her ears washed. But Wilma's tears can't stop mother, who may think about the million school children sent out of London, carrying gas masks, and the French youngsters who fled air-raid danger.

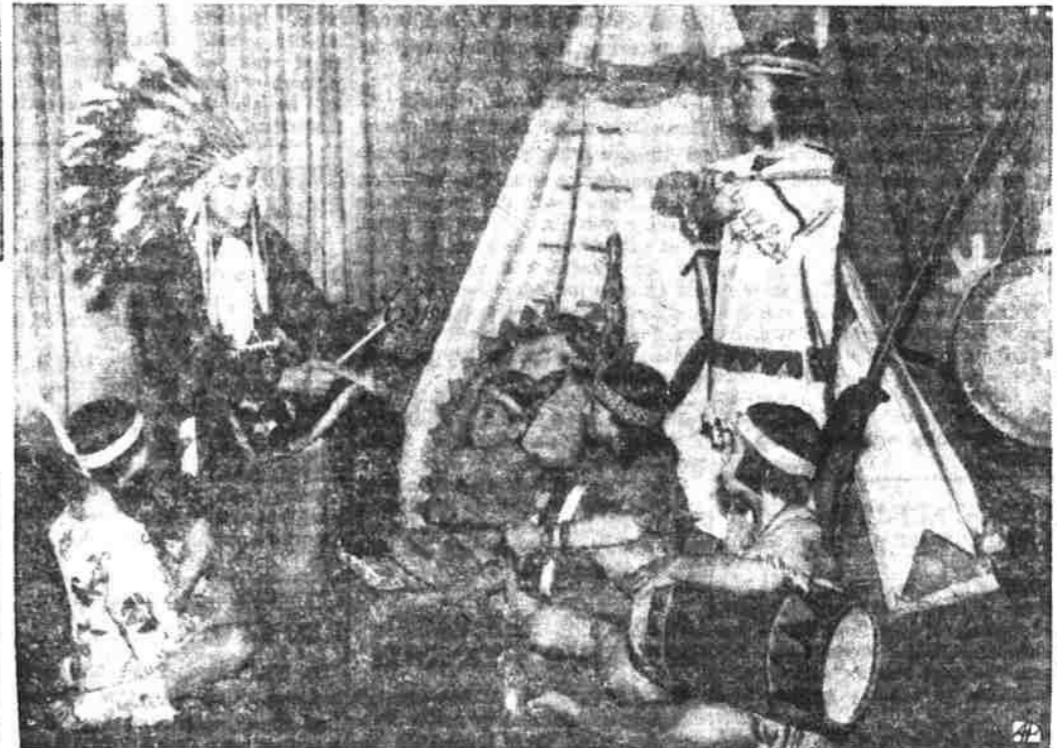

**TUNA SALAD: NO DRESSING**—A new world's record is believed set by this 868-pound bluefin tuna caught off Liverpool, Nova Scotia, by J. Frank Johnson of Whitestone, Long Island. It measured 10 feet two inches and took two hours 27 minutes to boat. The record mark made last year by Alfred Kenney of Shelburne, N. S., was an 864-pound tuna.

**COTTON CHECKUP**—From far-off lands came these delegates at an international cotton conference held in Washington, D. C., to examine world cotton production. Left to right are Maurice Garreau-Dombasle of France and Juan Chavez of Peru. U. S. Secretary of Agriculture Wallace addressed the conference which considered the possibility of nations' joint action.

**SIGN OF SPRING**—While Americans prepare for fall and winter, Australians get ready for a spring carnival in which this grotesque head being painted in Melbourne by Mrs. J. Porter will appear—with a winking bulb for one eye.

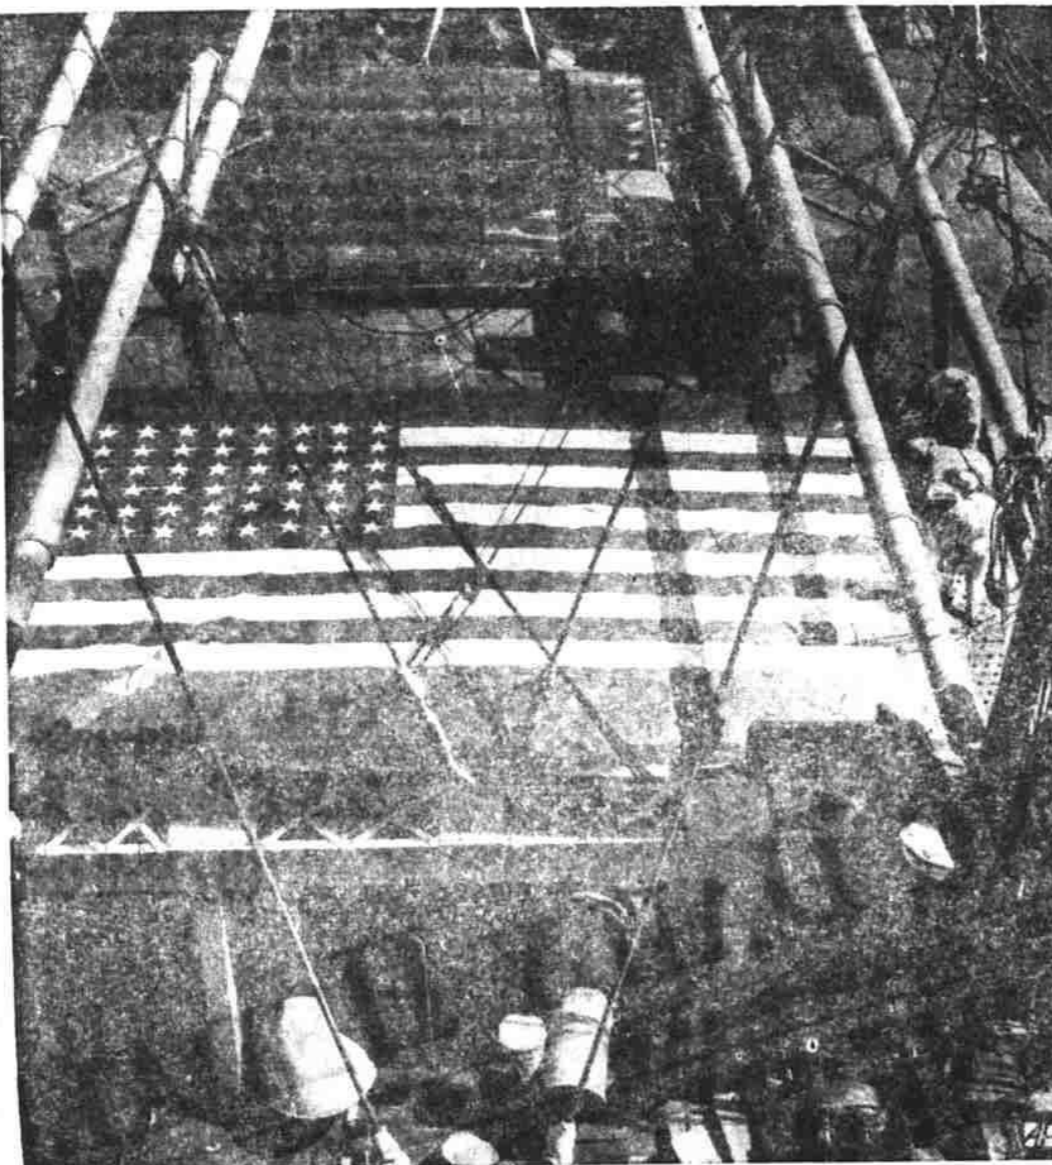

**GETTING THE INDIAN SIGN**—With intent eyes and ears a few of New York's palest palefaces, these east side youngsters, held a pow-wow with Chief White Eagle outside a teepee at Grand Street Settlement house. White Eagle was teaching Indian crafts and lore to the children. The chief, whose Christian name is Louis Scott, is a graduate of Pipestone Indian school, Okla.

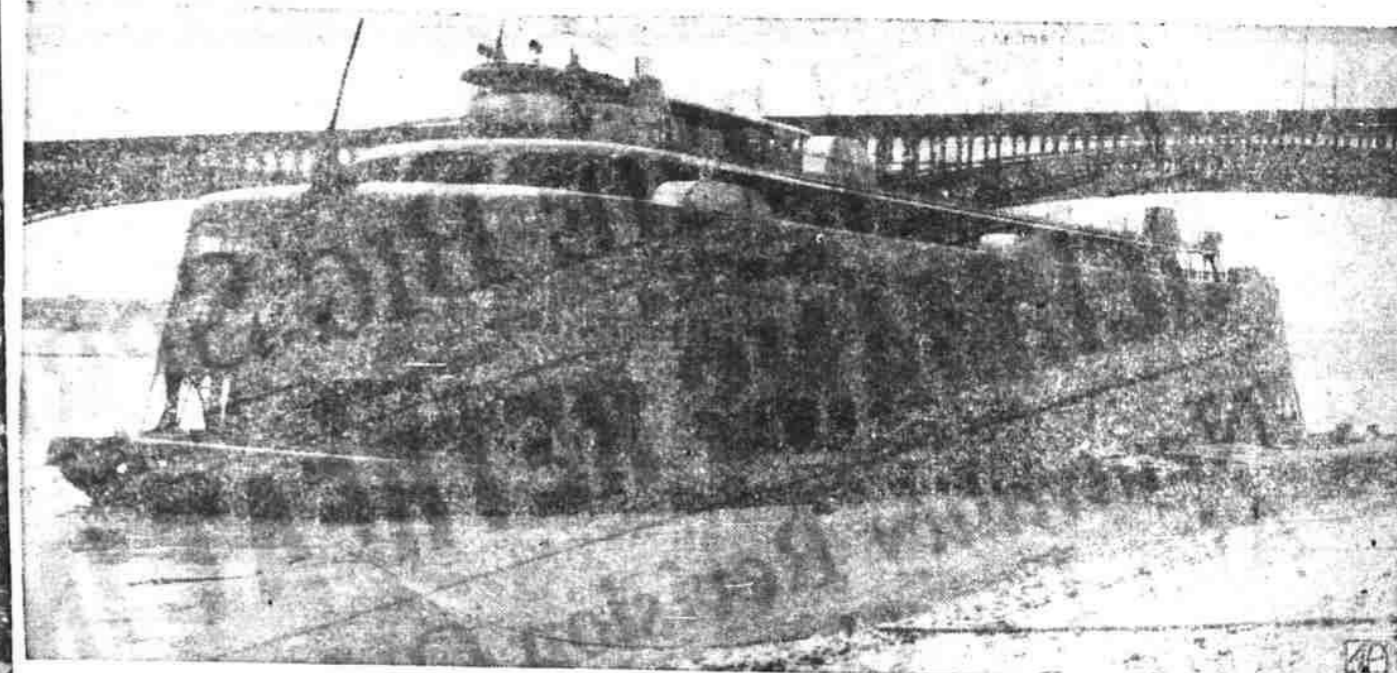

**DIPLOMAT**—This is Edwin C. Wilson, 46, Uncle Sam's new minister to Uruguay who plans to take up his post soon in Montevideo. A native of Palatka, Fla., Mr. Wilson saw action in the world war, has been counselor at embassy in Paris.

**LITTLE KING**—What cares 4-year-old King Feisal II of Iraq for war, since he's too young to worry about European battles? He's having a holiday at Aley in Syria.

**SO THOSE WHO FLY MAY SEE**—For the benefit of aviators, huge American flags were spread on the fore and aft hatches of the U. S. Lines' President Roosevelt, along with flags on the ship's sides, when this vessel sailed from New York for Europe. The President Roosevelt was the first American boat to cross to Europe since war began between Germany and England, France.

**GLAMOR GIRL FOR 'OLD MAN RIVER'**—Old-fashioned steamboats on the Mississippi will be almost eclipsed when this \$1,000,000 streamlined steamer begins her runs next spring. The boat, glass-enclosed and air-conditioned, is 385 feet long, has concealed sidewheel paddles driven by eight steam boilers. From St. Louis, where the craft is being completed, comes word that it is 80 feet longer than the largest Mississippi boat afloat. It probably will operate from St. Louis in summer, New Orleans in winter.

**WHERE THERE'S SMOKE BUT NO FIRE**—Inspired by news from Paris that an artificial fog was draped about that city during an air-raid defense drill, Sergt. S. R. Singleton of Governor's Island, New York harbor, produces what he believes is the same type of chemical fog-screen. It results when liquid carbon tetra-chloride is poured into air, producing smoke.

**GRIN OR GRIM**—Britons busy with the war against Germany found time to pierce the gloom with these shafts of humor, even as Hitler's war machine rolled on in Poland. A church has its suggestion: Chamberlain's umbrella "tops" Hitler.

**IMPORTANT ROLE**—The contrivance operated by N. H. Sannbeck, assistant chief of the recruiting and selection section of the state department at Washington, is used to affix the great seal of the United States to various documents.

**TRADEMARK OF NATION**—Though this may look like a paper doily, it's actually the great seal of the United States, affixed with due formality on official documents. Above, it stamps the important neutrality proclamation.

## Air Force

(Continued from Page 1)

patience for news of a real British military action now that there are reports of a vast German troop and plane transfers to the western front.

Hard-pressed Britons faced the prospect of turning over to the government one-third of their income to pay for the war.

As the government set up a munitions supply council to speed up production of arms and supplies, Sir John Simon, chancellor of the exchequer, prepared to increase the already steep taxes.

It was generally expected the budget to be submitted to the house of commons next Wednesday would boost the income tax another shilling.

The British taxpayer now pays the government five shillings, six pence (\$1.10) out of every pound sterling (\$3.98) he earns.

## Executions

(Continued from Page 1)

dence of the government's vengeance for Calinescu's assassination yesterday.

A banner nearby carried the words:

"Such will be the fate of all assassins and traitors of the country."

All the dead had the young faces and youthful figures of college students.

Perhaps somewhere in the crowd some of their parents or other relatives—but no one attempted to claim their dead.

Seven of those whose bodies were sprawled in the great dark stains of dried blood were allegedly members of the Iron Guard.

Police transported them last night to the spot where they were charged with ambushing and killing Calinescu.

The bodies of two others who police said had killed themselves were carted to the scene and dumped on the asphalt avenue.

The seven prisoners, terror shining from their eyes, were stood in a line nearby.

A small crowd gathered on the sidewalk.

Uniformed executioners walked behind each straining figure alofted in the fantastic high-altitude, using the alleged assassins' own revolvers, each executioner thrust his weapon behind a man's ear and pulled the trigger.

Seven muffled explosions sounded; seven bodies dropped to the asphalt and lay in widening pools of red.

All through the night men, women and children came to the scene of today the stream of humanity continued. The authorities announced the bodies would remain in the street until midnight tonight.

Meanwhile, the slain premier was carried to the Athenaeum to lie in state in the great marble rotunda after a mourning procession through the city's streets.

King Carol headed the government and military officials who accompanied Calinescu's widow and son to the Athenaeum.

Meanwhile, hundreds of arrests were made throughout Bumania in a whirlwind series of raids timed to crush the Iron Guard, at whose door officials laid full responsibility for the slaying.

King Carol named a new government within eight hours, mindful of today the armies of Soviet Russia, Bulgaria and Hungary at his frontiers and of the army of Germany not so far away in southern Poland.

## AT THE CHURCHES

**FIRST METHODIST**  
14th and Scurry  
J. O. Haynes, Pastor  
Church school—9:40 a. m.  
Morning worship—10:55 a. m.  
Epworth leagues—7 p. m.  
Evening services—8 p. m.  
Sunday is promotion day for the church school. Members of the church school are urged to attend this Sunday, and get started in new classes. At the morning hour the pastor will preach on the subject, "The True Basis of Stewardship." An anthem, "Abide With Me," will be sung by the choir. At the evening service a program celebrating the 100th anniversary of the birth of Frances Willard will be presented by the young people. Cleo Lane, Tabor Rowe, Ollie Deel, and Rita May Bigony will speak on various phases of the life and work of this great woman. Newton Starnes will talk on her message for our own time.

**ST. MARY'S EPISCOPAL**  
501 Rannels Street  
Rev. Oliver C. Cox, rector. Office hours 10 to 12 a. m., parish house, Phone 1559.

**KBST NOTES—**  
**Local Station Now Goes On Air At 6:45**

Effective immediately, Radio Station KBST will take the air at 6:45 o'clock every weekday morning with a fast moving program titled, "Just About Time." The early morning audience will be advised of the correct time during this gay musical feature.

**FOOTBALL.** This evening at 8:00 o'clock KBST will be on hand at the Steer Stadium to broadcast a play by play description of the football game between the Big Spring Steers and the Colorado Wolves.

**ROUNDUP** Featuring some of the hit acts of earlier shows, the "TSN Saturday Night Radio Roundup" this week again will bring top radio talent of the state to the microphone for a two-hour broadcast. Staged in the Municipal Auditorium in Fort Worth, the "TSN Roundup" show is open to the public and has played to a packed house each time it has been presented. The show goes on the air at 10 p. m. and is carried locally on Station KBST.

**NEW PROGRAM** Having completed its summer program of radio plays for children, the Fort Worth Junior League Saturday will begin a new series of Texas State Network programs titled "Let's Keep the Family at Home." Based on a theme of interest to every mother, the league will air practical discussions of home entertainment devised to interest children. In addition to discussing the games, league members will demonstrate how the games are played. Among the dozens of interesting and entertaining games to be outlined and demonstrated are stunts of magic, test-yourself quizzes, races and outdoor games, pencil and paper games, oral games, brain twisters, word puzzles and anagrams. The programs are heard over KBST each Saturday at 9 a. m.

**New Plymouth for 1940 Features "Luxury Ride"**

Completely new from bumper to bumper is this 1940 Plymouth just announced, presenting a new concept of size and luxury obtainable in cars for the lowest price field. As these pictures show, stronger "eye appeal" is a feature of the new design, while the new 117-inch wheelbase permits a longer, wider, lower body containing much more passenger room. All passengers sit farther forward for a new kind of "luxury ride," gained by redistributing weight.

**'Luxury Ride' Is Boast Of New Plymouth**

Completely new from bumper to bumper—much larger and more luxurious in every respect—the 1940 Plymouth "Roadking" and Deluxe models are being formally presented to Big Spring motorists by local Plymouth dealers, the West Texas Motor company. Yards of colorful bunting and gallons of fresh paint decorate the local showrooms in readiness for the gala event, as the nation's Plymouth dealers present the 1940 designs. These are said to wipe out all previous concepts of car size and motoring luxury possible for vehicles in the lowest price class.

Greater "eye appeal," as well as larger size, is evident at once in the sample display of new Plymouth body styles ready for unveiling here by the local dealers. In appearance, added richness is gained by the fresh chrome treatment of grille and cat-walk louvers. Luxury keynote the style of new, massive fenders and the larger body—which, by actual measurement, contains 12 cubic feet more space inside. More "automobile" for the 1940 motor dollar is apparent in every line. The new Plymouth is built on a bigger, 117-inch wheelbase—but considerably more important as an index of increased size, the new car's total exterior surface is 17 square feet greater than before. Running Boards Optional. Matching this wholesale increase in car size, the new Plymouth presents for 1940 a new "luxury ride"—gained through complete redistribution of weight; wider vision through new safety glass that also reduces eye-fatigue; new "Sealed-Beam" headlights that give 50-65 per cent more road light; improved steering post gearshift now standard on the low-priced "Roadking" as well as Deluxe; big, economical Floating Power engine with vital parts now Superfinished for great-

er smoothness and longer life; new design transmission and clutch for quicker, easier shifting; reminder safety signals on all instruments, and a score of other improvements in below-the-surface ruggedness, driving comfort and safety in addition to the bigger, wider, sound-proof bodies and longer wheelbase.

Set low on this year's longer, heavier frame is a bigger body—much wider and longer as well as lower than before—that now flares outward at the bottom instead of curving in at the base. All body styles this year for the first time come with or without running boards. These are replaced, if so desired, by smart fender guards and a chrome decorated moulding beneath the doors to emphasize the bottom flare.

**New "Unit" Design** Body lines flow in continuous curves to include the new fenders, hood and radiator shell—all now essentially part of the new "unit" design—and end at the back in a beautiful new streamlined rear deck that slopes back at 45 degrees. The new streamlined rear end completely conceals this year's larger trunk, that is lighted at night by inside "windows" at the back of the two tail lamps.

For 1940, the whole front end is completely new although it bears Plymouth's unmistakable identity. This year's grille is more nearly a solid section in body color, broken only by a bright metal center strip and three decorative louvers at either side, high and close to the chromium belt.

**MORE LAND REVERTS TO MEXICAN GOVT.**

MEXICO CITY, Sept. 22 (AP)—A total of 3,140,000 acres have been restituted to the nation as a result of legal suits won by the secretary of agriculture before the supreme court, it was learned today. Some of the lands won by the government are in potentially rich oil zones, in the states of Chiapas and Tabasco.

**WOMEN ARRESTED**

MEXICO CITY, Sept. 22 (AP)—Two women were under arrest today for distributing political propaganda in army barracks. Recently the secretary of national defense placed a ban on spreading of political propaganda in military zones.
